Detroit, Michigan
Thursday, March 10, 2011
About 6:30 p.m.

COMMISSIONER RIVERA: Good evening, ladies and gentlemen. My name is Adela Rivera. I am the Vice Chair of the Board of Police Commissioners. Our Chair tonight, Jerome Warfield, is at his church. He's having a revival. So he won't be joining us this evening. With me to my immediate right is Commissioner Michael Reeves. Next to him is Commissioner Donnell White, and next to him is our Board Secretary George Anthony.

At this time, I would like to ask if Chaplain James Powell is with us. Chaplain Powell is from the Cornerstone Baptist Church in Detroit. He is going to lead us in our invocation tonight.

CHAPLAIN POWELL: Let us look to the Lord. Lord God of grace, in the name of Jesus, we thank and praise you, Lord, for your keeping power and your blessing power, Lord God, for how you just protected us, Lord, and how you just look down upon this group of officers, Lord God. Lord, I ask you just to continue to bless us, Lord, and help us. Look down upon our city. Bless our mayor, look down upon our chief, Lord God, and those, Lord God, that -- Lord, help him. Lord, I ask

1 you just to strengthen us, give us that that we need.
2 Help us to bring our minds together, Lord God. Help us
3 to do that, Lord, which is right and that which is
4 pleasing in your sight.

5 Lord, look down upon all of our officers.
6 Protect them, Lord, as they do their jobs. Watch over
7 them. Give them sound minds, sound thinking and Lord
8 God, let your blessings be upon them. We thank you,
9 Lord God. And we magnify your wonderful name, and we
10 praise you. In Jesus, name, amen.

11 AUDIENCE: Amen.

12 COMMISSIONER RIVERA: At this time, I would
13 like to introduce our Assistant Chief, Chester Logan.
14 Okay. Excuse me. First I'd like to introduce George
15 Anthony, our secretary, and let him introduce our staff
16 first.

17 SECRETARY ANTHONY: Thank you, Madame Chair.
18 For the record, Secretary for the Board, George Anthony.
19 I would like to introduce the staff members from the
20 Board of Police Commissioners. And I would ask that the
21 staff members stand up so that they can be identified.
22 Our Attorney Supervising Investigator, Celia Banks
23 Washington seated in the front. Ms. Dalph Watson,
24 Director of Police Personnel. With her is Commander
25 John Serda, also from the Police Division or the

1 Personnel Division. Ms. Yolonda Caudle who is our
2 Community Affairs Coordinator. We also have Lieutenant
3 Tim Leach is here who is here from our Office of the
4 Chief Investigator. Our records for the day are
5 Mr. Robert Brown our Office Manager, Officer Terrence
6 Bell seated to the left. Sergeant Allen Quinn, also
7 seated to the left and Ms. Wendy Boer from Hanson Court
8 Reporting Service. Welcome. That completes the
9 introduction, ma'am.

10 COMMISSIONER RIVERA: Thank you, George. At
11 this time, I would like to introduce our Assistant Chief
12 Chester Logan. And if you wouldn't mind introducing
13 your staff tonight, please?

14 ASSISTANT CHIEF LOGAN: Yes, ma'am. There's a
15 number of different ways we can do this.

16 COMMISSIONER RIVERA: How about we just have
17 them stand and say their names or just --

18 ASSISTANT CHIEF LOGAN: I wanted to be a
19 little more -- make it a little bit shorter than that.

20 COMMISSIONER RIVERA: Let's just introduce the
21 people who aren't here.

22 ASSISTANT CHIEF LOGAN: This is the Command
23 Staff of the Detroit Police Department. Did you want to
24 introduce -- you can. I thought I had already done it.
25 This is the collective staff of the Detroit Police

1 Department. In the interest of time, I'll just say
2 that.

3 COMMISSIONER RIVERA: Is there anyone in
4 particular that any citizens would like to acknowledge?
5 Okay. At this point, is there anyone here from the Boy
6 Scouts of America tonight? Okay. We want to thank them
7 for the use of their hall. They have always been very
8 generous to us, and we appreciate it. Commissioner
9 Reeves, if you don't mind, would you please read the
10 duties of the Board of Police Commissioners?

11 COMMISSIONER REEVES: The duties of the Board
12 of Police Commissioners are as follows: Establish
13 policy, rules and regulations in conjunction with the
14 Chief and the approval of the Mayor. Review and approve
15 the department budget, review and approve the department
16 promotions, receive and resolve complaints concerning
17 the operations of the Police Department, final authority
18 to impose and/or review discipline of the Police
19 Department employees, appoint civilian Personnel
20 Director and finally prepare an annual report of the
21 department's activities for the public, Mayor and City
22 Council.

23 COMMISSIONER RIVERA: Thank you, Commissioner
24 Reeves. At this time, I will entertain a motion to
25 approve the agenda for Thursday March 10th, which is

1 today.

2 COMMISSIONER WHITE: So moved.

3 COMMISSIONER REEVES: Second.

4 COMMISSIONER RIVERA: All in favor?

5 COMMISSIONERS: Aye.

6 COMMISSIONER RIVERA: The agenda has been
7 approved. At this time, I will ask for a motion to
8 approve the minutes of Thursday, February 24th.

9 COMMISSIONER REEVES: So moved.

10 COMMISSIONER WHITE: Support.

11 COMMISSIONER RIVERA: All in favor?

12 COMMISSIONERS: Aye.

13 COMMISSIONER RIVERA: Let the record show that
14 the minutes for February 24th have been approved. I
15 just have one simple thing to mention tonight. I know
16 alot of you are tired today. We have all been doing alot
17 of meetings. So we are going to try to get through this
18 as quickly as possible.

19 I just attended -- Commissioner Reeves and I
20 just attended and Assistant Chief Logan just attended the
21 Consent Decree dialog held at Wayne State University by the
22 Lawyers' Guild. And we had some very interesting
23 comments from the citizens, a lot of input. I was
24 telling Deputy Chief Simenauer that he was a
25 big topic of discussion. We had those cameras and those

1 cars, that audio working, that seems to be a very
2 pressing issue with the community and of course getting
3 out of the Consent Decree and getting some involvement
4 from Ron Scott's group, the Coalition Against Police
5 Brutality because they feel that they haven't had a say.

6 It was also mentioned at that meeting -- and
7 I'm sorry they are not here right now. Are you here,
8 Ron? That they mentioned that some of the people don't
9 feel that their complaints are fully addressed when they
10 make them. And I want to reassure every one of you that
11 every complaint that comes into the Police Department
12 and to the Office of the Chief Investigator is
13 thoroughly investigated. It's part of the Consent
14 Decree. And we are obligated by law to investigate
15 every single complaint.

16 That being said, there was also a comment
17 about what happens when you don't feel like you have any
18 redress. And I must say that, you know, we do a very
19 very thorough job of investigating each complaint. And
20 sometimes, you know, you just have to agree to disagree.
21 And I think the bulk of the people that have complaints
22 about their complaint not being handled properly really
23 has more to do with they maybe didn't agree with the
24 findings. But you have to remember that we are a
25 citizen review board and that we do our best to look at

1 all of the facts and discipline officers when necessary,
2 ask that they be retrained or go through discipline.

3 So, I just want to make sure that all the
4 citizens here are aware that we do take our citizens'
5 complaints very seriously and they are really looked
6 into. If you have any problems with a citizen complaint
7 and you're not satisfied with what you hear at this
8 meeting, you can always give it to any one of our
9 commissioners here, and they will personally make sure
10 that someone pays attention to your complaint. Okay.

11 That being said, we have a report from
12 Chief Logan today or a presentation. I'm going to let
13 -- turn the meeting over to you at this point.

14 ASSISTANT CHIEF LOGAN: Yes, ma'am. Through
15 the Chair, I call upon Commander Kenneth Williams of the
16 Central District to come forward and introduce himself.
17 And, Commander, would you also introduce your staff?

18 COMMANDER WILLIAMS: Yes, sir. Commander
19 Kenneth Williams, Central District. My support staff
20 are Lieutenant Charles Fitzgerald, 13th Precinct patrol,
21 Lieutenant Lashinda Houser, central events and gaming,
22 Christopher Vinavogel (phonetic) is my administrative
23 lieutenant. Could my community relations staff please
24 stand. Sergeant Quick back there who is about to leave
25 us rather quickly. Officer Nelms and Officer Dorsey

1 Earlier. I think that's about it, sir.

2 I wanted to give you a brief overview of the
3 Central District if I could. But I wanted to first
4 welcome the distinguished board, Mr. Anthony, Assistant
5 Chief Logan and citizens and colleagues that are in
6 attendance today. Just a brief overview. The Central
7 District encompasses roughly eight square miles. The
8 district is comprised of the 1st and 13th Precinct,
9 which is patrolled and investigative in nature and
10 located 7310 Woodward. Gaming operations is also housed
11 at 7310 Woodward, and central events is located at 20
12 Atwater.

13 The Central District is bounded by Woodland to
14 the north in Highland Park, St. Aubin and the Chrysler
15 Freeway service drive on the east and the John C. Lodge
16 and west Grand Boulevard to the south and west and
17 Michigan Avenue from 14th to Atwater. The Central
18 District population has approximately 100,000 citizens.

19 I make it a point to point out every Friday
20 afternoon, we become the second largest city of Michigan
21 just in downtown Detroit on a regular basis. There is a
22 resurgence of night life, sporting and I think more
23 importantly residential area in the downtown area. And
24 we are actually getting involved in some initiatives
25 that we are very excited about. Our community relations

1 team is charged and energized towards getting to all of
2 the stakeholders in the district, corporate, community,
3 clergy, education and to me, most importantly, the human
4 services division.

5 As you know, there's a growing number of
6 homeless and vagrants in the downtown area. And one of
7 the things that we want to do is start increasing our
8 social advocacy so that we can reduce those numbers
9 dramatically in the next upcoming year. I think the
10 most important exciting thing for us is that we have set
11 about the goal of creating a corporate block club that's
12 going to engage the community, business leaders
13 downtown, as I said earlier, the clergy. And we are not
14 doing it from a security aspect or law enforcement
15 aspect.

16 We are actually using this opportunity to
17 engage every resident, business owner, patron, citizen
18 that visit, frequent and lives in the downtown area. We
19 are starting to see some of that come to fruition
20 already as Commissioner Reeves kind of graciously helped
21 us out today. We had a call from a concerned citizen
22 for a B&E in progress. That citizen happened to be
23 Commissioner Reeves who immediately called 9-1-1. And
24 as a result, we immediately took into custody a person
25 who was attempting to break in.

1 And I think that's what the citizens really
2 want in this district and city wide. They want to know
3 that we talk partnership and we say get involved. They
4 want to know that when they do call, the police will be
5 there. And I think that's a prime example of how we can
6 improve in that area.

7 As we indicated earlier, every Friday evening,
8 downtown Detroit becomes a city in and of itself. We
9 want to make our downtown area vibrant, the club life,
10 the River Walk, all the sporting venues, the eateries
11 and things of that nature, we want to make user
12 friendly. We are going to do everything we can to
13 provide proactive positive patrol that encourages this
14 kind of vibrancy and dissuades those who would use our
15 downtown area in a disrespectful manner, whether it's
16 parking anywhere you want to park, creating crime scenes
17 or criminal activity.

18 We're going to be very diligent in making sure
19 that our downtown area is vibrant. The larcenies that
20 we have had are an issue downtown. One of the things we
21 want to do is increase the patrol. We have a very --
22 not a new approach to crime prevention. Let's put the
23 patrols out there before the crime happens and
24 hopefully, you know, our instances will go down
25 dramatically.

1 I don't have anything other than just to say
2 we are engaged, we are excited. We are kind of young
3 and kind of vibrant, the new leadership team of the
4 district. And we are looking for all the support we can
5 have from the citizens and of course this board.

6 COMMISSIONER RIVERA: Okay. Is there a
7 presentation tonight?

8 COMMANDER WILLIAMS: Yes.

9 COMMISSIONER RIVERA: Would you like to --

10 COMMANDER WILLIAMS: Yes, I sure would. I
11 would if I could call Lieutenant Houser and Lieutenant
12 Fitzgerald and Sergeant Quick to join me. We wanted to
13 take this opportunity to present the Spirit of Detroit
14 Award to one of the leaders in our district and one of
15 the people who has made their civilian status in the
16 district powerful and very inclusive, and that is
17 Mr. Jeff Debruyne from the Corktown Residents'
18 Association. Mind if I read it into the record?

19 COMMISSIONER RIVERA: We have it on the agenda
20 for after the 9-1-1 presentation. Is there a 9-1-1
21 presentation tonight? Okay. Can we do that after the
22 presentation?

23 COMMANDER WILLIAMS: Certainly.

24 COMMISSIONER RIVERA: Who is in charge of the
25 presentation from 9-1-1?

1 ASSISTANT CHIEF LOGAN: Commander Russell
2 Decrease is making his way forward.

3 COMMISSIONER RIVERA: I'd like to welcome our
4 Commissioner Toney Stewart who has just joined us for
5 the record and our Chief Investigator Tina Orr I see has
6 also joined us. Welcome.

7 COMMANDER DECREASE: Good evening, board and
8 citizens who are with us. My name is Russell Decrease.
9 I'm a Commander at Emergency Communications, here to
10 give a presentation about 9-1-1. But before I start,
11 I'd like to acknowledge a couple people. From Technical
12 Services, we have Deputy Chief Andre Simenauer
13 who is over Emergency Communications. And
14 from the 9-1-1, we have Administrative Assistant Hayes
15 and Senior ESO Watson.

16 COMMISSIONER RIVERA: Welcome.

17 COMMANDER DECREASE: I've got a lot of
18 information packed into the slides here. So if there's
19 anything you'd like information -- additional
20 information on, please let me know. First thing that we
21 are always trying to push out to the community is when
22 to call 9-1-1. First of all, it's to report a situation
23 that requires police officer at the scene or to summon
24 an ambulance for emergency medical service, also to
25 report a fire or a crime in progress or any suspicious

1 activity.

2 The reason we put that out there is there is a
3 lot of misuse of the 9-1-1 system. We have a lot of
4 people who are calling for things that are not
5 emergencies. Believe it or not, we even get calls for
6 toothaches as well as to find out what time the fire
7 works start. Calls are actually quite amazing. One of
8 the big questions and problems that people have is they
9 are really not sure who else to call and who they can
10 call when they actually do need something that's not an
11 emergency.

12 For general information, we do have our Public
13 Information office at 596-2200. For general city
14 service matters, we have 3-1-1. And they do have an
15 alternate number, which is the 224-4636. We also have a
16 2-1-1 that is not a city entity, but they are able to
17 help with a lot of issues, with bill payments, shelter,
18 things of that nature. The last number I'd like to
19 give is telephone crime reporting at 267-4600. They are
20 able to take reports on crimes where there is not
21 evidence or there is not -- there is no immediate threat
22 or things of that nature.

23 Next slide. How does 9-1-1 work? It's always
24 kind of shrouded in mystery. Your call is actually
25 answered by an Emergency Services Operator. They have a

1 series of questions that they have to go through in
2 order to figure out exactly where to send your call and
3 how to prioritize it. Once that happens, the
4 information is directly forwarded to the dispatchers.
5 There's two separate sets of dispatchers. One is for
6 police, and the other is for fire and EMS. They are
7 completely separate entities.

8 The dispatcher will call the unit on the
9 street, whether that's police or fire or EMS, relay the
10 information. And then obviously the unit shows up at
11 the scene. Some of the questions we get is why do we
12 have to wait if we are calling 9-1-1? And the first
13 issue is there's 1.5 million calls a year into the 9-1-1
14 center. That's about 183 calls per hour.

15 We normally run a staff, depending upon the
16 time of day as well as the season, of approximately 12
17 operators. So that means those operators are constantly
18 churning calls or doing at least 15 per hour.
19 Unfortunately, the calls don't come at a constant rate.
20 So there are times where we are going to get very few
21 calls, and there are times they are going to be all
22 bunched up. Average wait time is only three seconds.

23 You will hear sometimes some of the people say
24 that they called 9-1-1 five times in a row before they
25 got through. The unfortunate truth is had they just

1 held on the line, probably within about three to four
2 seconds the operator would have been able to pick up.

3 So, especially to the citizens, if you do call
4 9-1-1 and you get a recording saying please stay on the
5 line, please stay on the line. It should only be a few
6 seconds. If you hang up and you call back, you're
7 immediately back at the start of the line again. Again,
8 in 2001, we received approximately 1.5 million calls.
9 Breaks down to 44 -- I'm sorry -- 4,400 per day.

10 One of the big problems we have as I said is
11 the calls that are truly not emergencies. 37 percent of
12 all calls are either pranks or hang-ups. A lot of those
13 are from cell phones, especially burnt out cell phones,
14 the cell phones that you tossed in your drawer or gave
15 to a little child because you got a new one, those can
16 still dial 9-1-1. A lot of pranks actually come from
17 those phones, burnt out phones. 63 percent actually do
18 generate a run. 80 percent are for police, 15 percent
19 are for EMS and 5 percent are for fire. But even out of
20 those 63 percent, only 17 percent of the police runs
21 actually require immediate assistance.

22 What determines a call's priority, because
23 sometimes the question is, I called the police several
24 hours ago, and I didn't see them. Well, first thing is
25 the highest priority to the police department is any

1 type of a danger of loss to life, physical injury or a
2 serious loss of property. Also, the apprehension
3 likelihood really doesn't matter if it's a life
4 threatening situation. Below that we have something
5 that is serious but the situation is stabilized. Below
6 that we have requires police assistance but in some
7 cases can escalate to emergency status.

8 Below that, we actually have the more minor
9 situations where an immediate response is not necessary.
10 We do make a lot of special accommodations. The first
11 one is actually the language line. We have a lot of
12 people who are either residents in the city or who are
13 visiting the city who don't speak English. We have a
14 service available to us where we can have interpreters
15 on call for over 150 different languages. We also have
16 what is referred to as the TDD line, which is for the
17 hearing impaired. And they actually have devices in
18 their homes where they can communicate to us without
19 actually talking back and forth.

20 When I always talk about 9-1-1 to citizens and
21 how they can actually improve their experience, the
22 first thing I always say is do not hang up. Again, we
23 have so many people who will sit there and say I called
24 several times before I got through, not realizing that
25 every time they hung up and called 9-1-1 again, they

1 went to the back of the line. Had they stayed on the
2 phone, it probably would have only been a couple seconds
3 wait.

4 First thing is give the location. If you
5 don't know the address, provide a landmark. When the
6 emergency service operator comes on, that's the first
7 thing that they are trying to get is the address because
8 if the call gets cut off, we at least know where the
9 person is. We'll ask a number of questions. The
10 questions are very important because we truly don't know
11 how to prioritize it and how important a run is unless
12 we get all the information.

13 Briefly state the problem. Never hang up.
14 Again, there is a number of questions. And a lot of
15 callers will give minimal information and then hang up.
16 A lot of times we need to keep that person on the line
17 because it's an emergency situation, and we have to
18 monitor it. And of course if there's any problem that
19 is experienced through the 9-1-1 center, please ask for
20 a supervisor. We do take complaints very seriously.
21 And the number of complaints has actually gone down
22 significantly.

23 In summary, the 9-1-1 operators do not send
24 cars. The reason that's important to know is we do have
25 a lot of citizens who will call back the 9-1-1 operator

1 and say, is the car coming? Is it here now? The 9-1-1
2 operator does not have that information. The questions
3 that are asked, they are required. We really do need to
4 know what the situation is so we can know how quickly we
5 need to send a car. Please be patient. We do serve
6 over a million citizens.

7 One of the big ones down there, only use 9-1-1
8 when absolutely necessary. Again, we have, you know, 37
9 percent of the calls that never generate a police run or
10 a fire or EMS. And it's just because people are
11 misusing 9-1-1. Reports involving crimes that have
12 already occurred do receive the lowest priority. That's
13 something that we do ask the public's understanding in,
14 that if a crime has already occurred, they may get
15 pushed down in the priority list because we have
16 something that is happening currently and we need to get
17 to it.

18 One of the things that we are looking at in
19 trying to reduce the amount of calls coming into 9-1-1
20 is dealing with burglar alarms. About 17 percent of our
21 calls are burglar alarms for residences or business.
22 That equates to about 86,000 calls per year. We are
23 talking about expending 27,000 hours of scout cars time
24 that could be spent actually responding to emergencies.

25 Nationally, 95 percent of those are false.

1 That's also the case in the City of Detroit. When we
2 are servicing those alarms, obviously we are not
3 servicing the other runs that we truly should be. One
4 of the things we've done is we have partnered with
5 the actual alarm industry in order to try and reduce
6 some of those calls. We have actually made it incumbent
7 upon the alarm companies to notify the owner before they
8 call 9-1-1. Most companies or some companies have done
9 this for several years, many had not. The call was
10 coming in directly into 9-1-1.

11 Just by taking the simple step, we have cut
12 calls by 12 to 15 percent. We've also looked at going
13 after the worst offenders. And that actually cut that
14 86,000 calls down by 25 percent between those two
15 initiatives. That's probably the biggest initiative
16 that we have done in several years to actually bring the
17 call volume down. That's what I have. Are there any
18 questions?

19 COMMISSIONER STEWART: Are you saying that
20 95 percent of them calls is false?

21 COMMANDER DECREASE: Correct.

22 COMMISSIONER STEWART: Calls that -- not a
23 crime occurred. But if they call saying it's a
24 break-in, how do you tell -- how do you tell if that's
25 not a crime occurred?

1 COMMANDER DECREASE: Well, when the scout car
2 shows up, they either physically -- they physically go
3 around the building and insure that it's secure or they
4 will physically make a police report or, you know,
5 things of that nature.

6 COMMISSIONER STEWART: But if it was a
7 break-in, a break-in is a break-in. I know people who
8 call me about that. And they come, say there's nothing
9 here. And they have stuff -- there was a break-in. So
10 how do you prove that 95 percent of the calls -- that's
11 what I'm trying to see. If it was a break-in, what are
12 you --

13 COMMANDER DECREASE: Well, first of all, that
14 was a national number, that nationally 95 percent of
15 those are false

16 COMMISSIONER STEWART: It's not us?

17 COMMANDER DECREASE: In the City of Detroit,
18 we do hover around the 93 to 97 percent, depending upon
19 the month. And it's based on the officers who
20 physically go out and check the location.

21 COMMISSIONER STEWART: Okay. I think I have
22 one more. You said you get 183 calls per hour, and you
23 have 12 operators. How do they go about handling those
24 calls if you get that many per hour? That's what I
25 didn't understand about this one right here.

1 COMMANDER DECREASE: The 9-1-1 operators do
2 take a number of calls per hour. And that's why that
3 was put in there. They are almost continuously on the
4 phones.

5 COMMISSIONER STEWART: It almost look like we
6 need more.

7 COMMANDER DECREASE: We were actually below
8 critical staffing approximately a year ago. We recently
9 hired 18 additional 9-1-1 operators. So, we are much
10 better able to handle the call volume at this time. We
11 do have a request in for additional personnel. But we
12 are better able to handle the call volume than we were a
13 year ago.

14 COMMISSIONER STEWART: Because I was getting a
15 lot of calls and complaints about not getting through.
16 I know that's why I asked that question. Okay.

17 COMMANDER DECREASE: Again, the biggest issue,
18 if somebody does call and they get the recording that
19 says, you know, please do not hang up, your call will be
20 answered in the order received, the biggest complaint
21 that we get that, you know, I really hate to see is when
22 somebody hangs up and immediately calls back and they
23 may have to call back two or three times. But had they
24 stayed on the phone, it would have been a matter of
25 seconds before it was actually answered.

1 COMMISSIONER RIVERA: The moral of the story
2 is don't hang up.

3 COMMANDER DECREASE: Definitely.

4 COMMISSIONER RIVERA: Any other questions from
5 the commissioners? Commissioner Reeves and then
6 Commissioner White.

7 COMMISSIONER REEVES: I see that you have on
8 here 3-1-1. Can you explain to the citizens what's the
9 difference between 3-1-1 and 4-1-1?

10 COMMANDER DECREASE: I can't explain the
11 difference between 3-1-1 and 4-1-1. But specifically
12 3-1-1 is a city agency that will handle non police
13 matters. They will handle everything from street light
14 outages to complaints of garbage pick-up, any city
15 service that is not a crime issue.

16 COMMISSIONER WHITE: Thank you, Commander.
17 Just as a point of clarity, when you say there's 12
18 operators, is that specifically for police or is that
19 combined police and fire?

20 COMMANDER DECREASE: That's combined police
21 and fire. And when I say there is 12 operators, I mean,
22 that is the lowest point that we have. During the day
23 time and the evening hours, we actually have additional
24 operators, you know. We fluctuate based on the time of
25 day and day of the week.

1 COMMISSIONER WHITE: So the 183 calls is not
2 only police runs, those are fire and EMS runs as well?

3 COMMANDER DECREASE: Correct.

4 COMMISSIONER WHITE: Potential runs?

5 COMMANDER DECREASE: Correct.

6 COMMISSIONER WHITE: Are there ever return
7 calls that alert the citizens to the nature of response
8 time, that their priority is low so if an hour or two
9 hours goes by or is it up to the officer once they
10 arrive, which may be hours later, that that's the first
11 time they have had a follow-up communication?

12 COMMANDER DECREASE: No, there is no follow-up
13 communication from the 9-1-1 center. That would be done
14 strictly through the scout car who goes to the scene.

15 COMMISSIONER REEVES: Commander, just for
16 clarification, this particular 9-1-1 location that
17 you're talking about at the 12 operators, that's right
18 there on Lyndon, correct?

19 COMMANDER DECREASE: Correct.

20 COMMISSIONER REEVES: You said there were only
21 12 or at least 12?

22 COMMANDER DECREASE: There is at least 12 on
23 the floor at any one time. In other words, we may have
24 16 working, but they may be on break, lunch. And we
25 have a minimum of 12 operators on the phones at any

1 given time.

2 COMMISSIONER RIVERA: Excuse me. Does that
3 include your supervisors? They are not included?

4 COMMANDER DECREASE: No, it does not.

5 COMMISSIONER RIVERA: Those are traditional
6 manpower?

7 COMMANDER DECREASE: Correct.

8 COMMISSIONER RIVERA: Any other questions?
9 Commissioner White?

10 COMMISSIONER WHITE: Who prioritizes the call?
11 Is that the dispatcher or is that another function in
12 how a run is prioritized?

13 COMMANDER DECREASE: It actually is a function
14 of the questions that are asked by the 9-1-1 operator.
15 And based on those questions, the computer will
16 physically select a priority. It can be overridden in
17 unusual circumstances. But as a general rule, it's
18 based on the questions asked by the 9-1-1 operator.

19 COMMISSIONER WHITE: How many priority levels
20 do we incorporate?

21 COMMANDER DECREASE: Technically, there's 99
22 priority levels.

23 COMMISSIONER WHITE: I will leave that at
24 that.

25 COMMISSIONER REEVES: One more question,

1 Commander. Now, the location that's on Lyndon, I have
2 had a chance to go there a number of times. And I
3 understand that you all have the sitting area where you
4 all can relax, the little wait room. And you have a
5 comfortable chairs there and all of that stuff. Getting
6 back to at least 12 operators, what's the rate of
7 burnout that you have experienced with this particular
8 department being under your command?

9 COMMANDER DECREASE: It was -- we were
10 actually having a severe problem with burnout
11 approximately a year ago. But as I stated, we did add
12 18 operators, and that has helped significantly. We're
13 having to run people 16-hour shifts on a very small
14 basis now. A year ago, that was at a much higher level.

15 COMMISSIONER REEVES: So, again, the answer or
16 just to piggy-back off of Commissioner Stewart's
17 question, are you sure that that's enough to handle
18 that or are you sure that those are enough operators to
19 handle that particular department?

20 COMMANDER DECREASE: Again, we are not at full
21 budgeted strength. And of course we could always use
22 additional operators. And that would help with many
23 issues, including the delay of 9-1-1. But approximately
24 a year ago, we were at critical staffing levels. We are
25 no longer at critical staffing levels.

1 COMMISSIONER REEVES: Okay. I'm going to come
2 and visit.

3 COMMANDER DECREASE: Okay, happy to have you.

4 COMMISSIONER RIVERA: Okay. Thank you. Any
5 questions? Would you like to ask the Commander a
6 question?

7 MS. DAVIS: My name is Christine Davis. I am
8 with AC Towing. I was listening to what you were
9 saying. And when they dial 9-1-1, is there an operator
10 that comes on to ask, is this a police emergency, push
11 1, a fire emergency, push 2, or a life-threatening
12 emergency, push 3? That way it could be, you know,
13 sectioned off and get to the nature of the, you know,
14 call sooner.

15 COMMANDER DECREASE: I do understand your
16 question. And there are several major cities that do
17 actually have a recorded message where you press 1, 2 or
18 3. But in the City of Detroit, the call takers actually
19 take calls for police, fire and EMS. And they are cross
20 trained. So they are actually able to define all
21 emergencies, whether it be a medical emergency or
22 police. And that actually makes us more efficient
23 because we don't have to have a group of EMS call takers
24 sitting there and a group of police call takers sitting
25 there, and we can use them interchangeably and do a

1 better job with less people.

2 COMMISSIONER RIVERA: Thank you, Commander.
3 That was a very enlightening presentation. You're off
4 the hook. At this time, before we go on to the new
5 business, I would like to make an announcement to the
6 community that, you know, that the Aiyanna Jones case
7 has been resolved with the Michigan State Police. And
8 this board will be looking into the results of that
9 report and also any policy changes that need to be made
10 regarding incendiary devices. It will be Commissioner
11 Reeves and myself. And we'd like to engage the
12 community, if you have any comments or any questions or
13 anything you'd like to see addressed, to please call the
14 Board of Police Commissioners. And we will return your
15 calls and address any of your concerns before we come
16 out with our final results on our reviewing of policy.

17 At this time, it's time for new business. We
18 have a resolution honoring Mr. Jeff Debruyne.
19 Commissioner White, would you like to read that
20 resolution?

21 COMMISSIONER WHITE: I will.

22 COMMISSIONER RIVERA: Thank you.

23 COMMISSIONER WHITE: Resolution honoring Jeff
24 Debruyne, is that correct?

25 MR. DEBRUYNE: Debruyne.

1 COMMISSIONER WHITE: Mr. Debruyne has been a
2 committed resident of the City of Detroit for five
3 years. He is a stand-up citizen and an active member in
4 his Corktown community. Mr. Debruyne, along with other
5 stand-up citizens of the Corktown neighborhood have
6 helped in assuring the safety of his residents and
7 visitors of Central District.

8 And whereas Mr. Debruyne plays a major role in
9 the growth and stability of his community, he is the
10 President and Executive Director of the Corktown
11 Residents' Council, CRC, and President, Executive
12 Director and co-founder of the Imagination Station of
13 Roosevelt Park.

14 He has lived and served in his Detroit
15 community since June, 2006, when he was invited by
16 Father Thomas Lumpkin (phonetic) to live in and help
17 operate the Day House, a shelter for women and children,
18 and serve as a peacekeeper at the Manna Community Meal
19 Soup Kitchen in downtown Detroit.

20 And whereas Mr. Debruyne is active in his
21 neighborhood and the qualities displayed by him not only
22 reveal his sincerity and devotion but also emphasize his
23 loyalty in assisting the Detroit Police Department. An
24 example of this is shown by his dedication and working
25 hand in hand with DPD, which resulted in the removal of

1 over 20 housing units from the blight list.

2 And whereas Mr. Debruyne serves in many
3 capacities. He has participated as a member of Mayor
4 Bing's Angel Night Task Force and serves on Wayne State
5 University's Presidential Advisory Committee. Under his
6 leadership, the CRC received an award of recognition
7 from state senator Coleman Young, Jr., and the Spirit of
8 Detroit Award from Councilwoman Brenda Jones.

9 His projects and work have been featured in
10 the Metro Times, New York Times, Wall Street Journal,
11 Crain's Detroit Business and the Toronto Star. He
12 consistently goes above and beyond the call of duty and
13 was honored with the Community Leadership Award by Wayne
14 State University at its annual tribute to
15 Dr. Martin Luther King, Jr., in January, 2011.

16 Now, therefore, be it resolved that the
17 Detroit Board of Police Commissioners, speaking on
18 behalf of the Detroit Police Department and the citizens
19 of Detroit recognize and honor the community spirit of
20 Mr. Jeff Debruyne. His commitment to volunteerism and
21 improving the quality of life for the citizens of the
22 Central District and entire City of Detroit merit our
23 highest regard.

24 We thank and congratulate Mr. Jeff Debruyne.
25 The Detroit Board of Police Commissioners, signed by all

1 commissioners, adopted by the Board of Police
2 Commissioners, March 10, 2011. Congratulations.

3 MR. DEBRUYN: Thank you.

4 (Applause)

5 COMMISSIONER RIVERA: While he's taking the
6 pictures, I'd like to entertain a motion to approve the
7 resolution.

8 COMMISSIONER REEVES: So moved.

9 COMMISSIONER STEWART: Second.

10 COMMISSIONER RIVERA: It's been moved and
11 seconded. The resolution is accepted. Congratulations,
12 Mr. Debruyne.

13 MR. DEBRUYN: Thank you.

14 COMMISSIONER RIVERA: Yes, the Chief has -- or
15 the Assistant Chief has a presentation to make as well
16 and also I believe Commander Williams has. Don't leave.
17 You're getting them all at once.

18 COMMANDER WILLIAMS: This is the Spirit of
19 Detroit Award, signed by the nine members of the Detroit
20 City Council. It reads, is presented herewith as an
21 expression of the gratitude and esteem of the citizens
22 of Detroit to Mr. Jeff Debruyne in recognition of
23 exceptional achievement, outstanding leadership and
24 dedication to improving the quality of life, by the City
25 Council, Detroit, Michigan. Signed by all nine council

1 members.

2 MR. DEBRUYN: Excellent. Thank you.

3 (Applause)

4 ASSISTANT CHIEF LOGAN: Here is a Certificate
5 of Recognition from the Chief of Police to Mr. Jeff
6 Debruyn, in appreciation for your contribution and for
7 your involvement in the community and service to the
8 City of Detroit. He demonstrated a spirit and
9 commitment that is worthy of recognition. And this is
10 signed by our Chief of Police, Ralph Godbee.
11 Congratulations.

12 (Applause)

13 COMMISSIONER RIVERA: I can attest to what a
14 good community activist Mr. Debruyn is. We've worked on
15 many things together. I just have one question, one
16 question, Mr. Debruyn.

17 MR. DEBRUYN: I want to say one quick thing.
18 I'm definitely accepting this on behalf of the whole
19 Corktown community. They are very very active. We have
20 a large citizens' patrol, you know, like over 30. Over
21 30 community members do about four to eight hours a
22 month on patrol. So this is really about a very very
23 engaged community. So, I am accepting on behalf of
24 them.

25 And then one other thing. The residents'

1 council has partnered with, you know, over 35 different
2 community groups and non profits and institutions for
3 the last three years that I have been involved with the
4 residents' council. And I always definitely say
5 publicly that our relationship with DPD is one that I
6 personally value the most and find to be one of the most
7 reliable to partner with. So we very much appreciate
8 that. So, thank you.

9 COMMISSIONER RIVERA: I just have one quick
10 question only because I have been meaning to ask you
11 this. And the times that we have interacted, we've
12 always been on other business. My question is, I know
13 about the Imagination Station. And I drive by Corktown
14 all the time. And I'm a little embarrassed to ask this
15 question, but somebody has got to ask it. Is the
16 Imagination Station a real building or is it really an
17 imagination?

18 MR. DEBRUYN: It's two blighted structures.
19 Right now, that -- and we are going to rehab them. So,
20 it's two blighted structures. One is going to be a
21 place for rotating public art. The other one is just
22 boarded up right now. It's going to hopefully have a
23 media center down below, and the upstairs will be used
24 for like technologists in residence, people doing
25 computer stuff. And then there's a bunch of vacant lots

1 next to them that we want to build on as well.

2 COMMISSIONER RIVERA: He's talking about --
3 for those of you that aren't familiar, he's talking
4 about the area right directly across from the old train
5 station. And you're going to have a very busy week
6 coming up with St. Patrick's Day. And isn't there a run
7 or something that also is hosted in Roosevelt Park?

8 MR. DEBRUYN: Yes. I don't know the details
9 on that, but --

10 COMMISSIONER RIVERA: Okay. So that will be a
11 very busy community this week. Thank you and
12 congratulations.

13 (Applause)

14 COMMISSIONER RIVERA: We also have two other
15 resolutions, one for retired Sergeant Lavern Mack and a
16 resolution for retired Sergeant William Robinson, which
17 we will not read. But I will make an -- entertain a
18 motion to accept those resolutions.

19 COMMISSIONER WHITE: So moved.

20 COMMISSIONER REEVES: Second.

21 COMMISSIONER RIVERA: Let the record reflect
22 that all three resolutions have been adopted. At this
23 time, we have a grant proposal. And who would like to
24 read the grant proposal? Don't everybody volunteer at
25 once. Commissioner Stewart, would you like to read it?

1 He has a bad voice. Do we have the grant? Celia, do
2 you happen to have a copy of that grant? I don't see it
3 in our packet today. Thank you.

4 COMMISSIONER WHITE: As relates to the
5 permission to accept a Project Safe Neighborhoods grant
6 for the 6th and 8th Precincts from the Detroit Justice
7 Partnership, DCJP, the Detroit Police Department 6th and
8 8th Precincts have been selected to receive \$180,000 in
9 grant funding with no required match from the Eastern
10 District of Michigan Project Safe Neighborhoods
11 initiative.

12 The initiative has three goals. Number one,
13 aggressively promote the message that all firearm
14 related violent crime will be met with strict
15 enforcement and swift and certain punishment. Number
16 two, encourage citizens to work with local state and
17 federal law enforcement to address firearm related
18 violent crime in their communities. And number three,
19 promote gun safety in the community.

20 The time period for the grant is March 1,
21 2011, through February 29, 2012. Commander Steven
22 Carlin of the Northwestern District will serve as the
23 project director for the grant. The Detroit Community
24 Justice Partnership will serve as the fiscal agent for
25 the grant. The appropriation number for the grant is

1 13360. It is recommended that the DPD accept the
2 Project Safe Neighborhoods grant for the 6th and 8th
3 Precincts.

4 And it is further recommended that the Chief
5 of Police endorse the attached letters of the memorandum
6 of agreement and required attachments.

7 COMMISSIONER RIVERA: Okay. Before I
8 introduce a motion to accept the grant, can I ask -- who
9 is going to speak on this, Commander Carlin?

10 ASSISTANT CHIEF LOGAN: Commander Carlin,
11 would you come forward?

12 COMMISSIONER RIVERA: Does anyone have any
13 questions regarding the grant?

14 COMMANDER CARLIN: For the record, Commander
15 Steve Carlin. I am accompanied by Sergeant Jason Sloan.

16 COMMISSIONER RIVERA: Welcome. This grant is
17 not a new grant, correct? We have had this grant in the
18 past?

19 COMMANDER CARLIN: That's correct.

20 COMMISSIONER RIVERA: It's just like a
21 renewal?

22 COMMANDER CARLIN: Well, it's the same format.
23 It's a new grant.

24 COMMISSIONER RIVERA: It's a new grant, but we
25 have done it before?

1 COMMANDER CARLIN: That's correct. It was in
2 the Northwest District before, went to the Southwest
3 District; and now it's going to the Northwest District.

4 COMMISSIONER RIVERA: Right. Okay. Any
5 questions?

6 COMMISSIONER WHITE: When we say promote, what
7 vehicles will be used to promote?

8 COMMANDER CARLIN: I know they have town hall
9 meetings. Sergeant Sloan may be better able to speak to
10 some of the vehicles that they use. I know that they
11 are heavily involved in prosecution federally of gun
12 crimes for people who qualify for federal prosecution,
13 which results in heavier sentencing. But generally,
14 Sarge, can you add a little?

15 SERGEANT SLOAN: Specifically promote what,
16 sir?

17 COMMISSIONER WHITE: When it says encourage
18 citizens to work with state, local law enforcement to
19 address, promote gun safety in the community, how are we
20 going about promoting that safety? And more
21 specifically, are we working with young people in the
22 Detroit Public Schools as well is what I really wanted
23 to get to.

24 SERGEANT SLOAN: There's several different
25 facets to the grant. Obviously, enforcement isn't the

1 only one, safety and et cetera. I know the ATF has
2 programs pushing gun safety. And to specifically answer
3 your question, we like people to work with us, certainly
4 become sources of information to better facilitate our
5 efforts directed at the right people. Hopefully that
6 answers your question.

7 COMMISSIONER WHITE: Okay.

8 COMMISSIONER RIVERA: Okay. At this time,
9 I'll entertain a motion to accept the grant.

10 COMMISSIONER STEWART: So moved.

11 COMMISSIONER WHITE: Support.

12 COMMISSIONER RIVERA: It has been moved and
13 seconded. All in favor?

14 COMMISSIONERS: Aye.

15 COMMISSIONER RIVERA: The grant is accepted.
16 We don't have any old business to my knowledge. At this
17 time, I'll make an announcement that our next meeting
18 will be held next Thursday, March 17th, St. Patrick's
19 Day, at police headquarters at 3:00 p.m.

20 And at this time in our agenda, we're open for
21 oral communications from the audience. Anyone who would
22 like to speak. Please remember, we have a four-minute
23 time constriction. So, please line up.

24 Mr. Scott, I know you arrived a little late
25 today. But did you hear our announcement about us

1 looking into the incendiary devices? And we appreciate
2 your input.

3 MR. SCOTT: I did. And I accept that,
4 Commissioner Rivera. What I'd like to ask for the
5 record is that -- and it is my suggestion that we
6 consider seeking independent counsel in terms of that
7 investigation just for the standard of making sure that
8 it is clear to the community in terms of the propriety
9 that there is an independent investigation. I mean, I'm
10 sure that the Commissioners will do a good job. But I'm
11 just saying, I think from a legal standpoint, if we make
12 recommendations in terms of what the protocols are, I'd
13 like to see the Commission use its abilities to retain
14 independent council to do that.

15 COMMISSIONER RIVERA: We are just -- to my
16 knowledge, we are just --

17 MR. SCOTT: That's just a suggestion.

18 COMMISSIONER RIVERA: We are just charged with
19 reviewing the policy for the department. But we will
20 certainly, when we get together -- and I'm sure we will
21 be talking to each other about it. We will certainly
22 address that issue.

23 MR. SCOTT: Right. If we can talk, you know,
24 sooner than later, I would appreciate it. So we talked
25 about it at the meeting.

1 COMMISSIONER RIVERA: Commissioner Reeves and
2 I haven't really had an opportunity yet to sit down and
3 read the entire case and look at what we need to look at
4 and get all the information that we need. But as soon
5 as we have that and we're ready to start engaging the
6 community, we will give you a call.

7 MR. SCOTT: I can say thank you for the
8 opportunity to say this. It's that, you know, as we
9 said recently in the news conference, it is not -- our
10 interest is in terms of the protocols that are set up to
11 deal with this. Many people have been looking into
12 whether or not an individual or individuals would be
13 charged. I don't think it does the community any good
14 to try to figure out whether or not we will get A or B
15 person charged in this situation.

16 What does do us some good -- and you as well
17 as Assistant Chief Logan were recently -- we were at a
18 meeting a few minutes ago, not too long ago, is that if
19 you change the process, then perhaps the people in those
20 procedures will be not as adversely impacted. And so, I
21 am interested in terms of the future of this department
22 and the future of the city in terms of what kind of
23 protocols we establish rather than looking at someone as
24 a person who is to be charged. And that is within the
25 context of what I am suggesting in this framework.

1 COMMISSIONER RIVERA: Okay. Thank you. May I
2 just remind you that this investigation was handled by
3 the Michigan State Police. And we are not looking into
4 the investigation itself. We are just looking into what
5 policies our department needs to change or at least
6 address with regard to the incendiary devices and the
7 entire process.

8 Any other community representative that wishes
9 to engage us in talking about the policy, please feel
10 free to give either Commissioner Reeves or myself your
11 phone number. And we will be happy to include you in
12 our discussions.

13 MS. HINES: Good afternoon. Sandra Hines,
14 Detroit Coalition Against Police Brutality. I just want
15 to say thank you to the female officers, the female
16 civilians on the police department, you and all of the
17 courageous females that we have, since this is National
18 Women's Month, you need to be upheld and need to be
19 revered for your courage and wisdom as you go out on the
20 streets and fight crime against your male counterparts.

21 I also want to say that I want to see the next
22 time they appoint another commissioner, that it be a
23 female. We need another -- we need more females too
24 instead of just always one female. Let's have more
25 females.

1 COMMISSIONER RIVERA: Well, I sometimes feel
2 like the low man on the totem pole. But I think my
3 voice is heard.

4 MS. HINES: You need more.

5 MS. SMITH: Don't you dare. Good evening to
6 the commissioners. Chief Logan, how are you?

7 ASSISTANT CHIEF LOGAN: Fine. Yourself?

8 MS. SMITH: I would like to make one --

9 SECRETARY ANTHONY: State your name, please.

10 MS. SMITH: I'm sorry, Bernice Smith, various
11 organizations. And welcome to my neighborhood. This is
12 mid city considered. And I'm so sorry that not enough
13 came for Jeff because we do have a large group there.
14 So, what the heck. So we can all make excuses for them.
15 But this is my neighborhood. I am in the mid city. And
16 we are very active here. I belong to the CDC over here
17 also. So, we are going for another election. So I hope
18 to win again.

19 What I want to find out, I taken notes for the
20 presentation. The grants for number one, you're having
21 it yearly, every two years is it being given to you?

22 COMMISSIONER RIVERA: The grants depend on the
23 year that the grant itself. We have many grants.

24 MS. SMITH: All right. Now, can I ask, can
25 some of that money be given so we can hire more police?

1 Can it be used for that?

2 COMMISSIONER RIVERA: I think the only thing
3 that grants usually involve -- correct me if I'm wrong,
4 Assistant Chief, but I think it's usually just for over
5 time. I don't think we haven't had any grants recently
6 to hire police officers, have we?

7 ASSISTANT CHIEF LOGAN: Yes, ma'am. We have a
8 COPS grant that's allowed us to -- this was stimulus
9 money, going back a year or two. I think we got enough
10 money to hire somewhere in the neighborhood of 50
11 officers directly.

12 MS. SMITH: Do you think that will happen soon
13 within this year because as you know most of us in this
14 room know what's going on in Lansing. We are going to
15 be subject to financial management, whether you know it
16 or not. I have information that the Mayor -- not the
17 Mayor, but the Mayor has gone in seclusion with him.
18 But anyway, the Governor is going to sign that bill that
19 was passed yesterday.

20 So, I want most of you to be aware of it or
21 all of you to be aware of it because most of us were
22 there. We were downtown this morning rallying in
23 regards to the several instances of your pension, the
24 water board and the takeover. So, this is something
25 that is very serious for this city. And I want you to

1 understand that you are all involved in it, not just one
2 or two people. You're all involved in it because you
3 can lose your jobs. You can lose your jobs because if a
4 financial manager come in existence into this city, they
5 can do whatever they want to do. So I want you to be
6 aware of that and be very vigilant.

7 The next thing is, that was a good
8 presentation in regards to the 911 because some of the
9 things that I'm sure most of us were not aware of. I
10 didn't know anything about 183 calls per hour. That's a
11 lot of calls to be distributed, and then only have 12
12 operators. I've narrowed it down. Brown, quit. I
13 narrowed it down to about 15 operators on duty. I don't
14 know whether that be correct or not. But anyway, that
15 is a lot of calls for an average of 12 to 15 operators.

16 In the mean time, continue the job that you're
17 doing. I am very proud of you. And until anything
18 changes, let's keep up the good work and be very careful
19 out there and vigilant because it is dangerous out
20 there.

21 COMMISSIONER RIVERA: Thank you, Miss Bernice.

22 MS. DAVIS: Good evening. My name is
23 Christine Davis. I'm from AC Towing in Detroit. We are
24 just a couple blocks over on 14th Street and Merrick
25 Street. Our company, AC Towing, has been a small

1 Detroit based business for over 20 years now. We have
2 serviced the Detroit Police Department with police
3 towing in good standing. Okay. We are proud to assist
4 the city to be the best it can be in any way that we can
5 possibly help.

6 We have several friends on the Police
7 Department. And we do pray for, you know, our city, our
8 Police Department, our Commissioners, our Council. We
9 are a small family owned business, Elder Anthony Davis
10 who is up here a lot and myself. There was a verbal
11 agreement that we would tear down an old building which
12 was on our property on Merrick Street a couple blocks
13 over. It was understood that the city would assist in
14 helping us clear the debris. This was like ten years
15 ago, '96, 15 years ago. Okay.

16 The previous owner had left an enormous amount
17 of tires and debris on the property. And this is a
18 bottom line. Those tires. We have pulled up about over
19 2000 tires. And since we have done that, I see mounds
20 of tires everywhere in the city, you know, just tossed
21 in the city. And it's an eyesore. But it's costing us
22 one dollar per tire. So far we have got rid of close to
23 900, and we still have several more.

24 I -- my question is, do you have any
25 information or any place or anybody I can appeal to to

1 help us dispose of these tires because it's holding us
2 up from our inspection, the fire inspection, which we
3 need to pass. So if anybody in the room knows of any
4 way we can dispose of these tires -- I have called
5 several people downtown. I have called the business
6 center to try to get an extension for our business
7 license. But until the tires are disposed of, we can't
8 go any further in getting our business license.

9 COMMISSIONER RIVERA: Is there someone here
10 from City Council? Would you like to come up to the
11 microphone, please?

12 MS. FORD: Good evening. Patricia Ford
13 representing Councilman Andre Spivey.

14 COMMISSIONER RIVERA: Perhaps, Ms. Davis, you
15 can get together with Patricia, Ms. Ford, from City
16 Councilman Spivey's office. And perhaps she can help
17 you with that or get -- send you in the right direction.
18 I know the Police Department, we don't really have tire
19 disposal that I know of, do we?

20 ASSISTANT CHIEF LOGAN: No, ma'am.

21 COMMISSIONER RIVERA: We never had that when I
22 was around.

23 MS. FORD: We have been talking a bit. So,
24 it's going a little slow. Remember, we're City Council.

25 COMMISSIONER RIVERA: Lot of things go slow in

1 the city. But we don't want to see her license held up
2 for that reason because I know she's applying for a
3 towing license. And we will take that into
4 consideration. Anyone else? Any other comments.

5 MS. SEMMA: Good evening. Julie Semma from
6 70's Towing. I was just wondering what the status is on
7 the towing permit. You had indicated it was going to be
8 two weeks and what the status is currently and where we
9 are as far as the permits being issued and we can start
10 rotation.

11 COMMISSIONER RIVERA: Okay. I'm going to turn
12 that over to AC Logan to answer.

13 ASSISTANT CHIEF LOGAN: Through the Chair, I'd
14 like to have one of your favorite Deputy Chiefs,
15 Commander Lee, come forward.

16 COMMISSIONER RIVERA: Commander Lee, I haven't
17 picked on you in a whole week.

18 DEPUTY CHIEF LEE: Deputy Chief Benjamin F.
19 Lee, Management Services Bureau. We have been to all of
20 the yards and conducted some preliminary inspections.
21 We have partnered with the zoning department due to the
22 fact that the last audit that we had that they completed
23 about two weeks ago, there were several zoning issues at
24 I believe 16 out of 16 lots that they went to. They did
25 not identify the lots and indicated that there were

1 zoning violations.

2 So, we have enlisted the zoning department to
3 partner with Lieutenant Adams and Roland Clark. And
4 they are going to actually conduct the zoning portion of
5 the audit. And that should be done -- I should have an
6 answer from them tomorrow. They are waiting on the
7 director to approve the inspector to accompany them.

8 COMMISSIONER RIVERA: Okay. So you'll have a
9 report on that next week at our next meeting downtown?

10 DEPUTY CHIEF LEE: Yes, I will, ma'am.

11 COMMISSIONER REEVES: Just for clarification,
12 what did you say is going on tomorrow?

13 DEPUTY CHIEF LEE: I'm going to contact I
14 believe it's Mr. Davenport from the zoning. He is
15 waiting on the approval of the director of zoning in
16 order to supply the inspectors to go along with the two
17 officers that I have to do the zoning inspections for
18 the lots.

19 COMMISSIONER REEVES: Is Officer Clark as well
20 as Roland here tonight?

21 DEPUTY CHIEF LEE: They are not here.

22 COMMISSIONER REEVES: Okay, because this is
23 the same thing that we were talking about in our meeting
24 before. And I was told that we will be aware or even
25 personally I will be made aware, just to at least tag

1 along just to see the exact process. And it's funny how
2 it just came out now that this happened.

3 DEPUTY CHIEF LEE: I'll let them know that. I
4 will make sure that anything else that they do --

5 COMMISSIONER REEVES: What time?

6 DEPUTY CHIEF LEE: They are not going tomorrow
7 that I know of. They are going to contact me regarding
8 the date that the inspectors can go out. The inspectors
9 haven't gone out yet to do the actual inspection of the
10 lots for zoning because it's so complicated, it's
11 impossible for us to do that.

12 COMMISSIONER REEVES: Can I ask you, could you
13 please make me aware because we started a process. And
14 I'd like to see that whole process saw all of the way
15 through. So if you could please let me know, that would
16 be great.

17 DEPUTY CHIEF LEE: Yes, I'll do that.

18 COMMISSIONER STEWART: I have a question. Now
19 when you say zoning, what do you mean when you say
20 inspection for zoning?

21 DEPUTY CHIEF LEE: Their requirements, the
22 zoning will issue a permit. But there are conditions
23 that go along with that particular permit, through the
24 Chair. And those conditions may say that if the lot is
25 in a residential area, that they have to have a certain

1 type of driveway, there has to be other conditions.
2 It's under Section 61 of zoning. And they have to
3 comply with those particular requirements in order to be
4 zoned for towing.

5 COMMISSIONER REEVES: Okay.

6 COMMISSIONER WHITE: Madame Chair, before you
7 leave, Commander Lee, where are we with the ABAN rules
8 to the new changes? Are they still in draft form? They
9 were forwarded to the legal department. Have we got
10 them back? Are they finalized? Where exactly are we
11 with that?

12 DEPUTY CHIEF LEE: Through the Chair, when you
13 say the abandoned rules, I believe that was DC Tolbert.

14 COMMISSIONER RIVERA: Standard operating
15 procedures.

16 DEPUTY CHIEF LEE: We did review those, and I
17 believe they have been submitted.

18 DEPUTY CHIEF TOLBERT: They are at
19 Communications.

20 DEPUTY CHIEF LEE: They are Communications for
21 I guess the last piece of that.

22 COMMISSIONER WHITE: Which piece?

23 DEPUTY CHIEF LEE: The final piece of it. I
24 don't know which piece that is.

25 COMMISSIONER RIVERA: If you don't know, we

1 are in a little trouble.

2 DEPUTY CHIEF TOLBERT: Deputy Chief Tolbert.
3 The last information that was -- Communications had to
4 sign off on their participation in the new towing rules.
5 And as soon as they did that, it's going to be forwarded
6 back up through to the Chief's office for final review.
7 But they had to make sure that they had the personnel
8 and they could do -- the process which we laid out could
9 be handled through communications. And I believe -- I
10 would believe that that should be in the Chief's office
11 pretty soon.

12 COMMISSIONER WHITE: So Communications is the
13 final step because I thought after the legal it was
14 going to the Chief for signature. But it's in
15 Communications now. So is Cmmunications the final step
16 or is there another layer after that?

17 DEPUTY CHIEF TOLBERT: Well, when someone
18 reviews it, if they want to get -- when it's reviewed,
19 if there's a need to have someone who is involved in it
20 to make sure that they can do what's said in the
21 document -- because I drafted the document. Well, the
22 team I had drafted the document. And we believe that
23 they can do what we are asking them to do. But we are
24 just trying to confirm that. And once it's confirmed,
25 it will go through the channels. Again, I think

1 Communications is looking at it or has looked at it. So
2 it should be on its way back to the Chief's office for
3 the final signature.

4 COMMISSIONER WHITE: Any estimated time frame?

5 DEPUTY CHIEF TOLBERT: I don't know, but I can
6 find out; and I'll get back with you and let you know.

7 COMMISSIONER WHITE: Thank you.

8 COMMISSIONER RIVERA: Okay. No, I'm not going
9 to shoot you. I am done with you.

10 DEPUTY CHIEF LEE: Thank you.

11 COMMISSIONER RIVERA: Thank you, Commander
12 Lee.

13 MS. SEMMA: So, Julie Semma from 70's Towing
14 again. So just for clarification, are all the towing
15 yards going to be re-inspected with the zoning
16 inspector?

17 COMMISSIONER RIVERA: That's what he said.

18 MS. SEMMA: Because when we filled out our
19 applications, we had to go in front of the city
20 department and get our income taxes, zoning, Detroit
21 headquarters based business approvals. And if that's
22 been done, why would we need another inspection just to
23 delay the process more than we already have? I don't
24 understand that.

25 COMMISSIONER RIVERA: Commander Lee, can you

1 address that issue?

2 DEPUTY CHIEF LEE: Deputy Chief Lee, Benjamin
3 F. Lee. We are going to rely on zoning to tell us
4 whether or not they need to reinspect those lots. If
5 the certificates that they have issued to some lots that
6 says that they are in compliance and if they say they
7 are in compliance, then we won't be revisiting them
8 because there is some towers who have had their lots
9 inspected I think some of the dates are early February
10 or I should say early January.

11 So, if zoning tells us they don't have to be
12 reinspected, we won't reinspect them.

13 COMMISSIONER RIVERA: You're going to review
14 all 16 but not necessarily reinspect all 16?

15 DEPUTY CHIEF LEE: That's correct.

16 COMMISSIONER RIVERA: How long is that going
17 to take? Give us a report next week.

18 DEPUTY CHIEF LEE: I will give you a report
19 next week. I should have an answer from zoning
20 tomorrow. Everything hinges on zoning and when they can
21 get out there.

22 COMMISSIONER RIVERA: I'm really excited to
23 get this towing issue behind us. And I know we have a
24 lot of other issues on the department that we are
25 concerned with. But quite naturally our towers have

1 been very very patient over the years. And I think we
2 owe them to get this policy in place and get this done.

3 DEPUTY CHIEF LEE: Yes.

4 MS. SEMMA: I have a serious problem with this
5 because it just seems like we are constantly getting
6 delayed. And last week they said two weeks, and now
7 today if I didn't come and ask this question, none of us
8 here in this room would know that there's zoning people
9 coming out to inspect the tow yards. So what's the next
10 delay process after this happens because it seems like
11 week after week, we just keep getting delayed, delayed,
12 delayed. It's been -- we are going in March right now.
13 Our towing rotation still hasn't changed. So, what's
14 the next process? It's getting a little ridiculous
15 already.

16 COMMISSIONER RIVERA: Since no one here --
17 well, the chair is in charge of the towing commission.
18 And I can't speak on that issue. Perhaps our attorney
19 Celia might. I know I hate to put you on the spot too.
20 But someone has to -- when we were trying to dot all the
21 I's and cross all the T's. And we only want to do it
22 once and get it done right.

23 MS. SEMMA: I completely understand what
24 you're saying. But if the towers have already done
25 their due diligence, now why is Deputy Chief Lee saying

1 that now we are going to have zoning people come out and
2 inspect tonight? No one have said anything about this
3 up until right now. I have never heard of anything
4 about this. The whole entire permit was us to go ahead,
5 fill the requirements, bring our zoning applications,
6 get our clearances and submit everything. And then as
7 of last week, they said within two weeks.

8 Now it's going to be delayed even more because
9 now he's saying he's waiting for zoning. No one has
10 mentioned anything about this. This is ridiculous.
11 Enough already. If not, then change the rotation. We
12 were supposed to have changed it as of December 30th,
13 and it still hasn't changed. Here we are mid March.
14 Come on.

15 MS. WASHINGTON: Celia Washington, Attorney
16 for the Board. To be quite honest with the Board, we'll
17 have to wait to see what DC Lee says because we are
18 equally as frustrated. We were told that the process
19 would be complete. And based on the information that's
20 been provided to the Board, that the packets were all
21 inclusive. If the towers presented clearances for
22 property taxes, income taxes, zoning -- which I have
23 personally seen some of the clearances that are stamped.
24 They are official. I'm not really sure at this point
25 what more can be done. So we will have to take that up

1 with DC Lee.

2 COMMISSIONER RIVERA: Deputy Chief Lee, I
3 believe Commissioner Reeves has a question.

4 COMMISSIONER REEVES: Just for clarification,
5 I understand and in the meeting with Officer Clark as
6 well as Officer Roland -- I'm sorry, Officer Clark and
7 Adams, every tower had to submit the actual packet and
8 within that packet, the attachments had to be submitted
9 as well as far as zoning. Can you just tell us ideally
10 speaking how many towers just so we can at least have
11 some kind of idea how many towers still need to submit
12 their zoning because, again, the packets that I saw, it
13 had the zoning information in there.

14 COMMISSIONER RIVERA: Clearances.

15 COMMISSIONER REEVES: Zoning clearances in
16 there. So, could you just give us an idea just so we
17 can know?

18 DEPUTY CHIEF LEE: Yes. Through the Chair, I
19 believe that out of the applications, the 31
20 applications, there were 16 applications that they did
21 not consider had zoning issues based on the fact that
22 they had the piece of paper that said they were zoned.
23 But according to the audit report that I just got about
24 three weeks ago, there were several companies that were
25 audited which were current towers. And of those current

1 towers, there were zoning violations. Some of the
2 violations were masonry walls, driveways, stacking up of
3 cars. And the piece of paper that they get simply says
4 they are zoned with conditions. We don't know what
5 those conditions are. So if we go to inspect the yard
6 to see if they are in compliance with the zoning, we
7 don't know what their compliance should be.

8 And that's why we engaged zoning because
9 otherwise I will have another audit hit from the auditor
10 general indicating that we had an opportunity to clear
11 this up on the front end and that we did not. And
12 that's what we are attempting to do at this time is to
13 make sure that going forward all of the lots are zoned
14 properly per zoning. And they have even indicated that
15 some of the zoning certificates that we have are zoned
16 for other things other than abandoned vehicles.

17 COMMISSIONER RIVERA: Okay. I think at this
18 point, the best thing we can say is get it done. Get it
19 done fast. Give us a report next week because we are
20 getting a little impatient.

21 DEPUTY CHIEF LEE: Yes.

22 MS. SEMMA: If this takes any longer, I'm
23 going to request that the small towers like myself get
24 added on to other districts because this is ridiculous
25 already. We are already at mid March. And this

1 rotation has been going on long enough. And we have
2 been patiently waiting. And this is getting a little
3 ridiculous. So I'd suggest next week if this doesn't
4 change and these zoning people don't come out, then you
5 guys do something about the towing rotation because this
6 is -- enough is enough.

7 MS. WASHINGTON: Just as a follow up and --
8 Celia Washington, the Board -- what I will assure the
9 Board because the Deputy Mayor has been closely watching
10 and monitoring the progress of this process. I will
11 advise the Deputy Mayor tomorrow of this additional
12 hurdle.

13 MS. SEMMA: Thank you.

14 COMMISSIONER RIVERA: Can we ask everyone else
15 who has something to say, please line up.

16 MR. DAVIS: Good evening. My name is Elder
17 Anthony Davis, Sr., from AC Towing. And when I read the
18 package, that they gave us, the package for the towing,
19 I read it in a hurry. And I turned it in on time. And
20 then when I went down, Officer Clark said that -- said
21 that the clearance was wrong, I should have used another
22 agency other than Detroit. I said, I didn't -- when I
23 read it, I didn't get that. So I went to the -- got it
24 from the State Police. It says the same thing that
25 Detroit said. We are all clear. And I have the ones

1 from the state police. But they saying that we cannot
2 turn them in after the 16th. I had turned everything in
3 on the 16th.

4 COMMISSIONER RIVERA: Commander Lee? You may
5 not have heard what he said.

6 DEPUTY CHIEF LEE: Through the Chair, I did
7 not because somebody was in my ear. I could not hear.

8 COMMISSIONER RIVERA: He said he had all his
9 paperwork -- let Elder Davis explain.

10 MR. DAVIS: When I read it, they said we need
11 the clearance. So I went to Central District and got my
12 clearance for me and my drivers. I paid for everybody,
13 you know. I told them I will foot the bill. But when I
14 turned it in and we went down, Officer Clark said they
15 couldn't use it. But then when I got the State Police,
16 they said the same thing, we clear. And they said you
17 have to use another agency. It didn't read that. It
18 says -- I thought it said you can use other agencies
19 other than Detroit Police Department.

20 DEPUTY CHIEF LEE: Through the Chair, without
21 having the rules in front of me, I don't know if that's
22 correct information or not. I will get with
23 Mr. AC Towing.

24 COMMISSIONER RIVERA: Please make sure that
25 Mr. Davis is not penalized.

1 DEPUTY CHIEF LEE: Absolutely.

2 COMMISSIONER RIVERA: Thank you. Next? And
3 Mr. Davis, I'm sure you will let us know.

4 MR. MOORE: Good evening to the Board, to the
5 Assistant Chief, Detroit's finest and to the family. My
6 name is Edward Moore. I am the liaison of the Honorable
7 Kwame Kenyatta, our Detroit City Councilman, bringing
8 warm greetings from his office. Pertaining to
9 Mr. Davis, as far as the problem that he's had about the
10 tires being on his property, the Councilman worked
11 diligently with the departments of the city, and that
12 the city departments are saying that they won't move on
13 it because of budget and because there's no agreement.

14 So, it's not like that Councilman Kenyatta
15 have sat on it. He has set diligently through the
16 administration. He would like to get this resolved. So
17 it's in the hands of the administration. Thank you.

18 COMMISSIONER RIVERA: That being the case, I'm
19 sure we can find a way not to penalize Mr. Davis for
20 that either.

21 MR. ERRIGO: Good evening board, Chief,
22 Chairperson. My name is Gregory Errigo, G-r-e-g-o-r-y,
23 E-r-r-i-g-o. I'm the president and owner of Michigan
24 Auto Recovery. I am proud to be a Detroit Police
25 impound yard tower. What I see -- and I had some

1 conversation the other day downtown with the BZA. Here
2 is the rule they're going down. It's all about money.
3 They want us to -- okay, we already got our zoning
4 letters. We thought that was it. But no, here is what
5 they want. They see an opportunity to jump on the
6 board.

7 Here is what's going to happen. We are going
8 to have to go down and pay a fee for the fire people to
9 come and see us. We are going to have to go down and
10 pay a fee for the electrical department to come and see
11 us. We're going to have to pay a fee for the building
12 and safety people to come and see us and so on and so on
13 until every little department gets their money from
14 everybody times 30 towers or whatever. Okay.

15 COMMISSIONER RIVERA: Can I just interject
16 here that that's true of every business, not picking on
17 you.

18 MR. ERRIGO: We have been all approved. And
19 they come yearly, yearly, yearly, all the things and
20 what have you. But it's all about money, which is okay.
21 But they didn't say -- they didn't say that in our
22 packet. And the Detroit Police Department, it is not
23 their fault. But it's just another little wrench in the
24 ball game. But hopefully they can get it done soon.

25 COMMISSIONER RIVERA: I don't think we will be

1 much longer in this process. I think Commissioner
2 Warfield is getting very frustrated as well as you guys.
3 And I think we are going to either recommend some
4 changes or --

5 MR. ERRIGO: I'm not here to complain. I'm
6 just here to give my opinion on what I had a
7 conversation with with somebody down at BZA the other
8 day. I just thought maybe I can straighten the line up
9 a little bit to where they are going to go with this.

10 COMMISSIONER RIVERA: Thank you. Anyone else
11 want to speak tonight? Seeing no one getting up, I will
12 entertain a motion to adjourn.

13 COMMISSIONER WHITE: So moved.

14 COMMISSIONER RIVERA: Second. Good night.
15 Thank you all for attending.
