Honorable City Council:

Re: Four Proposed Ordinances:

- 1) To Amend Chapter 9, Article I, of the 1984 Detroit City Code, *Detroit Property Maintenance Code*;
- 2) To Amend Chapter 24, Article I, of the City Code, *Rodent and Insect Control*;
- 3) To Amend to Chapter 50, Article VIII, of the City Code, *Sign Removal*; and
- 4) To Amend Chapter 57, Article I, of the City Code, *Weed Control*.

Pursuant to the applicable provisions of the 1997 Detroit City Charter, the above referenced four (4) proposed ordinances are being submitted to your Honorability for consideration and approval. These ordinances include a proposed revision of Chapter 9, Article I, of the 1984 Detroit City Code, the *Detroit Property Maintenance Code*, as well as proposed amendment or repeal of certain other provisions in Chapter 24, 50, and 57 of the City Code commensurate with the proposed revisions of the *Detroit Property Maintenance Code*.

The first proposed ordinance amends Chapter 9, Article I, of the City Code 1) authorizing the issuance of blight violation notices for violations of this article presently designated as municipal infractions and for the adjudication of blight violations pursuant to state law Chapter 8.5 of the City Code, B

ations; 2) revising the civil fines for certain violations of this article, and providing for the imposition of a justice system assessment fee, pursuant to state law, and an administrative fee, pursuant to Chapter 8.5 of the City Code, for blight violation notices issued under this article; 3) revising this article to require the removal of snow and ice, or abatement of the condition, within twenty-four (24) hours after the snow or ice has fallen or formed; 4) revising the provisions in this article concerning excessive weed and plant growth; 5) revising the provisions in this article concerning rodent control and storage; and 6) clarifying certain definitions and other property maintenance requirements contained in this article.

The second proposed ordinance amends Chapter 24, Article VI, of the City Code, *Rodent and Pest Control*, by repealing Division 3, *Rat Control*, as these provisions concerning rodent storage are decriminalized, designated as blight violations, and incorporated into Chapter 9, Article I, the *Detroit Property Maintenance Code*.

The third proposed ordinance amends Chapter 50, Article VIII, of the 1984 Detroit City Code, *Snow Removal*, by repealing Division 1, *Generally*, which contains the requirements for the removal of snow and ice from sidewalks within twenty-four (24) hours after accumulation, as these provisions are also decriminalized, designated as blight violations, and incorporated into Chapter 9, Article 1, of the City Code, the *Detroit Property Maintenance Code*.

The fourth proposed ordinance amends Chapter 57, Article V, of the 1984 Detroit City Code, *Weed Control*, by revising the definition of noxious weeds commensurate with state law, by declaring that the growth of certain weeds, brush, and other plant growth shall be deemed a public nuisance, by clarifying the provisions authorizing the Department of Public Works to abate weeds, brush, and other plant growth, and by repealing the provision in this article which made a violation of the article a misdemeanor, as these provisions are also decriminalized, designated as blight violations, and incorporated into Chapter 9, Article 1, of the City Code, the *Detroit Property Maintenance Code*.

We request that these proposed ordinances be introduced at the earliest possible formal session, and that a public hearing be scheduled on the earliest possible date. In addition, we request a waiver of reconsideration.

We are available to answer any questions that your Honorable Body may have concerning these proposed ordinances. Thank you for your consideration.

Respectfully submitted,
AMRU MEAH

Director

By Council Member Watson:

AN ORDINANCE to amend Chapter 9, Article I, of the 1984 Detroit City Code, the *Detroit Property Maintenance Code*, by amending Sections 9-1-3, 9-1-10, 9-1-17, 9-1-18, 9-1-19, 9-1-20, 9-1-31, 9-1-35, 9-1-36, 9-1-37, 9-1-45, 9-1-101, 9-1-103, 9-1-104, 9-1-105, 9-1-109, 9-1-221, 9-1-312, 9-1-332, and 9-1-333: to authorize the issuance of blight violation notices for violations of this article presently designated as municipal civil infractions, and for the adjudication of blight violations pursuant to state law and Chapter 8.5 of the 1984 Detroit City Code, *Blight Violations*; to revise the civil fines for certain violations of this article and provide for the collection of administrative fees for violations; to revise this article to require the removal of snow and ice, or abatement of the condition, within twenty-four (24) hours after the snow or ice has fallen or formed; to revise the provisions in this article prohibiting excessive weed and plant growth; to revise the provisions in this article concerning rodent control and harborage; and to clarify certain definitions and property maintenance requirements contained in this article.

h) Pursuant to Section 8.5-3.5(b) of the 1984 Detroit City Code, each blight determination notice shall be subject to an administrative processing and adjudication fee, established by the Director of the Department of Administrative Hearings approved by the City Council.

8.5-3.1. 9-1-31. Authorization and enforcement; issuance of blight violations.

a) The Director of the Buildings and Safety Engineering Department and the Public Health Director, through their authorized City local officials and designees, are authorized to administer and enforce the provisions of this article.

b) In accordance with the prescribed procedures of the City, the Director of the Buildings and Safety Engineering Department and the Public Health Director shall have the authority to designate technical officers and inspectors who are authorized to enforce and to ensure compliance with the provisions of this article to conduct inspections and reinspections, and to issue and serve upon a person a written notice or order, where the responsible officer or an authorized local official has reasonable cause to believe that there has been a violation of this article.

c) In accordance with Sections ~~35-5-2~~ 1-1-9 and 8.5-2-11 of the 1984 Detroit City Code, the Director of the Buildings and Safety Engineering Department and the Public Health Director shall have the authority to designate authorized City local officials who are authorized to issue and serve upon a person a ~~municipal civil infraction notice~~ municipal civil infraction citation blight determination where the authorized City local official has reasonable cause to believe

that there is a violation of this article.

(d) A City official or employee who is connected with the enforcement of this article, except one whose only connection is that of a member of the Board of Zoning Appeals established under the 1997 Detroit City Charter, neither shall be engaged in, or directly or indirectly be connected with, the furnishing of labor, materials or appliances for the construction, alteration or maintenance of a building, premises or structure, or the preparation of construction documents thereof, unless that person is the owner of the building, premises or structure, nor shall engage in any work that conflicts with official duties or with the interests of the City.

Sec. 9-1-35. Enforcement; inspections.

(a) The Director of the Buildings and Safety Engineering Department and the Public Health Director, or their authorized City local officials or designees, shall make the required inspections and reinspections under this article, or shall accept reports of inspections from any authorized City departments or agencies, or persons. All such inspection reports shall be in writing and be certified by a ~~responsible officer~~ an authorized local official of the Buildings and Safety Engineering Department or the Detroit Health and Wellness Promotion Department, or by the responsible person. The Director of the Buildings and Safety Engineering Department and the Public Health Director are authorized to engage, subject to any approvals required by the 1997 Detroit City Charter or by the 1984 Detroit City Code, such expert opinion as deemed necessary to report upon unusual or technical issues that arise as a result of any inspection or reinspection.

(b) Subject to any constitutional restrictions on unreasonable searches and seizures, the Director of the Buildings and Safety Engineering Department and the Public Health Director, or their authorized City local officials or designees, are authorized to enter any building, premises, or structure within the City, or any building, premises, or structure outside of the City which is owned, operated, and/or maintained by the City, at reasonable times to inspect. Where entry is refused or not obtained, the Director of the Buildings and Safety Engineering Department or the Public Health Director shall pursue recourse, as provided by law, to obtain entry.

(c) The Director of the Buildings and Safety Engineering Department and the Public Health Director, or their authorized City local officials or designees, shall carry and display proper City identification containing their photograph when inspecting a building, premises, or structure in the performance of their duties under this article.

(d) The Director of the Buildings and Safety Engineering Department, or his or her authorized **City local** officials or designees, shall conduct inspections to obtain compliance with this article based upon at least one (1) of the following:

(1) All buildings of public assembly, including armories, bars, halls, rental halls, school buildings, theaters, buildings used for manufacturing and industrial purposes, multiple use buildings, all buildings used for other commercial purposes, including, but not limited to, apartment houses, condominiums, emergency shelters, hospitals, hotels, lofts, office buildings, motels, rooming houses, rooming units, shelters for victims of domestic violence, temporary shelters, townhouses, and buildings, premises and structures used for lumber yards, general storage yards and railroad yard facilities, and all other buildings occupied or used by large numbers of persons or which may constitute a hazard to life or property where not in compliance with this article, and wharves, fences, billboards, signs and other structures shall be inspected by the Buildings and Safety Engineering Department, from time to time, and as close as possible to once a year;

(2) The receipt of a complaint or other notice of a possible violation of this article;

(3) An observation by the Director of the Buildings and Safety Engineering Department, or his or her authorized **City local** official or designee, of a possible violation of this article;

(4) Pursuant to the issuance of certificates of compliance as required by Michigan law, by Section 9-1-36 of the 1984 Detroit City Code, or by other provision of the 1984 Detroit City Code;

(5) Pursuant to the registration of residential rental properties in accordance with Section 9-1-82 of the 1984 Detroit City Code;

(6) Pursuant to the designation of an area within the City where all buildings, premises, and structures are to be uniformly inspected;

(7) Pursuant to a request for inspection by the owner, or authorized agent of the owner, of the building, premises, or structure;

(8) All owners of buildings five (5) stories or more in height shall have all roof-mounted structures and every exterior wall of or part of the building's exterior, including connecting bridges, cornices, copings, eaves, bays, or similar projections, thoroughly inspected and examined by competent persons at their own expense at intervals not to exceed five (5) years and shall furnish the Director of the Buildings and Safety Engineering Department with a written report setting forth the true condition of the structure or wall inspected. The Director of the

Buildings and Safety Engineering Department shall be notified in advance of such an inspection of an existing building and may have an authorized **City local** official or designee present. Where the conditions of a structure or wall cannot be determined by inspection of the exterior of the structure or wall, the Director of Buildings and Safety Engineering Department, or his or her authorized **City local** official or designee, may require repairs thereof to be removed for more thorough examination;

(9) The owners of the Ambassador Bridge, the Detroit River Railroad Tunnel and the Detroit-Windsor Tunnel shall have these structures thoroughly inspected and examined by competent personnel at their own expense and at intervals not to exceed five (5) years and shall furnish the Director of the Buildings and Safety Engineering Department with a written report setting forth the true conditions thereof;

(10) The exposed length of any masonry or masonry stack eighteen (18) inches or more in diameter and twenty-five (25) feet or more in length above ground or shall be inspected at least every five years by competent personnel, including steplejacks, employed by the owner or user of such stack who shall furnish the Buildings and Safety Engineering Department with a written report on the condition of the stack and its support;

(11) To ensure compliance with the provisions of the Michigan Construction Codes, enacted pursuant to Section 125.1504, the Housing Law of Michigan, being MCL 125.401 *et seq.*, and any other applicable law or provision in the 1984 Detroit City Code regulating the maintenance, occupancy, and use of buildings, premises, or structures; or

(12) To protect the health, safety, and welfare of the public.

(e) The Public Health Director shall conduct inspections to obtain compliance with this article based upon, at least, one (1) of the following:

(1) The receipt of a complaint or other notice of a possible violation of this article;

(2) An observation by the Public Health Director, or his or her authorized **City local** official or designee, of a possible violation of this article;

(3) Pursuant to the designation of an area within the City where all buildings, premises, and structures are to be uniformly inspected;

(4) Pursuant to a request for inspection by the owner, or authorized agent of the owner, of the building, premises, or structure;

(5) To ensure compliance with the provisions of the Housing Law of Michigan, being MCL 125.401 *et seq.*; or

b) To protect the health, safety, and welfare of the public.

Sec. 9-1-36. Certificate of compliance required; violation for failure to obtain; temporary certificate and modifications.

a) The following buildings and structures shall be required to have a certificate of compliance issued by the Buildings and Safety Engineering Department:

(1) All buildings and structures required to be inspected pursuant to section 9-1-35(d) of the 1984 Detroit City Code; and

(2) One- and two-family dwellings, or part of a residential structure, which are occupied by persons pursuant to an oral or written rental contract or lease agreement for monetary compensation.

The requirement shall not include one-family dwellings which are occupied by the owner of the structure and the owner's immediate family and those portions of a two-family dwelling which are occupied by the owner and the owner's immediate family.

b) As required by this article, certificates of compliance for buildings and structures shall be issued, upon inspection, by the Buildings and Safety Engineering Department, correction of violations, and a determination by the Buildings and Safety Engineering Department that the building or structure is in compliance with this article.

c) The certificate of compliance, that is issued by the Buildings and Safety Engineering Department pursuant to this article, shall be posted in a conspicuous place within the building or structure and readily available for inspection with the exception of certificates of compliance issued for one- and two-family rental dwellings. Certificates of compliance for one- and two-family rental dwellings shall be maintained by the owner and made available upon request by the Director of Buildings and Safety Engineering Department or the Public Health Director, or their authorized City local officials, or signees, or by any current or prospective tenant.

d) It shall be unlawful to occupy or use a building, premises, or structure required to have a certificate of compliance under this article, or cause same to be occupied, without the required certificate of compliance for the building, premises, or structure. Upon the issuance of a ~~municipal~~ municipal civil infraction blight violation notice or a ~~municipal civil infraction citation~~ and a finding that the building, premises, or structure is unsatisfactory for human habitation, the Director of the Buildings and Safety Engineering Department or the Public Health Director may order such building, premises, or structure vacated.

e) Whenever there are practical diffi-

culties involved in carrying out the provisions of this article, the Director of the Buildings and Safety Engineering Department shall have the authority to issue a temporary certificate of compliance or grant modifications for individual cases, provided the Director of the Buildings and Safety Engineering Department shall first find a specific reason that:

(1) Would make the strict letter of this article impractical;

(2) The modification from the requirement is in compliance with the intent and purpose of article; or

(3) Such modification does not lessen any health and safety requirements of any provision of Michigan law, of this article, or of the 1984 Detroit City Code as determined by the appropriate City official.

(f) The details of any action granting a modification from this article shall be recorded, entered, and maintained in the records of the Buildings and Safety Engineering Department.

Sec. 9-1-37. Suspension of certificate of compliance.

(a) The Director of the Buildings and Safety Engineering Department may suspend a certificate of compliance or a temporary certificate of compliance where the owner fails to comply with one (1) or more ~~municipal civil infraction blight violation notices or municipal civil infraction citation~~. The suspension of a certificate of compliance shall be by written notice to the owner of the building, premises or structure, or his or her legal representative, and contain the specific reason for the suspension.

(b) It shall be unlawful for any rental dwelling to be occupied for more than sixty (60) days after the written notice of suspension of the certificate by the Buildings and Safety Engineering Department, provided, that where the notice of suspension states there is an immediate danger due to a violation or violations of this article, the dwelling may be ordered immediately vacated by the Director of the Buildings and Safety Engineering Department, or his or her designee, and any occupancy shall therefore be unlawful.

Sec. 9-1-45. Posting notice on buildings, premises, and structures; prohibited occupancy; removal of notice; failure to comply with notice or order.

(a) Upon failure of the owner of the building, premises or structure, or the person responsible, to comply with a notice or order issued by the Director of the Buildings and Safety Engineering Department or the Public Health Director concerning an unsafe or unlawful building, premises, or structure unfit for human occupancy within the time given by the notice or order, the Director of the

Buildings and Safety Engineering Department or the Public Health Director, or their authorized City local officials or designees, shall post on the building, premises, or structure, or on defective equipment, a notice visible to the public bearing the words "Closed by Authority of the City of Detroit Director of the Buildings and Safety Engineering Department" or "Closed By Authority of the City of Detroit Public Health Director" and a statement of the penalties for occupying the building, premises, or structure subject to the notice, or removing the notice posted pursuant to this section.

(b) It shall be unlawful for any person to occupy a building, premises, or structure subject to a posted notice of closure or to operate equipment, devices, or fixtures therein, or for any owner or any person responsible for the building, premises, or structure, to allow any person to occupy such a building, premises, or structure or operate equipment, devices or fixtures, therein, subject to the posted notice.

(c) The Director of the Buildings and Safety Engineering Department or the Public Health Director, or their authorized City local officials or designees, are authorized to remove the notice closing the building, premises, or structure whenever the defect or defects upon which the action of posting the closing notice were based upon has or have been eliminated. It shall be unlawful for any person to deface or remove any closing or condemnation notice from any building, premises or structure without the authorization of the Director of the Buildings and Safety Engineering Department or the Public Health Director, or to fail to comply with any notice or order of the Director of the Buildings and Safety Engineering Department or the Public Health Director under this section.

Subdivision A. Requirements for Exteriors of Buildings, Premises, and Structures

Part I. General Requirements

Sec. 9-1-101. Accumulation of solid waste prohibited; owner; occupants.

(a) All exterior of buildings, premises, and structures shall be maintained free from any accumulation of solid waste and be maintained in a clean, safe and sanitary condition.

(b) The occupant of the building, premises, or structure shall keep that portion of the exterior area that is under the occupant's control in a clean, safe, and sanitary condition.

(c) Solid waste shall be separated and stored in approved containers in accordance with the requirements of Chapter 22, Article II, of the 1984 Detroit City Code, which is enforced by the Environmental Enforcement Branch of the City of Detroit Municipal Ordinance

Violations—Bureau Department Environmental Affairs.

Sec. 9-1-103. Driveways, parking spaces and lots, sidewalks, stairs, walkways, and similar areas of verse; removal of snow and ice from sidewalks.

(a) All driveways, parking spaces, lots, sidewalks, stairs, walkways, and similar areas of traverse shall be kept in good repair, be maintained free from arduous conditions, and be maintained to prevent the accumulation of stagnant water thereon.

(b) All parking lots and parking areas shall be free of cracks and holes. Cracks and holes shall be patched with approved like materials. All parking surfaces should be properly sealed. All commercial parking spaces should be striped and of sufficient width for the intended vehicles in accordance with the Detroit Zoning Ordinance, being Chapter 6 of the 1984 Detroit City Code. All parking areas adjacent to public right of way shall be separated by a minimum bumper blocks pinned in place. All exit or lighting fixtures for parking areas shall be in good condition. All parking areas shall be maintained free of weeds and plant growth in excess of eight (8) inches (204 mm) and of litter.

(c) Snow or ice that has fallen or formed on any sidewalk in the front, rear or on the sides of any house, premises, building or lot owned, occupied or controlled shall be removed within two (2) or four (24) hours after the snow or ice has fallen or formed, or a quantity of sand, ashes or other approved material applied to the snow or ice sufficient to render the sidewalk safe for persons to walk upon. However, snow or ice shall not be plowed, shoveled, brushed or piled from private properties, other than residential, onto the paved roadway of any City street or highway. Snow or ice plowed, shoveled or brushed from any residential property or public sidewalk shall not be placed in any manner so as to interfere with pedestrian travel.

Sec. 9-1-104. Weeds and plant growth

All premises and exterior property shall be maintained free from weeds or plant growth in excess of ~~ten (10)~~ eight (8) inches (204 204 mm) and from all noxious weeds. For purposes of this section, weeds and plant growth shall include grasses, annual plants and vegetables other than trees or shrubs, but does not include plant growth in exterior areas where flowers and gardens are maintained and cultivated.

Sec. 9-1-105. Rodent control harborage; storage and handling items, certification of buildings where food or foodstuffs are stored or processed; alteration of buildings and ratproofing.

a) All buildings, premises, and structures and exterior property, including all roof and unimproved property, shall be roofed and maintained in a ratproof condition and be kept free from rodent harborage and infestation. Where rodents are found, they shall be promptly exterminated by approved processes which will not be injurious to human health. After extermination, proper precautions shall be taken to eliminate rodent harborage and prevent reinfestation. The owner of a building of vacant or unimproved property shall be responsible for complying with the provisions of this section.

b) No building, premises, or structure shall be used for the storage or handling of solid waste, including debris, garbage, and rubbish, which provide a place for rodents to harbor.

c) All barrels, bottles, building materials, boxes, cans, cartons, containers, fabricated goods, food, foodstuff, junk, lumber, machinery, raw materials and similar things which may afford harborage or shelter for rats shall be kept, stored or handled in a manner or method approved by the Public Health Director.

d) Whenever there is a rat infestation in any building, open area or other premises, the occupants thereof and, in the case of a multiple dwelling, the owner thereof, shall immediately institute rat control and shall continuously maintain such measures until any building, open area or other premises are declared free by the Public Health Director to be free of infestation.

e) No building or part thereof shall be used as a place where food or foodstuff is stored, processed, prepared, manufactured, sold or offered for sale unless such building or part thereof is free from vermin and rodents. No license shall be issued for the storing, processing, preparing, manufacturing, selling or offering for sale of any food, foodstuff or food products unless the applicant therefor secures approval or a certification from the Public Health Director that the place where such preparation is to be conducted is of ratproof construction or has been rendered ratproof.

f) Owners, occupants, contractors, employees or agents of public utilities or other persons, who makes alterations, additions, extensions, enlargements or repairs or in the installation of conduits, pipes or other installations or for any other purpose, shall not leave or fail to restore in like condition the ratproofing from any building or to make new openings therein that are not ratproofed.

g) A person shall not feed wild birds other than from approved food containers which shall be elevated at least forty-eight (48) inches above the ground level.

Sec. 9-1-109. Swimming pools.

(a) Swimming pools shall be maintained in a clean and sanitary condition. Pools shall be entirely enclosed by at least a four (4) foot wire mesh fence or other type fence which prevents direct access to the pool. Pools shall have a self-latching gate maintained in good repair.

(b) Swimming pools shall be equipped with a properly maintained water filtration device and shall be installed in a manner consistent with the Michigan Construction Codes, enacted pursuant to Section 4 of the Derossett-Hale Single State Construction Code Act, being MCL 125.1504. In grade swimming pools shall be equipped and maintained with adequate underwater lighting to render visible all areas of the pool floor and walls. Swimming pools that are not in use shall be completely drained of all standing water, and either barricaded against trespass or completely filled in with Grade A fill soil or sand.

Sec. 9-1-221. Storage of certain items.

(a) It shall be unlawful to store, outside a building, premises, or structure, items such as firewood that is not stacked and useable, construction material, excluding such material that is stored in a manner to protect its utility and prevent deterioration and that is reasonably expected to be used at the site, or any other items which are of a type or quantity inconsistent with the normal and usual use of the building, structure, or premises.

(b) Storage of firewood for domestic use on the premises shall be permitted where such wood is stored on a rack at least eighteen (18) inches above ground or in an alternate approved method to prevent the harborage of rats or other vermin.

Sec. 9-1-312. Protection of basements and cellars.

AN ORDINANCE to amend Chapter 57, Article V, of the 1984 Detroit City Code, *Weed Control*, by retitling the article *Abatement of Weeds, Brush, and Other Plant Growth*, by repealing Section 57-5-2.1, by repealing Section 57-5-2 and adding substitute Section 57-5-2, and by amending Sections 57-5-1, 57-5-3, 57-5-4, 57-5-5, and 57-5-6 to revise the definition of noxious weeds commensurate with state law, to declare that the growth of certain weeds, brush, and other plant growth shall be deemed a public nuisance, to clarify the provisions authorizing the Department of Public Works to abate weeds, brush, and other plant growth, and to make this article commensurate with amendments to the 1984 Detroit City Code designating certain violations contained within this article as blight violations and incorporating them as requirements of Chapter 9, Article I, of the 1984 Detroit City Code, the *Detroit Property Maintenance Code*.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 57, Article V, of the 1984 Detroit City Code, *Weed Control*, be amended by retitling the article *Abatement of Weeds, Brush, and Other Plant Growth*, by repealing Section 57-5-2.1, by repealing Section 57-5-2 and adding substitute Section 57-5-2, and by amending Sections 57-5-1, 57-5-3, 57-5-4, 57-5-5 and 57-5-6, to read as follows:

**ARTICLE V. WEED CONTROL
ABATEMENT OF WEEDS, BRUSH,
AND OTHER PLANT GROWTH**

Section 57-5-1. "Poisonous or injurious weeds" defined; same declared common nuisance.

For the purpose of this article, "poisonous or injurious weeds" shall include those species and varieties designated as noxious by Michigan Compiled Laws 1948, sections Chapter 247, Highways, Control and Eradication of Noxious Weeds, being MCL 247.61 to 247.72 [MSA 9.631(1) — 9.631(12)]. In addition, the following species and vari-

eties of plants are hereby designated as injurious weeds and declared to be a common nuisance: Ragweed (any species of *Ambrosia*), poison ivy (*Rhus radica*), poison sumac (*Toxicodendron vern*), poison oak (*Toxicodendron quercifoliu*), marijuana (*Cannabis stira*), Belladonna (*Amayllis belladonna*). Director of the Department of Health and Wellness Promotion, or his or her designee, is hereby empowered to designate and declare, by a written rule or regulation, additional species and varieties of plants as injurious within the meaning of this article, on the basis of implications of such species or varieties as actually being potentially injurious to the public health. All such weeds are also declared to be a common nuisance.

Sec. 57-5-2. Growth of certain weeds and brush prohibited.

~~It shall be unlawful for any owner, or his or her agent or other person having control or management of any land, either public or private, either occupied or vacant, within the city, to allow the presence thereon or on any portion thereof of:~~

- (1) ~~Poisonous or injurious weeds;~~
- (2) ~~Other weeds of any species or variety exceeding eight (8) inches in height;~~
- (3) ~~Wild growing brush or underbrush exceeding one foot in height.~~

Sec. 57-5-2. Poisonous, injurious or noxious weeds, certain other brush or plant growth declared a public nuisance.

Any poisonous, injurious or noxious weeds, any species or variety of plants designated and declared by the Director of the Department of Health and Wellness Promotion, or his or her designee, to be potentially injurious to the public health pursuant to Section 57-2-1 of this Code, any other weeds of any species or variety exceeding eight (8) inches in height, wild growing brush or underbrush exceeding one (1) foot in height on any land, either public or private, either occupied or vacant, within the City of Detroit, shall be declared to be a public nuisance.

Sec. 57-5-2.1. Responsibility of owner.

~~It will be prima facie evidence of ownership that a corporation, partnership or individual is listed as owner of the property in the tract index. In the absence of a written agreement to the contrary between the owner and any other person, the owner is responsible for keeping the property free of weeds.~~ Repealed.

Sec. 57-5-3. Abatement of weeds and brush in violation of article V. Responsibility for abatement of poisonous, injurious or noxious weeds, certain other plant growth declared a public nuisance; abatement by City.

(a) The owner of any property shall be responsible for the abatement of

ds or plant growth declared to be a public nuisance. It shall be *prima facie* evidence of ownership where a corporation, partnership or individual is listed as owner of the property in the tract index. In the absence of a written agreement to the contrary between the owner and any other person, the owner shall be responsible for abatement under this section.

(b) In any case in which the owner, occupant, agent or other person having control or management of any land allows the presence thereon or on any portion thereof of any weeds, or brush or other plant growth in violation of which constitutes a public nuisance under the provisions of Section 57-5-2 of this Code, the Department of Public Works Department shall notify by certified or registered mail, return receipt requested, the owner, occupant, agent or person having control of the land on which noxious such weeds, brush, or other plant growth are growing to abate the violation within ten (10) work-business days.

(c) Upon the failure, neglect of any owner, occupant, agent or other person to abate the stated violation a public nuisance under this article within the statelime, the Department of Public Works Department may assign such employees to enter upon the land and to destroy such weeds, brush or other plant growth by mowing, cutting or by other acceptable methods or enter into a contract for the destruction of the weeds, brush, or other plant growth; and provided further, that the City shall have a lien upon such lands for such costs and expense, such lien to be enforced in the manner prescribed in the law and in the City Charter for the enforcement of tax liens. Any costs or expense in such abatement, if not paid to the City within sixty (60) days from the date a statement thereof was forwarded to the party, shall be reported to the Board of Assessors, who shall assess the amount against the land in question; provided, that if the cost or expense on any parcel or lot of land is not more than fifty dollars (\$5.00) fifty dollars (\$50.00), it shall be charged to appropriate funds of the City; and provided further, that any failure to give such written notice under this section shall not constitute a defense in any action to enforce the provisions of Section 57-5-2 of this Code.

Section 57-5-4. Publication of notice in lieu of notice required by Section 57-5-3; contents of published notice.

In lieu of the notice required by Section 57-5-3 of this Code, the city through the Department of Public Works Department shall publish a notice in newspaper of general circulation in the county during the month of March that weeds, brush or other plant growth not cut by June first of that year will be cut by the City and the owner of the property charged with the costs under the provisions of

Section 57-5-3 of this Code. The publication shall also contain all other information required of the notice provided for in Section 57-5-3 of this Code. The City may cut weeds, brush, or other plant growth as many times as is necessary and charge the cost or expense to the property owner.

Sec. 57-5-5. Enforcing officers granted access to premises; obstruction of officers prohibited; liability of officers in action of trespass.

The Public Works Department's authorized representatives of the Department of Public Works shall be granted free access to and from any land for the purpose of investigation to determine whether violations of this article exist, and for the work necessary to accomplish the abatement of any violation of this article found to exist. No person shall obstruct or prevent such work. Such authorized representatives, after performing their duties in a prudent manner, shall not be liable for suit in any action of trespass therefor, and shall be defended in any action arising therefrom by the corporation council until the final disposition of the proceeding.

Sec. 57-5-6. City reserves right to reject claims for damages.

In the event of destruction or damage of vegetation any plant growth not declared unlawful by this article to be a public nuisance during the course of normal operations directed at destruction of vegetation any plant growth declared unlawful to be a public nuisance by this article growing on the same tract, part or parcel of land, the City reserves the right to reject all claims resulting from such damage.

Section 57-5-7 — 57-5-10. Reserved.

Section 2. All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

Section 3. This ordinance is declared necessary to preserve the public peace, health, safety, and welfare of the People of the City of Detroit.

Section 4. All proceedings pending and all rights, liabilities, and penalties existing, acquired, or incurred at the time this amendatory ordinance takes effect are saved and may be continued and consummated in accordance with state law and the City ordinance in force when they were commenced. This amendatory ordinance shall not be construed to affect any municipal civil infraction proceeding, penalty, forfeiture, or liability incurred pending before the effective date of this amendatory ordinance.

Section 5. This ordinance shall be effective on December 1, 2004 in accordance with Section 4-115(3) of the 1997 Detroit City Charter.

Address: 1523 E. Jefferson. Name: Hanna Karcho. Date ordered removed: June 16, 2004 (J.C.C. pp. 2084-86).

In response to the request for a deferral of the demolition order on the property described above, we submit the following information:

A special inspection on September 7, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes as of August 31, 2004.

The proposed use of the property is rehabilitation and sale.

Therefore, it is recommended that the demolition order be deferred for a period of six (6) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we will proceed with demolition without further hearings. Pursuant to the Property Maintenance Code our Municipal Civil Infractions (MCI) Unit will issue the appropriate violations/tickets.

October 5, 2004

Honorable City Council:

Re: Neighborhood Enterprise Zone Certificate applications for new construction of single-family homes at 3344 Hendricks and 3362 Hendricks located in the Gratiot McDougall Homes NEZ area (Recommend Approval).

The City Planning Commission (CPC) office has received two (2) applications for Neighborhood Enterprise Zone (NEZ) certificates, forwarded from the City Clerk's Office on September 9, 2004. The

applications correspond to the properties located at 3344 and 3362 Hendricks. CPC staff has reviewed the applications and recommends approval.

Gratiot McDougall Homes, L.L.C. intends to construct two (2) 3-bedroom single-family homes on approximately 18 acres on the south side of Hendricks between Elmwood and Ellery in the Gratiot McDougall Homes NEZ. The NEZ certificate applications appear to have been submitted prior to the issuance of any applicable building permits.

The boundaries of the Gratiot McDougall NEZ include Hunt to the north, the alley east of Chene to the west, E. Vernor to the south and the alley west of Mt. Elliott on the east. The properties in question have been confirmed as being within the boundaries of the Gratiot McDougall Homes NEZ and should be eligible for a NEZ Certificate in accordance with State Act 147 of 1992. The estimated cost to construct each home is \$173,066.

Re: Historic Designation Advisory Board submitting its final report on the proposed Fort Shelby Hotel Historic District.

At the direction of the Historic Designation Advisory Board at its meeting of June 11, 2004, I am pleased to submit to your Honorable Body the board's report on the proposed Fort Shelby Hotel Historic District. The recommendation of the Advisory Board is for designation and therefore, a draft ordinance of designation is attached. The ordinance has been approved as to form by the Planning Department.

This designation was requested by developers. *Ad hoc* members of the Advisory Board for this study were Marsha Ross, representing the owner's interest (Ms. Ross appointed Leo Phelan to represent her); and Emmett Moore representing the development partnership. Both *ad hoc* members voted to recommend designation.

Also attached is a copy of the minutes of the public hearing held by the Advisory Board on this matter. The Historic District Commission report and comment and Master Plan Review as it relates to the proposed historic district is also attached as is correspondence received relative to the designation.

If you should have any questions, I can be reached at 4-3487.

Director

City of Detroit
Historic Designation Advisory Board
Preliminary Report Concerning
Proposed Fort Shelby Hotel Historic District
Final Report

By a resolution dated February 2004, the Detroit City Council charged

Historic Designation Advisory Board, a study committee, with the official study of the proposed Fort Shelby Hotel Historic District in accordance with Chapter 25 of the 1984 Detroit City Code and the Michigan Local Historic Districts Act.

The proposed Fort Shelby Hotel Historic District contains a single resource listed in two stages, located at 525 West Lafayette (at the southwest corner of West Lafayette and Shelby) in the Central Business District.

BOUNDARIES: The boundaries of the proposed Fort Shelby Hotel Historic District, which encompass the real property containing the contributing resource, are outlined in heavy black on the attached map, and are as follows:

On the north, the centerline of West Lafayette Street;

On the east, the centerline of First Street.

On the south, the centerline of the east-west alley lying between West Lafayette Street and West Fort.

On the west, the western boundary of Block 4 of West 21 of the Cass Farm between Michigan and Fort.

(City records L. 12 P 324).

TORY:

The Fort Shelby Hotel is significant as an example of early 20th Century hotel architecture in Detroit displaying the Georgian and classical Revival styles and as an example of the work of two prominent architectural firms, Schmidt, Garden & Martin of Chicago and Albert Kahn & Associates of Detroit. The hotel is named Fort Shelby, originally named Fort Moulton, which stood on the site of the fort; the fort was renamed Fort Shelby in honor of the governor of Kentucky upon withdrawal of British forces from Detroit in the War of 1812. Built in 1916, the ten-story, 394 room hotel quickly became one of Detroit's busiest, so much so that a twenty-story, 430 room tower addition was built in 1927 which included ballrooms, extensive public space and dining facilities. For over sixty years the hotel was a popular institution in Detroit famous for its catering and banquet services. The hotel is representative of a general building type constructed during a relatively short but active period (1905-1929) in Detroit's construction history. The boom period gave rise to numerous brick-and-stone-clad high-rise office buildings and hotels that to this day give Detroit its distinctive masonry-towers sky-

Two prominent architectural firms were responsible for the design of the Fort Shelby Hotel and its later addition. The architects for the original building, Schmidt, Garden & Martin of Chicago, were instrumental in the formation of the Chicago School of Architecture and responsible for numerous landmark build-

ings in the Chicago area, e.g. the Madlener House in 1902, the Schoenhofen Brewery in 1902, the Chapin and Gore Building in 1904 and the Montgomery Ward Warehouse in 1908. (All listed in the National Register or located in a National Register District; the Montgomery Ward complex is a National Historic Landmark.)

The 1927 tower addition is the only known surviving high-rise hotel structure designed by Albert Kahn, the internationally renowned 20th Century Detroit architect. (Another hotel design by Kahn is the three-story Dearborn Inn in Dearborn, Michigan, listed on the National Register.) The massing of the "Shelby Tower," as it has come to be known, recalls on a modest scale Kahn's design for the General Motors World Headquarters, also built in the 1920s and a main component in Kahn's New Center complex in Detroit.

Reflecting the changing times of the middle part of the century, the Fort Shelby changed from serving the commercial traveler to catering to the businessman and the convention-goer. Purchased in the early 1950s by the Albert Pick Hotel chain, it then became known as the Pick-Fort Shelby Hotel. With the decline of Detroit's downtown and the migration of business to the suburbs in the early 1960s, the hotel fell on hard times and was sold to owners who attempted to update it by installing boutiques and restaurants on the ground floor. However, by the mid-1970s it was clear that it would not survive economically as a hotel and closed its doors. Presently, there is a possibility of re-use as a combined hotel and residential development.

DESCRIPTION:

The Fort Selby Hotel consists of a ten-story, 394-room, brick and limestone building built in 1916 and a twenty-one-story brick and limestone tower addition of 430 rooms built in 1927. The original building is Georgian eclectic in style, while the addition is more classical revival in style. It is located at the southwest corner of West Lafayette and First streets, on the western periphery of Detroit's central business district. The Shelby was a popular commercial hotel in the 1920s with close proximity to the Fort Street Union Depot, the steamship lines on the nearby Detroit River, and Detroit's then burgeoning theater district. Except for storefront alterations the building has not been changed on the exterior.

The buildings occupies nearly its entire site of approximately two-thirds of an acre; there is a thirty-foot-wide strip of land along the western side of the structure which is used for parking. The basement has "vaults" extending under the sidewalk about fourteen feet on the north and east, typical of buildings of that era. Presently there are two parking lots adja-

cent to the Fort Shelby, and a three-story brick waterhouse building now used as an office building to the south. The Detroit News complex, also by Kahn, is in the next block to the west. The Fort Shelby is the tallest structure in the immediate vicinity and dominates the streetscape. The two main entrances to the building are on the east and north facades.

The Fort Shelby Hotel has been unoccupied since 1975 except for the "Anchor Bar," which has since moved elsewhere. The original layout remains with small, undistinguished guest rooms on the upper floors and larger public spaces and dining rooms on the main and second floors and some meeting and banquet rooms in the upper floors of the later tower. The interior is not particularly noteworthy except the main lobby where a monumental marble staircase predominates.

The building is approximately 131' x 172' at the ground floor and is basically rectangular in plan with two interior light wells from the second through tenth floors. Both the original building and the 1927 tower addition have flat roofs, and the structural system for both buildings is a combination of steel frame and concrete.

The original building as well as the addition are divided into three parts: a base, a shaft and a cap. The shaft is largely of a reddish-brown colored brick with both the base and cap of grey limestone trim. The two-story base is rusticated limestone with limestone cornices at both the second and third floor lines. Limestone quoining runs the entire height of the original building to the dentilled cornice at the roof. The upper three stories are accentuated with extensive limestone detailing including three projecting balustrades and a limestone drapery swag motif over small, square windows at the topmost level, reminiscent of Renaissance palazzos. Atop the projected roof cornice are limestone finials about six feet high that punctuate the roofline. There is also a swag motif above the entrance at the third level on both the north and east facades.

The 1927 tower portion is of matching brick and limestone and Kahn has closely matched the original design on the first two floors. Above the second floor, however, the detailing is neo-classical, with

three-story high limestone Corinthian pilasters on floors three through five, capped with a limestone cornice containing carved, circular medallions. The upper three floors of the tower are given a similar limestone treatment excluding the Corinthian capitals, but with an ornate limestone balustrade detail at the roofline, bas-relief drapery and medallions immediately below it. Both the original structure and tower have paired, wood double hung windows with stone sills. Except for canopies added in the 1950s (which have been removed) and first floor storefront glazing, all of about the same period, both sections of the building remain in their original state.

Criteria: The proposed historic district meets the first, third, and fourth criteria contained in Section 25-2-2: (1) Sites, buildings, structures, or archeological sites where cultural, social, spiritual, economic, political or architectural history of the community, city, state or nation is particularly reflected or exemplified; (2) Buildings or structures which embody the distinguishing characteristics of an architectural specimen, inherently valuable as a representation of a period, style, or method of construction; and (4) Notable works of a master designer or architect whose individual genius influenced his/her age.

Composition of the Historic Designation Advisory Board: The Historic Designation Advisory Board has nine appointed members and three ex-officio members, all residents of Detroit. The appointed members are: Russell Baltimore, Melanie A. Bazil, Robert Cosgrove, De Witt Dykes, Edward Francis, Lucile Cruz Gajec, Marie Gardner, Calvin Jackson, Harold Johnson. The ex-officio members, who may be represented by members of their staff are: the Director of the Historic Department, the Director of the Planning Commission, and the Director of the Planning and Development Department.

RECOMMENDATION: The Historic Designation Advisory Board recommends that City Council adopt an ordinance designating for the proposed historic district. A draft ordinance is attached for Council's consideration.

Note: This report is substantially derived from the National Register of Historic Places nomination form for

of the Fort Shelby Hotel, with additional information added to reflect present conditions.

Approved Member McPhail:

ORDINANCE to amend Chapter 25, Article II of the 1984 Detroit City Code by adding Section 25-2-151 to establish the Fort Shelby Hotel Historic District and to define the elements of design for the district.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. That Chapter 25, Article II of the 1984 Detroit City Code be amended by adding Section 25-2-151 to read as follows:

25-2-151. Fort Shelby Hotel Historic District.

(A) A historic district to be known as the Fort Shelby Hotel Historic District is hereby established in accordance with

the provisions of this article.

(B) This historic district designation is hereby certified as being consistent with the Detroit Master Plan.

(C) The boundaries of the Fort Shelby Hotel Historic District are as shown on the map on file in the office of the City Clerk, and shall be as follows: On the north, the centerline of West Lafayette Street; on the east, the centerline of First Street; on the south, the centerline of the east-west alley between West Lafayette Street and West Fort Street; and on the west, the western boundary of Lot 4 of Block 21 of the Cass Farm between Chicago Road (now Michigan Avenue) and Fort (L 12, P 324 City Records WCR). (Legal Description: Lots 1-4, Block 21 of the Cass Farm between Chicago Road (now Michigan Avenue) and Fort (L 12, P 324, City Records

WCR).

(D) The defined elements of design, as provided for in section 25-2-2 of this code, shall be as follows:

(1) *Height.* The Fort Shelby Hotel is composed of the ten-story original building and a twenty-one story tower addition.

(2) *Proportion of Building's Front Facade.* The original building appears as tall as wide on its West Lafayette (north) facade and wider than tall on its First Street (east) facade. The taller addition is substantially taller than wide on all sides.

(3) *Proportion of Openings Within the Facade.* The front facade of the original building and the tower addition are fenestrated with paired eight-over-one double-hung sash windows that are two times as tall as wide. First floor storefront windows, currently boarded, are composed of wide transoms with large squarish openings below. On First Avenue, from the Lafayette corner, there are the corner storefront; the secondary building entrance flanked by storefronts; single elongated window openings filled with four horizontal panes. Small, horizontal rectangular window openings with subdivided panes are positioned in the attic level beneath the cornice on both the West Lafayette (north) and First (east) elevations. Openings amount to approximately twenty (20) per cent of the front (north) facade of the Fort Shelby Hotel.

(4) *Rhythm of Solids to Voids in The Front Facade.* The facade is generally composed of individual windows arranged in pairs per bay, resulting in a regular rhythm. The entrance is centered on the front facade of the original building. The small, horizontally rectangular window openings are spaced regularly in the attic level beneath the cornice. In general, the rhythms of solids to voids are regular in the front facade.

(5) *Rhythm of Spacing of Buildings on Streets.* Inapplicable due to single resource district.

(6) *Rhythm of Entrance and/or Porch Projections.* No rhythm of entrances exists due to single resource district. Storefronts were likely entered from the inside. There are no porch projections: there was formerly a metal marquee over the central entrance and extending over the flanking storefronts. A modern awning exists over the westernmost single door into the tower addition.

(7) *Relationship of Materials.* The major relationship of materials is that of the limestone base and cornices on first and second floors and upper three stories, and other limestone elements including balustrades, quoins, keystones and sills, with the brick of the shaft in between the base and cap. Decorative detail is in terra cotta. Beneath the storefront windows are granite panels, and between the

third and fourth stories of the tower addition are panels of marble.

(8) *Relationship of Textures.* The major textural relationship is that of juxtaposed with rusticated, carved, and molded limestone. Textural effects are stone and terra cotta, and are concentrated at the base, corners, and cap stage of the facade.

(9) *Relationship of Colors.* The brick is a rich-red colored brick wall surfaces contrast with the lighter gray limestone. Window frames and surrounds are painted off-white. The brick of the tower addition is slightly redder than the original building. The granite beneath the storefront windows is gray, and marble panels between the third and fourth stories are white.

(10) *Relationship of Architectural Details.* The original building and tower addition are vertically divided into three parts: a base, a shaft, and a cap. Architectural elements and details are primarily located at the base level, particularly the second floor or mezzanine level and within the three stories comprising the cap. The two-story base is rusticated limestone with limestone cornices above the first and second stories. There is a swag motif above the entrance at the second story level on both the north and east facades. Neo-Georgian in style, the original building features limestone quoins running the height of the building to a dentilled cornice at the roof line. The upper three stories are accentuated with extensive limestone detailing including balconets and a limestone drapery swag motif over small, square windows at the topmost level. The tower addition matches the original building in materials and the design within the first two floors. Above the second floor, detailing is more classical, with three-story high limestone Corinthian pilasters on floors three through five capped with a limestone cornice containing carved circular medallions. The upper three stories of the tower have a similar limestone treatment visible out the Corinthian capital, but with an ornate limestone balustrade detailed to the roof and bas-relief drapery medallions immediately below it. In general, the Fort Shelby Hotel is rich in architectural detail reflecting its classical antecedents.

(11) *Relationship of Roof Shapes.* The roofs of the original building and tower addition are flat, and therefore not visible from the street. From a distance, a roof penthouse can be seen on the tower addition, and a flagpole projects upward from the roof of the original building.

(12) *Walls of Continuity.* Not applicable to single resource district.

(13) *Relationship of Significant Landscape Features and Surface Treatments.* No significant landscape features are

to the placement of the building at the party boundaries.

(4) Relationship of Open Space to Structures. The open space in the vicinity of the Fort Shelby Hotel is the result of pending demolition. A vacant lot exists to the west, occupying the remainder of the West Lafayette block face. To the rear across the alley are other vacant lots.

(5) Scale of Facade and Facade Elements. The Fort Shelby Hotel is a three-story building. Its base and cap elements are large in scale, as are the windows. Detail on the middle, or shaft, section is generally smaller and more delicate in scale.

(6) Directional Expression of Front Facade. Because of the tower addition, the Fort Shelby Hotel appears vertical in its directional expression, although the front facade of the original building is of nearly equal proportions.

(7) Rhythm of Building Setbacks. The Fort Shelby Hotel is placed at the sidewalk; there is no setback.

(8) Relationship of Lot Coverages. The Fort Shelby Hotel occupies approximately ninety-five (95) per cent of its parcel.

(9) Degree of Complexity Within the Facade. The front facade of the Fort Shelby Hotel is straightforward in its arrangement of openings, elements and details.

(10) Orientation, Vistas, Overviews. Situated on the western periphery of downtown Detroit at the southwest corner of West Lafayette and First streets, the Fort Shelby Hotel is oriented toward West Lafayette Street, with a secondary orientation on First Street. Along the western side of the building is surface parking.

The Fort Shelby Hotel is the tallest building in the immediate vicinity and dominates the street scene. It contributes to the assemblage of substantial buildings in adjacent blocks along West Lafayette.

(11) Symmetric or Asymmetric Appearance. The original building of the Fort Shelby Hotel is symmetrical in appearance and straightforward in the design of its facades. The tower addition is also asymmetrical. Taken as a whole, the concave facade wall created by both structures results in an asymmetrical composition.

(12) General Environmental Character. The Fort Shelby Hotel is situated amongst some of Detroit's most venerable commercial institutions along West Lafayette — the Detroit News, WDIV television studios, Greater Detroit Chamber of Commerce, and the Manufacturers Trust Building now occupied by Comerica Bank. Although building vacancies and demolition have taken a toll on the west side of downtown, many architectural and historically significant buildings still remain, retaining the potential for revitaliza-

tion of the area.

Section 2. All ordinances or parts of ordinances, or resolutions, in conflict herewith be and the same are herewith repealed.

Section 3. This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the people of the City of Detroit.

Section 4. If this ordinance is passed by a two-thirds (2/3) majority of City Council Members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-116 of the 1997 Detroit City Charter; otherwise, it shall become effective in accordance with Section 4-115 of the 1997 Detroit City Charter.

September 1, 2004

Honorable City Council:

Re: Request to amend the 2004-2005 Official Compensation Schedules to establish a salary range for the classification of Civic Center Event Coordinator — Special Service (82-20-36).

The Human Resources Department recently adopted the subject classification. Hart Plaza operations, which were previously in the Recreation Department, are now in the Civic Center Department. However, positions there are still assigned Recreation specific titles. Civic Center management has requested the positions be assigned to classifications applicable to the Civic Center Department.

Creation of this special service class

addresses positions that are used on a seasonal or part-time basis and also increases the Civic Center Department's flexibility in using the positions in other areas of Civic Center operations.

Pursuant to a review of rates of pay for work of similar scope and complexity, a wage range of \$10.75-\$14.00 per hour is recommended.

The Civic Center Department concurs with this recommendation and requests approval of the compensation rates.

Honorable City Council:

Re: Authorization to enter into 2004-2005 Head Start and Early Head Start Program contracts with ten (10) delegate agencies.

The Department of Human Services (DHS) is the Grantee for the Head Start and Early Head Start Program currently serving 7,497 eligible children and their families in the City of Detroit. The program is funded on an annual basis by the U.S. Department of Health and Human Services — Administration for Children and Families. Our grant year runs from November 1, 2004 through October 31, 2005 and official notification of the grant totaling \$53,363,076 will be received shortly. Because we have not received the grant award from the U.S. Department of Health and Human Services in a timely manner, we are not able to process a continuation contract with our delegate agencies before the New Program Year begins on November 1, 2004. These contracts are being processed and all the pre-clearances have been obtained. However, the time required to process these contracts might adversely affect the delivery of Head Start and Early Head Start services. To avoid any disruption of service and circumvent cash flow problems that our delegates may experience, DHS is requesting that City Council pass a resolution authorizing DHS to enter into contracts with ten (10) delegate agencies. The Department intends to prepare and process the formal contracts as soon as possible. At this juncture, it is necessary to request pre-approval of these contracts. However, as always, the approved detailed budgets are attached to the contracts. All expenditures will be in accordance with the budget approved by the U.S. Department of Health and Human Services and DHS. The Head Start

September 23, 2004

Honorable City Council:
 Re: Surplus Property Land Sale. Dehoco
 Parcels 2 & 3, Plymouth Township.
 We are in receipt of an offer from
 DEMCO 54, L.L.C., a Michigan limited lia-
 bility company ("Purchaser"), to purchase
 the above referenced parcels of land,
 which are part of the former site of the
 Detroit House of Corrections. Dehoco
 Parcels 2 and 3, which are separated by
 railroad right-of-way, are located on the
 south side of Phoenix (Five Mile) Road
 between Ridge and Napier Roads in
 Plymouth Township. Parcel 2 contains
 approximately 318.94 gross acres. Parcel
 3 contains approximately 4.75 gross
 acres. Approximately 7.24 acres of the
 total acreage for both parcels combined is
 reserved for roadway rights-of-way. In
 addition, Johnson Creek flows across the
 property and a significant proportion of the
 property, estimated in excess of 38% of
 the total acreage, is wetlands.

Purchaser is affiliated with the DeMattia
 Group, the developer of the Metro West
 Technology Park adjacent to east and
 southeast of these parcels. The land is
 zoned industrial and Purchaser proposes
 an expansion of its existing industrial park
 onto the property. Purchaser proposes to
 redivide the property using Johnson Creek
 as the dividing line between "Zone A" to
 the east and "Zone B" to the west.
 Purchaser offers to purchase Zone A out-
 right for a purchase price of \$55,000.00
 per developable acre. Zone A is estimated
 to contain approximately 62 developable
 acres, resulting in a total Zone A purchase
 price of \$3,410,000.00. Purchaser seeks a
 five year option to purchase land in Zone
 B, in increments of not less than 25 acres
 each, for a purchase price of \$45,000.00
 per developable acre. Zone B is estimated
 to contain approximately 133 developable
 acres, resulting in a total Zone B purchase
 price of \$5,985,000.00 if Purchaser exer-
 cises the option to purchase Zone B

acreage in its entirety. Purchaser proposes to pay a nonrefundable annual option fee of \$150,000.00, which option fee payments shall be in addition to the purchase price for the property itself. If total developable acreage turns out to be more than currently estimated, the total purchase price will increase accordingly. If total developable acreage turns out to be less than currently estimated, Purchaser understands that any reduction in the total purchase price below the total amounts calculated herein will require City Council approval. Absent such approval, the total purchase price for both Parcels combined shall not be less than \$9,395,000.00.

We seek Council's approval of the essential terms of the proposed transaction, subject to Purchaser conducting and completing its due diligence investigation and obtaining necessary site plan and zoning approvals of its proposed development of the site. We request that your Honorable Body adopt the land sale terms, approve the grant of an option to purchase portions of the property in increments over time and authorize the Planning and Development Department Director of Development Activities to enter into and execute a Purchase and Option Agreement/Sale Contract, together with quit claim deeds and such other documents as may be necessary to effect the sale.

Waiver of reconsideration is requested.

Respectfully submitted,
HENRY B. HAGOOD

Director of Development Activities
By Council Member K. Cockrel, Jr.:

Resolved, That in accordance with the Offer to Purchase and the foregoing communication, the Planning and Development Department Director of Development Activities be and is hereby authorized to enter into and execute a Purchase and Option Agreement/Sale Contract for sale of the following described property located in Plymouth Township, together with quit claim deeds and such other documents as may be necessary to effect sale of the property to DEMCO 54, L.L.C., a Michigan limited liability company, for a total amount of not less than \$9,395,000.00, subject to Purchaser obtaining all necessary site plan and zoning approvals required to develop the property.

Parcel 2

Part of the North 1/2 of Section 19, T. 1 S., R. 8 E., Plymouth Township, Wayne County, Michigan, lying South of the South right-of-way line of the C & O Railroad. The parcel is more particularly described as follows: Beginning at a point, said point being a monument at the Northwest corner of Section 19 and said point also being the intersection of the centerline of Phoenix Road with the intersection of Napier Road; thence N. 88° 32'

48" E., 2,726.55 feet along the North line of Section 19 to the North 1/4 corner monument; thence N. 88° 31' 33" E., 1,493 feet along the North line of Section 19 to a point, said point being the intersection of the North line of Section 19 with the South right-of-way line of the C & O Railroad; thence S. 65° 21' 35" E., 1,263.63 feet along the South right-of-way line of the C & O Railroad to a point, said point being the intersection of the South right-of-way line of the C & O Railroad with the East line of Section 19; thence S. 0° 05' 01" W., 2,095.90 feet along the East line of Section 19 to a monument, said monument being the East 1/4 corner of Section 19; thence S. 88° 36' 35" W., 2,639.62 feet along the East-West 1/4 line to an iron monument, said monument being the Center of Section 19; thence S. 88° 36' 35" W., 2,726.40 feet along the East-West 1/4 line to a monument, said monument being the West 1/4 corner of Section 19; thence N. 0° 00' 22" W., 2,645.36 feet along the West line of Section 19 to the point of beginning, containing 318.94 acres more or less of which 6.26 acres are right-of-way for public roads.

Parcel 3

Part of the Northeast 1/4 of Section 19, T. 1 S., R. 8 E., Plymouth Township, Wayne County, Michigan, lying North of the North C & O Railroad right-of-way line. The parcel is more particularly described as follows: Beginning at the Northeast section corner monument of Section 19 said point also being the intersection of the centerline of Phoenix Road with the centerline of Ridge Road; thence S. 0° 05' 01" W., 447.57 feet along the East line of Section 19 to a point in the North right-of-way line of the C & O Railroad; thence N. 65° 21' 35" E., 1,016.44 feet along the North right-of-way line of the C & O Railroad to a point, said point being the intersection of the North line of the C & O Railroad with the North line of Section 19; thence N. 88° 31' E., 924.84 feet along the North line of Section 19 to the point of beginning, containing 4.75 acres more or less of which 0.98 acres are right-of-way for public roads.

 Attached please find a resolution and full description, which will approve an Obsolete Property Rehabilitation Exemption Certificate for 1322 Broadway, Inc., at 1322 Broadway, in accordance with Public Act 146 of 2000 ("the Act"). Such approval will materially assist in the development of the site in accordance with the provisions of 1322 Broadway, Inc.

Earlier today your Honorable Body conducted a public hearing on the approval of an Obsolete Property Rehabilitation Exemption Certificate, in accordance with the Act. Inasmuch as no impediments to the approval of an Obsolete Property Rehabilitation Exemption were presented at the public hearing, we trust that you approve the resolution at your next regular or adjourned formal session.

Respectfully submitted,
 ANGELA BRADBY
 Executive Manager

Council Member K. Cockrel, Jr.:
 Whereas, 1322 Broadway, Inc. has met with the City Clerk an Application for Obsolete Property Rehabilitation Exemption Certificate under Public Act 146 of 2000 ("the Act") in City of Detroit Obsolete Property Rehabilitation District No. 24 in the manner and form prescribed by the Michigan State Tax Commission;

Whereas, This City Council is a qualified Local Governmental Unit as defined by the Act; and

Whereas, This City Council on April 2, 2004 established by Resolution Obsolete Property Rehabilitation District No. 24 in the vicinity of 1322 Broadway, Detroit, Michigan, after a Public Hearing held April 2, 2004, in accordance with the Act; and

Whereas, The taxable value of the property proposed to be exempt plus the separate taxable value of property already exempt under the Act and under Public Act 198 of 1974 exceeds 5% of the total taxable value of property in the City of Detroit; and

Whereas, The Applicant is not delinquent in any taxes related to the facility;

Whereas, The Application is for obsolescence as that term is defined in Section 2(h) of the Act, which property is owned by the Applicant; and

Whereas, The Application has been provided to this City Council (including a completed line 9 of the Application); and

Whereas, Commencement of the rehabilitation of the subject facility did not occur before the establishment of the Obsolete Property Rehabilitation District;

Whereas, The Application relates to a rehabilitation program that when completed constitutes a rehabilitated facility within the meaning of the Act and which is situated

within the aforesaid City of Detroit Obsolete Property Rehabilitation District No. 24; and

Whereas, Completion of the rehabilitation is calculated to, and will at the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or increasing the number of residents in the community in which the facility is located; and

Whereas, The rehabilitation includes improvements aggregating 10% or more of the true cash value of the property at the commencement of the rehabilitation as provided by Section 2(l) of the Act; and

Whereas, This City Council has granted until the end of 2006 for the completion of the rehabilitation; and

Whereas, On October 7, 2004, in the City Council Committee Room, 13th floor, Coleman A. Young Municipal Center, Detroit, Michigan, a public hearing was held on aforesaid Application, at which time the Applicant, the Assessor, the general public, and representatives of the affected taxing units had an opportunity to be heard; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard;

Now, Therefore Be It

Resolved, That it is hereby found and determined that the granting of an Obsolete Property Rehabilitation Exemption Certificate, considered together with the taxable value of Obsolete Property Rehabilitation Exemption Certificates and Industrial Facilities Exemption Certificates previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax with the City of Detroit; And Be It Further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; And Be It Further

Resolved, That the Application of 1322 Broadway, Inc. for an Obsolete Property Rehabilitation Exemption Certificate in City of Detroit Obsolete Property Rehabilitation District No. 24 is hereby approved for a period of twelve years from completion of the facility in accordance with the provisions of the Act; And

Be It Finally

Resolved, That the City Clerk shall forward said Application to the Michigan State Tax commission as provided by the Act.

Honorable City Council:

Re: Property For Sale By Development Agreement Development: 615, 621, 629, 633, 639-41, 645, 651, 657 & 705 Sheridan.

We are in receipt of an offer from St. John Health System, a Michigan Non-Profit Corporation, to purchase the above-captioned property for the amount of \$16,800 and to develop such property. This property contains approximately 33,750 square feet and is zoned R-5 (Medium Density Residential District).

The Offeror, in conjunction with property they already own, proposes to construct a paved surface parking lot for the storage of licensed operable vehicles. The parking lot will provide approximately three hundred thirty (330) additional parking spaces to accommodate the construction of their adjacent medical office building. This use is permitted as a matter of right in a R-5 zone.

We, therefore, request that your Honorable Body adopt the sale and authorize the Planning & Development Department Director of Development Activities to execute an agreement to purchase and develop this property with St. John Health System, a Michigan Non-Profit Corporation, together with a deed to the property and such other documents as may be necessary to effect the sale.

Respectfully submitted,
HENRY B. HAGOOD

Director of Development Activities
By Council Member S. Cockrel:

Resolved, That in accordance with the Offer to Purchase and the foregoing communication, the Planning & Development Department Director of Development Activities be and is hereby authorized to execute an agreement to purchase and develop the property more particularly described in the attached Exhibit A, together with a deed to the property and such other documents as may be necessary to effect the sale, with St. John Health System, a Michigan Non-Profit Corporation, for the amount of \$16,800.

Re: Resolution Approving an Obsolete Property Rehabilitation District, Behalf of 1466 Brush Street, LLC, the Area of 1452-1466 Brush Street, in Accordance with Public Act 146 of 2000.

Attached please find a resolution legal description which will establish Obsolete Property Rehabilitation District at 1452-1466 Brush St. in accordance with Public Act 146 of 2000 ("the Act"). Such establishment will materially assist in the development of the site in accordance with the plans of 1466 Brush Street, LLC.

Earlier today your Honorable Body conducted a public hearing on the establishment of this District, in accordance with the Act. In as much as, no impediment to the establishment of the District were presented at the public hearing, we request that you approve the resolution at your next regular or adjourned formal session.

Respectfully submitted,
HENRY B. HAGOOD

Director of Development Activities
By Council Member S. Cockrel:

Whereas, Pursuant to Act No. 146 of the Public Acts of 2000 ("Act 146") the City Council has the authority to establish "Obsolete Property Rehabilitation Districts" within the boundaries of the City of Detroit; and

Whereas, 1466 Brush St., LLC requested that this City Council establish an Obsolete Property Rehabilitation

district in the area of 1452-1466 Brush
Detroit, Michigan, the area being
particularly described in Exhibit A
attached hereto; and

Whereas, The aforesaid property is
obsolete property in an area character-
ized by obsolete commercial property or
commercial housing property; and

Whereas, Act 146 requires that, prior to
establishment of an Obsolete
Property Rehabilitation District, the City
Council shall provide an opportunity for a
hearing on the establishment of the
district, at which a representative of any
jurisdiction levying *ad valorem* taxes, or
owner of real property within the prop-
osed District, or any other resident or
payer of the City of Detroit may appear
and be heard on the matter; and

Whereas, A public hearing was con-
ducted before City Council on, October 8,
2004, for the purpose of considering the
establishment of the proposed Obsolete
Property Rehabilitation District described
in Exhibit A attached hereto; and

Whereas, No impediments to the
establishment of the proposed District
were presented at the public hearing;

Now Therefore Be It

Resolved, That Obsolete Property
Rehabilitation District No. 31, more partic-
ularly described in Exhibit A attached
hereto, is hereby approved and estab-
lished by this City Council in accordance
with Act 146.

Extension of Development Agreement Development: 3646 W. Warren. On November 26, 2003 (Detroit Legal News, December 11, 2003, Pg. 20), your Honorable Body authorized the Assignment, Assumption and Consent Agreement between Willie Mae Krouse, Duraid Bally and the City of Detroit, for the purpose of constructing a paved surface parking lot to accompany the renovation of the existing dry cleaners at 3630 W. Warren.

Duraid D. Bally has informed the Planning & Development Department that due to unavoidable circumstances he was unable to complete the project within the time allotted in the present Development Agreement. Mr. Bally is still in the process of securing the remaining funding necessary for the completion of this project. Consequently, Mr. Bally is now requesting a six (6) month extension.

The Planning & Development Department has reviewed the request of Duraid Bally and has determined it to be reasonable and consistent with the terms and condition set forth in the Development Agreement.

We, therefore, request that your Honorable Body adopt the attached resolution authorizing an amendment to the Development Agreement to extend the completion period of the development.

Re: Bid Sale of Property — (S) Stratton, between Waterman and Beard.

The City of Detroit acquired as tax reverted parcels through City Foreclosure, Lots 4 and East 76.49 feet of Lot 3, located on the South side of Stratton, between Waterman and Beard, a/k/a 2001 Waterman.

The property in question consists of a large one-story warehouse facility, in which the roof has caved-in and the entire site is full of debris and is an eyesore to the surrounding community. This facility is located on an area of land measured approximately 50,312 square feet and zoned M-4 (Intensive Industrial District).

The purchaser has agreed to clean up the site at his own expense (a cost estimated to be in excess of \$80,000), which includes demolition of the standing warehouse walls and removal of the excessive debris from the site. In addition, a small building on the site will be renovated and used as an office along with the cleared land for storage of equipment for his demolition and construction business and not be used for storage of demolition debris.

Therefore, we request your Honorable Body's approval to accept the Offer to Purchase from ABC Demolition Company, Inc., for the sales price of \$500.00 on a cash basis plus an \$18.00 deed recording fee.

Re: Central Industrial Park Project Development: 2550 E. Grand Blvd.

The Planning and Development Department is in receipt of an offer to purchase the above-captioned property from Dan Williams & Associates, Inc., a Michigan Corporation, for the amount of \$151,000, and to develop such property. This property is located within the Central Industrial Park Project area, between Aubin and the Grand Trunk Railroad and contains approximately 155,300 square feet or 3.55 acres.

The Developer proposes to construct a one-story office building with a paved surface parking lot for the storage of approximately four hundred sixteen (416) licensed operable vehicles, to accommodate their existing limousine bus shuttle service.

The Developer possesses the qualifications and has indicated potential financial resources necessary to acquire and develop the land in accordance with the Development Plan. The disposal of the land by negotiation is an appropriate method for making the land available for redevelopment and the proposed agreement is in satisfactory form.

We, therefore, request that your Honorable Body adopt the attached resolution authorizing the advertising of the holding of a public hearing concerning this offer on the 1st day of November 2004, at 10:00 a.m.

Respectfully submitted,
HENRY B. HAGOOD

Director of Development Activities

By Council Member McPhail:

Resolved, That in accordance with foregoing communication that this offer from Dan Williams & Associates, Inc., a Michigan Corporation, to purchase and develop 2550 E. Grand Blvd. in the Central Industrial Park Project, is in satisfactory form; and

That the disposal of this land by negotiation is an appropriate method for making the land available for redevelopment and

That the developer possesses the qualifications and financial resources necessary to acquire and develop the land in accordance with the Development Plan and

That the aggregate price of \$151,000 equal to the fair market value of the land for use in connection with the Developer

Plan, and to hold a public hearing concerning this offer on the 1st day of September, 2004, at 10:00 a.m.

Honorable City Council:

Re: Subject: Request City Council Resolution regarding acquisition of Speed Monitoring Awareness Radar Trailer by the Ninth Precinct.

The Allstate Insurance Company has established a neighborhood-based safety program entitled, "Building Safe Blocks." The purpose of this program is: "To foster safer neighborhoods by encouraging community involvement that will create visible signs for resident security and community vitality and extend safety awareness and confidence to residents and visitors of the City of Detroit."

The Ninth Precinct and the Ninth Precinct Community Relations Association applied for and received a grant, under the Building Safe Blocks program, for the purchase of a speed monitoring radar with trailer and accessories, known as SMART (Speed Monitoring Awareness Radar Trailer). The deployment of the speed monitoring radar, which displays to passing drivers the speed of their vehicles, will lead to voluntary compliance and significantly reduce the number of injuries and fatalities resulting from excessive speeds in Ninth Precinct business, residential, and school districts. The radar with trailer and accessories were purchased for \$10,638.00, and delivered to the Ninth Precinct.

The Board of Police Commissioners has approved this request. Therefore, respectfully requested that your Honorable Body adopt the attached resolution authorizing the City of Detroit to accept the award.

Should you have any questions or concerns, please do not hesitate to contact me at 596-1800, at your convenience.

Division of Research & Analysis

October 11, 2004

Honorable City Council:

Resolution Subpoenaing Victor Mercado, Director of DWSD.

On Monday, October 4, 2004, the Research & Analysis Division spoke with Victor Mercado, Director of the Detroit Water and Sewerage Department (DWSD) regarding RAD obtaining copies of the contract between DWSD and Infrastructure Management Group, Inc. (IMG).

Mr. Mercado indicated that he was out of town and promised to provide copies of the contracts upon his return. RAD expressed to Mr. Mercado that we had been directed by City Council to prepare a resolution and subpoena to obtain the scope of service and contracts between the department and IMG. Mr. Mercado expressed his desire to avoid the necessity of Council adopting such a resolution. However, instead of providing the

requested documents, today Mr. Mercado sent a memorandum highlighting what he deems to be the salient points of the contracts. This was not the request of City Council; thus, the resolution to subpoena the contracts and the subpoena itself are attached for your review.

Should you need anything further, please advise.

Respectfully submitted,
DAVID D. WHITAKER
Interim Director

By Council Member McPhail:

Whereas, On September 24, 2002, Kwame M. Kilpatrick, Mayor of the City of Detroit, authorized a contract with Infrastructure Management Group, Inc. (IMG), a consulting firm based in Bethesda, Maryland; and

Whereas, In a Notification of Procurement dated November 6, 2002, Mayor Kilpatrick informed the Detroit City Council that he authorized the contract purportedly in his capacity as the Special Administrator of the Detroit Water and Sewerage Department (DWSD); and

Whereas, In a letter to City Council dated March 29, 2004, AFSCME 25, Local 207 accuses Detroit Water and Sewerage Department and IMG, of ongoing attempts to privatize certain aspects of DWSD operations; and

Whereas, On May 6, 2004, City Council directed that its Research and Analysis Division (RAD) investigate the allegations of Local 207; and

Whereas, In order to conduct an investigation, RAD requested several documents (including copies of any and all contracts between DWSD and IMG) from DWSD via the City's Administration in memoranda dated July 12, 2004, August 24, 2004 and September 9, 2004; and

Whereas, Despite repeated assurances from the Administration that the documents would be forthcoming, as of this date, they have not been produced; and

Whereas, City Council has been empowered by Section 4-109 of the 1997 Home Rule Charter of the City of Detroit, as amended, to make any investigation into the affairs of the City; and

Whereas, Section 4-110 of the Charter and Chapter 2, Article II, Section 2-2-16 of the 1984 Detroit City Code provide that the City Council may also subpoena witnesses, administer oaths, take testimony, and require the production of documentary evidence on matters before it. Now, Therefore Be It

Resolved, That the attorneys of the Research and Analysis Division are hereby directed to prepare and serve the appropriate subpoena for the production of the following documents from the Detroit Water and Sewerage Department:

1. The Professional Services Contract between the City of Detroit, Michigan and

Infrastructure Management Group, Inc., Purchase Order #2619579, along with any and all scope of services, amendments, codicils, and addenda.

2. The Professional Services Contract between the City of Detroit, Michigan and Infrastructure Management Group, Inc., Purchase Order #2605863, along with any and all scope of services, amendments, codicils, and addenda.

3. The Professional Services Contract between the City of Detroit, Michigan and Infrastructure Management Group, Inc., Purchase Order #2615807, along with any and all scope of services, amendments, codicils, and addenda.

4. The Professional Services Contract between the City of Detroit, Michigan and Infrastructure Management Group, Inc., Purchase Order #2593093, along with any and all scope of services, amendments, codicils, and addenda; and be it finally

Resolved, That the Detroit City Council hereby authorizes the attorneys of the Research and Analysis Division to seek judicial enforcement of the above-referenced subpoena issued, where and whenever required, in relationship to the allegations of Local 207 against the Detroit Water and Sewerage Department and Infrastructure Management Group.

(No. 2) per motions before adjournment

Planning & Development Department

October 14, 2004

Honorable City Council:

Re: Laco/Hall Steel, Petition #24
Request for Industrial Facilities
Exemption Certificate.

Submitted herewith is a Resolution approving the Industrial Facilities Exemption Certificate in Industrial Development District No. 170 in the vicinity of 20200 Mt. Elliott, Detroit, Michigan and also approving the Industrial Facilities Exemption Certificate Letter Agreement entered into pursuant to 198 of the Public Acts of 1974, as amended.

A Waiver of Reconsideration is requested.

Respectfully submitted,
HENRY B. HAGOOD

Director of Development Activities
Planning & Development Department
By Council Member McPhail:

Whereas, This City Council has established by Resolution an Industrial Development District in the area of 20 Mt. Elliott, Detroit, Michigan 48234 pursuant to the provisions of Act No. 19 of the Public Acts of 1974, as amended ("Act"); and

Whereas, Hall Steel, Inc., (the Applicant") has filed with the Detroit

k (Petition No. 2413) an Application
 an Industrial Facilities Exemption
 Certificate (IFEC) for an investment in
 and personal property in said
 Industrial Development District in the
 manner and form prescribed by the
 Michigan State Tax Commission; and

Whereas, On October 13, 2004 in the
 Council Committee Room, 13th floor,
 Jean A. Young Municipal Center,
 Detroit, Michigan, a discussion was held
 said Application, as required by the
 Act at which time the Applicant, the
 Mayor and a representative of the
 affected taxing units had an opportunity to
 be heard; and

Whereas, Notice was given, by mail, to
 the Detroit Board of Education, the City of
 Detroit Board of Assessors, the Wayne
 County Commissioners, Wayne County
 Community College, the Wayne County
 Intermediate School District, the Huron-
 St. Clair Metropolitan Authority, and the
 Applicant, informing them of the receipt of
 said Application, the date and location of
 said discussion, and the opportunity to be
 heard; and

Whereas, The City and the Applicant
 have entered into an Industrial Facilities
 Exemption Certificate Agreement as
 required by the Act; and

Whereas, The written agreement
 entered under the Act includes an
 acknowledgment of receipt of a copy of
 the Detroit Living Wage Ordinance and
 prevailing wage requirements, and affirms
 that the applicant will comply with the
 aforesaid in all respects as required
 by law;

Now Therefore Be It
 Resolved, That it is hereby found and
 determined that the granting approval of
 said Industrial Facilities Exemption
 Certificate, considered together with the
 aggregate amount of Industrial Facilities
 Exemption Certificates previously granted
 and currently in force, will not have the
 effect of substantially impeding the opera-
 tion of the local government unit or impair-
 ing the financial soundness of any taxing
 unit which levies an ad valorem property
 tax within the City of Detroit; and be it fur-

ther Resolved, That it is hereby found and
 determined that the Applicant has com-
 plied with the requirements of the Act; and
 be it further

Resolved, That it is hereby found and
 determined that the Applicant has entered
 into a written Agreement with the City of
 Detroit, memorializing the commitments
 made upon which this approval is based,
 as required by the Act, which Agreement
 is hereby approved; and be it further
 Resolved, That the Applicant of Hall
 & Laco Real Estate, Inc., (Petition
 No. 13), for an Industrial Facilities

 FOR
 WESTERN INTERNATIONAL
 OPTIMIST CLUB OF DETROIT**

By COUNCIL MEMBER K. COCKREL, JR.:

WHEREAS, Compassion, commit-
 ment, determination, and success are
 words that can only begin to define the
 Western International Optimist Club of
 Detroit. On October 10, 2004, the organi-
 zation will be honored for providing 10
 years of service to the citizens of Detroit,
 and

WHEREAS, Herb Strather and a group
 of dedicated individuals founded the
 Western International Optimist Club of

Detroit on September 29, 1994. Together, with the support of their sponsor club, Detroit Northwest, the group embarked on its first project of delivering Thanksgiving baskets to the needy, on November 18, 1994, and

WHEREAS, Through the years, the Western International Optimist Club has been a beacon of guidance and support to Detroit area youth. The organization has sponsored many projects, including the Fish Pond fundraiser, the Annual Youth Appreciation Program, a Bike Safety program, and a Surrogate Parenting Program. In addition, the organization also officially adopted Western International High School, and

WHEREAS, For 10 years, young men and women have benefited from the Western International Optimist Club of Detroit's care and concern. True to their mission statement, the committed members of this organization "foster an optimistic way of life for the improvement of individuals and society, through local Optimist clubs dedicated to expanding service to youth and the community." The Western International Optimist Club of Detroit truly continues to demonstrate a firm commitment to improving the quality of life for all Detroiters. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council hereby congratulates the Western International Optimist Club of Detroit upon its 10th anniversary. For many years, the group has worked to fulfill the dreams of Detroit youth. We wish the organization continued success as it continues to transform dreams into reality.

Honorable City Council:
 Re: Shaun Varnado, by his Next Friend,
 Gloria Varnado vs. Detroit Police
 Officer Thomas Griffin and Sergeant
 Martin Gaynor. Case No. 04-418066
 NO. File No. A370000-04498 (KAC).

We have reviewed the above-cap-
 tioned lawsuit, the facts and particulars of
 which are set forth in a confidential mem-
 orandum that is being separately hand-
 delivered to each member of your

Honorable Body. From this review, it is our considered opinion that the City should agree to the entry of an Order of Dismissal and enter into an Agreement to Arbitrate on the terms and conditions set forth in the following resolution.

We, therefore, request authorization to agree to entry of an Order of Dismissal and to enter into an Agreement to Arbitrate on the terms and conditions set forth in the following resolution and, upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay a designated sum to the Plaintiff, that your Honorable Body direct the Finance Director to issue a draft payable to Shaun Varnado, by his Next Friend, Gloria Varnado and his attorneys, The Thurswell Law Firm, in the amount the City is to pay the Plaintiff pursuant to the arbitrators' decision, but said draft may not exceed Seventy-Five Thousand Dollars (\$75,000.00).

Resolved, That:

The Law Department is authorized to agree to entry of an Order of Dismissal and to enter into an Agreement to Arbitrate in the case of Shaun Varnado, by his Next Friend, Gloria Varnado vs. Detroit Police Officer Thomas Griffin and Sergeant Martin Gaynor, Wayne County Circuit Court Case No. 04-418066 NO, on the following terms and conditions:

A. 1. The parties shall submit to arbitration all matters in controversy raised in the above-named lawsuit.

2. The maximum amount of any award to the Plaintiff shall not exceed the amount of Seventy-Five Thousand Dollars (\$75,000.00).

3. Any award in excess of \$75,000.00 shall be interpreted to be in the amount of \$75,000.00.

There shall be no costs, fees, attorney fees or interest taxable with respect to the award rendered by the arbitrators.

The award of the arbitrators shall represent a full and final settlement of any amounts due and owing to Plaintiff for any and all claims arising out of the incident which occurred on or about June 26, 2002 at or near 15031 Brammell; however, limited judicial review may be obtained in a Michigan Federal District Court or Michigan Circuit Court of competent jurisdiction (a) in accordance with the standards for review of arbitration awards as established by law; or (b) on the grounds

that the arbitrators committed an error of law.

B. Promptly after the arbitrators announce their decision, the Law Department shall inform City Council of the writing of that decision.

C. Upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay part or all \$75,000.00 to the Plaintiff, the Finance Director is authorized to issue a draft drawn upon the proper account in favor of Shaun Varnado, by his Next Friend, Gloria Varnado and his attorneys, The Thurswell Law Firm, in the amount of the arbitrators' decision, but said draft shall not exceed Seventy-Five Thousand Dollars (\$75,000.00).

RESOLUTION REQUESTING THE DETROIT POLICE DEPARTMENT AND BOARD OF POLICE COMMISSIONERS REVISIT ISSUE OF AND DEVELOP POLICY ON SURVEILLANCE AND USE OF CAMERAS FOR MONITORING DEMONSTRATIONS

BY COUNCIL PRESIDENT MAHAFFEY, and COUNCIL MEMBER S. COCKREL:

WHEREAS, The City Council of the City of Detroit is firmly committed to preserving the fundamental rights guaranteed under the First Amendment of the United States Constitution; and

WHEREAS, The Detroit City Council has held discussions and public hearings with representatives of the Detroit Police Department, Board of Police Commissioners, the Michigan Emergency Committee Against War & Injustice (MECAWI), the American Civil Liberties Union (ACLU), the Coalition Against Police Brutality and the National Lawyers Guild (NLG) pertaining to alleged videoing by the Detroit Police Department of demonstrators; and

WHEREAS, As a result of these discussions and public hearings, the Detroit Police Department, with the approval of the Board of Police Commissioners, promulgated General Order 203.6: Surveillance (General Order) on Thursday, September 16, 2004; and

WHEREAS, It was requested that representatives of MECAWI, the ACLU, the Coalition Against Police Brutality and the Citizens (Citizen Groups) be involved in the process of promulgating said General Order; and

WHEREAS, It is recognized that the Detroit Police Department met with representatives of the Citizen Groups on at least one occasion, but nevertheless, did not provide copies of the draft General Order to the Citizen Groups for review or to its approval by the Board of Police Commissioners; and

WHEREAS, The Board of Police Commissioners approved the General Order with the understanding that the Citizen Groups approved it, when in fact, they had only agreed in theory, but had not been given the opportunity to review the actual General Order; and

WHEREAS, The Citizen Groups disapproved the General Order after it was approved by the Board of Police Commissioners, and

WHEREAS, The Citizen Groups have continuing concerns pertaining to the substance of certain provisions in the General Order.

NOW THEREFORE, BE IT RESOLVED, That the City Council of the City of Detroit requests that the Detroit

Police Department and the Board of Police Commissioners revisit this issue and reexamine the General Order.

AND BE IT FURTHER RESOLVED, That the Detroit Police Department and the Board of Police Commissioners are requested to work cooperatively with the Citizen Groups in order to fashion a new General Order that would address the following specific concerns:

1. Provisions pertaining to how the surveillance activities of the Detroit Police Department apply under federal law, including, but not limited to, the Patriot Act, and other Homeland Security measures.

2. Provisions related to who can authorize surveillance.

3. Provisions dealing with the retention and sharing of surveillance records with other law enforcement agencies.

AND BE IT FURTHER AND FINALLY RESOLVED, That copies of this resolution be forwarded to the Chief of Police, the Board of Police Commissioners, MECAWI, the ACLU, the Coalition Against Police Brutality and the NLG.

RESOLUTION CLARIFYING CITY COUNCIL'S POSITION REGARDING THE POWERNOMICS ECONOMIC DEVELOPMENT PLAN

By COUNCIL MEMBERS K. COCKREL, JR., and TINSLEY-TALABI:

WHEREAS, The Detroit City Council entered into a contract with Dr. Claud Anderson and the Powernomics Corporation of America, Inc., to assist in developing a local economic plan for the City of Detroit; and

WHEREAS, Dr. Anderson submitted a June 30, 2004 report to the Detroit City Council entitled "The Powernomics Economic Development Plan for Detroit's Under-Served Majority Population" containing recommendations to increase the number of black-owned businesses in the City of Detroit. The report included recommendations to create an inner city business district for African American businesses, referred to as African Town, and a capital fund to provide financial assistance for the African American businesses; and

WHEREAS, On July 14, 2004, the Detroit City Council approved two resolutions supporting the creation of a capital fund and inner city business district as referenced in the Powernomics proposal; and

WHEREAS, The Detroit City Council acknowledges that some of the rhetoric contained in Dr. Anderson's report has offended a great number of Detroit resi-

dents and regrets that the City Council's actions may have been interpreted by some as racist; and

WHEREAS, The Detroit City Council fully recognizes and is proud of the many great accomplishments and contributions to Detroit's social and economic fabric that have been made by our European, Latino, Arab, Chaldean and Asian residents and businessowners; and

WHEREAS, The Detroit City Council also recognizes the historic role of African Americans in the development of this country and believes that the synergy created by a business district showcasing the rich culture and significant achievements of African Americans can only improve the economic and social environment within the City of Detroit; and

WHEREAS, The Detroit City Council understands that existing law would not make it possible to proceed with the establishment of a capital fund and inner city business district as referenced in the Povernomics plan. NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council supports, and is committed to, the development of a business district incorporating the rich heritage of African Americans in the City of Detroit in a manner that conforms to existing local, state and federal laws; AND BE IT FURTHER

RESOLVED, That the focus of this business district is a variety of entertainment, retail, commercial and cultural activities which, at one time in the history of the City of Detroit, flourished in a section of the city known as Paradise Valley; AND BE IT FURTHER

RESOLVED, That the Detroit City Council requests that the Detroit Economic Growth Corporation (DEGC) and City Planning Commission (CPC) work with Detroit Black Business owners, entrepreneurs and trade associations to undertake the required steps to develop this business district so that it can be enjoyed by all ethnic groups just like Greektown and Mexicantown; AND BE IT FURTHER

RESOLVED, That the DEGC and CPC, in conjunction with Black Business trade associations, is requested to provide the Detroit City Council with a comprehensive report, outlining a timeline, process by which a district of this nature can be developed, how to attract potential business, developers and identify potential funding sources; AND BE IT FURTHER

RESOLVED, That this resolution supersedes and takes precedent over any and all previous resolutions pertaining to this manner; AND BE IT FURTHER

RESOLVED, That the City Council's future consideration and discussions regarding an African American business district in the City of Detroit will be done solely within the framework set forth in this resolution; AND BE IT FINALLY

RESOLVED, That a copy of this resolution be forwarded to the Mayor of the City of Detroit and the DEGC.

STATEMENT BY COUNCIL MEMBER ALONZO W. BATES IN SUPPORT OF RESOLUTION BY PRESIDENT PRESIDENT TEM. KENNETH V. COCKREL, JR. AND ALBERTA TINSLEY-TALABI CLARIFYING CITY COUNCIL'S POSITION REGARDING THE POWNOMICS ECONOMIC DEVELOPMENT PLAN

On October 18, 2004, I voted yes on the resolution referenced above. This resolution is explicit regarding the Council's intent relative to economic development for African Americans and their communities.

By adopting this resolution, the Council acknowledges that although not intended, some of the information contained in the resolutions of July 14, 2004, was regrettably viewed by some to be racist. This resolution eliminates language that could be considered negative and it takes precedent over July 14, 2004 resolutions effectively rescinding them.

This resolution positively acknowledges all of the ethnic groups in our city as well as the historic contributions of African Americans relative to entertainment, retail, commercial and cultural activities. These activities once flourished in an area of the City known as Paradise Valley. We are committed to the encouragement of the development of such a district once again, in a manner that conforms to existing local, state and federal laws. My request is made of the Detroit Economic Growth Corporation to meet with African American developers and extend their assistance, as is done with other ethnic groups, to bring such a development to fruition.

STATEMENT BY COUNCIL MEMBER SHEILA M. COCKREL REGARDING RESOLUTIONS PERTAINING TO THE POWNOMICS PLAN FOR DETROIT AND DEVELOPMENT OF AN AFRICANTOWN

On Monday, October 18, 2004, the Council voted on a pair of resolutions pertaining to the Povernomics Plan for Detroit and the development of an Africantown. On July 14, 2004, over no votes, the City Council approved a resolution recognizing African Americans as the underserved majority minority p

on within the City of Detroit and other resolution establishing the Detroit Vital Development Corporation.

The resolutions sprang forth from the Vernomics Plan for Detroit (Plan) authored by Dr. Claud Anderson, pursuant to a contract entered into with the Detroit City Council. Having reviewed the document in its entirety, it is my considered opinion that the Plan is peppered with anti-immigrant and racially divisive rhetoric that has understandably incensed many members of our community. For example, the Plan contains language such as:

First, immigrants have received economic assistance and opportunities from all levels of government, including the City of Detroit, the native Black Americans have been systematically denied. [Page 6]

Integration required Black Americans to give up their communities, businesses, schools, nearly everything they had of value to become guests in the communities and businesses that Whites owned. In the pursuit of integration, Blacks volunteered to divest themselves of their culture, speech patterns, resources, traditional religion, schools, businesses, communities, and group self-interest. Like going through metal detectors at the airport, when Blacks integrated they had to empty their pockets and place every item of value on the belt. Once they passed through the metal detector, or integration, however, they were not allowed to reclaim these valuables. [Page 10]

Euro-Whites and ethnic immigrants maintain their own communities and resources and do not integrate with Blacks. Hispanics, American Indians, Asians, and Asian also are highly segregated from Blacks in the Detroit Metro area as well as across the country. Since Whites and ethnic groups are already classified as "White," they have no need to integrate with a group to which they already belong. Instead, they aggregate with their own people within their own communities and promote their own group self-interest. [Page 11]

They (the Jewish population) used their culture and religious unit to dominate the developing industries and market opportunities in America. Like all immigrants, they used these industries to promote wealth, jobs, income and other business opportunities for their own people. In the entertainment industry, for example, they formed a vertical system that effectively controlled writers, producers, filmmakers, financiers, talent, promoters, agents, studio and their owners. [Page 15]

For Blacks, immigration has always had negative consequences. It has harmed native Blacks in Detroit and

across the nation. [Page 17]

As stated earlier, Arab immigrants own and control nearly all of the City's gas stations, grocery stores, discount stores, liquor stores, and check cashing outlets. Koreans and East Indian immigrants own and control nearly all of the City's nail shops, wig shops, beauty supply stores, barbeque restaurants, Seven-Eleven stores, and other convenience stores, low price motels, and Dunkin Doughnut franchises. Ethnic immigrants are acculturated to seek out market niches and ethnic enclaves from which they can consolidate their economic gains from Detroit's inner-city. [Page 25]

Hispanic immigrants get at least five benefits that advantage them over native Black Americans. They get benefits: from being classified as White. [Page 28]

Dearborn, Michigan is popularly referred to as Arabtown. [Page 28]

Arabs...they are perceived to be and classified as White. [Page 29]

White society does not create jobs for Black people. They create jobs for their own people. [Page 32]

Black Americans are the only group that pursues and places a premium value on integrating and they have the lowest number of businesses. [Page 34]

New development fads like "Cool Cities" envision rebuilding inner cities around commodities of "gay and creative people." [Page 36]

Black consumers had only two choices: purchase the low quality, over-priced services and goods from ethnic immigrants, or drive thirty or forty miles round-trip to suburban stores where they are not welcomed with open arms. [Pages 39-40]

Two good examples of industries Black consumers dominate would be seafood and leather. Black Americans are major consumers of both. In seafood for example, the average Black American eat three to four times more seafood than the average White American, and Blacks spend \$9 dollars for every \$1 dollar that Whites spend. [Page 46]

The pattern of White and ethnic immigrants is to build culturally-based root businesses within their own communities. Once their businesses are established they close their markets to outside groups, while simultaneously expanding into Black neighborhoods, exporting those consumer dollars into White and immigrant businesses, families, and communities. Once they have acquired wealth, Whites and immigrants reinvest into businesses or other forms of unearned income sources such as stocks, bonds and real estate. Their ultimate goals are to be competitive within their own respective communities, dominate markets within Black neighborhoods, and use their wealth to influence politics and education. [Page 79]

Passages such as these unfairly and incorrectly generalize immigrant populations as being considered white, and the report as a whole seems to outline a plan that very much resembles a call for segregated economic isolation. The resolutions that were passed represented a step backward in race-relations and equal opportunity by attempting to set up an illegal fund that was to be used solely for the benefit of one race.

I firmly believe that African Americans have suffered profoundly from the impact of institutional structural racism. This racism is embedded in the American capitalist system. We must continue to develop strategies that increase the opportunities for African Americans to participate fully in the global economy.

I wholly support the principle that African Americans have full and equal opportunities to take advantage of development incentives in order to develop a cultural and business district. However, the resolutions that were passed in July were passed without adequate research and involvement by the entire community. Resultantly, we were left with what I believe were unlawful resolutions that made certain segments of our population feel alienated.

Ultimately, after much public debate, the Council was presented with two alternative resolutions for consideration. One was presented by Councilwoman Kay Everett which would have rescinded the resolutions altogether. Another was presented jointly by President Pro Tem. Kenneth V. Cockrel, Jr. and Councilwoman Alberta Tinsley-Talabi. This resolution clarifies the Council's desires to encourage the development of a business district focused on celebrating the rich heritage of African American in the City of Detroit. It also requests the Detroit Economic Growth Corporation to work with the City Planning Commission in this endeavor in a manner that is legally permissible.

I voted in full support of the Cockrel-Tinsley-Talabi resolution (CTT Resolution) because I felt that it most closely reflected my personal and professional judgment as a member of this Council. It recognizes that some of the language contained in the report was offensive and expressed its regret to those who were offended. It also recognized that the attempt to establish a capital fund through a Detroit Capital Development Corporation would likely be unlawful. More importantly, the CTT Resolution recognized the fantastic array of contributions to the City of Detroit by people of all ethnic heritages and further expressed the Council's commitment to the development of a business district incorporating the heritage of African Americans. By working with the Detroit Economic Growth

Corporation, the City Planning Commission and Black Business Trade Associations, we will be able to legally and effectively expand development opportunities to everyone in order to establish an African American business district within the City of Detroit.

**RESOLUTION TO RESCIND
DISCRIMINATORY RESOLUTIONS
DEVELOP "AFRICAN TOWN"**

By COUNCIL MEMBER EVERETT:
WHEREAS, On July 14, 2004 Detroit City Council approved resolution Recognizing African-Americans as Majority-Minority Under-Served Population within Detroit and Council by resolution created the Detroit Capital Development Corporation (DCDC) to develop "African Town" and;

WHEREAS, The DCDC would operate a revolving fund for loans and grants of \$31 million that was initially set aside from the Casino Development agreement to help Detroit based Minority and Women owned businesses and;

WHEREAS, The DCDC would create and approve loans and grants exclusively for African Americans to the exclusion of other minority owned businesses and;

WHEREAS, The resolutions referenced herein for the proposed African Town development have created tremendous and divisive opposition from all sectors of our community including business leadership in the Hispanic, Asian and Black Chambers of Commerce and;

WHEREAS, The Detroit Metropolitan Area has already been designated as one of the most segregated regions in America and to ascribe to a racial division plan as envisioned by referenced resolutions herein would exacerbate the racial tensions that already exist and;

WHEREAS, Using public funds (originally allocated to all minority and women owned businesses) to exclude ethnic groups other than African Americans from participating in the development of African Town is unconstitutional and illegal on its face and;

WHEREAS, In order for Detroit to continue its renaissance as a city of opportunity for all, the Detroit City Council decision will continue to promote economic opportunities for all ethnic groups in the City of Detroit, NOW BE IT THEREFORE

RESOLVED, The Detroit City Council does hereby rescind the approval of two resolutions 1) Recognizing African-Americans as the Majority-Minority Population and also as the Under-Served Population within Detroit and 2) Establishment of the Detroit Capital Development Corporation (DCDC) which will only fund African American businesses in an African Town Business District.

On Monday, October 18, 2004, I voted

above. This resolution alluded that the
Council Members who voted yes on
two July 14, 2004 resolutions, did so
the motive of being racist and divisive
as well as condoning funding actions that
are illegal. By no means was this the
intent. I strongly believe that African
American businesses are needed to
assist in building the community in which
all African Americans live. Resources and
assistance that are available and readily
extendable to other ethnic groups should also
be extended to African Americans. This
resolution gave no viable options to
accomplish this goal.

**STATEMENT BY COUNCIL MEMBER
ALONZO W. BATES IN OPPOSITION
TO THE RESOLUTION CLARIFYING
THE CITY COUNCIL'S POSITION ON
AFRICANTOWN PROPOSALS**

On Monday, October 18, 2004, I voted
no on the above referenced resolution.
The resolution requests the City Council
to pass ordinances that would remedy the
effects of past discrimination for the
African American or Black population. I
understand the effects of discrimination,
however, as an elected official, duly
sworn to protect the rights of the citizens
of Detroit, any effort in this regard would
also have to be directed toward all ethnic
groups who are citizens of this City and
the "remedy" would have to comply with
federal and state law.

The request in the resolution for a set
aside ordinance is illegal at this time. At
one time the City did have such an ordi-
nance that was ruled to be illegal by
Judge Anna Diggs Taylor. This ordinance
was based upon anecdotal information
that could not substantiate the claim of
disparity. Empirical data is required to
support the assertion of disparity.

A directive is given to locate a national firm that is experienced in conducting disparity studies. Although needed, the request is premature. Any firm that is selected will not be able to conduct a disparity study without the required information from the City. The City must be able to provide information that will document the minorities that we do business with as well as the nature of the business. The City was not keeping track of this information. The Human Rights Department is keeping some record in terms of the certification process relative to minority and women owned businesses. This needs to be explored to determine exactly what statistics they may have. The Office of Targeted Business was set up and encouraged to gather and maintain the needed information that would allow for a disparity study.

The spirit of this resolution is well intended but impractical.

STATEMENT BY COUNCIL MEMBER SHEILA M. COCKREL REGARDING CITY COUNCIL RESOLUTION PURPORTEDLY CLARIFYING THE AFRICANTOWN RESOLUTION AND CALLING FOR A CITY OF DETROIT DISPARITY STUDY

On Monday, October 18, 2004, I voted no on a resolution that purported to clarify the majority's position on the Africantown proposal as discussed in Dr. Claud Anderson's Povernomics report. The resolution barely even alluded to the content of the Council's prior vote in support of those illegal recommendations. The resolution is an attempt by members of the Council to initiate the process of obtaining a racial disparity study of the City of Detroit's contracting practices to avoid dealing with the flawed intellectual framework of the Povernomics Plan for Detroit.

I voted against this resolution today for several reasons. First, as a thoughtful and diligent legislator, I cannot support the call for a disparity study when there has not even been the most basic research conducted on the cost of such a study. Second, in my preliminary research into the issue, the only City that appears to have successfully adopted a set aside program predicated upon a disparity study is Denver, Colorado. It is notable that the United States Supreme Court denied certiorari in that case to the great dismay of Justice Scalia.

Contrary to the benefits of some of the other members of the Council, this disparity study is not a necessary precursor to establishing an Africantown business district. Based on the resolution passed on Monday, October 18, 2004, the City Council has requested the Detroit Economic Growth Corporation to work with the City Planning Commissin in order

to undertake the required steps to establish an Africantown business district. The method of establishing the Africantown business district would not constitute a racebased set aside program requiring the City to conduct a disparity study. That reason, conducting a disparity study at this time would not aid in the development of an Africantown business district.

Regarding the cost of disparity studies, Professor George R. LaNoue, a leading expert on disparity studies from the University of Maryland Graduate School in Baltimore, noted that as far back as 1996 the average cost of a study was \$500,000. Of the 100 studies conducted prior to 1996, with a total cost in excess of \$45 million, none of the resulting set aside programs were upheld by the courts. I also understand that the City of Grand Rapids conducted a more recent disparity study at a cost of approximately \$1 million, with similarly unsuccessful results.

Detroit already has a history that includes a failed attempt to create a minority set-aside program. Judge A. Diggs-Taylor held the City's shelter market ordinance unconstitutional in *Arrow Office Supply vs. City of Detroit*. Nevertheless, through careful research and well-reasoned drafting, the City now implemented a local preference ordinance that provides significant incentives to businesses that are physically located within the City of Detroit and those businesses that employ City residents.

During the current economic crisis, the City of Detroit does not have the liberty of throwing away millions of dollars on a disparity study at the risk of increased layoffs of City employees. For all of these reasons, I voted no.

RESOLUTION IN OPPOSITION TO THE ADOPTION OF PROPOSAL E CREATING A NEW GOVERNANCE SYSTEM FOR THE DETROIT PUBLIC SCHOOL SYSTEM

By COUNCIL MEMBER MCPHAIL:
 WHEREAS, The current un-elected state mandated reform board would be extended for an additional year, under Proposal E, and

WHEREAS, Over the last five (5) years educational achievement gap between Detroit Public School students and State Public School students has grown larger under the current reform board, and

WHEREAS, Proposal E is yet another last minutes state mandated governance proposal that would provide for an empowered elected board with minimal budgetary powers and would have the Mayor select the Chief Executive Officer candidates to be considered by the board
NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council with the adoption of this resolution

hereby officially opposes the adoption of Proposal E at the November 2, 2004 General Election and urges all Detroit voters to VOTE NO ON PROPOSAL E. I adopted as follows:
 Messrs. — Council Members Bates, K. Cockrel, Jr., Collins, McPhail, Tinsley, and Watson, and President Mahaffey.

STATEMENT BY COUNCIL MEMBER SHEILA M. COCKREL ON A CITY COUNCIL RESOLUTION IN OPPOSITION TO THE ADOPTION OF PROPOSAL E CREATING A NEW GOVERNANCE SYSTEM FOR THE DETROIT PUBLIC SCHOOL SYSTEM

On Monday, October 18, 2004, I voted in opposition to the resolution referenced above. This resolution states that the Council officially opposes Proposal E and asks all Detroit voters to vote no.

The Detroit Public School system has become the source of community wide concern for many, many years. I am very troubled by the aspects of the current debate over Proposal E. I do not believe that much of the disingenuous rhetoric around the Council table helps clarify the fundamental issue which we face — the balance between the right of each and every child in Detroit to quality education and the right to vote for school board members.

I have heard Proposal E misrepresented at the Council table as giving all the power to the mayor, that the enrollment declined only in the last 5 years, that the \$5 billion bond program was "stolen",

I believe it is important to clarify the facts:

In the 1992/93 academic year, the Detroit school system had 182,578 children enrolled. The following year the enrollment plunged to 167,551 children. Each year since, the school's population has declined, an overall drop of approximately 30,000 children.

The drop of enrollment over the time period of 1992/93 to 2003/04 has resulted in the loss of \$145,046,693 in per pupil aid.

The \$1.5 billion dollar bond program has NOT been squandered. This program averaged \$25 million per month into the local economy and averaged \$400 thousand per month into the City tax coffers. Additional facts include:

- 48% of costs committed to certified Minority Business Enterprises
- 72% of costs committed to certified Detroit Based Business Enterprises
- 25% of labor hours worked by Detroit residents
- 30% of labor hours worked by minorities

- e. 16 new buildings completed and opened to date
- f. Facility improvement projects completed at more than 200 schools
- g. 5 high school projects nearing completion
- h. Expenditures have been audited each year

Keeping this factual framework in mind, we must bear the responsibility of carefully choosing how the school system needs to be governed. As I understand it, Proposal E offers two choices as they related to the governance of the Detroit Public School system. A yes vote would create a nine-member elected school board and give the Mayor of Detroit the authority to nominate a Chief Executive Officer who must be approved by the elected board. Without doubt, the CEO would be given a great deal of power in administering the daily operations of the board. A no vote would constitute a return to the system prior to the 1999 takeover whereby the school system would be administered by an eleven-member elected school board.

The pre-1999 school board was an institution that had no real checks and balances. At the same time, the system that we currently have is sorely lacking in that we do not have the solely to vote for those who run the schools.

An affirmative vote on Proposal E offers the best strategy for the long-term future of our children. We are not alone. Many of the urban centers are facing similar challenges in their educational system, i.e. Chicago and Cleveland, to name two.

I do not believe that we serve our children by using opposition to this proposal as an attempt to vindicate former school superintendents, board members or Bond Oversight Committee members.

I believe that our school system must be shaped for the future. After weighing all of the relevant features of Proposal E, it is my position that a yes vote constitutes a step forward in building a system that is based on elected representation and a provision of checks and balances. We will be able to elect nine members to a board to represent our collective interests. At the same time, the Mayor will be able to appoint a CEO, subject to the approval of our elected board, in order to handle the day to day operations of the school system. To that end, I support an elected school board with approval power for the selection of the CEO upon the Mayor's recommendation. I support a board that will audit expenditures on an annual basis and review all contracts over \$250,000.

My experience on this Council informs me that no Mayor should assume that he or she would be able to control an independently elected board. Eleven years on this Council makes it crystal clear that Mayors must work very hard for support

of their initiatives or appointees.

The choice we will face on November 2 will be a difficult one. Whenever I am faced with a difficult choice, I rely on the principle that has guided me in the public sector. I seek the option that in my judgment serves the best interests of the citizens of Detroit after doing due diligence and reflecting on all dimensions of a public policy option.

Having examined the question, I will follow my principles to work for responsible and accountable governance and vote Yes on Proposal E.

RESOLUTION

By COUNCIL MEMBER WATSON:

WHEREAS, Five years have passed since casinos first began operating in Detroit; and

WHEREAS, Casinos opened with the hopes and expectations by many in Detroit that the new enterprises would stimulate economic development that would benefit all of the City's residents; and

WHEREAS, It has been reported that, collectively, the casinos have taken in more than \$4.8 billion in income since they opened; and

WHEREAS, It has been reported that the City of Detroit has received approximately 9.9% of the casinos' income; and that such represents approximately 12% of the City's revenue; and

WHEREAS, Detroit's unemployment and poverty rates continue to rise notwithstanding the presence of casinos; and

WHEREAS, The casinos, by design are self-contained, and have their own restaurants, bars, shops and other enterprises, thereby eliminating the need and opportunity for other such businesses in the vicinity of the casinos; and

WHEREAS, There are no known, identifiable, tangible benefits from the casinos to low and moderate income neighborhoods; and

WHEREAS, The casinos are heavily patronized by the citizens of Detroit, and the casinos have both an ethical and legal obligation, pursuant to MCL 432.206(1)(c) to invest in, or otherwise involve themselves in the community in which they are located;

NOW THEREFORE BE IT RESOLVED,

1. The City Council of the City of Detroit hereby establishes the Casino Community Involvement Monitoring Commission that shall be charged with the following responsibilities:

(a) the identification of neighborhoods in the City of Detroit that qualify as "low and moderate income" for purposes of this Resolution;

(b) the establishment of an evaluation process and related criteria to assess the extent to which casinos contribute to the

economic development of low and moderate income neighborhoods;

(c) the ongoing monitoring of the casino's grants, investments and other contributions to low and moderate income neighborhoods in the City of Detroit;

(d) the preparation of an annual report on the casino's contributions to low and moderate income neighborhoods for review of the Detroit City Council.

2. Members of the Commission shall be appointed annually by the Detroit City Council, and shall serve at the pleasure of the Detroit City Council for a stipend.

BE IT FURTHER RESOLVED,

The City Council of the City of Detroit shall annually review the report prepared by the Casino Community Involvement Monitoring Commission, and shall provide to Michigan casino licensing officials an evaluation of the casino's community involvement. A casino's failure to cooperate or communicate with the Casino Community Involvement Monitoring Commission shall be included in the Council's report to licensing officials.

STATEMENT BY COUNCIL MEMBER SHEILA M. COCKREL IN OPPOSITION TO RESOLUTION TO ESTABLISH A CASINO COMMUNITY INVOLVEMENT MONITORING COMMISSION

On Monday, October 18, 2004, I voted in opposition to the resolution referred above for two basic reasons. First, I think the creation of this commission is unnecessary. The City Council already has a Standing Committee on Casino Gaming that could easily conduct hearings to examine the issue of the casinos' involvement in the community. Additionally, Section 3.5(k) of the Development Agreements with the casinos provides for the creation of the Joint Employment and Procurement Advisory Board (JEPAB). The purpose of this Board is to monitor the employment and procurement activities of the casinos to ensure compliance with Article 3.5 of the Development Agreements. The City Council has the power and ability to work through the Standing Committee on Casino Gaming to have discussion with the JEPAB and the casinos to explore community involvement. There is no need to create a separate commission for this goal.

Secondly, I am not clear whether the City Council has the authority to create this type of commission at this time. Specifically, the resolution provides that the members of the Commission shall serve at the pleasure of the City Council for a stipend. The 1997 Detroit

ter clearly provides that after a bud-
 has been adopted, any changes in
 appropriations must come from the
 or. This ill-conceived resolution does
 nting to set forth the most basic ele-
 ments for creating a commission. It pro-
 s for a stipend without identifying a
 ans of funding it. It does not identify
 r much the stipend will be nor does it
 n define the number of individuals
 should be appointed to this commis-

he Council has a practice of estab-
 ling various committees and task
 es as it sees fit in order to deal with
 ortant issues. However, I do not ever
 all providing stipends to members of
 se bodies in all my years of experience
 this Council. Even if funding were
 able, considering that we already
 e adequate governmental agencies in
 e in order to accomplish the stated
 oses of this proposed commission, it
 ld be duplicative and a waste of funds
 time when we are all facing a severe
 get shortfall. For all of these reasons,
 ted no.

WAIVERS OF RECONSIDERATION

Re: Melvin Nelson vs. City of Detroit
Mithyim Fard Lewis. Case No. 313982. File No. A24000-000 (MRJ).

We have reviewed the above-captioned lawsuit, the facts and particulars which are set forth in a confidential memorandum that is being separately handed delivered to each member of your

Honorable Body. From this review, it is considered opinion that the City should agree to the entry of an Order of Dismissal and enter into an Agreement to Arbitrate on the terms and conditions set forth in the following resolution.

We, therefore, request authorization to enter into an Order of Dismissal and enter into an Agreement to Arbitrate on the terms and conditions set forth in the following resolution and, upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay a designation to the Plaintiff, that your Honorable Body direct the Finance Director to issue a draft payable to Melvin Nelson and his attorney, Bernstein and Bernstein, in the amount the City is to pay the Plaintiff pursuant to the arbitrators' decision, but said draft may not be less than Fifteen Thousand Dollars (\$15,000.00) and shall not exceed One Hundred Twenty Five Thousand Dollars (\$25,000.00).

Resolved, That:
 The Law Department is authorized to enter into an Order of Dismissal and enter into an Agreement to Arbitrate in the case of Melvin Nelson vs. City of Detroit and Mithyim Fard Lewis, Wayne County Circuit Court Case No. 03-313982, on the following terms and conditions:

1. The parties shall submit to arbitration all matters in controversy raised in the above-named lawsuit.

The Plaintiff shall recover a minimum amount of Fifteen Thousand Dollars (\$15,000.00).

The maximum amount of any award to the Plaintiff shall not exceed the amount of One Hundred Twenty Five Thousand Dollars (\$125,000.00).

Any award under \$15,000.00 shall be interpreted to be in the amount of \$15,000.00.

Any award in excess of \$125,000.00 shall be interpreted to be in the amount of \$125,000.00.

There shall be no costs, fees, attorneys fees or interest taxable with respect to the award rendered by the arbitrators. The award of the arbitrators shall represent a full and final settlement of any claims due and owing to Plaintiff for any and all claims arising out of the incident which occurred on or about January 14, 2004 at or near Springwells and West Ferryette; however, limited judicial review may be obtained in a Michigan Federal

District Court or Michigan Circuit Court of competent jurisdiction (a) in accordance with the standards for review of arbitration awards as established by law; or (b) on the ground that the arbitrators committed an error of law.

B. Promptly after the arbitrators announce their decision, the Law Department shall inform City Council in writing of that decision.

C. Upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay part or all \$100,000.00 to the Plaintiff, the Finance Director is authorized to issue a draft upon the proper account in favor of Melvin Nelson and his attorney, Bernstein and Bernstein, in the amount of the arbitrators' award, but said draft may not be less than Fifteen Thousand Dollars (\$15,000.00) and shall not exceed One Hundred Twenty Five Thousand Dollars (\$125,000.00).

Honorable City Council:

Re: Address: 19403 Archdale. Name: Antonio Pinkston. Date ordered removed: June 25, 2003 (J.C.C. p. 2012).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on September 23, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of September 22, 2004.

The proposed use of the property is owner occupancy.

Therefore, it is recommended that the demolition ordered be deferred for a period of three (3) months subject to the following conditions:

1. A permit for rehabilitation work shall be obtained within 30 days.

2. The building shall be maintained securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

• Certificate of Acceptance related to building permits

3. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

4. The yards shall be maintained clear of weeds, junk and debris at all times.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been met or that substantial progress toward rehabilitation has been made. If the building becomes open to trespass or if conditions of the deferral are not complied with, we will proceed with demolition without further hearings. We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

Re: 3442 E. Forest. Emergency Demoli-

tion.

The building at the above location recently found to be extensively fire damaged and structurally unsafe.

Our records indicate that this is the final complaint for this location.

It is our opinion that there is an actual and immediate danger affecting the health, safety and welfare of the public. Therefore, under the authority of Ordinance 290-H, we are taking emergency measures to have this building portions thereof removed with the cost assessed against the property.

By copy of this letter, we will notify utility companies to immediately start city disconnects.

Respectfully submitted,
AMRU MEAH

Re: Address: 5576 Cadillac. Name: Zafar Shah. Date ordered removed: July 2, 2003 (J.C.C. p. 2090).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on September 17, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of September 15, 2004.

The proposed use of the property is rehabilitation and sale.

Therefore, it is recommended that the demolition ordered be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained, Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If

the building becomes open to trespass or if conditions of the deferral are not maintained, we will proceed with demolition without further hearings. Pursuant to the Property Maintenance Code our Municipal Civil Infractions (MCI) Unit will issue the appropriate violations/tickets.

The yards shall be maintained clear of weeds, junk and debris at all times.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that the conditions of the deferral have been met. If substantial progress toward rehabilitation has been made. If the building remains open to trespass or if conditions do not comply with the conditions, we will proceed with demolition without further hearings. We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

City Planning Commission

October 7, 2004

Honorable City Council:

Re: Detroit Entertainment LLC's (d/b/a MotorCity Casino) request to rezone land to SD5 (Special Development District for Casinos) for the construction of a casino complex (Submitting Resolution to extend the period for Council consideration of the petition).

On Wednesday, July 21, 2004, your Honorable Body passed a resolution granting the third extension of the period of consideration for the above captioned rezoning request of MotorCity Casino. This was necessitated by the pending expiration of the previous extensions and the original 120-day time period for the Council to take action on the rezoning request, as set forth in Section 64.0700 of the Official Zoning Ordinance.

The current extension will expire after October 24, 2004 unless another extension is granted. Previously, you directed the CPC staff to monitor and inform your Honorable Body of the status of this petition in order to maintain it as viable for your consideration. Please find attached a resolution extending the period for consideration of MotorCity Casino's SD5 rezoning request for an additional 120 days.

Respectfully submitted,
MARSHA S. BRUHN
 Director

By Council Member McPhail:

Whereas, Section 64.0700 of the Official Zoning Ordinance of the City of Detroit establishes that upon the expiration of a 120 day period following the date that the City Council formerly receives the City Planning Commission's report and recommendation on any petition to

amend the Zoning Ordinance, such petitions will be deemed denied unless the time period is extended by resolution of the City Council; and

Whereas, Detroit Entertainment LLC (d/b/a MotorCity Casino) has petitioned the City Council for a rezoning of certain property in the City of Detroit from R2 PD zoning district classifications to S and

Whereas, The City Planning Commission report and recommendation on this rezoning request was received by the City Council on October 15, 2003; and

Whereas, The original 120 day period pertaining to this request was to expire on February 11, 2004, and since then the City Council has granted three 90 day extensions, the most recent of which expire after October 24, 2004; and

Whereas, This City Council has expressed the desire to extend the period of consideration for this petition;

Now, Therefore, Be It Resolved, That pursuant to Section 64.0700 of the City of Detroit Zoning Ordinance, the Detroit City Council hereby extends the time period for consideration of the petition of Detroit Entertainment LLC to rezone property generally bounded by Grand River, E. Trumbull, Spruce, Brooklyn and the J.C. Lodge Freeway from R2 (Two-Family Residential District) and PD (Plan Development District) to SD5 (Special Development District for Casinos) for an additional 120 days from October 21, 2004 through February 21, 2005.

Cultural Affairs Department

September 3, 2004

Honorable City Council:

The Department of Culture, Arts and Tourism is in the planning stage of initiating new revenue from special events held at the Eastern Market and/or other entities. The first revenue will be \$500,000 from a tailgating game from the Municipal Parking Department. We would like to take this revenue as well as revenue from other special events and reinvest it in marketing, promotional activities, and other cost associated with event planning held at the market. It is our goal to revitalize the market so that it will be appealing to all, thus bringing in new attractions, revenue, and visitors.

In these lean economic times, it is in the interest of this Department to be fiscally responsible and creative. This will allow for growth without unnecessarily consuming funds. The approval of your Honorable Body is respectfully requested to es

an appropriation, allowing the Department of Culture, Arts & Tourism to appropriate funds that we expect to derive from special events/contributions, to utilize these funds for those cost described above. The attached resolution has been submitted for the review and approval of your Honorable Body.

Detroit Brownfield Redevelopment Authority
October 12, 2004

Honorable City Council:
Term Expirations — Detroit Brownfield Redevelopment Authority's Community Advisory Committee.

As you know, the Detroit City Council appoints four (4) members to the Community Advisory Committee (the "CAC") of the Detroit Brownfield Redevelopment Authority (the "DBRA"). We have already communicated to the Council, two (2) of the four (4) members appointed by the City Council resigned a long time ago (Mr. Charles Tommons and Mr. Thomas Stephens), the term of office of Mr. Jim Stone and Ms. Elizabeth Toomer expired on September 30, 2004.

As a result of the above, it has become extremely difficult for the CAC to attain a quorum, resulting in unnecessary delays

towards the approval of a number of DBRA Brownfield Plans.

We would, therefore appreciate City Council's action with regard to the re-appointments and/or new appointments of CAC members with a term to expire June 30, 2005.

If you have any questions, please call me.

Respectfully submitted,

Re: Master Agreement.

The Labor Relations Division is recommending your Honorable Body's official approval of the 2001-2005 Master Agreement between the City of Detroit and Local 517M of the Service Employees International Union, Supervisory Bargaining Unit.

The agreement covers wages, hours and other basic conditions of employment through June 30, 2005. It has been signed by all parties concerned and meets with the approval of the Labor Relations Division.

Respectfully submitted,
ROGER N. CHEEK
Labor Relations Director

By Council Member Bates:

Whereas, The City of Detroit and Local 517M of the Service Employees International Union, Supervisory Bargaining Unit have the standards for recognition as exclusive agents for their members in the employ of the City of Detroit under Public Act 336 of 1947, as amended, and

Whereas, The Labor Relations Division under the direction of the Mayor, is authorized and directed by the Mayor to act for the City of Detroit in negotiation and administration of collective bargain-

ing master agreements, and

Whereas, the Labor Relations Division and the City of Detroit and Local 517M of the Service Employees International Union, Supervisory Bargaining Unit have met and negotiated this master agreement which covers wages, hours and other economic conditions of employment through June 30, 2005.

Now, Therefore, Be It Resolved, That the Master Agreement between the City of Detroit and Local 517M of the Service Employees International Union, Supervisory Bargaining Unit be and it is hereby approved and confirmed in accordance with the foregoing communication.

Planning & Development Department

September 30, 2004

Honorable City Council:

Re: Reprogramming Community Development Block Grant (CDBG) — Revised Request.

In an August 12, 2004 letter to your Honorable Body, the Planning and Development Department requested amendment of the HUD Consolidated Plan and reprogramming of funds from a large number of projects to the Brightmoor III New Housing project, the Detroit Entrepreneurship Institute Economic Development Business Assistance project, and the Mack Alive Public Facility Rehab project.

In a September 28, 2004 report to you, the City Planning Commission recommended approval of the request if the following changes were made:

— Remove \$44,788.85 decrease from appropriation 10132, Detroit Primary Care Network.

— Remove \$67,679.25 decrease from appropriation 05306, St. Clair Block Club.

— Redistribute the remaining reprogrammed funds, (\$1,662,531.90), among the three projects identified as targets for funding.

In order to expedite the requested reprogramming, Planning and Development has accepted the recommended changes, and

respectfully requests that your Honorable Body approve the attached resolution reprogramming CDBG funds in the amount of \$1,662,531.90 from the project activities shown in the attached resolution to the following project activities:

— \$1,387,531.90 for Brightmoor III New Housing. CDBG funds will be used along with HOME funds to construct scattered site new housing for low income households in the Brightmoor area.

— \$75,000 for Detroit Entrepreneurship Institute Economic Development Business Assistance. These funds will be used to provide business training and other assistance for startup and other small businesses.

— \$200,000 for a Mack Alive Public Facility Rehab in the area bounded by Mack, East Grand Boulevard, East Warren and McClellan. These funds will supplement other CDBG funds to rehabilitate building for use as a training and technical skills center.

The attached resolution amends the HUD Consolidated Plan for the reprogramming and changes the affected appropriations.

Your approval of the resolution is requested.

Honorable City Council:

Re: Proposed Ordinance to adopt the Third Modified Development Plan for the Hubbard Richard Rehabilitation Project.

Pursuant to State statute and applicable provisions of the 1984 Detroit City Charter, the above referenced ordinance is submitted to your Honorable Body for consideration together with the attached draft resolution scheduling a public hearing on the Third Modified Development Plan for the Hubbard-Richard Rehabilitation Project. The Modified Development Plan currently in place was adopted by Ordinance Amendment approved June of 1998. Further modification of the Development Plan is necessary to represent current and future zoning and land use conditions. Mixed-use as well as bridge related uses for certain areas within the redevelopment area will be established as permitted uses.

The modifications to the Third Modified Development Plan are intended to reflect

current land use conditions; recommend future land use conditions; reflect the objectives of the plan which have been completed; recommend objectives yet to be completed; and reflect the complexity of development of parcels acquired through urban renewal.

The boundaries of the Hubbard-Richard Project Area are to remain the same. Two new land uses have been added to the Hubbard-Richard Development Plan to allow for Bridge and Bridge Related land uses as well as to allow mixed-use. A new map entitled "Secondary Permitted Uses" allows for a second use other than the use as stated in the "Land Use and Development Plan." This allows for flexibility where two or more uses are possible and those future land uses have remained undetermined. No further acquisition or relocation is being recommended in this plan amendment.

We, therefore, request that your Honorable Body adopt the attached resolution authorizing the advertising of the holding of a public hearing concerning this proposed ordinance, as required by statute, no less than 30 days hence.

Respectfully submitted,
BURNEY JOHNSON

Director of Planning Activities

By Council Member Bates:

AN ORDINANCE to amend Chapter 2, Article XLVIII, of the 1964 Detroit City Code, entitled Hubbard-Richard Development Project, which was saved from repeal by Ordinance 593-H and Section 1-1-7(13) of the 1984 Detroit City Code, by amending Section 2-48-2 and adding Section 2-48-9 to adopt the Third Modified Development Plan for the Hubbard-Richard Rehabilitation Project.

Whereas, The City has made detailed studies of the location, physical conditions of structures, land use, environmental influences and social, cultural and economic conditions of the development area known as the Hubbard-Richard Rehabilitation Project, which is located within the City of Detroit and described as follows:

Beginning at a point at the southwest corner of Lafayette Boulevard, seven (7) feet wide, and 16th Street, sixty (60) feet wide, at the intersection of the southerly right-of-way line of Lafayette

level and the extension of the west right-of-way line of 16th Street, thence northerly along the west right-of-way line of 16th Street to a point at the northwest corner of Bagley Avenue, sixty (60) feet wide, on the northerly right-of-way line, thence easterly two hundred eighty (280) feet more or less along the north right-of-way line of Bagley Avenue to the westerly property line of the Penn Central Railroad, thence following the Penn Central Railroad property line in a north-south direction directly to the center line of West Grand Boulevard, one hundred fifty (150) feet wide, thence southerly along the center line of West Grand Boulevard to the intersection of the center line of West Fort Street, one hundred (100) feet wide, thence easterly along the center line of West Fort Street to a point at the intersection of the extension of the east right-of-way line of 17th Street, sixty (60) feet wide, thence northerly along the east right-of-way line of 17th Street to the north right-of-way line of Lafayette Boulevard, thence easterly along the north right-of-way line of Lafayette Boulevard to the southwest corner of Lafayette Boulevard and 16th Street, the point of beginning.

The area is bounded generally by Fort Street, 16th Street, Penn Central Railroad and West Grand Boulevard.

Whereas, These studies have determined that portions of the development area (1) are blighted, and (2) are detrimental and a threat to the safety, health and welfare of the people both within this development area and throughout the City of Detroit due to obsolescence, physical deterioration of structures, improper subdivision of lots, mixed character and uses of structures, and other similar characteristics; and

Whereas, The City Council has been advised, and is aware of these facts and conditions; and

Whereas, A Third Modified Development Plan for the project area, dated June 15, 2004 which consists of seventeen pages and seven (7) maps was prepared and referred to the City Council for review and approval; and

Whereas, The Third Modified Development Plan for the project area prescribes certain land uses for the project area and requires, among other things, changes in zoning, the vacating and removal of lots, alleys and other public ways, the establishment of new street patterns, the relocation and relocation of sewer and water mains and other public facilities, and other public action; and

Whereas, A Master Plan of the City of Detroit has heretofore been prepared and adopted; and

Whereas, Said Master Plan designates certain general features of development of the project where the development area lies

and of other districts adjacent to this development area, with such necessary extent, content, and particularly to ensure that this Third Modified Development Plan is in conformity with said Master Plan regarding future development of the territory surrounding this development area; and

Whereas, The Planning and Development Department has submitted to the City Council its report and recommendations regarding said Third Modified Development Plan for the rehabilitation of the blighted area that is embraced in the project, and has certified that Third Modified Development Plan conforms to the said Master Plan for the locality as a whole, and

Whereas, The City Council has fully considered the report, recommendations, and certification of the Planning and Development Department; and

Whereas, A public hearing was held on June 15, 2004, at which time all interested persons and organizations were given an opportunity to be heard on the proposed Third Modified Development Plan.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 2, Article XLVIII, of the 1964 Detroit City Code, entitled Hubbard-Richard Development Project, which was saved from repeal by Ordinance No. 593-H and Section 1-1-7(13) of the 1984 Detroit City Code, be amended by amending Section 2-48-2, and adding Section 2-48-9 to read as follows:

Sec. 2-48-2. Approval and filing of Third Modified Development Plan.

The ~~Third~~ ~~Second~~ Modified Development Plan for the project, dated ~~June 15, 2004~~ ~~June 15, 1998~~ consists of ~~seventeen (17)~~ ~~fifteen (15)~~ pages and ~~seven (7)~~ ~~eight (8)~~ maps, which have been duly reviewed and considered at a public hearing held on ~~September 14, 1998~~, 2004, is hereby approved and adopted, ~~and the City Clerk is hereby directed to file the same with the Register of Deeds for the County of Wayne.~~

Sec. 2-48-9. Filing and recording of Third Modified Development Plan.

A. Upon this ordinance becoming effective, the City Clerk is hereby declared to place the original copy of the Third Modified Development Plan in her files, to provide true copies of the Third Modified Development Plan to the Director of the Planning and Development Department and to the Director of the Buildings and Safety Engineering Department, and to record a copy of this ordinance along with a copy of the Third Modified Development Plan with the Wayne County Register of Deeds.

B. Upon receipt of the information

regarding the Liber and Pages where the Third Modified Development is recorded, the City Clerk is directed to file such information with the original copy of the Third Modified Development Plan and to provide such recording information to the Director of the Planning and Development Department and to the Director of the Buildings and Safety Engineering Department.

Section 2. All ordinances or parts of ordinances, or resolutions, in conflict with the provisions of this ordinance are hereby repealed.

Section 3. This ordinance is declared necessary for the preservation of the peace, health, safety and welfare of the People of the City of Detroit, and is hereby given immediate effect in accordance with the applicable provisions of the 1997 Detroit City Charter.

REHABILITATION PROJECT
EXECUTIVE SUMMARY**

The purpose of the third modification to the Development Plan of the Hubbard-Richard Rehabilitation Project herein referred to as the Hubbard-Richard Development Plan, is to: reflect current land use conditions; recommend future land use conditions; reflect those objectives of the plan which have been completed; recommend objectives yet to be completed; and to reflect the completion of development of parcels acquired through urban renewal.

The boundaries of the Hubbard-Richard Project Area are to remain the same.

Two new land uses have been added to the Hubbard-Richard Development Plan:

- Bridge and Bridge Related. This proposed land use will be used by the Ambassador Bridge and all related uses. This new land use can be found generally bound by I-75 on the west, between Bagley and Porter on the north, the area west of St. Anne's and St. Anne's Street on the east, and Fort Street on the south.
- Mixed-Use. This proposed land use will allow a mix of residential and commercial uses. This designation will most likely be found along W. Vernor Hwy., along Bagley Avenue, and scattered throughout the area.

A new map entitled "Secondary Permitted Uses" allows for a second use other than the use as stated in the "Land Use and Development Plan". This use is allowed for those areas with two or more uses which are possible.

REHABILITATION PROJECT**

A. DESCRIPTION OF PROJECT

Pursuant to Public Act 344 Section 4, Subsection 4 requires that the Development Plan contain "District areas shall be designated for all development areas that have been approved by a local legislative body and submitted to the terms of this act as of January 1, 1968, and all subsequent development areas that are so approved. A district area shall not be designated until the local legislative body first holds

public hearing on the designation. The legislative body shall give notice of the public hearing not less than 20 nor more than 30 days before the date for public hearing."

Boundaries

Legal Description

The boundaries of the project area are described as follows:

beginning at a point at the southwest corner of Lafayette Boulevard, 70 feet wide, and Sixteenth Street, 60 feet wide, at the intersection of the southerly right-of-way line of Lafayette Boulevard and the extension of the west right-of-way line of Sixteenth Street, thence northerly along the west right-of-way line of Sixteenth Street to a point at the northwest corner of Bagley Avenue, 60 feet wide, on the northerly right-of-way line, thence easterly 280 feet more or less along the north right-of-way line of Bagley Avenue to the westerly property line of Bagley Avenue to the westerly property line of the Penn Central Railroad, thence following the Penn Central Railroad property line in a north westerly direction to the center line of West Grand Boulevard, 150 feet wide, thence southerly along the center line of West Grand Boulevard to the intersection of the center line of West Fort Street, 100 feet wide, thence easterly along the center line of West Fort Street to a point at the intersection of the extension of the east right-of-way line of Sixteenth Street, 60 feet wide, thence southerly along the east right-of-way line of Sixteenth Street to the south right-of-way line of Lafayette to the southwest corner of Lafayette Boulevard and Sixteenth Street, the point of beginning.

The perimeter boundaries of the Hubbard-Richard Project area are shown on the map entitled "Project Boundary Map" dated June, 2004.

The Hubbard-Richard Development Project Area is approximately 336± acres.

Formation of Citizens' District Council Pursuant to Public Act 344 — Section 4, Subsection (5) (a-d) requires that the Development Plan contain provisions that Citizens' District Councils are governed by the following:

Except as otherwise provided in this subdivision, for each district area, the citizens' district council of not less than 12 nor more than 25 members shall be selected in a manner that ensures that the citizens' district council is to the maximum extent possible representative of the residents of the area and of other persons with a demonstrable and substantial interest in the area. The majority of the citizens' district council shall be composed of citizens living in the development area.

The term of office on the councils shall be 3 years. If terms of council

members are not staggered, then, upon the expiration of the terms of the members of the citizens' district council, 1/3 shall be selected or appointed for 3 years, 1/3 for 2 years and 1/3 for 1 year.

c. Members of the council may be selected by direct election by the residents of the area and other persons with a demonstrable and substantial interest in the area, or may be appointed by the chief executive officer of the municipality after consultation with local community groups and residents of the area, or by a combination of appointment and election. The method of selection of the citizens' district council, and any appointments to the council by the chief executive officer, shall be determined with the approval of the local legislative body after a public hearing has been held, with public notice of such hearing distributed throughout the district area at least 20 days before the date of the hearing. Citizens' district councils shall be established within 45 days of any initial designation of a development area by any local planning agency or local legislative body.

d. In a city of over 1,000,000, the local legislative body shall adopt an ordinance governing the composition and method of selecting the members of the citizens' district councils, with the limitation that such an ordinance shall provide for a majority of the citizens' district council to be composed of citizens' living in a development area or areas".

Local official to periodically consult with Citizens' District Council regarding all aspects of the plan, including new housing for relocation, through final implementation of the plan.

Pursuant to Public Act 344 — Section 4, Subsection (6) requires that the Development Plan contain:

The City of Detroit Planning and Development Department in conjunction with the City Planning Commission will oversee all development plans within the district area and periodically consult with and advise the citizens' district council regarding all aspects of the plan, including the development on new housing for relocation purposes located either inside or outside of the development area.

Mayoral notice CDC of proposed zoning change, hearing or condemnation proceedings in district area at least 20 days in advance.

Pursuant to Public Act 344 — Section 4, Subsection (7) requires that the Development Plan contain:

"The Chief Executive Officer of the municipality shall give the citizens' district council written notice of any contemplated zoning change, hearing,

or condemnation proceedings within the district area. The notice shall be given at least 20 days before the effective date of the change or the date of the hearing or proceedings. Upon receiving a request from the citizens' district council, the local legislative body shall hold a public hearing on the proposed zoning change or condemnation proceedings. Each citizens' district council may call upon any city department for information.

3. Development Plan Objectives

The primary objectives of this project are to preserve, protect, and improve the existing residential neighborhood; to create an environment that encourages the residents of the area to maintain and improve the existing homes in the area; to construct new housing where feasible; to rehabilitate existing homes where feasible; and to encourage the healthy co-existence between residential, commercial, institutional, industrial and bridge related uses. The objectives are to:

- a. Improve the total living environment for the residents within the district area of Hubbard-Richard.
- b. Protect the health, safety and welfare of the surrounding community.
- c. Restore proper balance of taxable value of real property and the cost of municipal services.
- d. Redevelop residential areas with new housing that is functionally, economically, and architecturally compatible with the residents of the area.
- e. Preserve and enhance those properties that have historical or architectural viability.
- f. Ensure that new housing in the area provides for a substantial number of housing units of low or moderate cost.
- g. Encourage buffering between non-compatible uses that will reduce the impact to the residential neighborhood.
- h. Achieve the Land Use and objectives as stated in the current City of Detroit Master Plan of Policies.
- i. Objectives for specific areas:

1.) Support a traffic circulation system that will:

- a.) Provide direct connections between the Ambassador Bridge and the highway system.
- b.) Post and enforce a local truck traffic route with minimal impact on the local residential streets.

2.) Encourage and assist the redevelopment of the Bagley Avenue and Vernor Street as main street commercial areas.

3.) Industrial areas located between the Penn Central Railway on the north and Toledo, Twenty Fourth, and Ruskin on the south. The boundaries between the industrial and residential uses were established in the Master Plan of the City of Detroit by the Detroit City Council in May of 1974. The Land Use and Development Plan for

this area conforms with those boundaries and with the Land Use designations for the area. The residential area between Vernor and Toledo/ Ruskin should be protected from further industrial intrusion and truck traffic. Attractive buffering between the residential and industrial uses will be encouraged to minimize the negative impact of industrial activity.

4.) Encourage the existing commercial uses on Bagley between Sixteenth Street and 24th Street to remain and improve and to promote the vacant land on Bagley for main street commercial uses.

5.) Encourage existing commercial and institutional uses to remain and improve and to promote main street commercial and compatible uses on Vernor between Newark and West Grand Boulevard. This plan encourages attractive landscaping of Vernor.

6.) Establish a district referred to as the "Rail District" for work/live mixed-use between Newark and Bagley, from 15th to 18th Street.

7.) New construction and addition of existing structures of industrial and commercial uses should be designed to be architecturally compatible and to minimize the negative impact of industrial and commercial activity on residential areas.

1. Types of Proposed Actions

a. Rehabilitation

The rehabilitation of existing structures is integral to the objective of improving the Hubbard-Richard area. The rehabilitation program is directed toward the goals of preservation protection, improvement of the existing residential structures, the creation of mixed uses, and creating buffering with adjacent industrial and bridge related uses. Almost all of the residential buildings in the area are currently occupied and through the application of a practical rehabilitation program should continue to be occupiable for the foreseeable future.

b. Acquisition

No further acquisition or relocation has been planned for this area.

c. Clearance

No further clearance has been planned for this area.

d. Project Improvements

The following project improvements are recommended for the Hubbard-Richard Development Plan area:

1.) Sidewalk and curb repair
Sidewalks and curbs in the area will be repaired. These repairs will be scheduled according to need and will be prioritized in accordance with budgetary and planning requirements.

2.) Street tree planting, tree trimming, stump removal and tree guards. New street trees will be planted to meet current standards.

3.) A comprehensive landscape treatment design and implementation plan is encouraged on Vernor between V

nd Boulevard and Newark Street. The goal of this improvement is to increase the desirability of Vernor as a location for business and institutions and to create a visual impact that will indicate to the many persons using Vernor the improvements in the Hubbard-Richard area.

) A comprehensive landscape treatment design and implementation plan is encouraged on Bagley between West End Boulevard and Sixteenth Street.

goal of this improvement is to increase the stability of that portion of Bagley west of the Fisher Freeway; and to stimulate commercial investment on that portion of Bagley located between the Fisher Freeway and Sixteenth Street.

) Improve the parks and recreational facilities located in the district.

) Street Improvements

) Landscaped buffering along the enclosing the bridge related uses.

) Landscaped buffering where industrial and commercial land uses are adjacent to residential land uses.

) Street resurfacing where needed.

) Additional street and alley lighting where needed.

) Connect Bagley over I-75 through a pedestrian bridge to reconnect the two sides of the Mexicantown commercial district.

The following project improvements implemented since May of 1974 shall be maintained:

) Maintain the park improvements in Clinton Park, located on Porter between Seventeenth and Eighteenth Streets.

) Maintain the landscaped Plaza on the North side of Howard between Steeles and Eighteenth Street. This plaza is intended to provide:

) a place for persons to congregate beside Ste. Anne's Church which is a religious and social focus for many persons in the neighborhood;

) a setting to accentuate the historical architectural form of Ste. Anne's Church which is on the National Register of Historic Places;

) a site for passive recreation adjacent to the planned and new residential development.

LAND USE PLAN

City of Detroit Master Plan of Policies Pursuant to Public Act 344 – Section 4, Subsection (3)(a) requires that the Development Plan contain “a master plan of the municipality or a subsector plan which is sufficiently detailed to designate areas in need of rehabilitation or in need of measures to prevent blight.”

The Hubbard-Richard Development Area is included in the *Southwest Subsector* and *Hubbard-Richard/Corktown Subsector* of the *City of Detroit Master Plan of Policies*. The policies for the *Hubbard-Richard/Corktown Subsector*

(POLICY 309-12) include:

- Encourage population growth

- Continue to build a good living environment through the gradual removal of abrasive uses and continued protection against nonconforming uses; buffering and proper siting of new light industrial or transportation-related facilities (such as the Bridge plaza), and continued upgrading of housing.

- Provide increased support and strengthening of the Mexicantown commercial district on Bagley and Vernor, and support the expansion of this commercial area along Bagley east of the Fisher Freeway. Provide adequate parking for this area.

- Resolve traffic conflicts: provide better access from Fort Street to the Ambassador Bridge plaza; downgrade Lafayette Avenue where it carries heavy volumes of traffic through Hubbard-Richard; eliminate truck traffic from residential streets; consider using traffic signals (blinking lights) to reduce noise levels from truck traffic during low traffic hours.

- Promote the tourist potential of the Hubbard-Richard/Corktown Subsector, focusing on such attractions as ... historic neighborhoods, Mexicantown and ethnic restaurants, St. Anne's Church, the new Ambassador Bridge and related facilities. Insure that the proposed new Tourist Information Center gives adequate priority to promoting these attractions in the immediate area.

- Encourage increased coordination of the different community groups and agencies working in this area. “Market” the area as a good place to live, work, and play.

2. Land Use Map

The map titled “Land Use and Development Plan” dated June, 2004 is included as part of this plan. This map shows:

a. Primary Land Uses permitted within the plan district.

b. Proposed land uses.

3. Land Use Categories

The map titled “Secondary Permitted Uses” allows for a secondary permitted in addition to the primary land use as stated in the “Land Use and Development Plan”. These secondary permitted uses allow for areas where there are two or more potential redevelopment uses. The land uses as shown in the “Land Use and Development Plan” map and the “Secondary Permitted Use” map are both permitted as a matter of right.

4. Land Use Provisions

Section 4,(3)(b) requires that the Development Plan contain “a plan of the general features of development of the district within which the development area lies and of other districts adjacent to the development area, of

such extent, content, and particularity as is necessary to the coordination of the development area plan with the future development of the territory surrounding the development area, or, if no future development is planned, then in coordination with the present development.”

a. Shall be permitted on the land to be acquired and made available for redevelopment by this project:

Residential: The housing category permits only the construction of new housing units and related development.

Single-family detached housing will be permitted in Hubbard-Richard on scattered parcels where surrounding residential densities are medium to low. Wherever single units are constructed adjacent and to proximity to existing housing units, the new construction must be compatible with the existing housing design. The maximum density permitted for single-family detached housing developed on a larger parcel (10 acres or more) is up to eight (8) dwelling units per acre.

Two-family dwellings, townhouses, row houses and garden apartment will be permitted. Where such housing parcels are large enough to allow development of clusters of two-family dwellings, townhouses row houses and garden apartments, the maximum density permitted will be sixteen (16) dwelling units per acre, and retail center parcels where maximum density may be twenty four (24) dwelling units per acre.

Mid-rise residential structures may be located primarily along West Grand Boulevard and West Vernor Hwy.

Non-residential uses such as play lots, public walkways and residentially related commercial facilities may be permitted in those larger parcels to be developed for new housing.

Commercial: The intended use for commercial parcels in Hubbard-Richard are for neighborhood scale retail businesses, and regional commercial attractions. The type of uses permitted for these parcels will include low intensity retail, wholesale, general office, restaurants, hotel/inn and other local community and regional commercial uses.

Mixed-Use: Permitted land uses include a commercial, entertainment and/or institutional anchor with a mix of support uses including or in close proximity to residential land uses. An emphasis on pedestrian orientations with wide sidewalks, building facades built up to the lot line, street-front access to buildings and landscaping and street furniture.

Industrial: Permitted uses include of low intensity that have minimum undesirable effects on adjacent residential or commercial land uses. Uses may include

machine shops, small-scale assembly packaging, warehousing or technology parks. This land use may also be used in areas for uses concerned with the handling, storage, and movement of goods and materials such as wholesale warehouse facilities, maintenance service uses, goods packing and processing uses, and supporting office service uses.

Institutional: Permitted uses include educational, religious, health or public uses such as churches, libraries, museums, public or private schools, hospitals or public buildings.

Bridge and Bridge Related: Permitted uses include the Ambassador Bridge and the following related uses including, but not limited to: Primary customs; Secondary customs; Inspections; Collections; U.S. Department of Homeland Security Operations including the Department of Agriculture, U.S. Department of Immigration, U.S. Customs, Canadian Immigration, Federal Protection Services; Duty-Free Stores; Parking; supporting office service uses; and Maintenance Operations.

Recreational: Uses that serve both passive and active recreational uses such as parks, playfields, open space, recreational centers, sports facilities, and greenways.

b. Additional controls

1.) Density: the low density row houses and town houses shall have a maximum density of 10 dwelling units per acre and a maximum density of 20 dwelling units per acre.

The medium density garden apartments shall have a minimum density of 10 dwelling units per acre and a maximum density of 35 dwelling units per acre.

2.) Land Coverage: land coverage shall be consistent with the requirements set forth in the Detroit Zoning Ordinance.

3.) Setbacks: there shall be a minimum 20' setback from public streets for permanent structures. No parking shall be permitted in the 20' setback area.

4.) Property owners adjacent to owned lots will normally have first option to purchase these lots.

5.) Parking: parking shall be contained on site and shall be adequate for all intended uses.

There shall be 1.25 parking spaces per residential unit for all new low and medium density housing. This requirement may be reduced for senior citizen units, one space for every three units, upon approval of Planning and Development Department (P&DD) and the Board of Zoning Appeals (BZA).

A parking space shall have a minimum of 180 square feet, exclusive of driveway and aisle ways.

Location of and access to all parcels

ll be subject to approval by the City of Detroit.

ll parking, loading, and services shall off the street right-of-way. These areas to be surfaced with a concrete pavement having a bituminous or Portland cement binder on an aggregate base of adequate thickness to withstand the intended usage. These areas should be on, adequately drained, and shall be designed and constructed to prevent the vision of vehicles on surrounding landscaped areas. They will be screened from street by proper orientation and through the use of low walls, earth mounds and/or storage materials. Loading and rubbish storage areas shall be screened from view.

adequate lighting shall be provided in parking areas to help insure safety and to discourage vandalism. This lighting shall produce glare on adjacent residents.

) Building Height: new residential buildings shall not exceed two and one half stories in height.

) Signs: no signs shall be erected which do not pertain to activities conducted on the parcel upon which they are located. The size, location, and general design of all permitted signs shall be subject to approval of the City of Detroit.

) Outdoor Utility Equipment: outdoor heaters, air conditioning equipment, and antennas shall be incorporated in the design and be as unobtrusive as possible. Heaters and transformer boxes on residential parcels may be located above ground provided that they are screened from public view. The location of these heaters and transformers and the screening to approval by the City of Detroit.

) General Appearance and Arrangement of Sites: prior to start to site work on a parcel, a landscape plan shall be submitted to the City of Detroit's Planning and Development Department for review and approval. This landscape plan shall show proposed grading (between 1% and 10%) design and landscape elements that are to be either retained or installed.

ll land not utilized for buildings and parking shall be landscaped. All storage of materials will take place within the building.

Whenever possible, existing mature trees shall be retained.

On all parcels, a plan for management services, including waste disposal, maintenance of common open spaces, maintenance buildings, etc., shall be submitted for review by the City.

J.) Review of Plans

ll development plans shall be submitted to the Hubbard-Richard Citizens' District Council for their review. Prior to applying for a building permit for any alteration, plans shall be submitted to the

Planning and Development Department (P&DD) to determine that the proposed development is in compliance with the Development Plan. If, after examination, the Planning and Development Department (P&DD) finds that the plans conform to the Development Plan, it shall formally approve the plan. Such plans shall in any event be deemed approved unless rejection in whole or in part setting forth in detail the reasons thereof shall be made within thirty days after submission of the plans to the Planning and Development Department (P&DD).

11.) Initiation and Duration of the Land Use Provisions and Additional Requirements.

The land use provisions and building and other requirements shall become effective on the date of the adoption of the Development Plan by the City Council of the City of Detroit and shall remain in effect for a period of at least 25 years from their effective date.

12.) Applicability of the Land Use Provisions and Additional Requirements to Real Property Not to be Acquired.

The objectives and regulations of this plan apply to all property to be acquired and sold for the purposes established in this plan. If project land is acquired by an existing adjacent property owner these restrictions and objectives will apply to both the land to be acquired and to the existing use of the proposed purchaser to the extent that the land to be acquired will permit conformity with project restrictions.

13.) Variances

Where, owing to special conditions, a literal enforcement of these restrictions would result in unnecessary hardship involving practical difficulties, or would constitute an unreasonable limitation beyond the spirit and purpose of these restrictions, the Board of Zoning Appeals (BZA), shall have the power to authorize a reasonable and minor deviation or modification of terms of these requirements that will not be contrary to the public interest and provided that the modifications be connected to by the lessee and/or purchaser so that the spirit and purpose of these requirements is observed.

C. REDEVELOPER'S OBLIGATIONS

The land acquired by the City of Detroit will be disposed of subject to an agreement between the City and the redeveloper. Land disposition and review of redeveloper's plans will consider that:

1. Land disposition documents will incorporate provisions for achieving all elements of the Development Plan.

Filed of price offering with Planning Objectives as a criteria for selecting the redeveloper; or through negotiation where the objectives are determining factors or by other means which will assure the attainment of the objectives in order to allow for experimentation and freedom of

architectural expression, no preconceived method of construction or architectural treatment is established. The developers' proposal will be judged by the performance standards to be set forth in the disposition documents and will be evaluated in terms of urban design relationship to the total project and architectural treatment of the proposed development.

2. Disposition documents shall spell out in detail the criteria to be met in order to achieve the development and design objectives.

3. Land disposition documents shall also include provisions for insuring initiation and completion of construction within a reasonable period of time after the effective date of contract as determined by the type of redevelopment to be undertaken.

4. Land disposition documents shall also include a Specific Declaration of Restrictions to be recorded and binding upon a sale or lease for the purpose, requirements, and Development Objectives which apply throughout the project.

5. The developers, their successors, or assigns, agree that there will be no discrimination against any person or group of persons on the account of race, creed, color, sex, or national origin in the lease, transfer, use occupancy, tenure or enjoyment of the premises therein conveyed. Nor will the developer himself or any person claiming under or through him, established or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, sub-lessees, or vendees in the premises therein conveyed. The above provisions will be perpetual and will run with the land disposed or within the urban renewal areas by the City of Detroit.

6. Developers shall insure to the extent possible that a substantial number (at least 20%) of the total housing units built in the project shall be for sale or rent at prices that low and moderate income families can afford.

7. All development plans shall be subject to approval by the Detroit Housing Commission and the Detroit City Council.

8. All developers shall consult with the Planning and Development Department (P&DD) staff on preliminary site plans and building facility layouts prior to the submission of plans for approval. Such consultation is intended to provide for mutual exchange of ideas and as an initial check on the suitability of plans before extensive and costly design and drawing work is undertaken.

D. UNDERGROUND UTILITY LINES

Easements for sub-surface utilities shall be maintained at locations shown on the Land Use and Development Plan. Additional easements for sub-surface utilities shall be provided by the developer as

required for development of the project subject to the approval of the utility companies and/or municipal departments affected. No structures may be erected, trees planted within these easements without permission of the City Council of the City of Detroit. Garden walls or landscaping may be erected on these easements with the approval of the municipal departments affected.

In areas of the project to be cleared for redevelopment, all utility equipment including facilities for transmission, or distribution of gas, electricity, steam, water or communications, except fire hydrants, lighting standards and electric transformers will be located underground and enclosed entirely within a building. In residential parcels only, where low-density dwelling units are developed, certain utility equipment such as transformer boxes may be located above ground provided that it be screened from public view, subject to approval of the City.

In all other areas of the project, new utility equipment and major alterations to existing equipment shall conform to requirements for similar equipment at similar locations within areas cleared for redevelopment.

E. OTHER PROVISIONS NECESSARY TO MEET STATE AND LOCAL REQUIREMENTS

1. Relocation Plan.

No further relocation is planned for the Hubbard-Richard Project Area.

2. Right-Of-Way Adjustment Plan.

The map entitled Right-Of-Way Adjustment Plan shows:

- Streets and alleys to be retained
- Streets and alleys to be dedicated
- Streets and alleys to be vacated
- Easements for subsurface utilities

This is hereby made a part of the Development Plan as required by Section 4(c) of Rehabilitation of Blighted Areas Act, Act 344 of the Public Acts of 1945 as amended.

3. Zoning and District Plans.

The Zoning Plan and the District Plans are hereby made a part of the Development Plan as required by Section 4(c) of Rehabilitation of Blighted Areas Act, Act 344 of the Public Act of 1945 as amended.

4. Estimates of the number of persons residing in the Hubbard Richard Development Plan Area.

The Hubbard Richard Development Plan Area falls entirely in U.S. Census Tract 5211. According to the 2000 Census, the total population was 2,000.

5. Estimates of the number of families and individuals to be displaced.

No further acquisition, relocation, or displacement of families or individuals is planned for the Hubbard Richard Development Plan Area.

Survey of income and racial composition.

The median household income in 1999 for residents in the Hubbard Richard Development Plan Area was \$28,333.¹

Of the 2001 residents the racial composition based on the 2000 U.S. Census was:

White Alone:	304
Black or African American Alone:	294
American Indian and Alaska Native Alone:	96
Hispanic or Latino Alone:	25
Native Hawaiian and Other Pacific Islander Alone:	9
Hispanic or Latino:	1,273
Statistical Description of the housing supply in the community. ²	
Total Housing Units:	770
Occupied Housing Units:	652

Renter Occupied:	343
Median Housing Value for Owner Occupied Units:	\$48,800.00

PROCEDURE FOR CHANGES IN THE APPROVED PLAN

Whenever a change is made to the previous to the lease, sale or change of any real property in the development area, the City Council of the City of Detroit desires to modify the approved Development Plan, it shall hold a public hearing thereon, notice of such hearing to be given as provided in State law. If the modification be approved by the City Council, it shall become part of the approved Development Plan.

As a part of a Development Plan which directly applies to a parcel of real property in the area, may be modified by the City Council at any time after the transfer or lease or sale of the parcel of real property in the area provided that the modification be consented to by the lessee or purchaser.

REHABILITATION STANDARDS

The goal of the rehabilitation program in the Hubbard-Richardson is to strengthen a long established residential neighborhood. Specifically, for as many of the existing houses as is possible, repairs and improvements will be sought to bring them into compliance with the building and housing codes of the City of Detroit, and to improve exterior appearance. The guiding principle should be that to the extent possible, houses should be attractive and pleasing, as well as safe and sound.

Operations directed towards this goal shall entail contact with all owners of residential property in the area and inspection of buildings to be retained. Rehabilitation work will be instituted using public and private means to bring each property to a condition free of serious code violations, and with improved appearance.

GUIDING OF FEASIBILITY OF REHABILITATION

An exterior examination of the struc-

tures in the Hubbard-Richard area has been made to enable an evaluation of feasibility for rehabilitation. Structures were measured against the following criteria which ranges from sound to abandoned as follows:

1. SOUND — All in good condition — no visible substantial deficiencies.
2. FAIR — Evidence of deferred maintenance — visible minor deficiencies.
3. POOR — Accumulation of deferred maintenance items — visible major deficiencies, numerous minor deficiencies.
4. DILAPIDATED — Multiple major deficiencies — evidence of general lack of care, numerous minor deficiencies.
5. ABANDONED — Vacant, open to trespass, vandalized and dangerous.

In the evaluation of rehabilitation feasibility, factors of original quality of the structures and factors of their potential remaining life and long-term economic value to the Detroit community are also considered. Generally, the residential structures in Hubbard-Richard are of moderate original quality, of wood frame construction, and on rather small lots. While the property survey indicates a large number of houses with major deficiencies, most houses are still occupied and the population appears to be fairly stable. The neighborhood is not in an extensive process of abandonment at the present.

With rapid implementation of the development plan objectives; such as removing blighting and non-conforming influences, public improvements, and a housing rehab program, it is probable that the residential neighborhood can continue to exist.

Viewing all the factors involved the determination is that the Hubbard-Richard neighborhood merits retention. To help achieve the primary objective of the development plan, which is to preserve, protect, and improve the existing residential neighborhood, the finding is, therefore, that a moderate program of rehabilitation assistance is justified. This program should help homeowners alleviate serious code violations and improve the appearance, to extend the livability of their houses.

REHABILITATION STANDARDS

The basis for rehabilitation standards for the Hubbard-Richard project shall be the building ordinances of the City of Detroit. The codes and ordinances of the City of Detroit including the most current edition of the Building Code, and the codes for Plumbing, Electrical, Air Pollution, Heating, Zoning, and Fire Safety and Prevention provide a sound basis for rehabilitation of structures. They outline sound contemporary standards of construction and sound basis for provisions of building equipment, use and occupancy. These code standards are

hereby incorporated by reference to constitute the project rehabilitation standards for the Hubbard-Richard Project and to be included in the Project Development plan.

APPEARANCE OBJECTIVE

In addition to the code standards stated above there shall be an objective of good appearance. The exterior of the structures should be clean, bright, well painted and repaired. Accessory buildings should be repaired, painted or removed. Fences should be straightened, repaired or replaced. Grounds should be clean and free of rubbish and debris and the usefulness of yards enhanced by grass and decorative paintings.

RESPONSIBILITY TO MEET STANDARDS

The primary responsibility for meeting these standards relating to the condition and appearance of residential structures shall rest with the owner. The responsibility for the elimination of code violations in or about the structures and their future maintenance in a code deficiency free condition as well as the achievement and maintenance of an exterior appearance pleasing and desirable to the neighborhood is entirely the owner's. The agency's role (Planning and Development Department — P&DD) will be to provide assistance to the owners to help them meet standards. The assistance will consist of advice, inspection, identification of deficiencies and in some instances, financing.

Prerequisite to the use of any financial assistance under the program shall be the correction by the owner, of any health and safety code violations which do not require repair. For example, housekeeping conditions which are unsanitary shall be properly corrected and junk extraneous building material, illegally stored junk cars, trash and noxious weeds must be removed from the premises by the owner prior to the issuance of any financial aid under the program.

REHABILITATION FINANCING

In addition to the rules and regulations governing the issuance of loans and grants, policies regulating the application of such funds are established herewith.

All expenditure of loan and grant funds shall be in conformance with the project rehabilitation standards established for the Hubbard-Richard Project. In those instances where financial assistance is made available through the agency it is not to be construed that the amount of financing made available must be sufficient to discharge, on behalf of the owner, the entire responsibility to meet project standards.

The least application of loan and grant funds in any case where the applicant is an owner occupant of a 1 to 4 unit structure will be that of correction of hazardous

code violations. The least application of such funds in the case of an investor owner will be correction of all code violations. The character and extent of program financed work items may depend on whether the financing method is a loan or a grant.

Grant: The work requirement for use of grant funds shall be the elimination of all those code deficient conditions which are hazardous in character or other existing or incipient conditions which seriously impinge upon the prospects of continued occupancy; or an exterior treatment to improve appearance.

Loans: Loan funds may be used generally for a wider range of work including all items necessary to bring a property to a project standard condition. Loans may also be used for property improvement and for restoration work within established loan limits. The first priority, however, for use of loan funds shall be the correction of hazardous and other code violations.

REHABILITATION ACTIVITIES

The activities to accomplish the rehabilitation objective will include:

Securing Community Response

Through public information, through working with the community organization through systematic contact with owners the widest possible community response will be sought. It is expected that direct assistance for this purpose will be provided through the good offices of Citizens' District Council established under the project.

Acceptance of Applications:

Applications for rehabilitation assistance will be accepted at a rehabilitation field office established in the area. Evaluations of eligibility for financial assistance will be made and services given which will culminate in the execution of a construction contract.

Inspections:

For all structures for which the owners make application, qualified City personnel shall inspect to determine deficiencies, and evaluate what repairs need to be undertaken to bring the house into compliance with these rehabilitation standards.

Services:

Through competent and professional staff assigned to the rehabilitation office, construction and finance counseling will be provided. The homeowner will be assisted in the identification of work items, the writing of specifications, the evaluation and selection of contractors, the negotiation of contract, the monitoring of construction work in progress and the acceptability of completed work. The field staff will assist in the solution of problems that may arise from construction and may advise the owner in the settlement of contract disputes.

ELIGIBLE WORK ITEMS

Following is a list of rehabilitation work that is eligible for grant financing. The list is intended to allow treatment of serious deficiencies which will improve and enhance the livability of the houses. The existing condition of any listed item must be such that it presently is in a serious state of disrepair in order to qualify for grant funding.

Interior Walls: May be installed as necessary around the house only if rat infestation is cited in code report.

INTERIOR

Extermination: Exterminate as necessary; prior house cleaning must be accomplished by owner as necessary to ensure effective extermination.

Electrical: Make minor repairs necessary; replace and extend to safe condition if present condition is hazardous.

Plumbing: Repair as necessary; replace existing unit with similar type if condition is hazardous.

Roofing: Drainage — clear drains if obstructed. Water supply — repair or replace as necessary to assure adequate water supply. Faucets, Drains — Repair or replace as necessary. Fixtures — replace only if broken or unusable. Water heaters — replace if defective; install if necessary; install safety valves as necessary.

Structural: Make moderate repairs to foundations and structure such as beams and joists; special consideration will be required in instances where extensive structural deterioration exists.

Plaster and Paint: Correct violations requiring to do with plaster patching and painting.

Floors: Make repairs to floors as necessary — not including leveling; floor coverings may be included where absolutely necessary **only** in baths and kitchens and **only** if all other required repairs are being done.

Stairs: Make repairs as necessary — install hand rails.

In a loan situation the listed items should have priority. Once the essential listed items are provided for, additional loan funds may be provided for other items as requested by the owner. In a loan and grant combination situation the part of the work financed by the grant will have to comply with the listing and the conditions stated above. In the case of a loan it will not be necessary to apply the evaluation of serious disrepair in relation to the listed items in order to make them eligible.

EXTERIOR

Roof: Repair or replace as necessary; including repair or replacement of associated wood framing.

Gutters: Where necessary to prevent blight or damage to the structure.

Siding: Repair as necessary; replace missing materials as necessary.

Tuck Pointing: Resetting brick and tuck pointing should be done if existing condition is hazardous.

Exterior Painting: Exterior painting should be done where necessary as a preservative and to improve appearance. Painting of brick is not recommended.

Porches: Repair as needed; however, if repairs needed are so extensive as to amount to a substantial rebuilding or replacement of the porch, then an alternate will be sought such as removal and

Honorable City Council:

Re: Public Hearing on the Establishment of the College Park Enterprise Zone as Requested by the People First Community Outreach and NPHC in Accordance with Public Act 147 of 1992.

The Planning & Development Department and the Finance Department have reviewed the Master Plan and the neighborhood preservation and development goals of the City, and find that establishment of the College Park Neighborhood Enterprise Zone would be consistent with the neighborhood preservation and development goals and with the Master Plan.

Public Act 147 of 1992, commonly referred to as the Neighborhood Enterprise Zone (NEZ) Act, in Section 3(1) states "the governing body of a local governmental unit by resolution may designate one (1) or more neighborhood enterprise zones." Prior to acting upon the resolution establishing an NEZ, a public hearing must be held, and the City Clerk must provide written notice of the public hearing to the assessor and to the governing body of each taxing unit that levies an ad valorem tax within the proposed NEZ, said notice to be made not less than 60 days prior to your Honorable Body's passage of a resolution designating an NEZ.

The boundaries of the proposed NEZ are described in Exhibit A (legal description) and illustrated in the map also attached. The developer proposes to construct 70 single family dwellings with 2 and 3 bedroom configurations consisting of 1100 to 2000 square feet and rehabilitate 10 additional units. The total investment is estimated at \$2.8 million.

We request that a Public Hearing be scheduled on the issue of establishing this NEZ, as required by the NEZ Act. Attached for your consideration please find a resolution establishing a date and time for the public hearing, together with the aforesaid map and legal description of the proposed NEZ.

Respectfully submitted,

HENRY B. HAGOOD

Director of Development Activities
By Council Member Tinsley-Talabi:

Whereas, Pursuant to Public Act 147 of the Public Acts of 1992 ("the Act") this City Council has the authority to establish 'Neighborhood Enterprise Zones (NEZs)' within the boundaries of the City of Detroit; and

Whereas, The People First Community Outreach and NPHC has requested establishment of the College Park Neighborhood Enterprise Zone whose boundaries are particularly described in Exhibit A (legal description) and illustrated in the map attached hereto; and

Whereas, The Act requires that, prior to establishing an NEZ, the City Council shall provide an opportunity for a Public Hearing on such establishment, at which Public Hearing representatives of any taxing authority levying *ad valorem* taxes within the City, or any other resident taxpayer of the City of Detroit may appear and be heard on the matter;

Now Therefore Be It

Resolved, That on Thursday, November 18, 2004 at 11:45 a.m. in the Council Committee Room, 13th floor, Coleman A. Young Municipal Center, a Public Hearing be held on the above described application for establishment of an NEZ within the boundaries described in Exhibit A (legal description) and illustrated in the map attached hereto; and it finally

Resolved, That the City Clerk shall give notice of the Public Hearing to the general public and shall give written notice of the Public Hearing by certified mail to taxing authorities levying an *ad valorem* tax within the City of Detroit, such notice to be provided no earlier than sixty days prior to the public hearing.

We, therefore, respectfully request that your Honorable Body authorize and direct the Board of Assessors to cancel the stated assessed amount against the property in question.

Respectfully submitted,
JAMES A. JACKSON

Director

Department of Public Works

By Council Member Bates:

Resolved, That in accordance with the above communication, the Finance Director is authorized to cancel the listed special assessments for weed cutting charges on vacant lots and/or debris removal.

City Engineering Division**

September 27, 2004

Honorable City Council:

Re: Land Dedications for the "as built" widening of Rosa Parks Boulevard between W. Jefferson and the Fisher Freeway.

City Council adopted a resolution September 30, 1969 (J.C.C. pages 24-26) approving the acquisition of land for the widening of Rosa Parks Boulevard (former name: 12th Street) between W. Jefferson and the Fisher Freeway (I-75).

The attached resolution contains descriptions of public land required to widen Rosa Parks Boulevard to match "as built" plans on file in City Engineering Division — DPW.

I am recommending adoption of the attached resolution.

Respectfully submitted,
WILLIAM L. TALLEY

Head Engineer

City Engineering Division — DPW

By Council Member Tinsley-Talabi:

Whereas, It is necessary for the City of Detroit to establish the "as built" right-of-way of Rosa Parks Boulevard (former name: 12th Street) from W. Jefferson Avenue to the Fisher Freeway (I-75), therefore be it

Honorable City Council:
Re: Petition No. 2584 — Goch and S

Towing Inc., for the conversion of public alleys to easement in the area bounded by Oakwood, Bayside, and Sandbar Streets.

Petition No. 2584 of "Goch and S Towing Inc.", at 795 Oakwood Boulevard, Detroit, Michigan 48217, request conversion of the North-South public alley, 20 feet wide, (Dedicated to the City of Detroit on August 17, 1948 — J.C.C. Pgs. 2246), a portion of the East-West public alley, 20 feet wide, and a portion of Bayside Avenue, 60 feet wide (previously vacated and converted to an easement on February 4, 1987 — J.C.C. Pgs. 256) into private easements for the utility. Also the Dedication of land, 20 feet wide

a new alley outlet all in the block bounded by Oakwood Avenue, 100 feet wide, Bayside Avenue, 60 feet wide, Sanders Avenue, 66 feet wide, and the Cash Railroad Right of Way.

The request was approved by the Solid Waste Division — DPW, and the Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The intent of the attached resolution is also to request the Honorable City Council to accept the deed for the public utility opening purpose; provided said deed complies with the requirements of Detroit City codes and Ordinance No. 2-2-14, Detroit City Code Sections 2-2-11 through 2-2-15 also known as the "Environmental Review Guidelines", and the fee owner submit a properly executed "warranty" deed; proof of lien-free ownership; proof of paid Wayne County taxes and proof of paid Detroit property taxes.

If the petitioner at any time plans to discontinue use of the paved alley entrance (to Bayside Avenue), the petitioner shall pay all incidental removal costs.

All other city departments and privately owned utility companies have reported no objection to the conversion of the public right-of-way into private easement for utility. Provisions protecting utility installations are part of this resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

WILLIAM TALLEY

Head Engineer

City Engineering Division — DPW

Council Member Tinsley-Talabi:

Resolved, All that part of the East-West public alley, 20 feet wide, lying Southerly and abutting the South line of Lots 240 and 241, and the West 10 feet of Lot 239, lying Northerly of and abutting the North line of Lot 88 and the West 10.00 feet of Lot 89 all in the "Oakwood", on P.C.'s 50, 524 and 119, River Rouge, T. 2 S., R. 11 E., Wayne County, Michigan as recorded in Liber 13 Page 36, Plats, Wayne County Records;

Also, All that part of the North-South public alley, 20 feet wide, (Dedicated to the City of Detroit on August 17, 1948 — P.C. Pgs. 2245-2246) described as the West 20.00 feet of Lot 87 of "Oakwood", on P.C.'s 50, 524 and 119, River Rouge, T. 2 S., R. 11 E., Wayne County, Michigan as recorded in Liber 13 Page 36, Plats, Wayne County Records;

Also, All that part of Bayside Avenue, 60 feet wide, (previously vacated and converted to an easement on February 4, 1917 — J.C.C. Pgs. 255-56) between Sanders Avenue, 66 feet wide, and the Cash Railroad Right-of-way described as follows; Beginning at the Southeast

corner of the West 10.00 feet of Lot 87 in the "Oakwood", on P.C.'s 50, 524 and 119, River Rouge, T. 2 S., R. 11 E., Wayne County, Michigan as recorded in Liber 13 Page 36, Plats, Wayne County Records; thence Easterly along the North line of Bayside Avenue, 60 feet wide, a record distance of 60.00 feet; thence Southerly at right angles to the North line of said Bayside Avenue 11.00 feet, to a point; thence Westerly along a line 11.00 feet South of and parallel to the North line of said Bayside Avenue, 25.00 feet, to a point; thence Southerly at right angles to the North line of said Bayside Avenue, 38.00 feet, to a point 11.00 feet North of the South line of said Bayside Avenue; thence Westerly along said line, 60.00 feet, to a point; thence Northerly at right angles to the North line of said Bayside Avenue, 38.00 feet, to a point 11.00 feet South of the North line of Bayside Avenue, 60 feet wide; thence Westerly along a line 11.00 feet South of and parallel to the North line of said Bayside Avenue, 25.00 feet, to a point; thence Northerly at right angles 11.00 feet to the Southwest corner of Lot 87 of the above mentioned "Oakwood on P.C.'s 50, 525 and 119" and the point of beginning;

Be and the same is hereby vacated as a public alley and is hereby converted into private easement for public utilities of the full width of the alleys, which easements shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said alleys and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public easements or rights-of-way over said vacated public alleys herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in the public alleys in the City of Detroit, with the right to ingress and egress at any time to and over said easements for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated alleys herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easements or rights-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and

gress at any time to and over said utility easements with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, retaining or partition walls, shall be built or placed upon said easements, nor change of surface grade made, without prior approval of the City Engineering Division — DPW.

Fourth, That if the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of any existing poles or other utilities in said easements, such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners.

Fifth, That if any utility located in said property shall break or be damaged as a

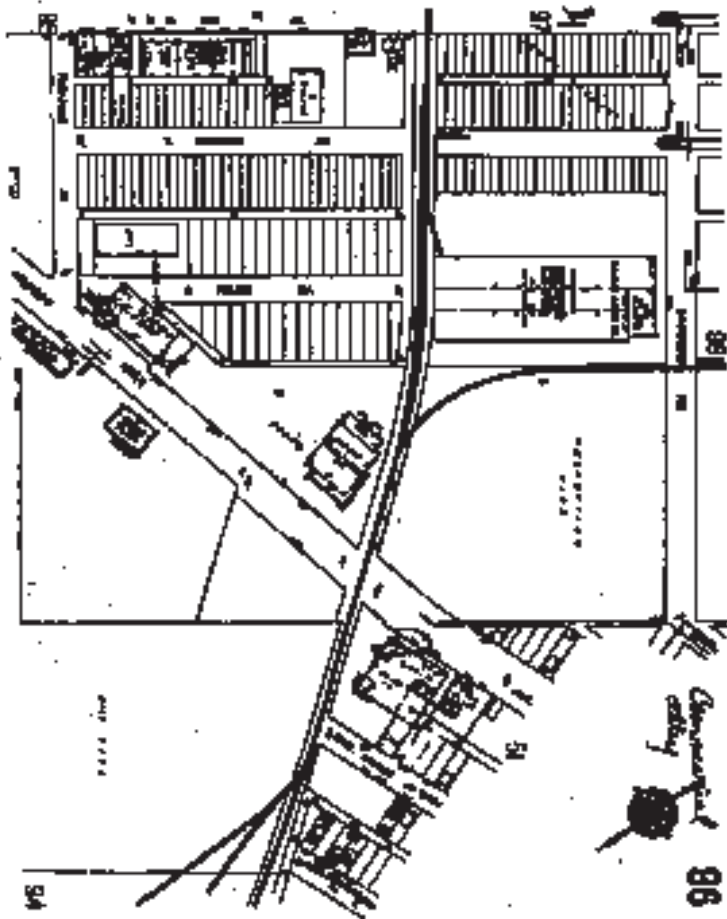

result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and further

Resolved, The following described privately owned property is hereby dedicated for public alley purposes:

Land in the City of Detroit, County of Wayne, State of Michigan, being more particularly described as the Westerly 20.00 feet of Lot 89 of the "Oakwood", on P.C.'s 524 and 119, River Rouge, T. 2 S., R. 1 E., Wayne County, Michigan as recorded in Liber 13 Page 36 Plats, Wayne County Records;

Provided, That all taxes with respect to said property of which the Dedication Area is a part shall be paid and proof thereof furnished to the Law Department; and

Provided, That proof of compliance with said Detroit Ordinance No. 29-94, Detroit Code Sections 2-2-11 through 2-2-15 known as the Environmental Rev

Guidelines, is furnished to the Law Department; and

Provided, That the fee owner submit a properly executed deed acceptable to the Law Department; and

Provided, That if it becomes necessary to remove the paved return at the entrance (into Bayside Avenue), such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and be it further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Resolved, The Planning and Development Department Director is hereby authorized to issue a quit-claim deed to transfer the following vacated public right-of-way for the fair market value and/or other valuable consideration.

Land in the City of Detroit, County of Wayne, State of Michigan; described as the East 20.00 feet of Lot 87, "Oakwood", on P.C.'s 50, 524 and 1000, River Rouge, T. 2 S., R. 11 E., Wayne County, Michigan as recorded in Liber 1000, Page 36, Plats, Wayne County Records.

TESTIMONIAL RESOLUTION FOR LILLIE HILDRETH RESOR

By COUNCIL MEMBER BATES:

WHEREAS, Lillie Resor was born November 2, 1924, on a farm in Linden, Marengo County, Alabama. She was the third child of seven born to Johnny and Donie Hildreth; and

WHEREAS, In 1943, Lillie graduated from Alabama State University and taught school for less than a year before coming to Detroit, Michigan to assist her sister; and

WHEREAS, Shortly after arriving in Detroit in 1944, Lillie met and married the late Morris Britt Resor who passed away in 1973. To this union, three children were born, Maggie Jean Resor, Patricia Resor-Burnett, and Derrick Resor who passed away in 1994. Lillie is the grandmother of

11 and the great grandmother of 2; and

WHEREAS, Lillie devoted her time being a wife and mother. She was very active in her church, volunteered in school events of her children and participated in every election by voting working at the polls. During the 1940's and 50's, her unselfish, giving nature also extended to relatives and friends who migrated from the South allowing them to live in her home as they were established enough to live on their own. In 1964, Lillie entered the workforce at Detroit Ball Bearing and retired in 1984 after 20 years of service; and

WHEREAS, A charter member of Greater Christ Baptist Church, Lillie remains active and assists with the church ministry by volunteering at its Benjamin Mays Male Academy. She continues to drive her neighbors to where they need to go. Lillie continues to bowl on a league, likes to travel, and is known to enjoy a good party although she never drank or smoked. The list of her current social and volunteer activities goes on and on. NOW, THEREFORE, BE IT

RESOLVED, That the Detroit City Council, through the office of Council Member Alonzo W. Bates, commends the volunteer and helping spirit of Lillie Hildreth Resor, and extends a warm wish for a Happy 80th Birthday! May God continue to bless you.

 or-league games, he created an
 ressive resume, He was selected to
 en All-Star teams, was a lifetime .273
 er with 325 home runs, 1,163 RBIs and
 83 hits. After leaving the Tigers in
 1977, he played for the Texas Rangers,
 veland Indians, Oakland Athletics, and
 ttle Mariners. Even though he sus-
 ended many injuries in his career, he was
 ays a potent force at bat; and

WHEREAS, After his retirement in
 1981, he coached with various teams,
 then served as Deputy Director of the
 roit Police Athletic League for four
 rs before retiring from the Detroit
 ce Department as a Second Deputy
 ef in 1993. Mr. Horton also excelled in
 the business world as a national sales
 esentative for the ORT Tool & Die
 orporation. He is presently involved with
 Tigers organization as Special
 istant to the President and CEO; and
 WHEREAS, Mr. Horton is known as a
 , caring man who has never forgotten
 humble beginnings. During the 1967
 roit riots, Mr. Horton took to the streets
 urged peace, not violence. In 1992,

**TESTIMONIAL RESOLUTION
 FOR
 MT. OLIVE BAPTIST CHURCH**

By COUNCIL MEMBER TINSLEY-TALABI:

WHEREAS, The leadership and mem-
 bers of Mt. Olive Baptist Church will cele-
 brate the church's 88th anniversary in
 2004, and

WHEREAS, Mt. Olive Baptist Church
 was organized on February 10, 1916, by
 Rev. Robert L. Brady in a house at 1915
 Antoine Street. Within two months, the
 church had 35 members, and

WHEREAS, Throughout the 88-year
 history of the church, the membership
 continued to grow, necessitating moves to
 larger church buildings. In 1957, under
 the leadership of Pastor Jack E. Ealy Sr.,
 Mt. Olive experienced its greatest and
 most noted expansion. It purchased a
 parcel of land at Woodward and Boston
 Boulevard for a new church. But the
 church faced opposition from neigh-
 borhood residents and endured court battles,
 work recession orders and financial
 deficit. The church triumphantly entered
 its current facility in the spring of 1979. Mt.
 Olive was blessed to celebrate the burn-
 ing of its mortgage in 1994, and

WHEREAS, In 1999, Pastor Ealy,
 beloved and prolific pastor of Mt. Olive,
 announced his retirement and recom-

mended that his administrative assistant, Rev. Harold Cadwell Jr., be named his successor. Rev. Cadwell was accepted overwhelmingly by the congregation, and

WHEREAS, In the five years he has been pastor, Pastor Cadwell's faith, dedication and love have greatly influenced the church. He has a comprehensive and far-reaching vision to lead the congregation to fulfill the will of The Lord. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council hereby congratulates Mt. Olive Baptist Church upon the auspicious occasion of its 88th anniversary. May Mt. Olive continue to transform hearts and lives through the mercy and love of the Lord.

**TESTIMONIAL RESOLUTION
 FOR
 MARY ANN SOLBERG**

By COUNCIL MEMBER TINSLEY-TALABI:

WHEREAS, Mary Ann Solberg has devoted her life to service; from serving her community to serving her country, and

WHEREAS, Ms. Solberg has extensive experience in community organizing and coalition building at both the local and the state levels, and

WHEREAS, She has served as the executive director of the Coalition of Healthy Communities and the Troy Community Coalition for the Prevention of Drug and Alcohol Abuse in Troy, Michigan, and

WHEREAS, Under her leadership, the Troy Coalition effected positive changes in the community, including a decrease in the number of eighth, tenth, and twelfth grade students reporting they had smoked cigarettes in their lifetime; a fifty percent decline in the percentage of eighth graders admitting to using marijuana in the past month; and almost a quarter reduction in the number of eighth graders that reported ever consuming alcoholic beverages, and

WHEREAS, In April of 2004, the United States Senate confirmed Ms. Solberg as the deputy director of the White House Office of National Drug Control Policy (ONDCP). In this position, she serves as the primary advisor to the director for a broad range of matters pertaining to drug policy and has the lead for a new and broader effort to coordinate with and reach out to state and local entities in the areas of drug prevention, treatment, and domestic drug law enforcement issues. She will play a valuable role in the president's national drug control strategy. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council hereby salutes Mary Ann Solberg for her dedicated service to controlling the scourge of drugs in communities across our nation. May she have great success in this battle.

Present — Council Members Bates, Collins, Everett, Tinsley-Talabi, Watson, and President Pro Tem. K. Cockrel, Jr. — 6.

There being a quorum present, the City Council was declared to be in session.

Taken From the Table

Council Member Everett moved to take from the table an ordinance to amend Chapter 61 of the 1984 Detroit City Code, the Official Zoning Ordinance, being Ordinance 390-G, as amended, by amending Article XV, District Map 12, District Map No. 27, and District Map No. 29 to change the zoning for various properties within the area generally bounded by Gratiot Avenue, St. Aubin, Mt. Elliott Avenue and E. Vernor Highway, also known as the McDougall-Hunt Rehabilitation Project Area laid on the table September 29, 2004, which motion prevailed.

The Ordinance was then placed on the order of third reading.

THIRD READING OF ORDINANCE.

The title to the Ordinance was read a third time.

The Ordinance was then read.

The question being "Shall this Ordinance Now Pass"?

The Ordinance was passed, a majority of the Council Members present voting therefor as follows:

Yeas — Council Members Bates, Collins, Everett, Tinsley-Talabi, Watson, and President Pro Tem. K. Cockrel, Jr. — 6.

Nays — None.

Title to the Ordinance was confirmed.

Sloan, Deceased v City of Detroit and Officer Jerry McNeal. Case No.: 03-309889-NO, File No.: A37000-004187.

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is my considered opinion that a settlement in the amount of Five Million Five Hundred Thousand Dollars (\$5,000,000.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Five Million Five Hundred Thousand Dollars (\$5,000,000.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Barbara Owens, Personal Representative of the Estate of Albert Sloan, Deceased, and Special Representative of the Estate of Lillie Sloan, Deceased, and her attorneys, Fieger, Kenny & Johnson, P.C., to be delivered upon receipt of properly executed Stipulation and Order of Dismissal Releases entered in Lawsuit No. 03-309889-NO, approved by the Law Department.

Honorable City Council:

Re: Jennifer Clanton v. Frederick Wells, and City of Detroit. Case No.: 04-402373-NI. File No.: A20000.002123 (LB).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Seven Thousand Dollars (\$7,000.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Seven Thousand Dollars (\$7,000.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Jennifer Clanton and her attorney, Law Offices of Dennis A. Ross, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 04-402373-NI, approved by the Law Department.

Honorable City Council:
Re: Address: 8545 Third. Date ordered demolished: February 21, 2001 (J.C.C. pg. 563). Deferral date: November 26, 2002.

The building at the location listed above was ordered demolished by your Honorable Body on the date indicated and the order was deferred under the conditions of the Ordinance.

A recent inspection on August 10, 2004 has revealed that the building is open to trespass, contrary to the conditions of the deferral.

Therefore we will proceed with the demolition as originally ordered with the cost of demolition assessed against the property.

Respectfully submitted,
AMRU MEAH

Address: 8640 Penrod. Name: Gary Moran. Date ordered removed: July 7, 2003 (J.C.C. p.).

n response to the request for a deferr- al of the demolition order on the property nd above, we submit the following rmation:

A special inspection on September 22, 4 revealed the building is secured and ears to be sound and repairable.

The owner has entered into an approved Tax Payment Plan to pay the current taxes due as of September 15, 2004.

The proposed use of the property is rehabilitation and sale.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

• Certificate of Acceptance related to building permits

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we will proceed with demolition without further hearings. Pursuant to the Property Maintenance Code our Municipal Civil Infractions (MCI) Unit will issue the appropriate violations/tickets.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we will proceed with demolition without further hearings. Pursuant to the Property Maintenance Code our Municipal Civil Infractions (MCI) Unit will issue the appropriate violations/tickets.

Honorable City Council:

Re: Address: 15476 Rockdale. Name: Joy Lopresti-Sigma. Date ordered removed: January 26, 2004 (J.C.C. p.).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on September 14, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has entered into an approved Tax Payment Plan to pay the current taxes due as of July 15, 2002.

The proposed use of the property is rehabilitation and sale.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. A permit for rehabilitation work shall be obtained within 30 days.

2. The building shall be maintained securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits

3. The owner shall not occupy or allow

occupancy of the structure without a certificate (as outlined above).

4. The yards shall be maintained clear of weeds, junk and debris at all times

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained or that substantial progress toward rehabilitation has been made. If the building becomes open to trespass or if conditions of the deferral are not complied with, we will proceed with demolition without further hearings. We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

City Planning Commission
October 15, 2004

Honorable City Council:
Application for an NEZ Certificate for
2525 Lillibridge within the Jefferson
North Park area; and application for
an NEZ Certificate for 16050
Tireman within the West Town I area
(Departmental Report).
During the City Council's Committee of
Whole meeting on September 8,

2004, the Council withheld approval of the
above-referenced Neighborhood Enter-
prise Zone (NEZ) certificates. City
Council requested more information
about the developers of each of the pro-
jects involved (West Town I and Jefferson
North Park). Additionally, Council wanted
to know whether the two developers were
for-profit or non-profit.

The City Planning Commission (CPC)
staff has obtained the following informa-
tion.

West Town Homes I

West Town Homes I, LLC is a limited
liability company comprised of a joint ven-
ture between Community Planning
Association and Urban Entity Group VI,
LLC. It is a 501(c)(3) non-profit organiza-
tion. Mr. Peter Barclae represents the
Community Planning Association, while
Stephanie Madden represents Urban
Entity Group VI, LLC.

West Town Home, LLC would construct
31 single-family houses with three and
four bedrooms in the West Town I NEZ
area.

The West Town NEZ was approved by
Council on May 12, 2004.

Jefferson North Park

The Jefferson North Park development
team consists of Jim Jenkins of Jenkins
Construction and Anthony Parker of
Parkstone Development, LLC. The team
will work collaboratively as Jefferson
North Park LLC, a for-profit entity. Other
members of the project include: Architect:
Design Partnership/Urban Works; Hous-
ing Manufacturer: Pinnacle Homes;
Construction Manager: Jenkins Con-
struction; Lender: Charter One Bank; and
Sales/Marketing: Keller/Williams Realty.

The developer would build a total of
123 single-family homes with attached
garages in the NEZ area.

The Jefferson North Park NEZ was
approved by Council on April 16, 2003.

**CONCLUSION AND RECOMMENDA-
TIONS**

The CPC staff has obtained and
reviewed the above information relating to
the applications for NEZ certificates
named above and found it consistent with
the Neighborhood Enterprise Zone Act as
it is currently written. As stated in our pre-
vious report, we recommend the two cer-
tificates be approved as proposed.

City of Detroit

Brownfield Redevelopment Authority

October 21, 2003

Honorable City Council:

Re: Russell Street Project Brownfield Plan.

The enclosed Brownfield Plan

Russell Street (the "Plan") (Exhibit A), submitted by the Detroit Brownfield Development Authority Board (the "Authority") to the Community Advisory Committee (the "Committee"), has been considered and reviewed by the Committee and a public hearing was held by the Authority on September 27, 2004 to solicit public comments. At its September 15, 2004 meeting, the Committee considered and approved a resolution recommending approval of the Plan by the Authority and City Council in the form presented by the Authority.

On October 6, 2004, the Authority adopted a resolution (Exhibit B) approving the Plan and authorizing the submission of a certified copy of its resolution to the City Clerk, together with a request that the Detroit City Council hold a public hearing concerning the Plan to take all other actions to approve the Plan in accordance with Act 381.

The Plan is now presented to the City Council for approval. The Detroit City Council will, after publication of the notices required by law, hold a public hearing on the Plan. After the public hearing, the City Council shall determine whether the Plan constitutes a public purpose and, if so, may approve or reject the Plan or its modification.

Project Introduction

Russell Street Development, LLC is the project developer. The project involves rehabilitation of the buildings at 2501 Russell and 1350 Adelaide/1351 Winder, located on the west side of Russell, bounded by Adelaide to the north and Winder to the south. Built in the Eastern Market in 1917 and 1898, the two buildings are connected and together total 300 square feet. The first floor will be a restaurant and small banquet hall, and the second floor will have a larger banquet hall. Total project costs are estimated at \$2,405,000.

Purpose of the Proposed Plan

The primary purpose of this Plan is to promote the redevelopment of and private investment in certain "brownfield" property within the City. Inclusion of property in this Plan will facilitate financing of environmental responses and other eligible activities at eligible properties, and will provide tax incentives to eligible taxpayers willing to invest in revitalization of blighted sites, commonly referred to as "brownfields." By facilitating redevelopment of brownfield properties, this Plan is intended to promote economic growth for the benefit of the residents of the City and taxing units located within and benefited by the Authority.

Property Subject to the Proposed

The Property is an eligible property under Act 381 and consists of three functionally obsolete and blighted parcels:

2501 Russell, 1350 Adelaide and 1351 Winder.

Basis of Eligibility

The Property is considered to "eligible property" as defined by Act 381, Section 2 because (a) the Property was previously used for commercial purposes; (b) it is located within the City of Detroit, a qualified local government unit; and (c) the Property is functionally obsolete and blighted as defined by Act 381. They are vacant and their deterioration has left them dangerous and unable to be used to adequately perform the function for which they were intended due to a substantial loss in value. This loss in value has resulted primarily from the following items.

- Mechanical, electrical and plumbing systems will have to be replaced due to out-of-date conditions, or having been removed from the buildings.
- The elevator will have to be refurbished in order to bring it up to code.
- All of the windows will have to be replaced.
- New stairs will have to be constructed in order to bring it up to code.

Eligible Activities and Projected Costs

The following eligible activities and budgeted costs are intended as part of the development of the Property and are to be financed solely by the Developer. The Authority is not responsible for any cost of eligible activities and will incur no debt. The total eligible investment for the Russell Street Project will be \$1,311,300 that includes eligible activity costs from demolition totaling \$32,000.

Public Comments Received

The Committee's communication to the City Council and the Authority, dated September 15, 2004 (Exhibit C), recommending approval of the Plan including the minutes of the Public Hearing held by the Authority on September 27, 2004, are enclosed for the City Council's consideration.

Authority's Request

The Authority is respectfully requesting the following actions from the City Council:

a) **October 27, 2004**

Brownfield Redevelopment Authority

October 21, 2004

Honorable City Council:

Re: Silvercup Project Brownfield Plan

The enclosed Brownfield Plan Silvercup (the "Plan") (Exhibit A), submitted by the Detroit Brownfield Redevelopment Authority Board (the "Authority" the Community Advisory Committee "Committee"), has been considered reviewed by the Committee and a public hearing was held by the Authority September 27, 2004 to solicit public comments. After receipt of the public comments, the Committee considered approved a resolution at its September 27, 2004 meeting, recommending approval of the Plan by the Authority City Council in the form presented by Authority.

On October 6, 2004, the Authority adopted a resolution (Exhibit B) approving the Plan and authorizing the submission of a certified copy of its resolution and the Plan to the City Clerk, together with a request that the Detroit City Council call a public hearing concerning the Plan and to take all other actions to approve the Plan in accordance with Act 381.

The Plan is now presented to the Council for approval. The Detroit Council will, after publication of notices required by law, hold a public hearing on the Plan. After the public hearing, the City Council shall determine whether the Plan constitutes a public purpose and, if so, may approve or reject the Plan or approve it with modifications.

Project Introduction

The DBRA is working with Silvercup LLC, the project developer who plans to construct 86 condominium units that will be available for homeownership. The cost of construction is approximately 14.6 million dollars. The condominiums will range in price from \$130,000 to \$200,000 and will range in square footage from 1,400 to 2,200 sq. ft. Silvercup JV LLC plans to utilize Tax Increment Financing (TIF) and the Single Business Tax Credit (SBT) as a method to offset the additional costs caused by the environmental concerns of the Properties. Eligible investment is estimated at \$14,600,000.

Property Subject to the Proposed Plan

The property comprising the eligible

erty (hereinafter "the Properties"), is located within the general boundaries of the City of Detroit, the alley east of Chene, the alley north of Hendricks, consists of parcels approximately 3.5 acres. The Properties are currently 2 of the 27 parcels that are scheduled for the Silvercup Redevelopment Project. The Properties are covered with natural vegetation and portions of concrete foundations.

Purpose of the Proposed Plan

The proposed Plan is intended to accomplish two purposes. First, upon approval of this Plan by City Council, Silvercup JV LLC will be entitled under the law to seek the approval of the Michigan Economic Growth Authority or the State Treasurer for a single business credit for up to 10% of their eligible capital investment in their project. Second, the Detroit Brownfield Redevelopment Authority will be authorized to capture tax increment revenues produced from the development of properties subject to this Plan to offset the cost of Silvercup JV LLC for environmental, infrastructure and site preparation work performed on the property subject to the Plan.

Basis of Eligibility

The Properties are considered "eligible property" as defined by Act 381, Section 2 because (a) the Properties were previously utilized for an industrial purpose; (b) they are located within the City, a qualified local government unit under Act 381; (c) the Properties are determined to be blighted as defined by Act 381. The Properties qualify as "blighted" under the definition in Act 381. Further criteria of eligibility is outlined below.

Blighted
The Properties were tax reverted properties owned by a qualified local governmental unit, the City. This also includes 4.82 acres of vacant land that is used to house the Silvercup Bakery.

There are Underground Storage Tanks located on the Properties. Multi Solutions, the environmental consultant, conducted a Phase I environmental assessment of the Properties. They observed evidence of UST tanks on both parcels. Based on a previous Phase I assessment, Silvercup JV LLC know that there are 2 UST tanks on 2295 Vernor, a 1000 gallon diesel fuel tank, and a 1000 gallon fuel oil tank. There was also a steam tunnel that serviced both properties.

Projected Costs

Construction is currently anticipated to begin in the fall of 2004 and eligible activities will be completed in 18 months. Silvercup JV desires to be reimbursed for the cost of eligible activities. Tax increment revenues generated by the

Properties will be captured by the Authority and used to reimburse the cost of the eligible activities completed on the Property after approval of this Plan.

The eligible activities are to be financed solely by Silvercup JV LLC. The Authority will reimburse Silvercup JV for the cost of approved eligible activities, but only from tax increment revenues generated from the Properties. No advances have been or shall be made by the City or the Authority for the cost of eligible activities under this Plan.

Tax increments are projected to be captured and applied to (i) reimbursement of eligible activity cost and payment of authority administrative cost, and (ii) make deposits into the Authority's Local Site Remediation Revolving Fund, as follows:

Eligible Activity Cost	
Reimbursement:	\$ 845,000
Administrative Fees:	\$ 230,031
Revolving Fund:	\$ 458,510
Total:	\$1,533,541

Public Comments Received

The Committee's communication to the City Council and the Authority, dated September 29, 2004 (Exhibit C), recommending approval of the Plan including the minutes of the joint Public Hearing held by the Committee and the Authority on September 29, 2004, are enclosed for the City Council's consideration.

Authority's Request

The Authority is respectfully requesting the following actions from the City Council:

a.) **October 27, 2004**

Department of Environmental Affairs

October 15, 2004

Honorable City Council:

Re: Proposed Ordinance to Amend Chapter 22 of the 1984 Detroit City Code, *Handling of Solid Waste and Prevention of Illegal Dumping*.

Pursuant to the applicable provisions of the 1997 Detroit City Charter, the above referenced proposed ordinance is being submitted to your Honorable Body for consideration and approval. The proposed ordinance amends Chapter 22 to authorize the issuance of blight violation notices for violations of this chapter and to authorize the adjudication of blight violations pursuant to Section 4q of the Michigan Home Rule Cities Act, but not MCL 117.4q, and Chapter 8.5 of the 1984 Detroit City Code titled "Blight Violations" to add new definitions, clarify existing definitions, and remove inapplicable definitions; and to revise the structure of Chapter 22 for purposes of clarity and ease of reading.

The proposed ordinance also revises the provisions prohibiting the disposal of medical waste, animal and fowl excrement, improper placement of appropriate containers for and between collection continuing violations, and improper storage, separation and disposal of solid waste. These amendments are intended to distinguish between solid waste that is litter and solid waste that is illegally dumped.

We respectfully request that this proposed ordinance be introduced at your earliest possible Formal Session and that a Public Hearing be held on the earliest possible date. In addition, we request a waiver of reconsideration.

We are available to answer any questions that your Honorable Body may have concerning this proposed ordinance. Thank you for your consideration.

Respectfully submitted,
SARAH D. LILE
Director

By Council Member Everett:

AN ORDINANCE to amend Chapter 22 of the 1984 Detroit City Code, *Handling of Solid Waste and Prevention of Illegal Dumping* by amending Section 22.1 to add definitions of "Blight violation", "Blight violation determination", "Blight violation notice", "Blight violation proceeding", "E

DIVISION 3. ADDITIONAL PENALTIES AND FEES FOR VIOLATIONS

Sec. 22-1-31. Costs and fees for removing solid, medical and hazardous waste.

In addition to any other penalty or sanction provided for in this Chapter, or by any other applicable state or federal law, a violator shall pay the following, as applicable:

(1) The cost of removing all solid waste, medical waste, or hazardous waste which is the subject of the violation and the cost of damage to any land, water, wildlife, vegetation, or other natural resource, or to any facility which is damaged by the violation of this Chapter. The United States Environmental Protection Agency's Illegal Dumping Economic Assessment – Cost Estimating Model or the actual costs incurred by the Department of Public Works, or other City department, shall be considered sufficient proof of the cost to the City of Detroit. Costs collected under this section shall be

used to reimburse the Department of Public Works or other appropriate department for the cost of removing said waste, medical waste, or hazardous waste; and

(2) The reasonable fees that result from impoundment and storage under Section 22-1-32 of this Code which are calculated as beginning on the date of impoundment. Fees collected under this section shall be disbursed to the Department of Police Department, or to other appropriate departments that impounded the vehicle involved in the violation of this Chapter.

Sec. 22-1-32. Impoundment and procedure for release of a vehicle; forfeiture of bond.

(a) *Impoundment and procedure for release of a vehicle.* A police officer may impound a vehicle that is operated in the commission of a violation of this Chapter. Upon impoundment, the vehicle is subject to a lien, subordinate to a prior lien on record, in the amount of any fine, costs, and damages that the violator may be ordered to pay under this Chapter. A person who is issued the municipal civil infraction blight violation, or a person who has an ownership interest in the vehicle, may obtain release of the vehicle by taking (1) of the following actions:

(1) Appearing at the appropriate enforcement branch of the municipal ordinance violations bureau Department of Administrative Hearings, admitting responsibility, and pay all fines, costs and fees; or

(2) Admitting responsibility with explanation, or denying responsibility for the violation at the appropriate enforcement branch of the municipal ordinance violations bureau Department of Administrative Hearings, and providing a copy of certified bond in the amount of one thousand five hundred dollars (\$1,500.00).

(3) Where there is a judicial blight violation determination by the Department of Administrative Hearings that the alleged violator is not responsible for the violation the vehicle shall be released, and no court administrative hearings officer shall assess, against the City of Detroit, costs payable to the person who sustained damage to the vehicle directly resulting from its impoundment.

(b) *Forfeiture of bond.* Where a municipal civil infraction blight violation determination regarding this Chapter is made and the violator fails to pay any fine, costs, damages, or any installment as required within one hundred twenty (120) days after a municipal civil infraction blight violation determination is made under this Chapter, payment shall be satisfied in the following order of priority:

(1) Any bond that is posted under Subsection (a) of this section shall be forfeited and applied to the fines, costs,

pages, or installment. In such instance, the court Department of Administrative Hearings shall certify any amount to the City of Detroit.

2) The Corporation Counsel, or his or his designee, may enforce the lien, in accordance with Section 22-1-33 of the Code, by a foreclosure sale which shall be conducted in the manner provided for and be subject to the same rights shall apply in the case of execution sales under Sections 6031, 6032, 6041, 6042, 6044 through 6047 of the Michigan Revised Judicature Act of 1961, as amended, being MCL 600.6031, MCL 600.6032, MCL 600.6041, MCL 600.6042, and MCL 600.6044 through MCL 600.4047.

DIVISION 3. PLACEMENT, STORAGE, AND MAINTENANCE OF APPROVED CONTAINERS

Sec. 22-2-41. Courville containers; residential structures containing one, two, three, or four household units; placement for collection.

(a) The Department of Public Works shall provide one (1) Courville container to each occupied household unit in residential structures containing one (1), two (2), three (3), or four (4) household units for the storage of domestic solid waste between collections. It shall be the responsibility of the occupant(s) and/or owner(s) of the property to place their respective container(s) in the proper location for the storage of domestic solid waste, to protect the container from damage, to keep the container in a clean and satisfactory condition, and to properly store domestic solid waste only therein.

(b) When collection service is desired, all Courville containers must be placed by the owner(s), lessee(s), agent(s) or caretaker(s) at the curb or designated location no sooner than 6:00 p.m. ~~of~~ on the day prior to the scheduled solid waste collection day for access by Department of Public Works' solid waste collection trucks and shall be removed no later than 9:00 p.m. on the day of collection.

(c) Nothing contained in this article shall be construed to prohibit the owner, lessee, agent or caretaker from entering into a contract for solid waste collection services with a collector licensed under Article III of this Chapter. However, upon request, evidence of private solid waste collection services must be provided to the Department of Public Works.

Sec. 22-2-42. Courville containers; residential structures containing five or more household units; placement for collection.

(a) The Department of Public Works shall provide a sufficient number of Courville containers to residential structures containing five (5) or more household units, which are commercial establishments for purposes of this section, for the storage of commercial solid waste between collections. The owner, lessee, agent or caretaker of such property shall place its respective containers in the location designated by the Director of the Department of Public Works for the storage of domestic solid waste, protect containers from damage, keep the containers in a clean and satisfactory condition, and properly store domestic solid waste only therein.

(b) When collection service is desired, all Courville containers must be placed by the owner(s), lessee(s), agent(s), or caretaker(s) at the curb or designated location no sooner than 6:00 p.m. of the day prior to the scheduled solid waste collection day for access by Department of Public Works' solid waste collection trucks and shall be removed no later than 9:00 p.m. on the day of collection.

(c) Nothing contained in this article shall be construed to prohibit the owner, lessee, agent or caretaker from entering into a contract for solid waste collection services with a private solid waste collector licensed under Article III of this Chapter. However, upon request, evidence of private solid waste collection services must be provided to the Department of Public Works.

Sec. 22-2-43. Courville container placement fee.

The director of the department of public works shall establish the rate for placement of Courville containers at residential structures. This "placement fee" shall be paid as directed within thirty days of the container placement date. The payment of the placement fee authorizes the use of the Courville container for a period of ten (10) years or, unless the incurred damage is the fault of the user, until a replacement is required. In the event that the incurred damage is the fault of the user, the replacement fee shall be paid by the user. Repealed.

Sec. 22-2-43. Location of approved containers between collections.

In order to maintain an orderly and aesthetic appearance within the City and to prevent unauthorized encroachment on any street, sidewalk, alley, or public property, approved containers for residential structures must be placed so that they cannot be seen from the street. Approved containers for commercial establishments must be placed as directed by the Director of the Department of Public

ks. Failure by the owner, as defined in section 22-1-1 of this Code, to comply with notification that cites improper storage locations for approved containers will result in the issuance of a blight violation notice.

22-2-44. Collection of unpaid placement fee.

In the event that the owner of a residential structure fails to pay the required curbside container placement fee within thirty (30) days of the date of the notice, and in the absence of a written agreement, the acceptance of a payment plan, an unpaid fee shall be collected pursuant to sections 18-6-1 through 18-6-7 of this Code which provide for the uniform procedure for accounts receivables collected.

22-2-44. Location of approved containers for collections.

All approved containers shall be conveniently accessible for collection services. Except on collection days, all approved containers for solid waste shall be located on private property. In those areas where curbside solid waste collection is the only alternative to curbside solid waste collection as determined by the Director of the Department of Public Works, approved containers shall be located as near possible to the alley line but not in the alley, on a street or on other public property. Except that, where the Director of the Department of Public Works has deemed it impractical for the Department of Public Works to obtain access to the approved containers on private property, he or she may grant revocable written permission to place such containers on public property. The Director of the Department of Public Works shall have the authority to designate the location from which approved containers shall be served, provided, that there is no change from alley to curbside solid waste collection, from corner lot or yard to front collection, or any other change in approved container service location. The Director of the Department of Public Works shall give at least thirty days prior public notice through the distribution of various printed literature presenting the rationale for such change in approved container service location, along with instructions that the affected public is to follow regarding the new collection procedures.

22-2-45. Portable containers; commercial establishments.

a) *Generally.* As required in this section, portable containers for the storage of commercial solid waste shall be provided in adequate number and type to properly store all solid waste between collections.

b) *Responsibility to provide.* It shall be the responsibility of any person, who owns or operates any commercial establishment or public place where portable containers are required by this section, to

provide and place such containers on the premises at their own expense.

(c) *Responsibility to service.* The removal of solid waste from portable containers placed upon public property shall remain the responsibility of those local agencies which perform solid waste removal. The removal of solid waste from portable containers, which are placed upon private property and are used by the public, shall remain the responsibility of the owner(s) of such private property.

(d) *Capacity.* All portable containers required in this section shall not be more than thirty (30) gallons in capacity.

(e) *Placement in specific areas:*

(1) *Loading and unloading areas.* All loading and unloading areas shall be provided with an adequate number of portable containers for solid waste. In all cases, a minimum of one (1) portable container shall be required at all such sites. The number of portable containers required for each such area shall be governed by the need to maintain a clean, neat and sanitary premises as directed by the Director of the Department of Public Works.

(2) *Parking lots.* All parking lots, including drive in restaurants, taverns, shopping centers, supermarkets and grocery stores shall have at least one portable container available for patrons and pedestrians. There shall be one additional portable container for each one hundred (100) parking spaces in excess of twenty five (25) parking spaces. Where circumstances dictate, as determined by the Director of the Department of Public Works, these minimums will be increased. It shall be the obligation of all patrons and pedestrians using parking lots to use such portable containers for the purpose intended, and it shall be a municipal civil infraction for any person to dump, scatter or throw any solid waste upon such parking lot.

(3) *Construction and demolition sites.* A minimum of one (1) portable container for solid waste produced by these working on the site shall be required for construction and demolition sites. All solid waste shall be placed in a portable container by the end of each day, and the site shall be kept in a reasonably clean condition. All construction solid waste placed upon any public or private property, other than the construction or demolition site, shall be immediately removed and properly disposed of by the contractor.

(4) *Significant pedestrian traffic areas.* In accordance with the minimum number required by the City of Detroit Zoning Ordinance, being Chapter 61 of this Code, portable containers in sufficient numbers are required at the following areas:

a. Parks, campgrounds and trailer park facilities for transient habitation shall

have at least one (1) portable container at each public restroom facility, and at least one (1) portable container at each established trailhead where there is access by foot, motorcycle or bicycle, or each similar trail for excursion or exploration out of or away from the central activity area;

b. Gasoline service stations have at least one (1) portable container per gasoline pump island;

c. Marinae, boat launching areas, boating moorage and fueling stations, and public and private piers shall have at least one (1) portable container at each such area;

d. Beaches and bathing areas shall have at least one (1) portable container at each public restroom facility, and at least one (1) portable container at each access point officially designated as such by the primary jurisdictional authority;

e. Racetracks and sporting event sites with seating capacity of more than two hundred (200) spectators shall have at least one (1) portable container, plus one (1) additional portable container for each one thousand (1,000) seating capacity in excess of two hundred (200) spectators;

f. Fairgrounds and sites for carnivals, festivals, circuses, shows or events of any kind where the public is invited shall have at least one (1) portable container at the entrance to each ride, and at least one (1) portable container at the entrance and exit of each walk through exhibit building;

g. Each street vendor, or his or her vehicle, shall be equipped with at least one (1) portable container for the disposing of solid waste. It is the duty of each street vendor to pick up such solid waste after any sale or delivery of his or her products;

h. Any person who is responsible for a location described in sections a. through g. of this subsection, shall have the duty to assure that there are sufficient number of portable containers to prevent the accumulation of uncontained solid waste. The responsible person shall be deemed not to be in compliance with this section, if the necessity of placing additional portable containers reasonably could have been anticipated.

(f) ~~Motor vehicles and vessels.~~ Owners and operators of motor vehicles and vessels shall be required to keep one (1) portable container within such vehicle at all times. Repealed.

Sec. 22-2-45. Time limits for approved containers to remain at curb side.

Properly stored domestic solid waste shall be collected by the Department of Public Works. Owners and/or occupants of residential structures who receive curbside collection shall place approved containers on a berm area not earlier than 6:00 p.m. on the day before collection and shall remove the same not later than 9:00 p.m. on the day of collection. Properly

stored commercial solid waste may be collected by the Department of Public Works subject to the requirements of Sections 22-2-55 through 22-2-59 of this Code.

Sec. 22-2-46. Large movable stationary containers; residential structures and commercial establishments.

(a) ~~Approval of type, size and installation.~~ Vendors of large movable or stationary containers shall be responsible for obtaining a permit for each large movable or stationary container from the Engineering Division of the Department of Public Works prior to the installation of any public right of way. Each large movable or stationary container shall have a capacity of two (2) cubic yards or more and shall be in accordance with standard specifications designated by the Department of Public Works.

(b) ~~Identification and labeling.~~ Large movable or stationary containers shall be legibly and permanently labeled with the following information:

(1) The name of the manufacturer or vendor;

(2) The capacity of the container in cubic yards;

(3) The address of the establishment for which the container was approved, in Arabic numerals at least three (3) inches in height.

~~(c) Restriction on use:~~

(1) All large movable or stationary containers for the storage of solid waste shall be at least two (2) cubic yards capacity, except where, because of space limitations, large movable or stationary containers are found impractical by the enforcement officer.

(2) All residential structures containing five (5) or more households shall have one (1) three cubic yard large movable or stationary container for every four household units or fraction thereof, unless either specifically exempted or Court-ordered. Containers are provided by the Director of the Department of Public Works.

(3) All commercial establishments shall have at least one (1) two cubic yard large movable or stationary container for the storage of commercial solid waste unless notified by the Director of the Department of Public Works that additional large movable or stationary containers are required to accommodate the commercial solid waste generated by the commercial establishment.

(d) ~~Permits required for new installations.~~ Where large movable or stationary containers are authorized, they shall be placed or installed upon a public right of way until a permit has been obtained from the City Engineering Division of the Department of Public Works. A permit shall be issued only after payment of a fee as determined by the City Engineer.

of the Department of Public Works. Permits will not be issued and no movable or stationary containers will not be provided for joint use of two or more commercial establishments. Large movable or stationary containers must be properly installed to comply with all required specifications. A concrete pad as approved by the Department of Public Works may be required. Where deemed necessary, any permit shall be voided for cause by the Director of the Department of Public Works.

b) Relocation of approved installations. Any large movable or stationary container relocated either to another residential structure containing five (5) or more household units or to another commercial establishment shall be subject to requirements for a new installation including an application for a new installation including an application for a permit to install at the new location. Repealed.

22-2-46. Courville container placement fee.

The Director of the Department of Public Works shall establish the rate for placement of Courville containers at residential structures. This "placement fee" shall be paid as directed within thirty days of the container placement. The payment of the placement fee authorizes the use of the Courville containers for a period of ten (10) years or less unless the incurred damage is the fault of the user, until a replacement is required. In the event that the incurred damage is the fault of the user, the replacement fee will be paid by the user.

22-2-47 — 22-2-51. Reserved. Repealed.

22-2-47. Collection of unpaid placement fee.

In the event that the owner of a residential structure fails to pay the required Courville container placement fee within thirty (30) days of the date of the notice, in the absence of a written agreement or the acceptance of a payment plan, an unpaid fee shall be collected pursuant to Sections 18-6-1 through 18-6-7 of this Code which provide for the uniform procedure for accounts receivables.

22-2-48. Portable containers: commercial establishments.

a) Generally. As required in this section, portable containers for the storage of commercial solid waste shall be provided in adequate number and type to properly store all solid waste between collections.

b) Responsibility to provide. It shall be the responsibility of any person, who owns or operates any commercial establishment or public place where portable containers are required by this section, to provide and place such containers on the premises at their own expense.

c) Responsibility to service. The removal of solid waste from portable con-

tainers placed upon public property or rights-of-way shall remain the responsibility of those local agencies which perform solid waste removal. The removal of solid waste from portable containers, which are placed upon private property or appurtenant to such property and are used by the public, shall remain the responsibility of the owner(s) of such private property.

(d) Capacity. All portable containers required in this section shall not be more than thirty (30) gallons in capacity.

(e) Placement in specific areas. Portable containers used by commercial establishments for the collection of solid waste on or about the premises shall be placed as follows:

(1) Loading and unloading areas. All loading and unloading areas shall be provided with an adequate number of portable containers for solid waste. In all cases, a minimum of one (1) portable container shall be required at all such sites. The number of portable containers required for each such area shall be governed by the need to maintain a clean, neat and sanitary premises as directed by the Director of the Department of Public Works.

(2) Parking lots. All parking lots including drive-in restaurants, taverns, shopping centers, supermarkets and grocery stores shall have at least one (1) portable container available to and placed conveniently for patrons and pedestrians. There shall be one (1) additional portable container for each one hundred (100) parking spaces in excess of twenty-five (25) parking spaces. Where circumstances dictate, as determined by the Director of the Department of Public Works, these minimums will be increased. It shall be the obligation of all patrons and pedestrians using parking lots to use such portable containers for the purpose intended, and it shall be a blight violation for any person to dump, scatter or throw any solid waste upon such parking lots.

(3) Construction and demolition sites. A minimum of one (1) portable container for solid waste produced by those working on the site shall be required for construction and demolition sites. All solid waste shall be placed in a portable container by the end of each day, and the site shall be kept in a reasonably clean condition. All construction solid waste placed upon any public or private property, other than the construction or demolition site, shall be immediately removed and properly disposed of by the contractor.

(4) Significant pedestrian areas. In accordance with the minimum number required by the Detroit Zoning Ordinance, being Chapter 61 of this Code, portable containers in sufficient numbers are required at the following areas:

a. Parks, campgrounds and trailer park facilities for transient habitation shall

have at least one (1) portable container at each public restroom facility, and at least one (1) portable container at each established trailhead where there is access by foot, motorcycle or bicycle, or each similar trail for excursion or exploration out of or away from the central activity area;

DIVISION 4. COLLECTION AND CHARGES THEREFOR

s. 22-2-52. Restrictions on collections generally.

shall be a municipal civil infraction for any person, other than employees of the Department of Public Works, licensed private solid waste collectors or enforcing officers to disturb, collect or in any other manner interfere with solid waste otherwise properly placed in streets, alleys and public places for collection by the City of Detroit, or to interfere in any manner with any approved containers. Licensed private solid waste collectors are precluded from collecting solid waste in and adjacent to residential areas between 11:00 p.m. and 7:00 a.m.

s. 22-2-53. Location of approved containers between collections.

in order to maintain an orderly and aesthetically appealing appearance within the city and to prevent unauthorized encroachment on a street, sidewalk, alley, public property or private property, the Director of the Department of Public Works shall have authority to sanction the storage location of approved containers for residential structures and commercial establishments. Failure by the owner, as defined in Section 22-1-1 of this Code, to comply with notification citing improper storage for improper storage locations for approved containers shall result in the issuance of a municipal civil infraction violation notice. After notification to a private solid waste collection company of the location of the violation and the intention to collect and dispose of approved or unapproved containers, the Department of Public Works shall be authorized to collect and dispose of such approved or unapproved containers which violate this Code, and issue a billing to the party responsible for the cost of such disposal. Repealed.

s. 22-2-53. Storage and collection in rubbish rooms, bins, etc. from refuse bins, rubbish rooms, garbage and rubbish chutes, or from any location within a building or similar structure.

Where it has been deemed impractical for the Director of the Department of Public Works for a commercial establishment to store the approved containers in accordance with Section 22-2-39 of this Code due to limited storage space, permission may be granted for the use of rubbish rooms or refuse bins, provided,

such rooms or bins adjoin the collection route, are easily accessible, and are used for storage of portable containers and not for the storage of bulk solid waste.

Sec. 22-2-54. Conditions on which collection is dependent; frequency of collection.

The collection of all domestic solid waste or commercial solid waste is conditional upon observance of all provisions of this article by household units and commercial establishments. Collection is subject to weather and other conditions beyond the control of the Department of Public Works. Collection frequency shall be determined by the Department of Public Works. For commercial solid waste, the Department of Public Works shall have the right to determine whether collections shall be made. Repealed.

Sec. 22-2-54. Domestic solid waste.

(a) Except as otherwise provided in this Chapter, domestic solid waste stored in approved containers or placed for pick up in accordance with Section 22-2-44 of this Code shall be collected without charge.

(b) The Director of the Department of Public Works may publish a notice twice a year in a newspaper of general circulation in the City that solid waste scattered on the ground or placed in other than approved containers, as required in Division 3 of this article, will be collected by the Department of Public Works, that the cost will be charged to the owner of record of the property as determined from the Tract Index of the County of Wayne Register of Deeds, or levied as an assessment upon such property, and that the owner of the property may be issued a blight violation notice.

(c) The City may remove solid waste scattered on the ground or placed in other than approved containers anywhere within its corporate limits as many times as is necessary and charge the cost thereof to the property owner, or, if necessary, levy the same as an assessment upon such property.

(d) The costs for collection identified under Subsections (b) and (c) of this section may result in a special collection charge at a rate determined by the Director of the Department of Public Works and approved by the City Council.

Sec. 22-2-55. Location of approved containers for collections.

All approved containers shall be conveniently accessible for collection services. Except on collection days, all approved containers for solid waste shall be located on private property. In those areas where alley solid waste collection is the only alternative to curbside solid waste collection as determined by the Director of the Department of Public Works, approved containers shall be located as near possible to the alley line but not in the alley, in

the street or on other public property, except, that where the Director of the Department of Public Works has deemed it impractical for the Department of Public Works to obtain access to the approved containers on private property, he or she may grant revocable written permission to store such containers on public property. The Director of the Department of Public Works shall have the authority to designate the location from which approved containers shall be serviced, provided, that prior to any change from alley to curbside solid waste collection, from corner lot or side yard to front collection, or any other change in approved container service location the Director of the Department of Public Works shall give at least thirty (30) days prior public notice through the distribution of various printed literature presenting the rationale for such change in approved container service location, and instructions that affected citizens are to follow regarding the new collection procedures. Repealed.

Sec. 22-2-55. Commercial solid waste.

The Department of Public Works shall collect solid waste from commercial establishments subject to payment therefore as provided for in this article. Nothing contained in this article shall be construed to prohibit the party responsible for creating commercial solid waste from entering into a contract with a licensed private solid waste collector. Commercial establishments shall maintain appropriate documentation on their premises confirming a solid waste collection agreement either with the Department of Public Works or with a licensed private solid waste collector. Private approved containers for the storage of commercial solid waste shall not be placed within twenty (20) feet of any public right-of-way unless written approval has been obtained from the Director of the Department of Public Works.

Sec. 22-2-56. Time limits for approved containers to remain at curb side.

Properly stored domestic solid waste shall be collected by the Department of Public Works. Owners and/or occupants of residential structures who receive curbside collection shall place approved containers on a berm area not earlier than 6:00 p.m. on the day before collection and shall remove the same not later than 9:00 p.m. on the day of collection. Properly stored commercial solid waste may be collected by the Department of Public Works subject to the requirements of Sections 22-2-59 through 22-2-63 of this Code. Repealed.

Sec. 22-2-56. Charges: collection of commercial solid waste.

From time to time, the Director of the Department of Public Works, with the approval of the City Council, shall determine rates for the regular collection of

commercial solid waste. These rates shall provide for an exemption not to exceed one hundred and sixty (160) gallons per month or four hundred and eighty (480) gallons per quarter of commercial solid waste for any one (1) commercial establishment, provided, such establishment has entered into an agreement to pay amounts collected in excess of exemption.

Sec. 22-2-57. Storage and collection of rubbish rooms, bins, etc. from refuse bins, rubbish rooms, garbages and rubbish chutes, or from locations within a building or similar structure.

Where it has been deemed impractical by the Director of the Department of Public Works for a commercial establishment to store the approved containers in accordance with Section 22-2-38 of this Code due to limited storage space, permission may be granted for the use of rubbish rooms or refuse bins, provided such rooms or bins adjoin the collection route, are easily accessible, and are used for storage of portable containers and for the storage of bulk solid waste. Repealed.

Sec. 22-2-57. Same — Disposal, City-operated or approved private locations.

From time to time, the Director of the Department of Public Works, with the approval of City Council, shall establish rates to be charged for the disposal of commercial solid waste, domestic solid waste, and/or construction solid waste delivered either to City-operated or privately-operated disposal locations designated for such public use by the Director of the Department of Public Works. Upon request, all private parties must provide required documentation to the Department of Public Works of the source and composition of the commercial solid waste, domestic solid waste, and/or construction solid waste that is to be disposed. The City of Detroit will not accept hazardous waste or medical waste. City-operated transfer, storage, and disposal locations.

Sec. 22-2-58. Domestic solid waste

(a) Except as otherwise provided in this Chapter, domestic solid waste stored in approved containers or placed for pickup in accordance with Section 22-2-56 of this Code shall be collected without charge.

(b) The Director of the Department of Public Works may publish a notice twice a year in a newspaper of general circulation in the City that solid waste scattered on the ground or placed in other than approved containers, as required by Division 3 of this Article, will be collected by the Department of Public Works, the cost will be charged to the owner of record of the property as determined by

Tract Index of the County of Wayne
ector of Doods, or levied as an
essment upon such property, and that
owner of the property may be issued
unicipal civil infraction notice.

b) The City may removed solid waste
stored on the ground or placed in other
n approved containers anywhere with-
s corporate limits as many times as is
ecessary and charge the cost thereof to
roperty owner, or, if necessary, levy
same as an assessment upon such
erty.

d) The cost of collection under
ections (b) and (c) of this Section
be charged a special collection rate
etermined by the Director of the
partment of Public Works and
roved by the City council. Repealed.

**22-2-58. Contracts with commer-
ial establishments for removal of
olid waste; authorization of
irector; payments.**

The Director of the Department of
lic Works may enter into contracts
ommercial establishments for the
oval of commercial solid waste. Such
tracts shall provide for payment in
ordance with the approved rates for all
d waste collected or received by the
partment of Public Works. Payment
ll be made on the basis of periodic
ng and shall be due in full within thirty
days from the date of the billings.

22-2-59. Commercial solid waste.

The Department of Public Works shall
ect solid waste from commercial
blishments subject to payment there-
as provided for in this Article. Nothing
tained in this Article shall be construed
rohibit the party responsible for creat-
ommercial solid waste from entering
a contract with a licensed private
d waste collector. Commercial estab-
ments shall maintain appropriate docu-
mentation on their premises confirming
olid waste collection agreement either
the Department of Public Works or
a licensed private solid waste collec-
Private approved containers for the
age of commercial waste shall
be placed within twenty (20) feet of
public right of way unless written
roval has been obtained from the
ector of the Department of Public
ks. Repealed.

**22-2-59. Same — Breach of con-
tract; effect of discontinuance of
ervice by City.**

Where, after entering into a contract as
vided in Section 22-2-58 of this Code,
arty fails to pay two (2) quarterly
ngs or any combination of partially
aid billings for two (2) quarters for ser-
s rendered by the City of Detroit, the
partment of Public Works shall issue a
p service order." Where the account
ains unpaid thirty (30) days after the
ance of the "stop service order", the

assigned approved container(s) shall be
removed from the premises and the
Department of Public Works shall be
relieved of all obligation to continue to
render service to such party. In the event
of discontinuance of such service, the
commercial establishment which creates
the commercial solid waste shall immedi-
ately take effective action as needed to
dispose of the same in a legal manner
without creation of a nuisance and shall
secure private solid waste collection ser-
vices with adequate and approved con-
tainers capable of sufficiently storing com-
mercial solid waste between collections.
Upon request, and to avoid violation of
Section 22-2-60 of this Code, documenta-
tion of such contractual arrangement
must be presented to any enforcing offi-
cer. Existence of unsecured solid waste
for more than twenty-four (24) hours is
prima facie evidence of violation of this
article. Discontinuance of service by the
Department of Public Works shall not
constitute a valid defense in any action
brought by the City against such commer-
cial establishment or party for violation of
any provisions of this article including, but
not limited to, nonpayment of indebted-
ness.

**Sec. 22-2-60. Charges; collection of
commercial solid waste.**

From time to time, the Director of the
Department of Public Works, with the
approval of the City Council, shall deter-
mine rates for the regular collection of
ommercial solid waste. These rates shall
provide for an exemption not to exceed
one hundred and sixty (160) gallons per
month or four hundred and eighty (480)
gallons per quarter of commercial solid
waste for any one (1) commercial estab-
lishment, provided, such establishment
has entered into an agreement to pay for
amounts collected in excess of this
exemption. Repealed.

**Sec. 22-2-60. Special collection
charges.**

When bulk solid waste is collected on
days other than the days designated for
bulk collection by the Department of
Public Works, a charge will be made. The
Department of Public Works is authorized
to charge for the unscheduled collection
of bulk solid waste from residential struc-
tures which are discarded as a result of
replacement purchases. Such discards
include air conditioners, scrap tires, bed-
springs, furnaces, household appliances,
mattresses, bedprings, furnaces, scrap
tires, water heaters, air conditioners, and
similar items. The Director of the
Department of Public Works may add or
delete bulk items, which require a collec-
tion charge, by public announcement
sixty (60) days before the effective date.
In addition to such special collection
charges for residential structures, a spe-
cial collection charge shall be applicable

for the collection of all bulk items from commercial establishments and/or for the collection of all construction solid waste.

Sec. 22-2-61. Same — Disposal, at City-operated or approved private locations.

From time to time, the Director of the Department of Public Works, with the approval of City Council, shall establish rates to be charged for the disposal of commercial solid waste, domestic solid waste, and/or construction solid waste delivered either to City operated or privately operated disposal locations designated for such public use by the Director of the Department of Public Works. Upon request, all private parties must provide required documentation to the Department of Public Works of the source and composition of the commercial solid waste, domestic solid waste, and/or construction solid waste that is to be disposed. The City of Detroit will not accept hazardous waste or medical waste at City-operated transfer, storage, and disposal locations. Repealed.

Sec. 22-2-61. Penalty for failing to secure City of Detroit or private solid waste collection containers and services.

Any commercial establishment failing to present documented proof of either City of Detroit or private collection containers and services upon request of a representative of the Department of Public Works shall be in violation of Sections 22-2-55 and 22-2-58 which require documented evidence of collection arrangements with either the City or a private collection company, and shall be issued a blight violation notice. After notification to a private solid waste collection company of the nature of the violation and the intention to collect and dispose of approved or unapproved containers, the Department of Public Works shall be authorized to collect and dispose of such approved or unapproved containers which violate this article, and issue a billing to the party responsible for the cost of such disposal.

Sec. 22-2-62. Contracts with commercial establishments for removal of solid waste; authorization of director; payments.

The Director of the Department of Public Works may enter into contracts with commercial establishments for the removal of commercial solid waste. Such contracts shall provide for payment in accordance with the approved rates for all solid waste collected or received by the Department of Public Works. Payment shall be made on the basis of periodic billing and shall be due in full within thirty (30) days from the date of the billings. Repealed.

Sec. 22-2-63. Same — breach of contract; effect of discontinuance of

service by City.

Where a party, having entered into contract as provided in Section 22-2-61 of this Code, fails to pay two (2) quarterly billings or any combination of part unpaid billings for two (2) quarters for services rendered by the City of Detroit, the Department of Public Works shall issue a "stop service order." Where the account remains unpaid thirty (30) days after issuance of the "stop service order," the assigned approved container(s) shall be removed from the premises and the Department of Public Works shall be relieved of all obligation to continue to render service to such party. In the event of discontinuance of such service, the commercial establishment which created the commercial solid waste shall immediately take effective action as needed to dispose of the same in a legal manner without creation of a nuisance and to secure private solid waste collection services with adequate and approved containers capable of sufficiently storing commercial solid waste between collections. Upon request, and to avoid violation of Section 22-2-64 of this Code, documentation of such contractual arrangements must be presented to any enforcing officer. Existence of unsecured solid waste for more than twenty four (24) hours is *prima facie* evidence of violation of Article. Discontinuance of service by the Department of Public Works shall constitute a valid defense in any action brought by the City against such commercial establishment or party for violation of any provisions of this Article including, but not limited to, nonpayment of indebtedness. Repealed.

Sec. 22-2-64. Special Collection charges.

When bulk solid waste is collected on days other than the days designated for bulk collection by the Department of Public Works, a charge will be made. The Department of Public Works is authorized to charge for the unscheduled collection of bulk solid waste from residential structures which are discarded as a result of replacement purchases. Such discards include scrap tires, household appliances, mattresses, bedsprings, furnaces, water heaters, air conditioners, and similar items. The Director of the Department of Public Works may add or delete items, which require a collection charge, by public announcement sixty (60) days before the effective date. In addition to such special collection charges for residential structures, a special collection charge shall be applicable for the collection of all bulk items from commercial establishments and/or for the collection of all construction solid waste. Repealed.

Sec. 22-2-65. Penalty for failing to secure City of Detroit or private solid waste collection containers and

A scrap tire hauler transporting scrap tires and any other solid waste shall deliver all waste to a proper disposal area

licensed solid waste transfer facility shall only use a vehicle or container does not contribute to depositing, or otherwise spilling such waste on any public highway, or public or private street. Repealed.

22-2-94. Presumption of violation by operator-dumping, depositing, etc. of solid waste, medical waste, or hazardous waste from motor vehicle or vessel.

Whenever solid waste, medical waste, or hazardous waste is dumped or deposited or caused to be dumped or deposited in any vehicle or vessel not carrying passengers for hire, a rebuttable presumption is created that the operator of the motor vehicle or of the vessel has violated this division and shall be held responsible. The operator of a vehicle or vessel is presumed to be responsible for solid waste, medical waste, or hazardous waste that is dumped or deposited on any public highway, city street, publically owned property, or private property or other, in the City of Detroit.

22-2-95. Presumption of violation by operator-dumping, depositing, etc. of solid waste, medical waste, or hazardous waste from motor vehicle or vessel.

Whenever solid waste, medical waste, or hazardous waste is dumped or deposited or caused to be dumped or deposited in any vehicle or vessel not carrying passengers for hire, a rebuttable presumption is created that the operator of the motor vehicle or of the vessel has violated this division and shall be held responsible. The operator of a vehicle or vessel is presumed to be responsible for solid waste, medical waste, or hazardous waste that is dumped or deposited on any public highway, city street, publically owned property, or private property or other, in the City of Detroit. Repealed.

22-2-95. Other presumptions.

(a) In a proceeding for a violation of this division involving solid waste, medical waste, or hazardous waste from a leased vehicle or vessel, proof that the particular vehicle or vessel described in the citation, complaint, or warrant was used in the violation together with proof that the violator or defendant named in the citation, complaint, or warrant was the lessee of the vehicle or vessel at the time of the violation, constitutes a rebuttable presumption that the lessee of the vehicle or vessel was the operator of the vehicle or vessel at the time of the violation.

(b) In any legal proceeding arising from a violation of this division, it shall be *prima facie* evidence: 1) that the owner of the vehicle or vessel is the person whose name the vehicle or vessel is registered to, or to whom the vehicle license plates are issued to, or whose name appears on the vehicle or vessel's body; and 2) that

the owner of the vehicle or vessel was the person who caused or permitted another to utilize his or her vehicle or vessel in violation of this division. This *prima facie* evidence may be rebutted where the person charged produces evidence that he or she was not operating the vehicle or vessel and that operator was acting in violation of his or her orders, or that the vehicle or vessel was leased to some other person at the time the vehicle or vessel was being used in violation of this division.

Sec. 22-2-96. Other presumptions.

(a) In a proceeding for a violation of this division involving solid waste, medical waste, or hazardous waste from a leased vehicle or vessel, proof that the particular vehicle or vessel described in the citation, complaint, or warrant was used in the violation together with proof that the violator or defendant named in the citation, complaint, or warrant was the lessee of the vehicle or vessel at the time of the violation, constitutes a rebuttable presumption that the lessee of the vehicle or vessel was the operator of the vehicle or vessel at the time of the violation.

(b) In any legal proceeding arising from a violation of this division, it shall be *prima facie* evidence: 1) that the owner of the vehicle or vessel is the person whose name the vehicle or vessel is registered to, or to whom the vehicle license plates are issued to, or whose name appears on the vehicle or vessel's body; and 2) that the owner of the vehicle or vessel was the person who caused or permitted another to utilize his or her vehicle or vessel in violation of this division. This *prima facie* evidence may be rebutted where the person charged produces evidence that he or she was not operating the vehicle or vessel and that operator was acting in violation of his or her orders, or that the vehicle or vessel was leased to some other person at the time the vehicle or vessel was being used in violation of this division. Repealed.

Sec. 22-2-96. Deposit of solid waste or hazardous waste in receptacles along public highways or City streets.

(a) No person shall transport, by any means, solid waste or hazardous waste from any dwelling, residence, place of business, farm or other site and deposit such material in, around or on top of trash barrels, or other receptacles, placed along public property.

(b) Portable containers are for use of pedestrians only, and shall not be used by vendors or by occupants of adjacent premises. Solid waste shall not be scattered or thrown upon either public or private property, but shall be deposited either in private or in public portable containers.

Sec. 22-2-97. Deposit of solid waste or

~~hazardous waste in receptacles along public highways or city streets.~~

~~(a) No person shall transport, by any means, solid waste or hazardous waste from any dwelling, residence, place of business, farm or other site and deposit such material in, around or on top of trash barrels, or other receptacles, placed along public property.~~

~~(b) Portable containers are for use of pedestrians only, and shall not be used by vendors or by occupants of adjacent premises. Solid waste shall not be scattered or thrown upon either public or private property, but shall be deposited either in private or in public portable containers. Repealed.~~

Detroit Department of Transportation
August 23, 2004

Honorable City Council:
Re: Authorization to Accept Funds from the Michigan Department of Transportation (MDOT) Relating to FY 2004 Section 5310 (MI-16-0029).

The Detroit Department of Transportation has received formal notification of the Michigan Department of Transportation (MDOT) intent to process funds under its Section 5310 formula. These Michigan Public Act 51 funds will provide buses with lifts to community-based, demand-response transportation services to elderly and disabled persons in Detroit.

The enclosed correspondence from MDOT represents anticipated State funding as follows:

<u>Provider</u>	<u>Distribution</u>
Eastside Community Resource and Assistance Center/Detroit Assisted Transportation Coalition (Coalition) (10-buses)	\$510,960.00
Detroit East Community Mental Health (3-buses)	\$224,720.00
Total	\$735,680.00

Your Honorable Body's approval to allow the demand-response transportation agencies to provide much-needed transportation services to our elderly and disabled is greatly appreciated.

Respectfully submitted,
NORMAN L. WHITE
Director

Approved:
PAMELA SCALES
Deputy Budget Director
SEAN WERDLow

Congregational Church of God in Christ
was founded by Elder Isiah W. Winans

and was known as the Mack Avenue Church of God in Christ located at 1420 Clinton Street, and

WHEREAS, Zion is the second oldest church in the State of Michigan, and has been a standard in the church community throughout the years. The church was built during the great depression, and believing that this congregation couldn't possibly pay the cost, the contractor designed the church to be easily converted into a factory. But this was not necessary, because through their tireless efforts, the Saints of Zion sacrificed their all for the church. After much sacrificing from the congregation, the mortgage was paid in full in less than 13 years, and

WHEREAS, Elder Winans served as pastor of Zion Congregational Church of God in Christ until his death in 1967. Elder Jesse Stacks and Elder Samuel Wiggins served as pastors in the past years. The current pastor, Elder Tony Jeffrey will carry on this historic heritage as the Lord blesses him and guides him. NOW, THEREFORE, BE IT

RESOLVED, That the Detroit City Council hereby honors Zion Congregational Church of God in Christ for enriching the lives of countless individuals through their good works. May God bless you as you continue on your mission of bringing hope and inspiration to those in need.

RESOLUTION SUPPORTING THE DETROIT/WAYNE COUNTY PORT AUTHORITY DEVELOPMENT PLAN FOR A PARKING FACILITY ALONG THE EASTERN DETROIT RIVERFRONT
COUNCIL PRESIDENT PRO TEM.
KENNETH V. COCKREL, JR.:

WHEREAS, The Detroit/Wayne County Authority (the "Authority") has requested that this Council approve a modification to the Development Plan of the Authority (the "Development Plan") previously prepared and approved pursuant to Section 23 of Act 639 of the Public Acts of 1978, as amended (the "Act"); and

WHEREAS, Among other things, the Development Plan of the Authority includes as one of its goals for economic development the goal of pursuing revenue-generating economic development projects which contribute positive gains in socio-economic conditions to the local community; and

WHEREAS, The proposed modification to the Development Plan (the "Modification") contemplates the construction and retail facility along the eastern Detroit riverfront adjacent to the Renaissance Center (the "Project"), as further described in the resolution adopted by the Authority on September 9, 2004 ("Authority Resolution"), a copy of which is currently on file with this Council.

WHEREAS, The site of the Project is currently owned by Riverfront Holdings, Inc. ("RHI"), a wholly owned subsidiary of General Motors Corporation, and as part of the Project financing the Project site shall be leased to the Authority, with the Project and Project site being sub-leased back from the Authority to RHI; and

WHEREAS, The Authority has structured the Project financing to provide for construction, leasing and operation of

the Project in downtown Detroit in close proximity to the Renaissance Center, as well as to the Authority's proposed Public Dock and Terminal and Detroit Riverfront Conservancy and the general downtown riverfront area, and to meet goals envisioned by the Development Plan; and

WHEREAS, Section 14 of the Port Authority Act 639 of 1978 states that revenue bonds issued by an authority in accordance with the Revenue Bond Act for the purpose of paying the cost of port facilities and improvements shall not constitute a debt to the City of Detroit but shall be payable solely from the revenues derived from the project; THEREFORE BE IT RESOLVED,

RESOLVED, That the Detroit City Council hereby expresses its support of the Authority in its efforts to issue revenue bonds and finance and develop the Project and hereby grants its approval to the Modification of the Authority's Development Plan as contemplated by Section 23 of Act 639 of the Public Acts of 1978, as amended and the Authority Resolution.

COMMUNICATIONS FROM Mayor's Office

October 27, 2004

Honorable City Council:

Re: Proposed Ordinance to Amend Chapter 8.5 of the 1984 Detroit City Code, *Blight Violations*, to Add Section 8.5-2-20, *Appeals of Final Decisions and Orders*, and to Amend Section 8.5-3-5, *Fees*.

Pursuant to the applicable provisions of the 1997 Detroit City Charter, the above-referenced proposed ordinance is being submitted to your Honorable Body for consideration and approval. This proposed ordinance amends Chapter 8.5 of the 1984 Detroit City Code, *Blight Violations*, by adding Section 8.5-2-20, *Appeals of final decisions and orders*, to Article II, Division 2; to provide for appeals from final decisions and orders of the Department Administrative Hearings (DAH) shall be filed in Wayne County Circuit Court commensurate with state law. Also, the proposed ordinance amends Chapter 8.5 of the City Code, Article III, *Administrative Hearings*, Division 1, *Hearings Department*, Section 8.5-3-5, *Fees*, to authorize the Director of the DAH to establish a fee

schedule, subject to City Council approval, for the processing and adjudication of blight violation notices.

We request that these proposed ordinances be introduced at the earliest possible formal session, and that a public hearing be scheduled on the earliest possible date. In addition, we request a waiver of reconsideration.

We are available to answer any questions that your Honorable Body may have concerning these proposed ordinances. Thank you for your consideration.

Respectfully submitted,
MEDINA NOOR
Director

Department of Administrative Hearings

Finance Department

October 21, 2004

Honorable City Council:

A Resolution Authorizing the Issuance and Sale of Water Supply System Revenue and Revenue Refunding Bonds of the City of Detroit of Equal Standing and Junior Standing with the City's Water Supply

System Revenue Bonds and Water Supply System Revenue Refunding Bonds Now Outstanding and Which May Remain Outstanding, for the Collective Purposes of Defraying Part of the Cost of Acquiring and Constructing Replacements, Repairs, Extensions and Improvements to the City's Water Supply System and Refunding Certain Water Supply System Revenue Bonds, Providing for the Form of the Securities Herein Authorized; Providing for the Rights of the Owners of such Securities and Enforcement Thereof; Providing for Financial Facilities and Interest Rate Exchange Agreements; and Determining Other Matters Relating to such Securities and the System.

The attached Resolution authorizes the issuance and sale of the subject bonds, including application to the Michigan Department of Treasury, for purpose of providing approximately \$545 million in financing for the ongoing Water Supply System Capital Program.

In addition, because of a continued decline in interest rates, an additional \$490 million of previously issued Bonds may be refinanced, thereby producing interest savings. The actual amount of bonds will likely be reduced, depending on which Bonds may be economically refunded at the time of the actual sale.

It is anticipated that the sale will occur in January, 2005. The attached Resolution has been prepared by Bond Counsel and I recommend its adoption by your Honorable Body, with waiver of reconsideration, at your next formal session.

Respectfully submitted,

SEAN K. WERDLOW

Chief Finance Officer

A Resolution Authorizing the Issuance and Sale of Water Supply System Revenue and Revenue Refunding Bonds of the City of Detroit of Equal Standing with the City's Senior Lien Water Supply System Revenue Bonds and Water Supply System Revenue Refunding Bonds Now Outstanding and Which May Remain Outstanding, and Authorizing the Issuance and Sale of Water Supply System Revenue Bonds of the City of Detroit of Junior Standing to the City's Senior Lien Water Supply System Revenue Bonds and Water Supply System Revenue Refunding Bonds Now Outstanding and Which Remain Outstanding, for the Collective Purposes of Defraying Part of the Cost of Acquiring and Constructing Replacements, Repairs, Extensions and Improvements to the City's Water Supply System and Refunding Certain Water Supply System Revenue Bonds, all under Act No. 94, Public Acts of Michigan, 1933, as Amended, and

Ordinance No. 30-02 of the City Council of the City; Prescribing the Form of the Bonds; Providing for the Rights of the Owners of the Bonds and Enforcement Thereof; Providing for Financial Facilities, Credit Facilities and Interest Rate Agreements; and Determining Other Matters Relating to the Securities Herein Authorized and the System.

By Council Member Watson:

Whereas, The City of Detroit, Michigan (the "City"), pursuant to Ordinance No. 30-02 adopted by its City Council on November 27, 2002 (the "Council"), which amended and restated certain prior ordinances (collectively, the "Ordinance") has heretofore issued several series of its Water Supply System Revenue Bonds and Water Supply System Revenue Refunding Bonds (collectively, the "Prior Securities"); and

Whereas, It is deemed necessary for the public health, benefit and welfare of the City to acquire and construct certain of the repairs, extensions and improvements to the Water Supply System of the City (the "System") as described in the Capital Improvement Program of the Detroit Water and Sewerage Department (the "Department"), as of July, 2004, and as it may be modified by the Department from time to time (the "Project"); and

Whereas, It is deemed appropriate under the existing interest rate climate to refund all or such portion of the outstanding Prior Securities as is feasible under market conditions prevailing at the time of refunding, as determined by the Finance Director (the "Bonds to be Refunded"); and

Whereas, To finance the costs of the Project and costs of issuance and to provide for funding one or more Reserve Requirements, the Commissioners have recommended that the Water Supply System Revenue Bonds (the "Series 2005 Project Securities") be issued as "Senior Lien Bonds" as defined in the Ordinance (the "Series 2005 Series Lien Project Bonds"), or as "Second Lien Bonds" as defined in the Ordinance (the "Series 2005 Second Lien Project Bonds"), or as a combination of Series 2005 Senior Lien Project Bonds and Series 2005 Second Lien Project Bonds; and

Whereas, To finance the costs of refunding the Bonds to be Refunded and costs of issuance and to provide for funding one or more Reserve Requirements, the Commissioners have recommended that the Water Supply System Revenue Refunding Bonds (the "Series 2005 Refunding Securities") be issued as "Senior Lien Bonds" as defined in the Ordinance (the "Series 2005 Senior Lien Refunding Bonds"), or as "Second Lien Bonds" as defined in the Ordinance (the "Series 2005 Second Lien Refunding Bonds"), or as a combination of Series

2005 Senior Lien Refunding Bonds Series 2005 Second Lien Refunding Bonds; and

Whereas, The Series 2005 Senior Lien Project Bonds, the Series 2005 Second Lien Refunding Bonds, the Series 2005 Second Lien Project Bonds and the Series 2005 Second Lien Refunding Bonds (collectively, the "Series 2005 Securities") shall be issued in accordance with Act 94, Public Acts of Michigan, 1933, as amended ("Act 94") and the applicable provisions of the Ordinance; and

Whereas, A notice of intent to issue Water Supply System Revenue Bonds for an amount not to exceed \$700,000, was duly published in the Detroit Free Press and The Detroit News on January 19, 2001 and in The Detroit Legal News on January 18, 2001, in accordance with the requirements of Section 33 of Act 94 (collectively, the "2001 Notice of Intent") and no petition for referendum was filed with respect thereto; and

Whereas, A notice of intent to issue Water Supply System Revenue Bonds for an amount not to exceed \$500,000, was duly published in the Michigan Chronicle on September 25, 2002 and in The Detroit Legal News on September 20, 2002, in accordance with the requirements of Section 33 of Act 94 (collectively, the "2002 Notice of Intent" and, together with the 2001 Notice of Intent, the "Notices of Intent"), and no petition for referendum was filed with respect thereto; and

Whereas, The City has heretofore issued \$653,305,000 aggregate principal amount of Water Supply System Revenue Bonds under the 2001 Notice of Intent, leaving an unissued balance of \$46,695,000 under the 2001 Notice of Intent, and \$0 aggregate principal amount of Water Supply System Revenue Bonds under the 2002 Notice of Intent, leaving an unissued balance of \$500,000 under the 2002 Notice of Intent, with the result that the City has authority to issue a total of \$546,695,000 principal amount of Water Supply System Revenue Bonds under the Notices of Intent; and

Whereas, The City will issue the Series 2005 Project Securities on the basis of the authorization under the Notices of Intent and reserves the right to issue Water Supply System Revenue Bonds pursuant to the Ordinance from time to time to the extent of the then remaining authorization under the Notices of Intent; and

Whereas, For the purpose of more effectively managing the City's debt service obligations on debt incurred or to be incurred by the City, the City has adopted a Debt Management Plan (the "Debt Management Plan") and a System Management Plan (the "System Management Plan") pursuant to the authority of and in accordance with the provisions of the Revised Municipal

Finance Act, Act 34, Public Acts of 1993, as amended ("Act 34");

Whereas, The Council desires to authorize the Finance Director to more actively manage the debt service on outstanding Securities and such Series 2005 Securities as the Finance Director determines to be cost effective by entering into one or more Interest Rate Swaps (as herein defined) as shall be consistent with such determination of the Finance Director, and with the provisions of the Debt Management Plan, the Swap Management Plan and Act 34; and

Whereas, Act 34 requires as a precondition for the City to enter into any Interest Rate Swap Agreement that the Council by resolution or ordinance expressly approve the Interest Rate Agreement and acknowledge the potential risks associated with the Interest Rate Agreement, which risks are specified in the Swap Management Plan; and

Whereas, All things necessary for the authorization and issuance of the Series 2005 Securities under the Constitution and laws of the State of Michigan, including Act 94, and the applicable provisions of the Ordinance have been or will be in effect prior to the issuance and delivery of the Series 2005 Securities, and the Council is now empowered and desires to authorize the issuance of the Series 2005 Securities by supplementing the Ordinance as herein provided; and

Whereas, The Finance Director has determined to sell the Series 2005 Securities by negotiated sale pursuant to the Bond Purchase Agreement (the "Purchase Agreement") between the City of Detroit, Siebert Brandford Shank & Co., LLC Representative (the "Representative") of the underwriters named therein (the "Underwriters"); and

Whereas, The Underwriters intend to offer to purchase the Series 2005 Securities by distributing a Preliminary Official Statement and an Official Statement; and

Whereas, The Representative on behalf of the Underwriters will submit to the City, through the Finance Director, a proposed offer to purchase the Series 2005 Securities as shall be detailed in the Purchase Agreement relating to the Series 2005 Securities; and

Whereas, The Representative on behalf of the Underwriters will require, as a condition to purchasing the Series 2005 Securities, that the City agree to provide continuing disclosure as required by Section (b)(5) of Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities and Exchange Act of 1934, as amended (the "Rule"), unless an exemption from such requirement is available; and

Whereas, The Council desires to

authorize the public distribution of the Preliminary Official Statement and the Official Statement in connection with the offering for sale of the Series 2005 Securities; and

Whereas, The Council desires to authorize and direct the Finance Director and all other authorized persons to perform all acts consistent with the Ordinance and this Resolution necessary and appropriate to complete the sale, execution and delivery of the Series 2005 Securities as finally determined by the Finance Director by Sale Order (hereinafter defined) within the parameters established herein; and

Whereas, The Council desires to authorize the Finance Director to establish the aggregate principal amount, purchase price, interest rates and maturities for the Series 2005 Securities, the designations and types of Series 2005 Securities to be issued, the Bonds to be Refunded, the amounts and purposes of the Series 2005 Securities, the dates for payment of principal of, premium, if any, and interest on the Series 2005 Securities, and the Mandatory Redemption Requirements and redemption provisions for the Series 2005 Securities, and make such other determinations, and enter into related agreements, including, without limitation, Interest Rate Agreements and Financial Facility Agreements, with respect to the Series 2005 Securities as shall be confirmed in the Sale Order (hereinafter defined).

Now, Therefore, be it Resolved by the Council that:

Section 1. Definitions.

(a) Capitalized terms defined in this Resolution and defined in the preambles hereto or in the Ordinance are used herein as therein defined.

(b) Except when otherwise clearly required by the context, the following terms when used in to this Resolution shall have the following respective meanings:

"Accreted Value" means for any Capital Appreciation Security and as of any date of calculation, the original principal amount thereof, plus all interest accrued and compounded to such date of calculation as provided in Section 5 and determined in the Sale Order. For any day other than January 1 or July 1, the Accreted Value shall be interpolated on a straight-line daily basis (assuming a 360-day year of twelve 30-day months) between the Accreted Value for the immediately preceding January 1 or July 1 and the next succeeding January 1 or July 1, as the case may be.

"Authorized Denomination" means:

(i) for any Fixed Rate Security, \$5,000 or any multiple thereof;

(ii) for any Variable Rate Security (until converted to a Fixed Rate Security), \$100,000 or any integral multiple of

\$5,000 in excess thereof; and

a) the Issuance Costs of the Series 2005 Project Securities and

b) the costs of the Project, including engineering, legal and other expenses incurred thereto and to the financing thereof.

2) Payments for construction, either in an escrow account or otherwise, shall not be made unless the registered engineer in charge of such work shall file with the Commissioners a signed statement to the effect that the work has been completed in accordance with the plans and specifications therefor, that it was done pursuant to and in accordance with the contract therefor, that such work is satisfactory and that such work has not been previously paid for.

3) Payment of the costs of engineering, legal, financial, printing, escrow verification, bond insurance premium, credit enhancement, etc., as provided in this Ordinance shall be made upon submission of appropriate documentation to the Finance Director.

4) Any unexpended balance remaining in the Construction Fund Series 2005 prior to completion of the Project may in the discretion of the Commissioners be used for meeting the Reserve Requirement of the Senior Lien Bond Reserve Account and, to the extent such monies are not

needed to meet the Reserve Requirement of the Second Lien Bond Reserve Account, for meeting the Reserve Requirement of the Second Lien Bond Reserve Account or for further improvements, replacements, enlargements and extensions to the System if, at the time of such expenditure, such use is approved by the Michigan Department of Treasury, Municipal Finance Division, if such permission is then required by law, and if such use will not, in the opinion of nationally recognized bond counsel, impair the exclusion of interest on Series 2005 Securities from gross income for federal income tax purposes.

(5) Any remaining balance after all expenditures made pursuant to paragraph (4), if any, have been made shall be paid into the Senior Lien Bond and Interest Redemption Fund or the Second Lien Bond Interest and Redemption Fund, as the Commissioners shall determine, for the purpose of redemption or purchase at not more than the fair market value, plus accrued interest, of outstanding Series 2005 Securities. Series 2005 Securities acquired by purchase shall be canceled.

(f) Escrow Fund.

(1) The Escrow Deposit shall be held in or credited to an account designated as the "City of Detroit Water Supply System Revenue Bonds Series 2005 Senior Lien Refunding Bonds Escrow Fund" or the "City of Detroit Water Supply System Revenue Bonds Series 2005 Second Lien Refunding Bonds Escrow Fund" pursuant to one or more escrow agreements (the "Escrow Agreement").

(2) The Finance Director is authorized to enter into the Escrow Agreement on behalf of the City with U.S. Bank National Association as "Escrow Trustees."

(3) The Escrow Agreement:

(i) shall be in the form and substance customary for refunding escrow agreements;

(ii) may permit any balance after paying the principal (and premium, if any) and interest on the Bonds to be refunded to be applied to any lawful purpose of the System if such use will not, in the opinion of nationally recognized bond counsel, impair the exclusion of interest on the Series 2005 Refunding Securities from gross income for federal income tax purposes; and

(iii) shall otherwise be in the best interests of the City.

(4) In the event all Bonds to be Refunded will be paid or redeemed within 90 days of the date of issuance of the Series 2005 Refunding Securities, then in lieu of the establishment of an Escrow Fund and the execution of an Escrow Agreement as described above, the Finance Director is authorized to transfer the Escrow Deposit (or cash sufficient to

acquire the securities making up all or a portion of the Escrow Deposit) to the paying agent for the Bonds to be Refunded together with irrevocable instructions to (i) call the Bonds to be Refunded on the applicable call date and (ii) use the Escrow Deposit to pay principal of and interest and redemption premiums, if any, on the Bonds to be Refunded to and including the scheduled call date. The proceeds described in this subsection (4) shall be employed only if, in the opinion of Bond Counsel, after use of such procedures the Bonds to be Refunded will no longer be Outstanding under the Ordinance.

Section 12. Tax Covenant.

The City hereby covenants and represents to the registered owners of the Series 2005 Securities that so long as any of the Series 2005 Securities remain outstanding and unpaid as to either principal or interest, the City shall, to the extent permitted by law, take all actions within its control to maintain and will refrain from taking any action which would impair the exclusion of the interest on the Series 2005 Securities from gross income for federal income tax purposes under the Internal Revenue Code of 1986, as currently amended, including, but not limited to, actions relating to any required rebate or arbitrage earnings and the expenditure and investment of Series 2005 Bond proceeds and moneys deemed to be Series 2005 Bond proceeds, and to prevent the Series 2005 Securities from being or becoming "private activity bonds" as that term is used in Section 141 of the Internal Revenue Code of 1986, as currently amended.

Section 13. Preliminary and Final Official Statements.

(a) The Finance Director shall cause the preparation of a preliminary official statement and other offering materials in a form satisfactory to him to be used in conjunction with the offering of the Series 2005 Securities and is authorized to deem the preliminary official statement "final" for purposes of Rule 15c2-12 of the Securities and Exchange Commission (the "Rule").

(b) The preliminary official statement with such changes and additions as the Finance Director shall approve shall constitute the final Official Statement, and the Finance Director is authorized to execute the final Official Statement on behalf of the City approved by him with such changes as the Finance Director may authorize.

(c) Such final preliminary official statement and final Official Statement and other offering materials satisfactory to the Finance Director are authorized to be distributed by the Underwriters in conjunction with the offering and sale of the

Series 2005 Securities.

Section 14. Continuing Disclosure.

Unless otherwise set forth in the Sale Order because of an exemption from Rule, the Series 2005 Securities are hereby made subject to the Continuing Disclosure Agreement, and if so subject the City hereby agrees to abide by the provisions thereof so long as any Series 2005 Securities are outstanding.

Section 15. Sale of Series 2005 Securities.

The Series 2005 Securities shall be sold by negotiated sale to Underwriters pursuant to a Purchase Agreement in customary form with such changes thereto as the Finance Director shall determine are in the best interest of the City, within the parameters established hereby. Such determination shall be conclusively established by the Finance Director's execution and delivery of the Purchase Agreement to the Representative. The reasons for choosing a negotiated sale instead of a competitive sale include the belief of the Council based upon the recommendation of the Finance Director and the City's Financial Advisor, that a negotiated sale will allow the Series 2005 Securities to be offered to investors in the most efficient manner possible while also allowing sufficient flexibility to adjust to market structuring timing demands in order to result in the lowest possible borrowing costs to the City.

(a) The Finance Director is authorized to accept, on behalf of the City, an order from the Representative to purchase Series 2005 Securities wherein aggregate compensation to be paid to Underwriters in such capacity shall not be more than 1% of the original principal amount of the Series 2005 Securities.

(b) The Finance Director is authorized to determine whether the Purchase Agreement shall provide for liquidated damages and if so, the amount thereof and whether the Representative shall be required to provide a good faith check for the amount of the liquidated damages.

Section 16. Cash Defeasance of Outstanding Securities.

(a) The Finance Director is hereby authorized to defease outstanding Series 2005 Securities pursuant to the Ordinance from funds of the System available to the City other than from proceeds of Series 2005 Securities.

(b) The series, maturities (or portions thereof) and principal amounts of Series 2005 Securities to be defeased shall be determined by the Finance Director and set forth in the Sale Order.

(c) An Escrow Deposit for Series 2005 Securities to be defeased shall be (i) held in or credited to an account designated by the "City of Detroit Water Supply System" Revenue Bonds [Designation appropriate

the cash defeased Securities] Escrow Fund" pursuant to an escrow agreement entered into pursuant to and complying with Section 11(f)(2) and (3) hereof and shall be transferred to the paying agent of the Securities to be defeased subject to the same conditions and requirements set forth in Section 11(f)(4) hereof.

(d) Such defeasance shall occur on or prior to the issuance of the Series 2005 Refunding Securities.

Section 17. Delegation of Authority to, and Authorization of Actions of, Finance Director.

(a) The Finance Director shall make all determinations herein provided to be made in the Sale Order and shall make all other determinations in accordance with the best interests of the City and within the parameters of this Resolution.

(b) In addition to determinations authorized elsewhere in this Resolution, the Finance Director shall determine the aggregate principal amount of Series 2005 Securities to be issued, but not in excess of the aggregate principal amount authorized by this Resolution, on the basis of his evaluation of the maximum amount of Series 2005 Securities which can be sold, given anticipated interest payments and the revenue coverage requirements with respect to the Series 2005 Securities and for any other reasons the Finance Director deems appropriate.

(c) Such determination shall also include the type or types of Series 2005 Securities to be issued and if in one or more series and whether to issue Series 2005 Securities as Senior Lien Bonds or Second Lien Bonds or a combination thereof and the redemption provisions for Series 2005 Securities.

(2) The Finance Director shall also determine and establish, in accordance with this Resolution, the maturities of Series 2005 Securities, whether such maturities shall be serial or term maturities and the Mandatory Redemption requirements for any term maturities.

(3) The Finance Director shall also determine whether to issue the Series 2005 Refunding Securities and, if so, the amounts to be Refunded.

(c) For the purpose of more effectively managing debt service requirements of outstanding Securities and the Series 2005 Securities the Finance Director is hereby authorized in his discretion to enter into one or more Interest Rate Agreements with such counterparties and retaining such provisions as shall meet the requirements of Act 34, the Swap Management Plan, and the Debt Management Plan. Any such Interest Rate Agreement may be obtained on a forward starting or delayed delivery basis as determined by the Finance Director to be in the best interests of the City. To the extent, if any, provided in the Sale Order,

the Transaction dated January 29, 2004 pursuant to the ISDA Master Agreement dated as of the May 22, 2003 (Water System Transactions), as amended and supplemented, between the City and Morgan Stanley Capital Services Inc. may be related to the Series 2005 Securities.

(1) The Council acknowledges the potential risks associated with the Interest Rate Agreements including, counterparty risk, termination risk, rollover risk, basis risk, tax event risk, and amortization risk, as set forth in the Swap Management Plan.

(2) The Finance Director is authorized to negotiate the terms of the Interest Rate Agreements, provided, that such terms are consistent with Act 34, the Swap Management Plan, the Debt Management Plan, the Ordinance and this Resolution and are not materially adverse to the City.

(3) The Finance Director is further authorized to enter into such ancillary agreements, including, without limitation, agreements to obtain insurance on some or all of the payments due under Interest Rate Agreements, in connection with the Interest Rate Agreements, as may be necessary or appropriate and are consistent with Act 34 and the terms of the Swap Management Plan, the Debt Management Plan, the Ordinance and this Resolution.

(4) The determinations made by the Finance Director in connection with the Interest Rate Agreements shall be confirmed in the Sale Order.

(d) The Finance Director is authorized to enter into such Financial Facility Agreements as provided in Section 8 hereof of the City as the Finance Director determines to be cost effective, make such ancillary agreements and do such other things and take such other actions in connection therewith as may be necessary or appropriate and not otherwise inconsistent with the Ordinance or the parameters hereof.

(e) The Mayor or, if permitted by law, the Finance Director, is authorized to file applications and to pay the related fees, if any, to the Michigan Department of Treasury at his discretion under Act 34 for one or more Orders of Approval to issue all or a portion of the Series 2005 Securities, and such waivers or other Treasury approvals as necessary to implement the sale, delivery and security for the Series 2005 Securities as authorized herein, and as required by the Michigan Department of Treasury or Act 34.

(f) The Finance Director is hereby authorized and directed to do and perform any and all other acts and things with respect to the Series 2005 Securities which are necessary or appropriate to carry into effect, consistent with the Ordinance and this Resolution, the authorizations therein and herein contained

including without limitation the securing of ratings by bond rating agencies, and the incurring of reasonable fees costs and expenses incidental to the foregoing, for and on behalf of the City.

(g) All determinations and decisions of the Finance Director with respect to the issuance and sale of the Series 2005 Securities as permitted or required by this Resolution shall be confirmed and approved by the Finance Director in the Sale Order.

(h) During the Finance Director's absence or disability, or while the Finance Director's position is vacant, the Deputy Finance Director shall exercise all the powers, perform all the duties and make all the determinations herein required or permitted by the Finance Director.

Section 18. Advancement of Costs of the Project.

At the direction of the Finance Director, the City may advance certain costs of the Project from the City's funds prior to the issuance of the Bonds. The City intends to reimburse itself for any costs of the Projects paid or incurred by the City prior to the issuance of the Series 2005 Project Securities with proceeds of the Series 2005 Project Securities. The Internal Revenue Service has issued Treas. Reg. §1.150.2 pursuant to the Code, governing proceeds of bonds used for reimbursement, pursuant to which the City must declare official intent to reimburse expenditures with bond proceeds as provided in Section 19 below.

Section 19. Reimbursement Declarations.

The City makes the following declarations for the purpose of complying with the reimbursement rules of Treas. Reg. §1.150.2 pursuant to the Code:

(a) As of the date hereof, the City reasonably expects to be reimbursed for the expenditures described in (b) below with the proceeds of the Series 2005 Project Securities, as debt to be issued by the City.

(b) The expenditures described in this paragraph (b) are for the costs of acquiring, constructing and equipping the Project, together with the sites therefor and all necessary appurtenances and attachments thereto which were or will be paid subsequent to sixty (60) days prior to the date of adoption hereof from funds of the City.

(c) The maximum principal amount of debt expected to be issued for the Project, including issuance costs, is \$545,000,000.

(d) A reimbursement allocation of the expenditures described in (b) above with the proceeds of the borrowing described herein will occur not later than 18 months after the later of (i) the date on which the expenditure is paid, or (ii) the date the Project is placed in service or abandoned,

but in no event more than three (3) years after the original expenditure is paid. Reimbursement allocation is an allocation in writing that evidences the City's use of the proceeds of the debt to be issued for the project to reimburse the City for a capital expenditure made pursuant to this Resolution.

(e) The expenditures described in (b) above are "capital expenditures" as defined in Treas. Reg. §1.150-1(b), and any costs of a type which are properly chargeable to a capital account (or would be so chargeable with a proper election) with the application of the definition placed in service under Treas. Reg. §1.150(2)(c)) under general Federal income tax principles (as determined at the time the expenditure is paid).

(f) No proceeds of the borrowing paid to the City in reimbursement pursuant to this Resolution will be used in a manner described in Treas. Reg. §1.150-2(h) with respect to abusive use of such proceeds, including but not limited to using funds corresponding to the proceeds of the borrowing in a manner that results in the application of replacement proceeds (within the meaning of Treas. Reg. §1.148-1) within one year of the reimbursement allocation described in (d) above.

(g) Expenditures of the Project to be reimbursed from the proceeds of the borrowing that are subject to the limitations set forth in this Resolution do not include (i) costs for the issuance of the debt in an amount not in excess of the lesser of \$100,000 or five percent (5%) of the proceeds of the borrowing, or (ii) preliminary expenditures not exceeding twenty percent (20%) of the issue price of the borrowing within the meaning of Treas. Reg. §1.150-2(f) (such preliminary expenditures include architectural, engineering, surveying, soil testing and similar costs incurred prior to construction of the Project, but do not include land acquisition, site preparation, and similar costs incidental to commencement of construction).

Section 20. Ratification.

All determinations and decisions of the Finance Director and of the Deputy Finance Director of the City with respect to the issuance and sale of the Series 2005 Securities as permitted or required by the Ordinance or law are hereby ratified, confirmed and approved.

Section 21. Additional Authorizations.

The Mayor, City Clerk, Finance Director, Treasurer, Corporation Counsel, Director of the Water and Sewer Department, any such officials acting in an interim or acting capacity, other officials of the City, their deputies and so on or any of them, are hereby authorized to execute and deliver such certificates, documents, instruments, opinions and other papers as may be deemed necessary

or appropriate to complete the sale, execution and delivery of the Series 2005 Securities, the refunding of the bonds to be Refunded and otherwise give effect to the transactions, contemplated by this Resolution, as determined by such officers executing and delivering the foregoing items.

Section 22. Resolution a Contract.

The provisions of this Resolution shall constitute a contract between the City and the registered owner of an outstanding Series 2005 Security.

Section 23. Election with Respect to Additional Securities.

The Series 2005 Securities shall be added as Additional Securities pursuant to such subsection(s) of Section 20 of the Finance, as shall be determined by the Finance Director in the Sale Order.

Section 24. Appointment of Bond Counsel; Engagement of Other Parties.

The appointment by the Finance Director of the law firms of Lewis & Munday, A Professional Corporation and Miller, Canfield, Paddock and Stone, P.L.C., as Co-Bond Counsel for the Series 2005 Securities is hereby ratified and confirmed, notwithstanding the periodic representation by Lewis & Munday, A Professional Corporation or Miller, Canfield, Paddock and Stone, P.L.C., in related matters to other parties and potential parties to the issuance of the Series 2005 Securities. The fees and expenses of Lewis & Munday, A Professional Corporation and Miller, Canfield, Paddock and Stone, P.L.C., shall be payable as an Issuance Cost from the proceeds of the Series 2005 Securities or other available funds in accordance with the letters of such firms filed with the Finance Director.

The Finance Director is authorized to engage other consultants, including, without limitation, a verification agent to verify the mathematical sufficiency of the Series 2005 Deposit, financial advisors, or other parties as he deems necessary or appropriate in connection with the sale, execution and delivery of the Series 2005 Securities and to pay the fees and expenses thereof from the proceeds of the Series 2005 Securities or other available funds.

Section 25. Repeal; Savings Clause.

All other ordinances, resolutions or orders, or parts thereof, in conflict with the provisions of this Resolution are, to the extent of such conflict, hereby repealed.

Section 26. Severability; Paragraph Headings; and Conflict.

If any section, paragraph, clause or provision of this Resolution shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect the validity of the other provisions of this

Resolution. The paragraph headings in this Resolution are furnished for convenience of reference only and shall not be considered to be part of this Resolution.

Section 27. Publication.

This Resolution shall be published in full in the Detroit Legal News, a newspaper of general circulation in the City qualified under State law to publish legal notices, promptly after its adoption.

Section 28. Effective Date.

This Resolution shall be effective immediately upon adoption.

[SENIOR/SECOND] LIEN BOND
SERIES 2005

<u>Interest Rate Per Annum</u>	<u>Maturity Date</u>	<u>Original Issue Date</u>	<u>CUSIP</u>
--------------------------------	----------------------	----------------------------	--------------

[Fixed/ Variable] July 1, 20__ _____

REGISTERED OWNER: Cede & Co.
PRINCIPAL AMOUNT: \$_____

The CITY OF DETROIT, Wayne County, Michigan (the "City"), for value received, promises to pay, but only from the Pledged Assets hereinafter specified, to the Registered Owner named above, or registered assigns, the Principal Amount stated above in lawful money of the United States of America, on the Maturity Date stated above, unless prepaid prior thereto as hereinafter provided, with interest thereon from the Original Issue Date stated above, or the most recent date to which interest has been paid, until paid, at the Interest Rate Per Annum stated above, first payable on July 1, 20__, and semiannually on each January 1 and July

1 thereafter (each an "Interest Payment Date"). Principal of this Bond (as hereinafter defined) is payable upon presentation and surrender at the designated office of U.S. Bank National Association or such other transfer agent as the City may hereafter designate by notice mailed to the registered owner not less than 60 days prior to any Interest Payment Date (the "Transfer Agent"). Interest on this Bond is payable to the registered owner of record as of the close of business on the 15th day of the month immediately preceding any Interest Payment Date as shown on the registration books kept by the Transfer Agent by check or draft mailed by the Transfer Agent to the registered owner at the registered address; provided, that at the written request of the registered owner of at least \$1,000,000 in outstanding principal amount of the Bonds (as hereinafter defined) at least five calendar days prior to any Interest Payment Date (which request may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked at any time prior to an Interest Payment Date by subsequent written notice to the Transfer Agent), interest shall be paid by wire transfer or other immediately available funds acceptable to the Transfer Agent and the City. Interest on this Bond shall be computed on the basis of a 360-day year comprised of twelve 30-day months.

For the prompt payment of the principal of and interest on this Bond, the revenues of the Water Supply System of the City (the "System"), including all appurtenances thereto, after provision has been made for reasonable and necessary expenses of operation, maintenance and administration (the "Net Revenues"), are irrevocably pledged and a statutory lien on the Net Revenues and Pledged Assets (as defined in the Bond Ordinance) is hereby recognized and created. [The following sentence to appear in only Senior Lien Bonds: Such lien is a first lien and the Bonds are of equal standing on a parity with all other obligations heretofore and hereafter issued or incurred under the Bond Ordinance (hereafter defined) and secured by a first lien on Net Revenues.] [The following sentence to appear in only Second Lien Bonds: Such lien is a second lien, subject to obligations heretofore and hereafter issued or incurred under the Bond Ordinance and secured by a first lien on Net Revenues. The Bonds are of equal standing on a parity with all other obligations heretofore and hereafter issued or incurred under the Bond Ordinance and secured by a second lien on Net Revenues.]

This Bond is one of a series of Bonds of even Original Issue Date aggregating the

principal sum of \$_____ (collectively the "Bonds" and each a "Bond" issued pursuant to Ordinance No. 30 adopted on November 27, 2002, and Resolution of the City Council adopted _____, 2004, and a Sale Order of the City's Finance Director, dated _____, 2005 (as supplemented, amended, collectively, the "Bond Ordinance"), and under and in full compliance with the Constitution and statutes of the State of Michigan, including specifically Act No. 94, Public Acts of Michigan 1933, as amended, for purposes of defraying part of the cost of the construction of certain repairs, extensions, improvements to System [refunding certain prior bonds of the City secured by Revenues], funding a portion of the Reserve Requirement and paying Issuance Costs of the Bonds.

For a complete statement of the covenants from which and the conditions under which this Bond is payable, a statement of the conditions under which Additional Securities (as defined in the Bond Ordinance) of equal standing or Additional Securities of junior [or senior] standing may hereafter be issued and the general covenants and provisions pursuant to which this Bond is issued, reference is made to the Bond Ordinance. Capitalized terms used herein without definitions shall have the meanings ascribed to them in the Bond Ordinance.

[Variable Interest Rate Provisions]

[The Bonds shall be subject to redemption prior to maturity as follows:]

Optional Redemption

The Bonds maturing on or prior to July 1, 20__ are not subject to redemption prior to maturity.

The Bonds or portions thereof in multiples of \$5,000 scheduled to mature on July 1, 20__ through July 1, 20__ are subject to redemption at the option of the City in such order of maturity as the City shall determine and within any maturity by the City as a whole or in part on any date on or after January 1, 20__, at the redemption price of 100% of the principal amount of the bonds to be redeemed, plus accrued interest to the date fixed for redemption. Mandatory Sinking Fund Redemption

Mandatory Redemption

The Bonds scheduled to mature on July 1, 20__, July 1, 20__ and July 1, 20__ (collectively the "Term Bonds"), are subject to mandatory redemption in whole by the City, by lot, prior to their scheduled maturity from monies in the Sinking Fund established under the Ordinances in satisfaction of applicable mandatory redemption requirements, at a redemption price equal to the principal amount thereof without premium, plus accrued interest to the date fixed for redemption in the following amounts (the "Term Bonds")

andatory Sinking Fund Redemption Requirements”):

The City will receive a credit with respect to any Term Bonds Mandatory Sinking Fund Redemption Requirement account of Term Bonds of the same maturity that have been redeemed (other than by application of Term Bonds Mandatory Sinking Fund Redemption Requirements) or otherwise acquired by the City prior to the giving of the notice of redemption described below under "Mandatory Redemption Provisions" and which have not been applied as a credit against any other Term Bonds Mandatory Sinking Fund Redemption Requirements. Not less than 40 days prior to any Term Bonds Mandatory Sinking Fund Redemption Requirement for Term Bonds, the City shall give notice to the Transfer Agent that such Term Bonds are to be so credited. Each Term Bond shall be credited by the Transfer Agent at 100% of the principal amount thereof against the Term Bonds Mandatory Sinking Fund Redemption Requirement, and the principal amount of Term Bonds to be redeemed on such Term Bonds Mandatory Sinking Fund Redemption Requirement shall be reduced accordingly and any excess over such amount shall be credited to future Term Bonds Mandatory Sinking Fund Redemption Requirements. In such order as the City shall elect, however, that any excess resulting from the purchase, at less than par, of Term Bonds may be transferred to the redeeming Fund.

In case less than the full amount of an outstanding Bond is called for redemption, the Transfer Agent, upon presentation of the Bond called in part for redemption, shall register, authenticate, and deliver to the registered owner, a new Bond of the same type and the same maturity, in the principal amount of the portion of the original Bond not called for redemption.

Notice of redemption shall be given to the registered owners of the Bonds or portions of Bonds to be redeemed by mailing of such notice by first class mail

not less than 30 days prior to the date fixed for redemption to the registered owners at the addresses of the registered owners as shown on the registration books as of the date of such mailing kept by the Transfer Agent. Bonds called for redemption shall not bear interest after the date fixed for redemption, whether presented for redemption or not, provided that funds are on hand with the Transfer Agent to redeem the Bonds or portions of Bonds called for redemption.

THIS BOND IS A SELF-LIQUIDATING BOND AND IS NOT A GENERAL OBLIGATION OF THE CITY AND DOES NOT CONSTITUTE AN INDEBTEDNESS OF THE CITY WITHIN ANY CONSTITUTIONAL, STATUTORY OR CHARTER LIMITATION, BUT IS PAYABLE, BOTH AS TO PRINCIPAL AND INTEREST SOLELY FROM THE PLEDGED ASSETS OF THE SYSTEM. THE PRINCIPAL OF AND INTEREST ON THIS BOND ARE SECURED BY THE STATUTORY [FIRST] [SECOND] LIEN HEREINBEFORE MENTIONED.

The City hereby covenanted and agreed, and hereby covenants and agrees, to fix and maintain at all times while any bonds payable from the Pledged Assets of the System shall be outstanding, such rates for service furnished by the System as shall be sufficient to provide for payment of the interest upon and the principal of the Bonds of this issue and any other bonds of equal [,senior] or junior standing payable from the Pledged Assets as and when the same shall become due and payable, to create and maintain a bond redemption fund therefor, including a bond reserve, to provide for the payment of expenses of administration and operation and such expenses for maintenance of the System as are necessary to preserve the same in good repair and working order, and to provide for such other expenditures and funds for the System as are required by the Bond Ordinance.

This Bond is transferable only upon the books of the City kept for that purpose at the office of the Transfer Agent by the registered owner hereof in person, or by his attorney duly authorized in writing, upon the surrender of this Bond together with a written instrument of transfer satisfactory to the Transfer Agent duly executed by the registered owner or his attorney duly authorized in writing, and thereupon a new registered Bond or Bonds of the same type, in the same aggregate principal amount and of the same maturity shall be issued to the transferee in exchange therefor as provided in the Bond Ordinance and upon the payment of the charges, if any, therein prescribed.

It is hereby certified and recited that all acts, conditions and things required by law precedent to and in the issuance of this Bond and the series of Bonds which

this is one have been done and performed by regular and due time and form as required by law.

This Bond is not valid or obligatory for any purpose until the Transfer Agent's Certificate of Authentication on the Bond has been executed by the Transfer Agent.

IN WITNESS WHEREOF, the City Council of the City of Detroit, County of Wayne, State of Michigan, has caused this Bond to be signed in its name by the facsimile signatures of its Mayor and its Finance Director and a facsimile of its corporate seal to be printed hereon, all as of the Original Issue Date.

Honorable City Council: Re: MLK Homes — Payment in Lieu of Taxes (PILOT).

MLK Homes Limited Dividend Housing Association Limited Partnership is developing a housing project consisting of newly constructed three and four bedroom single-family units. The project is bounded by Lodge Freeway to the east, I-96 to the west; Warren to the north; Martin Luther King Blvd. to the south.

Financing for the development will be provided by Stearns Bank with a mortgage of one million five hundred twenty-five thousand (\$1,525,000) at 7.00% for 15 years and Low Income Housing Tax Credits of six million five hundred and eighty thousand dollars (\$6,280,000) dollars. Total development cost is expected to be \$7,805,000.

In order to make this development economically feasible, it is necessary for the units to receive the benefits of tax exemption under Section 15a of the State Housing Development Authority Act of 1996, (MCL 207.346, as amended, MCLA 125.1415A).

Thirty-one percent (31%) or 14 of the units will be occupied by households with incomes no greater than 30% of the area median income adjusted for family size. Twenty-six percent (26%) or twelve (12) of the units will be occupied by households with incomes no greater than thirty-percent (35%) of the area median income adjusted for family size. Twenty-six percent or twelve of the units (12) of the units will be occupied by households with incomes no greater than forty percent (40%) of the area median income adjusted for family size. The remaining fifteen percent (15%) or seven (7) units will be occupied by households with incomes no greater than sixty percent (60%) of the area median income adjusted for family size.

Adoption of the resolution by the Honorable Body will therefore satisfy

Requirements of Public Act 346 and City Ordinance 9-90, as amended, by establishing a 4% service charge for this housing project.

Honorable City Council:

Re: Nortown Homes II — Payment in Lieu of Taxes (PILOT).

Nortown Community Development Corporation is developing a housing project consisting of 45 newly constructed three and four bedroom single-family units. The area to be developed is bounded by Van Dyke to the west, Gratiot to the east, Knodell to the north and Marcus to the south.

Financing for the development will be through: Charter One Bank with a loan of \$1,525,000 for 15 years at 7.00% and Low Income Tax Housing Tax Credits for a total development cost of seven million eight hundred and five thousand dollars (\$7,805,000).

In order to make this development economically feasible, it is necessary for it to receive the benefits of tax exemption under Section 15a of the State Housing Development Authority Act of 1996, (P.A. 346, as amended, MCLA 125.1415A).

Thirty-one percent (31%) or 14 of the units will be occupied by households with incomes no greater than 30% of the area median income adjusted for family size. Twenty-six percent (26%) or 12 of the units will be occupied by households with incomes no greater than 35% of the area median income adjusted for family size. Twenty-six percent (26%) or 12 of the units will be occupied by households with incomes no greater than 40% of the area median income adjusted for family size. The remaining fifteen percent (15%) or 7 of the units will be occupied by households with incomes no greater than 60% of the area median income adjusted for family size.

Adoption of the resolution by your Honorable Body will therefore satisfy the requirements of Public Act 346 and City Ordinance 9-90, as amended, by establishing a 4% service charge for this housing project.

Law Department

October 26, 2004

Honorable City Council:

Ethel Sabin and Clifford Sabin v Melissa Dennett, Kellie Hall, Christopher Gunn, Thomas E. Phillips, James Markham, Bruce Debouvue, Patrick Tinney, K. McCloud and Gary Loftis. Case No.: 03 335344 NO, File No.: A37000.004514 (PGR).

On October 5, 2004, a case evaluation panel evaluated the above-captioned law and awarded Fifteen Thousand Dollars (\$15,000.00) in favor of Plaintiffs. Parties have until November 2, 2004, to either accept or reject the case evaluation. Failure to file a written acceptance or rejection within this period constitutes a default.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a corrected confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that acceptance of the case evaluation award is in the best interest of the City of Detroit. The Law Department notes that the evaluation panel separated their award so that each of the two plaintiffs received an award in the amount of \$7,500.00 and there is a possibility that only one plaintiff may accept the award while the remaining plaintiff may continue forward towards trial.

We request your Honorable Body to authorize acceptance of the case evaluation award in the total amount of \$15,000.00 as explained in the corrected memorandum.

We also request that, in the event that Plaintiff Ethel Sabin accepts the award, to deem such acceptance as a settlement and direct the Finance Director to issue a draft in the amount of Seven Thousand Five Hundred Dollars (\$7,500.00) payable to Ben M. Gonek, P.C., attorneys, and Ethel Sabin to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 03 335344 NO, approved by the Law Department.

We further request that, in the event Plaintiff Clifford Sabin accepts the award, to deem such acceptance as a settlement and to direct the Finance Director to issue a draft in the amount of Seven Thousand Five Hundred Dollars (\$7,500.00) payable to Ben M. Gonek, P.C., attorneys, and Clifford Sabin, to be delivered upon receipt of properly executed Releases and Stipulation and Order of

Dismissal entered in Lawsuit No. 03 335344 NO, approved by the Law Department.

By Council Member Bates:

Resolved, that the Law Department is hereby authorized to accept the case evaluation in the total amount of Fifteen Thousand Dollars in the case of Ethel Sabin and Clifford Sabin v Melissa Dennett, Kellie Hall, Christopher Gunn, Thomas E. Phillips, James Markham, Bruce Debouvue, Patrick Tinney, K. McCloud and Gary Loftis, Wayne County Circuit Court Case No. 03 335 344 NO; and be it further

Resolved, that in the event Plaintiff Ethel Sabin accepts the case evaluation, that such acceptance is deemed a settlement and that the Finance Director be and is hereby authorized and directed to draw a warrant upon the proper account in favor of Ben M. Gonek, P.C., attorneys, and Ethel Sabin, in the amount of Seven Thousand Five Hundred Dollars (\$7,500.00) in full payment of any and all claims which Ethel Sabin may have against the City of Detroit or its employees by reason of alleged injuries sustained on or about March 26, 2002, when Ethel Sabin was allegedly assaulted by Police officers, and that said amount be paid upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 03 335344 NO, approved by the Law Department.

Honorable City Council:

Re: Address: 15365 Chatham. Name: Lysa Kowalik. Date ordered removed: October 8, 2003 (J.C.C. p. 2992).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on September 22, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of September 17, 2004.

The proposed use of the property is rehabilitation and sale.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not main-

tained, we will proceed with demolition without further hearings. Pursuant to Property Maintenance Code Municipal Civil Infractions (MCI) Unit issue the appropriate violations/tickets

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. A permit for rehabilitation work shall

be obtained within 30 days.

2. The building shall be maintained securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits

3. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

4. The yards shall be maintained clear of weeds, junk and debris at all times.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been met or that substantial progress toward rehabilitation has been made. If the building becomes open to trespass or if conditions of the deferral are not complied with, we will proceed with demolition without further hearings. We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

Honorable City Council:

Re: McDougall-Hunt Rehabilitation Project Development: Parcels 273-A, 273-B & 273-C; generally bounded by Vernor, Mt. Elliott, McDougall & Hunt.

On July 2, 2003, (Detroit Legal News, July 9, 2003, Pg. 5), your Honorable Body authorized the sale of the above captioned property to Gratiot McDougall Homes, LLC, a Michigan Limited Liability Corporation, for the purpose of constructing forty-three (43) single-family homes in Phase I and seventy-five (75) multi-family units in Phase II.

It has come to our attention that the name of the legal entity and the legal description were issued in error. Accordingly, the sale to Gratiot McDougall Homes, LLC, a Michigan Limited Liability Corporation has been amended to show Gratiot McDougall Homes, LLC, a Michigan Limited Liability Company, as the buyer. This developer possesses the qualifications and has indicated potential

financial resources necessary to acquire and develop the land in accordance with the Development Plan.

We, therefore request that your Honorable Body adopt the attached resolution authorizing an amendment to the sales resolution to reflect a correction to the legal description and the name of the purchase from Gratiot McDougall Homes, LLC, a Michigan Limited Liability Corporation to Gratiot McDougall Homes, LLC, a Michigan Limited Liability Company.

Waiver of Reconsideration is requested.

Respectfully submitted,

Honorable City Council:
Re: Central Industrial Park Project.
Development: 2550 E. Grand Blvd.

On November 1, 2004, a public hearing in connection with the proposed transfer of the captioned property in the Central Industrial Park Project was held before your Honorable Body. All interested persons and organizations were given an opportunity to be heard.
The proposed redeveloper has submit-

ted satisfactory evidence that they possess the necessary financial resources required to develop land in accordance with the Development Plan for the project.

We, therefore, request that your Honorable Body authorize and confirm the sale and authorize the Planning and Development Department Director of Development Activities to execute an Agreement to Purchase and Develop the above-captioned property, together with a deed to the property and such other documents as may be necessary to effect the sale, in the Central Industrial Rehabilitation Project, with Dan Williams & Associates, Inc., a Michigan Corporation, for the amount of \$151,000. This amount is the fair market value of the land.

Respectfully submitted,

Honorable City Council:

Re: Resolution Approving an Obsolete Property Rehabilitation District, Behalf of Russell Street Development, LLC in the Area of 2550 Russell and 1350 Adelaide/1351 Winder in Accordance with Public Act 146 of 2000 Petition 2714.

Attached please find a resolution and legal description which will establish an Obsolete Property Rehabilitation District at 2501 Russell and 1350 Adelaide/1351 Winder in accordance with Public Act 146 of 2000 ("the Act"). Such establishment will materially assist in the development of the site in accordance with the plan for Russell Street Development, LLC.

Earlier today your Honorable Body conducted a public hearing on the establishment of this District, in accordance with the Act. In as much as, no impediments to the establishment of the District were presented at the public hearing, we request that you approve the resolution at your next regular or adjourned formal session.

Respectfully submitted,
HENRY B. HAGOOD

Director of Development Activities
By Council Member Tinsley-Talabi:

Whereas, Pursuant to Act No. 146 of the Public Acts of 2000 ("Act 146") the City Council has the authority to establish "Obsolete Property Rehabilitation Districts" within the boundaries of the City of Detroit; and

Whereas, Russell Street Development, LLC has requested that this City Council establish an Obsolete Property Rehabilitation District in the area of 2550 Russell and 1350 Adelaide/1351 Winder, Detroit, Michigan, the area being more particularly described in Exhibit A attached hereto; and

Whereas, The aforesaid property is obsolete property in an area characterized by obsolete commercial property and commercial housing property; and

Whereas, Act 146 requires that, prior to the establishment of an Obsolete Property Rehabilitation District, the City Council shall provide an opportunity for a public hearing on the establishment of the District, at which a representative of the jurisdiction levying *ad valorem* taxes on any owner of real property within the proposed District, or any other resident taxpayer of the City of Detroit may appear and be heard on the matter; and

Whereas, A public hearing was conducted before City Council on, October 28, 2004, for the purpose of considering the establishment of the proposed Obsolete Property Rehabilitation District described in Exhibit A attached hereto; and

Whereas, No impediments to the establishment of the proposed District

presented at the public hearing;
 How Therefore Be It

Resolved, That Obsolete Property
 Rehabilitation District No. 30, more particu-
 larly described in Exhibit A attached
 hereto, is hereby approved and estab-
 lished by this City Council in accordance
 with Act 146.

Honorable City Council:

McDougall-Hunt Rehabilitation Pro-
 ject Development: Parcels 292A &
 292B; generally bounded by E.
 Vernor Hwy., Dubois, the alley south
 of Hunt & the alley East of Chene.

We are in receipt of an offer from
 Silvercup J. V., L.L.C., a Limited Liability
 Company, to purchase the above-
 mentioned property for the amount of
 \$9,920 and to develop such property.
 The property contains approximately
 10,092 square feet or 4.82 acres and is
 zoned SD-1 (Special Development
 District).

The Offeror proposes to develop these
 properties in two (2) Phases. The devel-
 opment will consist of the construction of
 duplex and ranch style condominiums in
 Phase I and quadrplex and ranch style
 condominiums in Phase II. All adjacent
 lots within the development area will be
 appropriately lighted and landscaped to
 enhance the overall site. This use is per-
 mitted as a matter of right in a SD-1 zone.

Parcel 292A

Phase I will consist of the construction
 of approximately six (6) duplex and
 twenty-four (24) two-story stacked ranch
 market rate condominiums. The units will
 be a combination of two (2) and three (3)
 bedrooms which will range in size from
 1,000 to 1,800 square feet. Parcel 292A
 contains approximately 60,007 square
 feet or 1.4 acres and the established price
 is \$38,730. This site is bounded by
 Hendricks, Dubois, the alley south of Hunt

and the alley east of Chene.

Parcel 292B

Phase II will consist of the construction
 of approximately eight (8) quadrplex and
 forty-eight (48) two-story stacked ranch
 market rate condominiums. The units will
 be a combination of two (2) and three (3)
 bedrooms which will range in size from
 1,400 to 1,800 square feet. Parcel 292B
 contains approximately 150,085 square
 feet or 3.4 acres and the established price
 is \$91,550. This site is bounded by
 Dubois, E. Vernor, Hendricks and the
 alley east of Chene.

We, therefore, request that your
 Honorable Body adopt the sale and
 authorize the Planning & Development
 Department Director of Development
 Activities to execute an agreement to pur-
 chase and develop this property with
 Silvercup J. V., L.L.C., a Limited Liability
 Company, together with a deed to the
 property and such other documents as
 may be necessary to effect the sale.

Respectfully submitted,

Planning & Development Department July 8, 2004

Honorable City Council:

Re: A Resolution to Amend the Detroit Master Plan of Policies for the Perfecting Church Development Project.

Pursuant to the City of Detroit Charter, Section 8-102, the Planning and Development Department, Planning Division, submits for your consideration and action a proposed Amendment to the City of Detroit Master Plan of Policies. Adoption of this resolution by your Honorable Body would accommodate the proposed Perfecting Church development project through a change in the future general land use for the proposed development site.

Location

Northeast corner of Woodward Avenue and Seven Mile Road.

The project site is located entirely within the North Sector, State Fair Subsector. Woodward Avenue, Bryson Avenue, Bauman Avenue and Larchwood Avenue bound the project site.

Previous Interpretations

This proposed Amendment follows Master Plan interpretation dated July 28th for the rezoning of the development site from B4, General Business, and Two-family Residential, to PD, Planned Development. That interpretation concluded that the proposed development does not conform with the future general land use of the community as described in the Master Plan of Policies.

Existing Site Information

Future General Land Use

MUR (Mixed Use Residential) — at Woodward

RLM (Low-Medium Density Residential) — east of the alley behind Woodward

Existing Land and/or Building Use

Commercial uses exist at Woodward Avenue, though most properties exhibit significant blight and many structures are dilapidated or in disrepair. In the neighborhood east of Woodward Avenue, few scattered houses remain on the project site, but most of the residential structures have been demolished. The land is largely clear for development.

Existing Zoning

B4 (General Business) — at Woodward

R2 (Two-family Residential) — east of the alley behind Woodward

Surrounding Site Information

Future General Land Use

GC (General Commercial) — at Woodward and Seven Mile, south of Larchwood

MUR (Mixed Use Residential) — at Woodward, north of Bryson

RLM (Low-Medium Density Residential) — east of the alley behind Woodward

Existing Land and/or Building Use

Commercial uses exist at Woodward Avenue, though most properties exhibit significant blight and many structures are dilapidated or in disrepair. Similarly, many residential properties in the surrounding neighborhoods to the north and the east exhibit significant blight and a number of properties are vacant.

Existing Zoning

B4 (General Business) — at Woodward, south of Larchwood and north of Bryson

R2 (Two-family Residential) — east of the alley behind Woodward

Project Proposal

Future General Land Use

MUR (Mixed Use Residential) — at Woodward

RLM (Low-Medium Density Residential) — east of the alley behind Woodward

Proposed Land and/or Building Use

The project includes a 4,236-square-foot church, and 11,930-square foot of parking, a 1,079-space parking structure and 188 surface parking lots.

Proposed Zoning

PD (Planned Development)

Interpretation**Impact on Surrounding Land Use**

The proposed development has the potential to stimulate commercial reinvestment along Woodward Avenue and Ten Mile Road and stimulate residential reinvestment in surrounding neighborhoods to the north and to the east.

Impact on Transportation

The size and scope of the project and activities related to the development may complicate traffic flow, particularly along residential streets. Strict enforcement of speed limits and traffic signals, along with appropriate measures and devices for pedestrian access and safety, will alleviate traffic concerns. Additionally, the potential for reinvestment could increase ridership on regional and local transit systems at points along Woodward Avenue and Seven Mile Road.

Additional Analysis

This proposed development is part of a later phased development that includes condominium residential units adjacent to the north of the initial development site. To ensure the residential units conform to the recommended future general land use of the Master Plan (Low-Medium Density Residential or RLM), the initial phase of development is inconsistent with the recommended future general land use of the community outlined in the Master Plan of Policies.

The Amendment is necessary to accommodate the development of the Perfecting Church. The Perfecting Church project fulfills the mandates of the community as outlined in the Master Plan of Policies. These mandates include “the

clearance of obsolete structures, encouragement of reinvestment, disposal of vacant lots and rehabilitation of the housing stock” (Article 305, North Sector Policies, p. III-83). The Perfecting Church development represents a higher and better use for this site by acting as a stimulus for investment in the surrounding community and acting as a provider of diverse services and activities for City residents.

Recommended Master Plan Amendment

The Planning Division of the Planning and Development Department therefore recommends that the future general land use of the Master Plan of Policies change from Mixed Use Residential, MUR, and Low-Medium Density Residential, RLM, to Institutional, or INST.

DETROIT MASTER PLAN OF POLICIES MASTER PLAN CHANGE # FORTY-NINE RESOLUTION TO AMEND THE CITY OF DETROIT MASTER PLAN OF POLICIES TO ACCOMMODATE THE CONSTRUCTION OF A CHURCH

Council Member Everett:
 WHEREAS, The City of Detroit Master Plan of Policies, adopted August 5, 1992, consists of policies and methods for improving the City of Detroit as a place for people to live and work based upon their

needs and desires; and
 WHEREAS, The City of Detroit Master Plan of Policies is approved and adopted as a major reference for evaluating proposed development activities and/or action programs such as neighborhood plans, urban renewal plans, zoning amendments, property acquisition or disposition, and construction of public or private facilities; and
 WHEREAS, The City of Detroit Master Plan of Policies is continuously studied and amended as needed to reflect the

desires of residents, businesses, and industries of the City of Detroit; and

WHEREAS, The Planning & Development Department requests that the Master Plan of Policies be amended for 12.063 acres located in the North Sector, State Fair Subsector, to remove Mixed Use Residential, MUR, and Low-Medium Density Residential, RLM, as the future general land use of the project site;

WHEREAS, The proposed Amendment would allow a change in the future general land use of the Master Plan of Policies to accommodate the development of the Perfecting Church, thereby encouraging investment in blighted areas of the City along the Woodward corridor and throughout the surrounding neighborhoods;

NOW, THEREFORE, BE IT RESOLVED, The City of Detroit Master Plan of Policies is amended as follows:

1. The only map to modify is the North Sector, State Fair Subsector, Map #305-06-B:

A.) The area generally bounded by Woodward Avenue, Bryson Avenue, Bauman Avenue and Larchwood Avenue less than acreage set aside for phase II of the proposed development, now designated Mixed Use Residential, MUR, and Low-Medium Density Residential, RLM, is changed to Institutional, or INST.

orable City Council:

Request to adopt the Resolution
authorizing an Installment Purchase
under the existing GE Capital Master
Lease Agreement dated February
27, 1998 between the City of Detroit
and GE Capital.

ve are prepared to proceed with
ncing the acquisition and installation
opier equipment to be utilized by the
, Buildings & Safety, Mayor's Office,
ce and Finance Departments. The
ncing will allow the City to raise
roximately \$150,000 for the equip-
nt. While various financing alternatives
e considered, we have determined
the most cost-effective option for
ncing the equipment is through GE
ital Corporation.

he attached Resolution will authorize
City to execute Equipment Schedule
015 under the existing Master Lease
reement dated February 27, 1998
ween the City and GE Capital.

option is respectfully requested with
ver of reconsideration at your next
cheduled formal session.

RESOLUTION AUTHORIZING
INSTALLMENT CONTRACT FOR THE
ACQUISITION OF COPIERS

Council Member Everett:

Whereas, The City of Detroit (the
City") proposes to enter into agreements
with Xerox Corporation and Commercial
Business Services (the "Agreements"),
providing for the acquisition and installa-
tion of 14 leased copiers to be located in
offices of the Fire, Buildings & Safety,

Mayor's Office, Police and Finance
Departments at various locations within
the city (the "Property"); and

Whereas, It is determined to be neces-
sary and desirable and in the best interest
of the City that the acquisition and instal-
lation of the Property be financed by an
installment contract authorized under the
provisions of Act No. 99, Public Acts of
Michigan, 1933 as amended, and more
specifically by the acquisition and installa-
tion of the Property pursuant to an install-
ment contract identified as a Master
Lease Agreement (the "Lease"), dated
February 27, 1998, between the City and
GE Capital Public Finance, Inc. (the
"Lessor"), and Equipment Schedule No.
014 to be attached thereto relating to the
Property, in the aggregate principal
amount not to exceed \$150,000 (the
"Schedule" and together with the Lease,
collectively the "Contract"); and

Whereas, The aggregate outstanding
balance, exclusive of interest, of all pur-
chases made by the City pursuant to Act
99, including the Contract, does not
exceed 1-1/4% of the taxable value of the
real and personal property of the City.

Now, Therefore, Be It Resolved, That

1. It is hereby found to be necessary
and desirable for the City to install the
cost of the acquisition and installation of
the Property in the aggregate principal
amount not to exceed \$150,000 pursuant
to the terms and conditions of the
Contract.

2. (a) The Lease is hereby ratified and
confirmed. The Schedule shall be dated
the date of delivery thereof. The interest
rate on the interest portion of the rental
payments to be made by the City under
the Contract shall not exceed 4.50% per
annum as shall be determined by the
Finance Director at the time of the execu-
tion and delivery thereof. The Contract
shall be payable in rental payments, and
installment of both a principal portion, an
interest portion, on such dates and in
such years and amounts as shall be
determined by the Finance Director and
set forth in the Schedule at the time of
the execution and delivery thereof; shall be
in the aggregate principal amount not to
exceed \$150,000 as shall be determined
by the Finance Director and set forth in
the Schedule at the time of the execution
and delivery thereof; and may be prepaid
on such dates and in such years and
upon the payment of a prepayment fee, if
any, as shall be determined by the
Finance Director and set forth in the
Schedule at the time of the execution and
delivery thereof. Notice of any such pre-
payment shall be given as provided in the
Contract.

(b) In making the determinations set
forth in (a) above, the Finance Director
shall be limited as follows:

(1) The first rental payment under the

Schedule that contains a principal portion shall be due not later than December 1, 2004, and the final rental payment under the Schedule shall be due not later than December 30, 2007.

(2) The amount of the principal portion of the rental payments due under the Schedule in any one year shall not exceed \$55,000.

2. The Mayor and the Finance Director are hereby authorized to enter into the Schedule in substantially the form presented to the City Council (upon which form the City Clerk shall indicate the date of adoption of this resolution), with such changes thereto as are approved by the Finance Director, consistent with the terms of this resolution and not materially adverse to the City. The Schedule shall be executed with the facsimile signature of the Mayor and the manual signature of the Finance Director and shall have the seal of the City impressed or imprinted thereon. The approval of such changes by the Finance Director shall be conclusively evidenced by his signature on the Schedule. The Schedule may be executed in counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

3. Except as provided in Section 4.2 of

the Lease, the obligation of the City to make rental payments to the Lessor provided in the Contract shall be absolute and unconditional in all events; provided, however, nothing contained herein or in the Contract shall limit the rights or remedies of the City under the Agreement.

4. The City covenants to comply with all provisions of the Internal Revenue Code of 1986, as amended (the "Code"), necessary to maintain the exclusion of the interest portion of the rental payments due on the Contract from gross income for federal income tax purpose.

5. The Mayor, the City Clerk, the Finance Director and other officers of the City as may be necessary are each hereby authorized to execute and deliver such documents, instruments and certificates as are necessary or desirable to consummate the described transaction and to maintain the exclusion of the interest portion of the rental payments due on the Contract from gross income for federal income tax purposes.

6. The useful life of the property shall be determined to be five (5) years or more upwards.

7. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution are rescinded.

Honorable City Council:

Re: Proposed Ordinance to amend

Chapter 61, of the 1984 Detroit

Code, the *Detroit Zoning Ordinance*

to authorize the issuance of blight

violation notices for violations of

Detroit Zoning Ordinance and for

adjudication of blight violations

pursuant to state law and Chapter 8.

of the 1984 Detroit City Code, *Blight*

Violations.

Pursuant to the applicable provisions of the 1997 Detroit City Charter, the above-referenced proposed ordinance is being submitted to your Honorable Body for consideration and approval. The proposed ordinance revises Chapter 61 of the 1984 Detroit City Code, the *Detroit Zoning Ordinance*, to authorize the City to issue blight violation notices for violations of the *Detroit Zoning Ordinance*.

Specifically, the proposed ordinance amends Article III, *Rules and Definitions*, Section 32.000, and Article IV, *Administration*, Sections 63.000 and 69.000, to authorize the issuance of blight violation notices for violations of the *Detroit Zoning Ordinance* presently designated as municipal civil infractions, for the adjudication of blight violations pursuant to state law and Chapter 8.5 of the 1984 Detroit City Code, *Blight Violations*. Further, the proposed ordinance provides for the imposition of a practice system assessment fee, pursuant to state law, and an administrative fee, pursuant to Chapter 8.5 of the City Code, for blight violation notices issued by authorized local officials under the *Detroit Zoning Ordinance*.

We request that this proposed ordinance be scheduled for a discussion at the earliest possible date, that the proposed ordinance be introduced at the earliest possible formal session, and that a public hearing be scheduled on the earliest possible date. In addition, we request

waiver of reconsideration.

Answers are available to answer any questions that your Honorable Body may have concerning these proposed ordinances. Thank you for your consideration.

Respectfully submitted,
AMRU MEAH
Director

Council Member Bates:

ORDINANCE to amend Chapter 61 of the 1984 Detroit City Code, the Detroit Zoning Ordinance, by amending Article III, Rules and Definitions, Section 32.000, and Article VI, Administration, Sections 63.000 and 69.000, to delete definitions of "authorized City official", "bureau", "citation", "municipal civil infraction", "municipal civil infraction action", "municipal civil infraction citation", "municipal civil infraction determination", "municipal civil infraction notice", "violation notice", and "zoning enforcement branch"; to amend the definitions of "repeat offense", "specific anatomical areas", and "devoted sexual activities"; to add definitions of "authorized local official", "blight violation", "blight violation determination", "blight violation notice", and "blight violation proceeding"; and to authorize the issuance of blight violation notices for violations of the Detroit Zoning Ordinance presently designated as municipal civil infractions; to provide for the adjudication of blight violations pursuant to state law and Chapter 8.5 of the City Code, *Blight Violations*; to provide for the imposition of a judicial assessment fee, pursuant to state law, and an administrative processing and adjudication fee, pursuant to Chapter 8.5 of the City Code in conjunction with the issuance of a blight violation notice; and to add specific civil fines for the unlawful change of use of building or land.

IT IS HEREBY ORDAINED BY THE COUNCIL OF THE CITY OF DETROIT THAT:

Section 1. Chapter 61 of the 1984 Detroit City Code, the *Detroit Zoning Ordinance*, is amended by amending Article III, *Rules and Definitions*, Section 32.000, Article VI, *Administration*, Sections 63.000 and 69.000, to read as follows:

**CHAPTER 61. DETROIT ZONING ORDINANCE
ARTICLE III. RULES AND DEFINITIONS
32.000 Definitions.**

For the purposes of this Ordinance, the following terms used are hereby defined: shall have the meanings ascribed to them by this section:

32.0007G Adult theater.

A building or structure wherein live performances, still or motion pictures, video tapes or similar material or entertainment are presented or viewed which is distinguished or characterized by an emphasis on matter depicting, describing or relating to "specified sexual activities" or "specified anatomical areas," as defined at Sections 32.0089C and 32.0089D of this Ordinance, for observation by patrons therein.

32.0008 Airport definitions.

Airport. A landing area, runway, or other facility designed, used, or intended to be used for the landing or taking off of aircraft, including all necessary taxiways, aircraft storage and tiedown areas, hangars, and other necessary buildings and open spaces.

Airport reference point. A point selected or approved by the Federal Aviation Agency as the approximate center of the land area.

Established airport elevation. The elevation above mean sea level of the highest point of the useable airport landing area.

Established heliport elevation. The elevation above mean sea level of the highest point of the useable heliport landing area.

Flight obstruction area. All areas of land or water below airport or heliport imaginary surfaces.

Helipad. An area on a heliport for landing or take-off of helicopters.

Heliport. An area designed, used, intended to be used for the landing or taking off of helicopters, including all necessary helicopter storage and tiedown areas, hangars, and other necessary buildings and open spaces.

Heliport reference point. A point selected or approved by the Federal Aviation Agency as the approximate center of the heliport.

Imaginary surfaces, airport:

Horizontal surface "A." A circular plane, 150 feet above the established airport elevation and having a radius of 150 feet from the airport reference point.

Horizontal surface "B." A nearly rectangular plane, 200 feet above ground level and longitudinally centered on the extended centerline of the major north-south runway at Detroit City Airport. Said plane begins at the periphery of horizontal surface "A", extends in both northerly and southerly directions to the City limits, and is four (4) miles wide, i.e., two (2) miles either side of the extended runway centerline.

Approach surfaces:

Instrument approach surface and non-instrument approach surface having a runway at least 5,000 feet in length.

A plane longitudinally centered on the extended runway centerline beginning at each end of the runway and extending 500 feet outward at the elevation of the approach ends of the runway and then sloping upward at a slope ratio of 1 to 10 to an altitude of 150 feet above the established airport elevation. The instrument approach area surface is 1,000 feet wide for the first 500 feet and then expands uniformly to a width of 3,100 feet at a distance of 6,500 feet from the end of the runway.

Non-instrument approach surface having a runway with a length of 2,000 feet or more up to, but not including, 5,000 feet in length.

A plane longitudinally centered on the extended runway centerline beginning at each end of the runway and extending 500 feet outward at the elevation of the approach end of the runway and then sloping upward at a slope ratio of 1 to 10 to an altitude of 150 feet above the established airport elevation. The non-instrument approach area surface is 500 feet wide for the first 500 feet and then expands uniformly to a width of 2,600 feet at a distance of 6,500 feet from the end of the runway.

Transitional surfaces. Transitional surfaces exist adjacent to each runway indicated on the Flight Obstruction Area Map located at the back of this Ordinance. These surfaces begin at the centerline of the runways and extend outward, at the elevation of the runway,

feet in the case of instrument runways, and for 250 feet in the case of non-instrument runways, and then slope inward and outward one (1) foot vertical for each seven (7) feet horizontally to the point where they intersect horizontal surface "A". Further, transitional surfaces shall extend the entire length of the approach surfaces, beginning at the edges and extending upward and outward at the same one (1) to seven (7) slope ratio to the point where they intersect horizontal surface "A".

Imaginary surfaces, heliport:

Conical surface. A surface sloping inward and outward to an altitude of 150 feet above the established heliport elevation at a slope ratio of one (1) to eight (8) beginning at the heliport elevation on the perimeter of a circle of 200 feet radius centered on each heliport.

Slope ratio. A numerical expression of the stated relationship of height to horizontal distance.

32.0037 Emergency shelter.

An emergency shelter is a facility which provides congregate style temporary lodging with or without meals and ancillary services on the premises to primarily the homeless for more than four (4) weeks in any calendar year. An emergency shelter does not provide such lodging to any individual (1) who is required because of age, mental disability or other reason to reside either in a public or private institution or (2) who is imprisoned or otherwise detained pursuant to either federal or state law. An emergency shelter shall be considered a different land use than adult foster care facilities, designated transitional housing, nursing homes, temporary emergency shelters, or warming centers. Emergency shelters are subject to licensing by the Consumer Affairs Department.

32.0038 Erected.

The word "erected" includes built, constructed, reconstructed, altered, moved upon, or any physical operation on the premises required for the building or structure. Excavations, fill, drainage, paving, and the like, shall be considered a part of erection.

32.0040 Established grade.

For purposes of regulating and determining the height or bulk of a building or structure, the term "established grade" shall mean the elevation of the sidewalk grade as fixed by the city. In those cases where no sidewalk exists or when the natural level of the ground is higher or lower than the grade established by the city engineer, the average natural level of the ground shall be taken as the established grade.

32.0042 Family:

(a) One (1) person, or a group of two (2) or more persons living together, and inter-related by bonds of consanguinity, marriage, legal adoption, or guardianship, and occupying the whole or part of a dwelling as a separate housekeeping unit with a common and a single set of culinary facilities. The persons thus constituting a family may also include domestic servants employed solely on the premises. It may also include not more than four (4) foster children provided that the home is licensed as a foster home by the State of Michigan.

(b) Two (2) persons inter-related by bonds of consanguinity, marriage, legal adoption, or guardianship, and one (1) person not so inter-related, occupying the whole or part of a dwelling as a separate housekeeping unit with a common and a single set of culinary facilities.

(c) Two (2) persons not inter-related by bonds of consanguinity, marriage, legal adoption or guardianship, provided that such group lives together and occupies a dwelling as a single housekeeping unit with a single set of culinary facilities, and

provided that both members of such group have full access to all portions of the dwelling. A dwelling occupied under the provisions of this subsection shall not be operated as a rooming house or adult foster care home.

32.0042A Family day care home.

A family day care home means a private home, certified by and registered with the state department of social services, in which one (1) but less than seven (7) minor children are received and supervised for periods of less than twenty-four (24) hours a day, undertaken by a parent or legal guardian, except children related to an adult member of the family by blood, marriage, or adoption. Family day care home includes a home that gives care to an unrelated minor child for more than four (4) weeks during a calendar year. For the purposes of this definition, private home means a private residence in which the licensee or registrant permanently resides as a member of the household, which residence shall not be contingent upon caring for children.

32.0042B Financial services center.

32.0085A Shelter for victims of domestic violence.

A shelter for victims of domestic violence is a residential facility providing temporary accommodation and support to victims of domestic violence with or without their minor children. Such shelter shall be operated by a non-profit, charitable, or religious agency which meets the pre-contract standards of the State of Michigan Domestic Violence Prevention and Treatment Board. Such shelter shall be considered a different land use than an adult foster care facility as defined in Section 32.0007C of this Ordinance, a pre-release adjustment center as defined in Section 32.0071 of this Ordinance, and a substance abuse service facility as defined in Section 32.0097 of this Ordinance. For confidentiality and security of their locations, such shelters shall be permitted on a matter of right basis in certain zoning districts. Shelters for victims of domestic violence are subject to licensing by the Consumer Affairs Department and the provisions of Section 42.1306 of this Ordinance.

32.0086 Shoeshine parlor.

A building or part thereof used solely or primarily for shoe polishing or dyeing, or if incidental to some other use, where facilities are provided for serving more than two (2) customers simultaneously.

32.0087 Show-cause hearing.

A show-cause hearing is a hearing before a designated hearing officer to show cause why a specific action should

not be taken; notification procedures such a hearing are specified at Section 40.1700 of this Ordinance.

32.0088 Sign.

A sign is a name, identification, description, display, or illustration which is affixed or applied to or painted or represented directly or indirectly upon a building, structure, or zoning-lot, and which is designed or intended to convey information to the public in written or pictorial form. However, a "sign" shall not include any display or official court or public agency notices, nor shall it include a flag, emblem, or insignia of a nation, political unit, school, or religious group.

Sign, advertising. A sign, whether a board or painted wall graphic, which directs attention to a business, commodity, service, or entertainment, conducted, sold, or offered elsewhere than on the premises on which the sign is located, painted or to which it is affixed, or incidentally sold or offered on the premises.

Any sign, display, or device allowed under this Ordinance may contain, in addition to any other message, any otherwise lawful noncommercial message that does not direct attention to a business operated for profit, or to a commodity or service for sale, and that complies with zoning district, height, lighting, setback, and spacing requirements of this Ordinance.

Sign, area of. The area of a sign shall be computed as the entire area circumscribed by a parallelogram, triangle, circle, or semicircle, or any combination of these figures, which includes all of the display area of the sign including the surrounding display areas.

Sign, billboard. A billboard is a large outdoor board for advertisements; billboards most commonly serve as "advertising signs," as defined above, except when identifying the business or profession conducted on the same zoning lot in which the billboard is located, in which case the billboard serves as a "business sign," as defined below.

Sign, business. A sign, at least fifty percent of whose area is devoted to directing attention to the principal business or profession conducted, or to the principal type of commodity, service, or entertainment sold or offered on the premises on which the sign is located, to which it is affixed.

Sign, directional. A sign directing or guiding traffic or parking but bearing no advertising matter.

Sign, double-face. A sign, both sides of which are visible and used as signs. A double-face sign shall be considered a double-face sign provided the least angle of intersection does not exceed ninety degrees. A multi-face sign has more than two display areas, all of which are visible and used as signs.

sign, electronic message board. Any that uses changing lights to form a message or messages wherein the sequence of messages and the rate of change is electronically programmed and can be modified by electronic processes. For regulatory purposes, electronic message board signs are flashing signs.

sign, face. The area or display surface used for the message.

sign, flashing. Any illuminated sign on which the artificial light is not maintained continuously or constant in intensity or color all times when in use.

sign, freeway advertising. A freeway advertising sign is any advertising sign located in an adjacent area where the face of the sign is visible from a freeway. For purposes of this Ordinance:

“Freeway” means a divided highway of less than two (2) lanes in each direction to which owners or occupants do not have a right of ingress or egress to, from across the highway, except at points determined by or as otherwise provided by the authorities responsible therefor.

“Adjacent Area” means the area measured from the nearest edge of the right of way of a freeway and extending three hundred (3,000) feet perpendicularly then along a line parallel to the right-of-way line.

sign, identification. A sign identifying the name of the individual, profession, occupation, organization, hotel, or motel occupying the premises, or the name or street number of the building. Information directly related to principal or accessory uses of the property may also be included provided not more than thirty-five percent of the area of the sign is devoted to said information.

sign, illuminated. Any sign designed to give forth any artificial light, or designed to reflect such light deriving from any source intended to cause such light or reflection.

sign, painted wall graphic. Any sign, measuring ten (10) square feet in area, which is painted upon a wall.

sign, political. A sign advertising, endorsing or supporting political candidates or issues in connection with any national, state or local election or referendum.

sign, projecting. A sign constructed or attached so as to be attached at one end to a building, pole, or other structure and projecting out therefrom.

sign, real estate. A sign advertising that premises on which it is located are for sale, lease, or rent.

signs; roof, ground, or wall. Signs which are affixed to or comprise a part of a roof, ground, or wall.

ARTICLE VI. ADMINISTRATION

63.0000 Administrative and enforcement provisions.

~~63.0100 Enforcement.~~

(a) The City of Detroit, through its Buildings and Safety Engineering Department, is authorized to administer and enforce the provisions of this Ordinance and shall enforce any provisions of this Ordinance, or the provisions of any grant that is approved by the Department or by the Board (i) in accordance with Chapter 35.5 8.5 of the 1984 Detroit City Code through the issuance either of a ~~municipal civil infraction blight violation notice~~ or of a ~~municipal civil infraction citation~~, or (ii) through the institution of an appropriate action or proceeding in equity to prevent, restrain, correct, or abate any violation of the provisions of this Ordinance.

(b) In cooperation with the Buildings and Safety Engineering Department, any police officer shall have the authority to enforce any provision of this Ordinance, or the provisions of any grant approved by the Department or by the Board, that concerns the parking, storing, or placing of a motor vehicle upon land or premises.

(c) In accordance with the prescribed procedures of the City, the Director of the Buildings and Safety Engineering Department shall have the authority to designate technical officers and inspectors who are authorized to enforce and to ensure compliance with the provisions of this article, to conduct inspections and reinspections, and to issue and serve upon a person a written notice order, where the public servant has reasonable cause to believe that there has been a violation of this Ordinance.

(d) In accordance with Section 1-1-9 of the 1984 Detroit City Code, the Director of the Buildings and Safety Engineering Department shall designate employees to act as authorized local officials who shall have the authority to issue and serve upon a person a blight violation where the official has reasonable cause to believe that there is a violation of this article.

69.0000 Violations and penalties.

~~69.0100 Violations.~~

In accordance with Section 35.5-1-2 4l(4) of the Michigan Home Rule Cities Act, being MCL 117.4l(4) and Sections 1-1-9(c) and 8.5-2-1 of the 1984 Detroit City Code, a violation of this Ordinance is decriminalized and ceases to be a misdemeanor municipal civil infraction, and is deemed to be a municipal civil infraction blight violation. In addition, the City of Detroit, through its Corporation Counsel,

may institute an appropriate action or proceeding in equity to prevent, restrain, correct, or abate any violation of the provisions of this Ordinance.

In any ~~municipal civil infraction action~~ blight violation proceeding, or any action or proceeding in equity for the violation of any provision of this Ordinance that concerns the parking, storing, or placing of a motor vehicle upon land or premises, the registration plate attached to such motor vehicles shall constitute *prima facie* evidence that the owner of such motor vehicle was the person who parked, stored, or placed such motor vehicle upon the land

of the premises where such violation alleged to have occurred.

In the event of non-compliance with any condition of issuance, a permit approved under the provisions of this Ordinance shall be revocable.

69.0200 Penalties.

Honorable City Council:

Re: Address: 18545 Van Dyke. Name: Frank Shabo. Date ordered removed: October 4, 2004 (J.C.C. p.).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on October 6, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of October 4, 2004.

The proposed use of the property is owner occupancy.

Therefore, it is recommended that the

demolition order be deferred for a period of six (6) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six months, at which time the owner shall obtain one of the following from the department:

• Certificate of Acceptance related building permits

2. The owner shall not occupy or a occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnections cease to allow the progress of rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained we will proceed with demolition without further hearings. Pursuant to the Property Maintenance Code our Municipal Code Infractions (MCI) Unit will issue the appropriate violations/tickets.

Respectfully submitted,

Honorable City Council:

Address: 13902 Robson. Name: Derrick Lawrence. Date ordered removed: March 26, 2003 (J.C.C. p. 905).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on October 11, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes as of August 16, 2004.

The proposed use of the property is rehabilitation and sale.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. A permit for rehabilitation work shall be obtained within 30 days.

2. The building shall be maintained securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from

this department:

- Certificate of Acceptance related to building permits

- Certificate of Approval as a result of a Housing Inspection

- Certificate of Inspection, required for all residential rental properties

3. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

4. The yards shall be maintained clear of weeds, junk and debris at all times.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been met or that substantial progress toward rehabilitation has been made. If the building becomes open to trespass or if conditions of the deferral are not complied with, we will proceed with demolition without further hearings. We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

Re: Neighborhood Enterprise Zone (NEZ) Certificate Application for 5099 Belvidere in the Gratiot Woods Area (Recommend Approval).

The City Clerk's Office forwarded to this office an application for a Neighborhood Enterprise Zone (NEZ) certificate for 5099 Belvidere, within the Gratiot Woods NEZ.

The Gratiot Woods NEZ was approved by City Council on February 18, 2004. The applicant is proposing to rehabilitate a two bedroom single-family house.

The subject property is confirmed as being within the boundaries of the NEZ and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. It appears that the request for certificate has been filed prior to construction, as the State Act requires. The true cash value of the housing unit involved in the rehabilitation is \$30,900, well below the \$80,000 per unit maximum required by the State Act. The rehabilitation will involve the upgrading of heating, electrical and plumbing systems, a new roof and a bedroom addition with a total estimated cost of \$50,000.

The City Planning Commission staff, therefore, recommends approval of the requested certificate in the Gratiot Woods NEZ.

Re: Neighborhood Enterprise Zone (NEZ) Certificate Application for new housing at 4105 Miracles Blvd. in the Woodbridge Estates NEZ (Recommend Approval).

The City Clerk's Office forwarded to this office an application from Scripps Park Associates, LLC for a Neighborhood Enterprise Zone (NEZ) certificate at 4105 Miracles Blvd. within the Woodbridge Estates NEZ. Your Honorable Body approved the Woodbridge Estates NEZ designation on September 19, 2001. City Planning Commission staff has reviewed the application and recommends approval.

The property involved is confirmed as being within the boundaries of the NEZ and should be eligible for an NEZ certificate under State Act 147 of 1992 as currently written. Scripps Park Associates, LLC. has applied for the certificate, prior to the issuance of building permits, on behalf of the future owner who will occupy the property. It is appropriate for them to apply for certificate at this time, even if a buyer has not yet been identified. It is appropriate for them to apply for certificate at this time, even if a buyer has not

yet been identified. The State Commission, however, will not issue certificate until an owner is identified. When an owner is identified, he or she can then apply for the certificate. At that time, it would not be necessary for the Council to pass another resolution.

The petitioner proposes to build a bedroom single-family home. The site has been cleared and construction is anticipated to begin soon. The developer needs to submit to the State Tax Commission the parcel to receive the certificate with a map showing the parcel boundaries.

Please let us know if you have any questions.

Honorable City Council:

Proposal to rezone land in downtown Detroit located at the intersection of Woodward Ave., Michigan Ave., Fort St., Cadillac Square and Monroe Ave. from a B5 (Major Business District) to a PC (Public Center District) classification and the establishment of a PC classification on contiguous land that is currently without a zoning district classification (RECOMMEND APPROVAL).

The City Planning Commission (CPC) proposes the rezoning of land in downtown Detroit located at the intersection of Woodward Ave., Michigan Ave., Fort St., Cadillac Square and Monroe Ave. from a B5 (Major Business District) to a PC (Public Center District) classification and the establishment of a PC classification on contiguous land that is currently without a zoning district classification.

The subject property is the nearly completed Campus Martius Park at the heart of the Campus Martius district. The site is currently in size, publicly owned and privately operated via contract with the City.

PROPOSE

The proposed rezoning would establish a single unified zoning lot for the Park and provide the appropriate restrictions and regulations for a civic, cultural and recreational space such as this park within the downtown area. The western edge of the Park is a remnant of what was Kennedy Square, and bears a B5 zoning district classification. The northeast edge of the Park also bears B5 zoning, as it was part of the Old Kern block, which is now the site of the new CompuWare headquarters. The remainder of the Park is without zoning as it is part of the Campus Martius district-of-way, the historic parade ground and civic assembly area.

PROPOSED SURROUNDING LAND USE AND ZONING

To the North: office, commercial retail, residential — B5

To the South: office, commercial retail — B5

To the East: office, commercial retail, surface parking, residential — B5

To the West: office, commercial retail, low grade parking — B5

BACKGROUND

In March of 2000 Mayor Archer created the Campus Martius Task Force, which was charged with developing a vision for the overall character of Campus Martius Park. The Task Force fulfilled that charge when it then moved through a selection process, whereby a design team was chosen in the summer of that year to

develop and carry out the vision. Since that time, this project has progressed through the concept, schematic and design development stages with input from the Task Force and other stakeholders including both your Honorable Body and the Commission. The project is in the final stages of construction and is scheduled for a ribbon cutting on Friday, November 19th.

The Campus Martius Park project was originally identified by Detroit 300 as one of its Legacy Projects, a permanent gift to the City marking its 300th birthday. Detroit 300 became the Detroit 300 Conservancy, and has continued to lead the funding and management efforts for the construction and maintenance of the Park. In September of 2003, your Honorable Body approved agreements with the Conservancy for the construction and operation of the Park.

REVIEW

The design of Campus Martius Park is basically the same as what was last presented to the Council in 2003. It includes the café with outdoor seating along the west side of the Park where Michigan Ave. terminates. North and south of the café are garden areas with varied plantings, including southern seating and water features. The southern edge of the Park features the relocated Soldiers and Sailors Monument with the addition of seating and water tables via a new base. North of the Monument, along the east side of the Park, is a small open lawn area and north of that, the Woodward Fountain, that will serve as the centerpiece of the Park. The Fountain will be capable of a multitude of water displays and will run at all times, even during the winter or when a platform is erected above to act as stage or to hold the City's Christmas tree. North of the Fountain will be a larger lawn panel that will convert to an ice rink during the winter months. At the center of the Park between the café and the Fountain will be pavement markings and accents denoting the City's Point of Origin — the place from which Park Woodward re-platted the City. The Park is completed by unique lighting fixtures and public art of varied scale and media placed throughout.

Under the Detroit 300 Conservancy, the Park will be open daily with access to the café, Fountain, ice-skating rink (seasonal) and other components. It will provide for everything from vending to art shows, street musicians to major concerts, and casual conversation to political speeches. In addition to housing the City's holiday tree, the park will hold the distinction of being the culmination point for the America's Thanksgiving Day Parade.

The proposed PC zoning district would provide for the Park as designed and its intended uses. While the café is not

specifically named as a use permitted on a matter of right basis in a PC zoning district, Section 112.0197 of the Zoning Ordinance provides for, "Other similar uses when found by the Planning and Development Department to be consistent with the general character of the district". The existing B5 zoning would allow for the Park, but also provides for a wide range of uses that are neither desirable nor envisioned for this site. The PR (Parks and Recreation) zoning district classification would be appropriate. However, the PR zoning district has a minimum size requirement of four acres. Likewise, the PD (Planned Development District) classification also has a minimum size standard of two acres.

CPC staff felt a more restrictive zoning district was best for this site, leaving the PC and PCA (Restricted Central Business District) zoning district classifications for consideration. Both districts make provision for civic uses and features and also require design review and approval. The PCA district allows a broader range of uses more similar to the B5 district. This factor, in conjunction with the Park's unique history, locale and similarity of activities to Hart Plaza (PC zoned), lead staff to include that the PC zoning district classification was the most appropriate for Campus Martius Park.

CPC PUBLIC HEARING RESULTS

Only one member of the public spoke at the Commission's November 4, 2004 public hearing on this matter. A representative of historic Second Baptist Church indicated that the Church had been informed earlier that it would participate in the rededication of the Soldiers and Sailors Monument but had not received any communication regarding the November 19th ceremony. Subsequent to the hearing it was clarified that though it was thought that the rededication might take place on November 19th, in fact the Monument is to be rededicated in April, 2005 and the Church is scheduled to participate.

CONCLUSIONS AND RECOMMENDATION

The City Planning Commission has completed its review of the proposed establishment of a PC zoning district for Campus Martius Park. The design features and the varied activities of the park liken it to a compressed version of the Hart Plaza. While not located in the Civic Center proper, as is Hart Plaza, the civic stature being given the Campus Martius Park and the volume of programming being put in place for it should give it equal, if not greater, significance. Although the park is small in size, the unique nature of this site, existing and future adjacent development and the City's radial street pattern give it the potential to establish itself as a town square..

The City Planning Commission finds the

character and vision of the park to be consistent with the spirit and intent of the zoning district. The PC zoning district of a very limited spectrum of allowed uses provides for review of proposed alterations which is consistent with the operating agreement between the City and the De 300 Conservancy. Therefore, Commission recommends approval of proposed zoning change and establishment of a PC zoning district for Campus Martius Park. The appropriate amendatory ordinance to effectuate this recommendation is attached for your consideration.

Honorable City Council:
Re: Sale of Property by Development Agreement. 242 Watson — Brush Park Historic District.

The Planning and Development Department (P&DD) requests approval for the sale of the referenced property to 242 Watson, LLC, for the price of \$5,000.00.

242 Watson, LLC proposes to rehabilitate 242 Watson, a vacant and currently blighted historic structure, into 15 residential living units. The Historic District commission has determined that the sale will have a beneficial effect on the District. Twenty percent (20%) of the units will be available for low/moderate income residents. The building is located in a PD-H Zoning District, which is appropriate for

the proposed use of medium density housing. The development is in accordance with the Brush Park Development Plan, Third Modification, approved by your Honorable Body on July 10, 2002. This project, when completed will yield a one million dollar investment by 242 Watson, LLC into the Brush Park Community.

We therefore request that your Honorable Body adopt the sale and authorize the Director of Development Activities or its designee, to execute an agreement to purchase and develop this property at 242 Watson, LLC.

Respectfully submitted,
HENRY B. HAGOOD

Director of Development Activities
By Council Member McPhail:

Resolved, That the offered aggregate price of \$5,000.00 plus the commitment of 242 Watson, LLC, to fully develop the property for use in connection with the Modified Development Plan (Third Modification) for the Brush Park Historic Rehabilitation Project and Brush Park Historic District Guidelines is acceptable.

Resolved, That the property to be conveyed to 242 Watson, LLC, a Michigan profit corporation, is identified as follows: Land in the City of Detroit, County of Wayne, State of Michigan being Lot 14, Block 7; "Brush Subdivision of part of Lots 14 & 15 and part of Brush Farm" recorded in Liber 2, Page 25 of Planning and Development Department Records, A.K.A. Watson, Ward 01, Item 743.

Resolved, That the Director of Planning and Development Department or the Planning and Development Department Director of Development Activities or its designee, is authorized to execute an Agreement to Purchase and Develop Land with 242 Watson, LLC, and any amendments thereto, in accordance with the terms of this resolution, the letter accompanying this resolution and, except as amended by this resolution, the resolution referred to in the letter accompanying this resolution,

Resolved, That the Director of Planning and Development Department or the Planning and Development Department Director of Development Activities or its designee, is authorized to execute deeds and other documents necessary and convenient for the consummation of this transaction pursuant to and in accordance with the Agreement to Purchase and Develop Land; and may it further be so ordered.

Resolved, That this agreement be considered confirmed when executed by the Director of the Planning and Development Department or the Planning and Development Department Director of Development Activities, or its designee, approved by the Corporation Counsel to form.

Adopted as follows:
Yeas — Council Members Bates

ckrel, Jr., S. Cockrel, Collins, Everett, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 9.

Nays — None.

Sale of Property by Development Agreement. 284 Eliot — Brush Park Historic District.

The Planning and Development Department (P&DD) requests approval for sale of the referenced property to 284 Eliot, LLC, for the price of \$10,000.00.

284 Eliot, LLC proposes to rehabilitate 284 Eliot, a vacant and currently blighted brick structure, into 6 residential living units. The Historic District Commission determined that the sale will have a beneficial effect on the District. Twenty percent (20%) of the units will be available to low/moderate income residents. The building is located in a R3-H Zoning District, which is appropriate for the proposed use. The development is in compliance with the Brush Park Development Ordinance, Third Modification, approved by your Honorable Body on July 10, 2002. The project, when completed will yield a 2.0 million dollar investment by 284 Eliot, LLC for the Brush Park Community.

We therefore request that your Honorable Body adopt the sale and authorize the Director of Development Activities, or its designee, to execute an agreement to purchase and develop this property with 284 Eliot, LLC.

TESTIMONIAL RESOLUTION FOR
NEW ST. PAUL MISSIONARY BAPTIST CHURCH
65TH ANNIVERSARY

By COUNCIL MEMBER EVERETT:

WHEREAS, On November 7, 2004, New St. Paul Missionary Baptist Church will celebrate sixty-five years of ministry, established to celebrate our Lord Jesus Christ, converting the lost, changing lives and continuing the love of Jesus Christ; and

WHEREAS, Under the leadership of Brother Walter A. West, a choir was organized, which was named "The Sacred Cross Senior Choir". The choir traveled around the City of Detroit, singing and performing the play, "The Holy City". This was the beginning of the forming of New St. Paul Missionary Baptist Church. It was suggested by Mother Dora Sanford, that a church should be organized. After conferring with Sister Eva Mae Rose about a location, a meeting was held, consisting of, Brother Oscar Swint, Mother Dora Sanford, Sister Eva Mae Rose and the late Brother W. H. Simmons. In November of 1939, service began at the home of Sister Annie Willie Coleman on the corner of Brush and Brady Streets, with the Rev. H. H. Coleman and W. R. Matthews presiding; and

WHEREAS, The church was made of sixty choir and lay members, and was named "The Sacred Cross Baptist Church", suggested by Brother Warfield and adopted from the choirs' name. The members formed a group of officers, consisting of eight members, to immediately make plans to purchase a church home, which then, was located on Superior. For six months, the Rev. C. H. Griswold was the overseer and counselor. In June of 1940, the first Pastor, Rev. Mozzelle Larry Franklin, immediately took charge and began his work of ministry. In a few months, under the tutelage of Rev. Franklin, a new church home was purchased at 5325 Hastings Street; and

WHEREAS, The church continued to

grow and many auxiliaries were formed. In 1945, Pastor Franklin organized the Young People's Church. Rev. Stacy Williams presided over the Youth Church from February 1, 1947 until August 31, 1952. By the end of 1950, the entire membership had grown to over fourteen hundred members. Throughout the years, the church continued to grow and prosper. In June 1970, the church made a transition to its present location at 2101 Lakewood, under the tutelage of Rev. Carruthers. During this period, the mortgage was paid in full and a cornerstone was laid; and

WHEREAS, After the passing of Rev. Carruthers, Rev. Albert Weathers was installed as the pastor. On January 20, 2001, Rev. Tolan J. Morgan, Sr. was elected as pastor and was installed on March 4, 2001. The church continues to grow in the Grace of Lord abundantly. NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council congratulates New St. Paul Missionary Baptist Church on celebrating sixty-five years of existence. May you continue to be a pillar in the City of Detroit and abroad.

**RESOLUTION IN MEMORIAM
 FOR**

PERRY SCHWARTZ

By COUNCIL PRESIDENT MAHAFFEY:

WHEREAS, Perry Schwartz passed away on October 17, 2004. He was the beloved husband of noted labor activist, Ethel Schwartz, and father of Joanie and Judith, and

WHEREAS, Perry Schwartz was born on April 23, 1917 and grew up in Detroit. He graduated from Cass Technical High School. He is a World War II veteran. He was assigned to the China Burma India sector, where he helped to build the pipeline that made it possible to transport supplies to the Allied forces. The work was un-glamorous but dangerous, heroic and essential to winning the fight against Japanese imperialists. He was a proud member of the Flying Tigers, and

WHEREAS, He was a steadfast supporter of labor, peace and justice issues. He was a devoted father, husband and brother who, according to his daughters, Joanie and Judy, could do and fix anything. He was notorious for his jokes and puns — some of them not so funny, but many of which were humorous gems. BE IT THEREFORE

RESOLVED, That the Detroit City Council sends its heartfelt condolences to Ethel Schwartz, Joanie and Judith, and their extended family and friends who will miss Perry. He will live on in our hearts and minds.

CITY COUNCIL

(SPECIAL SESSION)

(All action of the City Council appearing herein is subject to reconsideration and/or approval of the Mayor.)

Detroit, Monday, November 15, 2004

Mayor's Office

November 10, 2004

Honorable City Council:

Pursuant to the Rules and Order of Business of the City Council, Rule #1: I hereby call a Special Meeting of the Detroit City Council for the purposes of introducing and setting a public hearing for three (3) Proposed Ordinances: (1) to Amend Chapter 47 Providing for an Alternative Funding Mechanism for Funding Unfunded Actuarial Accrued Liability of the General Retirement System; (2) to Amend Chapter 54 to Provide for an Alternative Funding Mechanism for Funding Unfunded Actuarial Accrued Liability of the Policemen and Firemen Retirement System; and (3) to Amend Chapter 18 Authorizing the Creation of Two Nonprofit Corporations, Authorizing the Form of a Service Contract and Authorizing Hedges under the Service Contract which enable the City to utilize the Alternative Funding Mechanism.

The Aforementioned Special Meeting is scheduled for Friday, November 12, 2004 at 11:30 A.M. Your presence will be greatly appreciated.

Respectfully,
KWAME M. KILPATRICK
Mayor

Pursuant to adjournment, the City Council met at 11:30 A.M., and was called to order by the President, Honorable Maryann Mahaffey.

There being a quorum present, the Council was declared to be in session.

Finance Department

October 22, 2004

Honorable City Council:

Re: An Ordinance Providing for Alternative Funding Mechanism Funding Unfunded Actuarial Liability of the General Retirement System; An Ordinance Providing an Alternative Funding Mechanism for Funding Unfunded Actuarial Liability of the Policemen and Firemen Retirement System and An Ordinance Authorizing Creation of Two Nonprofit Corporations, Authorizing the Form of Service Contract and Authorizing Hedges under the Service Contract which Enable the City to Utilize Alternative Funding Mechanisms

Attached are three Ordinances and form of a Service Contract, which together enable the City to realize benefits from funding the existing Unfunded Actuarial Accrued Liability (UAAL) of its Retirement Systems through Alternative Funding Mechanism. UAAL is a current obligation of the City that must be paid-down over a period of 15 years. The Alternative Funding Mechanism is a part of the 2004 Budget approved by Council and provides a cost-effective alternative for the City to pay-down this obligation.

The two Ordinances that amend sections of the Code relating to the Retirement Systems establish Alternative Funding Mechanism for each of the Systems. In order to take advantage of the Alternative Funding Mechanism, the City will create one nonprofit corporation for each System — the sole purpose of each will be to assist the City in maintaining the actuarial integrity of the respective System by funding UAAL.

If the Ordinances are approved by Council, the Corporations will be promptly formed through the filing of Articles of Incorporation and the Finance Director will be authorized to enter into a separate Service Contract with each Corporation to fund all or a portion of each System's UAAL. The Board of Directors of each Corporation will proceed to perform under the Service Contract by funding the UAAL with a Funding Trust that will issue Certificates of Participation to investors.

Also included herein for informational purposes are copies of the proposed Articles of Incorporation and By-laws for each of the two Corporations and a preliminary draft of the form of a Trust Agreement establishing each Funding Trust.

Corporation Counsel has approved these Ordinances as to form. I request that all three Ordinances be introduced and a public hearing take place at the earliest possible date. I recommend

ption by your Honorable Body, with
IVER OF RECONSIDERATION at
r formal session on Wednesday,
ember 3, 2004.

Respectfully submitted,
SEAN K. WERDLOW
Chief Financial Officer

Council Member McPhail:

IS HEREBY ORDAINED BY THE
OPLE OF THE CITY OF DETROIT
AT:

Section 1. Chapter 47 of the 1984
roit City Code, be amended by amend-
Section 47-2-18 and 47-2-20, to read
ollows:

47-2-18. Method of financing.

a) *Annuity Savings Fund of the 1973
Defined Contribution Plan.*

1) The *Annuity Savings Fund* of the
3 *Defined Contribution Plan* shall be
fund in which shall be accumulated at
ular interest, the contributions of
embers to provide their annuities. At the
tion of the Member, the amount of the
ic contribution of a Member to the
ement System may be zero percent
, three percent (3%), five percent
, or seven percent (7%) of annual
mpensation. If a Member elects three
cent (3%), his or her contribution shall
that amount which is subject to tax-
nder the provisions of the *Federal
urance Contribution Act*, 26 USC 3101
et. seq. (Act), plus five percent (5%) of the
ion of annual compensation, if any,
ch exceeds the amount subject to tax-
nder that Act.

2) The contribution rate elected by the
mber under Section 47-2-18(a)(1) of
Code shall be deducted from the
mbers' compensation notwithstanding
the minimum compensation provided
law for any Member shall be reduced
leby. Payment of compensation, less
deductions, shall be a complete dis-

charge of all claims and demands what-
soever for the services rendered by the
said Member during the period covered
by such payment, except as to benefits
provided under this Article.

(3) Upon retirement of a Member with
a *Retirement Allowance*, the Member's
accumulated contributions shall be trans-
ferred from the *Annuity Savings Fund* to
the *Annuity Reserve Fund*, refunded to
the Member, or a combination thereof.

(b) *Annuity Reserve Fund.*

The *Annuity Reserve Fund* shall be the
fund from which all annuities and benefits
in lieu of annuities payable as provided in
this Article, shall be paid. If a disability
retiree is reinstated to active City service,
the retiree's *Annuity Reserve* at that time
shall be transferred from the *Annuity
Reserve Fund* to the *Annuity Savings
Fund* and credited to his or her individual
account therein.

(c) *Pension Accumulation Fund.*

The *Pension Accumulation Fund* shall
be the fund in which shall be accumulated
reserves for the pensions and other ben-
efits payable from the contributions made
by the City, and from which shall be paid
pensions and other benefits on account of
Members with prior service credit, and
Contributions as provided in this Section,
Transfers to and payments from the
Pension Accumulation Fund shall be
made as follows:

(1) Upon the basis of such mortality
and other tables of experience and
Regular Interest, as the Board shall
adopt from time to time, the Actuary shall
annually compute the amount of contribu-
tions, which, when paid made annually by
the City during the entire prospective City
service of Members without prior service
credit, will be sufficient to provide the pen-
sion reserves required at the time the
Members leave City employment, to
cover the pensions to which they might be
entitled or which might be payable
because of their City employment. Upon
the retirement of a Member without prior
service credit, or upon a Member's death
in service of duty, the *Pension
Reserve Fund* for the pension or pensions
to be paid on the Member's account shall
be transferred from the *Pension
Accumulation Fund* to the *Pension
Reserve Fund*.

(2) Upon the basis of such mortality
and other tables of experience and regu-
lar interest as the Board shall adopt from
time to time, the Actuary shall compute
annually the pension reserve liabilities for
pensions being paid to Retirees and
Beneficiaries.

(3) On an annual basis, the Board
shall ascertain and report to the Mayor
and the Council the amount of City con-
tributions due to the System. The Council
shall appropriate and the City shall pay
such contributions during the ensuing

Fiscal year. When paid, such contributions shall be credited to the *Pension Accumulation Fund*.

(4) If the amount appropriated by the City and paid to the System for any Fiscal year is insufficient to make the transfers and pay the pensions from the *Pension Accumulation Fund* as provided in this Section, the amount of such insufficiency shall be provided by the appropriating authorities of the City.

(d) *Pension Reserve Fund.*

~~The *Pension Reserve Fund* shall be the fund from which pensions shall be paid to beneficiaries. Should a Disability Retiree be reinstated to active service, the Retiree's pension reserve at that time, shall be transferred from the *Pension Reserve Fund* to the *Pension Accumulation Fund*.~~

(d) *Accrued Liability Fund.* Pursuant to Ordinance No. _____, which authorizes the creation of the *Detroit General Retirement Service Corporation*, the City has entered into a transaction (the "Pension Funding Transaction") to obtain funds as an alternative to those available through the traditional funding mechanism described above in Subsection (c). The proceeds generated by the Pension Funding Transaction (or any Additional Pension Funding Transactions, as described below) that will be deposited into the System will be termed the "Funding Proceeds." The Funding Proceeds will be deposited into a new fund in the System to be called the *Accrued Liability Fund*. The purpose of the Funding Proceeds will be to fund all or part of the heretofore unfunded actuarial accrued liability ("UAAL") of the System, as determined as of a date certain, *i.e.*, the "Determination Date," pursuant to the System's actuarial valuation as of that date. The Funding Proceeds will be assets of the System and will be applied, together with all other assets of the System, to fund the System's obligation to pay accrued benefits.

This *Accrued Liability Fund* shall contain only the Funding Proceeds of this Pension Funding Transaction, and any earnings thereon. Should the City, by future ordinance, choose to raise additional moneys by additional pension funding transactions ("Additional Pension Funding Transactions") in order to fund the then existing UAAL of the System as of a future date certain, a new and separate *Accrued Liability Fund* shall be created within the System to contain the proceeds, and any earnings thereon, of any Additional Pension Funding Transactions, and a new *Accrued Liability Fund* will be created for each successive Additional Pension Funding Transaction undertaken by the City, if any. The treatment of any Additional *Accrued Liability Fund* shall be the same as described below:

(1) The Funding Proceeds deposited in the *Accrued Liability Fund* will be subject to the oversight and investment direction of the Board of Trustees of the General Retirement System, consistent with the Board's obligations under Section 47-2-20 (Management of Funds). The Board will invest the Funding Proceeds as part of the System's overall assets. The Board will not differentiate the Funding Proceeds from other System assets for investment purposes.

(2) All interest, dividends and other income derived from the investment of the Funding Proceeds shall be credited annually to the applicable *Accrued Liability Fund* on a total System rate of return basis determined by crediting the applicable *Accrued Liability Fund* with the investment return experienced by the System total for all of its investments for the year. This shall be done by first determining the rate of return for the total assets in the System for the fiscal year, and then crediting back to each *Accrued Liability Fund* an amount that is determined by multiplying that rate of return times the balance of the *Accrued Liability Fund* as of the beginning of the fiscal year, less an amount obtained by multiplying one-half of the System's rate of return times the amount transferred to the *Pension Accumulation Fund* for that year.

As provided in Section 47-2-18(g), interest, dividends and other income derived from the investment of the Funding Proceeds deposited in the *Accrued Liability Fund* are "other moneys" the disposition of which is specifically provided for in this Article, and these moneys will not be credited to the *Income Fund*. The interest, dividends and other income derived from the investment of the Funding Proceeds deposited in the *Accrued Liability Fund* will not be credited to any Funds other than the *Pension Accumulation Fund*.

(3) Upon the creation of the *Accrued Liability Fund* and the deposit of the Funding Proceeds into the applicable *Accrued Liability Fund*, there shall be established a schedule for transferring assets of the *Accrued Liability Fund* by crediting them to the *Pension Accumulation Fund* on a regular basis over the period required to fully amortize that portion of the System's UAAL determined as of the applicable Determination Date.

The System's UAAL determined as of the applicable Determination Date shall be the "Determined Accrued Liability." The period over which the Determined Accrued Liability is to be fully amortized as specified in the System's actuarial valuation as of the applicable Determination Date, is the "Amortizing Period." The amount to be transferred each fiscal year (or monthly portion thereof) to

ension Accumulation Fund from the
rued Liability Fund is the "Scheduled
ortizing Amount."

ith respect to the Pension Funding
nsaction and any Additional Pension
ding Transactions, the Scheduled
ortizing Amount will equal a level
ercentage of the City's monthly payroll
during the fiscal year, as determined by the
City's weekly payroll reports made avail-
able to the Board. The level percentage of
the City's monthly payroll that will be used
to determine the Scheduled Amortizing
Amount will be a level percentage that is
equal to the level percentage that is spec-
ified in the actuarial valuation as of the
applicable Determination Date as being
a level percentage of the City's monthly pay-
roll required to amortize the Determined
Accrued Liability over the Amortizing
Period multiplied by a fraction. The
numerator of the fraction shall be the
amount of the applicable Funding
Proceeds up to the full amount of the
Determined Accrued Liability as of the
Determination Date. The denominator of
the fraction shall be the System's
Determined Accrued Liability on that date.

Commentary: By way of example only,
the Scheduled Amortizing Amount would
be determined as follows: (1) the
Determination Date is June 30, 2004, (2)
the Funding Proceeds are deposited into the
System during the 2004-2005 Fiscal Year,
the June 30, 2004 actuarial valuation
produced a UAAL of \$800 million, (4) the
City's contribution required to amortize
the UAAL is 16% of the City's payroll, and
the Funding Proceeds are \$600 mil-
lion, then the Scheduled Amortizing
Amount for Fiscal Year 2005-06 would be
1.6 times (\$600 million/\$800 million)
times the City's payroll for 2005-2006.
Thus, the amount would be 12% times the
City's payroll for that fiscal year.

With respect to the Pension Funding
Transaction, or any Additional Pension
ding Transactions, where the applica-
ble Determination Date occurs after the
effective date of the actuarial valuation that deter-
mines the City's contribution for the fiscal
year during which the applicable Funding
Proceeds are deposited into the System,
for such fiscal year, there will be trans-
ferred from the applicable *Accrued*
Liability Fund to the *Pension*
Accumulation Fund an amount that is
specified in such actuarial valuation as
being the City's required contribution
needed to amortize the System's UAAL
as of the date of such actuarial valuation,
multiplied by a fraction. The numerator of
the fraction shall be the amount of the
applicable Funding Proceeds up to the full
amount of the UAAL specified in such
actuarial valuation, and the denominator
of the fraction shall be the System's total
UAAL as set forth in that same actuarial
valuation.

Commentary: By way of example only,
the Scheduled Amortizing Amount in this
case would be determined as follows: (1)
the Determination Date is June 30, 2004,
(2) the Funding Proceeds had been
deposited into the System during the
2004-2005 Fiscal Year, (3) the June 30,
2003 actuarial valuation produced a
UAAL of \$733 million, (4) the City's con-
tribution required to amortize that UAAL is
13.9% of the City's payroll, and (5) the
Funding Proceeds are \$600 million, then
the Scheduled Amortizing Amount for
Fiscal Year 2004-05 would be 13.9%
times (\$600 million/\$733 million) times
the City's payroll for 2004-2005. This
would be 11.4% times the City's payroll
for that fiscal year.

Should the Board at some future time
adopt a different period for amortizing the
System's UAAL (a "Revised Amortizing
Period"), the Scheduled Amortizing
Amount for the ensuing years may change. If
the Revised Amortizing Period provides
for a longer period during which to amort-
ize the System's UAAL (i.e., an
"Extended Amortizing Period"), then the
Amortizing Period initially used to amort-
ize the applicable Determined Accrued
Liability will also be revised. There will
then be established a new schedule for
amortizing the Determined Accrued
Liability, and the Scheduled Amortizing
Amount will be based on the level per-
centage of the City's monthly payroll
being equal to what it would be if the then
unamortized balance of the Determined
Accrued Liability were re-amortized over
the Extended Amortizing Period. If the
Revised Amortizing Period is changed so
that the System's UAAL is to be amortized
over a shorter period than the one initially
used to amortize the applicable
Determined Accrued Liability, then that
Scheduled Amortizing Amount will not be
changed.

(4) Each year (or monthly portion
thereof), when the City is required to
make its regular contribution to the
System — the amount of which is to be
determined pursuant to subsection (c)
and the timing of which is set forth in
Section 47-2-19(b) — the Board will
transfer the Scheduled Amortizing
Amount from the *Accrued Liability Fund*
and credit it to the *Pension Accumulation*
Fund; provided, however, that this trans-
fer cannot occur unless and until the
Board has been notified pursuant to the
Pension Funding Transaction, or any
Additional Pension Funding Transaction,
if applicable, that the City is current on the
service payments required under the
applicable Pension Funding Transaction.

(5) Should the Scheduled Amortizing
Amount not be available for transfer
because of the City's failure to make a
timely service payment pursuant to the
applicable Pension Funding Transaction,

the Board is authorized to file a civil action against the City, as contemplated in Section 47-4-3(3), to effectuate the transfer of the Scheduled Amortizing Amount.

Should the City's Finance Director certify to the Board by a duly attested notice that the City has no available funds to make the service payments required by the applicable Pension Funding Transaction, in that specific circumstance, the Board shall be authorized to transfer the Scheduled Amortizing Amount for that fiscal year (or monthly portion thereof) to the *Pension Accumulation Fund*, absent the notice requirement set forth in Section 47-2-18(d)(4).

(6) Since the Funding Proceeds are to be considered assets of the System and are intended to fund the applicable Determined Accrued Liability, the City shall be required to make only a proportional contribution for any fiscal year (or monthly portion thereof) ending after the date the Funding Proceeds are deposited into the applicable Accrued Liability Fund, but prior to a fiscal year whose corresponding actuarial valuation includes the Funding Proceeds in the System's total assets. The proportional contribution to fund the System's then existing UAAL, if any, shall be the level percentage of the City's payroll specified in the actuarial valuation for the applicable fiscal year as the City's required contribution needed to amortize the System's then existing UAAL, multiplied by a fraction. The numerator of the fraction shall be the amount of the System's total UAAL as determined in such actuarial valuation minus the amount of the applicable Funding Proceeds, but not less than zero. The denominator of the fraction shall be the amount of the System's total UAAL in such valuation. Actuarial valuations following the deposit of the applicable Funding Proceeds into the System shall include the Funding Proceeds in the total assets of the System to determine any ensuing UAAL of the System, and the Funding Proceeds shall offset any such actuarial liability accordingly.

Commentary: By way of example only, the following indicates how the procedure described above would operate. Assume the following facts — (1) the Determination Date is June 30, 2004; (2) the June 30, 2004 actuarial valuation produced a UAAL of \$800 million and a contribution toward the UAAL of 16% of the City's payroll; (3) the Funding Proceeds were \$600 million and were deposited in the System during the 2004-2005 Fiscal Year; (4) the first actuarial valuation which included the Funding Proceeds in the System's assets was as of June 30, 2005 and (5) the June 30, 2003 valuation which determines the City's required contribution for fiscal 2004-05 produced a total UAAL of \$733 million and a contribution

toward that UAAL of 13.9% of the City's payroll. Then:

- The fiscal year ending after the date of deposit would be the year ending June 30, 2005, or the 2004-2005 Fiscal Year.

- The first fiscal year whose corresponding valuation reflected the Funding Proceeds in its assets would be the 2003-2007 year.

- Thus, the City's required UAAL contribution for fiscal 2004-2005 would be 13.9% of the City's payroll times (\$733 million — \$600 million) divided by \$800 million, or 2.5% of payroll. The City's required UAAL contribution for fiscal 2005-06 would be 16% of the City's payroll times (\$800 million — \$600 million) divided by \$800 million, or 4% of the City's payroll.

- Beginning with the Fiscal Year 2006-07, whose contribution is determined by the June 30, 2005 actuarial valuation, the City's required UAAL contribution would be the percentage of its payroll developed in the corresponding actuarial valuation that included the Funding Proceeds as being part of the System's assets.

Any contribution the City has made toward the System for any fiscal year during which the Funding Proceeds from the applicable Pension Funding Transaction have become assets of the System shall be deemed to have been made in satisfaction of its obligation to contribute an amount equal to the System's normal cost for that fiscal year, and not as payment towards any portion of its obligation to pay an amortized portion of the System's UAAL due in that fiscal year. The term "normal cost" as used in Section 47-2-18(d)(6), shall be given the generally accepted actuarial meaning.

To the extent the City's contribution for that fiscal year exceeds its required contribution for normal cost owed in that fiscal year, its excess contributions shall be deemed as having been made for the immediately following fiscal year, and shall offset the City's normal cost contribution obligation for the immediately following fiscal year.

Commentary: By way of example only, the following indicates how the procedure described in the preceding paragraph would operate. Assuming the same facts as in the prior *Commentary*, and the City contributed \$40 million for the 2004-2005 Fiscal Year and the total normal cost for that year was \$40 million:

- The entire \$40 million would be deemed as payment of the required normal cost for 2004-2005, and

- No part of the \$40 million contribution would be deemed payment toward UAAL.

Now assume that the facts remain

... but that the City had contributed a total of \$45 million for 2004-2005:

The City's total required contribution for 2004-2005 would be deemed paid in and

\$5 million, i.e., \$45 million minus \$40 million, would be deemed prepayment of the City's required normal cost for 2005-2006 and its required normal cost contribution for 2005-2006 would be reduced accordingly.

(7) The System's auditor shall verify the assets credited to the Pension Accumulation Fund and any Accrued Liability Fund at the beginning and end of each fiscal year, (b) that each Fund had not properly credited, and (c) that transferred from the Accrued Liability Fund(s) to the Pension Accumulation Fund had occurred as intended under this Section 47-2-18(d).

(3) Should the System's auditor certify that the total assets then existing in the System, not including the assets in any Accrued Liability Fund, together are insufficient to pay the benefits then due under the System, the System's auditor will then determine and certify the minimum amount needed to fund the benefits then due and owing (the "Minimum Necessary Amount"). In this limited circumstance, the Board is authorized to transfer the Minimum Necessary Amount from the Accrued Liability Fund to the Pension Accumulation Fund absent the notification required pursuant to Section 47-2-18(d)(4).

(4) At the end of the Amortizing Period, or at the end of the Extended Amortizing Period, if applicable, should there be any moneys that remain credited to the Accrued Liability Fund, the Board may transfer, at its discretion, any such remaining moneys, in whole or in part, by crediting them to the Pension Accumulation Fund. The Pension Accumulation Fund is the only Fund into which the remaining moneys credited to the Accrued Liability Fund may be transferred.

(e) Pension Reserve Fund.

The Pension Reserve Fund shall be the fund from which pensions shall be paid to beneficiaries. Should a Disability Retiree be reinstated to active service, the Pension Reserve Fund at that time, shall be transferred from the Pension Reserve Fund to the Pension Accumulation Fund.

(f) Expense Fund.

The Expense Fund shall be the fund to which shall be credited all money provided by the City to pay the administrative expenses of the Retirement System, and from which shall be paid all the expenses necessary in connection with the administration and operation of the System.

(g) Income Fund.

The Income Fund shall be the Fund to

which shall be credited all interest, dividends, and other income derived from the investments of the System (other than those derived from the investments credited to any Accrued Liability Fund), all gifts and bequests received by the System, and all other moneys the disposition of which is not specifically provided for in this Article. There shall be paid or transferred from the Income Fund, all amounts required to credit Regular Interest to the various Funds of the Retirement System, except for the Accrued Liability Fund which is to be credited with interest, dividends and other earnings pursuant to Section 47-2-18(d)(2). Whenever the balance of the Income Fund is more than sufficient to cover current charges to the fund, such excess amount may be used for contingency reserves or may be transferred to any of the other Charter-created funds of the Retirement System within this Article II except the Expense Fund, to cover special needs of the Funds as the Board shall determine; provided, however, that in determining whether the balance of the Income Fund is more than sufficient to cover current charges to the Fund, the balance credited to any Accrued Liability Fund shall not be taken into account. In the event the balance in the Income Fund is insufficient to cover the charges to the Fund, the amount of the insufficiency shall be transferred from the Pension Accumulation Fund to the Income Fund.

(g)(h) Maintenance of Reserves.

(1) The maintenance of proper reserves in the various Charter-based funds of the Retirement System within this Article II except the Expense Fund are hereby made obligations of the Pension Accumulation Fund.

(2) City contributions to the Retirement System to the extent necessary to provide pensions on account of members who are employees of a revenue-supported division of the City shall be made from the revenues of the said division. Any City contribution to the Retirement System from any Fund by law with a certain and definite purpose shall at the direction of the Finance Director, be accounted for separately.

Sec. 47-2-20. Management of Funds.

(a) Board Named Trustee for Various Funds.

The Board shall be the Trustee of the funds of the 1973 Defined Benefit/Defined Contribution (Annuity) Plan of the Retirement System. The Board shall have the full power to invest and reinvest such funds subject to all terms, conditions, limitations, fiduciary duties, and restrictions imposed by The Public Employee Retirement System Investment Act, as amended, provided, that notes, bonds, or obligations of the City shall not be subject to said restrictions or limitations. The

Board shall have the power to purchase notes, bonds, or obligations of the City before or after the same are offered to the public and with or without advertising for bids.

(b) *Purchase, sale, etc., of securities and investments.*

The Board shall have full power to hold, purchase, sell, assign, transfer, and dispose of any of the securities and investments of the Retirement System, as well as the proceeds of said investments and any moneys belonging to the System.

(c) *Annual interest.*

The Board annually shall allow ~~Regular~~ interest on the mean balance in each of the Funds of the Retirement System, except the *Income Fund* and the *Expense Fund*. The amounts so allowed shall be due and payable to said Funds, and shall be annually credited thereto from interest and other earnings on the moneys and investments of the System; provided, however, that moneys, including all investment earnings, credited to any *Accrued Liability Fund* shall not be credited to other Funds in the System, unless and until such moneys have been transferred from the applicable *Accrued Liability Fund* to the *Pension Accumulation Fund*.

(d) *Custodian of Funds.*

The City Treasurer or other person or entity designated by the Board of Trustees of the General Retirement System shall be the custodian of the Funds of the Retirement System. All payments from such Funds shall be made by the Treasurer or other designated custodian. Payments made by the *General Retirement System* shall be based upon vouchers signed by two persons designated by the Board. A duly attested copy of a resolution of the Board designating such persons and bearing upon its face specimen signatures of such persons, shall be filed with the Finance Director and the custodian of the Funds as their authority for making payments upon such vouchers. No voucher shall be drawn unless it shall have been previously authorized by a specific or continuing resolution adopted by the Board.

(e) *Available Funds shall be kept upon deposit.*

Available funds shall be kept on deposit for the purpose of meeting disbursements for pensions, annuities, and other payments.

Section 2. All ordinances, or parts of ordinances, in conflict with this ordinance are repealed.

Section 3. This ordinance is declared necessary to preserve the public peace, health, safety, and welfare of the People of the City of Detroit.

Section 4. In the event that this ordinance is approved by a two-thirds (2/3) majority of City Council Members serving,

this ordinance shall be given immediate effect and shall become effective upon publication in accordance with Section 116 of the 1997 Detroit City Charter.

By Council Member McPhail:

AN ORDINANCE to authorize the formation by the City, pursuant to the Home Rule City Act, 1909 PA 279 amended, of two non-profit corporations under the Nonprofit Corporation Act, 1982 PA 162, as amended, namely, the Detroit General Retirement System Service Corporation and the Detroit Police and Retirement System Service Corporation, by amending Chapter 18 of the 1984 Detroit City Code by adding Division 9, entitled "the Detroit Retirement System Service Corporation," consisting of Sections 11-120 through 18-5-144 to assist the City in meeting its pension obligations; to approve the form of Standard Service Contract to provide pension funding services to the City by reducing the burden of Unfunded Actuarial Accrued Liabilities (UAAL) and to authorize the City to enter into two Service Contracts for 2004 and to authorize Hedges in connection with the funding of the UAAL of the pension systems.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 18 of the 1984 Detroit City Code, be amended by adding Division 9 to Article 5 as follows:

DIVISION 9. DETROIT RETIREMENT SYSTEM SERVICE CORPORATION
Sec. 18-5-120. Legislative Findings

The Detroit City Council expressly finds and determines that:

(A) The Home Rule City Act, 1909 PA 279, at MCL 117.40(1), authorizes cities such as the City of Detroit the City to authorize the formation of a nonprofit corporation under the Nonprofit Corporation Act, 1982 PA 162, at MCL 450.2101 *et seq.*, as amended for valid public purposes of the authorizing city.

(B) Article 9, Section 24 of the 1975 Michigan Constitution obligates the

maintain the actuarial integrity of its General Retirement System (the **GRS**) and its Police and Fire Retirement System (the **PFRS**), together, the **Retirement System**.

(C) Maintaining the actuarial integrity of the Pension System is both a constitutional obligation and an important public purpose of the City.

(D) By Ordinances No. and No. (the **Alternative Funding Mechanism Ordinances**), the City has provided an alternative funding mechanism for each, respectively, of the GRS and PFRS through, an **Alternative Funding Mechanism** to provide for funding undistributed actuarial accrued liability (**UAAL**) of the GRS (**GRS UAAL**) and the UAAL of the PFRS (**PFRS UAAL** and under the GRS UAAL or the PFRS UAAL, the context may require, the **Retirement System UAAL**).

(E) The **Alternative Funding Mechanism** Ordinances are separate and distinct from this Ordinance, and this Ordinance provides only a means of funding a particular Retirement System UAAL, thereby reducing the financial burden on the City of such Retirement System UAAL.

(F) This Ordinance shall not be deemed to affect any benefits under either the GRS or the DPFS or other subsets of collective bargaining or Act 312 Pension Awards, and shall be so interpreted.

(G) The respective Retirement System's actuaries (the **Actuaries** of the respective Retirement System) estimate the GRS UAAL is \$732,958,801 and that the PFRS UAAL is \$516,076,553, with additional unrecognized market losses of, respectively, \$213,844,162 and \$7,251,711, as of their respective reports (each, an **Actuary Report**) as of June 30, 2003, with UAAL of each Retirement System expected to increase in the future.

(H) The City desires to act pursuant to the *Home Rule City Act* and authorize the formation of each Retirement Corporation with respect to each Retirement System, to be known respectively as the "**Detroit General Retirement System Service Corporation**" and the "**Detroit Police and Fire Retirement System Service Corporation**" (each, a **Corporation**), to assist the City in maintaining the actuarial integrity of the respective Retirement System through the respective **Alternative Funding Mechanism** by funding the particular Retirement System UAAL and thereby achieving financial benefits for the City.

(I) Each Corporation will be acting as an instrumentality and enterprise of the City and performing an important public purpose by assisting the City to meet its constitutional obligations with respect to

the particular Retirement System and thereby is an integral part of the City for federal income tax purposes and it is intended that the income of each Corporation will not be subject to federal income taxation or any taxation under the laws of the State of Michigan to the extent the same applies to the City.

(J) Each Corporation shall be separate and distinct from the City, and the City shall not be responsible for any debts or other obligations of either Corporation, and no such debt or obligation shall constitute "indebtedness" within the meaning of *The Home Rule City Act*.

(K) It is in the best interest of the City to obtain the services of each Corporation in connection with the **Alternative Funding Mechanism** for the respective GRS and PFRS by approving the form of service contracts between each of the Corporations and the City (each, a **Service Contract**) to be funded by means of a funding trust for the respective Retirement System (each, a **Funding Trust**) in connection therewith.

(L) It is further in the best interest of the City that it enter into two specific **Service Contracts** to fund, respectively, not more than (i) the GRS UAAL in an amount not in excess of the UAAL in the Actuary Report as of June 30, 2004, whichever is greater (**Maximum GRS UAAL**) and (ii) the PFRS UAAL in an amount not in excess of the UAAL in the Actuary Report as of June 30, 2004, whichever is greater (**Maximum PFRS UAAL**).

Sec. 18-5-121. Certain Definitions.

The following terms shall have the following respective meanings **unless** the context otherwise requires:

Accreted Value means, at any particular time, the denominations of the Capital Appreciation COPs as then created.

Capital Appreciation COPs means Zero Coupon COPs that have denominations that accrete in amount in a manner customary in municipal finance for the accretions in value of capital appreciation bonds.

Certificates, Certificates of Participation or COPs have the meaning given such terms in Sec. 18-5-132.

Costs of Issuance means (i) the expense, as an initial one-time expense, of forming each Corporation; and (ii) with respect to COPs issued to fund a particular Service Contract, all items of expense related to the authorization, sale and issuance of such COPs, which may include, but are not limited to, printing costs, costs of reproducing documents, filing and recording fees, fees and charges of the Trustee, original issue discount, legal fees and charges, underwriting fee or discount, professional consul-

tants' fees (including COPs counsel and the financial advisor to the City), costs of credit ratings, fees and charges for execution, transportation and safekeeping of such COPs, fees and charges of any Providers, and other costs, charges and fees in connection with the foregoing or in connection with the authorization, sale and issuance of such COPs then to be authenticated or delivered.

Credit Facility means any COPs insurance, letter of credit, line of credit, purchase agreement, surety bond or other financial arrangement intended to protect holders of COPs issued by the respective Funding Trust from loss arising from delinquent Service Payments. **Credit Facility** also means any financial arrangement intended to protect a Hedge Counterparty from a failure of the Corporation to timely pay Hedge Periodic Payables and Hedge Termination Payables.

Deep-Discount COPs means Zero Coupon COPs that are issued at a deep original issue discount.

Disclosure Document means any preliminary or final official statement or other disclosure document prepared for use by the Underwriters in connection with the initial public offering of COPs.

Financial Facility means, as the context may require, any Credit Facility or Liquidity Facility or any combined Credit and Liquidity Facility.

Finance Director means the Finance Director of the City of Detroit.

Hedge means any interest rate swap or other means of hedging interest rate volatility permitted under the City of Detroit Swap Management Plan.

Liquidity Facility means any letter of credit, line of credit, purchase agreement, or other financial arrangement intended to provide funds for the purchase of any COP in the event of a failure of the remarketing thereof.

Mayor means the Chief Executive Officer of the City of Detroit pursuant to Section 5-101 of the 1997 Detroit City Charter.

Ordinance when used as "this Ordinance" means this ordinance with the number in the caption hereof as originally adopted by the City and thereafter as it may be amended by ordinance of the City; *provided* that, the term "this Ordinance" does not include any amendment of this Ordinance as originally adopted affecting either Service Contract 2004 *unless* such amendment expressly so provides and then only if such amendment does not materially impair any obligations to any holders of any Certificates issued in respect of either Service Contract 2004 or the Trustee of the Funding Trust under which such Certificates were issued.

Person means any natural person,

firm, association, corporation, trust, partnership, joint venture, joint-stock company, municipal corporation, public body or other entity, however organized.

Provider means a Person obligated under a Financial Facility to make payments in respect of COPs or Authorized Hedges.

Provider Scheduled Payments means Scheduled Payments representing unpaid disbursements owing to Provider in respect of a Financial Facility and may include Service Charges to the extent required by the Provider.

Representative means the Person selected by the Financial Director as representative of the Underwriters.

Service Contract 2004 means either the GRS Service Contract 2004 or the PFRS Service Contract 2004, as the context may require. The designation "2004" is descriptive and not prescriptive and means the calendar year in which the Provider enters into the first Service Contract under the respective Retirement System.

Trustee means the Person acting as trustee of a Funding Trust.

Underwriting Agreement means the agreement between the Corporation, the City and the Underwriters for the purchase of the Certificates of Participation.

Underwriters means the Representative and other Persons identified in the Underwriting Agreement as "Underwriters."

Zero Coupon COPs means COPs that do not provide for periodic payments in respect of "interest." Zero Coupon COPs are either Capital Appreciation COPs or Deep Discount COPs.

18-5-125. Nonprofit Corporation; Authorization to Incorporate; Purpose.

A) The Mayor, or the Finance Director acting at the direction of the Mayor, is hereby authorized to incorporate or provide for the incorporation of two nonprofit corporations, respectively to be known as **"Detroit General Retirement and Fire Retirement Corporation"** and the **"Detroit Police and Fire Retirement and Fire Service Corporation,"** under the *Michigan Nonprofit Corporation Act*.
 B) Each Corporation shall be incorporated solely for the charitable purpose of

assisting the City in maintaining the actuarial integrity of the Retirement System by providing for funding of Retirement System UAAL.

Sec. 18-5-126. Nonprofit Corporation; Articles of Incorporation.

(A) The original articles of incorporation for each Corporation as filed by the incorporator shall contain provisions to the effect set forth in this Section.

(1) The Corporation is an instrumental-ity and enterprise of the City, constituting an integral part of the City in assisting it in meeting its obligations with respect to the Pension System; *provided*, however, the Corporation shall be a legal entity separate and distinct from the City, and the City shall not be responsible for any debts or other obligations of the Corporation.

(2) The Corporation shall be subject to all local, state and federal laws that apply to the City as provided in *The Home Rule City Act*, and shall be a "public body" for purposes of the *Michigan Campaign Finance Act*, 1976 PA 388, as amended, as further provided in *The Home Rule City Act*.

(3) No part of the net earnings of the Corporation shall inure to the benefit of any private shareholder or individual.

(4) The Corporation shall be organized in a directorship basis.

(5) The Corporation shall have five (5) directors to be appointed as follows:

(i) Two directors shall be members of the Detroit City Council (the "*Council*"), as selected by the Council from time to time, who shall serve as directors at the pleasure of the Council.

(ii) The following three City officers shall serve as directors of the Corporation: Finance Director, Budget Director, and Corporation Counsel, or persons serving in such positions in an interim or acting capacity.

(6) The Finance Director shall serve as president of the Corporation.

(7) Each director shall serve *ex officio* and, upon leaving the position by virtue of which such person is a director or, in the case of Council members, resigning as director or being removed or replaced as a director by Council, shall submit a written resignation or shall be deemed to have been removed. Upon such resignation or removal, such director shall no longer serve as a director of the Corporation; *provided*, however, that such director may continue as a director until a successor is selected as provided herein, if specifically authorized in writing to remain as a director by the party entitled to fill such director's position notwithstanding such resignation or removal.

(8) Upon dissolution of the Corporation, all assets of the Corporation remaining after the payment of its obligations and liabilities shall be distributed to and shall become the property of the City.

(9) No amendment of any provision required by this Ordinance to be contained in the articles of incorporation shall become effective unless approved by ordinance or resolution of the City.

(B) The original articles of incorporation as filed by the incorporator may otherwise contain such provisions as the incorporator deems necessary or desirable.

Sec. 18-5-127. Nonprofit Corporation; Dissolution by Finance Director.

When a Corporation has existed for fifteen (15) years, the Finance Director shall take appropriate action to dissolve the Corporation when it has no obligations outstanding and no COPS are outstanding if dissolution is then permitted under the *Nonprofit Corporation Act*.

Sec. 18-5-128. Nonprofit Corporation; Corporate actions requiring approval by Ordinance.

(A) Additional Provisions Required in the Articles of Incorporation.

In addition to the other provisions required by this Ordinance to appear in the original articles of incorporation of each Corporation, the original articles of incorporation as filed by the incorporator shall contain provisions to the effect set forth in this Section.

(B) Corporate Existence; Disposition of Assets.

None of the following actions by the Corporation shall be effective unless approved by ordinance or resolution of the City:

(1) Any dissolution of the Corporation other than as provided in its articles of incorporation.

(2) The liquidation of the Corporation.

(3) The merger or consolidation of the Corporation with or into any other entity, unless:

(i) the resulting or surviving entity (if other than the Corporation) is organized as an instrumentality and enterprise of the City under the *Nonprofit Corporation Act*; expressly assumes all outstanding obligations of the Corporation; and is subject to limitations to the same effect as the Corporation is subject under this Ordinance; and

(ii) Immediately after giving effect to the transaction, no default or event of default has occurred and is continuing under any agreement of the Corporation or to which its property is subject.

(4) The Corporation shall not sell all, or substantially all, of its assets in a single transaction or series of transactions; provided that, this limitation shall not apply to sales, transfers or grants of security interests in assets to obtain funding for any Retirement System UAAL.

(C) Bankruptcy.

(1) The Corporation shall not:

(i) Commence any case, proceeding

or other action or file a petition under existing or future bankruptcy, insolvency or similar law seeking (a) to adjudicate Corporation a bankrupt or insolvent, (b) have an order for relief entered with respect to the Corporation, or (c) reorganization, arrangement, adjustment, winding up, liquidation, dissolution, composition or other relief with respect to the Corporation or its obligation.

(ii) Consent to the institution of bankruptcy or insolvency proceedings against the Corporation;

(iii) Seek or consent to the appointment of a receiver, custodian, liquidator, assignee, trustee, sequestrator (or other similar official) of the Corporation or substantial part of its assets;

(iv) Except as required by law, acknowledge its inability to pay its obligations as they become due;

(v) Fail generally to pay its obligations as the same become due within the meaning of the United States Bankruptcy Code, as determined by a bankruptcy court of competent jurisdiction;

(vi) Make a general assignment for the benefit of creditors;

(vi) Authorize, take any action in furtherance of, consent to or acquiesce in any of the foregoing or any similar action or other proceedings under any United States or state bankruptcy, insolvency or similar law.

(2) If a court of competent jurisdiction determines that the Corporation notwithstanding the prohibition set forth in **paragraph (1)**, above, take an action otherwise, the Corporation shall not take any such action without it being approved by ordinance of the City.

Sec. 18-5-129. Nonprofit Corporation; Funding Trusts Established.

(A) No Funding Trust itself shall create any debt, indebtedness or other obligation of the City, whether "indebtedness" within the meaning of *The Home Rule City Act* or otherwise under Michigan law.

(B) Each Funding Trust and the Certificates of Participation issued thereunder shall contain a statement to the effect set forth in subsection (A) above, but it shall not be a violation thereof if the Funding Trust grants participation in the subject Service Contract or Service Payments to be made thereunder, and grants a security interest in any such Service Contract or such Service Payments.

Sec. 18-5-130. Nonprofit Corporation; Service Contracts; Service Contracts 2004; General Authorization.

The Finance Director is authorized to enter into Service Contracts, in the name of and on behalf of the City, with the respective Corporation to fund all or a portion of GRS UAAL (the *GRS Service Contract 2004*) and to fund all or a

of PFRS UAAL (the **PFRS Service Contract 2004**).

18-5-131. Nonprofit Corporation; Service Contract 2004.

(A) The General Terms and Conditions Retirement System Service Contracts the City of Detroit (the **Service Contract General Terms**) shall be in substantially the form submitted with this ordinance with such changes as may be approved by the Finance Director.

(B) Service Contract 2004 shall incorporate the Service Contract General Terms by reference, and the General Terms of Service Contract 2004 shall be in substantially the form submitted with this ordinance with such changes or additions that may be approved by the Finance Director.

18-5-132. Nonprofit Corporation; Service Contract 2004; Changes and Additions.

The changes or additions to the form of Service Contract 2004 is subject to the limitations contained in this Section and other Sections of this Ordinance.

(1) The UAAL that may be funded pursuant to the respective Service Contract 2004 (**Subject UAAL**) shall not exceed:

(a) In the case of the GRS Service Contract 2004, the amount of GRS UAAL determined by the Finance Director not in excess of the Maximum GRS UAAL;

(b) In the case of the PFRS Service Contract 2004, the amount of PFRS UAAL as determined by the Finance Director not in excess of the Maximum PFRS UAAL.

(2) Each Service Contract 2004 shall provide for payments to be made by the Corporation in reducing the present and future costs of the respective Subject UAAL. These payments (**Contract Payments**) consist of (i) Service Payments (described in **paragraph 3(a)**) and (ii) Additional Service Payments (described in **Sec. 18-5-134**).

(3) Service Payments (**Service Payments**) consist of the following:

(a) amounts to be paid in installments (**Scheduled Payments**) representing in aggregate the amount of the Subject UAAL and any additional amounts permitted by **Sec. 18-5-133(a)(1)** subject to the limitations contained in **Sec. 18-5-133(a)(2)** through (5);

(b) amounts payable periodically (**Service Charges**) sufficient to pay periodic expenses (**Funding Costs**), incurred by the respective Funding Trust in funding the Subject UAAL and the additional amounts referred to in clause (i) above calculated in the same manner as interest (a **Funding Rate**) on the outstanding Scheduled Payments, *subject to*

the limitations contained in **Sec. 18-5-133(b)**; and

(iii) such periodic amounts (**Hedge Periodic Payables**) and termination payments (**Hedge Termination Payables**), as may become payable by the Corporation in accordance with any Authorized Hedge.

(4) Each Service Contract 2004 shall permit the sale of participation interests under the respective Funding Trust in such Service Contract 2004 and in the Service Payments of the City to be made thereunder in the form of Certificates of Participation.

Sec. 18-5-133. Nonprofit Corporation; Service Contract 2004; Limitations on Service Payments.

(A) Scheduled Payments

(1) In addition to the amount of the Subject UAAL, the aggregate amount of Scheduled Payments may include amounts, not in excess of seven percent (7%) of Subject UAAL acceptable to the Finance Director, in connection with the Corporation funding its obligations under the Service Contract through the issuance of COPs, including: Costs of Issuance, prefunded Service Charges, a reserve against delinquent Service Payments, Underwriters' Discount *plus* accretions in connection with any Capital Appreciation COPs *so long as* the Accreted Value of Capital Appreciation COPs does not result in such COPs having a yield-to-maturity (computed in accordance with customary municipal finance practice) that exceeds the Maximum Funding Rate.

(2) Scheduled Payments shall be paid over a period of not more than fifteen (15) years, as determined by the Finance Director, *provided that*, such period may be extended to not in excess of any extension authorized by the Board of the particular Retirement System amortizing period.

(3) Scheduled Payments may be prepaid in accordance with a schedule of mandatory prepayment installments (**Sinking Fund Installments**) as determined by the Finance Director.

(4) Provider Scheduled Payments may be subject to such mandatory prepayment as may be required by the respective Provider (**Provider Prepayments**).

(5) Except for Sinking Fund Installments and Provider Prepayments, no Scheduled Payment shall be subject to mandatory prepayment or acceleration; *provided that*, nothing in this prohibition shall prohibit the payment of amounts necessary to purchase COPs with a mandatory or optional tender option feature.

(B) Service Charges

(1) No Service Charge shall be based on a Funding Rate (expressed as an annual percentage) rate in excess of the

maximum rate permitted by law (the **Maximum Funding Rate**).

(2) Funding Rates may be fixed or variable (or any combination of fixed or variable) and if variable may be determined by Dutch auction, index (such as the London Interbank Offered Rate or "LIBOR") or by remarketing or any other means customarily used to determine variable rates in municipal finance (**Funding Rate Methodology**).

(3) It is not required that Service Charges for all installments of Scheduled Payments under a Service Contract 2004 be computed on the basis of one Funding Rate or under one Funding Rate Methodology. Service Charges with respect to different installments of Scheduled Payments under a Service Contract 2004 may be computed under a different Funding Rate or Funding Rate Methodology *subject* in all cases to **paragraph B(1)** above.

(4) Service Charges may provide for a rate or rate methodology required by a Provider (a **Provider Rate**) to compensate it for any unrepaid disbursements in respect of its Financial Facility. A Provider Rate shall not exceed the maximum rate permitted by law.

(5) Each Service Contract 2004 may provide that Funding Costs of the Corporation shall be the Provider Rate with respect to Service Payments representing unrepaid amounts in respect of the Financial Facility and that the relevant Service Charges shall be adjusted accordingly.

Sec. 18-5-134. Nonprofit Corporation; Service Contract 2004; Additional Service Payments.

Each Service Contract 2004 may provide for the following in addition to the Service Payments (**Additional Service Payments**):

(1) Periodic amounts equal to customary trustee fees and expenses to compensate each Trustee of a Funding Trust;

(2) Periodic amounts equal to customary fees of remarketing agents, auction agents and broker-dealers if the Finance Director determines that it is in the best interest of the City that some or all of the COPs are of the variable rate type.

(3) Periodic amounts equal to customary fees and expenses of a Provider or Providers if the Finance Director determines that it is in the best interest of the City that some or all of the COPs have the benefit of a Financial Facility provided by any such Provider;

(4) Periodic amounts for the general administration of the Corporation.

Sec. 18-5-135. Nonprofit Corporation; Service Contract 2004; Hedge Provisions.

(A) No Service Contract shall provide for Service Payments based on payments in respect of a Hedge other than an

Authorized Hedge.

(B) A Service Contract 2004 shall contain provisions to the following effect: such Service Contract 2004 provides for Service Payments in respect of an Authorized Hedge:

(1) Any amount due the respective Corporation as a periodic payment of Service Charges shall be offset by the amount (a **Hedge Periodic Receipt**) received by the Trustee on behalf of the Corporation as a correlative periodic payment from the counterparty to the Hedge (the **Hedge Counterparty**) to the extent the City is otherwise current in making Service Payments.

(2) Payments of Hedge Periodic Payments and Hedge Termination Payments shall be made by the City to the Trustee on behalf of the respective Corporation to the amounts and on the due dates thereof.

(3) Any amount received by the Trustee on behalf of the Corporation as a Termination Payment from the Hedge Counterparty (a **Hedge Termination Receipt**) shall be paid to the City to the extent the City is current in making Service Payments.

Sec. 18-5-136. Nonprofit Corporation; Service Contract 2004; Financial Facilities.

If the Finance Director determines that one or more Financial Facilities will result in more favorable terms to the City, the Finance Director is authorized to sign a Service Contract on behalf of the Corporation containing provisions with respect to such Financial Facility.

Sec. 18-5-137. Nonprofit Corporation; Service Contract 2004; Hedge Express Approval.

Such instruments as are acceptable to the Finance Director as being in accordance with **Sec. 18-5-139** shall constitute a Hedge (an **Authorized Hedge**) in which the City may make Service Payments under a Service Contract 2004. One or more Authorized Hedges are permitted for each Service Contract 2004 with Hedge Counterparties selected by the Finance Director.

Sec. 18-5-138. Nonprofit Corporation; Service Contract 2004; Hedge References to Act 34 and Swap Management Plan.

(A) The City Council recognized that neither the *Revised Municipal Finance Act*, being 2001 PA 34, as amended (the **Act 34**), nor the *City of Detroit, Michigan Swap Management Plan* as adopted November 26, 2002, as the same may thereafter amended (the **Swap Management Plan**), is applicable to the Corporation; however, since a Service Contract 2004 will obligate the City to make payments correlative to payments made by the Corporation under an Authorized Hedge, the City has de-

ed to generally apply criteria of Act 34 to the Swap Management Plan as a prudential matter as they relate to Hedged Hedges.

B) The use of Act 34 and the Swap Management Plan as prudential criteria shall not make or be interpreted to make Act 34 or the Swap Management Plan inapplicable to the Corporation or its transactions as a matter of law.

Sec. 18-5-139. Nonprofit Corporation; Service Contract 2004; Hedges; Requirements.

A) Counterparty. The counterparty shall meet the applicable requirements of Act 34.

B) Term. The term of the Hedge shall not extend beyond the due date of the last Scheduled Payment installment.

C) Notional Amount. The notional amount shall not exceed the aggregate amount of the Scheduled Payments.

D) Corporation Rate. The rate payable by the Corporation shall not exceed the Maximum Funding Rate.

E) Counterparty Rate. The rate payable by the counterparty shall not unduly expose the Corporation to material basis risk in the opinion of the Finance Director.

F) Termination. The termination amounts shall be customary for interest rate swaps of the nature of the Hedge and shall comply with the Swap Management Plan.

G) Compliance. The Hedge shall conform to the requirements of Act 34 and comply with the Swap Management Plan in all material respects.

Sec. 18-5-140. Nonprofit Corporation; Service Contract 2004; Hedges; Risk Acknowledgment.

A) Hedges have inherent risks. Inherent risk that are generally recognized and reasonably foreseen are set forth in the Swap Management Plan as previously approved by the City Council. The evaluation of risks necessarily involves expectations and assumptions about future events, which by their nature are uncertain and may not occur as anticipated. Furthermore, unforeseen events may occur which may have material adverse effects on present expectations and assumptions. Hence, there can be no assurance that all risks, regardless of their materiality or other unforeseeability, have been evaluated.

B) Subject to the limitations in any risk management plan, the City Council expressly acknowledges the risks associated with each Authorized Hedge.

C) The City Council understands that in order to prudently manage Service Contract charges and reduce Funding Cost volatility, a Service Contract 2004 may obligate the City to make Service Payments in respect of Hedge Periodic Payables and Hedge Termination Payables even

though, due to events beyond the control of the City or the Corporation, the Subject UAAL is not funded.

Sec. 18-5-141. Nonprofit Corporation; Service Contract 2004; Public Offering of Certificates of Participation; Underwriting Agreement.

(A) Since the public offering of the COPs is for the benefit of the City, the Finance Director shall make the City a party to the Underwriting Agreement by executing it in the name and on behalf of the City.

(B) The City shall not be a party to the Underwriting Agreement if it provides for compensation to underwriters in excess of one percent (1%) of the aggregate amount of Scheduled Payments (Underwriters' Discount) or if the original issue discount in connection with the initial public offering of any COP is greater than ten percent (10%) except in the case of Deep Discount COPs.

(C) The original issue discount for any Deep Discount COPs shall not result in such Deep Discount COPs having a yield-to-maturity (computed in accordance with customary municipal finance practice) that exceeds the Maximum Funding Rate.

(D) An Underwriting Agreement may provide for liquidated damages payable by the City in the event the closing conditions required to be satisfied by either the City or the Corporation are not satisfied. If a good faith check in the amount of the liquidated damages payable by the Underwriters is required to be provided by the Representative, then such good faith check shall be payable to the order of the City.

Sec. 18-5-142. Disclosure Information.

(A) The Finance Director is authorized to prepare or cause the preparation of information relating to the City (the City Information) for inclusion in the Disclosure Document; to deem the City Information "final" for purposes of Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities and Exchange Act of 1934, as amended (the Rule); and to sign the City Information in the name of and on behalf of the City.

(B) The Finance Director may authorize the distribution of the City Information by the Underwriters in connection with the initial public offering of the COPs.

Sec. 18-5-143. Continuing Disclosure.

The Finance Director may enter into a Continuing Disclosure Agreement in the name of and on behalf of the City and respect to the City Information in customary form in order to permit the Underwriters and other Persons subject to the Rule to comply therewith in connection with the purchase and sale of COPs.

Sec. 18-5-144. Actions on Behalf of the City.

In addition to the authority herein

expressly granted to the Finance Director, the Finance Director is hereby authorized and directed to do all things and take all actions necessary or desirable to consummate the other transactions contemplated by this Ordinance.

Section 2. If any word, clause, sentence, paragraph, provision, or section of this ordinance is invalidated by any Court of competent jurisdiction, the remaining words, clauses, provisions, paragraphs, and sections shall not be affected and shall continue in full force and effect.

Section 3. All ordinances, or parts of ordinances, in conflict with this ordinance are repealed.

Section 4. This ordinance is declared necessary to preserve the public peace, health, safety, and welfare of the People of the City of Detroit.

Section 5. In the event that this ordinance is approved by a two-thirds (2/3) majority of City Council Members serving, this ordinance shall be given immediate effect and shall become effective upon publication in accordance with Section 4-116 of the 1997 Detroit City Charter.

By Council Member McPhail:

AN ORDINANCE to amend certain provisions of Chapter 54 of the 1964 Detroit City Code and certain sections of Title 9, Chapter 7, Article I-IX of the 1918 Detroit City Charter, which pursuant to Section 11-102 of the 1997 Detroit City Charter and Section 47-1-1 of the 1984 Detroit City Code, as amended; incorporates by reference and saves from repeal certain ordinances contained in the 1964 Detroit City Code and certain provisions contained in the 1918 Detroit City Charter regarding the *Policemen and Firemen Retirement System* of the City of Detroit, by amending Title 9, Chapter 7, Article VII, Sections 6 and 7 and Title 9, Chapter 7, Article VIII, Section 3 of the 1918 City Charter; by adding Sections 54-43-1 to establish and rename the *Policemen and Firemen Retirement System*, by amending Section 54-43-4; by renumbering the current Section 54-43-4 as Section 54-43-5, and the current Section 54-43-5 as 54-43-6 of the 1964 City Code; and by adding

new Sections 54-43-4 and Section 54-43-7 to the 1964 City Code to provide for an alternative funding mechanism with respect to the City's obligations to make annual contributions to fund the benefits available under the *Policemen and Firemen Retirement System* in accordance with Article 9, Section 23 of the 1964 Michigan Constitution and Section 1140m of the *Public Employment Retirement System Investment Fund*, MCL 38.1140m. This Ordinance does not intend to and does not rescind any substantive rights, entitlements or obligations with respect to benefits earned or accrued of members, retirees or beneficiaries of the *System*. This Ordinance does not supersede any conflicting provisions of any collective bargaining agreements, or Act 312 Arbitration Awards.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 54, Chapter II of the 1964 Detroit City Code, which is saved from repeal by Section 11-102 of the 1997 Detroit City Charter and Section 47-1-1 of the 1984 Detroit City Code, is amended by adding Section 54-43-1 to establish and rename the *Policemen and Firemen Retirement System*; by amending Section 54-43-4; by renumbering the current Section 54-43-4 as Section 54-43-5 and the current Section 54-43-5 as 54-43-6 of the 1964 City Code; and by adding new Sections 54-43-4 and 54-43-7 to read as follows:

Sec. 54-43-1. Police and Fire Retirement System established; Renamed

A Pension System for employees of the City of Detroit Police and Fire Department is hereby established for the purpose of providing retirement allowances, death and survivor benefits for eligible police and employees and their beneficiaries. The effective date of this System is July 1, 1997. Upon the effective date of this Ordinance the former *Policemen and Firemen Retirement System* shall be called the *Police and Fire Retirement System*.

Sec. 54-43-4. Contributions to ~~payments from pension accumulation fund.~~ Alternative Financing Method.

Except as provided regarding the *Survivors Benefit Fund*, the *Pension Accumulation Fund* shall be the Fund which shall be accumulated reserves the pensions and other benefits payable from contributions made by the City, from which transfers shall be made as provided in this section. Contributions to ~~payments from the pension accumulation fund shall be made as follows:~~

(a) Upon the basis of such assumptions as to future financial experience

board of trustees shall from time to time adopt, the actuary shall annually compute the city's contribution, expressed as a percent of active member contributions, to provide the pension reserves covering the pensions of other city financed efforts to which members might be entitled or which might be payable at the time of their discontinuance of city employment; provided, such contribution percentages shall not be less than amounts which, expressed as percents of active member compensations, will remain level from generation to generation of Detroit members. Upon the retirement or death of a member, the pension reserve for any benefit payable on his behalf shall be transferred from the pension accumulation fund to the pension reserve fund, to the extent there are assets in the pension accumulation fund.

(a) Accrued Liability Fund. Pursuant to Ordinance No. _____, which authorizes the formation of the Detroit Police and Fire Retirement System Service Corporation, the City has entered into a transaction (a "Pension Funding Transaction") to invest in funds as an alternative to those available through the traditional funding mechanism described in Section 54-43-5. The proceeds generated by the Pension Funding Transaction (or any Additional Pension Funding Transaction, as described below) that will be deposited into the System will be termed the "Funding Proceeds." The Funding Proceeds will be deposited into a new fund in the System to be called the Accrued Liability Fund. The purpose of the Funding Proceeds will be to fund all or part of the heretofore unfunded accrued liability ("UAAL") of the System, as determined as of a date certain, *i.e.*, the "Termination Date," pursuant to the System's actuarial valuation as of that date. The Funding Proceeds will be assets of the System and will be applied, together with all other assets of the System, to fund the System's obligation to pay required benefits.

The Accrued Liability Fund shall contain only the Funding Proceeds of the Pension Funding Transaction, and any earnings thereon. Should the City, by any ordinance, choose to raise additional monies by additional pension funding transactions ("Additional Pension Funding Transactions") in order to fund the then existing UAAL of the System as of a future date certain, a new and separate Accrued Liability Fund shall be created within the System to contain the proceeds, and any earnings thereon, of any Additional Pension Funding Transactions, and a new Accrued Liability Fund will be created for each successive Additional Pension Funding Transaction entered into by the City, if any. The treatment of any Additional Accrued Liability Funds shall be

the same as described below.

(b) The board of trustees shall annually ascertain and report to the mayor and the council the amount of contributions due to the retirement system by the city, and the council shall appropriate and the city shall pay such contributions to the retirement system during the ensuing fiscal year. When paid, such contributions shall be credited to the pension accumulation fund.

(b) The Funding Proceeds deposited in the applicable Accrued Liability Fund will be subject to the oversight and investment direction of the Board of Trustees of the Police and Fire Retirement System, consistent with the Board's obligations under Article VIII (Management of Funds). The Board will invest the Funding Proceeds as part of the System's overall assets, and will not differentiate the Funding Proceeds from other System assets for investment purposes.

(c) All interest, dividends and other income derived from the investment of the Funding Proceeds shall be credited annually to the Accrued Liability Fund on a total System rate of return basis, determined by crediting the applicable Accrued Liability Fund with the investment return experienced by the System in total for all of its investments for the year. This shall be done by first determining the rate of return for the total assets of the System for the fiscal year, and then crediting back to each Accrued Liability Fund an amount that is determined by multiplying that rate of return times the balance in the Accrued Liability Fund as of the beginning of the fiscal year.

The interest, dividends and other income derived from the investment of the Funding Proceeds deposited in any Accrued Liability Fund will not be credited to any Funds other than the Pension Accumulation Fund. Moreover, because the Accrued Liability Fund has been impressed with a certain and definite purpose, it shall be accounted for separately as provided for in Section 54-43-8, Maintenance of Reserves.

(d) Upon the creation of an Accrued Liability Fund and the deposit of the Funding Proceeds into the applicable Accrued Liability Fund, there shall be established a schedule for transferring assets of the applicable Accrued Liability Fund by crediting them to the Pension Accumulation Fund on an annual basis over the period required to fully amortize the System's UAAL determined as of the applicable Determination Date.

The System's UAAL determined as of the Determination Date shall be the "Determined Accrued Liability." The period over which the Determined Accrued Liability is to be fully amortized, as specified in the System's actuarial valuation as of the applicable Determination Date, is

the "Amortizing Period." The amount to be transferred each fiscal year to the *Pension Accumulation Fund* from the *Accrued Liability Fund* is the "Scheduled Amortizing Amount."

With respect to the Pension Funding Transaction and any Additional Pension Funding Transactions, the Scheduled Amortizing Amount will equal a level percentage of the City's payroll for each fiscal year. The level percentage of the City payroll that will be used to determine the Scheduled Amortizing Amount be a level percentage that is equal to the percentage that is specified in the actuarial valuation as of the applicable Determination Date as being the percentage of City's annual payroll required to amortize the Determined Accrued Liability over the Amortizing Period, multiplied by a fraction. The numerator of the fraction shall be the amount of the applicable Funding Proceeds up to the full amount of the Determined Accrued Liability as of the Determination Date. The denominator of the fraction shall be the System's Determined Accrued Liability on that date.

Commentary: By way of example only, the Scheduled Amortizing Amount would be determined as follows: (1) the Determination Date is June 30, 2004, (2) the Funding Proceeds are deposited into the System during the 2004-2005 Fiscal Year, (3) the June 30, 2004 actuarial valuation produced a UAAL of \$600 million, (4) the City's contribution required to amortize that UAAL is 21% of the City's payroll, and (5) the Funding Proceeds are \$400 million, then the Scheduled Amortizing Amount for Fiscal Year 2005-06 would be 21% times (\$400 million/\$600 million) times the City's payroll for 2005-2006. This would be 14% times the City's payroll for that fiscal year.

With respect to the Pension Funding Transaction or any Additional Pension Funding Transactions, where the applicable Determination Date occurs after the date of the actuarial valuation that determines the City's contribution for the fiscal year during which the applicable Funding Proceeds are deposited into the System, for each fiscal year, there will be transferred from the applicable *Accrued Liability Fund* to the *Pension Accumulation Fund*, an amount that is specified in such actuarial valuation as being the City's required contribution needed to amortize the System's UAAL as of the date of such actuarial valuation, multiplied by a fraction. The numerator of the fraction shall be the amount of the applicable Funding Proceeds up to the full amount of the UAAL specified in such actuarial valuation, and the denominator of the fraction shall be the System's total UAAL as set forth in that same actuarial valuation.

Commentary: By way of example only, the Scheduled Amortizing Amount in this

case would be determined as follows: (1) the Determination Date is June 30, 2004, (2) the Funding Proceeds had been deposited into the System during the 2004-2005 Fiscal Year, (3) the June 30, 2004 actuarial valuation produced a UAAL of \$516 million, (4) the City's contribution required to amortize that UAAL is 19.07% of the City's payroll and (5) the Funding Proceeds are \$400 million, then the Scheduled Amortizing Amount for the System 2004-2005 would be 19.07% times (\$400 million/\$516 million) times the City's payroll for 2004-2005. This would be 14.77% times the City's payroll for that fiscal year.

Should the Board at some future time adopt a different period for amortizing the System's UAAL (a "Revised Amortizing Period"), the Scheduled Amortizing Amount for ensuring years may change. The Revised Amortizing Period provided for a longer period during which to amortize the System's UAAL (*i.e.*, "Extended Amortizing Period"), then the Amortizing Period initially used to amortize the applicable Determined Accrued Liability will also be revised. Thereafter, then be established a new schedule for amortizing the Determined Accrued Liability and the Scheduled Amortizing Amount will be based on the level percentage of the City's payroll being equal to what it would be if the then unamortized balance of the Determined Accrued Liability were re-amortized over the Extended Amortizing Period. If the Revised Amortizing Period is changed to a shorter period than the one initially used to amortize the applicable Determined Accrued Liability, then the Scheduled Amortizing Amount will not be changed.

(e) Each year, when the City is required to make its annual contribution to the System — the amount of which shall be determined pursuant to Section 54-43-5 and the timing of which is set forth in Section 54-43-5(b) — the Board shall transfer the Scheduled Amortizing Amount from the *Accrued Liability Fund* and credit it to the *Pension Accumulation Fund*; provided, however, that this transfer cannot occur unless and until the Board has been notified pursuant to the Pension Funding Transaction, or any Additional Pension Funding Transaction, that the City is current on the service payments required under the applicable Pension Funding Transaction.

(f) Should the Scheduled Amortizing Amount not be available for transfer because of the City's failure to make timely service payment as required by the applicable Pension Funding Transaction, the Board is authorized to file a civil action against the City, as contemplated in Section 54-43-10, to effectuate the transfer.

of the Scheduled Amortizing Amount. The Board shall be authorized to transfer the Scheduled Amortizing Amount for that fiscal year to the *Pension Accumulation Fund*, absent the notice requirement set forth in Section 54-43-4(e).

(j) Since the Funding Proceeds are to be considered assets of the System and are intended to fund the applicable Unamortized Accrued Liability, the City shall be required to make only a proportional contribution for any fiscal year ending after the date the Funding Proceeds are deposited into the applicable *Accrued Liability Fund*, but prior to a fiscal year whose corresponding actuarial valuation includes the Funding Proceeds in the System's total assets. The proportional contribution to fund the System's then existing UAAL, if any, shall be the level percentage of the City's payroll specified in the actuarial valuation for the applicable fiscal year as the City's required contribution needed to amortize the System's then existing UAAL, multiplied by a fraction. The numerator of the fraction shall be the amount of the System's total UAAL determined in such actuarial valuation minus the amount of the applicable Funding Proceeds, but not less than zero. The denominator of the fraction shall be the amount of the System's total UAAL in that valuation. Actuarial valuations following the deposit of the applicable Funding Proceeds into the System shall include the Funding Proceeds in the total assets of the System to determine any existing UAAL of the System, and the Funding Proceeds shall offset any such actuarial liability accordingly.

Commentary: By way of example, the following indicates how the procedure described above would operate. Assuming the following facts — (1) the Determination Date was June 30, 2004, (2) the June 30, 2004 actuarial valuation produced a UAAL of \$600 million and a contribution toward the UAAL of 21% of the City's payroll, (3) the Funding Proceeds were \$400 million and were deposited in the System during the 2004-2005 Fiscal Year, (4) the first actuarial valuation which included the Funding Proceeds in the System's assets was as of June 30, 2005, (5) the June 30, 2003 valuation which determines the City's required contribution for fiscal 2004-05 produced a total UAAL of \$516 million and a contribution toward that UAAL of 19.07% of the City's payroll. Then:

The fiscal year ending after the date of deposit would be the year ending June

30, 2005, or the 2004-2005 Fiscal Year.

- The first fiscal year whose corresponding valuation reflected the Funding Proceeds in its assets would be the 2006-2007 year.

- Thus, the City's required UAAL contribution for fiscal 2004-2005 would be 19.07% of the payroll times (\$516 million — \$400 million) divided by \$516 million, or 4.3% of payroll. The City's required UAAL contribution for fiscal 2005-06 would be 21% of payroll times (\$800 million — \$400 million) divided by \$600 million, or 7% of the City's payroll.

- Beginning with the Fiscal Year 2006-2007, whose contribution is determined by the June 30, 2005 actuarial valuation, the City's required UAAL contribution would be the percentage of payroll developed in the corresponding actuarial valuation that included the Funding Proceeds as being part of the System's assets.

Any contribution the City has made to the System for any fiscal year prior to the date the Funding Proceeds from any applicable Pension Funding Transaction have become assets of the System. Where the amount of the contribution is equal to or less than the normal cost of that fiscal year it shall be deemed to have been made in satisfaction of the City's obligation to contribute an amount equal to the System's normal cost for that fiscal year, and not as payment towards any portion of its obligation to pay an amortized portion of the System's UAAL due in that fiscal year. The term "normal cost" as used in this Section 54-43-4(g), shall be given its generally accepted actuarial meaning.

To the extent the City's contribution for that fiscal year exceeds its required contribution for the normal cost owed in that fiscal year, its excess contributions shall be deemed as having been made for that immediately following year, and shall offset the City's normal cost contribution obligation for the immediately following fiscal year.

Commentary: By way of example, the following indicates how the procedure described in the preceding paragraphs would operate. Assuming the same facts as in the prior *Commentary*, and the City contributed \$40 million for the 2004-2005 Fiscal Year and the total normal cost for that year was \$40 million:

- The entire \$40 million would be deemed as payment of the required normal cost for 2004-2005, and

- No part of the \$40 million contribution would be deemed payment toward UAAL, as no UAAL contribution is required for that year.

Now assume that the facts remain the same, but that the City had contributed a total of \$45 million for 2004-2005:

- The City's total required contribution for 2004-2005 would be deemed paid in

full, and

• \$5 million, *i.e.*, \$45 million minus \$40 million, would be deemed prepayment of the City's required normal cost for 2005-2006 and its required normal cost contribution for 2005-2006 would be reduced accordingly.

(h) The System's auditor shall verify (a) the assets credited to the Pension Accumulation Fund and any *Accrued Liability Fund* at the beginning and end of each fiscal year, (b) that each Fund had been properly credited, and (c) that transfers from the *Accrued Liability Fund(s)* to the *Pension Accumulation Fund* had occurred as intended, under this Section 54-43-4.

(i) Should the System's auditor certify that the total assets then remaining in the System, not including the assets in any *Accrued Liability Fund*, together are insufficient to pay the benefits then currently due under the System, the System's auditor will then determine and certify the minimum amount needed to fund the benefits then due and owing (the "Minimum Necessary Amount"). In this limited circumstance, the Board is authorized to transfer the Minimum Necessary Amount from the *Accrued Liability Fund* to the *Pension Accumulation Fund* absent the notification pursuant to Section 54-43-4(4)(e).

At the end of the Amortizing Period, or the end of the Extended Amortizing Period, if applicable, should there be any moneys that remain credited to the *Accrued Liability Fund*, the Board may transfer, at its discretion, any such remaining funds, in whole or in part, by crediting them to the *Pension Accumulation Fund*. The *Pension Accumulation Fund* is the only Fund into which the remaining moneys credited to any *Accrued Liability Fund* may be transferred.

Sec. 54-43-5. ~~Retireants paid from pension reserve fund; reinstatement of retireants to active service.~~

~~Except as to the survivor's benefit fund, the pension reserve fund shall be the fund from which shall be paid pensions on account of members. Should a disability retireant be reinstated to active service, his pension reserve, at that time, shall be transferred from the pension reserve fund to the pension accumulation fund.~~ Repealed.

Sec. 54-43-45. Contributions to any payments from Pension Accumulation Fund.

Contributions to and payments from the *Pension Accumulation Fund* shall be made as follows:

(a) Upon the basis of such assumptions as to future financial experiences as the Board of Trustees shall from time to time adopt, the Actuary shall annually compute the City's contribution,

expressed as a percent of active member contributions, to provide the pension reserves covering the pensions or other City-financed benefits to which members might be entitled or which might be payable at the time City employment terminated; provided, such contribution percentages shall not be less than the amounts which, expressed as percentages of active member compensation, will remain level from generation to generation of Detroit citizens. Upon the retirement or death of a member, the pension reserve for any benefits payable on the member's behalf shall be transferred from the *Pension Accumulation Fund* to the *Pension Reserve Fund*, to the extent assets are available in the *Pension Accumulation Fund*.

(b) The Board of Trustees shall annually ascertain and report to the Mayor and the Council the amount of contributions due the Retirement System by the City and the Council shall appropriate and the City shall pay such contributions to the Retirement System during the ensuing Fiscal Year. When paid, such contributions shall be credited to the *Pension Accumulation Fund*.

Sec. 54-43-6. Retiree payments from Pension Reserve Fund; Reinstatement of Disability Retirees to active service.

Except as to the *Survivor's Benefit Fund*, the *Pension Reserve Fund* shall be the fund from which shall be paid pensions on account of members. Should a Disability Retiree be reinstated to active service, the member's pension reserve at that time, shall be transferred from the *Pension Reserve Fund* to the *Pension Accumulation Fund*.

Sec. 54-43-7. Appropriations.⁷

(a) The Board shall certify the amount of the appropriations necessary to pay various Funds of the System the amounts payable by the City as enumerated in Article, according to legal budget procedures.

(b) To cover the requirements of the System temporarily, such amounts shall be necessary to cover the needs of the System shall be paid into the *Pension Accumulation Fund* and the *Expense Fund* by special appropriations or transfers to the System; provided, however, that no transfers can be made from the *Accrued Liability Fund* other than the annual transfer of the Scheduled Amortizing Amount, or transfers under special circumstances pursuant to Sections 54-43-4(f) and (i).

Sec. 54-43-8. Maintenance of reserves.

The maintenance of the annuity reserves in the *Annuity Reserve Fund* and the pension reserves in the *Pension Reserve Fund* are hereby made obligations of the *Pension Accumulation Fund*.

income, interest, and dividends received from deposits and investments authorized by this ordinance, excluding amounts credited to the Accrued Liability Fund, which are not required for allowance of interest to the funds of the System as provided herein, shall be allotted to the Pension Accumulation Fund. The moneys credited to the Accrued Liability Fund shall be credited to the Pension Accumulation Fund only to the extent of the annual transfer of the scheduled Amortizing Amount or the special circumstance transfers authorized pursuant to Sections 54-43-4(f) and (i). Contributions by the City to the System from any Fund impressed by law for a certain and definite purpose shall be accounted for separately.

54-43-9. Management of Funds.

a) Board Named Trustee for Various Funds.

The Board shall be the Trustee of the general funds provided for in this Article, and shall have full power to invest and manage such funds subject to all terms, conditions, limitations, fiduciary duties, and restrictions imposed by The Public Employee Retirement System Investment Trust as amended,¹¹ provided, that notes, bonds, or obligations of the City shall not be subject to said restrictions or limitations. The Board shall have the power to purchase notes, bonds, or obligations of the City before or after the same are offered to the public and with or without advertising for bids.

b) Purchase, sale, etc., of securities investments.

The Board shall have full power to hold, purchase, sell, assign, transfer, and dispose of any of the securities and investments of the Retirement System, as well as the proceeds of said investments and moneys belonging to the System.

c) Annual interest.

The Board annually shall allow Regular Interest on the mean amount of assets in each of the Funds for the preceding year. The amounts so allowed shall be due and payable to said Funds, and shall be annuities credited thereto by the Board from Regular Interest and other earnings on the monies of the System; provided, however, the balance in any Accrued Liability Fund shall not be included in determining the mean amount of assets of the System when the Board makes this determination, and no Regular Interest on the mean amount of assets in the Accrued Liability Fund shall be credited to other Funds in the System until transferred to the Pension Accumulation Fund pursuant to Section 54-43-4(e) or under special circumstances pursuant to Sections 54-43-4 and (i). Any additional amount, required to meet the Regular Interest on the Funds of the System, shall be paid by the City and any excess of earnings, over

such amount required, shall be a portion of the amounts to be contributed by the City.

(d) Custodian of Funds.¹⁴

The City Treasurer or other person or entity designated by the Board shall be the custodian of the Funds of the Police and Fire Retirement System. All payments from such Funds shall be made by the Treasurer or other designated custodian. Payments made by the System shall be based upon vouchers signed by two persons designated by the Board. A duly attested copy of a resolution of the Board designating such persons and bearing upon its face specimen signatures of such persons, shall be filed with the Finance Director and the custodian of the Funds as their authority for making payments upon such vouchers. No voucher shall be drawn unless it shall have previously been authorized by a specific or continuing resolution adopted by the Board.

(e) Available Funds shall be kept upon deposit.

Available funds shall be kept on deposit for the purpose of meeting disbursements for pensions, annuities, and other payments.

Sec. 54-43-10. Enforcement; Civil Action.

An civil action for relief against any act or practice which violates the state law, the 1997 Detroit City Charter, the 1984 Detroit City Code or the terms of the System, may be brought by:

(a) A member or retiree who is or may become eligible to receive a benefit under the System;

(b) A beneficiary who is or may become eligible to receive a benefit under the System;

(c) A Plan fiduciary, including a Trustee; or

(d) The Finance Director, on behalf of the City as sponsor of the System.

Section 2. All ordinances, or parts of ordinances, in conflict with this ordinance are repealed.

Section 3. This ordinance is declared necessary to preserve the public peace, health, safety, and welfare of the People of the City of Detroit.

Section 4. In the event that this ordinance is approved by a two-thirds (2/3) majority of City Council Members serving, this ordinance shall be given immediate effect and shall become effective upon publication in accordance with Section 4-116 of the 1997 Detroit City Charter.

STATEMENT BY COUNCIL PRESIDENT
MARYANN MAHAFFEY ON VOTE
AGAINST INTRODUCTION OF
ORDINANCES TO ISSUE
CERTIFICATES OF PARTICIPATION

Today, November 16, 2004, I voted against the introduction of ordinances that would permit the City to issue Certificates Of Participation to fund the city's current unfunded actuarial accrued liability (UAAL) of the General Retirement System and the Police and Fire Retirement System, estimated to be between \$1.2 to 1.7 billion.

The City Council requested a legal opinion on the issuance of COPS last spring, and just received the opinion last week. A significant transaction of this magnitude deserves more analysis and scrutiny by experts in the field than has been done at this point. While Lewis & Munday opines on the legality of entering into the service contracts required by this type of transaction, by their own admission, they are not experts in the intricacies of this funding mechanism. In fact, we have not retained any expert in this field.

In the absence of research and analysis by experts in this field, we are forced to rely on experiences in other cities where COPS have been tried. To date, results have been mixed, with both successes and failures. Without assurance that the Administration's proposal represents a completely sound transaction, we are essentially gambling on current and future taxpayers' money.

Funding the current UAAL will not prevent any future increases in the UAAL. It may have a chilling effect on any future pension benefit requests.

This particular transaction is in reality a deficit financing tool. It is aimed at providing budget relief at a time when the City is indeed in dire financial straits. While the projected annual savings of \$12-16 million from this transaction are anticipated to be for 14-15 years, and while the Mayor's budget was predicated on the actualization of COPS, we still have no long term deficit financing plan. To solve our budget woes, we need long term solutions instead, that zero in on fixing systemic, structural problems.

In order to realize projected savings, an annual return of 8-1/4% has to be realized. In the event of any future market downturns and in the event the system does not earn the assumed pension factor, then additional unfunded actuarial liability is created and we return to the same precarious situation we face today.

There is no question that our budget challenges are immense and finding solutions to averting layoffs and service cut-backs will be extremely difficult. The

Administration has stated that even were to issue COPS, there is no guarantee that layoffs would not occur. Pension obligation bond financing, or COPS, to be done only as a last resort. It is a temporary fix for an emergency situation. Given the risks as well as the unknown about this transaction, we should not gamble our tax dollars away on schemes that depend upon unknown, market volatility. It is time to confront our structural deficit with more disciplined, sound fiscal strategies.

STATEMENT BY COUNCIL MEMBER
KENNETH V. COCKREL, JR. ON VOTE
TO INTRODUCE PENSION
OBLIGATION CERTIFICATES (POC)
ORDINANCES

Today I joined with three other Council Members in voting to support the introduction of three ordinances authorizing the issuance of Pension Obligation Certificates.

This plan would be used to make upfront payment of \$1.2 million to satisfy the city's accrued liability to both the General Retirement System and the Police and Fire Retirement System.

Because of the risk associated with such proposals, which have been experienced in other cities with mixed results, this proposal has generated great controversy. I continue to have great concerns about this proposal and have a number of questions that I will be submitting to the Finance Department. However, because today's vote called for simply introducing these ordinances so that a formal public hearing could be set — not a final vote — I voted to support this move. Given the magnitude of this deal I believe the debate should be elevated and moved forward through an introduction and a final public hearing.

However, this measure failed on a vote of four Council votes. But it is highly likely that the Kilpatrick Administration will bring this matter before Council again in the near future.

While I will likely vote in support of the introduction at that time, I will not vote to grant final approval of this deal until all concerns have been satisfied.

STATEMENT OF COUNCIL MEMBER
S. COCKREL IN SUPPORT OF
THE INTRODUCTION OF THREE
PROPOSED ORDINANCES TO
PROVIDE FOR AN ALTERNATIVE
FUNDING MECHANISM FOR THE
FUNDING OF UNFUNDED ACTUARIAL
ACCRUED LIABILITY OF THE
RETIREMENT SYSTEMS

On Tuesday, November 16, 2004, I voted in support of introducing the three (3) ordinances referenced above. Combined, the ordinances would establish an alternative system of issuing Pension

igation Certificates (POC) in order to press the unfunded actuarial accrued liability (UAAL) of the retirement systems. The City of Detroit has an obligation imposed by the Michigan Constitution to fund the pensions of its retirees. In order to meet this obligation, money is put into the retirement system funds. This money accrues interest and checks are issued to the City's retirees in order to pay the pensions. Currently, in order to meet the pension requirements, the retirement systems have an assumed rate of return on its investment of 7.8-7.9%. If the actual rate of return falls below the assumed rate of return, the retirement system funds have a shortfall. Additionally, whenever improvements are made to retiree benefits, this may also create a shortfall. Once these shortfalls become financially recognized, the City is required to make up the difference typically from a general fund. This amount is what is called UAAL.

The current UAAL is approximately \$1.2 billion. It is likely that in the very near future, if it has not happened already, over \$541 million of prior losses will be recognized by the Systems' actuary which would add that amount to the UAAL to bring the total UAAL to approximately \$1.7 billion. Be that as it may, the current \$1.2 billion UAAL amounts to total amortized payments by the City of \$2.2 billion over the next 14-15 years. This is because the payments would come from the general fund in monthly or annual payments at a rate of 7.8-7.9%.

The Administration has presented an alternative funding mechanism for this liability to the City of Detroit. Instead of making payments at 7.8-7.9% over the next 14-15 years on the \$1.2 billion dollar liability, the City could issue POCs for the \$1.2 billion dollars. The POCs would require interest payments of only approximately 5.8%. The money received from POC issuance would be placed into a segregated trust within the retirement system and the UAAL would be paid on an annual or monthly basis from that fund. A key point of this transaction would be that the City would only have to make payments to the trust (via a separately created nonprofit corporation) at a rate of 5.8% instead of making payments directly to the retirement systems at a rate of 7.8-7.9%. The difference in interest rates is known as arbitrage and could provide very significant savings to the City of Detroit.

This financial transaction does provide certain financial risks. However, the risk of losing money on this transaction would be materialized should the return on the retirement system investment fall below the anticipated 5.8% rate. In other words, if the retirement systems realize a return on their investments of 7.8-7.9%, then the

City will realize the expected savings of about \$277 million. If the systems realize a rate of return greater than 7.8-7.9%, then the City will realize even greater savings. If the retirement systems realize a return of less than 7.8-7.9%, then the City's expected savings would be reduced. Only at the point that the systems realize a return of less than 5.8% would the City be faced with total loss of savings, and perhaps even increased aggregate cost. Given that the systems have a reported annual rate of return of over 10% over the past ten years, and of 8.8% and 9.8% over the past five years, it appears unlikely that the systems would experience returns of less than 5.8% over the next 14-15 years. Assuming the unlikely event that the rate of return does fall below 5.8% at that point in time, the City will be faced with the most dire of circumstances that nearly nothing could alleviate anyway.

With respect to this issue, there are several misconceptions about this funding alternative that need to be addressed. First, this transaction would have no effect on creating any new UAAL. Secondly, this transaction has no bearing on potential future increases to retiree benefits. This proposed transaction is designed to only deal with the current UAAL. The method that the City chooses to fund its current liability does not affect any future UAAL nor does it effect the City's ability to choose to provide additional benefits. UAAL results when the systems' investments fail to meet the assumed rates of return and when improvements are made to retiree benefits that were not originally factored into the financial formulas that provide for retiree benefits. The mere fact that the City chooses to pay for its contribution in another way has no corresponding effect on the systems financial performance nor does it by itself prohibit the City from providing improvements to benefit improvements.

It is my opinion that all necessary due diligence has been done with respect to this proposal. There have been adequate discussions and reports on all of the various risks and benefits associated with this transaction. The Finance Department, through the City's Chief Financial Officer, the City Council's Fiscal Analyst and the Auditor General, all recommend approval of this transaction. The City is placed in a position where we can choose to take a risk on being in financial trouble, or being in financial trouble for certain. The bond rating agencies do not appear to look negatively on this transaction. We have received a legal opinion on this financial transaction. In sum, the ordinances that would provide for the issuance of POCs are ready for introduction, public hearing and are finally ready to be either voted up or down. For all of the reasons stated

above, I am ready to cast my vote in favor of this transaction, and I voted in support of the introduction of these ordinances.

***ON WAIVERS OF RECONSIDERATION**

Council Member S. Cockrel moved to waive the right to reconsider the vote by which each resolution designated for "Waiver of Reconsideration" and;

Invocation

Heavenly Father! How we adore You, bless You, and love You. You are Master, Maker and Maintainer. We declare You King of kings, Lord of lords and God alone.

We realize that in You we live, move and have our being. So we thank You, Lord for this day. We thank You that today means yesterday is history; and tomorrow is a mystery. So, we pray that You empower us to maximize this day in which You've given us.

I intercede now for the City Council of Detroit, MI. In light of a great weight of challenges and responsibilities assigned to their hands, God we corporately confess to You that we cannot get the job done without Your direction and intervention. So, I ask that You will bestow on our team of servant/leaders a spirit of love, unity, peace, and wisdom. I ask that You will guide the heads, hands, and hearts of our mayor, this council, and all other public officials in Detroit.

Lord, I ask finally that You will lead us to do those things that glorify Your Name in this city. We will not be lifted in pride, but we will give Your Name glory. We ask for these things in Jesus' Name, Amen.

Honorable City Council:
Re: Proposed Resolution Establishing
Fee Schedule For the Department of
Administrative Hearings.

Pursuant to Section 9-507 of the 1997
Detroit City Charter, and Section 8.5-3-5 of
the 1984 Detroit City Code, the above-re-
ferenced proposed Resolution and accom-
panying Fee Schedule are being submitted
to your Honorable Body for consideration
and approval. The proposed Resolution
establishes a fee schedule to cover the
administrative costs incurred where pro-
cessing blight violations notices. Since the
issuance of blight violation notices is
scheduled to begin on December 1, 2004,
we request that the proposed Resolution
be adopted at the earliest possible formal
session. In addition, we request a waiver of
reconsideration.

We are available to answer any ques-
tions that your Honorable Body may have
concerning this proposed Resolution.
Thank you for your consideration.

Respectfully submitted,
MEDINA NOOR
Director

By Council Member Bates:

Whereas, Section 8.5-3-5(b) of the
1984 Detroit City Code authorizes the
Director of the Department of
Administrative Hearings to establish a fee
schedule subject to the approval of City
Council;

Whereas, The Director of the Depart-
ment of Administrative Hearings has estab-
lished a fee schedule for the processing,
adjudication, and handling of blight viola-
tion notices issued by the authorized local
officials pursuant to state law and Chapter
8.5 of the 1984 Detroit City Code;

Whereas, The proposed Department of
Administrative Hearings Fee Schedule is
attached and incorporated into this reso-
lution; and

Whereas, The City Council has
reviewed the proposed Fee Schedule for
the processing, adjudication, and hand-
ling of blight violation notices.

Therefore, It Is Resolved, That the
Detroit City Council approves the Fee
Schedule established by the Director of
the Department of Administrative
Hearings for the processing, adjudication,
and handling of blight violation notices
issued by the authorized local officials.

**STATEMENT OF COUNCIL MEMBER
S. COCKREL IN SUPPORT OF
VARIOUS ORDINANCES AND
RESOLUTIONS TO ESTABLISH
AND APPROVE THE DEPARTMENT
OF ADMINISTRATIVE HEARINGS
AND CONVERSION OF CERTAIN
MUNICIPAL CIVIL INFRACTIONS
TO BLIGHT VIOLATIONS**

Over several recent formal sessions
voted in support of various ordinances
and resolutions that had been presented
City Council in order to establish
Department of Administrative Hearings
(DAH). The purpose of the DAH is to
cently adjudicate blight violations.

Prior to creation of the DAH, most vi-
olations pertaining to property maintena-
and illegal dumping were designated
municipal civil infractions and handled
through tickets adjudicated at the 36th
District Court of the State of Michigan.
Prior to and during the Council's 2004
2004 budget deliberations, it became
apparent that the 36th District Court could
not handle the volume of violation notices.
There were additional issues identified
pertaining to multiple hearing procedures,
disproportionate penalties and time-con-
suming adjudication procedures. In an
effort to deal with these issues, recent
amendments to the Michigan Home Rule
Cities Act and Revised Judicature Code
enabled the establishment of a new system
of administratively handling the various
types of issues.

Specifically, these amendments au-
thorized the issuance of blight viola-
tion notices for violations related to zoning
property maintenance, solid waste
illegal dumping, disease and sanitation
noxious weeds and abandoned vehicles
MCL 117.4q. The City was further au-
thorized to establish the Department of
Administrative Hearings to adjudicate
these violations through administrative
hearings officers. Any appeal of a determi-
nation of an administrative hearing officer
would go to the Circuit Court of the State
of Michigan.

As a direct result of this enabling legi-
slation, the City Council was presented with
a series of ordinances and resolutions
designed to create the DAH and to convert
the violations referenced above into "blight
violations" in order to allow the DAH to
adjudicate them. During the various hear-
ings and discussions on these issues,
there were two specific points that need

be addressed. First, on November 3, 2004, the Council approved a resolution authorizing the lease of property located at 61 E. Jefferson in order to house the Department of Administrative Hearings. There were some concerns as to the adequacy of parking availability at that location. My staff physically reviewed the site and the Buildings and Safety Engineering Department assured the City Council of its determination that there was adequate parking available at the site. Secondly, there were concerns over the requirement that snow and ice must be removed within 24 hours, and that the City should be held to the same standard. After raising these concerns, the Buildings and Safety Engineering Department, through a report dated November 12, 2004, indicated that the City would make all effort to comply with those very same rules imposed on other citizens of Detroit.

It is anticipated that the new DAH will provide fast, efficient and impartial adjudication of blight violations. This new hearing process will relieve the backlog of cases at the 36th District Court and will aid in the administration and enforcement of the ordinances designed to keep the City clean and free of dangerous conditions. Having received the required assurances from the Administration that the DAH will in fact accomplish its stated objectives, I voted in favor of the ordinances and resolutions that came before the Council in this regard.

Honorable City Council:

A Resolution Authorizing the Issuance and Sale of Sewage Disposal System Revenue and Revenue Refunding Bonds of the City of Detroit of Equal Standing and Junior Standing with the City's Senior Lien Sewage Disposal System Revenue Bonds and Sewage Disposal System Revenue Refunding Bonds Now Outstanding and Which May Remain Outstanding, for the Collective Purposes of Defraying Part of the Cost of Acquiring and Constructing Replacements, Repairs, Extensions and Improvements to the City's Sewage Disposal System and Refunding Certain Sewage Disposal System Revenue Bonds, Providing for the Form of the Securities Herein Authorized; Providing for the Rights of the Owners of such Securities and Enforcement Thereof; Providing for Financial Facilities and Interest Rate Exchange Agreements; and Determining Other Matters Relating to such Securities and the System.

The attached Resolution authorizes the issuance and sale of approximately \$350 million for financing the ongoing Sewage

Disposal System Capital Improvement Program. In addition, because of a continued decline in interest rates, an additional \$600 million of previously issued Bonds may be refinanced, thereby producing interest savings.

It is anticipated that the sale will occur in January, 2005. The attached Resolution has been prepared by Bond Counsel and I recommend its adoption by your Honorable Body, with WAIVER OF RECONSIDERATION, at your next formal session.

Respectfully submitted,
SEAN K. WERDLOW
Chief Finance Officer

A Resolution Authorizing the Issuance and Sale of Sewage Disposal System Revenue and Revenue Refunding Bonds of the City of Detroit of Equal Standing with the City's Senior Lien Sewage Disposal System Revenue Bonds and Sewage Disposal System Revenue Refunding Bonds Now Outstanding and Which May Remain Outstanding, and Authorizing the Issuance and Sale of Sewage Disposal System Revenue Bonds of the City of Detroit of Junior Standing to the City's Senior Lien Sewage Disposal System Revenue Bonds and Sewage Disposal System Revenue Refunding Bonds Now Outstanding and Which Remain Outstanding, for the Collective Purposes of Defraying Part of the Cost of Acquiring and Constructing Replacements, Repairs, Extensions and Improvements to the City's Sewage Disposal System and Refunding Certain Sewage Disposal System Revenue Bonds, all under Act No. 94, Public Acts of Michigan, 1933, as Amended, and Ordinance No. 18-01 of the City Council of the City; Prescribing the Form of the Bonds; Providing for the Rights of the Owners of the Bonds and Enforcement Thereof; Providing for Financial Facilities, Credit Facilities and Interest Rate Agreements; and Determining Other Matters Relating to the Securities Herein Authorized and the System.

By Council Member Watson:

Whereas, The City of Detroit, Michigan (the "City"), pursuant to Ordinance No. 18-01 adopted by its City Council on October 18, 2001 (the "Council"), which amended and restated certain prior ordinances (collectively, the "Ordinance") has heretofore issued several series of its Sewage Disposal System Revenue Bonds and Sewage Disposal System Revenue Refunding Bonds (collectively, the "Prior Securities"); and

Whereas, It is deemed necessary for the public health, benefit and welfare of the City to acquire and construct certain of the repairs, extensions and improvements to the Sewage Disposal System of the City

(the "System") as described in the Capital Improvement Program of the Detroit Water and Sewerage Department (the "Department"), as of July, 2004, and as it may be modified by the Department from time to time (the "Project"); and

Whereas, It is deemed appropriate under the existing interest rate climate to refund all or such portion of the outstanding Prior Securities as is feasible under market conditions prevailing at the time of refunding, as determined by the Finance Director (the "Bonds to be Refunded"); and

Whereas, To finance the costs of the Project and costs of issuance and to provide for funding one or more Reserve Requirements, the Commissioners have recommended that the Sewage Disposal System Revenue Bonds (the "Series 2005 Project Securities") be issued as "Senior Lien Bonds" as defined in the Ordinance (the "Series 2005 Series Lien Project Bonds"), or as "Second Lien Bonds" as defined in the Ordinance (the "Series 2005 Second Lien Project Bonds"), or as a combination of Series 2005 Senior Lien Project Bonds and Series 2005 Second Lien Project Bonds; and

The aggregate principal amount of Series 2005 Securities plus the net original issue premium, if any, shall not exceed the aggregate borrowing amount specified in Section 4(a) nor the maximum principal amount of Series 2005 Securities provided for issuance by the Michigan Department of Treasury, if such approval is required.

(2) In the event that any portions of the Series 2005 Securities are issued bearing interest on a variable rate basis, with or without multiple interest rate modes, and are subject to tender for purchase from time to time by the holders thereof as determined in the Sale Order, the Finance Director is authorized in his discretion to enter into a remarketing agreement for the Series 2005 Securities with a qualified firm, as determined by the Finance Director, as remarketing agent. The Finance Director is also authorized to negotiate and enter into an interest rate swap agreement, broker-dealer agreement or such other agreements with qualified firms chosen by the Finance Director as may be necessary to accomplish the sale and delivery of the Series 2005 Securities as determined by the Finance Director within the parameters of this Resolution and confirmed in the Sale Order. The form of the Series 2005 Securities set forth in Appendix A hereto will be conformed by the Finance Director to incorporate, if applicable, necessary provisions for the conversion of interest rate modes, including optional mandatory tender and optional redemption of the Series 2005 Securities shall be finally confirmed in the Sale Order.

(3) Interest on Series 2005 Securities which are Current Interest Securities shall be payable on each Interest Payment Date to the registered owners as of the date immediately preceding Regular Record Date by check drawn on the Transfer Agent and mailed, or sent by other means, to such registered owners at their addresses, as shown on the registration books of the City maintained by the Transfer Agent; provided, however, that at the written request of a registered owner of at least \$1,000,000 in principal amount of Series 2005 Securities of the same class at least five calendar days prior to the Interest Payment Date (which request may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed

or revoked at any time prior to an Interest Payment Date by subsequent written notice to the Transfer Agent), interest shall be paid by wire transfer or other immediately available funds acceptable to the Transfer Agent and the City.

(4) The principal or accreted value of the Series 2005 Securities shall be payable at the Transfer Agent as principal paying agent or at such other co-paying agents as may be designated by the Finance Director, upon presentation and surrender of the appropriate Series 2005 Security.

(5) The amount payable on Capital Appreciation Securities at maturity or upon prior redemption shall be equal to the Accreted Value at maturity or upon prior redemption. No interest shall be payable on the Capital Appreciation Securities before maturity or prior redemption.

(e) Dating.

The Series 2005 Securities shall be dated such date or dates as determined in the Sale Order.

(f) Exchange.

The registered owner of any Series 2005 Security may exchange such Security for an equal aggregate principal amount of any other like Security of the same type and maturity in one or more of the Authorized Denominations by surrendering the Security to be exchanged at the designated office of the Transfer Agent together with an assignment duly executed by the registered owner thereof or his attorney or legal representative in such form as shall be satisfactory to the Transfer Agent.

(g) Accreted Value.

For the Capital Appreciation Securities, the Accreted Value per \$5,000 due at maturity shall be as determined in the Sale Order for each January 1 and July 1 to maturity. For purposes of the rate covenants, the Additional Securities requirements, and for all other purposes of the Ordinance and this Resolution, the Accreted Value of Capital Appreciation Securities shall be deemed to be due and payable in the Fiscal Years in which such Accreted Value shall actually be due and payable by the City into the Senior Lien Bond and Interest Redemption Fund or the Second Lien Bond Interest and Redemption Fund, as applicable, or deemed paid under the definition of Annual Debt Service pursuant to Section 2 of the Ordinance, as applicable.

(h) Transfer Agent.

U.S. Bank National Association, Detroit, Michigan, is appointed as the initial Transfer Agent for the Series 2005 Securities. Its acceptance of the duties of Transfer Agent for the Series 2005 Securities shall be evidenced by a document filed with the Finance Director concurrently with the delivery of the Series

2005 Securities.

(i) Execution of Series 2005 Securities.

The Mayor and the Finance Director are hereby authorized and directed to execute the Series 2005 Securities by manual or facsimile signature for and on behalf of the City and in its name, to impress or imprint thereon the official seal of the City or a facsimile thereof and to deliver the Series 2005 Securities to the Underwriters through the Securities Depository upon receiving the purchase price therefor in lawful money of the United States.

(j) Form of Series 2005 Securities.

The Series 2005 Securities shall be in substantially the form contained in Exhibit A hereto, subject to such changes, additions or deletions as determined by the Finance Director within the parameters of this Resolution.

Section 6. Payment of Series 2005 Securities; Confirmation of Statutory Lien.

(a) The Series 2005 Securities and the interest thereon shall be payable solely from the Pledged Assets.

(b) To secure payment of Series 2005 Securities, the statutory lien upon the whole of the Pledged Assets created in Section 5 of the Ordinance is hereby confirmed in favor of the Series 2005 Securities. Such lien in favor of the Series 2005 Senior Lien Bonds shall be a first lien of equal standing and Priority of Lien with all issued, to be issued and outstanding Senior Lien Bonds and such lien in favor of the Series 2005 Second Lien Bonds shall be a second lien of equal standing and Priority of Lien with all issued, to be issued and outstanding Second Lien Bonds.

Section 7. Concerning the Securities Depository.

(a) As used herein:

"Beneficial Owner" means any Person who indirectly owns Series 2005 Securities pursuant to the indirect ownership system maintained by the Securities Depository and its Participants, commonly known as the "Book-Entry Only System."

"Participant" means any Person whose ownership of Series 2005 Securities is shown on books of the Securities Depository.

(b) For so long as Series 2005 Securities are registered in the name of a Securities Depository or its nominee, neither the City nor the Transfer Agent shall have any responsibility or obligation to any Participant or to any Beneficial Owner with respect to any matter, including the following:

(1) the accuracy of the records of the Securities Depository, its nominee or any Participant with respect to any ownership interest in Series 2005 Securities,

(2) the delivery to any Participant Beneficial Owner or any other Person other than the Securities Depository any notice with respect to any Series 2005 Securities, including any notice of redemption, or

(3) the payment to any Participant Beneficial Owner or any other Person other than the Securities Depository any amount with respect to the principal (and premium, if any) of or interest on Series 2005 Securities.

(c) The Transfer Agent shall pay principal (and premium, if any) of or interest on the Series 2005 Securities only to or upon the order of the Securities Depository, and all such payments shall be valid and effective fully to satisfy and discharge the City's obligations with respect to the principal (and premium, if any) of, and interest on such Series 2005 Securities to the extent of the sums so paid.

(d) If (i) the City receives a written notice from the Securities Depository to the effect the Securities Depository is unable or unwilling to discharge its responsibilities or (ii) the City determines that it is in the best interests of the Beneficial Owners of Series 2005 Securities that they be able to obtain Series 2005 Securities in certificated form, then, in either event, the City shall notify the Transfer Agent and, in the case of clause, (ii), the Securities Depository.

(e) Upon discontinuance of the use of the Book-Entry Only System maintained by the Securities Depository pursuant to subsection (d), above and upon receipt of notice from the Securities Depository containing sufficient information, the City shall execute and the Transfer Agent shall authenticate and deliver Series 2005 Securities in certificated form to Beneficial Owners in exchange for the beneficial interests of such Beneficial Owners and corresponding principal amounts and any Authorized Denominations.

(f) Notwithstanding any other provision of this Resolution to the contrary, so long as any Series 2005 security is registered in the name of the Securities Depository or its nominee:

(1) all payments with respect to the principal, premium, if any, and interest on such Series 2005 Security and all notices of redemption, tender and otherwise with respect to such Security shall be made and given, respectively, to the Securities Depository as provided in the letter of representations from the City and the Transfer Agent to the Securities Depository with respect to such Series 2005 Securities or any master letter of representations from the City and the Transfer Agent to the Securities Depository;

(2) if less than all of the Series 2005 Securities of the same type of any ma

re to be redeemed, then the particular Series 2005 Securities or portions of Series 2005 Securities of such type and maturity to be redeemed shall be selected by the Securities Depository in any such manner as the Securities Depository may determine;

b) all payments with respect to principal of the Series 2005 Securities and premium, if any, and interest on the Series 2005 Securities shall be made in such manner as shall be prescribed by the Securities Depository; and

c) if a Series 2005 Security is redeemed or tendered in part, then all amounts payable in respect of such redemption or tender shall be paid without presentation and surrender of such Series 2005 Security pursuant to the procedures of the Securities Depository.

Section 8. Financial Facility Agreements.

a) The Finance Director is authorized to negotiate, obtain and enter into one or more Financial Facility Agreements with respect to Series 2005 Securities if the Finance Director determines that each such Financial Facility Agreement is in the best interests of the City.

b) The Finance Director is authorized to pay the cost of any such Financial Facility Agreement from the proceeds of Series 2005 Securities or any other funds in the System legally available therefor.

c) The Finance Director is authorized to make such covenants and agreements with the City as shall be necessary or appropriate in a Financial Facility Agreement.

Section 9. Funds and Accounts; Flow of Funds.

Except as otherwise provided in this Ordinance, all of the provisions relative to funds and accounts their maintenance, the flow of funds and other details relative thereto, shall remain as specifically set forth in the Ordinance.

Section 10. Series 2005 Term Bond Sinking Fund Accounts.

a) Establishment of Sinking Funds.

(1) If any Series 2005 Senior Lien Bonds are issued as term bonds, there shall be established in the Senior Lien Bond Interest and Redemption Fund established by Section 12A of the Ordinance, an account to be designated "Series 2005 Senior Lien Term Bond Sinking Fund Account" (the "Senior Lien Sinking Fund") for such Series 2005 Senior Lien Bonds. There shall be credited to the Senior Lien Sinking Fund the amounts required to be deposited in the Senior Lien Bond Interest and Redemption Fund to meet the next due Mandatory Redemption Requirement for such Series 2005 Senior Lien Bonds coming due within the next twelve months.

(2) If any Series 2005 Second Lien Bonds are issued as term bonds, there shall be established in the Second Lien

Bond Interest and Redemption Fund authorized by Section 12A of the Ordinance, an account to be designated "Series 2005 Second Lien Term Bond Sinking Fund Account" (the "Second Lien Sinking Fund") for such Series 2005 Second Lien Bonds. There shall be credited to the Second Lien Sinking Fund the amounts required to be deposited in the Second Lien Bond Interest and Redemption Fund to meet the next due Mandatory Redemption Requirement for such Series 2005 Second Lien Bonds coming due within the next twelve months.

b) Satisfaction of Mandatory Redemption Requirements.

A Mandatory Redemption Requirement for a maturity of Series 2005 Securities issued as term bonds may be satisfied in the manner provided by Section 13(C)(b) of the Ordinance.

Section 11. Disposition of Proceeds and Other Funds.

a) Series 2005 Senior Lien Project Bonds.

(1) From the proceeds of the sale of the Series 2005 Senior Lien Project Bonds there shall be immediately deposited in the Senior Lien Bond and Interest Redemption Fund, an amount equal to any accrued interest received on the delivery of the Series 2005 Senior Lien Project Bonds and any Capitalized Interest (other than UBS Hedge Swap Capitalized Interest) on the Series 2005 Senior Lien Project Bonds, and the City may take credit for the amount so deposited against the amount required to be deposited in the Senior Lien Bond and Interest Redemption Fund for payment of the next maturing interest payment on the Series 2005 Senior Lien Project Bonds. UBS Hedge Swap Capitalized Interest shall be allocated between Series 2005 Senior Lien Project Bonds and Series 2005 Second Lien Project Bonds in the Sale Order and, the amount allocated to the Series 2005 Senior Lien Project Bonds shall be deposited in the Senior Lien Bond and Interest Redemption Fund for payment of such portion of the UBS Hedge Swap termination payment as set forth in the Sale Order.

(2) From the proceeds of the Series 2005 Senior Lien Project Bonds there shall next be applied an amount sufficient to acquire a Credit Facility in an amount at least equal to the Series 2005 Senior Lien Project Bond Reserve Requirement or an amount shall be deposited in the Senior Lien Bond Reserve Account at least equal to the Series 2005 Senior Lien Project Bond Reserve Requirement, or a combination thereof.

(i) The manner of funding the Series 2005 Senior Lien Project Bond Reserve Requirement shall be determined by the Finance Director in the Sale Order.

(ii) The Finance Director may establish

separate subaccounts in the Senior Lien Bond Reserve Account to relate to each separate series of Series 2005 Senior Lien Project Bonds in such amounts as shall be confirmed in the Sale Order.

(3) Such portion of the proceeds from the sale of the Series 2005 Senior Lien Project Bonds as shall be determined in the Sale Order shall be applied to the reimbursement of the primary source funds or accounts from which any amounts were applied to costs of the Project prior to the issuance of the Series 2005 Project Securities, if any.

(4) The balance of the proceeds from the sale of the Series 2005 Senior Lien Project Bonds shall be deposited in the Construction Fund Series 2005.

(b) Series 2005 Senior Lien Refunding Bonds.

(1) From the proceeds of the sale of the Series 2005 Senior Lien Refunding Bonds there shall be immediately deposited in the Senior Lien Bond and Interest Redemption Fund, an amount equal to any accrued interest received on the delivery of the Series 2005 Senior Lien Bonds, and the City may take credit for the amount so deposited against the amount required to be deposited in the Senior Lien Bond and Interest Redemption Fund for payment of the next maturing interest payment on the Series 2005 Senior Lien Refunding Bonds.

(2) From the proceeds of the Series 2005 Senior Lien Refunding Bonds there shall next be applied an amount sufficient to acquire a Credit Facility in an amount at least equal to the Series 2005 Senior Lien Refunding Bond Reserve Requirement or an amount shall be deposited in the Senior Lien Bond Reserve Account at least equal to the Series 2005 Senior Lien Refunding Bond Reserve Requirement, or a combination thereof.

(i) The manner of funding the Series 2005 Senior Lien Refunding Bond Reserve Requirement shall be determined by the Finance Director in the Sale Order.

(ii) The Finance Director may establish separate subaccounts in the Senior Lien Bond Reserve Account to relate to each separate series of Series 2005 Senior Lien Refunding Bonds in such amounts as shall be confirmed in the Sale Order.

(3) From the proceeds of the Series 2005 Senior Lien Refunding Bonds there shall next be deposited in the Construction Fund Series 2005 an amount sufficient to pay the Issuance Costs of the Series 2005 Senior Lien Refunding Bonds after taking into consideration other moneys deposited therein for such purpose. Such amount shall be held in a separate account and not as part of the Construction Fund Series 2005, but shall be disbursed to pay Issuance Costs of the Series 2005 Senior Lien Refunding

Bonds in the same manner as amounts are disbursed to pay Issuance Costs of the Construction Fund Series 2005.

(4) The balance of the proceeds from the sale of the Series 2005 Senior Lien Refunding Bonds shall be used to acquire Government Obligations, which together with any remaining balance of such proceeds in the form of cash, shall constitute all or part of the Escrow Deposit to be held in the Escrow Fund.

(c) Series 2005 Second Lien Project Bonds.

(1) From the proceeds of the sale of the Series 2005 Second Lien Project Bonds there shall be immediately deposited in the Second Lien Bond and Interest Redemption Fund, an amount equal to any accrued interest received on the delivery of the Series 2005 Second Lien Project Bonds and any Capitalized Interest (other than UBS Hedge Swap Capitalized Interest) on the Series 2005 Second Lien Project Bonds, and the City may take credit for the amount so deposited against the amount required to be deposited in the Second Lien Bond and Interest Redemption Fund for payment of the next maturing interest payment on the Series 2005 Second Lien Project Bonds. UBS Hedge Swap Capitalized Interest shall be allocated between Series 2005 Senior Lien Project Bonds and Series 2005 Second Second Lien Project Bonds in the Sale Order and, the amount allocated to the Series 2005 Second Lien Project Bonds shall be deposited in the Second Lien Bond and Interest Redemption Fund for payment of such portion of the UBS Hedge Swap term interest payment as set forth in the Sale Order.

(2) From the proceeds of the Series 2005 Second Lien Project Bonds there shall next be applied an amount sufficient to acquire a Credit Facility in an amount at least equal to the Series 2005 Second Lien Project Bond Reserve Requirement or an amount shall be deposited in the Second Lien Project Bond Reserve Account at least equal to the Series 2005 Second Lien Bond Reserve Requirement, or a combination thereof.

(i) The manner of funding the Series 2005 Second Lien Project Bond Reserve Requirement in respect of the Series 2005 Second Lien Project Bonds shall be determined by the Finance Director in the Sale Order.

(ii) The Finance Director may establish separate subaccounts in the Second Lien Bond Reserve Account to relate to each separate series of Series 2005 Second Lien Project Bonds in such amounts as shall be confirmed in the Sale Order.

(3) Such portion of the proceeds from the sale of the Series 2005 Second Lien Project Bonds as shall be determined in the Sale Order shall be applied to

bursement of the primary source funds or accounts from which any payments were applied to costs of the project prior to the issuance of the Series 2005 Project Securities, if any.

(4) The balance of the proceeds from the sale of the Series 2005 Second Lien Project Bonds shall be deposited in the Construction Fund Series 2005.

(d) Series 2005 Second Lien Funding Bonds.

(1) From the proceeds of the sale of the Series 2005 Second Lien Refunding Bonds there shall be immediately deposited in the Second Lien Bond and Interest Redemption Fund, an amount equal to the accrued interest received on the maturity of the Series 2005 Second Lien Bonds, and the City may take credit for an amount so deposited against the amount required to be deposited in the Second Lien Bond and Interest Redemption Fund for payment of the next accruing interest payment on the Series 2005 Second Lien Refunding Bonds.

(2) From the proceeds of the Series 2005 Second Lien Refunding Bonds there shall next be applied an amount sufficient to acquire a Credit Facility in an amount at least equal to the Series 2005 Second Lien Refunding Bond Reserve Requirement or an amount shall be deposited in the Second Lien Bond Reserve Account at least equal to the Series 2005 Second Lien Refunding Bond Reserve Requirement, or a combination thereof.

(3) The manner of funding the Series 2005 Second Lien Refunding Bond Reserve Requirement shall be determined by the Finance Director in the Sale Order.

(4) The Finance Director may establish separate subaccounts in the Second Lien Bond Reserve Account to relate to each separate series of Series 2005 Second Lien Refunding Bonds in such amounts as shall be confirmed in the Sale Order.

(5) From the proceeds of the Series 2005 Second Lien Refunding Bonds there shall next be deposited an amount sufficient to pay the Issuance Costs of the Series 2005 Second Lien Refunding Bonds after taking into consideration other moneys deposited therein for such purpose. Such amount shall be held in a separate account and shall be disbursed as part of the Construction Fund Series 2005, but shall be disbursed to pay Issuance Costs of the Series 2005 Second Lien Refunding Bonds in the same manner as amounts are disbursed to pay Issuance Costs from the Construction Fund Series 2005.

(6) The balance of the proceeds from the sale of the Series 2005 Second Lien Refunding Bonds shall be used to acquire Government Obligations, which together with any remaining balance of such pro-

ceeds in the form of cash, shall constitute all or part of the Escrow Deposit to be held in the Escrow Fund.

(e) Construction Fund.

A subaccount of the Construction Fund established by the Ordinance shall be designated the "Construction Fund Series 2005," and shall be established and maintained as a separate depository account with a depository qualified to be a depository of moneys under Michigan law as designated by the Finance Director.

(1) Moneys in the Construction Fund Series 2005 shall be applied solely in payment of:

(i) the Issuance Costs of the Series 2005 Project Securities and

(ii) the costs of the Project, including engineering, legal and other expenses incident thereto and to the financing thereof.

(2) Payments for construction, either on account or otherwise, shall not be made unless the registered engineer in charge of such work shall file with the Commissioners a signed statement to the effect that the work has been completed in accordance with the plans and specifications therefor, that it was done pursuant to and in accordance with the contract therefor, that such work is satisfactory and that such work has not been previously paid for.

(3) Payment of the costs of engineering, legal, financial, printing, escrow verification, bond insurance premium, credit enhancement, etc., as provided in this Section shall be made upon submission of appropriate documentation to the Finance Director.

(4) Any unexpended balance remaining in the Construction Fund Series 2005 after completion of the Project may in the discretion of the Commissioners be used for meeting the Reserve Requirement of the Senior Lien Bond Reserve Account and, to the extent such monies are not needed to meet the Reserve Requirement of the Second Lien Bond Reserve Account, for meeting the Reserve Requirement of the Second Lien Bond Reserve Account or for further improvements, replacements, enlargements and extensions to the System if, at the time of such expenditure, such use is approved by the Michigan Department of Treasury, Municipal Finance Division, if such permission is then required by law, and if such use will not, in the opinion of nationally recognized bond counsel, impair the exclusion of interest on Series 2005 Securities from gross income for federal income tax purposes.

(5) Any remaining balance after all expenditures made pursuant to paragraph (4), if any, have been made shall be paid into the Senior Lien Bond and Interest Redemption Fund or the Second Lien Bond Interest and Redemption Fund,

as the Commissioners shall determine, for the purpose of redemption or purchase at not more than the fair market value, plus accrued interest, of outstanding Series 2005 Securities. Series 2005 Securities acquired by purchase shall be canceled.

(f) Escrow Fund.

(1) The Escrow Deposit shall be held in or credited to an account designated as the "City of Detroit Sewage Disposal System Revenue Bonds Series 2005 Senior Lien Refunding Bonds Escrow Fund" or the "City of Detroit Sewage Disposal System Revenue Bonds Series 2005 Second Lien Refunding Bonds Escrow Fund" pursuant to one or more escrow agreements (the "Escrow Agreement").

(2) The Finance Director is authorized to enter into the Escrow Agreement on behalf of the City with U.S. Bank National Association as "Escrow Trustees."

(3) The Escrow Agreement:

(i) shall be in the form and substance customary for refunding escrow agreements;

(ii) may permit any balance after paying the principal (and premium, if any) and interest on the Bonds to be Refunded to be applied to any lawful purpose of the System if such use will not, in the opinion of nationally recognized bond counsel, impair the exclusion of interest on the Series 2005 Refunding Securities from gross income for federal income tax purposes; and

(iii) shall otherwise be in the best interests of the City.

(4) In the event all Bonds to be Refunded will be paid or redeemed within 90 days of the date of issuance of the Series 2005 Refunding Securities, then in lieu of the establishment of an Escrow Fund and the execution of an Escrow Agreement as described above, the Finance Director is authorized to transfer the Escrow Deposit (or cash sufficient to acquire the securities making up all or a portion of the Escrow Deposit) to the paying agent for the Bonds to be Refunded together with irrevocable instructions to (i) call the Bonds to be Refunded on the applicable call date and (ii) use the Escrow Deposit to pay principal of and interest and redemption premiums, if any, on the Bonds to be Refunded to and including the scheduled call date. The proceeds described in this subsection (4) shall be employed only if, in the opinion of Bond Counsel, after use of such procedures the Bonds to be Refunded will no longer be Outstanding under the Ordinance.

(g) UBS Hedge Swap Termination Payment.

Any termination payment received by the City pursuant to the UBS Hedge Swap and allocated in the Sale Order to the

Series 2005 Securities shall be deposited in the Receiving Fund.

Section 12. Tax Covenant.

The City hereby covenants and represents with the registered owners of Series 2005 Securities that so long as of the Series 2005 Securities remain outstanding and unpaid as to either principal or interest, the City shall, to the extent permitted by law, take all actions within control to maintain and will refrain from taking any action which would impair or exclusion of the interest on the Series 2005 Securities from gross income for federal income tax purposes under the Internal Revenue Code of 1986, as currently amended, including, but not limited to, actions relating to any required rebates or arbitrage earnings and the expenditure and investment of Series 2005 Bond proceeds and moneys deemed to be Series 2005 Bond proceeds, and to prevent Series 2005 Securities from being deemed to become "private activity bonds" as that term is used in Section 141 of the Internal Revenue Code of 1986, as currently amended.

Section 13. Preliminary and Final Official Statements.

(a) The Finance Director shall cause the preparation of a preliminary official statement and other offering materials in a form satisfactory to him to be used in conjunction with the offering of the Series 2005 Securities and is authorized to deem the preliminary official statement "final" for purposes of Rule 15c2-12 of the Securities and Exchange Commission (the "Rule").

(b) The preliminary official statement with such changes and additions as the Finance Director shall approve shall constitute the final Official Statement, and the Finance Director is authorized to execute the final Official Statement on behalf of the City approved by him with such changes as the Finance Director may authorize.

(c) Such final preliminary official statement and final Official Statement and other offering materials satisfactory to the Finance Director are authorized to be distributed by the Underwriters in conjunction with the offering and sale of Series 2005 Securities.

Section 14. Continuing Disclosure.

Unless otherwise set forth in the Sale Order because of an exemption from Rule, the Series 2005 Securities are hereby made subject to the Continuing Disclosure Agreement, and if so subject the City hereby agrees to abide by the provisions thereof so long as any Series 2005 Securities are outstanding.

Section 15. Sale of Series 2005 Securities.

The Series 2005 Securities shall be sold by negotiated sale to the Underwriters pursuant to a Purchase

agreement in customary form with such terms and conditions as the Finance Director shall determine are in the best interests of the City, within the parameters established by the Council. Such determination shall be conclusively established by the Finance Director's execution and delivery of the Purchase Agreement to the Representative. The reasons for choosing a negotiated sale instead of a competitive sale shall include the belief of the Council, based upon the recommendation of the Finance Director and the City's Financial Advisor, that a negotiated sale will allow Series 2005 Securities to be offered to investors in the most efficient manner possible while also allowing sufficient flexibility to adjust to market structuring and timing demands in order to result in the lowest possible borrowing costs to the City.

(a) The Finance Director is authorized to accept, on behalf of the City, an offer to purchase Series 2005 Securities wherein the aggregate compensation to be paid to the underwriters in such capacity shall not be more than 1% of the original principal amount of the Series 2005 Securities.

(b) The Finance Director is authorized to determine whether the Purchase Agreement shall provide for liquidated damages and if so, the amount thereof, whether the Representative shall be required to provide a good faith check in the amount of the liquidated damages.

Section 16. Cash Defeasance of Outstanding Securities.

(a) The Finance Director is hereby authorized to defease outstanding Securities pursuant to the Ordinance from the proceeds of the System available therefor in excess of the amount of the Series 2005 Securities.

(b) The series, maturities (or portions thereof) and principal amounts of the Securities to be defeased shall be determined by the Finance Director and set forth in the Sale Order.

(c) An Escrow Deposit for the Securities to be defeased shall be (i) held in an account designated as "City of Detroit Water Supply System Revenue Bonds [Designation appropriate to the cash defeased Securities] Escrow Fund" pursuant to an escrow agreement entered into pursuant to and complying with Section 11(f)(2) and (3) hereof and (ii) transferred to the paying agent for the Securities to be defeased subject to the same conditions and requirements set forth in Section 11(f)(4) hereof.

(d) Such defeasance shall occur on or before the issuance of the Series 2005 Securities.

Section 17. Delegation of Authority to, and Authorization of Actions of, Finance Director.

(a) The Finance Director shall make all determinations herein provided to be

made in the Sale Order and shall make all such determinations in accordance with the best interests of the City and within the parameters of this Resolution.

(b) In addition to determinations authorized elsewhere in this Resolution, the Finance Director shall determine the aggregate principal amount of Series 2005 Securities to be issued, but not in excess of the aggregate principal amount authorized by this Resolution, on the basis of his evaluation of the maximum amount of Series 2005 Securities which can be sold, given anticipated interest rates and the revenue coverage requirements with respect to the Series 2005 Securities and for any other reasons the Finance Director deems appropriate.

(1) Such determination shall also include the type or types of Series 2005 Securities to be issued and if in one or more series and whether to issue Series 2005 Securities as Senior Lien Bonds or Second Lien Bonds or a combination thereof and the redemption provisions for Series 2005 Securities.

(2) The Finance Director shall also determine and establish, in accordance with this Resolution, the maturities of Series 2005 Securities, whether such maturities shall be serial or term maturities and the Mandatory Redemption Requirements for any term maturities.

(3) The Finance Director shall also determine whether to issue the Series 2005 Refunding Securities and, if so, the Bonds to be Refunded.

(c) In accordance with the UBS Hedge Swap Resolution, the Finance Director is hereby authorized designate all or a portion of the notional amount of the UBS Hedge Swap to the Series 2005 Project Securities, and to designate the Series 2005 Project Securities as Future Related Securities, as defined in the UBS Hedge Swap Resolution; provided, however, if less than all of the notional amount of the UBS Hedge Swap is designated to the Series 2005 Project Securities, then the proportion of the termination payment on the UBS Hedge Swap payable as UBS Hedge Swap Capitalized Interest shall be no greater than the proportion of the notional amount of the UBS Hedge Swap which is designated to the Series 2005 Project Securities.

(d) For the purpose of more effectively managing debt service requirements of outstanding Securities and the Series 2005 Securities the Finance Director is hereby authorized in his discretion to enter into one or more Interest Rate Agreements with such counterparties and containing such provisions as shall meet the requirements of Act 34, the Swap Management Plan, and the Debt Management Plan. Any such Interest Rate Agreement may be obtained on a forward starting or delayed delivery basis

if determined by the Finance Director to be in the best interests of the City.

(1) The Council acknowledges the potential risks associated with the Interest Rate Agreements including, counterparty risk, termination risk, rollover risk, basis risk, tax event risk, and amortization risk, as set forth in the Swap Management Plan.

(2) The Finance Director is authorized to negotiate the terms of the Interest Rate Agreements, provided, that such terms are consistent with Act 34, the Swap Management Plan, the Debt Management Plan, the Ordinance and this Resolution and are not materially adverse to the City.

(3) The Finance Director is further authorized to enter into such ancillary agreements, including, without limitation, agreements to obtain insurance on some or all of the payments due under Interest Rate Agreements, in connection with the Interest Rate Agreements, as may be necessary or appropriate and are consistent with Act 34 and the terms of the Swap Management Plan, the Debt Management Plan, the Ordinance and this Resolution.

(4) The determinations made by the Finance Director in connection with the Interest Rate Agreements shall be confirmed in the Sale Order.

(e) The Finance Director is authorized to enter into such Financial Facility Agreements as provided in Section 8 hereof of the City as the Finance Director determines to be cost effective, make such ancillary agreements and do such other things and take such other actions in connection therewith as may be necessary or appropriate and not otherwise inconsistent with the Ordinance or the parameters hereof.

(f) The Mayor or, if permitted by law, the Finance Director, is authorized to file applications and to pay the related fees, if any, to the Michigan Department of Treasury at his discretion under Act 34 for one or more Orders of Approval to issue all or a portion of the Series 2005 Securities, and such waivers or other Treasury approvals as necessary to implement the sale, delivery and security for the Series 2005 Securities as authorized herein, and as required by the Michigan Department of Treasury or Act 34.

(g) The Finance Director is hereby authorized and directed to do and perform any and all other acts and things with respect to the Series 2005 Securities which are necessary or appropriate to carry into effect, consistent with the Ordinance and this Resolution, the authorizations therein and herein contained including without limitation the securing of ratings by bond rating agencies, and the incurring of reasonable fees costs and expenses incidental to the foregoing, for and on behalf of the City.

(h) All determinations and decisions of the Finance Director with respect to issuance and sale of the Series 2005 Securities as permitted or required by this Resolution shall be confirmed and approved by the Finance Director in the Sale Order.

(i) During the absence or disability, or while the Finance Director's position is vacant, the Finance Director shall exercise all powers, perform all the duties and make all the determinations herein required or permitted by the Finance Director.

Section 18. Advancement of Costs of the Project.

At the direction of the Finance Director the City may advance certain costs of the Project from the City's funds prior to the issuance of the Bonds. The City intends to reimburse itself for any costs of the Projects paid or incurred by the City prior to the issuance of the Series 2005 Project Securities with proceeds of the Series 2005 Project Securities. The Interest Revenue Service has issued Treas. F. 1.150.2 pursuant to the Code, governing proceeds of bonds used for reimbursement, pursuant to which the City may declare official intent to reimburse expenditures with bond proceeds as provided in Section 19 below.

Section 19. Reimbursement Declarations.

The City makes the following declarations for the purpose of complying with the reimbursement rules of Treas. F. 1.150.2 pursuant to the Code:

(a) As of the date hereof, the City reasonably expects to be reimbursed for expenditures described in (b) below from the proceeds of the Series 2005 Project Securities, as debt to be issued by the City.

(b) The expenditures described in paragraph (b) are for the costs of acquiring, constructing and equipping the Project, together with the sites thereon and all necessary appurtenances and attachments thereto which were or will be paid subsequent to sixty (60) days prior to the date of adoption hereof from funds of the City.

(c) The maximum principal amount of debt expected to be issued for the Project, including issuance costs, is \$350,000,000.

(d) A reimbursement allocation of the expenditures described in (b) above from the proceeds of the borrowing described herein will occur not later than 18 months after the later of (i) the date on which the expenditure is paid, or (ii) the date the Project is placed in service or abandoned but in no event more than three (3) years after the original expenditure is paid. The reimbursement allocation is an allocation in writing that evidences the City's use of the proceeds of the debt to be issued

project to reimburse the City for a capital expenditure made pursuant to this resolution.

e) The expenditures described in (b) above are "capital expenditures" as defined in Treas. Reg. §1.150-1(b), i.e., costs of a type which are properly chargeable to a capital account (or would be chargeable with a proper election or the application of the definition of "capital expenditure" in service under Treas. Reg. §1.150-2(c)) under general Federal income tax principles (as determined at the time the expenditure is paid).

f) No proceeds of the borrowing paid to the City in reimbursement pursuant to this Resolution will be used in a manner described in Treas. Reg. §1.150-2(h) with respect to abusive use of such proceeds, including but not limited to using funds in responding to the proceeds of the borrowing in a manner that results in the creation of replacement proceeds (within the meaning of Treas. Reg. §1.148-1) within one year of the reimbursement allocation described in this section above.

g) Expenditures of the Project to be reimbursed from the proceeds of the borrowing that are subject to the limitations set forth in this Resolution do not include costs for the issuance of the debt, (ii) an amount not in excess of the lesser of \$10,000 or five percent (5%) of the proceeds of the borrowing, or (iii) preliminary expenditures not exceeding twenty percent (20%) of the issue price of the borrowing within the meaning of Treas. Reg. §1.150-2(f) (such preliminary expenditures include architectural, engineering, surveying, soil testing and similar costs incurred prior to construction of the project, but do not include land acquisition, site preparation, and similar costs incurred prior to commencement of construction).

Section 20. Ratification.

All determinations and decisions of the Finance Director and of the Deputy Finance Director of the City with respect to the issuance and sale of the Series 2005 Securities as permitted or required by this Ordinance or law are hereby ratified, confirmed and approved.

Section 21. Additional Authorization.

The Mayor, City Clerk, Finance Director, Treasurer, Corporation Counsel, Director of the Water and Sewerage Department, any such officials acting in an interim or acting capacity, other officials of the City, their deputies and staff, any of them, are hereby authorized to execute and deliver such certificates, documents, instruments, opinions and other papers as may be deemed necessary or appropriate to complete the sale, execution and delivery of the Series 2005 Securities, the refunding of the bonds to be refunded and otherwise give effect to

the transactions, contemplated by this Resolution, as determined by such officials executing and delivering the foregoing items.

Section 22. Resolution a Contract.

The provisions of this Resolution shall constitute a contract between the City and each registered owner of an outstanding Series 2005 Security.

Section 23. Election with Respect to Additional Securities.

The Series 2005 Securities shall be issued as Additional Securities pursuant to such subsection(s) of Section 21 of the Ordinance, as shall be determined by the Finance Director in the Sale Order.

Section 24. Appointment of Bond Counsel; Engagement of Other Parties.

The appointment by the Finance Director of the law firms of Lewis & Munday, A Professional Corporation and Miller, Canfield, Paddock and Stone, P.L.C., as Co-Bond Counsel for the Series 2005 Securities is hereby ratified and confirmed, notwithstanding the periodic representation by Lewis & Munday, A Professional Corporation or Miller, Canfield, Paddock and Stone, P.L.C., in unrelated matters of other parties and potential parties to the issuance of the Series 2005 Securities. The fees and expenses of Lewis & Munday, A Professional Corporation and Miller, Canfield, Paddock and Stone, P.L.C., shall be payable as an Issuance Cost from the proceeds of the Series 2005 Securities or other available funds in accordance with the letters of such firms on file with the Finance Director.

The Finance Director is authorized to engage other consultants, including, without limitation, a verification agent to verify the mathematical sufficiency of the Escrow Deposit, financial advisors, or other parties as he deems necessary or appropriate in connection with the sale, issuance and delivery of the Series 2005 Securities and to pay the fees and expenses thereof from the proceeds of the Series 2005 Securities or other available funds.

Section 25. Repeal; Savings Clause.

All other ordinances, resolutions or orders, or parts thereof, in conflict with the provisions of this Resolution are, to the extent of such conflict, hereby repealed.

Section 26. Severability; Paragraph Headings; and Conflict.

If any section, paragraph, clause or provision of this Resolution shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Resolution. The paragraph headings in this Resolution are furnished for convenience of reference only and shall not be considered to be part of this Resolution.

Section 27. Publication.

This Resolution shall be published in full in the Detroit Legal News, a newspaper of general circulation in the City qualified under State law to publish legal notices, promptly after its adoption.

Section 28. Effective Date.

This Resolution shall be effective immediately upon adoption.

BOND
SERIES 2005

Interest Rate Per Annum	Maturity Date	Original Issue Date	CUSIP
-------------------------------	------------------	---------------------------	-------

[Fixed/ Variable] July 1, 20__ ____ ____

REGISTERED OWNER: Cede & Co.

PRINCIPAL AMOUNT: \$_____

The CITY OF DETROIT, Wayne County, Michigan (the "City"), for value received, promises to pay, but only from the Pledged Assets hereinafter specified, to the Registered Owner named above, or registered assigns, the Principal Amount stated above in lawful money of the United States of America, on the Maturity Date stated above, unless prepaid prior thereto as hereinafter provided, with interest thereon from the Original Issue Date stated above, or the most recent date to which interest has been paid, until paid, at the Interest Rate Per Annum stated above, first payable on July 1, 20__, and semiannually on each January 1 and July 1 thereafter (each an "Interest Payment Date"). Principal of this Bond (as hereinafter defined) is payable upon presentation and surrender at the designated

office of U.S. Bank National Association or such other transfer agent as the City may hereafter designate by notice mailed to the registered owner not less than 30 days prior to any Interest Payment Date (the "Transfer Agent"). Interest on this Bond is payable to the registered owner of record as of the close of business on the 15th day of the month immediately preceding any Interest Payment Date as shown on the registration books kept by the Transfer Agent by check or certified check mailed by the Transfer Agent to the registered owner at the registered address provided, that at the written request of the registered owner of at least \$1,000,000 of outstanding principal amount of these Bonds (as hereinafter defined) at least five calendar days prior to any Interest Payment Date (which request may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked at any time prior to an Interest Payment Date by subsequent written notice to the Transfer Agent), interest shall be paid by wire transfer or other immediately available funds acceptable to the Transfer Agent and the City. Interest on this Bond shall be computed on the basis of a 360-day year comprised of twelve 30-day months.

For the prompt payment of the principal of and interest on this Bond, the revenues of the Sewage Disposal System of the City (the "System"), including all appurtenances, extensions and improvements thereto, after provision has been made for reasonable and necessary expenses of operation, maintenance and administration (the "Net Revenues"), are irrevocably pledged and a statutory lien on the Net Revenues and Pledged Assets (as defined in the Bond Ordinance) is hereby recognized and created. [The following sentence to appear in only Senior Lien Bonds: Such lien is a first lien and the Bonds are of equal standing on a parity with all other obligations heretofore and hereafter issued or incurred under the Bond Ordinance (hereafter defined) and secured by a first lien on Net Revenues.] [The following sentence to appear in only Second Lien Bonds: Such lien is a second lien, subject to obligations heretofore and hereafter issued or incurred under the Bond Ordinance and secured by a first lien on Net Revenues. The Bonds are of equal standing on a parity with all other obligations heretofore and hereafter issued or incurred under the Bond Ordinance and secured by a second lien on Net Revenues.]

The City will receive a credit with respect to any Term Bonds Mandatory on account of Term Bonds of the same maturity that have been redeemed (other than by application of Term Bonds Mandatory Sinking Fund Redemption Requirements) or otherwise acquired by the City prior to the giving of the notice of redemption described below under "General Redemption Provisions" and that have not been applied as a credit against any other Term Bonds Mandatory Sinking Fund Redemption Requirements. Not less than 40 days prior to any Mandatory Sinking Fund Redemption Date for Term Bonds, the City shall give notice to the Transfer Agent that such Term Bonds are to be so credited. Each such Term Bond shall be credited by the Transfer Agent at 100% of the principal amount thereof against the Term Bonds Mandatory Sinking Fund Redemption Requirement, and the principal amount of Term Bonds to be redeemed on such Mandatory Sinking Fund Redemption Date shall be reduced accordingly and any excess over such amount shall be credited to future Term Bonds Mandatory Sinking Fund Redemption Requirements in such order as the City shall elect provided, however, that any excess resulting from the purchase, at less than par, of Bonds may be transferred to the Receiving Fund.

In case less than the full amount of an outstanding Bond is called for redemption, the Transfer Agent, upon presentation of the Bond called in part for redemption, shall register, authenticate, and deliver to the registered owner, a new Bond of the same type and the same maturity, in the principal amount of the portion of the original Bond not called for redemption.

Notice of redemption shall be given to the registered owners of the Bonds or portions of Bonds to be redeemed by mailing of such notice by first class mail not less than 30 days prior to the date fixed for redemption to the registered owners at the addresses of the registered owners as shown on the registration books as of the date of such mailing kept by the Transfer Agent. Bonds called for redemption shall not bear interest after

the date fixed for redemption, whether presented for redemption or not, provided that funds are on hand with the Transfer Agent to redeem the Bonds or portions of Bonds called for redemption.

THIS BOND IS A SELF-LIQUIDATING BOND AND IS NOT A GENERAL OBLIGATION OF THE CITY AND DOES NOT CONSTITUTE AN INDEBTEDNESS OF THE CITY WITHIN ANY CONSTITUTIONAL, STATUTORY OR CHARTER LIMITATION, BUT IS PAYABLE, BOTH AS TO PRINCIPAL AND INTEREST SOLELY FROM THE PLEDGED ASSETS OF THE SYSTEM. THE PRINCIPAL OF AND INTEREST ON THIS BOND ARE SECURED BY THE STATUTORY [FIRST] [SECOND] LIEN HEREINBEFORE MENTIONED.

The City has covenanted and agreed, and hereby covenants and agrees, to fix and maintain at all times while any bonds payable from the Pledged Assets of the System shall be outstanding, such rates for service furnished by the System as shall be sufficient to provide for payment of the interest upon and the principal of the Bonds of this issue and any other bonds of equal [senior] or junior standing payable from the Pledged Assets as and when the same shall become due and payable, to create and maintain a bond redemption fund therefor, including a bond reserve, to provide for the payment of expenses of administration and operation and such expenses for maintenance of the System as are necessary to preserve the same in good repair and working order, and to provide for such other expenditures and funds for the System as are required by the Bond Ordinance.

This Bond is transferable only upon the books of the City kept for that purpose at the office of the Transfer Agent by the registered owner hereof in person, or by his attorney duly authorized in writing, upon the surrender of this Bond together with a written instrument of transfer satisfactory to the Transfer Agent duly executed by the registered owner or his attorney duly authorized in writing, and thereupon a new registered Bond or Bonds of the same type, in the same aggregate principal amount and of the same maturity shall be issued to the transferee in exchange therefor as provided in the Bond Ordinance and upon the payment of the charges, if any, therein prescribed.

It is hereby certified and recited that all acts, conditions and things required by law precedent to and in the issuance of this Bond and the series of Bonds which this is one have been done and performed by regular and due time and form as required by law.

This Bond is not valid or obligatory for any purpose until the Transfer Agent's Certificate of Authentication on the Bond has been executed by the Transfer Agent.

IN WITNESS WHEREOF, the Council of the City of Detroit, County of Wayne, State of Michigan, has caused this Bond to be signed in its name by facsimile signatures of its Mayor and Finance Director and a facsimile of its corporate seal to be printed hereon, all as of the Original Issue Date.

We have reviewed the above-capi-
tioned lawsuit, the facts and particulars of
which are set forth in a confidential attor-
ney-client privileged memorandum that is
being separately hand-delivered to each
member of your Honorable Body. From
this review, it is our considered opinion
that a settlement in the amount of Twenty
Thousand Dollars (\$20,000.00) is in the
best interest of the City of Detroit.

We, therefore, request authorization to
settle this matter in the amount of Twenty
Thousand Dollars (\$20,000.00) and that
your Honorable Body authorize and direct
the Finance Director to issue a draft in
that amount payable to Angela Hayes and
her attorney, Richard L. Warsh, to be
delivered upon receipt of properly execut-

Re: Keitia Turner v Detroit Police Officer Lynette White. Case No.: 02-206292 CZ. File No.: A37000-003582(YRB).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that the City should agree to the entry of an Order of Dismissal and enter into an Agreement to Arbitrate on the terms and conditions set forth in the following resolution.

We, therefore, request authorization to agree to entry of an Order of Dismissal and to enter into an Agreement to Arbitrate on the terms and conditions set forth in the following resolution and, upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay a designated sum to the Plaintiff, that your Honorable Body direct the Finance Director to issue a draft payable to Keitia Turner and her attorneys, The Thurswell Law Firm, P.L.L.C., in the amount the City is to pay the Plaintiff pursuant to the arbitrators' decision, but said draft shall not exceed Fifty Thousand Dollars (\$50,000.00).

The Law Department is authorized to agree to entry of an Order of Dismissal and to enter into an Agreement to Arbitrate in the case of Keitia Turner v Detroit Police Officer Lynette White, Wayne County Circuit Court Case No. 02-206292 CZ, on the following terms and conditions:

A. 1. The parties shall submit to arbitration all matters in controversy raised in the above-named lawsuit.

2. The maximum amount of any award to the Plaintiff shall not exceed an amount of Fifty Thousand Dollars (\$50,000.00).

3. Any award in excess of \$50,000 shall be interpreted to be in the amount of \$50,000.00.

There shall be no costs, fees, attorney fees or interest taxable with respect to an award rendered by the arbitrators.

The award of the arbitrators shall represent a full and final settlement of all amounts due and owing to Plaintiff for and all claims arising out of the incident which occurred on or about December 2001 at or near Emerson Middle School; however, limited judicial review may be obtained in a Michigan Federal District Court or Michigan Circuit Court of competent jurisdiction (a) in accordance with the standards for review of arbitration awards as established by law; or (b) on the ground that the arbitrators committed an error of law.

B. Promptly after the arbitrators announce their decision, the Law Department shall inform City Council of the writing of that decision.

C. Upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay part or all \$50,000.00 to the Plaintiff, the Finance Director is authorized to issue a draft drawn upon proper account in favor of Keitia Turner and her attorneys, The Thurswell Law Firm, P.L.L.C., in the amount of the arbitrators' award, but said draft shall not exceed Fifty Thousand Dollars (\$50,000.00).

Honorable City Council:

Re: Alvin Hymon vs. City of Detroit. Case No.: 04-404192 NI. File No.: A20000.002156 (KAC).

On November 9, 2004, a case evaluation panel evaluated the above-captioned lawsuit and awarded Fifteen Thousand Dollars (\$15,000.00) in favor of Plaintiff. The parties have until December 7, 2004, to either accept or reject the case evaluation. Failure to file a written acceptance or rejection within this period constitutes a rejection.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that acceptance of the case evaluation award is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize acceptance of the case evaluation award; and, in the event that Plaintiff accepts the award, to deem such acceptance as a settlement and to direct the Finance Director to issue a draft in the amount of Fifteen Thousand Dollars (\$15,000.00) payable to Rothstein, Erlich, Rothstein and Andreopolous, PLLC, attorneys, and Alvin Hymon, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 04-404192 NI, approved by the Law Department.

Honorable City Council:

Re: Dino Stanley vs. City of Detroit. Case No.: 04-400091 NI. File No.: A20000.002114 (NJL).

On October 4, 2004, a case evaluation panel evaluated the above-captioned lawsuit and awarded Twenty-Seven Thousand Five Hundred Dollars (\$27,500.00) in favor of Plaintiff. The parties have until November 1, 2004, to either accept or reject the case evaluation. Failure to file a written acceptance or rejection within this period constitutes a rejection.

Based upon our review of the facts and

particulars of this lawsuit, which are forth in a confidential memorandum that being separately hand-delivered to each member of your Honorable Body, it is considered opinion that acceptance of case evaluation award is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize acceptance of the case evaluation award; and, in the event Plaintiff accepts the award, to deem such acceptance as a settlement and to direct the Finance Director to issue a draft in the amount of Twenty-Seven Thousand Five Hundred Dollars (\$27,500.00) payable to Rothstein, Erlich, Rothstein and Andreopolous, PLLC, attorneys, and Dino Stanley, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 04-400091 NI, approved by the Law Department.

Honorable City Council:

Kimberly Davis v City of Detroit.
 Case No.: 03-328326 NO. File No.:
 A19000-002694(NJL).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately handed over to each member of your Honorable Body. From this review, it is my considered opinion that the City should agree to the entry of an Order of Dismissal and enter into an Agreement to arbitrate on the terms and conditions set forth in the following resolution.

We, therefore, request authorization to enter into an Order of Dismissal and enter into an Agreement to arbitrate on the terms and conditions set forth in the following resolution and, upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay a designated amount to the Plaintiff, that your Honorable Body direct the Finance Director to issue a draft payable to Kimberly Davis and her attorney, Alexander M. Kelin, P.C., in the amount of \$250,000.00. The amount the City is to pay the Plaintiff pursuant to the arbitrators' decision, but said draft shall not be less than Twenty-Five Thousand Dollars (\$25,000.00) and shall not exceed Two Hundred Fifty Thousand Dollars (\$250,000.00).

Resolved, That:
 The Law Department is authorized to enter into an Order of Dismissal and enter into an Agreement to arbitrate in the case of Kimberly Davis v City of Detroit, Wayne County Circuit Court Case No. 03-328326 NO, on the following terms and conditions:

1. The parties shall submit to arbitration all the matters in controversy raised in the above-named lawsuit.

The Plaintiff shall recover a minimum amount of Twenty-Five Thousand Dollars (\$25,000.00).

The maximum amount of any award to

the Plaintiff shall not exceed the amount of Two Hundred Fifty Thousand Dollars (\$250,000.00).

3. Any award under \$25,000.00 shall be interpreted to be in the amount of \$25,000.00.

Any award in excess of \$250,000.00 shall be interpreted to be in the amount of \$250,000.00.

There shall be no costs, fees, attorney fees or interest taxable with respect to the award rendered by the arbitrators.

The award of the arbitrators shall represent a full and final settlement of any amounts due and owing to Plaintiff for any and all claims arising out of the incident which occurred on or about February 20, 2003 at or near 17912 Flemming; however, limited judicial review may be obtained in a Michigan Federal District Court or Michigan Circuit Court of competent jurisdiction (a) in accordance with the standards for review of arbitration awards as established by law; or (b) on the ground that the arbitrators committed an error of law.

B. Promptly after the arbitrators announce their decision, the Law Department shall inform City Council in writing of that decision.

C. Upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay part or all \$250,000.00 to the Plaintiff, the Finance Director is authorized to issue a draft drawn upon the proper account in favor of Kimberly Davis and her attorney, Alexander M. Kelin, P.C., in the amount of the arbitrators' award, but said draft shall not be less than Twenty-Five Thousand Dollars (\$25,000.00) and shall not exceed Two Hundred Fifty Thousand Dollars (\$250,000.00).

Re: Lisa Lamar vs. City of Detroit. WC
Case No. 01-125154 CL.

This matter is scheduled for binding arbitration before a three member, advisory panel on December 6, 2004.

We have reviewed the above-captioned lawsuit, the facts and particulars which are set forth in the memorandum. From this review, it is our considered opinion that settlement in the amount of \$125,000.00 is in the best interest of the City of Detroit. The amount is fair and reasonable and an eventual settlement of this matter in this amount is prudent.

We, therefore, request you to authorize settlement and to direct the Finance Director to issue his draft in the amount of One Hundred Twenty-Five Thousand Dollars (\$125,000.00) payable to Lisa Lamar and her attorneys, Eisenberg, Bogas, P.C., to be delivered upon receipt of the properly executed Releases and Order of Dismissal.

Honorable City Council:

Re: Address: 13430 Hasse. Name: Camara Ruffin. Date ordered removed: September 15, 2004 (J.C.C. p.).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on October 22, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of September 2, 2004.

The proposed use of the property is rehabilitation and sale.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we will proceed with demolition without further hearings. Pursuant to the Property Maintenance Code our Municipal Civil Infractions (MCI) Unit will issue the appropriate violations/tickets.

Honorable City Council:

Re: Petition #1162, S. A. Restaurants, Inc. — MLCC Entertainment and Topless Activity Permit (Revised Resolution of Disapproval).

At your Honorable Body's formal session of 03 November 2004, Council pulled the Law Department's resolution of disapproval with regard to the petition of S. A. Restaurants, Inc. and asked that it be revised and expanded by City Planning Commission staff.

This petition from the Michigan Liquor Control Commission relates to the transfer of an entertainment permit and topless activity permit for the adult cabaret located at 20771 W. Eight Mile Road in the City of Detroit.

City Planning Commission staff respectfully submits a revised resolution of disapproval, attached hereto, reflecting the nonconforming status of the adult cabaret and Council's deliberations concerning it. If the revisions accurately respond to Council's concerns, we recommend that the resolution be put on for a vote at the November 17th formal session.

By Council Member McPhail:

Whereas, Section 916(6)(b) of the Michigan Liquor Control Code of 1998, being MCL 436.1916(6)(b), requires that prior to the issuance of a Michigan Liquor Control Commission ("MLCC") dance or entertainment permit, a combination dance-entertainment permit, or a topless activity permit, an establishment licensed by the MLCC for the sale of alcoholic beverages on the premises shall obtain the approval of the local legislative body of the municipality within which the premises are located;

Whereas, the MLCC has forwarded a Local Approval Notice (Request ID 134102) to City Council, which has been designated by the City Clerk as Petition No. 1161, concerning the request of S. A. Restaurants, Inc. for approval or disapproval of the issuance of entertainment and topless activity permits in conjunction with the transfer of stock ownership of an MLCC licensed business at 20771 W. Eight Mile Road from John Jarjosa, deceased to Jerry Jarjosa;

Whereas, Upon this body's approval of the issuance of an entertainment and a topless activity permit by the MLCC to S. A. Restaurants, Inc., the issuance of a City of Detroit Group "D" adult cabaret business license by the Consumer Affairs

Business License Center, and the MLCC's approval of the transfer of stock ownership of the licensed business, the location would be approved for entertainment, and topless activity on the premises by the petitioner;

Whereas, Zoning District Map No. 72 identifies the land at 20771 W. Eight Mile Road as zoned B4; and

Whereas, The Buildings and Safety Engineering Department records indicate that 20771 W. Eight Mile is an adult cabaret; and

Whereas, Adult cabarets are a nonconforming use on land zoned B4; and

Whereas, The City Council has considered the Local Approval Notice requesting the approval or disapproval of the issuance of entertainment and topless activity permits by the MLCC to S. A. Restaurants, Inc., in accordance with its procedures and this Body's August 1, 2003 and July 7, 2004 resolutions on the procedures and criteria for the approval or disapproval of the issuance of such permits;

Whereas, Detroit City Council has found it inconsistent to take actions that would have the effect of lengthening the life of a nonconforming use; and

Whereas, The information presented by the petitioner at a hearing on October 18, 2004 before City Council failed to provide information adequate and appropriate to overcome the presumption against taking legislative actions that would have the effect of lengthening the life of a nonconforming use;

Now Therefore It Is Resolved, Pursuant to Section 916(6)(b) of the Michigan Liquor Control Code, being MCL 436.1916(6)(b), that the Detroit City Council, disapproves the transfer of entertainment and topless activity permits by the MLCC for 20771 W. Eight Mile Road; and

It Is Further Resolved, That copies of this Resolution, and the City Clerk's certification of this disapproval of MLCC request ID number 134102, be forwarded to the Michigan Department of Consumer and Industry Services, Liquor Control Commission, 7150 Harris Drive, P.O. Box 30005, Lansing, MI 48909-7575, the Detroit Police Department, Liquor License Unit, 2100 Park Street, Room 114-2, and the Consumer Affairs Business License Center, 105 Coleman A. STATEMENT OF COUNCIL MEMBER
S. COCKREL IN OPPOSITION TO
RESOLUTION DISAPPROVING

TRANSFER OF ENTERTAINMENT
AND TOPLESS ACTIVITY PERMIT
BY THE MLCC FOR
20771 W. EIGHT MILE ROAD

On Wednesday, November 17, 2004, I voted no on the resolution referred above. Petition No. 1162 of S. A. Restaurants, Inc. was a request for Detroit City Council, as the local legislative body, to approve the issuance of entertainment and topless activity permits by the Michigan Liquor Control Commission (MLCC) in conjunction with a transfer of stock ownership of a licensed business located at 20771 W. Eight Mile Road.

The business located at that address featured adult entertainment in a B4 zoning district. Adult cabarets located on land zoned B4 are nonconforming uses. With respect to such nonconforming uses, in August of 2003, the Detroit City Council passed a resolution establishing "procedures and criteria for the approval/disapproval of MLCC activity permits." In pertinent part, the rules provide that it is the policy of the City Council to not lengthen the lives of nonconforming uses. Further, the petition is allowed to present evidence to rebut this presumption.

There were two particular factors that impacted my decision on this issue. First, the actual owner of the license and permit was not changing. The owner is S. A. Restaurants, Inc. of which the sole shareholder was John Jarjosa. Secondly, the death of John Jarjosa was what necessitated the transfer of his stock in S. A. Restaurants, Inc. to his uncle, John Jarjosa. This situation is readily distinguishable from the more typical case in which a business seeks to sell and transfer its licenses thereby lengthening a nonconforming use. In this case, the actual owner remains the same and the stock transfer was required because of some very unfortunate circumstances.

Consumer Affairs reported that the petition was in compliance with all applicable provisions of the 1984 Detroit City Code. The Buildings and Engineering Safety Department indicated that the building was a nonconforming occupancy as a Group 1 adult cabaret business. The Police Department reported that there had been four (4) MLCC violations with no record of serious crime within the past year. In consideration of all of the factors including the fact that this appeared to be a legal nonconforming use and the fact that this was a simple stock transfer required by the untimely death of John Jarjosa, I did not vote in favor of disapproving the transfer of ownership.

For all of the reasons stated above, I voted no.

City Planning Commission

November 9, 2004

Honorable City Council:

Proposed New Zoning Ordinance (Submitting Resolution to Extend Period for Council Consideration).

On March 26, 2004, your Honorable Council concurred with the recommendation of the City Planning Commission staff to approve the proposed new Zoning Ordinance to include only those provisions recommended by the City Planning Commission (CPC) on May 15, 2003, as well as those items transmitted by CPC staff in reports dated March 12, 2004 and March 24, 2004.

As a result of that action, CPC staff prepared a 6th draft of the Ordinance which contains all of the requisite changes. This draft was forwarded to the Law Department on June 18, 2004 for its review as to form. On October 1, 2004, the Law Department relayed its comments to CPC staff, indicating the need for minor substantive corrections and various stylistic changes. Those corrections and changes are presently being made. However, the desirability of immediately repealing the current Zoning Ordinance, Ordinance No. 390-G, to reflect the provision of blight violations so that the Department of Administrative Hearings can begin work in January, 2005, results in changes to as many as 51 sections of the 6th draft.

As indicated in the City Planning Commission (CPC) reports of August 29, 2003 and November 12, 2003, and as required by Sections 64.0700 of the existing Ordinance, City Council needs to act on the recommended ordinance within 120 days of receipt of the Planning Commission's report and recommendation. The original 120-day review period would have expired on January 2, 2004 but has been extended by resolutions of Council until May 1, 2004, August 29, 2004, and December 27, 2004.

Since the Law Department's finalization of its review and insertion of the "Blight Ordinance" amendments will continue through Council's end-of-year recess after December 22, 2004, CPC staff recommends that the attached resolution be put forward for a vote prior to your Honorable Council's recess. The resolution will extend the review period of the proposed, new Zoning Ordinance for an additional 120 days until April 26, 2005.

Respectfully submitted,
MARSHA S. BRUHN
 Director

Council Member Watson:
 Whereas, On September 4, 2003, Detroit City Council received the report and recommendation of the City Planning Commission regarding repeal of Ordinance No. 390-G (Zoning) and passage of a proposed, new Zoning Ordinance; and

Whereas, On October 9, 2003, January 2004, and March 12, 2004, Detroit

City Council held discussions on this matter with six City agencies and outside zoning consultants; and

Whereas, Section 64.0700 of the Zoning Ordinance requires action by City Council on recommendations of the City Planning Commission within one hundred twenty (120) days of receipt of the Commission's report and recommendation; and

Whereas, City Council has extended said one hundred twenty (120) day review period from January 2, 2004 to May 1, 2004, August 29, 2004 and then again until December 27, 2004; and

Whereas, Final review and revision of the 6th draft of the proposed new Zoning Ordinance by the Law Department will continue beyond Council's end-of-year recess;

Now, Therefore, Be It Resolved, That Detroit City Council further extends the review period for consideration of the repeal of the existing Zoning Ordinance and adoption of the proposed, new Zoning Ordinance for an additional one hundred twenty (120) days until April 26, 2005.

Human Resources Department Labor Relations Division

November 8, 2004

Honorable City Council:

Re: Implementation of Wage Adjustments and Certain Fringe Benefit Changes for Employees Represented by Utility Workers of America, Local 5

The Labor Relations Division recently reached agreement with Utility Workers of America Local 5. Given the extensive time it will take to type and process the entire contract, it would cause an unreasonably long delay to withhold implementation until the final contract has been prepared and presented to your Honorable Body for approval.

Therefore, in accordance with standard City procedure, this Office is recommending that your Honorable Body pass a resolution amending the 2003-2004 Official Compensation Schedule by granting a 2% general wage increase for the sub-represented employees effective July 1, 2003, and similarly amend the 2004-2005 Official Compensation Schedule by granting a 2% general wage increase effective July 1, 2004. We are also requesting authorization to implement the following new contract provisions:

1) Special Adjustment for a career classification as outlined in the attached Schedule A.

2) Fringe benefit changes as set forth in the attached Schedule B.

We further respectfully request your Honorable Body adopt the following resolution with a Waiver of Recor-

ion.

Respectfully submitted,
ROGER N. CHEEK
Labor Relations Director
Council Member Tinsley-Talabi:

Resolved, That the 2003-2004 and 2004-2005 Official Compensation Schedules and employee wages be amended according to the foregoing letter be it further

Resolved, That employees in the Utility Workers of America Local 531 bargaining shall receive special adjustments and benefit improvements as recommended in accordance with the schedules on file with the City Clerk, and it further

Resolved, That the Finance Director is hereby authorized to honor payrolls and checkers in accordance with this resolution and letter.

SCHEDULE A

Utility Workers of America Local 531 Special Adjustment 1

In order to maintain traditional wage relationships between various classes of employees which share a close working relationship and also facilitate the harmonious interaction of such employees, the following classifications shall be granted a special adjustment as outlined below.

This special wage adjustment will be applied to bargaining unit members in the following classifications on the payroll, effective October 21, 2004, and is in addition to the general wage increases provided for in the Wage Article.

Class	Classification	Amount of Special Adjustment
75-51	Assistant Supervisor of Water Systems Maintenance and Construction	50¢ per hour

SCHEDULE B

**Fringe Benefit Changes
Further Compensation —**

Cash Bonus: Members of the bargaining unit who are on the payroll on October 1, 2004 shall receive a \$400 cash bonus. This payment will be made as soon as possible following the date of ratification and the City Council's resolution approving the economic terms. This payment shall not increase the employee's base rate of pay, nor shall it be included in average final compensation for pension purposes.

Persons who are on approved leave of absence, workers compensation, long-term disability or other absence from the payroll on the date of ratification shall be eligible for the \$400 bonus upon their return to active employment.

Funeral Leave — Effective October 31, 2004, add step-son and step-daughter to the relationships defined as being treat-

ed as Immediate Family which allow an employee three (3) days funeral leave.

• **Work Week, Work Day, Shift Premium** — Effective November 10, 2003, afternoon shift premium increased to \$0.70 an hour (from the prior \$.45) and the night shift premium to \$0.75 an hour (from the prior \$.50).

• **Holidays and Excused Time** — Good Friday changed from a half-day (4 hours) excused time to a full day (8 hours) excused day. [This change to become effective on Good Friday in 2005 and thereafter.]

• **Unused Sick Leave on Retirement** — Effective upon ratification of contract and approval by City Council, payment upon retirement, or death with 20 or more years of service, the value of unused sick days in an employee's sick banks is increased from 50% to 60%.

Honorable City Council:

Re: Establishment of the Core City Neighborhood Enterprise Zone.

Attached for your consideration please find a resolution and legal description which will establish the Core City Neighborhood Enterprise Zone (NEZ) in accordance with Public Act 147 of 1992 ("the Act").

Your Honorable Body conducted a public hearing on this matter on October 15, 2004, as required by the Act. No impediments to the establishment of the NEZ were presented at the public hearing.

The Act requires that at least 60 days must pass from the date of the notice of the public hearing to the date of your formal approval of a resolution establishing the NEZ. The date of the notice of the public hearing is August 10, 2004 and we

therefore recommend that you approve the resolution at your next regular formal session.

Respectfully submitted,
HENRY B. HAGOOD

Direct of Development Activities
By Council Member Bates:

Whereas, Michigan's Public Act 147 of 1992, the Neighborhood Enterprise Zone Act ("the Act") provides for the establishment of Neighborhood Enterprise Zones (NEZs), the exemption from *ad valorem* taxes, and the imposition of a specific property tax in lieu of *ad valorem* real property taxes within NEZs; and

Whereas, The City of Detroit meets all the distress criteria set forth within the Act; and

Whereas, The Detroit City Council finds that designation of certain areas as NEZs is consistent with the adopted Master Plan, as amended, and will further the economic and physical development goals and objectives of the City by encouraging new housing starts and housing rehabilitation, thereby aiding in the preservation of existing neighborhoods and preventing further decay in others; and

Whereas, The Detroit City Council has found the establishment of the Core City NEZ to be consistent with the Detroit Master Plan of Policies and the neighborhood preservation and development goals of the City; and

Whereas, The Detroit City Council has adopted a statement of goals, objectives and policies relative to the maintenance, preservation, improvement, and development of housing for all persons regardless of income level living within proposed NEZs; and

Whereas, The Detroit City Council has enacted a housing inspection ordinance requiring that before the sale of a unit in a new or rehabilitated facility for which an NEZ Certificate is in effect, an inspection is to be made of the unit to determine compliance with Chapter 26 of the Code of the City of Detroit; and

Whereas, The Act requires that the designation of NEZs must be approved by a resolution adopted by the local governmental unit subsequent to a public hearing at which any taxpayer or resident, or representative of any taxing authority levying a property tax in the City of Detroit, was given the opportunity to address the requested establishment of an NEZ; and

Whereas, A public hearing on the issue of establishing the Core City NEZ was conducted before the Detroit City Council on October 15, 2004, with notice of the public hearing having been given to the general public and by certified mail to every taxing authority levying a property tax with the City of Detroit; and

Whereas, No impediments to establishment of the Core City NEZ known;

Now Therefore Be It

Resolved, That the land area described in the attached legal description, shown on the attached map, is hereby established as the Core City NEZ pursuant to Public Act 147 of 1992, Neighborhood Enterprise Zone Act.

 which will establish the Orton Develop-

ment Neighborhood Enterprise Zone
 (NEZ) in accordance with Public Act 147
 of 1992 ("the Act").

Your Honorable Body conducted a pub-
 lic hearing on this matter on September
 24, 2004, as required by the Act. No
 impediments to the establishment of the
 NEZ were presented at the public hear-
 ing.

The Act requires that at least 60 days
 must pass from the date of the notice of
 the public hearing to the date of your for-
 mal approval of a resolution establishing
 the NEZ. The date of the notice of the
 public hearing is August 10, 2004 and we
 therefore recommend that you approve
 the resolution at your next regular formal
 session.

Respectfully submitted,
 HENRY B. HAGOOD
 Director of Development Activities

By Council Member Bates:
 Whereas, Michigan's Public Act 147 of
 1992, the Neighborhood Enterprise Zone
 Act ("the Act"), provides for the establish-
 ment of Neighborhood Enterprise Zones
 (NEZs), and the exemption from *ad valorem*
 taxes, and the imposition of a specific
 property tax in lieu of *ad valorem* real
 property taxes within NEZs; and

Whereas, The City of Detroit meets all
 the district criteria set forth within the
 Act; and

Whereas, The Detroit City Council finds
 that designation of certain areas as NEZs
 is consistent with the adopted Master
 Plan, as amended, and will further the
 economic and physical development
 goals and objectives of the City by
 encouraging new housing starts and
 housing rehabilitation, thereby aiding in
 the preservation of existing neighbor-
 hoods and preventing further decay in
 others; and

Whereas, The Detroit City Council has
 found the establishment of the Orton
 Development Neighborhood Enterprise
 Zone NEZ to be consistent with the
 Detroit Master Plan of Policies and the
 neighborhood preservation and develop-
 ment goals of the City; and

Whereas, The Detroit City Council has
 adopted a statement of goals, objectives
 and policies relative to the maintenance,
 preservation, improvement, and develop-
 ment of housing for all persons regardless
 of income level living within proposed
 NEZs; and

Whereas, The Detroit City Council has
 enacted a housing inspection ordinance
 requiring that before the sale of a unit in
 a new or rehabilitated facility for which an
 NEZ Certificate is in effect, an inspection
 is to be made of the unit to determine
 compliance with Chapter 26 of the Code
 of the City of Detroit; and

Whereas, The Act requires that the
 designation of NEZs must be approved by

a resolution adopted by the local governmental unit subsequent to a public hearing at which any taxpayer or resident, or representative of any taxing authority levying a property tax in the City of Detroit, was given the opportunity to address the requested establishment of an NEZ; and

Whereas, A public hearing on the issue of establishing the Orton Development Neighborhood Enterprise Zone NEZ was conducted before the Detroit City Council on September 24, 2004, with notice of the public hearing having been given to the general public and by certified mail to every taxing authority levying a property tax with the City of Detroit; and

Whereas, No impediments to the establishment of the Orton Development Neighborhood Enterprise Zone NEZ are known;

Now Therefore Be It

Resolved, That the land area described in the attached legal description, and shown on the attached map, is hereby established as the Orton Development Neighborhood Enterprise Zone NEZ pursuant to Public Act 147 of 1992, the Neighborhood Enterprise Zone Act.

Planning & Development Department
November 4, 2004
orable City Council:
e: Authorization to Accept Depart-

ment of Housing and Urban
Development (HUD)
Grant Award in the amount of \$4
Million.

In response to the City of Detroit's
application submission to the 2004
Notice of Funding Availability (NOFA)
entitled "Lead Hazard Demonstration, the
Department of Housing and Urban
Development, through its Office of
Healthy Homes and Lead Control
Office awarded the City of Detroit, a grant
award in the amount of \$4 million. This is
a two-year grant, effective date of the
grant award is October 1, 2004.

The purpose of the grant award is to
assist the City of Detroit in the continued
efforts of community education, aware-
ness, outreach and testing programs, con-
ducting inspections/assessments, per-

forming lead hazard control measures in privately owned housing units and to also provide relocation for families in the City of Detroit for the two-year grant period.

We are hereby requesting authorization to accept this grant award.

Respectfully submitted,
WALTER C. WATKINS, JR.,
Chief Development Officer

By Council Member Tinsley-Talabi:

Whereas, The City of Detroit is three to four times greater than those within the State of Michigan ranking Detroit seventh nationally for childhood lead poisoning, and even more glaring is in some areas of the city one in every five children is lead poisoned according to the Center for Disease Control (CDC).

Whereas, The City of Detroit submitted to the Department of Housing and Urban Development (HUD), an application for the SuperNofa: Lead Based Paint Hazard Reduction Demonstration Grant on July 9, 2004.

Whereas, The City of Detroit, through its Planning and Development Department was selected for a two-year grant award in the amount of \$four million dollars to assist the City in it's effort to combat lead based paint poisoning in our children on September 27, 2004. Now, Therefore Be It

Resolved, The City of Detroit request the authorization to accept the grant award in the amount of four million dollars (\$4-million) to assist in the eradication and education of lead based paint poisoning in the children in the City of Detroit.

Adopted as follows:

Yeas — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Collins, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 8.

Nays — None.

STATEMENT BY
COUNCIL MEMBER S. COCKREL
IN SUPPORT OF RESOLUTION
AUTHORIZING ACCEPTANCE
OF DEPARTMENT OF HOUSING
AND URBAN DEVELOPMENT
DEPARTMENT (HUD) GRANT AWARD
IN THE AMOUNT OF \$4 MILLION

On Wednesday, November 17, 2004, I voted in support of the resolution referenced above. Lead is a neurotoxin that can cause severe brain damage in children resulting in reduction in intelligence and creation of a host of behavioral and health problems. According to a Proposed Work Plan/Action Activities/Funding Match Requirements document dated November 1, 2004 from the City of Detroit Planning and Development Department, the City of Detroit ranks fourth in the nation in the estimated number of children with elevated blood lead levels in cities with populations over 100,000. 56% of the City's housing stock was built prior to 1950

which are the homes considered to be prime sources of lead-based paints. This problem is exacerbated by the fact that according to the 2000 U.S. census, there are 93,365 children under the age of five living in poverty. Of these children, many live in rental homes. Under these circumstances, it is clear that funding aid is required in order to abate the lead problem.

In major part, the addressing of this issue was initiated on January 22, 2004 when the Detroit City Council adopted a resolution referring the Lead Poisoning problem in Detroit to its Public Health and Safety Standing Committee of which I am co-chair. The first discussion was held on January 28, 2003 when the committee heard from Dr. Lyke Thompson of Wayne State University and Glenn Brown of the Lead Free Partnership Coalition. The Public Health and Standing Committee held several more discussions and made multiple reports to the Committee of the Whole on the issue.

The U.S. Department of Housing and Urban Development (HUD), through its Office of Healthy Homes and Lead Hazard Control Office, awarded a \$4 million grant to the City of Detroit over a two-year period. This was due to the Planning and Development Departments application in response to HUD's 2004 Notice of Funding availability (NOFA). This grant will provide additional funding for the City to continue its efforts to create awareness of the lead problem through education and outreach, to conduct inspections, to perform lead control measures and to provide relocation.

This grant provides a very significant source of additional funding to address a major problem for the health of the City's children. The Planning and Development Department is to be commended for its outstanding efforts in this regard and I am proud to vote in full favor of the resolution to approve the acceptance of this grant.

October 13, 2004

Honorable City Council:

Re: Traffic Control Devices Installed and Discontinued.

We are submitting a list of traffic control devices dated July/August, 2004, to your Honorable Body for approval.

The attached list shows traffic control devices installed, and those discontinued during the period of July 16, 2004-August 15, 2004.

Respectfully submitted,
JAMES A. JACKSON

Director

Department of Public Works

By Council Member Bates:

Resolved, That the traffic regulations as listed in Communications from the Department of Public Works dated July/August, 2004, and the discontinuance of restrictions as listed therein, and the same are hereby approved, confirmed and further

Resolved, That any regulation restriction in conflict with the foregoing and the same is hereby rescinded.

Provided, That the traffic regulations adopted pursuant to the Ordinance provisions of Section 55-2-1, 55-2-2, and 55-2-3 of Chapter 55, Article 2, of the Code of Detroit and properly indicated by signs, signals, markings, or other devices authorized by the ordinance provisions, and further

Provided, The traffic regulations listed in the communication above referred to shall be kept on file by the City Clerk in her office for reference and for inspection.

**Department of Public Works
 City Engineering Division**

November 10, 2004

orable City Council:
 Petition No. 2272 — Medical,
 Surgical, Dental and Behavioral
 Care, requesting vacation of a por-
 tion of the east-west alley located in
 the area of East-Jefferson, Engel and
 St. Jean.

petition No. 2272 of "Medical, Surgical,
 tal and Behavioral Care" at 11300 E.
 erson Avenue, Detroit, Michigan
 14, request conversion of the remain-
 portion of the East-West public alley,
 2 feet wide, in the block bounded by
 t Jefferson Avenue, 120 feet wide,
 e Avenue, 50 feet wide, Engel
 nue, 50 feet wide, and St. Jean
 nue, 66 feet wide into a private ease-
 ment for utilities.

he request was approved by the
 nning and Development Department,
 Solid Waste Division — DPW, and the
 fic Engineering Division — DPW. The
 tion was referred to the City
 ineering Division — DPW for investi-

gation (utility review) and report. This is
 our report:

If the petitioner at any time plans to dis-
 continue use of the paved alley entrance
 (into St. Jean Avenue), the petitioner shall
 pay all incidental removal cost.

All other city departments and private
 utility companies have reported no objec-
 tions to the conversion of the public right-
 of-way into a private easement for utili-
 ties. Provisions protecting utility installa-
 tions are part of this resolution.

I am recommending adoption of the
 attached resolution.

Respectfully submitted,
 WILLIAM TALLEY
 Head Engineer

City Engineering Division — DPW
 By Council Member Bates:

Resolved, All that part of the East-West
 public alley, 18.12 feet wide, lying
 Southerly of and abutting the South line of
 Lot A and the East 2.34 feet of Lot 3 and
 lying Northerly of and abutting the North
 line of the East 40.49 feet of Lot 4 all in
 the "Carpenter's Jefferson Beach
 Subdivision of part of Lot 2" of the
 Subdivision of Westerly part of St. Jean
 Farm P.C. 26, Grosse Pointe (now
 Detroit) Michigan as recorded in Liber 22
 Page 96, Plats, Wayne County Records;

Be and the same is hereby vacated as
 a public alley and is hereby converted into
 a private easement for public utilities of
 the full width of the alley, which easement
 shall be subject to the following
 covenants and agreements, uses, reser-
 vations and regulations, which shall be
 observed by the owners of the lots abut-
 ting on said alley and by their heirs,
 executors, administrators and assigns,
 forever to wit:

First, Said owners hereby grant to and
 for the use of the public an easement or
 right-of-way over said vacated public alley
 herein above described for the purposes
 of maintaining, installing, repairing,
 removing, or replacing public utilities such
 as water mains, sewers, gas lines or
 mains, telephone, electric light conduits
 or poles or things, electrically placed or
 installed in a public alley in the City of
 Detroit, with the right to ingress and
 egress at any time to and over said ease-
 ment for the purpose above set forth,

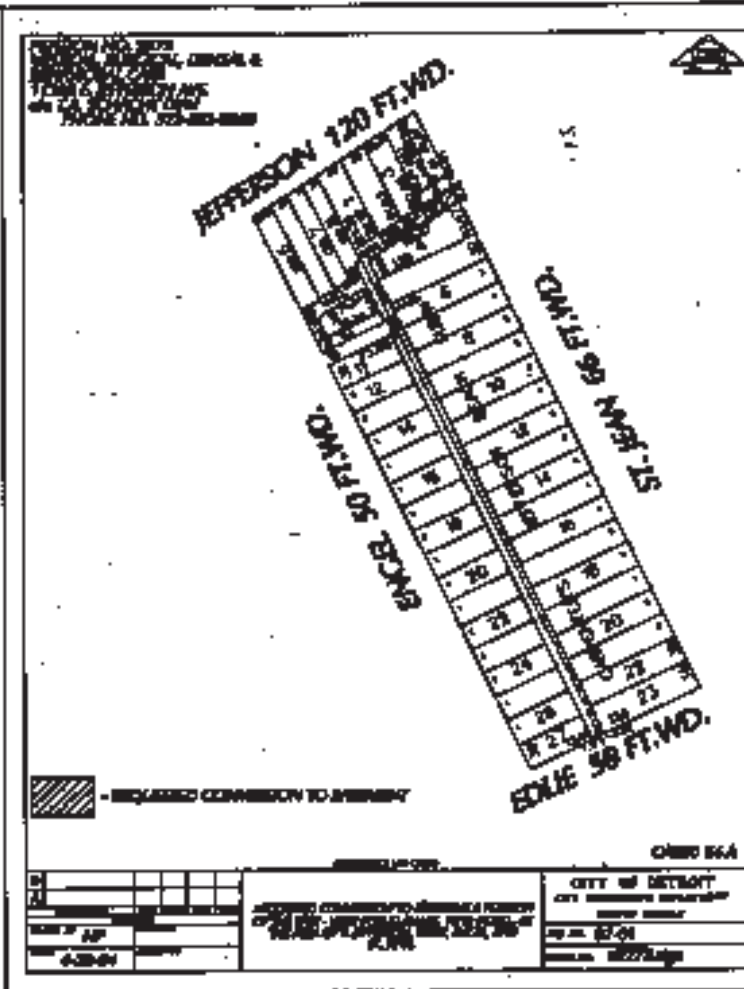

Second, Said utility easement or right-
 of-way in and over said vacated alley
 herein above described shall be forever
 accessible to the maintenance and
 inspection forces of the utility companies,
 or those specifically authorized by them,
 for the purpose of inspecting, installing,
 maintaining, repairing, removing, or
 replacing any sewer, conduit, water main,
 gas line or main, telephone or light pole or
 any utility facility placed or installed in the
 utility easement or right-of-way. The utility
 companies shall have the right to cross or
 use the driveways and yards of the

adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition.

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, retaining or partition walls, shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any abutting on said vacated alley shall request the removal and/or relocation of any existing poles or other utilities in said easement, such owners shall pay all costs incidental to such removal and relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of the owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of said broken or damaged utility; and further

provided, That if it becomes necessary to remove the paved return at the entrance (into St. Jean Avenue), such removal and construction of new curb and sidewalk shall be done under city permit inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and be it so ordered.

provided, That the City Clerk shall within 10 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Honorable City Council:
Petition No. 2636 — “Sterling Multifamily Housing Specialists”, requesting for outright vacation of the utility easement located at 3701 Fifteenth Street, between Selden, Magnolia, Fifteenth and Sixteenth Streets.

Petition No. 2636 of “Sterling Multifamily Housing Specialists”, at 3900 Son Lakes Parkway, Suite 201, P.O. Box 2008, Mishawaka, IN 46546-2008, request the outright vacation of the North-South and East-West public alleys, 20 feet wide, (previously vacated on June 3, 1924) in the block bounded by Magnolia Street, 60 feet wide, Selden Street, 50 feet wide, Sixteenth Street, 60 feet wide, and Fifteenth Street, 60 feet wide (former Kennedy Elementary School

Site) for the construction of a New Eighty-Eight (88) unit Senior Living Facility.

The request was approved by the Planning and Development Department, Solid Waste Division — DPW, and the Traffic Engineering Division — DPW, the petition was referred to the City Engineering Division — DPW for investigation (utility clearance) and report. This is our report.

All other city departments and private utility companies have reported no objections to the changes of the public rights-of-way. Provisions protecting utility installations are part of this resolution (if necessary).

I am recommending adoption of the attached resolution.

Respectfully submitted,

RESOLUTION

COUNCIL MEMBER TINSLEY-TALABI:

WHEREAS, The Check Clearing Act of the 21st Century, also known as Check 21, went into effect on October 28, 2004 across the nation; and

WHEREAS, Check 21 creates a new final document, called the "substitute check," which allows checks to be scanned, digitized and transported electronically. Substitute checks are paper checks created from electronic images of original paper checks. This process creates an advantage to the banking industry because it allows them to access funds more quickly. Currently, most checks must be physically transported across the country; and

WHEREAS, This new system will further change the way consumers have handled their checking by eliminating the

previous 3 day average for checks to clear, also known as 'Float' time. The implementation of Check 21 will allow checks to clear in seconds as opposed to days; and

WHEREAS, The new legislation represents a paradigm shift and will have tremendous impact on the banking industry overall, and in particular its customers, who may or may not have the ability to fully comprehend the changes the law presents; and

WHEREAS, Check 21 creates a totally new environment for customers who have become accustomed to the current system. Customers may incur a considerable amount of overdraft fees, especially those populations who can least afford it because there has not been enough education regarding the impact of Check 21; and

WHEREAS, There exists an imperative need to educate the general public regarding Check 21 throughout the State of Michigan, NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council urges the Michigan Bankers Association to intensify outreach efforts aimed at alerting citizens of the implications of Check 21 in radio, television and print media; AND BE IT FINALLY

RESOLVED, That copies of this resolution be forwarded to Michigan Governor Jennifer Granholm, the Detroit Delegation of the House and Senate, Wayne County Executive Robert Ficano, Wayne County Commissioner the Michigan Bankers Association, Mayor Kwame Kilpatrick, and the Presidents of all banks in the Detroit metropolitan area.

Adopted as follows:

Yeas — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Collins, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 8.

Nays — None.

TESTIMONIAL RESOLUTION FOR

REV. LORENZO EDWARDS, SR.

By COUNCIL MEMBER K. COCKREL, JR.:

WHEREAS, Rev. Lorenzo Edwards, Sr. will celebrate his 75th birthday at a special celebration on November 5, 2004, and

WHEREAS, As the pastor of Holy Cross Missionary Baptist Church, Rev. Edwards has devoted his life to God and his family, and

WHEREAS, Rev. Edwards attended Marion High School in Alabama before majoring in business at Montgomery College. He later joined the U.S. Army, where he served as a cook. After his military service, he worked at the Cadillac Division of General Motors on Clark Street from which he retired, and

WHEREAS, He has been a devoted and compassionate pastor, faithfully lead-

ing the congregation of Holy Cross Missionary Baptist Church to a more committed relationship with Jesus Christ, and

WHEREAS, Rev. Edwards is a loving husband, father of seven, grandfather of eight, and great-grandfather of two. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council hereby joins family and friends in wishing Rev. Lorenzo Edwards a happy and joyous 75th birthday.

Adopted as follows:

Yeas — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Collins, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 8.

**TESTIMONIAL RESOLUTION
FOR
ARCOLAIN BUTLER**

By COUNCIL MEMBER K. COCKREL, JR.:

WHEREAS, Arcolain Butler will celebrate his retirement after a distinguished 20-year career at the YMCA Interim House on Friday, October 29, 2004, and

WHEREAS, Mr. Butler began his employment at the YMCA Interim House, a shelter for victims of domestic violence, as a bookkeeper in February, 1984. As a bookkeeper, his duties were to record and track all financial transactions, process payroll, and reconcile the petty cash account, and

WHEREAS, In 1992, he was promoted to program director with the primary responsibilities of billing, payroll, record keeping, and bank deposits, and

WHEREAS, Mr. Butler was promoted to his current position of facilities manager in 1998. Affectionately as "Beau," Mr. Butler is known as a hard-working and dedicated employee of the Interim House. He often went beyond the call of duty to ensure that things at the YMCA Interim House operated smoothly, and

WHEREAS, A father of five, Mr. Butler enjoys spending time relaxing at home with his family and friends, playing cards, and going to the movies. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council hereby congratulates Arcolain Butler upon his retirement after 20 years of dedicated service with the YMCA Interim House. May he enjoy the opportunity to relax and pursue his interests throughout his retirement year.

Adopted as follows:
