2 December 4, 2014

3 About 3:02 p.m.

4 CHAIRPERSON BELL: Good afternoon. Welcome
5 to the weekly meeting of the Board of Police
6 Commission. I am your Chair, Willie Bell. I have a
7 little residue in my voice so ignore that. I'm trying
8 to sound like James -- what's his name? Star Wars.

9 SPEAKER: James Earl Jones.

10 CHAIRPERSON BELL: James Earl Jones. But
11 it's not by my intent to change my voice, so.

12 Mr. Secretary, would you call the role,
13 please?

14 SECRETARY ANTHONY: Thank you, Mr. Chair.
15 For the record, George Anthony, Secretary to the Board.
16 Commissioner Lisa Carter.

17 VICE CHAIRPERSON CARTER: Present.

18 SECRETARY ANTHONY: Commissioner Willie E.
19 Burton asked to be excused. Commissioner Wendell L.
20 Byrd.

21 COMMISSIONER BYRD: Present.

22 SECRETARY ANTHONY: Commissioner Reginald
23 Crawford.

24 COMMISSIONER CRAWFORD: Present.

25 SECRETARY ANTHONY: Commissioner Ricardo R.

1 Moore.

2 COMMISSIONER MOORE: Present.

3 SECRETARY ANTHONY: Commissioner Richard
4 Shelby.

5 COMMISSIONER SHELBY: Present.

6 SECRETARY ANTHONY: Commissioner Jessica
7 Taylor. Commissioner Donnell R. White, is running
8 late, sir, but he should be here.

9 You have a quorum, Mr. Chair.

10 CHAIRPERSON BELL: Yes, sir. The next order
11 of business would be, okay, a prayer. I'm going to
12 call on for the last time as Commissioner Wendell Byrd
13 to give the invocation at this time. Would he be so
14 kind?

15 (Prayer.)

16 CHAIRPERSON BELL: Thank you, Commissioner
17 Byrd. I extend a warm invitation for you to always
18 come back to run the prayer.

19 COMMISSIONER BYRD: Do it every Friday.

20 CHAIRPERSON BELL: Okay. To my immediate
21 left sitting in for Chief Craig, can I say Assistant
22 Chief?

23 D.C. LAVALLEY: Deputy. Thank you.

24 CHAIRPERSON BELL: Thank you. Sometimes I'm
25 demoting people, sometimes I'm promoting people. But

1 it's Deputy Chief Lavalley, it's good to have you.

2 D.C. LAVALLEY: Thank you, sir.

3 CHAIRPERSON BELL: Mr. Anthony, would you
4 introduce the staff?

5 SECRETARY ANTHONY: Yes, sir. Seated in
6 front is the Chief Investigator, Pamela Davis-Drake,
7 our Officer Manager to my right is Mr. Robert Brown,
8 Sergeant Alan Quinn is record our proceedings,
9 Ms. Elizabeth Koller, from Hanson Court Reporting
10 Service is taking the record. That completes the
11 introduction.

12 CHAIRPERSON BELL: Thank you, sir.

13 Deputy Chief Lavalley, would you entertain
14 introducing Chief Craig's staff and any other members
15 of DPD attending?

16 D.C. LAVALLEY: Yes, sir. I'm Deputy Chief
17 David Lavalley, Support Services Bureau. Chief Craig I
18 do believe is enroute, so he should be at the meeting
19 shortly.

20 Second Deputy Chief Celia Washington, she's
21 the legal advisor for the Department, and Commander
22 Deshawn Simms, Commander over the Professional
23 Accountability, which include Internal Affairs, Force
24 Investigation, and Disciplinary Investigation, Risk
25 Management.

1 COMMISSIONER BELL: Thank you, sir.

2 Commission, you have before you the Agenda for this
3 meeting on December 4th, what is your pleasure?

4 COMMISSIONER MOORE: So move.

5 COMMISSIONER CRAWFORD: Support.

6 CHAIRPERSON BELL: Are we ready for the
7 question? Those in favor?

8 COMMISSIONERS: Aye.

9 CHAIRPERSON BELL: Those opposed? Motion
10 carries. The next item would be the minutes from
11 Thursday, November 20th, what is your pleasure?

12 COMMISSIONER MOORE: So move.

13 VICE CHAIRPERSON CARTER: Support.

14 CHAIRPERSON BELL: It's been properly moved
15 and supported. Ready for the question? Those in
16 favor?

17 COMMISSIONERS: Aye.

18 CHAIRPERSON BELL: Those opposed? The motion
19 carried. Thank you. I guess, the next item would be
20 my report. I don't really have a significance report.
21 But I just want to -- I'm pretty sure the Chief or
22 Deputy Chief will probably be responding, this past
23 week on Sunday's paper that we probably already read
24 and are familiar with, I just want to commend the
25 Department in terms of the issue of about carjacking.

1 In 2013 we had have 701. And there's a
2 tremendous decline as of November the 17th, 485, so
3 that is a tremendous drop in terms of the task force
4 and working with that at the awards ceremony last night
5 for Police and Fire, I happened to be sitting next to a
6 Sergeant with Oakland P.D. who is part of that task
7 force and he mentioned a couple names. One of the guys
8 that was recently promoted to detective, Rico Hardy,
9 that he was working with him and he was just saying
10 that I rather be out there versus sitting here and he
11 was getting texts and notes. So I just commend him. I
12 could not stay for the entire program was rather
13 lengthy.

14 I had promised my sister I would have her
15 home by 9:30, but I was there for the majority of it
16 for the Chief presenting awards. I would have loved to
17 stay for the entire program but like I said I promised
18 her husband I would have her back home in a timely
19 manner.

20 But this article is really -- I'll give you a
21 breakdown in terms of extensive reporting on carjacking
22 and it's good to see that we are addressing the issue
23 because it's a cross section all over the City and
24 gives you a national breakdown. So I just want to
25 commend you. If you want to comment on it a little bit

1 later on feel free do that.

2 But I just want to share good news in terms
3 of the award program was outstanding. When you listen
4 to the accolades for the Fire Fighter's and the Police
5 Officer. I thought it was well attended in terms of
6 the Mayor being recognized and the Chief recognizing,
7 and the Commission and the Fire Commission and it's
8 just we have some hard working first-liners engaging
9 and they continue working even though hardship and
10 talking about their wages and benefits. But as you
11 well know they continue to work hard. I just wanted to
12 commend that type of program. The recognition is well
13 deserved.

14 So just to be a part of that and I'm proud to
15 say, you know, our affiliation with DPD is going better
16 each and every day, notwithstanding all the other
17 issues and I'm not going elaborate on all the other
18 issues that is happening across the country. But on a
19 positive note, I just want to share that with the
20 Commissioners and with the audience here, that it's
21 really something that we're really addressing and it's
22 ongoing. So on that note, lead into the Deputy Chief.

23 D.C. LAVALLEY: Thank you, sir. We don't
24 have a formal presentation this week as we do many
25 weeks. But I will comment on that carjackings. I know

1 last year shortly after Chief Craig got here toward the
2 end of 2013, carjackings were quite a concern of his
3 and the Departments.

4 We made a lot of efforts get that number to
5 where it is now in the comparison between this year and
6 last year and have those improvement. Additionally,
7 all of our part one violent crimes right now were down
8 seven percent from last year; aggravated assault is
9 still the area where we have a slight increase, four
10 percent; part one property crimes are done double
11 digits. All together we're down about 17 percent in
12 part one crimes.

13 We were just talking this morning at com stat
14 about car thefts one the areas that kind of goes along
15 with carjackings a little bit. We've had about 2,100
16 fewer stolen cars this year than last we did year. So
17 all those number are great. As we get toward the end
18 of the year I'm sure that those will continue. Thank
19 you.

20 COMMISSIONER BELL: Thank you. Commission,
21 any comments or question or concerns in reference to
22 Deputy Chief? Okay.

23 (Commissioner Taylor joined
24 the meeting at 3:10 p.m.)

25 CHAIRPERSON BELL: We can move right onto

1 Committee Reports. Any Standing Committee Reports?

2 Any New Business? Yes, sir.

3 COMMISSIONER CRAWFORD: Excuse me, through
4 the Chair. Under New Business, I don't know if this is
5 the appropriate time for a resolution, to do a
6 resolution?

7 CHAIRPERSON BELL: A resolution?

8 COMMISSIONER CRAWFORD: Yes, sir. The
9 resolution pertaining to emergency manager order number
10 42, the resolution that this Commission seek a legal
11 ruling through the courts on the emergency manager rule
12 number 42 which effects us as a Commission and as
13 stated limits or is taking away our powers particularly
14 at a time where what is occurring across the country
15 and also here in the City of Detroit in terms of
16 civilian oversight in Police Departments across this
17 country.

18 Even -- I stated months ago that Detroit is
19 like Ferguson and is more so like Ferguson now than
20 ever before because at that time I stated a couple
21 months back that when the emergency manager took away,
22 allegedly took away our power according to emergency
23 manager number order number 42, that we were the same
24 as Ferguson because they didn't have civilian oversight
25 at that time.

1 Recently as of I guess it was last week
2 Ferguson now has civilian oversight and Detroit
3 doesn't. So that's what the resolution that I put
4 forth on the table is that we as a Commission vote to
5 seek a legal ruling in the courts as to the emergency
6 manager order number 42.

7 COMMISSIONER BELL: The Chair will respond by
8 indicating that I think it would be more appropriate
9 for a motion since you don't have a draft or
10 resolution, a motion would be more appropriately --

11 COMMISSIONER CRAWFORD: Okay. A motion. I
12 will draft a resolution, sir.

13 COMMISSIONER MOORE: Second.

14 CHAIRPERSON BELL: Okay. It's been properly
15 moved and second. Are we ready for the question?
16 Those in favor, aye?

17 COMMISSIONERS: Aye.

18 CHAIRPERSON BELL: Those opposed? Motion
19 carried. Thank you. I just wanted to say that
20 Commissioner Jessica Taylor is here with us. She took
21 her seat about five minutes ago. It's good to see you.

22 COMMISSIONER TAYLOR: Thank you.

23 CHAIRPERSON BELL: Thank you and that all is
24 with you. But you never stop working. When I call you
25 you're still on the move. Okay. Thank you for that

1 motion. I think that's proper and we're looking
2 forward to working that up.

3 I'm going to just pause for Commissioner
4 Donnell White.

5 (Commissioner White enters
6 the meeting at approximately 3:14 p.m.)

7 CHAIRPERSON BELL: The Chair recognize
8 Commissioner Donnell White taking his seat. He's now
9 in attendance. And good to see you, sir.

10 COMMISSIONER WHITE: Good to see you, sir, I
11 apologize for my late arrival.

12 CHAIRPERSON BELL: Okay. Any other New
13 Business? Old business? And I failed to mention that
14 Mr. Robert Brown, Administrative Assistant is back with
15 us after some months of being absent and I know he's
16 not a hundred percent but it's good to see you
17 especially when we come to this table and everything is
18 in order.

19 ADMIN. ASSISTANT BROWN: Yes, sir. Thank
20 you.

21 CHAIRPERSON BELL: It's good to have you back
22 on Board.

23 ADMIN. ASSISTANT BROWN: Good to be back.

24 COMMISSIONER BELL: And we really appreciate
25 you in terms of even working while you were out, you

1 were maintaining the business of the Board at hand. So
2 really I acknowledge and appreciate that. And I just
3 want to say that Mother Bernice is happy to see you,
4 too. But you've been ill and not playing your
5 grandmother role for awhile. You've been communicating
6 with us, too, and we keep you in our prayer. So
7 grandmother's is very, very important next to the
8 Board.

9 Announcement: The next community of the
10 Board meeting will take place on January the 8th, yes,
11 January 8th, 2015, at Wesley Community Center at
12 6:30 p.m., at 10421 West Seven Mile Road, in Detroit,
13 that's January the 8th.

14 The next meeting of the Board will take place
15 on December 11th, that's next Thursday at 6:30 at the
16 Second Precinct, the Adams Butzel Recreation Complex at
17 10500 Lyndon. You should have that on your agenda as
18 far as those two meetings scheduled. And we would
19 address -- okay.

20 Now, it's your turn. You have the
21 opportunity. It's oral communications for the
22 audience. You have two minutes. Please give your name
23 and be respectful because we are respectful of you.
24 It's good to see that you are here this evening.

25 MR. WELBOURNE: Good evening, to the Board,

1 Deputy Chief. My name is Bill Welbourne, President of
2 Citywide. I'm kind of perturbed not what happened last
3 night but what happen with Channel 7 last night.

4 I feel it was a slap in the face to the
5 awards last night. When they put it on TV they didn't
6 show any of these people at all. All they showed was
7 the Mayor and the judge. And I didn't like that. That
8 made me mad. I went back and I come down here and I
9 want to go back to over to my military ways and jump on
10 somebody. And I just don't like that.

11 I picked two cases out. One was the little
12 girl that was shot on Charles Street, and the other one
13 was the fireman that saved his partner. If he hadn't
14 saved his partner, his partner would have perished.

15 And I figure these guys never get the dues
16 they supposed to get. Always the people at the top and
17 I don't like that. When I was in the service I made
18 sure my men always, private, corporal and so forth,
19 that when anything happened they came first, that was
20 my thing. And I've written a letter to Channel 7
21 already about this explaining how I feel about this.
22 Because I think it was wrong, you know.

23 The people on top, okay, they get their dues,
24 but the people on the bottom they make them. Without
25 them they can't do anything. They can make them or

1 break them. I just wanted to say that, you know. We
2 just -- also they didn't get any respect as far as I'm
3 concerned. That's just the way I feel about it.

4 COMMISSIONER CRAWFORD: Excuse me.

5 CHAIRPERSON BELL: Yes.

6 COMMISSIONER CRAWFORD: Through the Chair,
7 Mr. Welbourne, I understand. I'm glad that you
8 contacted Channel 7. We do know that the media images
9 is powerful. People that control the media use the
10 media sometimes to their advantage, sometimes to our
11 disadvantage. Some of it's propaganda. And to tell
12 lies with vision, television, break it down in
13 syllables tell lies with vision in some cases.

14 So I do understand what you're saying, sir.
15 I glad you notified Channel s to how you feel about it.
16 And if there are others like-minded tell them to call
17 Channel 7 because what they often want to hear is from
18 a number of individuals who express or differ to what
19 their image they presented last night. Thank you.

20 MR. WELBOURNE: Thank you.

21 COMMISSIONER BELL: Thank you, sir. I agree
22 with you a hundred percent.

23 MR. WELBOURNE: Thank you.

24 CHAIRPERSON BELL: Mr. Scott.

25 MR. SCOTT: Thank you very much. Commission

1 Taylor, I'm glad to see you're doing well.

2 COMMISSIONER TAYLOR: Thank you.

3 MR. TAYLOR: I got some work for you.

4 COMMISSIONER TAYLOR: Okay.

5 MR. SCOTT: Anyway, I wanted to say that to
6 the Commission, recently wrote an op-ed piece in
7 relation to the Commission moving to expunge erroneous
8 and just downright erroneous statements. I don't know
9 who was being referred to by virtue of this and I
10 don't know who wrote it, Commissioner, who wrote the
11 op-ed piece whether it emanated from this building or
12 somewhere else.

13 But to suggest that there's cronyism. I
14 don't even know if all of you have had time to even
15 have cronyism even emerge as a possibility. To suggest
16 that diminishes the body politics, diminishes the spirit
17 of democracy, diminishes the will of the people, and
18 diminishes the resolve that we have.

19 And I think this is a great time. It's
20 unfortunate that we've seen the deaths and responses
21 around the country. But it's also a good time because
22 it challenges us to step up. Because, you know,
23 Chairman Bell, you know this, that how hard we fought
24 to get this Commission. You know the vision that went
25 into it and work that went into it.

1 And just like Mr. Welbourne said. This is
2 the kind of the things in America that we fight for.
3 Citizen oversight, a paramilitary institutions replete
4 in the Constitution. And so, therefore, I would say
5 that we stand at a good point. I think it was not too
6 strong a message that you said in terms of wearing the
7 leg irons because this is where we are.

8 I think we will win. I think that the courts
9 will see that the citizens that we raised the question
10 in 1999 to have this Commission elected they will see
11 that's the future. They will see that people around
12 the county who are burning buildings and doing things
13 because they don't have -- they will see the
14 significance of that.

15 And no matter how many body cams that
16 President says and so forth, I'm in agreement with
17 those, you must have civilian oversight as the primary,
18 not a secondary, that's a primary thing. You know how
19 I feel. I just want to put it on the record one more
20 time. And I'm going to stop, Robert. I'm glad to see
21 you back. Nobody holds that the way you do.

22 But at any rate, I just want to thank you for
23 being strong in your resolve, and I urge you to
24 continue. We're going to continue to organize in the
25 community to make this Commission a hallmark for what

1 this county needs to get past what is happening now in
2 terms of the carnage that we see in terms of young
3 African-Americans and policing and community mistrust.
4 Thank you.

5 COMMISSIONER CRAWFORD: Excuse me.

6 CHAIRPERSON BELL: Yes, sir.

7 COMMISSIONER CRAWFORD: Yes, sir. Through
8 the Chair, I just thank you Ron and also Commissioner
9 Moore who responded to that editorial. I believe it
10 was titled Demote the Commission. But they don't have
11 the power to demote the Commission. That would have to
12 be put on a referendum on the ballot and the citizens
13 of the City of Detroit, not only across the City, but
14 in our various districts would have to vote to any type
15 of amendment or taking power away from the Commission.
16 So they don't have the power.

17 And I really want to thank you because you
18 had the courage, and Commissioner Moore had the courage
19 because you put your name on the editorial response.
20 The person that wrote this or persons responsible for
21 this are a bunch of cowards.

22 You know, if you're going to write something,
23 sign your name to it. If you're going to speak, you
24 know, what you say, own up to it. But the individual
25 that was responsible for that, I don't know who it is

1 and it's kind of irrelevant in a way, but I just want
2 that to be noted that, you know, people want to utilize
3 the media and the social media and really they're
4 engaging in stuff that's antisocial. Because it's easy
5 to go on the internet or write something or response
6 and use a ghost name or even a spook name, so to speak,
7 and not put your name to it.

8 So thanks for the courage you and
9 Commissioner Moore for at least you responded but yet
10 we all knew it was from the two of you. You signed it.
11 So, thank you.

12 MR. SCOTT: If I may have special privileges
13 for about five or six words. I wanted to say that
14 Chief Craig mentioned on the Candy Crowley on program
15 CNN this weekend that the Commission was an advisory
16 Board. Point of correction, this is not an advisory
17 Board. Never was and never will be.

18 SPEAKER: Thank you.

19 COMMISSIONER BELL: Thank you. I want to
20 also echo also Commissioner Crawford your comments in
21 reference to your article and Commissioner Moore's
22 article that I made a effort to contact Nolan Finley,
23 Detroit News Editorial Board that we should have an
24 opportunity to interact with him. I want to formally
25 respond to that. But they had no contact with us. The

1 article was just to totally erroneous and implied a
2 certain, you know remarks that without any substance.
3 So hopefully he will give us an opportunity, if not, we
4 will just have to respond in writing. But I think
5 sometimes we need that type of dialog with these people
6 who sit.

7 I look at that editorial committee and it's
8 very interesting. We know his conservative views in
9 reference to demotions and the whole issue. But we
10 just have to continue to work towards that goal and
11 make sure there's a public awareness in reference to
12 our historic role with the Board of Police
13 Commissioners.

14 I just want to thank you again for responding
15 quickly to the issue, Commissioner Moore.

16 COMMISSIONER CRAWFORD: Yes, one last thing
17 through the Chair. Yes, Ron, the leg irons are still
18 on. They'll be on until the Commission has enough
19 chains.

20 CHAIRPERSON BELL: Okay. Any other comments?

21 MS. SMITH: Good afternoon. Bernice Smith.
22 I happen to read while I was doing my caregiving. I
23 had the article here for you Moore and I thought it was
24 very enlightening and I'm glad that you've taken time
25 to do the article. I will give it to whoever wants it.

1 Got a little grease on it, though.

2 But anyway, what I'm -- hi, Jessica, baby.

3 COMMISSIONER TAYLOR: Hi, Miss B.

4 MS. SMITH: What I'm concerned about, I'm
5 just wondering if the Commissioners were aware of the
6 problems that we have in the task force. It was in the
7 paper. I cut that out, too. In regards to sending a
8 Sergeant to another division, the Mounted Police,
9 because he reported certain unethical things that were
10 happening in the Police Department.

11 Now, I'm not going to go into all of it. But
12 I do know it's being investigated. At least the Chief
13 said that he's investigating it. I'm sorry that he's
14 not here today so I can ask him personally. Because
15 they write a lot of things in the paper as we all know
16 and some are true and some are not true.

17 I want to here from him in regards to whether
18 or not Internal is really investigating and not putting
19 a cloud over the Police Department. And as far as the
20 Commission is concerned, I have no way in the world
21 want to know why this 42 or whatever it is that the EM
22 did, do they know what the Commissions stand for? Do
23 they really know what we stand for? And that you're
24 not a play thing sitting up occupying those seats. You
25 are sincere in your job and I'm sure that you want to

1 get the truth to the public and to the Police
2 Department whatever happens.

3 But I think power is being grasped in this
4 City and it doesn't include some of us. All right. To
5 get things done you got to go along to get along. We
6 all know that, that's been in politics a long time even
7 under the Coleman Young administration.

8 But the fact is that they're trying to
9 dismantle you and making you look bad that you don't
10 have any power. Yes, you have the power. You have the
11 power to make sure that this Police Department runs
12 correctly and on time as far as no corruption. We
13 don't need more corruption. We had enough in the hay
14 day. I don't want to see it go back to those times.
15 If you're not going to court don't put it down on your
16 schedule. If you're late for work, put it down, and
17 let it be known.

18 Do not feel as though that you can get away
19 with a lot of things. And we don't want the Police
20 Department to be talked about. And we had enough when
21 we did the bankruptcy. We don't need anymore corrupt
22 to be talked about us here in this City. And I'm very,
23 very interested in knowing the results. And I hope
24 that you will also. Don't feel as though that you're
25 just occupying those seats and you don't have a right

1 to know what's going on with the Police Department.
2 You do have it. And the people says that you have
3 because we have confidence in you.

4 And I don't want this to be another scandal
5 here in the City of Detroit. We got enough problems.
6 We need to get on our feet again and make sure that we
7 don't have any of this corruption.

8 Brown, I'm going to sit down because I don't
9 want you saying time's up.

10 CHAIRPERSON BELL: You did that five minutes
11 ago.

12 MS. SMITH: Good to see you.

13 COMMISSIONER BELL: Yes, sir.

14 COMMISSIONER CRAWFORD: Through the Chair,
15 Ms. Smith, I understand and I agree with you. I just
16 want to say that as long as there's no power there will
17 be no peace as far as I'm concerned. I'm glad to see
18 the evolution of the movement. People always no
19 justice, no peace. But now they're moving into the
20 area of no justice no profit. Which I said years ago
21 we need to get back to the issue, the economics of this
22 system when injustices have occurred or are occurring.
23 That's what, you know, it's just no power there will be
24 no peace.

25 SPEAKER: That's true.

1 COMMISSIONER CRAWFORD: Also, too, I
2 understand the strategy. First, they want to take
3 you're power so to speak with the emergency manager
4 order 42, then they want to engage in character
5 assassination and that is starting to come. There's
6 another level to this is coming. So I understand this.
7 We've been around for year, Ron, some of us as activist
8 in the community.

9 And I just have a question for the Assistant
10 Chief, is what occurred the other day in terms of the
11 11th Precinct which is in my district the 3rd District,
12 and I know Captain Leach. I didn't call him
13 intentionally because I believe there's an
14 investigation or pending investigation going on. I
15 want to want to infer with the integrity of that
16 investigation.

17 It's pertaining to the ticket quota issue
18 that was in the media. I live in the precinct, I
19 reside in that precinct and an activist throughout this
20 City for years. If I wasn't sitting here this very
21 moment on this Board, I'd be out there in front of this
22 Board voicing a voice of protest and opposition to
23 anything in terms of tickets or quota stops and ticket
24 quotas.

25 So if there is a pending investigation I'll

1 respect that. But I would like a full report or result
2 of that investigation to be brought forth before this
3 Commission and even perhaps maybe Captain Leach to come
4 before the Commission and explain this.

5 A.C. LAVALLEY: Yes, sir. Through the Chair,
6 I'm sure Captain Leach would be happy to explain. The
7 information that I received from Captain Leach was that
8 he had a conversation with some of his supervisors
9 about encouraging Officers to do stops and tickets as
10 part of their duties and part of their job function.

11 One of the supervisors interpreted that as a
12 mandate and put that into a communication that went out
13 to the shift. Captain Leach was addressed the next
14 morning by the Chief; went back retracted that
15 communication that went out, was given very clear
16 instructions the Department does not have a ticket
17 quota, never will have a ticket quota.

18 Since I've been on the Department I've never
19 known us to have a ticket quota either or a stop quota.
20 We encourage Officers for safety, for their own safety,
21 for the safety of people driving down the street, if
22 you see a traffic violation to make the stop.

23 But there is no formal internal affairs
24 investigation into that. I mean, it was as simple as
25 that. It was a misinterpreted direction from the

1 Captain to the Sergeant who put it out to the shift and
2 it's since been retracted.

3 CHAIRPERSON BELL: Yes, sir. Please do.

4 COMMISSIONER CRAWFORD: I have a followup
5 comment. Through the Chair, I just want to say that
6 while it was in the media, the actual administrative
7 message that was put back in the via com and had
8 Captain Leach's name on it. So I guess that does show
9 some courage. If it was a miscommunication as been
10 stated in the media so then it would be appropriate for
11 him to come and explain not only for the people but
12 perhaps as early as next week before this Commission,
13 if that's possible, sir.

14 D.C. LAVALLEY: Yes, I'll arrange for that to
15 happen. I saw that what was said, administrative
16 message. And I can tell you that how administrative
17 messages are published throughout the Department is
18 that there's a requesting Officer and then an
19 authorizing Officer and they're published through
20 communications to the entire Department.

21 That to me looked like something that
22 somebody typed up and didn't have his signature. So
23 I'm sure the Commission gets cops of all the
24 administrative message put out and they always have my
25 name or another Deputy Chief or Assistant Chief's name

1 on it.

2 So, again, I'm sure Captain Leach will be
3 happy to come and explain what happened and I'll
4 arrange for that to happen.

5 COMMISSIONER CRAWFORD: As you well know,
6 sir, I do to, thirty years with the Detroit Police
7 Department, that was placed in the pinch back.

8 D.C. LAVALLEY: Correct.

9 COMMISSIONER CRAWFORD: Because we had three
10 consecutive roll calls and per or through supervision
11 which that information of course it disseminated to the
12 Officers and they go out in the street and act on it,
13 but it's my understanding that never occurred.

14 A.C. LAVALLEY: Correct. It was retracted.

15 COMMISSIONER CRAWFORD: And I would commend
16 the individuals that encourage to bring forth the
17 written communica, one might call it. Thank you.

18 CHAIRPERSON BELL: Commissioner White.

19 COMMISSIONER WHITE: Thank you, Commissioner.
20 Through the Chair, I just wanted to highlight the irony
21 of this situation within the context of the
22 conversation that we've been having about the
23 importance of this Body before implementing any
24 department-wide initiatives or strategies that have
25 come before us so we have an opportunity to weigh in.

1 D.C. Lavalley, you may not be aware but A.C.
2 Dolunt sat in your chair where we had a very deliberate
3 conversation about the implementation of quota system
4 of one stop per Officer per day. And I remember
5 vividly expressing concerns about the ramifications of
6 when you don't have a directive that is implemented
7 which clearly directs members of this Department to
8 your point of bring Captain Leach to the table, I think
9 we ought to have higher conversation. Because when you
10 put out a blanket statement you leave to interpretation
11 by the members of this Department without a clear
12 directive and it does have wide and far reaching
13 ramifications on the community which leads to instances
14 of racial profiling, instances of conflict between
15 community and police.

16 And I think this situation needs to go
17 potentially a step further than Captain Leach because
18 I'm assuming Captain Leach heard that from the rank
19 file and was attempting to act on what he has heard as
20 I have heard and other members of this Body has heard
21 from the rank and file from this Department.

22 So I would again caution us as we move
23 forward. I don't know if it's the intention of the
24 Office of the Chief to come before this Body with
25 ensuing policy, improvements or recommendations moving

1 forward.

2 But it has always been our posture and
3 intention to have dialog with the community where
4 instances arise so that we can hear feedback and in
5 terms share feedback with the men and women of the
6 Department.

7 So, Mr. Chair, so as we look forward to
8 having this conversation, I certainly hope that it is
9 more far reaching than a conversation with only Captain
10 Leach.

11 CHAIRPERSON BELL: Yes, sir. I don't -- go
12 head. I yield to the Deputy Chief Lavalley, then the
13 Commander.

14 D.C. LAVALLEY: I was just going to respond.

15 CHAIRPERSON BELL: Yes, sir.

16 D.C. LAVALLEY: I do remember that last year
17 when there was talk about from Assistant Chief Dolunt
18 here at the Commission. I think I was here that day.

19 CHAIRPERSON BELL: This year.

20 COMMISSIONER TAYLOR: Spring, it was this
21 year.

22 D.C. LAVALLEY: Earlier this year, okay. But
23 I do remember that and at the time talk about having
24 one traffic stop a day and that, too, was retracted. I
25 think we have, not I think, I know we have quite a

1 clear policy about observing traffic violations on duty
2 and making stops in relation to those violations.

3 Putting a number to that stop, a minimum
4 number, I agree and I know that the position of the
5 Chief is the same that invites Officers to make a stop
6 when they might not have normally made a stop because
7 they're trying to satisfy a quota.

8 CHAIRPERSON BELL: Right.

9 D.C. LAVALLEY: Again, I'll just reiterate,
10 we have a clear policy on making traffic stops that
11 there is no number associated with it. It's when you
12 observe a violation you should make the stop.

13 We will not be putting a number with it. If
14 we want to increase the conversation beyond the
15 Captain, I could also make arrangements to have the
16 Chief of Patrol here if you want to talk to her about
17 it.

18 COMMISSIONER WHITE: Through the Chair, I
19 would just ask if you are able to cite which policy
20 that is that speaking to that reference it could be
21 furnished at our next meeting.

22 D.C. LAVALLEY: Certainly, I can't. It's a
23 thousand pages. I can't tell off the top of my head
24 which number it is, but I can definitely provide it.

25 CHAIRPERSON BELL: Commander Bettison.

1 COMMANDER BETTISON: Good afternoon.

2 COMMISSIONERS: Good afternoon, sir.

3 COMMANDER BETTISON: Ever since Chief Craig
4 has been here 14 plus months, 15 plus months, even
5 before he arrived being data-driven as most departments
6 are you always attempt to put matrix on different
7 things. When the Chief walked in the door his basic
8 thing was when moral goes up, productivity goes up,
9 crime goes down.

10 The one thing he stood firm on, with the
11 consulting groups, the MacKenzie's and everyone else
12 attempted to put matrixes in place. He said,
13 absolutely there will be no quotas or comp stat forms
14 and forms to the Command Officers, everywhere. When it
15 even seemed like it may be going that way, he pushed
16 out and said absolutely there will be no quotas.

17 So the Chief has made that clear to all that
18 Command Officers, he's made it clear at public forums
19 when we have our com stats which is open to the public
20 as well. And, you know, sitting there with him and
21 Deputy Chief Lavalley know as well, whenever you ask
22 him he has pushed that down, there's no quotas with the
23 Detroit Police Department.

24 COMMISSIONER MOORE: Through the Chair.

25 CHAIRPERSON BELL: Yes, sir.

1 COMMISSIONER MOORE: Seems like there's a bit
2 of confusion because if the Chief is the leader of the
3 Police Department and you have an Assistant Chief
4 talking quotas, then you have a Captain talking quotas
5 is it that the underlings are not listening to the
6 Chief or? I mean, what's going on? Just seems like
7 there's some confusion here to me.

8 COMMANDER BETTISON: As far as any confusion
9 when you have a 2,000 plus department and different
10 individuals listening, people will interpret things
11 some times how they may. But what the man has said is
12 there's no quotas. From this leadership Department we
13 understand that. So, you know, Captain Leach can
14 address when he comes before you what he said. But the
15 mission of the Chief and the Chief's office is no
16 quotas.

17 COMMISSIONER MOORE: I think the underlying
18 issue as well is maybe we should find out how come
19 Officers are not writing tickets and also go back to
20 the pure basic reason of why tickets are issued. And
21 that's to educate the public and that's not being
22 mentioned anywhere in here in this forum. And a ticket
23 doesn't necessarily have to be issued on a traffic stop
24 either.

25 If you can tell a person you're going too

1 fast or a -- that's the whole person is to educate the
2 public. It's not to punish via tickets. And I think
3 that's being missed in this conversation as well. But
4 I just still believe, Commanders, there's some amount
5 of confusion.

6 If the Chief says no quotas and you have a
7 Captain and Assistant Chief or whatever the order came
8 in then that might be some internal controversy within
9 the Police Department. Thank you.

10 COMMISSIONER BELL: Commissioner Crawford.

11 COMMISSIONER CRAWFORD: Yes, sir. Through
12 the Chair, I just want to say I think Commission
13 Moore's word was "confusion." I think the word was
14 "miscommunication" yesterday. And in terms of -- it is
15 my belief and I'm looking forward to hearing from
16 Captain Leach, that this occurred only in the
17 11th Precinct.

18 I don't believe there was any other Precincts
19 or Precinct Captains or Commanders that put forth any
20 written communication. So I believe it's just this
21 isolated incident 11th Precinct, one particular Captain
22 and, of course, we know what occurred with the
23 Assistant Chief when he was here a few months ago,
24 about four months ago or so.

25 COMMANDER BETTISON: It was the 11th.

1 COMMISSIONER CRAWFORD: Yes, sir, that's my
2 belief. It's the one Precinct.

3 COMMANDER BETTISON: When I was a Precinct
4 Commander/Precinct Captain, the number one complaint of
5 the citizens of the community is traffic, you know,
6 folks speeding, running lights, etcetera. So that's
7 one of the things that you want make sure that your
8 Officers are out there addressing the community's
9 concerns.

10 And Commissioner Moore, you're absolutely
11 right. The Detroit Police Department issues warnings.
12 Officers use discretion on whether or not to issue a
13 ticket and for the purpose of traffic enforcement to
14 public safety.

15 A ticket sometimes is given for an education
16 to make you stop doing a certain type of action which
17 endangers us all including the occupants, so. But this
18 was an isolated incident. Thank you.

19 CHAIRPERSON BELL: Thank you, Commander,
20 thank you, Deputy Chief. And to the Commissioner, I
21 think this is going to be an ongoing issue. But I
22 think we look forward to the next meeting in terms of
23 clarity because you're talking about the Department
24 Manual. The specific address patrol duty and
25 responsibility, traffic enforcement, etcetera,

1 etcetera, and any time that you speak about at roll
2 call as my experience as Sergeant, Lieutenant there's
3 always individuals within the structure of the union,
4 Officers, when you try share with them about dialog
5 about traffic enforcement, not just riding around eight
6 hours responding to radio runs. So those are pro and
7 cons and take it and blow it out of proportion that
8 you're talking about we understand how that systems
9 works with the unionism and with rank and file Officers
10 in reference to their duties and responsibilities. But
11 we can revisit the directive that speaks to patrol
12 duties and responsibility as they impact traffic
13 enforcement.

14 But as well know we had this debate a couple
15 months ago. We went back and forth. But to me, it's
16 just driving to and from. You see all types of traffic
17 violations. There's a tendency in Detroit, I said this
18 before, that people running stop signs, the hit and run
19 issue that we have, people not stopping for red lights,
20 and going through red lights, I mean, this to me is
21 quite common.

22 And I just heard it on the Cliff Russel
23 program today in reference to the whole issue of about
24 people feel as though they can drive as they want to
25 drive in Detroit. But we look forward to more healthy

1 dialog coming from the Chief's office in reference to
2 the issue. But A.C. Dolunt spoke to you and I
3 understand what he was trying to convey.

4 So on that note we will look forward to more
5 directive from the Department in terms of what their
6 general orders say and in terms of their duties and
7 responsibility.

8 Any other comments from the audience? If
9 not, I do have some New Business.

10 This is the letter, it says, Dear Chairman
11 Bell. With regrets I write this letter to inform you
12 that I must resign my position as Commissioner from the
13 Detroit Board of Police Commission Board, effective
14 December the 5th, 2014.

15 As you know, I was elected to the State House
16 of Representatives for District 3 on the City's
17 northwest side. I would like to thank you for your
18 support during my tenure as Police Commissioner for
19 District 2. It's been an honor and a privilege to
20 serve with you and my fellow colleagues in this
21 capacity. Sincerely, Wendell L. Byrd, Police
22 Commissioner, District 2.

23 SPEAKER: All right.

24 CHAIRPERSON BELL: So Commissioners, what is
25 your pleasure? To accept his resignation?

1 COMMISSIONER CRAWFORD: Accept his
2 resignation, right.

3 CHAIRPERSON BELL: With regrets.

4 COMMISSIONER TAYLOR: With regrets.

5 CHAIRPERSON BELL: Should we let him go? Can
6 he vote on this?

7 COMMISSIONER: No.

8 CHAIRPERSON BELL: Are we ready for the
9 question? It's been properly moved. We got a motion
10 on the floor? I'm jumping ahead of myself.

11 COMMISSIONER DONNELL: Support.

12 CHAIRPERSON BELL: Support. It's been
13 properly moved and second. Those in favor?

14 COMMISSIONERS: Aye.

15 CHAIRPERSON BELL: Those opposed? I abstain.
16 Motion carried. Let's give Mr. Byrd a round of
17 applause.

18 (Applause.)

19 CHAIRPERSON BELL: We're going to have
20 something later on in recognition to his service, but
21 he's been a great Commissioner representing his
22 district and has been a team player with this Board,
23 and he's going onto a higher office.

24 I know that that will give us opportunity to
25 interact with him. So if you have any complaints

1 concerning about your U.S. House -- the State House of
2 Representatives contact Mr. Byrd.

3 But on a serious note, he's going to be
4 looking out for us and the citizens of Detroit. He's
5 not leaving in that capacity, just moving to another
6 level. Once again, thank you.

7 COMMISSIONER BYRD: Thank you.

8 CHAIRPERSON BELL: Is there any other
9 business to come before this Body?

10 COMMISSIONER WHITE: Just as an announcement
11 I know there's been some significant conversation
12 particularly about the preservation of the Detroit
13 Board of Police Commissioners and the action that the
14 NAACP would be likely to take.

15 I just want to announce there will be a press
16 statement and announcement made on this coming Tuesday
17 at 10:00 a.m. at the Detroit NAACP Office which is at
18 8220 Second Avenue. All are welcome to participate.

19 There will be a broad community-wide effort
20 of support, not only speaking to the preservation of
21 the Detroit Board of Police Commissioners but also
22 demilitarization of law enforcement agencies, not just
23 Detroit, but in general.

24 There's some wide far-reaching -- and we're
25 glad that we'll have Commissioner Byrd in Lansing

1 because there's far-reaching public policies and bills
2 that are before us as a state that we need to address
3 as well. There's an issue of education and training.
4 And nothing is really new. This goes as far back as
5 many of you know the current commission reported, but
6 it's time for Detroit to move forward.

7 There's been no one specifically from the
8 City's leadership that has stepped out and spoken
9 widely. So this is a broad coalition. I don't know,
10 Mr. Chair, if it would be appropriate for this Body to
11 be considered being a part of this coalition as it
12 moves forward and adding our name. But if it is
13 appropriate I certainly will be willing to make a
14 motion to that effect.

15 CHAIRPERSON BELL: Definite.

16 COMMISSIONER CRAWFORD: Second.

17 CHAIRPERSON BELL: Okay. It's been properly
18 moved and seconded. Are we ready for the question?
19 Those in favor?

20 COMMISSIONERS: Aye.

21 CHAIRPERSON BELL: Those opposed? Motion
22 carried. I will be in attendance, and hopefully other
23 Commissioners will be in attendance. And I was looking
24 forward to your return from your trip. We talked about
25 this briefly and I was patient say once the Executive

1 Director gets back, I'm pretty sure they're going to be
2 moving. I wanted to thank you as the Executive
3 Director and Commissioner and also the President
4 Wendell Anthony in reference to taking this lead.

5 I think that's basically historically with
6 the NAACP is address police reform. All over the years
7 that I can remember as a young person, you know, Civil
8 Rights and the whole endeavor in terms of issues
9 especially impacting Detroit. So I've been engaging
10 with past presidents in reference to that. So thank
11 you, sir. What time, too?

12 COMMISSIONER WHITE: 10:00 a.m.

13 CHAIRPERSON BELL: Okay. Any other comments?
14 So we will entertain a motion for adjournment.

15 COMMISSIONER MOORE: So move.

16 COMMISSIONER CARTER: Second.

17 CHAIRPERSON BELL: Okay. It's been properly
18 moved and second. Those in favor?

19 COMMISSIONERS: Aye.

20 CHAIRPERSON BELL: Motion carried.
