1 Detroit, Michigan

2 October 18, 2012

3 About 3:04 p.m.

4 MR. BROWN: Good afternoon, ladies and
5 gentlemen. Welcome to the forum. Unfortunately, none
6 of the Board members can make it today. One of the
7 members who was supposed to be here his plane is a
8 little late. So we're going to have a forum today.
9 Anyone who wants to come to the mic and give oral
10 communication for D.C. Lee?

11 MS. SMITH: Good afternoon. Bernice Smith,
12 Political Activist. I came today because I thought it
13 was very important for all of us and especially the
14 Commissioners, but since the Chief is here he'll relay
15 it, I'm sure.

16 This morning there was a news bulletin not on
17 the TV but it was on the air because we commentators we
18 always listen to what each other program has to say, so
19 anyway. What I heard this morning was very
20 distressing. There was a incident and it happened on
21 October the 6th, but it's just now becoming public or
22 at least it's on the air.

23 What happened was there was a white SUV that
24 had red and blue lights flashing on the top of their
25 car and they stopped the car. When he pulled the car

1 over and he got out and it happened to be a off-duty
2 police officer, a woman. He ID himself -- no, first of
3 all, he said that he wanted to know her ID. And she
4 told him she was a police officer. So she asked him
5 where's your ID? He's saying, the lie he told because
6 it was a lie, that he's on a task force that's helping
7 the Police Department. And she said, well, where's
8 your ID? Well, he hesitated and said that -- she asked
9 him first, why did you stop me?

10 So he was saying, well, you were going in and
11 out of the lane. So she said, where's your ID? And
12 that's when he told her he was the director of the
13 Department of Art Museum -- the library, I'm sorry, the
14 library. He's director of the security at the Detroit
15 Library.

16 Can you imagine somebody doing a trick like
17 that to a police officer? Anyway we came to the
18 conclusion that since she was driving a Lexus that he
19 probably had something else on his mind to stop her and
20 see who she was and her ID. So I do wish that you
21 would send a nice form letter with the Detroit Police
22 Department's Commission on it to the security, head of
23 security at the Detroit Library because they have no
24 reason to stop no police. They don't have any
25 authority.

1 And he's taking it upon to himself to stop
2 this woman who was a police officer. And I think that
3 was outrageous, and I wouldn't let it go. And I
4 understand he's still on his job down there on
5 Woodward.

6 So I thought per chance maybe I'd go in there
7 one day this week or maybe next week and find out who
8 he is and let him know what I think about it. Because
9 you don't do that not to the Detroit Police Officers.
10 That's what I wanted to let you know today especially
11 because I thought it was very important.

12 Now, also my opinion of what has happened
13 during these last three or four weeks, my opinion is
14 that I hope our former police chief do not go on the
15 air anymore and try and explain his situation. Let it
16 drop. And the fact that he did what he did just let it
17 drop. He's supposed to be getting a divorced so let
18 him and his personal business be his business and not
19 ours unless it affects the Police Department.

20 Also my opinion of those women I won't even
21 express it here because the fact that they were out of
22 order. Because me being a woman myself no way in the
23 world would I show such display and womanhood and
24 disrespect not only to myself but the police
25 department, and my family.

1 A man can do only what a woman let him do.
2 So I do hope that this will be resolved, and we can do
3 something to get rid of these women. That's my
4 opinion. I know it's something you won't be able to do
5 right away, but I would put them in another area where
6 nobody won't even look at them anymore. That's my
7 comment for the day. Thank you.

8 Oh, and something else that came up. They're
9 naming of names of police chiefs, and Deputy Chief
10 Tolbert your name came up. And someone made a very
11 distasteful remark and said, no, we don't want him
12 because he might have a background. So if you got a
13 background you better tell me because I don't want to
14 hear it from nobody else. So anyway that's my comments
15 for today. Because I got trust in you. Take care.

16 MR. BROWN: Anymore more communications?
17 Step up to the microphone and make your statement for
18 the record.

19 MR. KINLOCH: Good afternoon. My name is
20 Jonathan Kinloch, I'm President of the Detroit Library
21 Commission. The reason why I'm here today is because
22 of a report that was filed that made certain
23 allegations against one of our employees.

24 I'm here to ask that this department conduct
25 an investigation and to get to the bottom of these

1 allegations. We on the Detroit Library Commission take
2 these charges that are stated in this police report
3 very serious, and I am formally requesting for this
4 Department to commence immediately an investigation
5 into what was alleged in the incident report.

6 I also would like to extend on behalf of the
7 Detroit Public Library Commission our apologies for any
8 misunderstanding or any action that was most
9 inappropriate and may have been done that's being
10 alleged in this report.

11 I will also like to know who I would need to
12 contact to follow up with this particular request that
13 I am placing the record?

14 D.C. LEE: Okay. Deputy Chief Benjamin F.
15 Lee. I'm not personally aware of this particular
16 incident. See me after this meeting and we'll
17 coordinate something.

18 MR. ERRIGL: Good afternoon, Board, Chief.
19 Greg Errigl, E-R-R-I-G-L, owner of Michigan Auto
20 Recovery, Police Impound for the City of Detroit.
21 Here's what we've been watching, Chief. We're sitting
22 here with nothing to do. We're a impound yard for the
23 City of Detroit. We're aban yard for the City of
24 Detroit.

25 We're watching the Wayne County Sheriff come

1 down the streets taking everything all day long all
2 night long. The other night four or five o'clock in
3 the morning they're in Southwest. The other day
4 they're in Northwest. We're sitting there. We haven't
5 have a police Halloween blitz in ten years. We're
6 sitting there with nothing to do. You got Wayne County
7 Sheriff coming in here with his company cleaning these
8 streets dry.

9 In fact, you don't even see the Wayne County
10 Sheriff. You just see the trucks. They got a Carte
11 Blanche patrol number to pick up whatever, whatever,
12 whatever, so I was told.

13 Now, if the City of Detroit is going to move
14 forward and do all kinds of these different operations
15 what they're going to go do whatever, they ain't going
16 to be nothing left for the City of Detroit to get money
17 paid on on administration fees or whatever on abans
18 because the Wayne County Sheriff's taking it all.

19 It's not going to the City of Detroit at all.
20 It should be distributed through the twenty-seven tow
21 yards, not though one. And the one's cleaning up
22 house. He's talking everything, everything. We're
23 sitting there just looking, and I'm just shaking my
24 head.

25 It's not right. They're going to say Wayne

1 County's trumping Detroit because they're higher up
2 than them. That's B-S. Okay. We've never had this
3 problem before ever, ever, ever. Every Halloween Blitz
4 we always did 1,000, 2,000 cars city-wide. Okay.

5 We haven't had a blitz in ten years for sure.
6 I have three big huge gigantic impound yards, two ten
7 acres each, and my seven acres over there on Joy and
8 Southfield whatever it is building. I got 22 cars in
9 inventory. We use to tow thirty, forty, fifty cars a
10 day.

11 We ain't towing one every other day if we're
12 lucky. We don't miss no calls either. I constantly
13 double check and triple check everything. The whole
14 point I'm up here is I'm very disgusted. I'm very
15 upset, disappointed. I'm going broke. Twelve trucks.
16 I'm down to two trucks and they're sitting all day
17 long, nothing to do, watching everything going with the
18 Wayne County Sheriff stamp of approval.

19 The City of Detroit isn't getting a penny off
20 it. They're cleaning our streets dry and they're going
21 to put twenty-seven tow yards out of business. I'm not
22 going to go away happy and I'm not going to go away
23 easy. I'm not even going away. So I don't know what
24 we got to do. We talked about this from before but
25 it's really out of hand now. Okay.

1 These guys truck up and down every street.
2 It's Wayne County Sheriff patrol number and you don't
3 even see not one Wayne County car there. I've never
4 see a Wayne County Sheriff -- three, four, five, six
5 time drivers from the company that's picking them up.

6 It's not right. The City of Detroit ain't
7 getting nothing from it. You look how to scamper about
8 to try to make money. We try to give you money through
9 administration fees. We've been trying to offer you
10 that. They still haven't taken yet from the City of
11 Detroit towers. Okay. You're sitting there going like
12 this and everybody's taking your money. The City of
13 Detroit's money that needs it. Wayne County Sheriff
14 ain't giving you no money from these tows. They're
15 just not.

16 Then you got the Sheriff on the news the
17 other day saying he's going to get all the abans, going
18 down in the Wayne County neighborhood, he's going to
19 get the race car drivers, what have you. Well, that's
20 all nice and everything. What's the City of Detroit
21 going to get? What's the City of Detroit Towers going
22 to get?

23 We have money invested here, too. We're all
24 100 percent involved in towing. We ain't doing
25 nothing, nothing. So I don't know who you got to talk

1 to to get it resolved or whatever, but we're willing
2 and able and ready and been ready to tow and to work
3 and to do whatever. We can't do it if you got one
4 company cleaning the streets and the Wayne County
5 Sheriff program. Just can't. There's nothing there,
6 nothing, so.

7 And I don't know where Mr. Duperry comes up
8 with all these fictitious figures he gets because
9 whatever figures he's got you might as well cut by
10 75 percent minus another 30 percent and you're going to
11 have two percent if you're lucky. Which means the City
12 of Detroit is still going to get nothing, so.

13 You be watching everyday, Wayne County
14 Sheriff, doing the blind pigs, doing the drag racing,
15 doing the abandon cars, up and down the street.
16 There's nobody there but one tow company under Wayne
17 County Sheriff Act.

18 So hopefully we can get something resolved.
19 I don't know. I'm expressing my opinion to the Board
20 here and to the Chief and to the Deputy Chief and
21 whatever, and hopefully maybe something can come about
22 it because if the Wayne County Sheriff's going to take
23 care of the streets why don't you just tell the Detroit
24 Police Department to go home. And I know we don't want
25 to do that. I don't want to see that. I don't want to

1 do that. Detroit Police Department -- Wayne County
2 Sheriff do it. I thought Wayne County Sheriff was
3 jailers and takes care of the courts. All of a sudden
4 they're on the streets, too, now?

5 Chief, see what you can do? Because doing
6 one car the other day and I got all these contracts and
7 we got nothing going, nothing, nothing.

8 D.C. LEE: Just a comment. The Wayne County
9 Sheriffs do have jurisdiction over all Wayne County, so
10 we can't control what they do in the streets of Detroit
11 in terms of the abandon vehicles. If they come in and
12 they find them and they ordered them to be towed, they
13 have to be towed.

14 And I don't know how much of an effort we're
15 doing in terms of aban vehicles. I think we still do
16 have the aban officers at the various precincts. I
17 don't know what your contact is with those officers,
18 but I do believe they're still tagging cars. There's
19 some. How many are out there? I don't know.

20 MR. ERRIGL: There was a lot of out there.
21 Like today we go down the street there's nothing there.
22 There were cars there, but during the night and the
23 morning and the morning preceding, what have you, what
24 have you, every day they're gone. They'll find some
25 way how to pick up one of these cars in the street

1 whether it be a car parked four foot from the curb or
2 expired plate or a flat tire or dirt on the window or
3 leaves on the -- or whatever. But they're looking for
4 every excuse and they're getting every excuse and
5 they're using every excuse possible to do it, so.

6 But we're sitting here doing nothing and our
7 taxes are due out here pretty soon and we make our
8 money paying taxes by the cars we tow off our streets,
9 so. All right. Thank you, sir.

10 MR. BROWN: Any more oral communications?

11 MR. STIDHAM: Good afternoon, Mr. Brown, good
12 afternoon, Chief, Deputy Chief. Tom Stidham. Chief, I
13 just wanted to ask if, I know that the City is
14 conducting an RFP and that process is working for a
15 software vendor related to logistics management, but I
16 just wanted to see if you could outline, Deputy Chief
17 Tolbert, could outline any initiatives with respect to
18 towing that the Department is attempting to implement
19 or changes that are supposed to be made?

20 D.C. LEE: I'm not personally aware. If
21 Deputy Chief Tolbert wants to take the podium he can
22 address whether or not he knows of any initiatives.

23 MR. STIDHAM: Great. Thank you.

24 D.C. TOLBERT: Deputy Chief James Tolbert,
25 for the record. There was a meeting this week, and I

1 was not able to attend the meeting so I'll get a
2 briefing on that meeting and maybe I can have some more
3 information next week.

4 D.C. LEE: Thank you.

5 MR. STIDHAM: Chief, before you leave, can I
6 ask who the meeting was with?

7 D.C. TOLBERT: I wasn't there, so I don't
8 know exactly, but there was a meeting this week and I
9 haven't --

10 MR. STIDHAM: Interdepartmental or other
11 agencies?

12 D.C. TOLBERT: I don't know who was there. I
13 honestly don't. I just know there was a meeting
14 because I had someone from my office there and I
15 haven't been briefed as to who was at the meeting.

16 MR. STIDHAM: Can you tell us the subject of
17 the meeting?

18 D.C. TOLBERT: Something to do with towing,
19 yes.

20 MR. STIDHAM: Okay. Thank you.

21 MR. BROWN: Are there anymore oral
22 communications? Hearing none, this forum is adjourned.
23 Thank you.

24 (The hearing concluded at 3:19 p.m.)
