Honorable City Council:

Re: Departmental Recommendation on Residential Alley Vacation for Petitions 062, 1541, 1930, 1960, 2106, 2125, 2129, 3402, 3620, 3628, 3871 and 3872.

The above-referenced twelve (12) petitions were presented by the Planning & Development Department (P&DD) for consideration at a public hearing before the Honorable Body on March 5, 2004. Fourteen (14) petitions were originally presented at this public hearing. Two (2), petitions 1095 and 2980, were put on hold for further review. P&DD will report back to the City Council on both of these petitions upon completion of their review. The balance of twelve (12) petitions are those referenced above for which the City Council supported the recommendation of the Planning and Development Department. Attached herewith, is the resolution that will enable the City Council to take action on the above-referenced petitions, causing the vacation of the twelve referenced petitions.

The above-referenced petitions have been processed in compliance with the City Code, Article VI, Section 50-6-1. Our investigation of each of these petitions resulted in the following:

1. The public utilities located in the alley can be properly served is that the alley can be converted into an easement.
2. That the alley does not serve as the sole means of ingress/egress to the adjacent properties.
3. No objections to this alley vacation have been received from any of the City Departments.

Therefore, it is the recommendation of the Planning and Development Department that the attached resolution be approved.

Respectfully submitted,

HENRY B. HARRIS

Director of Development

By Council Member Tinsley-Talabi:

City Council:

Petition No. 1846 — McCatty Incorporated, requesting to vacate a portion of the alley in the area of Military, Ranspach and Federal.

Petition No. 1846 of "McCatty Incorporated" at 2355 Grayson Road, Ferndale, Michigan 48220, request for the vacation and conversion to easement of a portion of the alley — South open public alley, 20 feet wide, in the block bounded by Military Avenue, 66 feet wide, Federal Avenue, 66 feet wide, Federal Avenue, 66 feet wide, and Ranspach Avenue, 66 feet wide, for the expansion of the Ranspach Industrial Building.

This request was approved by the City Council, the Planning and Development Department, the Engineering Division — DPW, and the Public Works Department — DPW. The matter was referred to the City Engineering Division — DPW for investigation and report. This is our report:

The Public Works Department (PLD) reports that this is one Over Head lighting fixture on a portion of the alley request-vacated. PLD will install an Over Head lighting circuit at the request of the petitioner.

The Detroit Water and Sewerage Department (DWSD) reports there are no water service and sewer main in the alley request-vacated for outright vacation and conversion to easement. DWSD has no objection to the outright vacation of the alley for water service and sewer main. If the alley is vacated to a suitable easement for the alley, the petitioner must comply with all provisions and requirements of the City Council resolution.

The petitioner (McCatty Incorporated at 2355 Grayson Road, Ferndale, Michigan) has made arrangements with the Detroit Edison, DTE Energy — and SBC Tele-

Communication shall pay all incidental removal cost.

All other city departments and privately owned utility companies have reported no objections to the changes in the public rights-of-way or that satisfactory arrangements have been made. Provisions protecting utility installations (if necessary) are part of this resolution.

An appropriate resolution containing the necessary conditions is attached for consideration by your Honorable Body.

Respectfully submitted,

SUNDAY JAIYESIMI

City Engineering Division — DPW

By Council Member Bates:

Resolved, All that part of the North — South public alley, 20 feet wide, lying Easterly of and abutting the East line of Lots 67 through 70, both inclusive, and the North 22.80 feet of Lot 71, and lying Westerly of and abutting the West line of Lots 73 through 77, both inclusive, all in the "Ranspach's Subdivision of a part of P.C. 574" as recorded in Liber 4 Page 44, Plats, Wayne County Records; Also lying Easterly of and abutting the East line of Lots 83, 84 and the South 7.20 feet of Lot 82, and lying Westerly of and abutting the West line of Lots 123 and 124 all in the "Leavitt's Subdivision of part of P.C.'s 574 and 171, Springwells (Now Detroit), Wayne County, Michigan as recorded in Liber 2 Page 29, Plats, Wayne County Records;

Be and the same is hereby vacated as public alley to become part and parcel of the abutting property; subject to the following provisions:

Provided, That the Detroit Water and Sewerage Department (DWSD) be and is hereby authorized to review the drawings for the lateral sewers and water mains, and to issue a permit to the petitioner (Petition No. 1846) for the construction of any lateral sewers and water mains proposed; and be it further

Provided, That the plans for the lateral sewers and water mains shall be prepared by a register engineer; and be it further

Provided, That the entire work is to be performed in accordance with plans and specifications approved by the DWSD and constructed subject to the inspection and approval of DWSD; and further

Provided, That the entire cost of the lateral sewer and water main construction, including inspection, survey and engineering shall be borne by the petitioner; and be it further

Provided, That the petitioner shall

to the City a satisfactory easement for the lateral sewers and water mains before the start of construction; and be it further

Provided, That the Board of Water Commissioners shall accept and execute the easement grant on behalf of the City; and be it further

Provided, That upon satisfactory completion of the lateral sewer and water main construction they shall be City property and become part of the City system; and be it further

Provided, That upon completion of the sewer and water main construction the petitioner shall provided DWSD with "As-Built" drawings for the water main and sewers; and be it further

Provided, That the petitioner shall provided a warranty of one year to DWSD for the water main and or sewer construction; and further

Provided, The petitioner (McCatty Incorporated at 2355 Grayson Road, Ferndale, Michigan 48220) has made arrangements with Comcast Cablevision, DTE Energy — Detroit Edison and SBC Telecommunication for any costs for the removal, rerouting or relocation of their facilities within the project area; and further

Resolved, All that part of the North — South public alley, 20 feet wide, lying Easterly of and abutting the East line of Lots 54 through 66, both inclusive, and lying Westerly of and abutting the West line of Lots 78 through 90, both inclusive, all in the "Ranspach's Subdivision of a part of P.C. 574" as recorded in Liber 4 Page 44, Plats, Wayne County Records;

Be and the same is hereby vacated as a public alley and is hereby converted into a private easement for public utilities of the full width of the alley, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said alley and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public alley in the City of Detroit, with the right to ingress and

Second, Said utility easement shall be of-way in and over said vacated public alley herein above described shall be kept accessible to the main inspection forces of the utility companies or those specifically authorized for the purpose of inspecting, maintaining, repairing, or replacing any sewer, conduit, gas line or main, telephone line, or any utility facility placed on or over the utility easement or right-of-way. The utility companies shall have the right to use the driveways and easements on adjoining properties for ingress at any time to and over the easement with any necessary authority to perform the above mentioned work, to the understanding that the utility companies shall use due care in the use, and that any property damaged by the utility companies, other than specifically prohibited by this ordinance, shall be restored to a satisfactory condition,

Third, Said owners for themselves and assigns further agree that the structures of any nature, including, but not limited to, fences, partition walls, shall be built upon said easement, nor shall any face grade made, without the approval of the City Engineering Division.

Fourth, That if the owners or assigns abutting on said vacated public alley request the removal and/or relocation of any existing poles or other structures on the easement, such owners shall pay the costs incidental to such removal and relocation, unless such costs are waived by the utility owners.

Fifth, That if any utility facility on the property shall break or be damaged as a result of any action on the part of the owners or assigns (by way of example but not limitation) such as excessive weights of material, or construction not in accordance with Section 3, mentioned above, then the said owners or assigns shall pay the all costs incidental to the repair of broken or damaged utility; and

Provided, That if it becomes necessary to remove the paved road surface at the entrance (into Ranspach Avenue(s)), such removal shall include the installation of new curb and sidewalk done under city permit and according to City Engineering Department specifications with a minimum depth by the abutting owner(s), and be it further

Re: Resolution Establishing an Obsolete Property Rehabilitation District, on Behalf of Thor Equities, in the Area of 11854-11982 E. Warren and 4899-4907 Conner (Petition No. 2172).

Attached please find a resolution and legal description which will establish an Obsolete Property Rehabilitation District in the area of 11854-11982 E. Warren and 4899-4907 Conner in accordance with Public Act 146 of 2000 ("the Act"). Such establishment is a key step in the modernization and redevelopment of the Warren-Conner Shopping Center to be carried out by Thor Equities.

Earlier today your Honorable Body conducted a public hearing on the establishment of this District, in accordance with the Act. Inasmuch as no impediments to the establishment of the District were presented at the public hearing, we request

lic hearing. Mr. Cockrel inquired many applications for abatement of the education millage the State has approved this year (Fiscal Year). The State Treasurer is limited to a certain number of such approvals per year. It is requested that the State Treasurer have approval to 5 applications for additional applications currently pending for approval.

Whereas, Pursuant to Act 146 of 2000, the Public Acts of 2000 ("the Act"), the City Council has the authority to establish "Obsolete Property Rehabilitation Districts" within the boundaries of Detroit; and

Whereas, Thor Equities has requested that this City Council establish an Obsolete Property Rehabilitation District in the area of 11854-11982 E. Warren and 4899-4907 Conner, Detroit, Michigan, the area being more particularly described in Exhibit A attached hereto; and

Whereas, The aforesaid property is obsolete property in an area designated by obsolete commercial housing properties;

Whereas, Act 146 requires the establishment of Obsolete Property Rehabilitation Districts; and the City Council shall provide an opportunity for a public hearing on the establishment of such District, at which a representative of the jurisdiction levying *ad valorem* taxes on any owner of real property located in the proposed District, or any other person who is a taxpayer of the City of Detroit, shall be heard on the matter;

Whereas, Such public hearing was conducted before City Council on March 26, 2004, for the purpose of approving the establishment of the Obsolete Property Rehabilitation District described in Exhibit A attached hereto; and

Whereas, No impediments to the establishment of the proposed District were presented at the public hearing;

Now Therefore Be It Resolved, That Obsolete Property Rehabilitation District No. 2 in the area more particularly described in Exhibit A attached hereto, is hereby approved and established by this City Council in accordance with Act 146.

493). The City Council adopted a
"Transfer of Authority" for the Detroit
Sewerage Department
to acquire properties, ease-
ments-of-way for the purpose
of constructing federally-mandated
sewer overflow ("CSO")
control. One of the CSO Control
Facilities at the Belle Isle Pump Station
Control Facility, which will be
located on the only Belle Isle — DWSD
site transfer from Recreation to
Sewerage Department is a 0.84-acre
parcel within Belle Isle Park
site of the proposed CSO
Control Facility is directly adjacent to the
Belle Isle Park sewage pumping

DWSD and Recreation
will coordinate the proposed
plan on Belle Isle Park.
Recreation will continue to
coordinate with each other to ensure
the impact of the construction and
operation of the CSO Control Facility
is minimized to the maxi-
mum extent. We are hereby ask-
ing the Honorable Body to adopt the
resolution, which authorizes the
transfer of jurisdiction of the 0.84-acre

**MEMORIAM
FOR
MILLIE McWILLIAMS “MILLIE”
JEFFREY**

MEMBER WATSON:

Mildred McWilliams, a labor justice activist, retired UAW member and a Governor Emerita of Wayne State University, died peacefully in her family early this morning in the Detroit area. She was 93. She was the recipient of the President William Clinton award of the Presidential Medal of Freedom, the highest honor bestowed by the United States Government, and

In seeking world peace by her own ability for all, Millie spent a lifetime in labor, civil rights, education, youth employment, and social issues. She brought inspiration to the many people she met and did so with optimism and integrity, and

Millie's list of accomplishments is long but what she is remembered for is her zest for organizing and mentoring legions of women in labor, civil rights, women's peace movements. As Watson noted: "Her impact will be felt in generations, and her example is an inspiration", and

Born in Alton, Iowa on August 1, 1910, Millie was the oldest of five children. She graduated from the University of Minnesota in 1932 with a Bachelor's degree in Psychology and a Master's degree in Social Psychology and Social Research in 1934 from Wayne State University. In graduate school she realized that to improve the lives of working women and men she had to change the system. In the fall of 1934, after joining the labor move-

Millie became an organizer for the Amalgamated Clothing Workers in Philadelphia and then the director of the Pennsylvania Shirt Workers. In 1936, she was an amalgamated organizer with an Jeffrey, and they traveled throughout the South and East organizing workers. During World War II they worked in Washington, D.C. as consultants to the War Labor Administration. They became close friends with Roy Reuther, and Mildred and Newman

conference in response to the massive postwar layoffs of women production workers replaced by returning veterans. From 1949 until 1954, Millie ran the union's radio station. She moved on to direct the Community Relations Department. She was director of the Consumer Affairs Department from 1968 until her retirement in 1976, and

WHEREAS, Millie joined the NAACP in the 1940's and marched in the south with Dr. Martin Luther King Jr. in the 1960s, and also worked closely with NAACP leaders nationally and locally like Drs. Arthur Johnson and JoAnn Watson; and

WHEREAS, As a founding member and chair of the National Women's Political Caucus, Millie supported female candidates for public office. Twenty years ago she led the effort to nominate Geraldine Ferraro as Walter Mondale's running mate. Most recently Millie delighted in being represented by Michigan women she supported: Governor Jennifer Granholm, US Senator Debbie Stabenow, and Congresswoman Carolyn Cheeks Kilpatrick (MI-13). Former Congresswoman Patricia Schroeder (D-CO) remarked: "Millie is the 'political godmother' for many of us," and

WHEREAS, Millie was a special mentor to thousand of women throughout the nation including City Council President Maryann Mahaffey, and

WHEREAS, Millie ran for public office in 1974 and was elected by the people of the State of Michigan to the Wayne State University Board of Governors, an office she held for 16 years (1974-1990). She served three terms as Board Chair. Millie loved Wayne State University and was a long-time resident on campus. She never tired of showing visitors around her "neighborhood" — the Adamany Undergraduate Library, the Hilberry Theatre, and the Walter P. Reuther Library. Millie thrived in the academic environment enriched by Wayne State University students. NOW, THEREFORE, BE IT

RESOLVED, That the Detroit City Council hereby expresses its heartfelt sympathy to the family of the late Mildred McWilliams "Millie" Jeffrey and their gratitude for her many years of dedicated service to the advancement of humanity.

Planning & Development

February

Honorable City Council:
Re: Establishment of the
Apartments Neighborhood
Enterprise Zone.

Attached for your consideration find a resolution and legislation which will establish the Apartments Neighborhood Enterprise Zone (NEZ) in accordance with Act 147 of 1992 ("the Act").

Your Honorable Body conducted a public hearing on this matter on 1/27/04 as required by the Act. No objection to the establishment of the NEZ was presented at the public hearing.

As you may recall, the City will invest \$5 million in the Apartments, converting the units to condominiums. The size from 771 to 3100 square feet is projected to market from \$250,000.

The Act requires that all resolutions must pass from the date of the public hearing to the date of the final approval of a resolution of the NEZ. The date of the public hearing was December 15, 2003 and we therefore recommend you approve the resolution at your next regular session of Wednesday, February 11, 2004.

Respectfully submitted,

HENRY B. MANNING

Director of Development

March 24, 2004

Honorable City Council:
Re: Address: 1765 Canton. Name: Steve Spencer. Date ordered removed: September 11, 2002 (J.C.C. p. 2689).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on March 8, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of March 3, 2004.

The proposed use of the property is rehabilitation and rental.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. A permit for rehabilitation work shall be obtained within 30 days.

2. The building shall be maintained securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from

• Certificate of Inspection, required for all residential rental properties.

3. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined in #2 above).

4. The yards shall be maintained clear of weeds, junk and debris at all times.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been met or that substantial progress toward rehabilitation has been made. If the building becomes open to trespass or if conditions of the deferral are not complied with, we will proceed with demolition without further hearings. We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

March 30, 2004

Honorable City Council:

Re: Request of Land Assembly for
Neighborhood Development to show
a PD (Planned Development District)
zoning classification where B4
(General Business District), P1
(Open Parking District), and R2 (Two
Family Residential District) zoning
classifications are shown on the area
generally described as the north side
of Mack between Manistique and
Ashland and the south side of Mack
Ave. between the alley east of Phillip
and Alter Road to allow for the con-
struction of a 3-building retail devel-
opment (RECOMMEND APPROVAL
WITH CONDITION).

Land Assembly for Neighborhood
Development, which is affiliated with the
Warren-Conner Development Corpora-

generally described as the north side of Mack Ave. between Ashland and Manistique and on the south side of Mack Ave. between Manistique and Alter,

- a P1 (Open Parking District) zoning classification is shown on the area generally described as north of the B4 frontage on the north side of Mack Ave. between Ashland and Manistique and south of the B4 frontage on the south side of Mack Ave. between the alley east of Phillip and Alter, and

- an R2 (Two Family Residential District) zoning classification is shown on the area generally described as the four (4) lots south of the P1 district on the east and west sides of Manistique, the three (3) lots south of the P1 district on the west side of Ashland and the one (1) lot south of the P1 district on the east side of Ashland, and on the three (3) lots on the east side of Manistique and the west side of Ashland north of the B4 frontage on Mack Ave., as shown on the attached map.

- The subject area is approximately six (6) acres on the south side of Mack Ave. and 1 acre on the north.

The proposal, if approved, would result in the construction and operation of three (3) retail buildings on the south side of Mack Ave. All existing structures on the properties would be demolished to construct the stores. The parcel to the north would remain undeveloped at this time.

This proposal is a part of the larger development proposed by the same developer last year, the first phase of which (a gas station) was approved in 2003. The gas station is under construction. It is anticipated that construction of the retail development will begin in the summer of 2004.

The petitioner is requesting a rezoning to PD because the proposed retail uses would not be permitted in the R1 and P1 portions of the site and to give the developer flexibility in site design and parking requirements.

The proposed site is comprised of two parcels of land. The first parcel, which is on the south side of Mack, is zoned P1, B4, and R2. The parcel contains two (2) retail stores on the Mack Ave. frontage, two (2) occupied homes (which have been acquired by the developer), and vacant lots. The second parcel, located on the north side of Mack Ave., is zoned B4 and R2 and contains a collapsing residential property and an occupied home (which has been acquired by the developer).

PROPOSED DEVELOPMENT

The proposal, if approved, would result

other retail tenants. A bank police mini-station have been demolished. All existing structures on the parcel would be demolished to make way for stores. The parcel to the north would remain undeveloped.

The proposed buildings would be two story in height. The sizes of the buildings are 20,000 square feet for the western building, 30,400 square feet for the grocery store and retail building, and 10,000 square feet for the middle building, with approximately 10,000 square feet for the grocery store, and 10,000 square feet for the eastern building. The eastern building would be a pharmacy.

The front of the buildings would be of tan split-faced concrete block with brick above. Signage on the elevations is for illustration purposes only and is to be determined after reviewed at a later date. The front of the buildings would be set around a portion of the sidewalk. The remainder of the sides would be concrete block. The rear of the buildings would be concrete block. A 6-foot high brick embossed (with a brick appearance) concrete-panel screenwall is proposed on the southern and western edges to separate the retail development from adjacent residences. Final site plan would have to be reviewed and approved in the future.

The parking area would be approximately 266 surface spaces for the entire retail development. The site would have four access points: two (2) from Mack Ave. and two (2) from Alter Rd. On the south parcel, the developer would like to have an easement with the City to have access to Manistique, Ashland, the alley between Ashland and Philip, and the alley north to and south of Mack vacant lots. Easements to allow access to the developed. A new east-west street is proposed approximately south of the development. Manistique and Ashland would be vacated and dedicated to the City. The streets being dead-ends.

SURROUNDING ZONING USES

The zoning classifications and uses surrounding the proposed development are as follows:

North: R2 and PD — occupied homes and a gas station

South: R2 — single family homes

East: R2, B4 and PD — occupied homes, retail stores, government buildings and a gas station

West: R2 and B4 — commercial buildings, and

the proposed rezoning is in
with the Master Plan.

R2 Two-Family Residential District.

The district is designed to protect and enhance those areas developed or likely to develop with single or two-family dwellings. The district regulations are designed to promote a suitable environment for homes and for activities connected with family life. The only uses permitted as a matter of right are single- and two-family dwellings. Additional uses are permitted with approval.

P1 Open Parking District

This district is designed for off-street parking of private passenger vehicles on property that abuts, or is separated by an alley or easement from a non-residential district. The regulations permit the establishment of parking facilities to serve the non-residential uses, and at the same time do not permit the non-residential uses per se to extend into residential areas. The district will assist in reducing traffic congestion caused by non-residential uses and at the same time will protect abutting residential areas from the deleterious effects of adjacent vehicular parking areas.

An amendment to the Zoning Ordinance requires the approval of the City Council after a public hearing and after receipt of a report and recommendation by the City Planning Commission.

You may present your views on this proposal by attending this hearing, by authorizing others to represent you, or by writing to this office. Because it is possible that some who are affected by this proposal may not have been notified, it is suggested that you kindly inform your neighbors so that they too may express their positions if they so desire.

An interpreter for the hearing impaired will be present at the meeting if requested at least 48 hours in advance. To request that an interpreter for the hearing impaired be present at the meeting, please call 224-4946.

City Planning Commission

April 2, 2004

Honorable City Council:

Re: Neighborhood Enterprise Zone
 Certificate application for one new
 single family home located at 14000
 Plainview located within the
 Westwood Park NEZ (Recommend
 Approval).

The City Planning Commission (CPC)
 staff has reviewed the application for a
 Neighborhood Enterprise Zone (NEZ)
 certificate forwarded from the City Clerk's
 Office on March 22, 2004. The application
 corresponds to the property located at
 14000 Plainview.

Northwest Detroit Neighborhood
 Development intends to construct a
 single-family home on approximately .18
 acres on the east side of Plainview
 between Kendall and Evergreen. The lot
 located at 13994 Plainview will be com-
 bined with the lot at 14000 Plainview. The
 NEZ certificate application appears to
 have been submitted prior to the issuance
 of any applicable permits.

CPC staff has reviewed the application
 and recommends approval because the
 subject property is within the Westwood
 Park NEZ area, which is generally bound-
 ed by Lyndon to the north, Evergreen to
 the west, Grandville to the east and
 Schoolcraft to the south.

The property in question has been con-
 firmed as being within the boundaries of
 the Westwood Park NEZ and should be
 eligible for an NEZ Certificate in accor-
 dance with State Act 147 of 1992. The
 estimated cost to construct the home is
 \$180,000.00.

Please contact us should you have any
 questions.

Honorable City Council:

Re: Application for a Neighborhood Enterprise Zone Certificate for the Westwood Park area.

On October 21, 1992, your Honorable Body established neighborhood enterprise zones. I am in receipt of one (1) application for a Neighborhood Enterprise Zone Certificate. THIS APPLICATION HAS BEEN REVIEWED AND RECOMMENDED FOR APPROVAL BY THE CITY PLANNING COMMISSION, A COPY OF WHICH IS ATTACHED. Therefore, the attached Resolution, if adopted by your Honorable Body, will approve this application. A waiver of reconsideration is requested.

Respectfully submitted,

JACKIE L. CURRIE

City Clerk

By Council Member Tinsley-Talabi:

Whereas, Michigan Public Act 147 of 1992 allows the local legislative body to establish Neighborhood Enterprise Zones for the purpose of providing exemption from ad valorem property taxes, and the imposition of specific property tax in lieu of ad valorem taxes; and

Whereas, The Detroit City Council has established a Neighborhood Enterprise Zone for the following area, in the manner required by and pursuant to Public Act 147 of 1992, on January 3, 1996, J.C.C. pgs. 25-27.

Now, Therefore, Be It Resolved, That the City Council approve the following address for receipt of a Neighborhood Enterprise Zone Certificate for a twelve year period:

<u>Zone</u>	<u>Address</u>	<u>Application No</u>
Westwood Park	14000 Plainview	96-09-37

And Be It Further Resolved, That the City Clerk shall forward each tax exemption certificate application to the State Tax Commission.

Honorable City Council:

Re: Proposed amendment to the Master
Plan of Policies, East Central Sector
Policies, Article 303 and the Near
East Riverfront Subsector, "Recom-
mended Future Land Use" map
(RECOMMEND APPROVAL).

The Planning and Development

Article 303 and the Near East Riverfront Subsector, "Recommended Future Land Use" map. This amendment is not intended to address the comprehensive east riverfront planning activities of the last two years, but simply to make interim adjustments. The primary reason for pursuing an amendment at this time is to allow for a Neighborhood Enterprise Zone designation that would facilitate the renovation of the Stone Soap Building at 1490 Franklin for residential use and the redevelopment of the surrounding 10 acres. Please see the attached letter and proposed amendment from the department.

PROPOSED AMENDMENT

The proposed amendment includes map changes and related text changes. The subject area is shown on the East Central Sector Near East Riverfront Subsector, "Recommended Future Land Use" map (see map included in the attached amendment). It is proposed that the designation for the area bounded by East Jefferson, Joseph Campau, Woodbridge, McDougall, Atwater and its eastern extension and Rivard be changed from SC, Special Commercial-Residential to SRC, Special Residential-Commercial. It is also proposed that the "Entertainment/Gaming Area" designation be removed from the area generally bounded by East Jefferson, Chene, Atwater and Riopelle. Corresponding, all references to "gaming" contained within the text of the East Central Sector Policies, Article 303, would be removed and appropriate references made with regard to the SC to SRC designations.

The proposed land use designation would accommodate the mixed-use (predominantly residential) development most practical for the area given the nature of its existing buildings. Coincidentally, but rationally, this change is consistent with the planning being done for the Near East Riverfront district. The removal of the entertainment/gaming designation reflects the decision to not locate permanent casinos in the near east riverfront area.

STONE SOAP BUILDING

Aspen Custom Builders and Quint Construction have proposed to renovate the former Stone Soap building into 24 lofts. P&DD feels that the designation of the surrounding 10 acres will encourage the renovation or creation of additional residences.

PUBLIC HEARING RESULTS

On March 18, 2004, the City Planning Commission (CPC) held a public hearing on this matter. At that hearing, no one

development in the Near East Riverfront. The renovation project requires the benefits of the NEZ designation. The project requires the project be consistent with the Master Plan. Furthermore, a Master Plan amendment for this area is required, subsequent to the comprehensive riverfront planning activities, which is another, more comprehensive area. At its March 18, 2004 meeting, CPC took action to recommend the requested amendment to the Master Plan of Policies.

Honorable City Council:
Re: A resolution to amend the Master Plan of Policies of the Near East Riverfront to remove references to "Entertainment/Gaming Area" to accommodate new mixed-use development.

Pursuant to the City of Detroit Charter (Section 8-102), the Planning and Development Department has submitted for your consideration and action a proposed amendment to the Detroit Master Plan of Policies. Adoption by your Honorable City Council of this resolution would accommodate the change in the Master Plan of Policies to remove references to an "Entertainment/Gaming Area" that describes the proposed permanent casino area, facilitating future mixed-use development.

Location

The subject area for the proposed change is generally bounded by East Jefferson Avenue on the north, Joseph Campau and McDougall Avenues on the east, Atwater Street and its extension on the south, and Rivard Street on the west. The approximate location of the subject area is located in the East Central Sector, Near East Riverfront Subsector. The Master Plan of Policies currently designates the area as SC.

Existing Site Information

Future general land use: "SC", Special Commercial-Residential.
Existing land and/or building use: Commercial, residential, some light industrial use, some vacant lots.

The proposed development could potentially put more auto traffic onto east-west streets such as Atwater and Woodbridge. These streets are in generally poor condition and will need to be upgraded.

Additional Analysis

The proposed Amendment is the second Amendment for this portion of the Near East Riverfront (see Master Plan Amendment #8; April, 1997). The previous Amendment converted the subject area from a largely "SRC", Special Residential-Commercial land use designation to an "SC", Special Commercial-Residential designation. This was done to accommodate the proposed permanent casino district, but as those plans have changed, the "SC" designation is no longer necessary.

Recommended Master Plan Amendment

The Planning and Development Department requests this proposed Amendment to the Master Plan of Policies to accommodate mixed-use residential and commercial development in the subject area, a portion of which includes the 57-acre former proposed permanent casino district. The subject area had previously been envisioned as a mixed-use area in the Master Plan prior to its designation as a proposed casino district. Mixed-use, predominantly residential development is the most practical use for the subject area, as it contains many existing buildings that have either been used as residences in the past, or could be easily converted to residential use in the future.

The Planning Division of the Planning and Development Department therefore requests that the changes recommended in this proposed Amendment to the Near East Riverfront Subsector text and Future General Land Use map be made in the Master Plan of Policies.

Honorable City Council:
Re: Correction of Legal Description Development: Parcel 243; generally bounded by Mullett, Gratiot, St. Antoine & Waler P. Chrysler Freeway.

By resolution adopted June 18, 2003, as subsequently amended by resolution adopted June 27, 2003, your Honorable Body authorized the sale of the above-captioned parcel to Greektown Casino, LLC, a Michigan Limited Liability Company, for the purpose of constructing a new permanent home for Greektown Casino. The sale took place and closing occurred on June 30, 2003.

It has come to our attention that a portion of the parcel intended to be conveyed was omitted from the legal description set forth in the resolution by which Council approved the transaction and from the quit claim deed delivered to Greektown Casino, LLC to effect the sale. A corrected legal description has been prepared that accurately and completely describes the parcel being conveyed.

We, therefore, request that your Honorable Body adopt the attached resolution, which authorizes an amendment to the previously adopted approval resolution to reflect and reference the corrected legal description for the parcel.

Respectfully submitted,
HENRY B. HAGOOD
Director of Development Activities
By Council Member Tinsley-Talabi:

Resolved, That in accordance with the foregoing communication, the June 18, 2003 approval authorization, as subsequently amended on June 27, 2003, for sale of said Development Parcel 243 to Greektown Casino, LLC, be further amended to replace the previously approved but erroneous legal description for the subject parcel, a copy of which attached hereto as Exhibit A-1, with the corrected legal description, which is attached hereto as Exhibit A-2.

Parcel No. 1882 — Colasanti Corporation for encroachments at Woodbridge.

Parcel 1882 of the "Colasanti Corporation" 65 Cadillac Square, Ste. 2605, Detroit, Michigan 48226, Attention: City Engineer, Director of Urban Planning, request to install and maintain encroachments within the south right-of-way of Woodbridge Street, 50 feet wide, east of St. Antoine Street, 50 feet wide.

Colasanti Corporation intends to renovate its property at 672 Woodbridge Street. Part of this renovation will require that portions of the new building facade encroach a minimum of 4 inches and a maximum of 8 inches within the public right-of-way, adjacent to the following described property:

This was referred to the City Engineering Division — DPW for investigation. This is our report:

City Engineering Division — DPW has no objections with the requested encroachments provided that a minimum clear margin is accommodated between the curb and the proposed

encroachment requires a minimum horizontal clearance of 3-feet 6-inches and a vertical clearance of 1'-0" must be maintained from their facilities.

The Detroit Water and Sewerage Department (DWSD) has no objection to the proposed encroachment provided that the petitioner abides by all of the terms and conditions of the attached resolution.

All other involved City departments and privately owned utility companies reported no objections or that satisfactory arrangements have been made.

Respectfully submitted,

**STATEMENT BY COUNCIL MEMBER
KENNETH V. COCKREL, JR. ON
GENESIS CONTRACT VOTE**

Today the Detroit City Council voted to
approve a \$1.8 million contract for the
repair of streetlights.

I could not in good conscience vote to
approve this contract, which is with the
Detroit-based Genesis company. This
contract generated a tremendous amount
of controversy and concern particularly
among unions representing Public
Lighting Department employees. These
employees argued that this contract was
privatization and that city workers could
do the work.

While these concerns should not be
taken lightly I do not believe they are valid
in this case. Both the terms of the contract
language as well as written and oral state-
ments by PLD Director Mark Petty made
it clear that this was a short-term contract
intended to address a backlog in malfunc-
tioning streetlights. Petty also stated that
no union employees would be fired
because of this contract.

My opposition is based on the fact that
the purchasing ordinance appears to
have been subverted in this case.
Genesis was not the low bidder. The city's
purchasing ordinance does have an
"equalization factor" that allows a Detroit
firm to be selected when it is not the low
bidder but its bid amount is close enough
to the low bidder's amount for it to be
given preference. However, this Genesis
bid was so high in comparison to the low
bid that this equalization factor did not
even apply.

Though Mark Petty did provide an
explanation for why this decision was
made, I do not believe the arguments
were strong enough to justify what
appears to be a disregard for the city's
ordinance.

While I believe that Genesis is qualified

**STATEMENT BY COUNCIL MEMBER
S. COCKREL IN SUPPORT OF PUBLIC
LIGHTING CONTRACT NO. 2630629
FOR STREET LIGHT REPAIRS**

On Thursday, April 8, 2004, I voted in support of the contract referenced above for two basic reasons. First, there is an imminent need for the lights to be repaired. Second, this contract makes good business sense for the City.

The Mayor's Office and Council Members received letters from concerned constituents whose lights were not working. One such letter indicated that, "we do not have street lights on our blocks, the lights are out or they are very, very dim, we need lights in the neighborhood." Emphasis added. She went on to indicate that "last summer a young black man was killed...walking from the store, not to say that if the lights were working this would have prevented his death, but lights would be helpful in the neighborhood." (Emphasis Added).

Clearly, there is a great need for these lights to be repaired. In that regard, it is the responsibility of the government to repair these lights in the most efficient, cost-effective manner possible while balancing the broader needs of City employees and the community as a whole.

Having reviewed the information pertaining to this contract, approving this contract makes good business sense in my estimation. The contractor's cost for labor per repair has been reported to be \$51.00. In contrast, the cost of labor per repair for a Public Lighting Department was reported to be \$81.10. At a basic level, it makes fiscal sense to execute this contract. Additionally, the funds being used for these repairs are capital dollars. Accordingly, these funds may not be used to hire new City workers. Lastly, the purpose of this contract is to repair the "backlog" of broken lights within the City. Once this contract is over, I am confident the Public Lighting Department employees will continue to maintain the City lights.

For all of the reasons stated above, I voted yes.

**STATEMENT BY COUNCIL PRESIDENT
MARYANN MAHAFFEY ON VOTE ON
GENESIS ENERGY SOLUTIONS
STREET LIGHT MAINTENANCE
CONTRACT**

I voted against the \$1.8 million Genesis Energy Solutions Street Light Maintenance Contract because it is an unwise expenditure of our tax dollars. Spending \$1.8 million on an outside contract for work that could be done more efficiently

Apprenticeship program a most knowledge and experience in lights and circuitry than any other. The blackout last summer was a Lighting Department employees worked relentlessly and performed in restoring power quickly, demonstrating resources.

The Public Lighting Department do not have the staffing or materials needed in order to work as fast as needed. Because of the city's short-term budget and refusal to fully equip our employees, our neighborhoods are suffering from having lights that do not work. The reason for the backlog of repairs, according to the employees who know best, lies in not having the resources they need to do the job. Spending more than \$300 million on the Genesis contract does not solve this problem in the long term. The seven month contract is not a guarantee do we have that we will not be another backlog, if our employees don't receive the equipment they need?

There was some discussion about the facts that Genesis is a minority owned company because it is primarily a contract company, they will be hiring the majority of whom are not African American. In contrast, the employees in the Public Lighting Department are all African American.

The \$1.8 million would be better spent by investing in our city resources so that our workers can perform this work in a way that ensures efficacy and efficiency. This would save jobs. The City Council has already passed a privatization contract while it doesn't take effect. In the next few months, we have a moral obligation to abide by it in spirit.

**STATEMENT OF THE HONORABLE
ALBERTA TINSLEY-
REGARDING THE GENESIS
ENERGY SOLUTIONS CONTRACT**

In the three terms I served as Councilmember, concerning inoperable street lights have been the top 10 complaints on the city's man's yearly Complaint List. Over 5,000 inoperable lights have been reported, creating a dangerous and unsafe condition for our residents. I signed the Genesis Energy Solutions contract to deal with these issues in an efficient manner.

The citizens have been suffering with the lighting situation for a long time. I acknowledge that that

utilized to provide to provide the same level of service. The cost of capital improvement dollars. The City Council has approved the budget for 2004. Based on those limitations, it is prudent to hire employees for 12 months and then terminate them. The time it would take to purchase needed equipment for city work would increase the cost of repairs.

The Lighting Department has purchased new, technologically advanced lighting throughout the City of Detroit. Not only are these new lights better, they last significantly longer. A major problem is that the city has not been able to repair lights in a timely manner. Genesis Energy Solutions has given the City the opportunity to purchase a backlog of repair and replacement lights in an expedient manner, through a Detroit-based business.

Genesis Energy Solutions offered a lower price than other bidders, they did not include labor in their bid. Their bid would require a change order to reflect the actual labor costs. Genesis Energy Solutions gave a more accurate price than other bidders because they have already established a relationship with the International Brotherhood of Electrical Workers.

Given the unions' concern with the cost of what appears to be the best quality of their work. I would not support this contract if even one person is displaced. There will be no possibility of employees displaced as a result of letting of this contract. I have received negative comments that the media, I know that our citizens are doing a good job. This situation is a concern for the future Public Lighting Department. The Department is proactive in its management of the department's resources to address the necessity of this kind of contract.

I supported this contract because of my concern for the citizens of Detroit. Citizens deserve lighted streets and this contract gave it to them in the most timely manner.

(xii) When determining the civil fine for a municipal citation that is issued under (vi), (vii), (viii), (ix) or (x) of this Code, the court shall consider all of the following factors:

- (1) The type of solid waste;
- (2) The nature of the violation;
- (3) The duration of the violation;
- (4) The preventability of the violation;
- (5) The potential and actual impact of the violation on the surrounding neighborhood and environment;
- (6) The economic benefit to the community;
- (7) The violator's record of compliance with law; and
- (8) The economic impact of the violation.

These factors shall only be considered where the court determines that the violator has made all good faith efforts to correct and terminate the violation. The violator shall have the burden of proof regarding the presence and absence of each factor to be considered by the court. In determining the amount of the civil fine in each case, the fine shall be within the range that is delineated in Sections 22-2-83, (vii), (viii), (ix), or (x) of this Code and the corresponding amount of solid waste.

V. Sections 22-2-83, 22-2-84, 22-2-86, 22-2-87, 22-2-88, 22-2-91, 22-2-97(a), and 22-2-98 of this Code regarding medical waste or hazardous waste.

sentative of the Estate of Jerome Knox, Jr., Deceased. Wayne County Circuit Court Case No. 02-242197 NI.

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that the City should agree to the entry of an Order of Dismissal and enter into an Agreement to Arbitrate on the terms and conditions set forth in the following resolution.

We, therefore, request authorization to agree to entry of an Order of Dismissal and to enter into an Agreement to Arbitrate on the terms and conditions set forth in the following resolution and, upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay a designated sum to the Plaintiffs, that your Honorable Body direct the Finance Director to issue a draft payable to Laurene M. Knox, Personal Representative of the Estate of Jerome Knox, Jr., Deceased, and her Attorney Karri Mitchell in the amount the City is to pay the Plaintiffs pursuant to the arbitrators' decision, but said draft may not be less than Two Hundred Fifty Thousand Dollars (\$250,000.00) and shall not exceed Two Million Dollars (\$2,000,000.00).

Resolved, That:

The Law Department is authorized to agree to entry of an Order of Dismissal and to enter into an Agreement to Arbitrate in the case of Laurene M. Knox, Personal Representative of the Estate of Jerome Knox, Jr., Deceased, Wayne County Circuit Court Case No. 02-242197 NI, on the following terms and conditions:

- A. 1. The parties shall submit to arbitration all matters in controversy raised in the above-named lawsuit.
2. Plaintiffs shall recover a minimum amount of Two Hundred Fifty Thousand Dollars (\$250,000.00).

The maximum amount of any award to the Plaintiffs shall not exceed the amount of the sum of Two Million Dollars (\$2,000,000.00).

shall be interpreted to be in the amount of \$2,000,000.00.

There shall be no costs, fees, attorney fees or interest taxable with respect to the award rendered by the arbitrators.

The award of the arbitrators shall represent a full and final settlement of any amounts due and owing to Plaintiffs for any and all claims arising out of the incident which occurred on or about December 31, 2000-January 1, 2001 at or near McGraw Street near West Grand Blvd., Detroit, Michigan. However, limited judicial review may be obtained in a Michigan Federal District Court of competent jurisdiction (a) in accordance with the standards for review of arbitration awards as established by law; or (b) on the ground that the arbitrators committed an error of law.

B. Promptly after the arbitrators announce their decision, the Law Department shall inform City Council in writing of that decision.

C. Upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay part or all \$2,000,000.00 to the Plaintiffs, the Finance Director is authorized to issue a draft drawn upon the proper account in favor of Laurene M. Knox, Personal Representative of the Estate of Jerome Knox, Jr., Deceased, and her attorney, Karri Mitchell, in the amount of the arbitrators' award, but said draft shall not be less than Two Hundred Fifty Thousand Dollars (\$250,000.00) and shall not exceed Two Million Dollars (\$2,000,000.00).

Re: Darryl Colbert vs. City of Detroit and Phillip O'Neil. Case No.: 03-305205-NI. File No.: A20000-001944 (TBA).

On March 17, 2004, a case evaluation panel evaluated the above-captioned lawsuit and awarded Seven Thousand Five Hundred Dollars (\$7,500.00) in favor of Plaintiff. The parties have until April 14,

particulars of this lawsuit, forth in a confidential memo being separately hand-delivered to a member of your Honorable Commission. My considered opinion that a case evaluation award is in the best interest of the City of Detroit.

We, therefore, request your City Council Body to authorize acceptance of the case evaluation award; and, in the event Plaintiff accepts the award, to have the acceptance as a settlement of the lawsuit. The Finance Director to issue a check in the amount of Seven Thousand Five Hundred Dollars (\$7,500.00) payable to Darryl Colbert, Posner and Posner, attorneys for Plaintiff. The check to be delivered upon the properly executed Release and Stipulation and Order of Dismissal entered in Lawsuit No. 03-305205-NI, approved by the Law Department.

Honorable City Council:

Re: 4623 Oregon. Emergency Demolition.

The building at the above location was recently found to be extensively fire damaged and structurally unsafe to the point of near collapse.

Our records indicate that this building was ordered removed by Council on February 12, 2002.

It is our opinion that there is an actual and immediate danger affecting the health, safety and welfare of the public. Therefore, under the authority of Ordinance 290-H, we are taking emergency measures to have this building or portions thereof removed with the cost assessed against the property.

By copy of this letter, we will notify all utility companies to immediately start utility disconnects.

Respectfully submitted,
AMRU MEAH

In response to the request for a deferral of the demolition order noted above, we submit the following information:

A special inspection on March 22, 2004 revealed the building is structurally sound and appears to be sound and ready for rehabilitation.

The owner has paid the taxes due as of March 22, 2004.

The proposed use of the building is for rehabilitation and sale.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be securely barricaded until rehabilitation work is complete. All relevant permit application work shall be obtained and approved prior to the start of work. Work is to be complete within three (3) months, at which time the owner shall obtain one of the following from the department:

- Certificate of Acceptance for building permits
- Certificate of Approval from the Housing Inspection Department
- Certificate of Inspection for all residential rental properties

2. The owner shall not occupy the structure until a Certificate of Occupancy (as outlined in #1 above) is obtained.

3. The yards shall be maintained free of weeds, junk and debris at all times.

At the end of the deferral period, the owner must contact this department to arrange an inspection to determine if the conditions of the deferral have been met or that substantial progress towards rehabilitation has been made. If the building becomes open to trespass during the deferral period, the deferral will proceed with demolition without further hearings. We recommend that all utility disconnect actions cease until the progress of the rehabilitation is complete.

In October, 2003, Kathleen Wendler of the Southwest Detroit Business Association (SDBA) sent a letter to your Honorable Body raising numerous concerns about CSX's plans to create a new main access gate for its expanded inter-

drive/gate just west of the Dix/Waterman/Wernor intersection without the need for a new driveway permit from the City, and 2) develop a new drive/gate just east of the intersection requiring a permit from the City. The SDBA contends a gate along West Vernor of Dix would negatively impact its community and favors access to the yard be provided from the east along Livernois or from the west closer to Wyoming. Regarding the Dix/Waterman/West Vernor intersection, City Planning Commission (CPC) staff, the Department of Public Works (DPW) Traffic Engineering Division (which is charged with issuing new driveway permits), and CSX agree that having a new driveway east of the intersection would be much safer than a driveway west of the intersection.

On February 6, 2004, City Council held a hearing to review the proposed project and discuss the SDBA's concerns. At the end of the discussion, Ms. Wendler and a CSX representative agreed to meet to work toward resolving the situation. Ms. Wendler requested that the City not issue any permits until an expedited review of the existing options was completed and there was agreement to explore longer-term solutions. Also, it was noted that State Representative Steve Tobocman was also working to have MDOT (which is providing a \$4 million forgivable loan for the project) assist in resolving the dispute. From the discussion, it was clear that the Council Members present favored the Traffic Engineering Division not issuing any permit until the various parties worked toward a resolution.

After the Council discussion, the Traffic Engineering Division indicated it would not issue a new permit to CSX unless City Council supported such action.

In the weeks since the Council discussion, SDBA and CSX have agreed to a number of steps toward exploring longer-term solutions for a different gate location. However, SDBA indicates it will not support a new permit being issued unless it is provided with a process, identification of potential funding, and a timeline including the maximum number of months that the truck gate would remain open at the subject intersection. In response, CSX has not been able to identify potential funding sources and cannot commit to the number of months the gate would be open. CPC staff understands that Representative Tobocman is still working to have MDOT assist with resolving this dispute.

CSX insists if the City does not issue a permit by early April, 2004 (because the

Honorable City Council:

Re: Request of Hardy and Sons Sign Service, Inc. to erect a business sign at 460 W. Fort in a PCA (Restricted Central Business District) zoning district (Recommend Approval).

Hardy and Sons Sign Service, Inc. is requesting a permit to erect a business sign at 460 W. Fort. This property is located in a PCA (Restricted Central Business District) zoning district. PCA zoning districts are located in close proximity to the Public Center District and the controls of the PCA district are designed to prevent uses and structures from having a deleterious effect on the public center of the city. Section 113.0200 of the Zoning Ordinance requires City Council approval of the location and design of any sign proposed in a PCA district after receiving a report and recommendation from the City Planning Commission.

The proposed sign would be installed on the site of the existing gas station and would replace the sign currently located on the 14 foot tall pole near the northeast corner of W. Fort and First Street. The existing sign is 10 feet high by 6 feet wide, 60 square feet, and contains a "BP" logo and gas prices. The new sign would be six feet tall by 8 feet wide, 48 square feet, and would display a "Citgo" logo, gas prices and a credit card panel (see attached illustration). The sign face would be plastic and illuminated.

City Planning Commission staff has reviewed the proposal and illustration related to the proposed sign and finds that it is appropriate for the PCA district. The proposed sign is smaller than the existing sign and the total signage at the site conforms to the City's business sign ordinance. We further find that the location and design of the proposed sign would be consistent with the spirit, purpose and intent of the PCA district. We, therefore, recommend approval of the location and design of the sign and submit the

Whereas, The City Planning Commission staff has reviewed the location and design of the proposed sign and finds that they are consistent with the spirit, purpose and intent of the district as indicated in the foregoing communication;

Now, Therefore Be It Resolved, That the Detroit City Council hereby approves the location and design of the proposed sign as described in the forgoing communication from the City Planning Commission staff and as presented in the plans drawn by Hardy and Sons Sign Service, Inc. and submitted to the City Planning Commission office on March 31, 2004.

Re: Acceptance of Donated Equipment

The Henry Ford Health System and the American Heart Association have graciously bestowed upon the Detroit Fire Department four (4) Automatic External Defibrillators (AED), extra batteries and electrode pads, valued at \$38,400.00.

If approved, the equipment will be assigned to a basic EMS unit, thereby increasing the capability of first responders. The acceptance of the defibrillators will bring our department closer our goal of having a Public Access Defibrillation program strategically place defibrillators in locations occupied by City of Detroit employees trained to use the equipment. This would further increase the safety of our victims of sudden cardiac arrest.

Re: Request approval to accept a
Homeland Security Overtime
Program Grant Award from the
United States Department of Justice.
The Detroit Police Department has
been awarded a grant from the United
States Department of Justice for the
Homeland Security Overtime Program.
Pursuant to the guidelines set forth in the
application, the Detroit Police Department
applied for \$2,906,435.00 with a 25%
cash match of \$968,812.00.

The funds will be allocated to pay Non-
Supervisory Personnel overtime during
homeland security training sessions and
other law enforcement activities that are
designed to assist in the prevention of
acts of terrorism and other violent and
drug related crimes.

Ms. Hasumati Patel, Manager II,
Financial Operations has reviewed the
request and indicated that the 25% cash
match will be included in the 2004-2005
budget. Deputy Chief Ronald Haddad,
Customer Service Zone East is the
Project Director. The overtime grant was
awarded for a one-year period commencing
September 1, 2003 through August
31, 2004.

The Board of Police Commissioners
has approved this grant award. Therefore,
it is respectfully requested that Council
adopt the attached resolution authorizing
the City of Detroit to participate in this
Homeland Security Overtime Program.

Honorable City Council:

Re: Request permission to accept the Alcohol and Seatbelt Grant from the Michigan Office of Highway and Safety Planning.

The Eleventh Precinct Traffic Enforcement Unit is requesting permission to accept a continuation grant with the Michigan Office of Highway and Safety Planning. The project is entitled "Drive Michigan Safety Task Force."

If awarded, the grant will be for a period of one-year commencing October 1, 2003 to September 30, 2004, and is renewable based on prior enforcement. The (M.I.O.H.S.P.) grant will pay overtime for officers' salaries. The total budget for this grant is \$89,747.00. There is no cash match required by the City of Detroit.

The grant will establish specified dates to curb drinking and driving violations and to enforce the State of Michigan's drunk driving and seat belt laws. The goal of the grant project is to saturate a particular area during peak events within the boundaries of the Eleventh Precinct. Commander Robert Dunlap of the Eleventh Precinct will be the Project Director. The enforcement strategy will utilize the personnel of the Eleventh Precinct Traffic Unit.

Due to time constraints of the online acceptance process, the award was accepted and re-submitted to the Michigan State Police Office of Highway Safety Planning, pending approval of the City Council.

I am requesting that the Detroit Police Department's Eleventh Precinct Traffic Unit be allowed to accept the grant award.

RESOLUTION FOR

A DECREE OF PROCLAIMING DETROIT, A CITY OF PEACE, NONVIOLENCE AND PROSPERITY

By COUNCIL PRESIDENT MAHAFFEY:

WHEREAS, The United Nations has proclaimed the decade 2001-2010 as the "International Decade for Culture of Peace and Nonviolence for Children and the World"; and every Nobel Peace Prize Laureate has appealed for a response from the world, and

WHEREAS, The United States, although stating its policy to be a peaceful nation, seems regularly to be involved in military conflict and building new weapons of mass destruction with the prospect of "endless war" being fought by soldiers that are often disproportionately children, people of color, and/or poor, and

WHEREAS, Detroit has many temples, churches, synagogues, mosques, spiritual centers, public and private schools, plus educational centers for lifelong learning, where thoughts, prayers and conversations about peace are prevalent motivation for gathering, and

WHEREAS, We urge every organization in the city to work vigorously through curriculum-based, community building and non-violence in every school. We support governing non-violence and peace with justice as operating principles. The collaboration of temples, churches, synagogues and mosques along with citizens in the home, workplace, community and recreational facilities in Detroit will cause an emergence toward making this city a model for peace, nonviolence and prosperity in the world, and

WHEREAS, As guardians of the future, the Detroit City Council vows to inspire the teaching of peace, nonviolence and prosperity principles and practices to our children and youth by direct example. NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council hereby officially proclaim that

COMMUNICATION Finance Department Debt Management

April 7, 2004

Honorable City Council:

Re: Resolution Authorizing the Issuance and Sale of a Sewage Disposal System Revenue Bond to the Michigan Municipal Bond Authority, of Junior Standing to the City's Sewage Disposal System Revenue and Revenue Refunding Bonds now outstanding.

The attached Resolution authorizes the issuance and sale of approximately \$45 million of Sewage Disposal System Revenue Bonds for the purpose of defraying part of the cost of acquiring and constructing repairs, extension and improvements to the City's Sewage Disposal System Capital Program.

This financing is for participation in the Michigan Municipal Bond Authority's Clean Water Revolving Fund 3th Quarter Financing, to take advantage of the Authority's lower cost of borrowing.

It is anticipated that the sale will occur in late June. Bond Counsel has prepared the attached Resolution and I recommend its adoption by your Honorable Body, with waiver of reconsideration, at your next formal session.

Respectfully submitted,
SEAN K. WERDLOW
Chief Financial Officer

To finance all or a portion of the Projects, including costs of the Series 2004-SRF1 Bond, the Series 2004-SRF2 Bond, and the Series 2004-SRF3 Bond (the Series 2004-SRF2 Bond and the Series 2004-SRF3 Bond collectively "Series Bonds" and collectively "Bonds") the DWSD has recommended be issued in accordance with Public Acts of Michigan, Act 94, ("Act 94"), in the stated amount of up to the amount of the DWSD Estimated Cost and Michigan Municipal Bond Authority ("Authority") as part of the Capital Fund program; and

Pursuant to the requirement 33 of Act 94 (MCLA 207.100) notice of intent to issue the Bonds is required in that the Bonds are required to comply with a permit issued by a state or federal agency of jurisdiction to prevent or limit the impact on the environment; and

All things necessary to the preparation and issuance of the Bonds in accordance with the constitution and laws of the State of Michigan, including Act 94 and the rules and regulations thereunder, have been or will be necessary for the issuance and delivery of the Bonds. The City Council of the City of Detroit is now empowered and authorized to authorize the issuance of the Bonds and the sale thereof to the Authority pursuant to the Bond Ordinance as amended; and

The Finance Director of the City is authorized to sell the Bonds to the Authority pursuant to the terms of the Purchase Contract between the City and the Authority; and

In connection with the sale of the Bonds to the Authority, the City shall enter into a Supplemental Agreement between the City, the Authority and the State of Michigan acting by and through the Department of Environmental Quality to deliver an Issuer's Certificate to the Authority; and

The Council desires to direct the Mayor and the Finance Director, each acting along, to do all such actions and applications and filings with

the Bond Ordinance and this Resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL THAT:

Section 1. Definitions. Whenever used in this Resolution, including the recitals hereto, capitalized terms not defined herein shall have the meanings assigned thereto in the Bond Ordinance. Except when otherwise indicated by the context, the following terms when used in the Bond Ordinance or in this Resolution shall have the following meanings:

"DEQ" means the State of Michigan acting by and through its Department of Environmental Quality.

"DEQ Order" means an Order of the DEQ authorizing the financing of improvements to the System pursuant to Part 53 of Act 451 of 1994 of Michigan Public Acts, as amended.

"DWSD Estimated Cost" has the meaning given to such term in the preamble hereto.

"Interest Payment Date" means, with respect to the Bonds, April 1 and October 1 of each year, or such other dates as may be set forth in the DEQ Order or the Purchase Contract for the Bonds.

"Issuer's Certificate" means the issuer's certificate required by the Authority pursuant to the Purchase Contract.

"Maximum Bond Amount" means the maximum amount of the DWSD Estimated Cost for that Project.

"Purchase Contract" means the Purchase Contract between the City and the Authority for one or more Series Bonds.

"Project" has the meaning given to such term in the preamble hereto.

"Series 2004-SRF1 Bonds" means the Bonds authorized by this Resolution bearing the designation "Series 2004-SRF1" and issued to finance Project A.

"Series 2004-SRF2 Bonds" means the Bonds authorized by this Resolution bearing the designation "Series 2004-SRF2" and issued to finance Project B.

"Series 2004-SRF1 Construction Sub-Account" means a sub-account of the Construction Fund established in accordance with Section 18 of the Bond Ordinance and under Section 8 of this Resolution, relating to the costs of the acquisition and construction of Project A to be paid with the proceeds of the Series 2004-SRF1 Bond.

"Series 2004-SRF2 Construction Sub-Account" means a sub-account of the

2004-SRF2 Bond

“Series 2004-SRF3 Construction Sub-Account” means a sub-account of the Construction Fund established in accordance with Section 18 of the Bond Ordinance and under Section 8 of this Resolution, relating to the costs of the acquisition and construction of Project C to be paid with the proceeds of the Series 2004-SRF3 Bond.

“Supplemental Agreement” means any Supplemental Agreement among the City, the Authority and DEQ, entered into in connection with the issuance and sale of one or more Series Bonds.

“Transfer Agent” means the City; however, if the Bonds shall be held by a party other than the Authority, the City may designate another Transfer Agent to serve as Transfer Agent for such Bonds.

Section 2. Necessity, Public Purpose. It is hereby determined to be necessary for the public health, benefit and welfare of the City to acquire, construct, and undertake the Projects, and the Projects are hereby approved and accepted.

Section 3. Estimated Costs and Period of Usefulness of Projects. The DWSD Estimated Cost of each Project, including expenses incidental to each Project and its financing, specified in Section 4 hereof, is hereby approved and confirmed, and the period of usefulness of each Project is estimated to be not less than 40 years.

Section 4. Bonds Authorized; Issuance of Bonds; Incorporation of the Bond Ordinance.

(a) To pay all or a part of the costs of each Project, including payment of legal, financial, printing and other expenses incident thereto and incident to the issuance and sale of the Bonds, payment of capitalized interest, if necessary and permitted by the State Revolving Fund Program, the City shall borrow a sum of not to exceed the Maximum Bond Amount for each Series Bond and issue the Series Bond therefor pursuant to Act 94 and the Bond Ordinance.

(b) The Bonds shall be issued as SRF Junior Lien Bonds under the Bond Ordinance, and shall be of junior standing and priority of lien and secured on a subordinate basis to Senior Secured Obligations, and Senior Subordinated Bonds, any other Junior Subordinated Bonds which may be issued under the Bond Ordinance with a higher priority of lien on Net Revenues than that granted the SRF Junior Lien Bonds, and the Ancillary Obligations related to each of the

program, and to pay as described above. The balance of the Projects and the expenses and deposits shall be the proceeds of additional issued under the Bond Ordinance and moneys of the System and legally available therefrom. Moneys are hereby appropriated.

(d) Except as otherwise provided in the Bond Ordinance, all of the provisions of the Bond Ordinance shall apply to the same as though set forth in the Bond Ordinance. The purpose of this Resolution, the purpose of this Resolution, being to supplement the Bond Ordinance to authorize the issuance of Senior Lien Bonds as herein provided. The purpose herein set forth, such as authorized by Bond Ordinance, conditions therein stated, which have been fully met or will be met prior to the issuance of the Bonds.

Section 5. Bond Details: Series Registration, Exchange, and Transfer of Bond.

(a) The Bonds for Project A shall be designated SEWAGE DISPOSAL SYSTEM SRF JUNIOR LIEN REVENUE BONDS, SERIES 2004-SRF1; the Bonds for Project B shall be designated SEWAGE DISPOSAL SYSTEM SRF JUNIOR LIEN REVENUE BONDS, SERIES 2004-SRF2; and the Bonds for Project C shall be designated SEWAGE DISPOSAL SYSTEM SRF JUNIOR LIEN REVENUE BONDS, SERIES 2004-SRF3. The Bonds shall bear such alternative designation as determined by the Finance Director, subject to the Bond Ordinance.

(b) The Bonds for each Project shall be issued in the Maximum Bond Amount for that Project, or such lesser amount as shall be set forth in the Debt Purchase Contracts, and shall be payable as to principal on such date as set forth in the related Debt Purchase Contract for the Bonds; provided, however, that the maximum amount of interest and principal due in any Fiscal Year (whether by reason of Mandatory Requirements) on all securities issued under the Bond Ordinance shall not exceed the amount permitted by the Bond Ordinance. The Bonds shall be payable in the manner as interest thereon shall be paid on the payment date set forth above.

(c) The Bonds shall bear an interest rate of 2.5% per annum, or such interest rate as shall be set forth in the related DEQ Orders

Transfer Agent; provided, at the written request of the other registered owner of at least 100 principal amount of the Bonds, the request may provide that it shall take effect with respect to the Interest Payment Dates until changed or revoked at least 30 days prior to an Interest Payment Date by written notice to the Transfer Agent. Interest shall be paid by the Transfer Agent or other immediately available agent acceptable to the Transfer Agent in the City. Except as hereinafter provided, the principal on the Bonds shall be payable to the registered owner of record as of the 15th day of the month immediately preceding any Interest Payment Date. The date of determination of ownership for purposes of interest as provided in this Resolution may be changed by the City to conform to market practice in the future.

Notwithstanding any other provision of this Resolution, so long as the Authority is the owner of the Bonds, (a) such Bonds shall be payable as to principal, premium, if any, and interest at the corporate trust established by One Trust Company, NA, or its successor in place as shall be designated by the City by the Authority (the "Trust Depository"); (b) the City shall cause it will deposit with the Trust Depository payments of the principal, premium, if any, and interest on such Bonds in immediately available funds within five (5) business days prior to the date on which any such payment is due, whether by maturity, redemption or otherwise; and (c) such Bonds may be redeemed prior to maturity at the option of the Transfer Agent at the prices, in the manner and under the conditions set forth in Exhibit A.

The Bonds shall be dated June 24, 2014, or other date as provided in the Resolution, and shall be issued as a single, fully paid and non-interest bearing Series Bond for each authorized denomination of \$100,000, subject to the transfer requirements of this Resolution. The authorized denominations of the Bonds shall be multiple thereof.

The Bonds shall be waived by any registered owner of the Bonds and to be redeemed, official notice of such Bond shall be given by the Transfer Agent on behalf of the Authority. The notice shall be dated and shall specify at a minimum the following information: complete official name of the Bond; the series; original issue date; the principal amount; interest rate; the date of maturity; the date of redemption; the redemption date;

the Bond or portions thereof called for redemption shall cease to accrue from and after the redemption date if moneys are on hand with the Transfer Agent to redeem the Bonds or portions thereof called for redemption.

In addition, further notice shall be given by the Transfer Agent in such manner as may be required or suggested by regulations or market practice at the applicable time, but no defect in such further notice nor any failure to give all or any portion of such further notice shall in any manner affect the effectiveness of a call for redemption if notice thereof is given as prescribed herein.

Section 6. Payment of Bonds. The Bonds and the interest thereon shall be payable solely from the Net Revenues, and to secure such payment, the statutory lien upon the whole of the Net Revenues created in the Bond Ordinance, subject to the prior lien thereon of Senior Secured Obligations, Senior Subordinated Bonds, any other Junior Lien Bonds which may be issued under the Bond Ordinance with a higher priority of lien on Net Revenues than that granted the SRF Junior Lien Bonds, and the Ancillary Obligations related to each of the foregoing, is hereby confirmed in favor of the Bonds.

The obligation of the City to pay the principal of and interest on the Bonds shall continue until such payment in full has been made or until sufficient cash or sufficient Government Obligations shall have been deposited in trust for payment in full of the principal of and the interest on the Bonds to be defeased to its maturity, or, if called for redemption, to the date fixed for redemption, together with the amount of the redemption premium, if any. Upon deposit of cash or sufficient Government Obligations, as provided in the previous sentence, the statutory lien herein referred to shall be terminated with respect to the Bonds for which such deposit was made, and, the holders of such Bonds shall have no further rights under this Resolution except for payment from the deposited funds and registration and replacement of bonds and such Bonds shall no longer be considered to be outstanding under the Bond Ordinance and this Resolution.

Section 7. Funds and Accounts; Flow of Funds. Except as otherwise provided in this Resolution, all of the provisions relative to funds and accounts, their maintenance, the flow of funds and other details relative thereto, shall remain as specifically set forth in the Bond Ordinance.

Section 8. Bond Proceeds.

for the amount so deposited against the amount required to be deposited in such fund for payment of the next maturing interest payment on the related Series Bond.

(b) The balance of the proceeds of the sale of each Series Bonds, as received, shall be deposited in the respective Construction Sub-Account. These sub-accounts shall be established and maintained as separate depository accounts in accordance with the Bond Ordinance. Moneys in the Construction Sub-Account shall be applied solely in payment of the costs of the related Project, and any engineering, legal, financial or printing costs, and other expenses incident thereto and to the financing thereof. Payments for construction, either on account or otherwise, shall not be made unless the registered engineer in charge of such work shall file a signed statement with the Commissioners to the effect that the work has been completed in accordance with the plans and specifications therefor, that it was done pursuant to and in accordance with the contract therefor, that such work is satisfactory and that such work has not been previously paid for. Payment of the costs of engineering, legal, financial, printing and other costs of issuance with respect to the Bonds as provided in this section shall be made upon submission of appropriate documentation to the Finance Director of the City.

(c) Any unexpended balance remaining in the Construction Sub-Account after completion of the related Project may, with the prior approval of the Authority and at the discretion of DWSD, be used for further improvements, enlargements, and extensions to the System if, at the time of such expenditure, such use is approved by the Michigan Department of Treasury, Municipal Finance Division, if such permission is then required by law, and if such use will not, in the opinion of nationally recognized bond counsel, impair the exclusion of interest on the Bonds from gross income for federal income tax purposes. Any remaining balance after such expenditure shall, with the prior approval of the Authority, be paid into the Redemption Fund for the purpose of redemption or purchase, at not more than the fair market value, of the outstanding Bonds or portions thereof. Bonds acquired by purchase shall be canceled and shall not be reissued.

Section 9. Bond Form. Each Series Bonds shall be in substantially the form set forth in Appendix A hereto, with additions appropriate for the respective Series

covenants with and under the authority of the Authority and any other regulatory body of the Bonds that so long as the principal thereof remains outstanding, the Authority shall, to the extent permitted by law, take all actions within its control to protect and will refrain from taking any action which would impair, the exclusion of interest on the Bonds from gross income for federal income tax purposes under Internal Revenue Code Section 141, as amended (the "Code"), insofar as the Code is limited to actions relating to the rebate of arbitrage earnings and the expenditure and investment of the proceeds and moneys deemed to be the proceeds of the related Series Bonds, to prevent the Bond from being treated as a "private activity bond" as defined and used in Section 141 of the Code.

Section 11. Act 34 Compliance. The Mayor and the Finance Director, each acting alone or jointly, and directed to do all such actions and make all filings with the Michigan Department of Treasury as may be necessary or appropriate to comply with the Public Acts of 2001, as amended, having precedence over or in conflict with any ordinance, resolution, or order of issuance, sale, and delivery of the Bonds.

Section 12. Finance Director's Powers. During the Finance Director's absence or disability, or while the Finance Director's position is vacant, the Finance Director shall exercise all the powers, perform all the duties, and make all the determinations hereunder permitted with respect to the Bonds.

Section 13. Execution of Bonds. The Mayor and the Finance Director, each acting alone or jointly, may, by authorized and directed signature, execute each Series Bond by manual signature for and on behalf of the City either by manual signature or by facsimile, and to deliver the Bond to the Authority upon the conditions set forth in the Purchase Contract.

Section 14. Sale of Bonds. Each Series Bond shall be sold to the Authority pursuant to the related Purchase Contract. The Purchase Contract and Supplemental Agreement, and the Issuer's Certificate for each Series Bond in the forms on file with the Finance Director are hereby approved by the Mayor, the Finance Director, and the Finance Director of DWSD or their

Finance Director shall be necessary or desirable. The terms of the Purchase Supplemental Agreements and Certificates shall be the final forms thereof.

Section 18. Authorization of Other Mayor, City Clerk, Finance Director, Corporation Counsel, City Engineer, DWSO, other officials of the City, and their assistants, or any of their employees, or any other person authorized to execute such certificates, documents, contracts, and other papers deemed necessary or appropriate to complete the sale, execution and delivery of the Bonds as determined by the Finance Director. Any actions heretofore taken by any persons in furtherance of this Resolution are hereby ratified and con-

Section 19. Declaration of Official Finance Director makes the following declaration for the purpose of complying with the provisions of the Code: That the City plans to finance the Project through the issuance of related bonds in an amount not to exceed the Bond Amount.

The Finance Director hereby certifies that the City is authorized to reimburse itself from the proceeds of each Series Bond for the amount made or to be made for the Project. The maximum aggregate principal amount of each Series Bond expected to be issued for the related Project is the Bond Amount for that Series.

Payments to be made for the Project shall be borrowed from the Bond Proceeds and Extension Fund of the Sewage Disposal System Fund, and shall be reimbursed upon the proceeds of each Series of Bonds.

Resolution Constitutes a **Interpretation; Modification.** The provisions of this Resolution shall constitute a contract between the City and the registered owner of a Bond. The provisions of this Resolution shall be interpreted liberally in order to effect the purposes of the Bond. This Resolution is subject to Act No. 94, the Shared Credit Act, Act No. 227, Public Acts of 1995, as amended, which create the Senior Lien Revenue Bond, and the State Clean Water Act, Act No. 317, Public Acts of 1988, as amended. The provisions of this Resolution, including, but not limited to, provisions with respect

to the consent of the holders of Securities of higher priority outstanding under the Bond Ordinance, so long as such modifications do not prejudice such holders of Securities of higher priority.

Section 18. Repeal; Savings Clause. All other ordinances, resolutions or orders, or parts thereof, in conflict with the provisions of this Resolution are, to the extent of such conflict, hereby repealed.

Section 19. Severability; Paragraph Headings; Conflict. If any section, paragraph, clause or provision of this Resolution shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Resolution. The section headings in this Resolution are furnished for convenience of reference only and shall not be considered to be part of this Resolution.

Section 20. Publication and Recordation. This Resolution shall be published in full in the *Detroit Legal News*, a newspaper of general circulation in the City qualified under State law to publish legal notices, promptly after its adoption.

Section 21. Effective Date. This Resolution shall be effective immediately.

REGISTERED OWNER: Michigan Municipal Bond Authority
PRINCIPAL AMOUNT: ****\$_____****
The City of Detroit, Wayne County, Michigan (the "Issuer") for value received, hereby promises to pay, to the Michigan Municipal Bond Authority (the "Authority"), out of the hereinafter described Net Revenues of the Issuer's Sewage Disposal System, the principal amount of _____ Dollars (\$_____) or so much thereof as shall have been advanced to the Issuer pursuant to the Purchase Contract between the Issuer and the Authority dated as of _____, 20____ and a Supplemental Agreement by and among the Issuer, the Authority, and the State of Michigan, acting through the

percent (2.50%) per annum until paid. Interest is first payable on ____1, 20__ and semiannually on each ____1 and ____1 thereafter, and principal is payable on the first day of _____, commencing _____1, 20__ (as identified in the Purchase Contract) and annually thereafter, in the principal installments indicated on the Payment Schedule attached as Appendix A hereto, unless prepaid prior thereto as hereinafter provided. The bond is payable as to principal, premium, if any, and interest at the corporate trust office of Bank One Trust Company, NA, or to such other place as shall be designated in writing to the issuer by the Authority (the "Authority's Depository").

This bond may be subject to redemption prior to maturity by the Issuer only with the prior written consent of the Authority and on such terms as may be required by the Authority.

Notwithstanding any other provision of this Bond, so long as the Authority is the owner of this Bond (a) this Bond is payable as to principal, premium, if any, and interest at Bank One Trust Company, N.A., or at such other place as shall be designated in writing to the Issuer by the Authority (the "Authority's Depository"); (b) the Issuer agrees that it will deposit with the Authority's Depository payments of the principal of, premium, if any, and interest on this Bond in immediately available funds by 12:00 noon at least five business days prior to the date on which any such payment is due whether by maturity, redemption, or otherwise; in the event that the Authority's Depository has not received the Issuer's deposit by 12:00 noon on the scheduled day, the Issuer shall immediately pay to the Authority, as invoiced by the Authority, an amount to recover the Authority's administrative costs and lost investment earnings attributable to that late payment; and (c) written notice of any redemption of this Bond shall be given by the Issuer and received by the Authority's Depository at least 40 days prior to the date on which such redemption is to be made.

In the event of a default in the payment of principal hereof or interest hereon when due, whether at maturity, by redemption or otherwise, the amount of such default shall bear interest (the "additional interest") at a rate equal to the rate of interest which is two percent above the Authority's cost of providing funds, (as determined by the Authority) to make payment on the bonds of the Authority issued to provide funds to purchase this bond,

as a consequence of a consequence of the Authority. Such additional interest shall be payable on the interest payment on demand of the Authority. In the event (for reasons other than the failure to make payment of any municipal bonds purchased by the Authority) the amount in the reserve established by the Authority for the purpose of the Authority issued to provide funds to purchase this bond fails to provide for the available funds (together with any other funds which may be made available for such purpose) to pay the interest on the outstanding bonds of the Authority, the Issuer, by this fund such account, the Issuer hereby agrees to pay on demand of the Issuer's pro rata share (as determined by the Authority) of such deficit plus additional interest on this bond.

During the time funds are not available to the Issuer under the terms of this Authority will periodically provide the Issuer a statement showing the amount of principal that has been advanced and the date of each advance, which shall constitute prima facie evidence of the reported information; provided that in the event of a failure on the part of the Authority to provide such a statement or to make a payment or to reimburse or the correct amount of principal shall constitute prima facie evidence of the reported information; provided that the obligation to repay the outstanding principal amount actually advanced plus accrued interest thereon, and any other amount payable with respect to this bond in accordance with the terms of this bond. Capitalized terms not defined herein shall be defined in the hereinafter. The terms and conditions of this Ordinance are used hereinafter as defined.

For the prompt payment of principal and interest on this bond, the Authority of the Sewage Disposal System of the City (the "System"); including the principal, interest, penalties, extensions and other charges thereon, after provision has been made for a reasonable and necessary fund for the operation, maintenance and repair of the System (the "Net Revenues"), and the Authority pledged and a statutory lien shall be recognized and created. The bonds in this series are of equal standing and priority of lien on Net Revenues of the Authority. SRF Junior Lien Bonds issued by the Authority in accordance with the Bond Ordinance and are of junior standing to all other bonds of lien as to Net Revenues, and are a subordinate basis, to all Senior Bonds and Obligations, Senior Subordinated Bonds heretofore and hereafter issued by the Authority and in accordance with the Bond Ordinance, and such Junior

PROJECT A

PROJECT NO. 5204-05

The Project, renovation of the Cryogenic plant, includes, but is not necessarily limited to, the following:

Rehabilitation of the existing T-180 and T-400 plants and installation of a new oxygen pipeline. The pipeline will consist of a 6" diameter, 4,800 lineal foot pipeline from the Praxair facility in Ecorse to the DWSD wastewater treatment plant. The facility will include a metering station and appropriate fittings and flanges, as well as controls which will allow the vendor's chemical supply to be coordinated with the on-site cryogenic plant output. Permits and rights-of-way will be secured for the pipeline route which will include a crossing of the Rouge River, and a railroad crossing, as well as connections to the existing oxygen delivery piping network at the wastewater treatment plant premises.

Renovation of the T-180 and T-400 cryogenic plant will include architectural, structural, geotechnical, HVAC, instrumentation and controls, electrical, and process/mechanical work. The project will include improvements to the main air compressor, air surge tank, heat exchanger, expansion turbine, cold box, safety valves, cooling tower, thaw heaters, LOX storage and drain vaporizer. Electrical power systems will be upgraded and/or replaced including substation switchgear, on-site lighting, and power and control conduits. The obsolete instrumentation and control panel will be replaced with a new Westinghouse OCS to provide all programming and graphics for the facility and new OCS operator work stations to interface with the PC-713 data system. The HVAC renovation will include suspended in-room electric heating, and refrigerant cooling coil and filter with an air-cooled condensing unit on the roof. Exhaust fans and motorized dampers will be equipped with interlocks. Site improvements will include minor structural work on the facility and refurbishment of damaged metal wall panels on the electrical substation building, as well as replacement of the concrete slab on the Southwest side of the liquid storage tank.

PROJECT B

PROJECT NO. 5206-06

The Project, Rehabilitation of the Complex I Belt Filter Presses, includes, but is not necessarily limited to, the following:

Rehabilitation of the existing belt filter presses to replace the existing dewatering equipment, including bearings, drums,

convey the cake to any of the silos. One or two of the existing presses may need to be replaced to accommodate the new equipment. The pumping facilities, with the layout to be established as the constraints are determined in the next phase. This project will include the connection to Belt No. 1 to convey the storage bins. Miscellaneous electrical work will be included such as supply and exhaust furnaces, some ductwork. New air conditioning will be provided as part of the HVAC improvements. Structural work will be undertaken including the installation of columns in the basement and a concrete floor on the ground level to provide space for the cake pumps. Appropriate structural supports and reinforcements will be provided to accommodate the new equipment on the concrete equipment pads for the pumps. Miscellaneous architectural and electrical renovations will be included to accommodate the rehabilitation of the presses, and instrumentation and control facilities compatible with the new system will be installed.

PROJECT C

PROJECT NO. 5207-07

The work, improvements to the Sludge Collection and Handling System, includes, but is not necessarily limited to, the following:

Renovation of the Sludge Handling Building at the Existing Site. The work includes installation of new sludge concentrators and screw presses along with off-loading pumps. The existing sludge incinerator will be replaced and removed, along with the associated tank. The electrical and instrumentation and control systems will be replaced and updated, including reprogramming of the Westinghouse Ovation System. The equipment to accommodate monitoring and control of the equipment being installed. The instrumentation system will be upgraded and replaced. Miscellaneous civil, structural and electrical improvements will be undertaken to upgrade the facility and provide for safe operation and maintenance. Safety features such as emergency stop buttons will be included, along with fire detection systems and fire extinguishers.

The scope of work for the Sludge Handling Buildings 1-7, and replacement of the existing faced, block structures with new concrete on the existing foundations. The work will include roll-up doors, windows, fiberglass doors, as

Honorable City Council:

Re: Executive Organization Plan. Reassignment of Consumer Affairs Department Functions.

Section 7-102 of the 1997 Detroit City Charter authorizes the Mayor to prepare and subsequently amend an organization plan for the Executive Branch of City government. That plan and its amendments are to be submitted to your Honorable Body and made public. After a public hearing, the City Council is required to approve, recommend modification, or reject the plan within sixty (60) business days. Lacking such action, the plan automatically goes into effect.

This communication is submitted to your Honorable Body setting forth a proposed amendment to the current Executive Organization Plan which would eliminate the Consumer Affairs Department as a City Agency but insure the continuation of all of its functions by:

1. Transferring the responsibilities of the Advocacy Division of the Consumer Affairs Department to the Senior Citizens Department Office of the Consumer Advocate to provide broader information and referral services and continue to mediate consumer complaints, counsel consumers, and offer consumer education services in active collaboration with the Customer Outreach Service Team (COST) will increase citizen access.

2. Transferring the responsibilities of the Licenses and Permits Division of the Consumer Affairs Department, to the Building & Safety Engineering Development Department (BS&E) to utilize B&SE's expertise and experience in the licensing and permit area.

3. Transferring the responsibilities of the Weights and Measures Division of the Consumer Affairs Department to the Fleet Control Unit of the Detroit Police Department, which already enforces traffic laws and regulations and inspects taxicab meter seals.

mandate will continue to be carried out in a more streamlined and efficient manner.

Your Honorable Body's approval of this Executive Organization Plan amendment in advance of the maximum sixty (60) business day time limit will enable us to implement these changes in accordance with the 2004-2005 Executive Budget now before your Honorable Body. Honorable City Council:

Re: Executive Organization Plan Amend-
ment Name Change — Detroit
Health Department to "Department of
Health & Wellness Promotion."

Section 7-102 of the 1997 Detroit City
Charter authorizes the Mayor to prepare
and subsequently amend an organization
plan for the Executive Branch of City gov-
ernment. That plan and its amendments
are to be submitted to your Honorable
Body and made public. After a public
hearing, the City Council is required to
approve, recommend modification, or
reject the plan within sixty (60) business
days. Lacking such action, the plan auto-
matically goes into effect.

This communication is submitted to
your Honorable Body setting forth a pro-
posed amendment to the current
Executive Organization Plan which would
change the name of the Detroit Health
Department to the "Department of Health
& Wellness Promotion." The change is to
reflect the growing need for cities to be
more preventive and proactive in the pro-
motion and protection of the health of its
citizens, and to assist the citizens in meet-
ing modern urban living challenges.
Foremost among the challenges are
poverty, budget deficits on all levels of
government, escalating health care costs,
disproportionately large numbers of unin-
sured citizens, and the need for refocus-
ing the health care system toward access
to coordinated primary and preventive
health care services.

No other changes are made by this
amendment, and no other Departments
are affected.

Your Honorable Body's approval of this
Executive Organization Plan amendment
in advance of the maximum sixty (60)

Honorable City Council:
Re: Executive Organization Plan Amendment Name Change — Detroit Health & Training Department to Department of Workforce Development.

Section 7-102 of the 1997 Detroit City Charter authorizes the Mayor to propose and subsequently amend a plan for the Executive Branch of the City Government. That plan and its amendments are to be submitted to your Honorable Body and made public. After a public hearing, the City Council may approve, recommend modification, or reject the plan within sixty (60) days. Lacking such action, the plan automatically goes into effect.

This communication is being sent to your Honorable Body setting forth the proposed amendment to the Executive Organization Plan to change the name of the Detroit Health & Training Department to the Department of Workforce Development.

Finance Department

March 9, 2004

Honorable City Council:

Re: Request to adopt the Resolution authorizing an Installment Purchase under the existing GE Capital Master Lease Agreement dated February 27, 1998 between the City of Detroit and GE Capital.

We are prepared to proceed with financing the acquisition and installation of copiers to be utilized by City Council, Water and Sewerage, Building & Safety Engineering and Fire Departments. The financing will allow the City to raise approximately \$492,000 for the equipment. While various financing alternatives were considered (including the issuance of bonds), we have determined that the most cost effective option for financing the equipment is through GE Capital Corporation.

The attached Resolution will authorize the City to execute Equipment Schedule No. 012 (also attached) under the existing Master Lease Agreement dated February 27, 1998 between the City and GE Capital.

Adoption is respectfully requested with waiver of reconsideration at your scheduled formal session.

Respectfully submitted,
SEAN K. WERDLOW
Finance Director

providing for the acquisition of 37 leased copiers to the offices of the Department of Water & Department of Building Engineering and the Fire at various locations within "Property"); and

Whereas, It is determined to be necessary and desirable and in the best interest of the City that the acquisition of the Property be financed by an installment contract authorized by the provisions of Act No. 99, Public Act of Michigan, 1933 as amended, specifically by the acquisition of the Property pursuant to an installment contract identified as Lease Agreement (the "Lease Agreement") of February 27, 1998, between the City and GE Capital Public Finance (the "Lessor"), and Equipment Schedule No. 012 to be attached thereto, for the acquisition of the Property, in the aggregate amount not to exceed \$492,000, as set forth in "Schedule" and together with the Lease Agreement collectively the "Contract");

Whereas, The aggregate amount of the balance, exclusive of interest, of the purchases made by the City pursuant to the Contract, 1999, including the Contract, shall not exceed 1-1/4% of the taxable value of the real and personal property in the City of Detroit;

Now, Therefore, Be It Resolved:

1. It is hereby found to be necessary and desirable for the City of Detroit to acquire the Property in the aggregate amount not to exceed \$492,000, pursuant to the terms and conditions of the Contract.

2. (a) The Lease is hereby confirmed. The Schedule shall be delivered on the date of delivery thereof and the rate on the interest portion of the payments to be made by the City pursuant to the Contract shall not exceed 1-1/4% per annum as shall be determined by the Finance Director at the time of the acquisition and delivery thereof. The payments shall be payable in rental payments consisting of both a principal and interest portion, on such dates and in such amounts as shall be determined by the Finance Director as set forth in the Schedule at the time of execution and delivery thereof. The aggregate principal amount shall not exceed \$492,000 as shall be determined by the Finance Director at the time of execution and delivery thereof; and the payments shall be made on such dates and in such amounts as shall be determined upon the payment of a pre-

Honorable City Council:
Re: Robert Brosowski v City of Detroit,
Department of Public Works. File
No.: 13533 (AJ).

We have reviewed the above-capi-
tioned lawsuit, the facts and particulars of
which are set forth in a confidential attor-
ney-client privileged memorandum that is
being separately hand-delivered to each
member of your Honorable Body. From
this review, it is our considered opinion
that a settlement in the amount of Fifty-
Nine Thousand Dollars (\$59,000.00) is in
the best interest of the City of Detroit.

We, therefore, request authorization to
settle this matter in the amount of Fifty-
Nine Thousand Dollars (\$59,000.00) and
that your Honorable Body authorize and
direct the Finance Director to issue a draft
in that amount payable to Robert
Brosowski and his attorney Andrea
Hamm, to be delivered upon receipt of
properly executed Releases and Order of
Dismissal in Workers Compensation
Claim #13533, approved by the Law

Re: Altha Coleman and Bonnie Coleman v City of Detroit. Case No.: 03-315603-NO. File No.: A19000-002638 (DB).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of One Hundred Fifty Thousand Dollars and No Cents (\$150,000.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of One Hundred Fifty Thousand Dollars and No Cents (\$150,000.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Liss & Shapero, attorneys, and Altha Coleman and Bonnie Coleman, to

ral of the demolition order on the property noted above, we submit the following information:

A special inspection on March 22, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of February 9, 2004.

The proposed use of the property is rehabilitation and sale.

Therefore, it is recommended that the demolition ordered be deferred for a period of three (3) months subject to the following conditions:

1. A permit for rehabilitation work shall be obtained within 30 days.

2. The building shall be maintained securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties

3. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined in #2 above).

4. The yards shall be maintained clear of weeds, junk and debris at all times.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been met or that substantial progress toward rehabilitation has been made. If the building becomes open to trespass or if conditions of the deferral are not complied with, we will proceed with demolition without further hearings. We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

Re: Public Sale of City-Owned Properties.

The properties listed below and described in the attached resolutions were advertised for sale to the public by the Planning and Development Department, Real Estate Division. These properties are tax reverted properties.

The properties in question are all residential properties in need of rehabilitation.

The properties were advertised for sale to the public in an "as is" condition by the sealed bid process. In addition, the properties were advertised for sale on a cash basis, with the purchase price to be paid via money order or cashier's check.

Further, the successful purchaser will be required to rehabilitate the property and correct all code violations stated on the "Presale Inspection Report" from the Building and Safety Engineering Department within six (6) months from receipt of a copy of the Quit Claim Deed by the City of Detroit. Accordingly, the successful purchaser is required to sign an "Affidavit of Compliance Responsibility" form with the Buildings and Safety Engineering Department prior to conveyance and to obtain a "Certificate of Approval" prior to occupying the property absent a temporary occupancy permit.

In each case, the successful purchaser has been informed that all rental properties in the City of Detroit must be registered with the Buildings and Safety Engineering Department.

Honorable City Council:

Re: Art Center Rehabilitation Project. Development: Parcel 164; generally bounded by John R, the first alley north of Palmer, Brush and the first alley south of Palmer.

On October 16, 2003, the Detroit Housing Commission approved an offer to purchase and develop Parcel 164 in the Art Center Rehabilitation Project Area from Art Center Town & Carriage Homes, LLC, a Michigan Limited Liability Company, for the amount of Thirty Nine Thousand Three Hundred Fifty Five and 00/100 Dollars (\$39,355).

The developer possess the qualifications and has indicated potential financial resources necessary to acquire and develop the land in accordance with the Development Plan. The disposal of this land by negotiation is an appropriate method for making the land available for redevelopment and the proposed agreement is in satisfactory form.

We, therefore, request that your Honorable Body adopt the attached resolution authorizing the advertising of and the holding of a public hearing concerning this offer on the 10th day of May, 2004 at 9:30 a.m.

Respectfully submitted,

Art Center Town & Carriage Homes, LLC, a Michigan Limited Liability Company, purchase and develop Parcel 164 in the Art Center Rehabilitation Project Area in satisfactory form; and

That the disposal of this land by negotiation is an appropriate method for making the land available for redevelopment and

That the developer possess the qualifications and financial resources necessary to acquire and develop the land in accordance with the Development Plan.

That the offered aggregate amount of \$39,355 is equal to the fair market value of the land for use in connection with the Development Plan, and to be heard at a public hearing concerning this offer on the 10th day of May, 2004 at 9:30 a.m.

Adopted as follows:

Yeas — Council Members Bates, S. Cockrel, Collins, Everett, Tinsley-Talabi, Watson, and President Pro Tem McPhail — 7.

Honorable City Council:

Re: Public Hearing on Establishing the Six Oaks Neighborhood Enterprise Zone as Required by the Urban Enterprise Group Act in Accordance with Public Act 147 of 1992.

The Planning & Development Department and the Finance Department reviewed the Master Plan for the neighborhood preservation and revitalization goals of the City, and find that the implementation of the above referenced Enterprise Zone would be consistent with the neighborhood revitalization and development goals of the Master Plan.

Public Act 147 of 1992, which is referred to as the Neighborhood Enterprise Zone (NEZ) Act, Section 3(1) states "the governing body of a governmental unit by resolution may designate one (1) or more neighborhood enterprise zones." Prior to the adoption of a resolution establishing an enterprise zone, a public hearing must be held, and notice must provide written notice of the hearing to the assessor and the governing body of each taxing jurisdiction within an ad valorem tax within the NEZ, said notice to be made at least 60 days prior to your Honorable Body's passage of a resolution creating the NEZ.

TESTIMONIAL RESOLUTION
FOR
MAUREEN A. FAY, O.P., Ph.D.

By COUNCIL PRESIDENT MAHAFFEY:

WHEREAS, On April 13, 2004, the fac-
ulty of the University of Detroit Mercy will
host a special tribute to honor their
esteemed President, Dr. Maureen A. Fay,
on her retirement and for her unparalleled
leadership as a champion of quality edu-
cation, compassion and dedication to
God and to the community; and

WHEREAS, In 1983, Dr. Maureen Fay,
a Dominican nun, became the first presi-
dent of Mercy College who was not a
Sister of Mercy. Her vision, wisdom and

to accomplish their goals led them to become the co-architects of the historic crusade to consolidate Mercy College and the University of Detroit. This challenging endeavor proved successful and in 1990 the new University of Detroit Mercy was born, naming Dr. Maureen Fay as its first president which gave her the distinction of the only woman and the first non-Jesuit among the presidents of 27 Jesuit institutions; and

WHEREAS, Under her able direction the University raised more than \$101.3 million for facilities improvements, scholarships, technology and faculty and program development, the largest and most successful fund-raising initiative in the University's history. Today, the University of Detroit Mercy is one of the Midwest's Catholic universities and is the only university in Michigan to be named among "America's Top Colleges" by the 2004 edition of U.S. News and World Report. Throughout her 20-year tenure as President, Dr. Fay has been instrumental in conducting an extensive strategic planning process which created a blueprint to help the University to achieve its goals in years ahead; and

WHEREAS, President Fay, in addition to her outstanding contributions to her profession, has been an exceptional civic leader, responsible for creating numerous outreach programs in the surrounding Detroit neighborhoods in the fields of nursing, architecture, law, engineering and dentistry. Named as one of Detroit's most influential women by *Crain's Detroit Business* in 1997 and 2002, she currently serves on an admirable list of committees and boards and is the recipient of a cache of letters, accolades and awards; and NOW, THEREFORE, BE IT

RESOLVED, That the Detroit City Council does hereby salute the eminent Dr. Mauren A. Fay for her outstanding contributions to the University and exemplary service to her profession and the Detroit community. We wish her peace, health and continued success as she continues to leave indelible footprints of courage and commitment as she travels her journey in pursuit of excellence.

(All action of the City Council appearing herein is subject to reconsideration and/or approval of the Mayor)

Detroit, Wednesday, April 28, 2004

Pursuant to adjournment the City Council met at 11:30 a.m., and was called to order by the President, Maryann Mahaffey.

Present — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Everett, Tinsley-Talabi, Watson and President Mahaffey — 7.

There being a quorum present, the City Council was declared to be in session.

Council Member Collins was absent due to personal business.

Invocation

Eternal God, in whom our city founders and parents trusted and in whom we trust, we give you thanks for the heritage that is ours; for the dreams and ideals that have been handed down to us; for our city, its elected leaders, and the priceless treasures of freedom. We are grateful for your mercies; and for the cherished ideal of equal opportunities for all citizens.

We thank you for the patriotic women and men of our city council who give of themselves daily in public service and whose self-interest gives way to the best interest of our city. Grant each of our council members the knowledge, wisdom, courage, and compassion to effectively address the issues that are before them today. It is in the name of the Sovereign God who is revealed in the creation, redemption, and preservation of the human community and the universe that we pray. Amen.

April 15, 2004

Honorable City Council:

Re: Brewer Park Homes, Payment in Lieu of Taxes (PILOT).

Brewer Park Limited Dividend Housing Association Limited Partnership is developing a housing project consisting of 50

Financing for the development through: Charter One Bank \$880,000 for 15 years at Detroit — Home Investor in the amount of \$1,659,000 20 years and Low Income Tax Credits for a total development nine million nine hundred thousand ninety-nine dollars (\$9,909,999).

In order to make this development economically feasible, it is necessary to receive the benefits of Section 15a of the Development Authority Act 346, as amended, MCLA 15a.

At least twenty percent (20%) of the units must be occupied by persons having incomes no greater than the area median income adjusted for family size. The remaining eighty percent (80%) or 40 of the units must be occupied by households with incomes that do not exceed 60% of the area median income adjusted for family size. These restrictions will remain in effect for the longer of the period the Housing Restrictions apply or the period required under the Tax Credit Act.

Adoption of the resolution by the Honorable Body will therefore satisfy the requirements of Public Act 346 of 1990, as amended, Ordinance 9-90, as amended, providing a 4% service charge for the project.

Respectfully submitted,
FREDERICK W. M.

By Council Member Tinsley

Resolved, Pursuant to the provisions of Act 346 of the Public Act 1990, as amended, a request for exemption from taxes by Timothy M. Moore, Partner of Brewer Park Homes, Inc. has been filed, and it has been determined that said sponsors have met the requirements of the Limited Dividend Housing Association Limited Partnership; and

Whereas, Said sponsors are developing a project consisting of 50 units, which is being financed by Charter One Bank and Detroit — Home Investor Limited Dividend Housing Tax Credit Program;

Whereas, The purpose of the project is to serve low to moderate income persons as described in the description of the project on Exhibit "A".

Now, Therefore, Be It Resolved, That said developers are henceforth entitled to an exemption from taxation but subject to the payment of a service charge for payment of taxes as set forth in Act 346 of 1990, as amended.

April 14, 2004

Honorable City Council:
Re: Mary Lewis v City of Detroit, Case No. 03-326555 NO, File NO. A19000-002687 (SH)

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that the City should agree to the entry of an Order of Dismissal and enter into an Agreement to Arbitrate on the terms and conditions set forth in the following resolution.

We, therefore, request authorization to agree to entry of an Order of Dismissal and to enter into an Agreement to Arbitrate on the terms and conditions set forth in the following resolution and, upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay a designat-

trators' decision, but said draft shall not exceed Two Hundred Twenty-Five Thousand Dollars (\$225,000.00).

Respectfully submitted,

By Council Member Bates:

Resolved, that:

The Law Department is authorized to agree to entry of an Order of Dismissal and to enter into an Agreement to Arbitrate in the case of Mary Lewis v City of Detroit, Wayne County Circuit Court Case No. 03-326555 NO, on the following terms and conditions:

A. 1. The parties shall submit to arbitration all matters in controversy raised in the above-named lawsuit.

2. The maximum amount of any award to the Plaintiff shall not exceed the amount of Two Hundred Twenty-Five Thousand Dollars (\$225,000.00).

3. Any award in excess of \$225,000.00 shall be interpreted to be in the amount of \$225,000.00.

There shall be no costs, fees, attorney fees or interest taxable with respect to the award rendered by the arbitrators.

The award of the arbitrators shall represent a full and final settlement of any amounts due and owing to Plaintiff for any and all claims arising out of the incident which occurred on or about January 18, 2003 at or near 12337 Hayes; however, limited judicial review may be obtained in a Michigan Federal District Court or Michigan Circuit Court of competent jurisdiction (a) in accordance with the standards for review of arbitration awards as established by laws; or (b) on the ground that the arbitrators committed an error of law.

B. Promptly after the arbitrators announce their decision, the Law Department shall inform City Council in writing of that decision.

C. Re: Joseph Clark v City of Detroit
Municipal Corporation
311745 CK, File No. 001960

We have reviewed the aforementioned lawsuit, the facts and circumstances which are set forth in a confidential memorandum that is being separately delivered to each member of the Honorable Body. From this review and our considered opinion that the amount of Thirteen Thousand Three Hundred Fifty Seven Dollars and Two Cents (\$13,357.02) is the just interest of the City of Detroit.

We, therefore, request and authorize to settle this matter in the amount of Thirteen Thousand Three Hundred Fifty Seven Dollars and Two Cents (\$13,357.02) and that you, Honorable Body direct the Finance Director to issue a draft in that amount payable to Joseph A. Clark and his attorneys, Christopher S. Varjabedian, P.C., to be cashed upon receipt of of properly executed Release and Stipulation and Order of Dismissal entered in Lawsuit No. 03-326555 NO, approved by the Law Department.

On April 13, 2004, a case evaluation panel evaluated the above-captioned lawsuit and awarded One Hundred Fifty Thousand Dollars (\$150,000.00) in favor of Plaintiff. The panel's decision was made on May 11, 2004, to either accept or reject the case evaluation. Failure to accept or reject the case evaluation within ten acceptance or rejection period constitutes a rejection of the case evaluation.

Based upon our review of the above-captioned lawsuit, the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that acceptance of the case evaluation award is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize acceptance of the case evaluation award; and, in the event Plaintiff accepts the award, to authorize the Finance Director to issue a draft in the amount of One Hundred Fifty Thousand Dollars (\$135,000.00) payable to Sydney L. Ruby, P.L.L.C., and Janice Ollie, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 03-322479, approved by the Law Department.

Honorable City Council:

Re: Petition Number 2199 — Request for City Council Approval for the Issuance of Dance Permit by the Michigan Liquor Control Commission to Trio's Entertainment, Inc. at 11850 Livernois.

Section 916(6) of the Michigan Liquor Control Code of 1998, being MCL 436.1916(6), requires that prior to the issuance of a Michigan Liquor Control Commission ("MLCC") dance or entertainment permit, a location licensed by the MLCC for the sale of alcoholic beverages on the premises shall obtain the approval of (1) the chief law enforcement officer, and (2) the legislative body of the municipality within which the premises are located.

Pursuant to this requirement, the MLCC has forwarded a Local Approval Notice (Req. ID: 236749) to the Detroit City Council, which has been designated by the City Clerk as Petition Number 2199. The petition requests City Council's consideration and approval of the issuance of a new MLCC dance-entertainment permit to Trio's Entertainment, Inc. (Trio's) in conjunction with the transfer of ownership of a Class C liquor licensed business at 11850 Livernois. By letter dated March 1, 2004 to the MLCC, Trio's has amended its pending license transfer application to request approval of a dance permit only. (A copy of the letter is attached.) Thus, upon this Body's approval of the request for the issuance of a dance permit and the issuance of a "Group A" cabaret license by the Consumer Affairs Business License Center to Trio's, the subject establishment will be approved for dancing by patrons, only.

The Consumer Affairs Business License Center reports that the Trio's and the location are in compliance with all of the applicable provisions of the 1984 Detroit City Code for the issuance of a "Group A" cabaret business license. The Buildings and Safety Engineering Department reports that the business is in a B-4 (General Business) zoning district and that the current legal use of the property is 'Restaurant with Class "C" Bar per building permit number 34297, dated

Honorable City Council:
Re: Appropriation Transfer Request Recommendation to Assist the Charles H. Wright Museum of African American History (the "Museum") Address Its Cash Flows Problems.

Per Council President Pro Tem. Kenneth Cockrel's, request, attached is a resolution that recommends several appropriation transfers to address the museum's cash flow problems using current year dollars.

Based on an updated cash flow statement from the museum (see attached), the museum needs \$510,000, instead of \$1,000,000, to help it get through the current fiscal year. Apparently, the museum is unable at this point to raise this level of funding from donors. Only \$130,000 in real dollars has been received from donors in the last couple months. In terms of larger donations, the museum has

real need of the \$510,000.

The surplus and deficit analysis for the current fiscal year the Budget Department submitted to Council indicated an estimated \$18.6 million appropriation surplus for the current fiscal year (2003-04). This is being offset by an estimated revenue deficit of \$18.9 million, thereby ending up with a General Fund deficit of \$300,000.

We recommend that the \$510,000 be taken from six (6) departments with large appropriation surpluses due primarily to departmental vacancies. With the administration's charge to freeze hiring in nonessential positions, the savings from vacancies should be even more real. We recommend that \$85,000 be taken from the following departments to get to the \$510,000: Finance, Health, Information Technology Services, Law, Public Lighting and Non-Departmental. We have identified the specific appropriations in attached resolution.

By Council Member Bates:

Whereas, The Honorable Detroit City Council desires that funds in the amount of \$510,000 from the City's General Fund in the 2003-04 fiscal year be utilized to assist the Charles H. Wright Museum of African American History (the "Museum") in its immediate cash flow problems, Now, Therefore, Be It

Resolved, That the Honorable Detroit City Council respectfully requests that the Administration perform the following:

Decrease Finance Department Appropriation 00245 Accounts Division — Administration by \$85,000;

Decrease Health Department Appropriation 00068 Administration by \$85,000;

Decrease Information Technology Services Department Appropriation 00024 Central Data Processing by \$85,000;

Decrease Law Department Appropriation 00527 Administration and Operations by \$85,000;

Decrease Public Lighting Department Appropriation 00128 Construction and Maintenance by \$85,000; and

Decrease Non-Departmental Department Appropriation 00973 Government Access by \$85,000; And Be It Finally

Resolved, That the Non-Departmental Department Appropriation 05414 African American History Museum General Fund Subsidy be increased by \$510,000.

Honorable City Council:
Re: Proposed New Zoning Ordinance
(Submitting Resolution No. 390-G)
Period for Council Consideration
On March 26, 2004 (Line Item 10)
Honorable Body concurred with the recommendation of the Commission staff to freeze hiring in those provisions recommended by the City Planning Commission in 2003, as well as those items recommended by CPC staff in reports dated February 2004 and March 24, 2004.

As a result of that action, the Commission is generating a 6th draft of the ordinance that contains all of the requested changes. This draft will be forwarded to the Law Department within the next few days for approval as to form. Once approved by the Corporation Counsel, you may request the Body can introduce the ordinance and set a public hearing.

As indicated in the Commission (CPC) reports dated November 2003 and November 12, 2004, required by Section 64.0700 of the Ordinance, City Council needs to pass the recommended ordinance within 120 days of receipt of the Commission's report and recommendation. The original 120-day period would have expired on January 29, 2004, but was extended by resolution of the Council until May 1, 2004.

Since CPC staff's preparation of the draft and the Law Department's review will continue past May 1, 2004, the Commission recommends that the attached draft be put on for a vote prior to the expiration date. The resolution extends the review period of the proposed Zoning Ordinance for an additional 120 days until August 29, 2004.

Respectfully submitted,

The City Clerk's forwarded to City

cations for Neighborhood Enterprise Zone
(NEZ) certificates for 2 units of new hous-
ing, one located at 2945 Wabash and half
of 2935 Wabash, and the other located at
2927 Wabash and half of 2935 Wabash.
The applicants applied to the Assessor's
Office for a lot split on March 12, 2004.
Having reviewed these applications, CPC
staff recommends approval of both NEZ
certificates.

The Wabash properties have been con-

City of Detroit. The 2002 assessed value for the three lots combined is \$1,071, or \$357 per lot.

The applicants, Carlyss and Delvin Lewis, intend to construct two single-family homes on these three vacant lots. The home to be constructed on 2945/2935 Wabash is projected to cost \$170,000, and the home to be constructed on 2927/2935 Wabash is projected to cost \$160,000. The NEZ certificate applications appear to have been submitted prior to the issuance of building permits to do the work presently proposed by the developer.

Re: Neighborhood Enterprise Zone Certificate Application for Leverette in the Corktown area (Recommend Approval)

The City Clerk's Office forwarded an application for a Neighborhood Enterprise Zone (NEZ) certificate for Leverette.

City Planning Commission research indicates that the property is within the boundary of the Corktown NEZ, which was approved by City Council on October 26, 1992.

The petitioner is proposing over \$100,000 to rehabilitate a family home on the subject property. CPC staff understands the property was damaged by a fire. The time value of the property is \$21,707, and the maximum investment is \$80,000 per unit maximum under the NEZ Act.

Based on the above information, staff recommends approval of the NEZ certificate. Please contact me if you have any questions.

Planning & Development

Honorable City Council:
Re: Establishment of the Woodbridge/Franklin Enterprise Zone".

Attached for your consideration is a resolution which will establish the Woodbridge/Franklin Enterprise Zone (NEZ) in accordance with Public Act 147 of 1992.

Your Honorable Body considered a public hearing on this matter on March 10, 2004, as required by the Act. At the time of the public hearing, the Plan was not in compliance with the Commission and the Planning Department on the appropriate amendments to the Public Hearing on March 10, 2004. The Planning Commission and the Development Department have approved the amendments to the Plan policies. On March 10, 2004, your Honorable Body approved the amendments to the Master Plan.

As you may recall the Aspen Custom Builders Construction Company proposed to rehabilitate the former Stone into 36 residential lofts. The cost is estimated at \$6,000,000. The purchase price will range from \$379,000.

The Act requires that at

resolution at your next regular formal session.

EXHIBIT A
LEGAL DESCRIPTION
NEIGHBORHOOD ENTERPRISE ZONE
JEFFERSON-WOODBRIDGE-FRANKLIN
DETROIT, MICHIGAN

City of Detroit, County of Wayne, State of Michigan being part of Section 12 and Private Claim No. 12 and being more particularly described as follows:

Beginning at the intersection of the southerly line of Riopelle Street, 50 feet wide; thence southerly along the southerly line of Jefferson Street, 50 feet wide; thence easterly along said southerly line of Jefferson Street to the intersection with the westerly line of Cleans Street, 50 feet wide; thence easterly along said westerly line of Cleans Street to the intersection with the westerly line of the Canadian National Road, G.T. District; thence southerly along the said northerly right-of-way line of the Canadian National Road to the intersection with the southerly line of Private Claim No. 12 to the intersection with the southerly line of Woodbridge Street, 50 feet wide; thence easterly along said southerly line of Woodbridge St. to the intersection with the easterly line of Riopelle Street; thence northerly along the southerly line of Riopelle St. to the intersection with the southerly line of Woodbridge Street and the point of beginning of 436,160 square feet or more or less.

Member Bates:
Whereas, Michigan's Public Act No. 147 of 1992, the Neighborhood Enterprise Zone Act ("the Act"), provides for the establishment of Neighborhood Enterprise Zones (NEZs), the exemption of certain property taxes, and the imposition of a property tax in lieu of *ad valorem* property taxes within NEZ's;

and whereas, the City of Detroit meets all the criteria set forth within the Act;

Therefore, the Detroit City Council finds that the designation of certain areas as NEZs is consistent with the adopted Master Plan of Policies and will further the economic and physical development objectives of the City by

the establishment of the Jefferson/Woodbridge/Franklin NEZ to be consistent with the Detroit Master Plan of Policies and the neighborhood preservation and development goals of the City; and

Whereas, The Detroit City Council has adopted a statement of goals, objectives and policies relative to the maintenance, preservation, improvement, and development of housing for all persons regardless of income level living within proposed NEZs; and

Whereas, The Detroit City Council has enacted a housing inspection ordinance requiring that before the sale of a unit in a new or rehabilitated facility for which an NEZ Certificate is in effect, an inspection is to be made of the unit to determine compliance with Chapter 26 of the Code of the City of Detroit; and

Whereas, The Act requires that the designation of NEZs must be approved by a resolution adopted by the local governmental unit subsequent to a public hearing at which any taxpayer or resident, or representative of any taxing authority levying a property tax in the City of Detroit, was given the opportunity to address the requested establishment of an NEZ; and

Whereas, A public hearing on the issue of establishing the Jefferson/Woodbridge/Franklin NEZ was conducted before the Detroit City Council on January 8, 2004, with notice of the public hearing having been given to the general public and by certified mail to every taxing authority levying a property tax with the City of Detroit; and

Whereas, No Impediments to the establishment of the Jefferson/Woodbridge/Franklin NEZ are known

Now Therefore Be It

Resolved, That the land area described in the attached legal description, and shown on the attached map, is hereby established as the Jefferson/Woodbridge/Franklin NEZ pursuant to Public Act 147 of 1992, the Neighborhood Enterprise Zone Act.

Superstructure replacement on structure P02 of 82111 which carries the Porter Street walkover Highway M-10; removal of structure P03 of 82111 which carries the Elizabeth Street walkover over Hwy. M-10; and placement of deep bituminous overlay on Structure S14-5 of 82111 which carries the Bagley Ave. ramp over Hwy. M-10; all together with necessary related work; located within the corporate limits of the City.

On May 14, 2003, (JCC pages 1352-1353) your Honorable Body authorized the Finance Director to increase the amount for Contract Purchase Order #2567665 from \$258,300 to \$291,960 for the City's share for the above project.

Based on the bid price and best available information from the Michigan Department of Transportation, the project is anticipated to cost \$14,852,794. The estimated City's share of the revised cost would now be \$337,160, an increase of \$45,200 from the estimated City's share of \$291,960.

We therefore recommend adoption of the attached resolution, which authorizes the Finance Director to increase the amount of Contract Purchase Order #2567665 from \$291,960 to \$337,160. The increase will come from Appropriation No. 4189, Major Street Fund-Traffic Control Improvement-State.

**RESOLUTION
OPPOSING S.150, THE
INTERNET TAX BILL**

By COUNCIL MEMBER S. COCKREL:

WHEREAS, S. 150, the Internet Tax Bill, has critical fiscal implications to Michigan local governments, including the City of Detroit; and

WHEREAS, S. 150 could eliminate the \$20-30 million to be received each year from the METRO Act; and

WHEREAS, S. 150 moved to full debate on the United States Senate floor and is set for debate for thirty (30) hours; and

WHEREAS, It is anticipated that there will be three potential amendments to be debated; and

WHEREAS, These amendments are commonly known as (1) the Alexander-Carper amendment (S. 2084), the McCain "compromise" and Enzi-Feinstein amendment; and

WHEREAS, The Alexander-Carper amendment is strongly supported by local governments, the National League of Cities and the Michigan Municipal League; and

WHEREAS, The Enzi-Feinstein amendment is supported as an alternative, in that it would simply extend the recently expired moratorium; and

WHEREAS, The McCain "compromise" would extend the moratorium for four (4) years, it would expand the definition of internet access, and this overly broad definition would significantly expand the services that are non-taxable; and

WHEREAS, Grandfather protections that would be part of the Alexander-Carper bill would terminate after three (3) years;

NOW THEREFORE, BE IT RESOLVED, That the City Council of the City of Detroit strongly opposes the passage of S. 150 and the McCain "compromise" and urges Senators Carl Levin and Debbie Stabenow to vote no;

AND BE IT FURTHER RESOLVED, That the City Council of the City of Detroit supports the Alexander-Carper amendment, or in the alternative, supports the Enzi-Feinstein amendment;

AND BE IT FURTHER AND FINALLY RESOLVED, That copies of this resolution be forwarded to Michigan Senators Debbie Stabenow and Carl Levin to the

**RESOLUTION
FOR
WOMEN'S COMMISSION**

By COUNCIL PRESIDENT

WHEREAS, The struggle for justice for all women continues in the world, state & city of Detroit;

WHEREAS, Research shows that women in the State of Michigan make less than 70 cents for every dollar that men earn for equivalent work; Michigan ranks next to last in the nation on women's pay equality, and

WHEREAS, In recognition of the importance of having an independent commission to study, educate the public and report on issues pertaining to pay equity, education, domestic violence and discrimination, the City of Detroit funded a Women's Commission for \$150,000. Every city in Michigan has staff in order to perform these duties. \$150,000 would be used to hire a director to coordinate committees and clerical support, and

WHEREAS, In order to have an effective commission, it is critical to have staff with expertise in areas of pay equity, domestic violence and discrimination be its members. In recognition of each City Council member's responsibility as a member, and

WHEREAS, City Council should support the current Women's Commission to create their own procedures, job descriptions and job description for a permanent director. The Commission will select its permanent director with the approval of the Detroit City Council. THEREFORE BE IT

RESOLVED, That the City Council should support the Commission should review the need for an interim director and advise the City Council of the need for and recommended candidates. FURTHER

RESOLVED, That the City Council continues to fund the Women's Commission in order to meet its objectives for all women in Detroit.

WHEREAS, The Detroit City Council
also recognizes the wealth of experience
of the appointed members of the
Women's Commission and the wealth of
experience of staff members such as
Llenda Jackson-Leslie; and

WHEREAS, The Detroit City Council
placed \$150,000 in the 2003-2004
Budget to fund a Women's Commission
for the coordination of efforts for the
advancement of women including a
Women's Day celebration and advocate
for Women's rights; and

WHEREAS, According to the February

STATEMENT BY SHEILA M. COCKREL
RE: THE MATTER OF THE WOMEN'S
COMMISSION AND "RESPECT"

The term "respect" is thrown around the Council table with cavalier disregard as to its meaning. It is used to buttress a particular position whenever it is convenient.

I am, frankly, tired of the sanctimonious, self-righteous, condescending, holier-than-thou lectures about "respect." We talk about respect.

- What about respecting City Council staff members when they participate in Commission meetings or come to the City Council table?

- What about an end to hostile, dictatorial chairing of meetings?

- What about an end to Chairpersons of Council meetings cutting off Council Members by gaveling meetings closed?

This entire term has been characterized by continuing disrespect for the Council as an institution. Some members arrived at this table in January, 2002 evoking disrespect. Proposals for Committee Structures were not shared with all members creating a climate of disrespect at this table and amongst Council Members that plagues this Council to this day.

- What about respecting the Council enough to not create "Advisory Boards" without Council concurrence?

- What about respecting Commission Members enough to provide them with

erally means to "look back with regard." It is defined by the Oxford English Dictionary as "a feeling of admiration for one because of their qualities or achievements" or "due regard for the rights of others."

It is high time that members of the Council look back at the last year and three months and end the divisive, deceitful, disrespectful behavior that has characterized this time for some R-E-S-P-E-C-T.

RESOLUTION OPPOSING BILL 2290

By COUNCIL MEMBER TINSLEY-TALABI:

WHEREAS, For many years the people of Detroit, Michigan have been exposed to asbestos. Due to the odious nature of asbestos exposure, hundreds of people have died and many more are currently suffering from mesothelioma, a form of cancer associated with asbestos exposure and

WHEREAS, The U.S. Senate is currently considering Senate Bill 2290. In its present form, would address the past, present and future victims of fatal asbestos-related cancer. TESTIMONIAL RESOLUTION
FOR
REV. GEORGE W. BOGLE

By COUNCIL MEMBER TINSLEY-TALABI:

WHEREAS, Rev. George W. Bogle, the founder of Evangel Ministries, has been a dynamic, inspirational leader and pastor for nearly 50 years. It is appropriate that we pay tribute to such a selfless, spiritual individual, and

WHEREAS, Rev. Bogle and Shirley Lowry were married in 1955. That same year, Rev. Bogle — the son of a minister — took over his father's church upon the elder Pastor Bogle's passing. The younger Bogle's engaging style was well received, and soon the Bogles would build their own ministry, Faith Gospel Temple, which became Evangel Church. Over the next decade, the congregation grew, and the first Evangel Church building was constructed in Mt. Clemens in 1964. In 1967, the Rev. and Mrs. Bogle began a radio show, "Evangel Prayer Time," as a new opportunity to spread the gospel, and

WHEREAS, In 1970, the Bogle family responded to the call of the Lord and opened the House of Prayer in Detroit — an active, vibrant, spiritual sanctuary for people of all backgrounds and walks of life. The House of Prayer began to make a huge, positive impact on the community and made use of the artistic gifts of its

television with the same call-in format as the radio show. Drama, dance, and musical presentations augmented the program. The late '80s and '90s brought different kinds of outreach initiatives, including the expansion of Evangel Church into new locations. In 2001, Pastor Bogle announced a campus-like development program in the block surrounding the church. He continues to strive for new ways to reach people. NOW, THEREFORE, BE IT

RESOLVED, That the Detroit City Council hereby honors Rev. George W. Bogle for his dedication to spreading the teachings of Christ and his commitment to the community. His efforts reflect an exemplary life of service.

Invocation

Gracious and Eternal God, Father of all mankind. You who chose to establish and honor human governance upon the face of the earth. I pray that you will invoke your wisdom, love, unity, and justice upon this governing council of the City of Detroit.

Father you said "that supplications, prayers, intercessions, and giving of thanks be made for all men; For kings, and for all that are in authority; that we may lead a quiet and peaceable life in all godliness and honesty. For this is good and acceptable in the sight of God our Saviour."

Father endow each and every Councilperson with faith, hope, and love to accomplish the great work that has been assigned to their hands by the citizens of Detroit. In Jesus name I pray, Amen.

Supt.

MARCUS R. WAYS, SR.

Law Department

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Twenty-Two Thousand Dollars and No Cents (\$22,000.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Twenty-Two Thousand Dollars and No Cents (\$22,000.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Mindell, Malin & Kutinsky, attorneys, and Trythenia Powell, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 03-335430 NO, approved by the Law Department.

Honorable City Council:

Re: Petition Number 1839 — Request for City Council Approval for the Issuance of a Dance-Entertainment Permit by the Michigan Liquor Control Commission to Glenda Stanley Corporation for 17139-67 Schaefer.

Section 916(6) of the Michigan Liquor Control Code of 1998, being MCL 436.1916(6), requires that prior to the issuance of a Michigan Liquor Control Commission ("MLCC") dance or entertainment permit, or a combination dance-entertainment permit, a location licensed by the MLCC for the sale of alcoholic beverages on the premises shall obtain the approval of (1) the chief law enforcement officer, and (2) the legislative body of the municipality within which the premises are located.

Pursuant to this requirement, the MLCC has forwarded a Local Approval Notice (Request ID number 224241) to the Detroit City Council, which has been designated by the City Clerk as Petition Number 1839. The petition requests City Council consideration and approval of the transfer of ownership of a Class C liquor

approval of the request for the issuance of a dance-entertainment permit. The issuance of a "Group A" liquor license by Consumer Affairs Bureau License Center to the Glenda Stanley Corporation, the establishment approved for dancing by the Michigan Liquor Control Commission for dance-entertainment.

The Consumer Affairs Bureau License Center reports that the Stanley Corporation and the Michigan Liquor Control Commission are in compliance with all of the provisions of the 1984 Detroit Code for the issuance of a "Group A" liquor business license. The Bureau of Safety Engineering Department reports that the business is in compliance with the Michigan Business and Residential Code and that the current legal, natural use of the property is 'Cabaret Bar with Dance-Entertainment'. The Zoning Appeals Decision Case No. 34-03, dated 1/14/04, granted approval, with conditions, for the expansion of the existing Cabaret Bar an adjoining building (at 17139 Schaefer) and to construct a one story room addition (at 17139 Schaefer). Detroit records indicate that the owner of the premises at 17139 Schaefer d/b/a Juanita's Lounge, was granted approval to operate a "Group A" cabaret. Further, a copy of the MLCC liquor license for 17139 Schaefer indicates that this address is licensed by the MLCC for Sunday dance-entertainment.

Pursuant to this Body's previous resolutions on the procedure for the approval or disapproval of the issuance of MLCC dance, cabaret, and dance-entertainment, and to the permits, nonconforming uses, and other matters to be considered by City Council in considering such requests. The Law Department recommends that this matter be placed on the agenda for consideration and approval or disapproval of the issuance of a dance-entertainment permit to the Stanley Corporation for 17139-67 Schaefer.

Attached are proposed resolutions for approving the issuance of a dance-entertainment permit to the Stanley Corporation for 17139-67 Schaefer, and B) disapproval of the issuance of the dance-entertainment permit.

If there are any questions, please do not hesitate to contact me.

Respectfully submitted,

ance of a Michigan Liquor License ("MLCC") dance or permit, or a combination permit, an establishment by the MLCC for the sale of beverages on the premises shall be subject to the approval of the local legislative municipality within which the establishment is located;

The MLCC has forwarded a Local Approval Notice (Request ID 17139-67) to the City Council, which has been reviewed by the City Clerk as Petition No. 17139-67 in conjunction with the transfer of ownership of a Class C liquor license permit, which is located in 17139 Goddard, Romulus, and is subject to the issuance of a new entertainment permit to the Glenda Stanley Corporation, 17139-67 Schaefer.

Upon the approval by the City Council of the transfer of ownership of the liquor license, this Body's approval of the issuance of a dance-entertainment permit, and the issuance of a cabaret license by the Michigan Liquor Control Code Business License to the Glenda Stanley Corporation, 17139-67 Schaefer, the location will be used for dancing by patrons and

Pursuant to Section 436.1916(6)(c) of the Michigan Liquor Control Code, MCL 436.1916(6)(c), the Michigan Liquor Control Department, Liquor License Division, under the direction of the Chief of Police, has reviewed the transfer of ownership of the liquor license and has recommended the issuance of a dance-entertainment permit to Glenda Stanley Corporation, 17139-67 Schaefer,

The Michigan Consumer Affairs Business License Center has reported that the Michigan Liquor Control Department and the local legislative municipality are in compliance with all of the provisions of the 1984 Detroit Code regarding the issuance of a "Group A" liquor license for the location; The Buildings and Safety Department (B&SE) reports that the location is in a B2 (Local Residential) zoning district and is a current legal, non-conforming use; the property is 'Cabaret (Class "C" Dance-Entertainment)' per building code number 65580; and

The land at 17139-17167 Schaefer was rezoned from B4 (General Residential) to B2 (Local Business and Professional) in 1971 as part of an area-wide rezoning of commercial land in Detroit, commonly referred to as the "B2 Project"; and

within the B4/B2 project area of Northwest Detroit became nonconforming uses on the day they were rezoned to B2; and

Whereas, Commercial strips on land zoned B4 and B2 in the City of Detroit are most often characterized by zoning lots of around 100 feet in depth, separated by an 18-foot wide alley or easement from single or two-family residential neighborhoods; and

Whereas, In the experience of the City, commercial uses such as bars and nightclubs have presented concerns about noise, traffic, congestion, and other impacts to residential neighbors; and

Whereas, It is the adopted policy of the Detroit City Council to not take actions that would have the effect of lengthening the life of nonconforming uses; and

Whereas, The land at 17139-17167 Schaefer is surrounded by commercial uses to the north, east, and south, and open parking for institutional uses to the west; and

Whereas, The land at 17139-17167 Schaefer is atypical of B2 zoning districts in that there is no land developed as residential within 200 feet of the Class C bar; and

Whereas, Since the establishment at 17139-17167 Schaefer is not immediately adjacent to residentially developed land, the approval of the issuance of the permit should not have a negative impact on nearby residents; and

Whereas, City of Detroit records indicate that the previous owner of the premises at 17139 Schaefer, d/b/a Juanita's Lounge, was licensed to operate a "Group A" cabaret at the location and a copy of the 2002-2003 MLCC liquor license indicates that 17139 Schaefer was approved by the MLCC for Sunday sales and dance-entertainment; and

Whereas, The City Council has considered the Local Approval Notice for the approval of the issuance by the MLCC a dance-entertainment permit to Glenda Stanley Corporation for 17139-67 Schaefer in conjunction with the transfer of ownership of a Class C liquor license in escrow and in accordance with its procedures and this Body's August 1, 2003 resolutions on the procedures and criteria for the approval or disapproval of the issuance of such permits;

Now Therefore It Is Resolved, Pursuant to Section 916(6)(b) of the Michigan Liquor Control Code, being MCL 436.1916(6)(b), that the Detroit City Council, approves the issuance of a dance-entertainment permit by the MLCC

operation of a nonconforming Class C bar at 17139-17167 Schaefer with the nightclub-type activities permitted by an MLCC entertainment permit is unlikely to negatively impact the residents of the area nor conflict with the best interests of the City for this community; and

It Is Further Resolved, That copies of this Resolution, and the City Clerk's certification of this approval of MLCC request ID number 224241, be forwarded to the Michigan Department of Consumer and Industry Services, Liquor Control Commission, 7150 Harris Drive, P.O. Box 30005, Lansing, MI 48909-7575, the Detroit Police Department, Liquor License Unit, 1300 Park Street, and the Consumer Affairs Business License Center, 105 Coleman A. Young Municipal Center.

Honorable City Council:

Re: Acceptance of State Grant Offer Agreement No. 2004-0181 2004 ARFF Training.

The Airport Department has received a grant contract offer from the Michigan Department of Transportation. The contract provides for Aircraft Rescue and Fire Fighting (ARFF) Hot Drill Class training available through Great Lakes Fire Training Institute (GLFTI) of Kellogg Community College using the mobile fire training unit. This training program is designed to meet the continuing educational needs of fire protection personnel of handling fire and emergency situations involving aircraft incidents. The training is needed to satisfy the annual "hot drill" recertification requirements of index A & B airports like Detroit City Airport.

The training cost will be funded in part by the State in the amount not to exceed \$4,000.00. The remaining cost will be the sole responsibility of the City.

We request that your Honorable Body adopt the attached resolution to accept and execute the above referenced grant. We also request permission to authorize the Finance Director to pay the local share from appropriation #00223 organization #100020 fund #5002 and honor vouchers when presented in accordance with the foregoing communication.

City of Detroit Brownfield Redevelopment Authority

Honorable City Council:
Re: Jefferson Chalmers Field Plan.

The enclosed Brownfield Redevelopment Authority Jefferson Chalmers (the "Authority"), submitted by the Detroit Redevelopment Authority (the "Authority") to the Community Development Committee (the "Committee") for consideration and review. The Committee considered and reviewed the Authority's plan and a public hearing was held by the Authority on April 15, 2004. At its public comments. At its public meeting, the Committee considered

authorizing the submission of a resolution and the City Clerk, together with a resolution of the Detroit City Council call a public hearing concerning the Plan and to take such actions to approve the Plan with Act 381.

The Plan is now presented to the City Council for approval. The Detroit City Council, after publication of the Plan, as required by law, hold a public hearing on the Plan. After the public hearing, the City Council shall determine whether the Plan constitutes a public purpose and may approve or reject the Plan with or without modifications.

Introduction

The Plan involves the construction of 100 units consisting of eight multi-unit buildings. The project site is located on the property of the Jefferson Chalmers School (which has been vacated) and on the first 480 feet of Jefferson Street before the split. A public hearing has been requested by the Authority on the parkway designation on Jefferson Street. The project site is ready for immediate site work. The price range of these units is between \$160,000 and \$200,000. The developer has received Enterprise Zone status for the project. Total project expenditures are expected to be \$14,600,000.

the Proposed Plan

The Proposed Plan is intended to serve two purposes. First, upon approval of the Plan by City Council, JCT, is entitled under state law to receive approval of the Michigan State Tax Authority or the State Tax Commission for a single business tax credit of 10% of their eligible capital expenditures on their project. Second, the Authority is authorized to capture tax revenues produced from the properties subject to this Plan. The cost to JCT, L.L.C. for the Plan, infrastructure and site work performed on the proposed Plan.

Subject to the Proposed

The Plan is comprised of 78 parcels on the east and west sides of Jefferson Avenue, bounded by Jefferson Street to the north and Freud Street to the south. The real property was once the site of residential housing and the former

“blighted property” as defined by Act 381 because it is located in a qualified government unit under the Brownfield Act, has previously been utilized for a residential purpose and is determined to be “Blighted” as defined by Act 381.

Projected Costs

The proposed plan anticipates the cost of the eligible activities from which taxes may be captured to be \$2,620,850 and a maximum estimate of \$893,129 for DBRA administrative reimbursement. The current estimates are that taxes will be captured through tax levies through 2020, not including five years of tax capture for the Local Site Remediation Revolving Fund (LSRRF). The plan projects that approximately \$2,756,294 will be placed into this fund by 2025.

This proposed plan has been presented to the Planning and Development Department for review. A letter of support for the project from P&DD is included in this packet. The proposed tax capture plan has been presented to the Chief Financial Officer of the city.

Public Comments Received

The Committee’s communication to the City Council and the Authority, dated April 8, 2004 (Exhibit C), recommending approval of the Plan, including the minutes of the Public Hearing held by the Authority on April 15, 2004 are enclosed for the City Council’s consideration.

At the public hearing, one member of the public attended and provided support for the project. A letter of support for the project was received from Jefferson Chalmers Association. A copy of the letter is included in this packet.

Authority’s Request

The Authority is respectfully requesting the following actions from the City Council:

a) May 5, 2004

RESOLUTION CALLING A PUBLIC HEARING REGARDING APPROVAL OF THE BROWNFIELD PLAN OF THE CITY OF DETROIT BROWNFIELD REDEVELOPMENT AUTHORITY FOR THE JEFFERSON CHALMERS PROJECT REDEVELOPMENT

By Council Member Watson:

WHEREAS, The City of Detroit, County of Wayne, Michigan (the "City") is authorized by the provisions of Act 381, Public Acts of Michigan, 1996 ("Act 381"), to create a brownfield redevelopment authority; and

WHEREAS, Pursuant to Act 381, the City Council of the City duly established the City of Detroit Brownfield Redevelopment Authority (the "Authority"); and

WHEREAS, In accordance with the provisions of Act 381, the Authority has prepared a Brownfield Plan for the Jefferson Chalmers Project Redevelopment (the "Brownfield Plan") and submitted the Brownfield Plan to the Community Advisory Committee for review and comment; and

WHEREAS, After receipt of the recommendation of the Community Advisory Committee to approve the Brownfield Plan, the Authority has approved the Brownfield Plan and forwarded it to City Council with a request for its approval; and

WHEREAS, Prior to approval of the Brownfield Plan, the City Council is required to hold a public hearing in connection with consideration of the Brownfield Plan pursuant to Act 381.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The City Council hereby acknowledges receipt of the Brownfield Plan from the Authority.

2. A public hearing is hereby called on Friday, the 4th day of June, 2004, at 10:35 A.M., prevailing Eastern Time, in the Council Chambers, 13th Floor of the Coleman A. Young Municipal Center in the City to consider adoption by the City Council of a resolution approving the Brownfield Plan.

3. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution are rescinded.

4. The City Clerk is requested to submit three (3) certified copies of this Resolution to the DBRA, 211 W. Fort Street, Suite 900, Detroit, MI 48226.

Adopted as follows:

Yeas — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Collins, Everett, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 9.

Re: Warren Conner Project Plan.

The enclosed Brownfield Warren Conner Project (Exhibit A), submitted to the Brownfield Redevelopment Board (the "Authority") to the Advisory Committee (the "Committee") has been considered and recommended by the Committee and a public hearing was held by the Authority on April 15, 2004, to receive public comments. At its meeting, the Committee considered and approved a resolution requesting approval of the Plan by the City Council in the form presented by the Authority.

On April 21, 2004, the Authority adopted a resolution (Exhibit B) approving the Brownfield Plan and authorizing the submission of a certified copy of its resolution to the City Clerk, to request that the Detroit City Council hold a public hearing concerning the Plan and take all other actions to approve the Plan in accordance with Act 381.

The Plan is now presented to the City Council for approval. The City Council will, after public notice and notices required by law, hold a public hearing on the Plan. After the hearing, the City Council shall determine whether the Plan constitutes a prudent use of the property, and, if so, may approve the Plan or approve it with modifications.

Project Introduction

The project involves extension of the 146,000 square foot shopping center site located at the intersection of Warren and Conner. The site consists of a 14 unit commercial shopping center with associated paved parking lot. The estimated expenditures related to the project are expected to be approximately \$7,386,000.

Purpose of the Proposal

The proposed Plan is intended to accomplish the following purposes: approval of this Plan by City Council; approval of the Gallery Warren Conner L.L.C. under state law to see the project; approval of the Michigan Economic Development Authority or the State Treasurer to provide a single business tax credit for the project; and their eligible capital investment in the project.

Property Subject to the Plan

The site comprising the property consists of two parcels: Parcel No. 21002593 & Parcel No. 21002594. The site is commonly known as the Warren Conner Shopping Center. The

as defined by Act 381, cause (a) the Property was zoned for an industrial purpose located within the City of a specified local government unit; the Property is determined to be a residential use as defined by Act 381.

Costs

The Plan anticipates the cost of the activities for Phase I to be significantly higher than Phase II with significant costs for roof structure, undercanopy finish and site build out. Phase II of the project is estimated to cost \$5,992,000 for demolition, site development and construction. The expense of the activities is the responsibility of the developer.

The project has been submitted to the City of Detroit Planning and Zoning Department ("P&DD"). A letter of support for the project from P&DD is included in the Appendix.

Comments Received

The City Council's communication to the Authority and the Authority, dated August 1, 2003 (Exhibit C), recommending approval of the Plan, including the Public Hearing held by the Authority on April 15, 2004, are included in the City Council's consideration of the Plan.

At the public hearing, one member of the City Council attended the hearing and provided comments for the project. A letter of support for the project was received from the Warren Conner Development Authority. A copy of the letter is included in the Appendix.

Request

The Authority is respectfully requesting the City Council's actions from the City Council.

2004

On the City Council's Calendar, the Authority's request that the City Council adopts a resolution setting a public hearing for June 4, 2004 concerning the Warren Conner Project.

2004

The Authority's approval of the attached Public Hearing (Exhibit D) setting a Public Hearing on the Plan for Friday, June 4, 2004, at 10:40 A.M. in the Council Chambers, 13th Floor of the Coleman A. Young Municipal Center, located at 2 Woodward Avenue, Detroit, Michigan.

2004 — 10:30 A.M.

The Authority, with taxing jurisdictions, is requesting the City Council's fiscal impact of the Plan.

2004 — 10:40 A.M.

In response to the request of the demolition order noted above, we submit the following information:

A special inspection on 4/27/04 revealed the building is sound and appears to be sound and ready for sale.

The owner has paid the taxes due as of April 6, 2004.

The proposed use of the property is for rehabilitation and sale.

Therefore, it is recommended that the demolition order be deferred for a period of six (6) months subject to the following conditions:

1. The building shall be securely barricaded until rehabilitation is complete. All relevant permit work shall be obtained. Rehabilitation is to be complete within six months, at which time the owner shall obtain one of the following from the department:

- Certificate of Acceptance for building permits

2. The owner shall not occupy the structure until a Certificate (as outlined in #1 above) is obtained.

3. The yards shall be maintained free of weeds, junk and debris at all times.

At the end of the deferral period, the owner must contact this department to arrange an inspection to determine if the conditions of the deferral have been met or that substantial progress towards rehabilitation has been made. If the property becomes open to trespass during the deferral, the deferral will proceed with demolition without further hearings. We recommend that all disconnect actions cease until the progress of the rehabilitation is complete.

Re: Address: 2237 Turner. Date ordered demolished: October 31, 2001 (J.C.C. p. 3197). Deferral date: October 16, 2002.

The building at the location listed above was ordered demolished by your Honorable Body on the date indicated and the order was deferred under the conditions of the Ordinance.

A recent inspection on April 15, 2004 has revealed that the building is open to trespass, contrary to the conditions of the deferral.

Therefore we will proceed with the demolition as originally ordered with the cost of demolition assessed against the property.

Respectfully submitted,
AMRU MEAH

Honorable City Council:

Re: Address: 14541 Prairie. Name: Nashawn Combs. Date ordered removed: September 23, 2002 (J.C.C. p.).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on April 6, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has entered into an approved Tax Payment Plan to pay the current taxes due as of April 5, 2004.

The proposed use of the property is owner occupancy.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the follow-

within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance for building permits

3. The owner shall not occupy the structure until the certificate (as outlined in #1 above) is obtained.

4. The yards shall be maintained free of weeds, junk and debris at all times.

At the end of the deferral period, the owner must contact this department to arrange an inspection to determine if the conditions of the deferral have been met or that substantial progress in rehabilitation has been made.

If the property becomes open to trespass during the deferral period, the conditions of the deferral are not complied with, or if the owner will proceed with demolition without the required hearings, we recommend that all deferral actions cease and the progress of the rehabilitation be suspended.

Respectfully submitted,
AMRU MEAH

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on April 6, 2004 revealed the building is secured and appears to be sound and repairable.

The owner is in litigation regarding the property's liabilities.

The proposed use of the property is rehabilitation and sale.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be securely barricaded until rehabilitation work is complete. All relevant permit and insurance work shall be obtained and the rehabilitation work is to be complete within three (3) months, at which time the owner shall obtain one of the following from this department:

- Certificate of Acceptance for building permits

PCA zoning districts are located in close
proximity to the Public Center District and
the controls of the PCA district are
designed to prevent uses and structures
from having a deleterious effect on the
public center of the city. Section 113.0200
of the Zoning Ordinance requires City
Council approval of the design, appear-

ation in a PCA district after receiving a
report and recommendation from the City
Planning Commission.

Three (3) of the awnings are located
above first floor windows on the E.

awning is above a doorway on the east
(Brush) of the building. The awnings vary
in length from 7 feet, 6 inches to 20 feet
and vary in projection from the building
from 2 feet 2 inches to 4 feet. The bottom
of the framework of each awning is 10
feet above the sidewalk. The awnings
contain the wording "Sweet Lorraine's

Re: Implementation of Wage Adjustments
and Certain Fringe Benefit Changes
for Employees Represented by the
DOT Foremen's Association.

The Labor Relations Division has recently reached agreement with the bargaining unit which represents employees in the Department of Transportation, DOT Foremen's Association. Given the extensive time it will take to type and process the entire contract, it would cause an unreasonably long delay to withhold implementation until the formal contract has been prepared and presented to your Honorable Body for approval.

Therefore, in accordance with standard City procedure, this Office is recommending that your Honorable Body pass a resolution amending the 2003-2004 Official Compensation Schedule by granting a 2% general wage increase for the subject represented employees effective July 1, 2003. We are further requesting authorization to implement the following new contract provisions:

1) Special Adjustments for certain classifications based on recruitment and retention difficulties and special skills upgrading as outlined in the attached Schedule A.

2) Fringe benefit changes as set forth in the attached Schedule B.

We further respectfully request that your Honorable Body adopt the following resolution with a Waiver of Reconsideration.

Re: Correction of Legal Description of Elmwood Park Rehabilitation Project Development: Theta Park, bounded by East Vernor, Prince Hall Drive, Mt. Elliott & Ellery.
On October 30, 2001, your Honorable Body authorized the City of Detroit's Law Department to initiate a lawsuit in Wayne County Circuit Court (Case No. 01-142937 CH), for the vacation and replatting of Theta Park, a public park. Pursuant to a successful resolution of the lawsuit, your Honorable Body also authorized the preparation of a revised plat in conformity with the vacation of the park and the sale of the property to Butler II Limited Dividend Housing Association Limited Partnership, a Michigan Limited Partnership. The Developer proposes to build the second phase of the Helen O'Dean Butler Apartments, consisting of thirty-two (32) garden style apartments with landscaping and off-street parking.

It has come to our attention that the lawsuit concluded with the Wayne County Circuit Court awarding to the City of Detroit a Consent Judgment to Vacate and Replat Theta Park on June 28, 2002. The vacation and replatting have now been facilitated in accordance with State law and a correction of the legal description is required.
We, therefore, request that your Honorable Body adopt the attached resolution, authorizing an amendment to the sales resolution to reflect a correction in the legal description to include the plat revision.

The Planning and Department, in accordance with the City Code, Article VI, Section 50-6-1, reviewed applicant petition for residential alley conversions as referenced in the foregoing notification; and

The Planning and Department finds that the alley conversion to easement is beneficial to both the city and property owners, and that the conversion requests are not a burden on municipal services (trash collection) where there are no objections from utility companies or city departments. The alley does not serve as a means of ingress/egress to the properties, and that the alley will have covenants and easements and regulations to be consistent with the abutting property owners and to be in accordance with the City Code.

 Regarding the Establishment of the E & B Brewery Enterprise Zone as requested by the E & B Brewery in Accordance with Public Act 147 of 1992.

Planning & Development Department and Finance Department have

Enterprise Zone would be consistent with the neighborhood preservation and development goals and with the Master Plan.

Public Act 147 of 1992, commonly referred to as the Neighborhood Enterprise Zone (NEZ) Act, in Section 3(1) states "the governing body of a local governmental unit by resolution may designate one (1) or more neighborhood enterprise zones." Prior to acting upon the resolution establishing an NEZ, a public hearing must be held, and the City Clerk must provide written notice of the public hearing to the assessor and to the governing body of each taxing unit that levies an ad valorem tax within the proposed NEZ, said notice to be made not less than 60 days prior to your Honorable Body's passage of a resolution designating an NEZ.

The boundaries of the proposed NEZ are described in Exhibit A (legal description) and illustrated in the map also attached. The developer proposes to construct an existing historic building into 36 loft condominiums within the proposed NEZ at a cost of \$6 million.

We request that a Public Hearing be scheduled on the issue of establishing this NEZ, as required by the NEZ Act. Attached for your consideration, please find a resolution establishing a date and time for the public hearing, together with the aforesaid map and legal description of the proposed NEZ.

Re: Departmental Report. Recommendation of Denial Residential. Alley Vacation Petition #2980 of Jane Floyd.

The Planning and Development Department (P&DD) is hereby submitting this report to your Honorable Body regarding the above referenced petition for residential alley vacation.

At the Public Hearing of March 5, 2005, the Detroit City Council requested that P&DD revisit this petition through further investigation and the input of the abutting property owners. Petition #2980 requests the vacation of one of the legs of a "T" shaped alley, which would enable Ms. Jane Floyd, the petitioner, to have adequate space to park the vehicles owned by tenants of her two-family flat, and a safe space for children to play. The attached Drawing #1 shows the subject alley vacation proposed. Currently cars are parked in the alley adjacent to Ms. Floyd's house, which is located at 2308 Blaine. There are two other property owners who abut this short alley leg. Mr. and Mrs. Stallworth, who live at 8720 LaSalle, have difficulty with egress from their garage, which is built at the cross of the "T" in the alley. Typically, their means of egress is the short alley to Blaine, which Ms. Floyd wishes to vacate. Ms. Washington, who lives at 8700 LaSalle, has no objections to the vacation of this alley.

On Thursday, March 18, 2004, P&DD staff visited the site to review the physical nature of the alleys and determine if there are any possible solutions to accommodate the property owner needs. The Stallworths cannot safely back into Gladstone, nor negotiate a turn to head out front-first into Gladstone (see Drawing #2). Furthermore, use of the long stretch of alley that goes north to 14th Street is unsafe. The alley is overgrown and there is a considerable amount of debris which suggests that this portion of alley is rarely used. The Stallworths contend that when cars park in the alley between their garage and Gladstone, the only viable ingress/egress for them is the short alley

feel that if the short alley vacated, that it will make it easier to get to their garage much more easily.

If the short alley to Blaine is vacated, then the property gain to Ms. Floyd would extend to the centerline of Blaine. Theoretically, the other half of the alley could remain as a private driveway for one-way egress into Blaine. However, this proposal appeared to be a less than ideal solution. Unfortunately, the alley is so narrow to begin with. Further, a 30 inch curb and 30 inches of curbing encroaching on the alley right of way. A one-way driveway less than 9 feet in width could be a challenge for property owners and tenants. Also, negotiating the turn onto Blaine would require at least 12 feet of turning property usage. We have concluded, due to the physical constraints and aspects of vacating and using the alley as a drive, that this proposal was not a good idea.

P&DD engineering staff reviewed the alley configuration, specific needs of the residents abutting the alley, and the impact of vacating the alley on the abutting properties. We have identified a compromise solution which would be the best for all property owners. This solution (see Drawing #1) would allow each of the property owners to have a low-up on site meeting was held with all appropriate parties. The plan presented featured a parking area which would allow the property owners to turn their vehicles around and drive front-first into Gladstone. This solution allows for a parking area for Ms. Floyd and her tenants which could be used to accommodate up to three vehicles. There are other options for parking that could be explored. Also, a new fence could be installed to enclose the yard area for children and kids do not mix.

P&DD met with all of the property owners at the site on Monday, April 19, 2004, to review this proposal and discuss other possible options. We have concluded that all the City could do is to vacate the public alley and leave it up to the abutting property owners to agree on how the vacated alley will be used, provided such use is in accordance with governing laws and ordinances.

Re: Jefferson-Conners Rehabilitation Project. Development: 3800 Conner.

We are in receipt of an offer from Mack & Connor Associates, LLC, a Michigan Limited Liability Company, to purchase

property. This property contains approximately 16,208 square feet of B-4 (General Business District) zoning.

The Offeror proposes to develop a paved surface parking lot for the use of licensed operable vehicles. The development will take place in conjunction with the construction of a retail building. The Offeror has estimated that after having a total investment of approximately \$1,000,000.00, the property will be able to meet the parking needs of its customers. The use of the property for this use is permitted as a matter of course in the B-4 zone.

We, therefore, request that the Honorable Body adopt a resolution to authorize the Planning and Development Department Director of the Department of Planning and Development Activities to execute an agreement to purchase and develop this property. Re: Property For Sale By Development Agreement. Development: 13521 Helen.

We are in receipt of an offer from Turk Industries, LLC, a Michigan Limited Liability Company, to purchase the above-captioned property for the amount of \$19,400 and to develop such property. This property contains approximately 46,665 square feet and is zoned M-4 (Intensive Industrial District).

In conjunction with property they already own, the Offeror proposes to construct a paved surface parking lot for the storage of licensed operable vehicles to accommodate employees of their business. Any area not paved will be appropriately landscaped to enhance the overall site. This use is permitted as a matter of right in a M-4 zone.

We, therefore, request that your Honorable Body adopt the sale and authorize the Planning and Development Department Director of Development Activities to execute an agreement to purchase and develop the following described property with Mack & Connor Associates, LLC, a Michigan Limited Liability Company, for the amount of \$32,400.

RESOLUTION SETTING HEARING

By Council Member Collins:

Resolved, That a public hearing will be held by this body in the City Council Committee Room, on the 13th Floor of the Coleman A. Young Municipal Center, on THURSDAY, JUNE 10, 2004 AT 11:30 A.M., for the purpose of considering the advisability of adopting the foregoing proposed ordinance to amend Chapter 18, Article V, of the 1984 Detroit City Code, titled "Purchases and Supplies," by adding Division 7, titled "Slavery Era Records and Insurance Disclosure," which shall consist of Sections 18-5-91 through 18-5-93, to require, as part of the contracting process, that each contractor with which the City enters into a contract search its records within its possession or knowledge relating to investments or profits from the slave industry, including insurance policies issued to slave holders that provided coverage for injury, death, or other loss related to slaves who were held during the slavery era in the United States.

All interested persons are invited to be present to be heard as to their views.

Adopted as follows:

Yeas — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Collins, Everett, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 9.

Historic Designation Advisory Board

May 3, 2004

Honorable City Council:

Re: Petition #460 (2002), Rocky DFD LLC, requesting designation of Hook & Ladder No. 5/DFD Repair Shop as a historic district.

We received the Clerk's referral of this request, indicating the owner's desire to take advantage of State Historic Tax Credits to assist in the renovation funding.

Reasonable grounds for the study have been provided in that the property is listed on the National Register of Historic Places and the staff of the Advisory Board is now prepared to proceed with a study; a resolution for study is attached for your consideration.

Pursuant to that resolution City Council must appoint two persons to serve as ad hoc members of the Advisory Board in connection with the matter.

represent the community interest. A resolution of appointment is attached for your consideration.

Staff is available to answer any questions you may have.

Respectfully submitted,
WILLIAM M. WORDEN
Director

By Council Member Watson:

Whereas, The City Council has received a request to designate the Hook and Ladder House No. 5/DFD Repair Shop as a historic district, and

Whereas, The City Council finds that there are reasonable grounds for such a request,

Now, Therefore, Be It Resolved, That the City Council hereby directs the Historic Designation Advisory Board, a study committee, to conduct studies to determine whether the above-mentioned property meets the criteria for historic designation and to issue appropriate reports in accordance with the Michigan Local Historic Districts Act and Chapter 25-2 of the Detroit City Code.

Adopted as follows:

Yeas — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Collins, Everett, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 9.

Nays — None.

*WAIVER OF RECONSIDERATION
(No. 1) per motions before adjournment.

By Council Member Watson:

Whereas, The City Council has adopted a resolution for study of the Hook and Ladder House No. 5/DFD Repair Shop as a proposed Historic District, and

Whereas, The Historic District Ordinance (Chapter 25-2) requires the appointment of ad hoc members to the Historic Designation Advisory Board to represent the interests of property owners and those interested in the preservation of this historic resource,

Now, Therefore, Be It Resolved, That the City Council appoints Robert Heide, Rocky Peanut Co., 1545 Clay Street, Detroit 48221, and Kevin Hanson, 1345 Division, Apartment 301, Detroit 48207, as ad hoc members of the Historic Designation Advisory Board in connection with the study of the Hook and Ladder House No. 5/DFD Repair Shop as a proposed Historic District.

Adopted as follows:

Yeas — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Collins, Everett, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 9.

Honorable City Council:
Re: Resolution for study of
House at 1460 East J
historic district.

Pursuant to Council's decision on the request of March 4, 2004, a study of the Moross House local historic district was approved by Council on March 24th. Pursuant to that resolution for study, City Council has appointed two persons to serve as members of the Advisory Board in connection with its study of the Moross House Historic District.

Unfortunately, staff was unable to identify two individuals able to serve within the statutory capacity within the statute's 30-day period of passage, and therefore the resolution for study requires your approval; a new resolution is attached for your consideration.

The Advisory Board staff has identified and provide two names for for ad hoc members for your consideration: Patience Nauta, Museum of Art, to represent the ownership in the property, and, Joanne Give, to represent the community interest. A resolution of appointment is attached for your consideration.

Staff is available to answer any questions you may have.

Respectfully submitted,
WILLIAM M. WORDEN

By Council Member Watson:

Whereas, The City Council has received a request to designate the Moross House located at 1460 East Jefferson as a historic district, and

Whereas, The City Council finds that there are reasonable grounds for such a request,

Now, Therefore, Be It Resolved, That the City Council hereby directs the Historic Designation Advisory Board, a study committee, to conduct studies to determine whether the above-mentioned property meets the criteria for historic designation and to issue appropriate reports in accordance with the Michigan Local Historic Districts Act and Chapter 25-2 of the Detroit City Code.

Adopted as follows:

STATEMENT BY COUNCIL MEMBER
S. COCKREL IN OPPOSITION TO A
RESOLUTION SETTING INTERVIEWS
FOR RESEARCH AND ANALYSIS
DIVISION DIRECTOR

On Wednesday, May 5, 2004, I voted no on the resolution referenced above. This resolution is the culmination of events that were set in motion on September 15, 2003. On that day, Kathie Dones-Carson was ignominiously discharged from her position as Director of the Detroit City Council Research and Analysis Division. On Friday, November 14, 2004, the City Council passed a resolution approving the Research and Analysis Division Director job description. I voted no on this resolution because it was illegal in substance as well as in the manner it was created. I hereby attach and reissue my statement in opposition to that resolution to reiterate my reasons for voting no. Additionally, I attach and would like to have made part of the record, two memoranda on this issue from the Law

STATEMENT BY COUNCIL
S. COCKREL IN OPPOSITION
RESOLUTION APPROVING
RESEARCH AND ANALYSIS
DIVISION DIRECTOR JOB DESCRIPTION

On Friday, November 14, I voted no on the resolution referenced the simple reason that the job it approves is illegal. In my job description is illegal in

...the should have been done in an open meeting and it was not. The description materialized with a job that it was prepared by the Personnel Committee. To my knowledge, there has been no open meeting as required by law of the personnel committee. Any discussion on the final job description ever took place through a process that developed this job was not carried out in a legal manner. I refuse to support actions that are not in the best interest of the City.

The job description flawed in its entirety. It is fatally flawed in substance. Section 2-2-34 of the 1984 Detroit City Code is the authority of the Council as a whole, and not the Personnel Committee, is responsible for the appointment of the Director of the Research and Analysis Division. The job description states that the Director is appointed upon the recommendation of the Personnel Committee. Such a provision clearly places the responsibility of the Council as a whole and places it squarely within the Council as a whole and not a faction of the whole.

It is not acceptable that five votes and a majority may be all it requires to appoint a Director that blatantly ignores the provisions of the law. When it comes to questions of law, I choose to follow the advice of the Corporation Counsel, by charter, is the attorney for the City and the advice of the Research and Analysis Division, the body charged with independently advising the Council on the law. I cannot and will not support an action I believe to be illegal in substance.

For the reasons stated above, I

and Issues Relating to the Approval of the Research and Analysis Division Director Job Description.

On November 13, 2003, this Honorable Body requested a response to several questions raised with respect to the proposed matter. The Law Department's response is as follows:

Personnel Committee of the City Council develop a job description outside of an open meeting.

Meetings of the Personnel Committee are subject to the requirements of the Open Meetings Act, as provided in Section 4-102 of the 1997 Detroit

...information to assess what actions the committee members took and whether or not their actions were inconsistent with the Open Meeting Act. I have enclosed a copy of an opinion submitted to this Honorable Body on July 31, 2003, which addresses this issue in detail.

2. Given that Section II of the proposed job description would provide that the Director is to be appointed upon recommendation of the Personnel Committee, is this provision valid in light of the fact that the Council is to appoint the director. To clarify, this provision could conceivably create situations in which the Personnel Committee could prevent the Council from selecting a Director by selectively recommending candidates.

Response: Pursuant to Section 2-2-34 of the Detroit Code, **"the director of the council division of research and analysis shall be appointed by the city council..."** In light of this provision, it is logical to conclude that City Council must be involved in all the steps necessary to attain the appointment of a Director. These steps would include review of all applications, screening of applicants, interviews, etc.

Section II, paragraph 2 of the proposed job description states, "The Director is appointed by the majority vote of sitting Council Members **upon the recommendation of the City Council's Personnel Committee...**" This language suggests that City Council will only vote as to those individuals submitted to the body by the Personnel Committee. In essence, Council Members who are not on the Personnel Committee would be precluded from participating in the review of all applications and the screening of applicants. This language contradicts section 2-2-34 of the Detroit Code.

If it was not intended to exclude Council Members from the review of applications, screening of applicants, interviews, or any steps necessary to arrive at the appointment of the Director, the language should be modified as follows: **The Director is appointed by the majority vote of the sitting Council Members and serves at the pleasure of the majority of City Council Members.**

3. Section III of the proposed job description would provide that the RAD Director is responsible for performing budgetary analysis. Is this provision proper given that the Fiscal Analysis Division is the City Council organ charged with that particular responsibility?

proposed job description appears to be contrary to the current duties of the Fiscal Analysis Division, there is nothing in the Charter or the Code that prohibits Council from assigning this analytical task to the RAD Director. This type of assignment would be permissible under the "any matter" language found in Section 2-2-35 of the Code.

4. Is the 11th bullet under Section III of the proposed job description sufficiently defined to be considered a proper duty under the Charter?

Response: There is no language in the Charter that prohibits the RAD Director from acting as a liaison for the City Council as assigned.

Should this Honorable Body desire additional information, please contact the Law Department.

Respectfully submitted,

**City Council
Division of Research & Analysis**

November 13, 2003

Honorable City Council:

Re: Inquiries and Issues Relating to Resolution Approving the Research and Analysis Division Director Job Description.

This memorandum is in response to Councilwoman Sheila M. Cockrel's request for information from the Research and Analysis Division (RAD) regarding the following issues.

1. The Open Meetings Act.

RAD has been asked to determine whether the Personnel Committee may develop a job description for the position of Research and Analysis Division Director outside of an open meeting.

The purpose of the Open Meetings Act (MCL 15.261 et. seq.) is to promote openness and accountability in government. Booth Newspapers, Inc. v Wyoming City Council, 168 Mich App 459 (1988); The Detroit News, Inc. v City of Detroit, 185 Mich App 296 (1990). It should, therefore, be interpreted broadly to accomplish this goal.

The Act provides that a public body, when deliberating or making a decision effectuating public policy, must do so in a place available to the public, unless there is an applicable exception. In accordance with MCL 15.268, a public body may meet in a closed session under the following circumstances:

(a) To consider the dismissal, suspension, or disciplining of, or to hear complaints or charges brought against, or to

matter at issue shall be considered the rescission only in open meeting.

(b) To consider the dismissal, or disciplining of a student if the public body is part of the school or intermediate school district, or higher education that the student is attending, and if the student's parent guardian requests a hearing.

(c) For strategy and negotiations connected with the negotiation of a collective bargaining agreement if the negotiating party requests a hearing.

(d) To consider the purchase or lease of real property up to the time of purchase or lease that real property was obtained.

(e) To consult with its attorney regarding a trial or settlement strategy in litigation with specific pending claims, only if an open meeting would have a detrimental financial effect on the position or settlement position of the public body.

(f) To review and consider an application for employment or appointment to a public office if the applicant requests that the application be confidential. However, except as otherwise provided in this subdivision, a public body for employment or appointment to a public office may hold an open meeting prior to the act. This subdivision does not apply to a public office described in subdivision (g).

(g) Partisan caucuses of members of the state legislature.

(h) To consider material that would be a discussion or disclosure by a public body of a statute.

(i) For a compliance audit conducted by the department under section 16231 of the Michigan Code, Act No. 368 of the Michigan Code, 1978, being section 333.3 of the Michigan Compiled Laws, if a complaint is issued.

(j) In the process of searching for and selecting a president of a higher education establishment under section 4, 5, or 6 of article VI of the constitution of 1963, to review the public contents of an application for an interview with a candidate to discuss the specific qualifications of the candidate if the particular process for and selecting a president of a higher education institution is subject to the following requirements:

(i) The search committee, in the process, appointed by the board, consists of at least 1

but the number shall not be less than a quorum of the governing body. However, the search committee shall be constituted in such a way that each group described in this subsection constitutes a majority of the committee.

The search committee recommends final candidates, the governing body shall not take a vote on a final candidate until at least 30 days after the 5 final candidates have been identified by the search committee.

Deliberations and vote of the governing board of the institution on the president take place in an open meeting of the governing board.

Speaking, a public body may hold a committee meeting for which notice need to be posted under certain circumstances:

1. A meeting of the public body will not be held if:

a. The committees are of an advisory nature.

b. The committees will not deliberate on a topic that leads to a decision of the public body.

c. However, either a committee meeting or a quorum of a public body or a meeting of a public body that constitutes a quorum deliberate on a matter, the meeting must be held in accordance with the Open Meetings Act. (See Attorney General Opinion No. 5788, p. 1015, dated 1/13/1980, "the Open Meetings Act when...subcommittees of a public body which constructively constitute a quorum of the public body, collectively or render decisions on a matter in a closed session on matters that do not fall within the provisions of the Open Meetings Act, supra, § 8, "closed meeting").

d. Whether any meetings regarding the proposed job openings were held, they are subject to the Open Meetings Act.

Commitment upon the recommendation of the Personnel Committee.

The City Charter provides for a committee structure within City Council. City Charter, Article 4, states as follows:

6. Standing Committee

The council shall provide for a committee structure by its rules. The rules may include, but not be limited to, the following areas:

ment; and

6. Such committees as it deems necessary.

The president of the council shall appoint the chairpersons of such standing committees, with the approval of a majority of the city council. However, the number of committees and the number of members per committee may be set by the city council. Only members of committees may vote on matters before the committee. The president shall be an ex-officio member of all committees, but shall be a voting member only as provided for any other council person.

Although the City Charter provides for a certain number of specified standing committees and grants Council the power to create additional committees as necessary, it does not expressly establish a Personnel Committee. While the Charter addresses the committee structure and anticipates that certain votes will be taken when committees meet, it is void of any language regarding the specific powers of committees to act on behalf of the Council as a whole. Thus, there is some ambiguity regarding whether the entire Council can delegate certain powers and, if so, what powers can be transferred from the entire Council to a committee.

As a general principle, a municipal governing body cannot delegate its essential powers to one of its own committees. These powers must remain with the governing body chosen by the people to represent the City. Courts will look to the law of the City Charter, ordinances and, to some extent, traditional practices to determine what powers may be delegated to a committee.

It has been found that a legislative body can refer matters to its committees for investigation, fact-finding and other action. Any act of a committee that is subsequently ratified by the entire body will be considered binding and valid. Consistent with these principles, City ordinances provide that Council Committees have certain investigatory and fact-finding powers that are also possessed by the Council as a Whole.

Article 4, Section 4-110 of the City Charter establishes that City Council has the power to conduct investigations, issue subpoenas, take testimony, etc. By ordinance, City Council has extended the powers to conduct investigations, issue subpoenas and take testimony to City Council's committees. See City Code, Ch. 2, Art. II, Div. 2, Sec. 2-2-16 et. seq.

To date, RAD has not been able to find a resolution creating the Personnel

division directors which would then be considered by the entire Council.

Since no resolution has been found establishing the Personnel Committee or assigning the Committee continuing powers regarding specific matters, the Personnel Committee must be assumed to be either a standing committee or special committee without power to act on behalf of the entire council. As result, the Committee's work is advisory in nature and should serve as recommendations to be presented to the Committee of the Whole. Final action would require a vote of the entire Council.

The proposed job description, as drafted, provides in pertinent part as follows:

The Director is appointed by the vote of sitting Council Members upon the recommendation of the City Council's Personnel Committee and serves at the pleasure of the City Council Members. The Director is an at will employee of the Detroit City Council, is not subject to state personnel system law, and receives the same benefits as other city employees. The Director is administratively accountable to the City Council President as the Detroit City Charter mandates under Section 4-104. (Emphasis added).

While not expressly stated, it appears as though the Personnel Committee will review the resumes of all prospective candidates, determine which candidates meet the minimum requirements, and submit a recommendation to the entire Council for approval.¹ If the Committee uses this method, it would be engaging in a deliberative or decision-making process in order to narrow the field to a single candidate. Absent a Charter provision, ordinance or resolution delegating that authority, the Personnel Committee does not have the power to act in that capacity on behalf of the entire Council.

Other issues of note that may need to be resolved include:

- The date by which all resumes must be received in order for a candidate to be considered for the position
- The manner in which the resumes will be collected and whether copies will be provided to the entire Council
- The dates on which the candidates will be interviewed and whether they will be interviewed by the Personnel Committee or the entire Council.

II. Budgetary analysis

The job description states that the Director will perform legislative and budgetary analysis, as assigned by this Honorable Body. Currently, the Research

practice and does not go presently assigned to RAD.

III. Liaison for City Council

Similarly, with regard to Director should serve a Council, this element of the position does not appear to be a the present duties. At the Council, any staff member liaison on behalf of Council, for example, a member of the Board serves as this Honorable Representative on the Board of Empowerment Zone Development Corporation.

We hope that the foregoing will be of assistance to you. If you have any additional concerns.

¹Previously, the Personnel Committee reviewed applications and resumes, which were provided to each member of the Council. The members reviewed the resumes and selected candidates which met the minimum requirements. Interviews were conducted by the Council of the Whole. The entire body narrowly selected a final candidate.

STATEMENT OF COUNCIL SHARON McPHAIL IN OF RESOLUTION TO SCHEDULE INTERVIEWS OF CANDIDATES CITY COUNCIL RESEARCH ANALYSIS DIVISION

On this date, five members of the Detroit City Council voted to schedule interviews of five (5) candidates for the Director's position vacated by the resignation of the former Director.

This resolution is a purely advisory resolution to schedule the public interviews.

As usual, two members of the Council may delay the process and accuse the Council of violating the City of Detroit.

The members of the Council are not here to serve the interests but to serve the City of Detroit.

The Council is advised that the City of Detroit Department, but the primary responsibility is the Executive Law Department is the Executive. Often, Council disagreement with the Executive and a need arises from our RAD lawyers. It is important that a permanent Director be chosen for important policy matters.

The effort by two members of the Council in this process is based upon a relationship with the former Director.

**STATEMENT BY COUNCIL MEMBER
S. COCKREL IN SUPPORT OF
RESOLUTION TO UTILIZE DRUG
FORFEITURE FUNDS FOR YOUTH
LEADERSHIP PROGRAMS**

On Wednesday, May 5, 2004, I voted in
support of the resolution referenced
above. The resolution sets forth the policy
that the City will seek to apply drug forfei-
ture funds for youth leadership programs.
This will be done only with the concu-
rence of the United States Department of
Justice (USDOJ) in using allowable federal
drug forfeiture funds by identifying
agencies to implement leadership devel-
opment activities supporting drug preven-
tion initiatives.

The law is strict as it relates to the
expenditure of drug forfeiture proceeds
and there are distinct rule and regulations
that need to be examined and complied
with during the development of any pro-
gram in this area. Of special concern are
those guidelines in the USDOJ publica-
tion, "A Guide to Equitable Sharing of
Federally Forfeited Property for State and
Local Law Enforcement Agencies." The
guide describes permissible pass-
throughs to other agencies and provides
for deadlines for submission of requests
to share proceeds. In this regard, a spec-
ific issue that will need to be addressed
is the question of whether drug forfeiture
funds may be used in the form of stipends
for program participants, as opposed to
trainers.

I supported this resolution because it is
an innovative way to explore using fund-
ing to improve drug law enforcement
efforts. At the same time, I stress that in
order for any program to be successful, it
is crucial that the City develop the pro-
gram while carefully taking into consid-
eration the myriad laws and rules that regu-
late the use of drug forfeiture funds.

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Eighty-Four Thousand Five Hundred Dollars and No Cents (\$84,500.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Eighty-Four Thousand Five Hundred Dollars and No Cents (\$84,500.00) and that your Honorable Body direct the Finance Director to draw a warrant upon the proper fund in favor of the City of Detroit and his attorney Frederic J. Prather, in the amount of Eighty-Four Thousand Five Hundred Dollars and No Cents (\$84,500.00) in full payment for any and all claims which Clarissa Prather may have against the City of Detroit by reason of alleged injuries sustained on or about October 14, 2001, and that said amount be paid upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 03-301839 NO, approved by the Law Department.

Re: Alberta Hansbrough v. City of Detroit.

Case No.: 03-3322703 NO, File No.:

A19000.002674 (SH).

On April 26, 2004, a case evaluation panel evaluated the above-captioned lawsuit and awarded Five Thousand Dollars (\$5,000.00) in favor of Plaintiff. The parties have until May 24, 2004, to either accept or reject the case evaluation. Failure to file a written acceptance or rejection within this period constitutes a

member of your Honorability considered opinion that a case evaluation award is in the best interest of the City of Detroit.

We, therefore, request your Body to authorize acceptance of the case evaluation award; and, in the event Plaintiff accepts the award, to authorize acceptance as a settlement of the case. We request the Finance Director to issue a check in the amount of Five Thousand Dollars (\$5,000.00) payable to Plaintiff's attorney, and Alberta Hansbrough delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Law Department Case No. 3322703 NO, approved by the Law Department.

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on April 7, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has entered into an approved Tax Payment Plan to pay the current taxes due as of September 5, 2001.

The proposed use of the property is rehabilitation and sale.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabili-

building permits

- Certificate of Approval as a result of a Housing Inspection

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined in #1 above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been met or that substantial progress toward rehabilitation has been made. If the building becomes open to trespass or if conditions of the deferral are not complied with, we will proceed with demolition without further hearings. We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

Re: 3637-9 Medbury. January 16, 2002 (J.C.C. pp. 194-6).

Pursuant to this deferral request we provide the following information:

The above referenced building first came into our Dangerous Building inventory via a complaint filed August 24, 1999. It first came before your Honorable Body on July 23, 2001 and was withdrawn. It came before your Honorable Body for a second time on January 14, 2002 and was ordered demolished. Your Honorable Body granted a deferral of this demolition order on April 30, 2003. A permit for general repairs was secured May 30, 2003 and subsequently cancelled for "Lack of Progress". On November 19, 2003 we notified your Honorable Body that we were proceeding with the demolition as originally ordered, for failure to maintain the conditions of the deferral. We have also incurred the expense of barricading this building to maintain it in a safe condition until we can proceed with the ordered demolition. There has been absolutely no improvement of the condition of this building or progress toward renovation since the original complaint in August of 1999.

We, therefore, recommend that your Honorable Body deny this request, for a second deferral, and we shall continue to proceed with demolition as originally ordered.

Honorable City Council:

Re: Neighborhood Enterprise Zone
 (NEZ) Certificate Application for
 2197 Marlborough in the Far East
 Side Area (Recommend Approval).

The City Clerk's Office forwarded to this
 office an application from Ms. Ernestine
 White for a Neighborhood Enterprise
 Zone (NEZ) certificate for 2197
 Marlborough within the Far East Side
 NEZ.

The Far East Side NEZ was approved
 by City Council on September 18, 2002.
 The petitioner is proposing to rehabilitate
 an owner-occupied duplex.

The subject property is confirmed as
 being within the boundaries of the NEZ
 and should be eligible for NEZ certificates
 under State Act 147 of 1992 as currently
 written. It appears that the request for cer-
 tificates has been filed prior to construc-
 tion, as the State Act requires. The 2003
 True Cash Value of the property was
 \$9,690, well below the maximum of
 \$80,000 per unit allowed by the State Act.

The City Planning Commission staff,
 therefore, recommends approval of the
 requested certificate in the Far East Side
 NEZ. Please contact Mr. Gregory Moots
 of my staff at 224-2110 with any ques-
 tions.

Re: Neighborhood Enterprise Zone (NEZ) Certificate Applications for 2221 and 2531 Marlborough in the Far East Side Area (Recommend Approval).

The City Clerk's Office forwarded to this office applications from Hosie Jones and Delois Jones for Neighborhood Enterprise Zone (NEZ) certificates for 2221 and 2531 Marlborough within the Far East Side NEZ.

The Far East Side NEZ was approved by City Council on September 18, 2002. The petitioners are proposing to rehabilitate owner-occupied duplexes.

The subject properties are confirmed as being within the boundaries of the NEZ and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. It appears that the request for certificates has been filed prior to construction, as the State Act requires. The 2003 True Cash Value of 2221 Marlborough was \$9,282 and 2531 Marlborough was \$6,434, both well below the \$80,000 per unit maximum allowed by the State Act.

The City Planning Commission staff, therefore, recommends approval of the requested certificates in the Far East Side NEZ. Please contact Mr. Gregory Moots of my staff at 224-2110 with any questions.

The Riverfront Towers NEZ was approved by City Council on November 19, 2003. The developer is proposing to rehabilitate the 295 apartments in towers 200 and 300 of the Riverfront Towers complex, as well as the common areas and systems of the towers. The units are being converted into condominiums, and the developer states that the tax benefits from the NEZ certification make the cost of the condominium units roughly equal to the rent paid for the apartments.

The subject properties is confirmed as being within the boundaries of the NEZ and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. It appears that the request for certificates has been filed prior to construction, as the State Act requires.

The City Planning Commission staff, therefore, recommends approval of the requested 295 NEZ certificates in the Riverfront Towers NEZ district. Please contact Mr. Gregory Moots of my staff at 224-2110 with any questions.

Re: Neighborhood Enterprise Zone Certificate Applications for 1485 18th Street, 1730 St. Anne, 1734 St. Anne, 1736 St. Anne and 1740 St. Anne (Recommend Approval).

The City Clerk's Office forwarded to this office applications from the Bagley Housing Association for Neighborhood Enterprise Zone (NEZ) certificates for 5 properties, which include 1 existing vacant single family house and 4 existing vacant townhomes at the above-mentioned addresses.

City Planning Commission staff's research indicates that all of the above properties are within the boundaries of the Bagley NEZ, which was approved by City Council in September, 1998.

It is expected that about \$130,000 will be spent to rehab each of the properties. It is anticipated the rehab work will be completed around August, 2004. Currently, it appears that all of the units have a true cash value of less than \$80,000. The Bagley Housing Association is applying for the certificates, prior to the issuance of building permits, on behalf of the future owners of the property.

Based on the above analysis, CPC staff recommends approval of the subject NEZ certificates within the boundaries of the Bagley NEZ area. Please contact us should you have any questions.

properties, which are vacant houses, at the above-mentioned addresses.

City Planning Commission research indicates that the properties are within the bounds of the Hubbard Farms NEZ, approved by City Council in 2002.

It is expected that about \$100,000 will be spent to rehab each of the properties. It is anticipated the rehab work will be completed around August 2004. Currently, it appears that both properties have a true cash value of approximately \$80,000. The Bagley Housing Association is applying for the certificate of approval. Issuance of a building permit will be required of the future owner of the properties.

Re: Establishment of a Neighborhood Enterprise Zone (NEZ) (rh).

Attached please find a resolution and legal description which will establish the West Town I Neighborhood Enterprise Zone in accordance with Public Act 147 of 1992 ("the NEZ Act").

Recall that the establishment of the NEZ was requested by the Community Planning Association and the Urban Development Group. These entities propose to invest \$5,425,000 to construct 31 single family 3 and 4-bedroom homes on scattered sites throughout the NEZ.

The public hearing required by the NEZ was held by your Honorable Body on March 18th. No impediments to the estab-

lic hearing and the date of the resolution establishing the NEZ. Therefore your Honorable Body is requested to adopt the attached resolution at the session of May 5th, and wish you to do so.

Re: Property For Sale By Development Agreement. Development: Parcel 250A, located on the south side of Mack between Alter & Philip.

We are in receipt of an offer from Land Assembly for Neighborhood Development, a Michigan Non-Profit Corporation, to purchase the above-captioned property for the amount of \$41,300 and to develop such property. This property contains approximately 92,538 square feet and is zoned PD (Planned Development District). Once Land Assembly for Neighborhood Development has acquired the City-owned property, it will be combined with property they already own and transferred to Mack-Alter LLC, a Michigan Limited Liability Company, for the development of Mack Alter Square shopping center. The entire site contains approximately 217,881 square feet or 5 acres.

Mack-Alter, LLC, will construct a new retail shopping center. The shopping center will contain three (3) new structures with retail space to accommodate up to sixteen (16) shops. Stores will include a national grocery chain, national pharmacy and a larger Family Dollar store and other in-line tenants. The site will provide paved surface parking for the storage of licensed operable vehicles and any area not paved will be adequately landscaped to establish a buffer between the commercial and residential uses. tion Department has declared the south
50 feet of 311 Harper surplus to its needs
and requests the Planning and
Development Department to assume
jurisdictional control of the property and
that it be included in the land transaction
with Oakland Avenue Missionary Baptist
Church. As part of this transaction, the
church will convey its property at 247 and
301 Harper to the Planning and
Development Department, who in turn will
transfer jurisdiction to the Recreation
Department. At this juncture, the Planning
and Development Department will convey
to Oakland Avenue Missionary Baptist
Church, 253, 325 Harper and the south
50 feet of 311 Harper.

The Recreation Department agrees to
allow the church to build to the west prop-
erty line of 301 Harper. The development
will consist of the construction of a 10,000
square foot building with a connecting
breezeway. Oakland Avenue Missionary
Baptist Church will in turn vacate their
rights to the alley adjacent to this prop-
erty with these rights being conveyed to the
Recreation Department, thereby allowing
the Recreation Department a much need-
ed access to their property. Along with this
conveyance, an overall landscape design
will be developed to complement the
adjacent properties. The Planning &
Development Department has reviewed
this proposed land exchange and devel-
opment and determined this to be a fair
and equitable exchange.

We, therefore, request that your
Honorable Body adopt the transfer of land
and authorize the Planning and

Jefferson at the Arena Garage cannot jus-
tify the continued flashing operation of the
traffic signal at this location and the signal
was placed on flashing operations in
1986.

**7. French-McNichols, on flash since 2-
9-1988**

As part of Detroit City Airport
Expansion Project, McNichols was per-
manently closed between French and
Conner in 1988 and the signal was placed
on flashing operation at that time. The low
traffic volume at this location cannot justi-
fy the continued flashing operation of the
traffic signal and therefore it is recom-
mended for removal. The intersection will
operate on "stop" sign control for NB
French upon removal of the signal.

**8. Canfield and Russell, on flash since
5-8-1991**

As part of the Pepsi Plant
Development, Russell Street was closed
permanently between Canfield and Mack
in 1991 and the signal was placed on
flashing operation at that time. Since then
the intersection operates on "stop" sign.
The low traffic volume at this location
cannot justify the continued flashing oper-
ation of the traffic signal and therefore it is
recommended for removal.

**9. Lynch-Mt. Elliott NB Service Dr., on
flash since 12-05-1991**

Due to the changes in traffic conditions
with the construction of the new Lynch
bridge overpass near Mt. Elliott, the signal
was placed on flashing operation in 1991.
The low traffic volume at this location
does not justify the continued flashing
operation of the traffic signal and there-
fore it is recommended for removal. The
intersection will operate on "stop" sign
control for the Mt. Elliott Service Drive
upon removal of signal.

**10. Lafayette-Fourteenth, on flash
since 12-11-1991**

Due to the discontinuation of
Fourteenth Street north of Lafayette and
very low traffic volume, the signal was
placed on flash on December 11, 1991.
The continued flashing operation of the
signal is not justified and therefore it is
recommended for removal. The intersec-
tion will operate on "stop" sign control for
Fourteenth upon removal of the signal.

**11. Garland-Kercheval, on flash since
9-27-1995**

A new traffic signal was installed at
Kercheval and Hurlbut for **Scripps
Elementary School** in 1995 and due to
the proximity of the existing signal to the
new signal, the signal at Garland-
Kercheval was placed on flash in 1995.

12. Mt. Elliott-Palmer, on flash since 2-29-1996

Due to the plant closures in the area and the proximity of the signal to the Grand Blvd.-Mt. Elliott location the signal was placed on flash in 1996. The low traffic volume on Garland Street does not justify the continued operation of the traffic signal and therefore it is recommended for removal. The intersection will operate on "stop" sign control for Palmer upon removal of the signal.

13. Howard and First, on flash since 7-13-1996

The Howard Street and First Street are closed off and permanent concrete barricades are installed due to the security reasons around the McNamara Federal Building in 1996. Access to the intersection is not permitted and therefore signal is recommended for removal. No traffic control is needed upon removal of the signal.

As such, the Department of Public Works respectfully request the adoption of the attached resolution for the removal of the traffic signals at the above mentioned thirteen (13) locations.

Respectfully submitted,
JAMES A. JACKSON
Director

By Council Member S. Cockrel:

Honorable City Council:

Re: Petition No. 682 — Shirley Zimberg et. al., requesting conversion of alley to easement in the area of James Couzens, Hartwell and Curtis.

Petition No. 682 of "Shirley Zimberg et. al.", request conversion of the North-South public alley, 18 feet wide, in the block bounded by James Couzens Service Drive, Curtis Avenue, 66 feet wide, Pickford Avenue, 50 feet wide, Snowden Avenue, 60 feet wide, and Hartwell Avenue, 60 feet wide into a private easement for public utilities.

The request was approved by the Solid Waste Division-DPW, and the Traffic Engineering Division-DPW. The petition was referred to the City Engineering Division-DPW for investigation (utility review) and report. This is our report.

If the petitioner at any time plans to discontinue use of the paved alley entrance (into Hartwell Avenue), the petitioner shall pay all incidental removal cost.

All other city departments and private utility companies have reported no objection to the conversion of public right-of-way into private easement for utilities.

Provisions protecting utility installations are part of this resolution.

 ment of (4) monitoring wells

mental Consultants Inc.”, requests permission to install and maintain four (4) monitoring wells within the Easterly portion of East-West open public alley, 20 feet wide, behind 1830 East Eight Mile Road, a Amoco Service Station. The purchase of the bored wells is to monitor the existence or extent of soil contamination. The encroachment petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

Soil borings and monitoring wells installations are equivalent to an “open cut” in a public street or alley. Necessary permits will have to be obtained for any street or alley opening, backfill, or occupancy of the City right-of-way to install

feet between DWSD sewers, drains, water mains, fire hydrants, catch basins, sewer and water manholes (and any other DWSD facility) and the proposed monitoring wells.

All other city departments and privately-owned utility companies have requested that the petitioner make use of the "MISS DIG" facilities before any soil borings or permanent monitoring wells are installed in the public (street or alley) rights-of-way. Should damages to the utilities occur the petitioner shall be liable for all claims and damages to the encroaching installations.

Finally, the City Engineering Division — DPW will require "Delta Environmental Consultants Inc." to submit certified "as-built" drawings, a map and survey showing exact location of the petitioner's completed permanent monitoring well installations within the public rights-of-way.

An appropriate resolution, granting the encroachments, is attached for consideration by your Honorable Body.

RESOLUTION

By COUNCIL MEMBER WATSON:

WHEREAS, Exactly 50 years ago, on May 17, 1954, at 12:52 p.m., the Supreme Court issued its landmark case of *Brown v. Board of Education*, which outlawed segregated public schools and

WHEREAS, Educational opportunities for many children of color remain and woefully inadequate to prepare them for careers, or in many cases, for meaningful, gainful employment;

WHEREAS, Some educationists have observed that one of the major impediments to quality education for Black students is the "tracking" of these children (even talented children) into special education groups and "special education" programs intended for students who are not at standard levels; and

WHEREAS, The failure to provide quality education to many young people of African descent results in overrepresentation in the prisons, juvenile detention rooms, and unemployment lines;

WHEREAS, The ongoing denial of quality education opportunities to children of African descent in Detroit creates practices such as the "tracking" of these children; and

WHEREAS, Organizations such as the Southern Christian Leadership Conference, National Coalition for Reparations in America, the National Conference of Black Leaders, the Century Youth Leadership Initiative, and the National Voting Rights Movement

Testimony collected at the hearing shall be analyzed and used to develop policies to remedy or repair current practices that maintain inequities in the treatment of underserved students; and

The hearings are also intended to educate and mobilize community members to demand for an end to discrimination;

WHEREFORE BE IT RESOLVED, That the City Council for the City of Detroit affirms the ongoing objective of providing the highest quality education to all children regardless of race, ethnicity, or other factors; and

AND FURTHER RESOLVED, That to the extent the objectives of the *Brown v. Board of Education* decision are met, the City of Detroit will, where possible, hearings on discrimination to be conducted in partnership with concerned organizations.

Re: Address: 4533 Allendale. Name: LaTonya N. Turner. Date ordered removed: February 4, 2004 (J.C.C. p.).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following

The proposed use of the owner occupancy.

Therefore, it is recommended that the demolition order be deferred for three (3) months subject to the following conditions:

1. The building shall be securely barricaded until removal is complete. All relevant permit work shall be obtained. Removal is to be complete within three months, at which time the owner shall obtain one of the following from the department:

- Certificate of Acceptance for building permits
- Certificate of Approval from Housing Inspection

2. The owner shall not occupy the structure until a certificate (as outlined above).

3. The yards shall be maintained free of weeds, junk and debris.

We recommend that utility actions cease to allow the property to be rehabilitated.

At the end of the deferral period, the owner must contact this department to arrange an inspection to determine if conditions of the deferral are being maintained and that there is substantial progress toward removal. If the building becomes open to the public if conditions of the deferral are not maintained, we will proceed with removal without further hearings. Property Maintenance and Municipal Civil Infractions will issue the appropriate violation.

Re: Address: 8418 W. McNichols. Name: Azziem Shah. Date ordered removed: February 21, 2001 (J.C.C. p. 564).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:
A special inspection on May 7, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of May 6, 2004.

The proposed use of the property is owner occupancy.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits

Honorable City Council:

Re: Address: 11515 Mendota. Name: Charlie Fobbs. Date ordered removed: February 25, 2004 (J.C.C. p.).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on April 16, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of April 13, 2004.

The proposed use of the property is owner occupancy.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If

issue the appropriate violation.

Whereas, On July 23, 2003, the Court appointed Sheryl Robinson, with the assistance of Kroll, Inc., as Independent Monitor in this matter; and

Whereas, The Independent Monitor has issued two quarterly reports dated January 20, 2004 and April 15, 2004; and

Whereas, The April 15, 2004 report indicated that while some progress has been made by the City of Detroit, there are other major concerns remaining by the Monitor as listed below:

A. Failure to develop and issue effective policies that adhere to the Consent Judgments

B. Outstanding unresolved interpretation and/or implementation issues

C. Ability to meet court-mandated deadlines which require substantial financial resources, to which the City will need to comply with as stated in a large number of Conditions of Confinement Consent Judgment paragraphs that deal with physical remediation efforts

D. Unacceptable physical conditions of the holding cells in the Third and Fourth Precincts which require that the Detroit Police Department make an immediate decision as to whether to shut down the facilities immediately or upgrade these short term facilities; and

Honorable City Council:

Re: Request Approval to Award for the Detroit Police Bureau from the Michigan Commission on Law Enforcement Standards (MCOLES).

This correspondence provides a synopsis of a grant from the Michigan Commission on Law Enforcement Standards (MCOLES) with your approval for acceptance.

MCOLES has awarded the Bureau of the Detroit Police a grant for **\$16,642.00 (w/match)**. The grant is entitled **"the 21st Century."** Directed by Scott, of the Training Bureau, as the Project Director.

The grant is designed to enhance the skills of police officers and align with the law enforcement of the 21st Century. New crime budget constraints, and especially has forced law enforcement to develop new crime fighting and approaches. This grant will allow Detroit area police and city officials from the Detroit area to engage in public dialogue and to develop public safety fighting action plans.

The Board of Police Commissioners has approved this request. I have respectfully requested that your Honorable Body adopt the attached resolution authorizing the City of Detroit to accept the MCOLES award.

As always, I am available for your convenience, should you have any questions or concerns.

By Council Member S. Cockrel:

AN ORDINANCE to amend Chapter 1 of the 1984 Detroit City Code, titled "General Provisions," by amending Section 1-1-9 to provide, in accordance with state law, that a violation of the City Code may be designated a blight violation and be subject to a civil monetary fine, and to authorize a City department or agency to designate public servants to issue and serve blight violation notices.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 1 of the 1984 Detroit City Code be amended by amending Section 1-1-9, to read as follows:

Sec. 1-1-9. General penalty, and municipal civil infractions, blight violations; continuing violations; denial, suspension, and revocation of licenses and permits; abatement of violations; issuance and service of appearance tickets, citations, complaints, and notices by public servants.

(a) Whenever in this Code, or in any

provided therefore, any person convicted for the violation of a provision of this Code, or any rule promulgated pursuant thereto, shall be punished by a fine not exceeding five hundred dollars (\$500.00) or a term not to exceed ninety (90) days, or both such fine and imprisonment, in the discretion of the court, for each offense.

(b) Notwithstanding Subsection (a) of this section and in accordance with law Chapter 87 of the Michigan Judicial Code Act, being MCL 87.1 to 87.10, sec. and as specifically authorized by the City Code, the City may determine that a violation of this Code, or any rule or regulation promulgated pursuant thereto, shall be decriminalized, cease to constitute a misdemeanor, and be deemed a civil infraction that is subject to the imposition of a civil monetary fine.

(c) Notwithstanding Subsection (a) of this section and in accordance with Section 4l(4) of the Michigan Cities Act, being MCL 117.1 to 117.10, specifically authorized by the City Code, the City may determine that a violation of this Code be decriminalized, cease to constitute a misdemeanor, and be designated a civil violation that is subject to the imposition of a civil monetary fine.

~~(d)~~(d) Each day that any person violates any provision of this Code, or any rule or regulation promulgated pursuant thereto, shall constitute a continuing offense.

~~(d)~~(e) The ~~revocation or suspension, or revocation of a~~ City permit pursuant to this section shall bar the imposition of any penalty provided for in this section.

~~(e)~~(f) In addition to penalties provided for in this section, the commission of any act which constitutes a violation of this Code, or any rule or regulation promulgated pursuant thereto, may be abated by the City.

~~(f)~~(g)(1) Where any City department or agency, that is specifically authorized by the Charter or by this Code, shall enforce and enforce any provision of this Code, or any rule or regulation promulgated pursuant thereto, such City department or agency shall designate public servants employed by the City, who shall exercise current authority with police powers to enforce any provision of this Code, or any rule or regulation promulgated pursuant thereto, with respect to the parties to the offenses that the subject City department or agency is authorized to enforce.

(2) Any public servant designated by the City who is designated

...to a particular class of persons less than felony grade if a public servant has reasonable cause to believe that the person has committed a crime.

All ordinances, or parts of them, that conflict with this ordinance are repealed.

This ordinance is declared to be necessary for the preservation of the public health, safety, and welfare of the City of Detroit.

If any section, sentence, clause, or word of this ordinance is held to be invalid or unconstitutional by a competent jurisdiction, such invalidity shall not affect the validity of the remaining sections, sentences, clauses, or words of this ordinance.

In the event that this ordinance is adopted by a two-thirds majority of the City Council Members serving, it shall have immediate effect and shall become effective upon publication in the City Charter. Where this ordinance is adopted by less than a two-thirds majority of City Council Members, it shall become effective no later than 30 days after enactment, or the next business day thereafter in accordance with Section 4-115 of the City Charter.

ON SETTING HEARING

Member S. Cockrel:
That a public hearing will be held in the Committee Room, Room 1000 of the Coleman A. Young Administration Center on THURSDAY, JULY 1, 1984, at 10:00 A.M., for the purpose of determining the advisability of adopting the proposed ordinance to amend Section 1 of the 1984 Detroit City Code, "General Provisions," by adding Section 1-1-9 to provide, in accordance with state law, that a violation of the Code may be designated as a blight violation and be subject to a civil penalty, and to authorize a City agency to designate public nuisances and serve blight violation notices, at which time all interested persons are invited to be present to be heard on their views.

It follows:

Council Members Bates, S. G. Collins, Everett, McPhail,

Detroit City Code by adding Chapter 8.5, titled 'Blight Violations', which shall consist of Article I, titled 'In General', Section 8.5-1-1, Article II, titled 'Blight Violation Actions', consisting of Division 1, titled 'In General', Sections 8.5-2-1 to 8.5-2-3, and Division 2, titled 'Blight Violation Notices', Sections 8.5-2-11 to 8.5-2-19, and Article III, titled 'Administrative Hearings', consisting of Division 1, titled 'Hearings Department', Sections 8.5-3-1 to 8.5-3-6, and Division 2, titled 'Hearings Officers', Section 8.5-3-21 to Section 8.5-3-22, to provide, in accordance with state law, a bureau for administrative hearings to adjudicate City ordinance violations designated under the City Code as blight violations, to make determinations of responsibility for blight violations, and to impose civil fines, fees, costs, and other sanctions for blight violations.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. The 1984 Detroit City Code, be amended to add Chapter 8.5, titled 'Blight Violations', consisting of Article I, titled 'In General', Section 8.5-1-1, Article II, titled 'Blight Violation Actions', consisting of Division 1, titled 'In General', Sections 8.5-2-1 to 8.5-2-3, and Division 2, titled 'Blight Violation Notices', Sections 8.5-2-11 to 8.5-2-19, and Article III, titled 'Administrative Hearings', consisting of Division 1, titled 'Hearings Department', Sections 8.5-3-1 to 8.5-3-6, and Division 2, titled 'Hearings Officers', Section 8.5-3-21 to Section 8.5-3-22, to read as follows:

Sec. 8.5-2-2. Civil fines for blight violations.

(a) Civil fines for blight violations shall be established in the same manner as provided in this Code by an ordinance that contains the provisions of this Code and is subject to the approval of the Department.

(b) A civil fine paid within the time period may be decreased by a flat amount or by a percentage, as specified in a substantive City ordinance that addresses the blight violation.

(c) A civil fine not paid within the time period, or a civil fine for a repeat offense, may be increased by a flat amount or by a percentage, as specified in a substantive City ordinance that addresses the blight violation.

(d) In accordance with Section 4q(3) of the Michigan Home Rule Cities Act, being MCL 117.4q(3), the civil fine for a blight violation which is delineated in this Code may not exceed ten thousand dollars (\$10,000).

(e) Each day that a blight violation continues shall constitute a separate blight violation, and, upon a blight violation determination, the violator shall be subject to a civil fine for each violation.

Sec. 8.5-2-3. Schedule of blight violation notices.

(a) The director of the Department shall forward a copy of the ordinance that establishes the schedule of blight violation notices to the Department prior to the date of the ordinance.

(b) In accordance with the provisions specified in this Code, the Department shall compile a schedule of civil fines for blight violations which shall be made available by the Department.

(c) The schedule of civil fines shall be posted at the Department.

(d) The payment of a civil fine for one (1) or more blight violations shall be made in cash, or through the use of a money order that shall be payable to "Treasurer, City of Detroit".

b. Based upon investigation of a complaint by someone who allegedly witnessed the person commit a blight violation, the authorized local official has reasonable cause to believe that the person is responsible for a blight violation and the Corporation Counsel, or a designated assistant corporation counsel, provides written approval for issuance of the blight violation notice;

(2) A blight violation notice that is signed by an authorized local official shall be deemed to be made under oath where the violation(s) alleged in the blight violation notice occurred in the presence of such official and the blight violation notice contains the following statement immediately above the date and signature of the official: "I declare under the penalties of perjury that the statements above are true to the best of my information, knowledge, and belief";

(3) An authorized local official who witnesses a person commit a blight violation shall prepare and subscribe, as soon and as completely as possible, the requisite blight violation notice;

(4) The date and time for appearance contained within a blight violation notice shall be within the requisite period after issuance as specified by the rules and regulations adopted by the Department in accordance with Section 2-111 of the 1997 Detroit City Charter, provided, that the hearings shall not be scheduled earlier than fourteen (14) days after the service of the blight violation notice on the violator, unless one (1) or more blight violation(s) constitutes an emergency as defined in Section 8.5-1-1 of this Code; and

(5) The date of appearance shall be the date of the hearing and shall be noted on the blight violation notice.

(b) Where a landlord has registered a rental property in accordance with the City's rental inspection program in order to rent premises for residential purposes, the City shall not issue a blight violation notice during, or as a result of, an inspection of the registered rental premises unless either of the following occurs:

(1) The landlord is given a written correction notice for the blight violation(s) and a reasonable opportunity to correct the circumstances before a reinspection of the premises or a date specified in the notice; or

(2) The violation is a direct result of the landlord's action or inaction and creates an emergency, as defined in Section 8.5-1-1 of this Code, that presents an immediate risk of harm to people or damage to property including, but not limited to, a

follows:

(1) Except as provided for in Subsection 2 of this section.

a. By personally serving a blight violation notice upon the alleged violator; or;

b. By sending a blight violation notice by certified mail, return receipt requested, and delivery restricted to the addressee. Service is made when the violator acknowledges receipt of the mail. A copy of the return receipt signed by the violator must be filed with the Department by the enforcing department in accordance with the rules and procedures adopted under Section 2-111 of the 1997 Detroit City Charter.

(2) Where the blight violation notice involves the use or occupancy of land or of a building or other structure, the blight violation notice may be served upon the owner or occupant of the land, building, or structure:

a. By posting a blight violation notice on the land or by attaching a blight violation notice to the building or structure; and

b. By sending a blight violation notice by first class mail to the owner of the land, building, or structure at his or her last known address.

Sec. 8.5-2-16. Admission of responsibility with explanation, or denial of responsibility, for blight violation notice.

In the event that an alleged violator desires to admit responsibility "with explanation," or denies responsibility, the violator must appear at the Department on the date indicated on the blight violation notice. On such date, the Department shall conduct an administrative hearing pursuant to this Chapter and in accordance with its rules of procedure.

Sec. 8.5-2-17. Failure to appear for blight violation notice.

In the event that an alleged violator fails to appear or admit responsibility by mail at the Department by the date cited on the blight violation notice issued by an authorized local official, the Department shall issue a decision and order of default in accordance with its rules and procedures.

Sec. 8.5-2-18. Enforcement of final decisions and orders; collection of defaults in payment for blight violation notices; attachment, garnishment, and writs of execution.

In accordance with Section 4r(7) of the Michigan Home Rule Cities Act, being MCL 117.4r(7), where a violator defaults in the payment of a civil fine, fee, costs, or sanctions ordered by the Department regarding a blight violation notice brought by the City for a violation of this Code, the

(b) In accordance with Section 4r(7) of the Michigan Home Rule Cities Act, being MCL 117.4r(1), where a violator fails to pay a civil fine, fee, costs, or sanctions ordered by a hearing officer upon a blight violation notice brought by the City for one (1) or more violations of the use or occupation of land or of a building or other structure, the City shall enforce its lien against the land, building, or structure by recording a copy of the decision and order with the County Register of Deeds.

(1) The final decision and order shall not be recorded unless a lien on the property is incorporated into the final decision and order. The lien shall be recorded with the County Register of Deeds.

(2) The lien is immediately enforceable upon the recording of the decision and order with the County Register of Deeds.

(3) The final decision and order shall be recorded with the County Register of Deeds shall constitute a lien on the property from the date of the pendency of the lien.

(4) The City shall send a copy of the lien by first class mail to the owner of the land, of the building, or of the structure at his or her last known address.

(5) The lien may be enforced by the City in a manner prescribed by the 1997 Detroit City Charter, by this Code, and by the Michigan General Property Tax Act, being MCL 211.1 through MCL 211.79a, with the exception that such property shall be subject to forfeiture, foreclosure, or sale under Sections 78 to 79a of the Michigan Home Rule Cities Act, being MCL 211.78 to 211.79a, for the payment of a civil fine ordered by a hearing officer under this Chapter unless the property is also subject to forfeiture, foreclosure, or sale under Sections 78 to 79a of the Michigan Home Rule Cities Act, being MCL 211.78 to 211.79a, for the payment of subsequent property taxes;

Police Officer Kevin Treasvant and the City of Detroit, Wayne County Circuit Court Case No. 00-027226 CZ, on the following terms and conditions:

A. 1. The parties shall submit to arbitration all matter in controversy raised in the above-named lawsuit.

2. The maximum amount of any award to the Plaintiffs shall not exceed the amount of Two Hundred Fifty Thousand Dollars (\$250,000.00).

3. Any award in excess of \$250,000.00 shall be interpreted to be in the amount of \$250,000.00.

There shall be no costs, fees, attorney fees or interest taxable with respect to the award rendered by the arbitrators.

The award of the arbitrators shall represent a full and final settlement of any amounts due and owing to Plaintiffs for any and all claims arising out of the incident which occurred on or about September 17, 1998 at or near 14000 Block of Troester, Detroit, Michigan; however, limited judicial review may be obtained in a Michigan Federal District Court or Michigan Circuit Court of competent jurisdiction (a) in accordance with the standards for review of arbitration awards as established by law; or (b) on the ground that the arbitrators committed an error of law.

B. Promptly after the arbitrators announce their decision, the Law Department shall inform City Council in writing of that decision.

C. Upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay part or all \$250,000.00 to the Plaintiffs, the Finance Director is authorized to issue a draft drawn upon the proper account in favor of Estate of Delvitise Julious Hawkins, by his Personal Representative, Deborah Hawkins, and Deborah Hawkins, Individually and their attorneys, Thurswell Law Firm, P.L.L.C., in the amount of the arbitrators' award, but said draft shall not exceed Two Hundred Fifty Thousand Dollars (\$250,000.00).

the public which sells or serves alcoholic beverages with or without food, and either allows dancing with or without live entertainment, or provides three (3) or more live entertainers at one time with or without dancing;

Whereas, Section 5-7-13 of the 1984 Detroit City Code prohibits a Group 'A' cabaret from permitting topless adult entertainers at the location;

Whereas, Upon this Body's approval of the request for the issuance of a dance-entertainment permit by the MLCC and the City's issuance of a Group 'A' cabaret business license to Liquids, Inc., the subject location will be approved for dancing by patrons, with or without live entertainment, and entertainment in accordance with the Group 'A' cabaret business license, only;

Whereas, The Buildings and Safety Engineering Department (B&SE) reports that the location is in a Special Development District — Riverfront Mixed Use (SD4) zoning district and that the current legal, permitted use of the property is 'Class "C" Bar, Restaurant and Nightclub' by virtue of B&SE grant number 36-03 and that the continued use of location for this use is permitted under the Detroit Zoning Ordinance subject to compliance with all grant conditions, codes, and ordinances; and

Whereas, The City Council has considered the Local Approval Notice requesting approval of the issuance of a dance-entertainment permit to Liquids, Inc., for 1995 Woodbridge in accordance with its procedures and this Body's August 1, 2003 resolutions on the procedures and criteria for the approval or disapproval of the issuance of such permits;

Now Therefore It Is Resolved, Pursuant to Section 916(6)(b) of the Michigan Liquor Control Code, being MCL 436.1916(6)(b), that the Detroit City Council, approves the issuance of dance-entertainment permit to Liquids, Inc., for 1995 Woodbridge; and

May 3, 2000 (J.C.C. p. 1012).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on April 14, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of April 12, 2004.

The proposed use of the property is owner occupancy.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we will proceed with demolition without further hearings. Honorable City Council:

Re: Petition from the Laco Real Estate, L.L.C. Establishment of an Industrial Development District in the Area of 20200 Mt. Elliott (Petition #2413).

Representatives of the Planning & Development and Finance Departments have reviewed the petition of the following entity which requests the establishment of an Industrial Development District under Public Act 198 of 1974 ("the Act").

Based on discussions with company representatives and examination of the submitted petition, we are convinced this company meets the criteria for tax relief as set forth in the Act.

Petitioner: Laco Real Estate, L.L.C.
Address: 20200 Mt. Elliott

Type of Business and Investment: Laco Real Estate has acquired the 20200 Mt. Elliott property and will lease it to Hall Steel, a firm located in Holly, Michigan, which is engaged in cutting and forming steel. Hall Steel will move its operation and employment to Detroit, and invest \$662,200 in real and personal property improvements. These two closely related entities chose to relocate to Detroit rather than Melvindale based on the prospect of more favorable tax abatement benefits.

Previous Petitions

For Tax Abatement: None.

We respectfully request that a Public Hearing be scheduled on Petition #2413, in accordance with the attached resolution and legal description, for the purpose of considering the establishment of Industrial Development District.

Honorable City Council:
Re: Public Hearing on SRM Associates, L.L.C.'s Application for Tax Abatement, under Public Act 146 of 2000 ("the Act"), for Improvements at 1555 E. Jefferson (Petition No. 1960).

SRM Associates, L.L.C., has applied for tax relief on the rehabilitation of 1555 E. Jefferson (the former Riverside Ford site). The firm's investment will total approximately \$2,000,000 and will restore the property to Ford Motor Company's standards for a sales and service facility. SRM Associates applied for property tax relief under the Obsolete Property Rehabilitation Act in order to make the project financially feasible.

The Planning and Development and Finance Departments have reviewed the application and find this project meets the criteria for tax relief.

The Act requires that, prior to your Honorable Body's passage of a resolution approving the application for property tax relief, a public hearing must first be conducted. We respectfully request that such a public hearing be scheduled in accordance with the attached resolution and legal description.

Respectfully submitted,
HENRY B. HAGOOD

Director of Development Activities

By Council Member Collins:
Resolved, Pursuant to Public Acts No. 146 of the Public Acts of 2000 ("the Act") this City Council has the authority to approve "Obsolete Property Rehabilitation Exemption Certificates" within the boundaries of the City of Detroit; and

Whereas, SRM Associates, L.L.C., has applied to this City Council for approval of an Obsolete Property Rehabilitation Exemption Certificate in City of Detroit

Whereas, This Application relates to an investment which will restore the site to Ford Motor Company's standards for a sales and service facility; and

Whereas, The Act requires that, prior to approving an Application for an Obsolete Property Rehabilitation Exemption Certificate, the City Council shall provide an opportunity for a Public Hearing on the Application, at which Public Hearing representatives of any taxing authority levying ad valorem taxes within the City, or any owner of real property within the District, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter;

Now Therefore Be It

Resolved, That on the 22ND DAY OF JULY, 2004 AT 10:00 A.M. in the City Council Committee Room, 13th floor, Coleman A. Young Municipal Center, a Public Hearing be held on the Application for an Obsolete Property Rehabilitation Exemption Certificate within the District referred to above, the District being more fully described in Exhibit A attached hereto; and be it finally

Resolved, That, prior to the Public Hearing, the City Clerk shall give notice of the Public Hearing to the general public by publication and shall give written notice by certified mail to the taxing authorities and to the owners of all real property within Obsolete Property Rehabilitation District No. 22.

CERTIFICATE AGREEMENT

THIS AGREEMENT, made this _____ day of _____, 200____ by and between the City of Detroit, acting by and through its Planning and Development Department ("the City") and SRM Associates, L.L.C. ("Applicant").

WITNESSETH:

WHEREAS, The Applicant has submitted an Application ("Application"), a copy of which is attached hereto as Exhibit "A," to the City for adoption of a resolution giving the City's approval of an Obsolete Property Rehabilitation Exemption Certificate ("OPREC") pursuant to Public Act 146 of 2000, as amended, being Section 125.2781 et seq. of the Michigan

rehabilitation of obsolete property to facilitate redevelopment, recondition and expand the use of the City of Detroit; and

WHEREAS, This policy is part of the City of Detroit's Economic Development strategy to identify and facilitate opportunities for clean up and redevelopment of residential, commercial and industrial sites; and

WHEREAS, The Applicant's proposed real property improvement project in the course of reopening an auto repair and service operation at the site;

WHEREAS, As part of the process for an OPREC, the Applicant has submitted an employment plan to the Detroit Human Rights Department as a copy of the employment plan attached hereto as Exhibit "B") where the Applicant represented that during the term of the OPREC it shall not discriminate in its employment practices because of an individual's age, sex, race, color, religion, marital status, national origin, sexual orientation, physical or disabling handicap, and that the Applicant shall take affirmative action to recruit and hire minority persons and women in accordance with specified targets;

WHEREAS, To encourage investment in an OPREC and in recognition of the investments the City will make in the economic growth of the Applicant, the Applicant in turn will benefit the City, and the Applicant agrees as follows:

1. General.

a. The Applicant will make property improvements, as set forth in the Application.

b. The Applicant will be required to hire forty (40) new full time employees within two years of the date that the Applicant receives approval by the Michigan Tax Commission.

c. The Applicant will retain Three (3) full time employees for a period of (2) years from the Approval.

Forty three (43) full time employees within two years from the date of the Agreement and throughout the term of the Agreement.

For purposes of this Agreement, the term "full time employee" shall include any person who is employed by the Applicant on a full time wage, commission, or other basis for a minimum period of forty (40) hours per week; and 2) from whose income the Applicant is required to withhold for City income taxes.

2. Annual Affirmative Action Report
Applicant

Information Report (Form EEO-1) in writing by the Human Resources Department of the City, the Applicant also submit to the Human Resources Department of the City an Affirmative Action Plan which sets forth affirmative action goals of the Facility, and the means the Applicant intends to effectuate the same. The provisions of the Affirmative Action Plan must be approved by the City Human Rights

Status Report by the Applicant on or before February 1, 2004, and thereafter, throughout the term of the OPREC, the Applicant shall submit to the City a certified status report (referred to as the "Certified Status Report") signed by an officer of the Applicant. The report shall set forth the affirmative action accomplishments, the average number of full-time employees at the Facility during the calendar year preceding the Status Report, and the average number of full-time employees at the Facility during the calendar year preceding the Status Report. For purposes of the report, the average full-time employees shall be computed as the average of the number of full-time employees at the Facility on March 31st, June 30th, September 30th, and December 31st of the calendar year preceding the Status Report. The report shall be in substantially the same form as attached hereto as Exhibit "C".

6. Payment of Abated Taxes for Shortfall of Employment.
The Applicant agrees to provide the City with sufficient information, and the City shall review and audit the information provided by the applicant, in order to determine compliance with this agreement. If the Applicant fails to provide the City with information satisfying the requirements of this Section, the Applicant will pay to the City, the Michigan State Tax Commission, in a form approved by the City and MESC, to use for the appropriate MESC documents, but not limited to, the Affirmative Action Worksite Report, to verify the number of full-time employees stated in the Status Report. In the event the Applicant fails to provide the City with the information required to be provided under this Section, the Applicant shall reimburse the City for the costs, including attorney's fees,

The City may, in its sole discretion, request that the Michigan State Tax Commission reduce the remaining term of the OPREC or revoke the OPREC if: 1) the Applicant fails to provide the City with the information or Affirmative Action Plan required to be provided to the City under Section 2 above; 2) the affirmative action accomplishments at the Facility are less than those to which the Applicant committed itself in the most recent affirmative action plan approved by the City Human Rights Department, due to the failure of the Applicant to use its best efforts to effectuate the Affirmative Action Plan; or 3) if the Facility cost is less than that to which the Applicant committed itself in the Application; or 4) the Applicant failed to pay the prevailing wages for construction work on the project for which it is seeking an OPREC. Prior to taking any action to request reduction of the term of the OPREC or revocation of the OPREC, the City must afford the Applicant an opportunity to present at a public hearing reasons for any shortfall by the applicant in its compliance with this Agreement.

6. Payment of Abated Taxes for Shortfall of Employment.
If the average number of new and retained full-time employees at the facility during the calendar year preceding the date of the Status Report is less than the number of new and retained employees set forth in section 1 above, the Applicant agrees to pay the City, in addition to the Obsolete Properties Tax due under the OPREC on the Facility, an amount equal to the difference between the amount of ad valorem tax otherwise due on the Facility without the OPREC, and the amount of Obsolete Properties Tax due on the Facility under the OPREC, for the calendar year preceding the Status Report, multiplied by a fraction, the numerator of which is the shortfall in the number of new and retained full-time employees indicated in the Status Report, and the denominator of which is the total number of new and retained full-time employees set forth in Section 1 above. Prior to taking any action to require the Applicant to pay any amount to the City pursuant to this Section, the City must afford the Applicant an opportunity to present at a public hearing reasons for any shortfall by the Applicant in its compliance with this agreement.

7. Reimbursement of City Costs upon Discontinuance of Operations.
a. To enable the Applicant to make the improvements as set forth in the Application, the City may incur costs for

licant agrees to reimburse the City for any such agreed upon costs incurred by the City.

b. The Applicant agrees that if during the term of the OPREC it shall decide to discontinue operations at the Facility, the Applicant shall send written notification to the Director of the City Planning and Development Department within thirty (30) days of the actual discontinuance of operations, the Applicant shall send written notification of the actual termination to the Director of the City Planning and Development Department.

8. Applicant Representations

In compliance with the Operating Procedure for Obsolete Property Tax Abatements Under Public Act 146 of 2000 adopted by the City Council on November 6, 2002 and intending to induce the City to grant an OPREC to the applicant, the applicant represents that:

a) The applicant is the owner of the obsolete property at the time of the application.

b) The obsolete facility to be rehabilitated will not include property to be used as a professional sports stadium.

c) The obsolete facility to be rehabilitated will not include property to be used, owned or operated by a casino or affiliated company as defined in the Obsolete Property Rehabilitation Act.

d) The project would not have been considered without an exemption certificate.

e) The rehabilitation project was not started prior to establishment of the district by the City of Detroit.

f) There are no delinquent taxes on the facility or the structure being renovated.

g) The project is in compliance with the zoning ordinance and Master Plan.

h) If the investment to be made by the Applicant in the rehabilitation of the obsolete facility will be \$250,000 or greater, the applicant will demonstrate a commitment to meet all requirements of Executive Order 22, Executive Order No. 4 and Executive Order No. 14 during the rehabilitation of the obsolete facility by presenting an annual plan approved by the Human Rights Department.

i) The Applicant will submit to the Human Rights Department a Contract Compliance Report (Form EEO-1) and a current Employer Information Report (Form EEO-2). And if requested will also submit an Affirmative Action Plan, to set forth future affirmative action goals of the applicant at the proposed obsolete property site and the means by which the
