

EXHIBIT C
ACCOUNTING AND BOOKKEEPING PROCEDURES AND REQUIREMENTS

ACCOUNTING JOURNALS & LEDGERS

1. **Co-mingling Funds.** There shall be a separate accounting that shows the source and "application" (distribution or expenditure) for all Agreement funds, but a separate bank or checking account is not required.
2. **Non-eligible costs** shall be segregated from Agreement costs. "Non-eligible costs" are those costs which are not properly documented or incurred in accord with the terms of this Agreement, are unallowable under Federal Cost Principles (OMB Circular A-122), or are non-eligible under Community Development Block Grant Regulations.
3. **Recovery from Other Sources.** Expenses paid or payable from outside funding sources other than this Agreement shall be excluded from the Agreement general ledger account. Double billing is prohibited. Expenses recovered or recoverable from other funding sources shall not be included in the Agreement payment/reimbursement requisition (Exhibit D herein).
4. **Generally Accepted Accounting Principles/Double Entry System.** All financial records shall be kept in accord with generally accepted accounting principles and procedures. The Subrecipient, or the Subrecipient's authorized fiduciary hereunder, shall maintain a double entry accounting system. The Subrecipient may use appropriate accounting computer software and technology to accomplish this purpose. The double entry accounting system shall include:
 - a. **General Ledger** shall be established and maintained for all accounts affected by this Agreement. The General Ledger shall be posted up-to-date at least once a month.
 - b. A **Cash Receipts Journal** shall be established and maintained. All Agreement payments shall be deposited in full in the Subrecipient's bank. Such bank must be a member of the FDIC. A bank deposit slip shall be kept on file which matches the amount of the Agreement payment.

Book cash balances shall be reconciled to bank balances in accordance with Standard Accounting Procedures.

- c. A **Cash Disbursements Journal** shall be established and maintained.

*1. Disbursement shall be made by prenumbered checks signed by two (2) authorized representatives of the Subrecipient. A mechanical check protector is recommended for use to the extent possible, or checks shall be typewritten. Individual items purchased with petty cash shall be supported by properly executed cash vouchers (or requisitions) and vendor's invoices.

2. The Subrecipient will distribute its expenses in its records in accordance with approved budget classifications.

3. Disbursement shall be supported by copies of vendor invoices for all items other than payroll. Payroll shall be supported by a list of names, titles, time, rate, amount, deductions, and time sheets.

4. The Subrecipient shall make a clerical check of all Invoices and Records to ensure their accuracy. Evidence of such clerical checks shall be noted on the Invoice and/or be appropriately documented in records (electronic or manual) to prevent double payments, double billings or improper cost allocation.

5. Documentation in support of any rent charges shall be determined by the City, but shall minimally include a copy of the lease and monthly rent receipts.

6. All cash register receipts submitted as documentation must be validated. That is, the purpose and description of the purchase shall be noted on the receipt, and it shall be signed both by the person who made the purchase and the authorizing representative of the Subrecipient. A properly completed purchase requisition with the cash register receipt attached may be used for this purpose.

7. Mileage reimbursement reports shall be reviewed and approved by an authorized representative of the Subrecipient.

d. A **Payroll Register** shall be maintained to adequately accumulate the required payroll information. Payroll tax withholding information shall be maintained in such a manner as to allow accurate payment to the taxing authorities. Required payroll tax returns shall be prepared and filed in sufficient time to avoid penalties, interest, and additional taxes. The Subrecipient may make tax payments by electronic transfer or such means as permitted by the taxing authorities.

1. Employee salary and wage payments shall be supported by time and attendance forms which the Subrecipient shall keep on file for City review and monitoring. Time-keeping/attendance records shall be formally approved by an authorized supervisory representative of the Subrecipient or as otherwise provided in the Subrecipient's personnel procedures.

2. Withholding taxes shall be based on proper authorizations and computed in the proper manner.

3. Reporting of payroll with supportive detail shall meet the requirements as stipulated in this Agreement (Exhibits B, G, H, and M).

4. Written contracts shall be maintained when the Subrecipient has hired a person to work on this Agreement as a personal services contractual employee or independent professional contractor. The Subrecipient shall follow Internal Exhibit C, Accounting and Bookkeeping Procedures and Requirements Revenue Services guidelines (IRS Publication 15, Circular E) regarding the treatment of, and liability for payment of, withholding and other taxes for all such persons hired on contract.

INTERNAL CONTROLS

***5. Segregated Financial Oversight Duties.** Employee responsibilities shall be formalized and accounting responsibilities shall be segregated, to the extent possible, as follows:

a. Employees of the Subrecipient preparing payrolls and handling time reporting records shall not have access to the related paychecks. Employees, including managers, shall not sign their own pay checks.

b. Employees who handle or record cash or prepare or sign checks shall not also reconcile bank statements to accounting records.

GENERAL

6. Employee/Personnel Records. Appropriate personnel data for employees, including personal services contract employees, as specified in the Subrecipient's written personnel policy, and as required herein, shall be maintained for all employees working on this Agreement (i.e., personnel folder, signed withholding authorization forms, employment contract or terms, disclosures, etc., as applicable)

7. Equipment and other Personal Property. Equipment [as defined at 24 CFR 54.2(1)], having a useful life of more than one year, which is purchased with funds derived from this Agreement, shall be marked with an appropriate tag or label, and inventories of such equipment shall periodically be taken. An inventory list of all such equipment purchased under this Agreement shall be submitted to the City. Tangible property purchased by the Subrecipient with Agreement funds shall revert to the City at the expiration or termination of this Agreement, unless the City enters into a new Agreement with the Subrecipient or issues other instructions regarding disposition of such property. Generally, the Subrecipient shall implement the Federal property management standards found at 24 CFR 54.31-37 with respect to property acquired under this Agreement.

8. Budget Revisions. Proper budgetary controls shall be established and periodically reviewed. Excessive (e.g. revised every month) shifts between budget line items are unallowable. The Subrecipient shall not change any line or sub-line item in the Budget (Exhibit B) without written approval by the City. Acceptance of a Budgetary Status Report (Exhibit J hereof) revision and subsequent payment of an invoice by the City constitutes such City approval, unless the Subrecipient is otherwise notified of a denial or a hold by the City in writing. All Budget line item adjustments must be reflected on the Budgetary Status Report (Exhibit J) as approved by the City. **The Subrecipient is never approved to create a new (additional) line item without City approval of an amendment to this Agreement in accordance with Article 13 hereof, Amendments.**

9. Dishonesty Protection. The Subrecipient shall obtain fidelity bonds or other similar dishonesty insurance protection covering all employees who have access to Agreement funds in an amount adequate to cover the largest Agreement proceeds estimated to be on hand at any one interval. In the event such bonds are canceled the Subrecipient shall immediately notify the City. If the Subrecipient has a fiduciary agent, then the fiduciary must provide evidence of such bonding or insurance. Certificates evidencing bonding and insurance shall be submitted to the City prior to commencement of Services hereunder.

***10. Nepotism and Conflict of Interest.** The Subrecipient's formal hiring policy shall prohibit nepotism and conflicts of interest. Relatives of board members, managers or other such persons with decision making authority shall not be hired to work on, or be paid from, this Agreement. Pre-agreement incidence of nepotism shall be disclosed to the City and such persons salary/wages shall not be included in this Agreement budget or be paid by the City.

The Subrecipient shall require its employee(s) working on this Agreement to disclose their outside employment or business ties (if any) before beginning work on Services under this Agreement. All such disclosure(s) that may constitute, or give the appearance of, a conflict of interest or nepotism shall be reported to the City during the term of this Agreement. All disclosures, required certifications and/or other such documentation shall be kept on file in each employee's personnel file, as applicable.

***11. Interest Earned on Advance.** If any Federal Funds are advanced under this Agreement, all Agreement funds shall be kept in interest bearing accounts, to the extent reasonable and possible. All interest earned on such funds shall be reported in each payment request. If total interest earned during the term of this Agreement should exceed \$250.00, the excess shall be promptly remitted to the Federal Government in the manner in which the City shall prescribe.

12. Program Income. In accordance with Article 6.07 of this Agreement if any program income is earned by the Subrecipient, all program income earned must be reported to the City with each Payment request and Exhibit W.

13. Waiver or Determinations. If any provision of these Accounting and Bookkeeping Procedures cause the Subrecipient undue hardship, particularly those paragraphs herein preceded by "***", are in contradiction of other state or federal grant agreements, are impractical to implement or otherwise conflict with the Subrecipient's own formally adopted and authorized written policies, then the Subrecipient may request a determination for using an alternative procedure or a waiver of enforcement of the conflicting provision from the City. No such determination or waiver shall be deemed effective unless approved in writing by the City's authorized representative. The City may not waive provisions that are statutory or that would violate generally accepted accounting principles or CDBG program rules and regulations.

EXHIBIT D PAYMENT/REIMBURSEMENT PROCEDURES AND REQUIREMENTS

The following procedures shall be followed by the Subrecipient to facilitate the request for reimbursement of funds expended for budgeted items in performance of the Agreement. The Subrecipient shall submit all requests for reimbursement **by the 15th of each month**. Requests for reimbursement shall be made monthly, unless the City approves a different time interval for submission. All final reimbursements shall be submitted within 90 days of expiration of the contract or by **(date)** unless the City approves a different time interval.

1. The Subrecipient shall submit **one original and two complete copies** of an Invoice that contains the following items of information:

A. A letter of transmittal on the Subrecipient's letterhead that:

1. provides the Subrecipient's legal name and Federal Employer I.D. Number,
2. states the total requested amount;
3. specifies the time period covered by the invoice;
4. specifies the Agreement Number;
5. specifies the amount of Indirect Costs included, if any;
6. specifies the amount to be credited toward the Advance,
7. reports all program income earned; and
8. is signed by an authorized representative of the Subrecipient.

B. A budgetary status report in the format of the sample attached hereto as Exhibit J which includes appropriate line items for Indirect Costs (if any) and the Advance (if any) and line items to report Program Income and Interest earned on the Advance (if any);

C. A check register listing the direct cost expenditures for the period listed in account order (see sample attached hereto as Exhibit I);

All items of expenditure listed on the check register shall be accompanied by invoices and receipts or other appropriate backup information, in check register order. The City may, in its sole discretion, and at its option, provide the Subrecipient with notice that cancelled checks will be additionally required to backup expenditures should the City decide it necessary. Unless otherwise notified, backup information shall be prepared as follows:

1. Receipts and Invoices - Copies of receipts and invoices shall be submitted in check register order. They shall include the date paid and the check number, and be signed or initialed by an authorized representative of the Subrecipient.

2. Mileage Reimbursement – All requests are to be on the "Private Car Mileage Report" (see sample attached hereto as Exhibit L).
3. Long Distance Calls - All long distance calls contained on the accompanying copy of the telephone bill shall be itemized on one form using the sample attached hereto as Exhibit K, or its equivalent. Any calls not accounted for will be assumed ineligible and therefore not reimbursable. Long distance calls are those made outside the Detroit metropolitan area. Reimbursement of any costs of telephone service and/or long distance calls shall only be allowable as pursuant to the Budget, Exhibit B.

D. Each submission shall contain a payroll register as per item d4 of Exhibit C (attached hereto and made a part hereof) following the instructions given in Exhibit G (attached hereto and made a part hereof) and utilizing the form found attached hereto as a sample as Exhibit H. ADP payroll or similar information acceptable to the City may be substituted for the Exhibit H form if it contains essentially the same information categories.

E. Personnel and payroll costs shall be backed-up with the Time Distribution Summary (Exhibit M hereof). Unless the City specifically requests the Subrecipient to submit time-related records for its review, time sheets, time cards, tax withholding records and other such records shall be kept on file by the Subrecipient in its offices to back up all personnel and payroll charges.

F. The signature of the Subrecipient's authorized representative is required on the forms to be submitted under paragraphs A, B, C, D, and E above.

2. The Subrecipient shall also submit together with each payment request, or at such time otherwise prescribed by the City Project Manager:

A. Performance Schedule, attached hereto as samples Exhibits E and E-2 respectively. If performance, or submission of Performance Schedules under this Agreement should fall behind by 60 days or more with respect to the Performance Schedule of this Agreement, then in accord with Article 9 hereof, the City may, within its reasonable discretion, suspend payment in whole or in part to the Subrecipient under this Agreement, until the City determines whether progress on the Project warrants payment and is commensurate with work performed, or is otherwise justifiable.

B. Statement of Eligibility, attached hereto as example Exhibit F, as instructed by the Project Manager.

3. Any submission that does not comply with these procedures and which does not include all of these required supporting documents, may be returned to the Subrecipient with a Letter of Deficiency stating the reason for return. Reimbursement processing in full or in part will not begin by the City until an acceptable invoice with sufficient supportive documentation is received.

4. Requests for reimbursement for a contract years must begin to be submitted to the City within 90 days of contract execution or the start of the contract term whichever is later and must be submitted monthly thereafter.

5. All request for reimbursement must be for expenses incurred or purchases made during the term of the contract.

6. No request for reimbursement may be submitted later than fifteen (15) days after the termination date of the contract.

7. The City reserves the right, without compliance with Article 13 of this Agreement, to amend any of the above items or to add or to delete items, if experience, technological advances, Grantor Agency mandate, or other pertinent issues should make such a change, addition or deletion reasonable and/or necessary.

8. Indirect costs (if any) listed on Budget (Exhibit B), shall be paid, pending City approval of the Subrecipient's indirect cost proposal, as follows:

A. The approved indirect cost percentage shall be multiplied by the Subrecipient's direct costs for the period.

B. This sum shall be added to the total direct costs documented and approved for that period.

C. The indirect cost calculation shall be shown as the last item on Exhibit I, the check register.

D. Should the City disallow any direct costs from the request, and then the City shall recalculate and reduce the indirect costs accordingly.

Pursuant to Title I of the Housing and Community Development Act of 1974, as amended, and the implementing CDBG regulations at 24 CFR 570.200(j) dated September 30, 2003, the Subrecipient agrees that with respect to use and expenditure of CDBG funds in performance of the Services hereunder:

a) It will not discriminate against any person applying for, or seeking to participate in, CDBG funded activities on the basis of religion and will not limit such services or give preference to persons on the basis of religion or religious belief;

b) It will provide no religious instruction or counseling, conduct no religious worship or services, and engage in no religious proselytizing, in the provision of funded CDBG activities;

c) If the organization conducts any religious activities, such activities must be offered separately in time or location from the funded CDBG activities, and participation of beneficiaries of CDBG funded activities in any such religious activities must be wholly voluntary;

d) If CDBG funds are received for public service activities, minor maintenance repairs may be made to the facility space in which public services are to be provided only in proportion to the CDBG funding allocation for the entire facility and to the extent to which the facility is used for secular, public service eligible purposes. Such space must not be a sanctuary, chapel or other room(s) used as a principal place of worship or for inherently religious activities. The above notwithstanding, such expenditures are governed by approved line items as provided in Exhibit B, Budget, of this Agreement and in no case shall maintenance repair costs exceed \$5,000.00, unless the City grants an exception in writing.

e) No CDBG funds may be used to improve, acquire, construct, rehabilitate, repair or maintain a sanctuary, chapel or other rooms that a CDBG-funded religious congregation uses as its principal place of worship or for inherently religious activities. However, if CDBG funds are awarded for public facility rehabilitation, and space other than provided above is used, the CDBG funds may be used for rehabilitation of structures only to the extent and proportion that those structures are used for conducting eligible CDBG activities. CDBG funds may not exceed the cost of those portions of the rehabilitation that are attributable to eligible CDBG activities in accordance with cost accounting requirements of OMB Circular A-122.
