Subject:	[EXTERNAL] West Village Neighbor in Support of Proposed Project at 2108 Burns
Date:	Wednesday, June 7, 2023 6:14:44 PM

Dear Historic District Commission of Detroit,

I'm writing this email in support of my neighbor and friend, Gary Brownell at 2108 Burns in Historic Indian Village. Gary consistently hosts those in the neighborhood at his home and yard and makes everyone feel welcome.

He cares and is conscientious about the historic significance of the neighborhood, and his proposed project will enhance its historic character, not detract from it.

Sincerely,
Bryan Carroll
