Good afternoon,

I am supplementing this application as to the Windows, Porch Pillars and Landscaping issues only. There is a pending lawsuit against the seller and listing agent for failure to disclose the active violations on the property. I have attached the complaint in the Wayne County Circuit Court to supplement the file as I am seeking approval to keep the unapproved work as it was done prior to my ownership and without my knowledge that it had not been approved.

Attached are the pictures of the proposed area next to the garage where a small concrete parking pad would be added. We are asking to complete the privacy fence in front of that and to the right of it.
