13 COMMISSIONER CARTER: Thank you,
14 Mr. Secretary. At this time is there anyone here
15 from the Adam Butzel Center? Is there anyone
16 here representing the center?

17 If not, I'm going to ask Mr. Secretary,
18 if you could introduce the staff.

19 SECRETARY ANTHONY: Thank you, Madam
20 Chair. Sitting in for our Chief Investigator is
21 Supervising Investigator Abdullah Nelson seated
22 in front. Also we have our new attorney to the
23 Board Ms. Linda Bernard seated in front.

24 Sgt. Alan Quinn is taking a recording
25 and Mr. Dale Rose from Hanson Court Reporting

1 Service is recording the transcript. That
2 completes the introductions.

3 COMMISSIONER CARTER: Thank you,
4 Mr. Secretary. At this time I'd like to
5 introduce Deputy Chief Renee Hall.

6 DEPUTY CHIEF HALL: Hi, good evening
7 everyone. I just wanted to say good evening to
8 everyone. I will be sitting in for Chief Craig
9 today.

10 We are having -- the Detroit Police
11 Department through the leadership of Chief Craig
12 has organized a fund-raiser. I'm sure that most
13 of you remember some weeks ago when
14 seven-year-old India Williams was gunned down on
15 the east side. She has since been in the
16 hospital recovering and tonight is a fund-raiser
17 at Bonanza Bowling Lanes at 24600 Hoover Avenue
18 and that is where the Chief and the rest of the
19 executives are holding a fund-raiser.

20 We have been very very successful in
21 this effort. We were able to raise a tremendous
22 amount of funds, toys, not only for India but her
23 brother as well, and we were able to provide her
24 family, her mother with a substantial amount of
25 money, so we are very blessed today to be able to

1 do that for her family.

2 Just a couple of announcements from the
3 police department if I can?

4 COMMISSIONER CARTER: Yes.

5 DEPUTY CHIEF HALL: On December 18,
6 2014 we will be participating in the Sgt. Santa
7 Program. The Chief will be Chief Kringle. What
8 we've done as a police department as each
9 precinct has identified a family to adopt we will
10 be delivering Christmas toys and presents to the
11 children in those homes, so that's 12 different
12 families and the Chief Kringle's sleigh will
13 leave 1301 Third Avenue at about 11:30 AM and we
14 will be distributing toys throughout the city.

15 We recognize that our responsibilities
16 are to enforce the laws, but we are -- we have a
17 human factor and we take that very seriously. We
18 have a great partnership with our community and
19 we let them know that we care so those -- that's
20 just one of the things we're doing as we're
21 reaching out during this holiday season.

22 Just to acknowledge some of the police
23 officers that -- and command staff that are in
24 the audience today. We have Commander Wilson
25 who's Patrol-West. We have Commander Mahone who

1 is Patrol-East. We have Captain Roshane who will
2 be presenting from the 2nd Precinct today.

3 We have Captain Tosky from the 3rd
4 Precinct, we have Captain Chambers from the 4th
5 Precinct, Captain Bleitz from the 5th Precinct,
6 Captain Walton from the 6th Precinct, Captain
7 Pridgett from the 8th Precinct.

8 I also want to acknowledge Captain
9 Roshane's staff in the back, his NPOs. He will
10 introduce them when he comes up to present today,
11 but I just wanted to thank you for presenting
12 this Board meeting today and organizing it with
13 food and all those things and gracing us in this
14 wonderful place with ballroom classes at 5
15 o'clock right before we got ready for the Board
16 meeting, so that ends the Chief's report.

17 COMMISSIONER CARTER: Thank you, Deputy
18 Chief Hall. At this time I just want to extend a
19 warm thank you to the Butzel Recreational Complex
20 for their hospitality in housing us today or
21 hosting us today and at this time, Board, you
22 have before you the agenda. What is your
23 pleasure?

24 COMMISSIONER TAYLOR: So moved.

25 COMMISSIONER MOORE: Second.

1 COMMISSIONER CARTER: It's been moved
2 and seconded that we adopt the agenda for today.
3 Ready for the question? All in favor?

4 COMMISSIONERS: Aye.

5 COMMISSIONER CARTER: Opposed? The
6 ayes have it. Board, you have before you the
7 approval of the minutes for Thursday, December 4,
8 2014. What is your pleasure?

9 COMMISSIONER TAYLOR: So moved.

10 COMMISSIONER MOORE: Second.

11 COMMISSIONER CARTER: It's been moved
12 and seconded. Ready for the question? All in
13 favor?

14 COMMISSIONERS: Aye.

15 COMMISSIONER CARTER: All opposed? At
16 this time, we are going to have the Board of
17 Police Commissioners officers report. We're
18 actually waiting for the Chair to come, Willie
19 Bell. He's en route, so I do not have anything
20 to report.

21 Mr. Adams, if you would come forward,
22 can you do a prayer for us, please.

23 (INVOCATION WAS GIVEN.)

24 COMMISSIONER CARTER: Thank you,
25 Mr. Adams. Is Pastor Warfield here, Jerome

1 Warfield?

2 Okay. We'll move right along for the
3 presentation by the Detroit Police Department at
4 this time.

5 DEPUTY CHIEF HALL: We'll call up
6 Captain Roshane from the 2nd Precinct. Also want
7 to acknowledge Commander Dushane Sims who just
8 walked in and also Commander Bettison.

9 CAPT. ROCHANE: Good evening, everyone,
10 Board and the Chief of Police, in his absence
11 Deputy Chief Hall.

12 The 2nd Precinct encompasses
13 approximately five square miles, which is
14 northern boundary is McNichols, Livernois, Warren
15 and Greenfield.

16 Our closest bordering city is Dearborn.
17 I'm going to -- we have made several -- our crime
18 is decreasing consistently in the 2nd Precinct.
19 One of the reasons that it's decreasing is not
20 just because of the number of arrests that we
21 make, but the way that we educate our citizens
22 and the way that we have collaborated with the
23 community as well.

24 One of the things that's written on
25 this piece of paper is that we have increased the

1 number of traffic stops. Well, just because we
2 increase the number of traffic stops does not
3 mean we're increasing the number of tickets.

4 One of the things that I encourage when
5 we make the number of traffic stops that we make
6 is that we educate.

7 We talk about things like seatbelts.
8 We don't have to give a ticket every time someone
9 does not have a seatbelt on. Every time someone
10 is speeding because they're in a rush somewhere
11 we don't write the ticket every single time.

12 I try to encourage the officers to
13 write tickets for egregious incidents rather than
14 just because someone is speeding or slowed
15 through a traffic stop.

16 I'd rather for our citizens to be
17 educated as opposed to issuing an enormous amount
18 of citations. One of the things we've done in
19 our precinct is we have increased the number of
20 community participants in our community relations
21 as it relates to our citizens, not just the
22 number of police officers, but the number of
23 citizens.

24 Another thing that I've done in our
25 precinct is I've combined our NPOs with our

1 Special Operations. They communicate on a
2 regular basis. So the information that we
3 receive that some would suspect as being minor I
4 consider to be major.

5 One example is I got a phone call about
6 -- it was probably about 3 o'clock in the morning
7 about a group of people gathering on the corner
8 in a couple of vehicles and they were
9 communicating with one another.

10 Well, a citizen called me. To me -- to
11 some that might be seen like it was minor, but to
12 that citizen it was considered major. So I got a
13 car to go out there and talk to them. What it
14 ended up being is some guys trying to communicate
15 with some girls. That's what it amounted to.

16 But because that citizen called and we
17 got a response it wasn't a homicide, it wasn't a
18 robbery, it was something as simple as cars
19 gathering on the corner.

20 I encourage those type of
21 communications with our police department. We
22 are going to respond very quickly to a homicide.
23 We're going to respond very quickly to robberies,
24 but I think it's just as important to respond as
25 fast as we can to things that are considered

1 minor, so that's one of the things we've done
2 that's a little bit -- I call it thinking outside
3 the box as opposed to trying to deal with the top
4 down. We deal with it from the major crimes, but
5 we also deal -- we take the minor crimes or the
6 suspected crimes just as serious as we do some of
7 the major crimes, and it's making a significant
8 impact that will absolutely be seen throughout
9 our community over the next year.

10 Something else that I've done -- I
11 shouldn't say I've done, but something else that
12 we've done inside the precinct is that we're
13 going to call our precinct next year the
14 urban-suburban precinct. What do you mean?

15 It's going to be clean, it's going to
16 be community -- you know, the community can come
17 in and assist us. Rather than paying a police
18 officer to sit behind a desk and answer a phone
19 to take a complaint, we're getting the citizens
20 involved and they come and will answer the phones
21 for us in the daytime. I'm talking about like
22 the -- what do they call -- the candy strippers.
23 Well, we've instituted that in our precinct where
24 citizens come in, they sit behind the desk
25 throughout the day and as we get those

1 complaints, the trash complaints, the dumping
2 complaints, the parking complaints, they're there
3 and they're able to take those phone calls and
4 our NPOs respond to it.

5 So that's pretty much the overall view
6 of our precinct and kind of the update of what
7 we're doing since I've been there.

8 COMMISSIONER CARTER: Any questions
9 from the Board? Did you introduce your NPOs?

10 CAPT. ROSHANE: I'm sorry. I'd like to
11 introduce my NPOs. Heading up my NPOs is Sgt.
12 Vanessa Wyatt. NPO Colette Burke, Officer
13 Yolanda Sharp and I think I don't see -- Officer
14 Mengus, he's running in out making sure you guys
15 have a delicious meal.

16 So that's my solid team. I also have
17 here from the officer in charge of Platoon 3 Lt.
18 Dennis Johnson.

19 COMMISSIONER MOORE: If someone wants
20 to get in contact with you or the NPOs, do you
21 have a phone number for them?

22 (COMMISSIONER BELL ARRIVES.)

23 CAPT. ROSHANE: The NPO's number,
24 direct line is 313-600-5756.

25 CAPT. ROCHANE: The inside office, what

1 is that number?

2 NPO OFFICER: 313-596-5272.

3 CAPT. ROSHANE: That's the main number.
4 When you call that number, you'll be able to get
5 the additional numbers from our neighborhood
6 police officers.

7 COMMISSIONER CARTER: Thank you. Are
8 there any other additional questions? Great
9 report, thank you, captain.

10 At this time I'D like to acknowledge
11 the presence of the Chair, Willie Bell and I'm
12 going to turn it over to him.

13 COMMISSIONER BELL: Good evening. I
14 apologize for being late, but I had to conduct
15 business on behalf of the Board with Rev. Anthony
16 at the NAACP. As you well know, it's difficult
17 to say no to the pastor, so that's why I'm late,
18 but it was a good format, so.

19 Excuse me just one second. Committee
20 reports?

21 COMMISSIONER MOORE: Through the Chair,
22 I don't have a committee report, but I would like
23 to say welcome to the citizens of the 2nd
24 Precinct and to District 7 as a whole and also to
25 acknowledge Ladon Davis from City Councilman Gabe

1 Leland's office. So if anyone has any questions
2 on that end, and in the rear of the room from the
3 Mayor's office is Marshall Bullock from the
4 Mayor's office. Thank you, Mr. Chairman.

5 COMMISSIONER BELL: Thank you, sir.
6 Do I see Commissioner Vann to my left?

7 COMMISSIONER VANN: Yes, sir.

8 COMMISSIONER BELL: Good to see you,
9 sir?

10 COMMISSIONER VANN: Yes, sir.

11 COMMISSIONER BELL: We've worked
12 together years ago over at the Office of Chief
13 Investigator, but I was sitting on that side.
14 Welcome back.

15 COMMISSIONER VANN: Thank you, sir.

16 COMMISSIONER BELL: Looking forward to
17 your input.

18 COMMISSIONER VANN: Thank you very
19 much.

20 COMMISSIONER BELL: I'm sorry, we're
21 under new business and we have a resolution -- we
22 have two and I assume that we have a Commissioner
23 that's been designated to present the resolution?
24 Commissioner Moore, would you come forward,
25 please?

1 COMMISSIONER MOORE: Yes, sir.

2 COMMISSIONER BELL: Thank you.

3 COMMISSIONER MOORE: Good evening. Is
4 police officer Leonard Barszcz available? I'll
5 read the last part so we can enter it into the
6 record.

7 "NOW THEREFORE BE IT RESOLVED,
8 that the Detroit Board of Police
9 Commissioners speaking for the citizens
10 of Detroit and the Detroit Police
11 Department award this resolution in
12 recognition of Police Officer Leonard
13 J. Barszcz' 26 years of dedication and
14 diligent public service. His
15 professionalism, integrity and standard
16 of commitment to the city of Detroit
17 and its citizens merit our highest
18 regards and best wishes for continued
19 success.

20 We salute and congratulate you,
21 Police Officer Leonard J. Barszcz."

22 Is Ms. Butler available, Freida Butler?
23 Okay, I'll read the last part then.

24 "NOW THEREFORE BE IT RESOLVED,
25 that the Detroit Board of Police

1 Commissioners speaking on behalf of the
2 citizens of the city of Detroit and the
3 Detroit Police Department acknowledge
4 the giving spirit and community service
5 of Ms. Freida M. Butler. Her vision
6 for Detroit and its citizens is
7 unmatched and highly respected. We
8 thank and congratulate you, Ms. Freida
9 M. Butler."

10 DEPUTY CHIEF HALL: The Detroit Police
11 Department also has a Certificate of Recognition
12 for Ms. Freida M. Butler.

13 "The Detroit Police Department
14 Certificate of Recognition to
15 Ms. Freida M. Butler, resident of the
16 city of Detroit in appreciation for the
17 following outstanding service and
18 cooperation, for your involvement in
19 the community and services in the city
20 of Detroit. You demonstrate a spirit
21 of commitment that is worthy of
22 recognition on this 11th day of
23 December, 2014."

24 I also have a Spirit of Detroit award.
25 She's not here. You're going to take it on

1 behalf of her? Thank you, Sarge.

2 We also have a Spirit of Detroit Award
3 and it is presented herewith as an expression of
4 gratitude and esteem of the citizens of Detroit
5 to Ms. Freida M. Butler in recognition of
6 exceptional achievement, outstanding leadership
7 and dedication to improving the quality of life,
8 by the City Council of Detroit, Michigan and it's
9 signed by all council members.

10 If you could present that to her, thank
11 you.

12 (APPLAUSE.)

13 COMMISSIONER BELL: Any old business,
14 Commissioners? I'm sorry, we're going to pause
15 for one second. The Chair will entertain a
16 motion to receive both resolutions.

17 COMMISSIONER MOORE: So moved.

18 COMMISSIONER BURTON: Support.

19 COMMISSIONER BELL: Ready for the
20 question? Those in favor?

21 COMMISSIONERS: Aye.

22 COMMISSIONER BELL: Those opposed?

23 Motion carries; thank you. Now, any old
24 business?

25 COMMISSIONER CRAWFORD: Through the

1 Chair, yes, sir. Last week there was a
2 discussion about the -- what was in the media
3 about the ticket quota issue from the -- well, it
4 was from the 11 Precinct, and Captain Leach was
5 the individual involved.

6 I just want to -- well, first of all I
7 want to acknowledge the teletype that was issued
8 December 10th. Detroit Police Department Traffic
9 Enforcement objectives and Teletype 14-1485 and I
10 want to thank the department for issuing this
11 teletype and it references the fact that -- about
12 the issuing of tickets and there aren't any
13 quotas in short.

14 Also too I just wanted to say I
15 received a -- for the sake of transparency -- I
16 received an e-mail earlier today and also that
17 e-mail contained I believe it was 14 pages of the
18 -- from the manual, Detroit Police Manual, which
19 was explicit in terms of the process of ticketing
20 citizens in traffic stops and the procedure for
21 that.

22 The e-mail also expressed that Capt.
23 Leach would not be here at this meeting which was
24 requested last week. If Capt. Leach is not here,
25 in my opinion that represents a lack of

1 transparency on his part and also too a lack of
2 courage because it was in the media and he spoke
3 pretty much in the media on all the networks in
4 terms of this issue or controversy that came
5 about in terms of ticket quota.

6 So I am -- well, let's just say it is
7 disappointing that he didn't come before us to
8 explain it because I represent the 3rd District
9 and the 11th Precinct is in the 3rd District, so
10 that's all I wanted to voice my disappointment.

11 COMMISSIONER BELL: Well, let me chime
12 in on that, somewhat due to my responsibility as
13 chairman and I would take the -- I didn't get a
14 chance to talk to you about that on my arrival
15 late, but I was hoping that the DC, Deputy Chief
16 Hall, would probably respond. It's been cleared
17 up, it was miscommunication. He addressed it in
18 terms of through the chain and the Chief of
19 Police.

20 So therefore it was not necessary for
21 the captain to respond because as Commissioner
22 White indicated he works for the Chief of Police
23 and there was miscommunication at that level and
24 they clarified it and therefore that was
25 acceptable. I don't know if Deputy Chief Hall

1 wants to elaborate a little bit further, I would
2 appreciate that, in terms of it's not the
3 responsibility of the captain. That was
4 miscommunication in reference to that item and
5 they cleared it up and that's why they even sent
6 out a director of that particular Traffic
7 Enforcement.

8 Deputy Chief Hall, would you want to
9 respond?

10 DEPUTY CHIEF HALL: Absolutely. I
11 think you basically stated it, and Commissioner
12 White, that there was a miscommunication between
13 the captain and his staff and that was a
14 misprint. The captain did not encourage any
15 quotas to the police department because we don't
16 have quotas.

17 What we do is we recognize when our
18 citizens, when certain areas need a little bit
19 more attention and our officers are encouraged to
20 do more when the citizens require more as I'm
21 sure as a Board we're encouraged to do more for
22 the citizens when they ask.

23 So that was what the memo should have
24 stated and it was a misprint, miscommunications,
25 and as you said, Commissioner, he spoke to the

1 news media as well as myself being his direct
2 report -- I'm sorry, Commander Mahone being his
3 direct report and me being the Deputy Chief in
4 charge of the entire bureau and the Chief of
5 Police and we were satisfied with the fact that
6 there was miscommunication.

7 We also did get some communication that
8 he was not required to appear before the Board.
9 There is no way that we would disrespect the
10 request of the Board. We do acknowledge you as a
11 full body and an oversight of the Detroit Police
12 Department, we respect you as such, and the
13 direction from the Board was that he did not need
14 to appear. Because if he had, he would
15 definitely be here.

16 COMMISSIONER BELL: And we will talk
17 afterwards, but I wanted to reassure you that the
18 command office, the Chief, the Deputy Chief, and
19 Commander Mahone was going to speak to it, but
20 the Deputy Chief is his boss in terms of patrol
21 and we want to make sure that there's
22 accountability.

23 We don't want to put any captain on the
24 spot in terms of further scrutiny by this Board
25 without having their immediate supervisor and the

1 Chief of Police and the Deputy Chief weigh in on
2 it, and they weighed in on it in terms of to my
3 satisfaction there was interaction with the Board
4 Secretary in terms of communication.

5 So on that note -- and I'm sorry in
6 terms of my late arrival I would have explained
7 that to you, so I want to apologize.

8 COMMISSIONER CRAWFORD: Apology
9 accepted, but through the Chair, on this whole
10 issue there was a miscommunication and today it's
11 a lack of communication because I didn't get that
12 communique other than -- and like I said, I
13 considered what was in the e-mail kind of
14 offensive to that piece, but if you had
15 communicated with those individuals prior, okay,
16 I understand.

17 COMMISSIONER BELL: I would have
18 communicated to you, but that was my intent even
19 prior to the meeting, but unfortunately it didn't
20 work out this way this evening and I apologize
21 once again.

22 So we can move on if that's the
23 pleasure of the Board. I would like to have
24 Commissioner White, if he has had an opportunity
25 to respond to -- the Board directed me and a

1 board commissioner be involved with the NAACP
2 initiative last meeting and I took those steps
3 and I asked Commissioner White to report out in
4 reference to that type of interaction of the
5 coalition.

6 COMMISSIONER WHITE: Certainly.
7 Mr. Chair, if we could, before we move off of
8 that issue, I did want to echo some of the
9 sentiments as relates to the administrative
10 message that was put out and commend the
11 department for a very precise and thorough
12 message as relates to this issue of quotas in the
13 Detroit Police Department.

14 Also as a question that I would pose
15 through the Chair to Deputy Chief to the Chief,
16 the ticket policy that was furnished to this
17 body, and I thank Deputy Chief Levalley for
18 furnishing that, but it referenced a revision
19 date of September 9, 2014.

20 So I would just pose a question in
21 terms of what revisions were made to the policy
22 on September 9th, and also through the Chair,
23 Mr. Chair, I think it also would warrant this
24 body also asking or posing the question which
25 other policies have been changed since we've

1 moved away from what is charter-mandated policy
2 that policy changes come before the body, but
3 just as a question I would be very interested to
4 have information sharing if you will even though
5 we may not be in a position to weigh in, but to
6 ask the question what other policies have changed
7 without the Board's involvement.

8 DEPUTY CHIEF HALL: And I will have
9 that information sent to you as soon as possible.

10 COMMISSIONER WHITE: Thank you.

11 COMMISSIONER BELL: And as you well
12 know, I have requested that type of interaction
13 and dialog with the Chief not just at a board
14 meeting, but I think we need to have those type
15 of informal discussions to make sure we all on
16 the same page, and I'm hoping if that's not going
17 to happen during the holiday I'm looking forward
18 to 2015 the month of January that as we move
19 forward in terms of the Chief reporting out on
20 his annual report indicated that the Mayor in
21 reference to the Council, even though we are not
22 charter mandated, we're under Emergency Order 42,
23 he wanted a spirit of cooperation in terms of
24 public safety that we be involved within that
25 process, so I just want to re-emphasize that;

1 thank you. Yes, sir.

2 COMMISSIONER WHITE: Thank you,
3 Mr. Chair. First and foremost, let me commend
4 our Chair who did an excellent job on not only
5 today on the Mildred Gaddis Show in representing
6 this body as Chairman of the Board of Police
7 Commissioners, but also at the recent press
8 conference held at the Detroit NAACP office where
9 you represented as a member of the coalition in
10 speaking as we talk about the policy changes and
11 other areas where this body as mandated by you,
12 the citizens of this great city, to weigh in on a
13 number of areas have been hampered in doing so
14 vis-a-vis Emergency Order Number 42.

15 And so a number of individuals
16 including the Detroit Board of Police
17 Commissioners, I see Brother Ron Scott here from
18 the Coalition Against Police Brutality, the
19 NAACP, ACLU, Change, Agent Consortium, and I
20 could go on and on, but I won't belabor the
21 point. But there's a wide effort and
22 organizations signing up daily to not only
23 address the issue of the Detroit Board of Police
24 Commissioners being empowered as a charter
25 mandated by your vote, but also to deal with

1 issues that we see from Ferguson to Staten Island
2 to talk about issues of police militarization, to
3 talk about some very concise public policy
4 initiatives that need to be on the radar to talk
5 about education and training.

6 And I want to be very clear that this
7 isn't an opportunity for community to be
8 adversarial with our law enforcement agency.
9 This is the community coming together to work
10 side by side with our law enforcement agency so
11 that Detroit does not see a Ferguson incident or
12 Staten Island incident.

13 And we believe that the more
14 communication the better. We believe the more
15 transparency the better. So you can expect to
16 hear more from this coalition moving forward.
17 Mr. Chair, we are inviting the community out this
18 coming Thursday, December 18 at 6 PM at the
19 Detroit NAACP headquarters which is 8220 Second
20 Avenue.

21 You have all the members of the
22 coalition present and what we will be doing is
23 taking a public record as we formulate a joint
24 statement which will be signed by all members of
25 this coalition and, Mr. Chair, just as of today

1 we received calls from the Mayor's office, the
2 Governor's office, asking when can this meeting
3 happen. So the temperature is rising in a good
4 way, that we are coming together if you will for
5 the good of our community.

6 I understand there's a lot of
7 frustration and people are saying well, what can
8 we do, why haven't the leadership organized or
9 marched. Well, we march to get to a means and I
10 think this is putting on the base, the
11 foundation, in terms of what we've asking of our
12 elected officials, what we are asking of our law
13 enforcement officials to be transparent about, to
14 work with the community on so that we can move
15 forward together.

16 So again, I applaud the leadership of
17 our Chair and all those members of the coalition
18 for stepping up on this issue.

19 COMMISSIONER CRAWFORD: Through the
20 Chair, you said next Thursday, what time?

21 COMMISSIONER WHITE: Yes, sir, 6 p.m.

22 COMMISSIONER CRAWFORD: Okay.

23 COMMISSIONER BELL: Any other questions
24 or concerns in reference to the coalition? And I
25 really appreciate Commissioner White's

1 involvement as executive director and Pastor
2 Anthony in terms of his leadership. That was one
3 of the reasons why my lateness.

4 I wanted to continue that dialog and it
5 presented itself, so I didn't want to say no, and
6 I attended a Coalition Against Police Brutality
7 at Local 7 with Ron Scott. He gave me the
8 opportunity to speak and that was a great
9 opportunity there in terms of having ongoing
10 dialog in reference to police reform.

11 That afternoon, yesterday afternoon,
12 also attended a forum where ministerial alliance,
13 different groups, even as this morning I had met
14 with four different groups in terms of
15 ministerial alliance in terms of the issues we
16 face in Detroit and all over this country.

17 And so we didn't get beyond lip
18 service. As Commissioner White indicated, we
19 must be engaging and we must be involved with
20 that process in reference to the issues.

21 The issues are glaring and people are
22 concerned, so I'm glad that people from all walks
23 of life are coming together. It will give us the
24 opportunity that this Board, it's extremely
25 important to be engaging, to really represent the

1 community on the cutting edge of police reform.

2 We don't want to revisit the '50s and
3 '60s and the 70s that we fought so hard in terms
4 of gaining effort in terms of equality and equal
5 justice to all, especially people of color,
6 people brown -- and the whole issue is that
7 people now, not just on the street corners, but
8 people from all walks of life -- LaBron James in
9 terms of his efforts -- you see athletes stepping
10 out now which is rather unique because in the
11 past they're been rather quiet because they don't
12 want to offend nobody as far as their
13 sponsorship, but to go back to Jackie Robinson
14 42, we must stand on the legacy of people who
15 have fought for us to get here.

16 That's why we have this freedom now
17 sitting in this room and you see these ranking
18 officers. That did that come by accident.
19 That's because of Coleman C. Young took the
20 initiative to address the Detroit Police
21 Department and we are thankful for that, so
22 that's why we will engage and we need a full
23 charter commission.

24 So that is the task, that is the goal.
25 We are stepping up in 2015 to enlighten people

1 the necessity -- we shouldn't have to explain it
2 because you in Detroit know why we need a strong
3 chartered Board of Police Commissioners, not a
4 review board. And everybody is on the same page
5 and that is my charge and that is my
6 responsibility. That's why I ran for office,
7 that's why this board looks like it is now in
8 terms of seven and four.

9 So I'm happy with the appointees. We
10 just have to be engaged. Bishop Vann has
11 extensive knowledge in terms of sitting on this
12 board for about four or five years, so I know --
13 and we had a Justice Mallett, I think he would
14 bring a whole lot to the table, so we're looking
15 forward to that mandate of the charter to be --
16 the countdown starts now Day 1.

17 So we're looking forward 364 days that
18 the Council can vote, but we're going to make
19 sure they understand the people's position on
20 this issue. That is crystal clear, and we're
21 getting that type of support, so that the
22 challenge and I'm looking forward to that. I'm
23 thankful that I have the opportunity.

24 So we can move on. Any other old
25 business? Our next meeting announcement would

1 be on January -- correction on that. Our next
2 community meeting would be on January 8, Wesley
3 Community Center, 10241 West Seven Mile, I think
4 that's on your agenda, right -- at 6:30. That is
5 our next community meeting in January.

6 Our next Board meeting will next place
7 next week, December 18 at 3 PM at Detroit Public
8 Safety Headquarters, 1301 Third Street at 3
9 o'clock. That's our last meeting of the year, so
10 that gives you the opportunity to come out.

11 Now I'm getting to the point of your
12 time, that's why you here. Unlike the Council,
13 you don't have to make an appointment, you just
14 need to show up, and we have that type of dialog,
15 interaction.

16 You have two minutes. I just ask that
17 you be respectful because we are respectful for
18 you to give you the opportunity.

19 I don't know -- is Mr. Brown here?
20 Okay, we got it covered though. So we're
21 somewhat liberal, but we want to keep it in the
22 framework of the time allotted, so -- and I
23 assume that Pastor Warfield is on his way.

24 SECRETARY ANTHONY: Yes.

25 MS. BROGETTE: Good evening. My name

1 is Theo Brogette, I'm vice-president of --
2 Neighborhood Association. I was at the last
3 community meeting that was held at Sacred Heart
4 and I asked the question what is the ethnic
5 breakdown of the three classes that have been
6 graduated now of officers into the Detroit Police
7 Department.

8 Secondly, before you answer that, it's
9 interesting to me that the statement keeps coming
10 out well, you will only be suspended from your
11 powers for one year. The real question is why
12 were the powers taken in the first place. Nobody
13 seems to want to talk about that.

14 COMMISSIONER BELL: I can say this,
15 that we know the answer but the public are now
16 pursuing that answer and hopefully they get an
17 answer then we get clarity on that. The
18 coalition raised that question, the minister
19 raised that question, citizen raised that
20 question.

21 We cannot speak for the Mayor, we
22 cannot speak for the Council, but we was told
23 that Mr. Orr, the emergency manager, has the
24 authority by state law, but nevertheless we will
25 hopefully have more engaging dialog with the

1 Mayor and Council that -- we went before the
2 Council and they indicated that their hands were
3 tied, but they have the opportunity in one year
4 to address it.

5 And if you look at our newsletter,
6 we're looking at every avenue even come down to
7 legal avenue, we want a legal opinion from the
8 corporation counsel because he represents the
9 charter, he represents the elected officers in
10 the city of Detroit, so we're looking for that
11 response and then we can take it from there.

12 The first part of your question would
13 be -- perhaps DC Hall can respond to the
14 composition of the last three classes that have
15 graduated. I don't know.

16 I think we failed to get those numbers,
17 but perhaps in the future we will.

18 DEPUTY CHIEF HALL: Please pardon me, I
19 was not here for the previous Board meeting and I
20 was not aware that that information had been
21 requested, so I will ensure that the Board gets
22 that information at least by tomorrow you should
23 have the breakdown.

24 But I do want to let the community know
25 the Detroit Police Department is not in the

1 process of hiring colored officers or Caucasian
2 officers. We hire the best qualified candidates
3 for the job. We're looking for a world class
4 police department, we want world class officers
5 and that's how we hire.

6 So I'll get that information for you as
7 quickly as I can.

8 COMMISSIONER BELL: And we can respond
9 perhaps by e-mail as soon as we get it to you if
10 you have your e-mail address and we definitely
11 will report out at the next meeting and I
12 apologize for not doing a follow-up on that. I
13 recall that question.

14 MS. BROGETTE: I appreciate that.

15 COMMISSIONER CRAWFORD: Through the
16 chair, Ms. Brogette, you referenced something
17 about power. Those who take power take power
18 because they want power. The only way to get
19 power back is to take power back.

20 So as long as we're in -- you know, the
21 Detroit Police Department has a -- they're on a
22 mission and they have the statement that says
23 they want to restore order. Well, we want to
24 restore power to the commission, and while I'm
25 sitting here I guarantee you one day -- and I'm

1 not talking about waiting a year for somebody to
2 vote it back. You know, I received votes from
3 the citizens within my district, that's why I'm
4 sitting here.

5 MS. BROGETTE: And I'm supportive of
6 the Police Commission.

7 COMMISSIONER CRAWFORD: No power, no
8 peace.

9 MS. BROGETTE: Does anybody know if
10 there are any black police officers on the
11 Livonia Police Department?

12 COMMISSIONER BELL: I have no idea,
13 ma'am.

14 MS. BROGETTE: Okay. Last question,
15 who are the appointees on the Police Commission
16 besides Conrad Mallett and Edgar Vann?

17 COMMISSIONER BELL: Commissioner
18 Taylor, Commissioner Vann, Commissioner White and
19 Conrad Mallett are the newly appointed two just
20 recently and the two you're familiar with,
21 Commissioner White and Taylor, their term does
22 not expire until next year, June of next year.

23 But basically we happy to receive the
24 two that we have, but basically we all in accord
25 that we're all charter mandated and we're

1 obligated to the Charter.

2 Whether you're elected or appointed,
3 we're all on the -- should be on the same page.
4 We got a mandate because we raised our right
5 hands and take that charter, so that's as simple
6 as that. Thank you and we will do a follow-up
7 with you.

8 MS. BORGETTE: All right.

9 COMMISSIONER BELL: Yes, ma'am.

10 MS. WELLS: Good evening. My name is
11 Tonya Wells. On December 10, 2 days ago, at 3:30
12 PM I was in a policing situation in the city of
13 Detroit. I had a drunk patron in the back seat
14 of my car -- I'm a cab driver.

15 He began to be belligerent and
16 disorderly and he was calling me epithet names.
17 I wanted him out of my car.

18 I drove from West Grand Boulevard and
19 Woodward to Linwood and Joy Road and in the
20 process I called the 10th Precinct to let them
21 know that I was on my way with a policing
22 scenario.

23 I was stopped by two white male
24 officers in a marked car. White Male Officer
25 Number 1 who was the driver brandished his

1 weapon, he put his hand on his gun, he took his
2 gun out of the holster, he pointed it down, he
3 walked up to my window and pointed this gun at
4 me. He pointed his gun at me.

5 He said, "Roll your window down." He
6 wasn't as calm as I am right now. "Roll your
7 window down, cut the engine off. Why did you run
8 the red light?"

9 I was made to say that I ran a red
10 light. I was pointed at with a gun. It's hard
11 being black, beautiful and intelligent in this
12 country right now, but I won't have it. I want
13 this officer suspended, looked at. The whole
14 situation was wrong.

15 COMMISSIONER BELL: Ms. Wells, can I
16 pause at this particular time? Do you care to
17 formulate a citizen complaint because --

18 MS. WELL: Oh, I'm sorry. I didn't get
19 to that part. I did do that.

20 COMMISSIONER BELL: You initiated it
21 already?

22 MS. WELLS: Yes, I did.

23 COMMISSIONER BELL: So we don't need to
24 talk to you at this time. You have formulated
25 the complaint. The Chief Investigator will look

1 into it and initiate the process.

2 MS. WELL: The problem with that, sir,
3 is that the Office of the Chief Investigator
4 called me today and the particulars of what I'm
5 concerned with were not discussed.

6 I'm here to tell you that, again, a
7 white male officer pointed his gun at me. That
8 is unacceptable.

9 COMMISSIONER BELL: Yes, ma'am.

10 MS. WELLS: You can only use deadly
11 force when there is a felony in process. There
12 was no felony in process. I was not a danger to
13 the community. In fact, I had a man in the back
14 seat of my car that was not addressed for almost
15 about 20 minutes.

16 COMMISSIONER BELL: Ms. Wells, can I
17 just interject this? If you filed a complaint,
18 the Chief Investigator will assign an
19 investigator to your case. If you want to talk
20 to Supervising Investigator Nelson at the end of
21 this meeting you can initiate that, but that is
22 the process.

23 I think you are familiar with that.
24 Give us the opportunity to respond and we hear
25 you loud and clear. Thank you.

1 MS. WELLS: I was just saying that --

2 COMMISSIONER BELL: Yes, ma'am, we
3 understand.

4 MS. WELLS: We got our own Fergusons
5 here in the city of Detroit.

6 COMMISSIONER BELL: We understand,
7 thank you for bringing this to our attention.

8 Yes, sir.

9 MR. WOODS: Good evening, everyone.
10 Thank you for your time. I just more so have a
11 comment. Oh, my name is Jerome Woods and I'll
12 try to keep it under two minutes.

13 COMMISSIONER BELL: Yes, sir, thank
14 you, we appreciate it.

15 MR. WOODS: Actually I was born and
16 raised in St. Louis, Missouri. I've been in
17 Detroit for a little over four years now and my
18 mom, she actually stays in Ferguson, she stays
19 right down the street from where Mike Brown was
20 murdered.

21 My comment is that, you know, I try to
22 treat everybody the same. I know citizens are
23 people, I know police officers are people and I
24 just try to treat people the same. But when I
25 see the Mike Brown incident or the other incident

1 and like they weren't indicted, especially in the
2 Eric Gardner case where they weren't supposed to
3 use the choke hold, but he used it and they still
4 didn't indict him and it was clear that they
5 couldn't use a choke hold, but he did it anyway.

6 So I guess my comment is I just wanted
7 to come and say something and stand up and just
8 to say I'm not going to stand for it and I think
9 that it's like they're saying that the police
10 officers can pretty much do what they want to
11 people. You can kill a person if you need to --
12 you know, if you want to and you won't be held
13 accountable for it.

14 So like I say, I try to treat everybody
15 the same, try to treat people good, police
16 officers, citizens, whatever, but that's pretty
17 much it.

18 I just wanted to say something and
19 stand up against these killings that the police
20 officers are just being told they can do it.

21 COMMISSIONER BELL: We have to say
22 thank you, your time is up and we appreciate your
23 remarks and your opinion and stand strong and
24 hopefully -- we are in the process, not just
25 locally, but it's a national effort to address

1 these concerns. So thank you, sir.

2 MR. WOODS: Okay.

3 COMMISSIONER CRAWFORD: Excuse me.

4 Through the Chair, Mr. Woods, I understand what
5 you're saying and I concur, agree with you. I
6 also want to say that there is -- this talk of
7 more training, police officers need more
8 training, sensitivity training, all this talk of
9 Tasers this, there's talk of body cams, you know.

10 What we need is some indictments. We
11 need some indictments, we need some prosecution,
12 we need some people to be tried by a jury and we
13 need some people to go to prison, it's just that
14 simple.

15 I'm an advocate of body cameras, I
16 think every police officer ought to have on a
17 body cam, but what good is it when what occurred
18 in New York Eric Gardner when everybody for the
19 world to see, that was on video and you still
20 didn't get an indictment.

21 So thank you.

22 MR. WOODS: Thank you, Mr. Crawford.

23 COMMISSIONER BELL: Yes, ma'am.

24 MS. HARDING: Good evening. My name is
25 Barb Harding and my area is Grand River -

1 Greenfield and I want to say this because I
2 really don't understand it.

3 The gentleman spoke about the subject
4 community people helping them in the precinct and
5 blah, blah, blah. My thing is this.

6 Back 20 some years there was a mini
7 station right here on Grand River and Grand River
8 there and Foyer. I was one of the community
9 people that volunteered and helped the police
10 officers back then.

11 And I'm wondering what's the deal with
12 this. You was going to open up some of those
13 mini stations that was back then which we still
14 have the building, the community, and one of the
15 reasons we fought to get that building is we
16 thought at some point it would go back and the
17 police would come back in the community.

18 And the citizens did help, but it was
19 Mini 2 which I didn't understand that because
20 I've been to the 6th Precinct, but it was people
21 from the 6th Precinct, the 2nd Precinct, 8th
22 Precinct. We're all transported back and forth
23 and volunteered to help the City and the police.

24 Now, what's the deal with this? We
25 couldn't even get anybody to help us rehab the

1 building. We were up there and they were good,
2 so that's enough to that. That needs to be
3 addressed because they pretend they was going to
4 open up some of them mini stations. Which ones
5 was it, they friends or somebody they knew?

6 COMMISSIONER BELL: Ma'am, could I say
7 this?

8 MS. HARDING: That's what I want to
9 know.

10 COMMISSIONER BELL: I'm going to ask --

11 MS. HARDING: We worked for nothing, we
12 didn't mind doing it again.

13 COMMISSIONER BELL: Ma'am, I'm going to
14 get Deputy Chief Hall to explain the neighborhood
15 police officer. I worked at a mini station and
16 -- but the program we have now is much more
17 effective than the program we had in mini
18 stations and I know that personally as a police
19 officer supervisor.

20 What we have now is like -- it's a
21 giant leap. The mini station was not that
22 effective. In most cases it was closed, but I'm
23 not going to elaborate any further because I
24 understand what you're saying.

25 I'll have the Deputy Chief to explain

1 the concept of what they have in place now.

2 Would you give her the opportunity?

3 MS. HARDING: Yeah, sure. I want to
4 know what was not effective about it because I
5 was up there.

6 COMMISSIONER BELL: Okay, but I'm just
7 going to pause, I'm not going to get into it but
8 let Deputy Chief Hall explain it.

9 DEPUTY CHIEF HALL: Good evening,
10 ma'am. The first thing that I want to say is
11 about the neighborhood police officers. Each
12 precinct has a group of neighborhood police
13 officers that are responsible for a specific
14 area.

15 That officer has an intimate knowledge
16 of exactly the quality of life issues, crime or
17 whatever that's taking place in those areas. So
18 you actually have an officer committed to a
19 certain area of your neighborhood and that has
20 proven to be much more effective because these
21 individuals are coupled with the Mayor's
22 neighborhood organization as well, so we're able
23 to identify issues in a respective area, work
24 with the Mayor's office to get -- whether it's
25 lighting, whether it's debris, graffiti, whatever

1 it is and get those issues rectified very
2 quickly.

3 As we go back to mini stations I just
4 want to caution everybody, we had mini stations
5 when we had 4,000 police officers and we had
6 officers that we could deploy for patrol and that
7 we could do investigations and we could also do
8 mini stations.

9 Our current manpower is only that of
10 about 2,300, so what we're doing is we're doing
11 everything that we were doing with 4,000 police
12 officers with 2,300. So what we've tried to do
13 is to make our services more effective.

14 And as the Commissioner said, what we
15 found when we did an assessment, we did an
16 analysis, we found that most citizens rarely ever
17 used the mini stations. When we talk about how
18 many reports that actually came into the area --

19 MS. HARDING: That's not true.

20 DEPUTY CHIEF HALL: Now, maybe your
21 respective area had more than the next, but when
22 we look at it as a whole, people were still
23 coming to the precinct and we needed those
24 officers to be deployed for patrol.

25 So that's why we went to a neighborhood

1 police officer scenario or that's what we decided
2 to do. The Chief came up with that idea. Of
3 course, he had the experience from several
4 different agencies and it's very effective, so
5 we're going to continue with what we have.

6 We can do an assessment of your area to
7 see if there is a way that maybe we can have a
8 work station from some location, but what has to
9 happen is there has to be a police officer in
10 there with a citizen. So the problem is our
11 police officers are very limited.

12 MS. HARDING: I know.

13 DEPUTY CHIEF HALL: So that's why we
14 are where we are today, and we're just asking
15 that you give our neighborhood police officers an
16 opportunity. They've been doing a wonderful job.
17 Most people who've come in contact with them and
18 all the successes they've had in the respective
19 areas, they're saying they're doing a great job
20 and we're seeing the successes.

21 MS. HARDING: I'll agree, they are
22 doing a great job, but the police officers would
23 leave out of there, we manned the mini nation, we
24 took complaints, we wrote down whatever needed to
25 be -- they left there and went on patrol and

1 whatever they was doing. We kept it open.

2 COMMISSIONER BELL: Ma'am, could we --

3 MS. HARDING: I'm fine with that. I
4 just wanted to bring that up.

5 COMMISSIONER BELL: Thank you, we
6 appreciate that. You heard the Deputy Chief,
7 she's going to think about it; thank you.

8 COMMISSIONER MOORE: Through the
9 Chair, I have a question for the Deputy Chief.
10 So the mini stations were closed down because
11 they weren't effective according to your study or
12 was it because you didn't have enough officers?

13 DEPUTY CHIEF HALL: Well, they were --
14 we had to eliminate them because of the manpower
15 issues, but then when we did an assessment to see
16 are we eliminating something that we truly
17 needed, we realized that most of them weren't
18 being used in the way that we thought they were
19 going to be used.

20 So we came up with the more innovative
21 way to do our neighborhood policing.

22 COMMISSIONER CRAWFORD: Through the
23 Chair, historical fact here with the mini
24 stations because when I came on the job we worked
25 in and out of mini stations or just drop by even

1 if you're on patrol, the mini stations.

2 Deputy Chief Hall is absolutely
3 correct. She used a number of 4,000. It was
4 5,600 officers at its peak who were on the
5 Detroit Police Department, 5,600. So therefore
6 you had the officers to man those mini stations.

7 But I want to say this. There was the
8 Honorable Coleman A. Young who was the Mayor and
9 Chief Hart that implemented those mini stations
10 and we had people come in from around the world
11 to look at that model of the mini stations in the
12 city of Detroit.

13 And then as they closed the mini
14 stations, began to close them years ago, the
15 community or people who lived around those mini
16 stations and used those mini stations, that was
17 one of the hardest issues is when you close a
18 mini station because everybody -- even if they
19 weren't using it, they were just used to it just
20 being there.

21 But I do understand what you're talking
22 about. I understand the feeling of a mini
23 station because I utilized them too when we
24 worked patrol and it was over in the 7th
25 Precinct.

1 COMMISSIONER BELL: Yes, ma'am.

2 MS. McCANT: Good afternoon, Board.

3 My name is Yolanda McCant and I'm a community
4 person in the 11th and the 7th Precinct. I have
5 a couple of concerns.

6 One is my station which is the 7th and
7 11th does not have a permanent person any more
8 for maintenance. Now, I don't know about none of
9 the other districts or precincts that we went
10 back to. It is almost essential that we have a
11 maintenance person on a daily basis, not every
12 other day or every day just to come in and empty
13 the trash. We need the floor mopped, we need
14 some work did.

15 I don't know -- I understand that the
16 person that was -- I guess the officer or whoever
17 was assigned to that is now back out on patrol,
18 but whoever hired this company to come in, to me
19 they're not doing a good job in my house.

20 And I say my house, that's the 7th and
21 11th Precinct because we're both in the same
22 building, okay. And with the amount of traffic
23 from the officers, the citizens that come in and
24 out, I do have some concerns with that.

25 Now, the community do come in, we

1 sweep, we mop, we help paint, we do all of that.
2 But some of that we need some help on the City's
3 side of it.

4 The other thing is, I'm also a member
5 of the DPAA, the Police Citizen Academy. At one
6 point we asked that we would come in and do desk
7 work. It was told to us at that time that it was
8 a union issue. I understand union issues, but
9 then they went and hired some people to come in
10 and do the same job that we were trained to do.

11 So I don't have anything to do with
12 that, but I'm just saying you train us as
13 citizens to do certain things and then you like
14 slap us in the face or you take it away from us.

15 COMMISSIONER BELL: Can we pause and
16 allow the Deputy Chief Hall to respond to your
17 concern?

18 MS. McCANT: Yes, sir.

19 DEPUTY CHIEF HALL: Yes, ma'am. We do
20 have the union issues as it relates to our desk
21 operations, but as Comm. Bettison and myself
22 attended the DPAA Christmas party yesterday and
23 we informed you that we have identified several
24 jobs that we want you guys to fill because you
25 are the ones who's been to our communications,

1 you see how the runs come in, you've actually
2 participated in the ride-alongs, so you know the
3 actual day-to-day workings of the police
4 department and we have identified different areas
5 where we need you and your assistance.

6 So in the very near future we will be
7 reaching out to you for your assistance and to
8 assist the police department.

9 But the desk operations, it's
10 definitely a union issue and the individuals that
11 are hired are actually still part of a union.

12 MS. McCANT: What about maintenance?

13 COMMISSIONER BELL: And second part of
14 the question on maintenance?

15 DEPUTY CHIEF HALL: The maintenance
16 issue, that is a City of Detroit company that's
17 contracted in and I do hear you as it relates to
18 the cleanliness of the building.

19 We will ensure that that company is
20 held accountable for the cleanliness of those
21 buildings because that is what they're contracted
22 to do, so we'll definitely make sure that we're
23 following up with them to ensure the cleanliness
24 of the building.

25 But I also encourage you if you guys

1 want to volunteer to help us clean that building,
2 I'll be -- you do it on a Saturday because I
3 can't say I have any other time, but I will come
4 out with you to the 11th Precinct, 9th Precinct,
5 4th Precinct, anywhere, and clean up.

6 MS. McCANT: Okay.

7 COMMISSIONER BELL: Commissioner
8 Crawford?

9 COMMISSIONER CRAWFORD: Through the
10 Chair, Ms. McCant, you reside in my district and
11 after the meeting I'd like to talk to you about
12 the lack of cleanliness for the 11th Precinct.

13 MS. McCANT: Okay.

14 COMMISSIONER BELL: Thank you, ma'am.
15 Yes, sir?

16 MR. ANDRAESON: Good evening, Police
17 Commission. My name is Gus Andraeson, I'm a
18 community safety coordinator in the southwest
19 area of Detroit. I just wanted to report on some
20 things a couple of citizens have reported to me
21 that is very difficult for them to report crimes.

22 The 9-1-1 number is obviously used for
23 crimes in progress or crimes of a violent nature.
24 These are crimes that are, you know, thefts,
25 break-ins of a car. A store owner, for example,

1 had a couple of guys walk into his store, grab a
2 case of beer, run out without paying, get in a
3 car and go.

4 He called 9-1-1, 9-1-1 referred him to
5 the other number where you report crimes that
6 have already occurred. After about 15 minutes of
7 being on hold with this number his call was
8 dropped. He called the number back, he was on
9 hold for another 15 minutes because his call was
10 dropped again.

11 One of the biggest issues we face is
12 the people not being able to report crimes in an
13 easy way. This is a store owner who has to be at
14 work. He doesn't have time to wait on hold for
15 30 minutes. This could have been an isolated
16 incident, but there's other citizens in the
17 community who have also expressed how hard it is
18 to report crime, the crimes that have already
19 occurred, and I'm afraid that it's becoming so
20 hard that they are going to -- they're not going
21 to report crime at all and we're going to see
22 statistics that show that crime is going down
23 when really it's either going up or staying the
24 same.

25 So I wanted to know from my position is

1 there anything being done to address this, has
2 this come up in the past, if it has what is being
3 done.

4 COMMISSIONER BELL: I assume that
5 Deputy Chief Hall is ready to respond to your
6 concern.

7 MR. ANDRAESON: Okay, thank you.

8 DEPUTY CHIEF HALL: I'm very saddened
9 to hear that you're having those issues. TCRU is
10 our number that reports those crimes that are not
11 in process at this particular time. What I want
12 to do is refer you to Comm. Bettison because what
13 we're going to do is we'll look at our TCRU and
14 Capt. Chambers is the 4th Precinct Captain.

15 I just want you to get with him, let
16 our NPOs know which area that you're having these
17 concerns where you're having issues with
18 reporting crimes.

19 Because the one thing is reporting
20 crime after it happens, another thing is
21 preventing, so if we can find out what areas that
22 you're in, what crimes are taking place and
23 figure out a way to prevent those crimes from
24 happening, then we won't have to report crime,
25 but we do need to as Detroit Police Department

1 figure out what the issue is as it relates to
2 calling in and being put on hold.

3 So they will address both those issues
4 with you.

5 MR. ANDRAESON: Okay, thank you.

6 COMMISSIONER BELL: Thank you, sir.

7 Yes, ma'am.

8 MS. SHAROBI: Hi, everyone. My name is
9 Kim Sharobi and I want to go in record saying
10 that I really believe that we need to put less
11 emphasis on policing and more emphasis on safety.

12 Policing is hierarchical and safety has
13 to do with emotional safety as well as physical
14 safely.

15 I know the police officers as well as
16 the residents, that's what we have in common, we
17 all want to be safe and I cannot think of a
18 better way to be safe than to have good
19 relationships, to really build relationships, to
20 be preventative measures and to focus in on that,
21 because policing is quite different.

22 So I really want to leave everybody in
23 the room, not just the Commission, but to really
24 think about the concept of safety.

25 I know in the past, I know some people

1 have had issues with peace zones. I've talked to
2 Ron about it, but I think that there's a lot of
3 potential in that and I want you all to consider
4 even the peace zone concept. I think, Mr. White,
5 you said that the coalition or the community was
6 invited to that to talk about that next week?

7 COMMISSIONER WHITE: Yes.

8 MS. SHAROBI: And so -- but to look at
9 whatever concepts we can because we're not going
10 very far and a lot of people are dying. I don't
11 know, I just want to tell you one real quick
12 story and I think my two minutes will be up, but
13 I was at the event that was held last -- that Ron
14 had and a parent who was a social worker said
15 that her young son is having nightmares now
16 because he was seeing the Eric Gardner film shown
17 over and over again; he couldn't sleep.

18 And he woke up, I said, "What's wrong?"
19 He said, "I'm going to die." So our kids are --
20 they're not just kids, but everybody now is
21 feeling -- I mean, so many people are feeling
22 unsafe, so I just want to again encourage all of
23 us to think about safety versus policing. It's
24 quite different, it's two different concepts.

25 COMMISSIONER BELL: Thank you, ma'am.

1 Yes, ma'am.

2 MS. HINES: My name is Theresa Hines
3 and I have a question. Do the police run the
4 Transit Center?

5 COMMISSIONER BELL: That's your
6 question?

7 MS. HINES: Yes, that's the question.
8 The police department, is that a part of the
9 Transit Center.

10 COMMISSIONER BELL: Deputy Chief Hall
11 probably would respond to that question.

12 DEPUTY CHIEF HALL: The Transit Center
13 has their own police department, they are
14 separate from the Detroit Police Department. We
15 work in conjunction with them to provide support
16 if they need it, but they have their own police
17 department.

18 MS. HINES: Okay because I was
19 wondering why the Transit Center looks so bad on
20 a regular basis, and when you go to the Transit
21 Center, the board that they have up to show
22 scheduling for the buses, it never works. Trash
23 is everywhere. The bathrooms are okay, but you
24 know, when you walk in it's like those police
25 officers, they just sitting there.

1 They just bunched up in the little
2 office, the little information booth and they
3 just sitting there. Is that what part of the
4 protection part is supposed to be?

5 DEPUTY CHIEF HALL: I'm sure that is
6 not what their responsibilities are, but I will
7 do, even though that's not up under my purview, I
8 will reach out to their Deputy Chief who is
9 actually a former Detroit Police commander, so
10 I'll reach out to him and address your concerns
11 and hopefully within the next few days or so
12 we'll see some improvement.

13 MS. HINES: Okay, thank you.

14 COMMISSIONER CRAWFORD: Excuse me,
15 through the Chair and I will also call Sid Bogen
16 who is the Chief of the Transit Police, I just
17 want to say --

18 MS. HINES: They ride around in they
19 cars and harass the teenagers. One night I was
20 there and a boy was playing with a couple of
21 girls, you know like teenagers do --

22 COMMISSIONER CRAWFORD: Ma'am --

23 MS. HINES: And they handcuffed him.

24 COMMISSIONER BELL: Could you pause
25 and let the Commissioner speak?

1 COMMISSIONER CRAWFORD: Unfortunately
2 there's been a lot of issues with the Transit
3 Center and it's really despicable because it's
4 named the Rosa Parks Transit Center and in 1954
5 she refused to give up her seat on the bus, so
6 that should be ground zero. Like the Rosa Parks
7 Transit Center, it should be clean, it should be
8 safe and it should be ground zero.

9 It's just like the Detroit Police
10 Department went into the -- was it Martin Luther
11 King Homes a number of times. I consider that
12 ground zero also.

13 Those are places that -- just for the
14 namesake, we ought to keep it clean and make sure
15 the people are safe and that people can come
16 there and sit and wait on the next bus or
17 whatever, but I will make a phone call too
18 because that -- I mean. It's been issues
19 historically down there in terms of how it's kept
20 and also issues pertaining to crime that was
21 going on down there. Yes, ma'am.

22 MS. HINES: Yes.

23 COMMISSIONER BELL: Thank you, ma'am.
24 Yes, ma'am.

25 MS. NORRIS: Once again, I'm Kelly

1 Norris here again because I still can't get any
2 reasonable answers to my brother's murder.

3 I tried to contact you, Ms. Hall. I
4 haven't received a call back. Mr. Ron Scott has
5 helped our family in regarding the police trying
6 to burn evidence. When my bother was first
7 murdered Mr. Scott found out that the officers
8 were trying to burn his clothing.

9 He contacted Commander Bettison who
10 instructed the officers not to do that. Right
11 now my brother's clothes cannot be found. That's
12 important because that said my brother tried to
13 shoot the bar owner and also burned the building
14 down.

15 The evidence inside of the FOIA says
16 that my brother's prints were not on the gun.
17 The witness that shot my brother, his statement
18 was he didn't see my brother with a gun, that he
19 heard some shots and he just was scared when he
20 seen my brother running.

21 When people are at a bar and they hear
22 shots, they run. My brother and the bar owner
23 never knew each other. After three years I
24 finally got Deputy Chief Levalley to reopen the
25 case. Captain Decker refused to reopen the case

1 numerous of times that I contacted him.

2 Deputy Chief Levalley said that there
3 were too many discrepancies in the case. He had
4 a problem with the shooter saying that when he
5 got finished shooting my brother, he went back in
6 the building and finished counting money. There
7 was no aggressive questioning in these witnesses
8 or the shooter.

9 COMMISSIONER BELL: Ma'am, this is an
10 ongoing homicide investigation.

11 MS. NORRIS: It's not any more.

12 COMMISSIONER BELL: Well, I think you
13 want to communicate to the Deputy Chief. It's a
14 homicide investigation, is that correct?

15 MS. NORRIS: It's closed.

16 COMMISSIONER BELL: Well, you
17 communicated with Deputy Chief Levalley and you
18 also talked to Deputy Chief Hall in reference to
19 that. It's something that we cannot engage in if
20 it's an ongoing homicide investigation. No case
21 is really closed until -- I'll let you expound on
22 that.

23 DEPUTY CHIEF HALL: Basically you have
24 spoken to Deputy Chief Levalley and it is to my
25 understanding -- I have not received any call

1 from you, so I apologize, I'm not aware of you
2 actually calling.

3 MS. NORRIS: I can show you my phone
4 where I've called your office, I spoke with your
5 secretary. I applauded you for being a black
6 female Deputy Chief here in the city of Detroit.
7 I seen you on the news and I was very impressed
8 on how you spoke and how you handled yourself in
9 the media. That's why I reached out to you.

10 DEPUTY CHIEF HALL: But I have not
11 received a message from you, so I apologize if
12 that's my staff.

13 MS. NORRIS: That's the way the City
14 works. When you call people, they don't get the
15 message.

16 COMMISSIONER BELL: Ma'am, ma'am --

17 DEPUTY CHIEF HALL: But I do want to
18 let you know that it is to my understanding that
19 Deputy Chief Levalley has basically opened this
20 case and looked at it ad nauseam and that the
21 answers that you have been given are the only
22 answers that are available.

23 We can definitely talk if you leave me
24 -- we can talk tonight or you're welcome to come
25 by my office.

1 MS. NORRIS: How do you know that
2 Deputy Levalley --

3 DEPUTY CHIEF HALL: Because I've been
4 here at the board meetings when he's spoken about
5 it.

6 MS. NORRIS: I understand. The other
7 thing I wanted to say about the Commission Board
8 is that when I came to you and I brought the case
9 before you, I have the FOIA, I have the flat out
10 police report, that fabrication of evidence and
11 intentional lies that the police officers told
12 and you guys turned me down.

13 COMMISSIONER BELL: Ma'am, can I
14 interrupt you? We're going to have to end the
15 discussion. I explained to you, we do not handle
16 or process ongoing criminality. It's a homicide.
17 We have no authority.

18 The Deputy Chief already responded. If
19 you want to talk with her after, you can
20 entertain that, but we have to cut off the
21 discussion. Thank you.

22 MS. NORRIS: When I made a complaint
23 with you guys, that was -- it was an ongoing
24 discussion. It was an ongoing investigation when
25 I made a complaint.

1 COMMISSIONER BELL: Why don't you meet
2 with our Supervising Investigator right there and
3 we can talk about it.

4 MS. NORRIS: And that's what I'm trying
5 to tell you. I've met with Investigator McConico
6 for two hours. They refused to reopen the
7 investigation and they wouldn't even let her look
8 at the file. Now, why couldn't she look at the
9 file? The police sabotaged my brother's case.

10 COMMISSIONER BELL: Ma'am, thank you.

11 Yes, sir.

12 MR. YOUNG: Good evening, Board. My
13 name is Daniel Young and I represent the
14 Metropolitan Cab Association. I have a couple of
15 questions.

16 First question I have is why are the
17 cabs, city cabs, getting tickets the way they
18 getting tickets? They're getting -- not a civil
19 infraction ticket, but misdemeanor tickets which
20 are civil infraction. And my other complaint is
21 why are the police talking to us like we are
22 kids? They're talking to grown men like we are
23 kids.

24 That's the questions I have for you to
25 address.

1 COMMISSIONER BELL: Deputy Chief Hall,
2 would you respond, please?

3 DEPUTY CHIEF HALL: Your first question
4 is why are the --

5 MR. YOUNG: In the downtown area why
6 are the cabs getting tickets the way they're
7 getting tickets?

8 DEPUTY CHIEF HALL: I'm not -- well,
9 we've visited this through City Council and cab
10 drivers, we've been instructed not to issue
11 tickets for certain offenses, but cab drivers are
12 not exempt from receiving tickets at all.

13 If you commit a crime, some civil
14 infraction, you will be ticketed. If there are
15 certain -- is Capt. Petty still here? Capt.
16 Petty, can you come to the podium?

17 Cab drivers for the city of Detroit,
18 there are certain areas where we have not
19 solidified certain areas of your responsibility
20 so those areas, officers are not able to ticket
21 you, but they are able to ticket you in other
22 areas and that's why you're receiving tickets.

23 To talk about how -- why officers are
24 speaking to you like you're children, I would
25 need to know which officers you're speaking of.

1 It is my understanding, it is my
2 mandate as a Deputy Chief of Police that we
3 respect all citizens so I have no idea who you've
4 come in contact with, but if you can tell me that
5 officer's name I will ensure that that officer
6 never speaks to you in that manner again.

7 MR. YOUNG: An officer down at Atwater,
8 there's a guy called Cranston --

9 COMMISSIONER BELL: Why don't we do
10 this.

11 DEPUTY CHIEF HALL: Let Capt. Petty --
12 can Capt. Petty speak.

13 COMMISSIONER BELL: Let the captain
14 respond. If you have a specific complaint
15 against a police officer, you can see our
16 supervisor Nelson over here to my left and he can
17 entertain that after the meeting, okay.

18 So I'll let the captain respond and we
19 have met extensively in reference to this issue
20 with Council and also the Chief had a meeting
21 with the Cab Drivers Association. I don't know
22 if you was involved with that, but Captain, go
23 ahead.

24 CAPT. PETTY: Yeah, through the Chair.
25 We met with the Mayor's office and we had a

1 mandated moratorium to reduce two infractions on
2 the cabs and that was the trip sheets where they
3 weren't putting addresses down. They still had
4 to have a proper trip sheet, but they didn't have
5 to write the addresses and we relaxed the
6 standing zones because with all the buildings
7 coming up, they don't have the proper areas to
8 handle that.

9 Now, Cranston works for me, so I'll
10 deal with that sidebar with him and find out
11 what's going on. But we've been working with the
12 cabs and meeting with City Council and I've been
13 meeting with the Chief and the DC almost monthly
14 to try to fix, because what has happened is in
15 the downtown area there hasn't been any
16 enforcement for years, pretty much my whole
17 career.

18 Now, you have a Traffic Enforcement
19 Unit, so now it seems like they're being picked
20 on and they're just every day doing it, so I talk
21 to my guys every day and I say if they're doing
22 something wrong, deal with it. They don't have
23 like a free-for-all to just go through the city,
24 but those two things and if it's something that
25 needs discretion, I talk to the association on a

1 regular basis, so it's still a work in progress,
2 but we're working on it.

3 COMMISSIONER BELL: Thank you, sir.

4 COMMISSIONER CRAWFORD: Through the
5 Chair, also Capt. Petty I attended some of those
6 -- with you -- some of those forums pertaining
7 with the cab drivers. Ron Scott was also there,
8 Coalition Against Police Brutality, and the Chief
9 of course.

10 And there was an administrative message
11 that was issued a few months back, I recall
12 reading it, pertaining to the ticketing and also
13 too there was a discussion at the forums about
14 the cab -- what is it -- cab taxi stands
15 downtown, that they were limited and that you
16 were going to move them I guess to different
17 areas as the construction proceeded to take some
18 of these -- downtown construction proceeded to
19 take up some of these taxi stands.

20 CAPT. PETTY: Correct, and we're doing
21 an assessment now and each event is different, so
22 depending on if it's hockey which it's hockey
23 season, then we're giving them alternative areas
24 where they can park and I've given my guys
25 instructions if they're in a bad spot, ask them

1 to move as opposed to writing them tickets.

2 So I mean I'm still getting a few
3 incidents, but I'll talk to this gentleman out
4 here and I'll square that away.

5 COMMISSIONER BELL: There's been a
6 formal process. I don't know if this young man
7 is involved with that, but hopefully there is an
8 entity that represents you that we've been
9 engaging for quite some time now, so hopefully
10 you'll take advantage of that, but the captain
11 will speak to you afterwards.

12 Thank you, sir, for bringing this to
13 our attention.

14 MS. HINES: My name is Sandra Hines
15 and the statement I would like to make is that
16 Chief Craig indicated on the news this past week
17 that he was going to be issuing Tasers or that
18 there was some concern about whether or not the
19 Detroit Police Department should carry Tasers.

20 I just wanted to make sure that the
21 Commission understands that there is a large
22 majority of people in the community that is not
23 in favor of that particular -- in other words,
24 for him to -- procedure, whatever it is, weapons.

25 If another weapon -- we view this as

1 another weapon. It goes back to what Ms. Kim
2 Sharobi was saying in terms of the difference
3 between policing and the difference between
4 safety. We view that as another weapon that will
5 hurt a lot of people who may be Tased for
6 something that's really not major, but because
7 they trying to get the person in control instead
8 of them using their training that they receive
9 from the academy of how you talk people down and
10 de-escalate and how you treat -- and like my
11 sister was talking about in the cab driver in
12 terms of being friendly, you know, it's more
13 hostility.

14 It's more hostility towards the
15 community. It's another way to just kill people
16 and to say that you get zapped that you might not
17 die, who's willing to take that chance. Who
18 wants to be electrocuted, even if it ain't
19 nothing but for one second.

20 I saw them when we stopped it when they
21 tried to implement Tasers back in '11, 2011, and
22 we stopped it and we protested and we shot them
23 down. Here they coming back with it again.

24 I saw the police -- the Commissioner,
25 the Police Commissioner get zapped and fall down

1 and moan and scream. I was there when they just
2 said -- shook and had a seizure, and so we're
3 saying that just -- we don't want them to think
4 that it's a large number of people out there
5 supporting that we implement Tasers.

6 We want to see like Kim said and all
7 the other people that came up anything you guys
8 said in terms of the coalition. We want to see
9 that happen as opposed to him implement Tasers.
10 We're going to fight that. I just want you to
11 know, he's up against a major fight if he does
12 that.

13 COMMISSIONER BELL: Okay, ma'am. It's
14 been duly noted. It's not before this body at
15 this time, but this Commission, this Board has
16 addressed that in the past and I'm pretty sure
17 that we'll have an opportunity in the future if
18 that's going to come about in some form, we will
19 have dialog and discussion on that issue, and
20 thank you for standing your ground in terms of
21 stating how you feel about it.

22 I'm pretty sure others have too, but
23 it's not before us at this time, but I can't
24 respond to what the Chief has said in public, but
25 we are aware. It's been duly noted, we recorded

1 that.

2 Yes, ma'am.

3 MS. PANNELL: Good evening, Sharon
4 Pannell, 2nd Precinct volunteer and I wear
5 several hats. I'm an AT&T retiree. I'm going to
6 piggyback on that lady's safety. I was over at
7 Enjoy Again on West Eight Mile and Telegraph.

8 We wasn't in there for five minutes
9 before my friend's brand new Chrysler got broke
10 into. We like to patronize all the businesses in
11 Detroit. We want to give back and go around and
12 enjoy our meal and we want to enjoy it in safety.
13 We don't want to be afraid.

14 I had two girls jump up and run because
15 the girl's car got broke into. We shouldn't have
16 to live in fear like that, especially at 2
17 o'clock in the afternoon.

18 COMMISSIONER BELL: Yes, ma'am, I
19 understand.

20 MS. PANNELL: I've already addressed
21 the captain. I just wanted to be on record.

22 COMMISSIONER BELL: Thank you.

23 MS. PANNELL: And Deputy Hall said she
24 was going to speak on it.

25 COMMISSIONER BELL: Deputy Chief Hall,

1 you want to speak on it?

2 DEPUTY CHIEF HALL: We talked about it
3 yesterday, you brought it up to me and we are on
4 top of it as we speak.

5 MS. PANNELL: Thank you very much
6 because we like to patronize not only the black
7 people in Detroit, we got Detroit period.

8 DEPUTY CHIEF HALL: Absolutely.

9 MS. PANNELL: And we want to be safe
10 because we're all over 60.

11 DEPUTY CHIEF HALL: Yes, ma'am.

12 MS. PANNELL: Okay, thank you very much
13 and merry Christmas.

14 MR. SCOTT. I can't outdo Mr. Pannell.
15 Commissioners and Commissioner Vann and new
16 commissioners, thank you.

17 I just wanted to say that I believe
18 that this point in history represents an
19 opportunity for we as people in this city to come
20 together and to avoid some of the things that
21 created this Commission.

22 Ferguson is where Detroit was in 1967
23 or 1971 or '72. Ferguson is where you had STRESS
24 officers shooting individuals from another
25 department. We come this long road where we

1 started in 1996. We've had 10 years of Consent
2 Decree and I might add we have two more years to
3 have oversight to look at that.

4 So I would suggest to the Commission
5 that since we have two years to evaluate what's
6 going on that we have Barbara McQuade come in and
7 that we ask Eric Holder to instruct her if she
8 won't come in to address how the Police
9 Commission's powers and the trust that people
10 have in it in terms of adjudicating as an
11 administrative law function ascertaining their
12 rights under the Constitution, U.S. Constitution,
13 not only the Charter, how that would compromise
14 the retreat or the removal of the Consent Decree.

15 She has been silent on it. She has not
16 said a word about it and that relates directly
17 to the civil rights component of the U.S. Justice
18 Department.

19 As we know, Mr. Holder has spoke very
20 strongly recently and he needs to speak strongly
21 about these kinds of things because this body has
22 been asked by other oversight bodies around the
23 country to give your insight in relationship to
24 the oversight of the military.

25 Secondly, since we have a

1 representative of the Mayor's office here, I look
2 forward to ascertaining from the Mayor how is it
3 that as a Mayor you take the oath of office to
4 defend and protect the U.S. Constitution and the
5 13th Amendment in terms of citizenship rights,
6 the 14th amendment in terms of equal protection,
7 all of them fall under this body.

8 So I'm standing here and I would have
9 to say I'm not going to wait a year for this body
10 to have its power. These young people who've
11 stood out in the cold have shown us the way in
12 terms of some things that we may need to do.

13 I don't want to be disrespectful, but I
14 think any time my rights as a citizen, as a
15 voting citizen, have been abrogated by virtue of
16 saying I have to wait a year to have my rights,
17 then I'm willing to throw a left to get my
18 rights.

19 So I'm saying it's a Federal
20 Constitutional issue and I don't -- we can have
21 the meeting and I appreciate Donnell and what the
22 NAACP is doing and what we're doing and I'm
23 willing to talk when talking is reasonable.

24 But at this point, and you know,
25 Commissioner Bell, and thank you for giving me

1 the deference for a little extra time, you know
2 as well as I do when your office -- and you know
3 some things behind the scenes that you might not
4 want to say here -- when the disrespect of this
5 body, the utter disrespect of the citizens who
6 went out and voted for this matter is abrogated,
7 you ask me to wait, I'm going to say like the old
8 civil rights phrase, it's freedom now, I ain't
9 waiting for nothing.

10 COMMISSIONER BELL: Thank you,
11 Mr. Scott. As you well know, we are not waiting,
12 we are going to exercise every opportunity to
13 pursue this in so many different ways and that's
14 quite clear.

15 I think this Board was committed to
16 that task. I assume there's no other oral
17 communications from the audience.

18 Ma'am?

19 MS. HARDING: I just need to say
20 briefly, I need -- since the mini station wasn't
21 -- I'm going back to that.

22 COMMISSIONER BELL: Ma'am, I'm sorry,
23 you cannot go back to that.

24 MS. HARDING: Oh, no, just a minute,
25 please. I just needed some room so I can share

1 -- see, I'm a community person.

2 COMMISSIONER BELL: Ma'am, could I say
3 this? You're going to meet with the Deputy
4 Chief, yes, after the meeting and --

5 MS. HARDING: Okay.

6 COMMISSIONER BELL: And the captain of
7 the precinct and you can address your concerns
8 one-on-one and I'm pretty sure you're going to be
9 satisfied with that type of explanation.

10 MS. HARDING: Okay.

11 COMMISSIONER BELL: And thank you.
12 Once again, I want to apologize for being late.
13 I know the 2nd Precinct had a welcome format and
14 it's good to see all of you here.

15 If this is your first meeting, make
16 sure it's not your last. This Board of
17 Commissioners represents you, the people, and we
18 are duly charged to engage and hear your
19 concerns, address those concerns, so you do not
20 have to wait until a meeting, you can contact
21 this office, whether it be a formal complaint or
22 informal inquiry, either a Commissioner in your
23 district or our Board Secretary Mr. Anthony, we
24 are available for you, so it's almost like 24/7.

25 But I want to say on a closing note

1 majority 99.9 of the Detroit Police Department in
2 this city and in this state and in this country
3 is here to serve. We have some issues, but any
4 profession have issues, but the bottom line is I
5 think there's a movement to address those issues
6 and we are on board to address those issues to
7 make sure -- as you mentioned, your
8 recommendation, we take that under advisement.

9 If the Attorney General would be so
10 kind to come to this body, the Justice Department
11 is monitoring the city of Detroit DPD for the
12 next couple of years. Those issues are before
13 us.

14 We spent 11 years, we spent \$80,000 a
15 month for 11 years dealing with that, so we do
16 not want to walk away. We're not the same
17 department as we were in 2003, but this is 2014,
18 but we know the concern is on the people's mind.

19 And young people watching all that on
20 TV, tell that mom to turn the TV off. You do not
21 have to watch that type of engagement. There's
22 some educational activity that a young person
23 need not go to sleep having nightmares. Turn the
24 TV off. You should turn it off.

25 Sometimes so much negative, you should

1 not want to go to bed and have your kids watch
2 it. You should really monitor, so I'm going to
3 get off the soapbox and say Commissioner Warfield
4 did not make it tonight.

5 Perhaps in the future he will come out.
6 He's our past Board member and past Chair and I'm
7 happy to see Bishop Vann, Commissioner Vann, on
8 board.

9 I'm looking forward to Conrad Mallett
10 as being a Police Commissioner. We're looking
11 forward to representing you, so do not give up
12 hope. I just really feel as though that when all
13 this comes together, we're going to be better off
14 in terms of law enforcement, but we have to do
15 our part because life matters, black, white, red
16 or yellow, life matters.

17 We're losing too many people in this
18 city and in this country as you well know. You
19 look at the homicide rates and I attended a forum
20 under Rev. Bullock in terms of it matters, so we
21 just cannot get on the soapbox, we have to do our
22 part.

23 Protesting is good, but you need an
24 organized effort to change things, so as
25 Commissioner White said, get involved. Do not be

1 that spectator that's on the side just running
2 your lips.

3 So I just want to encourage you and
4 that's why you're here. You are the leaders of
5 this community, that's why you're here, so thank
6 you for coming out and our next meeting is next
7 week 3 o'clock.

8 And once again, have a safe holiday and
9 have a safe -- we have to -- I cannot leave until
10 we have a motion to adjourn.

11 COMMISSIONERS TAYLOR: So moved.

12 COMMISSIONER MOORE: Second.

13 COMMISSIONER BELL: It's been properly
14 moved and second. Ready for the question?

15 COMMISSIONERS: Aye.

16 COMMISSIONER BELL: Those opposed? The
17 motion passes. We stand adjourned.
