5 CHAIRPERSON CARTER: Good afternoon.

6 AUDIENCE: Good afternoon.

7 CHAIRPERSON CARTER: Welcome to the weekly  
8 Board of Police Commissioners meeting. My name is Lisa  
9 Carter, Chairperson of the Detroit Police Commission.  
10 I represent District 6. Thank you for attending  
11 today's meeting. And for those of you viewing on your  
12 local cable channels, thank you for tuning in.

13 As a board, we are down and missing one of  
14 our members, Detroit Police Commissioner Derrick  
15 Sanders, who passed away over the Easter weekend. He  
16 will be funeralized this Saturday at 1 p.m. at Swanson  
17 Funeral Home.

18 Commissioner Sanders is most known for his  
19 work as a labor leader. Sanders was a business  
20 representative of the Operating Engineers Union Local  
21 324. Sanders and the Operating Engineers Union is best  
22 personified in their mantra, "We keep Michigan moving."

23 Commissioner Sanders was a vital part of the  
24 commission, and by his contributions to the board he  
25 helped keep the BOPC running. Sanders also contributed

1 his time and energy to several other organizations,  
2 city organizations, beyond his union work. Two of  
3 these organizations include the Detroit Economic Growth  
4 Corporation and the Detroit Building Authority.

5 Additionally, Lieutenant Shawn Wesley will be  
6 funeralized Friday at Pine Grove Baptist Church at  
7 11 a.m. Lieutenant Wesley was a veteran of the  
8 department and served Detroiters for over 32 years.

9 I would also like to note the death of Winnie  
10 Mandela. Ms. Mandela was a freedom fighter and worked  
11 with Nelson Mandela against Apartheid and racial  
12 oppression of South Africa. Winnie Mandela was a  
13 mother to Africans around the world, a wife and an  
14 advocate for social and economic justice and democracy.

15 Derrick Sanders and Shawn Wesley will be  
16 memorialized by this board later on the agenda. I ask  
17 for prayers for Winnie Mandela and I ask for a period  
18 of silence to reflect on the lives and careers of  
19 Commissioner Derrick Sanders, Lieutenant Shawn K.  
20 Wesley and Freedom Fighter Winnie Mandela.

21 (A moment of silence was observed.)

22 CHAIRPERSON CARTER: Thank you. At this time  
23 I'm going to ask that Chaplain Davenport come before us  
24 to provide the invocation for today. Thank you.

25 CHAPLAIN DAVENPORT: Righteous internal God,

1 our Father, we thank you for this time of gathering.  
2 We remember and celebrate Commissioner Sanders,  
3 Lieutenant Wesley and Winnie Mandela. We thank you for  
4 the contributions to our lives, dedication to the city.  
5 God, we pray Your wisdom fall upon the leaders of our  
6 governments, our state, our city, Lord, that unity  
7 continues to go forth through this body. We come  
8 together in love. Bless this meeting now as we  
9 exchange ideas and grow together. In the name of  
10 glory, this I pray and ask in Jesus name. Amen.

11 AUDIENCE: Amen.

12 CHAIRPERSON CARTER: Thank you. At this time  
13 I'm going ask that the commissioners to introduce  
14 themselves beginning with Commissioner Davis.

15 COMMISSIONER DAVIS: Good evening. William  
16 Davis, District 7.

17 COMMISSIONER BURCH: Good afternoon. Shirley  
18 Burch, District 3.

19 COMMISSIONER BROOKS: Elizabeth Brooks,  
20 At-Large.

21 VICE CHAIRPERSON DEWAELSCHÉ: Eva Garza  
22 Dewaelsche, Vice Chair and At-Large.

23 COMMISSIONER BELL: Willie Bell, District 4.

24 CHAIRPERSON CARTER: Thank you,  
25 Commissioners.

1 MR. HICKS: Madam Chair, you have a quorum.

2 CHAIRPERSON CARTER: Thank you, Mr. Hicks.

3 Would you please introduce the rest of the BOPC staff,  
4 please.

5 MR. HICKS: Thank you, Madam Chair. I do  
6 want to indicate just before we make the introductions  
7 of staff that Sergeant Quinn is taping the meeting,  
8 Media Service is providing the audiovisual work for  
9 today and Sheila Rice is the court reporter today.

10 And when I look in the audience, Ms. Bridget  
11 Lamar is sitting over here. She is the interim  
12 director of the personnel for DPD. And then when we  
13 swing over to this side we have Ms. Johnson who is our  
14 fiscal, Mr. Wyrick who is legal, Ms. Blossom is our  
15 media outreach coordinator, Ms. White who is policy.

16 And then we're going to go over to Dr. Polly  
17 McCallister who will not only introduce herself, but  
18 also introduce the balance of her staff that's present  
19 this evening.

20 DR. McCALLISTER: Good afternoon, board, and  
21 Madam Chair.

22 COMMISSIONERS: Good afternoon.

23 DR. McCALLISTER: I'm Polly McCallister,  
24 Chief Investigator. And with me I have Supervising  
25 Investigator Akbar, Supervising Investigator Nelson,

1 Senior Investigator Madrigal, Investigator Nichols,  
2 Investigator Coleman, Investigator Coulter,

7 Good afternoon, sir.

8 DEPUTY CHIEF FITZGERALD: Good afternoon,  
9 ma'am.

10 CHAIRPERSON CARTER: And would you like to  
11 introduce any staff that you have.

12 DEPUTY CHIEF FITZGERALD: I would, but  
13 there's so many of them. So I think I'll just start in  
14 the front with the good Deputy Chief and then if they  
15 can just stand up and introduce themselves and tell  
16 them where they're from.

17 DEPUTY CHIEF BETTISON: Todd Bettison, Deputy  
18 Chief, Chief Neighborhood Liaison.

19 SERGEANT WARD: Sergeant Bobby Ward, Sex

22 At this time if there are any elected  
23 officials or representatives, would you please stand  
24 and give your name for the record, please.

25 COUNCILMAN McCALLISTER: Councilman Roy

1 McCallister, Jr., Detroit City Council, District 2.

2 CHAIRPERSON CARTER: Thank you, Councilman,  
3 for joining us this afternoon.

4 COUNCILMAN McCALLISTER: And through the  
5 Chair, Madam Chair, I do have a plaque that I would  
6 like to present possibly at the end regarding  
7 Commissioner Sanders. I brought that over to present  
8 to the board.

9 CHAIRPERSON CARTER: Okay. Thank you.

10 At this time, Commissioners, you have before  
11 you the agenda for April 5, 2018. Is there a motion  
12 for --

13 VICE CHAIRPERSON DEWAELESCHE: So moved.

14 COMMISSIONER BELL: Second.

15 CHAIRPERSON CARTER: It's been moved and  
16 supported that we approve the agenda for April 5, 2018.

17 Is there any discussion?

18 Those in favor?

23 minutes from March 29, 2018.

24 Is there a motion for approval?

25 COMMISSIONER DAVIS: So moved.

1 COMMISSIONER BROOKS: Second.

2 CHAIRPERSON CARTER: It's been moved and  
3 supported that we approve the minutes from March 19,  
4 2018 (sic).

5 Is there any discussion?

6 Those in favor?

7 COMMISSIONERS: Aye.

8 CHAIRPERSON CARTER: Those opposed?

9 The motion carries.

10 The Board of Police Commissioners meets every  
11 week except for Thanksgiving and Christmas holiday  
12 periods. We meet at the Police Headquarters in regular  
13 sessions three weeks in the month on Thursdays at  
14 3 p.m. We also meet in the community every second  
15 Thursday of the month at 6:30 p.m.

16 The Board of Police Commissioners exists to  
17 provide civilian oversight for the work of the Detroit  
18 Police Department. As a board, we receive and resolve  
19 -- I'm sorry -- we receive and investigate noncriminal  
20 citizens' complaints, monitor the operations of the  
21 department and working with the Mayor and the Chief to  
22 make or modify police policy. Our objective is the  
23 same of any -- as the city of Detroit, to provide the  
24 best use of your tax dollars to improve the quality of  
25 life within our city.

1                   As a board, we bring a unique perspective to  
2                   policing the eye and the viewpoint of civilians. The  
3                   principal of civilian oversight is as old and as  
4                   important as all of the founding principals in our  
5                   democracy. Separation of powers between and within  
6                   government allows for accountability, transparency,  
7                   rights to appeal and citizen control. These principals  
8                   are important nationally as well as locally.

9                   At the top of our meetings, we always  
10                  indicate on behalf of the board our concern and support  
11                  for fallen and injured officers and their families. I  
12                  would ask that Deputy Chief Fitzgerald during your  
13                  remarks, please, to provide us with any additional  
14                  information related to injured and fallen officers.

15                 Today we have a presentation from DPD Sex  
16                 Crimes Unit. Please note that in your packages,  
17                 Commissioners, are copies of questions submitted to the  
18                 department in advance of the presentation. Our  
19                 questions focused on quantifying the number of rapes  
20                 and sexual assaults in our city and how the department  
21                 handles or investigate these crimes. We also ask about  
22                 any special trends or patterns of behavior associated  
23                 with these crimes as well as an update on the rape kit  
24                 backlog issue. We hope that the presentation today  
25                 will cover these critical issues.

1 I also want to call your attention to the  
2 change in the order of our agenda. We have scheduled a  
3 closed session to take up a personnel matter, a request  
4 from the Chief of Police to suspend without pay Police  
5 Officer Tammy Barnes.

6 We will also advance oral comments before  
7 closed session for comments from the public. After we  
8 return from closed session we will take up any formal  
9 actions regarding Officer Barnes as required under the  
10 Open Meetings Act.

11 So with that, with the adjustment on our  
12 agenda, we will have oral communications from the  
13 audience earlier. So if you would like to speak to the  
14 board please make your -- put your name on the  
15 speaker's card, which are located in the back of the  
16 room, or Mr. Brown has some here up in front. Please  
17 give your card to Mr. Brown before the beginning of  
18 public comments.

19 And at this time I'll turn the mike over to  
20 Deputy Chief Fitzgerald.

21 DEPUTY CHIEF FITZGERALD: Thank you, ma'am.  
22 I'll keep my comments relatively short. Even after  
23 kind of a violent Easter weekend, our numbers in the  
24 city continue to look pretty well. We're down 11  
25 homicides over the same time last year, which is about

1 a 15-percent reduction. We are down 45 nonfatal  
2 shootings over the same time last year, which is about  
3 a 22-percent reduction. Overall violent crime offenses  
4 for the city is down five percent, and then the overall  
5 Part 1 offenses is down 14 percent with property crime  
6 down about 17 percent. So all in all, outside of this  
7 past weekend, things are going still in the right  
8 direction.

9 As one point of clarification, the funeral  
10 arrangements for Lieutenant Shawn Wesley visitation is  
11 today between 12:00 and 8:00 at the Pine Grove Baptist  
12 Church at 1833 Electric. Tomorrow the funeral services  
13 are going to be held at Greater Grace Temple. The  
14 family hour is from 10:00 to 1:00 -- I'm sorry, 10:00  
15 to 11:00, and then the services will begin at 11 a.m.  
16 The internment is going to be at the Parkview Memorial  
17 Cemetery at 34205 Five Mile Road in Livonia, and the  
18 repass will be immediately following the internment  
19 right back at Greater Grace Hospital (sic).

20 As far as some of our injured officers, as  
21 most know we had a tough go over the past couple years,  
22 but I can run down some relatively quickly.

23 Good news is that we have Officer Benjamin  
24 Atkinson who was shot, he returned back to work back in  
25 January of this year on a restricted duty capacity.

1 And more recently, Officer Jovaraka Tyus from number 11  
2 returned back full duty as of, like I said, March 12  
3 after being shot in the leg. Officer Waldis Johnson is  
4 still in a long-term care facility. So please continue  
5 to keep him in your prayers. Officer Anthony Brown,  
6 Officer James Kisselburg, Officer Robert Kovak, Officer  
7 Eric Smith, Officer Matthew Windquist, Sergeant Eric  
8 Bucy and Officer Justin Marroquin (ph) are all  
9 recuperating at home from various injuries.

10 And, like you said, we have a presentation  
11 from Sex Crimes. So whenever you've ready you can have  
12 them come up.

13 CHAIRPERSON CARTER: Commissioners, do you  
14 have any questions for Deputy Chief Fitzgerald?

15 COMMISSIONER DAVIS: Not at this time.

16 COMMISSIONER BELL: Yes, ma'am. Madam Chair,  
17 I just have -- not a question. I raised a concern  
18 about the F word last week with Assistant Chief Arnold  
19 Williams. And I received another case after concerning  
20 another officer using the F word. And we was able to  
21 confirm it, because his partner who is no longer with  
22 us captured it on body camera and it spoke loud and  
23 clear. So we were citing him in that regard.

24 So I'm going to make another request that  
25 Chief Craig and his team send out a -- what you call a

1 memo to remind officers of their demeanor so -- it  
2 concerns me. And I'm going to ask the Chief  
3 Investigator if she will do 30 days monitoring these  
4 complaints that involve demeanor of that nature,  
5 because to me that's something that could be easily  
6 corrected. That is street -- language in the street,  
7 not for professional police officers. It does not  
8 reflect DPD. And we was very fortunate --

9 And also part of that, this officer did not  
10 turn on his body camera for that eight-hour period. So  
11 to me that is a glaring violation of policy. And I  
12 would like to know the outcome of that investigation as  
13 we send it forward to you in terms of that explicit  
14 violation of department policy not to have the camera  
15 on. And I assume that he might have been cited by his  
16 supervisor, because the cameras was working initially  
17 but he didn't utilize it.

18 So I just cannot, you know, overlook that  
19 type of instance where people are concerned about how  
20 we use body cameras, as you well know. So we want to  
21 make sure that these officers are following the policy  
22 that DPD and the Board of Police Commissioners  
23 established in terms of utilizing body cameras.

24 Thank you, Madam Chair.

25 CHAIRPERSON CARTER: Thank you, Commissioner

1 Bell.

2 COMMISSIONER BROOKS: Madam Chair, I don't  
3 have a question. I just have a statement to make that  
4 I feel very good after reading the Free Press this  
5 morning that Randolph Career Technical Educational  
6 Center in Detroit has become the first school to join  
7 the city's Project Green Light Crime Prevention Program  
8 with 23 cameras installed and that will monitor the  
9 school in realtime. I think that is one of the best  
10 things I've heard or read.

11 And also the school superintendent will be  
12 talking to get all of the schools to get the Green  
13 Light Project. So I think that that's a great thing,  
14 and I just wanted to announce it in case those have not  
15 read it. Thank you.

16 CHAIRPERSON CARTER: Thank you, Commissioner  
17 Brooks.

18 COMMISSIONER BELL: Madam Chair, I have one  
19 more comment, please. I just want to appreciate Deputy  
20 Chief Bettison for the neighborhood police officer  
21 service in terms of coming out and participating at the  
22 Fifth Precinct Police Community Meeting. I think it's  
23 very meaningful when someone from the Chief's staff  
24 interacts with NPOs and officers from the Fifth  
25 Precinct and the community and to elaborate on several

1 issues that they were concerned about, so --

2 And he was there in the beginning and he  
3 stayed the course. As we know, he's always engaging.  
4 So it's quite positive in terms of the department. I  
5 want to say something positive, too, as we bring up  
6 different issues. So I want to commend the Deputy  
7 Chief for his participation last night. Thank you.

8 DEPUTY CHIEF BETTISON: Thank you, sir.

9 CHAIRPERSON CARTER: Thank you, Commissioner  
10 Bell. And, too, Deputy Chief Fitzgerald can you bring  
11 us something back next week with regards to what  
12 actions were taken with regards to what Commissioner  
13 Bell was requesting.

14 DEPUTY CHIEF FITZGERALD: Absolutely. I will  
15 follow up A.C. Williams on the conversation from last  
16 week. And there's no problem with sending out some  
17 sort of teletype or -- about demeanor and  
18 professionalism. We'll reflash that.

19 CHAIRPERSON CARTER: All right. Thank you.

20 At this time we'll have resolutions,  
21 posthumous resolutions, for Commissioner Derrick  
22 Sanders which will be read by Vice Chair Dewaelsche.

23 VICE CHAIRPERSON DEWAEELSCHÉ: Thank you,  
24 Madam Chair. It is my distinct honor to read this  
25 resolution honoring Detroit Police Commissioner Derrick

1 Sanders posthumously.

2 "Whereas Derrick Sanders was appointed to the  
3 Detroit Board of Police Commissioners on November 29,  
4 2015. A highly respected union leader and actively  
5 involved throughout the entire community, and a devoted  
6 family man.

7 "And, whereas Commissioner Sanders, going  
8 beyond the call of duty, served as the chairperson of  
9 the Board of Police Commissioners Budget Subcommittee,  
10 served as a commissioner of the Detroit Wayne Joint  
11 Building Authority, a member on the City of Detroit  
12 Water Board, a member of the Detroit Public Schools  
13 Oversight Committee and a member of the Detroit  
14 Brownfield Redevelopment Authority Board.

15 "And, whereas on Saturday, March 31, 2018,  
16 after three productive years of a five-year term,  
17 Commissioner Derrick Sanders passed away. He had been  
18 a member of the International Union of Operating  
19 Engineers Local 324 since 1993 and was serving as a  
20 business representative and trustee for the local.

21 'Derrick was a leader, a friend and a tireless  
22 supporter and advocate for labor and OE324,' the group  
23 said in a statement. 'He had a heartfelt belief in the  
24 revitalization of Detroit, and the power of our  
25 industry to create good, safe careers to improve

1 communities and lives. He will be greatly missed.'

2 "And whereas Chairperson Lisa Carter states,  
3 'Commissioner Sanders brought a unique perspective to  
4 his role and duties as a board member and as Chair of  
5 the budget subcommittee.' She said, 'To him, the  
6 numbers on a spreadsheet were people and equipment  
7 needed to provide our city with the best level of  
8 public safety.' Sanders was known for visiting  
9 precincts and pushing to ensure city officers had  
10 functioning fleet cars. Member Eva Garza Dewaelsche  
11 said, 'He was really very committed, sincere and  
12 serious.'

13 "And now, therefore, be it resolved that the  
14 Detroit Board of Police Commissioners, speaking on  
15 behalf of the citizens of the great city of Detroit and  
16 the Detroit Police Department, honor and salute Detroit  
17 Police Commissioner Derrick Sanders for his compassion,  
18 spirit of giving, leadership and commitment to the  
19 Citizens of the city of Detroit. His outspoken passion  
20 for equality and accountability continues to support  
21 the framework through which the Board of Police  
22 Commissioners governs.

23 "We thank and salute you, Commissioner  
24 Derrick Sanders."

25 On behalf of the Detroit Board of Police

1 Commissioners.

2 Thank you, Madam Chair. I move that we adopt  
3 this resolution.

4 COMMISSIONER BELL: Second.

5 CHAIRPERSON CARTER: It's been moved and  
6 supported that we adopt the resolution honoring  
7 Commissioner Derrick Sanders.

8 Is there any discussion?

9 Those in favor?

10 COMMISSIONERS: Aye.

11 CHAIRPERSON CARTER: Those opposed?

12 The motion carries.

13 At this time I'm going to ask that lieutenant  
14 -- I'm sorry. I called you lieutenant, but  
15 Commissioner Bell read the resolution honoring  
16 Lieutenant Shawn Wesley.

17 COMMISSIONER BELL: "Board Resolution  
18 Honoring Lieutenant Shawn K. Wesley, Posthumously."

19 Shawn Wesley was appointed to the Detroit  
20 Police Department on October the 20, 1986. Upon  
21 graduating from the academy, he begun his career at  
22 Tactical Services Section, known as TSS back in the  
23 day.

24 Whereas he dutifully served the Eighth  
25 Precinct, record unit. He was promoted to the rank of

1 investigator on July the 24, 1998 and reassigned to the  
2 record unit and Internal Controls Section. He promoted  
3 to sergeant on January the 22, 1999 and was reassigned  
4 Internal Controls Section. He also served Internal  
5 Affairs Unit, Notification Control Section,  
6 Investigations Portfolio, the Police Medical, Office of  
7 the Chief of Police and Homeland Security. On November  
8 the 22, 2013 Sergeant Wesley promoted to lieutenant,  
9 serving the Criminal Investigations, Second Precinct,  
10 Communication Section, Secondary Employment, and  
11 reassigned to Communications Operations. On Wednesday,  
12 March the 28, 2018, after 32 years of Service,  
13 Lieutenant Shawn K. Wesley, Badge L-36 passed away.

14           Whereas, Lieutenant Wesley tirelessly served  
15 the department, the City of Detroit and his  
16 neighborhood community for 32 years, his  
17 professionalism, commitment to public service,  
18 integrity and dedication were a credit to the Detroit  
19 Police Department.

20           Now, therefore, be it resolved that the  
21 Detroit Board of Police Commissioners, speaking for the  
22 citizens of Detroit and the Detroit Police Department,  
23 award this resolution posthumously in recognition of  
24 Lieutenant Wesley's 32 years of dedicated and diligent  
25 police service -- public service. His professionalism,

1 integrity, and standard commitment to the city of  
2 Detroit and its citizens merit our highest regards.

3 We salute Lieutenant Wesley for a job well  
4 done, and we pray for his family and all his loved  
5 ones.

6 Madam Chair, I move that we accept the  
7 resolution.

8 VICE CHAIRPERSON DEWAELESCHE: Support.

9 CHAIRPERSON CARTER: It's been moved and  
10 supported that we adopt the resolution honoring  
11 Lieutenant Shawn Wesley posthumously.

12 Is there any discussion?

13 Those in favor?

14 COMMISSIONERS: Aye.

15 CHAIRPERSON CARTER: Those opposed?

16 The motion carries.

17 MR. HICKS: Madam Chair, as a purpose to the  
18 Chair, if we could -- a council member is present.

19 CHAIRPERSON CARTER: Yes. I was going to ask  
20 that Council Member McCallister come to present the  
21 resolution.

22 COUNCILMAN McCALLISTER: Thank you, Madam  
23 Chair, and thank you to this board.

24 This is a difficult time, because  
25 Commissioner Sanders was one of the folks that I feel

1 that was very honorable in the position that he held.  
2 Technically, Commissioner Sanders is one of those  
3 commissioners that I really would have wanted to have  
4 in my district, District 2, because of his upstanding  
5 and his compassion and his -- just dedication to this.

6 Last week there was -- Corporate Counsel  
7 Garcia came before and talked how he wanted to work  
8 with the Board of Police Commissioners as far as  
9 information. And that was one of the things that my  
10 office, corporate counsel, and I spoke to some of the  
11 members, but also Commissioner Sanders was instrumental  
12 in making sure that that happened.

13 So it's a deep loss, a very deep loss. So on  
14 behalf of my office I would just like to read this  
15 Spirit of Detroit.

16 From my office, on behalf of my office,  
17 Councilman Roy McCallister, Jr., the Detroit City  
18 Council, it's with sincere gratitude and appreciation  
19 that I present this award to the family of Commissioner  
20 Derrick B. Sanders and to the Board of Police  
21 Commissioners.

22 Commissioner Sanders was a wonderful man who  
23 was loved by many. He has held positions in the City  
24 of Detroit board, Water Board, the Detroit Police  
25 School Oversight Committee. He has been a member of

1 the International Union of Operating Engineers Local  
2 324 since 1993 and served as a business representative  
3 and trustee for the local. Commissioner Sanders was a  
4 lifelong resident of the city of Detroit, and he gave  
5 back to his community by serving on various boards  
6 within the city, including the Detroit Economic Growth  
7 Board and the Wayne County Joint Authority Board. He  
8 was appointed by the Mayor as one of the four at-large  
9 members of the Board of Police Commissioners.  
10 Therefore, on this day, we celebrate his life and  
11 remember his legacy of service, dedication and  
12 leadership.

13 And I also want to also give my condolences  
14 for your resolutions for Lieutenant Wesley.  
15 Unfortunately Lieutenant Wesley also, the day that  
16 Officer Weathersby was killed, Lieutenant Wesley  
17 encountered his heart attack. So my condolences to the  
18 board, to the Detroit Police Department for their loss  
19 as well as, Madam Chair, your acknowledgement to Winnie  
20 Mandela.

21 Thank you so very much, and God bless each  
22 and every one of you.

23 CHAIRPERSON CARTER: Thank you very much.

24 VICE CHAIRPERSON DEWAELSCHÉ: Thank you.

25 COMMISSIONER BELL: Madam Chair, I would like

1 to receive this on behalf of the commissioner and our  
2 dear brother.

3 CHAIRPERSON CARTER: Thank you,  
4 commissioners. At this time, I just feel moved that if  
5 any commissioner wants to say anything, has anything  
6 that they want to say on behalf of Commissioner Sanders  
7 at this time.

8 COMMISSIONER BELL: Madam Chair, I would like  
9 to speak on this brother, Derrick Sanders. He was  
10 truly a truly committed police commissioner and a great  
11 citizen of Detroit and great unionism, union  
12 involvement. He remind me of the spirit of Horace  
13 Sheffield, Sr., the spirit of the late Ernie Lofton and  
14 Buddy Bellows (ph) and all of the people who made a  
15 difference in terms of union involvement from a  
16 political perspective, a community perspective, but  
17 truly understood the movement.

18 And I think that he brought a whole lot to  
19 this board in terms of his sincerity. And his yes was  
20 yes and his no was no. And, as my father would say, "I  
21 appreciate a man's man." And you don't meet too many  
22 men who stand up in this day and age who would be truly  
23 strong, and he was that type of brother.

24 And I just want to say I appreciate his  
25 support for my endeavors, my efforts in terms of the

1 political arena. He was one of the first individuals  
2 who said, okay, this is a good man and you should be  
3 supportive of that. Even on his last days, we met on  
4 Wednesday and he made really a significant contribution  
5 in terms of my effort, and we talked extensively in  
6 that process.

7 I just want to say that I had the honor of  
8 appointing him to the budget committee as Chair. And,  
9 as you all know, he ran with it. He took it, not just  
10 on paper, but he took it to the streets in terms of  
11 patrol. And all those issues that was budgeted out he  
12 was hands on to make sure that the troops received them  
13 and monitored. And he had meaningful dialogue on that  
14 graduation with Chief Craig about his concern about the  
15 scout cars.

16 So I cannot say -- I just say Godspeed to his  
17 wife and his family and all those who loved this  
18 brother throughout the city of Detroit, because we say  
19 the Spirit Award, I'm glad my brother, Roy --  
20 Councilman Roy McCallister brought this forth for this  
21 body here and then share it with the family, but that  
22 means a whole lot when you recognize service. Because  
23 this board is a working board and is not on salary, but  
24 is truly committed. I say that over and over again.  
25 To serve with this body here has been one of the

1 highlights of my short career.

2 And I close by saying that I had the  
3 opportunity to visit South Africa. It was on my bucket  
4 list to visit South Africa while Nelson Mandela was  
5 alive and Winnie Mandela was alive, even though I did  
6 not have any interaction with them, but I felt the  
7 spirit in the people.

8 So I think when we look at this brother here  
9 he is a freedom fighter, and it's true -- and  
10 definitely Winnie Mandela was a freedom fighter,  
11 because she went through a whole lot and we should know  
12 her story. We should really know her story. We should  
13 really know and tell somebody about it. We need to  
14 share those freedom fighters, because freedom fighters  
15 are unique and they're God bless on the eve of Dr.  
16 King's death in Memphis, Tennessee. We should be in  
17 the spirit of movement. We should be in the spirit of  
18 movement, and not just status quo. That's the legacy  
19 that we all need to share.

20 And thank you, Madam Chair.

21 CHAIRPERSON CARTER: Thank you, Commissioner  
22 Bell.

23 Commissioner Dewaelsche.

24 VICE CHAIRPERSON DEWAEELSCHÉ: Madam Chair, as  
25 I commented during the resolution, Commissioner Sanders

1 was so serious in his position. He took everything  
2 very seriously, and I was very fortunate to be on his  
3 subcommittee. Thank you for appointing me, because I  
4 got to know him quite well. And I know Commissioner  
5 Brooks is going to probably say the same thing. He was  
6 so serious when we went over those financials. He  
7 would hone in on, you know, an amount and ask the tough  
8 questions like what is this for, why is it not more and  
9 why -- you know, just -- he was serious about what he  
10 did, and we were fortunate to work with him. If he  
11 thought that there was not enough money, for instance,  
12 for the cars that he -- you know, he kind of took that  
13 as an issue and he was not going to let it go, because  
14 he felt that the officers had to have good cars, good  
15 weapons, good equipment, everything. And, you know,  
16 that was his mission while he was on this committee,  
17 and I'm so fortunate that I worked with him. He taught  
18 me a lot.

19 And I'm -- the last words he said to me, and  
20 I'm so glad, because -- I don't know if I can say this.  
21 I was gone for one week. He said, "I'm so glad you're  
22 back. I missed you." One week.

23 So that's Commissioner Sanders. He was  
24 fantastic, a good friend.

25 COMMISSIONER BURCH: Madam, can I say

1 something?

2 CHAIRPERSON CARTER: Commissioner Burch.

3 COMMISSIONER BURCH: I just want to say by  
4 being a newcomer Commissioner Sanders sat right here.  
5 He was such -- I looked at him from a different  
6 perspective, because I didn't get to know him yet as  
7 far as what he does in the different committees. But  
8 he made me feel so comfortable in sitting here to  
9 represent you, the citizens and the police department,  
10 that he had the humor to help me to relax and said,  
11 "Commissioner, you don't have to be so serious. Just  
12 take it one day at a time and relax and listen to what  
13 they're saying." Because he would encourage me to say  
14 you can do it.

15 And so I looked at him on that last day  
16 sitting next to me, dressed so eloquently. If you all  
17 were here, he was dressed in powder blue from his head  
18 to the shoe. And I looked at him. I says, "Well,  
19 excuse me. I didn't get the memo where we're going."

20 He said, "I did that because it's so dreary  
21 outside. I wanted to lift up the people's spirit."

22 And he did that. He was a very humorous  
23 person sitting next to me. And I can appreciate all  
24 what the other commissioners have said. But I would  
25 never try to follow in the footsteps. I will follow in

1 the footsteps God has led me to be here and to do what  
2 I can do to bring contribution as a police  
3 commissioner. It's a honor to have met him.

4 Thank you.

5 CHAIRPERSON CARTER: Thank you, Commissioner  
6 Burch.

7 Commissioner Davis.

8 COMMISSIONER DAVIS: I'd like to say that I  
9 used to talk to him regular before being elected to the  
10 board. Like I came to the meetings regular for like up  
11 to a year before being elected. And after elected,  
12 before even being sworn into office, you know, he  
13 approached me and told me that he lives in my  
14 neighborhood, because he only stays about a mile --  
15 less than a mile from me and I could walk to his house.  
16 And we used to talk regularly, because I used to sit  
17 right next to him. And, you know, he was one of the  
18 first people to approach me and ask me do I need  
19 anything, gave me his card and, you know, just -- we  
20 used to talk regular. Especially we used to talk about  
21 his apparel, because, you know, he was a snazzy  
22 dresser.

23 And I remember I used to, you know, joke with  
24 him, told him he looked like he was a preacher. And  
25 just last week I told him, "I don't know if you look

1 like you a preacher or you look like you a pimp."

2 And he said, "Well, please say I look like a  
3 preacher, because I love my wife."

4 You know, that was the last thing, the last  
5 discussion we had just last week. He was talking about  
6 how he loved his wife. That's all I can say. He's a  
7 great man.

8 CHAIRPERSON CARTER: Thank you, Commissioner  
9 Davis.

10 Commissioner Brooks.

11 COMMISSIONER BROOKS: I'm the last one. It's  
12 going to be very hard for me to say something about  
13 him. He and I got along so well. We worked well  
14 together. He was a better Chair of the budget  
15 committee than I would ever be, because he looked at  
16 every penny. My mind was on recruiting, on this, on  
17 that and -- you know, but he looked at everything.

18 But I so enjoyed his sense of humor, because  
19 that's what he brought to me. And I would always tell  
20 him sitting next to me, "Please don't get me in trouble  
21 sitting up here where everybody can watch." He was  
22 just a unique man, and I really, really enjoyed working  
23 for him. And I'm going to stop there before I do what  
24 you did.

25 DEPUTY CHIEF BETTISON: Through the Chair,

1 I'd like to make a comment as well. I just want to say  
2 that of course he touched me, but he also touched many  
3 of the men and women of the Detroit Police Department.  
4 I've gotten so many phone calls from just the rank and  
5 file just, you know, of course disbelief, shock, but  
6 just expressing words of condolences, because he  
7 reached from Narcotics to the Special Ops with the  
8 ride-alongs, you know. He was there. So the officers  
9 knew that -- you know, we had media discussions about  
10 our fleet, our cars, but they knew that Commissioner  
11 Sanders was on the job. And Chief Craig got the phone  
12 calls from the commissioner as well. And, you know,  
13 we're going to very -- we're going to miss him so much.

14 So to the Sanders family, from DPD our  
15 sincere condolences, and our prayers are with them.

16 CHAIRPERSON CARTER: Thank you, sir.

17 And I just want to say in closing that he  
18 would sit up here and you think he was quiet, because  
19 he didn't say much. But when he said something he  
20 meant what he said, but he was behind the scenes  
21 working all the time. And he will definitely be  
22 missed.

23 Okay. At this time, commissioners, we'll  
24 have the presentation from Sex Crimes.

25 CAPTAIN TUCKER: Good afternoon, board.

1 COMMISSIONERS: Good afternoon.

2 CAPTAIN TUCKER: I'm going to go off script  
3 for just a second if you'll allow me. We just want to  
4 offer our sincerest condolences on the loss of your  
5 colleague.

6 And I was working that night, so bear with  
7 me. And you wouldn't think that you could be affected  
8 that deep by meeting someone one time. I met him last  
9 week, and I cried when I saw him at the hospital.  
10 That's how it affected me. So our sincerest  
11 condolences to you guys to losing your friend and your  
12 colleague.

13 CHAIRPERSON CARTER: Thank you, Lieutenant.

14 CAPTAIN TUCKER: Okay. My name is Captain  
15 Joe Louis Tucker, Jr. --

16 CHAIRPERSON CARTER: I'm sorry.

17 CAPTAIN TUCKER: -- of Major Crimes. And one  
18 of my responsibilities is to oversee the Special  
19 Victims Unit.

20 The Special Victims Unit is comprised of  
21 Domestic Violence Unit, Child Abuse Unit and, of  
22 course, Sex Crimes Unit.

23 I have with me Lieutenant Dawn Engel who is  
24 the commanding officer of SVU, and I have Sergeant  
25 Bobby Ward who is the officer in charge of the Sex

1 Crimes Unit.

2 I'm sorry. I want to acknowledge my  
3 commander, Elaine Bryant, back there. I work with her  
4 and she guides me and she does an excellent job.

5 The Sex Crimes Unit is broken down into four  
6 squads. Squad 1 is our Known Offenders Squad. That  
7 squads handles victims that are 15 years old or  
8 younger, also known as our Kiddie Squad.

9 Squad 2 is also a Known Offender Squad, but  
10 they deal with victims that over the age of 15.

11 Squad 3 is our Unknown Offender Squad.  
12 Regardless of the age, if the defender's unknown this  
13 squad handles it.

14 And our last team is the Cold Case Team.  
15 That's our SAK, or our Special Assault Kit Team. And  
16 they were assembled to work in conjunction with the  
17 Wayne County Prosecutor's Office to address our  
18 previous -- the key word "previous" rape kit issue.

19 Okay. We have 27 sworn members and one  
20 civilian to make up our team.

21 Now, responsibility of the Sex Crimes Unit is  
22 to investigate all allegations of sexual assaults.  
23 That means CSC 1s, 2s, 3s, 4s, indecent exposures. And  
24 our newest and biggest issue is the human trafficking  
25 issue, which we'll go into in more depth later on in

1 the presentation.

2 Now, I wanted to mention this last item,  
3 false reporting. We get a lot of false reporting of  
4 sexual assaults. So we make it clear to our  
5 complainants or alleged complainants that if you make a  
6 false report and affect someone's life, you know,  
7 falsely you will be prosecuted to the fullest by the  
8 Sex Crimes Unit.

9 I mean, it's a huge, huge undertaking to  
10 investigate these cases, and once we put the man-hours  
11 into it, to realize it was a false allegation and this  
12 citizen had this on his record, we have to take that  
13 serious. So we definitely make them understand that if  
14 it's not the truth we will come after you.

15 You know, I'm going to turn the presentation  
16 over to Sergeant Bobby Ward, because he's going to get  
17 into the weeds of what his unit does and elaborate on  
18 the good work that they do. Okay. So officer in  
19 charge, Bobby Ward.

20 SERGEANT WARD: Thank you, Cap.

21 Good evening, board.

22 COMMISSIONERS: Good evening.

23 SERGEANT WARD: I'm going to share with you  
24 some of the stats of Sex Crimes for this year, 2018.  
25 This is just year-to-date. We investigated 480

1 allegations of sexual assault. We're sitting on a  
2 70-percent closure rate at this time. Last year, 2017,  
3 we investigated 2,073 allegations and closed the year  
4 out with a 62-percent closure rate. 2016 we had 1,913  
5 allegations investigated, and we were fortunate to  
6 close that out with 61-percent closure rate.

7 All right. I'm walking through how an  
8 investigation is handled by Sex Crimes from beginning  
9 to end. This could be the result of either a walk-in  
10 at a police station or more notably a scout car is  
11 dispatched in response to a police run of an allegation  
12 of a rape.

13 First thing, they will notify Sex Crimes.  
14 And one of my investigators will take a case draft,  
15 basically getting a outline, just getting the bare bone  
16 facts. At that point my people will send a  
17 notification up the chain of command so that my  
18 superiors know what's going on. And then, of course,  
19 they'll respond to the actual scene.

20 First and foremost is medical attention for  
21 the victim or anybody who's injured. But as soon as  
22 possible we interview the victim and any witnesses that  
23 may have been there or the first person who the victim  
24 told is also crucial to these investigations.

25 Again, as I stated, medical attention is

1 rendered. And it is at that point that also, if  
2 necessary, a rape kit is extracted by one of the Wayne  
3 County SAFE forensic nurses.

4 Another key point is canvassing the area.  
5 Canvassing the area we're looking for eyewitnesses as  
6 well as video. That's the big thing now that helps us.  
7 That's why Green Light is an excellent initiative,  
8 because it helps us out in that area as well as  
9 homeowners having their own camera system, party  
10 stores, everything. It's changed the whole dynamics of  
11 conducting a canvas.

12 It's possible my investigators will actually  
13 if they have access to the video will actually review  
14 it and look for the key points, the times the victim or  
15 the perpetrator appear on video so we can give it to  
16 our AVERT squad, which is the video extraction team  
17 that goes out and extracts the video.

18 At that point if it is a scene, say a house,  
19 a car, what have you, and there's evidence in there we  
20 completed the scene, inventory package so we can let  
21 the evidence techs know what we're trying to take. And  
22 we'll call the evidence techs out to take photos of any  
23 evidence at the scene they'll take for us.

24 Then we take a live search warrant to Sex  
25 Crimes from everything from vehicles, dwellings, buccal

1 swabs, which is getting the DNA, if the defendant is  
2 there getting DNA, also which is not only -- we also do  
3 search warrants for phones, if it's any communication  
4 between the two, between the perpetrator, we have to do  
5 a search warrant to get that.

6 In the event that we've identified the  
7 perpetrator already or the perpetrator was arrested at  
8 the scene, depending on which one it is, if it's  
9 somebody who we've identified as a person of interest  
10 we could do what's called a photo array to show the  
11 victim. If a person is actually in custody, we're  
12 obligated to do a live lineup if we have enough bodies  
13 in the DEC or if they're close and similar to his  
14 appearance -- his or her appearance, then we do a live  
15 lineup. If not, then we fall back on the photo lineup,  
16 but we do in the presence of defense attorney.

17 If the person is in custody, one of my  
18 investigators will go, read the defendant his rights,  
19 and if they don't invoke their right to an attorney  
20 we'll go ahead and do that interrogation.

21 At that point comes the complex part of going  
22 back to the basics and typing an investigator's report.  
23 This is submitted to the prosecutor's office at which  
24 time they'll either sign it and it becomes a warrant or  
25 deny it, give us a reason why or possibly adjourn it if

1 they want more information.

2 Also, on the back end of it if a warrant is  
3 issued we commit what's called a SMCR. That's Sexually  
4 Motivated Crime Report. It goes in there. That's how  
5 the State tracks the number of warrants that are  
6 submitted.

7 Also pointing out, as the captain mentioned  
8 earlier, Sexual Assault Kit, the biological evidence is  
9 sent to the crime lab.

10 Different types of sexual assaults that we  
11 deal with, one of them is date rape drugs, or we call  
12 it drug-facilitated rape. The most common one is GHB.  
13 So the effects of that are slurred speech, loss of  
14 consciousness, loss of fine motor skills, and in some  
15 cases if too much is administered to the victim it can  
16 result in death.

17 Marital rape, it kind of has a domestic  
18 violence nexus to it. A lot of people still to this  
19 day don't realize, yes, there is such a thing as  
20 marital rape. It does happen. Regardless if you're  
21 married, no means no. We get those periodically. I'm  
22 not go say we get them a lot, but it does happen.

23 Stranger assaults, that's what my Unknown  
24 Squad handles. These are the cases seem to get the  
25 most media attention for some reason. People are more

1 interested in those. Those situations where you're  
2 literally walking down the street and snatched up off  
3 the street.

4 These all -- well, all the perpetrators we  
5 deal with are -- pose a danger to the public, but  
6 usually the stranger assaults where you snatch somebody  
7 off the street pose the most danger to the public at  
8 large. Those get special attention. Also we deal on  
9 the lesser end indecent exposures.

10 Trends and patterns, okay. I've been in Sex  
11 Crimes about ten years, and I would have to say that  
12 the most -- actually, the only real significant trend  
13 that's come up in the last five years is social media  
14 and internet facilitated sexual assaults over the last  
15 year. This is due in part to social media, dating  
16 sites, escort sites and such like Back Page and things  
17 of this nature. Because of this new threshold of  
18 internet dating and such and the kids getting on -- you  
19 having access to the internet, the flip side to that is  
20 these perpetrators now have better access to their  
21 victim and it broadens their victim selection options,  
22 too. That's why this is a main focal point where we do  
23 public outreach and speaking when we go to schools in  
24 particular, because a lot of times the younger  
25 generation generally falls into the category a little

1 more so than adults.

2 Sex crimes is not a seasonal crime, but I'd  
3 like to point out that sometimes the time of day does  
4 play a factor in that. By that I mean obvious things  
5 like school girl rapes are obviously going to happen  
6 during the school year more so during the summer. Date  
7 rapes tend to happen in the afternoon, evening. Most  
8 people work. So when you go on a date it's going to be  
9 in the afternoons or something. A lot of our unknown  
10 cases tend to happen late nights, wee morning hours,  
11 because they have the added advantage of a cover of  
12 darkness. So in that aspect, yes, it does affect it,  
13 but just a general seasonal. Unfortunately, sex crimes  
14 is pretty much a year-round crime, and it happens  
15 indoors, outdoors. So it's not so much seasonal.

16 Other trends and patterns, as I pointed out,  
17 time of day plays a factor. These are the patterns  
18 that we look for when we're trying to say track down a  
19 serial rapist or make a connection between multiple  
20 cases. We look at time of day of the assault, the  
21 location of the assault, the perpetrator's methodology,  
22 the way he does what he does, physical description of  
23 the suspects, method of escape or vehicles and weapons  
24 used.

25 What works in our favor being a centralized

1 unit this allows members of Sex Crimes to share  
2 information and compare cases to identify similarities.  
3 This would be very challenging if Sex Crimes would say  
4 if each precinct had their own it would pose a problem  
5 as the perpetrator could do one in one precinct, do  
6 something in another, and it may go missed.

7 Also, I'd like to point out that we do work  
8 closely with our Crime Intel. They assist us with  
9 their data-driven policing. They also may catch  
10 patterns that maybe we didn't, and we'll catch patterns  
11 that they don't and bring it to their attention. So we  
12 have a shared goal with our Crime Intel Unit. We work  
13 very well with them.

14 Some of the community initiatives. Workshops  
15 and sexual assaults, we do workshops on sexual  
16 assaults, human trafficking, personal safety. We're  
17 quite often -- as a matter of fact, it's pretty much  
18 almost weekly we're getting requests to go speak at  
19 schools, churches, boys clubs, various functions just  
20 to teach sex crimes. I had certain people I trained  
21 specifically to do presentations for human trafficking.  
22 All my people are equipped to do presentations on sex  
23 crimes in general.

24 Also, we work with our Victim Assistance  
25 Program and their rape counselors. They offer a lot of

1 resources to the victim, everything from door-to-door  
2 transportation, to sitting with them through the court,  
3 advocacy in general. Ms. Felicia Jenkins she heads  
4 that initiative.

5 Wayne County Sexual Assault Forensic  
6 Examiner's, that's Wayne County SAFE, they're the ones  
7 who -- the forensic nurses are the ones -- the same  
8 nurses are the ones who do the rape kit. But on the  
9 flip -- on the back end, they also have advocacy also.  
10 And sometimes they have first contact with the victim  
11 or what have you. And so anything that the AP can't do  
12 they also have advocates at Wayne County SAFE. They do  
13 a excellent job. We've shared a partnership with them  
14 for years and we just basically have each others back.

15 And I already touched on the nurses. And  
16 also they have the SART, which is Sexual Assault  
17 Recourse Team Program. They offer resources to the  
18 victims after the fact.

19 The thing about this crime is it's not just  
20 overactive, the investigation. We still try to make  
21 sure a service is provided to our victims even  
22 thereafter, because we're a victim center.

23 And the Sexual Awareness Information  
24 Treatment Team, we just started working with them  
25 recently. Some cases were sort of like child-on-child

1 cases where the perpetrator was too young to actually  
2 prosecute. And the problem with that is a lot of times  
3 if a child is perpetrating on another child usually  
4 because they're being victimized.

5 SAIT is a program where they focus on the  
6 perpetrator and offers them services, too. Most of  
7 them are kids.

8 As I stated, we have speaking engagements at  
9 local schools, churches, boy and girls' homes on  
10 education and prevention.

11 One of the programs that we really got a good  
12 partnership with, the Joyful Heart Program with DPD.  
13 They offer tools and information for sexual assaults,  
14 child abuse and domestic violence. We've been in  
15 partnership with them since 2012.

16 Kids TALK. Kids TALK is an initiative where  
17 children are forensically interviewed by trained  
18 interviewers. They help us around children who are  
19 like 12 and under. We'll -- the child is taken to a  
20 friendly, safe environment where an interviewer will be  
21 interviewing her. The officers and prosecutors and CPS  
22 sometimes will be in another room, but we can monitor  
23 what's going on, speak through a two-way radio with the  
24 interviewer if we want certain questions asked and  
25 they'll ask it. It's less traumatizing to the child to

1 do it that way, and then we have a DVD of the  
2 interview.

3 Also, Assistant League of Southeastern  
4 Michigan provides us with yearly donations of teddy  
5 bears that we provide to some of the children.

6 Some of the specialized problems we handle  
7 with our type of investigations, probably the most  
8 significant one which we're actually trying to whittle  
9 that down, which I'm going to get on that in a second,  
10 is failure to report. This has improved with outreach  
11 and education as reflected in the increase seen in our  
12 stats. This is what I mean by that.

13 There was mention of a increase in the  
14 reported cases. It's not so much of an increase --  
15 first of all, let me point this out. Increase is not  
16 unknown assaults. Increase are known perpetrator  
17 assaults. These are family members, boyfriend,  
18 girlfriend, the mother's boyfriend, things of this  
19 nature. These are cases in the past quite often go  
20 unreported. The reason we've seen this increase, which  
21 is kind of a good thing if it is a silver lining, is  
22 because people are less reluctant to come forward now  
23 and report.

24 Failure -- before I can get to that, this is  
25 seen particularly in the community, because -- we try

1 to remove the shame that's associated with being a  
2 victim of sexual assault, and it's starting to have a  
3 positive effect. That's why you're seeing more and  
4 more reporting. We're trying to break the culture of  
5 hush, don't tell, keeping it in the family and things  
6 of that nature. And that goes back to us reaching out  
7 to the public, speaking with them, especially children.

8 We have an initiative that we're trying to  
9 secure grant money for right now called Hush No More  
10 where we're focusing on school age children, I believe  
11 the fifth through the twelfth grade, where we go out  
12 and educate them, because we find that's where we get  
13 the most effect from if we go speak to these kids.

14 A lot of times -- we've done when we spoke  
15 and we'll have a child disclose right then, oh, my  
16 uncle did this, that and the other. That goes back to  
17 that public outreach nexus.

18 Another problem that we have on the other end  
19 is failure to cooperate with investigation. We try to  
20 work on that, too, and it has improved. That goes back  
21 to education and outreach, which I just covered that.

22 I estimated that 50 to 80 percent of sexual  
23 assaults are not reported to police, 28 percent  
24 increase in reporting is due to what I just said,  
25 educating the public, reducing the stigma associated

1 with rape. And I do believe we've improved the  
2 relationship between the DPD and the community at  
3 large.

4 Rape kits. I'm happy to say, and a weight  
5 off my back, that we are currently sitting on zero  
6 untested rape kits at this time as of the middle of  
7 last month. All cases have been forwarded to the lab  
8 for processing.

9 During the whole initiative with the whole  
10 rape kit process, my team over there with -- and with  
11 the Wayne County Prosecutor's Office, they had 204  
12 arrests with nine more pending right now. They  
13 submitted -- 244 warrants were submitted. To date  
14 there's been 133 convictions based on the closure rate  
15 of 61 percent.

16 And I'm opening it up to any further  
17 questions the board may have.

18 CHAIRPERSON CARTER: Commissioners, you have  
19 any questions for ...

20 COMMISSIONER BURCH: I would like to ask if  
21 you said that you addressed these presentations to  
22 children 12 and under do you have to get permission  
23 from the parents to speak to them or you just --

24 SERGEANT WARD: Yeah. Usually whatever  
25 school we're going to they should arrange that prior to

1 us actually coming to give the presentation.

2 COMMISSIONER BURCH: But the parents are not  
3 present while you --

4 SERGEANT WARD: No, no.

5 COMMISSIONER BURCH: Is that a good thing to  
6 share that with a kid that age?

7 SERGEANT WARD: Well, the way we deliver it,  
8 it will be age appropriate for them. It's just a  
9 matter of good touch, bad touch.

10 And as far as the parents not being there,  
11 sometimes a child's a little bit more comfortable when  
12 their parents aren't there to be honest with you. Most  
13 of our presentations are not really with the 12 and  
14 under. It's really that junior high and high school  
15 bracket.

16 COMMISSIONER BURCH: Right. And, like you  
17 said, though, you said be very careful about saying  
18 somebody did something to you and it's not true. I  
19 mean, when you put that out there, that person's  
20 reputation, usually people remember things that are  
21 negative about you and forget the positive when you're,  
22 you know, incarcerated. In other words, they're saying  
23 you didn't do it, but are people going to remember that  
24 or trust you anymore. So you have to be very, very  
25 careful in accusing people of these kind of crimes or

1 any crime; right?

2 SERGEANT WARD: Yes, that's correct. We --  
3 like when forensically interview a child, the first  
4 thing we try to establish to the child is do they  
5 understand the difference between telling the truth and  
6 telling a lie. That's part of the forensic  
7 interviewing process. You'll ask them like if I told  
8 you right now I'm wearing a black suit would that be  
9 true or would that be false. And then the child will  
10 know you don't have a black suit on. So you're  
11 establishing that they do know the difference between  
12 telling the truth or lying. Then in an appropriate way  
13 you elaborate to them that it's improper to tell a lie,  
14 so on and so forth.

15 So we have it down pat how to do the  
16 delivery, but that is thrust to them, too. We don't  
17 wear to scare and push them away, but at the same time  
18 we do try to establish that we don't want you making a  
19 false accusation.

20 COMMISSIONER BURCH: Yeah, that's what I was  
21 saying, sir, because children are very innocent and  
22 they will share things that's not true because they're  
23 afraid. That's what I'm saying. So you're veering to  
24 touchy subjects with children.

25 SERGEANT WARD: Yes, it is. It's

1 challenging, but it's been my experience actually most  
2 false reports usually don't come from children.  
3 Unfortunately, it comes from adults, more often than  
4 not. And when it does come from a child it's usually  
5 like just some type of custody dispute. One parent  
6 kind of compelled them to say something. Usually  
7 that's where we get it as far as the children. But,  
8 generally speaking, they generally don't lie too much.

9 COMMISSIONER BURCH: Okay.

10 CHAIRPERSON CARTER: Commissioner Dewaelsche.

11 VICE CHAIRPERSON DEWAEELSCHÉ: Yes, I had a  
12 question. With regard to the estimates of sexual  
13 reports that are not reported, that seems so high, 50  
14 to 80 percent. Is that comparable to other large  
15 cities or nationally is that the figure?

16 SERGEANT WARD: Actually that figure I don't  
17 think is not just for Detroit. That's national.

18 VICE CHAIRPERSON DEWAEELSCHÉ: Right. So it's  
19 along national trend?

20 SERGEANT WARD: Yeah. Unfortunately, it's  
21 one of the challenges we face with this type of crime.  
22 And we're trying, like I said, again with public  
23 outreach and dealing with the public more we're trying  
24 to break that number down a little bit more. I think  
25 we're making progress, which again why you see that

1 up-shoot --

2 VICE CHAIRPERSON DEWAEELSCHE: Increase.

3 SERGEANT WARD: -- in amount of cases,  
4 because people are less reluctant to come forward now.

5 VICE CHAIRPERSON DEWAEELSCHE: Thank you.

6 CHAIRPERSON CARTER: Any other questions?  
7 Commissioner Davis.

8 COMMISSIONER DAVIS: Question. Do you  
9 anticipate your closure rate to continue to go up, and  
10 is there anything else that you could do to help to  
11 make the closure rate go up more than it has?

12 SERGEANT WARD: I hope it keeps going up. I  
13 don't know what I can do with help. Just keep on doing  
14 what we're doing, educating the public, cooperation  
15 with -- I would like to see more cooperation with some  
16 of our faith-based organizations in terms of we're  
17 trying to bring them into the fold more. Because you  
18 have a lot people who will disclose to their pastor or  
19 their teacher before they're able to disclose to the  
20 police sometimes. So we're breaking down those  
21 barriers, but unfortunately they're not all the way  
22 down. So these are some of the things we can do to  
23 help improve that closure rate.

24 CHAIRPERSON CARTER: Any other questions?  
25 Commissioner Bell.

1                   COMMISSIONER BELL: I don't have a question.  
2 I think you have already addressed our questions in  
3 writing there in terms of rise in rape and the  
4 question's been asked, I guess.

5                   But primarily I just want to commend your  
6 unit for working in this sensitive, serious area. It's  
7 always been difficult work. So I just want to commend  
8 your team for outstanding professionalism, working in a  
9 very sensitive area. And we all are concerned, you  
10 know, in terms of our -- I have daughters and  
11 granddaughters, and we all have that. And it's a issue  
12 that's still with us. Even when they leave from home,  
13 you know, day-to-day or college it's a big issue --  
14 it's a big area of concern.

15                   Just recently three Michigan State football  
16 players. And I just said it happens too often. And I  
17 know they've been given a speech, the spiel, but they  
18 still indulge in this type of behavior. So we cannot  
19 do enough and approaching.

20                   And you're correct, we need to start early.  
21 These kids are very knowledgeable. There's so much now  
22 on their phone, internet. They are very knowledgeable.  
23 And I say that with authority, because I have a first  
24 grader. And the conversation, the dialogue, you know,  
25 it's totally different. And I mean so we have to be

1 realizing that so we need to have these conversations  
2 with them in terms of those areas that we're really  
3 concerned about. And thank you again.

4 SERGEANT WARD: Thank you, sir. And as you  
5 pointed out, I'm going to say again, it's not me. It's  
6 my team. They carry me.

7 COMMISSIONER BELL: Right.

8 SERGEANT WARD: Oh, I'm sorry. And my  
9 captain.

10 COMMISSIONER BROOKS: Excuse me. I have a  
11 question.

12 SERGEANT WARD: Yes, ma'am.

13 COMMISSIONER BROOKS: You're only speaking of  
14 females. There are males involved.

15 SERGEANT WARD: Oh, yes. And also --

16 COMMISSIONER BROOKS: How many males are  
17 complaining of bringing their sex crimes to you all?

18 SERGEANT WARD: Yes. I also wanted to touch  
19 upon that, too. Another reason why there's been a  
20 up-shoot, and I think our rapport with the LGBT  
21 community has improved, we're breaking down barriers  
22 with them, too, and that's -- we've seen a lot more  
23 males coming forward.

24 Again, you know, culture in the past it was  
25 more shameful for males to get raped and stuff. That

1 goes back to breaking down those barriers and removing  
2 the stigma and the shame from being a victim. A victim  
3 is just that, you're a victim. You didn't do anything  
4 to solicit that. So that goes for the males, too.

5 And we have had an increase of male victims  
6 coming forward. And again, it's not that it's  
7 happening more, it's just that people are less  
8 reluctant to come forward, up to and including the  
9 males.

10 COMMISSIONER BROOKS: Thank you.

11 CHAIRPERSON CARTER: Captain Tucker.

12 CAPTAIN TUCKER: Yes, through the Chair. You  
13 heard of the tireless efforts that the team does. They  
14 work hard and diligent. They care. And I just want  
15 them to stand and be acknowledged, because you guys do  
16 all the work. We're just the coaches.

17 (Applause.)

18 CAPTAIN TUCKER: Thank you.

19 CHAIRPERSON CARTER: Thank you. Thank you  
20 all for all the good work that you do.

21 SERGEANT WARD: Thank you for having us.

22 CHAIRPERSON CARTER: Thank you.

23 COMMISSIONER BROOKS: Very good.

24 CHAIRPERSON CARTER: Commissioners, any  
25 standing committee reports or ad hoc committee reports?

1                   If not, we'll go to the board secretary's  
2                   report.

3                   MR. HICKS: Thank you, Madam Chair. I do  
4                   want to -- prior to just getting into the report is to  
5                   say on behalf of the staff of the Board of Police  
6                   Commission, that would both be people assigned directly  
7                   to the Board of Police Commission as well as the Office  
8                   of the Chief Investigator, we collectively recognize a  
9                   great loss that has impacted the board and across the  
10                  city because of the contributions that were made by  
11                  Commissioner Sanders in a variety of areas.

12                  And where it's not customary for us as staff  
13                  to speak a lot in meetings like this, I did not want  
14                  the opportunity to pass by where the staff did not join  
15                  with the board and the general public in recognizing  
16                  the type of contributions that Commissioner Sanders has  
17                  made. And we have always had and seen him with -- and  
18                  expressed to him our great respect for the type of  
19                  things in which he's been involved in.

20                  So having said that, I just wanted to speak  
21                  on behalf of our staff.

22                  CHAIRPERSON CARTER: Thank you, Mr. Hicks.

23                  MR. HICKS: I would also want to call your  
24                  attention to the four items that are on your agenda.  
25                  Two of those items relate to funerals that have been

1 addressed earlier in the meeting.

2 I do want to indicate that just recently we  
3 have received a request from the Chief of Police for a  
4 suspension without pay for Lieutenant Timothy Leach.  
5 We have notified both the Lieutenants and Sergeants  
6 Association and the Command Officers Association of our  
7 intent to take that item up. And I believe we have  
8 that scheduled for the -- I believe it's the 16th, our  
9 meeting on the 16th. They have responded indicating  
10 that they would like a closed session and, of course,  
11 that they would have a representative there in the  
12 session.

13 And then finally I want to indicate that we  
14 received today a notification from the 25th District  
15 Court, and this is the City of Ecorse, which indicates  
16 that there are a couple of officers who belong to the  
17 department who have had frequent contact with them.  
18 And what we're obligated to do and have done is we'll  
19 be turning that information -- and it's only a  
20 notification, there's no details in the notification --  
21 over to Professional Standards just so that  
22 Professional Standards is alerted.

23 There is no -- in that notice there is no  
24 allegation in which the City of Ecorse is making for us  
25 to investigate. They're simply sending us an alert.

1 And so I suspect that somewhere in their rules there is  
2 some requirement for them to do that.

3 And I also want to indicate that we had  
4 circulated a couple of weeks ago the background  
5 information for the closed session and with our new  
6 schedule in terms of processing these things. I would  
7 ask that the commissioners when we send out E-mails to  
8 you, particularly around the suspensions without pay,  
9 that you recognize there's going to be at least a week  
10 or two between when you originally receive the  
11 information and when you take up the item itself. So  
12 there may be the occasion where you may believe that we  
13 did not send it out. We -- I can't imagine a situation  
14 where we don't send out that kind of information. So  
15 we want to indicate to you that that is also in your  
16 packet, but that it should not be new information to  
17 you.

18 And with that, unless there's any questions  
19 that the board has, I'd be more than happy to respond.

20 CHAIRPERSON CARTER: Questions,  
21 commissioners?

22 Thank you, Mr. Hicks.

23 Commissioners, is there any old business?

24 We'll move on to announcements. Our next  
25 meeting will be Thursday, April 12, 2018 at 6:30 p.m.

1 in the Eleventh Precinct at the Peace Baptist Church  
2 located at 13450 Goddard Avenue, and that's Detroit,  
3 Michigan 48212. Our next community meeting will be  
4 Thursday, May 10, 2018 at 6:30 p.m. in the Eighth  
5 Precinct in the DPD Eighth Precinct auditorium located  
6 at 21555 West McNichols, Detroit 48219.

7 At this time we'll have oral communications  
8 from the audience. Please give your name for the  
9 record and limit your comments to two minutes.

10 Mr. Brown.

11 MR. BROWN: Madam Chair, I currently have  
12 four cards. Your first speaker will be Councilman  
13 McCallister followed by Ms. Bernice Smith.

14 COUNCILMAN McCALLISTER: Thank you so much  
15 again, and to the Chair.

16 To the Chair, I'd just like to address a  
17 question that was asked by Commissioner Davis as to the  
18 representative from the Sex Crime Unit is how do they  
19 increase their closure rate. And I do believe, and  
20 it's something that my office will be working on, I  
21 think that once we have our own crime scene evidence  
22 techs come back that that will be a helpful -- not only  
23 Sex Crimes, but the other investigative divisions  
24 within our Detroit Police Department. And that's one  
25 of the things that I spoke to Chief Craig about

1 yesterday, because although the State Police has  
2 theirs, I think it's overtaxing to them. And when we  
3 have people within your own department associated with  
4 that then it will be more understanding and you can get  
5 a better closure rate. So I just wanted to address  
6 that to the Chair.

7 Thank you so very much.

8 CHAIRPERSON CARTER: Thank you so much for  
9 that information.

10 MR. BROWN: Ms. Bernice Smith followed by Ms.  
11 Faith.

12 MS. SMITH: Good afternoon. Bernice Smith.

13 COMMISSIONERS: Good afternoon.

14 MS. SMITH: Last week I asked for help in  
15 regards to cleaning up a area of West Grand Boulevard  
16 between 14 address and 15. That was between Buchanan  
17 and 94, which I found out later that it was the Tenth  
18 -- the Third and Tenth. Well, with me being in the  
19 3rd, I naturally know my NOP (sic) officer. So,  
20 therefore, I got in touch with him, Dorsey. And, like  
21 I expected, he took care of business. He called me the  
22 next day and said, "Mother Bernice, you don't have to  
23 worry about that car that's in 1453."

24 In the meantime, the Tenth Precinct is on  
25 this side, which would be the west side of West Grand

1 Boulevard between Warren and 94 of the area where I was  
2 speaking about where all the junk was in the supposed  
3 to be yard sale that was on the sidewalk, and they're  
4 every weekend from Friday to Saturday. Cars I reported  
5 that was abandoned. And, as a matter of fact, it was  
6 three cars in particular that I'd taken the liberty of  
7 getting their -- those that had license on and those  
8 that were covered up. One was covered up, been covered  
9 for the last three years, and that's the truth. So,  
10 therefore, that was given to Barry. I went to the  
11 Tenth Precinct and I spoke with the NOP (sic) there.  
12 He'd taken time with me, and I gave him the information  
13 that I had.

14 Also, I am very happy that my relationship  
15 with the police department is excellent. I find that I  
16 can ask them for anything, not too much. B is --  
17 Bettison is another one that takes care of me when I  
18 call him and worry him. So I just love my police  
19 department, and I just look out for them in any way I  
20 can by telling them each time I leave them to be  
21 careful out there and take care of yourself, and they  
22 reply by telling me, "Yes, ma'am, we will." So,  
23 therefore, I'm very happy with the results that came  
24 about.

25 And I know you're wondering why am I

1 interested in that area. I raised my kids in that  
2 area, over 20 some years. I still have a daughter  
3 there. I still have a son in one block. They have the  
4 most beautiful homes you ever seen. I got two lots  
5 from the Mayor for my daughter. And she lives alone.  
6 She's a single woman. And naturally with them getting  
7 up -- and my son live in the next block -- them getting  
8 up, I'm concerned about them, because they get up at  
9 4:30 and five o'clock in the morning to go to General  
10 Motors and Ford. So, yes, I am interested in that  
11 particular area of those two blocks.

12 So, therefore, I will be looking out for the  
13 people in the area. I started a club, believe it or  
14 not, even though I'm not there, West Grand Boulevard  
15 Block Club Association. So, therefore, we're doing a  
16 lot.

17 And I just want to let you know I thank the  
18 police so much and I love them so much. And you,  
19 Bettison, I know you get tired of me calling you all  
20 the time, but that's all right. I love you still.

21 DEPUTY CHIEF BETTISON: Thank you, Mother  
22 Bernice.

23 MS. SMITH: Thank you.

24 MR. BROWN: Ms. Faith, and followed by Ms.  
25 Michelle George.

1 MS. FAITH: Hi. My name is Ms. Faith, and  
2 welcome to everybody. Welcome to me, because y'all my  
3 family, and I missed you all so very much. I haven't  
4 been able to make it in the past meetings. There have  
5 been so many circumstances that came up in my life, but  
6 through you all support and backing me up I'm settled.  
7 And I thank you all and commend you highly for the  
8 things that you've done to help me to get to this  
9 point.

10 There's things -- and then looking at this  
11 flash drive I have an idea. I want to speak to the  
12 ones that you all telling me -- direct me to talk about  
13 this. I was participating in the PAL when they opened  
14 their new baseball field I think it was. And that gave  
15 me an idea because of thinking of them encouraging the  
16 young folks. And it's called -- I'll say about four or  
17 five of them they have the PAL -- Police Authority  
18 League. I'm thinking of the first one that came to my  
19 mind, what they call Tiny Authority People. Tiny  
20 Authority People. We called it PAL, the Police  
21 Athletic League. That's like authority over the  
22 children to encourage them in the right way,  
23 sportsmanship, leadership, integrity and things of that  
24 sort. And I'll elaborate on that when I talk to the  
25 right person about those things.

1                   But I want to commend very highly the police  
2 officers that was at Woodward and Beaubien at a road  
3 block I call it, because there was some rocks over  
4 there could caused a lot of accidents. People could  
5 have gotten hurt in accidents if they weren't parked  
6 there to block them as a red flag to slow down and see  
7 what was in the way. And I just wanted to commend them  
8 very highly for being there to not cause any accidents  
9 and no one got hurt. I thank you all for that.

10                   CHAIRPERSON CARTER: Thank you, Ms. Faith.

11                   COMMISSIONERS: Thank you.

12                   MR. BROWN: Ms. Michelle George.

13                   MS. FAITH: And thank you all for letting me  
14 speak also.

15                   MS. GEORGE: Good evening to the  
16 commissioners, commissioner Carter, the board of  
17 commissioners and Deputy Chief Bettison. And I'm sorry  
18 to hear of the passing of Commissioner Sanders and will  
19 keep the family in prayer.

20                   I wanted to bring up -- that was a good,  
21 awesome PowerPoint. And I did give the information to  
22 Captain Tucker.

23                   What we're trying to do with the -- Henry  
24 Ford Health System has a HIV consultation program. I  
25 was on a webinar about three -- maybe about three weeks

1 ago, and they talked about victims that came into the  
2 emergency room who had experienced sexual assault. And  
3 so what they're doing now, what they're doing in some  
4 of the emergency rooms, they're providing them with a  
5 pill called PEP, which is postexposure prophylaxis.  
6 And that's a pill that persons who have been exposed to  
7 HIV. And so what they'll do, even though they're not  
8 sure what the perpetrator may have or the suspect, they  
9 will start that person on that medication, a 28-day  
10 regimen.

11 So we really want to -- if you look online  
12 and see Henry Ford Health System HIV Consultation  
13 Program, Nurse Shannon, she's the nurse practitioner,  
14 the physician over at Henry Ford and infectious  
15 disease, Dr. Markowitz, they will help you with that  
16 information.

17 So PREP is preexposure prophylaxis. And when  
18 I worked at Oakland County in the STD clinic a lot of  
19 the clients who were allegedly sexually assaulted a lot  
20 of times they didn't tell their partners. So a lot of  
21 times the partners need to be on PREP, which is  
22 preexposure to prevent them from getting -- contracting  
23 HIV.

24 What we want to do when someone may have been  
25 exposed you want to get them in with that medication

1 within 72 hours, because sometimes it takes the HIV  
2 virus 72 hours to get in.

3 So I just wanted to share that information.  
4 I did give that information to Captain Tucker. Thank  
5 you.

6 CHAIRPERSON CARTER: Thank you, ma'am.

7 DEPUTY CHIEF BETTISON: Thank you.

8 MR. BROWN: Madam Chair, that was your last  
9 speaker.

10 CHAIRPERSON CARTER: Thank you, sir.

11 At this time, commissioners, do we have new  
12 business?

13 VICE CHAIRPERSON DEWAELSCHE: Madam Chair,  
14 motion to go into closed session to discuss Police  
15 Officer Tammy Barnes, Badge number 2923, suspension  
16 without pay request from Chief Craig.

17 CHAIRPERSON CARTER: Any support?

18 COMMISSIONER DAVIS: Support.

19 CHAIRPERSON CARTER: It's been moved and  
20 supported that we go into closed session.

21 Is there any discussion?

22 Those in favor?

23 COMMISSIONERS: Aye.

24 CHAIRPERSON CARTER: Those opposed?

25 Motion carries.

1 MR. HICKS: Thank you, Madam Chair.

2 CHAIRPERSON CARTER: Thank you all for  
3 attending. We are going into closed session at this  
4 time. If you want to stay, you can stay. We will  
5 reconvene. But, if not, we will see you next time.

6 Thank you.

7 (At 4:19 p.m., the board convened to a closed  
8 session. Back on the record at 4:51 p.m.)

9 MR. HICKS: Madam Chair, a motion would be in  
10 order to return to record of session.

11 COMMISSIONER BELL: Madam Chair, I move that  
12 we open the meeting back up at this time.

13 VICE CHAIRPERSON DEWAELSCHE: Support.

14 CHAIRPERSON CARTER: It's been moved and  
15 supported that we go back into session.

16 Is there any discussion?

17 Those in favor?

18 COMMISSIONERS: Aye.

19 CHAIRPERSON CARTER: Those opposed?

20 Motion carries. Thank you.

21 We are back on the record, and this is  
22 regarding the request from Chief James Craig to suspend  
23 Officer Tammy Barnes, Badge number 2923, place her on  
24 administrative leave without pay.

25 Commissioners, is there a motion?

1 COMMISSIONER BELL: Madam Chair, I move that  
2 we accept the recommendation of Chief Craig to address  
3 this issue, administration leave without pay of Officer  
4 Barnes.

5 VICE CHAIRPERSON DEWAELESCHE: Support.

6 CHAIRPERSON CARTER: It's been moved and  
7 supported that we follow the position of Chief Craig --  
8 recommendation of Chief James Craig to suspend or  
9 change the duty status of Officer Tammy Barnes to  
10 administrative leave without pay.

11 Is there any discussion?

12 MR. HICKS: Madam Chair, just for clarity,  
13 the notion of administrative leave without pay is the  
14 same as suspension without pay.

15 CHAIRPERSON CARTER: Yes, okay.

16 Any discussion?

17 Those in favor?

18 COMMISSIONERS: Aye.

19 CHAIRPERSON CARTER: Those opposed?

20 MR. HICKS: Madam Chair, hearing and seeing  
21 that all members voted in the affirmative, the  
22 suspension -- or the recommendation of the Chief is  
23 approved.

24 CHAIRPERSON CARTER: Thank you. Motion is  
25 approved.

1 COMMISSIONER BELL: Madam Chair, if there's  
2 no other business before this body, I move for  
3 adjournment.

4 VICE CHAIRPERSON DEWAELSCHÉ: Support.

5 CHAIRPERSON CARTER: It's been moved and  
6 supported that we adjourn.

7 Is there any discussion?

8 All in favor?

9 COMMISSIONERS: Aye.

10 CHAIRPERSON CARTER: The meeting is  
11 adjourned. Thank you all.

12 (The meeting was adjourned at 4:54 a.m.)
