COMMISSIONER MOORE: Good afternoon. We're going to call the meeting to order at 3:00 p.m. As you can see, we have a very skeleton crew for the Board of Police Commissioners. Currently they are in a conference in Kansas City, Missouri, an oversight committee meeting. It's a national -- NACOLE. And that's where the majority of the commissioners are. So I'll just be giving a roll call just for the record.

Willie Bell, excused.

Lisa Carter, excused.

Willie Burton, excused.

Wendell L. Byrd.

COMMISSIONER BYRD: Present.

COMMISSIONER MOORE: Reginald Crawford, excused.

I am Ricardo Moore.

Richard Shelby, excused.

Jessica Taylor, excused.

Donnell White.

And that completes the roll.

The agenda for this week will be tabled for approval until next week. The minutes from September 11th will be tabled until next week.

And currently we are at the chief's report.

1 Chief?

2 DEPUTY CHIEF HALL: If I could ask to -- if
3 you want me to table, but I can talk about basically we
4 held our COMPSTAT today. I just wanted to talk about
5 the numbers. We're still trending in the downward
6 position. 29 percent in robbery. We're right at like
7 32 percent for carjacking. Overall crime is still
8 down.

9 I'm sorry, AC, they started.

10 And so basically, that's where we are. I'm
11 going to switch spots with the assistant chief.

12 ASSISTANT CHIEF DOLUNT: No. You're good.

13 DEPUTY CHIEF HALL: He just walked in. But
14 overall, crime is still in the reduction levels and
15 we're doing really great things as it relates to crime.
16 Like I said, we had our COMPSTAT meeting today. We're
17 focusing on response time to ensure that we are
18 servicing the citizens with the utmost timeliness. So
19 we're still driving down our response times as a police
20 department. We just incorporated some new software, a
21 GPS system. That's going to allow supervisors to be
22 able to better monitor what the officers are doing and
23 monitor their response time to see if we are efficiency
24 and effectively responding to crime in a timely manner.
25 So those are the things that we're doing as it relates

1 to crime reduction.

2 COMMISSIONER MOORE: Thank you, chief. Any
3 questions for the chief?

4 COMMISSIONER BYRD: No.

5 COMMISSIONER MOORE: We don't have any
6 questions for you, chief. So once again, thank you.

7 We do not have any standing committee
8 reports.

9 We do not have any new business.

10 We do not have any old business.

11 We do not have any announcements.

12 Our next Board of Police Commissioners
13 meeting will be next Thursday, September 26th, 2014,
14 here at police headquarters, 1301 Third Avenue,
15 Michigan Room.

16 Now for the most important part is the
17 communications from the audience. Two-minute time
18 limit, please.

19 MS. WELLS: Investigator Tonya Wells. I don't
20 have an agenda. I don't think you have a quorum, sir.
21 But I have a problem. I've asked to be a ride along in
22 First Precinct with traffic enforcement because DPD is
23 not understanding what to look for in terms of taxi cab
24 ordinance violations. I had a very uncomfortable
25 conversation less than ten minutes ago with the chief's

1 office. I'd like that rectified before I go out the
2 door. I need to set it up. I have a right as a person
3 to ride along with a traffic enforcement cop. I have a
4 right to say what I have to say to that person. I have
5 a right to show them what they apparently don't know.
6 I don't care what they do with the information. They
7 need to see it so I can come back before this board and
8 tell you what I saw, and what they can do is tell in
9 turn their supervisory staff what they saw. If there
10 is a need to change the police manual, that's not my
11 job. My job is to come in here and tell you what I
12 saw.

13 (Commissioner White present.)

14 MS. WELLS: So that being said, again, I don't
15 see the Chief of Police in his seat. That's annoying
16 to me because he's to be here. I don't have an agenda
17 so I'll just assume that his name is on there again
18 and not the person who's sitting in his seat.

19 DEPUTY CHIEF HALL: Through the chair, if I
20 may. Ms. Wells, I just received information from the
21 chief's office that you recently called, and I actually
22 just returned your call prior to coming down the
23 stairs. We can talk afterwards regarding being a ride
24 along. That is a privilege that we afford citizens to
25 ride along with the police department in order to see

1 what we do in a day. We do not bring ride alongs on to
2 tell us how to do our jobs. However, we will allow you
3 -- my understanding is that there was -- you're a
4 little bit irate as it relates to being a ride along
5 today. We would have to rectify that situation. This
6 is not an antagonistic process, nor an adversarial
7 process. It's usually for us to communicate with the
8 community for us to build more of a cohesive
9 relationship so we understand what your expectations
10 are and you understand what our responsibilities,
11 expectations, and requirements are. So we can
12 facilitate that, and I can meet with you afterwards.
13 That is not an issue.

14 MS. WELLS: 30 seconds to readdress?

15 COMMISSIONER MOORE: Go ahead.

16 MS. WELLS: I was a ride along in 1996. I
17 know my responsibilities as a citizen. Apparently the
18 department doesn't know its responsibility as a code
19 enforcement officer around here. I'm not irate. Never
20 have I been irate, especially when I'm being direct and
21 I'm being consistent. For two weeks consistently I
22 have asked Sergeant Neal to return my phone call
23 through his Lieutenant Gardner. I'm upset, yes. I
24 have a right to be upset because I'm not being properly
25 responded to.

1 DEPUTY CHIEF HALL: I'm going to respond to
2 you, ma'am, so we can talk afterwards and we will
3 schedule you a ride along.

4 MS. WELL: I appreciate that.

5 DEPUTY CHIEF HALL: Okay. Thank you.

6 COMMISSIONER MOORE: For the record,
7 Commissioner Donnell White is present.

8 COMMANDER BENSON: Commander Todd Benson from
9 the chief's office. I just want to let the board know
10 that on Monday this -- well, next Monday we actually
11 have a meeting scheduled where the chief and other
12 representatives from city hall will be present. And
13 it's dealing with the taxi cab issue, enforcement
14 issue, so that we can hear their concerns. And
15 actually, I was in a meeting with some of the
16 leadership from the various cab companies yesterday,
17 and we collectively put together an agenda. So the
18 chief will be there; representatives from the law
19 department will be there, from city council, and from
20 your board as well. And if you'll allow me just a
21 second, I'll pull it up in my phone so that I can give
22 the information out. So the meeting is going to be
23 held at St. Peter's Episcopal Church. Trying to get
24 that right. I'm bad at this. 1950 Trumbull Street,
25 Detroit, Michigan. And it's going to be at 2:00 p.m.

1 to 3:00 p.m. Thank you.

2 MS. WELL: That's tomorrow?

3 COMMANDER BENSON: No. It's going to be
4 Monday.

5 COMMISSIONER MOORE: Thank you, commander.

6 COMMANDER BENSON: Thank you all.

7 MR. EMERSON: Good afternoon, commissioners.

8 COMMISSIONER MOORE: Your name for the
9 record.

10 MR. EMERSON: Al David Emerson. I'm
11 representing BBK Towing down here. This is concerning
12 towing. We have changed our operations as far as in
13 the company where we have added more equipment. And I
14 just would like to see how I can either volunteer or
15 either become a part of other police rotations than
16 what we're in right now. We're currently in Central
17 District. And I was wondering if maybe if there was a
18 way that we can offer our services to do other things
19 like vice squad or things that is other than the police
20 rotation. So basically my question is how do I go
21 about doing that or be pointed in the right direction.

22 DEPUTY CHIEF HALL: Through the chair, it is
23 my understanding that you -- the towers have a contract
24 with the City of Detroit.

25 MR. EMERSON: Yes.

1 DEPUTY CHIEF HALL: So I'm going to have
2 Commander Baron get some information from you.

3 MR. EMERSON: Okay.

4 DEPUTY CHIEF HALL: And have him -- so we can
5 get you the proper information. I apologize. I do not
6 have that information in front of me right now. But I
7 do know it's contractual. And we'll point you in the
8 right direction to get you squared away to make sure
9 that you have any information that is relevant to that.

10 MR. EMERSON: Thank you.

11 DEPUTY CHIEF HALL: If you can take care of
12 that, commander. Thank you.

13 MR. EMERSON: Thank you.

14 MS. PANSELL: Good afternoon. Sharon
15 Pannell. Just want to let you know that Second
16 Precinct finally got a commander, Harold Rochon, in
17 case you didn't know, commissioners.

18 COMMISSIONER MOORE: Thank you, Ms. Pannell.

19 MR. RHODES: Good afternoon. My name is
20 Peter Rhodes. I'm a resident of Detroit. I've been
21 here on several occasions. This is about business
22 licenses and the way its enforced in the City of
23 Detroit. And last August 20th or 21st, I was here and
24 expressed to you that the policy that you once had as a
25 board back in April of 2014 wasn't being followed, and

1 I gave a letter to the staff here. I did get a follow
2 up from Second Deputy Chief Celia Washington. I want
3 to thank her for that. But I would kind of like a
4 status report. Where are we on police officers giving
5 out criminal misdemeanor tickets to staff people who
6 might be making minimum wage on the other side of the
7 counter because their boss forgot to renew the business
8 license. And I know it's not a major problem, but I've
9 been raising my hand hopefully politely since last
10 November about this. And I still see people over at
11 the City County Building fussing about how they just
12 got a ticket. Now, there's really got to be something
13 done. And I was over there earlier this week, and
14 people were fussing because they just got a ticket. So
15 I'm bringing it to your attention again. The last time
16 I was here it was four weeks ago. And you would think
17 by now there would be some type of follow up and some
18 type of resolution. Thank you.

19 DEPUTY CHIEF HALL: Through the chair, if I
20 may. Just I want you to know that that -- your request
21 for information did not fall on deaf ears. Second,
22 Deputy Chief Celia Washington, myself, the assistant
23 chief, a number of members from the Detroit Police
24 Department has been meeting with the mayor's office and
25 the licensing department on this issue. It is an

1 ongoing process as there is an issue as to how licenses
2 are getting administered, as well as the timetable and
3 the turnaround for the license to be renewed. So there
4 are some issues. We have put in place a policy that
5 we're going to check. It's going to be a check and
6 balance system. Before we're actually issuing tickets,
7 we're actually checking with the license department to
8 see if, in fact, the owners have applied for a renewal
9 of their license and if that process is in place. If
10 that process is not in place, people are receiving
11 tickets. But we are putting a checks and balance in
12 place right now, and that should be in effect. If you
13 would like to give me a specific instance, I will be
14 glad to get that information from you. But there -- we
15 cannot say that we're not going to issue tickets to
16 individuals who are violating the law. It is the law
17 -- the law requires that you have a license in order to
18 operate a business. So we have to make sure that that
19 is going forward. We do recognize there are some flaws
20 in the process. It's new to the new administration in
21 the mayor's office. And we're just trying to make sure
22 that we're streamlining that so we're working
23 diligently towards that. So if there's anything that
24 you need to have rectified, we can do that.

25 MR. RHODES: Well, I've given my name and

1 telephone number a dozen times. I'll be happy to give
2 it to you again after the meeting. And I can give you
3 the twenty minutes -- geez. Two minutes briefing, and
4 it's not that complex. But I'll be more than happy to
5 talk to you.

6 DEPUTY CHIEF HALL: Sir, I've never spoken to
7 you. And I can assure you once you give me your
8 information, you will get some follow up. Okay?

9 MR. Rhodes: Thank you.

10 DEPUTY CHIEF HALL: Thank you.

11 MS. DANIELLE TUCKER: Good afternoon. My
12 name is Danielle Tucker.

13 MS. NICOLE TUCKER: And I'm Nicole Tucker.

14 MS. DANIELLE TUCKER: We're here today
15 because our brother was murdered and.

16 MS. NICOLE TUCKER: My brother and his
17 fiance.

18 MS. DANIELLE TUCKER: In a double murder in
19 his home May.

20 MS. NICOLE TUCKER: 29th this year.

21 MS. DANIELLE TUCKER: We are having a lot of
22 difficulty with communications with the detectives
23 handling the case. None of our phone calls are being
24 returned. We are at our wit's end. We just want to
25 know what's going on with the investigation. Who do we

1 contact?

2 DEPUTY CHIEF HALL: First of all, let me
3 apologize for your loss, truly. And let me apologize
4 for the Detroit Police Department if we have not done
5 what we're supposed to do as it relates to the follow
6 up. I want to ensure -- I'm going to take your
7 information before I leave here to find out exactly who
8 your -- do you know who the investigator is?

9 MS. DANIELLE TUCKER: Kimball.

10 DEPUTY CHIEF HALL: Kimball?

11 MS. DANIELLE TUCKER: Yes.

12 DEPUTY CHIEF HALL: Okay. I'm not going to
13 stop at Kimball. I'm going to get you an answer, I
14 promise you that. Meet with me when this meeting is
15 over, and I'll get your information. And I promise to
16 you I'll get you whatever information is available.

17 MS. DANIELLE TUCKER: Thank you because we've
18 called and we talked to other detectives that were over
19 him and we're still not --

20 MS. NICOLE TUCKER: I actually spoke with his
21 boss last week and he said he would have him call me.
22 And it's been a week.

23 MS. DANIELLE TUCKER: We understand they
24 can't coddle us. We understand they're doing their
25 job. But we just want to know where they are in the

1 investigation.

2 MS. NICOLE TUCKER: And we don't know the
3 process so it's like --

4 MS. DANIELLE TUCKER: Or who to contact.

5 MS. NICOLE TUCKER: I don't want to seem like
6 I'm bugging --

7 DEPUTY CHIEF HALL: You're not bugging us.

8 MS. NICOLE TUCKER: This is my brother. This
9 is his fiance. And I want to know what's going on. I
10 want to know if there's any information.

11 MS. DANIELLE TUCKER: It was horrific.

12 MS. NICOLE TUCKER: And they both were a
13 working class couple, and this happened inside of their
14 home.

15 MS. DANIELLE TUCKER: Both of them were
16 grandparents and parents.

17 DEPUTY CHIEF HALL: And as I said before,
18 just on behalf of the chief, the Detroit Police
19 Department, we are a very transparent police
20 department. This board, our goal is to ensure that we
21 provide the best service. You are not -- I can assure
22 you you're not bugging us. It's your loved one. It's
23 your right to know what happened, where we are in the
24 process, and what the next step is. And that is our
25 duty and responsibility to give you that information.

1 I apologize that you don't have it. But I will ensure
2 that you have that information. So please see me
3 afterwards.

4 MS. DANIELLE TUCKER: Thank you.

5 MS. NICOLE TUCKER: Thank you.

6 DEPUTY CHIEF HALL: Okay.

7 MR. WELBORNE: Bill Welborne, City Wide. I
8 heard some rumor and it's from a good source, Starving
9 Marvin, the guy that used to own All Star on Eight Mile
10 and Hubbell that's been closed down about six, seven
11 months ago, he's buying the bar on Eight Mile and Ward.

12 Can he obtain their liquor license because
13 it's my understanding that he can't buy their liquor
14 license from them because it's in their name?

15 DEPUTY CHIEF HALL: Okay. I don't follow
16 you. You said Starving Marvin is leaving and --

17 MR. WELBORNE: Starving Marvin had the place
18 on Hubbell and Eight Mile.

19 DEPUTY CHIEF HALL: Okay.

20 MR. WELBORNE: It's been closed down for
21 good. Now he's buying -- he bought Hot Tamale because
22 it's the same kind of business on Ward and Eight Mile.
23 It's a much smaller place.

24 DEPUTY CHIEF HALL: Okay.

25 MR. WELBORNE: But we know what this guy is

1 up to. This guy has been trying for a long time to
2 manipulate his way into getting a new license. His
3 license has been suspended for the other bar. And
4 myself, I had a liquor license at one time, and I know
5 I couldn't sell my liquor license to anybody else at
6 the time.

7 COMMISSIONER MOORE: Mr. Welborne, we might
8 have an answer from Commissioner White.

9 COMMISSIONER WHITE: If I could, sorry to
10 interrupt, but I don't believe that's a matter properly
11 before us. The Michigan Liquor Control Commission who
12 oversees new licensees, also who does the background
13 checks, and they also offer a public comment period on
14 individuals who are seeking those new licenses. So I
15 would suggest to you that you reach out to the
16 commission. And if you would like to formalize your
17 comments on any particular business owner on their
18 ability to obtain or not obtain a new license, that
19 would be well within your right. But unfortunately,
20 this body, nor does the department have the ability to
21 control who receives new licenses.

22 MR. WELBORNE: Yeah. I'm going to them. I'm
23 going to start down to the building safety first, the
24 zoning, see if he's -- he's got to go through them. I
25 know that. But if he goes through them, then I know

1 the process has started already. Anyway, I will check
2 with them. I'm going to check with them tomorrow, try
3 to find out. Thank you.

4 COMMISSIONER WHITE: Thank you.

5 MR. ALEXANDER: Good afternoon. My name is
6 Darnel Alexander. I had an unfortunate tragedy July
7 20th on the river when they were having a white party
8 down at the marina. My brother's daughter, which is my
9 niece, I raised her, she went on the boat with six of
10 her friends, and she's the only one that didn't come
11 back. She died. She was rescued out of the water by a
12 good Samaritan. And the answers that her girlfriend
13 that's supposed to be her best friend that was on the
14 boat with her, I don't -- they don't settle very well
15 in my heart that that's actually what happened because
16 it was supposed to be a 24 foot boat. Now, since this
17 incident, I have went out and did my research and sized
18 up the 24 inch boat. And if six of us standing on the
19 boat, it's kind of impossible for somebody to disappear
20 and you don't know it for 45 minutes. This is what
21 she's telling us. She has my niece's son. I have a
22 criminal past that I can't actually go argue for the
23 son because I think that that might affect me from
24 getting him and I don't want him to end up in the
25 system. But I do want an investigation on my niece's

1 situation. And I've been down here and talked to
2 Sergeant Ford, and I haven't got any response or any
3 answers.

4 DEPUTY CHIEF HALL: Okay. I want to -- you
5 also see me when we're done.

6 MR. ALEXANDER: Okay.

7 DEPUTY CHIEF HALL: Okay. All right?

8 MR. ALEXANDER: Thank you.

9 COMMISSIONER MOORE: Anymore communication
10 from the audience? At this time, we'll prepare to
11 adjourn. Commissioners, is there a motion to adjourn?

12 COMMISSIONER BYRD: So moved.

13 COMMISSIONER MOORE: We don't have a quorum,
14 folks, so we're just going to adjourn. Thank you.

15 (Meeting concluded at 3:24 p.m.)
