COMMISSIONERS:

GEORGE ANTHONY, Chief of Staff

JEROME L. WARFIELD, SR., Commissioner

JESSICA TAYLOR, Commissioner

DETROIT POLICE DEPARTMENT COMMAND STAFF:

INTERIM CHIEF CHESTER L. LOGAN

1 Detroit, Michigan
2 Thursday, March 28, 2013
3 About 3:13 p.m.

4 COMMISSIONER WARFIELD: Good afternoon,
5 ladies and gentlemen, and welcome to the Board of
6 Police Commissioners meeting.

7 My name is Jerome Warfield, Chairman of
8 the Board of Police Commissioners. Serving with
9 me today is Commissioner Jessica Taylor. We may
10 have a quorum, we may not. If we do, of course
11 we'll take up voting matters. If not, we'll just
12 meet as committee of the whole.

13 We also have at the table with us
14 Interim Chief Chester Logan. Sir, good to see
15 you.

16 INTERIM CHIEF LOGAN: Glad to be here,
17 sir.

18 COMMISSIONER WARFIELD: And then our
19 staff person George -- our Chief of Staff George
20 Anthony, I'm going to ask if you could introduce
21 the rest of the staff for us, please, sir.

22 CHIEF OF STAFF ANTHONY: Thank you,
23 Mr. Chair. For the record, George Anthony,
24 Secretary to the Board.

25 We have present Ms. Pamela Davis-Drake,

1 our Chief Investigator seated in the front,
2 Ms. Loletha Porter-Coleman, our director of
3 Police Personnel, Ms. Celia Banks Washington who
4 is our -- the Board Secretary, Mr. Robert Brown
5 our office manager standing in the back, Sgt.
6 Alan Quinn who's recording our proceedings and
7 Mr. Dale Rose from Hanson Court Reporting
8 Service.

9 That completes the introduction.

10 COMMISSIONER WARFIELD: Thank you,
11 sir. I see the chaplain is in the house. Sir,
12 how you doing? Could you come and give us our
13 invocation for today? Thank you, sir.

14 (INVOCATION WAS GIVEN).

15 COMMISSIONER WARFIELD: Thank you, sir,
16 appreciate seeing you again. At this time there
17 is no Chairperson's report. Just want to say
18 happy holidays to you all and those of you who
19 are celebrating either Passover and/or Easter
20 this weekend, God's blessings and God's speed to
21 you.

22 Is there an OCI report? Yes ma'am?

23 CHIEF INV. DAVIS-DRAKE: Good
24 afternoon. There's a short report. Mr. Chair,
25 our current statistics for OCI, we have 217 open

1 cases, we have 24 cases that are currently
2 submitted and pending closing and zero cases over
3 90 days.

4 The Department of Justice has signed
5 off on the modifications for standard operating
6 guidelines and we have submitted that document
7 for you for your review and for your adoption.

8 You also have a copy of the OCI 2013
9 Strategic Plan, that's in your packets as well
10 and that's for informational purposes. Most of
11 the items on that plan have already been
12 implemented, and that concludes my report.

13 COMMISSIONER WARFIELD: Any questions,
14 Commissioner? Madam Director -- I'm sorry, Chief
15 Investigator, I looked at the report online for
16 the SOP. What I did not see was what was
17 actually being revised.

18 CHIEF INV. DAVIS-DRAKE: I can send you
19 that. We have it or I can send you that.

20 COMMISSIONER WARFIELD: Can you send us
21 that version of it? I certainly read through the
22 report, but I just couldn't see what was being
23 changed.

24 CHIEF INV. DAVIS-DRAKE: No problem.

25 COMMISSIONER WARFIELD: So that would

1 be helpful. I also want to put on for the record
2 that OCI is in desperate need of some computers.
3 The computers that our people are typing on are
4 extremely slow and technology is a major
5 challenge in the office. As a matter of fact, we
6 need some more drop cords dropped from the
7 ceiling in the area. We have a section that we
8 need to activate quickly and we cannot hook up
9 anything to it because the apparatus to hook
10 everything up is not over there, so we'll reach
11 out to the IT person, Scott --

12 CHIEF INV. DAVIS-DRAKE: Director Scott
13 Hayes.

14 COMMISSIONER WARFIELD: Director Scott
15 Hayes to see if he can help us out with that.
16 Hopefully there's some computers around here that
17 somebody is not using that -- I think we have
18 Windows 1 on our computer. It's just that bad.

19 Now you're laughing, it's pretty close.
20 We got about Windows 1, pretty close, so we need
21 some updated computers so that we can increase
22 productivity over at the office.

23 Anything, ma'am?

24 COMMISSIONER TAYLOR: No.

25 COMMISSIONER WARFIELD: Thank you,

1 Chief Investigator, appreciate it.

2 CHIEF INV. DAVIS-DRAKE: Thank you,
3 sir.

4 COMMISSIONER WARFIELD: Chief?

5 INTERIM CHIEF LOGAN: Yes, sir. Just a
6 couple of things. One of the things I asked is
7 DC Tolbert, I've asked him to reach out to the
8 Board of Education Police and DC, could you give
9 the Board an overview on what you've been able to
10 accomplish thus far?

11 DEPUTY CHIEF TOLBERT: Good afternoon,
12 Board. Deputy Chief James W. Tolbert, Patrol
13 Operations-West.

14 At the direction of the Chief I had
15 several meetings with the Detroit Public Schools
16 Police Department. What we were able to do was
17 come up with a workable SOP where we were
18 incorporating a lot of the redundancies on both
19 the DPD side of the house and the DPS side of the
20 house.

21 We have instituted a policy of when
22 calls come in to 9-1-1 if they are in fact DPS
23 related DPS should be the first responders to
24 that scene. There was actually some concern from
25 DPSPD the fact that they weren't even getting

1 notified and people were going over them straight
2 to the Detroit Police Department in some cases
3 when they obviously -- that's their whole purpose
4 in their being is to investigate instances that
5 happen on Detroit Public School property.

6 So we've instituted a process in
7 Communications where once a call is deemed to be
8 a DPS call, that call will in fact go to DPS.
9 And I just got off the phone with Commander
10 Bettison. We're trying to right now since the
11 inception of the reorganization find out how many
12 calls did we turn over to DPSPD. He's getting
13 those numbers now.

14 And going forward we're actually going
15 to put a flag in 9-1-1 so we'll know exactly when
16 we turn a call over to DPSPD. What this doesn't
17 negate, if there's an emergency situation we will
18 obviously respond, but if there's a case where
19 it's a non-emergency situation where DPS Police
20 should handle, they will in fact get that to
21 their Control Center and they will dispatch a car
22 to that, so we filled that gap.

23 We've also filled the gap on the
24 intelligence, DPS Intelligence and DPD
25 Intelligence working together in a concerted

1 effort to make sure that we're understanding
2 what's going on in the schools, we know the
3 situation, we know the gang situations in the
4 school.

5 And we also have developed a process
6 where in the investigative process now we
7 actually -- when a CRISNET report is made it is
8 what we call duly assigned, assigned to the DPS
9 folder and it's assigned to the DPD folder so if
10 we have any instances where there are issues,
11 they know what we know and we know what they
12 know. So we simply have to do a search in the
13 CRISNET system and go into the folder and find
14 that out. It seems to be working.

15 There were two absolute examples of how
16 the system works yesterday around two different
17 schools. There was an individual shot, a
18 school-age person shot, and DPS responded,
19 arrested three people. There was another --
20 shots fired around a school, Hope Academy, where
21 Detroit responded away from the school, saw a
22 person matching the description and arrested that
23 individual.

24 So we have coverage of the schools, so
25 we are continuing our partnership where we keep

1 everybody informed, we should have no issues at
2 the schools.

3 COMMISSIONER WARFIELD: Any questions,
4 ma'am?

5 COMMISSIONER TAYLOR: I just want to
6 know because I keep asking, DPS is that -- they
7 take the place of the Gang Squad? I'm just
8 trying to see how that correlates with the Gang
9 Squad.

10 DEPUTY CHIEF TOLBERT: No, ma'am. What
11 we have is when you say -- nobody takes the place
12 of the Gang Squad. What we did was we looked at
13 our resources and made sure that we have ample
14 coverage throughout the city because of the
15 people going back.

16 What you actually have is the people
17 from Gang Squad went back to the precincts. They
18 actually have kind of a force multiplier there
19 where that expertise in the various precincts is
20 then spread amongst the precincts as opposed to
21 being in a segmented deployment style so you have
22 a much larger coverage.

23 And we left with Gang Squad prior to
24 March 4 I believe Gang Squad was down to
25 approximately 40 some people. What you have now

1 is most of the Gang Squad people went to Special
2 Ops. What you have now is a force multiplier
3 where you've actually expanded that knowledge and
4 that base of knowledge that Gang Squad had to the
5 Special Operations or even the patrol force in
6 which they are now assigned.

7 COMMISSIONERS TAYLOR: Okay.

8 INTERIM CHIEF LOGAN: I might add that
9 the safety and security around the schools is a
10 responsibility of DPS, so we just brushed off our
11 SOP and just reminded them that we've got to do
12 this together now, that's all.

13 COMMISSIONER TAYLOR: Okay, that's all.

14 COMMISSIONER WARFIELD: Can we get a
15 copy of the SOP?

16 INTERIM CHIEF LOGAN: Yes, sir, you'll
17 have it today, but there's one little thing that
18 needs to be changed and that's the paragraph that
19 talks about the investigations. When you read
20 the investigation, the one paragraph says that
21 we'll do homicides, rapes and robberies, but what
22 it should say is we'll do those investigations,
23 so --

24 COMMISSIONER WARFIELD: Got you.

25 INTERIM CHIEF LOGAN: -- so I can get

1 it to you, but we'll still have to make that
2 correction.

3 COMMISSIONER WARFIELD: Sure, thank
4 you, sir. So if I'm understanding you correctly
5 then, DPS security or officers are the first on
6 the scene, so now when, let's say, a student or a
7 teacher calls 9-1-1 and it's on campus at a DPS
8 school, who goes out or does it depend on the
9 situation?

10 DEPUTY CHIEF TOLBERT: Absolutely it
11 will depend on the situation. Historically if
12 it's a non-emergency -- if it's a report run,
13 larceny or something of that nature, there will
14 be a vetting of that call, it will be taken by
15 the 9-1-1 operator, transferred over to a
16 dispatcher and a dispatcher will dispatch it to
17 -- it will be given a HBO category and sent over
18 to the DPS Control Center and they will dispatch
19 a vehicle.

20 INTERIM CHIEF LOGAN: HBO, handle by
21 others.

22 COMMISSIONER WARFIELD: I was going to
23 ask.

24 DEPUTY CHIEF TOLBERT: And then on the
25 other side if there is an emergency situation,

1 we'll take the call, we'll dispatch a car, we'll
2 still notify DPS that we're en route, but it's an
3 emergency situation and we will respond.

4 So to say that they will get there
5 first is not necessarily always going to be the
6 case.

7 COMMISSIONER WARFIELD: Correct. Now,
8 you had mentioned that Gang Squad members -- some
9 Gang Squad members went to Special Ops?

10 DEPUTY CHIEF TOLBERT: Yes or they
11 went into the precincts. The precinct commanding
12 officers designated where they needed them and
13 where they wanted them.

14 COMMISSIONER WARFIELD: So we still do
15 have Special Ops?

16 DEPUTY CHIEF TOLBERT: In the
17 precincts? Yes, sir.

18 INTERIM CHIEF LOGAN: Sir, we never got
19 rid of Special Ops.

20 COMMISSIONER WARFIELD: Okay. Cool,
21 very good, thank you , sir.

22 DEPUTY CHIEF TOLBERT: Not a problem,
23 sir.

24 INTERIM CHIEF LOGAN: Sir, I might add
25 when we talk about DPS we had an extremely

1 exciting basketball game with Cody, Denby and
2 Osborn at the Cass Tech on Saturday. Ms. Pannell
3 was there. I know she was rooting for the kids,
4 but we came back --

5 COMMISSIONER WARFIELD: You all could
6 not let the kids win, huh?

7 INTERIM CHIEF LOGAN: Those kids were
8 good. That's the only thing I can say about
9 them. We beat them by four points, something
10 like 56 to 52.

11 COMMISSIONER WARFIELD: Anything else,
12 sir?

13 INTERIM CHIEF LOGAN: Just a last thing
14 I have. For the last probably 10 weeks we've
15 been working in conjunction with the U.S.
16 Attorney General. They offered to give us a hand
17 on combatting violence in the city of Detroit.
18 That collaborative culminated last week with a
19 press conference at Northwest Activity Center
20 when the Mayor and the Attorney General announced
21 the creation of Detroit One.

22 But prior to them kicking off Detroit
23 One we had started doing some vanguard work in
24 terms of narcotics and some of our patrol
25 operations. And I just want to give you some

1 totals on what we came up with so far. This is
2 through three weeks, and these are cumulative
3 totals.

4 Over the last three weeks we've made
5 372 arrests, 154 felony arrests, 218 misdemeanor
6 arrests. We brought in four juveniles. We've
7 investigated 4,259 persons, 3,330 vehicles.

8 We've confiscated 44 handguns, 18 long
9 guns and 10 assault rifles. We've conducted 207
10 narcotics raids, 40 street enforcement raids.
11 We've issued 7,035 tickets of various kinds.

12 We've issued 200 miscellaneous
13 warrants. We've towed -- this should be
14 interesting to you -- we've towed 766 vehicles,
15 and the biggest part of that is people who don't
16 have the necessary licenses or they're driving
17 with their license suspended and the like.

18 We've confiscated 3,032.5 grams of
19 cocaine with a street value of \$1,213,000. We've
20 gotten 332 grams of heroin with a street value
21 of \$597,000.

22 We've gotten 94,502 grams of marijuana
23 with a street value of \$945,000, various pills
24 valued at \$8,000. So when you add up all the
25 drugs that we've been able to take off the street

1 in the last three weeks, it comes up to -- the
2 street value would be \$2,764,000 and we brought
3 in a total of \$92,000.

4 Now, this operation only runs on
5 Thursdays, Fridays and Saturdays and so this is a
6 total of nine days this operation has been used.
7 We anticipate great things.

8 Our homicide total is down almost 10
9 percent, our non-fatal shootings are down
10 approaching 20 percent, so we're starting to see
11 traction in what we're doing.

12 So that's my report to the Board.

13 COMMISSIONER WARFIELD: Any questions
14 for the Chief?

15 COMMISSIONER TAYLOR: No.

16 COMMISSIONER WARFIELD: Sir, when these
17 cars that were towed, those 700 cars that were
18 towed, were they towed to the Number 1 Impound or
19 were they towed to the authorized towers?

20 INTERIM CHIEF LOGAN: I'm certain, sir,
21 they were towed to the authorized towers.

22 COMMISSIONER WARFIELD: All right. Can
23 we get a report just to make sure?

24 INTERIM CHIEF LOGAN: Yes, sir.

25 COMMISSIONER WARFIELD: And then the

1 cash that is received from these raids, are they
2 -- is that money split between the agencies or
3 does that come back to Detroit?

4 INTERIM CHIEF LOGAN: This money will
5 come back to Detroit because this is strictly
6 Narcotics, our Narcotics doing this. If it were
7 a major drug operation it would be split among
8 the agencies, but this is strictly us.

9 COMMISSIONER WARFIELD: So all of
10 this --

11 INTERIM CHIEF LOGAN: Everything I've
12 read to you is Detroit.

13 COMMISSIONER WARFIELD: And was that a
14 special task force made up of like different
15 special units or was that just Narcotics?

16 INTERIM CHIEF LOGAN: For the most part
17 it was Narcotics and we worked some officers on
18 overtime. We paid the officers on overtime from
19 other forfeiture funds, so that's how it was
20 being done.

21 COMMISSIONER WARFIELD: It was noted at
22 our meeting last -- just so you know, it was
23 noted at our meeting last week, Chief, we had no
24 idea that this initiative was going on. We had
25 no idea that the announcement was being made that

1 day and the Board would really like to be a
2 partner with the department and with the City
3 when those types of things are going on.

4 I just think, you know, it not only
5 looks bad and not only does it feel bad, but it
6 is bad when the policy making Board of the
7 department has no idea that this type of
8 initiative is moving forward.

9 And I know a lot of this comes from
10 across the street from the administration, from
11 the Mayor, so you are unfortunately getting the
12 speech that I would give him if he was sitting
13 right there in that chair, but it doesn't show
14 cohesiveness nor does it show a collaborative or
15 corroborative spirit between the Board and the
16 department and the administration, especially the
17 administration when things like that is done.

18 Certainly we're happy that, you know,
19 the streets are getting cleaned up, but you know
20 certainly we want to be included on what's going
21 on and why.

22 INTERIM CHIEF LOGAN: Yes, sir. I
23 would just add that I was an invitee also.

24 COMMISSIONER WARFIELD: I understand.
25 I get you clearly. We will forward our minutes

1 over to the appropriate folks, it's not a
2 problem.

3 But anything else, sir?

4 INTERIM CHIEF LOGAN: No, sir, that's
5 about all I have right now.

6 COMMISSIONER WARFIELD: Thank you,
7 appreciate it, and certainly want to congratulate
8 the department for beating up on the kids.

9 INTERIM CHIEF LOGAN: Sir, those were
10 junior all-stars.

11 COMMISSIONER WARFIELD: I do want to
12 say this to that vein though. This week -- well,
13 this past weekend there was a high school
14 playoffs up in East Lansing and there was a
15 couple of schools who were involved, but one
16 school in particular, Detroit Community High
17 School which is right down the street from my
18 church in Brightmoor made it to the semi-finals
19 and did a really great job and I think lost by
20 just a few points in the semi-finals -- one point
21 actually in the semi-finals to make it to the
22 finals -- no, actually they made it to the
23 finals, I'm sorry.

24 They made it to the finals and I was at
25 both games and they represented the city of

1 Detroit extremely well and I want to present them
2 with a resolution from the department and from
3 the Board, just waiting to get their information
4 and as soon as we get their information I will
5 send it over to you and we want to recognize them
6 for just the outstanding job they did in getting
7 that far.

8 INTERIM CHIEF LOGAN: Sir, I might add
9 one other thing. There was an announcement about
10 the group of business people coming together
11 donating some cars.

12 COMMISSIONER WARFIELD: Yes, sir.

13 INTERIM CHIEF LOGAN: So it looks like
14 within the next 60 to 90 days we're going to have
15 almost a new fleet, somewhere around 100
16 vehicles. Also EMS is supposed to get 23 rigs.
17 So I did a segment on American Black Journal and
18 on the way there I did a segment on Frank
19 Beckman's radio show and as we talked I asked
20 him, "Doesn't this make you proud to be a
21 Detroiter?" He was -- you know, he fumbled, but
22 he said, "Yeah, I'm proud to be a Detroiter", and
23 I said the same thing on the American Black
24 Journal show this morning.

25 I kind of stunned the moderator with

1 that statement, but I think this is the time to
2 really take a look at how good we've got it.
3 We've got some hard times to face, but I think
4 Detroit is a wonderful city. Detroit is on the
5 way back and there's nothing for us to hang our
6 heads about.

7 COMMISSIONER WARFIELD: Yes, sir and
8 certainly we appreciate that. Now, with the
9 donation of the new cars what does that do for
10 the ones that we had on order? Are we still --
11 because there were some that were on order. Are
12 we still ordering those or no?

13 INTERIM CHIEF LOGAN: We should have
14 those -- I think when we first ordered them it
15 was 2011.

16 COMMISSIONER WARFIELD: Right, right.

17 INTERIM CHIEF LOGAN: We should have
18 those vehicles -- in fact I talked to the
19 gentleman from Chrysler who -- you know, the
20 fleet sales, and we should have those vehicles in
21 short order. We've kind of changed them, we're
22 going to put markings on them. We're going to
23 bring them down here so the Board can review
24 them.

25 These cars, most of them will be black.

1 We're going to have some white ones for traffic.
2 They will be all Dodge Chargers. The new cars
3 that we get with the -- the 100 should be a
4 combination of Chrysler, Ford and General Motors.

5 COMMISSIONER WARFIELD: And to that end
6 I saw the graphics that was at the press
7 conference on the cars. Those are not going to
8 be the graphics that's going to be on the new
9 police cars, are they?

10 INTERIM CHIEF LOGAN: With the
11 silhouette of downtown Detroit?

12 COMMISSIONER WARFIELD: Yes.

13 INTERIM CHIEF LOGAN: I don't think so.
14 I don't think they're going to get into the --

15 COMMISSIONER WARFIELD: I just didn't
16 think that was cute, but yeah, right, great news,
17 very very good news. And someone had asked me to
18 ask you, we do have the budget to maintain all
19 those new vehicles, right?

20 INTERIM CHIEF LOGAN: They're going to
21 be maintaining them.

22 COMMISSIONER WARFIELD: Oh, they are?
23 That's outstanding, very good, very very good.
24 Well, thank you, sir, appreciate it, appreciate
25 all that.

1 And, you know, obviously what we want
2 this to translate to is, you know, more police in
3 the neighborhoods when citizens call they spend
4 minimal time getting their calls answered.
5 Obviously that's the end game for us and we've
6 been preaching and talking about getting more
7 citizens involved because we think that's the
8 real thing that's going to help clean up the
9 streets is getting citizens actively involved in
10 the process of partnering with the police.

11 INTERIM CHIEF LOGAN: Sir, I just want
12 to add one other thing. Yesterday it was our
13 pleasure to have a sit-down meeting with the new
14 EFM, that was the hierarchy of the police
15 department, Director Porter, DC Tolbert and the
16 other ACs and DCs and we were -- collectively I
17 think we were very encouraged.

18 He listened, he listened very
19 attentively and --

20 COMMISSIONER WARFIELD: Don't say that
21 too loud to encourage people to beat you up.

22 INTERIM CHIEF LOGAN: He made -- he
23 listened to what we had to say, but correct me if
24 I'm wrong, the director, were you impressed with
25 him?

1 DIRECTOR PORTER-COLEMAN: Yes, I was.

2 COMMISSIONER WARFIELD: Is that it?

3 INTERIM CHIEF LOGAN: That's it, sir.

4 COMMISSIONER WARFIELD: Thank you, sir,
5 appreciate it. Oh --

6 INTERIM CHIEF LOGAN: Yes, sir. If I
7 could, as you well know -- well, as the Board
8 knows, the Mayor has approved us hiring -- we're
9 losing officers at a tremendous rate. I think
10 we've got 23 we're losing just this month alone,
11 so we've got to back-fill.

12 Now, that's not going to really -- you
13 know, hiring, it's not going to put a lot more
14 officers on the street. In fact, we'll probably
15 still have less, but at least it helps get us out
16 of the hole.

17 The bad part about it is that those
18 officers probably won't be in a position to help
19 the city until 2015. Well, it takes a while --
20 it takes a while to recruit, it takes six to
21 seven months to get through the academy. That
22 puts it at January 1 of 2014, and it takes about
23 a year before you want to put a police officer
24 out there by his or herself.

25 So it's going to -- it's a long

1 process. It's a big investment, but we got to
2 get started someplace. Director Porter promises,
3 she promises that we're going to have two classes
4 by June. This is not only something that I share
5 and I'm certain the Board shares. This is a
6 concern that everybody we talk to shares that
7 we've got to get our department re-invigorated.

8 COMMISSIONER WARFIELD: Absolutely.
9 Thank you, sir. Oh, oh, last thing is my request
10 to you. With the advent of the new cars coming,
11 can we have our five cars back? I'm talking
12 about the five cars for OCI, the reason being we
13 were -- they were sharing cars. All of our
14 investigators gave up their individual cars and
15 began to share cars and when they took five cars
16 away, it made the situation even more complicated
17 trying to do the investigations.

18 INTERIM CHIEF LOGAN: Yes, sir. Would
19 you just let me take a hard look at that. One of
20 the problems we're having is our IOU units, there
21 are four people that share the car.

22 COMMISSIONER WARFIELD: Who is IOU?

23 INTERIM CHIEF LOGAN: The investigators
24 that do the investigative work in the precincts,
25 so we're really down cars all the way around. If

1 we can come up with some extra money our hope is
2 to get some new general cars, but we will
3 definitely take a look at it and since you said
4 that's what you want, we'll work it out; somehow
5 we'll work it out.

6 COMMISSIONER WARFIELD: Appreciate it
7 greatly. Anything else for the Chief?

8 COMMISSIONER TAYLOR: No.

9 COMMISSIONER WARFIELD: Thank you. We
10 obviously do not have a quorum so we cannot vote
11 on the written directives, we will do that at the
12 very next meeting that we have quorum.

13 Our next meeting will be held on
14 Thursday, April 4, 2013 right here at police
15 headquarters.

16 At this time the agenda calls for oral
17 communications from the audience. If you wish to
18 address the Board of Police Commissioners, you
19 may come at this time. Please give us your name
20 and spell it for our recorder and we ask that you
21 abide by our two-minute limit that Mr. Brown is
22 -- will be holding up the signs so we can hear
23 from as many people as possible and direct your
24 comments to the Chair and we'll take it from
25 there.

1 Thank you.

2 MS. PANNELL: Good afternoon, Sharon
3 Pannell.

4 COMMISSIONER WARFIELD: Good afternoon.

5 MS. PANNELL: I was rooting for the
6 police, stop that. I want to know what about the
7 B&Es, first of all. Then I want to know about,
8 you know, the baseball games is going to start
9 up. I was wondering if you -- if the games are
10 on Thursday would you think about changing the
11 venue because the parking is so high down here
12 and I won't be able to come if you don't change
13 it.

14 COMMISSIONER WARFIELD: Well, thank you
15 -- first of all, thank you, Ms. Pannell and I
16 actually used you as an example in the community
17 forum last week of citizens getting involved and
18 changing what happened in neighborhoods, just so
19 you know, gave you a shout-out.

20 But we will change the meetings that
21 when we have games on Thursdays, and the staff
22 will let you know when that will be. I mean,
23 they will probably be at Central District more
24 than likely unless, you know, there's a
25 scheduling conflict and we'll let you know if

1 that happened.

2 As relates to the B&Es, Chief, I don't
3 know.

4 INTERIM CHIEF LOGAN: What was your
5 question again, ma'am?

6 MS. PANNELL: I was wondering -- you
7 was telling us about all the other crime is down
8 and you didn't say anything about the B&Es, so I
9 was wondering have they came down any and -- have
10 they came down any in my area in Northwest?

11 INTERIM CHIEF LOGAN: I can't speak
12 specifically to your area, but that's probably
13 the area that we've experienced our biggest drop
14 in is break-ins. One of the things -- and I'm
15 certain you'll be there so I'm going to go ahead
16 and invite you first.

17 We're going to start opening up our
18 weekly crime briefings to the community so you
19 can come in and see exactly what we're doing. A
20 couple of weeks ago a reporter by the name of
21 Nolan Finley wrote, to me, just a terrible
22 article about the Detroit Police Department, so
23 what we were able to do was invite him to the
24 meeting, our CAM meeting Tuesday. And he wrote
25 an article that's in today's paper which is not

1 really that flattering, but it goes to show the
2 kind of work we do.

3 And I think it's important for the
4 community to start to understand what we're
5 trying to do out there so you can hold your
6 commander accountable. You've got Vicki Yost,
7 right?

8 MS. PANSELL: Yes. She has not been to
9 one of our meetings yet, but they told me don't
10 worry about it, the other police told me they got
11 me.

12 INTERIM CHIEF LOGAN: Okay.

13 MS. PANSELL: When is that meeting
14 going to be because I'm going on vacation?

15 INTERIM CHIEF LOGAN: It's going to be
16 -- we're going to start that process sometime in
17 April.

18 MS. PANSELL: Okay, I'm going to go on
19 vacation in April, so don't have it from the 10th
20 to the 15th.

21 INTERIM CHIEF LOGAN: Yes, ma'am.

22 MS. PANSELL: Thank you.

23 COMMISSIONER WARFIELD: Thank you,
24 ma'am, thank you. Good afternoon.

25 MS. CAMPBELL: Good afternoon. I have

1 left you --

2 COMMISSIONER WARFIELD: I'm sorry, your
3 name?

4 MS. CAMPBELL: My name is Shay
5 Campbell. Mr. Warfield, I have left you multiple
6 messages with your secretary. I've also left
7 messages for Insp. Nick Kyriacou who has not
8 returned my call in well over seven days.

9 I've left him 37 messages, not returned
10 phone calls. I'm yet being threatened and
11 harassed with a gun from a cab driver that drives
12 with Checker Cab. The officer that's been
13 assigned got smart and nasty with me on
14 Wednesday.

15 He was supposed to go to Checker Cab
16 and make them aware that they do have this
17 gentleman on tape where on March 9th he punctured
18 my car tires with a knife and it is on videotape
19 from Motor City Casino and has not done so.

20 And when I asked him, he says, "Oh, I
21 talked to them and I'll go out there" and the
22 ultimate bottom line, I've been being treated,
23 Chief Logan, so disrespectfully by your staff
24 members from your operators of telephone crime
25 report to Sgt. Stubbs that answers on telephone

1 crime report this past Saturday where I had a gun
2 pulled on me by the same gentleman.

3 I want to put a restraining order and
4 the officer is not willing to cooperate with me
5 in order to get this man's full name so that I
6 might be able to not only have charges brought
7 against him, have a restraining order and sue him
8 and I've not gotten any return phone calls other
9 than ducking and dodging.

10 I've even had hostile, rude, abrupt
11 treatment even when I tried leaving a message
12 with Mr. Anthony and don't understand for me to
13 just be a woman, a citizen, who drives cabs part
14 time, also homeless, why must I be disrespected
15 by your staff.

16 So when it has a negative impact of
17 your city it's well deserved and I can't wait to
18 get with Nolan Finley and any other news reporter
19 and let them know that you are allowing me to
20 have guns pulled on me, allowing a Checker driver
21 to illegally solicit drugs and sell and pay off
22 staff members that they don't want my voice to be
23 heard, and this other one that has pulled a gun
24 on me to illegally solicit down at Motor City
25 Casino day after day so much so an employee last

1 night had to tell him to get out of her face
2 because he was trying to steal her from me.

3 Now, one of the officers that I was put
4 in contact when I came on the 14th, he's here
5 now. I left him messages. He's never gotten
6 back with me.

7 So in the event that I come up
8 assassinated, my family is definitely going to
9 sue this city --

10 COMMISSIONER WARFIELD: Ma'am --

11 MS. CAMPBELL: -- because it should not
12 be.

13 COMMISSIONER WARFIELD: Ma'am,
14 Ms. Campbell, first of all we certainly have
15 gotten your messages and we also know that you
16 talked with Commissioner White.

17 MS. CAMPBELL: I've never talked to
18 Commissioner White. You talking about Donnell?

19 COMMISSIONER WARFIELD: Yes, ma'am.

20 MS. CAMPBELL: It's a Mrs. White.

21 COMMISSIONER WARFIELD: No, you've
22 talked to Commissioner White.

23 MS. CAMPBELL: It was a lady that
24 called me and said her name was Mrs. White.

25 COMMISSIONER WARFIELD: Ma'am, you

1 talked to Commissioner Donnell White.

2 MS. CAMPBELL: Yes, I talked to him.

3 COMMISSIONER WARFIELD: So that's what
4 I'm referencing, ma'am.

5 MS. CAMPBELL: Okay.

6 COMMISSIONER WARFIELD: And as you
7 talked to him, Commissioner White informed me
8 that he was taking care of your case.

9 MS. CAMPBELL: He has not taken care of
10 it. If he had taken care of it, I wouldn't be
11 here now.

12 COMMISSIONER WARFIELD: Ma'am, we're
13 not arguing, okay, and you're past your two
14 minutes. I'm just trying to update you on what's
15 going on, please.

16 And so the thing is we have your
17 complaint over at OCI and it's currently being
18 investigated and we will investigate the
19 complaint and we'll have it completed within 90
20 days and we do know that on the Chief's side, the
21 department's side, that they're looking into the
22 matter as well.

23 So when you let our investigators do
24 their findings, they will certainly get back with
25 you as relates to your complaint.

1 MS. CAMPBELL: Uh-uh.

2 COMMISSIONER WARFIELD: Well, ma'am,
3 that's what we do. We investigate complaints
4 against the department and we do it very
5 efficiently and very effectively for every
6 complaint that comes in to our department.

7 MS. CAMPBELL: I made a complaint last
8 night. Did you get that?

9 COMMISSIONER WARFIELD: And it is a
10 process -- I don't get any complaints. It's goes
11 to our Office of the Chief Investigator. I'm
12 sure if you made a complaint, either with the
13 department or either online or either called it
14 in, we certainly received it and it's certainly
15 being handled appropriately.

16 MS. CAMPBELL: Maybe can you answer
17 something really quick? I just want to know why
18 does Officer O'Hair will not call me back. He
19 was supposed to have gone to Checker Cab and made
20 this company aware that they have this gentleman
21 on tape threatening me.

22 How long do I have to keep being
23 threatened night after night with a physical gun
24 in my face?

25 COMMISSIONER WARFIELD: Ms. Campbell,

1 we can talk after the meeting, we'll be hanging
2 around here after the meeting, we can talk after
3 the meeting, but we have other citizens who wish
4 to talk as well, but we would certainly love to
5 talk with you right after the meeting.

6 MS. CAMPBELL: So you're not just going
7 to brush me off as soon as it ends and then tell
8 me you don't have the time, is that correct?

9 COMMISSIONER WARFIELD: Again,
10 Ms. Campbell, we'll talk to you right after the
11 meeting.

12 MS. CAMPBELL: Okay.

13 COMMISSIONER WARFIELD: Thank you,
14 ma'am.

15 MS. SMITH: Bernice Smith, political
16 activist.

17 COMMISSIONER WARFIELD: Good afternoon,
18 ma'am.

19 MS. SMITH: Good afternoon. Chief,
20 good afternoon, good to see you, welcome home.

21 INTERIM CHIEF LOGAN: Glad to be here.

22 MS. SMITH: Chief, I was the one that
23 reported the news conference last week. I was
24 very kind of dismayed because you did not let the
25 Commission know what was going on, so I did. I

1 got off the -- I said I was going to see you
2 about it because I thought sure that they knew
3 what was going on.

4 But anyway, it takes two of us, so if
5 you don't do it, I'll do it. In the meantime,
6 that was a very efficient report you made. That
7 was a very efficient report. Could I get a copy,
8 please, so I can report it on my radio station
9 because I won't be on tomorrow, I'll be on next
10 week and I think the public would love to hear
11 that report because it is an efficient report and
12 I'm very proud that we have done all of that in
13 three weeks, that's wonderful, that's really
14 wonderful. So we do want the people to know we
15 do good work here at the police department.

16 Also I'm kind of dismayed with what's
17 going on with our other two police. I know we're
18 supposed to be innocent until proven guilty, but
19 it does make a bad mark on the police department,
20 especially when you're from Detroit.

21 And I do hope that everything works out
22 for the best for the two policemen. I know one
23 when he was in Homicide, I remember him
24 distinctly, so it was just disheartening to see
25 what was going on.

1 In the meantime, tomorrow most of you
2 may know TULC is having their fish fry and we're
3 inviting everybody to come and get some of that
4 good fish that they cook every year at -- what is
5 tomorrow -- Good Friday.

6 And all your politicians is going to be
7 there, so if you got any remarks to tell them,
8 you can see them tomorrow because they will be
9 there because they running for office this year.

10 So I just want to let you know to come
11 because you are welcome. Yes, sir.

12 COMMISSIONER WARFIELD: What time?

13 MS. SMITH: I believe you should be
14 there by 1 o'clock because I'm going to be there
15 at 12 so I can get a seat because it's so crowded
16 all the time, really.

17 COMMISSIONER WARFIELD: Good Friday
18 services are from 12 to 3. I'm just messing with
19 you.

20 MS. SMITH: Maybe your services is, but
21 when we want to eat, that means black and white,
22 because those that are in the 13 and 14 District
23 I know you'll be glad to be there because this
24 way you'll get a chance to meet your new chairman
25 of the Democratic Party, he's to be there also.

1 So in the meantime we're looking
2 forward to seeing all you good officers come in
3 and feel free to eat and you can drink whatever
4 you want to, but don't get drunk on me by no
5 means.

6 COMMISSIONER WARFIELD: Thank you,
7 ma'am.

8 INTERIM CHIEF LOGAN: I just wanted to
9 give the address to TULC, that's 8670 Grand
10 River.

11 COMMISSIONER WARFIELD: Anyone else?

12 MR. WILD: Billy Wild. I'd like to
13 help the young lady that has a complaint with
14 Checker Cab. That is one of our group of
15 companies and I'd like to give her the phone
16 number of the general manager.

17 MS. CAMPBELL: I've done that already,
18 spoke to him and got him on tape.

19 MR. WILD: Okay. I'm not sure who you
20 talked with --

21 COMMISSIONER WARFIELD: Talk to me.

22 MR. WILD: -- but the gentleman is Don
23 Piatrowski and I'll give her the phone number and
24 let her talk to him, okay.

25 COMMISSIONER WARFIELD: Is it public

1 record. Do I need to strike that or no? Okay,
2 thank you. I just wanted to make sure it's
3 public records, no need to strike that. Thank
4 you.

5 Anybody else? Anyone else? Well, we
6 will close that portion of our meeting. Thank
7 you all for your comments. At this time we will
8 adjourn our meeting. Again, wish you all a very
9 safe holiday season over this weekend and God
10 bless you and God's speed. Good night.
