23 introduce him for the record. Chief Craig, James
24 Craig.

25 CHIEF OF POLICE CRAIG: Thank you.

1 CHAIRPERSON BELL: Good to see you this
2 afternoon.

3 CHIEF OF POLICE CRAIG: Thank you.

4 (Commissioner Burton entered the proceedings
5 at about 3:04 p.m.)

6 CHAIRPERSON BELL: I don't really have a
7 formal report for this meeting here.

8 SECRETARY ANTHONY: Mr. Chair, may I?
9 Commissioner Burton has arrived.

10 CHAIRPERSON BELL: Commissioner Burton?

11 SECRETARY ANTHONY: Yes.

12 CHAIRPERSON BELL: He is sitting to my right.

13 SECRETARY ANTHONY: Yes, sir.

14 CHAIRPERSON BELL: The one and only Willie
15 Burton.

16 COMMISSIONER BURTON: Present, Mr. Chair.

17 CHAIRPERSON BELL: Thank you, sir.

18 Thank you, Mr. Secretary.

19 I just want to point out that the
20 commissioners should have in their possession by
21 e-mail, that would be the draft of the 2014 Annual
22 Report. Hopefully you have received that.

23 (Commissioner Carter entered the proceedings
24 at about 3:04 p.m.)

25 CHAIRPERSON BELL: And if you have any

1 concerns, any suggestions, or notes, respond to the
2 Board Secretary, we would appreciate it, because we
3 want to move that item right along with your input.

4 And also we asked last week that you have the
5 strategic planning draft also in your possession. And
6 so hopefully you have responded to that. If you have
7 any concerns, any issues, that we can move that item
8 into the Board agenda next week, I think, as it is
9 scheduled, on that particular note. So those two items
10 I just ask that you do diligent in terms of reviewing
11 those two items.

12 And the third item would be that we have two
13 hearings coming up next week, so you have that
14 notification package, you should have those items too.
15 So please take your time to read those appeals, two
16 candidates for the Academy. So you have that in your
17 package, so hopefully -- I just want to make sure that
18 we have been duly served and that we have the
19 documentation, that we can move forward next week on
20 those two issues.

21 So that would be my reporting out.

22 And I just want to say Chief Craig, I would
23 say once again, we served up all your accolades last
24 week at the Board Meeting. And I had an opportunity to
25 speak to your renewal contract for two more years. But

1 I want to say at this meeting, once again, we are
2 looking forward to those two years plus --

3 CHIEF OF POLICE CRAIG: Thank you.

4 CHAIRPERSON BELL: -- since you denied the
5 rumors that you -- Chicago --

6 CHIEF OF POLICE CRAIG: Chicago, Los Angeles.

7 CHAIRPERSON BELL: Those have been dispelled.

8 CHIEF OF POLICE CRAIG: Right.

9 CHAIRPERSON BELL: And like the Mayor said,
10 he is not running --

11 CHIEF OF POLICE CRAIG: Cincinnati.

12 CHAIRPERSON BELL: I didn't know about that
13 one.

14 CHIEF OF POLICE CRAIG: There is a bunch of
15 them.

16 CHAIRPERSON BELL: Okay. So the Board
17 expressed their support, you know, across the table in
18 terms of your reappointment to Chief of Police. We all
19 agree that you have been doing outstanding for the last
20 two years. And we are looking forward to more
21 outstanding work and relationship with this Board. So
22 just really pleased that you have the opportunity to go
23 forward. I think it is in the best interest of the
24 City of Detroit, and especially the Detroit Police
25 Department. And I was pleased to see that your family

1 was out there in terms of supporting, even though you
2 forgot to introduce them.

3 CHIEF OF POLICE CRAIG: It was taking me off
4 my flow.

5 CHAIRPERSON BELL: I know. I know.

6 CHIEF OF POLICE CRAIG: I had it planned for
7 the very end. But --

8 CHAIRPERSON BELL: The Mayor stepped in.

9 CHIEF OF POLICE CRAIG: Yes, he did. But I
10 appreciate those kind words.

11 And certainly to the Board, I appreciate your
12 support. This has certainly been the most challenging
13 two years in my 38 years in policing. But it has been
14 very rewarding too. So I appreciate that.

15 CHAIRPERSON BELL: Thank you.

16 And I just want to say that I never attended
17 a ceremony of that nature. And I was just impressed by
18 the room in terms of the filled to capacity in terms of
19 cross-section of people that attended and spoke highly
20 of you, and in terms of that type of support.

21 And I apologize to the Board. We did not get
22 the information out to them in a timely manner, but I
23 think in the haste of the Mayor office and all of that,
24 but I apologize on behalf that process -- they didn't
25 get the proper notification. But in spirit they were

1 there.

2 CHIEF OF POLICE CRAIG: I believe that.

3 CHAIRPERSON BELL: Okay.

4 CHIEF OF POLICE CRAIG: I asked a couple of
5 the Board, said, where were you? And they said, well,
6 we didn't get a formal invitation. I say, well, I
7 called --

8 CHAIRPERSON BELL: Beg your pardon?

9 MS. SMITH: We didn't either.

10 CHIEF OF POLICE CRAIG: Well, you show up at
11 everything.

12 MS. SMITH: We felt left out.

13 CHAIRPERSON BELL: I just want to say I know
14 we had an officer was shot in the line of duty last
15 week.

16 CHIEF OF POLICE CRAIG: Yes.

17 CHAIRPERSON BELL: I assume that officer is
18 doing well.

19 CHIEF OF POLICE CRAIG: And I want to talk
20 briefly.

21 CHAIRPERSON BELL: Okay. Why don't you do it
22 now.

23 CHIEF OF POLICE CRAIG: Thank you, Mr. Chair.

24 I did want to talk because it is critical.

25 First let me say, and I know there is a presentation

1 set, certainly, the Commander, Captain, certainly did a
2 phenomenal job in managing what I would describe as a
3 very tense situation.

4 I have been on a number of these barricade
5 suspects, both here and other cities. I will tell you
6 this one was one that from the beginning, it just
7 didn't feel right. I mean, first, the suspect, you
8 know, who had some recent history of mental illness
9 that was not documented, we learned this, he went over
10 to his mother-in-law's house, shot the house up. And
11 what was interesting that really didn't get
12 communicated out in the news is that he left that
13 location, with his family, or went -- or returned to
14 his residence where his family was at and took them
15 hostage. Probably five or so family members.

16 But what was interesting, the initial
17 responding officers, they got there, responded in, and
18 met with the suspect who was armed with a shotgun. He
19 pointed that shotgun at the officers. Clearly, they
20 had an opportunity to use deadly force. And in having
21 a conversation with them at the scene that morning,
22 they articulated to me that they were very concerned if
23 they had used deadly force, that it may have caused
24 harm to the family. So they opted not to. Putting
25 their own safety ahead of, you know, very important.

1 So they quickly did the right thing. Our SRT got out
2 there quickly. Lengthy negotiation with the suspect.

3 Once I arrived there, I was closely
4 monitoring the dialogue with Commander Barren, and it
5 was clear at different points that the suspect could
6 have gone either way. At times he would come and
7 display a weapon. He was armed with a pistol and a
8 shotgun.

9 And at some point during the negotiation, we
10 believed he was going to surrender. He released all
11 the hostages except for one, his wife.

12 We were certainly concerned about her safety.
13 In fact, we met with her son, not in common with the
14 suspect. He is a 15-year-old young man, who said, he
15 is going to kill our mom. He was convinced on that
16 based on the actions that we knew about, some things he
17 had said prior.

18 Well, of course, that didn't happen. He
19 preferred we go in, basically neutralize the threat. I
20 explained to him that we were going to do everything we
21 could to keep his mom safe and his step-father.

22 And so negotiations were going well, and it
23 became problematic. Once he let the hostages go, he
24 put on an army fatigue jacket and literally jumped out
25 off the front porch. And as he did that, he

1 immediately began firing, striking one of our tactical
2 team members. The suspect was armed with a shotgun,
3 birdshot. Probably if he had been armed with buckshot
4 or a Magnum round in the shotgun, we might be talking
5 about the officer's funeral.

6 I am absolutely convinced that the round that
7 the officer took, it struck his helmet, there was a
8 clear indentation on the helmet, again, if it had been
9 a stronger round, it might have been fatal or a
10 significant injury.

11 So, of course, the SRT unit responded
12 quickly. And he was pronounced -- I think he was
13 pronounced dead at the hospital.

14 I know that in some subsequent news reports,
15 the estranged wife made comments that maybe we could
16 have done more with the PPO to save his life.

17 Clearly, this individual, again, I want to
18 emphasize a couple -- the discipline that was out
19 there, they spent probably five hours negotiating. The
20 goal was successful resolution. And it just didn't
21 happen.

22 What we learned later, in addition to
23 exhibiting some recent signs of mental illness, he had
24 some books in his personal vehicle about a tactical
25 approach to dealing with these kinds of situations. So

1 he had a plan. He had recently talked about suicide.
2 So we think that suicide by cop was his plan.

3 We also learned later, he had turned all the
4 gas on in the home. And so when he decided to make the
5 move out, it was probably in his mind that our reaction
6 to his action may have caused the house to explode,
7 thereby taking her out, as well. That didn't happen.
8 So we were able to get her out successfully.

9 As you may have saw on some of the subsequent
10 news reports, the community was very happy in terms of
11 no harm coming to the wife.

12 And certainly I had the unfortunate task of
13 notifying suspect's sister about what happened. She
14 just happened -- she was driving in from -- was it
15 Ypsilanti or Inkster? She was driving in from Inkster.
16 And the idea there was that we were going to introduce
17 her voice in as part of the negotiations.

18 And so, again, tragic, but I commend the
19 discipline and the skill set of all those officers.
20 Three of the officers did use deadly force during this
21 encounter. We have since -- they have been seen. One
22 thing that we have lost, this is the first time -- you
23 may have heard me talk about our -- a peer counseling
24 or peer counselors, we just launched this new effort.
25 We had a couple of doctors out of California come in

1 and provide training to about 30 to 40 Department
2 members who have been in a crisis themselves. And we
3 wanted to introduce that as an opportunity to help heal
4 from these type of crisis situations.

5 Because I worked so closely with them in Los
6 Angeles, I thought this would be a great opportunity
7 for DPD. Everybody that was selected was ecstatic
8 about it. And this was the very first time it was used
9 with the S.W.A.T. officers. And frankly, they were
10 very happy about that part of this healing process.

11 So if anybody has any questions about that.
12 I don't know if the Captain or Commander, you want to
13 add anything to that?

14 UNIDENTIFIED CAPTAIN: I think you covered it
15 pretty well.

16 CHAIRPERSON BELL: I just want to pause to
17 acknowledge our Vice Chair Lisa Carter arrived about
18 ten minutes ago. Appreciate your attendance.

19 Chief, we can continue on with your report.

20 CHIEF OF POLICE CRAIG: Thank you. Okay.

21 And I will talk a little bit about crime.

22 And one last thing, this was the second
23 standoff. We recently had a standoff in February of
24 this year, one of those very cold days, it was a
25 12-hour standoff with another mentally ill person.

1 And it was during this 12-hour standoff that
2 at one point, the suspect had been firing shots, but
3 actually fired shots at the -- what we call the
4 BearCat, the vehicle that has ballistic protection. I
5 bring that up for two reasons. One, in that situation,
6 I am absolutely convinced that the characteristics of
7 that vehicle may have saved personnel that was inside
8 during negotiation because the vehicle was shot. My
9 aide, who was also an SRT member, was part of the
10 negotiations. He was one of the members that was shot
11 at, that was in that incident.

12 And then we fast forward to just last
13 weekend. Our SRT member who took a round in the face
14 and -- well, part of the shotgun pellet in the face and
15 his helmet.

16 Again, there's been a lot of dialogue about
17 the militarization of police departments. There is a
18 time and place for wearing helmets, for having armored
19 vehicles. We are not talking about driving tanks down
20 the street on patrol.

21 We are talking about for the sole purpose of
22 protecting lives, not just the lives of the men and
23 women who do this work, but also our citizens, because
24 the BearCat, as it is called, can be deployed to
25 facilitate a rescue operation of a citizen who might be

1 down from gunfire, as well as a police officer. So
2 those things matter. And what we do a lot here in
3 Detroit, unlike a lot of other cities, that armored
4 vehicle will go up close and personal to the location.
5 And that's where negotiations are taking place. So
6 without that, we would be at an extreme disadvantage.

7 Certainly, again, if the officer was not
8 wearing that helmet, we might be talking about planning
9 a funeral. That's just the reality of it. So I wanted
10 to make sure I got that point on the record.

11 As it relates to crime, we are still trending
12 downward. Some good news, for the first time, you
13 know, I reported out last that we were up in homicides
14 and we have been up in non-fatal shootings. But for
15 the first time, we were actually even with nonfatal
16 shootings, or is LaValley, David LaValley here? Are we
17 down one shooting? I think we are down one shooting,
18 non-fatal shooting incident. We are still up in
19 homicide, but in overall violent crime, we are down
20 4 percent.

21 In the area of robbery, we are down 17
22 percent. Carjacking we are down 19 percent. All
23 property crime, we are down 18 percent, which we have
24 an overall Part 1 crime reduction, which includes both
25 violent and property, 14 percent. And I just -- if you

1 could bear in mind that these stats are compared to
2 last year, where we also saw some dramatic reductions.
3 So we are still trending in the right way.

4 And I am not suggesting that in any way that
5 our work is over. But the good news is we are in the
6 second quarter, and we are starting to see somewhat of
7 a slowdown, but probably not enough. But we are still
8 in the overall reduction. So that's my report out on
9 crime.

10 The last thing I want to talk about, and I
11 have gotten mixed reaction, certainly we had this past
12 weekend a violent carjacking crew, I guess that's the
13 best way to describe it, was on a 24-hour crime spree,
14 starting with a carjacking incident, which led to a
15 drive-by shooting, which then led to yet a second
16 carjacking. Then a third carjacking where the
17 gentleman was murdered at a gas station. And then
18 right after that carjacking incident -- well, that was
19 attempted carjacking, then they carjacked a fourth
20 vehicle. It was three car jackings and one attempted
21 carjacking. The victim in that incident was pistol
22 whipped. So this group of three were on a 24-hour
23 crime spree.

24 And so through the diligent and hard work of
25 our investigators, our auto what we call CATS, they

1 worked around the clock, literally worked around the
2 clock and brought a sense of closure. They ended up
3 arresting three suspects. Certainly, we had the help
4 from the State Police, the Task Force was involved in
5 that, involving CATS, representation from Wayne State,
6 Oakland County, and I might be missing one other. But
7 in any event, there was an arrest made.

8 So at the following day press conference, the
9 Detroit News decided to take out of context what I
10 said. Frankly, the initial headline read, Detroit
11 Police Chief Says Don't Buy Gas in Detroit. On the
12 record I will tell you that was an absolute untruth.

13 Now, what I did say when asked the question
14 about buying gas at night, I said, no, but then I said,
15 if I had to, I would. Well, in my mind, what my
16 thoughts were, is for one, I don't have a job
17 necessarily where I am working at night. And so if I
18 am not working at night, I am not going to set my alarm
19 clock for 2:00 in the morning to get up and buy gas.

20 But I then took the liberty to say that, you
21 know, to caution our community, which is part of my
22 job, I believe, that if we see that there is a trend,
23 that people should be aware of their surroundings.
24 They should be aware, day or night. But particularly,
25 when we look at, you know, the trend of carjackings,

1 and while I report to you that they are down,
2 certainly, there is some common, common aspects of car
3 jackings at gas stations. One, sometimes they are in
4 not-so-well-lit areas, that they are dirty locations,
5 they are unsafe, there is loitering. But one thing
6 that's clear, the majority of them that happen at gas
7 stations occur probably between the hours of 11:00 and
8 3:00 a.m. in the morning.

9 So if you are going to buy gas, you should be
10 aware. Not just in Detroit, anywhere in the country.

11 Now, if somebody finds that a problematic
12 statement, shame on you. I have a responsibility to
13 report the truth. I never said that we should not buy
14 gas overnight. But if we should, at 2:00, 3:00 in the
15 morning, how about we just use a little caution.

16 So, of course, I had a very spirited
17 conversation with Detroit News who opted to change the
18 title or the headline of the story, which just
19 basically said that I am warning people to just be
20 aware, whatever the headline said. But people continue
21 to seize on this issue, and the problem I have with it,
22 and I felt a need to bring it to your attention,
23 because I am sure someone would have questions about
24 it, is that, you know, I have a responsibility. One,
25 to tell the truth, be transparent about it, offer wise

1 advice based on what we are saying. But I would never
2 as a police chief of any major city say, do not buy gas
3 in the City of Detroit. This is irresponsible. And we
4 know that some of our gas station owners, which we work
5 with, are doing a phenomenal job.

6 However, there are others that are part of
7 the problem. Just last week, we had an operation,
8 whatever we call it, Fill Up, and we focused on gas
9 stations in the 9th Precinct. And at this one
10 location, we had had eyes, or we had been watching the
11 location because we knew that drugs were being sold in
12 and out and around the gas station. We observed that a
13 drug deal had consummated. And we went in, detained
14 the suspect, made the arrest. And this owner,
15 ironically, has been a problem location. We have
16 handled somewhere between I think in that one location,
17 if I am correct, 75 calls over a three-month period.

18 And so if we want to sit here and say that
19 some of our gas stations haven't been a problem, that's
20 not true. Many of you -- I have been here 23 months --
21 you could tell the stories better than I can.

22 So in closing on that issue, so one thing we
23 know about carjackings are down year-to-date, so out of
24 161 car jackings that we have had in the city of
25 Detroit this year, 28 of them occurred at gas stations,

1 while this time last year, 42 occurred. And so we are
2 up in arrests, we have made 68 carjacking arrests
3 total. So we are trending in the right direction.

4 But what I had my staff do over the past
5 18 months, just to give you an example, pull reports in
6 the most problematic locations. So at the top, we have
7 one gas station where there's been a report of 103
8 incidents. That's a problem.

9 So when you talk about our lean staffing, and
10 we are handling an inordinate amount of calls for
11 service at gas stations because the owner may have
12 refused to cooperate, it is draining our resources. It
13 is taking officers out of the field.

14 Here is another example. So in another gas
15 station, over this 18-month period, three sexual
16 assaults, 14 robberies, seven aggravated assaults.
17 That's just not acceptable. And then another gas
18 station where we had the one homicide. Another gas
19 station we saw where we had two homicides and two
20 sexual assaults. That's a problem. And it affects the
21 neighborhood.

22 So our commitment is we are going to continue
23 to work through our Neighborhood Police Officers, our
24 narcotics units, and our TRU unit to address these
25 issues in and around gas stations, because it is a

1 problem. But certainly not a problem where the police
2 chief would ever say, do not buy gas in Detroit.
3 Totally false statement. Yeah, it would sell papers,
4 it would be good national news, but certainly not true.

5 So in my report, I would like -- if anyone
6 has any questions, I would be more than happy to answer
7 them.

8 CHAIRPERSON BELL: Commissioners, questions
9 or concerns to the Chief?

10 I just want to say I acknowledge the issue
11 that we have with service stations, and we all know
12 that certain places you have to be really
13 conscientious. If you have got family members, we
14 always advise them, ATM in service station at
15 nighttime, ATMs in service stations, you really have to
16 be on your Ps and Qs in terms of monitoring the
17 situation. So we understand. And so hopefully, I
18 think the citizens understand those issues too because
19 we all conscientious about those issues.

20 So we appreciate it.

21 CHIEF OF POLICE CRAIG: Mr. Chairman, I just
22 wanted to also add on that, you know, because we are
23 about the business of public safety, and you brought up
24 the issue of ATMs, one of the things that certainly, a
25 great best practice in many cities, not just Detroit,

1 but people find police stations a safe haven because
2 they are open 24 hours a day and staffed by police
3 officers.

4 And so one of the things that we did,
5 certainly under the leadership of James White,
6 Assistant Chief James White, we just recently deployed
7 ATMs -- in every police station? Or how many --

8 A.C. WHITE: We are missing one precinct
9 right now.

10 CHIEF OF POLICE CRAIG: Which one is that?

11 A.C. WHITE: Number 5.

12 CHIEF OF POLICE CRAIG: Number 5. That's
13 because they are opening a new station.

14 So we are excited about that. This is
15 another service for the community, that if someone
16 needs to get money after hours, 2:00 in the morning,
17 instead of standing at the kiosk that's out in the
18 open, I don't recommend it. But should the banks now
19 be upset because I am saying, you probably should not
20 be drawing cash out in an unprotected open kiosk on the
21 corner, walking up? That's in any city. I wouldn't
22 take money out of an open ATM in Beverly Hills,
23 California, just to be candid. But -- so we see this
24 as a great opportunity. So there are kiosks or ATM
25 machines in the various police stations. As you know,

1 when I came here 23 months ago, police stations were
2 closed at 4:00.

3 CHAIRPERSON BELL: That's the truth.

4 CHIEF OF POLICE CRAIG: Which was ridiculous.
5 But they are open, and now people desiring to get cash
6 at 2:00, 3:00 in the morning, they can go to their
7 local police station.

8 CHAIRPERSON BELL: Thank you.

9 COMMISSIONER MOORE: Through the Chair.

10 CHAIRPERSON BELL: Yes, sir.

11 COMMISSIONER MOORE: Chief, do you have an
12 update on the attempted abduction of the young ladies
13 in Northwest Detroit, the Chicago/Evergreen area, as
14 well as the 14-year-old girl that was raped?

15 CHIEF OF POLICE CRAIG: You know, through the
16 Chair, that's still an active investigation.
17 Certainly, there is a sketch that has been distributed.
18 We have gotten some tips. It is right now kind of
19 slowed down. You know, the suspect at one point was
20 very active in a matter of -- I forget how many days
21 over a few days period, there were four incidents. But
22 because of the news coverage, for the most part, he is
23 gone. We are following up on some leads. There is
24 one, without going into detail in this open meeting,
25 that we feel good about, but I cannot say for sure,

1 but -- so we are still working those cases.

2 COMMISSIONER MOORE: Is that the same person
3 with the 14-year-old?

4 CHIEF OF POLICE CRAIG: Two separate
5 incidents.

6 COMMISSIONER MOORE: Any updates on the
7 14-year-old?

8 CHIEF OF POLICE CRAIG: No new updates on
9 that.

10 COMMISSIONER MOORE: Okay.

11 CHIEF OF POLICE CRAIG: Oh, and by the way, I
12 want to backtrack, on this suspect, you know, the
13 shooting of the individual at the gas station, we have
14 been able to clear an additional homicide. I will tell
15 you that it was so unfortunate. You know, many times I
16 will say that sometimes two lives are affected or lost,
17 but the young man who was involved in this situation
18 has never -- doesn't have a criminal record, which is a
19 problem. Never had a criminal -- no, not involved in
20 any crime. And so it makes you wonder, why did this
21 24-hour crime spree start? And I will tell you, very
22 violent.

23 COMMISSIONER CARTER: Through the Chair, the
24 brawl that happened at the gas station on Hoover and I
25 believe it was Seven Mile.

1 CHIEF OF POLICE CRAIG: Yes.

2 COMMISSIONER CARTER: Do you have any update?
3 It was very disturbing to see what happened in broad
4 daylight. And females of -- young females, fighting in
5 broad daylight like that. Is there any update? Do you
6 have any leads on who they are or have they been
7 identified yet?

8 CHIEF OF POLICE CRAIG: Through the Chair, we
9 are working that one. We just became aware of it.
10 What's ironic about that particular gas station, I
11 visited that location with the precinct captain not
12 even a week prior.

13 CHAIRPERSON BELL: Right.

14 CHIEF OF POLICE CRAIG: And the reason why we
15 went to this location, believe it or not, this was a
16 gas station that I think over three months, that had
17 something like 94 calls for service. And it is in
18 close proximity to I think Denby.

19 COMMISSIONER CARTER: Osborn.

20 CHIEF OF POLICE CRAIG: Osborn. Basically
21 across the street. It has been a problem location.
22 And so we have asked the captain to move very quickly,
23 in putting some closure, to identify. But this is just
24 one of many issues impacting that location.

25 So we are going to make an example out of a

1 gas station or two, working with the other members of
2 the city family. Because it has got to stop. And you
3 are right, that was a very troubling video. But that's
4 just an example of the kind of things that go on.

5 And so here we are talking about broad
6 daylight. If anybody is driving by and needs fuel, are
7 they going to stop at a gas station?

8 COMMISSIONER CARTER: No.

9 CHIEF OF POLICE CRAIG: We can't have that.
10 Thank you.

11 COMMISSIONER CARTER: Thank you.

12 COMMISSIONER VANN: Mr. Chair?

13 CHAIRPERSON BELL: Yes.

14 COMMISSIONER VANN: To the Chief. That
15 particular -- I am very aware of that particular gas
16 station. I had a group called Made Men. And we worked
17 in that area for a long time in the Osborn area. And,
18 you know, that is a very hot trouble spot there. There
19 is a lot going on at that gas station, which I am sure
20 you are aware of. And there are other such hot spots,
21 you know, throughout the city.

22 And what I am most appreciative of is the
23 Chief's personal attention to a number of these
24 different areas. He has been there. You know. He has
25 talked to the folks. He has talked to the gas station

1 owners, some of which needed a talking to, to be
2 perfectly honest. Others, of course, doing a good job.
3 But the personal attention, the Chief on the street
4 concept, I think is working in Detroit. And I wanted
5 to just compliment you for that, because I have worked
6 under a lot of different chiefs. And they don't always
7 have the same concept.

8 CHAIRPERSON BELL: Two or three.

9 COMMISSIONER VANN: It is about my sixth
10 Chief I have worked under.

11 CHIEF OF POLICE CRAIG: Over what period?

12 COMMISSIONER VANN: Five chiefs in seven
13 years the first time. And now Chief Craig.

14 But I just -- that personal attention,
15 knowing that he is going to show up. He is going to
16 get the information firsthand. It is not going to be
17 filtered information. And, you know, accountability is
18 going to be demanded, as well. And then there is a
19 return visit at some point, where he can check on the
20 progress of it. I just think it is a positive,
21 positive strategy toward eliminating crime at the
22 street level.

23 CHIEF OF POLICE CRAIG: And through the
24 Chair, just in response. Thank you, Reverend Vann, for
25 that comment.

1 And just to kind of -- we are going to use
2 this list, this past 18-month list as kind of a
3 template of the most problematic gas stations.

4 But what we are really going to take a closer
5 look at, it is one thing for us to go by there and have
6 a conversation with the owner, while this one where the
7 fight took place is a problem, another one that we went
8 to on Friday where the drug dealing occurred inside,
9 that is probably ranking number one on our list. We
10 want to move very swiftly to holding that owner
11 accountable, even if it means shutting that gas station
12 down. Because we can keep going back, have the same
13 conversations. And as you pointed out, Reverend Vann,
14 that gas station has been a problem for years. And the
15 community knows it.

16 And so we have got to put teeth in it.
17 Certainly, I am asking for the Board support. I know
18 many of you represent different districts. And I think
19 this is something that we can collectively work
20 together on. And even if we take a gas station in each
21 of the districts, I am sure this list here, each
22 district is represented. And we will just go after it.
23 And I think it might be worth -- it will show a
24 collaborative effort. And I know that the Mayor's
25 folks are very interested in this, as well.

1 So I think if we work this together, and
2 really go after the licensings, because like, for
3 example, the one gas station where the owner allowed
4 the drugs to be sold, you know, there was a list of
5 conditions that he agreed to. But he has only
6 satisfied out of a list of 15 maybe two. And so
7 certainly with cameras there, we think and thought that
8 the cameras might cause him -- he said all the right
9 things on camera, but what we do know, he is absolutely
10 part of the problem. We know that. And so we have got
11 to hold him accountable for it. Because it is not just
12 arresting someone that comes inside and deals drugs.
13 Someone is allowing that to happen.

14 CHAIRPERSON BELL: Mr. Crawford?

15 COMMISSIONER CRAWFORD: Yes, sir, through the
16 Chair.

17 Chief, that gas station at Seven Mile and
18 Hoover, that is in -- not only in my district, but in
19 my neighborhood. I don't buy gas there.

20 CHIEF OF POLICE CRAIG: Be careful. Be
21 careful.

22 COMMISSIONER CRAWFORD: Nor do I buy gas at
23 Seven Mile and Van Dyke. Having a history of -- I
24 don't know, some 15 years ago, I marched with a number
25 of groups on gas stations in the city of Detroit,

1 mobilized the citizens, where we actually closed them
2 down for various issues that has occurred, such as some
3 of the ones that you mentioned, and even there were
4 some that were of lesser issues that occurred, such as
5 just disrespect in the community in selling certain
6 products to the community that should not have been
7 tolerated, that we didn't tolerate it at the particular
8 time. So look forward to getting a copy of your list,
9 particularly the ones in my district.

10 (Commissioner Taylor entered proceedings
11 at about 3:39 p.m.)

12 CHIEF OF POLICE CRAIG: Okay. We can
13 certainly make this available. And again, we can work
14 on someone -- if one of the districts has a gas
15 station, let's make it a project, we will get our
16 Neighborhood Police Officers, and we will go out.
17 Because the two that I made reference to today,
18 certainly are two stations that we want to, you know,
19 set the bar on in terms of changing.

20 COMMISSIONER CRAWFORD: Yes.

21 CHIEF OF POLICE CRAIG: And the community, I
22 will tell you, for example, we were out on Friday where
23 we got the individual who was dealing drugs, community
24 member after community member approached and said, this
25 station has been a problem forever. And something has

1 got to happen. And so it is just -- it is overdue.

2 COMMISSIONER CRAWFORD: Thank you.

3 CHAIRPERSON BELL: The Chair will recognize
4 Commissioner Jessica Taylor, her arrival. Thank you
5 for your attendance this afternoon.

6 All right. I think that was really a needed
7 dialogue. And I appreciate the hands on too. And I
8 know I am willing to help out Commissioner Crawford
9 because I don't have a gas station like that in my
10 district. But we are willing to target his district.
11 We clean it up first. We might have some on the
12 borderline.

13 COMMISSIONER CRAWFORD: I think there are a
14 few across the city. Trust me.

15 CHAIRPERSON BELL: I understand.

16 COMMISSIONER BURTON: I would just like to
17 ask the Chief how many gas stations signed up so far
18 this year for the Greenlight Initiative program.

19 CHIEF OF POLICE CRAIG: Through the Chair,
20 that's a great question because we want to push that.
21 We have got 15 to date.

22 Now, here is a bit of good news, because I
23 had not talked about it much in terms of -- we have had
24 some issues around some of the party slash liquor
25 stores, you know, there have been some problematic

1 locations. I met with an organization that
2 represents -- and some owners. And they want to become
3 part of the lighthouse, the Greenlight, and so what we
4 have decided to do, because we want owners of
5 businesses that do the right things, that have clean,
6 well-lit, and those instances where they need security,
7 because again, that gives a service to our
8 neighborhoods. So we are going to bring in some of
9 those liquor store slash party stores to be great
10 examples. So we have the 15 gas stations. I think 11
11 McDonald's are coming online because they are 24-hour
12 locations. We know that the party stores, markets are
13 not 24 hours, but we want to bring them in. And so
14 they are very pro that. I have Commander Todd Bettison
15 who is doing a wonderful job at driving that effort.
16 And so we -- how many McDonald's do we have so far? Is
17 it 11.

18 COMMANDER BETTISON: Yes, sir.

19 CHIEF OF POLICE CRAIG: Eleven McDonalds, but
20 we still need more gas stations. And so I think this
21 effort, this renewed effort, might give us an
22 opportunity to kind of get more signed up.

23 CHAIRPERSON BELL: Okay.

24 COMMISSIONER BURTON: Thank you, Chief.

25 CHIEF OF POLICE CRAIG: You are welcome.

1 CHAIRPERSON BELL: I guess our next item
2 would be TRU, Tactical Response Unit.

3 CAPTAIN WILLIAMS: Good afternoon to the
4 Board, Chair, Vice Chair, Chief. I am Captain Williams
5 of the Metropolitan Division. I am here with Commander
6 Barren. Deputy Chief Hall, she is -- our unit is under
7 her, in her absence.

8 What we are going to do is just do a quick
9 presentation on the Tactical Response Unit.

10 The primary objective is to address violent
11 crimes. This is aggravated crimes and, of course, a
12 lot of this, the Chief had already talked about.

13 One arrest of note from our unit is in early,
14 mid, mid April, one of our units made an arrest of a
15 serial rapist and ended that spree. So that's -- in
16 addition to that, they do a lot of gun arrests or CCW,
17 concealed weapons in vehicles, concealed weapons on
18 persons arrests.

19 The operational manpower of the unit: They
20 have currently one lieutenant, two sergeants, and 19
21 police officers.

22 Inception: The Tactical Response Unit was
23 deployed on November 25th, 2013. Generally, they
24 receive their deployment through the crime intelligence
25 unit. That can also be changed by 2400 or the captain

1 who works the night shift. And when that happens, the
2 captain can direct them to either respond to Downtown,
3 because they have an event, or he can put them in
4 service on runs.

5 The operational plan: Currently the Tactical
6 Response Unit is a seven-day operation. We are
7 uniformed patrol. They utilize fully marked scout
8 cars. Their scout cars are a bit -- they stand out, in
9 that they have gold letters. They will be the only
10 gold lettered writing you see in the city of Detroit on
11 their scout cars. The unit works from 2000, or
12 8:00 p.m. to 4:00 a.m., Sundays through Saturday. And
13 the hours are subject to change based on events we have
14 in the city.

15 Current statistics: And this is
16 year-to-date, calendar year, from January, up to I
17 believe we submitted our slide deck on I want to say
18 May 21st. So as of May 21st, we have had 115 total
19 arrests, that's going to include misdemeanor arrests.
20 So if you are looking through this, try to add the
21 numbers up, they won't add up to 115 because we have
22 included the misdemeanor statistics in it. We have had
23 47 CCW person, which is concealed weapons on a person.
24 We have had 30 concealed weapons in a motor vehicle
25 arrests, 16 narcotics arrests. And of all these

1 arrests, we have recovered 77 firearms. That's going
2 to be both pistols and rifles or long guns.

3 Arrests, continued: We have seven armed
4 robbery arrests, two homicide arrests, one arrest for
5 criminal sexual conduct, and three arrests for
6 possession of stolen motor vehicles.

7 In addition to combating violent crimes in
8 the city, the Tactical Response Unit has a couple of
9 additional tasks that are very important. They are one
10 of the city's primary force for mobile field force. So
11 they are activated in those instances where we know we
12 are going to have events where we are going to have
13 rowdy crowds, possibly riotous crowds. They also are
14 placed on standby for special details, as well.

15 They assist SRT with barricaded gunman, and
16 primarily what they will do is -- the precinct units
17 will be the first responding unit. They will take up
18 the outer perimeter on traffic, traffic positions.
19 Once the Metropolitan Division is activated, we move in
20 all of our assets that include TRU. They will take
21 over those positions for the precinct unit, so the
22 precinct units can go back in service.

23 And one other thing they do on barricaded
24 gunman situations, they will assist SRT with the
25 acceptance of surrender. So if you have someone in a

1 house, we will accept that surrender. They will call
2 them out. Back them down. They will secure that
3 person. Then they will pass it off to our officers.
4 And that can be both for the subject, and also for
5 hostages that may be inside the residence or location.

6 They are also trained in low level search
7 warrants. And what this means is they receive the raid
8 entry training from SRT, so they can actually active
9 raid crews.

10 Questions?

11 CHAIRPERSON BELL: Questions, Commissioners,
12 concerns?

13 COMMISSIONER MOORE: I just have a comment,
14 through the Chair.

15 I just want to commend you and Commander
16 Barren. I have seen you in 2nd precinct, 6th precinct,
17 10th Precinct. You are very active in what you do.
18 And I just want to say thank you.

19 (Applause).

20 CAPTAIN WILLIAMS: There are no questions?

21 COMMISSIONER CARTER: I have a question.

22 CHAIRPERSON BELL: Yes, ma'am.

23 COMMISSIONER CARTER: Through the Chair.

24 So your daily assignment, you don't know day
25 to day where you are going? Is that how it happens?

1 CAPTAIN WILLIAMS: What happens is we receive
2 a daily deployment from the crime intelligence unit.
3 And that deployment tells us where we are going to go.
4 And that deployment is based on the last 24 hours.
5 They actually have one officer at the crime
6 intelligence unit that goes through all of the reports
7 from the previous day.

8 So there is two things that can happen. It
9 can be either a short-term deployment process or a
10 long-term deployment process. Meaning it can be
11 because of the last 24 hours, or it could be for a
12 pattern that presented itself over a long period of
13 time. So in the absence of that deployment, either the
14 commander or I will deploy or the supervisors for TRU
15 deploy themselves.

16 CHIEF OF POLICE CRAIG: Through the Chair.

17 Just to follow up, for example, the captain
18 talked about the sexual assault suspect. Certainly
19 that was a violent crime that was creating a lot of
20 fear. And they were assigned to work those areas where
21 we believe most likely the suspect was working.

22 Whenever we see a trend that's emerging, like
23 if there is a -- and while -- even though our robberies
24 are down year-to-date, if we see, say, a trend of
25 robberies along Gratiot between the hours of say 7:00

1 and 11:00 p.m., then the TRU unit would go out and work
2 that area based on information they have on certain
3 suspects. And it can be very effective and has been a
4 very effective tool. When you look at our crime
5 reduction efforts, that's one of the reasons, because
6 they are strategically deployed into areas that we want
7 to reduce crime.

8 CHAIRPERSON BELL: Any other questions or
9 concerns?

10 Captain?

11 CAPTAIN WILLIAMS: Yes. Somebody said that
12 was very short. And if she would like me to go longer,
13 I can probably add some stuff.

14 CHAIRPERSON BELL: We like them short and
15 sweet and to the point.

16 CAPTAIN WILLIAMS: Yes, sir.

17 CHAIRPERSON BELL: And your reputation
18 precedes you. So we know what you are engaged and that
19 you are involved and we really appreciate your unit.

20 CAPTAIN WILLIAMS: Thank you, sir.

21 COMMISSIONER SHELBY: One question.

22 CAPTAIN WILLIAMS: Yes, sir.

23 COMMISSIONER SHELBY: Through the Chair.

24 CHAIRPERSON BELL: Yes.

25 COMMISSIONER SHELBY: Most of your CCW

1 arrests, CCW motor vehicles, are they done through
2 traffic enforcement?

3 CAPTAIN WILLIAMS: They are done through --
4 they are done through I will say a combination of
5 traffic enforcement, meaning that it will be the
6 initial traffic violation that institute the stop, but
7 some of them also are done by tips. So our officers,
8 they are engaged in a lot of conversations with like
9 the bouncers who work at certain clubs, work at certain
10 bars, they will give them a call. They will say, hey,
11 we have -- they will give a vehicle description,
12 occupant description, and they will give us the
13 description of the weapon that will be in the vehicle.
14 So...

15 CHAIRPERSON BELL: Thank you, sir.
16 Appreciate it.

17 Before we move on to standing committee, I
18 would ask Commander Bettison to come forward to the
19 mic. And if you would, report out on what took place
20 at Henry Ford High School this morning.

21 COMMANDER BETTISON: Oh, absolutely.

22 CHAIRPERSON BELL: Yes, sir.

23 COMMANDER BETTISON: Absolutely. It was -- I
24 am still -- I still feel good about it. Great event.
25 Received a request to present to the students, juniors

1 and seniors, of what should the children do when
2 stopped by the police. So myself, Detective Fountain,
3 who many of you have seen his presentations before, we
4 put together a presentation. Judge Deborah Thomas was
5 there, as well. Barb McQuade was there. They had
6 initially asked for the Chief. The Chief sent
7 Commander Bettison to go to that location. I went to
8 the location, was deployed by my Chief. And I did my
9 best to represent my Chief. So we blew students away.
10 It was well received.

11 CHIEF OF POLICE CRAIG: Chief hat today.

12 COMMANDER BETTISON: Yeah. Yeah. And the
13 gentleman from Wayne State University Police
14 Department, NOBLE, he was there, as well.

15 CHAIRPERSON BELL: Good. Good.

16 COMMANDER BETTISON: And we triple teamed
17 them and gave them, you know, what to do. What not to
18 do. And just that hard love. And also just letting
19 them know that we love them, we care about them. We
20 want a peaceful, safe summer interaction.

21 And Chief, we told them also about the Youth
22 Summit that we are going to have on June the 25th.

23 And also met with Bishop Vann right after
24 that. And we are talking about some great stuff, as
25 well. And thank you for that information that you gave

1 me to the young -- to the gentleman that were
2 performing at your church. So I have his name, his
3 contact information, Arthur Cartwright. So I am good
4 to go.

5 But it was great. So thank you.

6 CHAIRPERSON BELL: Thank you. I know it was
7 fantastic. So -- and keep in mind, I am glad you
8 represented the Chief since he would not -- if it would
9 have been Cass Tech, he would have been there, right.
10 I mean, we will leave it at that.

11 CHIEF OF POLICE CRAIG: Donnell is laughing.
12 You went to Cass Tech, didn't you?

13 COMMISSIONER WHITE: No.

14 CHIEF OF POLICE CRAIG: But anyway, through
15 the Chair.

16 CHAIRPERSON BELL: You know I love Cass. I
17 love Cass. Especially since my daughter graduated from
18 Cass. After that, you know how they --

19 CHIEF OF POLICE CRAIG: Well, through the
20 Chair, I did want to report and not fail to. We had a
21 great ceremony on this morning, the U.S. Border Patrol
22 opened a new headquarters on Jefferson, great facility.
23 I don't know if any of you had a chance to see it, a
24 state of the art facility, really is a great
25 opportunity for -- that's on the Eastside of town in

1 terms of -- and we work very closely with the Border
2 Patrol, so just wanted to report that out. So thanks
3 for --

4 CHAIRPERSON BELL: Thank you, Commander.

5 COMMISSIONER MOORE: Through the Chair.

6 CHAIRPERSON BELL: Yes, sir.

7 COMMISSIONER MOORE: The Commander had
8 mentioned about a June 25th Youth Summit.

9 COMMANDER BETTISON: Absolutely. We are
10 still putting the skeleton, the meat on the bones of
11 it. But we are going to get the information out to the
12 Board. We are going to be getting it out to everyone.
13 We are going to really push it.

14 It is going to be at the Butzel Center. And
15 it is going to be, like I said, June 25th. And it is
16 at the one on Kercheval. I don't have the address
17 committed to my memory, but it's going to be a great
18 event. We expect well over a thousand kids there.

19 And then we are doing it in a smart way. We
20 are utilizing our City resources, so that is our part,
21 that is our equipment. And we are being frugal. And
22 we are going to be able to produce a great show for
23 them.

24 And we've got a lot of folks coming on board.
25 You all are familiar with Pastor Moe, and we are

1 reaching out and having other folks, and we are adding
2 them to the -- run a show, so what I will be doing is
3 sitting down with commissioners, as well, so that we
4 can get young folks from your various districts
5 involved.

6 And we want to make sure that we have a
7 constant theme of, you know, anti-bullying, say no to
8 drugs.

9 We are going to have the youth there take a
10 peace pledge, as well, a peace pledge for the summer.

11 So this one, the Chief said, hey, we want
12 this Youth Summit, originally it was going to be one.
13 Chief says, you know what, this is a city of
14 neighborhoods, this is a city of communities. I want
15 one east, I want one west, and I want one southwest.
16 So we are doing it throughout the summer to keep that
17 peace theme going.

18 COMMISSIONER MOORE: Sounds good.

19 COMMISSIONER TAYLOR: Good.

20 CHAIRPERSON BELL: Outstanding. Thank you,
21 Commander.

22 Okay. Any other standing committee reports?
23 I am going to be working on due diligence to make sure
24 we regroup on that.

25 So any new business? Any --

1 Under old business, attorney to the Board,
2 Linda Bernard, provided an e-mail to the subject matter
3 of Officer Lorenzo Jones. I shared it with the Board.
4 Since we voted on two different occasions affirming and
5 not-so affirming, it stands in the hands of the
6 Department in reference to this matter. So from my
7 understanding, also going to revisit in terms of
8 rewriting the manual to address secondary employment.
9 So I just wanted to share that with you. So there will
10 be another action that this Board will be taking on
11 that matter.

12 Announcement: Our next meeting will be on
13 Thursday, June the 4th, right here at Headquarters.
14 Very, very important meeting. So hopefully,
15 Commissioners, you will put it on your calendar because
16 we have two hearings, appeals I should say, at 3:00.

17 And our Community Meeting will be -- it is at
18 District -- June 11th, Greater Apostolic Faith,
19 4735 West Fort. I am trying to see this without
20 reading it, so -- but that's in Commissioner Carter's
21 district?

22 COMMISSIONER CARTER: Yes. Fort Street.

23 CHAIRPERSON BELL: Fort Street, West Fort
24 Street, right?

25 COMMISSIONER WHITE: Near Clark.

1 CHAIRPERSON BELL: And now item number 15
2 would be oral communication from the audience. Please
3 give your name and limit your comments to two minutes.
4 We would appreciate it.

5 MS. HILL: Yes. My name is Brenda Hill. I
6 am with Mothers of Murdered Children. Resident Andrea
7 Clark is here, as well.

8 I usually come before the Board to just tell
9 my story. But today I come to ask you for something.
10 And I come with a heavy heart, because my son has been
11 murdered for six years this past April. And I have had
12 to come to the realization that nobody is going to find
13 those killers, and --

14 MS. SMITH: Take your time.

15 MS. HILL: I can't do it.

16 MS. CLARK: To the Board.

17 CHAIRPERSON BELL: Yes, ma'am.

18 MS. CLARK: All the commissioners, Chief
19 Craig, I am the President/Founder of Mothers of
20 Murdered Children. We have reached out to have a --
21 oh, my name is Andrea Clark. I am sorry. Thank you,
22 Commissioner.

23 We reached out to have a meeting with you
24 because we think that we can do you some good. We can
25 help you.

1 We have drawn up a resolution with mothers
2 organizations across the nation to declare homicide a
3 public health issue. And with that legislation, it
4 becomes a bill, we can get those Federal dollars in
5 here to handle some of the programs that we need to
6 kind of curb the violence, if not stop it all together.

7 Mental health is one of the biggest issues,
8 as you can see, with the barricaded gunman. And those
9 issues are going to continue to happen until we get
10 Federal funding to bring back mental health issues.

11 Also, June the 5th, we are traveling to D.C.
12 to present that resolution to Congress.

13 We have presented it to City Council. It
14 just has not been adopted.

15 The Wayne County Commissioners have adopted
16 the resolution.

17 And I would really like for you to take a
18 look at it as well as the Commissioners.

19 We have been supported and endorsed by the
20 NAACP. And I want to thank them for that.

21 It is time for us to try to do something to
22 stop the violence. And one thing I really want to say
23 real quick is that whatever we can do as citizens to
24 assist you, and not your job.

25 I want to introduce to you, as well, a

1 project that was done in California called Next of Kin
2 model. So that we can work with you to try to change
3 some of this, get homicides investigations kind of
4 completed and closed.

5 That's it. Thank you so much for your time.

6 CHAIRPERSON BELL: Go ahead, Brenda.

7 MS. HILL: Can I just say that I spoke with
8 the Chief at the Grace meeting, at the Grace Church
9 meeting.

10 And since then, I spoke with
11 Commander -- Deputy Chief Hall. And she has not gotten
12 back with us.

13 And then I spoke with Yvette Walker, the
14 scheduler, and she has not gotten back with us.

15 And I just talked to Commander Bettison, and
16 he says --

17 But I am out here all the time. And if it
18 takes that much to get in touch with the Chief, what
19 about the people who can't speak up? This is the city
20 that we live in. And this should not be this way. I
21 really need your support.

22 I sent the resolution to Willie Bell. And he
23 will pass it all out with you. And we spoke to the
24 Bishop, as well. And we would like to speak to you
25 personally so that you understand that we are not

1 only -- are talking the talk, we walk the walk, and I
2 have to walk that walk knowing that my son is dead on
3 the streets of Detroit, the city that I love. And
4 other people have to do, but we have to change this.
5 This should not be six years later, five police chiefs,
6 and you know, I had to pause when I heard you were
7 going to be here two more years because that gives me a
8 little bit of hope that somebody will listen. I have
9 had to tell this story to five police chiefs that did
10 not care. And if I have to do it, imagine the other
11 people.

12 We are trying to go to Washington to change
13 this, to make homicide a mental health issue, so that
14 we start touching the places that cause this.

15 We have got another five-year-old dead in
16 another city. That's a mental health issue. They
17 starved this baby to death. As well as the one in
18 Martin Luther King home, I don't know, but I do know
19 that we need your help. We can't do it by ourselves.

20 Thank you.

21 CHAIRPERSON BELL: Thank you, ma'am. And I
22 received your e-mail, and I will share it with the rest
23 of the Commission.

24 I don't know if the Chief want to respond to
25 your plea.

1 MS. HILL: Thank you.

2 CHIEF OF POLICE CRAIG: Through the Chair,
3 yes, we did have a conversation. And during that
4 conversation, I talked to you about a new initiative
5 that we launched called the victims advocate --
6 Volunteer Victims Advocate that work squarely with
7 victims of homicide.

8 One of the things that I am keenly aware, and
9 sorry for your loss, but one thing that really struck
10 me is very different here in Detroit when I arrived
11 here, was not just the number of unsolved cases, but
12 the fact that we have police officers, police officers
13 that have family members who are also victims and they
14 have unsolved cases too.

15 And so while -- we have also in response
16 since, you know, having a conversation with you, we
17 have launched -- and I don't like to use the word "cold
18 case unit," but we do have what I am calling an
19 "inactive homicide case unit." And inactive just means
20 we haven't gotten any new leads, but certainly, as
21 information comes in, that case then becomes active,
22 until it goes inactive. So "cold case" means the case
23 is just done, we have exhausted all opportunity. So we
24 have launched that.

25 I have a new commanding officer in the

1 homicide unit, Captain Slappy, who we will be working
2 with your organization and other organizations, NRVBA
3 (phonetic), to try to at least keep our arms around the
4 families of the victims. Because we know that as we
5 continue to do that, we can still get more information,
6 so that inactive case can become active.

7 But as I have oftentimes said, that, you
8 know, the police, we are only one cog in the wheel. It
9 is truly the community that solve these crimes, that
10 prevent crimes. And it is the police that actually
11 facilitate it. Because we know, like you know, there's
12 somebody in the neighborhoods that knows something.
13 And the key is getting those folks in the neighborhoods
14 to speak up so that we can do our job.

15 So we are committed to it. Certainly Todd
16 Bettison can facilitate the meeting, but we can also
17 talk about this new initiative, which I brought up to
18 you when we last spoke, the Volunteer Victim Advocate,
19 which I think can coexist with your organization,
20 support it in so many ways.

21 CHAIRPERSON BELL: Thank you, sir.

22 Yes, ma'am?

23 MS. VASS: My name is Vernell Vass.

24 I would like to thank you all for allowing me
25 to come today and have an opportunity to read this

1 information that I have.

2 In regards to the investigation of my son
3 Carl Bruner and Michael Lawson, my son has been wrongly
4 sentenced to life in prison for the murder of Marcel
5 Jackson. He was the cofounder of the Detroit 300. On
6 June the 20th, 2012, at Club Pandemonium, Marcel
7 Jackson lost his life.

8 The error that was involved in the
9 investigation starts at the lack of securing the crime
10 scene, collecting valuable evidence, and finished with
11 providing inaccurate testimony and falsification of a
12 labyrinth of witness statements.

13 My hope is that the City of Detroit and the
14 Detroit Police Department would hear my objections and
15 acknowledge the grave errors that have been contribute
16 to a young man and both men that's unjustly taken from
17 his family and sentenced to life in prison.

18 There are several wrongdoings that we feel
19 should be addressed to the City of Detroit and the
20 Police Department.

21 Upon arriving to the crime scene, the
22 forensic officer testified, who had been a police
23 officer for 30 years, he testified that he noticed
24 there was fresh brick ash on the ground, indicating
25 that a bullet had entered the alley wall. He stated,

1 however, that when he attempted to extract the bullet,
2 it was missing from the wall.

3 When he attempted to notify Officer Dale
4 Hopkins that the bullet was missing and the scene,
5 indeed, had been tampered with, Officer Hopkins, at
6 that time, notified him that the gun that was present
7 with only police involved was missing.

8 Officer Hopkins later testified that he
9 received disciplinary action from the Police Department
10 due to the gun missing from the crime scene. Officer
11 Vila (phonetic) had testified also that he had noticed
12 the gun, had walked over the gun four times, and he
13 wanted it to be known and on record that the gun was
14 there.

15 Later, the Department homicide detective
16 Nancy Foster testified that she returned evidence such
17 as clips of bullets and broken watch back to a
18 gentleman named Mr. Wayne White, a security guard who
19 was in the alley with Mr. Jackson at the time of the
20 shooting. Mr. White never was required to turn in the
21 items or was investigated in regards to his gun.

22 When asked, he said that the gun was left at
23 the hospital. He said that his vest was left at the
24 hospital. He said the shooter who shot into his vest
25 was at least 25 to 30 feet, which is quoted in the

1 Detroit News.

2 So I asked for a police officer expert, gun
3 expert, to appear at court and to investigate the vest.
4 When he investigated the vest, he said that there was
5 no bullet in the vest because the bullet had been
6 missing from the vest.

7 He said that the person who shot you in this
8 vest, Mr. White, was not 25 to 30 feet, he had to be
9 standing 45 feet because there was gun residue on the
10 vest. That is what he testified to.

11 CHAIRPERSON BELL: Ma'am, I am going to have
12 to interrupt here. Your time is up. And we appreciate
13 your concern. I don't know if the Chief can respond to
14 this situation. But --

15 CHIEF OF POLICE CRAIG: I can.

16 CHAIRPERSON BELL: Yes, sir.

17 CHIEF OF POLICE CRAIG: Through the Chair,
18 what I would like you to do, Sylvia, can you get some
19 information? And also, Commander from professional
20 standards, I mean, what I am getting is you're alleging
21 police officer misconduct.

22 MS. VASS: Yes, by Officer Foster.

23 CHIEF OF POLICE CRAIG: Okay. Then I would
24 like you to set a meeting and find out if we have
25 allegations of misconduct that we have not addressed.

1 That sounds like you --

2 MS. VASS: I have sent for the Freedom of
3 Information Act for Officer Hopkins. And I sent that
4 out and I have not had a response.

5 CHIEF OF POLICE CRAIG: But I guess --

6 MS. VASS: Well, they did respond back to me
7 to give them additional time, but it's been over three
8 months now.

9 CHIEF OF POLICE CRAIG: But if you are
10 alleging police officer misconduct --

11 MS. VASS: Yes.

12 CHIEF OF POLICE CRAIG: -- we need to open an
13 investigation, if one has not. Although you did
14 reference in your comments that there was some
15 discipline associated with this case.

16 MS. VASS: Yes.

17 CHIEF OF POLICE CRAIG: I am not certain it
18 is the same. So we will need to look at it. So if you
19 would get with Attorney Washington.

20 MS. VASS: Yes.

21 A.C. WHITE: And we can go from there.

22 MS. VASS: Thank you. I appreciate your time
23 today.

24 COMMISSIONER MOORE: Through the Chair.

25 CHAIRPERSON BELL: Yes, sir.

1 COMMISSIONER MOORE: Chief, who is in charge
2 of homicide?

3 CHIEF OF POLICE CRAIG: Captain Slappy.

4 COMMISSIONER MOORE: Okay. Where is Captain
5 Decker?

6 CHIEF OF POLICE CRAIG: Captain Decker now is
7 working under Deputy Chief LaValley, who is our crime
8 control czar, if you will.

9 We have done some reconfiguring, probably a
10 month or so ago, to address the spike in violence. It
11 is going to -- this model, while it is still being
12 etched out, is going to deal with some of the gang
13 activity, as well as violent crime.

14 Decker has demonstrated in the past that he
15 is very effective at addressing violent crime through
16 crime control strategies, so he is going to be working
17 with LaValley in that area.

18 And so Slappy was moved from the Academy.
19 She was formerly a homicide investigator. And she --
20 in fact, her first day was this week.

21 COMMISSIONER MOORE: Who is in charge of the
22 Academy?

23 CHIEF OF POLICE CRAIG: The Academy is under
24 the direction of a lieutenant at this point. Because
25 right now as it stands we have one class that's

1 probably a couple of weeks from graduation. And there
2 is no real critical need to have a command officer
3 there. We have in service. But we are better suited
4 having the captain, certainly, in homicide and dealing
5 with the violent crime issue.

6 COMMISSIONER MOORE: Thank you.

7 CHIEF OF POLICE CRAIG: Okay.

8 CHAIRPERSON BELL: I might add that Chief
9 Investigator Pam Drake joined that dialogue with the
10 young lady, just in case it is a noncriminal matter, it
11 could be something that we would want to be involved
12 in, if not criminal. Thank you.

13 Thank you, Chief.

14 CHIEF OF POLICE CRAIG: You are welcome, sir.

15 CHAIRPERSON BELL: Okay. Any other audience
16 participation?

17 MS. PANNELL: Good afternoon. Sharon
18 Pannell.

19 I just wanted to say about the Coleman Young
20 forum last week, it was great, but they did not mention
21 that he created the Board of Police Commissioners. I
22 had my hand up, but he didn't acknowledge, you know, he
23 didn't recognize me.

24 CHAIRPERSON BELL: I agree. That was
25 excellent. We had an opportunity to interact with

1 Judge Cohn, who is a former police commissioner, and
2 went on to rule, and in reference to our matter here.
3 So, in fact, we had some interesting dialogue,
4 Commissioner Crawford and Commissioner Moore
5 afterwards. I know a little oversight, but it was a
6 tight program, I imagine so, but it was good dialogue.

7 MS. PANSELL: It was good dialogue.

8 CHAIRPERSON BELL: I really enjoyed the
9 dialogue.

10 MS. PANSELL: Just wanted to mention that.

11 CHAIRPERSON BELL: Hopefully. Definite.
12 Definite.

13 MS. SMITH: Captain, will you move that,
14 please?

15 CHAIRPERSON BELL: Always giving instruction.

16 MS. SMITH: Good afternoon. Bernice Smith,
17 political activist.

18 To the Chief, glad to see you. And to the
19 commissioners, we didn't get a chance to say personally
20 congratulations, but congratulations to you. Glad I am
21 going to look at you another two years. When I saw you
22 24 months ago, I was in doubt. And I told you that,
23 sitting right next to me on the right. And I looked at
24 you and I said, you think you going to stay here a long
25 time? You said, you will find out. So I am finding

1 out. So glad to have you, Dear.

2 CHIEF OF POLICE CRAIG: Thank you.

3 MS. SMITH: In the meantime, I wanted to
4 correct the lady's statement stating that the young man
5 was a member of the 300. He was brought into the 300.
6 I am one of the original on the women's side member of
7 the 300. So that's an incorrect statement when she
8 said he belonged to the 300.

9 In the meantime, it was a good affair last
10 Wednesday at the -- I wasn't there because I couldn't
11 find a parking space in time, and then it was
12 practically over with, but there was one concern that I
13 had. The fact that the person who was doing the
14 presentation, I understand is Chuck Stokes was the MC.

15 CHAIRPERSON BELL: Yes, ma'am.

16 MS. SMITH: I found out that they did not
17 mention the fact that Judge Damon Keith was one of the
18 most important person in Coleman Young's life, and in
19 his rule as being the Mayor. So I did call Chuck and
20 he told me who the person was. Because he said don't
21 blame him because it wasn't him. In the meantime, the
22 young man that I did call, he did not return my call.
23 So I am not going to worry about that. But the fact is
24 I felt as though that the judge was left out of it.

25 Now, Chief, I have seen you every day just

1 about this week on TV. And you are doing a heck of a
2 job in coming to the crime scene. And I have heard
3 people talk about it to me. And I say I will report to
4 you that you are doing a good job as far as reporting
5 to the crime scene.

6 Also, I would like very much to know, you do
7 have an appointment, I don't know if you know your
8 appointment list, you are going to be at the
9 Renaissance next Sunday and you are going to be the
10 speaker for my granddaughter's Renaissance school.
11 With my pulling a little handle last February, I got
12 your --

13 CHIEF OF POLICE CRAIG: Can I send Todd
14 Bettison?

15 MS. SMITH: That's fine. I have no problem
16 with that. But I promised my granddaughter and those
17 seniors that the Police Chief of the Detroit City is
18 going to be the main speaker. They wanted Gilbert, but
19 I said, no way. You need to get the Chief. So we got
20 you, next Sunday I believe, it is going to be at Cobo
21 Hall. Just in case you forgot or you haven't seen your
22 schedule. So he will be at Cobo Hall next Sunday. We
23 all will be looking forward to seeing him. Because a
24 lot of the kids, they have never met you. And I think
25 it would be to their -- to their advantage to see you

1 and know what you are going to say, because we look up
2 to you, at least we seniors do.

3 CHIEF OF POLICE CRAIG: Thank you.

4 MS. SMITH: And I feel as though that the
5 students should be more aware of what your position is
6 in the City other than that label of Police Chief. Get
7 to know you are right within your heart and know that
8 you are sincere about staying here. And I am glad you
9 are not going to Chicago.

10 CHIEF OF POLICE CRAIG: Thank you. Don't
11 want to go there.

12 MS. SMITH: I thank you so much.

13 CHAIRPERSON BELL: Thank you, Mother Bernice.
14 Any others? Audience participation?

15 So on that note, I just want to follow up
16 with what Mother Bernice said in terms of I think it
17 was outstanding that a Chief of Police would get an
18 opportunity to speak at a commencement ceremony. I
19 think that is unique. And I know he would do an
20 excellent job.

21 But I also want to let the record reflect, I
22 have no disrespect for Cass Tech. Some of my best
23 friends graduated from Cass Tech.

24 And Renaissance. Renaissance was not in
25 existence when I was in high school.

1 CHIEF OF POLICE CRAIG: Did you graduate from
2 Pershing?

3 CHAIRPERSON BELL: No, sir. No Pershing High
4 School. In the hood. But we had rivalry, you know,
5 back in the day with, you know, different schools.
6 But -- and Cass was one of those schools. But
7 Renaissance, we had -- Renaissance was not on the map.
8 Osborn High School, but southeast and northeast and,
9 you know, other schools, it was a good spirit. Even
10 now, King and Cass have a rivalry.

11 CHIEF OF POLICE CRAIG: Yes.

12 CHAIRPERSON BELL: You are probably aware of
13 that.

14 CHIEF OF POLICE CRAIG: Yeah. Always have.

15 CHAIRPERSON BELL: I know in terms of track
16 and football, it's always highly competition when you
17 see those students come. And they're friendly, you
18 know, that type of thing.

19 But I am a great supporter of the public
20 school system. And I hope that -- I have been
21 following the issue with the Governor and with the
22 Mayor. I hope that they get this issue resolved. They
23 always -- it's always about the kids, somewhere along
24 the line. It get misplaced sometimes, but I think it
25 is crucial that they stabilize the school system. Do

1 like public safety being stabilized, the school system
2 should be stabilized. So once we get that, I think we
3 can move forward.

4 So the Chair would entertain a motion for
5 adjournment.

6 COMMISSIONER MOORE: So moved.

7 COMMISSIONER BURTON: Support.

8 CHAIRPERSON BELL: Properly moved and
9 supported. Ready for question, aye?

10 COMMISSIONERS: Aye.

11 CHAIRPERSON BELL: Those opposed?

12 Motion carried.

13 And thank you for a great meeting. Great to
14 see you.
