4 SECRETARY HICKS: Thank you, Mr. Chair. I do

12 want to indicate for the record that today in today's

16 we could go to Chief Drake.

25 to see you this afternoon.

1 AC WILLIAMS: Good to see you, sir.

18 Commander Mark Bliss from Professional Standards just  
19 walked in.

20 CHAIRMAN BELL: Thank you. Thank you. Do we  
21 have any elected officials or representatives of  
22 elected officials attending the meeting this afternoon?

23 DR. DIVERS: My name is Arthur Divers. I'm  
24 here for the Office of George Cushingberry, President  
25 of Detroit City Council.

1 CHAIRMAN BELL: Thank you, Dr. Divers.

2 And we're going to move on to our -- well,  
3 Chairman report. I do not have an official report. I  
4 just want to say, it's good to see all of you here this  
5 afternoon and we're going to move the agenda rather  
6 quickly. And since it's a nice afternoon out there, I  
7 know you're eager to leave this meeting and enjoy some  
8 of this sunshine. But all is well with the  
9 Commissioners as we move towards fireworks this coming  
10 Monday. So I'm going to ask at this time we hear from  
11 Assistant Chief Arnold Williams.

12 AC WILLIAMS: Thank you, Commissioner.  
13 Through the Chair. Give the Detroit Police Department  
14 report. So for homicides we're down 5%. Sexual  
15 assaults we're 13% down. For robberies 8% down.  
16 Carjackings we're showing an increase of 9%. Currently  
17 to date we are at 7% so that's going to be a slight  
18 change from the citywide profile report.

19 For our aggravated assaults, we're down 5%,  
20 nonfatal shootings we're down 2% and for our total  
21 violent offenses, we're down 6%. For our property  
22 offenses, burglary we're up 7%. Larceny citywide we're  
23 down 13%. Stolen vehicles we're down 6% and total  
24 property offenses we're down 6%.

25 For our homicides and nonfatal shootings, the

1 last seven days I believe we've had 24 nonfatal  
2 shootings and we've had seven homicides. The majority  
3 of the shootings that we had has been multiple  
4 shootings at one scene, so that's something that we  
5 usually don't have. For right now, the majority of the  
6 shootings, they're not gang related. Some of them have  
7 a narcotics nexus, but the majority of them appear to  
8 be neighbor related and issues resulting from  
9 arguments. So I guess going forward, one thing that we  
10 can say is for the community we just have to put  
11 something out where we look at different ways to  
12 resolve conflict other than getting a handgun and some  
13 of the issues that we're facing right now.

14 For the fireworks, we all know we have the  
15 fireworks coming up on Monday. The River Days, River  
16 Days are starting and we're going to have a nice  
17 presence for River Days. There is no curfew during  
18 River Days. The curfew's only going to be for the  
19 fireworks. The one issue we will have with River Days  
20 is that anyone I believe after, I think it's after 6:00  
21 if you are not with someone -- if you're 18 or under --  
22 I'm sorry. If you're under 18 and you're not with  
23 someone who's 30 or above, then the River Days  
24 personnel, they're going to be escorting you out of the  
25 actual River Days area. So that's going to push more

1 traffic that we have downtown, but we're used to it and  
2 we plan for it. So that's pretty much a quick report  
3 on that. Open for questions from the Board.

4 CHAIRMAN BELL: Yes, sir. I guess I'm going  
5 to pose the first question. I know that came up two or  
6 three years about this age and this age requirement of  
7 30 and up, and that was debated at the council a couple  
8 years ago, and what is the feedback? What is the  
9 encounter a person being ID'd for 30 years of age and  
10 that was some young people, mothers, in particular, to  
11 this particular forum for the council might be 25 and  
12 they're with their family, yet, they don't meet the  
13 criteria. So what has been the feedback in terms of  
14 having that type of curfew on the citizens of Detroit?

15 AC WILLIAMS: Last year we actually did it  
16 just for the fireworks. The year prior I believe we  
17 had it approved for River Days as well. And that  
18 caused an issue because it was like we were pretty much  
19 going after minority youths in the downtown area. For  
20 just the fireworks for the public safety from a public  
21 safety reason only, we're not having any issues. The  
22 River Days, that's a self-imposed curfew -- or  
23 self-imposed control of age that they're putting on.  
24 Police have nothing to do with it whatsoever, so . . .  
25 But we haven't had any negative, we haven't had any

1 negative from just that fireworks.

2 CHAIRMAN BELL: Commissioner Vann.

3 BISHOP VANN: Mr. Chair, I think it's duly  
4 noted what you've said. I'm very concerned about our  
5 image for young families, and I run into this all of  
6 the time. I think that a lot OF people in the city  
7 don't know where to go anymore. They don't feel  
8 comfortable on Belle Isle anymore. If they go down to  
9 Atwater, they get ticketed and pushed out. If they go  
10 down Jefferson, they get ticketed and pushed out. If  
11 they go to the fireworks and it's a young mother who  
12 wants to take her children to the fireworks and just  
13 stand on the corner and take a look at them, I mean  
14 there's not very much that a poor family can do  
15 downtown anymore. They can't afford the parking. They  
16 can't hardly afford any of the restaurants or the other  
17 amenities that are downtown. They come down to the  
18 fireworks and we know that last year, the last couple  
19 of years, the numbers for the fireworks have declined,  
20 they've declined because a lot of the people in the  
21 city don't feel a sense of unanimity with what's going  
22 on. If you tell -- if a mother is 27-years-old and  
23 she's not 30-years-old yet, why should she be penalized  
24 if she's trying to bring her children down to view the  
25 fireworks?

1 I mean I understand some of the rationale. I  
2 know some of the problems you've had in the past. I  
3 realize that, you know, there was a shooting down there  
4 years ago. We never found out anything about that. I  
5 don't know if it was ever solved. I know that. I just  
6 think that the message that we're sending and the image  
7 of the city or the new image of the city, we're going  
8 to have to be very careful about messages that we're  
9 sending to families in our city. There's already  
10 apartments down there that are 900 square feet for  
11 \$2000 a month and the message there is is that young  
12 families are not welcome, at least that's what I'm  
13 receiving from a lot of young families that I serve.

14 CHAIRMAN BELL: Commissioner.

15 COMMISSIONER CRAWFORD: Yes, sir. Through  
16 the Chair. Also to Commissioner Vann what you just  
17 spoke of is what a lot of citizens in the city have  
18 often or currently speaking of the two Detroits. The  
19 two Detroits.

20 And I recall two years ago there was this  
21 issue about the 18-year-old who has to have a  
22 30-year-old with them, and they deferred it or  
23 basically said that was River Days, the River Days  
24 people, you know, that control that that said this is  
25 their age criteria that they're putting out. And it

1 was throughout the talk radio and the media and they  
2 took a big -- River Days took a big hit for that. And  
3 if I recall correctly, they rescinded that, even with  
4 their CEO and I think met with some people. Don't hold  
5 me to that. But again, it is -- it most certainly  
6 looks like two Detroits. It looks like some South  
7 African apartheid when people have to identify  
8 themselves like you just said, Bishop Vann, a  
9 30-year-old who has to be with an 18-year-old or anyone  
10 below 18.

11 So some clarity is needed on this or perhaps,  
12 again, one needs to call up or perhaps call out the  
13 River Days people for trying to bring forth something  
14 two years ago that was basically shot down, so to  
15 speak.

16 AC WILLIAMS: Through the chair. And just so  
17 we make this clear. Them putting it on the River Days,  
18 this is not the Detroit Police Department. This is not  
19 policy by the City of Detroit. And for clarity's sake,  
20 anyone who comes downtown for the fireworks we have  
21 multiple viewing areas. So the pop-up plaza that they  
22 have in front of the Coleman A. Young Municipal Center,  
23 that is going to be additional viewing area that we  
24 didn't have in the past. And then we have, of course,  
25 Hart Plaza, and then we have all of the areas that are

1 going to be on the north side of Jefferson that will be  
2 open. They'll be separated by barricades and bike  
3 racks.

4 Now, for the curfew that we've enacted, the  
5 temporary curfew we've enacted for the 26th through  
6 City Council for the City of Detroit, that is only  
7 going to be 8 p.m. and that's going to be for  
8 individuals who are 17 years of age or younger. If  
9 they're there with somebody who's 18, they'll be able  
10 to come downtown. If it's a young family who appears  
11 youthful, they'll be able to come downtown. And with  
12 the addition of that new viewing area, we're trying to  
13 make sure that the city -- the Mayor is trying to make  
14 sure, as well as law enforcement, that we have those  
15 additional viewing areas for families.

16 And then also, the Detroit Police Department,  
17 we're just making sure we secure those areas along with  
18 Campus Martius there will also be a viewing point so  
19 everyone can enjoy the fireworks. So we are trying to  
20 make sure and the Mayor is trying to make sure that  
21 those areas are hospitable and that they are open so  
22 people can view.

23 And as far as looking at the River Days.  
24 What River Days is just trying to do is just make sure  
25 everything is safe for those people who are coming down

1 River Days. If it's a young family and they have an  
2 issue, we'll take care of it, but I don't think they're  
3 actively going out ID'ing people and bringing them out.  
4 I think it's -- and I haven't seen them do that. So I  
5 think it's more along the lines of them putting out a  
6 regulation or policy just so everybody can be aware  
7 going from there, and that's what I believe.

8 CHAIRMAN BELL: Commissioners? Burton?

9 COMMISSIONER BURTON: Through the Chair.  
10 Question for Assistant Chief is that will the  
11 Department be sending out notices to families where  
12 they can stand or where they can be during the  
13 fireworks?

14 AC WILLIAMS: Right now the major viewing  
15 areas that we have are the viewing we've always had.  
16 So to answer your question directly, no, we don't send  
17 out where the viewing areas are. Generally we have  
18 people who just come downtown, they come downtown early  
19 and they start setting up shop and that's how it's  
20 always been. What we do do is utilizing barricades,  
21 people can pretty much see where they can and cannot  
22 go.

23 COMMISSIONER BURTON: And do the city have a  
24 standard curfew throughout the year?

25 AC WILLIAMS: I believe it's, I want say 10

1 p.m. if 17-years-old or younger.

2 COMMISSIONER CRAWFORD: 10 to 6 a.m.

3 Through the chair.

4 CHAIRMAN BELL: Yes, sir.

5 COMMISSIONER CRAWFORD: Is there any other  
6 corporation, business, entity in the City of Detroit  
7 that has the same sort of stipulation that River Days  
8 has for the fireworks?

9 AC WILLIAMS: No.

10 COMMISSIONER CRAWFORD: Just River Days?  
11 Campus Martius?

12 AC WILLIAMS: No. Just those three days of  
13 River Days leading up to the fireworks. And I guess  
14 historically because it's been shown to have problems,  
15 and that's pretty much why just for River Days. Nobody  
16 else downtown, no other entity downtown, no other area  
17 that's open to the public or open to the public through  
18 pay or fee has that type of, I guess you could say,  
19 regulation or policy.

20 BISHOP VANN: Mr. Chair?

21 CHAIRMAN BELL: Yes, Commissioner.

22 BISHOP VANN: How in the world can the River  
23 Front Conservancy, which is a separate nonprofit from  
24 the city, set forth an exclusionary policy for an event  
25 that is held in a public space?

1 AC WILLIAMS: So for that, I don't, I don't  
2 have the answer, but I can make sure I get the answer  
3 to the Board.

4 CHAIRMAN BELL: I can give you a partial  
5 answer. That issue came up before the council when we  
6 had an opportunity to appear about the curfew. At that  
7 time, the council was not aware they held that type of  
8 authority. So perhaps we can revisit that and get some  
9 type of rationale. Are they leasing it? Do they own  
10 it? But that's the only particle that's under that  
11 control. They was not aware at the time, and that was  
12 the council president responding to that type of forum.  
13 So maybe we can try to get a response in the near  
14 future in reference to that particular item, but they  
15 had no knowledge at that time and to its service. And  
16 that was a great deal of people was not aware, and I  
17 was not aware that they controlled that.

18 BISHOP VANN: I don't mean to be facetious.  
19 I really know the answer to my question. I'm just  
20 saying that, I'm just saying that I wanted, I wanted to  
21 see could we get that addressed because we know that  
22 that's public space.

23 CHAIRMAN BELL: Yes, sir.

24 COMMISSIONER CRAWFORD: There needs to be  
25 some fireworks about the policy.

1                   BISHOP VANN: Public space conservancy has  
2 taken on the charge of raising separate funds for  
3 beautification and other kinds of things and events. I  
4 don't think that what they have in terms of authority  
5 supersedes the authority of city government.

6                   CHAIRMAN BELL: Well, as is indicated, that  
7 would be the authority combined and the mayor and the  
8 council in terms of this particular matter that perhaps  
9 we could be enlightened on that in the near future. I  
10 know beyond your responsibility, Assistant Chief, so I  
11 guess we can move on if there's no other questions or  
12 concerns for Assistant Chief at this time.

13                  AC WILLIAMS: Whatever clarity I can get,  
14 I'll make sure I send it to the Board immediately for  
15 whatever venues I have as well.

16                  CHAIRMAN BELL: And I think we want a little  
17 bit more direct. We want to hear from that particular  
18 body also. We appreciate your effort, but I think we  
19 really need to hear and hear directly because it's  
20 concerning of public safety issue so I think it will be  
21 within the scope of our authority to try to get some  
22 response. Thank you for initiating that type of  
23 dialogue.

24                  We are now going to hear from Grants and  
25 Contracts presentation.

1                   BISHOP VANN: Mr. Chair. I'm sorry. Please  
2 forgive me.

3                   CHAIRMAN BELL: No problem.

4                   BISHOP VANN: I had another matter that I  
5 wanted to raise before the Chief. After leaving here  
6 from our meeting last Thursday, I was stopped by the  
7 Detroit Police on Woodward in front of the City-County  
8 Building. As I attempted to make a left turn there,  
9 there were a number of pedestrians walking across, and  
10 the young officer who pulled me over stated that he  
11 thought that I ran the red light. I allowed the people  
12 who were in the intersection, as I was in the  
13 intersection, to finish walking across the street, and  
14 then I completed my turn.

15                   I'm just -- the question I want to ask is  
16 about protocol of a traffic stop. What is the extent  
17 to which based on a lot of what we've seen throughout  
18 the nation, Philando Castile and other kinds of things?  
19 There's a great deal of paranoia by citizens who are  
20 stopped by the police as to what extent do the police  
21 have the authority to give you all kinds of different  
22 things to comply to. I was told to roll down my  
23 windows, which I did, put my keys on the top of the  
24 car. This is in broad daylight, many many people  
25 downtown right in front of the City-County Building.

1 I'm leaving a Police Commission meeting. I complied,  
2 of course. I was very courteous to the officer. He  
3 got out of the car, pulled his gun and placed his gun  
4 on his chest and walked to my car after I had lowered  
5 my windows.

6 I can see how someone would take that  
7 differently as an aggressive move by a police officer  
8 that frightened the citizen and made the citizen  
9 believe that they were in danger. I was just leaving a  
10 police meeting hoping that I was not in danger. But I  
11 didn't believe that for a simple traffic stop that a  
12 gun should have been pulled on me. That had never  
13 happened to me before and I'd like, you know, some  
14 explanation of what the protocol is. Can the officer  
15 take whatever measures they want to take with a person  
16 or does the person, the driver have any rights at all,  
17 especially when they're complying to whatever and have  
18 not posed a threat, pulled straight over, rolled down  
19 my windows, did everything else that I should have  
20 done?

21 AC WILLIAMS: Okay. So through the Chair.  
22 First, I want to say this. There's no such thing as a  
23 typical or a simple traffic stop. For those of us who  
24 are in law enforcement, we know that. For those who  
25 are not, I want to paint a picture. On the law

1 enforcement side, we get information all day on  
2 vehicles that are wanted for armed robberies, vehicles  
3 that are wanted for homicide, subjects with  
4 descriptions who are wanted for homicides, who are  
5 wanted for robberies and other types of violent crimes.  
6 So when a police officer is making a stop, in the back  
7 of their mind, they're running through their mind to  
8 say hey, does this vehicle match the description of  
9 somebody who's wanted in a violent felony. Does this  
10 subject in the vehicle match the description of someone  
11 who's wanted for a violent felony. So that's one  
12 thing. And if that vehicle or that subject matches the  
13 description, then the officer is going to use some, I'm  
14 not going a say aggressive, but they're going to use  
15 some tactics to ensure that they're safe and that the  
16 occupant of the vehicle is safe.

17 For a general traffic stop, what the policy  
18 states is that the officer makes the traffic stop. As  
19 he approaches the vehicle, he approaches the vehicle in  
20 a safe manner. Once he approaches the vehicle, he  
21 engages the driver and tells the driver the reason why  
22 he stopped. The reason why I stopped you is because  
23 you ran a red light. After that, they're going to ask  
24 for your license, registration, proof of insurance.

25 Now, the other parts, can they or can they

1 not, we have nothing in the policy -- again we can't  
2 policy or regulate everything that everybody would do  
3 during the course off a day. Is it sometimes  
4 appropriate for an officer to ask you to roll your  
5 window down? Well, sometimes it is because he can't  
6 get your information. Is it appropriate or  
7 inappropriate for him to ask that you remove your keys  
8 from your vehicle and put them on top of the hood?  
9 Sometimes it is because a lot of times we have in the  
10 Detroit Police Department, we have a no-chase policy  
11 for anything that's involving a nonviolent felony. So  
12 we have many times the officer get out their vehicle,  
13 they'll approach the vehicle and they'll take off on  
14 them, and that happens. So that could be why. I don't  
15 know if that was the reason because I'm not the  
16 officer, but that's an explanation.

17 As far as the weapon, I'd have some concern  
18 if the officer drew his weapon and had his weapon along  
19 his chest. I don't know why he would, he would do that  
20 other than to say if the vehicle matched the  
21 description of a vehicle that was wanted in some type  
22 of a violent act. But I don't know because I was not  
23 there. Is it appropriate? Sometimes it is. Was it  
24 appropriate in this case? I don't know. The one thing  
25 I can say is we are, we are fallible. We do make

1 mistakes, and I would have liked to have heard about  
2 this earlier so I could have addressed it with the  
3 officer. And I am going to address it with the  
4 officer. So I'll talk to you a little bit later.

5 But the one thing with the Detroit Police  
6 Department, I'll say this, everybody saw the Philando  
7 Castile incident and in that incident, the officer was  
8 fearful. It was clearly seen that the officer was  
9 fearful. He was excited. He was telling him what to  
10 do and what not to do. It was complete fear and it  
11 didn't appear that he had control of the situation.  
12 That's what the appearance was. For the majority of  
13 our officers, they enact a lot of control over the  
14 situation. They also try and keep that driver who they  
15 stopped informed of what they're doing. But everything  
16 that we do we try to do with the safety of the officer  
17 and the safety of the citizen in our thought processes.

18 So I definitely want to talk to you some more  
19 and find out who this officer is and for going forward,  
20 we'll make sure that the officers understand that if  
21 this is not a situation where it's a violent felony --  
22 I'm sorry, a vehicle description that matches a vehicle  
23 that's wanted in a violent felony or a description of a  
24 person who is wanted in connection with a violent  
25 felony, that's not actions that will be most tactically

1 sound for a situation like that.

2 CHAIRMAN BELL: Commissioner Crawford?

3 COMMISSIONER CRAWFORD: Yes, sir. Through  
4 the Chair. It's evident that after last week I think  
5 it was an issue that was raised about a lieutenant that  
6 stopped a retired lieutenant. And on the appearance of  
7 that particular stop, which is still under  
8 investigation, the retired lieutenant wasn't even given  
9 any discretionary professional courtesy, as I call it.

10 In this situation, what I'd like to see, and  
11 I don't know if there's body-cam footage, but we talk  
12 about stops and what may occur for whatever reason the  
13 officer may do whatever, he or she may utilize whatever  
14 various tactics is like what occurred in Oakland  
15 California, with Oakland California Police Department  
16 with the Stafford University study of some of the  
17 body-cam footage that showed that African-Americans  
18 were treated different than others, than whites on  
19 traffic stops. On traffic stops by officers it was  
20 ma'am, may I see your driver's license, or something to  
21 that effect or them being called by their first names,  
22 them being African-Americans and whereas the same  
23 officers would stop other people, white in particular,  
24 and it was a different type of demeanor. Sir, ma'am,  
25 you know, have a good day, etcetera.

1           So in terms of future, especially now that  
2 we're getting on-line with these body-cams, I would  
3 like to see some prior stops by an officer and some  
4 current stops in between the way Commissioner Vann was  
5 stopped, if there's such a thing, and maybe perhaps we  
6 can look at that in terms of perhaps determining what  
7 has occurred here. Because if it's a pattern that the  
8 officer is stopping every car the same way, okay. If  
9 there's a pattern of discriminatory treatment, one  
10 might say, in some stops, then we need to look at that  
11 in terms of our OCI, and perhaps it can be some, to  
12 address the issue, some retraining of some sort to  
13 rectify the issue here.

14           I mean I do understand. I've made probably  
15 tens of thousands of stops over the years. I do  
16 understand felony stops. I do understand in the middle  
17 of the night approaching a vehicle on a felony stop. I  
18 do understand the fear. I do understand working by  
19 yourself. Did that for five years, midnight shift in  
20 Atlanta, Georgia for the police department. So I do  
21 understand that type of fear when you're out there by  
22 yourself and your backup is ten minutes away or so  
23 because we have some large zones we call them.

24           But we just need to see if there's a pattern  
25 here. If Commissioner Vann, the officer that stopped

1 him, if he does that with all his stops or if it's just  
2 something different in the middle of downtown Detroit  
3 on daylight in front of City-County Building so. Yes,  
4 sir. Thank you.

5 AC WILLIAMS: Through the Chair. I want to  
6 make a correction of my early statement. So the River  
7 Days is 18. So that's all it is is you just have to be  
8 18. You don't have to be in the presence of someone  
9 who's 30 or more. You have to be 18 years or older.

10 DC BETTISON: For River Days it's 25. So you  
11 have to be in the presence of -- for minors, they have  
12 to be in the presence of 25 years of age. Last year it  
13 was 30. They modified it and reduced it by five years  
14 to 25.

15 AC WILLIAMS: Thank you for that, DC.

16 Commissioner, just, Commissioner Crawford, to  
17 your point, we consistently, and I should say, we pull  
18 video and review video and we do random selections.  
19 Review traffic stops to ensure they're being conducted  
20 correctly. We've been doing this prior to having body  
21 cameras. So before we had body cameras, we still had  
22 dash-cam video and we had body microphones. So it is  
23 something that we monitor. And we also monitor -- we  
24 receive the complaints from OCI for whatever we get for  
25 any traffic stop and we're guided by if we see an

1 officer because we got a report that shows how many  
2 complaints a certain precinct may have generated over  
3 whether it's demeanor, harassment, procedure and we try  
4 to correct those behaviors. But looking forward, like  
5 I said, I do want to look at Commissioner Vann's, that  
6 traffic stop in particular to see what was going on  
7 there and I would like to provide the Board with an  
8 answer for that, if I can.

9 CHAIRMAN BELL: We would appreciate it, but  
10 Commissioner Vann, were you ordered to roll down all  
11 your windows in your vehicle?

12 BISHOP VANN: Um-hum.

13 CHAIRMAN BELL: All your windows in your  
14 vehicle, put the keys on top and officer approached you  
15 with a weapon. And were you given a rationale at some  
16 point in time in reference to that you were potentially  
17 meeting some type of criteria, wanted vehicle or  
18 profile? Were you given an explanation?

19 BISHOP VANN: No, not at all. To my  
20 recollection, no. I just got tickets. He gave me  
21 tickets for, you know, he said that I ran the red light  
22 so he gave me a ticket for it. Whatever. I'm just  
23 saying that's how it ended. But I'm just saying that  
24 when I saw the gun, that was an escalation for me.  
25 That caused me to feel extremely uncomfortable in the

1 middle of Woodward in front of City-County Building  
2 with hundreds of people getting off of work as we left  
3 here, getting off of work. And there were a lot of  
4 people walking around. I'm not saying that things  
5 don't happen with unscrupulous people which, of course,  
6 I'm not one, but I'm just saying that it, it appeared  
7 to be an escalation to me. If I was wanted for  
8 something. I don't know. I don't know if he had some  
9 information about a car that looks like mine. I don't  
10 know. But I did have a car, I was driving a car on  
11 that particular day that sometimes people profile.

12 CHAIRMAN BELL: I understand. I don't have a  
13 car like it, but I understand. Chief Investigator  
14 Drake.

15 CI DAVIS-DRAKE: Yes, sir. For the record,  
16 Pamela Davis-Drake, Chief Investigator. I would  
17 suggest, of course, at the Board's pleasure, that we  
18 conduct an investigation; that we look further into the  
19 matter. And so that we won't discuss the particulars  
20 of the investigation on the record, I would suggest  
21 that we get the information from Commissioner Vann and  
22 that we at the OCI look into it.

23 CHAIRMAN BELL: I concur with that. And I  
24 would strongly suggest, and I have my own personal  
25 opinion I think of this sitting at this table law

1 enforcement experience, that is a very unusual traffic  
2 stop for DPD to make in the afternoon with no  
3 rationale, no explanation, no nothing. And as you well  
4 know, I've been stopped in Detroit, Kentucky all over  
5 the country and never witnessed anything of that nature  
6 even late at night, you know. That's unusual traffic  
7 stop and that's the concerns, the peers of the public  
8 are concerned about traffic. I understand the whole  
9 fear. And that tape, I strongly disagree -- they  
10 released that tape in the six seconds that officer  
11 opened fire. That's something that we should as  
12 African-Americans should be concerned about. People in  
13 general should be concerned about instances like that.  
14 And especially when the individual conveyed I have a  
15 gun. I have a gun. And that was the same dialog I had  
16 with the officer. He said we didn't get to that point.  
17 But by a CCW holder you must identify that you have a  
18 weapon. That's the first thing you do. But I haven't  
19 even reached that point that I have experienced of them  
20 identifying themselves with a weapon. So that is  
21 unusual.

22 So I'm looking forward to the outcome. But  
23 if that is the case of what's happening, roll down all  
24 your windows, put your keys on top, and I don't accept  
25 that explanation at all because I have some experience

1 with making traffic stops on felony traffic stops, and  
2 we all have, so I think this is unusual. When he  
3 conveyed that to me next day, I said that's a very  
4 unusual type of traffic stop.

5 CI DAVIS-DRAKE: And we are more than willing  
6 to take a look at all the evidence, find out exactly  
7 what the officer's rationale and then make a report.  
8 Obviously, that will provide an explanation that the  
9 Board will need.

10 CHAIRMAN BELL: Thank you. And maybe we can  
11 just take it general and generically just in terms of  
12 traffic stops of that case and magnitude because I  
13 always convey to people that state police have a little  
14 bit different approach in terms of traffic stop and the  
15 DPD sometime leave a whole lot to be desired in terms  
16 of how they approach traffic stops. And I'm not  
17 putting the state police on any pedestal, but I just  
18 notice in terms of how they approach it, but I think  
19 you're supposed to be given an explanation of what's  
20 happened. And I know the technology is so quick now.  
21 Back in the day we could not really go to the computer  
22 and get a profile of the car, run the plate. But now  
23 the technology just quickly, I don't understand. But  
24 we can move on. Thank you. Thank you.

25 AC WILLIAMS: And through the Chair, if I

1 can. I just want to make sure I make it clear. When  
2 you make a comparison between any law enforcement  
3 agency, I want to make sure that we put an  
4 understanding out. Detroit Police Department trains  
5 professional officers. You've been a part of it.  
6 These officers, it's a different age, a different time.  
7 We talk about technology. We got technology glitches.  
8 We've got glitches up the as far as you can see them.  
9 I've ran a plate with LIEN and I had to wait 30 minutes  
10 before something popped up and I had to jump out and  
11 get out there. I'm not going to go off on a tangent  
12 here, but what I want to say is that the officers in  
13 the current environment that we have, we have ambushes  
14 taking place. We have a whole lot of other things  
15 taking place.

16 CHAIRMAN BELL: Chief, let me say this.

17 AC WILLIAMS: Just if I can finish.

18 CHAIRMAN BELL: Excuse me. Let me say this  
19 to you. My background is just probably more extensive  
20 in terms of the day and age that we police in the '70s,  
21 '80s, we had just as many police officers shot and  
22 killed. We had issues. So I understand the nature of  
23 the climate over the years. In this day and age it's  
24 no different. It's a little bit more profile, but  
25 locally we had some serious issues that we had to

1 respond to. And that's why when we came on this job,  
2 I'm saying African-Americans, we wanted to take  
3 different approach how we tried to conduct ourselves.  
4 And I have a great deal of respect for this department  
5 and I have witnessed in terms of the training and all  
6 that. But the bottom line is, there's a certain  
7 climate of policing in America that's been exposed. So  
8 that's why we spent 11 years or more under the Justice  
9 Department scrutiny because of a lack of  
10 accountability. And now we must address those issues.  
11 And this Board must take a strong stand. You don't  
12 have to defend this department. We're just speaking to  
13 what this Commissioner experienced, retired officer  
14 experienced and we know the culture pretty much what  
15 we're dealing with. So I'm not somebody that's talking  
16 off the top of my head. I have a great deal of respect  
17 but I don't understand the nature of policing in  
18 reference to how we approach dealing with issues like  
19 that. So I understand. You don't have to be -- you  
20 don't have to debate.

21 AC WILLIAMS: Through the Chair. It's not a  
22 debate. It's just when brought up the comparison and  
23 we'll say well, Michigan State Police does it this way  
24 and that's something I want to make sure that a clarity  
25 is brought to it. We are a professional department and

1 that's all I was saying. So this Board serves -- I  
2 understand the purpose that this Board serves and I'm  
3 glad that this board is here. We need civilian  
4 oversight of a police department. That's not what I  
5 was objecting to. I'm objecting to the comparison to  
6 say that that was it. So I just wanted to put it that  
7 way.

8 CHAIRMAN BELL: I make that comparison  
9 because that comparison is out there in reality in  
10 terms of how folks respond to the image and the profile  
11 of how they approach the whole uniform, the whole  
12 demeanor, and that's something that I try to encourage  
13 the officers in DPD to have in a way. And I'm not  
14 saying that whatcha call it is so perfect, but we  
15 understand that's a different approach in terms of how  
16 you -- but perhaps they work a one-man car. But those  
17 issues have been debated over the years and people will  
18 convey that to you too. Well, they're a little bit  
19 more professional than us but they don't do the volume  
20 of work we do in the City of Detroit, so I understand  
21 that. But I look at officers across this country and  
22 we have interacted in that sense. So I respect you in  
23 terms of your concerns. But that was an unusual  
24 traffic stop and I want to close on that note.

25 Grants and Contracts.

1 MS. RUSSEL: Good afternoon.

2 CHAIRMAN BELL: Afternoon.

3 MS. RUSSEL: My name is Kelly Russell. I am  
4 a supervisor for Grants and Contracts for the Detroit  
5 Police Department. I have a team of two grant  
6 coordinators. And Cassandra Meyers, who is here today,  
7 if she could stand and just be acknowledged for being  
8 here today. And Paul Crisniak, who had to step out for  
9 a couple of minutes, but they have been performing  
10 exceptionally and I thought I would like to acknowledge  
11 them today.

12 I'll move right into the presentation.  
13 Federal and local grants play a significant role in  
14 supporting several of the Police Department  
15 Initiatives. The Grants and Contracts Unit is  
16 responsible for management and oversight of these funds  
17 including but not limited to, the following: Planning.  
18 We as a grants unit recognize and understand that  
19 planning is the key to successful grants management.  
20 It gives direction and focus to how we seek, identify  
21 and apply for grants as well as manage them once they  
22 are received.

23 Program administration. This is where we  
24 apply most of our time. We manage all activity  
25 associated with managing the grant programs we

1 currently have from end to end. Data analysis is also  
2 key to successful grants management in understanding  
3 where the program is in terms of performance and  
4 spending and identifying any risk to the program and  
5 make the adjustments accordingly is what my team does.

6 We've implemented, and continue to implement,  
7 internal controls and communication that supports  
8 end-to-end grants management, activities consistent  
9 with federal, state and local requirements.

10 Enhancing professional integrity to increase  
11 compliancy as we are in constant communication with or  
12 customers. We are promoting conduct and behaviors  
13 consistent with the restructuring efforts that the city  
14 has taken around financial stewardship as well as  
15 federal, state, local rules and regulations. We work  
16 towards maximizing revenues and resources to deliver  
17 results for the Department. We identify funding  
18 sources and work collaboratively with the Chief  
19 Development Officer, Ryan Fredericks, and his office to  
20 identify funding sources that will allow the Department  
21 to continue on current programs. We also introduced  
22 new initiatives that are created and funneled down from  
23 the grantor and our partners. We also gained in  
24 technological advances.

25 This slide illustrates the structure of the

1 Grants and Contracts Unit with my direct report, being  
2 Ms. Lisa Jones, the Agency Chief Financial Officer.  
3 This is the strategy map that I created for the Unit.  
4 It was to put together a clear goal for my team to keep  
5 in mind while performing their day-to-day tasks that  
6 they could easily refer back to. It also serves as a  
7 way to evaluate how we as a team are performing as a  
8 Grants Management Unit. It was developed using the  
9 bottom up approach with the intent to have an effective  
10 way to foster an environment that gives a sense of  
11 ownership in the process to my team. The first section  
12 states the vision is strategic priorities and the next  
13 section is where objectives, which are in the oval  
14 shapes, are grouped as they relate to the perspective  
15 of organizational capacity, perspective of internal  
16 processes, perspective of financial stewardship and of  
17 our customer.

18 Vision Statement states the Detroit Police  
19 Grants and Contract Unit will enhance the professional  
20 integrity of grants management and deliver results that  
21 maximize revenue for the Department. Three strategic  
22 priorities that accompany the Vision Statement are one,  
23 enhance transparency, efficiency and effectiveness in  
24 Grant Program management. This strategic priority  
25 directly correlates with customer perspective.

1                   Number two, manage risk across the lifecycle  
2                   of award through targeted oversight efforts. This  
3                   particular priority targets across all perspectives,  
4                   customer, finance, internal processes and  
5                   organizational capacity.

6                   And three. Improve policy process  
7                   development, execution and evaluation. This can easily  
8                   be identified in the internal processes; however, it  
9                   can impact all of the perspectives that are listed.  
10                  Moving horizontally on the map, there are measures,  
11                  targets and initiatives that support meeting the  
12                  objectives.

13                  This slide identifies the governing  
14                  principles and regulations we follow by organization.  
15                  The super circular, which is the federal regulations,  
16                  is what we are operating in total compliance of as it  
17                  relates to administrative requirements, cost principles  
18                  and audit requirements. City Charter is another area  
19                  that provides guidance to our day-to-day activity. It  
20                  has requirements for applying for grant opportunities  
21                  and identifies the various level of approval to do so.

22                  Office of the Chief Financial Officer is  
23                  where the Office of Grants Management reports, and they  
24                  have policies and procedures that govern the way we  
25                  manage grants as well.

1                   This slide is an illustration of the grant  
2                   lifecycle. It shows the common phases of a grant,  
3                   which are pre-award, post-award, closeout and  
4                   evaluation. In the pre-award phase, something I want  
5                   to highlight in this phase is that the opportunity  
6                   identification section is a centralized citywide effort  
7                   that is being managed by the Chief Development Officer,  
8                   Ryan Fredericks. He and his team search for grant  
9                   funding opportunity based upon the Department's  
10                  priorities and they share these private and public  
11                  funding opportunities with the Department. They also  
12                  offer grant writing assistance. There may still be  
13                  times when the Department will come across a grant  
14                  opportunity and we will act upon it accordingly. So it  
15                  is a collaborative effort in this process.

16                  Post-award, financial tracking and reporting.  
17                  My team is currently tracking spending of the grants  
18                  and identifying any risk to spending on time making  
19                  adjustments to the program budgets accordingly. For  
20                  example, a grant with a one-year term with four  
21                  quarters that are in alignment with financial reporting  
22                  to the grantor should be spending at a rate of 25%  
23                  quarterly. If they are not, my team is analyzing the  
24                  cause and effect and determining the proper course of  
25                  action.

1           In addition to that, we participate in single  
2           audits as well as audits by the grantor. Since coming  
3           on board, we've gone through one audit with the State  
4           of Michigan for our vocal program. Continuously we're  
5           going through the audit with the Department of Justice  
6           for our COPS Program and we have an audit scheduled for  
7           early fall with the State of Michigan for our auto  
8           theft prevention program.

9           In closeout phase, it is done collaboratively  
10          with our unit, the Office of Grants Management and the  
11          Office of the Controller to ensure the Grant is closed  
12          from all systems, for example, Dreams, Oracle, eService  
13          and any manual files that may exist for the Grant  
14          programs.

15          Evaluation phase is actually something that's  
16          performed throughout the lifecycle of the grant.  
17          However, it is identified in a summative format after  
18          closeout, which is why it's a standalone phase.  
19          Currently, the grant programs are being evaluated by  
20          the baseline objectives that are established in the  
21          grant application and communicated through performance  
22          and progress reports that are submitted to the grantor  
23          as frequently as required. This is the grant portfolio  
24          for the Department.

25          The table depicts we have 24 active grants

1 with a total award amount of about 16 million dollars.  
2 The graph illustrates the various types of grants the  
3 Department receives and what that looks like overall.  
4 The graph does not depict monetary value, but the  
5 number of grants awarded. As you can see, roughly 30%  
6 of the grants awarded are equipment only. 22% are  
7 salary and fringe only. 26% are overtime only, and the  
8 remainder percentages are combination grants of salary,  
9 fringe, equipment, etcetera.

10 Last calendar year, January through December,  
11 the Department had a win rate of 65%. They applied for  
12 20 grant applications and were awarded 13. The overall  
13 organization win rate, organization being the City of  
14 Detroit applications that were submitted, was 51.05%.  
15 47 applications were submitted citywide and 24 were  
16 awarded. In comparison, DPD applied for 20 of the 47  
17 and were awarded 13 of the 24, so that's not too bad  
18 for DPD.

19 This Calendar year to date we have applied  
20 for four Grant opportunities valuing approximately  
21 three million dollars and we have five more that we're  
22 submitting between today and mid July that total  
23 approximately four million dollars.

24 These maps represent targeting areas that the  
25 grants funding is supporting. I thought it would be a

1 great visual for you all to see how it's spread out  
2 across the city. I've focused on the four maps that  
3 you see right here because the other grants are  
4 citywide. So these are the grants that have targeted  
5 areas.

6 Ceasefire, as you can see, is in two areas,  
7 east side and west side. It initially started in the  
8 5th and 9th precincts and since expanded to the 6th and  
9 8th precincts. Project Safe Neighborhoods is a  
10 targeted grant in the 4th precinct. 8th precinct. My  
11 apologies. CHASS is training to police officers in the  
12 4th Precinct and the community and focused on domestic  
13 violence that also has a youth component.

14 CB patrol is one of our great grant programs  
15 that we have. It started off in one precinct and it  
16 has expanded throughout the entire city, so I wanted to  
17 bring some recognition to that as well.

18 That concludes my presentation and I would  
19 like to open up any questions that you may have.

20 CHAIRMAN BELL: Commissioners?

21 COMMISSIONER VANN: Mr. Chair.

22 CHAIRMAN BELL: Yes.

23 BISHOP VANN: I'm sorry to be talking so much  
24 today. I'd like to ask, in my previous life as a  
25 police commissioner, the first time I was on we were

1 always brought the grants and their applications were  
2 always brought to the Commission, especially grants  
3 that were matching grants. Is it that we don't engage  
4 in matching grants anymore or why are those no longer  
5 brought to us?

6 MS. RUSSELL: I do not have the answer to  
7 that question, but certainly if that is something --  
8 oh. Lisa will take over.

9 MS. JONES: Good afternoon, Commission. Lisa  
10 Jones, Agency CFO. So per conversations with Secretary  
11 Hicks, sir, we agreed to submit grant awards to the  
12 Commission, so if the direction is different, then we  
13 can follow accordingly.

14 BISHOP VANN: Do you have matching grants at  
15 all?

16 MS. JONES: We do have grants with matches,  
17 sir.

18 BISHOP VANN: Because previously, part of the  
19 purview of the Board's authority was that those  
20 matching grants had to be approved by the Board.

21 MS. JONES: Okay. So is the request, sir, to  
22 receive it at the application stage so that the Board  
23 is aware that there is a general fund match to the  
24 grant? That's what I'm hearing, sir?

25 BISHOP VANN: I'm just asking. I'm really

1 trying to be a real nice guy today. I'm not making any  
2 demands, I'm just saying that I noticed since I've been  
3 on this time, last three years or so, we have not had  
4 any grants presented to us for our approval and I just  
5 didn't -- I didn't know why. That's why I was asking.

6 MS. JONES: I understand, sir. So we  
7 definitely want to oblige going forward. And there was  
8 no directive to me when I arrived that the Board needed  
9 grants at any stage in the process, but we're happy to  
10 provide that going forward and any other information  
11 you need on the existing grants, we can provide that as  
12 well, sir.

13 SECRETARY HICKS: Excuse me, Mr. Chair. If  
14 you don't mind, our preference would be to receive  
15 those in advance as well as after. Advance, it gives  
16 the Commission an opportunity to see the direction  
17 because that's another area where the direction of the  
18 Department is set. And it may or may not be with  
19 inside of the overall budgetary review if the  
20 Department then seeks another grant in another area  
21 which you just simply are not accustomed to operating  
22 in that area. And then we'd like to obviously know  
23 after that that there was successful award, and in that  
24 regard, we have asked for grant modifications or  
25 budgetary modifications, if you will, in order to help

1 us over the course of the year in order to monitor. So  
2 again, just for clarity's sake both before and after.

3 MS. JONES: Yeah. Understood.

4 COMMISSIONER SHELBY: Through the Chair.

5 CHAIRMAN BELL: Commissioner Shelby. On the  
6 Detroit-Wayne County Mental Health Grant, are those  
7 funds used for education?

8 MS. RUSSELL: Those funds are used for  
9 training of officers to respond to cases that have  
10 mental illness elements to it.

11 COMMISSIONER CRAWFORD: Through the Chair.

12 CHAIRMAN BELL: Yes.

13 COMMISSIONER CRAWFORD: Ma'am, are there any  
14 grants or moneys that we haven't used for grants and  
15 the grants were returned?

16 MS. RUSSELL: So there are situations when  
17 there is money technically returned to the grantor, and  
18 that could be based upon various factors. For example,  
19 our COPS grants. When we apply for the grants, we are  
20 using budgeted amounts for fringe and for salary for  
21 the new hires. Once the new hires are on board, it  
22 depends on what type of benefit package they select and  
23 sometimes they may opt out. So then that would then  
24 relieve some of the budget and they will have the money  
25 that has to be returned. This particular grant only

1 allows you to have the grant for three years. There's  
2 no extension option here. So even if we got to the end  
3 of the third year and had funding left over, we could  
4 not apply for an extension. So the Department has  
5 technically met obligation of the grant, it's just that  
6 the over budgeting has, I guess, given the picture as  
7 if we have given money back.

8 COMMISSIONER SHELBY: Thank you.

9 CHAIRMAN BELL: Any other? So are we clear,  
10 Commissioner Vann, now that we are going to Mr. Hicks  
11 receive those grants that you outlined?

12 SECRETARY HICKS: Yes.

13 CHAIRMAN BELL: Are we clear on that now?

14 SECRETARY HICKS: Mr. Chair, if I could just  
15 also add that there was a series, in preparation for  
16 this meeting there were a series of questions in which  
17 we were contemplating and, quite frankly, wanted to  
18 hear the presentation today and I would want to note  
19 that we would be submitting some additional questions  
20 and then partially reflected based upon the information  
21 which we've received today. So if we can expect that  
22 to come in within the next couple weeks.

23 MS. JONES: So that is noted, Secretary  
24 Hicks. And I know part of your questions are in  
25 relation to Grants Accounting, which reports to the

1 controller, and I spoke with him this morning and he  
2 indicated that I should share that we are working with  
3 Central Finance. But again, they are controlling  
4 particularly I think about the cost cleanup for grants  
5 and the expenditure data that you're looking for. So  
6 we will help facilitate that, but they are going  
7 through a transition at that time with the grant  
8 supervisor position.

9 SECRETARY HICKS: Thank you, Mr. Chair. Just  
10 through the Chair. Just so that we're not keeping the  
11 Commissioner out of the discussion, one of the things  
12 that came to our attention was that there were some  
13 grants that have not been closed out and it was past  
14 the grant period. So this is, in part, a problem that  
15 we think exists because of the location of the work may  
16 not be centralized. It's in varying places. We're  
17 working to try and understand that ourselves, but we  
18 still have an ongoing request in order to get  
19 information about the closeout of -- and it was a  
20 fairly large number of grants. So that's what that  
21 portion of the discussion is.

22 CHAIRMAN BELL: Thank you. Thank you.  
23 Outstanding.

24 MS. RUSSELL: Thank you.

25 CHAIRMAN BELL: Next item would be standing

1 and ad hoc committee reports. Do we have any at this  
2 time?

3 COMMISSIONER SANDERS: Through the Chair.

4 CHAIRMAN BELL: Yes, sir.

5 COMMISSIONER SANDERS: It's not a report, but  
6 it is something I've been doing every week doing a  
7 ride-along with different precincts, and I did one with  
8 Precinct 4 and it went pretty well. The officers were  
9 very professional. We had some incidents where it was  
10 pretty heavy dealings that they had to deal with and  
11 they pretty much was professional in the way that they  
12 did that, and I really look forward to doing more  
13 ride-alongs with different precincts because I'm  
14 learning a lot from the officers just as well as myself  
15 too. So I just wanted to report that out.

16 CHAIRMAN BELL: Commissioner Sanders, did you  
17 observe any traffic stops?

18 COMMISSIONER SANDERS: Yes, sir. Yes, I did.  
19 Yes, I did.

20 CHAIRMAN BELL: You don't have to explain  
21 your role, but you made your observation.

22 COMMISSIONER SANDERS: It was pretty hairy,  
23 but they pretty much handled those traffic stops was I  
24 could say life and death.

25 SECRETARY HICKS: Commissioner, if I might

1           add. This is informationally, but I'd also note that  
2           Ms. Blossom on her staff, likewise, has participated in  
3           some of the ride-alongs and I think we are, through her  
4           experience, are encouraging some of the other staff as  
5           well to kind of get engaged in that way. There's a lot  
6           of information. Which you can glean on the streets  
7           itself that would improve our understanding as we  
8           analyze information and look at information. So I did  
9           want to point to Ms. Blossom in that regard.

10                           CHAIRMAN BELL: Thank you.

11                           COMMISSIONER SANDERS: On another note,  
12           Chair. This happened to be about four months ago. I  
13           was stopped right around the corner at my employer on  
14           Michigan and Second. And when the officer pulled me  
15           over, when the officer approached me, right away I told  
16           him that I had a CPL. And he asked me where it was and  
17           I told him it was on my right side, and he disarmed.  
18           And he said that I was swerving in and out of traffic  
19           and he could take me to jail for reckless driving. It  
20           was two officers. Well, I ran across both those  
21           officers today right across the hall out there and I  
22           talked to them about it and they didn't recognize me at  
23           first. I kind of made them recognize me. I never told  
24           them who I was or what I do. But what I did tell the  
25           officer I was kind of afraid, but I didn't let him know

1 that. And I did tell him that he should kind of pipe  
2 down the way that he does things. They didn't have a  
3 name tag on them. They had a car that he told me that  
4 did not -- the camera didn't work on it. So it would  
5 just be my word against his word, you know. And it  
6 just so happened coming here today and hearing about  
7 Commissioner Vann and then seeing those two officers  
8 across the hall over here, it just -- I guess it was  
9 everything when we ride up and one not being taken care  
10 of.

11 AC WILLIAMS: Through the Chair. I'm glad  
12 that this came up and I look forward to the report from  
13 OCI and whatever we can do on my side, I'm going to  
14 make sure we improve those traffic stops. Of course,  
15 traffic stops are a stressful thing, but we want to  
16 make sure that everybody feels safe when it happens.  
17 So that's something we'll be doing on our side  
18 regardless of when, and when we see the report from the  
19 Chief.

20 CHAIRMAN BELL: Thank you, Officer Williams.  
21 I'm going to bring myself up to speed to visit some of  
22 these precincts too and ride along. Just get a feel.  
23 It's one thing to talk about past experience, but  
24 basically I was just stopped, but the officer from the  
25 5th Precinct know me and they recognize me, pull up and

1 I was in the lot checking my phone, are you okay, you  
2 know, and that type of thing. But basically I think  
3 overall officers do a good job. I don't want no one to  
4 leave here, the audience in this particular format to  
5 understand. But there is a fear element that's in our  
6 community, in this nation, but that's always been how I  
7 was raised in terms of that fear and element. When  
8 it's up close family-wise, I witnessed it up close, my  
9 personal experience, we know that's a reality. And you  
10 as officers, you as African-Americans, have encountered  
11 that yourself, not only on duty but off duty. Work in  
12 plain clothes we was under a different standard and  
13 scrutiny in terms of identifying yourselves. We've had  
14 officers shot and killed in full uniform that brought  
15 about a whole different concept of a raid, but nobody  
16 talk about the reality of how this officer in uniform  
17 was killed by a plain clothes officer, but that's  
18 something was swept under the rug. But it's not going  
19 to happen in this day and age. That's the reality when  
20 you talk about the history of this department, it was a  
21 black officer killed in full uniform on duty responding  
22 to a situation and a plain clothes officer of other  
23 persuasion responded. So look that one up.

24 COMMISSIONER SHELBY: Officer Radden.

25 CHAIRMAN BELL: Yes. Look that history up.

1 So we know the history. We know the involvement and  
2 it's too closed up. And some things haven't changed.  
3 That's why we want to be as Commissioners, and I'm  
4 pretty sure DPD personnel feel that same way.  
5 President Obama stated in terms of an I'm  
6 African-American. I understand. Labron James made it  
7 crystal clear. The mayor of the city talked about the  
8 issues in Mackinaw, but he needs to talk about those  
9 issues in Detroit to this crowd because we understand.  
10 Mr. Vann talk about one Detroit. Those perceptions are  
11 there. It's for real. So we don't make these things  
12 up, but we're a part of this community, and I'm looking  
13 forward to ongoing dialogue in reference to how we  
14 handle this. That's why we are here as a board and the  
15 board is larger now because of those concerns. So we  
16 understand your pain. We got to get to the bottom of  
17 it. We want to be constitutional. And I know a  
18 trigger word, I'm fearful for my life. But the average  
19 citizen is fearful for their lives too. I'm fearful  
20 too. We're all fearful in this day and age but  
21 officers have a different criteria than John Doe  
22 Citizen. The military has a different criteria, but  
23 they're under that type of scrutiny too. So we're all  
24 on the same page but we have to raise those issues in  
25 order to move on.

1 So the next item would be, Mr. Hicks.

2 SECRETARY HICKS: Thank you, Mr. Chair. Can  
3 I also just inquire. Is it also the pleasure of this  
4 Board that OCI would likewise take the information from  
5 Commissioner Sanders and open a investigation in  
6 connection with Vann as well?

7 CHAIRMAN BELL: Yes. Both parties, both  
8 Commissioners, we want to making sure that we have  
9 addressed these concerns.

10 SECRETARY HICKS: The Chief is nodding her  
11 head.

12 Commissioner, I simply wanted to report that  
13 on the day's agenda in terms of incoming  
14 correspondence, I have seven items that are listed in  
15 there. One of those items relates to a presentation  
16 that was a part of our oral communications with Peter  
17 Rhoades and Peter had submitted a set of questions to  
18 the Board in connection with reimbursement or contract  
19 obligations that the city would receive as a result of  
20 some of the downtown sports and entertainment activity.  
21 That set of questions have been forwarded to the  
22 Chief's office. As well as we have received a number  
23 of inquiries relative to towing pursuant to the actions  
24 of the Board last week.

25 In the cases that involve or in situations

1 that involve the towing company that you acted upon  
2 last week, all of those inquiries or information is  
3 being referred to corporation counsel. On other cases  
4 in terms of just providing citizens with a copy of the  
5 towing list and things like that, we have basically  
6 responded to those things. And again, with that, as I  
7 indicated, there are seven items you have in front of  
8 you, but I did want to point out categorically the ones  
9 I just talked about.

10 CHAIRMAN BELL: Thank you. Any questions or  
11 concerns to Mr. Hicks? Old business? New business?  
12 Yes. Old business?

13 COMMISSIONER CRAWFORD: Through Chair. On  
14 old business.

15 CHAIRMAN BELL: Yes, sir.

16 COMMISSIONER CRAWFORD: In reference to last  
17 week pertaining to the towing issue and I realize the  
18 allegations and what we voted on last week to rescind  
19 the permit. However, what was in the media made  
20 reference to this Board. And I just want to go on  
21 record to say I think the people on the Board are very  
22 honorable, the Commission, all of its members. It's an  
23 honor for me to serve on this Board.

24 However, in the context of what was in the  
25 media, I received calls, Commissioner Moore I know

1 received calls because he called me, just left the  
2 Commission a couple months back, and the concern from  
3 some of the citizens were did he leave because he knew  
4 something like this was coming. The calls that I had  
5 referenced, I'm not running for reelection. Is that  
6 why I'm not running for reelection because something  
7 like this is coming. I had no idea, but I just want to  
8 say that I think that this Board is above reproach.  
9 And something I read into the record, I don't know,  
10 several months back, and it was in reference to us  
11 voting on something pertaining to towing. And I'll  
12 read it into the record again. I have not taken any  
13 money, campaign contributions or any gratuity from any  
14 towing business. I'm above reproach. I'm going to  
15 quote the late congresswoman out of the State of New  
16 York, Shirley Chisholm, I'm un-bought and un-bossed.

17 CHAIRMAN BELL: Duly noted. And we can't  
18 always respond to what's in the media and what's in the  
19 media or what's not in the media or so, but we're going  
20 to move on. Any new business? Announcements. Our  
21 next meeting will be Thursday June 29th, 2017 at 3 p.m.  
22 at the Public Safety Headquarters. Our next community  
23 meeting would be July the 13th at the 10th Precinct,  
24 Boys & Girls Club, 4242 Collingwood. That's on the  
25 west side of the street -- city.

1 MS. PANNELL: At Petoskey.

2 CHAIRMAN BELL: Petoskey. Make sure we put  
3 those directions and we won't get lost. Thank you,  
4 Pannell.

5 Next item that we're going to be addressing  
6 now is oral communication from the audience. I assume  
7 Ms. Blossom got cards. Please give your name and limit  
8 your comments to two minutes. Keep in mind we are here  
9 for public safety issues and we want to address your  
10 questions, concerns or comments, but you have two  
11 minutes. If not, there's always opportunity to talk to  
12 the Commission after the meeting or DPD personnel from  
13 Assistant Chief on down. And Deputy Chief is here to  
14 answer any of your concerns if you feel as though you  
15 don't have enough time to explore that. So, Ms.  
16 Blossom, would you make the first --

17 MS. BLOSSOM: The first speaker, Mr.  
18 Chairman, Mr. William Davis.

19 MR. DAVIS: Hello. William Davis. I was  
20 originally going to comment on something else, but  
21 after hearing one of the Commissioner's speak about his  
22 stop, I decided to comment on something, something more  
23 personal. I'm a little bit older than some of you, and  
24 I remember being stopped a number of times like in the  
25 '70s. And even the times I got stopped by them and

1 threatened by them, and I know a number of people got  
2 beat up by them, I never thought I was going to get  
3 killed.

4 Now, spring forward to today. I have two  
5 sons in their twenties and I am afraid every time a  
6 police officer stops them now because it is like open  
7 season on black men in this country. Just like these  
8 Commissioners who were stopped, I think they probably  
9 even more concerned and more alarmed if they had been  
10 young black men today, because young black men get shot  
11 very quickly for nothing. So I think it's beholden on  
12 this Board and the Police Department to do a better job  
13 of communicating to people that the police are not out  
14 there to kill black people or even if it's a black  
15 officer sometimes it seems like there's no problem  
16 about shooting a black person. Especially now it looks  
17 like more and more the new police officer look like  
18 white skinheads to me. Have a good day.

19 CHAIRMAN BELL: Thank you. Ms. Sharon Sklar.

20 MS. SKLAR: Hi. My name is Sharon Sklar and  
21 I'm here today to talk about problems that we're having  
22 at Balduck Park. It is Belle Isle on steroids. People  
23 come. They disrespect our park. They threaten us.  
24 They park everywhere. There's no police presence.  
25 It's off the hook. And we actually have longtime

1 neighbors who are moving out of our area because of the  
2 park. They just say we can't take one more year. So  
3 I'm here on behalf of my neighborhood and my neighbors  
4 and we really need to get a handle on it because it's  
5 just -- it's unmanageable.

6 CHAIRMAN BELL: What timeframe are you  
7 speaking of?

8 MS. SKLAR: Well, now that summer's here,  
9 every day but Thursday, Friday, Saturday, Sunday. I  
10 mean you can't even sit in the comfort of your own home  
11 without extremely loud music, your windows vibrating,  
12 vulgar music. People actually pulling out a barbecue  
13 on your front lawn, your little island there, because  
14 they don't want to walk across the park. And if you  
15 say anything to people, I've had my life threatened.  
16 I've had people say they're going to come back and burn  
17 down my house. We're losing a lot of good neighb -- I  
18 mean that area has a lot of longevity as far as  
19 residents and they're leaving. They're leaving, and I  
20 might be one of them because you know what, I can't  
21 take it anymore.

22 CHAIRMAN BELL: That's Cornerstone Village  
23 area.

24 MS. SKLAR: Yes, sir.

25 CHAIRMAN BELL: I know it well. And I will

1 personally look into it with the Assistant Chief and  
2 Deputy Chief. I live not too far from there. I was  
3 not aware. I have attended the meetings in the past  
4 and that never really came up. But as you well know,  
5 not all neighbors come to that meeting or East English  
6 Village meetings. So I'm glad you brought this to our  
7 attention.

8 MS. SKLAR: Thank you.

9 CHAIRMAN BELL: I'm going to make sure that  
10 we get your name and telephone number and we would  
11 really do aggressive follow-up. We do have a park  
12 detail that's kicking off and maybe our Deputy Chief  
13 might want to respond to that or AC.

14 MS. SKLAR: Yes.

15 AC WILLIAMS: So me and Ms. Sklar go way  
16 back. So I'm going to make sure you have the number to  
17 the captain who's taking my spot. And also I'll make  
18 sure you have a contact for the parks detail. They  
19 just started June 13th.

20 MS. SKLAR: And I do want to commend the  
21 Assistant Chief there. When he was in charge of the  
22 park detail he was very available to us. His men did a  
23 good job. I know they can't be everywhere all the  
24 time, but at least we felt like we were having a  
25 response. And I could use that officer back that wrote

1 the 64 tickets that day. Okay.

2 CHAIRMAN BELL: And we don't want to lose any  
3 good neighbors because that's a solid neighborhood. We  
4 lost a whole lot of good people out of that  
5 neighborhood. You got my attention so.

6 MS. SKLAR: Thank you. And on a different  
7 note, I just want to close and just say I understand  
8 with all due respect about the traffic stops, but we  
9 have a very dear friend that's hanging out on the wall  
10 out there who was murdered on a traffic stop that was  
11 routine.

12 CHAIRMAN BELL: Well, we have quite a few  
13 good friends out there.

14 MS. SKLAR: Yeah. But we do. Many.

15 CHAIRMAN BELL: Quite a few out there.  
16 Right. Yes, ma'am.

17 MS. SKLAR: But let's not forget them. Thank  
18 you.

19 CHAIRMAN BELL: Commissioner Crawford.

20 COMMISSIONER CRAWFORD: Yes, ma'am. I have  
21 one question.

22 MS. SKLAR: Yes, sir.

23 COMMISSIONER CRAWFORD: Does the park close  
24 like after 10:00 or is it supposed to be closed at 6:00  
25 or something? Are there signs up?

1 MS. SKLAR: Supposed to is the operative  
2 word, but we really haven't had any police presence  
3 there.

4 COMMISSIONER CRAWFORD: Because most of these  
5 parks are supposed to close at certain times.

6 MS. SKLAR: You know, we have a lot of good  
7 families that come out there and tried it but, you know  
8 what, they don't even come because their kids are out  
9 there and their music is very nasty and people are, you  
10 know, just everywhere. It's just -- you know, the good  
11 people that come, I feel bad because they leave, and  
12 it's just -- I mean we have people having sex at the  
13 curb and urinating on your lawn and I could go on and  
14 on. But yes, I'd like to meet somebody and continue  
15 this conversation because I've been very involved in my  
16 community for 20 years.

17 CHAIRMAN BELL: The city has enhanced that  
18 park too.

19 MS. SKLAR: Yes.

20 CHAIRMAN BELL: And really that was one of  
21 the issues that we can concentrate on reflection from  
22 Belle Isle, from Chandler Park all the parks, that's  
23 why we have park detail. So we'll make sure that  
24 Commander Ewing understands to monitor it and we have  
25 dialogue.

1 MS. SKLAR: Yes. I do want to also say that  
2 when Captain Bliss was our captain, Number 5, he was  
3 very involved in helping us out.

4 CHAIRMAN BELL: We'll make sure we can do our  
5 best to resolve the problem.

6 MS. SKLAR: We'd appreciate it. Thank you  
7 very much. Thank you for your time.

8 AC WILLIAMS: Through the Chair. Ms. Sklar,  
9 you have a problem if I give your number to captain  
10 Patterson and Captain Warren?

11 MS. SKLAR: Not at all. You still have it?

12 AC WILLIAMS: Yes, I still have it.

13 MS. SKLAR: Yes, sir. Thank you.

14 CHAIRMAN BELL: Thank you.

15 MS. BLOSSOM: Joan Fiore.

16 MS. FIORE: Good afternoon, ladies and  
17 gentlemen. My name is Joan Fiore. I'm the owner of  
18 the realty company. I'd like to provide a brief  
19 background on myself. I was born and raised in the  
20 City of Detroit. I'm a DPS graduate. I have worked in  
21 the City of Detroit my whole life and started at the  
22 age 15.

23 I started the realty company in 1994 and have  
24 been a good corporate citizen rehabilitating properties  
25 for which I never received a tax credit. I stayed

1 through the multiple downturns and am 100% woman owned.  
2 I own property throughout our great city. If you have  
3 any questions for me regarding the great service I  
4 provided to the city or if you'd just like to learn  
5 more about my business and the level of commitment I've  
6 made to this city, I'm available. Thank you.

7 CHAIRMAN BELL: Thank you.

8 MS. BLOSSOM: Our next speaker, Mr. Chairman.  
9 Anthony Thomas, and he's going to be followed by  
10 Matthew Bancroft.

11 MR. THOMAS: Good afternoon. My name is  
12 Anthony Thomas. I own B&G Towing in Detroit, one of  
13 the police towers. I don't come to these meetings at  
14 all. I just wanted to make myself available for any  
15 questions. I've owned B&G Towing since 2000. The sole  
16 owner since 2011. We have a flawless record as far as  
17 I'm concerned and know. And if there's any questions  
18 in the future, anyone needs to know who I am, I just  
19 wanted to introduce myself.

20 CHAIRMAN BELL: Thank you.

21 MR. THOMAS: Thank you.

22 MS. BLOSSOM: Mr. Bancroft is going to be  
23 followed by Paul Ott.

24 MR. BANCROFT: Hello, everyone. My name is  
25 Matt Bancroft. I've worked with Boulevard & Trumbull

1 Towing for 15 years. We're not just a towing company.  
2 We have multiple, multiple families that I've worked  
3 with throughout those years. My colleagues and I hold  
4 more experience in Wayne County as far as towing goes  
5 than anyone else that we know of. We're constantly  
6 training to get ourselves better. We've put forth huge  
7 sacrifices to our personal families to be down here  
8 helping the police towing for as many years as I've  
9 been there and more.

10 We work 24/7, 365. I got a letter the other  
11 day from the Police Department saying that's 85% of the  
12 towers don't respond at night. I can assure you that  
13 Boulevard & Trumbull was not one of the 85% that  
14 didn't. We go out in snowstorms. We go out in floods.  
15 We try to help everything. If you take anything away  
16 from this, from my public comment, I'd like you to  
17 remember, me and my colleagues, some of them have been  
18 there longer than I have, some of them been there a  
19 little shorter. Many many families are supported by  
20 Boulevard & Trumbull Towing in the City of Detroit and  
21 we're not just one person. We're made up of many  
22 families. Thank you.

23 CHAIRMAN BELL: Thank you.

24 MS. BLOSSOM: Mr. Ott's going to be followed  
25 by Nicholas Bachand.

1 MR. OTT: Good afternoon. My name is Paul  
2 Ott. I am the owner of Gene's Towing. Been towing my  
3 whole life and I just look forward been towing for  
4 Detroit Police. I just wanted to introduce myself.  
5 Thank you.

6 CHAIRMAN BELL: Thank you.

7 MR. BACHAND: Good afternoon, Board. Through  
8 the Chair, my name is Nicholas Bachand. I represent  
9 Boulevard & Trumbull Towing. It's a pleasure to be  
10 with you this afternoon. Like I am on many afternoons  
11 on Thursday had a wonderful day today and I continue  
12 and hope that we continue to have wonderful days in the  
13 future. Last Thursday this Board passed a resolution.  
14 I still do not have a copy of the resolution. I've  
15 asked verbally. I've asked in email and I've asked on  
16 a hand delivery and do not have a copy of the  
17 resolution. I know there's another resolution that you  
18 passed and I don't believe anybody has a copy of that  
19 resolution. I don't know when those resolutions are  
20 coming, but I would gladly wish to have a copy of them  
21 to understand what action the Board took because my  
22 understanding the Board goes through its writings. If  
23 there's anything you can do to help speed that up, that  
24 would be helpful to help understand where the Board is  
25 coming from.

1 I'm here to tell the truth. Gasper Fiore is  
2 not an owner or an officer of Boulevard & Trumbull  
3 Towing. He hasn't been for several months and he  
4 resigned as an employee upon receiving the notification  
5 from the federal government. It's a sad day for  
6 Boulevard & Trumbull, but this is what has happened.  
7 And the thing is, and I don't know if the Board knew or  
8 not, is that the Detroit Police Department was notified  
9 of this immediately. They knew three weeks prior to  
10 what decision you made last week. So I'm trying to  
11 look for some clarity and that's why I'm being  
12 proactive to know where the Board stands. So I'd love  
13 to know where the resolutions are.

14 As Mr. Bancroft said earlier, Boulevard &  
15 Trumbull has continued to be for Detroit, continues to  
16 be compliant and wants to work for the Detroit Police  
17 Department, wants to help protect people, bring and  
18 help be a team with public safety. So I thank you.  
19 They've been working for 30 years and I appreciate you  
20 for my comments. And if you have any questions, be  
21 more than happy to ask them.

22 CHAIRMAN BELL: I just want to make --  
23 respond to your comments about the resolution. There  
24 was no resolution passed. We voted through a motion by  
25 Board members so there was two motions passed impacting

1 towing but no resolution. We normally don't draft  
2 resolutions. Under certain circumstances, but not in  
3 this circumstance here. But what you're indicating to  
4 us in address to our secretary in writing Mr. Hicks and  
5 also the legal issue to the corporation counsel, Butch  
6 Hollowell. I think that that would be the proper  
7 channels to address your concerns about ownership,  
8 contract, permit whatsoever through those two channels.  
9 And by all means, we want to be a well-informed Board,  
10 but we acted based on corporation counsel's  
11 recommendation. As you well know, that's how we voted.  
12 That's a matter of public record. So if you would  
13 comply with that, but there will be no resolution  
14 forthcoming, but I'll get copies of our minutes, we  
15 will provide that to you perhaps as soon as tomorrow in  
16 terms of the motion that was passed by this Board.

17 MR. BUCHAND: Can I respond?

18 CHAIRMAN BELL: Yes, sir.

19 MR. BACHAND: I do wish to have a copy of the  
20 minutes. I was waiting for this Board to approve them.  
21 And I did seek out corporation counsel in your  
22 conference and gave no comment. So that's why I sent a  
23 document to the Board secretary. So thank you very  
24 much.

25 CHAIRMAN BELL: And by all means, respond in

1 writing about your concerns about ownership, etcetera,  
2 etcetera to the corporation counsel and also provide  
3 this Board copies of that which you're indicating that  
4 certain things transpired that we was not aware of. So  
5 if you want to bring us up to date, communicate that in  
6 writing and we would entertain that and follow up on it  
7 and see where we are with that matter. That is the  
8 position of the Board in reference to the action that  
9 we took based upon that type of recommendation.

10 MR. BACHAND: And just for your knowledge,  
11 just I want to clarify that real quickly to make sure.  
12 I apologize. The towing lieutenant who's over towing  
13 that I've been informed to speak to knew of this on  
14 that Thursday.

15 CHAIRMAN BELL: Well, anything that you have  
16 of that nature, if you would formulate that in written  
17 form, then we can review it.

18 MR. BACHAND: No problem.

19 CHAIRMAN BELL: We heard you loud and clear  
20 but we would need something in writing. Thank you.  
21 Mr. Crawford.

22 COMMISSIONER CRAWFORD: Yes, sir. Turning on  
23 today's issue, we did receive a copy of your  
24 communication. It was in our packet. This current  
25 packet we just received today. So this is a copy of

1 your letter.

2 MR. BACHAND: Okay. Thank you very much.  
3 Have a wonderful day.

4 SECRETARY HICKS: Excuse me. Mr. Chair.  
5 Just for the record, we were not at liberty to  
6 distribute your minutes until you were present.

7 CHAIRMAN BELL: Understand. Now we can make  
8 the distribution of it. Right. Thank you.

9 MS. BLOSSOM: Our final speaker, Sharon  
10 Pannell.

11 MS. PANNELL: Well, I don't need to now  
12 because Deputy Chief Bettison took care of that about  
13 the age limit.

14 CHAIRMAN BELL: About the curfew. The age  
15 thank you. Is that it?

16 MS. BLOSSOM: That's it, Mr. Chairman. Thank  
17 you.

18 CHAIRMAN BELL: Thank you. If there's no  
19 other communication, the Chair would entertain a motion  
20 for adjournment.

21 COMMISSIONER: So moved.

22 COMMISSIONER: Support.

23 CHAIRMAN BELL: It's been properly moved and  
24 supported. Discussion? Those favor aye?

25 COMMISSIONERS: Aye.
