4 THE CHAIRPERSON: Good, afternoon. Welcome  
5 to the weekly afternoon meeting of the Board of Police  
6 Commission. I am your Chair, Willie Bell, from  
7 District 4.

8 As you can see, it's only two police  
9 commissioners but we can carry the weight of eleven.  
10 But we might not have the voting block but we can carry  
11 the weight. But that mean we have very limited -- and  
12 it appears we are not going to be able to have a  
13 quorum. But we will go through the formalities.

14 And I see two more commissioners coming in as  
15 I speak so -- but we still will be falling short of the  
16 quorum for this particular meeting. And I can  
17 understand, we have excused holiday activity. Family  
18 activities, I think, is always important.

19 And we meet -- it appears that we meet  
20 throughout the year with the exception of a little  
21 break during Thanksgiving and, also, Christmas break.  
22 Other than that, this is a hardworking Board, among the  
23 other duties and responsibilities we have in terms of  
24 carrying out charter-mandated responsibilities.

25 But it's good to see all of you here this

1           afternoon.

2                       I'm going to call the meeting to order  
3           without a quorum at this time. Do we have a minister  
4           or ordain deacon in the house who would -- oh, good.  
5           What a blessing? Introduce yourself to this lovely  
6           crowd.

7                       DEPUTY CHIEF TAYLOR: Good afternoon,  
8           everyone. I am Deputy Chief Chaplain August Taylor.  
9           And, sir, I'd also like for the chaplains-in-training  
10          to stand.

11                      THE CHAIRPERSON: Oh. We got the whole --

12                      DEPUTY CHIEF TAYLOR: This is only a portion.  
13          We have 23 that will be graduating June 14th in this  
14          very room.

15                      THE CHAIRPERSON: Might I get an invitation  
16          to attend that?

17                      DEPUTY CHIEF TAYLOR: Absolutely, sir.

18                      THE CHAIRPERSON: I feel the love.

19                      DEPUTY CHIEF TAYLOR: Absolutely.

20                      THE CHAIRPERSON: I feel the love. And we'll  
21          go through introduction and we thank you. You always  
22          bring the spirit with you --

23                      DEPUTY CHIEF TAYLOR: Oh, bless you, sir.

24                      THE CHAIRPERSON: -- and you share that in so  
25          many ways. Thank you.

1                   DEPUTY CHIEF TAYLOR: Thank you, sir. For  
2 those of you who wish, let us pray.

3                   (Recited prayer.)

4                   MR. HICKS: Excuse me, Mr. Chair.

5                   THE CHAIRPERSON: Yes, sir?

6                   MR. HICKS: One other chaplain in training,  
7 and I don't see him, but I just wanted to note, is a  
8 former principal at Bates Academy.

9                   DEPUTY CHIEF TAYLOR: He's in the hallway.

10                  MR. HICKS: So, when he comes in -- my  
11 daughter, of course, graduated from Bates.

12                  THE CHAIRPERSON: Okay. Sure. Definite,  
13 definite. We would acknowledge all of that, in terms  
14 of attendance.

15                  MR. HICKS: Great.

16                  THE CHAIRPERSON: But the next point of  
17 business would be for the commissioners to introduce  
18 themselves to the Board, starting -- I can only start  
19 to my right this afternoon.

20                  COMM. SANDERS: Commissioner Derrick Sanders,  
21 At-Large.

22                  COMM. BROOKS: Commissioner Elizabeth Brooks,  
23 At-Large.

24                  COMM. CARTER: Commissioner Lisa Carter,  
25 representing District 6.

**Regular Meeting**  
**5/25/2017**

Page 6

1                   THE CHAIRPERSON: And the Immediate Past  
2 Chair of the Board.

3                   So thank you, Commissioners, for your  
4 attendance.

5                   We have excused absences this afternoon from  
6 Commissioner Reginald Crawford, Commissioner  
7 Eva Dewaelsche, Commissioner Conrad Mallet,  
8 Commissioner Richard Shelby and Commissioner Bishop  
9 Edgar Vann. So that is the roll call.

10                  And it is quite obvious we did not have a  
11 quorum, Mr. Hicks, is that correct?

12                  MR. HICKS: That's correct, sir.

13                  THE CHAIRPERSON: Okay. So we're going to  
14 skip over approving agenda for this meeting and minutes  
15 for this meeting. And, at this time, I'm going to ask  
16 Mr. Hicks to introduce the staff, please.

17                  MR. HICKS: Thank you, Mr. Chair. To my  
18 immediate right, of course, is Robert Brown; and then,  
19 of course, Ms. White, who's in Policy; Ms. Blossom,  
20 who's in Media Outreach; Ms. Johnson, who is Fiscal;  
21 and then I'm going to come back to Chief Drake, never  
22 to overlook her but I'll come back to her.

23                  I should indicate that Gail Oxendine had  
24 indicated that she had another engagement and Ms. Lamar  
25 who's sitting in the back is representing Gail's

1 office. Mr. Quinn is doing the recording, Media  
2 Services is doing the video recording for the day. And  
3 Norma (sic) Storm is the court reporter.

4 And, if I can then just go to Ms. Drake who  
5 would introduce not only herself but other members of  
6 her staff who are present.

7 CI DAVIS-DRAKE: Good afternoon, everyone.  
8 For the record, Pamela Davis-Drake, Chief Investigator.  
9 With me today is Angela Cromwell, Supervising  
10 Investigator. And I don't see anyone else.

11 THE CHAIRPERSON: Thank you, Mr. Hicks. And  
12 it's good to see the staff here this afternoon, all  
13 your smiling faces. It's been one of those rainy days  
14 but we made another day.

15 And sitting in for Chief Craig is a  
16 newly-minute AC, Assistant Chief Williams.

17 AC WILLIAMS: Yes, sir.

18 THE CHAIRPERSON: Good to see you this  
19 afternoon.

20 AC WILLIAMS: Good to see you, sir.

21 THE CHAIRPERSON: Thank you. If you care to  
22 introduce any other DPD members.

23 AC WILLIAMS: I ask all DPD members to stand,  
24 I'll introduce you, and take a seat once I introduce  
25 you.

1                   Also, being a director, if you'll please  
2                   stand as well. Yes, you all the way in the back as  
3                   well.

4                   Thank you. I'll start with Second Civilian  
5                   Deputy Chief Celia Washington, Assistant Chief  
6                   James White, Deputy Chief Renee' Hall, Deputy Chief  
7                   Charles Fitzgerald, Sergeant Hewitt -- and I don't know  
8                   your first name.

9                   SERGEANT HEWITT: Gerald.

10                  AC WILLIAMS: Sergeant Gerald Hewitt,  
11                  Director Quinterra Pitts.

12                  Did I say your first name right?

13                  MS. PITTS: Right.

14                  AC WILLIAMS: Awesome. And Director  
15                  Bridgette Lamar and Ted Weaver, he sat down. I think  
16                  that's all we have for DPD.

17                  THE CHAIRPERSON: Thank you, sir. I like  
18                  that approach to that, you know, stand up tall and take  
19                  your seats. I don't know why Ms. Lamar always take a  
20                  seat in the rear since she's supposed to be filling in  
21                  for Director and she always sit on the front row. So  
22                  you'd think I noticed that.

23                  Oh, okay. Thank you.

24                  Do we have any elected officials or  
25                  representatives of elected officials at this meeting?

**Regular Meeting**  
**5/25/2017**

Page 9

1                   MR. DIVERS: My name is Arthur Divers. I am  
2                   the Chief of Staff and the Liaison for the Honorable  
3                   George Cushingberry, Presidential Candidate for Detroit  
4                   City Council.

5                   MR. GONZALEZ: Jess Gonzalez on behalf of  
6                   Ms. Rizner and Wayne County.

7                   THE CHAIRPERSON: Thank you. Any  
8                   representative of any organization can introduce  
9                   themselves at this time.

10                  MS. BUTLER: Frieda Butler, President  
11                  2nd Precinct Police Community Relations Council.

12                  THE CHAIRPERSON: Thank you.

13                  MR. DAVIS: William Davis, President of  
14                  Detroit National Action Network Chapter.

15                  THE CHAIRPERSON: Thank you. Any others?  
16                  And we have -- I'm sorry?

17                  MR. GONZALEZ: Jess Gonzalez from the 4th  
18                  Precinct, Vice President.

19                  THE CHAIRPERSON: Oh, that's very important.  
20                  And we have our own Tuskegee Airmen in the house.

21                  Introduce yourself, young men.

22                  MR. WELBORNE: I'm Bill Welborne. I'm the  
23                  Membership Chair for the Detroit Chapter.

24                  MAJOR TILLMAN: My name is Major Bob Tillman.  
25                  I'm the Speaker Bureau Chairman of the Tuskegee Airmen.

**Regular Meeting**  
**5/25/2017**

Page 10

1 THE CHAIRPERSON: Thank you. Thank you.

2 Let's give another round of applause.

3 I can't say enough about military personnel  
4 and -- in terms of it's always an honor and privilege,  
5 especially at this distinguished organization, who  
6 really laid the foundation for so many areas of civil  
7 rights and the best of the best. And you continue that  
8 legacy on. And, as you might know, one of your  
9 member's birthday is today, Distinguished Honorable  
10 Coleman A. Young birthday is today, you know.

11 So, as we know, he gave so much, in terms of  
12 his service, for many, many years and he was a  
13 Tuskegee -- he kept it sort of low profile but he was  
14 one of those first airman.

15 MR. WELBORNE: No, he didn't.

16 THE CHAIRPERSON: Oh, okay. Okay. Very  
17 good. You knew that. Okay. Thank you. As we move  
18 on, I have a brief report. I just want to say that,  
19 first and foremost, I want to recognize Mr. Hicks and  
20 staff, Pamela Davis-Drake and all the team of  
21 individuals who put on an outstanding training  
22 conference Friday afternoon and all day Saturday.

23 I have attended many, many a conference in my  
24 short career but that was one of the best, in terms of  
25 impacting civilian oversight. And it just -- it

**Regular Meeting**  
**5/25/2017**

Page 11

1 covered so many facets. All the presenters were  
2 outstanding. I know the work you put into it, it was  
3 really worthwhile. And I indicated to the Mayor, "You  
4 missed a good training session."

5 He said, "What?" But the Chief spoke up. I  
6 represented it to the Mayor, too. But I want to say,  
7 you know, that Mr. Hicks and Robert Brown and Akbar and  
8 all the team, and I had the experience of traveling to  
9 the airport with them, you know, so we had a little  
10 fellowship with our guests and, you know, meal. And it  
11 was just really -- and I appreciate, going one step  
12 farther, preparing a PowerPoint for all the Commission  
13 and all the staff to see and digest it and recognize  
14 what went into that conference. If they would just  
15 take the initiative, I think they would really be  
16 blessed by, you know, reviewing material that was  
17 available. So thank you, thank you, thank you. Your  
18 bonus check come in the mail in 2020.

19 (Willie Burton entered the meeting.)

20 THE CHAIRPERSON: But, on a serious note, it  
21 was just really outstanding. I know I enjoyed the  
22 staff, in terms of bringing them up to date and up to  
23 speed in terms of where we were and set some goals and  
24 objectives and all that. So I just can't say --

25 If any commissioner want to speak on this

**Regular Meeting**  
**5/25/2017**

Page 12

1 particular training seminar, you can do it at this  
2 time.

3 COMM. BROOKS: I have just a few words. You  
4 said everything, so I don't want to, you know, come  
5 behind you and say the same thing.

6 THE CHAIRPERSON: Yes, no problem.

7 COMM. BROOKS: But, when I became a Police  
8 Commissioner, I didn't have the foggiest idea and I  
9 waited and I watched and I read. This training has  
10 helped me tremendously. Now I know exactly why I'm  
11 here and what I have to do. So thank you, Gregory,  
12 thank you.

13 I know about -- more about Pamela Drake and  
14 what OCI do, other than just reading complaints. I  
15 learned so much in those two days. So I welcome that  
16 training. Because, to me, any organization I've ever  
17 been with, there was training. How do you build a  
18 Board? How do you keep the board members? We got this  
19 kind of training. What do you do in the community? So  
20 my thanks, very much.

21 COMM. SANDERS: I'd just like to say I  
22 learned a lot and it was a great, great Board that we  
23 had people there to talk to us. There's former board  
24 members before where we understood what was going on  
25 and what we do, as a Commissioner.

**Regular Meeting**  
**5/25/2017**

Page 13

1                   And, to be honest with you, I got like a holy  
2 ghost kicked to me in there because I ended up doing a  
3 ride-along because of what the Board Member, Former  
4 Chair, was talking to us about. And, you know, it made  
5 a point where I think all of us board members, we all  
6 need to get out and see what our officers are doing,  
7 you know, talk to them and see how their day are. And  
8 they see just us sitting up here, you know, making  
9 decisions on things that they do, we need to see out  
10 there, what they are really doing and talk to them, be  
11 there.

12                   And I call myself out there doing a  
13 ride-along and I'm going to be doing it every week  
14 because I learned so much. I learned so much and  
15 that's going to be a part of my schedule each week. If  
16 I can't hit three of them, I'm going to hit two of  
17 them, you know. But I'm going to go, you know. And it  
18 was a challenge but it was a good challenge. I learned  
19 so much today and when I was out there.

20                   So I'd just like to say thanks to the Board.  
21 Thanks for putting on this retreat because, without it,  
22 I don't know if I would have learned what I learned  
23 now. And I'm so glad that we had this retreat; it  
24 meant a lot to me. Thank you very much.

25                   COMM. CARTER: Through the Chair.

**Regular Meeting**  
**5/25/2017**

Page 14

1 THE CHAIRPERSON: Yes, ma'am?

2 COMM. CARTER: I'd just like to say that the  
3 conference was very informative and I think that, for  
4 me, the actual personal experience that I had with the  
5 staff was -- was rewarding for me to get to know them.  
6 So I thank them all for spending time with us. Thank  
7 you.

8 THE CHAIRPERSON: Thank you. And  
9 Commissioner Burton arrived about five minutes ago, let  
10 the record reflect.

11 Good to see you this afternoon, sir.

12 COMM. BURTON: Thank you, Mr. Chairman. I'm  
13 scheduled to be here for our community so I'm going to  
14 go ahead and just pass it back to you, Mr. Chair.

15 THE CHAIRPERSON: Okay. Thank you, sir.

16 And so, as we move on to the next item, we  
17 have a resolution and I'm going to ask Commissioner  
18 Lisa Carter to read the resolution and share.  
19 Mr. Gonzalez, he's here. If he would come forward, we  
20 would appreciate it.

21 Please turn around or something.

22 MR. GONZALEZ: Okay.

23 CI DAVIS-DRAKE: Did you want me a to take a  
24 picture?

25 COMM. CARTER: I'm going to read from the

2 "Resolution Honoring Mr. Jesse Jesus  
3 Gonzalez, Senior.

4 Mr. Jesse Jesus M. Gonzalez, Senior moved  
5 with his family to Michigan from Texas in 1964. He is  
6 a respected community leader in Southwest Detroit where  
7 he has lived over 50 years. He is a proud father of  
8 seven children, twelve grandchildren and two great  
9 grandchildren.

10 And whereas Mr. Gonzalez was a UAW Organizer  
11 at Ford Motor Company, where he worked for 35 years  
12 before retirement, he has been engaged in civic and  
13 community involvement -- improvement initiatives with  
14 several agencies, including Southwest Detroit  
15 Improvement Association, Springdale/Woodmere Block  
16 Club, Congress of Communities, Bridging Communities,  
17 United Neighborhood Initiatives Detroit, Labor Council  
18 for Latin American Advancement, and other  
19 organizations, including the Hispanic Police Officers  
20 Association of Michigan.

21 And whereas Mr. Gonzalez's passion for his  
22 community and its residents also extends to working  
23 with agencies responsible for Southwest Detroit safety,  
24 namely the Fire Department, Police Department and  
25 Border Control. He is a member of the 4th Precinct

2           and partnership in the community with law enforcement.

3                         And whereas Mr. Jesse Gonzalez is a graduate  
4           of the FBI Citizens Academy and the Detroit Police --  
5           Detroit Citizens Police Academy. He has received  
6           numerous awards, including the Spirit of Detroit Award,  
7           Mary Berella Sweet award, Cert Award and State Michigan  
8           Resolution. Most recently, he received the Federal  
9           Bureau of Investigations Highest Civilian Community  
10          Leadership Award.

11                        And whereas Mr. Gonzalez has worked to  
12          strengthen ties between his community and law  
13          enforcement, organizing community affairs, youth  
14          engagement events and public safety and awareness  
15          training. His love for children has been for him to  
16          play Santa Claus throughout the community since 1975."

17                        That's wonderful.

18                        "And also volunteer with Gems Kids in 2015  
19          and 2016. His backpack drive supply more than a  
20          thousand backpacks for students in need.

21                        Now, therefore be it resolved that the  
22          Detroit Board of Police Commissioners, speaking on  
23          behalf of the citizens of the City of Detroit and the  
24          Detroit Police Department, acknowledge and dedicate --

5 And it's signed by all eleven Commissioners.  
6 Thank you, Mr. Gonzalez.

7 THE CHAIRPERSON: Might I ask his daughter to  
8 join you for the picture formality?

9 MR. GONZALEZ: Thank you. I really  
10 appreciate that.

11 SERGEANT QUINN: Okay. Look right at me  
12 here. Everybody smile and look right here. Okay.  
13 Hold still. I'm just going to make sure we got it.

14 Very good. All right.

15 MR. GONZALEZ: I just want to say thanks so  
16 much for this awesome award. You know, and through  
17 life what I do, I'm not an educated like over beyond  
18 but what I do is what I do through my heart. And  
19 that's what people's got to do, wake up in the morning  
20 like I was talking to Commissioner Bell today, doing  
21 things, it's got to be done through the heart. And  
22 that's how I always raised my children. You wake up  
23 this morning. I just tell them, "What did you learn  
24 today in school" or "yesterday" or whatever. It's --  
25 but learn through the heart and give through your

2 So thank you so much. You know, it's a  
3 blessing and God has given me a beautiful family that  
4 helped me be here where I am at today. Thank you.  
5 Thank you.

6 THE CHAIRPERSON: Thank you. Well deserving.

7 MR. GONZALEZ: Oh. Can I say thank you, too.

8 THE CHAIRPERSON: Yes, sir.

9 MR. GONZALEZ: Commander, real quick --  
10 Major, Major, Chief come here, Chief, come here, Chief,  
11 real quick, one minute.

12 These are the Tuskegee Airmen, but I have to  
13 honor these guys, you know, they be a part of my life.  
14 And this is the reason I do the things I do because  
15 this is what I call family, you know, and I just wanted  
16 to give them an acknowledgment, too.

17 MAJOR TILLMAN: Yes. Today we made  
18 Mr. Gonzalez an honorary Tuskegee Airman and he has his  
19 wings on.

20 MR. WELBORNE: And, also, it's the time of  
21 year where we do our young youth program every second  
22 Sunday of the month at the City Airport. We give kids  
23 free rides in aircraft, people all around the City.  
24 It's about a 45-minute ride, and the kids really enjoy  
25 it. And we try to get them in the aviation, ages from

1 8 to 17 only. If the weather's bad, don't come out  
2 there. We're not the Navy now, we fly.

3 THE CHAIRPERSON: Thank you.

4 Before we move on to the next item, hearing  
5 from AC Williams, I just want to commend the Women in  
6 Blue program and first assistant Chief Stare and all  
7 the young ladies that represent the department, 24  
8 nominees. And it was outstanding program, the video  
9 and the remarks, keynote speaker. And I was just so  
10 blessed to see all these young ladies in uniform and on  
11 the video, I just can't say, enough.

12 We lead the country and I was part of the  
13 first group of Office of the 7th Precinct that welcomed  
14 female officers to the Patrol Division, the 7th  
15 Precinct. So I know, you know, their beginning. And,  
16 when you talk about former Deputy Chief Mary Jarrett  
17 Jackson, Billie Willis and all those other legendary  
18 young ladies who served this Department honorable, you  
19 know, and just, were just trailblazers.

20 And so DC Hall and others continue on that  
21 capacity. I think this is the fourth year and it was  
22 really outstanding to see. And I just wanted to  
23 commend and honor the young lady who won, that's  
24 Officer Amy Sharafinski --

25 DC HALL: Sharafinski.

**Regular Meeting**  
**5/25/2017**

Page 20

1 THE CHAIRPERSON: -- in the 4th precinct.

2 DC HALL: Yes.

3 THE CHAIRPERSON: And she is now a  
4 neighborhood police officer, a 20-year veteran. So she  
5 beat out all those other young ladies. But they were  
6 just so happy to see that she was recognized. So it  
7 was just well deserving. And it's like who's who on  
8 this list. And I know some of them really, really  
9 well. And our own Captain Gardner, she was one of the  
10 nominees. Jeanetta Williams from Labor Relations, my  
11 leader for many years at LSA and Barbara Profit from  
12 the 4th Precinct, we worked 11th Precinct together.

13 It's just so many, just looking over this.  
14 So I'll share it with the Board and so you can pass it  
15 down. But it's just outstanding that these young  
16 ladies are doing an outstanding job representing the  
17 Department in blue and we can't say enough. Because I  
18 know the challenges they went through initially, in  
19 talking to Mary Jarrett Jackson, you know, they had --  
20 my classmate was five they had. I said this before.  
21 They had required a college degree, where we're just  
22 high school grads. They had to have a college degree.  
23 And the criteria was not only on duty but off duty, in  
24 terms of being scrutinized by the system in terms --  
25 but they were like the Tuskegee Airmen, they paved the

**Regular Meeting**  
**5/25/2017**

Page 21

1 way, in terms of what we have today.

2 So I think this is hopefully an ongoing  
3 tradition of the Women in Blue. So just make a note of  
4 that as our department annuals, as we move forward.  
5 And Commissioner Brooks attended and Mr. Hicks. And  
6 other Commissioners could not make it but -- as you all  
7 know. And the eggs and bacon were outstanding. So  
8 that's all -- and the young ladies, you know, that was  
9 not in uniform, you didn't recognize them.

10 Right, DC Washington?

11 You didn't recognize them, they were looking  
12 so, you know, like young ladies. What can we say? So  
13 I'm just really impressed about the calvary of people  
14 that we have working with DPD, you know, overall. So,  
15 as we move on, I'll stop talking.

16 AC Williams, you have the floor.

17 AC WILLIAMS: Through the Chair, I want to  
18 say good afternoon to the Board as well as everyone who  
19 is in attendance today. Given a City-wide profile, the  
20 data I'll be giving is from May 21st.

21 Homicides, one percent. Sexual assaults were  
22 down eleven percent. Robbery, we're down ten percent.  
23 Carjackings, we're up one percent. Aggravated  
24 assaults, we're down eight percent. Nonfatal  
25 shootings, we're down five percent. For an overall

**Regular Meeting**  
**5/25/2017**

Page 22

1 reduction in violent crime of eight percent.

2 For burglaries, we're up eight percent.

3 Larcenies, we're down 14 percent, and stolen vehicles,

4 we're down six percent. For overall reduction in our

5 property crime of seven percent. And it's -- these are

6 year-to-date reductions.

7 And, for realtime numbers, as far as where we

8 stand for our nonfatal shootings, we are down 22 now,

9 fatal shootings from where we were last year at the

10 same time. And we're down two homicides year-to-date

11 from where we were last year at this time as well.

12 And that will end for the actual City-wide

13 profile. And I'm open to any questions you may have.

14 THE CHAIRPERSON: Commissioners, any question  
15 or comments?

16 Thank you for an outstanding report. You  
17 know, thank you.

18 MR. HICKS: Excuse me, Chairman Bell.

19 THE CHAIRPERSON: Yes, sir?

20 MR. HICKS: We also had a -- a timely -- a  
21 late gut timely request. And this was flowing from  
22 the -- the ride-through that Commissioner Sanders had  
23 had. And that AC White made arrangements today to have  
24 someone come in from Fleet Patrol -- I mean Fleet  
25 Management in order to talk to us a little bit about

**Regular Meeting**  
**5/25/2017**

Page 23

1 the -- the deployment of some of the cars and things  
2 like that. So AC White may want to start that, with  
3 your permission.

4 THE CHAIRPERSON: Yes, sir. Thank you.

5 AC WHITE: Thank you, Board. Good afternoon,  
6 everyone. I appreciate the opportunity to present.

7 Let me start off by saying I know we go  
8 through this exercise quite often where we have a  
9 number of questions with regards to some of the issues  
10 that come up throughout the Department and I stand here  
11 before the Board oftentimes attempting to explain  
12 exactly what went into some of the decision-making. I  
13 take that responsibility very, very seriously and I'm  
14 oftentimes asked to present as to why did that happen  
15 or what are we doing in that regard.

16 What I don't want to do, however, is to  
17 appear to always have an excuse on the ready when  
18 something doesn't go right. Unfortunately, for me --  
19 or fortunately, for me, I should say -- I work Support  
20 Operations so maybe some days it isn't fortunate.

21 But what Support Operations is to  
22 enforcement, I liken it to enforcement -- my partner  
23 here, AC Williams, his job, his work is -- pardon the  
24 crude analogy but he would be the -- if we were looking  
25 at a team, he would be bringing the team to the field

**Regular Meeting**  
**5/25/2017**

Page 24

1 in play, right?

2 Well, Support Operations, we're the people  
3 who keep the lights on and provide the instant replay  
4 and those types of things. So you only notice us when  
5 something goes wrong. And, unfortunately, sometimes in  
6 this business, a lot of things go wrong, which brings  
7 me to the ride-along that happened with the  
8 Commissioner over the past week.

9 Went on the ride-along at the 6th Precinct.  
10 6th Precinct had approximately 26 cars assigned the day  
11 of the ride-along. Of the 26, a number of those cars  
12 are newer cars but some of those cars are older cars.  
13 The two oldest cars in our fleet is an '05 and a '07.  
14 Now, by design, the newer cars get the most equipment,  
15 they get the newest equipment, such as the body cameras  
16 and things like that.

17 The oldest cars, because they're going to be  
18 going out of service soon, they are the cars that are  
19 devoid of the latest and greatest equipment. In  
20 addition to that, the oldest cars get trickled down to  
21 the neighborhood police officers. And the idea is the  
22 neighborhood police officers will partner with a  
23 community member in an attempt to take an old car and  
24 have it restored to be used in the community. And for  
25 those neighborhood police officers that live in the

**Regular Meeting**  
**5/25/2017**

Page 25

1 City of Detroit, those vehicles will be taken home and  
2 so there will be a security and visibility of having a  
3 police car in your community.

4 So the perfect storm happened. We get the  
5 Commissioner to the 2nd Precinct, all the cars, the  
6 newer cars are deployed, the MPO vehicle is available  
7 because the MPO is going off-duty. The supervisor  
8 decides that he's going to take the MPO car out with  
9 the Commissioner. And that decision was made because,  
10 one, is that they were -- the other cars were tied up  
11 on a major incident and a couple cars were out for  
12 service.

13 So the Commissioner, logically so, is in the  
14 car and says, "Wait a minute. I just signed off on a  
15 budget request for new vehicles to the sum of 75 cars,  
16 yet I'm riding in a car that doesn't have the equipment  
17 that the officers need. The computers are not working.  
18 The vehicle's old. It's barely holding the road", so  
19 forth and so on.

20 So -- which brings us to where we are today.  
21 So I'm going to bring up our Fleet Manager to spend a  
22 little bit of time to explain vehicle deployment and  
23 where we are with those, actually not 79 vehicles but  
24 75 vehicles that we just purchased. Mr. Pitts.

25 MR. PITTS: Thank you, everyone. Good

**Regular Meeting**  
**5/25/2017**

Page 26

1 afternoon, everyone.

2 My name is Mr. Pitts. I'm the Fleet Manager  
3 for the Detroit Police Department. Currently, right  
4 now, we are in the process of deploying 75 of the brand  
5 new Chargers to the precincts. The 2nd Precinct, for  
6 example, were receiving four of the brand new Chargers.  
7 And then we will take back four of the oldest  
8 patrol-type vehicles, to take those out of service.  
9 That will bring them up to 14 -- or excuse me -- 15  
10 vehicles that are newer than 2013 to be able to do  
11 their particular police functions.

12 In addition, the rest of the vehicles will be  
13 assigned on a need basis. The need basis sent to Fleet  
14 Management by the particular command staff and what  
15 they need to do, their daily operations. So we take  
16 into account their basic needs, also how bad their  
17 fleet is and then the wellness of their overall fleet,  
18 how they take care of their vehicles.

19 So we expect that deployment plan to begin  
20 within the next two weeks and we'll finish out over the  
21 course of the next few months.

22 AC WHITE: Can you talk -- the delays. There  
23 were some delays with the deployment of the Chargers  
24 and talk about the feuds as well.

25 MR. PITTS: Sure. So the first is the delay

**Regular Meeting**  
**5/25/2017**

Page 27

1 with the Chargers. So we expected to have these on the  
2 street already. The delay was the goal is to put the  
3 newest technology in the newest cars, which is an  
4 inclusive WatchGuard system. So, in order for that to  
5 happen, we had to delay the cars to make sure we had  
6 enough body cameras -- or excuse me -- WatchGuard  
7 systems to be able to put those in the vehicles.

8 So that, once we put the cars on the street,  
9 we didn't have to take it back to Fleet Management to  
10 take it out of service for a week or two to put the  
11 in-car video in the screen.

12 After the 35 Fusions, we just recently  
13 received those as part of the Emergency Order, we  
14 deployed those roughly about a month ago. We sent  
15 those to our Investigative Ops and our Homicide  
16 Departments, and we took back their oldest vehicles.  
17 They were riding around in sometimes 2001 Impalas that  
18 necessarily didn't hold up to the type of work that  
19 they did.

20 They have -- overall we have great reviews.  
21 They love them. You'll see them out in the street.  
22 They are constantly using them. So that is our  
23 deployment plan for this current Emergency Order.

24 And, in addition, we are slated in this  
25 coming year to purchase 156 more vehicles for the

**Regular Meeting**  
**5/25/2017**

Page 28

1 Detroit Police Department, with the majority of those,  
2 roughly 90, being for Patrol-Based Operations, to fill  
3 that critical need. Any questions?

4 THE CHAIRPERSON: Commissioners?

5 COMM. BROOKS: Yes, I have a question.

6 MS. PITTS: Yes, ma'am?

7 COMM. BROOKS: How do you determine, in the  
8 beginning, how many cars each precinct should have?

9 MR. PITTS: So that is mainly done at a  
10 Command-level decision. At the particular precinct,  
11 the Commander and his Captain -- his or her Captain --  
12 sits down and reviews what their overall mission is to  
13 determine what their basic needs are and then it's up  
14 to us, at Fleet, to fit those requirements.

15 And then, also, we will create a motor pool  
16 at Fleet Management. Say, for example, at the 2nd  
17 Precinct, they didn't have enough vehicles for that  
18 particular day to operate, it is our goal to then pull  
19 from a motor pull-type system to give them the vehicles  
20 to be used for that day, ma'am.

21 AC WHITE: I wanted to jump back in. I  
22 wanted to impact on that a little bit more. So, when  
23 we did the initial vehicle deployment -- and you're  
24 absolutely correct, that's where we are, after the  
25 initial deployment on the cars to keep it supported.

**Regular Meeting**  
**5/25/2017**

Page 29

1 But I think the question that you're asking is how come  
2 there's 25 cars -- I'm not trying to put words in your  
3 mouth. I just want to make sure I got the question.  
4 There's 25 cars at one precinct, how could that be, and  
5 50 at another. Is that where you're going?

6 COMM. BROOKS: Yes.

7 AC WHITE: Okay. So how we got there was we  
8 actually brought in a third-party that did their  
9 assessment.

10 MS. PITTS: Yes.

11 AC WHITE: That third-party -- what's the  
12 name of the company?

13 We brought a company in, the City had a  
14 third-party that came in and sat down with us and all  
15 the precincts. There is no template, that we could  
16 find, that says that this many officers require this  
17 many cars. So we basically took basic math and said  
18 that we're going to run a certain number of cars on  
19 patrol at each precinct based on the calls for service  
20 that they receive.

21 So the 8th Precinct, by way of example and  
22 the 9th precinct, by way of example, are two major  
23 draws on police services because they are our two  
24 busiest precincts. So, consequently, they run more  
25 cars than any other precinct.

**Regular Meeting**  
**5/25/2017**

Page 30

1                   So, as a result of that, I don't want to  
2                   publicly say what their deployment plan is but let's  
3                   just say, for number's sake, that their deployment plan  
4                   is ten cars on their busiest shift, which would be  
5                   Afternoons. So that's ten cars needed for Afternoons  
6                   in addition to their Special Ops. Generally speaking,  
7                   the Special Ops is less than Patrol so add an  
8                   additional two to three cars for patrol. So now you're  
9                   at 13. And then you have to have a car for overflow  
10                  and two cars for supervision.

11                  So we went through and systematically looked  
12                  at everyone's deployment plan. We built in a cushion  
13                  for the motor pool. So, if a car goes down, instead of  
14                  the car sitting or having to go over the limit, we're  
15                  going to have a motor pool where we can flip a car  
16                  right out of the pool into service.

17                  And you also have to allow for accidents.  
18                  So, if you've got a situation where the minimum  
19                  deployment is ten, in order to run a strong ten minimum  
20                  deployment, you're going to need 13 cars because you  
21                  got to allow for accidents, you got to allow for, you  
22                  know, anything that you really can't really measure, I  
23                  mean accidents and vehicles breaking. So, in order to  
24                  keep that ten cars strong, you have to have 13.

25                  And we went through -- it's been a year,

**Regular Meeting**  
**5/25/2017**

Page 31

1 really, in every precinct and did that. And, based on  
2 the numbers that we get out of the Academy, sometimes  
3 our Chief may decide, you know, like at our Number 9,  
4 that they're having a particular problem, so let's add  
5 a park detail. Well, that's, you know, three cars. In  
6 order to make it work, you got to have four cars.

7 So it's a lot that goes into it. There is  
8 not -- contrary to popular belief, there's unlimited  
9 number of cars throughout the City. Although, as you  
10 ride by the precincts and you look out and you see 10  
11 or 12 cars there, you're thinking, "Well, wait a  
12 minute. Why don't they use them?"

13 Well, you've got the Midnight shift that  
14 comes on. You've got the day shift. You've got  
15 overlapping cars. You got a traffic contingent that  
16 runs out of a precinct, a Special Op, so there's a  
17 number of things that go into the deployment of  
18 vehicles.

19 But I think now we're probably more efficient  
20 than, I'd say, in 21 years. This gentleman does a  
21 phenomenal job for us. He's from the private sector,  
22 he did this work in the military and --

23 You came on about two years ago?

24 MS. PITTS: Correct.

25 AC WHITE: And he's done great work.

**Regular Meeting**  
**5/25/2017**

Page 32

1                   But we have to change the culture of the  
2                   police department. We're out of the mindset now that  
3                   was present when I come on, where, you get a car, it's  
4                   your car, you protect that car.

5                   The way we look at the fleet now is we move  
6                   the fleet around the Department -- and I'm going to  
7                   stop here real quick. But something important for you  
8                   all to know. Old days, downtown services and casino  
9                   cars, those were their cars. Well, after five years,  
10                  those cars would have 25,000 miles, 35,000 miles on  
11                  them because they're driving in circles.

12                  Well, you go to the 9th Precinct or the  
13                  8th Precinct, those cars have 150,000 miles on them.  
14                  So one of the things that we do now is we wait and we  
15                  monitor mileage on vehicles. So, when you get 10,000  
16                  miles on a new car, we take them from downtown and we  
17                  put them in the community and we rotate them that way,  
18                  to keep the miles balanced out. And that helps us with  
19                  repairs as well.

20                  COMM. BROOKS: Thank you.

21                  THE CHAIRPERSON: Any other Commissioners?

22                  COMM. SANDERS: Mr. Chair.

23                  THE CHAIRPERSON: Maybe we should not allow  
24                  you to speak. You might be still trying to get over  
25                  that ride. Commissioner Sanders, go ahead.

**Regular Meeting**  
**5/25/2017**

Page 33

1                   COMM. SANDERS: I just want to know, when we  
2                   service the vehicle, I mean, do we have a service plan  
3                   when we service the vehicles? The ones that we got to  
4                   take out, is it a service plan that we have to keep the  
5                   vehicle going or do we scrap the vehicle?

6                   AC WHITE: Yes, sir. So there's three  
7                   layers. So daily maintenance is done at Fleet Patrol  
8                   and -- what is it?

9                   MS. PITTS: GSD.

10                  AC WHITE: -- GSD, overall, roughly, there  
11                  any vehicle that is under warranty, new cars, like the  
12                  ones you'll be seeing a few weeks, those will go to  
13                  right the dealer and get repaired. Any electronics  
14                  that need repaired, we handle that in-house at either  
15                  Lyndon or we send it over to Canfield who does a lot of  
16                  our installations.

17                  And then, when a car goes out of service, we  
18                  have a team that pretty much takes all the parts of the  
19                  cars, save them for new deployment. And then GSD takes  
20                  the car, and my belief is that they auction the vehicle  
21                  off when it's out of service.

22                  COMM. SANDERS: Okay. Thank you.

23                  AC WHITE: All right. Any other questions?

24                  THE CHAIRPERSON: Well, as you stated, in  
25                  your 20 years, my 30-plus years, this is a better plan

**Regular Meeting**  
**5/25/2017**

Page 34

1 because there was no method to the madness back in the  
2 day. And so I'm pleased to hear this type of update in  
3 terms of how we manage our fleet. And Commissioner  
4 Sanders, he drive a Cadillac so --

5 AC WHITE: So he was a little uncomfortable,  
6 hmm?

7 THE CHAIRPERSON: Thank you, AC White, for  
8 bringing us up to date because that's good information  
9 in reference to how we manage and how we handle. And I  
10 know officers, you know, appreciate where we are today  
11 in dealing with the situation. Thank you.

12 AC WHITE: Yes, sir. We're getting better.  
13 We're not there yet but we're getting better.

14 THE CHAIRPERSON: No, I understand.

15 AC WHITE: Thank you very much.

16 THE CHAIRPERSON: Thank you, Director.

17 MS. PITTS: Okay.

18 THE CHAIRPERSON: And now the next item would  
19 be OCI Annual Report.

20 Chief Drake. Thank you.

21 CI DAVIS-DRAKE: Thank you, Mr. Chair. And  
22 good afternoon, Board.

23 That was a pitiful good afternoon, really  
24 pitiful. It is gloomy outside.

25 THE CHAIRPERSON: Let's try it again.

**Regular Meeting**  
**5/25/2017**

Page 35

1 CI DAVIS-DRAKE: But smiling faces.

2 THE CHAIRPERSON: Good afternoon.

3 BOARD MEMBERS: Good afternoon.

4 THE CHAIRPERSON: There you go. I agree with  
5 you. Thank you. Thank you. It's good to see you.

6 CI DAVIS-DRAKE: All right. Good to see you,  
7 too, sir.

8 For Thursday, today, May 25th, the Office of  
9 the Chief Investigator, our current statistics are as  
10 follows:

11 We have 190 cases that are currently open and  
12 active. Eleven cases have been submitted for case  
13 closure, to either myself or to a supervisor, and we  
14 have no cases over 90 days.

15 The investigator posting closed last week  
16 with a total, I thought initially, of 170 but we  
17 actually had 188 applicants. So Human Resources is  
18 currently reviewing those and compiling a list for us  
19 to discover the minimum qualifications. Upon receipt  
20 of the list, then we will immediately begin  
21 interviewing because we certainly are short on  
22 investigators.

23 For our citizen complaints for April 2017, we  
24 had a total of 106, which represented, actually, a  
25 38 percent increase from this time last year. It

**Regular Meeting**  
**5/25/2017**

Page 36

1 should be noted that, by comparison, in April 2016, the  
2 overall numbers of allegations decreased by 23 percent.

3 I know that this is not -- or that this is  
4 something that has -- we always look at and we look at  
5 weather patterns, which actually do very much  
6 constitute some of the changes in the numbers in either  
7 increasing or decreasing in the number of complaints,  
8 depending on the summer months, which we get more cases  
9 during that time of the year or the winter months we  
10 get -- we get less cases.

11 In this particular instance, we were tracking  
12 weather patterns for the last about four months, five  
13 months and we noticed that this year has been  
14 substantially warmer than last year. And that may be  
15 one of the reasons why our caseloads are up. But we'll  
16 continue to track those numbers, certainly keep the  
17 Board abreast of it.

18 At the end of April 2017, the office had 192  
19 open cases. We had 360 cases that were filed and 342  
20 cases closed. Of the 106 cases filed in April,  
21 45 percent involved unknown officers. Now, this is a  
22 number that we also track pretty regularly.

23 The numbers had been decreasing pretty  
24 substantially over the last six months, and that  
25 includes the last three months of last year. We're

**Regular Meeting**  
**5/25/2017**

Page 37

1 going to keep track of that because that is a higher  
2 number than what we -- or a higher percentage than what  
3 we've been experiencing.

4 Of the alleged known units involved, leading  
5 in complaints were the 8th Precinct at 7 percent; the  
6 2nd and 12th Precincts at five percent; and the 6th  
7 Precinct, Traffic and Training, at 4 percent.

8 Of the 106 cases filed in April, they  
9 involved 177 allegations. The leading areas of concern  
10 were as follows:

11 Procedure at 30 percent, demeanor at  
12 28 percent, service at 16 percent and property at  
13 7 percent.

14 82 cases were closed in April and the  
15 findings were as follows:

16 Not sustained, 31 percent; exonerated at  
17 12 percent; unfounded at ten percent; and sustained at  
18 7 percent.

19 The leading areas of concern in those 82  
20 cases:

21 Procedure, 33 percent; demeanor, 26 percent;  
22 service, 17 percent; and force at 6 percent, which is  
23 not unusual. That is what we usually look at.

24 So are there any questions?

25 THE CHAIRPERSON: Commissioners?

**Regular Meeting**  
**5/25/2017**

Page 38

1                   COMM. SANDERS: I'd just like to know, you  
2                   said that you needed two investigators. Are you two  
3                   short?

4                   CI DAVIS-DRAKE: Yes, we are two short, sir.

5                   COMM. SANDERS: Are we doing anything to  
6                   correct that?

7                   CI DAVIS-DRAKE: Yes, we are actively  
8                   pursuing -- we have -- the position was posted for  
9                   about a week and a half and we got 188 applicants.  
10                  Currently, Human Resources is reviewing those  
11                  applicants to determine whether or not candidates have  
12                  the minimum qualifications. And, hopefully, we will  
13                  be, within the next couple of weeks, interviewing and  
14                  hiring, yes, sir.

15                  COMM. SANDERS: Okay. Thank you.

16                  CI DAVIS-DRAKE: You're welcome.

17                  THE CHAIRPERSON: I guess there are no other  
18                  comments. Thank you for an excellent report, as  
19                  always.

20                  CI DAVIS-DRAKE: Thank you, sir.

21                  THE CHAIRPERSON: Okay.

22                  CI DAVIS-DRAKE: Appreciate it.

23                  THE CHAIRPERSON: Uh-huh.

24                  Standing and Ad Hoc Committee Reports. If  
25                  not, Mr. Hicks.

**Regular Meeting**  
**5/25/2017**

Page 39

1                   MR. HICKS: Thank you. Thank you, Mr. Chair.  
2                   On your agenda, you have several items. And, again, I  
3                   need to remind you that the listing that we supply on  
4                   the agenda, at this stage of the agenda, represent  
5                   communications coming into the office, it does not  
6                   necessarily represent items in which are set for Board  
7                   examination or action.

8                   We do want to report that we had been working  
9                   through the Policy Committee with DC Washington. And,  
10                  if you recall, DC Washington shared in draft both  
11                  Body 1 cameras and electronic controlled weapons. We  
12                  reviewed that, sent our information back -- our  
13                  responses back and this was reviewed by the entire  
14                  Policy Committee. And then this was -- once that was  
15                  returned and the Department incorporated the portions  
16                  of those items that we agreed on, it came, then, in  
17                  front of the Board here for final action.

18                  We're now beginning to approach the same  
19                  process for the -- the Body 1 cameras. They have --  
20                  DC Washington had supplied us with a draft. We are  
21                  checking that draft to make sure that it reflects the  
22                  discussion that we had in the Policy Committee.

23                  We'll turn that information over. And then  
24                  that's when the Department will send us the formal  
25                  draft. So the process is now we're getting a lot more

**Regular Meeting**  
**5/25/2017**

Page 40

1           input by the Commission, really, in the formative  
2           process of a lot of the directives. And I think so,  
3           that, when they get to you, number one, they are  
4           reflective of many of your concerns and they're not new  
5           to you as a body.

6                        So that one is -- and then I also reported  
7           that, based on the board training, there were four  
8           PowerPoint presentations. And these were outside  
9           presentations. And they came from individuals who  
10          participated and made presentations. So those have  
11          already been distributed to the Commission.

12                      And we also included in the group that you  
13          have that I didn't include on the agenda, four internal  
14          PowerPoint presentations and those represented the  
15          internal staff or the goals and objectives and things  
16          in which you described earlier.

17                      And with that, Mr. Chair, that is my report  
18          for the day.

19                      THE CHAIRPERSON: Commissioners, any comments  
20          or question for Mr. Hicks?

21                      COMM. SANDERS: I have one question, through  
22          the Chair. What are we doing with the tasers?

23                      MR. HICKS: We -- the electronic weapons, you  
24          had that -- that may be one of the meetings that you  
25          may not have been present at. But that one was a

**Regular Meeting**  
**5/25/2017**

Page 41

1 couple of weeks ago. You -- that was returned to the  
2 full Board. AC White made another presentation to the  
3 full Board. This would be the second presentation that  
4 was made, one to the Policy Committee and then in the  
5 final stages to the full Board. And you all acted upon  
6 that and approved that as a new directive.

7 COMM. SANDERS: And that's the -- there was  
8 something about the color?

9 MR. HICKS: Yes, there were two items in  
10 that. Mr. Chair, if you'll allow me for the more  
11 expanded explanation.

12 THE CHAIRPERSON: Go ahead.

13 MR. HICKS: There were two items on that list  
14 of 13. One of them related to color of the gun. And  
15 AC White had mentioned, for example, that you really  
16 don't approach actual designation of color until you,  
17 number one, have identified the actual vendor and  
18 you've ordered the weapon, if you will. Because that  
19 will be part of the specification in the ordering of  
20 the weapon. And I think the other one was a similar  
21 item like that.

22 But, overall, you, as a Board, had received  
23 input both from the Board's resources and from the  
24 Department's resources and you came together and forged  
25 a policy that you approved as a body. And I think --

**Regular Meeting**  
**5/25/2017**

Page 42

1           if I recall, I think there were nine members present,  
2           all of them voting --

3                       THE CHAIRPERSON:   Yes.

4                       MR. HICKS:   -- in favor --

5                       THE CHAIRPERSON:   Yes.

6                       MR. HICKS:   -- of that policy.

7                       COMM. BROOKS:   Yes.

8                       COMM. SANDERS:   Thank you.

9                       THE CHAIRPERSON:   Yes.

10                      COMM. SANDERS:   Are they yellow?

11                      MR. HICKS:   They may be yellow and they may  
12                      be green.  The point that we -- through the Chair, the  
13                      point that we were attempting to address in that policy  
14                      is that that weapon did not look like the same weapon  
15                      as your -- your service weapon, so that, one, the  
16                      citizens could distinguish between the two and the  
17                      officer could distinguish between the two.  And that  
18                      was the point in policy.  How that turns out, whether  
19                      or not they be red, green, blue --

20                      COMM. SANDERS:   Yellow.

21                      MR. HICKS:   -- yellow -- yellow, as he's  
22                      obviously suggesting that they should be.

23                      COMM. SANDERS:   Yellow.

24                      MR. HICKS:   But that is the policy issue.

25                      COMM. SANDERS:   If it's yellow, I can see.

**Regular Meeting**  
**5/25/2017**

Page 43

1                   THE CHAIRPERSON: But they're not going to be  
2 black.

3                   COMM. SANDERS: No, I believe not.

4                   THE CHAIRPERSON: Mr. Hicks, did we ever  
5 receive copies a motion appointee list with  
6 assignments, et cetera?

7                   MR. HICKS: No, we have not received the  
8 assignments. And, of the -- no, we have not received  
9 the assignments.

10                  THE CHAIRPERSON: Okay. Could you make that  
11 request --

12                  MR. HICKS: Sure.

13                  THE CHAIRPERSON: -- that we want both items,  
14 you know, to list itself of all promotees from the  
15 bottom to the top and, also, the assignments. That  
16 would be very helpful, in terms of as we go forward, in  
17 terms of understanding that there's some changes --

18                  MR. HICKS: Okay, sure.

19                  THE CHAIRPERSON: -- in terms of the  
20 commands. We were briefed by the Chief but all the  
21 commissioners need that information as soon as  
22 possible. We would appreciate it.

23                  MR. HICKS: And, Mr. Chair, if I can  
24 suggest --

25                  THE CHAIRPERSON: Sure.

**Regular Meeting**  
**5/25/2017**

Page 44

1                   MR. HICKS: -- if we ask for that -- they had  
2 three rounds, so an updated list throughout the whole  
3 three of the rounds.

4                   THE CHAIRPERSON: Yes.

5                   MR. HICKS: And whatever additional  
6 appointments that the Chief may have made that did not  
7 come through the Board.

8                   THE CHAIRPERSON: All right. And, once we  
9 received it, I would ask that we still go through the  
10 process to review all the offices involved, in terms of  
11 what we do in terms of OCI and get an idea. Because  
12 there still might be some playings that we are  
13 concerned about.

14                   And I just want to report out that we,  
15 Commissioner Carter and myself, met with the Mayor and  
16 the Chief this week. It was a good meeting. And one  
17 of the issue, promotions appointment -- appointment,  
18 you know, all that is something that we're going to  
19 reconvene to come up with some type of resolution  
20 because the charter dictates, you know, certain  
21 criteria.

22                   And the Department have a criteria but we  
23 hoped that it would it would be a mutually agreed-on  
24 understanding in the spirit of cooperation.

25                   And the Mayor has indicated that he was more

**Regular Meeting**  
**5/25/2017**

Page 45

1 than willing to do that and take the time and get  
2 familiar with it. And, hopefully, in our next meeting  
3 in the near future, that we have some understanding in  
4 reference to that particular item because we are  
5 concerned.

6 We are not relinquishing any Charter-mandated  
7 power that this Board might have, and that should be  
8 clear. If it's Charter mandated, there's some gray  
9 areas. But we look forward to -- we're in the process  
10 of hiring an attorney to the Board and, hopefully, we  
11 would also weigh in on, from our own perspective.  
12 Because, as you well know, you always get different  
13 opinions from an attorney depending on what client they  
14 represent. So that's an area that we are concerned  
15 about.

16 Historically, since 1974, this Board has  
17 approved all appointments, promotions, whatever you  
18 want to call it, anyone go up the ladder has been  
19 approved by this body since 1974, up until the time  
20 that the Emergency Manager took charge of the Detroit  
21 Police Department. And we're out from under that, as  
22 of November of 2015.

23 So -- but there are some gray areas that we  
24 want to make sure that we pursue that. And that's  
25 something that we had dialogue with the Chief, in terms

**Regular Meeting**  
**5/25/2017**

Page 46

1 of the training session that we met briefly. We was  
2 hoping that we -- the Mayor did, too, but a Mr. Lawley  
3 representing him in another area. But that was not an  
4 area that we raised with her.

5 So I just wanted to make sure that the  
6 Commission and you receive more information in  
7 reference to this particular item and, also, make sure  
8 that the public is aware.

9 Because I think, when Commissioner Crawford  
10 come back next week, he sent out some information about  
11 Civilian Oversight Review Board and some people  
12 challenge, is it really effective. And I agree that,  
13 in some areas, they are not effective. It's only on  
14 paper.

15 Therefore, we do not want to be a paper  
16 tiger. We want to carry our responsibility seriously  
17 about -- and, hopefully, there's going to be some  
18 reform right here in Detroit, in terms of, perhaps, we  
19 need to look at how can we amend some -- make some  
20 changes to be more meaningful.

21 And that's why we brought in LA Board of  
22 Board of Police Commission, their President and also  
23 their Board Secretary, Executive Board Director. So  
24 there was some good dialogue there. As we looked at  
25 other issues, raising with civilian oversight, in terms

**Regular Meeting**  
**5/25/2017**

Page 47

1 of leading up to NaCo, I think this training conference  
2 would prepare us better train to commissioners who are  
3 going to be taking office on January the 1st of 2017  
4 (sic), that they would be more prepared and they would  
5 not be under Emergency Manager like we were in 2014.

6 So, therefore, I appreciate the staff doing  
7 due diligence in all areas to make sure that we are  
8 more effective. And I've been really pleased,  
9 Mr. Hicks, in terms of the leadership that this staff  
10 has provided in the last six months. In a short period  
11 of time, we had made a giant leap, in terms of  
12 administration accountability.

13 And there's a whole lot of dialogue but I  
14 just want to share that the staff is working for the  
15 Board and they carrying out our wishes and desires, no  
16 other agenda but the Board agenda. Some people would  
17 be concerned about that. But that is our charge and we  
18 have ongoing dialogue.

19 As we change leadership on July the 1st, I'm  
20 pretty sure that will continue. Because the body of  
21 work is based on committee assignments and work and not  
22 just sit here and be a pretty face. So -- and not be a  
23 smiling face.

24 But I think the work that we put into that  
25 training conference going to make a difference in the

**Regular Meeting**  
**5/25/2017**

Page 48

1 future of the Board of Police Commission. And I think  
2 the people should be pleased because we're going to be  
3 able to communicate more to exactly what is going on.

4 We want your input. So maybe we kick off in  
5 July a survey form get some feedback, how it can be  
6 more effective, any areas that you feel as though we  
7 fall short, any wish list or any concern that you might  
8 have.

9 Because, if we engaging, then we can have a  
10 peaceful interaction. You know, I think that sometimes  
11 there's areas where we fall short, in terms of  
12 understanding this elected body and appointed body.  
13 But we should be one mission and that would be a  
14 mission to impact quality public safety from a  
15 community constitution aspect of it.

16 So I just want to share that with you, in  
17 terms of why we had that training session. It was so  
18 needed, as your staff would know. Some staff been  
19 around before this Board came about in 2014 so I  
20 appreciate your work ongoing. So I'm going to get off  
21 the soapbox. I just wanted to share that with you.

22 Thank you, Mr. Hicks, for that type of work  
23 as we engage in.

24 Any old business?

25 Any new business?

**Regular Meeting**

Page 49

1                   Announcement: Our next meeting will be June  
2                   the 1st, next week, at 3:00 p.m., Public Safety  
3                   Headquarters, 1301 Third Street. Our next community  
4                   meeting will be on June the 8th, 2017 at 6:30 p.m. at  
5                   the 4th Precinct, Marathon Petroleum, at 1001 South  
6                   Oakwood.

7                   I would ask one thing, that staff -- that we  
8                   give us a major highway, in terms of not just the  
9                   address gave us a major -- like Hoover and 7 Mile, Mack  
10                  and Beaver -- give us a cross street. People ask,  
11                  "Where is that at?" You know, even though this is a  
12                  prominent place but that would help us who just don't  
13                  totally rely on GPS to get an idea of where you're  
14                  going.

15                  You know, like I forgot about last week we  
16                  was going to Telegraph and West 7 Mile Road. I came --  
17                  well, traffic, anyway, dictate, you come up -- you had  
18                  to go on a detour, anyway. But that would be helpful,  
19                  wouldn't it?

20                  You get an idea, especially us East-siders  
21                  who don't travel west and vice-versa, so that would be  
22                  helpful. If we could make that notation, that would be  
23                  helpful. Because we don't want no one to be lost and  
24                  to be on time.

25                  The next item of business would be Oral

**Regular Meeting**

Page 50

1 Communication from the audience. Please give your name  
2 and limit your comments to two minutes. And I ask that  
3 you -- this is a public safety forum. This is not a  
4 Council meeting. This is not a Mayor meeting. This is  
5 a Board of Police Commission meeting. So we would  
6 entertain your concern in that particular area.  
7 However, if we can help you in the area and you can be  
8 brief, then we can steer you to the right body.

9 So, Mr. Brown.

10 MR. BROWN: Yeah, Mr. Chair.

11 Michelle George.

12 THE CHAIRPERSON: It's good to see a smiling  
13 face.

14 MS. GEORGE: Good evening --

15 THE CHAIRPERSON: Good evening.

16 MS. GEORGE: -- Mr. Chairman and to the Board  
17 of Police Commissioners. I wanted to ask about -- I  
18 know we had the -- and you said my name's Michelle. We  
19 had the meeting at the Harvest Christian Church with  
20 the dispensaries. And I know I didn't finish saying  
21 what I was saying but I just wanted to address some  
22 things.

23 What I was trying to say is that this morning  
24 there was a hearing about zoning. There were three  
25 people who owned -- who wanted dispensaries in the

**Regular Meeting**  
**5/25/2017**

Page 51

1           48204 ZIP code. So we were there with the community.  
2           A couple of them got little attitudes and I just said,  
3           "We have a right to, if we do not want dispensaries in  
4           our Community."

5                         Well, one of the sheets that I had, that the  
6           gentleman passed out, what I was saying, at the Harvest  
7           Christian Church, 9 out of 10 dispensaries are laced  
8           with a mode of im-pesticides. And I wanted to ask you  
9           a question related to the last meeting.

10                        And, in the gentleman's report, they were  
11           talking about how samples of the marijuana for  
12           moisture, mold, mildew, pets, for material, the sample  
13           report showing both accepted strains and rejected  
14           strains, mold.

15                        And we were talking about, at that last  
16           community, about the speeding 80 miles an hour down  
17           residential streets. It's a lot has to do with the  
18           dispensaries. I know a lot of times alcohol causes  
19           problems.

20                        But I was sharing with the people this  
21           morning about our new Attorney General, the new  
22           Criminal Justice Reform that he's overturning, that  
23           President Obama put in place. But he also went to West  
24           Virginia and there was a memo that he's reaching out to  
25           federal prosecutors into changing that mandatory

**Regular Meeting**  
**5/25/2017**

Page 52

1           minimum sentencing.

2                       So I do have a question, in terms of, if that  
3           is enforced, would the Detroit Police Department have  
4           anything to do with it, in terms of arresting people  
5           who do come out of the dispensaries?

6                       And, also, this report is talking about that,  
7           in that population, that the residents, it's an  
8           abandonment and a disadvantage. And I wanted to know,  
9           as a community, we do have a right to tell them we do  
10          not want them in our community.

11                      And, like I told them, put it in  
12          Dan Gilbert's area, put them on the Mayor's floor. Put  
13          the dispensaries up there but do not bring them in our  
14          community.

15                      So I wanted to ask, is there another meeting  
16          related to the medical marijuana dispensaries? Because  
17          it's really harming our City. And that's my question.

18                      THE CHAIRPERSON: Are you requesting that we  
19          have another meeting that would convene on this subject  
20          matter?

21                      MS. GEORGE: Yes, sir. Or will there be  
22          another meeting on the subject matter?

23                      THE CHAIRPERSON: Well, we can entertain your  
24          concern and, perhaps, schedule another meeting, you  
25          know, to deal with that subject matter. And so,

**Regular Meeting**  
**5/25/2017**

Page 53

1           perhaps, we can do that in the next 90 days or  
2           something like that. Because, understood, that it's an  
3           ongoing issue.

4                       MS. GEORGE: Yes, sir.

5                       THE CHAIRPERSON: And we was not totally  
6           satisfied with the dialogue with the involved parties  
7           who came before this body and maybe we can shape it a  
8           little bit more in terms of the Q and A and the input.  
9           But, my understanding, we only have three legal  
10          facilities in the City of Detroit. The rest of them  
11          are not so legal but they have the right to function,  
12          that was clear --

13                      MS. GEORGE: Yes, sir.

14                      THE CHAIRPERSON: -- until due process take  
15          place. That's according to the Cooperation Council.  
16          He's doing everything he can possibly -- you know,  
17          involved with this issue. But you can always continue  
18          to have community pressure, and rightfully so, that is  
19          your right.

20                      And the more that your Council, the Mayor,  
21          you know, the elected official here, including State  
22          rep and State Senator, all that involved, just continue  
23          to raise that issue.

24                      MS. GEORGE: Yes. I was in Lansing the other  
25          day --

**Regular Meeting**  
**5/25/2017**

Page 54

1 THE CHAIRPERSON: Yes?

2 MS. GEORGE: -- and I wanted to also add, I  
3 couldn't come in the church because it smelled too much  
4 like weed and I'm kind of allergic -- I'm kind of  
5 sensitive to it and got a headache and got dizzy. So I  
6 hope they put a little sign, "If you got that odor,  
7 please don't bring it to the sanctuary of the church."  
8 So thank you very much.

9 THE CHAIRPERSON: Mr. Hicks and then AC --

10 MR. HICKS: Mr. Chair, I just wanted to  
11 indicate, if Ms. George would leave us some contact  
12 information by signing in --

13 MS. GEORGE: Yes, sir.

14 MR. HICKS: -- we are -- we have scheduled  
15 already, at the request of this Commission, for an  
16 update in this area quarterly.

17 THE CHAIRPERSON: Okay.

18 MR. HICKS: And what we would do is let you  
19 know of those quarterly updates as well so that you  
20 might be present.

21 MS. GEORGE: Okay. Thank you very much.

22 THE CHAIRPERSON: Thank you.

23 Thank you, Mr. Hicks.

24 Yes, sir?

25 AC WILLIAMS: And through the Chair, the

**Regular Meeting**  
**5/25/2017**

Page 55

1 question that you posed, as far as police arresting  
2 individuals as they come out of the dispensaries.

3 MS. GEORGE: Yes?

4 AC WILLIAMS: The dispensaries, in order to  
5 operate correctly, anybody who goes in to purchase  
6 marijuana has to have a medical marijuana card. So it  
7 actually falls on dispensaries to operate within the  
8 law. We don't have the manpower to position officers  
9 outside and to question or to interrogate anyone who  
10 comes out of the facility to make sure they have or do  
11 not have a card.

12 But this is one of those things where, if  
13 there is a complaint of a particular dispensary, we  
14 will deploy our neighborhood police officers to that  
15 location --

16 MS. GEORGE: Okay.

17 AC WILLIAMS: -- to look into it.

18 MS. GEORGE: Thanks, officers.

19 THE CHAIRPERSON: Okay. Thank you.

20 Okay. Mr. Brown?

21 MR. BROWN: That's it, sir.

22 THE CHAIRPERSON: Okay. Thank you. We're  
23 going to continue to pray for Officer -- that's  
24 Johnson, right?

25 AC WILLIAMS: That's right, Wallace Johnson.

**Regular Meeting**  
**5/25/2017**

Page 56

1                   THE CHAIRPERSON: Yes. I would ask that.  
2                   He's still in critical condition so I'm going to --  
3                   before we adjourn, I would hope that you reach out to  
4                   him in your own special way, to continue to pray for  
5                   him, pray for his family and pray for the DPD family  
6                   and pray for the citizens of Detroit, in terms of an  
7                   issue we have with violence and especially gun  
8                   violence.

9                   AC WILLIAMS: And, through the Chair, if  
10                  you'll give me the opportunity to give you an update on  
11                  the status. I went to see him about a week ago. He  
12                  was removed from -- he was -- he's no longer in a  
13                  medically-induced coma. Right now, he's just in a  
14                  comatosed state on his own.

15                  His physical recovery, the physicians have  
16                  been very pleased with. He's physically recovered  
17                  extremely well. He had -- he is responding to outside  
18                  stimulus, it's not the response that you would expect.

19                  And one of the examples that they gave me was  
20                  his -- his -- someone asked him to squeeze their hand.  
21                  You can see a twitch in his shoulder but there was  
22                  actually no squeeze so you could see there was a try  
23                  there.

24                  So the recovery -- we're hoping the recovery  
25                  takes place but it's going to be a long, drawn-out

**Regular Meeting**  
**5/25/2017**

Page 57

1 process. And through his family and also through  
2 members from the police department, go in there and try  
3 and stimulate him. Hopefully, with your prayers, just  
4 like you said, Chair, we are praying that we get a good  
5 response and a good recovery.

6 THE CHAIRPERSON: Thank you for that update.  
7 At this time, I'm going to ask for silence prayer for  
8 this officer and family.

9 Thank you. And continue to pray for officer  
10 safety throughout this country because it's been other  
11 shootings, as you well know. We just come off the  
12 memorial service in Washington, DC where officers came  
13 together from all over the country. And, perhaps, one  
14 of the participants will say, "Well, maybe one of the  
15 commissioners might want to attend."

16 I said, "Perhaps we might want to attend next  
17 year." Because I never entertain, you know, traveling  
18 to more serving police officer.

19 And I know I was, just recently this year, at  
20 the VA, you know, the Vietnam Wall to look up, you  
21 know, and it was very moving. So, perhaps, we might be  
22 able to entertain that in the future.

23 So, if there is no other business before this  
24 body, the Chair would informally entertain a motion to  
25 adjourn.
