AN ORDINANCE to amend Chapter 61 of the 1984 Detroit City Code, titled "Zoning," by amending Sections 61-2-131, 61-2-132, 61-2-133, 61-3-113, 61-3-121, 61-3-124, 61-3-126, 61-3-127, 61-3-141, 61-3-204, 61-3-219, 61-3-220, 61-3-266, 61-3-272, 61-3-306, 61-3-312, 61-4-72, 61-7-6, 61-11-246, 61-11-264, 61-11-265, 61-11-270, 61-11-273, 61-11-275, 61-11-311, 61-11-312, 61-11-313, 61-11-314, 61-11-323, 61-11-324, 61-12-11, 61-12-12, 61-12-23, 61-12-42, 61-12-47, 61-12-48, 61-12-50, 61-12-61, 61-12-63, 61-12-64, 61-12-85, 61-12-118, 61-12-131, 61-12-133, 61-12-152, 61-12-154, 61-12-160, 61-12-164, 61-12-167, 61-12-223, 61-12-224, 61-12-225, 61-12-226, 61-12-227, 61-12-238, 61-13-1, 61-13-21, 61-13-32, 61-13-41, 61-13-61, 61-13-121, 61-13-152, 61-13-157, 61-13-126, 61-14-103, 61-14-126, 61-14-149, 61-14-151, 61-14-205, 61-14-221, 61-14-222, 61-14-251, 61-14-267, 61-14-277, 61-14-281, 61-14-282, 61-14-283, 61-14-284, 61-14-285, 61-15-13, 61-15-14, 61-15-16, 61-16-31, 61-16-92, 61-16-101, 61-16-112, 61-16-151, 61-16-175, and 61-16-182, and by adding Sections 61-2-134, 61-2-135, 61-2-136, 61-2-141, 61-2-142, 61-2-143, 61-2-144, 61-2-145, 61-2-146, 61-11-276, 61-11-315, 61-11-325, 61-11-342, 61-11-343, 61-11-344, 61-11-345, 61-13-18, 61-14-87, 61-14-286, 61-14-287, 61-14-288, 61-14-289, 61-14-290, 61-14-291, 61-14-292, 61-14-293, 61-14-294, 61-14-295, 61-14-296, 61-14-297, 61-14-298, 61-14-299, 61-14-300 to provide design standards for designated overlay areas; to make corrections of a clerical and "housekeeping" nature; to specify the petition requirements ten for (10) land uses; to establish the role, authority, and procedures of the Wireless Telecommunications Site Review Committee and the Design Review Advisory Committee; to clarify the meaning of the terms, "established grade," "grade plane," and "intensification of use;" to clarify procedure and jurisdiction involving the Board of Zoning Appeals; to clarify site plan review procedures; to further address accessible parking for the handicapped; to clarify the types of acceptable screening materials and treatments; to define "addition," "principal structure," and "toxic substance disposal facility;" to require waste receptacles in off-street loading areas; to clarify the method of

measurement of tree caliper; to provide the standard for through driveways in certain residential developments; and to provide further guidelines on the intensity of façade color.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 61 of the 1984 Detroit City Code, titled "Zoning," be amended by amending Sections 61-2-131, 61-2-132, 61-2-133, 61-3-113, 61-3-121, 61-3-124, 61-3-126, 61-3-127, 61-3-141, 61-3-204, 61-3-219, 61-3-220, 61-3-266, 61-3-272, 61-3-306, 61-3-312, 61-4-72, 61-7-6, 61-11-246, 61-11-264, 61-11-265, 61-11-270, 61-11-273, 61-11-275, 61-11-311, 61-11-312, 61-11-313, 61-11-314, 61-11-323, 61-11-324, 61-12-11, 61-12-12, 61-12-23, 61-12-42, 61-12-47, 61-12-48, 61-12-50, 61-12-61, 61-12-63, 61-12-64, 61-12-85, 61-12-118, 61-12-131, 61-12-133, 61-12-152, 61-12-154, 61-12-160, 61-12-164, 61-12-167, 61-12-223, 61-12-224, 61-12-225, 61-12-226, 61-12-227, 61-12-238, 61-13-1, 61-13-21, 61-13-32, 61-13-41, 61-13-61, 61-13-121, 61-13-152, 61-13-157, 61-13-126, 61-14-103, 61-14-126, 61-14-149, 61-14-151, 61-14-205, 61-14-221, 61-14-222, 61-14-251, 61-14-267, 61-14-277, 61-14-281, 61-14-282, 61-14-283, 61-14-284, 61-14-285, 61-15-13, 61-15-14, 61-15-16, 61-16-31, 61-16-92, 61-16-101, 61-16-112, 61-16-151, 61-16-175, and 61-16-182, and by adding Sections 61-2-134, 61-2-135, 61-2-136, 61-2-141, 61-2-142, 61-2-143, 61-2-144, 61-2-145, 61-2-146, 61-11-276, 61-11-315, 61-11-325, 61-11-342, 61-11-343, 61-11-344, 61-11-345, 61-13-18, 61-14-87, 61-14-286, 61-14-287, 61-14-288, 61-14-289, 61-14-290, 61-14-291, 61-14-292, 61-14-293, 61-14-294, 61-14-295, 61-14-296, 61-14-297, 61-14-298, 61-14-299, 61-14-300, to read as follows:

ARTICLE II. DECISION-MAKING BODIES.

DIVISION 7. ADVISORY REVIEW COMMITTEES.

Subdivision G. Wireless Telecommunications Site Review Committee.

Sec. 61-2-131. Creation; purpose; scope.

(a) There is hereby created a Wireless Telecommunications Site Review Committee (referred to in this subdivision as the "Committee"), which shall perform its duties and exercise its powers as provided for in ~~Sec. 61-2-132 through Sec. 61-2-133~~ this subdivision.

(b) The Federal Telecommunications Act of 1996 preserves the City of Detroit's ("City") ability to exert zoning and other regulatory control over personal communications services ("PCS"), enhanced specialized and specialized mobile radio ("ESMR/SMR"), and cellular wireless

antenna cell sites, provided that: 1) Zoning and other regulations are not so onerous as to effectively prohibit the provision of personal wireless services, and 2) there is no unreasonable discrimination among providers of functionally equivalent services.

The development of PCS technology also presents greater site management problems for the City because the high frequency and low power requirements necessitate many more wireless cell sites than conventional cellular or ESMR/SMR service. The Committee is established for the purpose of creating a centralized process for handling site requests that may be granted without zoning map changes to assure consistency and fair treatment in the processing of such requests.

(c) The Committee shall serve as a City-wide clearing-house for the review of all siting requests including, but not limited to, permit and lease requests for wireless antenna towers and other antenna cell sites. No permit shall be issued until the Committee has conducted a thorough review in accordance with the provisions of this subdivision.

Sec. 61-2-132. Personnel.

The Wireless Telecommunications Site Review Committee shall consist of not more than nineteen (19) regular members, and not more than two (2) special members for any particular request, who shall be appointed by and who shall serve at the pleasure of the Mayor, in accordance with the following:

(1) *Regular Members.*

(a) One (1) representative from the Mayor's Office, or designee of the Mayor who shall also serve as the Committee Chairperson.

(b) Not more than two (2) representatives from each of the following City departments or agencies:

- (i) Buildings and Safety Engineering Department;
- (ii) City Planning Commission;
- (iii) Information Technology Services Department;
- (iv) Law Department; and
- (v) Planning and Development Department.

(c) Not more than one (1) representative from each of the following City departments or agencies:

- (i) ~~Police Department~~ Cable Communications Commission;
- (ii) ~~Public Lighting Department~~ Department of Transportation;
- (iii) ~~Public Works Department~~ Fire Department;
- (iv) ~~Department of Transportation;~~ and Police Department;
- (v) ~~Water and Sewerage Department~~ Public Lighting Department;
- (vi) Public Works Department; and
- (vii) Water and Sewerage Department.

~~(d) Not more than two (2) representatives from the City Planning Commission.~~

(2) *Special members.* When the Committee receives a request that involves City-owned land or buildings within the jurisdiction of a City department or agency which is not listed in Subsection (1) of this section, such City department or agency shall designate, through its department director or agency head, not more than two (2) additional Committee members, who shall serve as special members, only for the purpose of considering the specific request that pertains to the City-owned buildings and/or land within the jurisdiction of the City department or agency.

Sec. 61-2-133. Officers.

The representative of the Mayor's Office, or the Mayor's designee, shall serve as a Chairperson of the Wireless Telecommunications Site Review Committee. The Chairperson may select a Vice-Chairperson. The Vice-Chairperson shall act in the Chairperson's stead in the event of the Chairperson's absence or in the event of a vacancy in the position of Chairperson.

Sec. 61-2-134. Siting Request Review Criteria.

The Committee shall apply and evaluate the following criteria, at a minimum, to be used in reviewing wireless antenna tower and antenna siting requests:

- (1) Antenna tower height, antenna tower width dimensions and the type of antenna tower design to be used, i.e., guyed tower, lattice tower, or monopole;
- (2) Proximity of the antenna tower site to residential development;
- (3) Minimum optimal distance between antenna towers and the number of antenna towers permitted per zoning lot;
- (4) Visual impact of the antenna tower or other cell site on the host community including setbacks, yard requirements, screening, fencing, and landscaping;
- (5) Materials and coloration of the antenna tower or other cell site and auxiliary buildings;
- (6) Whether the proposed antenna tower can accommodate more than one (1) provider (co-location);
- (7) Existence of feasible alternatives to the erection of new antenna towers, such as the use of existing structures;
- (8) Degree to which antennas affixed to existing structures are effectively concealed or camouflaged;
- (8) Compliance with all applicable federal, state, and local laws, ordinances, and regulations; and
- (9) Any other criterion as may be deemed necessary by the City, or may be required by State or Federal regulations.

Sec. 61-2-135. Procedure for processing antenna siting requests.

All departments and/or agencies of the City of Detroit shall notify the Chairperson

of the Wireless Telecommunications Site Review Committee upon receipt of any request for a permit to erect a PCS, ESMR/SMR, or other cellular antenna or antenna tower on land or buildings in the City of Detroit. Said notices shall be sent to the Committee Chairperson within five (5) business days after receipt. Wireless carriers may apply directly to the Wireless Telecommunications Site Review Committee.

Applications for antenna cell sites must submit both the standard permit application form of the Buildings and Safety Engineering Department and the cell site application form as provided by the Wireless Telecommunications Site Review Committee. The application forms must be submitted with the appropriate supporting documentation and fee as authorized by Section 61-2-136 of this Code in order to be considered complete.

The Committee Chairperson shall forward copies of any such applications and associated documents to the Committee members within five (5) business days, and shall convene a meeting of the Committee to consider the request within fifteen (15) business days after the Chairperson receives notification of the request.

The Committee Chairperson may request additional information from an applicant. All time periods that are contained in this section shall be tolled, where applicable, until such information is provided.

Upon completion of its review, the Committee shall prepare findings and/or recommendations. These finds and/or recommendations shall be distributed as provided below:

(1) *Requests that Pertain to Property Not Owned by the City of Detroit.*

Upon completion of the Committee's review, the request, with a written summary of the Committee's findings and/or recommendations, shall be forwarded to the applicant by first-class mail, and copies of such documents shall be sent to the Director of the Buildings & Safety Engineering Department, and all members of the Wireless Telecommunications Site Review Committee. The Committee's response shall also include the name, address, and telephone number of a person whom the applicant may contact to discuss any questions or comments the applicant may have regarding the Committee's response, and shall state that the applicant is responsible for contracting the Buildings & Safety Engineering Department to complete the processing of the wireless antenna permit request, and, where necessary, for obtaining all necessary approvals and/or waivers.

(2) *Requests that Pertain to Property Owned by the City of Detroit.*

Upon completion of the Committee's

review, the Chairperson shall send a written summary of the Committee's findings to each member of the Wireless Telecommunications Site Review Committee. The Committee recommends that City property should be leased to the applicant for an antenna site, and the Department having jurisdiction of the property agrees with the recommendation, the applicant shall be so notified.

Where the Committee recommends that the City property should not be leased to the applicant for an antenna cell site, the Committee Chairperson shall notify the applicant by first-class mail. Where the Committee and the department having jurisdiction of the property disagree whether the site should be leased as an antenna cell site, the Mayor, or his or her designee, shall resolve the matter. The Wireless Telecommunications Site Review Committee shall be consulted where the City negotiates a lease of property for an antenna cell site.

Any such lease shall include reference to a detailed site plan and/or development agreement, and shall include a provision indicating that the lease is contingent upon the applicant's receipt of all applicable municipal regulatory approvals. Once the lease has been executed, a permit may be applied for without further Committee review.

Sec. 61-2-136. Application Fee.

The Committee may charge a fee for reviewing each application for wireless antenna towers or other antenna cell site requests: funds from such fees shall be used solely for the administration of the reviews and Committee support.

Sec. ~~61-2-134-61-2-150~~ 61-2-137-61-2-140. Reserved.

Subdivision H. Other Bodies: Design Review Advisory Committee.

Sec. 61-2-141. Creation.

There is hereby established a Design Review Advisory Committee which shall perform its duties and exercise its powers as provided for in Sec. 61-2-144 of this Code.

Sec. 61-2-142. Personnel.

The Design Review Advisory Committee shall consist of one (1) representative of each of the following:

(1) The Planning and Development Department — a planner who is assigned to the Cluster to which a given permit application pertains;

(2) City Planning Commission staff;

(3) Office of Neighborhood Commercial Revitalization; and

(4) A community group, the boundaries of which include the commercial district to which a given permit application pertains.

The Chairperson may include other *ad hoc* members as he or she deems appropriate for the review of a particular application.

Sec. 61-2-143. Officers.

The representative of the Planning and Development Department shall serve as Chairperson of the Design Review Advisory Committee.

Sec. 61-2-144. Duties and functions.

The Design Review Advisory Committee shall review permit applications which pertain to specified overlay areas in light of the design standards and guidelines adopted for such overlay area. The Committee shall advise the Planning and Development Department whether the Body has found the work that is proposed in a permit application to be consistent with the adopted design standards.

Sec. 61-2-145. Fee.

The Design Review Advisory Committee may charge a fee for reviewing permit applications for consistency with adopted design standards.

Sec. 61-2-146. Simultaneous review.

Where a given application involving an overlay area requires the Planning and Development Department to conduct both site plan review and design review, the Department may conduct both reviews simultaneously.

Sec. 61-2-147 — 61-2-150. Reserved.

ARTICLE III. REVIEW AND APPROVAL PROCEDURES (PART 1)

DIVISION 5. SITE PLAN REVIEW.

Subdivision A. General.

Sec. 61-3-113. Applicability.

Applications for proposed developments that meet any one (1) or more of the applicability criteria in this section shall be reviewed through the site plan review process. Developments that do not meet any of the applicability criteria in this section shall be reviewed by the Buildings and Safety Engineering Department through its permitting process. However, site plan review is not required for the construction or alteration of an individual single- or two-family dwelling.

(1) New construction that involves any one (1) of the following:

(a) Any new development that has more than twenty thousand (20,000) square feet of gross floor area, except that on land zoned M1, M2, M3, M4, or M5, the threshold for industrial uses shall be fifty thousand (50,000) square feet of gross floor area; or

(b) Projects with multiple principal structures on one zoning lot; or

(c) Any multiple-family residential or loft development with more than twelve (12) dwelling units; or

(d) Site Condominium developments; or

(e) Projects in a one hundred (100) year floodplain; or

(f) Any parking structure as defined in Sec. 61-16-151 of this Code.

(2) Additions and/or major structural alterations that involve any of the following:

(a) Any development that has not more than twenty thousand (20,000) square feet of gross floor area where the addition or alteration results in a cumulative total of more than twenty thousand (20,000) square feet of gross floor area, considering existing floor area and proposed additions, except that on land zoned M1, M2, M3, M4, or M5, the threshold for industrial uses shall be fifty thousand (50,000) square feet of gross floor area; or

(b) An increase of twenty-five percent (25%) or more in gross square footage to an existing building that contains more than twenty thousand (20,000) square feet of gross floor area, except that on land zoned M1, M2, M3, M4, or M5, the threshold for industrial uses shall be fifty thousand (50,000) square feet of gross floor area;

(c) Projects in a one hundred (100) year floodplain.

(3) Any development with a lot area of more than one (1) acre in cumulative total (considering existing lot area and any proposed additional lot area), except that on land zoned M1, M2, M3, M4, or M5, the threshold for industrial uses shall be three (3) acres;

(4) Substantial changes in use within any building that has more than twenty thousand (20,000) square feet of gross floor area or of any use with a lot area of more than one (1) acre, except that on land zoned M1, M2, M3, M4, or M5, the threshold for industrial uses shall be fifty thousand (50,000) square feet of gross floor area and three (3) acres. For purposes of site plan review, a substantial change in use is one that involves the establishment of a use from one of the major land use classifications that are set out in Article XII of this Chapter which are residential, public/civic/institutional, retail/service/commercial, manufacturing/industrial, and other, where the use immediately preceding the new use was from a different major land use classification;

(5) Any Conditional, Regulated, or Controlled land use and any case before the Board of Zoning Appeals as the body of first jurisdiction;

(6) Any use that has drive-up or drive-through facilities or a walk-up component;

(7) Animated signs as provided for in Sec. 61-6-71 of this Code;

(8) Projects within any PD, SD1, SD2, SD3, or SD5 District. However, in the SD1, SD2, SD3, and SD5 Districts, alterations to an existing structure, that do not involve additions or major structural alterations, qualify for "expedited review" as provided for in Sec. 61-3-121 of this Code;

(9) Projects within the SD4 District that involve the following four (4) utility uses; electric transformer station; gas regulator station; telephone exchange building; water works, reservoir, pumping station; or filtration plant; or

(10) Projects seeking approval under the Alternative Residential Development Options provisions of ARTICLE XIII, DIVISION 3 of this Chapter.

Subdivision B. Submission Requirements.

Sec. 61-3-121. Expedited review.

Plans that are subject to review solely by virtue of the provisions of Sec. 61-3-113(5) and Sec. 61-3-113(6) of this Code may be expedited by review limited to the Planning and Development Department and the Buildings and Safety Engineering Department. Similarly, in the SD1, SD2, SD3, SD4, and SD5 Districts, plans which relate to alterations to an existing structure, that do not involve additions or major structural alterations, may be expedited by review limited to the Planning and Development Department or City Planning Commission, as appropriate. Advisory review by other such departments as is usually undertaken pursuant to Sec. 61-3-141 of this Code is not required in such cases of expedited review. The submittal requirements that apply in cases of expedited review are limited to those specified in Sec. 61-3-122, Sec. 61-3-123, Sec. 61-3-125, and Sec. 61-3-126 of this Code. The appropriate review body is authorized to tailor the information that is required by ~~Sec. 61-3-125 of this Code~~ this subdivision to the site under consideration.

Sec. 61-3-124. Existing conditions survey.

The existing conditions survey of the site plan shall contain the following information:

- (1) Seal and signature of land surveyor or who prepared the drawing. Land surveyor must be licensed in the State of Michigan.
- (2) North arrow, legend, if applicable, with graphic and written scale;
- (3) Existing topography based on City of Detroit datum with spot elevations extending to public rights-of-way adjacent to the site;
- (4) Street and road names for all public rights-of-way or private roads, and existing on-site and off-site driveways located within one hundred (100) feet of property boundaries;
- (5) Delineate locations and boundaries of wetlands;
- (6) Locations of all lakes, streams, rivers, creeks, brooks, ponds, detention basins, and drainageways, including intermittent streams and ponds with ordinary high water marks indicated;
- (7) Location of individual or stands of trees are to be shown;
- (8) Existing utilities including water mains, sanitary sewer mains, and storm sewer, cable, electric, gas, and telephone, including easements; and
- (9) Location ~~and use~~ of all existing structures on subject parcel and all struc-

tures within ~~two one hundred (200 100)~~ feet of subject parcel.

Sec. 61-3-126. Building elevations and floor plans.

Building elevations and floor plans shall indicate the following information:

- (1) General design concept of the appearance of proposed construction or alterations and the proposed construction materials for all façades of each building, ~~and the proposed color(s) for all façades of each building;~~
- (2) Building height; and
- (3) Floor plans.

Sec. 61-3-127. Attachments (8-1/2" x 11", bound).

The following attachments shall be in bound format:

- (1) Narrative to include:
 - (a) Overall description of the project in detail;
 - (b) Existing and proposed use groups for existing and proposed structures;
 - (c) Building description in terms of building code construction type;
 - (d) Copies of completed applications and/or permits for all applicable state, federal, or county agencies, including, but not limited to wetlands;
 - (e) Anticipated volume of truck traffic and anticipated size of trucks regularly servicing the premises, for adequacy of turning radius on site; and
 - (f) Other statements as may be specified by the reviewing body.
- (2) Geotechnical study that is supplemented with Phase 4 ~~1~~ Environmental Assessment, if necessary;
- (3) Any baseline environmental assessment or Phase I environmental assessment that may have been prepared for the subject site;
- (4) Traffic Impact Study, as provided for in ARTICLE XIV, DIVISION 4 of this Chapter, if required, that analyzes safety and efficiency of access, adequacy of driveways and internal road systems, and impact on external roads;
- (5) As may be required by the Planning and Development Department, documentation in advance, of compliance with the Operational Performance Standards, as provided for in ARTICLE XIV, DIVISION 8 of this Chapter.

Subdivision C. Authority to Review and Approve Site Plans.

Sec. 61-3-141. Planning and Development Department.

Within the following zoning districts, the Planning and Development Department shall have the power to review and approve preliminary and final site plans: R1, R2, R3, R4, R5, R6, B1, B2, B3, B4, B5, B6, M1, M2, M3, M4, M5, P1, TM, PR, W1, SD1, SD2, SD3, and SD4 with less than three (3) acres. The Buildings and Safety Engineering Department is authorized to participate in the review of all site plans; The department the Planning and

Development Department shall involve other such departments as deemed necessary for proper site plan review, including, but not limited to, ~~the Buildings and Safety Engineering Department,~~ the Department of Environmental Affairs; and the Recreation Department.

DIVISION 7. CONDITIONAL USES.

Subdivision A. General.

Sec. 61-3-204. Conditional uses originally established by right.

In the event of expansion or intensification, uses established by right that are now listed as conditional in a given zoning district shall be subject to the provisions of this division. "Intensification of use" is defined Sec. 61-16-112 of this Code.

Subdivision B. Procedure.

Sec. 61-3-219. Approval plus variance.

Where a development proposal requires both a conditional land use grant and also a variance, the applicant shall proceed through the former process first, and shall seek the variance only after obtaining the necessary approval from the Buildings and Safety Engineering Department. This provision shall not affect the ability of the appropriate review body to grant administrative adjustments, pursuant to ARTICLE IV, DIVISION 6, of this Chapter. Where a variance is required for a Conditional Use prior to issuance of a permit, the Buildings and Safety Engineering Department shall specify in any decision which approves the land use that final approval is contingent on the granting of the appropriate variance by the Board of Zoning Appeals. However, the Board of Zoning Appeals may not alter any approved preliminary site plan.

In the event a Conditional Use decision of the Buildings and Safety Engineering Department is appealed to the Board of Zoning Appeals, the Board shall first decide whether to affirm or reverse the Conditional use decision of the Buildings and Safety Engineering Department before considering a variance issue.

Sec. 61-3-220. Expansion or intensification of Conditional Uses.

A public hearing shall be required in any instance involving the expansion or intensification of a use listed as a "Conditional Use" whether or not the use was established with benefit of a zoning grant. An intensification of the conditional land use shall be deemed to have occurred when a Conditional Use adds a matter of right use to its operation. "Intensification of use" is defined in Sec. 61-16-112 of this Code.

DIVISION 8. REGULATED USES.

Subdivision B. Procedure.

Sec. 61-3-266. Approval plus variance.

Where a permit application requires both a Regulated Use grant and also a variance, the applicant shall proceed through the former process first, and shall seek the variance only after obtaining the

necessary approval from the Buildings and Safety Engineering Department. This provision shall not affect the ability of the appropriate review body to grant administrative adjustments, pursuant to ARTICLE IV, DIVISION 6 of this Chapter. Where a variance is required for a Regulated Use prior to issuance of a permit, the Buildings and Safety Engineering Department shall specify in any decision which approves the land use that final approval is contingent on the granting of the appropriate variance by the Board of Zoning Appeals.

In the event a Regulated Use decision of the Buildings and Safety Engineering Department is appealed to the Board of Zoning Appeals, the Board shall first decide whether to affirm or reverse the Regulated Use decision of the Buildings and Safety Engineering Department before considering a variance issue.

Subdivision C. Waiver of Spacing Restrictions.

Sec. 61-3-272. Waiver of spacing requirement from land zoned residential.

The prohibition of the establishment of any adult cabaret, adult personal service establishment, adult physical culture establishment, adult supply store, adult theater, public dance hall, or pawnshop within five hundred (500) feet of land zoned R1, R2, R3, R4, R5, R6, or residential PD shall be waived upon presentation to the Buildings and Safety Engineering Department of a verified petition requesting such waiver, signed by two-thirds (2/3) of those persons owning, residing, or doing business within five hundred (500) feet of the proposed location:

(1) The Buildings and Safety Engineering Department shall adopt rules and regulations that govern the procedure for securing the petition provided for in this section. The rules shall provide that the circulator of the petition requesting a waiver shall be at least eighteen (18) years of age and shall subscribe to an affidavit attesting to the fact that the petition was circulated in accordance with the rules of the Buildings and Safety Engineering Department, that the circulator personally witnessed the signatures on the petition, and that the same were affixed to the petition by the person whose name appeared thereon;

(2) The Buildings and Safety Engineering Department shall not consider the waiver of spacing requirements until the petition, that is described in Subsection (1) of this section, where required, shall have been filed and verified. (See also Sec. 61-12-85);

(3) Failure to obtain signatures from the required two-thirds (2/3) of eligible persons means that no hearing may be held by the Buildings and Safety Engineering Department or by the Board of Zoning Appeals.

DIVISION 9. CONTROLLED USES.

Subdivision B. Procedure.

Sec. 61-3-306. Approval plus variance.

Where a permit application requires both a Controlled Use grant and also a variance, the applicant shall proceed through the former process first, and shall seek the variance only after obtaining the necessary approval from the Buildings and Safety Engineering Department. This provision shall not affect the ability of the appropriate review body to grant administrative adjustments in accordance with ARTICLE IV, DIVISION 6 of this Chapter. Where a variance is required for a Controlled Use prior to issuance of a permit, the Buildings and Safety Engineering Department shall specify in any decision which approves the land use that final approval is contingent on the granting of the appropriate variance by the Board of Zoning Appeals.

In the event a Controlled Use decision of the Buildings and Safety Engineering Department is appealed to the Board of Zoning Appeals, the Board shall first decide whether to affirm or reverse the decision of the Buildings and Safety Engineering Department before considering a variance issue.

Subdivision C. Waiver of Spacing Regulations.

Sec. 61-3-312. Waiver of spacing requirement from land zoned residential.

The prohibition relating to the location of a Controlled Use within five hundred (500) feet of land zoned R1, R2, R3, R4, R5, R6, or residential PD shall be waived upon presentation to the Buildings and Safety Engineering Department of a verified petition requesting such waiver, signed by two-thirds (2/3) of those persons who own, reside, or do business within five hundred (500) feet of the proposed location:

(1) The Buildings and Safety Engineering Department shall adopt rules and regulations that govern the procedure for securing the petition of consent provided for in this section. The rules shall provide that the circulator of the petition requesting a waiver shall be at least eighteen (18) years of age and shall subscribe to an affidavit attesting to the fact that the petition was circulated in accordance with the rules of the Buildings and Safety Engineering Department, that the circulator personally witnessed the signatures on the petition, and that the same were affixed to the petition by the person whose name appeared thereon;

(2) The Buildings and Safety Engineering Department shall not consider the waiver of spacing requirements until the above-described petition, where required, shall have been filed and verified (See

also Sec. 61-12-85); and

(3) Failure to obtain signatures from the required two-thirds (2/3) of the eligible persons means that no hearing may be held by the Buildings and Safety Engineering Department or Board of Zoning Appeals.

ARTICLE IV. REVIEW AND APPROVAL PROCEDURES (PART 2).

DIVISION 5. APPEALS OF ADMINISTRATIVE DECISIONS.

Sec. 61-4-72. Appeals.

Appeals to the Board of Zoning Appeals may be taken by any person, who, or any firm, partnership or corporation, or by any City department, commission, board or other City agency, or by the Mayor, City Clerk, or any appointee which is aggrieved 1) by a decision of an enforcing officer, or 2) by any decision made by the Buildings and Safety Engineering Department involving Conditional Uses, Regulated Uses, or Controlled Uses, or 3) by any denial of a site plan by the Planning and Development Department.

ARTICLE VII. ZONING DISTRICTS (IN GENERAL).

Sec. 61-7-6. Overlay Areas.

As provided for in ARTICLE XI, DIVISION 14 of this Chapter, certain area of the City of Detroit, while classified within certain zoning districts, are geographically sub-classified as overlay areas. Overlay areas include the following:

- (1) Gateway Radial Thoroughfare Overlay Areas;
- (2) ~~Pedestrian Retail~~ Traditional Main Street Overlay Areas;
- (3) Major Corridor Overlay Areas;
- (4) Grand Boulevard Overlay Area;
- (5) ~~Reserved Downtown and Riverfront~~ Overlay Areas;
- (6) Development Improvement Area.

ARTICLE XI. SPECIAL PURPOSE ZONING DISTRICTS AND OVERLAY AREAS.

DIVISION 12. SD4 — SPECIAL DEVELOPMENT DISTRICT, RIVERFRONT MIXED USE.

Sec. 61-11-246. Abandonment of conforming industrial uses in the SD4 District.

Any industrial use within an SD4 District, which is conforming in accordance with Sec. 61-11-212, and Sec. 61-11-213, and Error! Reference source not found. of this Code that is vacated, closed, or not open for business for a period of six (6) consecutive months shall be deemed *prima facie* abandoned. Upon abandonment of the industrial use, only those specific uses listed as by-right or conditional in this division may be considered by the Buildings and Safety Engineering Department and, as applicable, by the City Council for establishment upon the site of the prior industrial use.

DIVISION 13. SD5 — SPECIAL DEVELOPMENT DISTRICT, CASINOS. Sec. 61-11-264. Submittal requirements.

In petitioning for a rezoning to an SD5 District, the petitioner shall submit to the City Planning Commission studies, site plans, and other information relative to the proposed casino or casino complex as specified in the City Planning Commission's ~~regulations adopted under procedures referenced in Sec. 61-11-275~~ **Error! Reference source not found.** of this Code.

Sec. 61-11-265. Criteria for rezoning and approval of a development proposal.

The City Council, the Planning and Development Department, and the City Planning Commission shall review development proposals for compliance with the following criteria:

(1) The proposed development shall be consistent with and promote the goals of the City's Master Plan of Policies;

(2) The proposed development shall promote pedestrian and transit linkages to other activity areas;

(3) The proposed development shall be appropriate to and compatible with surrounding development in terms of scale, form, massing, land use, general appearance, function, signage, and lighting recognizing the unique functional characteristics of a casino or casino complex;

(4) The proposed development shall include adequate circulation, off-street parking, and loading facilities to meet expected parking and vehicular and pedestrian traffic demands;

(5) The proposed development shall provide amenities and public facilities to promote safety, comfort and convenience, including barrier-free access for visitors, employees, and the general public;

(6) The proposed development shall contain quality urban design elements and design features including those which promote public safety, facilitate maintenance and repair, and provide appropriate screening and buffers; and

(7) The proposed development shall be sensitive to buildings in the immediate area which have architectural or historic value.

The City Planning Commission shall adopt ~~standards guidelines which amplify these criteria as a part of the regulations required in~~ **Error! Reference source not found.** referenced in Sec. 61-11-275 of this Code.

Sec. 61-11-270. Petition submittal; one-step or two-step approval.

(a) A petition requesting rezoning to the SD5 District shall be accompanied by a site plan, building elevations, and other data in sufficient detail to permit the City Council, the Planning and Development

Department, and the City Planning Commission to review the proposed development for compliance with the criteria stated in Sec. 61-11-265 of this Code and other applicable regulations of this division.

(b) Where the development proposal consists of ~~detailed schematics or design development level plans and satisfies the requirements specified in the SD5 regulations that are promulgated by the City Planning Commission,~~ a one-step approval procedure may be followed as provided for in Sec. 61-11-271 and Sec. 61-11-272 of this Code.

(c) Where the development proposal consists of conceptual plans ~~and/or is deficient with regard to the requirements specified in the SD5 regulations promulgated by the City Planning Commission,~~ the staff of the City Planning Commission may deem the development proposal to be preliminary and require a two-step approval process as provided for in Sec. 61-11-273 of this Code.

Sec. 61-11-273. Two-step process, approval of preliminary development proposal, approval of the final development proposal.

The two-step process is subject to the provision of Sec. 61-11-270, Sec. 61-11-271, and Sec. 61-11-272 of this Code.

(1) *Step One: Rezoning of Land to SD5 and Approval of Preliminary Development Proposal.* A petitioner having submitted only a preliminary development proposal, as described in Sec. 61-11-270(c) of this Code, may obtain a rezoning of the land to SD5 prior to obtaining approval of the final development proposal. However, City Council shall not rezone the land to SD5 unless the Body simultaneously grants approval, or approval with conditions, to a preliminary development proposal.

(2) *Step Two: Approval of Final Development Proposal.* To obtain approval of the final development proposal subsequent to the approval of the preliminary development proposal, the petitioner shall submit ~~detailed schematic or design-development level plans, and any other materials required by City Planning Commission regulations,~~ to the Planning and Development Department and to the City Planning Commission. The City Planning Commission staff shall evaluate the submission for consistency with the approval of the preliminary development proposal granted in Step One.

(a) Where the submission is deemed by the City Planning Commission staff to be consistent with the approval of the preliminary development proposal granted by the City Council, the City Planning Commission may schedule a public discussion, inviting interested parties, and consider the request. Following its review, the City Planning Commission shall take

action to recommend approval, or approval with conditions, and forward a report and its recommendation to the City Council. The Council may choose to hold a discussion on the request and shall render its action with respect to the final development proposal by resolution.

(b) Where the submission is not deemed by City Planning Commission staff to be consistent with the approval of the preliminary development proposal granted by the City Council, the submission shall be processed in accordance with the public hearing and action procedures contained in Sec. 61-11-271 and Sec. 61-11-272 of this Code. The submission may not be acted on by resolution of City Council but, instead, may only be acted on as an amendment to the rezoning ordinance where approval of the preliminary development proposal had been granted.

Sec. 61-11-275. Modification of approved plans. City Planning Commission procedures and guidelines.

~~Approved site plans and elevations, and other aspects of the development proposal, including uses, may be amended, pursuant to the same procedure and subject to the same limitations and requirements by which said plans and proposals were initially approved. However, upon written request by the petitioner, minor changes may be permitted by the City Planning Commission subject to a finding that such change will not cause any of the following:~~

- ~~(1) A change in the character of the development; or~~
- ~~(2) An increase in the ratio of gross floor area by more than five percent (5%); or~~
- ~~(3) An increase in lot coverage by structure unless justified by changes in other factors; or~~
- ~~(4) A reduction in approved open space or off-street parking unless justified by changes in other factors; or~~
- ~~(5) The creation of or increase in injurious effects to land uses in the immediate vicinity.~~

~~After review by the City Planning Commission, the petitioner shall be notified in writing of the result(s) of the City Planning Commission's findings. These findings shall be forwarded to the City Council.~~

~~The City Planning Commission shall adopt procedures and guidelines to carry out the purposes of the SD5 Special Development District and to ensure that casinos and casino complexes are well designed and compatible with surrounding uses. The procedures shall include a description of the information that must accompany a petition for a rezoning to an SD5 zoning district. Development and site design guidelines shall amplify the criteria stated in Sec. 61-11-265 of this Code.~~

Sec. 61-11-276. Modification of approved plans.

~~Approved site plans and elevations, and other aspects of the development proposal, including uses, may be amended, pursuant to the same procedure and subject to the same limitations and requirements by which said plans and proposals were initially approved. However, upon written request by the petitioner, minor changes may be permitted by the City Planning Commission subject to a finding that such change will not cause any of the following:~~

- ~~(1) A change in the character of the development; or~~
- ~~(2) An increase in the ratio of gross floor area by more than five percent (5%); or~~
- ~~(3) An increase in lot coverage by structure unless justified by changes in other factors; or~~
- ~~(4) A reduction in approved open space or off-street parking unless justified by changes in other factors; or~~
- ~~(5) The creation of or increase in injurious effects to land uses in the immediate vicinity.~~

~~After review by the City Planning Commission, the petitioner shall be notified in writing of the result(s) of the City Planning Commission's findings. These findings shall be forwarded to the City Council.~~

DIVISION 14. OVERLAY AREAS. Subdivision B. Pedestrian-Retail Traditional Main Street Overlay Areas. Sec. 61-11-311. Description.

Certain commercial areas of the City are, or have the potential to be, high quality, pedestrian-scale, walkable areas with a traditional urban atmosphere. Areas designated by City Council as ~~Pedestrian Retail~~ **Traditional Main Street Overlay Areas** are listed in Sec. 61-11-312 of this Code. Such areas are typically zoned B5 or B2, although commercial areas zoned B4 or in other district classifications may be suitable for designation as ~~Pedestrian Retail~~ **Traditional Main Street Overlay Areas**.

Development within ~~Pedestrian-Retail Traditional Main Street Overlay Areas~~ **Traditional Main Street Overlay Areas** should be geared, as much as possible, toward street-level pedestrian-generating uses. Ground level treatment of buildings should be pedestrian scale. Parking areas, alleys, and small streets should be designed as integral parts of a pedestrian network. Distinctive landscaping, attractive street furniture, and a well-designed signage system should enhance pedestrian activities.

Designated ~~Pedestrian-Retail Traditional Main Street Overlay Areas~~ **Traditional Main Street Overlay Areas** are subject to additional development standards as specified in Sec. 61-14-281 through

Sec. 61-14-285 of this Code in order to address pedestrian needs and to enhance pedestrian interest, access, and enjoyment.

Sec. 61-11-312. Designated Pedestrian Retail Traditional Main Street Overlay Areas.

The following areas are designated as ~~Pedestrian Retail~~ Traditional Main Street Overlay Areas:

(1) *West Seven Mile*. All zoning lots abutting West Seven Mile Road between the zoning lots at the four (4) corners of John R Avenue and the center line of Woodward Avenue.

(2) *Grand River*. All zoning lots abutting Grand River Avenue between the center line of Woodmont Avenue and the zoning lots at the four (4) corners of Evergreen Road.

(3) *Bagley/Vernor*. All zoning lots abutting Bagley Avenue between the center line of 16th Street and the center line of 24th Street; all zoning lots abutting West Vernor Highway between the center line of Newark Avenue and the ~~zoning lots at the four (4) corners~~ center line of Clark Street.

(4) *Livernois/West McNichols*. All zoning lots abutting Livernois Avenue between the center line of the John C. Lodge Freeway and the center line of St. Martins Avenue; and all zoning lots abutting West McNichols Road between the center line of Lawton Avenue and the zoning lots at the four (4) corners of Wyoming Avenue.

(5) *East Jefferson*. All zoning lots abutting East Jefferson Avenue between the center lines of Dickerson Avenue/Gray Avenue and the city limits of Grosse Pointe Park.

(6) ~~Central Business District. All zoning lots within the Central Business District as defined in Sec. 61-16-51 of this Code.~~ *Woodward*. All zoning lots abutting Woodward Avenue between the center line of the Fisher Freeway (I-75) and the city limits of Highland Park.

(7) ~~Riverfront. All zoning lots outside of the Central Business District bound by the zoning lots abutting West Jefferson Avenue/East Jefferson Avenue on the north, the center line of East Grand Boulevard on the east, the Detroit River on the south, and the center line of West Grand Boulevard, extended to the River, on the west.~~ *Grand Boulevard*. All zoning lots abutting West Grand Boulevard/East Grand Boulevard between the center line of Grand River and the center line of Saint Aubin Avenue.

(8) *Michigan Avenue*. All zoning lots abutting Michigan Avenue between the John C. Lodge freeway (M-10) and the zoning lots at the four (4) corners of Vinewood Avenue.

(9) *Vernor/Springwells*. All zoning lots abutting West Vernor Highway between

the center line of Clark Street and the zoning lots at the four (4) corners of Woodmere Avenue; and all zoning lots abutting Springwells Avenue between the four (4) corners of West Vernor Highway and the four (4) corners of the Fisher Freeway service drives (I-75).

Sec. 61-11-313. Design standards and guidelines for ~~Pedestrian Retail~~ Traditional Main Street Overlay Areas.

The Planning and Development Department shall develop design ~~standards and guidelines for Pedestrian Retail~~ Traditional Main Street Overlay Areas. ~~As approved by City Council, such~~ The design standards and guidelines shall address the following elements and, where applicable, be employed in addition to Site Plan Review as provided for in ARTICLE III, DIVISION 5, Use Regulations as provided for in ARTICLE XII, Intensity and Dimensional Standards as provided for in ARTICLE XIII, and General Development Standards as provided for in ARTICLE XIV, of this Chapter:

- (1) Context;
- (2) Site layout;
- (3) Building design;
- (4) Landscaping;
- (5) Streetscape;
- (6) Signage and other communication elements;
- (7) Parking; and
- (8) Open space and public amenities.

Sec. 61-11-314. Consistency with design guidelines standards required.

The Buildings and Safety Engineering Department shall not approve a permit application for any work relating to a zoning lot within a ~~Pedestrian Retail~~ Traditional Main Street Overlay Area unless the Planning and Development Department shall have verified that such work is consistent with ~~its adopted~~ the design ~~guidelines standards of this sub-division.~~

Sec. 61-11-315. Applicability of design standards.

The Buildings and Safety Engineering Department shall forward to the Planning and Development Department all permit applications related to a designated Traditional Main Street overlay area except those permit applications for interior alterations or other such permit applications which, in the concurrence of both departments, would have no bearing on the exterior appearance of the building.

The Planning and Development Department's review of demolition permits is limited to five (5) business days during which time alternatives to demolition might be explored with the applicant and/or owner. The Planning and Development Department may waive the five-day review period where no good purpose would be served by deferring demolition.

- (1) Context;
- (2) Site layout;
- (3) Building design;
- (4) Landscaping;
- (5) Street elements;
- (6) Signage and other communication elements;
- (7) Parking; and
- (8) Open space and public amenities.

Sec. 61-11-324. Consistency with design guidelines standards required.

The Buildings and Safety Engineering Department shall not approve a permit application for any work relating to a zoning lot within a Major Corridor Overlay Area unless the Planning and Development Department shall have verified that such work is consistent with ~~its adopted~~ the design ~~guidelines~~ standards of this subdivision.

Sec. 61-11-325. Applicability of design standards.

The Buildings and Safety Engineering Department shall forward to the Planning and Development Department all permit applications related to a designated Major Corridor overlay area except those permit applications for demolition or interior alterations or other such permit applications which, in the concurrence of both departments, would have no bearing on the exterior appearance of the building.

Sec. 61-11-341. Reserved.

Sec. 61-11-342. Designated Downtown and Riverfront Overlay Areas.

The following areas are designated as Downtown and Riverfront Overlay Areas:

(1) Downtown. All zoning lots within the Central Business District as defined in Sec. 61-16-51 of this Code.

(2) Riverfront. All zoning lots outside of the Central Business District bound by the zoning lots abutting West Jefferson Avenue/East Jefferson Avenue on the north, the center line of East Grand Boulevard on the east, the Detroit River on the south, and the center line of West Grand Boulevard, extended to the River, on the west.

Sec. 61-11-343. Design standards and guidelines for Downtown and Riverfront Overlay Areas.

The Planning and Development Department shall develop design standards and guidelines for Downtown and Riverfront Overlay Areas. The design standards and guidelines shall address the following elements and, where applicable, be employed in addition to Site Plan Review as provided for in ARTICLE III, DIVISION 5, Use Regulations as provided for in ARTICLE XII, Intensity and Dimensional Standards as provided for in ARTICLE XIII, and General Development Standards as provided for in ARTICLE XIV, of this Chapter:

- (5) Streetscape;
- (6) Signage and other communication elements;
- (7) Parking; and
- (8) Open space and public amenities.

Sec. 61-11-344. Consistency with design standards required.

The Buildings and Safety Engineering Department shall not approve a permit application for any work relating to a zoning lot within a Downtown or Riverfront Overlay Area unless the Planning and Development Department shall have verified that such work is consistent with the design standards of this subdivision.

Sec. 61-11-345. Applicability of design standards.

The Buildings and Safety Engineering Department shall forward to the Planning and Development Department all permit applications related to a designated Traditional Main Street overlay area except those permit applications for interior alterations or other such permit applications which, in the concurrence of both departments, would have no bearing on the exterior appearance of the building.

DIVISION 2. GENERAL USE STANDARDS.

Sec. 61-12-85. P (Petition).

Restrictions on the location of the use may in some cases require presentation of a valid petition signed by nearby property owners and other parties.

(1) For amusement parks, see Sec. 61-12-152 and Chapter 5 of this Code.

(2) For concert cafes and concert halls, see Sec. 61-12-238 and Chapter 5 of this Code.

(3) For Controlled Uses, see ARTICLE III, DIVISION 9 of this Chapter.

(4) For firearms target practice ranges, see Sec. 61-12-164 and Chapter 5 of this Code.

(5) For go-cart tracks, see Sec. 61-12-167 and Chapter 5 of this Code.

(6) For miniature golf courses, see Sec. 61-12-166 and Chapter 5 of this Code.

(7) For motorcycle clubs, see Sec. 61-12-224(5) and Sec. 55-9-30 of this Code.

(8) For motor vehicle filling stations, see ARTICLE XII, DIVISION 3, Subdivision D of this Chapter.

(9) For certain commercial recreation facilities, see Sec. 61-12-226 and Chapter 5 of this Code.

(13) For tattoo parlors, see Sec. 61-12-91 and Chapter 53 of this Code.

In accordance with Section 2-111 of the 1997 Detroit City Charter, the Buildings and Safety Engineering Department shall adopt rules and regulations which govern verification of the petition that may be required by this Chapter. The rules shall provide, among other things, that the circulator of the petition who is requesting a waiver shall not be less than eighteen (18) years of age and shall subscribe to an affidavit attesting to the fact that the petition was circulated in accordance with such rules, that the circulator personally witnessed the signatures on the petition, and that such signatures were affixed to the petition by the persons whose names appeared thereon.

Where a petition is required for a use that also requires a public hearing, no hearing shall be scheduled at the Buildings and Safety Engineering Department or at the Board of Zoning Appeals until the petition has been verified by the Buildings and Safety Engineering Department.

DIVISION 3. SPECIFIC USE STANDARDS.

Subdivision A. Residential Uses.

Sec. 61-12-118. Lofts; residential uses

combined in structures with permitted commercial uses.

In order to encourage the preservation and reuse of existing commercial and industrial structures, and to encourage live-work situations, loft conversions and mixed-use commercial-residential uses are permitted in many zoning districts, even in certain districts where new residential construction is prohibited.

Lofts in the B6, M1, M2, M3, M4, and SD4 Districts are subject to review by the Loft Review Committee as provided for in ARTICLE II, DIVISION 7, Subdivision C of this Chapter.

Similarly, single-family dwellings, two-family dwellings, and multiple-family dwellings are permitted in commercial or industrial structures combined with those permitted Retail, Service, and Commercial uses specified in ARTICLE XII, DIVISION 1, Subdivision D of this Chapter, except for "Adult Uses" as specified in Sec. 61-12-41.

For example, although a single-family detached dwelling is not permitted by right in the R6 District, a doctor's office that has an apartment is permitted by right as a "Residential use combined in structures with permitted commercial uses." In addition, in industrial zoning districts where new residential construction is prohibited, an existing building with a hardware store on the ground floor, for example, and residential units on the upper floor(s) could be reoccupied on a Conditional Use basis and without the need for approval by the Board of Zoning Appeals.

However, any time three (3) or more residential units are combined with permitted commercial uses in a commercial or industrial structure in the B6, M1, M2, M3, M4, or SD4 District, the use shall be subject to the review of the Loft Review Committee as provided for in ARTICLE II, DIVISION 7, Subdivision C of this Chapter.

In the SD4 District, specially designated merchant's (SDM) establishments and specially designated distributor's (SDD) establishments are permitted when incidental to, accessory to, and on the same zoning lot as a loft development that has not fewer than fifty (50) dwelling units.

Additionally, in designated Traditional Main Street overlay areas, as provided in Sec. 61-11-312 of this Code, multiple-family dwellings combined in structures with permitted commercial uses shall be permitted by right, notwithstanding any designation as a conditional use in Article IX of this Chapter.

Subdivision B. Public, Civic, and Institutional Uses.

Sec. 61-12-131. Adult day care center.

Adult day care centers shall be subject to the following provisions:

(1) The facility shall be in full compli-

ance with all applicable requirements of the ~~Americans with Disabilities Act Michigan Building Code;~~

(2) Adequate provision shall be made for access by emergency medical and fire vehicles; and

(3) Safe areas for pick-up and discharge of users shall be provided that do not interfere with the free flow of traffic on adjacent streets. ~~Where such areas are provided on a street, such areas shall be approved by the Department of Public Works, Traffic Engineering Division.~~

Sec. 61-12-133. Child Care Centers.

Child care centers that operate with children in attendance for five (5) or more continuous hours a day shall be subject to the following provisions:

(1) The child care center shall be licensed by the Michigan, Department of Consumer and Industry Services;

(2) There shall be provided and maintained an outdoor play area suitable for play activity and containing a minimum of two thousand (2,000) square feet;

(3) The surface treatment of said play area shall comply with the guidelines of the appropriate public agencies; ~~and~~

(4) Said outdoor play area shall be immediately contiguous to the child care center and shall be enclosed by a protective wall or fence;

(5) ~~Safe areas for pick-up and discharge of users shall be provided that do not interfere with the free flow of traffic on adjacent streets. Where such areas are provided on-street, such areas shall be approved by the Department of Public Works, Traffic Engineering Division.~~

(See Sec. 61-12-402 for child care centers operated in conjunction with places of employment as an accessory use.)

Subdivision C. Retail, Service, and Commercial Uses, Generally.

Sec. 61-12-152. Amusement park.

Amusement parks shall be subject to the following provisions:

(1) Such uses shall be located on a site that;

(a) Has not fewer than ten (10) acres; and

(b) Is not less than two hundred fifty (250) feet in depth;

(2) Such uses shall be subject to licensing by the Business License Center under the provisions of Chapter 5, Article IV of this Code;

(3) As referenced in Sec. 5-4-24 of this Code, it shall be unlawful to establish any amusement parks within two thousand five hundred (2,500) feet of land zoned R1, R2, R3, R4, R5, R6, or residential PD; said prohibition shall be waived upon presentation to the Buildings and Safety Engineering Department of a verified petition requesting such waiver, signed by two-thirds (2/3) of those persons owning, residing, or doing business within five hundred (500) feet of the proposed location.

Sec. 61-12-154. Arcades.

Arcades shall be subject to the following provisions:

(1) In the B4 District, such uses shall be permitted only where:

(a) They are part of a "family restaurant and entertainment center" having not less than ten thousand (10,000) square feet of gross floor area; and

(b) Not less than sixty percent (60%) of the establishment's gross floor area consists of kitchen and sit-down dining area;

(2) In retail stores exceeding twenty thousand (20,000) square feet of gross floor area, up to eight (8) coin-operated amusement devices may be permitted as an accessory use without need for a separate permit for an arcade;

(3) Arcades shall be subject to the licensing provisions of Chapter 5, Article X of this Code; and

(4) The petition provisions of Sec. 61-3-312 shall apply in those districts where arcades are a Controlled Use in order to waive the prohibition of arcades within five hundred (500) feet of land zoned R1, R2, R3, R4, R5, R6, or residential PD.

(See ARTICLE III, DIVISION 9 for the Controlled Use regulations.)

Sec. 61-12-160. Dance hall, public.

Public dance halls shall be subject to the following provisions:

(1) Licensing by the Business License Center is required as provided for in Chapter 5, Article XIII of this Code; and

(2) A petition may be required, as provided for in Sec. 61-3-272 and Chapter 5 of this Code.

(See also ARTICLE III, DIVISION 8 for Regulated Use provisions.)

Sec. 61-12-164. Firearms target practice range, indoor.

Indoor firearms target practice ranges shall be licensed, as such, by the Business License Center as provided for in Chapter 5, Article 14 of this Code. As referenced in Sec. 5-14-24 of this Code, it shall be unlawful to establish any firearms target practice range within five hundred (500) feet of land zoned R1, R2, R3, R4, R5, R6, or residential PD. Said prohibition shall be waived upon presentation to the Buildings and Safety Engineering Department of a verified petition requesting such waiver, signed by two-thirds (2/3) of those persons owning, residing, or doing business within five hundred (500) feet of the proposed location.

Sec. 61-12-166. Go-cart tracks.

Go-cart tracks shall be subject to the following provisions:

(1) Accessory parking areas shall be provided in accordance with Sec. 61-14-46 of this Code;

(2) Ingress or egress shall be only from the principal, or busier, street as determined by the Planning and Development Department;

(3) No part of the driving track shall be within three hundred (300) feet of property zoned in a residential district classification;

(4) Any track surface or other area to be used for the operation of a go-cart shall be of an asphaltic or concrete material;

(5) All light standards, poles, or other appurtenances shall be effectively padded or screened so as to prevent injury to drivers of the vehicles. Baled hay or other suitable shock absorbing material shall be placed around all turns or curves in the track;

(6) All vehicles shall be provided with mufflers to eliminate objectionable noise. The Buildings and Safety Engineering Department may require a change in mufflers to reduce exhaust noises where, in its opinion, such noise has become a nuisance;

(7) Permitted hours of operation shall be 10:00 a.m. to 10:00 p.m. Monday through Saturday, and 12:00 noon to 10:00 p.m. on Sunday;

(8) Go-cart tracks are prohibited in the B4 District on zoning lots abutting designated Gateway Radial Thoroughfares;

(9) Go-cart tracks shall be licensed as such by the Business License Center in accordance with Chapter 5, Article XIV of this Code; and

(10) As referenced in Sec. 5-14-24 of this Code, it shall be unlawful to establish any go-cart track within five hundred (500) feet of land zoned R1, R2, R3, R4, R5, R6, or residential PD. Said prohibition shall be waived upon presentation to the Buildings and Safety Engineering Department of a verified petition requesting such waiver, signed by two-thirds (2/3) of those persons owning, residing, or doing business within five hundred (500) feet of the proposed location.

Sec. 61-12-167. Golf courses (miniature).

Miniature golf courses shall be subject to the following provisions:

(1) Accessory parking areas shall be provided in accordance with Sec. 61-14-46 of this Code;

(2) Ingress or egress shall be only from the principal, or busier, street as determined by the Planning and Development Department;

(3) Loudspeakers or public address systems may be used only for control purposes, shall play no music, and shall be removed where, in the opinion of the Buildings and Safety Engineering Department, such operation constitutes a nuisance;

(4) No part of the playing surface of a miniature golf course shall be located within fifty (50) feet of any property zoned in a residential district classification;

(5) Permitted hours of operation shall be 8:00 a.m. to 10:30 p.m. Monday

through Saturday, and 12:00 Noon to 10:30 p.m. on Sunday; ~~and~~

(6) Miniature golf courses shall be licensed as such by the Business License Center in accordance with Chapter 5, Article XIV of this Code; ~~and~~

(7) As referenced in Sec. 5-14-24 of this Code, it shall be unlawful to establish any miniature golf course within five hundred (500) feet of land zoned R1, R2, R3, R4, R5, R6, or residential PD; said prohibition shall be waived upon presentation to the Buildings and Safety Engineering Department of a verified petition requesting such waiver, signed by two-thirds (2/3) of those persons owning, residing, or doing business within five hundred (500) feet of the proposed location.

Subdivision E. Retail, Service, and Commercial Uses, Generally, continued.

Sec. 61-12-223. Pool or billiard halls.

Pool and billiard halls are subject to the licensing provisions of Chapter 5, Article V of this Code. The petition provisions of Sec. 61-3-312 shall apply in those districts where pool and billiard halls are a Controlled Use in order to waive the prohibition of arcades within five hundred (500) feet of land zoned R1, R2, R3, R4, R5, R6, or residential PD.

(See ARTICLE III, DIVISION 9 for the Controlled Use regulations.)

Sec. 61-12-224. Private clubs, lodges, or similar uses.

Private clubs or lodges, and similar uses, shall be subject to the following provisions:

(1) Private clubs, lodges, and similar uses without assembly halls are permitted in the R4, R5, R6, B1, B2, B3, B4, B5, B6, M1, M2, M3, M4, PCA, TM, SD1, and SD2 Districts;

(2) Such uses with assembly halls are only permitted in the B4, B5, B6, M1, M2, M3, M4, and TM districts;

(3) Such uses that rent, lease, or loan space for the purpose of public assembly, banquets, luncheons, entertainment or sports events, whether such assemblies are public or private or subject to an admission fee, are permitted only in those zoning districts where "Rental halls" are permitted. Such rental facilities may be subject to the petition requirements of Sec. 61-12-85 as provided for in Section 46-2-4 of this Code. Such rental facilities are subject to the licensing requirements of Chapter 46 of this Code;

(4) No private club, lodge, or similar use shall be licensed by the Michigan Liquor Control Commission (MLCC) for consumption of alcoholic beverages on the premises until the Buildings and Safety Engineering Department shall have approved a change of use for the premises to a Group B Cabaret as defined in Sec. 61-16-92 of this Code; such clubs that are licensed by the MLCC

for consumption on the premises are only permitted in the B3, B4, B5, B6, M1, M2, M3, M4, PCA, TM, SD1, SD2, and SD4 Districts;

(5) Motorcycle clubs, as defined in Sec. 55-9-28 of this Code, may be subject to the "petition of consent" requirements of Chapter 55 of this Code; shall be prohibited within five hundred (500) feet of land zoned R1, R2, R3, R4, R5, R6, or residential PD; said prohibition shall be waived upon presentation to the Buildings and Safety Engineering Department of a verified petition requesting such waiver, signed by two-thirds (2/3) of those persons owning, residing, or doing business within five hundred (500) feet of the proposed location; and

(6) In the R4, R5, and R6 Districts, only those private clubs and lodges recognized by the Internal Revenue Service as holding non-profit, tax-exempt status are permitted.

Sec. 61-12-225. Rebound tumbling centers.

Rebound tumbling centers are subject to the following provisions:

ARTICLE XIII. INTENSITY AND DIMENSIONAL STANDARDS.

DIVISION 1. TABLES OF INTENSITY AND DIMENSIONAL STANDARDS.

Subdivision A. Residential Districts.

Sec. 61-13-1. Residential districts in general.

All principal structures in residential districts shall be subject to the intensity and dimensional standards set forth in the following table, unless undertaken through one or more of the Alternative Residential Development Options set forth in ARTICLE XIII, DIVISION 3 of this Chapter. These intensity and dimensional standards may be further limited or modified by other applicable sections of this Zoning Ordinance. Additional general standards that are applicable to the residential districts are set forth immediately following the table. Additional specific standards and exceptions are located in ARTICLE XIII, DIVISION 1, Subdivision H and Subdivision I of this Chapter. Rules of measurement and exceptions are set forth in ARTICLE XIII, DIVISION 2 of this Chapter.

Subdivision J. Miscellaneous Intensity and Dimensional Standards. Sec. 61-13-121. Cubical content standard.

All uses that are located in the B5, PC, and PCA districts, other than town hous-

es and rooming houses, shall be subject to the following cubical content provisions (See Figure 61-13-121):

(1) No building or structure, or part thereof, shall be erected, altered, or enlarged to such a size or height that the cubical content of such building or structure above the ~~average established~~ established grade plane shall exceed the volume of a block or prism having a height equal to three (3) times the width of the widest street abutting the zoning lot upon which the building or structure is located or to be located, and a base equal to the area of the zoning lot; and

(2) However, towers may be erected over and above the cubical content limit

as established in Subsection (1) of this section, provided, that:

(a) The greatest horizontal dimension of the tower does not exceed sixty (60) feet;

(b) The total gross area of all such towers on any one (1) building or structure at any one (1) horizontal plane does not exceed twenty-five percent (25%) of the area of the zoning lot upon which the building or structure is situated; and

(c) Each tower shall be at least sixty (60) feet from any other tower on the same building or structure.

(3) Enclosed vehicular parking or loading areas are excluded from the volume computations of this section.

Cubical Content = 3 x widest street x area of zoning lot.
Tower is not computed as part of building cubical content.

DIVISION 2. MEASUREMENTS, REQUIREMENTS, AND EXCEPTIONS.

Sec. 61-13-152. Height measurement.

The height of a building is the vertical distance from the established grade plane (See Figure 61-13-152(a)) at the center of the front of the building to the highest point of the structure, for a flat roof or mansard roof, and to the mean height level (midpoint) between eaves and ridge for gables, hip, and gambrel roofs. (See Figure 61-13-152(b))

**Figure 61-13-152 (b)
Height Measurement**

Sec. 61-13-157. Bulk measurement and requirements; floor area ratio.

The Floor Area Ratio (FAR) shall be used to determine the maximum amount of floor area which may be built on a zoning lot. The maximum permitted floor area shall be determined by multiplying the zoning lot area, in square feet, by the FAR factor (see Figure 61-13-157). The resulting amount, which is the maximum permitted floor area, shall include all the floor areas of all the floors of a building or buildings on the zoning lot, measured from the exterior faces of exterior walls or from the centerlines of party walls and shall include elevator shafts and stairwells at each floor, interior balconies and mezzanines, and enclosed porches, but need not include the following areas:

- (1) Areas below the first or ground floor not used as a living room, a dining room, a kitchen, or sleeping accommodations;
- (2) Attic space that proves structural headroom of less than seven (7) feet, six (6) inches;
- (3) Unenclosed steps;
- (4) Any floor area that is devoted exclusively and permanently to noncommercial recreational use, but not to exceed fifteen percent (15%) of the entire floor area of the building;
- (5) Any floor area, on or above the first or ground floor, that is devoted exclusively and permanently to the housing of building service equipment, including heating, air conditioning, mechanical, electrical, or similar equipment;
- (6) Exterior terraces, balconies and mezzanines, breezeways, and open porches;
- (7) Any space that is devoted exclusively to off-street parking or loading where said space is an integral part of a principal building, unless said building is a parking structure;
- (8) Floor spaces which are not more than twenty (20) feet above established grade plane and in accessory parking structures.

**ARTICLE XIV. GENERAL DEVELOPMENT STANDARDS.
DIVISION 1. OFF-STREET PARKING, LOADING AND ACCESS.**

**Subdivision D. Off-Street Loading.
Sec. 61-14-87. Portable waste containers in loading and unloading areas of commercial establishments.**

As required by Sec. 22-2-45(e)(1) of this Code, all loading and unloading areas shall be provided with an adequate number of portable containers for solid waste. In all cases, a minimum of one (1) portable container shall be required at all such sites. The number of portable containers required for each such area shall be governed by the need to maintain a clean, neat and sanitary premises as directed by the director of the Department

of Public Works. The orientation of such containers for solid waste shall take into account the access route and approach of waste hauling vehicles servicing the premises.

Secs. ~~61-14-87~~ 61-14-88 — 61-14-90. Reserved.

Subdivision F. Waivers and Alternative Parking Plans.

Sec. 61-14-103. Waiver of off-street parking requirements for uses or buildings minimally deficient.

Where the Buildings and Safety Engineering Department determines that 1) a building or use requires no variance or other action under the jurisdiction of the Board of Zoning Appeals and 2) the building or use can provide at least eighty percent (80%) of the required off-street parking spaces, then, upon request of the petitioner and in conjunction with the Municipal Parking Department and the Department of Public Works, Traffic Engineering Division, the department may grant a waiver of the off-street parking requirements, not exceeding ten (10) parking spaces. Such waiver shall not be granted unless, in the judgment of the Buildings and Safety Engineering Department, the waiver of the parking requirement for the building or use involved is not injurious to the adjacent or surrounding areas by creating or increasing traffic congestion or by disrupting traffic circulation. However, in those instances where a building or use is subject to Site Plan Review, the Planning and Development Department has sole authority to consider such waiver.

In a Traditional Main Street overlay area, as provided in Sec. 61-11-312 of this Code, the Planning and Development Department may grant a waiver of the off-street parking requirements, not exceeding ten (10) parking spaces, where the building or use, other than a use within the vehicle repair and service use category, as provided in Sec. 61-12-52, can provide at least fifty percent (50%) of the required off-street parking spaces.

Subdivision G. Accessible Parking for Physically Disabled Persons.

Sec. 61-14-126. Accessible space signage.

Signage, that indicates accessible parking spaces, shall be in accordance with ~~guidelines of the Americans with Disabilities Act, being 42 USC §12101 et seq., and with the Barrier Free standards of the State of Michigan~~ the Michigan Building Code.

Subdivision I. Off-Street Parking Area Design.

Sec. 61-14-149. Pedestrian retail Traditional Main Street overlay areas.

In designated ~~pedestrian retail~~ Traditional Main Street overlay areas, no parking may be located between the façade of a primary structure and the street.

Sec. 61-14-151. Dimensions.

(1) *General.* All off-street parking spaces, including those in required accessory parking areas, commercial parking lots, and parking structures shall measure not less than nine (9) feet by twenty (20) feet, exclusive of unusable space and drives or aisles which give access to the space. Parallel parking spaces shall measure ten (10) feet by twenty-three (23) feet. Notwithstanding the provision of this subsection, accessible parking spaces may be eight (8) feet in width, provided that they otherwise comply with all the provisions of Article XIV, Division 1, Subdivision G of this Chapter.

(2) *Reduction for Planter Overhangs.* Where a parking space abuts a landscape island or planter, the front two (2) feet of the required parking space length may overhang the planter, provided, that wheel stops or curbing with a minimum height of six (6) inches are provided to protect the landscape area.

DIVISION 2. LANDSCAPING, SCREENING AND FENCING.

Subdivision A. Generally.

Sec. 61-14-205. Plant size.

The following provisions shall apply with respect to plant size, except upon special review and approval by the Recreation Department:

(1) *Shrubs.* Shrubs planted to meet the landscaping and screening standards of this subdivision shall have a minimum size equal to or greater than a Number 3 container and have a minimum height of eighteen (18) inches at the time of planting. Where shrubs are used to meet landscaping or screening standards, at least fifty percent (50%) shall be evergreen; and

(2) *Trees.* Deciduous trees that are installed to meet the standards of this subdivision shall have a minimum diameter of two (2) inches, which is measured ~~six (6)~~ twelve (12) inches above the root ball, and a clear stem of at least five (5) feet. Evergreen trees shall have a minimum height of five (5) feet at the time of planting.

Subdivision C. Landscaping and Screening of Off-Street Parking Areas. Sec. 61-14-221. Right-of-way screening.

Screening along the right-of-way shall be provided as follows:

(1) Off-street parking areas that are visible from a public street shall include a landscape buffer strip with a minimum width of five (5) feet between the off-street parking area and the right-of-way. However, where the parking area is across a public street, not exceeding sixty (60) feet in width, from a dwelling unit on land zoned residential, the provisions of Sec. 61-14-222(1)(a) of this Code shall supercede. The following shall be provided:

(a) At least one (1) tree shall be provided for each thirty (30) linear feet of landscape buffer. Trees shall be planted in the buffet strip or between the sidewalk and street curb. Trees must have a minimum nonpaved planting area of eighteen (18) square feet, with a minimum depth of five (5) feet. In cases where there is an existing pattern of trees along the street, new trees shall be the same species and planted according to the existing tree spacing and pattern to the greatest extent possible, except where such existing trees are included in the list of prohibited tree species in Sec. 61-14-204 of this Code. Trees provided to meet the standards of this subsection shall not be planted more than fifty (50) feet apart. (See Figure 61-14-221(1)(a));

(b) A hedge (shrubs), berm, or masonry wall forming a continuous screen at least thirty (30) inches, but not more than thirty-six (36) inches, in height, shall be located within the landscape buffer that is immediately adjacent to the parking area. Berms shall be constructed with slopes no steeper than one (1) foot vertical for each three (3) feet horizontal (33% slope) (See Figure 61-14-221 (1)(b)). In the event such screening is provided by a masonry wall, said wall may be Opaque screening, such as the following, is acceptable:

- (i) A brick wall;
- (ii) A masonry wall with brick facing;
- (iii) A masonry wall with ~~steel pickets~~ decorative metal fence topping;
- (iv) A concrete wall with brick design;
- (v) A stone wall; or
- (vi) Other opaque wall which, in the determination of the Planning and Development Department, is both suitable for the site and compatible with, and similar to, the building frontages nearest the parking area.

(2) In instances where it is not practical to provide a 5-foot landscaped buffer strip, a wrought iron-style ornamental picket fence may be erected, subject to review and approval by the Planning and Development Department.

Sec. 61-14-222. Residential screening.

Screening from land zoned residential shall be provided as follows:

(1) *Abutting Residentially Zoned Lots Containing Dwelling Units.*

(a) Where a zoning lot that has a dwelling unit on land zoned R1, R2, R3, R4, R5, R6, or residential PD and abuts, or is located across an alley or public street not exceeding sixty (60) feet in width from, a parking area visible from the residential lot, an opaque wall shall be placed at the edge of the parking area to screen the parking area. Said opaque wall may be Opaque screening, such as the following, is acceptable:

- (i) A brick wall;
- (ii) A masonry wall with brick facing;

(iii) A masonry wall with ~~steel pickets decorative metal fence topping~~;

(iv) A concrete wall with brick design;

(v) A stone wall; or

(vi) Other opaque wall which, in the determination of the Planning and Development Department, is both suitable for the site and compatible with, and similar to, the building frontages nearest the parking area.

(b) The nearest parking space, drive aisle, or other paved surface within the parking area shall be located at least ten (10) feet from the abutting residential lot. Said setback area shall be landscaped. (See Figure 61-14-222.)

(2) *Abutting Vacant, Residentially Zoned Lots.*

(a) Where a vacant lot on land zoned R1, R2, R3, R4, R5, R6, or residential PD and abuts, or is located across an alley or public street not exceeding sixty (60) feet in width from, a parking area visible from the residential lot, an opaque wall, that is placed at the edge of the parking area, is required to screen the parking area. ~~Said opaque wall may be~~ Opaque screening, such as the following, is acceptable:

(i) A brick wall;

(ii) A masonry wall with brick facing;

(iii) A masonry wall with ~~steel pickets decorative metal fence topping~~;

(iv) A concrete wall with brick design;

(v) A stone wall; or

(vi) Other opaque wall which, in the determination of the Planning and Development Department, is both suitable for the site and compatible with, and similar to, the building frontages nearest the parking area.

(b) The nearest parking space, drive aisle, or other paved surface within the parking area shall be located at least five (5) feet from the abutting residential lot. Said setback area shall be landscaped.

(3) *Wall Specifications.* All walls or fences that are required under this section shall be at least four (4) feet in height, with a maximum height of six (6) feet, as measured from the surface of the parking area. Walls and fences shall be maintained in a neat and orderly appearance at all times, and shall have only such openings as are required for ingress and egress.

Subdivision D. Landscaping and Screening; Miscellaneous Provisions. Sec. 61-14-251. Fences.

The following provisions shall apply with regard to fences:

(1) *Partition fences between houses.* The respective owners of all lots in the City of Detroit shall construct and maintain partition fences between their own and next adjoining lots in such manner as stated in this section, except that by mutual consent of adjoining owners such fences between dwellings may be omitted. All owners of lots shall be responsible for the rebuilding,

care and upkeep of all fences that are contiguous to, or bordering upon, streets and alleys and also all fences that mark dividing lines between lots as specified in this section. The partition fence, to be erected and maintained, shall mean only that portion between the rear of the house and the alley or rear lot line;

(2) *Materials to be used.* Except for screen walls and opaque walls as may be required in ARTICLE XIV, DIVISION 2 of this Chapter, all fences, constructed or reconstructed, shall be of one and five-eighths (1-5/8) inch iron pipe or two (2) inch angle iron embedded in concrete in the ground, or four (4) inch wood posts, or four (4) inch reinforced concrete posts or any other member of equal stability sunk in the soil at least three (3) feet and that has a height above the average grade of the two (2) adjoining lots of not less than two (2) feet. On the posts shall be properly fastened woven wire, boards, metal or other approved materials. The junction of the post and boards or wire shall always be considered the lot line. The Buildings and Safety Engineering Department shall not be responsible for the establishing or locating the correct lot line between lots;

(3) *How constructed.* The house numbering system of the City shall govern the side of the fence upon which the posts shall be placed. Posts of all fences shall be placed on the side of the fence leading to the higher number as assigned by the City, except only the fences on East and West Grand Boulevard and Outer Drive shall be governed as though the Grand Boulevard and Outer Drive were numbered as on parallel streets. The lot owner upon whose property the posts are located shall be responsible for building and maintaining the front half of the fence to built, and the rear half of the opposite fence, notwithstanding that any previous ordinances are contrary. The posts of easement fences shall be placed on the side of the fence with the higher street number and the lot owner upon whose property the posts are located shall be responsible for building and maintaining the half of the fence adjacent to the next higher street number;

(4) *Fence height.*

(a) *In general.* Fences between adjoining lots and on streets, alleys, and easements shall not be less than two (2) feet in height or more than eight (8) feet in height, except fences enclosing industrial or commercial properties may be twelve (12) feet in height; and

(b) *Single- and two-family dwellings.* Notwithstanding ~~the preceding Sub-section 4(a) of this section~~, the height of any fence that abuts the front yard of a single-family dwelling or two-family dwelling shall not exceed four (4) feet, except that opaque fences shall not exceed three (3) feet. However, in the

event a deed restriction or historic district provision, which specifies front yard fencing in excess of four (4) feet in height, a higher fence may be erected as so specified or required. The height of any fence that abuts the side yards or rear yard of a single-family dwelling or two-family dwelling shall not exceed six (6) feet. Uses, on a lot adjoining the lot of a single-family dwelling or two-family dwelling, shall observe the preceding height limitations for any fence separating said use from the single- or two-family dwelling.

(5) *Barbed wire.*

(a) On land zoned in a business or industrial district classification, fences of six (6) feet or greater height may have barbed wire attached to arms or brackets which extend inward over private property, but no such barbed wire shall be placed at any point closer to the ground than six (6) feet; and

(b) Notwithstanding Subsection 5(a) of this section, no single-family dwelling or two-family dwelling may attach barbed wire to any fence. No use, on a lot adjoining the lot of a single-family dwelling or two-family dwelling, may attach barbed wire to any fence that separates said use from the single- or two-family dwelling.

(6) *Razor wire and electric electrified fencing.* Razor wire and ~~electric electrified~~ fencing shall not be allowed in any residential, business, or special zoning district classification ~~or on any fence along a major thoroughfare.~~ Where permitted, razor wire shall not be placed at any point closer to the ground than six (6) feet. (See also Ordinance No. 290-H, Section 12-11-34.0, "Fences.")

DIVISION 3. ARCHITECTURAL AND SITE DESIGN STANDARDS.

Subdivision A. Residential

Development.

Sec. 61-14-267. Multi-building, multi-family developments.

Development parcels that contain two (2) or more primary structures, which contain multiple-family dwellings shall meet the following five (5) standards:

(1) Primary access to and from multi-family areas shall be oriented towards predominantly non-single-family residential streets. Where necessary, secondary and emergency access can be provided onto such streets;

(2) Development sites of ten (10) acres or more shall include a minimum of one (1) public street or private drive that is built to City standards, is continuous through the site, and connects to a public street on both ends (a "Through-Driveway"). Development sites of twenty (20) acres or more shall include a minimum of two (2) Through-Driveways: one (1) shall connect public streets bounding the development site generally on the north and south, and the other shall connect public streets bounding the develop-

ment site generally on the east and west. No perpendicular parking or garages may be accessed directly from Through-Driveways, ~~although parallel parking may be provided along one (1) side;~~

(3) Sidewalks or walkways shall be designed and installed so that: 1) each primary access to a residential unit, 2) each primary access to a non-residential building, and 3) each area of parking spaces or carports accommodating more than five (5) cars ("Key Facilities") has direct access to a system of sidewalks which are defined as follows:

(a) Each system of sidewalks shall connect each of the Key Facilities i) to each other, ii) to any system of sidewalks along the perimeter streets around the development site, and iii) to any sidewalks on adjacent properties that extend to the boundary of such properties without requiring the pedestrian to walk across grass or through parking lots or streets, except at properly designed crossing areas as defined in Sec. 61-14-267(3)(a) to make those connections;

(b) Each point where the system of sidewalks crosses a parking lot or street shall be clearly marked through the use of changes in paving materials, height, or distinctive colors; and

(c) Sidewalk connections shall be provided between i) any sidewalk along a perimeter street around each development and ii) the sidewalk system within each development with a maximum spacing distance of ~~4320~~ 1,320 feet along the perimeter. In doing so, pedestrians along the perimeter sidewalks shall be able to find a sidewalk connection into the interior sidewalk system without walking more than ~~4320~~ 1,320 feet along the perimeter.

(4) All multiple-family residential developments with parking lots, or with internal streets or walkways, shall provide lighting so that the following amounts of light are provided, as measured five (5) feet above grade throughout the area: pedestrian paths, one-half (0.5) to one (1) foot-candle, and parking areas, two (2) to five (5) foot-candles; and

(5) In all multiple-family residential developments, all lighting fixtures shall use cutoff-downcast fixtures with a minimum angle of ninety (90) degrees from the horizontal. (See also Sec. 61-12-151.)

Subdivision B. Nonresidential

Development.

Sec. 61-14-277. Intensity of façade colors.

It is the policy of the City of Detroit that the following provisions shall guide the intensity of façade colors for nonresidential developments:

(1) Façade colors should be of low reflectance, subtle, neutral or earth tone colors. The use of high intensity colors, metallic colors, black or fluorescent colors is discouraged;

(2) Building trim may feature brighter colors, but neon tubing is discouraged as an accent material;

(3) Color should be considered in the context of the entire commercial corridor;

(4) How sunlight strikes the building should be considered when choosing color for the façade;

(5) Color should be used to bring together the elements of the entire façade, from the cornice to the entrance door; and

(6) Color should complement, respond to and enhance the architectural character and detailing of a building.

Subdivision C. Pedestrian Retail Traditional Main Street Overlay Areas
Sec. 61-14-281. Pedestrian retail Traditional Main Street overlay area; in general.

The following additional requirements of this subdivision apply to any "Pedestrian Retail Traditional Main Street Overlay Area" as designated in ARTICLE XI, DIVISION 14, Subdivision B of this Chapter. The Buildings and Safety Engineering Department shall not approve a permit application for any work relating to a zoning lot within a Traditional Main Street Overlay Area, unless the Planning and Development Department has verified that such work is consistent with design standards of this subdivision.

Sec. 61-14-282. Pedestrian retail overlay area; ground floor façade Site design standards: Building site relationship; placement and orientation.

The following standards for ground floor façades shall apply to development in Pedestrian Retail Overlay Areas:

(1) For new buildings that contain retail, service, office, civic, or institutional uses. At least fifty percent (50%) of the length of any ground floor façade, as measured from floor to floor, which faces a public street, park, playground, or other public open space, shall be made of transparent materials, that are designed to allow pedestrians to view activities inside the building or displays related to those activities. In order to meet this requirement, glass shall have a minimum sixty percent (60%) light transmittance factor;

(2) For parking structures. At least thirty percent (30%) of the length of the ground floor facing a public street, park, playground, or other public open space, commercial space or other space oriented to pedestrian traffic should be provided.

(a) The objectives of this section are:
(1) To line streets with buildings and/or other architectural site features in order to create a pedestrian friendly built-environment.

(2) To create a pedestrian friendly setting that directly relates buildings and active uses such as shopping and dining

to the street; and maintains the continuity of street wall.

(b) To achieve the objectives of this section, the following standards shall apply:

(1) The new building footprints shall be placed on the front lot line;

(2) Notwithstanding the provisions of Subsection (b)(1) of this section, a setback, not to exceed ten (10) feet may be provided for a restaurant outside dining area; and

(3) The new building footprint and façade shall be located parallel to the street system in order to continue the prevalent urban form of this neighborhood commercial district.

Sec. 61-14-283. Pedestrian retail overlay area; entryways. Site design standards: Fencing.

Entryways to building lobbies, and to all uses that are open to the public, shall be emphasized through changes in plane, differentiation in material and/or color, greater level of detail, or enhanced lighting.

(a) The objective of this section is to promote the perception of Traditional Main Street Overlay areas as safe commercial areas.

(b) To achieve the objectives of this section, the following standards shall apply:

(1) The use of barbed wire is not permitted for any residential use, for any public, civic, and institutional use, or for any retail, service, and commercial use that is delineated in the use table of Article XII, Division 1 of this Chapter; and

(2) No fence shall exceed eight (8) feet in height.

Sec. 61-14-284. Pedestrian retail overlay area; parking areas Building design: Style.

In designated pedestrian retail areas, no parking may be placed between the façade of a primary structure and the street.

In support of the standards of this subdivision, it is the policy of the City to encourage design styles that are dominant and representative of, and relevant to, the architectural history, culture, and regional significance of the area without compromising innovative and contemporary interpretations of these styles.

Sec. 61-14-285. Pedestrian retail overlay area; departmental standards. Building design standards: Massing, scale, and form.

The Buildings and Safety Engineering Department shall not approve a permit application for any work relating to a zoning lot within a Pedestrian Retail Overlay Area, unless the Planning and Development Department shall have verified that such work is consistent with its adopted design standards.

(a) The objective of this section is to continue the prevalent urban form of traditional main streets and to integrate new developments and additions into the character of traditional main streets.

(b) To achieve the objectives of this section, the following standards shall apply:

(1) Buildings shall be a minimum of two (2) stories or twenty (20) feet in height as measured from the sidewalk to the top of the parapet;

(2) In order to create a uniform street wall, buildings that exceed three (3) stories, shall have a building base that does not exceed forty (40) feet. The building base is a podium on which the taller section of the building would be set back at least ten (10) feet from the building base height to rise to not more than the maximum height specified in Article XIII of this Chapter; and

(3) Buildings at the intersection of two streets are subject to the standards for corner lots, as provided in Sec. 61-14-288 of this Code.

~~Secs. 61-14-286 — 61-14-300. Reserved.~~

Sec. 61-14-286. Building design standards: Fenestration and architectural details.

(a) For purposes of this subdivision, "street level façade" shall mean the first story of a multi-story building and, in the case of a one-story building, the first thirteen (13) feet of the façade above grade plane;

(b) The objectives of this section are:

(1) To provide street level façades with maximum visibility and transparency between active interior uses and the outside;

(2) To create façades with ratios of solids (wall surfaces) to voids (openings for windows and doors) that express traditional fenestration patterns at upper levels; and

(3) To require fenestration patterns, surface, delineations, textures, material expressions and architectural details that relate to the human scale.

(c) To achieve the objectives of this section, the following standards shall apply:

(1) A minimum of sixty percent (60%) of the street level façade along a major or secondary thoroughfare shall consist of openings for windows and doors. The use of glass block shall not be considered as providing a window;

(2) A minimum of forty percent (40%) and a maximum of eighty percent (80%) of the upper level façade along a major or secondary thoroughfare shall consist of openings for windows or window wall system;

(3) Display windows shall be set at a maximum of thirty two (32) inches above the finished grade and within twelve (12)

inches from the finished ceiling, not including window frames;

(4) Window frames, including display windows, shall be set at a minimum of two (2) inches from the typical wall plane into the window opening;

(5) The fenestration pattern shall include window openings with proportions that are taller than wide within each story of the upper level façades;

(6) The upper level façade shall contain operable windows;

(7) Changes in surface material shall be delineated by a minimum of one (1) inch wide by no less than one-half (1/2) inch deep reveal detail, except between a window frame, or sash, and the rest of the wall;

(8) The typical traditional building width of twenty (20) to twenty-five (25) feet and a maximum of forty (40) feet shall be expressed with architectural articulation and traditional façade elements, including but not limited to the following:

(i) Display windows with signage band on the street level façade;

(ii) Recessed entryway on the street level façade;

(iii) Base panel framing the display windows on the street level façade;

(iv) Transom panel on the street level façade;

(v) Taller than wide windows on the upper level façade; and

(vi) Parapet or cornice on the upper level façade; and

(9) Neon tubing is not permitted as an architectural detail or as an accent to an architectural feature.

Sec. 61-14-287. Building design standards: Transparency.

(a) The objectives of this section are:

(1) To provide pedestrians with a maximum level of transparency between active interior uses and the outside; and to prevent glare and reflective glazing; and

(2) To visually link and enliven the street space with the commercial activities of interior spaces and to require attractive window systems.

(b) To achieve the objectives of this section, the following standards shall apply:

(1) Reflective or mirrored glass and glass that is dark tinted, as defined by the National Fenestration Rating Council, are prohibited. Glazing that has a minimum visible transmittance rating of .80 is required in all instances where windows are shaded by awnings, trees, canopies, sunscreens, fins, overhangs, or other exterior building elements or obstructions;

(2) Where windows are not shaded by awnings, trees, canopies, sunscreens, fins, overhangs, or other exterior building elements or obstructions, spectrally selective glazing, such as Low-E glass or glazing with selective coatings of blue or

green tint, may be used provided that the minimum visible transmittance rating is not less than .70;

(3) Along public streets, other than a local street primarily serving residential areas, a minimum of eighty percent (80%) of the display windows of the street level façade shall be provided and maintained as visually unobstructed from signs, advertisements, window screens, security grilles, blinds and other window coverings. The display of merchandise items in display windows is not restricted by this provision; and

(4) Where facing a parking lot area or where along local streets serving residential areas, a minimum of sixty percent (60%) of the area of display windows shall be maintained as visually unobstructed from signs, advertisements, window screens, security grilles, blinds and other window coverings. The display of merchandise items in display windows is not restricted by this provision.

Sec. 61-14-288. Building design standards: Corner lot buildings.

(a) The objectives of this section are:

(1) To require design continuity and uniform overall building façade for corner lot buildings; and

(2) To further relate buildings to their context and the street space; and to increase pedestrian linkages between intersecting streets.

(b) To achieve the objectives of this section, the following standards shall apply:

(1) Buildings occupying corner lots shall be treated as buildings facing two major or secondary thoroughfares, except where one of the streets is used primarily as a local street to residential areas;

(2) An active building entryway shall be located at the corner of the building;

(3) A distinctive architectural feature shall be provided to distinguish the corner entryway; such a feature includes, but is not limited to, the following, subject to the provisions of Sec. 61-14-286 of this Code:

- (i) Entryway canopy;
- (ii) Entryway marquee;
- (iii) Fixed awning;

(4) A recessed entryway shall be provided on the street level façade.

Sec. 61-14-289. Building design standards: Entryways.

(a) The objectives of this section are:

(1) To enliven the public sidewalks by increasing the accessibility and visibility of building activities to the public; and

(2) To create identifiable building entryway to users through architectural means.

(b) To achieve the objectives of this section, the following standards shall apply:

(1) Entryways to building lobbies, and to all uses that are open to the public, shall be emphasized through changes in plane, differentiation in material and/or

color, greater level of detail, or enhanced lighting.

(2) A minimum of one active entryway to the building shall be clearly identified and located directly from the public sidewalks of a major or secondary thoroughfare;

(3) Doors used for utility or mechanical rooms shall be located away from the sidewalk of any major or secondary thoroughfare; and

(4) The solar performance of entryway doors that are predominantly glass, shall be the same as the storefront design.

Sec. 61-14-290. Building design standards: Materials.

(a) The objectives of this section are:

(1) To reinforce durable and traditional building materials consistent with urban context; and

(2) To encourage the use of durable construction materials.

(b) To achieve the objectives of this section, the following standards shall apply:

(1) Within the Grand River, Livernois/West McNichols, East Jefferson, Woodward, Grand Boulevard, Michigan Avenue, and Vernor/Springwells overlay areas, a minimum of eighty percent (80%) of any building façade that faces a public street, excluding window and door openings, shall consist of the following building materials: masonry, stone, or porcelain;

(2) Within the West Seven Mile and the Bagley/Vernor overlay areas, a minimum of thirty percent (30%) of any building façade that faces a public street, excluding window and door openings, shall consist of the following building materials: masonry, stone, or porcelains;

(3) Painted or unfinished concrete block, rough-textured concrete block, and split-face block are prohibited on any façade abutting a major or secondary thoroughfare;

(4) New building materials that are neither delineated in Subsection (b)(1) or Subsection (b)(2) of this section nor prohibited in Subsection (b)(3) of this section may only be used upon consideration and recommendation of the Design Review Advisory Committee; and

(5) Accent building materials that may be used include, but are not limited to: architectural metals such as stainless steel, copper, clear or color anodized aluminum; other pre-finished metal; finished or painted exterior-grade wood.

Sec. 61-14-291. Building design standards: Color and finish.

(a) The objective of this section is to reinforce traditional color palettes and analogous colors of permanent building materials; and to establish positive district character by achieving continuity and coordination in colors and finishes.

(b) To achieve the objective of this section, the following standards shall apply:

(1) Only cleaning and restoration techniques that are acceptable to the Detroit Historic Commission to reveal the natural color and finish of masonry materials may be used;

(2) The exterior of every commercial structure and accessory structure shall be maintained in good repair, and all surfaces thereof, with the exception of brick or stone material, shall be kept painted or protected with other approved coating or material; however, buildings with brick that was painted prior to May 29, 2005 may be repainted or may have the paint removed as a means of maintaining the surface in good repair; and

(3) Fine and smooth textured surfaces shall be used when using materials such as architectural pre-cast concrete, textured block or stucco.

Sec. 61-14-292. Building design standards: Awnings, canopies and marquees.

(a) The objective of this section is to enhance storefront scale and design; complement the streetscape; and to contribute to district identity, integrity and visual continuity by achieving a comfortable and attractive pedestrian environment.

(b) To achieve the objectives of this section, the following standards shall apply:

(1) The bottom of any awning or canopy shall be at least eight (8) feet, six (6) inches above grade plane; the top of any awning or canopy shall not exceed twelve (12) feet above grade plane;

(2) Awnings and canopies shall not project more than one-half the width of the sidewalk, nor more than ten (10) feet, six (6) inches;

(3) All marquees shall be supported entirely on the building on which they are erected, and there shall be no posts, brackets or other obstacles located on public property;

(4) Canvas, metal or glass materials are permitted for awnings and canopies; vinyl and plastic materials for awnings and canopies are prohibited;

(5) Signage on awnings and canopies is limited to forty percent (40%) of the surface area;

(6) Signage on awnings and canopies may only include business name, address, logo, or business slogan and shall not include any specific product advertising;

(7) The area of signage on awnings and canopies shall not exceed the total allowed for business signage in Chapter 3, Article VII;

(8) Lighting with awnings shall be designed to illuminate the sidewalk and the storefront; internally illuminated awnings are unacceptable; and

(9) Continuous awnings along blank walls are prohibited.

Sec. 61-14-293. Building design standards: Lighting.

(a) The objective of this section is to improve the character and safety of the pedestrian environment.

(b) To achieve the objectives of this section, the following standards shall apply:

(1) Façade floodlighting is not permitted except for civic, architecturally or historically significant buildings as a landmark;

(2) Lighting fixtures shall be located, aimed, and shielded so as not to produce:

(i) Light spill into the night sky;

(ii) Glare into residential areas, adjacent properties or street; or

(iii) Distracting reflections;

(3) Neon and flashing strobe lights are not permitted.

Sec. 61-14-294. Building design standards: Blank walls.

(a) *In general.* For purposes of this subdivision, a blank wall is a wall without windows or doors. Blank walls are only permitted where abutting an alley or along a side lot line that does not abut a right-of-way or parking lot.

(b) The objective of this section is to enhance the pedestrian experience through architecture by adding visual interest, character, and architectural details to otherwise blank walls.

(c) To achieve the objectives of this section, the following standards for new construction shall apply:

(1) Architectural details and structural bay expression are required on blank walls by providing vertical relief, such as a pier or pilaster spaced at maximum of twenty (20) feet; and

(2) A horizontal band, twelve (12) to sixteen (16) inches wide, shall be provided, such as a middle cornice or a reveal band at the façade's mid-point of the same material as the façade.

Sec. 61-14-295. Building design standards: Security roll-down grilles.

(a) The objectives of this section are:

(1) To promote the perception of main streets districts as safe commercial areas; and

(2) To deter crime, but foster pride and positive perception about main streets, by relying on discrete security measures such as security glass, alarm, lighting, and police notification system.

(b) To achieve the objectives of this section, the following standards shall apply:

(1) For projects that involve new construction, security roll-down grilles shall be designed and recessed into the interior of the window system;

(2) For retrofit projects, when it is not feasible to install a security grille into the interior of the window system, a roll-down grille may be used. The roll-down grille

box shall be as inconspicuous as possible, as follows:

(i) An enclosed-type roll-down grille box shall be located on the exterior above the display windows and transom;

(ii) The exterior box shall be painted a color to match the building's color scheme. The exterior box shall be concealed by an awning; and

(3) At least thirty percent (30%) of the roll-down grille area shall be decorative, open-slat type.

Sec. 61-14-296. Building design standards: Rooftop mechanical equipment.

(a) The objectives of this section are:

(1) To screen mechanical equipment from public view;

(2) To reduce bulk, visual clutter and noise impact of roof-top mechanical equipment; and

(3) To enhance the overall appearance of building and its relationship to the skyline.

(b) To achieve the objectives of this section, the following standards shall apply:

(1) Parapets used to screen rooftop mechanical equipment shall not exceed six (6) feet in height; and

(2) A mansard roof profile shall not be used to provide screening for rooftop mechanical equipment.

Sec. 61-14-297. Building design standards: Architecturally and historically significant buildings; renovation, addition and maintenance of existing buildings.

(a) The objectives of this section are:

(1) To preserve architecturally and historically significant, and structurally sound buildings that form traditional main streets; and

(2) To maintain the architectural character and integrity of existing well-designed buildings in Traditional Main Street overlay areas;

(b) To achieve the objectives of this section, the following standards shall apply:

(1) Traditional building elements such as original window framing, doors and windows, hardware, transom or base panel item or building wall material such as brick, stone or metal, should be removed only where necessary; and replaced with the same architectural and material quality and craftsmanship. Where such replacement is not possible, a replacement item of better material quality, may be used provided, that it is compatible with the architecture and historic character of the building and district, and

(2) Where buildings are either locally designated or nationally registered as historically significant buildings or have been recommended to be designated as a local historic district or listed in the

national registry, all rehabilitation, repair and maintenance of architecturally and historically significant buildings shall be consistent with the Secretary of the Interior's Standards for Rehabilitation.

Sec. 61-14-298. Building design standards: vacant structures.

(a) The objectives of this section are:

(1) To translate vacant structures into an economic asset; and

(2) To improve the physical condition of vacant structures while unoccupied and inactive.

(b) To achieve the objectives of this section, and as provided in Sec. 61-11-315 of this Code, the Buildings and Safety Engineering Department shall refer applications for demolition permits to the Planning and Development Department for review consideration.

Sec. 61-14-299. Parking design standards: parking areas.

(a) *Surface parking*

(1) The objectives of this subsection are:

(i) To line streets with buildings and/or other architectural site features to maintain a continuous street wall;

(ii) To promote an urban style of experiencing shopping and dining and other land use activities, where building storefronts line the main streets rather than parking lots; and

(iii) To mask the visual clutter of parked cars and to provide uniform elements of screening.

(2) To achieve the objectives of this subsection, the following standards shall apply:

(i) No parking area may be placed between the façade of a primary structure and the street that abuts the front lot line. Parking areas shall be located to the rear and/or to the side of the building;

(ii) On corner lots, parking areas shall be located away from the corner;

(iii) To protect the screen wall, thirty (30) inch high bollards that are spaced at the center of the parking stall, may be provided in lieu of the wheel stops and curbs required in Sec. 61-14-153 of this Code;

(iv) To protect the screen wall at the parking entry and exit points, two (2) thirty (30) inch high bollards shall be placed on either side of the wall;

(v) The minimum lighting levels for parking lots shall be provided in compliance with Sec. 61-14-156, Sec. 61-14-273(3) of this Code;

(vi) Light fixtures shall be maintained in good operating condition and with the required light levels to provide illumination from dusk to midnight or until two (2) hours after the end of business hours, whichever lasts for longer hours; and

(vii) Lighting fixtures shall be located, aimed, and shielded so that they do not produce light spill into the night sky.

(b) Parking structures.

(1) The objective of this subsection is to enliven parking structures with active uses and to architecturally integrate them to their district.

(2) To achieve the objectives of this subsection, the following standards shall apply:

(i) Commercial space or other space oriented to pedestrian traffic shall be provided on the ground floor of a parking structure for at least sixty percent (60%) of the length of the ground floor facing a major or secondary thoroughfare. Where the parking structure abuts more than one (1) street, the applicant shall determine whether the ground floor commercial space or other space oriented to pedestrian traffic, faces one (1) street or more than one (1) street;

(ii) The parking structure façade shall be designed so that no ramp structure or sloping deck is expressed on building façades facing public streets; and

(iii) Parking structures are subject to the design standards for materials, as provided in Sec. 61-14-290 of this Code, and color and finish, as provided in Sec. 61-14-291 of this Code, and signage, as provided in Sec. 61-14-300 of this Code. **Sec. 61-14-300. Signage and communication elements design standards.**

(a) The objective of this section is to reach a visual balance between the objective of businesses to draw pedestrian attention and the goal of creating an attractive district free of visual clutter by integrating signage into the overall design of the storefront.

(b) To achieve the objective of this section, the following signage standards shall apply:

(1) Signage shall comply with the provisions of Article VI of this Chapter and Chapter 3 of this Code;

(2) Except as provided in Subsection (b)(10) of this section, internal illumination of signage is prohibited. Any illumination of retail storefront signage shall be provided by external lighting;

(3) Signage shall be designed to architecturally fit within the overall design of the building and the site;

(4) Signage shall be located above the storefront opening so that it does not conceal architectural details and features;

(5) Signage material shall consist of, but is not limited to, painted metal, glass, painted wood or other architectural metal such as copper, bronze, stainless steel or cast aluminum. Plastic internally-illuminated channel letters, unpainted, non-architectural metals or unpainted wood are prohibited;

(6) Signage, including design, material, painting and construction, shall be professionally made;

(7) Signage material substrate shall consist of, but is not limited to, aluminum,

painted metal, weather resistant painted wood, or durable non-glare acrylic or composite material; unpainted or unfinished metals or unpainted wood are prohibited as signage material substrate;

(8) Dimensional letters shall be made of metal such as copper, bronze, stainless steel, cast aluminum, or durable nonglare acrylic;

(9) Within the West Seven Mile, Livernois/West McNichols, Woodward, Grand Boulevard, Michigan Avenue, and Vernor/Springwells overlay areas, illuminated signs shall be externally illuminated. Light boxes or internally illuminated channel letters such as plastic channel letters are prohibited; and

(10) Within the Grand River, Bagley/Vernor, and East Jefferson overlay areas, signs illuminated by light boxes and other sources of internal illumination are prohibited, except for internally illuminated channel letters.

(c) In achieving the objective of this section, satellite dishes and antennas shall be located in the rear roof space and away from public view, except where location is needed, elsewhere, to avoid obstruction of the satellite signal.

ARTICLE XV. NONCONFORMITIES. DIVISION 2. NONCONFORMING USES.

Sec. 61-15-13. Effect of procedural changes.

Where a land use was legally established at a time when no special form of approval was required for that use, such as, permitted with approval/Conditional Use public hearing or site plan review, but the current requirements do specify such procedure, said use shall not be deemed nonconforming merely as a result of not having followed the current procedural requirement. However, any enlargement, expansion, or intensification shall be subject to the standards that currently apply to the same use. "Intensification of use" is defined in Sec. 61-16-112 of this Code.

Sec. 61-15-14. Effect of use separation or concentration standards.

Any use that was legally established at a time when no special use separation or concentration standards applied, such as those requiring that a use be located at least "x" feet from another such use or that no more than two (2) "xyz" uses be located within one thousand (1,000) feet of one another, shall not be deemed nonconforming merely as a result of not complying with such standards. Any enlargement, or expansion, or intensification of such use shall be subject to the separation or use concentration standards that are in effect at the time of the proposed expansion. "Intensification of use" is defined in Sec. 61-16-112 of this Code.

Sec. 61-15-16. Expansion or intensification of nonconforming uses.

A public hearing at the Board of Zoning

Appeals shall be required in any instance that involves the expansion or intensification of a nonconforming use, subject to the provisions of Sec. 61-15-17 of this Code:

(1) Any increase in the gross floor area of a building that houses a nonconforming use shall be deemed an expansion of the nonconforming use. Any increase in the area of a zoning lot where a nonconforming use is located shall be deemed an expansion of the nonconforming use;

(2) The addition of any by-right or conditional land use to a nonconforming use upon the same zoning lot and within the same gross floor area shall be deemed an intensification of the nonconforming use; and

(3) The addition of off-street parking for a nonconforming use, solely for the purpose of complying with the off-street parking standards of ARTICLE XIV, DIVISION 1 of this Chapter, shall not be considered an expansion of the nonconforming use, but shall be governed by the zoning district regulations for "parking."

"Intensification of use" is defined in Sec. 61-16-112 of this Code.

**ARTICLE XVI. DEFINITIONS AND RULES OF CONSTRUCTION.
DIVISION 2. WORDS AND TERMS DEFINED.**

**Subdivision B. Letter "A"
Sec. 61-16-31. Words and terms (Aa-Ag).**

Abut or abutting — Having a common border with.

Access Drive — A paved surface that provides vehicular access from a public street to a parking area or parking garage or pedestrian pick-up/drop-off area.

Accessory Building or Accessory Structure — A building or structure that: [1] is subordinate to and services a principal building or a principal use legally existing on the same zoning lot; [2] is subordinate in area, extent and purpose to the principal building or principal use; and [3] contributes to the comfort, convenience or necessity of the occupants, business or industry of the principal structure or principal use served.

Accessory Parking — See "Parking, Accessory."

Accessory Use — A use that: [1] is subordinate to and services a principal building or a principal use legally existing on the same zoning lot; [2] is subordinate in area, extent and purpose to the principal building or principal use; and [3] contributes to the comfort, convenience or necessity of the occupants, business or industry of the principal structure or principal use served.

Addition — Construction or alteration that increases the square footage, number of dwelling units, bulk or other extent of a building or structure. However, the

term "addition" does not apply in a situation where, for example, all but one wall of an existing building is demolished for the purposes of reconstructing the building with a larger footprint and containing a greater gross floor area. For regulatory purposes, such a situation should be considered as demolition and new construction.

Adjacent — Same as "Abut or abutting"

Adult Cabaret — An establishment where materials or entertainment are presented, displayed, permitted or provided which are distinguished or characterized by an emphasis on or related to "specified sexual activities" or "specified anatomical areas" for observation by patrons therein. An Adult Cabaret is either a "Group D Adult Cabaret" or a "Group E Adult Cabaret" (See Sec. 61-16-92).

Adult Day Care — A facility, whether in a private home or institutional setting, providing temporary care and supervision for persons eighteen (18) years of age or older. Care is provided for periods of less than twenty-four (24) hours a day.

Adult Foster Care Facility — An establishment that provides supervision, assistance, protection or personal care, in addition to room and board, to seven (7) or more adults. An adult foster care facility is other than a nursing home or a mental hospital for mental patients or a pre-release adjustment center. (A "home for the aged" is licensed as an adult foster care facility.)

Adult Personal Service Establishment — A business, agency or service distinguished or characterized by an emphasis on or related to "specified sexual activities." or "specified anatomical areas" that arranges, provides, solicits or produces escorts, dates, models, "therapists," companions or entertainers, either on or off the premises.

Adult Physical Culture Establishment — An establishment, club or business by whatever name designated (massage parlor, bath house, etc.), that provides, offers or advertises, or is equipped or arranged so as to provide as part of its services, either on or off the premises, massages, body rubs, physical stimulation, baths or other similar treatment by any person. The following uses shall not be included within the definition of an adult physical culture establishment: [1] establishments that routinely provide such services by a licensed physician, a licensed chiropractor, a licensed osteopath, a licensed or certified physical or massage therapist, a licensed practical nurse, or any other similarly licensed medical professional; [2] electrolysis treatment by a licensed operator of electrolysis equipment; [3] continuing instruction in martial or performing arts or in organized athletic activities; [4] hospitals, nursing homes, medical clinics or medical offices;

and [5] barber shops or beauty parlors and/or salons that offer massages to the scalp, the face, the neck or shoulders only.

Adult Supply Store — A premises wherein a substantial or significant portion or area is used for the production, generation, sale, distribution, or display of books, magazines, novelties, periodicals, advertisements, videos, devices, objects, toys, paraphernalia or similar materials that are distinguished or characterized by their emphasis on matters depicting, describing or relating to “specified sexual activities” or “specified anatomical areas.”

Adult Theater — A building or structure wherein motion pictures, video tapes or similar material or entertainment is presented or viewed that is distinguished or characterized by an emphasis on matter depicting, describing or relating to “specified sexual activities” or “specified anatomical areas.” Live performances or stage shows containing “adult” character shall be classified as an adult cabaret rather than as an adult theater. Adult theaters are classified by the Business License Center as either an “Adult motion picture theater” or an “Adult motion picture theater.”

Adult Use (Use Category) — Uses providing services, entertainment or products that are distinguished or characterized by an emphasis on or related to “specified sexual activities” or “specified anatomical areas.”

Examples include the following:

- Adult Cabaret
- Adult Personal Service Establishment
- Adult Physical Culture Establishment
- Adult Supply Store
- Adult Theater

Subdivision H. Letter “G”

Sec. 61-16-92. Words and terms (Gn-Gz).

Governmental Service Agency — A facility, generally operated by an agency of the government, that provides assistance, benefits, licenses, or advisory services to members of the public. These services may include counseling, legal aid, vocational rehabilitation, aid to the handicapped, welfare, or other social services.

Grade, Established — For purposes of regulating and determining the height or bulk of a building or structure, the term “established grade” shall mean the elevation of the sidewalk grade as fixed by the City. In those cases where no sidewalk exists or when the natural level of the ground is higher or lower than the grade established by the City Engineer, the average natural level of the ground shall be taken as the established grade.

Grade, Existing or Natural Grade plane — The vertical elevation of the existing ground surface prior to excavation or fill-

ing. A reference plane representing the average of finished ground level adjoining the building at exterior walls. Where the finished ground level slopes away from the exterior walls, the reference plane shall be established by the lowest points within the area between the building and the lot line or, where the lot line is more than six (6) feet from the building, between the building and a point six (6) feet from the building.

Gross Floor Area — The sum of the gross horizontal floor areas including: Areas occupied by fixtures and equipment for display or sale or merchandise, and mezzanines and other partial floor areas. Such area shall be measured from the exterior faces of exterior walls or from the centerline of walls separating two buildings or structures, excluding stairwells at each floor, elevator shafts at each floor, floors or parts of floors devoted exclusively to vehicular parking or loading, and all floors below the first or ground floor, except when used for or intended to be used for service by customers, patrons, clients, patients, or tenants.

Group “A” Cabaret — An establishment open to the public which sells or serves alcoholic beverages for consumption on the premises with or without food, and either allows dancing with or without live entertainment, or provides three (3) or more live entertainers at one (1) time with or without dancing.

Group “B” Cabaret — An establishment which sells or serves alcoholic beverages for consumption on the premises with or without food, and is a club, as defined within Section 107 of the Michigan Liquor Control Act, being MCL 436.1107(3), which is licensed by the Michigan Liquor Control Commission.

Group “C” Cabaret — An establishment open to the public which sells or serves alcoholic beverages for consumption on the premises with or without food, provides only one (1) or two (2) entertainers at one time, and does not allow dancing.

Group “D” Adult Cabaret — An establishment open to the public where:

(1) ~~a~~Any type of alcoholic beverage is dispensed on the premises with or without food; and

(2) ~~t~~The operator thereof;

(a) ~~h~~Holds a yearly license from the Michigan Liquor Control Commission to sell such beverages by the glass; and

(b) ~~i~~s licensed by the Detroit Health and Wellness Promotion Department and by the Consumer Affairs Department; and

(3) ~~p~~Provides entertainment that is distinguished or characterized by an emphasis upon, or a relation to, specified anatomical areas or specified sexual activities as defined in Sec. 61-16-174 of this Code.

Group "E" Adult Cabaret — An establishment open to the public which does not sell or serve alcoholic beverages, may sell or serve non-alcoholic beverages and/or food, and provides entertainment that is distinguished or characterized by an emphasis upon, or a relation to, specified anatomical areas or specified sexual activities as defined in Sec. 61-16-174 of this Code.

Group Day Care Home — An accessory use to a private home, licensed by the Michigan Family Independence Agency, where more than six (6) but not more than twelve (12) minor children are given care and supervision for periods of less than twenty-four (24) hours a day unattended by a parent or legal guardian, except children related to an adult member of the family by blood, marriage, or adoption. Group day care home includes a home that gives care to an unrelated minor child for more than four (4) weeks during a calendar year. Notwithstanding its status as an accessory use, a group day care home requires a permit.

Group Living (Use Category) — Residential occupancy of a dwelling unit by a group of people who do not meet the definition of Household Living. The size of the group may be larger than the average size of a family. Tenancy is arranged on a monthly or longer basis. Uses where tenancy may be arranged for a shorter period are not considered residential. They are considered to be a form of transient lodging (see the Retail Sales and Service and Community Service categories). Generally, Group Living structures have a common eating area for residents. The residents may receive care, training, or treatment, as long as the care givers also reside at the site.

Examples include the following uses:

- Adult foster care facility
- Assisted living facility
- Convalescent, nursing, or rest home
- Emergency shelter
- Fraternity or sorority house
- Residential substance abuse service facility
 - Rooming house
 - Shelter for victims of domestic violence

Lodging where tenancy may be arranged for periods of less than thirty (30) days is to be considered a hotel or motel use and classified in the Retail Sales and Service category. Lodging where the residents meet the definition of a "family" and where tenancy is arranged on a month-to-month basis, or for a longer period is classified as Household Living. Facilities for people who are under judicial detainment and under the supervision of sworn officers are included in the Detention Facilities category.

Subdivision I. Letter "H"
Sec. 61-16-101. Words and terms (Ha-Hg).

Hazardous Substance — Any of the following: [a] a chemical or other material which is or may become injurious to the public health, safety, or welfare or to the environment; [b] "Hazardous substance" as defined in the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 USC 9601; [c] "Hazardous waste" as defined in the Natural Resources and Environmental Protection Act of 1994, as amended, MCL 324.11103; or "Petroleum" as defined in the Natural Resources and Environmental Protection Act of 1994, as amended, MCL 324.21303(d)(ii).

Hazardous Waste — Waste or a combination of waste and other discarded material including solid, liquid, semisolid, or contained gaseous material that because of its quantity, quality, concentration, or physical, chemical, or infectious characteristics may cause or significantly contribute to an increase in mortality or increase in serious irreversible illness or serious incapacitating, but reversible illness, or pose a substantial present or potential hazard to human health or the environment if improperly treated, stored, transported, disposed of, or otherwise managed, hazardous waste does not include material that is solid or dissolved material in domestic sewage discharge, or industrial discharge that is a point source subject to permits under Section 402 of the Clean Water Act of 1977, 33 U.S.C. Sec. 1342, or is a source material, special nuclear material, or by-product material as defined by the Atomic Energy Act of 1954, 42 U.S.C. Sections 2011 to 2282.

Hazardous Waste Facility — A facility or a part of a facility that is used for the treatment, storage, or disposal of hazardous waste.

Health Club — Gymnasiums (except public), private clubs (athletic, health, or recreational), reducing salons, and weight control establishments, but excluding "adult personal service establishments."

Height (Of Buildings) — The vertical distance from the established grade plane at the center of the front of the building to the highest point of the roof surface if a flat roof, to the deck line for mansard roofs, and to the mean height level between eaves and ridge for gabled, hip, and gambrel roofs.

Helipad — An area on a heliport for the landing or takeoff of helicopters.

Heliport — An area designed, used, or intended to be used for the land or taking off of helicopters, including all necessary helicopter storage and tie-down areas, hangars, and other necessary buildings and open spaces.

Heliport Elevation, Established — The elevation above mean sea level of the highest point of the usable heliport landing area.

Heliport Imaginary Surface — See Conical Surface, Sec. 61-16-53.

Heliport Reference Point — A point selected or approved by the Federal Aviation agency as the approximate center of the heliport.

Subdivision J. Letters “I” Through “J” Sec. 61-16-112. Words and terms (In-1z)

Industrial Service (Use Category) — Uses engaged in the repair or servicing of industrial, business or consumer machinery, equipment, products or by-products. Firms that service consumer goods do so by mainly providing centralized services for separate retail outlets. Contractors and building maintenance services and similar uses perform services off-site. Few customers, especially the general public, come to the site.

Examples include the following uses:

- Blueprinting shop
- Boiler repairing
- Construction equipment, agricultural implements and other heavy equipment repair or service
- Greenhouse or nursery, wholesale sales only, including landscape contractors
- Junkyard
- Laundry, industrial
- Lumber yard
- Machine shop
- Outdoor storage yard
- Police department authorized abandoned vehicle yards
- Research facilities
- Research facilities
- Tires, used: sales and/or service
- Towing service storage yard
- Trade services, general
- Truck stop
- Welding shop

Institutional Bulletin — A sign of any governmental agency, religious group, fraternal or philanthropic organization, hospital, or school, and located on the premises and bearing only information related to activities conducted on the premises, persons involved, or other identification information.

Institutional Living (Use Category) — Occupancy of an institutional structure (not a dwelling unit) by a group of people who do not meet the definition of Household Living. Care givers may or may not reside at the site.

Examples include the following uses:

- Boarding school
- Child caring institution
- Dormitory
- Penal or correctional institution; detention facility
- Pre-release Adjustment Center

Intensification of Use — An intensifica-

tion of use occurs ~~when~~ where a use is added to an existing land use without the physical expansion of the building, structure, lot, or gross floor area.

As an example: where a conditional use, regulated use, controlled use, or nonconforming use that occupies a single-story building were to add an additional use under the same roof, and that additional use is reached through the same entrance as the original use and the additional use is not separated from the original use by a tenant separation wall, then it would be considered an intensification of the original use even though the gross floor area had not been increased.

However, where a land use that occupies a single-story building were to subdivide its floor area by a tenant separation wall and were to provide a separate entrance from the outside to the subdivided space, it would not be considered an intensification of the original use, but rather the establishment of a new principal use at a different address.

Intermodal freight terminal — The site at which freight is transferred between railroad flat cars and trucks, typically involving containers or trailers.

Instrument Approach Surface and Non-instrument Approach Surface Having a Runway at Least five thousand (5,000) Feet in Length — A plane longitudinally centered on the extended runway centerline beginning at each end of the runway and extending five hundred (500) feet outward at the elevation of the approach ends of the runway and then sloping upward at a slope ratio of one (1) to forty (40) to an altitude of one hundred fifty (150) feet above the established airport elevation. The instrument approach area surface is one thousand (1,000) feet wide for the first five hundred (500) feet and then expands uniformly to a width of three thousand one hundred (3,100) feet at a distance of six thousand five hundred (6,500) feet from the end of the runway.

Intensity of Land Use — The intensity of a land use shall be based on the zoning district where the specified land use initially appears in the zoning ordinance as a use permitted as a matter of right.

For example, a land use first listed as a matter of right use in Article X of this Chapter (industrial zoning districts) shall be deemed more intensive than a land use first listed as a matter of right use in Article IX (business districts), and a land use first listed as a matter of right use in Article IX shall be more intensive than a land use first listed as a matter of right in Article VIII (residential districts).

Similarly, within a given Article, zoning districts bearing a higher number shall be deemed more intensive than districts bearing a lower number; for example, a use first permitted as a matter of right in the M4 District, shall be deemed more

intensive than a use first permitted as a matter of right in the M2 District. For a land use not permitted in any zoning district as a matter of right, but exclusively as a Conditional Use, the intensity of that land use in comparison to another shall be determined according to the zoning districts where the two land uses are first conditionally permitted.

Subdivision N. Letter "P"
Sec. 61-16-151. Words and terms (Pa-Ph).

Park and Open Space (Use Category)

— Uses of land involving natural areas, large areas consisting mostly of vegetative landscaping or outdoor recreation, or public squares. Lands tend to have few structures.

Examples include the following uses:

- Cemeteries (including mausoleums, crematories, or columbaria)
- Golf course
- Skating rink
- Park, playfield, playground, parklot, parkway and playlot
- Swimming pool
- Tennis court

Parking — The temporary standing or placement of operable motor vehicles, bearing valid and current license plate or registration sticker as required by the Secretary of State, that are currently used to transport people, goods, or materials in the conduct of normal daily activities.

Parking, accessory — A parking lot or parking area shall be deemed "accessory" where: such lot is operated in conjunction with a specific land use; and no fee is charged for parking in the lot or area; and it is located no farther than the maximum distance specified in Article XIV, Division 1, Subdivision B and Article XIV, Division 1, Subdivision C of this Chapter for said land uses.

A parking lot or parking area shall likewise be deemed "accessory" where: such lot is operated in conjunction with a specific land use; and a fee is charged for parking in the lot area; and not more than one hundred fifty percent (150%) of parking spaces required for that land use in Article XIV, Division 1, Subdivision B and Article XIV, Division 1, Subdivision C of this Chapter is actually provided; and it is located no farther than the maximum distance specified in Article XIV, Division 1, Subdivision B and Article XIV, Division 1, Subdivision C for said land use.

Parking, Commercial (Use Category)

— For purposes of this Zoning Ordinance commercial parking may operate in three different manners:

Facilities providing off-street parking that are not accessory to a specific use, and which do charge a fee, shall be deemed "commercial" parking.

Paid accessory parking. A parking facility shall likewise be deemed "commercial" when: a fee is charged; and the parking

facility is operated in conjunction with a specific land use; and when the accessory parking lot provides more than one hundred fifty (150%) of the off-street parking spaces required for that land use in Article XIV, Division 1, Subdivision B and Article XIV, Division 1, Subdivision C of this Chapter.

Remote accessory parking. Where a parking lot or parking area is operated in conjunction with a specific land use but is located farther than the maximum distance specified for said land use in Article XIV, Division 1, Subdivision B and Article XIV, Division 1, Subdivision C, it shall likewise be deemed "commercial."

Examples include the following uses:

- Parking lots or parking areas for operable private passenger vehicles
- Park-and-ride facilities (transit-based)
- Parking structure

Parking Garage, private — A structure or part thereof, designed, used or intended to be used for the parking and storage of fewer than six private passenger vehicles or recreational equipment items.

Parking Structure — A structure, typically having at least two levels of parking, for the storage of more than five (5) operable, licensed private passenger vehicles.

Parking, valet — Parking where the vehicle is parked and retrieved by an attendant.

Passenger Vehicle, Private — See "Vehicle, private passenger."

Pawnshop — The premises at which a pawnbroker purchases personal property or other valuable thing on condition of selling the same back again at a stipulated price; also, the premises at which a pawnbroker loans money on deposit, or pledge of personal property, or other valuable thing, other than securities or printed evidence of indebtedness. (Pawnbrokers are licensed as provided for in Chapter 49, Article V of this Code, as amended.)

PBB — Polybrominated biphenyl.

PCB — The class of Chlorinated Biphenyl, Terphenyl, Higher Polyphenyl, or mixtures of these compounds produced by replacing two (2) or more Hydrogen Atoms on the biphenyl, Terphenyl, or Higher polyphenyl Molecule with Chlorine Atoms, "PCB" shall not include Chlorinated Biphenyls, Terphenyls, Higher Polyphenyls, or mixtures of these compounds that have functional groups attached other than Chlorine unless that functional group on the chlorinated Biphenyls, Terphenyls, Higher Polyphenyls, or mixtures thereof is determined to be dangerous to the public health, safety and welfare under MCL 299.355.

Pedestrian Retail Area — An area, designated by Ordinance of City Council, as being or having the potential to be, a high quality, pedestrian scale, walkable area with a traditional urban atmosphere.

Personal Service Establishment — Includes barber shops, beauty shops, dry cleaning or laundry pick-up stations, nail salons, shoe repair shops, shoeshine stand or parlor.

Subdivision P. Letter "S"

Sec. 61-16-175. Words and terms (St-Sz).

Stadium — Any structure with tiers of seats rising around a sports field, playing court, or public exhibition area. Stadiums are primarily used for sports and athletic events. Entertainment and other public gathering purposes, such as concerts and conferences may be permitted as an incidental use of a stadium. The term, "stadium," does not include "Motor vehicle race tracks" or "Outdoor entertainment facilities."

State-licensed residential facility — A structure constructed for residential purposes that is licensed by the State of Michigan pursuant to MCL 331.681 to 331.694, as amended, or MCL 722.111 to 722.128, as amended, which provides resident services for six (6) or fewer persons under 24-hour supervision or care for persons in need of that supervision or care. Adult foster care homes for six (6) or fewer adults and child caring institutions for six (6) or fewer minors shall be considered State-licensed residential facilities.

Stores of a Generally Recognized Retail Nature Whose Primary Business is the Sale of New Merchandise — Includes but is not limited to: commercial art galleries; retail stores; stores, other than secondhand stores, for the rental of household or personal merchandise originally stocked as new merchandise, such as videocassette recordings, household appliances, formal attire, and other Articles stored and displayed within the store or showroom; establishments for self-service photocopying and related services.

Story — That part of a building included between the surface of any floor and the surface of the next floor or of the roof next above. When the vertical distance from the established grade at the center of the front of the building to the ceiling of a story partially below such grade exceeds five (5) feet, then the basement or cellar constituting the story partially below grade shall be counted as a story.

Story, Half — A story that is situated within a sloping roof, the area of which at a height of four (4) feet above the floor does not exceed two-thirds (2/3) of the floor area directly below it.

Street — A thoroughfare that affords a principal means of access to abutting property.

Street, principal — The busier of two streets abutting a zoning lot.

Street Tree — A species of tree particularly suited to the requirements of the street environment.

Structural alterations — See "Alterations."

Structure — Anything constructed, erected, placed or otherwise composed of parts; joined together in some definite manner; any construction.

Structure, Accessory — See "Accessory Structure."

Structure, Principal — The structure occupied or designed for the principal use.

Substance Abuse Service Facility — An establishment used for the treatment of persons having drug or alcohol abuse problems on an outpatient basis. The establishment may or may not dispense compounds or prescription medicines to individuals depending upon the severity of their drug or alcohol abuse problems. A generally recognized pharmacy or licensed hospital dispensing prescription medicines shall not be considered a substance abuse service facility.

Subdivision Q. Letter "T"

Sec. 61-16-182. Words and terms (Tn-Tz).

Towing Service Storage Yard — Any private storage lot or yard of a towing enterprise where inoperable or distressed motor vehicles are temporarily held for retrieval or redemption by their owner, whether such enterprise is a contractor for a Police Department precinct or not; for zoning purposes, a "towing service storage yard" shall be considered as a separate land use from a "police department authorized abandoned vehicle yard." Such storage yards shall not function as a junkyard; no stripping or dismantling or outdoor storage of parts is permitted; no sale of used auto parts is permitted; no stacking of vehicles is permitted. Towing service storage yards shall be considered a principal use of the land except when same vehicles are awaiting repairs or service at a facility located on the same zoning lot, in which case they operate as an accessory use of the land.

Town house — One of three or more attached single-family dwelling units, each having its own entrance, and each extending from the basement to the roof and having no side yards except end units which have one (1) side yard.

Toxic Substance Disposal Facility — A facility that disposes of, destroys, or incinerates "PCB" or "PBB" substances, as defined in the Toxic Substances Control Act (TSCA) and applicable Michigan laws.

Trade Services, General — Offices or shops for plumbing, electrical, heating or air conditioning, furniture repair or upholstery, cabinet making, carpenter's shops, furniture and/or carpet and/or rug cleaning establishments, and similar uses.

Traditional Main Street Overlay Area — An area, designated by ordinance, as being, or having the potential to be, a high quality, pedestrian-scale, walkable area with a traditional urban atmosphere.

Transfer station — An intermediate destination for nonhazardous solid waste materials where refuse awaiting transportation to a disposal site is transferred from one type of vehicle to another. May include the separation of different types of waste and aggregation of smaller shipments with larger ones, and compaction to reduce the bulk of the waste."

Trailer — Every vehicle, without motive power, other than a pole-trailer, which is designed for carrying property or persons and for being drawn by a motor vehicle, and is so constructed that no part of its weight rests upon the towing vehicle.

Transitional housing — Transitional housing typically refers to rental housing for persons whose most recent address has been a homeless shelter and who anticipate finding a permanent residence after leaving the transitional housing facility and after accumulating funds for a rental security deposit. Unlike residents of emergency shelters who may move after thirty days, transitional housing residents may spend many months before relocating.

Transitional housing may differ from typical apartment house living insofar as the residents may be expected or may be able to avail themselves of counseling or life skills training or job training on the premises.

When transitional housing offers space for three or more families and provides separate housekeeping and cooking facilities for each, it should be regulated as any other multiple-family dwelling.

However, when residents are not free to come and go because the program is part of a correctional program, the facility should be regulated as a pre-release adjustment center.

When residents require supervision, assistance, protection or personal care, the facility should be regulated as an adult foster care facility.

When the facility offers congregate style temporary lodging primarily to the homeless, it should be regulated as an emergency shelter.

When the facility offers sleeping quarters in the form of cots or beds in the same room, it should be regulated as a public lodging house.

When the transitional housing facility includes a residential substance abuse treatment program, it shall be regulated as a "residential substance abuse service facility."

When the facility provides sleeping accommodations in ten or fewer rooms or dwelling units that lack separate housekeeping and cooking facilities in each unit, it should be regulated as a rooming house.

Transitional Surfaces — Transitional surfaces exist adjacent to each runway as indicated on the Flight Obstruction Area

Map on file at the Buildings and Safety Engineering Department. These surfaces begin at the centerline of the runways and extend outward, at the elevation of the runway, for five hundred (500) feet in the case of instrument runways, and for two hundred fifty (250) feet in the case of non-instrument runways, and then slope upward and outward one foot vertically for each seven (7) feet horizontally to the point where they intersect horizontal surface "A". Further, transitional surfaces exist adjacent to all approach surfaces and extend the entire length of the approach surfaces, beginning at the edges and extending upward and outward at the same one to seven slope ratio to the point where they intersect horizontal surface "A".

Tree — A large woody plant having one or several self supporting stems or trunks and numerous branches. May be classified as deciduous or evergreen.

Two-family Dwelling — A structure, located on one lot, containing two (2) dwelling units, each of which is designed for or occupied by one (1) family only, with separate housekeeping and cooking facilities for each.

Tunnel plaza and terminal, vehicular — That property immediately contiguous to a vehicular tunnel where motor vehicles enter and exit the tunnel. Certain uses and activities, if oriented and available exclusively to tunnel traffic, shall be considered incidental and accessory to the vehicular bridge plaza and terminal: toll booths, inspection and weigh stations, customs and immigration facilities, duty-free retail stores, motor vehicle filling stations, and uses similar to the preceding. Advertising signs that are visible to traffic outside the plaza and terminal property shall not be considered as incidental and accessory.

Section 2. All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

Section 3. This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the People of the City of Detroit and shall become effective on May 29, 2005.

RESOLUTION SETTING HEARING

By Council Member Watson:

Resolved, That a public hearing will be held by this Body in the Committee of the Whole Room, 13th Floor of the Coleman A. Young Municipal Center, on, WEDNESDAY, MAY 25, 2005 AT 10:10 A.M., for the purpose of amending Chapter 61 of the 1984 Detroit City Code, titled "Zoning" by Adding Sections 61-2-134, etc.

All interested persons are invited to be present to be heard as to their views.

Adopted as follows:

Yeas — Council Members Bates, S. Cockrel, Collins, Tinsley-Talabi, Watson, and President Pro Tem. McPhail — 6.

Nays — None.

City Planning Commission

May 12, 2005

Honorable City Council:

Re: Transitional provisions from current Zoning Ordinance to new Zoning Ordinance (Submitting Ordinance for Introduction).

The Law Department has prepared a very brief amendment to the new Zoning Ordinance to provide transitional provisions that were not contemplated when the new Zoning Ordinance was drafted and is requesting City Planning Commission and City Council approval of the ordinance.

The new Zoning Ordinance (Chapter 61) was passed by Council and approved by the Mayor as Ordinance No. 11-05. The notice of enactment was published in *The Detroit Legal News* on April 11, 2005 and the effective date of the ordinance is May 28, 2005. The current Zoning Ordinance, Ordinance No. 390-G, as amended, remains in effect until its repeal becomes effective on May 28, 2005 as a result of Ordinance No. 10-05.

Subsequent to the passage of Ordinance Nos. 10-05 and 11-05, your Honorable Body approved three additional zoning map amendments to Ordinance No. 390-G — St. John Riverview Hospital (Ord. No. 12-05), Motor City Casino (Ord. No. 16-05), and Greektown Casino (Ord. No. 17-05). The proposed brief amendment would ensure that these rezonings that have gone into effect during the transitional period between the current and new Zoning Ordinance would not be undone when Ordinance No. 390-G is repealed on May 28, 2005.

The City Planning Commission (CPC) will be holding a public hearing on the proposed transitional provisions amendment at a special meeting on Tuesday, May 24, 2005. Because of the extraordinary time pressure to have all parts of the new Zoning Ordinance in place by after Memorial Day. The City Council will need to introduce the ordinance prior to receiving the report and recommendation of the City Planning Commission. The ordinance is scheduled for introduction at the adjourned formal session on Friday, May 13, 2005; City Council has agreed to schedule a public hearing for 10:00 A.M., WEDNESDAY, MAY 25, 2005. By the time of that public hearing, the CPC's report and recommendation will be presented to Council and a vote on the proposed amendment could be taken at the formal session on the 25th.

Wednesday, May 25th is the latest possible date that would still allow for approval by the Mayor and publication of a notice of enactment in *The Detroit Legal News* prior to the proposed effect date. Although the proposed transitional provisions amendment would not take immediate effect, six (6) votes will still be needed for it to take effect earlier than the customary 30-day waiting period.

Contrary to information provided by our office to City Council, this matter has not been discussed with the Council. Because it is merely a technical matter to provide the transition between the current and new Zoning Ordinance, we recommend that Council forego the customary discussion.

Attached is a copy of the ordinance, prepared by the Law Department, for introduction at the Adjourned Session on Friday, May 13, 2005.

Respectfully submitted,

MARSHA S. BRUHN

By Council Member Watson:

AN ORDINANCE to amend Chapter 61 of the 1984 Detroit City Code, titled 'Zoning,' by amending Sections 61-1-13, and Article XVII.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 61 of the 1984 Detroit City Code, titled 'Zoning,' is amended by amending Section 61-1-13 and Article XVII to say:

Sec. 61-1-13. Transitional provisions; approved projects.

The following transitional provisions shall apply to projects approved prior to the adoption of this Zoning Ordinance:

(1) Permits and approvals that are valid on the effective date of this Zoning Ordinance, which is May 28, 2005, shall remain valid until their expiration date. Projects with valid approvals or permits may be carried out in accordance with the development standards in effect at the time of approval, provided that the permit or approval is valid and has not lapsed;

(2) All uses that are valid on the effective date of this Zoning Ordinance, which is May 28, 2005, remain valid in accordance with the terms, conditions, regulations, controls or requirements of the grants or approvals that are issued by any City department or agency, or resolutions adopted or ordinances passed by the City Council, which allow such uses.

~~(2)~~(3) No provision of this Zoning Ordinance shall require any change in the plans, construction, or designated use of any structure for which a building permit has been issued prior to the effective date of this Zoning Ordinance, which is May 28, 2005;

~~(3)~~(4) The decision-making body that granted original approval may renew or

extend the time of a previous approval if the required findings or criteria for approval remain valid. Any extension granted shall not exceed one (1) year in length, and no more than one extension may be granted; and

(4)(5) Any re-application for an expired project approval shall meet the standards in effect at the time of re-application.

ARTICLE XVII. ZONING MAPS

This article consists of Zoning District Maps Nos. 1 through 78, which, with all conditions, regulations, controls and requirements associated with special purpose zoning districts, are remain unaltered from Ordinance No. 390-G, as amended.

Section 2. All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

Section 3. This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the People of the City of Detroit and shall become effective on May 28, 2005.

RESOLUTION SETTING PUBLIC HEARING
By Council Member McPhail:

Resolved, That a public hearing will be held by this Body on the 13th Floor of the Coleman A. Young Municipal Center on WEDNESDAY, MAY 25, 2005 AT 10:00 A.M. for the purpose of considering the advisability of adopting the foregoing ordinance amendment which clarifies the transition between the current Zoning Ordinance, Ordinance No. 390-G, as amended, and the new Zoning Ordinance adopted with Ordinance 11-05, which amends Article I, Section 61-1-13 to add a provision that all uses that are valid on the effective date of the Zoning Ordinance, May 28, 2005, remain valid in accordance with the terms, conditions, regulations, controls or requirements of the grants or approvals that are issued by any City department or agency, or resolutions adopted or ordinances passed by the City Council, which allow such uses; and amend Article XVII to add language that all conditions, regulations, controls and requirements associated with special purpose zoning districts remain unaltered from Ordinance No. 390-G, as amended.

All interested persons are invited to be present to be heard as to their views. Persons making oral presentations are encouraged to submit written copies to the City Clerk's Office for the record.

Planning & Development Department
May 3, 2005

Honorable City Council:

Re: Transfer of Jurisdiction & Sale of Surplus Property Development: 7124-40 W. Fort.

The Detroit Police Department has declared the above-captioned property surplus to its needs and requests that the Planning and Development Department assume jurisdictional control over the property (formally the Detroit Police Department 4th Precinct) which consists of a two-story commercial brick structure located on an area of land measuring approximately 35,117 square feet and is zoned B-4 (General Business District).

We are now in receipt of an offer to purchase the captioned property from AMA Properties, LLC, a Michigan Limited Liability Company for the amount of \$140,000.00. Fifty percent of the sales proceeds are to be deposited in the Police Department's revolving account for acquisition and development with the remaining fifty percent to be retained by the Planning and Development Department.

The Offeror proposes to rehabilitate the structure and create a professional office building. This facility will be the headquarters of AMA Properties, LLC and will also provide business offices for contract services within their company. In addition, this facility will consist of an adjacent paved surface parking lot to accommodate employees and customers. All areas not paved will be professionally landscaped to enhance the appearance of the site. This use is permitted in a B-4 zone.

We, therefore, request that your Honorable Body approve the attached resolution authorizing the Detroit Police Department to transfer jurisdiction of the above-captioned property to the Planning & Development Department.

We, also, request that your Honorable Body adopt the sale and authorize the Planning and Development Department Director of Development Activities, or his authorized designee to execute a Quit Claim Deed to purchase and develop this property with AMA Properties, LLC, a Michigan Limited Liability Company and such other documents as may be necessary to effect the sale.

We, further, request that fifty percent of the sales proceeds be deposited in the Detroit Police Department's revolving account for acquisition and development with the remaining fifty percent to be retained by the Planning and Development Department.

Respectfully submitted,
O'NEAL EDWARDS
Executive Manager
Real Estate

By Council Member Collins:

Honorable City Council:

Re: Petition from New Detroit Properties, LLC, for Establishment of an Obsolete Property Rehabilitation District at 71-83 W. Elizabeth (Cliff-Bells Building) Public Act 146 of 2000 (Petition #3470).

New Detroit Properties, LLC, proposes to rehabilitate the above-referenced property into a mixed-use commercial space. The developer has petitioned for tax abatement on this project to make it financially feasible.

The Planning & Development and Finance Departments have reviewed the

petition and determined it meets the criteria for tax abatement as set forth in the Act. We recommend that the Obsolete Property Rehabilitation District be established.

The Act requires that, prior to your Honorable Body's passage of a resolution establishing the District, a Public Hearing must first be conducted. We request that a date and time for such a Public Hearing be established, in accordance with the attached resolution and legal description, for the purpose of considering the establishment of the requested District.

Respectfully submitted,

HENRY B. HAGOOD

Director of Development Activities

By Council Member Collins:

Whereas, Pursuant to Public Act No. 146 of Public Acts of 2000 ("the Act") this City Council has the authority to approve "Obsolete Property Rehabilitation Districts" within the boundaries of the City of Detroit; and

Whereas, New Detroit Properties, LLC, has petitioned (Petition #3470) this City Council for the establishment of an Obsolete Property Rehabilitation District in the area of 71-83 W. Elizabeth; and

Whereas, The Act requires that, prior to establishing an Obsolete Property Rehabilitation District, the City Council shall provide an opportunity for a Public Hearing on the establishment of the District, at which Public Hearing representatives of any taxing authority levying ad valorem taxes within the City, or any owner of real property within the proposed District, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter; and

Now Therefore Be it

Resolved, That on the 30TH day of JUNE, 2005 at 10:00 A.M. in the City Council Committee Room, 13th Floor, Coleman A. Young Municipal Center, a Public Hearing be held on the Application for an Obsolete Property Rehabilitation District referred to above, the District being more fully described in Exhibit A attached hereto; and be it finally

Resolved, That the City Clerk shall give notice of the Public Hearing to the general public and shall give written notice by certified mail to the taxing authorities and to the owners of all real property within the proposed District, such notice to be given at least ten days, but no more than thirty days, prior to the date of the Public Hearing.

Exhibit A

Legal Description

Legal Description for the proposed district is as follows:

73-81 West Elizabeth — Lots 19 and 20 Browns Sub of Park Lots 84, 85 and 86 as recorded in Liber 7 of records, page 27 Wayne County Records.

Honorable City Council:
 Re: Surplus Property Sale — Vacant Land — 4310 Montgomery and 8107 Radford.

The City of Detroit acquired as tax reverted property from the State of Michigan, 4310 Montgomery and 8107 Radford, located on the North side of Montgomery, between Grand River and Radford. This property consists of vacant land measuring approximately 70 x 107 feet and zoned R-1 (Single Family Residential District).

The purchaser proposes to create a "Green Space" to enhance the adjacent property. This use is permitted as a matter of right in a R-1 zone.

We request your Honorable Body's approval to accept the Offer to Purchase from Nazareth Lutheran Church, a Michigan Ecclesiastical Corporation, for the sales price of \$700.00 on a cash basis plus an \$18.00 deed recording fee.

Respectfully submitted,

EXHIBIT E
RESOLUTION APPROVING
BROWNFIELD PLAN OF THE CITY OF
DETROIT BROWNFIELD
REDEVELOPMENT AUTHORITY FOR
THE LITHUANIAN HALL PROJECT

City of Detroit

County of Wayne, Michigan

WHEREAS, Pursuant to 381 PA 1996, as amended ("Act 381"), the City of Detroit Brownfield Redevelopment Authority ("Authority") has been established by resolution of the City Council of the City of Detroit (the "City") for the purpose of promoting the revitalization of eligible properties in the City; and

WHEREAS, Under Act 381 the Authority is authorized to develop and propose for adoption by City Council a brownfield plan for one (1) or more parcels of eligible property; and

WHEREAS, An eligible taxpayer may qualify for the Michigan Single Business Tax credit pursuant to Act 228, Public Acts of Michigan, 1974, as amended, for any eligible investments on eligible property identified under a brownfield plan; and

WHEREAS, Pursuant to the resolution establishing the Authority and the bylaws of the Authority, the Authority has submitted a proposed brownfield plan for the Lithuanian Hall Project (the "Plan") that would enable the owner to apply for a Michigan Single Business Tax credit for eligible investments on eligible property as defined by Act 381, as amended, after the adoption of this Plan; and

WHEREAS, The Authority submitted the Plan to the Community Advisory Committee for consideration on February 16, 2005, and a public hearing was conducted by the Authority on February 24, 2005 to solicit comments on the proposed Plan; and

WHEREAS, The Community Advisory Committee recommend approval of the Plan of February 16, 2005; and

WHEREAS, The Authority approved the Plan on April 6, 2005 and forwarded it to the City Council with a request for its approval of the Plan; and

WHEREAS, The City Council has published the required notice of the public hearing on the Plan; and

WHEREAS, The City Council held a public hearing on the proposed Plan on May 9, 2005.

NOW, THEREFORE, BE IT RESOLVED, THAT:

1. Definitions. Where used in this Resolution the terms set forth below shall have the following meaning unless the context clearly requires otherwise:

“Eligible Activities” or “eligible activity” shall have the meaning described in Act 381.

“Eligible Property” means the property designated in the Plan as the Eligible Property, as described in Act 381.

“Plan” means the Plan prepared by the Authority, as transmitted to the City Council by the Authority for approval, copies of which Plan are on file in the office of the City Clerk.

“Taxing Jurisdiction” shall mean each unit of government levying an ad valorem property tax on the Eligible Property.

2. Public Purpose. The City Council hereby determines that the Plan constitutes a public purpose.

3. Best Interest of the Public. The City Council hereby determines that it is in the best interests of the public to promote the revitalization of environmentally distressed areas in the City to proceed with the Plan.

4. Review Considerations. As required by Act 381, the City Council has in reviewing the Plan taken into account the following considerations:

(a) The Plan meets the requirements set forth in section 13 of Act 381.

(b) The proposed method of financing the costs of Eligible Activities is feasible.

(c) The costs of Eligible Activities proposed are reasonable and necessary to carry out the purposes of Act 381.

(d) No captured taxable value is estimated to result from adoption of the Plan since all Eligible Activities will be financed by the owner of the Eligible Property and the Plan does not provide for the use of tax increment revenues for eligible activities.

5. Approval and Adoption of Plan. The Plan as submitted by the Authority is hereby approved and adopted. A copy of the Plan and all amendments thereto shall be maintained on file in the City Clerk’s office.

6. Disclaimer. By adoption of this Resolution and approval of the Plan, the City assumes no obligation or liability to

the owner, developer, lessee or lessor of the Eligible Property for any loss or damage that may result to such persons from the adoption of this resolution and Plan. The City makes no guarantees or representations as to the determinations of the appropriate state officials regarding the ability of the owner, developer or lessor to qualify for a Single Business Tax credit pursuant to Act 228, Public Acts of Michigan, 1975, as amended.

7. Repealer. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.

RESOLUTION

By COUNCIL MEMBER WATSON:

WHEREAS, Detroit has one of the largest communities of hearing impaired citizens; and

WHEREAS, Closed Captioning is a very important tool that allows individuals the opportunity to understand and participate in city government through viewing the cablecast of the Detroit City Council meetings.

WHEREAS, Over the past ten years the amount of television and cable programming made accessible through closed (and open) captioning has increased substantially, and

WHEREAS, Closed Captioning is a valuable tool for a significant segment of the public, unfortunately it is expensive. The City of Detroit is currently faced with a major budget deficit and must make fiscally sound adjustments to the services it provides, NOW THEREFORE BE IT

RESOLVED, Due to current costs restraints, the Detroit City Council will reduce the expense for Closed Captioning while maintaining an acceptable level of communication to its hearing impaired audience, BE IT FINALLY

RESOLVED, That the Detroit City Council will limit its Closed Captioning services to its Committee of the Whole and Regular Formal Sessions held on Wednesdays.

Adopted as follows:

Yeas — Council Members Bates, S. Cockrel, Collins, Tinsley-Talabi, Watson, and President Pro Tem. McPhail — 6.

Nays — None.

*ON WAIVERS OF RECONSIDERATION Council Member S. Cockrel moved to waive the right to reconsider the vote by

which each resolution designated for "Waiver of Reconsideration" was adopted.

Council Member Tinsley-Talabi moved to suspend Rule 23 for the purpose of indefinitely postponing the motion to waive reconsideration, which motion prevailed.

Council Member Watson then moved that the motion to waive reconsideration be indefinitely postponed, which motion prevailed.

The regular order was resumed.

And the Council then adjourned.

SHARON McPHAIL,
President Pro Tem.

JACKIE L. CURRIE,
City Clerk

(All resolutions and/or ordinances except Resolutions of Testimonial or In Memoriam, are generally in the name of the Council Member who was chairperson of the day of the City Council Committee of the Whole Meeting on which the resolution was introduced.)

CITY COUNCIL

(REGULAR SESSION)

(All action of the City Council appearing herein is subject to reconsideration and/or approval of the Mayor.)

Detroit, Wednesday, May 18, 2005

Pursuant to adjournment, the City Council met at 11:30 A.M., and was called to order by the President Maryann Mahaffey.

Present — Council Members K. Cockrel, Jr., S. Cockrel, Collins, Tinsley-Talabi, and President Mahaffey — 5.

There being a quorum present, the City Council was declared to be in session.

Invocation given by Reverend Claudia Finley, Bi-Faith Outreach Ministries, Detroit Police Department Chaplain.

The Council then recessed to reconvene at the Call of the Chair.

Pursuant to recess, the Council met at 12:05 P.M. and was called to order by the President Maryann Mahaffey.

Present — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Collins, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 8.

There being a quorum present, the Council was declared to be in session.

The Journal of the Session of May 4, 2005 was approved.

Reconsideration

The Clerk notified the chair that Council President Maryann Mahaffey had filed notice that she would move to reconsider the vote by which the resolutions authorizing Finance Department/Purchasing Division Contract No. 2621721—(CCR: October 8, 2003) — Coach Engine & Transmission Overhauls from October 1, 2003 through September 30, 2005. RFQ. #9623. Original dept. estimate: \$1,800,000.00, Requested dept. increase: \$2,500,000.00, Total contract estimated expenditure to: \$4,300,000.00. Reason for increase: D-DOT's engine and transmission workload backlog has grown substantially. Additional funding is needed to expedite repairs to increase coach availability and to cover the balance of the contract period. W.W. Williams (formerly Williams Detroit Diesel Allison Midwest, Inc.), 4000 Stecker Ave., Dearborn, MI 48126. D-DOT. And

Contract No. 2621950—(CCR: November 26, 2003) — Coach Engine & Transmission Overhauls from October 1, 2003 through November 30, 2005. RFQ. #9623. Original dept. estimate: \$1,800,000.00, Requested dept. increase: \$750,000.00, Total contract estimate: \$2,550,000.00. Reason for increase: D-DOT's engine and transmission workload backlog has grown substantially. Additional funding is needed to expedite repairs to increase coach availability and to cover the balance of the contract period. Also, very little work has gone to the third firm under contract; therefore estimated expenditures are being reallocated. Jimmy Diesel, Inc., 550 South East Ave., LaGrange, IL 60525. D-DOT, which was adopted at the last regular session of May 11, 2005.

Council Member Sharon McPhail on behalf of Council President Maryann Mahaffey then moved to reconsider the vote by which the above specified matter was adopted which motion prevailed as follows:

Yeas — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Collins, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 8.

Nays — None.

Council Member McPhail then moved that the matter be referred back to Committee of the Whole for further consideration, which motion prevailed.

May 2, 2005

Honorable City Council:

Re: Tony Sykes vs. Detroit Police Officer Ronald Hill and Detroit Police Officer Buford. Wayne County Circuit Court Case No.: 04-400521 NO.

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memoran-

dum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that the City should agree to the entry of an Order of Dismissal and enter into an Agreement to Arbitrate on the terms and conditions set forth in the following resolution.

We, therefore, request authorization to agree to entry of an Order of Dismissal and to enter into an Agreement to Arbitrate on the terms and conditions set forth in the following resolution and, upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay a designated sum to the Plaintiffs, that your Honorable Body direct the Finance Director to issue a draft payable to Tony Sykes and his attorneys, The Thurswell Law Firm, in the amount the City is to pay the Plaintiffs pursuant to the arbitrators' decision, but said draft may not be less than Zero Dollars (\$0.00) and shall not exceed Twenty-Five Thousand Dollars (\$25,000.00).

Resolved, That:

The Law Department is authorized to agree to entry of an Order of Dismissal and to enter into an Agreement to Arbitrate in the case of Tony Sykes vs. Detroit Police Officer Ronald Hill and Detroit Police Officer Buford, Wayne County Circuit Court Case No. 04-400521 NO, on the following terms and conditions:

1. The parties shall submit to arbitration all matters in controversy raised in the above-named lawsuit.

2. Plaintiffs shall recover a minimum amount of Zero Dollars (\$0.00).

The maximum amount of any award to the Plaintiffs shall not exceed the amount of Twenty-Five Thousand Dollars (\$25,000.00).

Any award in excess of Twenty-Five Thousand Dollars (\$25,000.00) shall be interpreted to be in the amount of Twenty-Five Thousand Dollars (\$25,000.00).

3. There shall be no costs, fees, attorney fees or interest taxable with respect to the award rendered by the arbitrators.

The award of the arbitrators shall represent a full and final settlement of any amounts due and owing to Plaintiffs for any and all claims arising out of the incident which occurred on or about March 19, 2003 at or near West 8 Mile Rd. and Rosemont, Detroit, Michigan. However,

limited judicial review may be obtained in a Michigan Federal District Court of competent jurisdiction (a) in accordance with the standards for review of arbitration awards as established by law; or (b) on the ground that the arbitrators committed an error of law.

4. Promptly after the arbitrators announce their decision, the Law Department shall inform City Council in writing of that decision.

Upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay part or all \$50,000.00 to the Plaintiffs, the Finance Director is authorized to issue a draft drawn upon the proper account in favor of Tony Sykes and his attorneys The Thurswell Law Firm, in the amount of the arbitrators' award, but said draft may not be less than Zero Dollars (\$0.00) and shall not exceed Twenty-Five Thousand Dollars (\$25,000.00).

Re: Kelly Jackson vs. City of Detroit Police Officer Jon Chaisonn and City of Detroit Police Officer William Gutzwiller. Case No.: 03-330050 NI. File No.: A37000 (MRJ).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Nine Thousand Five Hundred Dollars and No Cents (\$9,500.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Nine Thousand Five Hundred Dollars and No Cents (\$9,500.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Dean Elliott, PLC, his Attorney, and Kelly Jackson, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 03-330050 NI, approved by the Law Department.

Re: Address: 16621 Stoepel. Date ordered demolished: July 2, 2003 (J.C.C. p. 2088). Deferral date: September 11, 2003.

The building at the location listed above was ordered demolished by your Honorable Body on the date indicated and the order was deferred under the conditions of the Ordinance.

A recent inspection on April 20, 2005 has revealed that the building is open to trespass, contrary to the conditions of the deferral.

Therefore, we will proceed with the demolition as originally ordered, with the cost of demolition assessed against the property.

Honorable City Council:

Re: Address: 13917 Forrer. Name: James R. Torrence II. Date ordered removed: September 8, 1999 (J.C.C. p. 2531).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on April 27, 2005 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of April 26, 2005.

The proposed use of the property is owner occupancy.

Therefore, it is recommended that the demolition order be deferred for a period of three months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

**City Council
Research and Analysis Division**

May 17, 2005

Honorable City Council:

Re: Ballot Advisory Question; Reopening of the Belle Isle Aquarium.

On Friday, May 13, 2005, Council Member Sheila M. Cockrel requested the Research & Analysis Division (RAD) give an opinion on the whether the Legislative Branch of the City of Detroit can place an advisory question on the August 2, 2005 primary ballot, when that question is related to an appropriation or budgeted item.

The Section of the City Charter that addresses the Legislative Branch's ability to place items on the ballot for voter consideration is Article 3, Section 3-101, which states:

*The City Council may, by resolution adopted not less than seventy (70) days before any election or special election, submit **any proposal** to the voters of the City. (Emphasis added)*

It is the opinion of the Research & Analysis Division that the advisory question¹ relative to the reopening of the Belle Isle Aquarium is permissible under the Detroit City Charter. RAD has attached the necessary resolution authorizing the ballot language, and seeking the Election Commission's approval of the ballot language to this report.

The attached resolution must be approved by your Honorable Body no later than May 24, 2005 to appear on the August 2, 2005 primary ballot.

The City Charter **does not allow** citizen initiatives or citizen referendums to be placed on the ballot when the initiative or referendum is related to an appropriation or budgeted item. Specifically section 12-101 of the Charter of the City of Detroit states:

The voters of the city reserve the power to enact city ordinances, called the initiative, and the power to nullify ordinances, enacted by the city, called the referendum. However, these powers do not extend to the budget or any ordinance for the appropriation of money; the referendum power does not extend to any emergency ordinance.

Therefore, the Charter prohibits citizens from placing, by petition, ballot referendums and initiatives relating to budget issues, The Charter does not prevent the Legislative Branch of City Government from placing any issue on the Ballot.

Finally, Council should be aware that ballot advisory questions historically have confused voters. In one sense, an advisory question takes the pulse of the voters, in another sense the voters of the City expect a certain action if the question is approved. In this case, the voters may believe that the Belle Isle Aquarium would be reopened if the majority of the electors vote in the affirmative, when in fact their vote is purely advisory.

If you have any additional questions or direction, please do not hesitate to contact either Kerry Baitinger or myself at 224-4946.

¹Your Honorable Body placed a similar advisory question on the November 2002 ballot relative to the Belle Isle Zoo.

Respectfully submitted,
DAVID D. WHITAKER
Interim Director

By Council Member Bates:

Whereas, the Belle Isle Aquarium has been in continuous operation for the past 101-years; remaining in operation during World War I, World War II, and the Great Depression, and

Whereas, The Kilpatrick administration closed the Belle Isle Aquarium due to budget constraints on April 4, 2005, spurring protest from Detroit residents, and metropolitan Detroiters from across the region. Now, Therefore, Be It Finally

Resolved, That as the legislative body of the City of Detroit, the Detroit City Council hereby determines to submit to the qualified electors of the City of Detroit at the August 2, 2005 Primary Election an Advisory Question relative to the reopening of the Belle Isle Aquarium, And Be It Further

Resolved, That the Advisory Question be printed upon the ballot for the August 2, 2005 Primary Election as follows:

CITY OF DETROIT
ADVISORY QUESTION

REOPENING OF
THE BELLE ISLE AQUARIUM

Do you favor the City of Detroit reopening the Belle Isle Aquarium and restocking the Aquarium with a variety of domestic and exotic fresh and salt-water fish, plants and other aquatic species?

YES _____

NO _____

Resolved, That before submission of said question to the voters of the City of Detroit, such Advisory Question shall be published in full as a part of the official proceedings of the Detroit City Council in the Detroit Legal News. And Now, Therefore, Be It Finally

Resolved, That a copy of this Resolution be transmitted to the Detroit Election Commission to certify the word-

ing of the above ballot Advisory Question within the time prescribed by law, for placement on the ballot for the August 2, 2005 Primary Election.

Honorable City Council:

Re: Establishment of the Green Acres Neighborhood Enterprise Zone.

Attached for your consideration please find a resolution and legal description which will establish the Green Acres Neighborhood Enterprise Zone (NEZ) in accordance with Public Act 147 of 1992 ("the Act").

Your Honorable Body conducted a public hearing on this matter on April 21, 2005 as required by the Act. No impediments to the establishment of the NEZ were presented at the public hearing.

As you may recall the Griggs Group proposes to invest \$3.2 million to construct 16 new residential dwellings. The units will be marketed upward of \$250 to \$400,000.

The Act requires that at least 60 days must pass from the date of the notice of

the public hearing to the date of your formal approval of a resolution establishing the NEZ. The date of the notice of the public hearing is March 9, 2005 and we therefore recommend that you approve the resolution at your regular formal session.

Respectfully submitted,
HENRY B. HAGOOD

Director of Development Activities
By Council Member Bates:

Whereas, Michigan's Public Act 147 of 1992, the Neighborhood Enterprise Zone Act ("the Act"), provides for the establishment of Neighborhood Enterprise Zones (NEZs), the exemption from *ad valorem* taxes, and the imposition of a specific property tax in lieu of *ad valorem* real property taxes within NEZs; and

Whereas, The City of Detroit meets all the distress criteria set forth within the Act; and

Whereas, The Detroit City Council finds that designation of certain areas as NEZs is consistent with the adopted Master Plan, as amended, and will further the economic and physical development goals and objectives of the City by encouraging new housing starts and housing rehabilitation, thereby aiding in the preservation of existing neighborhoods and preventing further decay in others; and

Whereas, The Detroit City Council has found the establishment of the Green Acres NEZ to be consistent with the Detroit Master Plan of Policies and the neighborhood preservation and development goals of the City; and

Whereas, The Detroit City Council has adopted a statement of goals, objectives and policies relative to the maintenance, preservation, improvement, and development of housing for all persons regardless of income level living within proposed NEZs; and

Whereas, The Detroit City Council has enacted a housing inspection ordinance requiring that before the sale of a unit in a new or rehabilitated facility for which an NEZ Certificate is in effect, an inspection is to be made of the unit to determine compliance with Chapter 26 of the Code of the City of Detroit; and

Whereas, The Act requires that the designation of NEZs must be approved by

a resolution adopted by the local governmental unit subsequent to a public hearing at which any taxpayer or resident, or representative of any taxing authority levying a property tax in the City of Detroit, was given the opportunity to address the requested establishment of an NEZ; and

Whereas, A public hearing on the issue of establishing the Green Acres NEZ was conducted before the Detroit City Council on April 21, 2005, with notice of the public hearing having been given to the general public and by certified mail to every taxing authority levying a property tax with the City of Detroit; and

Whereas, No impediments to the establishment of the Green Acres where cited:

Now Therefore Be It

Resolved, That the land area described in the attached legal description, and shown on the attached map, is hereby established as the Green Acres NEZ pursuant to Public Act 147 of 1992, the Neighborhood Enterprise Zone Act.

Re: Surplus Property Sale — 10445 E. Jefferson.

The City of Detroit acquired 10445 Jefferson located on the North side of E. Jefferson between Garland and St. Clair. This property consists of a one-story commercial structure located on an area of land measuring approximately 13,686.17 square feet and zoned B-4 (General Business District).

The purchaser proposes to rehabilitate the property into an office complex for Icon Development, LLC in conjunction with the property at 10401 E. Jefferson, (formerly the U.S. Job Corps Building). The Developer will combine both sites and convert the Job Core Building into lofts and apartments which will increase much needed residential housing in the area. In addition, this property will be professionally landscaped and will provide off-street parking for its customers. This use is permitted as a matter of right in a B-4 zone.

We request your Honorable Body's approval to accept the Highest bid from Icon Development, LLC, a Michigan Limited Liability Company, for the sales price of \$100,000 on a cash basis plus an \$18.00 deed recording fee.

**TESTIMONIAL RESOLUTION
FOR**

**MARGARET GARNER
THE MICHIGAN OPERA THEATRE'S
WORLD PREMIERE PRODUCTION**

By COUNCIL MEMBER COLLINS, Joined By COUNCIL MEMBERS S. COCKREL, and TINSLEY-TALABI:

WHEREAS, Since the founding of the Michigan Opera Theatre (MOT) in 1971, David DiChiera, founder and General Director of MOT, has made the launching of African American artists and performances paramount; and

WHEREAS, In 1999, mezzo-soprano Denyce Graves, while singing Charlotte in *Werther* at the MOT approached Mr. DiChiera about possible interest in commissioning an opera based on the life of an African American slave, Margaret Garner. Composer Richard Danielpour and Pulitzer Prize winning novelist Toni Morrison had already begun collaborating on successful song styles, written a libretto and were searching for an opera company to commission the full-length opera. To this end, Mr. DiChiera solicited the help of the MOT, the Cincinnati Opera, the Opera Company of Philadelphia, corporate and private sponsors and the production of *Margaret Garner* was born; and

WHEREAS, On Saturday, May 7, 2005 Detroit took center stage in the opera world as the MOT presented the world premiere production of a new opera about slavery, freedom and love entitled *Margaret Garner*; and

WHEREAS, *Margaret Garner*, set in Kentucky in 1856, is inspired by a true fugitive slave story. Margaret Garner, her husband Robert and her children run away from their slave owner Edward Gaines. They are captured and Robert is lynched. Margaret then kills her children rather than have them returned to a life of slavery. She is tried, convicted, and sentenced to death by hanging, not for murder, but for the destruction of Edward Gaines property. Gaines grants her clemency, but Margaret seizes her freedom by hanging herself; and

WHEREAS, The unparalleled success of *Margaret Garner* has given Detroit's African American community high art that reflects their culture and an opportunity to see it reflected on the operatic stage. Epiphany after epiphany is experienced as this opera illustrates how the genius of African Americans, along with others, led to the creation of this production; NOW, THEREFORE BE IT

RESOLVED, that Council Member Barbara Rose Collins and the Detroit City Council honor the memory and legacy of the late Margaret Garner and her family; AND BE IT FURTHER

RESOLVED, The Detroit City Council wishes to commend David DiChiera for his vision, Denyce Graves for her stellar performance as Margaret, and composer Richard Danielpour for his collaboration with Toni Morrison in their phenomenal creation of *Margaret Garner*; AND BE IT FINALLY

RESOLVED, That the Detroit City Council extends its gratitude to the people who made this production an overwhelming success; the brilliant cast, the flawless direction, the magnificent conductor and musicians, the outstanding choreography and the extraordinary costume, scenic and lighting design. *Margaret Garner* is a blessing to the Detroit community and a spiritual gift to the entire world.

**TESTIMONIAL RESOLUTION
FOR**

**THE NATIONAL NEGRO LABOR
COUNCIL**

By COUNCIL MEMBER WATSON:

WHEREAS, The National Negro Labor Council (NNLC) was founded in 1951 in Cincinnati, Ohio, dedicating itself to the

two basic goals of attaining jobs for blacks in places where they had previously been excluded, such as banks, airlines, and department stores; and winning executive positions for blacks within labor and trade unions, in brief, Economic Liberation. Detroiters William Hood and Coleman Young were its president and executive secretary; and its headquarters were set up on Grand River in the City of Detroit; other Detroit members included David Moore, Quil Pettway, Lasker Smith

WHEREAS, The NNLC was based on the principle the day had ended when white trade union leaders or white leaders of ANY organization could presume to tell Negroes on what basis they would come together to fight for their rights, asking cooperation of whites, but not asking for their permission, and

WHEREAS, The National Negro Labor Council, NNLC was an organization dedicated to winning first class citizenship for every Black man, woman and child in America in unity with that soulful multitude of democratic minded white workers who recognized in the struggle for Negro rights prerequisites of their own aspirations for a full life;

WHEREAS, The NNLC saw the oppression of Black people as three-fold: racial, class and national. Because Black people had historically shared common culture, common economy, common history, they were a people and united by more than skin color; within this nation there were all classes; although most Blacks were workers. As a nation, Black people had a right to determine for themselves whether they would remain a part of the oppressor nation or separate from it. They had the right to come together to decide matters of policy within the liberation struggle. But as workers, the NNLC saw their oppression closely linked with that of all other workers in the country. Even though all classes in the Black nation were oppressed, they yet struggled among themselves for the leadership of the nation. The Black workers must therefore begin to put their imprint on the Black liberation struggle, as well as join with other workers to fight the bosses.

WHEREAS, Furthermore, the NNLC believed that Negroes in our country at that time were sick and tired of second-class citizenship, of getting the crumbs from the table. For, they were the last to be hired and the first to be fired, and worked the lowest paying, dirtiest jobs. Negro workers stood before the shop-gates all across the nation, only to be told that there are jobs for whites only. In a country that proposes to export democracy all over the world, 15,000,000 Negro citizens were jmcrowded, segregated, lynched and otherwise denied the basic minimum of democratic treatment.

WHEREAS, In this context, the NNLC had the specific objective of bringing together Negro workers, organized and unorganized, in a variety of industry, to develop programs for economic equality, to provide leadership from their ranks, and to encourage Negro workers to play a fuller role within their unions and other aspects of community life. However, it did welcome and seek membership of white workers who accepted and supported its program.

WHEREAS, NNLC carried out numerous actions, pickets, boycotts, and campaigns to fight and end racist and sexist discrimination in hiring and work, introducing union methods to the pursuit of social equality.

WHEREAS, The "Negro" in "National Negro Labor Council" is to what Coleman Young was referring to when he told the racist, redbaiting Congressman "That word is "Negro" not "_____", in Young's legendary rebuff of the House UnAmerican Activities Committee.

WHEREAS, The NNLC's program and work were influences and precursors to FEPC, Civil Rights movement including recruiting and protest methods that were later adopted by Martin Luther King, Jr., as part of the formula for the civil rights movement.

WHEREAS, The Detroit Negro Labor Council branch of the NNLC had such illustrious African American historical figures as Coleman Young, David Moore, William R. Hood, all leading figures of the national organization. THEREFORE, BE IT

RESOLVED, That the Detroit City Council declares the National Negro Labor Council and its Detroit Chapter as a Great Detroit historic organization whose legacy provides significant substance to our Charter duties to take aggressive action to advance, conserve, maintain and protect the integrity of Detroit's human resources, provide for decent housing, job opportunities, and transportation and to secure equal protection and oppose discrimination. AND BE IT FURTHER

RESOLVED, That the Detroit City Council in conjunction with the surviving members of the National Negro Labor Council shall initiate an investigation and hold a number of public hearings on the problems of employment, unemployment, labor and discrimination in Detroit today with the aim of improving the public health, education, safety and welfare, the public hearings to start in as part of the City Council public hearings on the 2005-06 budget; and thereafter following the adoption of the budget. BE IT FINALLY

RESOLVED, That the Detroit City Council will seek to have *Hardstuff* designated as required reading in all Detroit high schools

After graduation from Archbishop John Carroll High he went on to St. Francis University on a full academ-

ic scholarship. This was his first, but not his last academic stop, he also attended Trinity College in Dublin, Ireland as an exchange student; and

WHEREAS, Upon his return to the United States he began his professional career with the Department of Commerce Maritime Administration as a Systems Auditor. He was then off to New York to learn what has become his trademark "the art of making a deal" by working for the investment bankers — Donaldson, Lufkin and Jenrette; and

WHEREAS, The 1970's brought Ken to Detroit where he would make his home and we would find our friend. With his trademark bow tie and easy smile he quickly became a fixture on the Detroit scene. Utilizing financial vehicles he organized to raise investment capital, which he used to help the small investor get a piece of the financial pie. Ken has become a respected pioneer of entrepreneurial strategy and capitalization in Detroit. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council hereby joins with family, and friends to extend heartfelt good wishes to Kenneth E. Harris on his 50th Birthday. We acknowledge his commitment, dedication and the leadership he has shown to this community. May he continue to receive and share the many blessing of the Lord.

May 5, 2005

Honorable City Council:

Re: Correction of Errors and Amendments to the 2005-2006 Mayor's Budget.

After further review of the 2005-06 Budget, presented to City Council on April 12, 2005; errors and amendments have been discovered which should be corrected. There are two categories of corrections. First, there are "substantive" errors, which must be corrected as an amendment to the Recommended Budget. Second, there may have been typographic and/or data entry errors, which do not affect appropriation totals or budget balancing. The "substantive" corrections will be identified with (*), and will be addressed in the attached resolution.

STATEMENT BY SHEILA M. COCKREL REGARDING VOTE IN SUPPORT OF THE FISCAL YEAR 2005-2006 CITY COUNCIL BUDGET

Our City is facing the perfect storm. A confluence of economic factors have joined together to create a state of permanent fiscal crisis. It serves little purpose to point fingers to determine who is responsible for Detroit's current crisis. Suffice it to say that the federal policies of the 1940s and 50s, discriminatory housing policies and highway building strategies to encourage suburbanization coupled with the massive migration of capital out of Detroit after the 1967 Rebellion accompanied by white residential flight all played major roles in setting the stage for today's problems.

Binding arbitration for Police and Fire contracts has led to non-elected, non-appointed, non-residents making financial decisions for the City that effectively tie the hands of the Mayor and the City Council. Aging infrastructure and a troubled service delivery system in a work culture that thrives on pitting groups against each other all have contributed to the City's descent into a fiscal quagmire.

In this election year, this City Council has chosen to put leadership ahead of politics. The decision to address the structural deficit during an election year should be a crystal clear indicator of the severity of the financial crisis. My "yes" vote on the general fund budget is my vote to protect the future of this City. Very tough choices will need to be made in the next fiscal year. We need community-wide dialogue to identify the core city services and what we will spend to obtain those services. Everyone must be at the table. The Mayor, the City Council, the Unions, and the Citizens must be a part of redesigning City government.

The costs associated with health care and pensions must be contained. We are not alone in facing this problem. Nationwide, both private companies as well as public entities are being swamped by the burgeoning tidal wave of spiraling costs.

In order to effectively address the structural problems that we face, let me be crystal clear on the following points:

- All city workers must take a 10% pay cut and there must be restructuring of health care benefit provisions.
- The City must seek to work cooperatively through its Planning and Development Department with the Detroit Economic Growth Corporation to curtail costs and to eliminate redundant services.
- The City must work towards restoring those functions provided by the Strategic Management Center in that coordination of long-term service delivery strategies at rea-

sonable costs must be a fundamental focus in order to address our problems now and in the future.

- The Department of Transportation must provide services more effectively and more efficiently at a fair price. Regionalization of mass transit services through DARTA will play an implemental role in this endeavor.

- It needs to be noted that I was not able to vote in favor of the schedule involving the allocation of the Community Development Block Grant (CDBG) funding for this upcoming fiscal year. The Council had previously agreed to use a set of criteria to evaluate all of the applicants for CDBG funding. Based on the criteria, the City Planning Commission (CPC) made recommendations to the Council as to those applicants that should be funded. During the Council's deliberations of CPC recommendations, the criteria were largely ignored and various groups that never even made the application deadline, let alone the requirements, were funded. I believe in following processes that have been agreed upon and that did not occur here. Be that as it may, with great reluctance, but in the spirit of unity, I nonetheless voted in favor of the CDBG allocation, while urging my colleagues to follow the criteria for future budgets.

This budget has shown that it is no longer acceptable for this municipality to conduct business as usual. The largest portion of the projected \$300 million shortfall was due to structural problems and inefficiencies. Clearly, if we are to survive, we must adapt to the changing economy. We must work over this next year and beyond to truly create structural change so that future budgets more accurately reflect the financial health of the City and the cost of providing for its residents. This budget is one that in many ways is harsh and difficult but one that I believe will allow us to weather this fiscal storm and for all these reasons, I vote yes.

STATEMENT OF HONORABLE
ALBERTA TINSLEY-TALABI
REGARDING THE FY 2005-06
CITY OF DETROIT BUDGET

Today, after several weeks of lengthy discussion and debate, the Detroit City Council approved an amended FY 2005-06 Budget that will take effect July 1, 2005. Given the city's current fiscal crisis, the budget approved today includes a number of budget cuts that are prudent, and necessary, to help the Detroit regain financial solvency. I supported the FY 2005-06 Budget adopted by the City Council because it is a consensus budget which reflects leadership over politics and begins to address the structural problems that must be responded to by city leadership.

The city's single biggest cost is personnel — salaries, pension and healthcare. The budget approved by the City Council recommends a 10% salary cut for the union workforce. The unions, both civilian and uniformed, must be willing to negotiate a salary reduction. All non-union employees and elected officials have taken salary reductions and the City Council is unanimous that union workforce must also take a salary reduction as an alternative to more lay-offs.

Given the \$300 million revenue shortfall projected in FY 05-06, no area of the city budget could be exempt from cuts including the Police and Fire Departments. The City Council took great care to make cuts that would not take police officers off the streets or close fire houses. Although the overall budgets for these two departments were cut, no reduction in neighborhood policing and fire protection has to occur. To further increase police protection in our communities, I will continue to explore opportunities for a meaningful intergovernmental agreement between the Detroit Police Department and the Wayne County Sheriff's Office. These two agencies can work together in a number of ways that would result in more Detroit Police Officers patrolling our neighborhoods.

It would have been easy to adopt a political budget given that this is an election year. However, the City Council was unified around prudent leadership and made the tough, deliberate but thoughtful decisions to take steps necessary to put the city back on a road that will lead to financial strength. As a result, the city and its residents are better served and official action surrounding our city will remain the responsibility of its elected representation.

Re: 2005-2006 Closing Legislative Budget Priorities, Policy, Planning and Action Resolution

Attached please find the 2005-2006 Closing Legislative Budget Priorities, Policy, Planning and Action Resolution prepared by the Research & Analysis Division.

Respectfully submitted,

DAVID D. WHITAKER

Interim Director

**THE DETROIT CITY COUNCIL
2005-2006 LEGISLATIVE BUDGET PRIORITIES,
PLANNING AND ACTION RESOLUTION**

By ALL COUNCIL MEMBERS:

WHEREAS, The City of Detroit faces a budget deficit that is estimated to be in excess of \$300 million dollars and if not addressed will only stifle the gains made to date in improving the economic condition of the city; and

WHEREAS, The Mayor, in the budget delivered to the Honorable Detroit City Council on April 12, 2005, has proposed to "reinvent city government" by merger and/or consolidation of departmental functions across the city and by devising and relying upon new, and in large measure, speculative revenue sources to address some of the structural limitations that exist in the City's operational structure; and

WHEREAS, In spite of the budget presentation, the Administration has not provided Council with foundational supportive documents including, but not limited to a revised Executive Organization Plan, a timetable for the receipt of projected revenues or alternative plans if these projections do not materialize, and a timetable for implementation of the appropriation initiatives. In addition, there has been no enabling legislation passed to permit certain revenue generating initiatives contemplated by the Administration; and

WHEREAS, Conceptually, City Council is supportive of many of the Mayor's Proposed Budgetary or structural changes. However, many of the changes contemplated require Charter revisions in order to become effective. As a result, Council has maintained the City's current departmental organizational structure; and

WHEREAS, Given the magnitude of the current and projected deficits, the proposed changes that the Mayor contemplates do not address the limitations that exist in the City's operational structure. In addition, at least seventeen of the revenue projections the Mayor has listed in his budget are soft and largely illusory, and in the opinion of Council, will not support the expenditures set forth in the Proposed Budget; and

WHEREAS, The Detroit City Council began to hold hearings on the 2005-2006 budget proposed by the Mayor. However, this review only established that Council's efforts in addressing the true fiscal picture required a far more intensive effort, the City Council convened a working group comprised of senior representatives from the staff of all Council Members, the Auditor General, Council's Fiscal Analyst, City Planning Commission, and Council's Research and Analysis Division, whose purpose was to critically examine the core functions of each department, agency and non-departmental agency of city government so that a balanced budget could be achieved; and

WHEREAS, City Council received a number of pension improvement proposals from both of the City Retirees Associations regarding increased pension benefits. However, due to the current and impending fiscal crisis it is necessary to deter funding for these proposals at this time; and

WHEREAS, Throughout this process, City Council was mindful that service delivery to all communities, residents, citizens, institutions and businesses in this great city must continue in spite of this looming deficit and that Council's budget reflects that sentiment; and

WHEREAS, As was the case last year, the City Council has continuing concerns that the focus of Detroit Department of Transportation continues to be misplaced on increasing fares for seniors and the disabled. Increased fares are not justified in the face of administrative mismanagement. In this regard, the previous fare increase as premised on the fact that this department was to meet a number of performance benchmarks many of which to date, have still not been met. For that reason, it is the intent of this Council to reduce the fares to prior levels until those benchmarks are met. Additionally, the Council will seek to revive its DDOT Compliance Monitoring Task Force to provide additional oversight for the performance of DDOT. The Council will continue to work with the Administration to create structural reform with an eye towards creating a true regional mass transit system within the framework of the Detroit Area Regional Transportation Authority; and

WHEREAS, City Council recognizes the current and projected fiscal crisis of the city calls for a reduction of services in ALL city departments, including Police and Fire; and

WHEREAS, During the Police Department Budget hearing, the Police Chief indicated to City Council that the deployment for police personnel submitted to this body was inaccurate. The City Council then requested an accurate breakdown, by appropriation, of sworn personnel. This information was never provided. A further review of the summary page of the Executive Budget submitted by the Police disclosed 707 vacant positions in the current fiscal year. While Council's recommendations reduce the Police Department budget only vacant positions have been eliminated. Council continues to call for meaningful civilian oversight and input of the Police Department and a practical transition from uniform to civilian positions wherever possible; and

WHEREAS, This budget includes additional gaming revenue projections that the City will begin to receive in January of 2006 due to a provision in the casino development agreements. The Mayor has promised, and the Council has acknowledged as such by resolution, that this funding is to be used exclusively for the Recreation Department. It is

important to recognize that this additional funding will be crucial to the department's ability to continue to provide quality recreation opportunities for the residents of this City, and

WHEREAS, On this day, Tuesday, May 24, 2005, City Council has adopted a budget that is based upon a sober assessment of core city services and the revenues necessary to fund those services and in consideration of sound budgetary principles for municipalities, the fiscal uncertainties of the current economy and the anticipated revenue reductions from federal and state funding sources; and

WHEREAS, The Detroit City Council adopted its 2005-2006 Budget including reallocation, reprogramming and restructuring of \$443 Million in governmental appropriations to be consistent with the budget and priorities of the City Council, excluding Block Grants; and

WHEREAS, The Detroit City Council, through its action in amending the Mayor's Proposed Budget, has acted to make significant changes throughout as reflected in the attached schedules; and

WHEREAS, The Detroit City Council has completed its review process for the 2005-2006 Community Development Block Grant (CDBG) program, including a review of recommendations by the Mayor, the City Planning Commission and the Citizens Review Committee and made changes that are reflected in the attached schedule A.

NOW, THEREFORE BE IT RESOLVED, THAT THE DETROIT CITY COUNCIL'S 2005-2006 BUDGET INCLUDES THE FOLLOWING LEGISLATIVE BUDGET PRIORITIES, POLICY, AND PLANNING ACTIONS:

1. City Council adopts Schedule B, City Council changes to the 2005-2006 Budget.
2. City Council has provided in the budget for only one appointed Deputy Director position for each Department.
3. City Council hereby directs the Administration to immediately reduce the salary of the Director of the Detroit Water and Sewerage Department (DWSD) to reflect a 10% reduction in salary and further, that the minimum salary for the DWSD Director be no less than \$83,970 and shall not exceed \$207,000.
4. City Council directs the Administration to take appropriate measures to immediately reduce by 10% the salaries of all non-union employees and appointees working in all City enterprise agencies.
5. City Council hereby advises the union leadership, and all unionized personnel to accept the 10% reduction in salaries, which was taken by all non-union personnel. Council strongly advises that without this cut, the City will continue to face massive budget short falls.
6. City Council will adopt a resolution that provides stipends for City employees' use of personal vehicles, so that the amount received is not counted as compensation credits for pension purposes.
7. Council calls for restoration of \$4.17 Million in funding for the 36th District Court. City Council continues to believe the District Court has achieved a multitude of accomplishments and its efforts should continue to be a high priority. Families, citizens and businesses value a community that is both safe and secure. Drug prevention and rehabilitation programs play a critical role in the resurgence of our City. The Drug Court is a vital and important part of this work. Council is committed to working with the 36th District Court and the Police Department to ensure the continued success and viability of the Drug Court program.
8. There is in excess of \$12 Million within the Drug Forfeiture Fund and of that sum \$1.8 Million is available for targeted programs. City Council directs that a total of \$1.8 Million shall be placed in the following appropriations: 700,000 Dollars in the Drug Prevention/Leadership Development for vulnerable youth for the 10th precinct; 300,000 Dollars in Partnership for a Drug-Free Detroit; 300,000 Dollars for the Drug Court and 300,000 for the Fresh Start program; and 500,000 Dollars for the Explorers Police program.
9. The Administration has promised efficiencies in the enforcement and collection of fines from violators of city ordinances relative to the dumping of environmental waste and other matters within the city. Council requests that it be provided a monthly analysis and reports on the number of hearings held, the demographics of those who have appeared before the Department (e.g. resident or commercial), the average amount of fines levied, the amount of fines paid or assets seized, and the number of cases waived, dismissed and/or appealed.
10. The Mayor's Proposed Budget removed three positions from the Auditor General's Office. Two of those positions are for risk management auditor functions and are extremely critical during this time of fiscal instability. Council has restored those positions in order to allow the Auditor General's Office to continue to fulfill their required Charter mandate.
11. Council requests that the Buildings and Safety Engineering Department provide a monthly list of the housing inspections requested and completed; a monthly status report on housing demolition projects along with the associated costs for each parcel, and a bi-annual report on the development activities or non-development activities for parcels owned by large developers who own multiple properties where there has been a track record of blight; citizens who have applied for nuisance abatement, the status of those

applications and any procedures that have prevented citizens from receiving titles or deeds relative to those properties.

12. Council has restored \$2.57 Million to the budget of City Airport. The airport is currently seeking a contractor to manage airport operations. The Council has estimated funding necessary to allow the airport to continue operations until a contract is in effect, which should occur within the next six months. It is important that the airport remain operational as it seeks to secure a manager and take other steps to become economically self-sufficient.

13. Council has restored \$170,000 to the City Clerk's office to restore the positions necessary for the Clerk to fulfill Charter mandated functions.

14. Council has restored five positions to the Election Commission to enable them to properly process and tabulate election results in accordance with State and Federal election law.

15. Recognizing that it is incumbent upon all sectors of City government to undertake extraordinary measures to successfully resolve the financial crisis, the City Council has reduced its entire budget by 25%.

16. Recognizing the City's need for a comprehensive consumer affairs resource center, Council has restored funding for the Consumer Affairs Department. This restoration returns the functions of Consumer Advocacy, Licensing, Permits and Weights & Measures back into one department.

17. City Council urges the Administration to begin an examination of the rate and fee structures in all City Departments to ensure the fees are commensurate with service rendered.

18. The Cultural Arts & Tourism Department was removed in the Mayor's Proposed Budget. Council concurs with the Administrations decision to dissolve this Department, however, the functions of the Film Office are restored to the Mayor's Office.

19. Understanding the need for economic development to continue in the City, Council has funded the Detroit Economic Growth Corporation in the amount of \$500,000 and the Economic Development Corporation in the amount of \$150,000. Council advises that the organizations seek additional funding through the use of grants, loans and partnerships.

20. The Mayor's Proposed Budget relies on a merger of the city's Transportation Department with a regional system. Council is unaware of any discussions that have been held with Oakland or Macomb Counties, and believes it is fiscally irresponsible to assume such an agreement will be in place by July 1, 2005. Ever aware of the importance of public transportation to the citizens of this city and the need to provide residents with the ability to travel to and from jobs, doctor's appointments, churches, grocery shopping and other necessary day-to-day activities the City Council restored \$20.8 Million of the General Fund subsidy to this department that was cut in the Mayor's Proposed Budget. Council is also decreasing the cost of adult fares by \$.25 per ticket. It is Council's belief that this small measure of relief is essential to make public transportation more affordable and to encourage ridership. Council will continue to fund free bus service for our handicapped, disabled and senior citizen riders.

21. Council requests that semi-annual reports and analysis reflecting the long-term impact of the debt service on the projected fiscal status of the City be provided. The analysis and report should include comparative reports of debt service strategies in place in the nation's ten largest cities.

22. City Council will continue to closely monitor contracts let by the Detroit Building Authority to ensure that it operates within the appropriate boundaries of capital contracts set forth in Sec. 8 of Public Act 31 of 1948 and the enabling legislation.

23. The City Council rejects the Mayor's proposal to merge the Detroit Cable Communications Commission with the Communications and Creative Services Department (CCSD). The Detroit City Council agrees with the elimination of CCSD and has moved the functions of the Total Copy Center, a division of CCSD to the Information Technologies Service Department.

24. The Detroit Housing Commission (DHC) is no longer a city department and should therefore be eliminated from any and all budgeted items including, but not limited to subsidies, stipends or in-kind services. City Council urges the Administration to forward an accounts payable invoice to the DHC for any and all sums owed the City of Detroit.

25. Council has restored Environmental Affairs to its status as a separate Department.

26. Council has funded the Office of Targeted Business Development and will introduce an ordinance that places it within the Finance Department and includes expected goals and standards.

27. The Mayor's Proposed Budget changes the name of the Grants Acquisition Office to the Office of Fiscal Operations. Recognizing this constitutes a duplication of services that are already being performed within individual Departments, City Council eliminated the Office of Fiscal Operations.

28. City Council has restored funding to the Health and Wellness Promotion Department for security services from Homeland Security and restored funding from the General Services Department for plant operations and maintenance of Herman Kiefer.

Council also restored the Food Sanitation Inspector positions. It is unlikely that the Mayor's plan to transfer these functions to Wayne County will occur prior to January 1, 2006.

29. The Mayor's Proposed Budget eliminated the General Fund subsidy for the Historical Department in anticipation of entering into an agreement with the Historical Society to operate the Detroit Historical Museum. City Council is concerned that an agreement between the Society and the City will be implemented in a time sufficient to effectuate the proposed savings. Council urges the Mayor to immediately begin negotiations with the Society and update the City Council of its progress on a monthly basis.

30. City Council has removed funding for relocation payments for future employees from the Human Resources Department due to the economic circumstances of the City. Further reductions in this department are based upon the fact that the City will be suspending traditional recruitment and training methods, and the hiring process will be curtailed.

31. City Council has restored funding for the youth component of the Human Services Department and rejected the proposed transfer to Community Services. Funding is granted to Human Services for the Youth Mapping Project, Successful Accountability for Raising Teens and Dreaming While Achieving programs.

32. Council has reduced personal computer services in the ITS Department budget by 25% and funded this appropriation at the actual level consistent with workforce requirements.

33. City Council recommends restoration of the state legislative lobbyist to the Law Department. The Council urges the lobbyist to advocate for a change in Michigan law to permit expanded absentee voting.

34. City Council reduces the appropriation to the Mayor's Executive Office by 15%. In response to community concerns, the Council unanimously agreed to support the funding for five neighborhood city halls and recommends the retention of the Southwest Neighborhood City Hall in recognition of the bilingual services provided to this area.

35. City Council has eliminated the funding for special projects in the Non-Departmental agencies as these are not core services and eliminated the General Fund subsidy for the Board of Ethics as the staff services funded can be provided by the Law Department. Prisoner Care funds were reduced by \$200,000 to bring this amount into line with the actual costs. Council has eliminated the Program Management Office, however, Council recommends the Human Resources or Finance Department be responsible for the management of the \$25 Million payroll project and recommends \$8.3 Million of the project be funded by enterprise agencies. Council also recommends that the funding for the payroll project remain in the Non-Departmental agency. The Council also eliminated the Strategic Management Center. The Charles H. Wright Museum of African American History is funded for \$1 Million.

36. Council's ability to resolve the \$302 Million deficit in the City's budget would not be possible without reductions funding in the Police Department. Therefore, Council is making the necessary reduction in funding in a manner that does not affect staffing within police precincts or the number of officers assigned to street patrol duties. The reduction in the Police budget included the elimination of the Aviation Unit. It is Council's recommendation that the Administration seek an agreement with the Wayne County Sheriff's Department and the Michigan State Police for services formerly provided by this unit. While Council has reduced the appropriation for the PAL program, it recommends that the reduction be replaced with Drug Forfeiture funds. While Council's proposed amendments recommend a reduction in the Police budget, Council's recommendation funds the department at its current staffing levels.

37. City Council has restored the Director position in the Public Lighting Department and returned the Department to its status as a separate Department.

38. Council has returned the Public Works Department to its status as a separate Department. Funding has been provided for a total of six bulk collections in the coming fiscal year. Council recognizes that trash collections are a core City service and budgeted funding at a level that will maintain weekly pickups.

39. City Council has restored the Recreation Department's status as a separate Department. Eastern Market has been restored to the Recreation Department. Grass-cutting services have been funded at a level to provide for a ten-to-fourteen day cutting cycle. Council has provided \$400,000 of bond appropriations to be utilized as the City's contribution to the creation for the Paradise Valley Memorial Park.

40. City Council has not been presented with a revised Executive Organizational Plan, therefore this necessitates the removal of senior citizen services from Community Services and restored as a separate Senior Citizens Department.

41. In addition to establishing a standing committee to monitor the implementation of the budget, the City Council will, by resolution, establish a system of receiving resident input on a wide-scale basis for consideration of future years' budgets. In this regard, the City Council will conduct town hall type meetings in order to provide Detroit residents with a direct line of communication to the Council in order to voice their thoughts, beliefs and desires on those services that this municipality should provide.

42. In line with monitoring this budget, and seeking additional resident input, the City Council will work with the Administration to make the delivery of city services more efficient through well-planned consolidation. For fiscal year 2005-06, the Mayor proposed that a number of departments and services be consolidated. In principle, the Council agrees that thoughtful consolidation of services with consequent elimination of redundant administrative operations will best serve the interests of the City of Detroit. However, the Mayor's proposal lacked adequate foundation for his consolidation plan. Necessary amendments to the Executive Organization Plan were not presented. The identified savings that would be achieved by consolidation were nebulous at best. For these reasons, the Council chooses not to enact this haphazard consolidation plan at this time, but will work with the Administration to implement a fully researched and planned consolidation strategy for the next budget. Toward that end Council recommends the City Council's Working Group continue to review and monitor the budget throughout the coming fiscal year.

BE IT ALSO RESOLVED, That the City Clerk is directed to provide a copy of this resolution to the Mayor, the Budget Director and all Agencies, Departments and Divisions of the City of Detroit upon publication.

DETROIT CITY COUNCIL'S 2005-2006 BUDGET

On April 12th, the Mayor presented to City Council his proposed 2005-2006 general fund budget, in which he claims a projected \$302 million deficit is addressed.

By all accounts, our city's current budget crisis is unprecedented in scope and significance. Detroit's fiscal condition has been described as "dire," "cataclysmic" and "grave."

To meet the fiscal challenge, Detroit City Council has adopted a responsible plan that leaves Detroit's General Fund budget in balance without raising taxes and without eliminating any vital citizen services.

Our proposed 2005-2006 budget is balanced, but much remains to be done to achieve long-term financial solvency. While it represents a vastly more realistic and reasonable road map to fiscal stability than does the Mayor's proposed budget, it nevertheless depends upon a commitment by all Detroit stakeholders to a fundamental overhaul of how we plan to do more with less.

At the heart of this budget is our belief that with serious effort and leadership, Detroit will regain its financial health. To get there, all sides of the budget debate must work together cooperatively and constructively. All options, information and ideas must be put on the table. The time and effort put into constructing the City Council's 2005-2006 general fund budget is but one initial contribution to that effort.

A SHRINKING BUT VALUABLE FEDERAL RESOURCE: COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM

The 2005-2006 Community Development Block Grant (CDBG) entitlement amount is \$43.3 million, a 3.4% decrease from last year's amount. More than four hundred proposals were submitted.

The difference between City Council's and the Mayor's proposed Community Development Block Grant budgets is significant.

City Council has consistently recognized the need for implementing a housing preservation strategy. The City Planning Commission presented a proposed affordable housing strategy that highlights the need to preserve and expand housing choices for seniors, single parents and homeless individuals and families. Their study points out that more than 30% of Detroiters pay rents or mortgages that are not affordable to them. The Detroit Area Agency on Aging documents a rapid loss of subsidized senior housing, while the number of our city's seniors needing housing is growing. In the decade between 1990 and 2000, Detroit lost 7.5% of its population and 8.5% of its housing.

The City of Detroit has spent more than \$222 million in CDBG funds on demolition over the past 20 years, with no demonstrable effect on stemming the rate of deterioration of our housing stock.

There is a clear and growing need to make the preservation of housing for low-income individuals, families and seniors a priority.

To meet this goal, City Council increased the CDBG budget for neighborhood home repair activities by more than \$460,000.

Annually an estimated 26,000 people experience homelessness. We provided \$1.6 million more than the Mayor for homeless services.

To assist seniors in improving their quality of life, City Council provided \$1.65 million more in CDBG funds for senior citizen services. We allocated \$3.5 million for the city's emergency senior home repair program, a \$1.5 million increase from last year's funding.

City Council is providing funds for economic development projects including a Black business district.

The City Council provided more funds for public facility rehabilitation, jobs and health services.

During the difficult process of allocating shrinking federal resources to an ever-growing number of worthy neighborhood-based programs, City Council recognized the need to reevaluate the criteria used to determine grant eligibility. This summer, in partnership with community representatives, City Council will embark upon a serious re-evaluation of our criteria. It is our intention to devise an allocation process that is fair, balanced and aggressively neighborhood oriented.

A \$302 MILLION DEFICIT: HOW DID WE GET HERE?

The causes of our general fund crisis are complex. The revenue shortfall of \$302 million for the fiscal year is due in part to ever shrinking federal and state resources.

The situation likely won't improve anytime soon. According to the Center on Budget Priorities, President Bush's budget request for fiscal year 2006 would mean that in Michigan, \$378 million more would be cut for discretionary grants to the state and local governments.

The cost of war in Iraq continues to mount and directly affects our tax revenues. Each U.S. household is now paying approximately \$1,475 on average for this disastrous war. According to Cities For Peace, for the same cost of war in Iraq, 1.4 million additional housing units could be built. The cost of the war to cities and states is \$61 billion. If the expenditure for the war in Iraq was allocated instead to cities and states, Detroit's share would have been \$369 million.

Our fiscal analysts quote a National League Of Cities report about the dismal financial situation faced by cities across the country that have "experienced the largest gap between expenditures and revenue growth in a decade."

Fifty years of disinvestment in the city, national housing and highway policies that subsidized suburbanization, the State's fiscal problems and the profound challenges faced by General Motors and Ford have all coalesced to create a financial storm that has engulfed this city.

The impact on our budget from all of these factors combined with the additional burden of rising health care and pension costs as well as debt service payments has been dire.

The fact that declining state and federal resources negatively affect our ability to continue to provide essential services is inarguable. However, more than half of the projected \$300-plus million deficit is the result of our Administration's failure to take the necessary steps to avert a budgetary crisis.

Even as we can't control sources of income such as property, income and sales taxes, which can fluctuate substantially within a given year or from year to year, we do have more certainty and control over how much money we spend at the local level.

Just as the city budget grew along with the economy when it was strong, it must also react to difficult economic times.

It is amazing what a difference three short years can make.

In his first term of office, Mayor Kilpatrick has not adequately addressed the structural deficit. The State of Michigan Uniform Budget and Accounting Act requires a city to fund the prior year's deficit in the budget for the next fiscal year. The Administration has consistently ignored the deficit during the budget process, only addressing the deficit after publication of the Comprehensive Annual Financial Report (CAFR). At best, the CAFR may be available six months into the next fiscal year and has been as late as nine months. Because action to address the deficit has been delayed, the Administration has continued to spend at a level above revenues, which in turn compounded the deficit. It now becomes necessary to take on the monumental task of solving in one year overspending created in multiple years.

For each of the three years of this Administration, the budget has been balanced with one-time revenue fixes. The main origin of today's crisis is an over-reliance on a fiscal policy of borrow, borrow, borrow. As the Auditor General points out, the city spent the last three years closing budgetary gaps by issuing bonds.

The Administration has continuously ignored legal spending limits established by the City Council. The Administration has also ignored its responsibility to address revenue shortfalls with legally required budget amendments to reduce appropriations.

For example, in the middle of this current fiscal year, the Administration realized that Detroit would receive approximately \$16 million less in State Revenue Sharing than was budgeted. As revenue shortfalls occur, it is incumbent upon the Administration to resolve the deficit by reducing appropriations. The Administration did not take these necessary steps. This Mayor is setting a dangerous precedent for future Administrations by not handling deficits as they are known.

Our Fiscal Analyst repeatedly warned of a budgetary crisis, calling upon the Administration to better control expenditures. By February of this year, the Fiscal Analyst's cry for taking sane budgetary relief measures was loud and clear. He stated, "While revenue improvements can be considered in the overall solution, they do not provide, nor address, the immediate nature of the fiscal crisis. The patient is hemorrhaging and the bleeding must be stopped and the patient stabilized before long term treatment can be applied."

Whatever the intent, this Administration has led Detroit to the brink of financial insolvency and possible state receivership.

CITY COUNCIL BUDGET PROCESS

After being presented with the budget, City Council proceeded to hold budget hearings with the heads of several city departments. During this process, repeated requests for vital information were ignored. Budget hearings cancelled and rescheduled by the Administration, leaving Council with less time to evaluate the budget.

At the same time, City Council's Fiscal Analyst and the City's Auditor General reported on the magnitude of the problems found in the Administration's proposed budget due to "soft" revenues and under funded expenditures.

City Council determined quickly that the time to face financial reality is now. A new approach was needed to address this unprecedented budgetary crisis.

City Council assembled a working group comprised of staff from its Fiscal Analysis, Research and Analysis and City Planning Commission divisions, the Office of the Auditor General and Council Members' offices.

The working group was charged with analyzing the Mayor's proposed budget and making recommendations to City Council that would reduce expenditures to be in line with revenues. The working group identified core services, evaluated each service paid for through the general fund, and compared Detroit's costs of providing services to that of peer cities. City Council reviewed and accepted or amended the working group's recommendations based on available information.

CITY COUNCIL ADDRESSES REVENUE PROJECTIONS

City Council has stepped up to the plate with the leadership needed to steer the city back on a course of fiscal stability. We turned crisis into opportunity for change and reform.

We faced difficult decisions and choices, the most painful any of us can ever remember. The good news is that reality forces us to start now to make changes that will have long term benefits to the city and its residents.

By identifying essential services, using program budget methodology, we were able to make sure that funding was intact for these core services, while eliminating funding for non-essential, less effective programs.

This is precisely the budget the city needs at this time.

The Mayor presented a 2005-2006 budget with numerous sources of budget balancing "soft" revenues. These revenues are considered "soft" because the likelihood of attaining them is highly uncertain. For instance, revenues from the proposed prepared foods tax (\$12.3 million) and the property transfer tax (\$2.48 million) depend upon uncertain approval by the state legislature. There is an anticipated reduction in the revenues received from the utility users tax in the amount of \$6.3 million under current state law.

Other sources of revenue would have to be obtained from private entities, which purportedly would assume operation of the Detroit Historical Museum, the Detroit Zoo and City Airport. Still other revenues would be obtained from sale of city real estate in the amount of \$40 million.

The Mayor proposed funding city departments and services through new revenues without providing any documentation that these revenues are realistic. As a result, the Administration's proposed 2005-2006 budget left several City departments significantly under-funded.

Under the Mayor's proposal, the Detroit Department of Transportation (DDOT) would be assumed by DARTA — the Detroit Area Regional Transportation Authority — in January, 2006. It is absurd to think that DARTA could perform such a task given that at present it does not even have an Executive in place, nor a budget sufficient to operate DDOT. City Council restored funding to DDOT to ensure that residents will have bus transportation to get to their jobs and doctor appointments.

It should also be noted DDOT failed to meet established benchmarks. Therefore, City Council is reducing adult bus fares by twenty-fives cents as required by city policy. Decreasing the fare will also have an added benefit of boosting declining ridership.

The Mayor projects that regional funding will be available to fund the Civic Center Department, which operates Cobo Hall and Hart Plaza. City Council questions the viability of this revenue projection. It restored half of the cut in operating expenses for his department and urges the Administration to either obtain additional funding for the Civic Center or make cost reductions to stay within a limited budget.

The proposed transfer of the Detroit Historical Museum operations to the Detroit Historical Society is another one of the Administration's questionable revenue actions. In the absence of any statement from the Historical Society indicating they are able to

assume this responsibility, City Council eliminated the projected revenues for the museum.

Similarly, the Mayor has failed to provide anything in writing to substantiate its claim that revenues will be realized for the operation of the Coleman A. Young International Airport. To be fiscally prudent, City Council is not accepting these projected revenues.

City Council was faced with a choice between massive layoffs of city workers with possible severe impacts on core service delivery, or accepting some of the Mayor's proposed revenue assumptions while laying the foundation for future fiscal stability.

Even as we accept \$128.3 million of the Administration's aggressive revenue assumptions and cost savings strategies, we strongly caution that if the revenues are not attained in a sufficient timeframe, the Administration must take immediate action to reduce expenditures so that we do not plunge further into an even larger morass of deficits.

CITY COUNCIL TAKES THOUGHTFUL ACTION TO BALANCE THE BUDGET

Our City Charter and state law require a balance operating budget. Therefore the City must either cut expenditures and/or raise new revenues sufficient to fill the \$302 million budget "hole".

City Council's budget closes the budget gap. We accomplished this without raising taxes. And our actions ensure that the core services that residents expect and deserve will continue to be provided.

Because of ongoing budget concerns and analyses that project a continuing pattern of structural deficits, our employee unions must be willing to come to the table to discuss 10% salary reductions and concessions in health benefits. An unyielding, no compromise position will ultimately hurt both the city and union employees by forcing further layoffs.

Because City Council was committed to a fair share approach, where everyone is asked to sacrifice equally, City Council extended a 10% decrease in wages for uniform personnel.

We call upon Detroit Water and Sewerage Director Victor Mercado, who earns more than any elected official in the City of Detroit and Governor Jennifer Granholm, to step up to the plate with the rest of us and take the same 10% cut in his salary as agreed to by every other appointee.

City Council accepted the Mayor's estimation of \$10 million in the reduction of the over-time budget. We urge the Administration to ensure that departments control these expenditures without resorting to outside contractors.

City Council reduced funding to our offices and its legislative divisions by 25% from the current year's level. City Council reduced the proposed funding for the Executive Office of the Mayor by 15%.

In order to meet the challenge of reducing the overall budget so that anticipated revenues meet expenditures, cuts in funding to City departments were made.

City Council eliminated funding for the Communications and Creative Services Department, the Office of Financial Operations, Strategic Management Center and Program Management Office because these divisions do not provide direct, core services to our taxpaying residents.

We are recommending that multiple deputy director positions from departments be eliminated. The City Charter calls for only one Deputy Director position in each department.

City Council reduced the number of Neighborhood City Halls to five. We recommend exploring combining these offices with police mini-stations and using drug forfeiture funds, to reduce general fund costs.

We reduced funding for contract services across multiple departments.

In our continuing effort to restore budget stability, City Council recommends reducing the number of bulk trash pickups to every other month and lengthening the grass cutting rotation.

By reducing spending for non-essential services, City Council was thus able to re-allocate money to maintain and restore truly vital services. We took great care to make sure that the kinds of services that residents rely upon are not eliminated, but reorganized in ways that are more efficient and cost effective.

In response to the sluggish local economy and city's unemployment rate, the Detroit City Council funded the Office of Targeted Business Development. This office will lead the City's investment in Detroit-based small businesses.

The Office of Targeted Business Development will increase the number of contracts awarded to small businesses by developing procurement policy that all city agencies must follow. This policy will determine the level of small business participation that must be in the bid documents for all city contracts and development agreements.

The Mayor proposed to transfer food sanitation workers to Wayne County. However, Wayne County Executive Robert Ficano indicated that the county is not capable of assuming these functions. In its determined quest to match budgetary expectations with reality, City Council restored funding for these functions and urges the Administration to utilize fees to pay for the costs of these inspectors.

City Council funded the Museum of African American History at a level that will enable the museum to obtain a matching grant to ensure the continued operation of the facility.

The Mayor under funded the Claims Fund by \$12.5 million, which is prohibited by city ordinance in order to prevent lawsuit payouts from negatively impacting the City's ability to provide city services in a given year. Risk management is an issue of great concern. City Council encourages the Administration to aggressively address the risk management concerns that result in enormous sums of taxpayer dollars being paid out each year.

CITY COUNCIL RESOLVED TO MAINTAIN POLICE AND FIRE DIRECT SERVICES TO CITIZENS

Let us state again clearly to the Mayor, Chief of Police, citizens and members of the media: **City Council did not make any cuts in funding for our police precincts.** The Eastern and Western Operations appropriations, which are comprised of police officers who respond directly to citizen needs, were left totally intact.

Let us repeat: our spending cuts are not directed to our precincts.

If the Mayor closes three or four precincts, that is his decision, not ours.

We are troubled by misleading and inaccurate public statements made by the Chief of Police that she would have to cut precincts and officers with a reduced budget. Like all other department directors, the Chief must live within her budget. We all have to bear responsibility for restoring our city's financial health.

The loss of precinct officers from Detroit crime fighting would be a direct reflection of the Mayor's priorities, not those of City Council. Let us make it crystal clear, only the Mayor has the authority to remove Detroit Police Department officers from the streets, as provided for in the Detroit City Charter.

The City Council met with the Chief of Police and the Fire Commissioner to discuss the service and public safety impact of the cuts to both departments' budgets. Both were asked to provide alternative budgets in an attempt to compromise on formulating their budgets. Neither department director did so.

It is important to remember that the budget is a "living, breathing" document that can and will undoubtedly undergo amendments after today. If there are continuing concerns about service delivery and public safety, the City Council stands ready to re-convene its budget working group to meet with representatives of both the Police and Fire departments.

These are the actions City Council has made.

After making reductions in other city departmental operations, it was clear that much more needed to be done to balance the budget.

The Police Department comprises 40% of the City's total general fund budget.

If City Council were to completely exempt the Police and Fire departments from budget cuts, 1,500-2,000 of the remaining 7,600 general fund employees would have to be laid off. This would represent 20-26% of the civilian workforce and would surely have a significant impact on providing essential services.

Cuts to functions - not personnel - in the Police and Fire departments were considered and made as a last and absolutely necessary resort. City Council did not want to make even these spending reductions.

Simply put, we have no other choice if our City is to be financially solvent. It was a choice between balancing the budget fairly across the board or potentially losing everything we have worked for to a state takeover of our finances - where no one's job and no city service would be guaranteed.

Thirty years ago, the Police Department had one Deputy Chief. Now, they have seven. We recommend that the Administration decrease the number of individuals who hold high-ranking positions to ensure that those who are providing direct services to our residents are retained.

This bears repeating: the City Council recommends that any layoffs in the Police Department be made in the high-ranking, highly paid positions. If the Mayor and Chief of Police spare the managers and lay off the officers, it is their decision - not ours.

In order to preserve public safety for everyone in our community, from residents to businesses to churches, City Council is recommending an increase in the number of civilians performing jobs within the police departments so that even more officers can be deployed to prevent and investigate crime.

We restored funds for four civilian police investigators in the Police Commission to investigate citizen complaints.

We implore the Chief to make decisions that will reduce the impact of cuts on the Police Department's core function of fighting crime.

We utilized drug forfeiture funds to fund eligible activities including the Police Athletic League and Explorers programs. The City's financial system shows a balance in these funds of \$15 million. These funds should be used to directly benefit our youth in a positive and serious effort at drug prevention.

City Council eliminated funding for the aviation unit because its functions can be provided through other means.

The Mayor proposed transferring fire inspections to the Buildings and Safety Engineering Department. City Council restored fire inspections functions to the Fire Department where the necessary expertise can be used to prevent fires and save lives.

The Mayor proposed deep cuts to the 36th District Court's budget that would prevent the court from fulfilling its state required responsibilities as well as put the city at risk for greater liability. City Council restored half of the Mayor's cut and is urging the Court to implement greater efficiencies in its operations.

INFORMATION IS POWER

While City Council identified and incorporated a number of reductions to greatly improve the financial position of our city, it is important to point out that nothing is sacred in this budget. Just as in the past, City Council's budgets are based on the information that is provided to us.

This year, the lack of available budgetary information was appalling.

For the first time in at least thirty-two years, City Council did not receive the White Book Official Compensation Schedule until five weeks into its budget deliberations! Seventy percent of our general fund budget is for salaries. For City Council to receive this important information just two days before it completed its budget deliberations is unacceptable.

The City Council never received information about how pension factors were calculated. We still do not have documentation to support funding amounts for the required pension obligation certificate payments.

We still have not received the Mayor's Executive Organization Plan. Therefore, we are not able to take any action on any proposed departmental reorganization, simply because we do not have the information on which to base decisions.

The Administration has stated that \$10 million savings would have resulted from his reorganization proposals, but no detail on how that was accomplished was ever provided. Nor has information detailing the \$40 million in projected real estate sales been provided as promised throughout the budget process.

The City Council has yet to see any written agreements with the Historical and Zoological Societies, which the Administration claims exist.

LOOKING FORWARD

In spite of the difficult and often painful decisions that had to be made, City Council, has provided a budget that places Detroit on the path to fiscal stability through an extraordinary and productive budget process.

City Council did not make these hard decisions to bring spending in line with revenues only to have the Administration continue to ignore the legal spending limits as has been done in the past.

This City Council will be vigilantly monitoring and demanding complete adherence to these legally established limits as defined in both the City Charter and state law. City Council plans to monitor on a monthly basis the Administration's spending and progress toward achieving revenue projections.

There are times when elected officials must choose between leadership and politics as usual. This City Council has chosen to step up as leaders and face the permanent fiscal crisis that confronts our city. We have achieved a structurally sound budget that lays a solid foundation for rebuilding our great Detroit house.

It is essential that there be a community dialogue on the future of Detroit. The Executive branch, City Council, union leaders and citizens must come together as stakeholders to decide what are the core services that the city should provide.

WE GIVE THANKS TO...

We could not have achieved this balanced and responsible budget without the incredible contributions of and hard work by Irvin Corley, Fiscal Analyst; Anne Marie Langan, Deputy Director, Fiscal Analysis Division; Jerry Pokorski, Fiscal Analysis Division staff; Derrick Headd, Fiscal Analysis Division staff; Joe Harris, Auditor General and his staff; David Whitaker, Interim Director of Research & Analysis Division, and his staff, and; Marsha Bruhn, Director, City Planning Commission and her staff. We thank Jackie Currie, Detroit City Clerk for her support and the tireless support of her staff. We thank Roger Short, Budget Director for his dedication and assistance.

We thank our own individual staffs for their labor and commitment of time and energy.

Most of all, we thank the many city workers, union and community representatives, and Detroit residents who offered their insight and suggestions on how the monumental task of eliminating a \$302 million deficit could be achieved. It is inspiring to live in a community where people have such deep, abiding passion and hope for our great city of Detroit.

Honorable City Council:

Re: 246 Madison aka 230-248 Madison. Emergency Demolition.

The building at the above location was recently found to be structurally unsafe.

Our records indicate that this building was ordered removed by Council on February 10, 2003.

It is our opinion that there is an actual and immediate danger affecting the health, safety and welfare of the public. The building is structurally unsound and is in danger of imminent collapse. Therefore, under the authority of Ordinance 290-H, we are taking emergency measures to have this building or portions thereof removed with the cost assessed against the property.

By copy of this letter, we will notify all utility companies to immediately start utility disconnects.

Respectfully submitted,
AMRU MEAH
Director

By Council Member Bates:

Resolved, That in accordance with the foregoing communication, the City of Detroit Buildings and Safety Engineering Department is hereby authorized and directed to implement emergency measures to have the dangerous building demolished which is located at 246 Madison, aka 230-248 Madison and have the cost assessed as a lien against the property.

Adopted as follows:

Honorable City Council:

Re: Address: 2641-43 Calvert. Name: Michelle Clark/Trott & Trott. Date ordered removed: March 5, 2003 (J.C.C. p. 667).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on May 4, 2005 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of May 3, 2005.

The proposed use of the property is owner occupancy.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

- 1. The building shall be maintained

securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Re: Address: 15053 Maddelein. Name: Lorrie Glassford. Date ordered removed: March 16, 2005 (J.C.C. p.).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on May 4, 2005 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of April 14, 2005.

The proposed use of the property is rehabilitation and sale.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Re: Neighborhood Enterprise Zone Certificate Applications for designated units in 15 E. Kirby within the Park

Shelton Neighborhood Enterprise Zone (Recommend Approval).

The office of the City Planning Commission (CPC) has received 264 applications for Neighborhood Enterprise Zone (NEZ) certificates for 15 E. Kirby, Units 5 through 268 in the Park Shelton NEZ listed on Attachment A, forwarded from the Office of City Clerk. CPC staff has reviewed the applications and recommends approval of the certificates.

The subject properties have been confirmed as being within the boundaries of the NEZ. The Master Plan designation for this area is Special Residential Commercial. The 264 certificates for the units located in the subject property involve the rehabilitation of existing apartment units into luxury condominiums ranging in costs from \$25,180 to \$81,740 per unit. The current estimated value per unit is less than \$80,000 as required by Act 147.

Please contact us should you have any questions.

Honorable City Council:

Re: Property For Sale By Development
Development: 3725 & 3733
Manistique.

We are in receipt of an offer from Tina Powell, to purchase the above-captioned property for the amount of \$2,000 and to develop such property. This property measures approximately 60' x 100' and is zoned R-2 (Two-Family Residential District).

The Offeror proposes to landscape and create greenspace to enhance her adjacent business. This use is permitted as a matter of right in a R-2 zone.

We, therefore, request that your Honorable Body adopt the sale and authorize the Planning and Development

Department Director of Development Activities to issue a quit claim deed to the property and such other documents as may be necessary to effect the sale.

Respectfully submitted,
HENRY B. HAGOOD

Director of Development Activities
By Council Member Collins:

Resolved, That in accordance with the Offer to Purchase and the foregoing communication, the Planning and Development Department Director of Development Activities be and is hereby authorized to issue a quit claim deed for the following described property and such other documents as may be necessary to effect the sale, to Tina Powell, for the amount of \$2,000.

Land in the City of Detroit, County of Wayne, and State of Michigan being Lots 216 and 217; "Edwin Lodge Sub'n." of part of P.C. 120 North of Mack Ave., Twps. of Gratiot and Grosse Pointe, Wayne County, Michigan. Rec'd L. 35, P. 10 Plats, W.C.R.

Planning & Development Department

May 12, 2005

Honorable City Council:

Re: Acquisition of Property for Development Development: 4811 Martin.

The Detroit Public Schools of the City of Detroit has declared the above-captioned property surplus to their needs. They have requested that the Planning and Development Department assume jurisdictional control over the property so that it may be sold at the appraised price to Delray Non-Profit Housing Corporation, a Michigan Non-Profit Corporation, for development. The property consists of an area of vacant land containing approximately 206,308 square feet or 4.7 acres and is zoned R-2 (Two-Family Residential District). This acquisition is necessary in order to ensure that development occurs and to promote the public health, safety and welfare of the surrounding community. The property will be transferred to the City of Detroit with no use restrictions thus allowing the City to determine the future use of the property.

As required by Section 2-1-13 of the 1984 Detroit City Code, a Phase I environmental inquiry has been conducted on this property to determine if there is any evidence of environmental contamination. The environmental inquiry did not reveal the presence of any significant environmental conditions which would warrant further investigation and/or remediation under Part 201 of the Natural Resources and Environmental Protection Act.

We are now in receipt of an offer from Delray Non-Profit Housing Corporation, a Michigan Non-Profit Corporation, to purchase the above-captioned property for the amount of \$196,000. It is understood that Delray Non-Profit Housing Corporation, a Michigan Corporation, is purchasing this property in its present condition. The Offeror proposes to construct approximately thirty-six (36) single-family homes, ranging in sizing from 1,400 to 1,600 square feet with three-bedrooms, 1-1/2 baths and attached garages. This use is permitted as a matter of right in a R-2 zone.

Once this land sale is approved, a simultaneous closing will occur between the Detroit Public Schools of the City of Detroit, the City of Detroit and Delray Non-Profit Housing Corporation, a Michigan Non-Profit Corporation. Upon closing of this land sale, the Planning and Development Department will remit \$165,000 to the Detroit Public Schools of the City of Detroit for the property and retain the balance of \$31,000, for its consideration and to cover the cost of the environmental inquiry and property appraisal.

We, therefore, request that your Honorable Body approve the attached resolution authorizing the Planning and Development Department Director of Development Activities to accept the conveyance of 4811 Martin from the Detroit Public Schools of the City of Detroit.

We, further, request that your Honorable Body adopt the sale and authorize the Planning and Development Department Director of Development Activities to execute an agreement to purchase and develop this property with Delray Non-Profit Housing Corporation, a Michigan Non-Profit Corporation, together with a deed to the property and such other documents as may be necessary to effect the sale.

Respectfully submitted,
HENRY B. HAGOOD

Director of Development Activities
By Council Member Collins:

Resolved, That in accordance with the foregoing communication, the Planning and Development Department Director of Development Activities be and is hereby authorized to accept the conveyance of the property more particularly described in the attached Exhibit A, from the Detroit Public Schools of the City of Detroit, and execute an agreement to purchase and develop said property, together with a deed to the property and such other documents as may be necessary to effect the sale, with Delray Non-Profit Housing Corporation, a Michigan Non-Profit Corporation, for the amount of \$196,000.

Exhibit A

Land in the City of Detroit, County of Wayne and State of Michigan being Lots

14 thru 21 excluding the West 25 feet deeded for street and the North 407 feet of private way lying West and Adjacent Lots 15, 16, 17, 18 and 19; "Plat of survey and division of Edward Martin Estate" on P.C. 719, Springwells, by the Commissioners in partition. Rec'd L. 451, P. 566-567 Deeds, W.C.R.

And be it

Further Resolved, That upon closing of this land sale, the Planning and Development Department will remit \$165,000 to the Detroit Public Schools of the City of Detroit for the property and retain the balance of \$31,000 for the cost of the environment inquiry, property appraisal and its consideration.

Honorable City Council:

Re: Petition No. 3621, Bert's Marketplace, 2727 Russell, Detroit, Michigan 48205.

The above named Petitioner has requested permission to have Outdoor Café service. This service will convene April 30 through October 30, of the year 2005.

This service is requested for: BERT'S MARKETPLACE, 2727 Russell, Detroit, Michigan 48205.

The Department of Public Works has approved this petition provided that the Café meets the regulations set by the "Outdoor Café Guidelines" as supported by the City Council and guided by Chapter 58, Section 50-2-8.1 of the City Code. The Planning and Development Department is not aware of any objections from any other City Agencies involved.

It is the recommendation of the Planning and Development Department that the Petitioner's request be granted subject to terms and conditions provided in the attached Resolution.

Respectfully submitted,
HENRY B. HAGOOD

Director of Development Activities
By Council Member Collins:

Resolved, That the Department of Public Works — City Engineering Division (DPW/CED) is hereby authorized and directed to issue a use permit to Bert's Marketplace, ("permittee") at 2727 Russell, Detroit, Michigan 48205, to install and maintain an outdoor café, which will convene April 30, 2005 through October 30, 2005, contingent upon licensee of such premises obtaining approval of the Michigan Liquor Control Commission, if necessary, and compliance with applicable City Ordinance in

connection with activities, and contingent that the "permittee" negotiate a use for six months with the Real Estate Division of the Planning and Development Department, prior to the issuance of said use permit; and

Provided, That the petitioner or "permittee" agrees to pay all taxes assessed against the use of sidewalks for outdoor café purposes; and

Provided, That the café meets the regulations set by the "Outdoor Café Guidelines" as adapted by the City Council and guided by Chapter 58, Section 58-2-8.1 of the City Code; and

Provided, That the "permittee", prior to obtaining said permit, file with the Finance Department an indemnity agreement (ATTACHED) in form approved by the Law Department, saving and protecting the City of Detroit harmless from any or all claims, damages or expenses that may arise by reason of the issuance of said permit and the faithful performance by the "permittee" of the terms thereof; and in addition, to pay all claims, damages or expenses that may arise out of the maintenance of said encroachments; and

Provided, That filing of said indemnity agreement for this current year shall be construed as acceptance of this Resolution by the "permittee"; and

Provided, That no other rights in the public streets, alley or other public places shall be considered waived by this permission which is granted expressly on the condition that said encroachment shall be removed at the expense of the "permittee" at any time when so directed by City Council, and that the public property so affected shall be restored to a condition satisfactory to the DPW/CED by said "permittee" at its expense; and

Provided, That the resolution is revocable at the will, whim and caprice of the City Council; and hereby expressly waives any right to claim damages or compensation for removal of encroachment, and further, that "permittee" acquires no implied or other privileges hereunder not expressly stated herein; and

Provided, That the permit shall not be assigned or transferred without a written approval of the City Council; and

Provided, That the petitioner follow the mandated minimum six (6) foot width clearance for pedestrian traffic by realigning the existing fence line, thus delineating the area of encroachment per the DPW/CED conditional approval; and

Provided, That the sale of food and soft drinks is held under the direction and inspection of the Department of Health; and

Provided, That said activities are conducted under the rules and regulations of the Department of Transportation, Department of Public Works and the

supervision of the Police Department; and

Provided, That this permit shall be for a period not to exceed one year and maybe renewable thereafter; and

Provided, That a certified copy of this Resolution shall be recorded with the Office of the Register of Deeds for Wayne County by and the "permittees" expense.

Re: Plan for Bridge Replacement/Rehabilitation Local Bridge Program.

The State of Michigan Department of Transportation is currently soliciting new applications to the Local Bridge Program. This program awards funds to the local government agencies for the bridge structures the local agencies consider in critical need of replacement or rehabilitation. A copy of funding program memorandum is attached for your review and information.

The Department of Public Works is assembling the information needed to full fill the program application requirements for the following bridge structures:

1. I-96 EB SERVICE ROAD OVER ROUGE RIVER, Structure Number 11476
2. I-96 WB SERVICE ROAD OVER ROUGE RIVER, Structure Number 11481

The Department needs the help of your Honorable Body to complete the funding program applications. It is requested that the Honorable City Council issue a resolution stating that the applications have been considered and you are actively seeking participation in the replacement and or rehabilitation of the structures. This action by your Honorable Body will complete the Local Bridge Program application requirements for the bridge structures.

The subsequent resolution will complete the program applications. The deadline for the application is June 15, 2005.

An appropriate resolution is attached for the consideration of your Honorable Body, please accept this as your own for the purpose of expediency.

Respectfully submitted,

JAMES JACKSON

Director

By Council Member Collins:

Whereas, The State of Michigan Department of Transportation is soliciting new applications to the Local Bridge Program for the replacement and rehabilitation of bridge structures by local government agencies. Selected projects will be funded during the 2007/8 and the 2008/9 fiscal years.

Re: Petition No. 3325 — Steve Z. Oram, requesting for vacation of the alley in the area of Tarnow Street, Proctor, Michigan, and Edsel Ford Service Drive.

Petition No. 3325 of "Steve Z. Oram" at 29776 Wertham Court, Farmington Hills, Michigan 48331 request conversion of the Easterly portion of the East-West public alley, 18 feet wide, in the Block bounded by Edsel Ford Freeway, Michigan Avenue, 100 feet wide, Proctor Avenue, 50 feet wide, and Tarnow Avenue, 50 feet wide into a private for utilities. The closure will allow the petitioner to meet Planning and Development Department requirements for the renovation of the property at 7346 Michigan to be a clinic (Phoenix Recovery Center).

The request was approved by the Solid Waste Division-DPW, and the Traffic Engineering Division-DPW. The petition was referred to the City Engineering Division-DPW for investigation (utility review) and report. This is our report.

If the petitioner at any time plans to discontinue use of the paved alley entrance (into Tarnow Avenue), The petitioner shall pay all incidental removal cost.

All other city departments and private utility companies have reported no objection to the conversion of the public right-of-way into a private easement for utilities. Provisions protecting utility installations are part of this resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

Resolved, All that part of the East-West public alley, 18 feet wide, lying Southerly of and abutting the South line of the West 14.24 feet of Lot 468 and all of Lot 469, and lying Northerly of and abutting the North line of the East 18.68 feet of Lot 1 and all of Lots 2 through 6, both inclusive, all in the "Burton's Michigan Avenue Subdivision of part of P.C. 719 North of Michigan Avenue", City of Detroit, Wayne County, Michigan as recorded in Liber 29 Page 2, Plats, Wayne County Records;

Be and the same is hereby vacated as a public alley and is hereby converted into a private easement for public utilities of the full width of the alley, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said alley and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public alley in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth,

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, retaining or partition walls, shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division-DPW,

Fourth, that if the owners of any lots

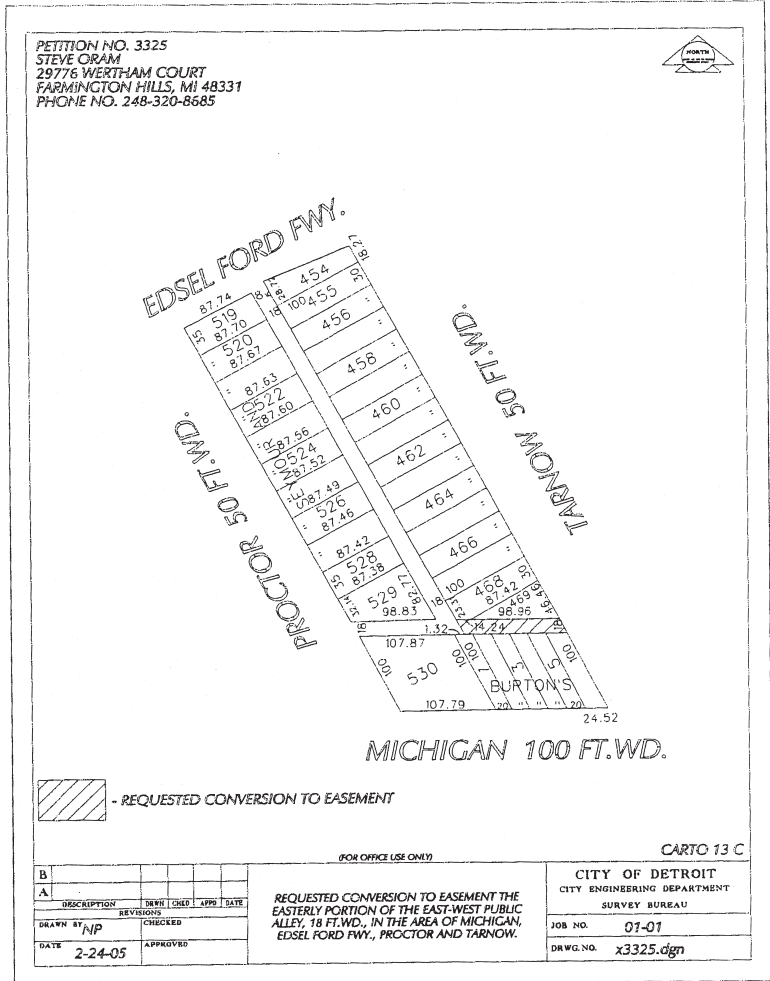

abutting on said vacated alley shall request the removal and/or relocation of any existing poles or other utilities in said easement, such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for

all costs incidental to the repair of such broken or damaged utility; and further

Provided, That if it becomes necessary to remove the paved return at the entrance (into Tarnow Avenue), such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division-DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and be it further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Re: Petition No. 2653 — Delta Environmental Consultants Inc., requesting to install and maintain encroachment of four (4) monitoring wells in the rights-of-way at 17804 West McNichols Avenue, a Amoco Service Station.
Petition No. 2653 of "Delta

Environmental Consultants Inc.," requests permission to install and maintain four (4) monitoring wells within Fenmore Avenue, 60 feet wide, and West McNichols Avenue, 96 feet wide at 17804 West McNichols Avenue. The purpose of the bored wells is to monitor the existence or extent of soil contamination.

The encroachment petition was referred to the City Engineering Division-DPW for investigation and report. This is our report.

Soil boring and monitoring wells installations are equivalent to an "open cut" in a public street or alley. Necessary permits will have to be obtained for any street or alley opening, backfill, or occupancy of the City rights-of-way to install monitoring wells.

The Water and Sewerage Department (DWSD) will require a minimum vertical clearance of one foot, and a minimum horizontal clearance of three and one half feet between DWSD sewers, drains, water mains, fire hydrants, catch basins, sewer and water manholes (and any other DWSD facility) and the proposed monitoring wells.

All other city departments and privately-owned utility companies have requested that the petitioner make use of the "MISS DIG" facilities before any soil borings or permanent monitoring wells are installed in the public (street or alley) rights-of-way. Should damages to the utilities occur the petitioner shall be liable for all claims and damages to the encroaching installations.

Finally, the City Engineering Division-DPW will require "Delta Environmental Consultants Inc." to submit certified "as-built" drawings, a map and survey showing exact location of the petitioner's complete permanent monitoring well installations within the public rights-of-way.

An appropriate resolution, granting the encroachments, is attached for consideration by your Honorable Body.

Resolved, The City Engineering Division-DPW is hereby authorized and directed to issue permits to "Delta Environmental Consultants, Inc." and/or "BP Products North America, Inc.", to install and maintain four (4) permanent monitoring wells encroaching within public rights-of-way for the purpose of detecting the presence of hazardous materials and/or soil contamination from leaking underground storage tanks; said public rights-of-way being nearby or adjoining property described as follows:

Lying within West McNichols Avenue, 96 feet wide, and Fenmore Avenue, 60 feet wide, North of West McNichols Avenue and between Southfield Freeway and Fenmore Avenue, adjacent to Lots 34 through 37, both inclusive, of the "Palmer-Mill Subdivision of part of the Southwest

1/4 of the Southwest 1/4 of Section 12 T.1S., R10E. Redford Township (now City of Detroit) Wayne County Michigan" as recorded in Liber 48 Page 47, Plats, Wayne County Records;

Encroachment(s) to consist of "permanently" (meaning more than thirty days, or other long-term duration) installed monitoring wells within public rights-of-way, nearby or adjacent to the above described property;

Provided, That by approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the street, and at all time, DWSD, its agents or employees, shall have the right to enter upon the street to maintain, repair, alter service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing alteration, servicing or inspection by DWSD shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities which could normally be expected had the petitioner not encroached into the alley shall be borne by DWSD.

Provided, That all construction performed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system.

Provided, Construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner.

Provided, If DWSD facilities located within the street shall break or be damaged as the result of any action on the part of the petitioner, then such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities.

Provided, The petitioner shall hold DWSD harmless for any damage to the encroaching device constructed or installed under this petition which may be caused by the failure of DWSD's facilities.

Provided, That if at any time in the future the petitioner shall request removal and/or relocation of DWSD's facilities in the alley being encroached upon the petitioner agrees to pay all costs for such removal and/or relocation.

Provided, That nothing in this resolution shall be construed as giving any authority, permission or grant to the permittee for any part of the encroaching monitoring wells to be places upon the surface or underground rights of privately-owned property. Enforcement of violations of fire

safety regulations and buildings code is the responsibility of the Fire Marshal and Buildings and Safety Engineering Department. The petitioner shall apply to the Buildings and Safety Department for approval and permits to place any monitoring wells on privately owned property (if necessary); and further

Provided, It is the intention of this resolution to authorize the City Engineering Division-DPW (prior to the issuance of "encroachment" permits) to act in behalf of the city require the permit applicant to perform any reasonable task to protect public property interests including, but not limited to, the submission of engineering plans (containing construction details and distances from property lines) of each proposed encroaching monitoring wells. Also, the City Engineering Division-DPW may require the permit applicant to secure approval(s) of said plans from Wayne County, the State of Michigan, any city departments (including city commissions, authorities, corporations, councils, boards, contractors, and agencies whenever applicable) and/or utility companies are specifically enumerated in this resolution or not; and further

Provided, Said monitoring well encroachment(s) shall be installed and maintained under the rules and regulations of the City Engineering Division-DPW, the Fire Marshal and Buildings and Safety Engineering Department in accord with Detroit Code Section 50-1-9 and 10; and further

Provided, Whenever it becomes necessary to open-cut, drill, bore, jack, occupy or barricade public rights-of-way for construction of monitoring well installations, such work shall be according to detailed permit application drawings (to be submitted by the petitioner or their assigns, subject to city department review and stamp approvals) prior to any public right-of-way construction; and further

Provided, Said encroaching monitoring well installations shall be according to the specifications of the Detroit Water and Sewerage Department (DWSD), including the minimum vertical clearance of one foot, a minimum horizontal clearance of three and one half feet between DWSD sewers, drains, water mains, fire hydrants, catch basins, sewer and water manholes or shut-off (and any other DWSD facilities) and the proposed permanent monitoring well encroaching installations; and further

Provided, All costs for the construction, maintenance, permits and use of the encroaching monitoring wells shall be borne by the petitioner. Should damages to utilities occur, the petitioner shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, If it becomes necessary to repair or replace the utilities located or to

be located in the public rights-of-way, by the acceptance of this permission, the owners for themselves, their heirs or assigns, waive claims for any damages to the encroaching installations and agree to pay the cost incurred in their removal, if their removal becomes necessary, and to restore the property affected to a condition satisfactory to the City Engineering Division-DPW at the owner's expense; and further

Provided, that any encroaching monitoring wells shall be installed and maintained with a secure frame and cover, so as to fit flush within the public sidewalk, berm, or pavement grade. All public rights-of-way shall be maintained safe and convenient for public travel. The petitioner shall be liable for all claims, damages, costs, demands, expenses, and cause of action of every kind and character arising in favor of any person, or other legal entity on account of personal injuries or death or damage to property caused by or claimed or alleged to have arisen out of failure to properly install and maintain any encroaching monitoring wells. The installation and maintenance of said encroachments shall comply with the rules and regulations of the City Engineering and Traffic Engineering Division(s)-DPW; and further

Provided, That the petitioner shall file with the Finance Department an indemnity agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and faithful or unfaithful performance by the petitioner of the terms thereof. Further, the petitioner shall agree to pay all claims, damages, or expenses that may arise out of the maintenance of the proposed encroachments; and further

Provided, That said permittee shall be subject to any tax under the provision of the General Property Tax act, which may be levied against it pursuant to law; and further

Provided, That no other rights in the public streets, alley or other public places shall be consider waived by this permission which is granted expressly on the condition that said encroachments shall be removed at the expense of the permittee at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to City Engineering Division-DPW at the permittee sole cost and expense; and further

Provided, That the petitioner shall apply to become a participating member of the "MISS DIG" organization (if necessary); and further

Provided, That said permits issued by the City Engineering Division-DPW and/or the Buildings and Safety Engineering Department(s) are granted

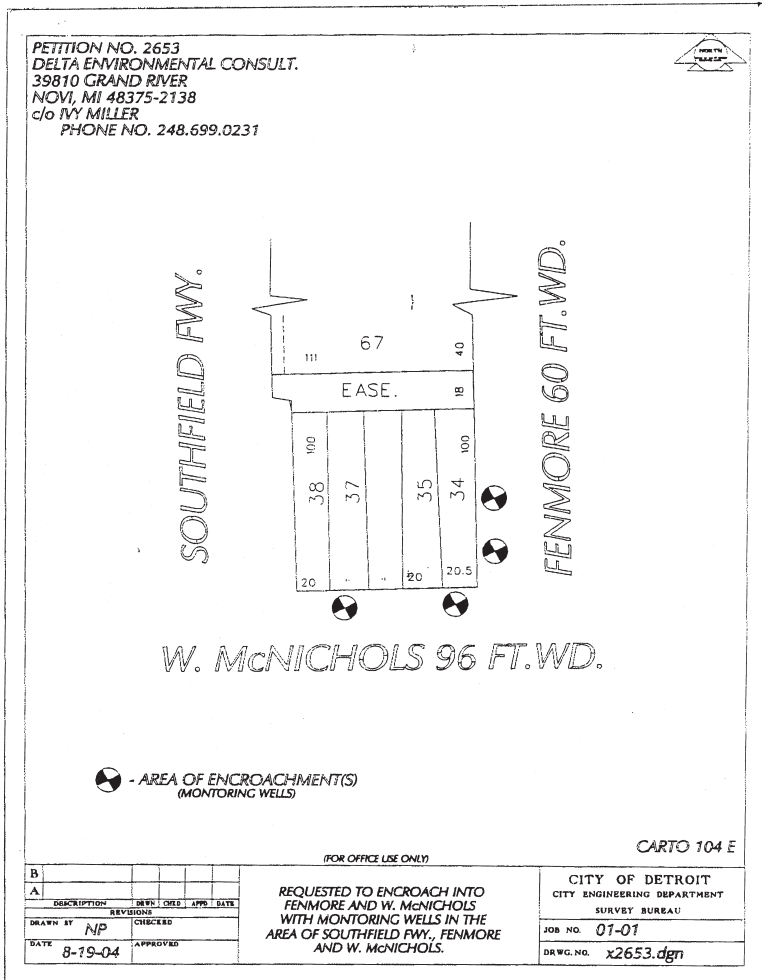

with the distinct understanding that in the event the City Charter, or Detroit Code(s), or ordinance(s), or resolution(s), or city policies (governing the placement of encroachments in the public rights-of-ways) are amended to provide for levying thereafter, of fee, charge or rental, to be hereafter determined upon, for the occupancy of public streets, alleys or other public places, that the permittee will pay said fee, charge or rental provided for in said Charter, or Code(s), or ordinance(s), or resolution(s), or policies; also said permittee does hereby bind itself thereunto, and accept said permits on the conditions hereby imposed, and in the event said permittee shall contest the validity of said Charter, or Code(s), or ordinance(s), or resolution, or policies of said fee, charge or rental, or upon refusal to pay same, these permits shall immediately become void; and further

Provided, This resolution is revocable at the will, whim or caprice of the City Council, and permittee hereby waives any right to claim damages or compensation for removal of encroachment(s), and further, that the permittee acquires no implied or other privileges hereunder not expressly stated herein; and further

Provided, The installation and maintenance of the encroachments referred to herein shall be construed as acceptance of this resolution by the permittee; and further

Provided, that the encroachment permits shall be assigned or transferred without the written approval of the City Council; and further

Provided, that the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Honorable City Council:

Re: Petition No. 2651 — Delta Environmental Consultants Inc., requesting to install and maintain encroachment of (2) monitoring wells in the open public alley behind 3805 East Division Avenue, a Amoco Service Station.

Petition No. 2651 of "Delta Environmental Consultants Inc.", request permission to install and maintain two (2) monitoring wells within the Westerly portion of the East-West open public alley, 15 feet wide, behind 3805 East Division Avenue, a Amoco Service Station. The purpose of the bored wells is to monitor the existence or extent of soil contamination.

The encroachment petition was referred to the City Engineering Division-DPW for investigation and report. This is our report.

Soil borings and monitoring wells installations are equivalent to an "open cut" in a public street or alley. Necessary permits will have to be obtained for any street or alley opening, back fill, or occupancy of the City rights-of-way to install monitoring wells.

The Water and Sewerage Department (DWSD) will require a minimum vertical clearance of one foot, and a minimum horizontal clearance of three and one half feet between DWSD sewers, drains, water mains, fire hydrants, catch basins, sewer and water manholes (and any other DWSD facility) and the proposed monitoring wells.

All other city departments and privately-owned utility companies have requested that the petitioner make use of the "MISS DIG" facilities before any soil borings or permanent monitoring wells are installed in the public (street or alley) rights-of-way. Should damages to the utilities occur the petitioner shall be liable for all claims and damages to the encroaching installations.

Finally, the City Engineering Division-DPW will require "Delta Environmental Consultants Inc." to submit certified "as-built" drawings, a map and survey showing exact location of the petitioner's completed permanent monitoring well installations within the public rights-of-way.

An appropriate resolution, granting the encroachments, is attached for consideration by your Honorable Body.

Respectfully submitted,
WILLIAM TALLEY
Head Engineer
City Engineering Division-DPW

By Council Member Collins:

Whereas, City Council adopted a resolution (June 6, 1990 — J.C.C. Pgs. 1325-26) urging the Michigan Department of Natural Resources and Environmental Protection Agency ("MDNR") to investigate, inspect, and remedy all environmental problems in the City of Detroit to ensure public safety; also

RESOLUTION APPROVING BROWNFIELD PLAN OF THE CITY OF DETROIT BROWNFIELD REDEVELOPMENT AUTHORITY FOR THE PARK SHELTON PROJECT

City of Detroit

County of Wayne, Michigan

By Council Member Bates:

WHEREAS, Pursuant to 381 PA 1996, as amended ("Act 381"), the City of Detroit Brownfield Redevelopment Authority ("Authority") has been established by resolution of the City Council of the City of Detroit (the "City") for the purpose of promoting the revitalization of eligible properties in the City; and

WHEREAS, Under Act 381 the Authority is authorized to develop and propose for adoption by City Council a brownfield plan for one (1) or more parcels of eligible property; and

WHEREAS, An eligible taxpayer may qualify for the Michigan Single Business Tax credit pursuant to Act 228, Public Acts of Michigan, 1975, as amended, for any eligible investments on eligible property identified under a brownfield plan; and

WHEREAS, Pursuant to the resolution establishing the Authority and the bylaws of the Authority, the Authority has submitted a proposed brownfield plan for the Park Shelton Project (the "Plan") that would enable the owner to apply for a Michigan Single Business Tax credit for eligible investments on eligible property as defined by Act 381, as amended, after the adoption of this Plan; and

WHEREAS, The Authority submitted the Plan to the Community Advisory Committee for consideration on October 20, 2004, and a joint public hearing was conducted by the Authority and the Committee on November 8, 2004 to solicit comments on the proposed Plan; and

WHEREAS, The Authority approved the Plan on November 17, 2004 and forwarded in to the City Council with a request for its approval of the Plan; and

WHEREAS, The City Council has published the required notice of the public hearing on the Plan; and

WHEREAS, The City Council held a public hearing on the proposed Plan on May 9, 2005.

NOW, THEREFORE, BE IT RESOLVED, THAT:

1. Definitions. Where used in this Resolution the terms set forth below shall have the following meaning unless the context clearly requires otherwise:

"Eligible Activities" or "eligible activity" shall have the meaning described in Act 381.

"Eligible Property" means the property designated in the Plan as the Eligible Property, as described in Act 381.

"Plan" means the Plan prepared by the Authority, as transmitted to the City Council by the Authority for approval, copies of which Plan are on file in the office of the City Clerk.

"Taxing Jurisdiction" shall mean each unit of government levying an ad valorem property tax on the Eligible Property.

2. Public Purpose. The City Council hereby determines that the Plan constitutes a public purpose.

3. Best Interest of the Public. The City Council hereby determines that it is in the best interests of the public to promote the revitalization of environmentally distressed areas in the City to proceed with the Plan.

4. Review Considerations. As required by Act 381, the City Council has in reviewing the Plan taken into account the following considerations:

(a) The Plan meets the requirements set forth in section 13 of Act 381.

(b) The proposed method of financing the costs of Eligible Activities is feasible.

(c) The costs of Eligible Activities proposed are reasonable and necessary to carry out the purposes of Act 381.

(d) No captured taxable value is estimated to result from adoption of the Plan since all Eligible Activities will be financed by the owner of the Eligible Property and the Plan does not provide for the use of tax increment revenues for eligible activities.

5. Approval and Adoption of Plan. The Plan as submitted by the Authority is hereby approved and adopted. A copy of the Plan and all amendments thereto shall be maintained on file in the City Clerk's office.

6. Disclaimer. By adoption of this Resolution and approval of the Plan, the City assumes no obligation or liability to the owner, developer, lessee or lessor of the Eligible Property for any loss or damage that may result to such persons from the adoption of this resolution and Plan. The City makes no guarantees or representations as to the determinations of the appropriate state officials regarding the ability of the owner, developer or lessor to qualify for a Single Business Tax credit pursuant to Act 228, Public Acts of Michigan, 1975, as amended.

7. Repealer. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.

14. The City Clerk is requested to submit four (4) certified copies of this Resolution to the DBRA, 500 Griswold Street, Suite 2200, Detroit, MI 48226.

Adopted as follows:

Yeas — Council Members Bates, K. Cockrel, Jr., S. Cockrel, and Tinsley-Talabi — 5.

Nays — Council Members McPhail, Watson, and President Mahaffey — 3.

EXECUTIVE ORDER NO. 2005-1

To: All Boards, Commissions, Department Directors, City Council Members, and the City Clerk:

Re: Reduction of Pay and Hours for Non-Union Executive Branch Appointees and Employees.

Pursuant to the powers vested in me by the 1963 Michigan Constitution, the 1997 Detroit City Charter, and Section 13-2-18 of the 1984 Detroit City Code, I, Kwame M. Kilpatrick, Mayor of the City of Detroit, do hereby establish a temporary reduction in hours and resulting pay for Executive Branch appointees and nonunion employees.

1. Necessity.

Due to the economic crisis facing the City of Detroit, it has become necessary to take immediate drastic steps in order to reduce personnel and payroll expenses. As an initial step, I am voluntarily foregoing ten percent (10%) of my annual salary as Mayor.

2. Implementation.

Administrative and Administrator Roster Employees.

For the A, B, and C payrolls, all Executive Branch employees on the

Administrative or Administrator Rosters shall have their annual salaries reduced by ten percent (10%) for the duration of this Executive Order. Scheduling of the employee's weekly work hours shall continue to be in accordance with established Administrative and Administrator Roster practices.

Administrative and Administrator Roster employees should be advised that during the effective period of this Executive Order, the payment of unused sick leave on retirement, lump sum payment of off-time banks upon termination of employment, and other entitlements that consider the employee's salary, shall be made based upon the salary the employee would otherwise have been paid had the ten percent (10%) reductions not been made. Furthermore, for purposes of computing an employee's Average Final Compensation, a factor shall be applied to his or her earnings so as to undo the effects of this ten percent (10%) pay reduction.

Non-union Executive Branch Employees Not on Administrative or Administrator Rosters.

For the A, B, and C payrolls, annual salaries, wages and hours in effect on July 1, 2004 for Executive Branch appointees not on the Administrative or Administrator Rosters whose salary or wage is at least ten percent (10%) above the minimum set forth in the Official Compensation Schedule, shall be reduced by ten percent (10%).

For the A, B, and C payrolls, annual salaries and wages in effect on July 1, 2004 for non-union Executive Branch employees not on the Administrative or Administrator Rosters shall be reduced ten percent (10%) or to the minimum applicable salary or wage for such employee set forth in the 2004-2005 Official Compensation Schedule, as the same may be amended, whichever salary or wage is higher. Said reduction of pay shall be achieved by way of reduction of the applicable number of hours of work a) in direct proportion to equal the minimum salary or wage set forth in the Official Compensation Schedule, as the same may be amended, or b) by ten percent (10%) whichever hours are higher.

Executive Branch non-union employees who, on July 1, 2004, received forty (40) hours of pay per week, including those who were scheduled to work less than forty (40) hours per week, shall be scheduled to work thirty-six (36) hours per week and shall be regularly paid thirty-six (36) hours per week. However, the scheduled number of hours of work per week shall not be greater than the number of hours such employees were scheduled to work on July 1, 2004.

All hours worked by a non-union Executive Branch employee not on the Administrative or Administrator Rosters

that would have qualified him or her for daily overtime in accordance with Section 13-2-8 of the 1984 Detroit City Code prior to the reduction in work hours provided for in this Executive Order, shall be paid at the overtime rate. Also, a non-union Executive Branch employee not on the Administrative or Administrator Rosters shall be paid straight time for all hours over thirty-six (36.0) and up to forty (40.0) hours worked on a furlough day. Further, all time during the work week in excess of forty (40) hours worked by a non-union Executive Branch employee not on the Administrative or Administrator Rosters shall be paid at the overtime rate.

3. Leave Time.

Executive Branch appointees and non-union employees shall continue to accrue vacation and sick time in 8-hour days. When employees use their off-time banks, the number of hours deducted from their off-time banks, and the number of hours for which they are paid, shall equal the number of hours they were scheduled to work on that day. Similarly, non-banked time such as holiday, excused time days, funeral leave, and jury duty shall be compensated based on the scheduled work hours on the day of occurrence.

4. No Impact on Pension Calculations.

Pursuant to Section 13-2-18(1) of the 1984 Detroit City Code, as amended, the implementation of this Executive Order does not, and shall not, change, modify, or otherwise affect the compensation, wage, hourly rate, or salary rate of any non-union employee for purposes of determining pension calculations.

5. Application.

This reduction in pay and hours shall apply to all Executive Branch appointees and non-union employees, including those subject to Civil Service, whose salary or wage is at least ten percent (10%) above the minimum set forth in the Official Compensation Schedule, and to all other non-union Executive Branch employees as indicated in Section 2 of this Executive Order.

6. Further Directives.

As necessary, further departmental directives may be issued to assist in the implementation and on-going management of this reduction of compensation and hours.

7. Expiration.

This Executive Order shall expire on December 31, 2005, unless extended by further Order.

8. Effective Date.

With respect to the Department of Transportation only, this Executive Order is effective Saturday, May 28, 2005. With respect to all other departments and agencies, this Executive Order is effective Monday, May 30, 2005.

Sincerely,
KWAME M. KILPATRICK
Mayor

Re: Sheila Jordan and Terry Dace vs Matthew Nelson and Phillip Parhan. Case No.: 03-74704. File No.: A37000.004607 (CB).

On November 22, 2004, your Honorable Body authorized the Law Department to settle the above-captioned

in the amount of Six Thousand Dollars and No Cents (\$6,000.00). The requested settlement amount is incorrect. We, therefore, request that you rescind the original resolution permitting settlement of the above-captioned case.

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Six Thousand Dollars (\$6,000.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Six Thousand Dollars (\$6,000.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Frank G. Becker & Associates, P.C., Attorneys, and Sheila Jordan, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 03-74704, approved by the Law Department.

Resolved, That:
The Law Department is authorized to agree to entry of an Order of Dismissal and to enter into an Agreement to Arbitrate in the case of Felicia Watkins, Next Friend of Erica Bennett, a minor v. City of Detroit and Gerald Lewis Williams, Wayne County Circuit Court Case No.: 03-303075 NI on the following terms and conditions:

1. The parties shall submit to arbitration all matters in controversy raised in the above-named lawsuit.

2. Plaintiff shall recover a minimum amount of Thirty-Five Thousand Dollars (\$35,000.00).

The maximum amount of any award to the Plaintiff shall not exceed the amount of One Hundred Twenty-Five Thousand Dollars (\$125,000.00).

Any award in excess of One Hundred Twenty-Five Thousand Dollars (\$125,000.00) shall be interpreted to be in the amount of One Hundred Twenty-Five Thousand Dollars (\$125,000.00).

3. There shall be no costs, fees, attorney fees or interest taxable with respect to the award rendered by the arbitrators.

The award of the arbitrators shall represent a full and final settlement of any amounts due and owing to Plaintiffs for any and all claims arising out of the incident which occurred on or about December 31, 2002 at or near Dexter and Grand River, Detroit, Michigan. However, limited judicial review may be obtained in a Michigan Federal District Court of competent jurisdiction (a) in accordance with the standards for review of arbitration awards as established by law; or (b) on the ground that the arbitrators committed an error of law.

4. Promptly after the arbitrators announce their decision, the Law Department shall inform City Council in writing of that decision.

Upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay part or all \$125,000.00 to the Plaintiffs, the Finance Director is authorized to issue a draft drawn upon the proper account in favor of Felicia Watkins, next friend of Erica Bennett, and her attorneys Fieger, Fieger, Kenny & Johnson P.C., in the amount of the arbitrators' award, but said draft may not be less than Thirty-Five Thousand Dollars (\$35,000.00) and shall not exceed One Hundred Twenty-Five Thousand Dollars (\$125,000.00).

Honorable City Council:

Re: Petition Number 1511 (1886) (3444) — Request for City Council Approval for the Issuance of a New Michigan Liquor Control Commission Dance Permit to Club Mature, Inc., 15070 Schaefer, for a "Group A" Cabaret.

Section 916(6) of the Michigan Liquor Control Code of 1998, being MCL 436.1916(6), requires that prior to the issuance of a Michigan Liquor Control Commission ("MLCC") dance or entertainment permit, or a dance-entertainment permit, a location licensed by the MLCC for the sale of alcoholic beverages on the premises shall obtain the approval of (1) the chief law enforcement officer, and (2) the legislative body of the municipality within which the premises are located.

Pursuant to this requirement, the MLCC has forwarded Local Approval Notice (Request ID number 142043) to the Detroit City Council for your review and consideration. The subject Local Approval Notice, initially designated by the City Clerk as Petition Number 1511, and subsequently as Petition Numbers

1886 and 3444, requests City Council approval or disapproval of a request from Club Mature, Inc., for the issuance of a new dance permit in conjunction with the transfer of a Class "C" liquor license, in escrow at 16117 Mack, to 15070 Schaefer. The approval and issuance of a dance permit to Club Mature, Inc., for this location would allow for dancing by customers at the licensed premises, only, upon the issuance of the Consumer Affairs Business License Center of a City "Group A" cabaret business license.

Building and Safety Engineering Department ("B&SE") records indicate that 15070 Schaefer is located on property zoned B-4 (General Business District) and has been approved for a Class "C" lounge/restaurant per BSE Case No. 133-02, effective December 24, 2002. Pursuant to this B&SE case decision, permit number 63120 was issued to establish a lounge and restaurant at this location. Accordingly, the Consumer Affairs Business License Center records indicate that Club Mature, Inc., has applied for a "Group A" license for 15070 Schaefer. Upon compliance with all of the applicable provisions of the 1984 Detroit City Code, a "Group A" cabaret business license will be issued to Club Mature, Inc. to allow for dancing by customers only at the location.

The Detroit Police Department ("DPD") Liquor License Unit reports that no MLCC violations have been issued at the premises in the preceding twelve (12) months. The DPD Second Precinct reports that there have not been any serious crimes within the premises within the preceding twelve (12) months. The owners of Club Mature, Inc. do not own any other MLCC licensed premises within the City. The DPD Liquor License Unit, on behalf of the Chief of Police, has recommended approval of the transfer of the MLCC Class "C" liquor license to 15070 Schaefer and the issuance of a new dance permit to Club Mature, Inc.

The Law Department recommends that this matter be placed on the City Council's agenda for the approval or disapproval of the requested new dance permit in accordance with this Body's August 1, 2003 and July 7, 2004 resolutions on the procedures and criteria for the approval or disapproval of the issuance of dance, dance-entertainment, and topless activity permits. Attached is a proposed resolution approving the issuance of the new dance permit to Club Mature, Inc.

If there are any questions or concerns, please do not hesitate to contact our office.

By Council Member Collins:

Whereas, Section 916(6)(b) of the Michigan Liquor Control Code of 1998,

being MCL 436.1916(6)(b), requires that prior to the issuance of a Michigan Liquor Control Commission ("MLCC") dance permit, a location licensed by the MLCC for the sale of alcoholic beverages on the premises shall obtain the approval of (1) the chief law enforcement officer, and (2) the legislative body of the municipality within which the premises are located;

Whereas, The MLCC has forwarded a Local Approval Notice (Request ID number 142043) to the Detroit City Council, which has been designated by the City Clerk as Petition No. 1511, and subsequently as Petition Numbers 1886 and 3444, requesting consideration and the approval or disapproval of a request from Club Mature, Inc., for the issuance of a new dance permit in conjunction of the transfer of a Class "C" liquor license, located in escrow at 16117 Mack, to 15070 Schaefer;

Whereas, Approval of the issuance of a new dance permit by this Body to Club Mature, Inc., for 15070 Schaefer would allow for dancing by customers, only upon the issuance by the Consumer Affairs Business License Center of a City "Group A" cabaret business license for the location;

Whereas, The Building and Safety Engineering Department ("B&SE") records indicate that 15070 Schaefer is located on property zoned B-4 (General Business District) and has been approved for a Class "C" lounge/restaurant per B&SE Case No. 133-02, effective December 24, 2002;

Whereas, Pursuant to this B&SE case decision, permit number 63120 was issued to Club Mature, Inc. to establish a lounge and restaurant at this location;

Whereas, the Consumer Affairs Business License Center records indicate that Club Mature, Inc., has applied for a "Group A" license for 15070 Schaefer and that upon compliance with all of the applicable provisions of the 1984 Detroit City Code, a "Group A" cabaret business license will be issued to Club Mature, Inc. to allow for dancing by customers only at the location;

Whereas, the Detroit Police Department ("DPD") Liquor License Unit, reports that there have not been any MLCC violations issued at the premises in the preceding twelve (12) months and that the owners of Club Mature, Inc. do not operate any other MLCC licensed premises within the City;

Whereas, the DPD Second Precinct reports that there have not been any serious crimes within the premises within the preceding twelve (12) months;

Whereas, pursuant to Section 916(6)(c) of the Michigan Liquor Control Code, being MCL 436.1916(6)(c), the DPD Liquor License Unit, on behalf of the Chief of Police, has recommended approval of

the transfer of the MLCC Class "C" liquor license to 15070 Schaefer and the issuance of a new dance permit to Club Mature, Inc. for the location; and

Whereas, The City Council has considered the MLCC Local Approval Notice requesting the approval or disapproval of the issuance of a new dance permit to Club Mature, Inc., for 15070 Schaefer in accordance with this Body's procedures and the August 1, 2003 and July 7, 2004 resolutions on the procedures and criteria for the approval or disapproval of the issuance of dance, dance-entertainment, and topless activity permits.

Now Therefore It Is Resolved, Pursuant to Section 916(6)(b) of the Michigan Liquor Control Code, being MCL 436.1916(6)(b), that the Detroit City Council, approves the issuance of a new dance permit to Club Mature, Inc., for 15070 Schaefer; and

It Is Further Resolved, That copies of this Resolution, and the City Clerk's certification of this approval of MLCC request ID number 142043, be forwarded to the Michigan Department of Consumer and Industry Services, Liquor Control Commission, 7150 Harris Drive, P.O. Box 30005, Lansing, MI 48909-7575, the Detroit Police Department, Liquor License Unit, 1300 Park Street, and the Consumer Affairs Business License Center, 105 Coleman A. Young Municipal Center.

Re: Request For Cancellation of Real Property Taxes in Part for Vacant Property Erroneously Assessed as Improved; 2048 Oakdale; Ward 20 Item 8047.

This office has reviewed the above matter, the facts and particulars of which are set forth in the attached confidential memorandum. From this review, it is our considered opinion that waiver of real property tax assessments above the value of a vacant unimproved lot in this matter is in the best interest of the City of Detroit.

This request is to have the 1999 real property tax assessment at 2048 Oakdale, ward 20 item 8047 be partially cancelled. By a 2/3 vote, City Council may vacate and waive the associated assessment in whole or in part if it finds the assessment unjust or placed upon any property not owned by the person to whom it is assessed or if the assessment is illegal. Ordinance §18-9-8, §18-9-9.

Upon information and belief, the subject property was unjustly assessed. On tax day, the property was assessed as

improved rather than as an unimproved vacant lot.

We hereby request and recommend that the real property tax assessment, in accord with the attached resolution, be corrected as stated and that the excess 1999 real property tax assessment be stricken from the City of Detroit tax rolls and cancelled.

Whereas, The City of Detroit assessed 1999 real property taxes located at 2048 Oakdale, Ward 20 Item 8047m in the City of Detroit to Paula Rogers; and,

Whereas, Paula Rogers has petitioned this Council for correction, cancellation or partial waiver of her 1999 real property tax assessment for the reason that the real property is being assessed as an improved parcel rather than as a vacant unimproved lot for the tax year 1999; and,

Whereas, Pursuant to City Ordinance, Section 18-9-8 and Section 18-9-9, this Council is authorized to vacate the assessment, in whole or in part, where it finds to its satisfaction the assessment is unjust, illegal or placed upon any property not owned by the person to whom it is assessed; and,

Whereas, This Council finds the excess tax assessment is unjust or illegal as the property should have been valued as a vacant unimproved lot.

Now Therefore Be It:

Resolved, That the real property tax assessments, true cash value, taxable value and stated equalized value, as follows, are hereby corrected to properly reflect its status as vacant unimproved property for the tax year 1999 as indicated.

Honorable City Council:

Re: Petition Number 2599 — Request for City Council Approval of the Issuance of a New Entertainment Permit in Conjunction with the Transfer of Ownership of a Class C Liquor License to Lomeli, Inc., 8445 W. Vernor, for a Group "A" Cabaret.

Section 916(6) of the Michigan Liquor Control Code of 1998, being MCL 436.1916(6), requires that prior to the issuance of a Michigan Liquor Control Commission ("MLCC") dance or entertainment permit, or a combination dance-entertainment permit, a location licensed by the MLCC for the sale of alcoholic beverages on the premises shall obtain the approval of (1) the chief law enforcement officer, and (2) the legislative body of the municipality within which the premises are located.

Pursuant to this requirement, the MLCC has forwarded a Local Approval Notice (Request ID: 260489) to the Detroit City Council, which has been designated by the City Clerk as Petition Number 2599. This petition requests City Council approval or disapproval of the issuance of a new entertainment permit in conjunction with the transfer of ownership of a Class "C" liquor license from Angel Corporation to Lomeli, Inc. at 8445 W. Vernor.

The Buildings and Safety Engineering Department ("B&SE") reports that 8445 W. Vernor is in a B-4 (General Business) zoning district. The use of this property as a Class "C" bar and nightclub is permitted with approval per the Detroit Zoning Ordinance. A request to add an accessory use nightclub to the existing standard restaurant was approved per B&SE Case No. 189-04, effective March 16, 2005. Further, B&SE reports that the continued use of the property for this purpose is permitted pursuant to the Detroit Zoning Ordinance, subject to compliance with all grant conditions, relevant codes, and ordinances.

Pursuant to Section 5-7-1 of the 1984 Detroit City Code, a Group "A" cabaret business license is required for an establishment open to the public which sells or serves alcoholic beverages with or without food, and either allows dancing with or without live entertainment, or provides three (3) or more live entertainers at one time with or without dancing. The records of the Consumer Affairs Business License Center indicate that Lomeli, Inc. has applied for a Group "A" cabaret license and has met the requirements of the applicable provisions of the 1984 Detroit City Code for the issuance of the requested business license.

After investigation and review, the Detroit Police Department ("DPD"), Liquor License Unit, on behalf of the Chief of Police, has recommended the approval of the transfer of the liquor license and the issuance of a new entertainment permit to Lomeli, Inc. for 8445 W. Vernor. The DPD investigation did not reveal any MLCC violations or serious crimes at the location for the preceding twelve (12) months. The owner of Lomeli, Inc. does not operate any other MLCC licensed premises in the City.

Upon this Body's approval of the request for the issuance of a new entertainment permit and the issuance of a Group "A" cabaret license by the Consumer Affairs Business License Center to Lomeli, Inc., the location will be approved for entertainment on the premises. Pursuant to Section 916(1) of the Liquor Control Code, being MCL 436.1916(6)(1), the issuance of an entertainment permit does not allow topless activity on the licensed premises. Further, Section 5-7-13 of the 1984 Detroit City Code prohibits adult entertainment in an establishment licensed as a Group "A" cabaret.

Pursuant to this Body's August 1, 2003 and July 7, 2004 resolutions on the procedures and criteria for the approval or disapproval of the issuance of MLCC dance and entertainment permits, the Law Department recommends that this matter be placed on City Council's agenda for consideration of the issuance of a new entertainment permit to Lomeli, Inc. for 8445 W. Vernor. Attached is a proposed resolution approving the issuance of the requested entertainment permit.

Brownfield Redevelopment Authority

May 26, 2005

Honorable City Council:

Re: Canfield Lofts Brownfield Plan.

The enclosed Brownfield Plan for Canfield Lofts (the "Plan") (Exhibit A), submitted by the Detroit Brownfield Redevelopment Authority Board (the "Authority") to the Community Advisory Committee (the "Committee"), has been considered and reviewed by the Committee and a public hearing was held by the Authority on May 11, 2005 to solicit public comments. At its April 27, 2005 meeting, the Committee considered and approved a resolution recommending approval of the Plan by the Authority and City Council in the form presented by the Authority.

On May 18, 2005, the Authority adopt-

ed a resolution (Exhibit B) approving the Plan and authorizing the submission of a certified copy of its resolution and the Plan to the City Clerk, together with a request that the Detroit City Council call a public hearing concerning the Plan and to take all other actions to approve the Plan in accordance with Act 381.

The Plan is now presented to the City Council for approval. The Detroit City Council will, after publication of the notices required by law, hold a public hearing on the Plan. After the public hearing, the City Council shall determine whether the Plan constitutes a public purpose and, if so, may approve or reject the Plan or approve it with modifications.

Project Introduction

Boulder Developments, L.L.C. is the project developer. The proposed project will renovate three retail spaces into 3,710 sq ft of commercial space on the corner of John R and Canfield. Additionally, 99 Canfield will be renovated into 25 heated parking spaces with 7 two-bedroom lofts constructed above the parking facility. The Hotel Melrose at 87 Canfield will be converted into 30 luxury two bedroom, two bath condos approximately 1,400 sq ft. The use of the vacant lot across Canfield from the development is yet to be determined, but under consideration are parking, hotels, mini-storage, apartment rentals, lofts, and medical uses. This lot was historically used as a gasoline service station, and records exist of at least two underground storage tanks being present on the site.

Purpose of the Proposed Plan

The proposed plan is intended to accomplish the following purposes: First, upon approval of this Plan by the City Council, the Developer, Boulder Developments, LLC will be entitled to seek the approval of the Michigan Economic Growth Authority or the State Treasurer for a single business tax credit for up to 10% of their capital investment in their project. Second, the Detroit Brownfield Redevelopment Authority will be authorized to capture tax increment revenues produced from the development of properties subject to this Plan to offset the cost to Boulder Developments, LLC for the environmental, infrastructure and site preparation work performed on the property subject to the Plan. Total eligible investment for this project is estimated at \$7,340,000.00.

Property Subject to the Proposed Plan

The parcels comprising the eligible property included in this Brownfield Plan are situated on the north side of East Canfield bounded by Woodward on the west and John R on the east. The property lies in the easterly portion of Detroit's midtown, and across John R. from the city's main hospital complex.

Basis of Eligibility

The Property is considered "eligible property" as defined by Act 381, Section 2 because (a) the Property was previously utilized for a commercial and/or residential purposes; (b) it is located within the City of Detroit, a qualified local governmental unit under Act 381; and (c) the property is considered "blighted," because all of the existing buildings have had the utilities, plumbing, heating, or sewerage permanently disconnected, destroyed, removed, or rendered ineffective so that the property is unfit for its intended use, or it is adjacent or contiguous to such property. The interior of the former Melrose Hotel is compromised, with water damage and serious disrepair. The proposed parking structure with above-grade lofts operated as a carwash and is in need of significant renovation to create a useful structure. The buildings are no longer served by utilities and have experienced substantial structural decline due to its exposure to external elements and misuse.

Eligible Activities and Projected Costs

The "eligible activities" planned for the Property are identified by Act 381 and include site preparation, public infrastructure improvements, asbestos abatement, and demolition. The DBRA is not responsible for any cost of eligible activities and will incur no debt. It is currently anticipated that eligible activities will begin in Spring of 2005 and construction in the Spring/Summer of 2005. Pre-sales will begin once the sales model is constructed in a portion of the retail area. Rehabilitation will be completed in the Spring of 2006.

Tax Increment Financing (TIF) Capture

The Developer desires to be reimbursed for the costs of eligible activities. Tax increment revenues generated by the Property will be captured by the Authority and used to reimburse the cost of the eligible activities completed on the Property after the approval of this Plan. No costs of eligible activities will be qualified for reimbursement except to the extent permitted in accordance with the terms and conditions of the Reimbursement Agreement. Total taxes to be captured are \$1,173,000 for reimbursement of eligible expenses, \$448,188 in administrative fees and \$1,372,400 captured taxes for the DBRA revolving loan fund.

Public Comments Received

The Committee's communication to the City Council and the Authority dated April 27, 2005 (Exhibit C), recommending approval of the Plan including the minutes of the Public Hearing held by the Authority on May 11, 2005 are enclosed for the City Council's consideration.

Authority's Request

The Authority is respectfully requesting the following actions from the City Council:

a) **June 1, 2005**

Honorable City Council:

Re: A&S Hospital Plaza Brownfield Plan.

The enclosed Brownfield Plan for A&S Hospital Plaza (the "Plan") (Exhibit A), submitted by the Detroit Brownfield Redevelopment Authority Board (the "Authority") to the Community Advisory Committee (the "Committee"), has been considered and reviewed by the Committee and a joint public hearing was held by the Authority on May 11, 2005 to solicit public comments. At its May 12, 2005 meeting, the Committee considered and approved a resolution recommending approval of the Plan by the Authority and City Council in the form presented by the Authority.

On May 18, 2005, the Authority adopted a resolution (Exhibit B) approving the Plan and authorizing the submission of a certified copy of its resolution and the Plan to the City Clerk, together with a request that the Detroit City Council call a public hearing concerning the Plan and to take all other actions to approve the Plan in accordance with Act 381.

The Plan is now presented to the City Council for approval. The Detroit City Council will, after publication of the notices required by law, hold a public hearing on the Plan. After the public hearing, the City Council shall determine whether the Plan constitutes a public purpose and, if so, may approve or reject the Plan or approve it with modifications.

Project Introduction

A&S Hospital Plaza, L.L.C. is the project developer ("Developer"). The project is a redevelopment of the former Northwest General Hospital into a retail mall and professional office building. The

project will include demolition and rehabilitation of the former building.

Purpose of the Proposed Plan

The proposed plan is intended to accomplish the following purposes: First, upon approval of this Plan by the City Council, the Developer, A&S Hospital Plaza, LLC will be entitled to seek the approval of the Michigan Economic Growth Authority or the State Treasurer for a single business tax credit for up to 10% of their capital investment in their project. Second, the Detroit Brownfield Redevelopment Authority will be authorized to capture tax increment revenues produced from the development of properties subject to this Plan to offset the cost to A&S Hospital Plaza, LLC for the environmental, infrastructure and site preparation work performed on the property subject to the Plan. Total eligible investment for this project is estimated at \$2,310,000.00.

Property Subject to the Proposed Plan

The property comprising the eligible property consists of one parcel identified as 8741-8777 West Chicago. The property is located on the west side of Detroit, bounded by West Chicago Avenue to the north, Wisconsin Avenue to the east, the property boundary and an alley to the south and Kentucky Avenue and an alley to the west.

Basis of Eligibility

The Property is considered "eligible property" as defined by Act 381, Section 2 because (a) the Property was previously utilized for a commercial purpose; (b) it is located within the City of Detroit, a qualified local governmental unit under Act 381; and (c) the Property is determined to be functionally obsolete as defined by Act 381. Mechanical and electrical systems must be replaced, interior finishes have been stripped and are not functional, life safety systems must be installed, a new security system must be installed, windows must be rehabilitated or replaced and the entire roof must be replaced.

Eligible Activities and Projected Costs

The "eligible activities" that are intended to be carried out at the Property are considered "eligible activities" as defined by Sec 2 of Act 381, because they include Baseline Environmental Assessment activities, due care activities, additional response activities, interior demolition and lead and asbestos abatement, site preparation, and utility/public infrastructure improvements. It is currently anticipated construction will begin in the summer of 2005 and eligible activities will be completed within 9 months.

Tax Increment Financing (TIF) Capture

The Developer desires to be reimbursed for the costs of eligible activities.

Tax increment revenues generated by the Property will be captured by the Authority and used to reimburse the cost of the eligible activities completed on the Property after the approval of this Plan. No costs of eligible activities will be qualified for reimbursement except to the extent permitted in accordance with the terms and conditions of the Reimbursement Agreement. Total taxes to be captured are \$540,000 for reimbursement of eligible expenses, \$226,882 in administrative fees and \$270,438 captured taxes for the DBRA revolving loan fund.

Public Comments Received

The Committee's communication to the City Council and the Authority, dated May 12, 2005 (Exhibit C), recommending approval of the Plan including the minutes of the Joint Public Hearing held by the Authority and the Committee on May 11, 2005 are enclosed for the City Council's consideration.

Authority's Request

The Authority is respectfully requesting the following actions from the City Council:

a) June 1, 2005

Line Item on City Council's Calendar indicating the Authority's request that the City Council adopts a resolution setting a Public Hearing for June 22, 2005 concerning the Plan for the A&S Hospital Plaza Brownfield Project.

Honorable City Council:

Re: NW Detroit Gateway Brownfield Plan.

The enclosed Brownfield Plan for NW Detroit Gateway (the "Plan") (Exhibit A), submitted by the Detroit Brownfield Redevelopment Authority Board (the "Authority") to the Community Advisory Committee (the "Committee"), has been considered and reviewed by the Committee and a public hearing was held by the Authority on May 11, 2005 to solicit public comments. At its April 27, 2005 meeting, the Committee considered and approved a resolution recommending approval of the Plan by the Authority and City Council in the form presented by the Authority.

On May 18, 2005, the Authority adopted a resolution (Exhibit B) approving the

Plan and authorizing the submission of a certified copy of its resolution and the Plan to the City Clerk, together with a request that the Detroit City Council call a public hearing concerning the Plan and to take all other actions to approve the Plan in accordance with Act 381.

The Plan is now presented to the City Council for approval. The Detroit City Council will, after publication of the notices required by law, hold a public hearing on the Plan. After the public hearing, the City Council shall determine whether the Plan constitutes a public purpose and, if so, may approve or reject the Plan or approve it with modifications.

Project Introduction

The NW Detroit Gateway project will redevelop a functionally obsolete site into a commercial retail complex consisting of approximately 320,000 square feet. The property will be owned by Eye on Detroit, LLC and Shafer Development LLC is the project developer. The new development will include two large (100,000 sq. ft./each) and three smaller commercial retail structures, their associated parking lot and three outlet structures or pads for future expansion. The development may also include a City of Detroit Police Substation. All existing structures will be demolished and the proposed retail development will be constructed to complement the existing commercial properties (south) and residential neighborhoods to the west & north.

Purpose of the Proposed Plan

The proposed plan is intended to accomplish the following purposes: First, upon approval of this Plan by the City Council, the Developer, Shafer Development, LLC will be entitled to seek the approval of the Michigan Economic Growth Authority or the State Treasurer for a single business tax credit for up to 10% of their capital investment in their project. Second, the Detroit Brownfield Redevelopment Authority will be authorized to capture tax increment revenues produced from the development of properties subject to this Plan to offset the cost to Shafer Development, LLC for the environmental, infrastructure and site preparation work performed on the property subject to the Plan. Total eligible investment for this project is estimated at \$45 million.

Property Subject to the Proposed Plan

The subject property totals 30 acres and is located along Telegraph Road, north of Seven Mile Road. More specifically, the eligible property of this Brownfield project consists of one hundred and six parcels, bounded by commercial property to the south, Lenore Street to the west, residential property on the north side of Frisbee Avenue, and Telegraph Road to the east. A legal

description is provided in Exhibit A along with the specific parcels and addresses. The property is presently zoned for Retail Development.

Basis of Eligibility

The project site has been declared to be functionally obsolete by the City of Detroit Board of Assessors due to the inability of the property immediate to Telegraph Road to function as originally intended. This inability is related to the continual expansion of Telegraph Road and the minimization of property area on the immediate parcels. The existing parcels do not meet the residential requirements of lot size, width to depth ratio, or setback requirements between the back property line and the existing structures. The residential neighborhood was designed to allow for access into a parcel's garage from an alley. This alley as well as much of the backyards has been eliminated creating no access into the remaining garages, limited space to allow for secondary access, and insufficient yard space.

Eligible Activities and Projected Costs

The "eligible activities" planned for the Property are identified by Act 381 at the property site preparation, public infrastructure improvements, asbestos abatement and demolition. It is currently anticipated that eligible activities will begin in August of 2005 and project completion is anticipated in 2007.

Tax Increment Financing (TIF) Capture

The Developer desires to be reimbursed for the costs of eligible activities. Tax increment revenues generated by the Property will be captured by the Authority and used to reimburse the cost of the eligible activities completed on the Property after the approval of this Plan. No costs of eligible activities will be qualified for reimbursement except to the extent permitted in accordance with the terms and conditions of the Reimbursement Agreement. Total taxes to be captured are \$10,120,681 for reimbursement of eligible expenses, \$646,955 in administrative fees and \$7,634,255 captured taxes for the DBRA revolving loan fund.

Public Comments Received

The Committee's communication to the City Council and the Authority, dated April 27, 2005 (Exhibit C), recommending approval of the Plan including the minutes of the Public Hearing held by the Authority on May 11, 2005 are enclosed for the City Council's consideration.

Authority's Request

The Authority is respectfully requesting the following actions from the City Council:

a) **June 1, 2005**

Re: Morgan Waterfront Estates Brownfield Plan.

The enclosed Brownfield Plan for Morgan Waterfront Estates (the "Plan") (Exhibit A), submitted by the Detroit Brownfield Redevelopment Authority Board (the "Authority") to the Community Advisory Committee (the "Committee"), has been considered and reviewed by the Committee and a public hearing was held by the Authority on May 11, 2005 to solicit public comments. At its April 27, 2005 meeting, the Committee considered and approved a resolution recommending approval of the Plan by the Authority and City Council in the form presented by the Authority.

On May 18, 2005, the Authority adopted a resolution (Exhibit B) approving the Plan and authorizing the submission of a certified copy of its resolution and the Plan to the City Clerk, together with a request that the Detroit City Council call a public hearing concerning the Plan and to take all other actions to approve the Plan in accordance with Act 381.

The Plan is now presented to the City Council for approval. The Detroit City Council will, after publication of the notices required by law, hold a public hearing on the Plan. After the public hearing, the City Council shall determine whether the Plan constitutes a public purpose and, if so, may approve or reject the Plan or approve it with modifications.

Project Introduction

Morgan Development, LLC is the project developer ("Developer"). Developer proposes to develop forty-three (43) single-family homes and ninety-two (92) low-rise condominium homes (the "Project") which are the subject of this Plan. The completed Project will include a total estimated construction of approximately 120,400 to 221,450 square feet of single-family residential homes and approximately 143,000 square feet of attached low-rise condominiums.

Purpose of the Proposed Plan

The proposed plan is intended to accomplish the following purposes: First, upon approval of this Plan by the City Council, the Developer, Morgan Development, LLC will be entitled to seek the approval of the Michigan Economic Growth Authority or the State Treasurer for a single business tax credit for up to 10% of their capital investment in their project. Second, the Detroit Brownfield Redevelopment Authority will be authorized to capture tax increment revenues produced from the development of properties subject to this Plan to offset the cost to Morgan Development, LLC for the environmental, infrastructure and site preparation work performed on the property subject to the Plan. Eligible investment for this project is estimated at \$39,342,694.

Property Subject to the Proposed Plan

The property comprising the eligible property consists of one parcel of land bounded by Freud Street to the north, Lycaste Avenue to the east, the Detroit River to the south and St. Jean Avenue to the west, in Detroit, Wayne County, Michigan.

Basis of Eligibility

The Property is considered "eligible property" as defined by Act 381, Section 2 because (a) the Property was previously utilized for an industrial purpose; (b) it is located within the City of Detroit, a qualified local governmental unit under Act 381; and (c) the Property is determined to be a facility as defined by Act 381. The Property consists of approximately 44 acres and has been previously used as a coal storage facility amongst other historical uses. There is extensive documentation related to the Property detailing the environmental conditions on-site based on previous investigations performed on the site by the Michigan Department of Environmental Quality (MDEQ). The Property is impacted by certain contaminants due to its historical use, and as such meets the definition of a "facility" under applicable Michigan law.

Eligible Activities and Projected Costs

The "eligible activities" that are intended to be carried out at the Property are considered "eligible activities" as defined by Sec 2 of Act 381, because they include Baseline Environmental Assessment activities, due care activities, additional response activities, public infrastructure improvements, and site preparation costs. It is currently anticipated construction will begin in the fall of 2005 and eligible activities will be completed within 24 to 36 months from the start of construction activities.

Tax Increment Financing (TIF) Capture

The Developer desires to be reimbursed for the costs of eligible activities. Tax increment revenues generated by the Property will be captured by the Authority and used to reimburse the cost of the eligible activities completed on the Property after the approval of this Plan. No costs of eligible activities will be qualified for reimbursement except to the extent permitted in accordance with the terms and conditions of the Reimbursement Agreement. Total taxes to be captured are \$11,393,600 for reimbursement of eligible expenses, \$217,745 in administrative fees and \$11,174,069 captured taxes for the DBRA revolving loan fund.

Public Comments Received

The Committee's communication to the City Council and the Authority, dated April 27, 2005 (Exhibit C), recommending approval of the Plan including the minutes of the Public Hearing held by the Authority on May 11, 2005 are enclosed for the City Council's consideration.

Authority's Request

The Authority is respectfully requesting the following actions from the City Council:

RESOLUTION CALLING A PUBLIC HEARING REGARDING APPROVAL OF THE BROWNFIELD PLAN OF THE CITY OF DETROIT BROWNFIELD REDEVELOPMENT AUTHORITY FOR THE MORGAN WATERFRONT ESTATES PROJECT REDEVELOPMENT

By Council Member Collins:
Whereas, The City of Detroit, County of Wayne, Michigan (the "City") is authorized

by the provisions of Act 381, Public Acts of Michigan, 1996 ("Act 381"), to create a brownfield redevelopment authority; and

Whereas, Pursuant to Act 381, the City Council of the City duly established the City of Detroit Brownfield Redevelopment Authority (the "Authority"); and

Whereas, In accordance with the provisions of Act 381, the Authority has prepared a Brownfield Plan for the Morgan Waterfront Estates Redevelopment (the "Brownfield Plan") and submitted the Brownfield Plan to the Community Advisory Committee for review and comment; and

Whereas, After receipt of the recommendation of the Community Advisory Committee to approve the Brownfield Plan, the Authority has approved the Brownfield Plan and forwarded it to City Council with a request for its approval; and

Whereas, Prior to approval of the Brownfield Plan, the City Council is required to hold a public hearing in connection with consideration of the Brownfield Plan pursuant to Act 381.

Now, Therefore, Be It Resolved That:

1. The City Council hereby acknowledges receipt of the Brownfield Plan from the Authority.

By Council Member Bates:

WHEREAS, Woodward Avenue is a corridor shared by eleven municipalities extending from the riverfront of the City of Detroit to the City of Pontiac; and

WHEREAS, Woodward Avenue is a State of Michigan Heritage Route, a part of the MotorCities National Heritage Area and Michigan's only U.S. Federal Highway Administration National Scenic (America's) Byway; and

WHEREAS, the heritage and assets of Woodward Avenue are recognized and valued as national treasures and special places; and

WHEREAS, it is important that Woodward Avenue reflect the quality and appearance worthy of its national status; and

WHEREAS, there are tens of thousands of residents, thousands of businesses and institutions, eleven municipalities, many non-profit community organi-

zations, two counties, and the Michigan Department of Transportation, all of which are stakeholders and have a role in the appearance and preservation of the Byway assets; and

WHEREAS, it is important that the Byway reflect a unifying theme while at the same time express unique community-district characteristics; and

WHEREAS, the bi-county Woodward Heritage Team has worked in conjunction with the various member communities and stakeholders along the Byway to develop the *Woodward Avenue Framework Design Plan for Public Spaces* which provides guiding principles for the coordinated design of public areas along the Byway; and

WHEREAS, the *Woodward Avenue Framework Design Plan for Public Spaces* includes a description of roles and responsibilities along with the guiding principles; and

WHEREAS, the implementation of the principles along with the implementation of the roles and responsibilities of the various parties identified in the *Woodward Avenue Framework Design Plan for Public Spaces* will result in an attractive, unified, harmonious, functional Byway; and

WHEREAS, the Woodward Heritage Team is desirous of assisting individual communities with their respective community efforts and potential funding opportunities as they relate to the *Woodward Avenue Framework Design Plan for Public Spaces*;

NOW, THEREFORE BE IT RESOLVED, that the Detroit City Council supports in principle the *Woodward Avenue Framework Design Plan for Public Spaces* and will consider inclusion of the concepts in the review of projects coming before the City Council; and

BE IT FURTHER RESOLVED, that City Council requests that City of Detroit administrative departments consider inclusion of the concepts in the Plan in their designs and projects for the Woodward corridor; and

BE IT FINALLY RESOLVED, that the City Clerk shall forward a copy of this resolution and Plan to the Detroit Economic Growth Corporation for that agency to consider in development of its plans.

Re: Neighborhood Enterprise Zone (NEZ) Certificate Applications for Units 1-4 at 291 Edmund Place in the Crosswinds Communities/Brush Park NEZ (Recommend Approval).

The City Clerk's Office forwarded to this office 4 applications from Yes2 Properties LLC for Neighborhood Enterprise Zone (NEZ) certificates within the Crosswinds Communities/Brush Park NEZ. Your Honorable Body approved the Crosswinds Communities Brush Park NEZ designation on July 17, 1996.

Certificates are being requested for Units 1-4 at 291 Edmund Place. The properties involved are confirmed as being within the boundaries of the NEZ and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. Yes2 Properties LLC has applied for the certificates (according to Buildings and Safety Engineering Department records), prior to the issuance of building permits on behalf of future owners who will occupy the property. It is appropriate for Yes2 Properties LLC to apply for certificates at this time even if buyers have not yet been identified. The State Tax Commission, however, will not issue a certificate until an owner is identified. When an owner is identified, he or she can then apply for the certificate. At that time, it would not be necessary for City Council to pass another resolution.

The petitioner proposes to rehabilitate a single-family historic home (most recently used as a rooming house) into four condominium units. The developer will need to submit to the State Tax Commission a list of the parcels that are to receive the certificates with a map showing the parcels.

Please contact Mr. Gregory Moots of my staff at 224-2110 with any questions.

Re: Neighborhood Enterprise Zone (NEZ) Certificate Applications for 1480 Townsend and 1490 Townsend, within the Islandview Village NEZ (Recommend Approval).

The City Clerk's Office forwarded to this office applications from English Village Lofts, LLC for Neighborhood Enterprise Zone (NEZ) certificates for 1480 Townsend and 1490 Townsend within the Islandview Village NEZ. Your Honorable Body approved the Islandview Village NEZ designation on May 1, 1996.

The properties involved are confirmed as being within the boundaries of the NEZ and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. The developer has applied for the certificates (prior to the issuance of building permits, according to Buildings and Safety Engineering records), on behalf of future owners who will occupy the property. Zone Certificate. THIS APPLICATION HAS BEEN REVIEWED AND RECOMMENDED FOR APPROVAL BY THE CITY PLANNING COMMISSION, A COPY OF WHICH IS ATTACHED. Therefore, the attached Resolution, if adopted by your Honorable Body, will approve this application. A waiver of reconsideration is requested.

Respectfully submitted,

JACKIE L. CURRIE

City Clerk

By Council Member Collins:

Whereas, Michigan Public Act 147 of 1992 allows the local legislative body to establish Neighborhood Enterprise Zones for the purpose of providing exemption from ad valorem property taxes, and the imposition of specific property tax in lieu of ad valorem taxes; and

Whereas, The Detroit City Council has established a Neighborhood Enterprise Zone for the following area, in the manner required by and pursuant to Public Act 147 of 1992, on November 15, 2000.

Re: Community and citizen involvement in approval of events to be held at parks, street closings and special events.

Pursuan to your Honorable Body's request, the Research & Analysis Division (RAD) has revised our original resolution regarding the granting of "Special Events" status for events to be held in the City's parks or on the City's streets.

Respectfully submitted,

DAVID D. WHITTAKER

Interim Director

By Council Member Collins:

Whereas, The City of Detroit receives numerous requests for the use of its parks and the temporary closure of streets for Special Events; and

Whereas, Special Events require approval from the Detroit City Council and/or the Detroit Recreation Department; and

Whereas, Some Special Events that are held in the City of Detroit's parks and on its streets adversely impact the surrounding neighborhoods and thoroughfares; and

Whereas, Due to such adverse impact, residents and community groups of those various neighborhoods have requested that their concerns be heard prior to the event; and Now Therefore Be It

Resolved, That prior to the approval of Special Events permits, citizens and community groups or other interested persons be granted an opportunity to appear before the Detroit City Council Neighborhood and Community Services Committee for public comment; and Be It Finally

Resolved, That the Detroit City Council encourages the City of Detroit's Recreation Department to participate in this process.

Re: Petition from South University Village, LLC, Establishment of an Obsolete Property Rehabilitation District at 55 Canfield (Graybar Building) under Public Act 146 of 2000 (Petition #3616)(RA).

South University Village, LLC, proposes to rehabilitate the above-referenced property into a retail/commercial and parking lot on the first floor. The residential portion will be owner occupied. The Developer has petitioned for tax abatement on this project to make it financially feasible.

The Planning & Development and Finance Departments have reviewed the petition and determined that it meets the

criteria for tax abatement as set forth in the Act. We recommend that the Obsolete Property Rehabilitation District be established.

The Act requires that, prior to your Honorable Body's passage of a resolution establishing the District, a Public Hearing must first be conducted. We request that a date and time for such a Public Hearing be established, in accordance with the attached resolution and legal description, for the purpose of considering the establishment of the requested District.

Respectfully submitted,
HENRY B. HAGOOD

Director of Development Activities

By Council Member K. Cockrel, Jr.:

Whereas, Pursuant to Public Act No. 146 of Public Acts of 2000 ("the Act") this City Council has the authority to approve "Obsolete Property Rehabilitation Districts" within the boundaries of the City of Detroit; and

Whereas, South University Village, LLC, has petitioned (Petition #3616) this City Council for the establishment of an Obsolete Property Rehabilitation District in the area of 55 Canfield; and

Whereas, The Act requires that, prior to establishing an Obsolete Property Rehabilitation District, the City Council shall provide an opportunity for a Public Hearing on establishment of the District, at which Public Hearing representatives of any taxing authority levying ad valorem taxes within the City, or any owner of real property within the proposed District, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter; and

Now Therefore Be It

Resolved, That on the 8TH day of JULY, 2005, at 11:00 a.m. in the City Council Committee Room, 13th Floor, Coleman A. Young Municipal Center, a Public Hearing be held on the Application of an Obsolete Property Rehabilitation District at the site referred to above, the proposed District more fully described in Exhibit A attached hereto; and be it finally

Resolved, That the City Clerk shall give notice of the Public Hearing to the general public and shall give written notice by certified mail to the taxing authorities and to the owners of all real property within proposed District, such notice to be given at least ten days, but no more than thirty days, prior to the date of the Public Hearing.

Honorable City Council:

Re: Establishment of the Vinton Building Neighborhood Enterprise Zone.

Attached for your consideration please find a resolution and legal description which will establish the Vinton Building Neighborhood Enterprise Zone (NEZ) in accordance with Public Act 147 of 1992 ("the Act").

Your Honorable Body conducted a public hearing on this matter on April 8, 2005 as required by the Act. No impediments to the establishment of the NEZ were presented at the public hearing.

As you may recall the Vinton Building LLC proposes to invest \$5 million to convert a former office building into 11 residential dwellings with parking and retail outlets. The units will be marketed upward of \$400,000.

The Act requires that at least 60 days must pass from the date of the notice of the public hearing to the date of your formal approval of a resolution establishing the NEZ. The date of the notice of the public hearing is March 22, 2005 and we therefore recommend that you approve the resolution at your next regular formal session.

Respectfully submitted,
HENRY B. HAGOOD

Director of Development Activities
By Council Member S. Cockrel:

Whereas, Michigan's Public Act 147 of 1992, the Neighborhood Enterprise Zone Act ("the Act"), provides for the establishment of Neighborhood Enterprise Zones (NEZs), the exemption from *ad valorem* taxes, and the imposition of a specific property tax in lieu of *ad valorem* real property taxes within NEZs; and

Whereas, The City of Detroit meets all the distress criteria set forth within the Act; and

Whereas, The Detroit City Council finds that designation of certain areas as NEZs is consistent with the adopted Master Plan, as amended, and will further the economic and physical development goals and objectives of the City by encouraging new housing starts and housing rehabilitation, thereby aiding in the preservation of existing neighborhoods and preventing further decay in others; and

Whereas, The Detroit City Council has found the establishment of the Vinton Building NEZ to be consistent with the Detroit Master Plan of Policies and the neighborhood preservation and development goals of the City; and

Whereas, The Detroit City Council has adopted a statement of goals, objectives and policies relative to the maintenance, preservation, improvement, and development of housing for all persons regardless of income level living within proposed NEZs; and

Whereas, The Detroit City Council has enacted a housing inspection ordinance requiring that before the sale of a unit in a new or rehabilitated facility for which an NEZ Certificate is in effect, an inspection is to be made of the unit to determine compliance with Chapter 26 of the Code of the City of Detroit; and

Whereas, The Act requires that the designation of NEZs must be approved by a resolution adopted by the local governmental unit subsequent to a public hearing at which any taxpayer or resident, or representative of any taxing authority levying a property tax in the City of Detroit, was given the opportunity to address the requested establishment of an NEZ; and

Whereas, A public hearing on the issue of establishing the Vinton Building NEZ was conducted before the Detroit City Council on April 8, 2005, with notice of the public hearing having been given to the general public and by certified mail to every taxing authority levying a property tax with the City of Detroit; and

Whereas, No impediments to the establishment of the Vinton Building NEZ are known;

Now Therefore Be It

Resolved, That the land area described in the attached legal description, and shown on the attached map, is hereby established as the Vinton Building NEZ pursuant to Public Act 147 of 1992, the Neighborhood Enterprise Zone Act.

Honorable City Council:
Re: Public Hearing on Establishment of the Morgan Waterfront Estates Neighborhood Enterprise Zone as Requested by the Morgan Development, LLC in Accordance with Public Act 147 of 1992.

The Planning & Development Department and the Finance Department have reviewed the Master Plan and the neighborhood preservation and development

goals of the City, and find that establishment of the Morgan Waterfront Estates Neighborhood Enterprise Zone would be consistent with the neighborhood preservation and development goals and with the Master Plan.

Public Act 147 of 1992, commonly referred to as the Neighborhood Enterprise Zone (NEZ) Act, in Section 3(1) states "the governing body of a local governmental unit by resolution may designate one (1) or more neighborhood enterprise zones". Prior to acting upon the resolution establishing an NEZ, a public hearing must be held, and the City Clerk must provide written notice of the public hearing to the assessor and to the governing body of each taxing unit that levies an ad valorem tax within the pro-

posed NEZ, said notice to be made not less than 60 days prior to your Honorable Body's passage of a resolution designating an NEZ.

The boundaries of the proposed NEZ are described in Exhibit A (legal description) and illustrated in the map also attached. The developer proposes to construct 333 new housing units at a cost of \$75 million.

We request that a Public Hearing be scheduled on the issue of establishing this NEZ, as required by the NEZ Act. Attached for your consideration please find a resolution establishing a date and time for the public hearing, together with the aforesaid map and legal description of the proposed NEZ.

Respectfully submitted,

Re: Transfer of Jurisdiction & Sale of Surplus Property, Surplus Property Sale — Vacant Land — 1528 Garfield.

The Detroit Recreation Department has declared the above-captioned property surplus to its needs and requests that the Planning and Development Department assume jurisdictional control over the property which consists of vacant land measuring approximately 19,000 square feet.

We are now in receipt of an offer to purchase the captioned property from Adam J. Maida, Roman Catholic Archbishop of the Archdiocese of Detroit for the amount of \$10,450.00 on a cash basis plus an \$18 deed recording fee. The sales proceeds are to be deposited in the Recreation Department's revolving account for acquisition and development. The purchaser proposes to use this property in conjunction with their adjacent property to create a memorial area in addition to landscaping the site. We, therefore, request that your Honorable Body approve the attached resolution authorizing the Recreation Department to transfer jurisdiction of the above-captioned property to the Planning & Department.

We, also, request that your Honorable Body adopt the sale and authorize the Planning and Development Department Director of Development Activities, or his authorized designee to execute a Quit Claim Deed to purchase and develop this property with Adam J. Maida, Roman Catholic Archbishop of the Archdiocese of Detroit, for the sales price of \$10,450.00 on a cash basis plus an \$18.00 deed recording fee and such other documents as may be necessary to effect the sale.

We, further, request that the sales proceeds be deposited in the Recreation Department's revolving account for acquisition and development.

Re: Property For Sale By Development Development: 22 Harmon.

We are in receipt of an offer from Adam J. Maida, Roman Catholic Archbishop of the Archdiocese of Detroit, to purchase the above-captioned property for the amount of \$2,700 and to develop such property. This property consists of a vacant dilapidated structure in need of extensive repair and contains approximately 2,868 square feet and is zoned R-3 (Low-Density Residential District).

The property is part of a single structure of row houses located on Harmon, east of Woodward. The Offeror owns all of the row houses except for 22 Harmon. An inspection of the structure has indicated that the upper floors are in a state of imminent collapse. The Offeror wishes to purchase 22 Harmon so that they may demolish the entire structure. The Offeror, in conjunction with property they already own, proposes to landscape and create greenspace to enhance and improve its adjacent facilities. The Blessed Sacrament Cathedral Church complex consists of a worship facility, community center and paved surface parking lot for the storage of licensed operable vehicles. In addition, housing and administrative offices are currently slated for construction. This use is permitted as a matter of right in a R-3 zone.

We, therefore, request that your Honorable Body adopt the sale and authorize the Planning and Development Department Director of Development Activities to issue a quit claim deed to the property and such other documents as may be necessary to effect the sale.

Respectfully submitted,

HENRY B. HAGOOD

Director of Development Activities

April 12, 2005

Honorable City Council:

Re: Authorization to accept \$37,500.00 grant funds from the Michigan Family Independence Agency, OCRS Grant number JP 05-82001, to conduct a program for Youth and Communities Allied for Action grant.

The Recreation Department requests authorization to accept a \$37,500.00 grant from the Michigan Family Independence Agency, to conduct the YCAA Program (Youth and Communities Allied for Action). The Department also requests authorization to set up Appropriation No. 11337 and Organization No. 398502, to facilitate the expenditure of funds for this project.

The YCAA Program will access the resources of the SWCDS (Southwest Counseling and Development Services) and the CPSD (Community Partnership of Southwest Detroit). Both of these Organizations are located in Southwest Detroit. The YCAA Program will offer a variety of academic and character enriching activities to at-risk children. Participants will learn career enhancement skills. Activities will include job readiness training, tutor/study hall, sports officiating techniques, league and tournament play in four identified sports and a host of other activities.

The After School portion of the program will serve elementary school age children. Programming will consist of homework time, free time, and structured activities including computer classes, arts and crafts, sports and recreation, cooking and monthly birthday parties.

The Department requests the authorization of your Honorable Body to expend the funds from the YCAA program, with a waiver of reconsideration.

Respectfully submitted,
CHARLES BECKHAM
DIRECTOR

By Council Member Collins:

Whereas, The City of Detroit, through the Recreation Department has been offered a grant from the Michigan Family Independence Agency, to conduct the Youth and Communities Allied for Action program, now, therefore be it

Resolved, That the director of the

Finance Department be and is hereby authorized to establish Appropriation No. 11337 and Organization No. 398502, in the amount of \$37,500.00, and, be it further

Resolved, that the Director of the Finance Department be and is hereby authorized to establish the necessary accounts and honor vouchers and pay-rolls when presented in accordance with the foregoing communication and standard City procedures.

May 31, 2005

Honorable City Council:

Re: Resolution authorizing the issuance and sale of not to exceed \$55,000,000 City of Detroit, Michigan Revenue Anticipation Notes, Series 2005.

The attached Resolution authorizes the issuance and sale of the subject Notes for the purpose of paying operating expenditures of the city in the current fiscal year in anticipation of the collection of state revenue sharing and subordinated distributable state aid for the next succeeding fiscal year.

This resolution replaces the earlier one issued to your Honorable Body in mid-April. This Resolution reflects revisions that corrected certain errors and eliminated a recital to more accurately reflect the need for and circumstances for the transaction.

It is anticipated that the sale will occur late June. The attached Resolution has been prepared by Bond Counsel and I recommend its adoption by your Honorable Body, with waiver of reconsideration, at your next formal session.

Respectfully submitted,
SEAN K. WERDLow
Chief Financial Director

By Council Member Collins:

WHEREAS, The City of Detroit, a municipal corporation (the "City") of the State of Michigan (the "State"), has been duly created under the provisions of The Home Rule Act of the State, Act 279, Public Acts of 1909, as amended ("Act 279"), pursuant to which the City has the comprehensive home rule power conferred upon it by Act 279 and The Constitution of the State of 1963 (the "Constitution"), subject only to the limitations on the exercise of that power contained in the Constitution, by statute of the State or by provisions of the City Charter of the City (the "City Charter"); and

WHEREAS, Pursuant to the City Charter the City may borrow money for any purpose within the scope of its powers, may issue bonds or other evidences of indebtedness therefor, and may, when permitted by law, pledge the full faith credit and resources of the City for the payment of those bonds or other evidences of indebtedness; and

WHEREAS, The State has enacted Act 34, Public Acts of 2001, as amended ("Act 34") relative, inter alia, to the borrowing of money and the issuance of certain debt and securities, to provide for tax levies, to authorize the issuance of certain debt and securities and to generally govern municipal finance practices in the State; and

WHEREAS, The City is defined to be a "municipality" under Act 34 that has the power to issue a security such as a bond, note, contract, obligation or other similar instrument under the provisions of Act 34; and

WHEREAS, This City Council has been advised by the Mayor and Finance Director of the City that there is a need for the City to borrow on a short term basis in the current fiscal year in anticipation of the collection of certain revenues of the City for the next succeeding fiscal year a sum to pay necessary operating expenditures

of the City in the current fiscal year of the City; and

WHEREAS, Pursuant to Act 34, Act 279 and the City Charter, the City may issue short-term municipal securities to finance the difference between revenues and expenditures in order to pay necessary operating expenditures of the City for the current fiscal year in anticipation of the collection of state shared revenues of the City under the Glen Steil State Revenue Sharing Act of 1971, Act 140, Public Acts of 1971, as amended ("Shared Revenues") for the next succeeding fiscal year for the payment of such municipal securities by the end of the next fiscal year; and

WHEREAS, Under Act 34, this City Council may adopt a resolution authorizing the issuance of a municipal security which resolution shall make an appropriation of Shared Revenues for the next succeeding fiscal year of the City in order to repay the municipal security from the receipts of such revenues; and

WHEREAS, Under Act 34, the issuance of such short-term municipal securities to pay operating expenditures of the City shall not exceed 50% of the Shared Revenues for the last preceding fiscal year, as determined by the Michigan Department of Treasury; and

WHEREAS, The total Shared Revenues for the last preceding fiscal year was \$287,007,890; therefore by virtue of the provisions of Act 34 the maximum amount the City could borrow through the issuance of short-term municipal securities for the current fiscal year at 50% of the Shared Revenues for the last preceding fiscal year is \$143,503,945; and

WHEREAS, The State has enacted Act 97, Public Acts of 1981 ("Act 97"), to permit the State Treasurer to approve and make eligible for participation under Act 97 obligations of a municipality upon application to the State Treasurer to provide for the application of certain state shared revenues for payment of such obligations or to allow the pledge of Distributable State Aid (hereinafter defined) for other obligations; and

WHEREAS, While Act 97 was amended to prohibit a municipality from issuing distributable aid obligations beginning March 1, 2002, under the provisions of Section 10(3) of Act 97 a municipality may pledge and assign Distributable State Aid to obligations of the municipality authorized by law after July 14, 1981, and the notes authorized to be issued by this Resolution are authorized by the provisions of Act 34, which was enacted in 2001; and

WHEREAS, The City currently has outstanding Distributable State Aid Obligations (hereinafter defined) under that certain Supplemental Full Faith and Credit General Obligation Solid Waste Disposal Contract between the City and the Greater Detroit Resource Recovery

Authority ("GDDRA"), dated October 23, 1991, as amended and under Amendment No. 2 to that certain Full Faith and Credit and Unconditional Solid Waste Disposal Contract between GDRRA and the City, dated March 21, 1996 (collectively, the "Solid Contract"); and

WHEREAS, Pursuant to the Solid Contract the City has pledged and assigned to the GDRRA for the benefit of the holders of Distributable State Aid Obligations of the City under the Solid Contract "all of the City's right, title and interest in and to (a) all Distributable State Aid," as defined in the Solid Contract, "payable to the City by the State as provided in Act 97" to be paid by the State Treasurer on behalf of the City to and held by the State Aid Trustee, as defined in the Solid Contract, "as security for, and for the benefit of, the owners or holders (and their assigns) of the Outstanding Distributable State Aid Obligations ... and all other obligations of the City payable from Distributable State Aid," as defined in the Solid Contract, issued or incurred in accordance with the Solid Contract and Act 97; and

WHEREAS, Pursuant to the Solid Contract, "all Distributable State Aid paid by the State Treasurer to the State Aid Trustee shall be subject to a lien which ... a statutory lien (x) paramount and superior to all other liens, except for liens of equal standing in favor of" Outstanding Senior Distributable State Aid Obligations (hereinafter defined) of the City under the Solid Contract and "future State distributable state aid obligations issued or incurred by the City" under the Solid Contract and Act 97 and "(y) ranking equally and ratably with all such liens of equal standing for the sole purpose of paying" Distributable State Aid Obligations of the City and "(z) with respect to any ... Subordinate DSA Obligations," as defined in the Solid Contract, "is subordinate only to the lien in favor of the Senior DSA Obligations," as defined in the Solid Contract; and

WHEREAS, The City, to further secure the Series 2005 Notes (hereinafter defined), desires to issue the Series 2005 Notes under Act 34 with the pledge and assignment of distributable aid authorized by Section 10(3) of Act 97 for the benefit of the holders of the Series 2005 Notes as obligations payable from Distributable State Aid, and entitled to receive on a subordinated basis, the benefits of the Set Aside Trust Fund (hereinafter defined) under the Solid Contract; and

WHEREAS, Under the Solid Contract, the City may not issue or incur additional obligations on a parity with existing Senior Distributable State Aid Obligations of the City unless "the average annual Distributable State Aid received by the City in the 36 complete month period preceding the date of issuance or incurrence of

such proposed additional obligations (calculated by the Finance Director in the manner required by Act 97) [is] at least three times the maximum aggregate annual debt service on Outstanding [Senior] Distributable State Aid Obligations" (as defined in the Solid Contract) and the proposed additional obligations payable from such Distributable State Aid and other conditions contained in the Solid Contract (the "Coverage Test"); and

WHEREAS, Obligations may also be issued without satisfying the Coverage Test contained in the Solid Contract, as Subordinated Distributable State Aid Obligations and, pursuant to Act 97, are eligible to be secured by Distributable State Aid if the "maximum debt service on the obligations for which eligibility is sought, together with the debt service on all outstanding [Senior and Subordinated] distributable aid obligations of the same municipality and any other pledges by the same municipality of distributable aid payable in any fiscal year, shall not exceed 50% of the average distributable aid received by that municipality in the 36 months preceding the date the application for eligibility is filed"; and

WHEREAS, The City may create a pledge on Distributable State Aid, in accordance with Act 97 and as contemplated by the Solid Contract, which is subordinate to the lien in favor of the Outstanding Senior Distributable State Aid Obligations and on a parity with Outstanding Subordinated Distributable State Aid Obligations (hereinafter defined) but nevertheless in favor of the notes authorized in this Resolution; and

WHEREAS, This City Council desires to determine that short-term municipal securities shall be issued to pay necessary operating expenditures of the City for the current fiscal year, to prescribe the form of the short-term municipal security to be issued (the "Series 2005 Notes"), provide for the rights of the purchasers and owners of such Series 2005 Notes and the enforcement thereof; and

WHEREAS, In connection with the sale, execution and delivery of the Series 2005 Notes this City Council desires to delegate to the Finance Director of the City the power to make certain determinations delegable to him for and on behalf of this City Council.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Detroit as follows:

Section 1. Definitions. Except as defined in the Premises above or when otherwise indicated by the context, the following terms when used in this Resolution shall have the following meanings:

"Authorized Denomination" means \$5,000 or any integral multiple thereof.

“Outstanding Senior Distributable State Aid Obligations” means the Distributable State Aid Obligations outstanding under or created by the Solid Contract or Act 97 on the date hereof, which have a first lien on Distributable State Aid.

“Outstanding Subordinated Distributable State Aid Obligations” means the Distributable State Aid Obligations outstanding under or created by the Solid Contract or Act 97 on the date hereof, which have a second lien on Distributable State Aid.

“Person” means a natural person, firm, association, corporation, public body or any other legal entity.

“Purchase Contract” means the contract for sale of the Series 2005 Notes to the Underwriters thereof.

“Regular Record Date” means the fifteenth day of the month immediately preceding the Maturity Date.

“Representation Letter” means the blanket Letter of Representations from the City and the Transfer Agent to DTC dated on or before the date of delivery of the Series 2005 Notes.

“Sale Order” means any one or more orders of the Finance Director authorizing acts consistent with this Resolution necessary and appropriate to complete the sale, execution and delivery of the Series 2005 Notes and/or such other matters as are authorized herein.

“Senior Distributable State Aid Obligations” means those Distributable State Aid Obligations secured by a first lien on Distributable State Aid, including all Senior DSA Obligations, as defined in the Solid Contract.

“Series 2005 Notes” means City of Detroit, Michigan Revenue Anticipation Notes, Series 2005 authorized by this Resolution, consisting of fixed rate short-term municipal securities under Act 34, secured under the provisions of Act 34, this Resolution and the Sale Order, and, on a subordinated basis, secured by Distributable State Aid under Act 97 and pursuant to the terms of the Solid Contract, which may be issued in one or more separate series with appropriate series designations, all as finally determined in the Sale Order.

“Set Aside Trust Fund” means the 1989 City of Detroit Distributable State Aid Bonds Set Aside Trust Fund established by Section 501 of the Set Aside Trust Fund Resolution.

“Set Aside Trust Fund Resolution” means the resolution duly adopted by the City Council of the City on September 20, 1989 which authorized the issuance by the City of the certain Distributable State Aid Obligations.

“Shared Revenues” means revenues of the State under Act 140, Public Acts of 1971 shared by the State with the City under the provisions thereof.

“Subordinated Distributable State Aid Obligations” means those Distributable State Aid Obligations, including the Series 2005 Notes, secured by a second lien on Distributable State Aid, including all Subordinate DSA Obligations, as defined in the Solid Contract.

“Subordinated Distributable State Aid” means Distributable State Aid and the Set Aside Trust Fund pledged on a basis subordinate to the pledge thereof to the Senior Distributable State Aid Obligations.

“Transfer Agent” means U.S. Bank National Association.

“Underwriters” means Loop Capital Markets, LLC, Chicago, Illinois, a duly organized investment banking firm under applicable law and such other underwriters, if any, as shall be designated in the Sale Order.

Section 2. Necessity; Public Purpose. It is hereby determined to be necessary for the public health, benefit, safety and welfare of the City to issue the Series 2005 Notes to finance and pay necessary operating expenditures of the City in the current fiscal year (2004/2005) of the City in anticipation of the collection of Shared Revenues and, on a subordinated basis, Distributable State Aid and the issuance of such Series 2005 Notes is hereby approved and accepted.

Section 3. Maximum Amount of 2005 Notes Authorized. City Council hereby determines that the maximum amount that the City can borrow based on 50% of the Shared Revenues for the last preceding fiscal year (2003/04) which are \$287,007,890, is \$143,503,945 and that the City can borrow on a subordinated basis sums of Distributable State Aid within the limitations of the Solid Contract and Act 97.

Section 4. Issuance of Series 2005 Notes. To pay all or a part of the necessary operating expenditures of the City for the current fiscal year (2004/2005) pursuant to Act 34, Act 97, the Charter and applicable law, the City shall borrow the sum of not to exceed \$55,000,000 in original principal amount, as finally determined in the Sale Order, and issue the Series 2005 Notes therefor. The Series 2005 Notes shall be secured by a pledge of Shared Revenues of the City under Act 34. The Series 2005 Notes shall also have a subordinate lien on Distributable State Aid, subordinate to the City's Senior Distributable State Aid Obligations and on parity with Subordinated Distributable State Aid Obligations under Act 97. The proceeds of the Series 2005 Notes shall be used to pay the necessary operating expenditures of the City referenced above and to pay Issuance Costs, such amounts in each case to be finally determined in the Sale Order. The Series 2005 Notes shall be issuable as one or more separate series of notes and shall bear such dis-

tinctive designations of the City as determined by the Finance Director in the Sale Order.

Section 5. Series 2005 Notes Details: Issuance in Series; Registration and Redemption of Notes. The Series 2005 Notes shall be designated CITY OF DETROIT, MICHIGAN REVENUE ANTI-CIPATION NOTES), SERIES 2005, with such further designation beginning with the letter "A" as shall be set forth in the Sale Order, and shall be payable out of the Shared Revenues in accordance with Act 34 and Subordinated Distributable State Aid in accordance with Act 97, as set forth more fully in Section 6 hereof. Each series of Series 2005 Notes shall be issued as Fixed Rate Notes in such amounts as determined in a Sale Order, shall be numbered in some convenient manner, and shall mature on the Maturity Date as shall be determined in the Sale Order.

The 2005 Notes may bear interest within the limitations of Act 34. The Series 2005 Notes may be sold at an aggregate net discount (distinct from any compensation to be paid to the Underwriters in the form of a discount or any other Issuance Costs of the Series 2005 Notes) of not greater than 3%, all as shall be determined in a Sale Order, provided that the true interest cost (TIC) of the Series 2005 Notes shall not be greater than 5%. Except as hereinafter provided, interest on the Series 2005 Notes shall be payable at the Maturity Date to the registered owner of record as of the Regular Record Date. The principal and interest of the Series 2005 Notes shall be payable at the Transfer Agent as principal paying agent or at such other co-paying agents as may be designated in the Sale Order, upon presentation and surrender of the appropriate Series 2005 Notes.

The Series 2005 Notes will be dated such date as determined in the Sale Order and will be issued in Authorized Denominations. The registered owner of any Series 2005 Note may exchange such Series 2005 Note for other Series 2005 Notes of the same series and like maturity in Authorized Denominations by surrendering the notes to be exchanged at the designated office of the Transfer Agent, together with an assignment duly executed by the registered owner thereof or his attorney or legal representative in such form as shall be satisfactory to the Transfer Agent.

All of the Series 2005 Notes will be issued in a book-entry system of registration, and actual purchasers of the Series 2005 Notes will not receive certificated Series 2005 Notes; provided, however, that the Finance Director may determine not to continue the system of book-entry registration, in which event fully registered note certificates, subject to the transfer

and exchange requirements of this Resolution, shall be issued to the registered owners of the Series 2005 Notes. It is intended that the Series 2005 Notes be registered so as to participate in a securities depository system (the "DTC System") with DTC, as set forth herein. Each series of the Series 2005 Notes shall be initially issued in the form of a separate single fully registered note in the amount of each separate stated maturity thereof, if any. Upon initial issuance, the ownership of each such Series 2005 Note shall be registered in the name of Cede & Co., as the nominee of DTC, and except as provided below with respect to termination of the book-entry only system, all of the outstanding Series 2005 Notes shall be registered in the name of Cede & Co., as the nominee of DTC. The Finance Director is authorized to execute and deliver such letters to or agreements with DTC as shall be necessary to effectuate the DTC system, including the Representation Letter.

With respect to Series 2005 Notes registered in the name of Cede & Co., as nominee of DTC, the City and the Transfer Agent shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which DTC holds Series 2005 Notes from time to time as securities depository (a "Depository Participant") or to any Person on behalf of whom such a Depository Participant holds an interest in the Series 2005 Notes (an "Indirect Participant"). Without limiting the immediately preceding sentence, the City and the Transfer Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co., any Depository Participant or any Indirect Participant with respect to any ownership interest in the Series 2005 Notes, (ii) the delivery to any Depository Participant or any Indirect Participant or any other Person, other than a registered owner of a Series 2005 Note, of any notice with respect to the Series 2005 Notes, or (iii) the payment to any Depository Participant or any Indirect Participant or any other Person, other than a registered owner of a Series 2005 Note, of any amount with respect to principal of or interest on the Series 2005 Notes. While in the DTC System, no Person other than Cede & Co., or any successor thereto, as nominee for DTC, shall receive a Series 2005 Note certificate evidencing the obligation of the City to make payments of principal and interest pursuant to this Resolution. Upon delivery by DTC to the Transfer Agent of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Resolution with respect to interest checks or drafts being mailed to the registered owner, the word "Cede &

Co." in this Resolution shall refer to such nominee of DTC; and upon receipt of such a notice the Transfer Agent shall promptly deliver a copy of the same to each paying agent, if any.

In the event that (a) the City determines that DTC is incapable of discharging the responsibilities described herein and in the Representation Letter, (b) the Representation Letter shall be terminated for any reason or (c) DTC or the City determines that it is in the best interest of the beneficial owners of the Series 2005 Notes that they be able to obtain certificated notes, the City shall notify DTC and DTC Participants of the availability through DTC of note certificates and the Series 2005 Notes shall no longer be restricted to being registered in the name of Cede & Co., as nominee of DTC. At that time, the City may determine that the Series 2005 Notes shall be registered in the name of and deposited with a successor depository operating a securities depository system, as may be acceptable to the City, or such depository's agent or designee, and if the City does not select such alternate securities depository system then the Series 2005 Notes may be registered in whatever name or names the registered owner of Series 2005 Notes transferring or exchanging Series 2005 Notes shall designate, in accordance with the provisions hereof.

Notwithstanding any other provisions of this Resolution to the contrary, so long as any Series 2005 Note is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of and interest on such Series 2005 Note and all notices with respect to such Series 2005 Note shall be made and given, respectively, in the manner provided in the Representation Letter.

The Series 2005 Notes shall not be subject to redemption prior to maturity.

Section 6. Payment of Series 2005 Notes. The Series 2005 Notes and the interest thereon shall be payable from Shared Revenues and Subordinated Distributable State Aid. To the extent that Shared Revenues and Subordinated Distributable State Aid are insufficient, the City pledges to pay the principal of and interest on the Series 2005 Notes as a first budget obligation from the proceeds of an annual levy of ad valorem taxes on all taxable property in the City, subject to applicable constitutional, statutory, and charter limitations.

(a) Shared Revenues. Subject to the last sentence of this Section 6(a), the City hereby covenants that to secure payment of the Series 2005 Notes, from the first collections of Shared Revenues for the 2005/2006 fiscal year of the City there shall be set aside in the Note Repayment Fund to be used exclusively for the payment of principal and interest on the

Series 2005 Notes, a portion of each dollar of Shared Revenues received that is not less than 125% of the percentage that the principal amount of the 2005 Notes bears to the amount of the Shared Revenues remaining to be collected in the 2005/2006 fiscal year until the amount set aside in the Note Repayment Fund is sufficient to pay in full the principal of and interest on the Series 2005 Notes on the Maturity Date (each such set aside is hereinafter the "Set Aside Amount"). The requirements of the preceding sentence shall apply to all installments of Shared Revenues collected by the City. Monies on deposit in the Note Repayment Fund may be used only to pay the outstanding principal of and interest on the Series 2005 Notes. After the payment in full of all principal and interest on the Series 2005 Notes at the Maturity Date or thereafter and if the City has no further payment obligations to the holders of such Series 2005 Notes, the balance on deposit in the Note Repayment Fund may be disbursed to the City upon the filing with the Transfer Agent a certificate of the Finance Director or the City stating no further obligations are due from the City to holders of the Series 2005 Notes. Because a large component of Distributable State Aid consists of Shared Revenues, the City hereby acknowledges the City's prior contractual obligations to set aside Distributable State Aid until there are sufficient funds to pay Outstanding Distributable State Aid Obligations, notwithstanding the set aside requirements contained in Act 34 and in this Section 6(a). In order to harmonize the set aside requirement of Act 34 with the preexisting pledge of Shared Revenues as a component of Distributable State Aid, the provisions of this Section 6(a) shall be deemed to be satisfied by the City so long as Subordinated Distributable State Aid is paid for the benefit of the Series 2005 Notes under the provisions of Section 6(b) hereof in the amounts and at times that would be sufficient to pay each Set Aside Amount as provided in this Section 6(a), beginning with the first set aside commencing after the setting aside of Distributable State Aid for Outstanding Distributable State Aid Obligations as provided in the Solid Contract.

(b) Subordinated Distributable State Aid. To further secure and provide for payment of the Series 2005 Notes, the City hereby pledges and assigns for the benefit of the holders of the Series 2005 Notes, on a subordinated basis, all of the City's right, title and interest in and to (a) all Distributable State Aid payable to the City by the State as provided in Act 97 and (b) the Set Aside Trust Fund. The City acknowledges that it has created and established with the State Aid Trustee a separate segregated trust fund designat-

ed "1989 City of Detroit Distributable State Aid Set Aside Trust Fund." The City does hereby determine and direct that all Distributable State Aid payable to the City shall continue to be paid by the State to the State Aid Trustee to be held by the State Aid Trustee in the Set Aside Trust Fund as security for, and for the benefit of, the owners or holders (and their assigns) of, Distributable State Aid Obligations in accordance with the Solid Contract, Act 97, and this Resolution. The Set Aside Trust Fund shall be held by the State Aid Trustee and applied, in accordance with Act 97, as provided in the Solid Contract, in the Set Aside Trust Fund Resolution, and in this Resolution, to the payment of the Distributable State Aid Obligations in accordance with the Solid Contract, Act 97, and this Resolution. The Set Aside Trust Fund and all Distributable State Aid paid by the State Treasurer to the State Aid Trustee shall be subject to a lien which is under the Solid Contract and Act 97 made a statutory lien (x) paramount and superior to all other liens (including the subordinate lien on Distributable State Aid in favor of the Series 2005 Notes pursuant to this Resolution and other Subordinated Distributable State Aid Obligations), except for liens of equal standing in favor of Outstanding Senior Distributable State Aid Obligations and future Senior Distributable State Aid Obligations hereinafter issued or incurred by the City within limitations under the Solid Contract and Act 97 provided and (y) ranking equally and ratably with all such liens of equal standing, for the sole purpose of paying the Senior Distributable State Aid Obligations and (z) with respect to Subordinated Distributable State Aid Obligations, is subordinate only to the lien in favor of Senior Lien Distributable State Aid Obligations. As provided in Act 97, the State Aside Trust Fund and all Distributable State Aid held by the State Aid Trustee in the Set Aside Trust Fund shall be exempt from being levied upon, taken, sequestered, or applied toward paying the debts or liabilities of the City other than the payment of Distributable State Aid Obligations issued or incurred in accordance with the Solid Contract and Act 97.

The Finance Director shall notify in writing the State Treasurer of the date, original principal amount, designation, name and address of the paying agent, and the amounts and Maturity Dates of each issue of Series 2005 Notes payable on a subordinated basis from Distributable State Aid (whose amount and payment date has then been determined) not later than the closing date of the Series 2005 Notes (the "Series 2005 Notes Distributable State Aid Notice"). The Finance Director shall advise the State Treasurer in the Series 2005 Notes

Distributable State Aid Notice that funds for the payment of the Distributable State Aid Obligations shall thereafter include funds to pay on a subordinated basis principal of and interest on Series 2005 Notes and shall be paid to the State Aid Trustee first for the benefit of the holders of the Senior Distributable State Aid Obligations and second the holders of the Subordinated Distributable State Aid Obligations, including the Series 2005 Notes. The Series 2005 Notes Distributable State Aid Notice shall be substantially in the form attached hereto as Exhibit B. A certified copy of this Resolution of the City Council authorizing and approving the issuance of the Series 2005 Notes shall be attached to the Series 2005 Notes Distributable State Aid Notice. The Finance Director shall also cause a copy of the Series 2005 Notes Distributable State Aid Notice, together with a certified copy of this Resolution of the City Council authorizing and approving the issuance of the Series 2005 Notes, to be delivered to the State Aid Trustee not later than the closing date for the Series 2005 Notes.

In accordance with the requirements of Act 97, upon receipt of the Series 2005 Notes Subordinated Distributable State Aid Notice, the State Treasurer shall thereafter pay all Distributable State Aid payable to the City with respect to the Series 2005 Notes to the State Aid Trustee on a subordinated basis to the Distributable State Aid required to be paid by the State Treasurer for the Outstanding Senior Distributable State Aid Obligations and future parity obligations of the City payable from Distributable State Aid issued and incurred in accordance with the Solid Contract and Act 97, until the State Treasurer is notified in writing by the State Aid Trustee that there is on deposit in the Set Aside Trust Fund, sufficient funds to pay installments of all Outstanding Distributable State Aid Obligations, such future issued and incurred obligations of the City payable from Distributable State Aid due and, on a subordinated basis, the Series 2005 Notes during the Operating Year as hereinafter provided.

With respect to this Resolution, City Council hereby acknowledges that payments of Distributable State Aid Obligations from Distributable State Aid moneys by the State Aid Trustee shall be governed by and controlled by the provisions of the Solid Contract in Section 306 of the Supplemental Full Faith and Credit General Obligation Solid Waste Disposal Contract, which includes pursuant to subsection 306(d) payment "to the paying agent for the Outstanding Distributable State Aid Obligations".

Because Distributable State Aid consists largely of Shared Revenues and

because Act 34, the statutory authority for issuing the Series 2005 Notes as obligations secured by Shared Revenues, specifies the payment mechanism for the Series 2005 Notes, the statutorily required mechanism for paying the Series 2005 Notes through set aside payments, as described in this Section 6, shall govern payment of the Series 2005 Notes, notwithstanding the Solid Contract; provided, however, the Distributable State Aid Obligation payment provisions of the Solid Contract shall continue to apply to other Distributable State Aid Obligations issued or outstanding thereunder and under Act 97. During the 2005/2006 Operating Year, when the State Aid Trustee has on deposit in the Set Aside Trust Fund Distributable State Aid or other funds of the City in an amount sufficient to pay or provide for payment of all installments of the Outstanding Distributable State Aid Obligations and any future obligations of the City payable from Distributable State Aid issued and incurred in accordance with the Solid Contract and Act 97, other than the Series 2005 Notes, the State Aid Trustee shall set aside in a separate account of the Set Aside Trust Fund, from the next available dollars of Distributable State Aid and each subsequent receipt of Distributable State Aid, amounts equal to the Set Aside Amounts until there has been set aside in such separate account an amount sufficient, without investment thereof, to pay principal and interest on the Series 2005 Notes when due. After payment of each such Set Aside Amount, the balance of each payment of Distributable State Aid shall be paid to the City or its Agent. After the amount in the separate account in the Set Aside Trust Fund is sufficient to pay, without investment thereof, principal and interest on the Series 2005 Notes, all amounts in such separate account shall be transferred to the Transfer Agent for the Series 2005 Notes when the Series 2005 Notes become due and payable.

During the 2005/2006 Operating Year, when the State Aid Trustee has on deposit in the Set Aside Trust Fund Distributable State Aid or other funds of the City in an amount sufficient to pay or provide for payment of all installments of the Outstanding Distributable State Aid Obligations and any future obligations of the City payable from Distributable State Aid issued and incurred in accordance with the Solid Contract and Act 97 payable during such Operating Year, it shall notify the State Treasurer in writing substantially in the form attached hereto as Exhibit C (a "Sufficiency Notice") that it has on deposit sufficient funds to pay the installments of the Outstanding Distributable State Aid Obligations and any other obligations of the City payable from Distributable State Aid issued and

incurred in accordance with the Solid Contract and Act 97 payable during such Operating Year, and shall thereafter pay all monies on deposit in excess thereof to the City or its agent. Pursuant to Act 97, the State Treasurer thereafter shall pay to the State Aid Trustee in its capacity as agent of the City all Distributable State Aid due the City, until the next Operating Year, and the State Aid Trustee shall pay such Distributable State Aid to the City. Starting with the next Operating Year, the State Treasurer shall thereafter again pay all Distributable State Aid to the State Aid Trustee in its capacity as such trustee for the holders of Distributable State Aid Obligations, until again notified that sufficient funds are on hand as provided in Act 97 and the Solid Contract. Notwithstanding the provisions of the preceding three sentences, if the State Aid Trustee shall at any time prior to the end of an Operating Year after having given a Sufficiency Notice in respect of such Operating Year receive notice from the Finance Director that additional amounts in respect of Distributable State Aid Obligations issued and incurred in accordance with the Solid Contract and Act 97 will be payable during such Operating Year, the State Aid Trustee shall forthwith so notify the State Treasurer and, upon receipt of such notice by the State Treasurer, any Sufficiency Notice theretofore given in respect of such Operating Year will, for purposes of this paragraph, be deemed ineffective, and thereafter the State Treasurer shall again pay all Distributable State Aid to the State Aid Trustee in its capacity as trustee for the owners or holders of the Distributable State Aid Obligations, until the State Treasurer may thereafter be notified, as provided in Act 97 and the Solid Contract, that sufficient funds are on hand. In accordance with Act 97, all income derived from the investment of monies held by the State Aid Trustee shall be credited to the account of the City and shall be paid to the City or its agent when the next payment is made by the State Aid Trustee to the City or its agent.

The pledge and assignment of Distributable State Aid created by this Resolution for the benefit of the holders of the Series 2005 Notes shall be on a subordinated basis to the pledge of Distributable State Aid as security for the Outstanding Senior Distributable State Aid Obligations, and with any Senior Distributable State Aid obligations of the City hereafter issued or incurred in accordance with Act 97 and the Solid Contract and on a parity with the Outstanding Subordinated Distributable State Aid Obligations and future Subordinated Distributable State Aid Obligations which may be issued pursuant to the Solid Contract and Act 97. The City may issue

or incur additional obligations pledging Distributable State Aid under Act 97 on parity with the Senior or Subordinated Distributable State Aid Obligations but only upon compliance with and subject to the provisions of Act 97 and the Solid Contract. The City shall not issue or incur obligations payable from Distributable State Aid with a priority of payments senior to the Distributable State Aid Obligations.

In the event that 15 Business Days prior to a payment date for Distributable State Aid Obligations, moneys on deposit in the Set Aside Trust Fund are not sufficient to pay the Distributable State Aid Obligations due on such payment date the State Aid Trustee shall give notice of such insufficiency as provided in the Solid Contract. Upon the receipt of such notice the City shall pay to the State Aid Trustee on or prior to such payment date sufficient funds, when taken with monies already on deposit and monies otherwise made available, to pay the amount of the insufficiency stated in the notice. In the event that 5 Business Days prior to a payment date for Distributable State Aid Obligations, moneys on deposit in the Set Aside Trust Fund are not sufficient to pay principal of and/or interest on Distributable State Aid Obligations due on such payment date, the State Aid Trustee shall request the State Treasurer to advance sufficient Distributable State Aid available under Act 97 to pay the amount of such sufficiency.

The directions provided by the City to the State Aid Trustee as set forth in the State Aid Trust Fund Resolution and in the Solid Contract are not amended or superseded to the extent of any conflict by any provision of this Resolution.

Section 7. Credit Enhancement and Other Agreements. The Finance Director is authorized to obtain and enter into an agreement with respect to a letter of credit, policy of bond insurance, surety bond, guarantee or similar instrument issued by a financial, insurance or other institution, and which provides security in respect of all or part of the Series 2005 Notes, provided that the Finance Director determines that such credit enhancement is in the best interests of the City. The Finance Director is also authorized to obtain and enter into a forward commitment to provide a letter of credit, bond insurance, a surety bond, guarantee or similar instrument issued by a financial, insurance or other institution, and which provides security in respect of such amount of additional 2005 Notes as the Finance Director shall determine, provided that the Finance Director determines that such forward commitment for such credit enhancement is in the best interests of the City. The Finance Director is hereby authorized to pay for the cost of such for-

ward commitment from the proceeds of the Series 2005 Notes or any other funds of the City legally available therefor. In connection with the execution of any of the agreements authorized by this Section 7, the Finance Director is authorized to include in the Sale Order, such covenants and agreements of the City as shall be necessary or appropriate, and, if necessary or appropriate, to appoint a trustee and to prescribe the powers and duties of such trustee in the Sale Order.

Section 8. Funds and Accounts; Flow of Funds. There is hereby established pursuant to this Resolution a trust fund to be held by the City and designated the "Note Fund Series 2005" for receipt of the proceeds of the 2005 Notes.

There is hereby established pursuant to this Resolution a special trust fund to be held by the City in a bank account separate from any other money of the City and designated the "Note Repayment Fund". The Finance Director is authorized to establish within the Note Repayment Fund such subaccounts corresponding to any additional series of Notes issued under this Resolution. There shall be deposited in the Note Repayment Fund the Shared Revenues collected by the City for repayment of the 2005 Notes in accordance with the set aside requirement of Act 34 and this Resolution pursuant to Section 6(a) or as provided in Section 6(b) hereof. Money in the Note Retirement Fund shall be used for no other purpose other than to retire notes issued under this Resolution.

Section 9. Series 2005 Notes Proceeds. From the proceeds of the sale of the Series 2005 Notes there shall be immediately deposited in the Note Repayment Fund established in Section 6 of this Resolution, an amount equal to the accrued interest received on the delivery of the Series 2005 Notes, if any.

The balance of the proceeds of the sale of the Series 2005 Notes shall be deposited in the Note Fund established in Section 8 of this Resolution and used to pay necessary operating expenses of the City for the current (2004/2005) fiscal year.

Section 10. Series 2005 Note Form. The Series 2005 Notes shall be in substantially the form set forth in Exhibit A attached hereto, with such changes and additions (including without limitation, to reflect any applicable credit enhancement) as shall be established pursuant to a Sale Order within the parameters of this Resolution.

Section 11. Covenants Regarding Exclusion of Interest on the Series 2005 Notes for Federal Tax Purposes. The City hereby covenants and represents with the registered owners of the Series 2005 Notes that so long as any of the Series 2005 Notes remain outstanding and

unpaid as to either principal or interest, the City shall, to the extent permitted by law, take all actions within its control to maintain, and will refrain from taking any action which would impair the exclusion of the interest on the Series 2005 Notes from gross income for federal income tax purposes under the Code, including, but not limited to, actions relating to any required rebate of arbitrage earnings and the expenditure and investment of Series 2005 Notes proceeds and moneys deemed to be Series 2005 Notes proceeds, and to prevent the Series 2005 Notes from being or becoming "private activity bonds" as that term is used in Section 141 of the Code or an "arbitrage bond, as that term used in Section 148 of the Code.

Section 12. Continuing Disclosure. Unless otherwise set forth in a Sale Order because of an exemption from Rule 15c-2-12 (the "Rule"), the Series 2005 Notes are hereby subject to the continuing disclosure requirements of federal securities laws as applicable to the City and the City hereby agrees to abide by the provisions thereof so long as any Series 2005 Notes are outstanding. The Finance Director is hereby authorized to execute a continuing disclosure undertaking of the City in compliance with the Rule.

Section 13. Sale of Series 2005 Notes.

(a) The Series 2005 Notes shall be sold at negotiated sale to the Underwriters named in the Purchase Contract in a form on file with the Finance Director, with such changes thereto as the Finance Director shall determine are in the best interests of the City, within the parameters established hereby. Such changes within the parameters of this Resolution shall be conclusively established by the Finance Director's execution and delivery of the Purchase Contract to the Representative on behalf of the Underwriters. The Finance Director is authorized to accept, on behalf of the City, an offer from the Representative to purchase the Series 2005 Notes wherein the aggregate compensation to be paid to the Underwriters shall not be more than 1% of the original principal amount of the Series 2005 Notes, on terms and conditions provided in the Purchase Contract approved by the Finance Director.

(b) The sale of the Series 2005 Notes to the Underwriters pursuant to a negotiated sale is hereby approved. The reasons for choosing a negotiated sale instead of a competitive sale include the belief of the Council, based upon the recommendation of the Finance Director and the City's Financial Advisor, that a negotiated sale will allow the Series 2005 Notes to be offered to investors in the most efficient manner possible while also allowing sufficient flexibility to adjust to market structuring and timing demands in order

to result in the lowest possible borrowing costs to the City.

The Purchase Contract shall be dated of the sale of the Series 2005 Notes. The Finance Director is hereby authorized and directed to execute the Purchase Contract for and on behalf of the City and, upon execution by the Representative, to receive the good faith check, if any, described therein.

(c) The Finance Director is authorized to determine whether to require a good faith check from the Underwriters or, in lieu thereof, to require the Underwriters to pay liquidated damages to the City for the failure (other than as permitted by the Purchase Contract) to accept delivery of, and pay for, the Series 2005 Notes.

Section 14. Delegation of Authority to, and Authorization of Actions of, Finance Director. (a) The Finance Director shall determine, in addition to any determinations authorized elsewhere in this Resolution, on the basis of his evaluation of the maximum amount of Series 2005 Notes which can be sold, given anticipated interest rates or for any other reasons, whether to offer the full authorized amount of the Series 2005 Notes or whether to offer the Series 2005 Notes as two or more issues. If the Finance Director determines to offer the Series 2005 Notes as more than one issue, then each separate issue shall conform to the requirements established in this Resolution with respect to the Series 2005 Notes, shall bear a distinctive designation, consistent with the definition of the term "Series 2005 Notes" herein, as shall be determined by the Finance Director and in such case the Finance Director shall have the power and authority to make all determinations and decisions with respect to each such issue. The Finance Director may also cause the preparation of and approve the form and distribution of a preliminary and a final official statement or other offering materials to be used in conjunction with the sale or offering of the Series 2005 Notes and deem the preliminary official statement "final" for purposes of the Rule. The Finance Director shall also determine and establish, in accordance with this Resolution, the Maturity Date or dates for the Series 2005 Notes.

(b) The Finance Director is hereby authorized and directed to do and perform any and all acts and things with respect to the Series 2005 Notes which are necessary or appropriate to carry into effect, consistent with this Resolution, the authorizations herein contained, including without limitation, financial advisory services, the securing of ratings by bond rating agencies, the acquisition of bond insurance, letter of credit, surety bond, guarantee or similar instrument issued by a

financial, insurance or other institution, and which provides security in respect of all or part of the Series 2005 Notes, the printing of the Series 2005 Notes (if required) and the incurring of reasonable fees, costs and expenses incidental to the foregoing, for and on behalf of the City.

(c) All determinations and decisions of the Finance Director with respect to the issuance and sale of the Series 2005 Notes as permitted or required by this Resolution shall be ratified, confirmed and approved in the Sale Order upon filing of the Sale Order with the Clerk of the City Council.

(d) During the Finance Director's absence or disability, or while the Finance Director's position is vacant, the Deputy Finance Director shall exercise all the powers, perform all the duties and make all the determinations herein required or permitted with respect to the Series 2005 Notes.

Section 15. Transfer Agent. The initial note registrar, paying agent, and Transfer Agent for the Series 2005 Notes shall be U.S. Bank National Association, Detroit, Michigan.

Section 16. Execution of Series 2005 Notes. The Mayor and the Finance Director are hereby authorized and directed to execute the Series 2005 Notes by manual or facsimile signature for and on behalf of the City and in its name, to impress or imprint thereon or affix thereto the official seal of the City or a facsimile thereof and to deliver the Series 2005 Notes to the Underwriters upon receiving the purchase price therefor in lawful money of the United States.

Section 17. Official Statement. The Finance Director is hereby authorized to execute the final Official Statement with respect to the Series 2005 Notes in the form approved by him with such changes as the Finance Director may authorize. Such final Official Statement or other offering materials to be used in conjunction with the sale or offering of the Series 2005 Notes may be authorized to be printed and used by the Underwriters in connection with the sale of the Series 2005 Notes to the public in the Sale Order. Circulation of the Preliminary Official Statement by the Underwriters shall be approved by the Finance Director.

Section 18. Ratification. All determinations and decisions of the Finance Director and of the Mayor with respect to the issuance and sale of the Series 2005 Notes as permitted or required by this Resolution or by law as of the date of adoption of this Resolution are ratified, confirmed and approved.

Section 19. Additional Authorization. The Mayor, City Clerk, Finance Director, other officials of the City, and their deputies and staff, or any of them, are

hereby authorized to execute and deliver such certificates, documents, instruments, opinions and other papers as may be deemed necessary or appropriate to complete the sale, execution and delivery of the Series 2005 Notes as determined by such persons executing and delivering the foregoing items.

Section 20. Resolution a Contract. The provisions of this Resolution shall constitute a contract between the City and any registered owner of the Series 2005 Notes.

Section 21. Appointment of Note Counsel. The appointment of the law firm of Lewis & Munday, A Professional Corporation, of Detroit, Michigan as Note Counsel for the Series 2005 Notes is hereby ratified and confirmed, notwithstanding the periodic representation by Lewis & Munday, A Professional Corporation, in unrelated matters of other parties and potential parties to the issuance of the Series 2005 Notes. The fees and expenses of Lewis & Munday, A Professional Corporation, shall be payable as a Cost of Issuance from the proceeds of the Series 2005 Notes or other available funds of the City in accordance with the letter of such firm on file with the Finance Director.

Section 22. Repeal; Savings Clause. All other ordinances, resolutions or orders, or parts thereof, in conflict with the provisions of this Resolution are, to the extent of such conflict, hereby repealed.

Section 23. Severability; Paragraph Headings; and Conflict. If any section, paragraph, clause or provision of this Resolution shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Resolution. The paragraph headings in this Resolution are furnished for convenience of reference only and shall not be considered to be part of this Resolution.

Section 24. Publication. This Resolution shall be published in full in The Detroit Legal News, a newspaper of general circulation in the City qualified under State law to publish legal notices, promptly after its adoption.

Section 25. Effective Date. This Resolution shall be effective immediately upon adoption.

**CITY OF DETROIT, MICHIGAN
REVENUE ANTICIPATION NOTE
SERIES 2005**

KNOW ALL MEN BY THESE PRESENTS, that the City of Detroit hereby acknowledges itself to owe and for value received promises to pay to the registered holder hereof, on the _____ day of _____, _____, the sum of _____

_____ DOLLARS

together with interest thereon from the date hereof until such date at the rate of _____ percent (____%) per annum, in lawful money of the United States of America in Federal Reserve Funds, upon presentation and surrender of this note, at _____ in the City of

Detroit, Michigan.

This note is issued pursuant to and in accordance with the Constitution of the State of Michigan of 1963, statutes of the State of Michigan (the "State") and the Charter of the City of Detroit pursuant to and in accordance with a resolution duly adopted by the City Council of the City of Detroit, for the purpose of providing funds to pay necessary operating expenditures incurred by the City pursuant to appropriations for the City's fiscal year beginning July 1, 2004. This note is not subject to redemption prior to maturity.

This note is issued in anticipation of the receipt by the City of certain State shared revenues under Act 140 of the Public Acts of 1981 in the next succeeding fiscal year of the City, which State shared revenues shall be set aside in a note retirement fund in accordance with the resolution for the prompt payment of the principal of and the interest on this note when due. The City has pledged, and does hereby pledge to set aside from the collection of such State shared revenues a portion of each dollar of state shared revenues collected by the City in its 2005/2006 fiscal year that is not less than 125% of the percentage that the principal amount of all notes issued under the resolution bear to the amount of State shared revenues remaining to be collected in the City's next succeeding fiscal year until the amount set aside in the note repayment fund for all notes is sufficient to pay in full the principal of and interest on the notes.

Additional notes, secured by a like pledge on parity with the foregoing pledge, may be issued for the above-stated purpose, subject to constitutional and statutory limitations.

This note is also issued in anticipation of the receipt by the City of certain State distributable aid in the next succeeding fiscal year of the City, which State distributable aid shall be set aside in a set aside trust fund, on a subordinated basis to other obligations senior to this note, for the equal and ratable benefit of the holders of this note and any other obligations of the City to which State distributable aid to be received by the City has been pledged on a subordinated basis to other obligations senior to this note. The City has pledged and does hereby pledge on a subordinated basis to other obligations senior to this note such State distributable aid to the payment of the principal and interest on this note junior and senior to all other outstanding obligations of the City secured by such State distributable state aid. As long as State distributable state aid is set aside in sufficient amounts to pay the principal and interest on this note, the set aside requirement of the preceding paragraph with respect to State shared revenues shall not apply.

To the extent that the foregoing revenues received from the State are insufficient, the City pledges to pay the principal of and interest on this Note as a first budget obligation from the proceeds of an annual levy of ad valorem taxes on all taxable property in the City, subject to applicable constitutional, statutory, and charter limitations.

It is hereby certified, recited and declared that all acts, conditions and things required to exist, happen and to be performed, precedent to and in the issuance of this note and the notes of said series, do exist, have happened and have been performed in due time, form and manner as required by the Constitution and statutes of the City of Detroit, and that the total indebtedness of the City, including this note and said series of notes of which this is one, does not exceed any Constitutional or statutory limitation.

IN WITNESS WHEREOF, the City of Detroit, by authority of its City Council, has caused this note to be signed for and on its behalf and in its name by manual or facsimile signatures of the Mayor and Finance Director of the City, and the official seal of the City or a facsimile thereof to be impressed or imprinted thereon, all as of the _____ day of 2005.

Re: Pledge of Distributable State Aid for
City of Detroit Revenue Anticipation
Notes, Series 1995

In accordance with Section 6 of the Michigan Municipal Distributable Aid Bond Act, Act 97, Public Acts of Michigan, 1981, as amended ("Act 97"), this notice is to confirm that on the date hereof the City of Detroit, Michigan (the "City") incurred certain obligations (the "Series 2005 Notes") as set forth in the enclosed resolution of the City Council adopted April ____, 2005 (the "Authorizing Resolution"), in an aggregate principal amount of \$_____. All capitalized terms which are used but not defined herein shall have the respective meanings set forth in the Authorizing Resolution. U.S. Bank National Association, whose address is 535 Griswold, Suite 550, Detroit, MI 48226, Attention: Corporate Trust Department, is the paying agent for the Outstanding Distributable State Aid Obligations and the Series 2005 Notes. Accordingly, all Distributable State Aid due the City of Detroit, Michigan (the "City") in respect of the Outstanding Distributable State Aid Obligations and the Series 2005 Notes should henceforth be paid directly to U.S. Bank National Association (as State Aid Trustee, and as paying agent for the Outstanding Distributable State Aid Obligations and the Series 2005 Notes or as the agent for receipt and depository for the City's Distributable State Aid). The Series 2005 Notes shall be payable from Distributable State Aid on a subordinate basis to the Senior Distributable State Aid Obligations and on a parity with the Subordinated Distributable State Aid Obligations.

Please promptly acknowledge and concur in writing with the provisions for payment of Distributable State Aid to the State Aid Trustee pursuant to the City's pledge of Distributable State Aid to the payment of the Series 2005 Notes and the Outstanding Distributable State Aid Obligations as described in the Authorizing Resolution and as required by Act 97.

I have enclosed a copy of the final debt service requirements showing the amounts and due dates of the Outstanding Distributable State Aid Obligations and the Series 2005 Notes for

your files and a certified copy of the Authorizing Resolution.

Should you have any questions please feel free to contact the undersigned.

Very truly yours,

**RESOLUTION IN MEMORIAM
FOR**

CURTIS ANDERSON SR.

By COUNCIL MEMBER S. COCKREL:

WHEREAS, Curtis Anderson, Sr., an only child, was born to the union of the late Daniel Lee and Artis Anderson on December 5, 1937, in Chattanooga, Tennessee. His family relocated to Inkster, Michigan in the late 1940's.

WHEREAS, In 1955, Curtis graduated from Inkster High School, where he played basketball and was captain of the baseball team. A standout second baseman, for years he played for the Inkster Pirates, a semi-pro league. Scouts for the Detroit Tigers were courting him before an injury ended his professional baseball aspirations.

WHEREAS, He earned both his bache-

lor and master degrees in education from Wayne State University. In 1961, while at Wayne, he pledged Omega Psi Phi Fraternity, Nu Sigma Chapter. While in college, he met Santranelle Thomas. Their friendship turned into more than three years of dating and they eventually married in 1964 at Allen Temple AME.

WHEREAS, Three children were born from their union, and each shared a special relationship with their dad; as one said: "Dad always made us feel like an only child whenever we talked to him." Though he was a committed educator, he was a self-less husband and father, putting others needs above his own.

WHEREAS, He began his career as an English and Social Studies teacher at Detroit's Foch Junior High School, where he worked from 1962-1965. After Foch until 1969 Curtis taught history at Detroit Central High School, where he was voted most popular teacher more than once. During the summer, he taught high school students in the Upward Bound college prep program at Wayne State University. During summer ends, his students would perform skits that Curtis wrote, produced and directed.

WHEREAS, He was recruited to teach Black History classes at Bloomfield Hills Cranbrook after students protested for these classes. He taught there part-time for more than 15 years. He spent more than 35 years as a history professor at Oakland Community College.

WHEREAS, Curtis will always be remembered as a giving, accepting, even-tempered, yet strong willed, determined man who loved to share his wealth of historical knowledge and compassion with so many people.

WHEREAS, Curtis departed this life on Sunday, May 15, 2005 at Sinai Grace Hospital. NOW, THEREFORE, BE IT

RESOLVED, On Friday, May 20, 2005 the Detroit City Council hereby joins with his family and friends in cherishing the wonderful memories. May he Forever be in your Hearts.

COMMUNICATIONS FROM Executive Office

June 2, 2005

Honorable City Council:

On April 12, seven weeks ago, I presented to City Council a balanced budget for the 2005-2006 fiscal year. That budget contained a number of measured assumptions designed to preserve the basic level of services that we must provide to guarantee a livable city for our citizens. At that time, I expressed to Council my willingness to work together, to leave the politics at the door, and to work cooperatively toward the best solution for Detroit.

On May 3, City Council stopped the hearings process and ceased all communications, in which they receive information from the various departments regarding the details of their budget. They then turned to the Working Group, comprised of the legislative staff and the Auditor General, who refused input from my office and other City departments.

The working group's recommendations were drawn up without any consideration on what effects these cuts would have on overall operations, management, public safety, homeland security and a wealth of other issues.

The result was a new budget that would gut key city services, particularly, public safety. It would force more than 600 police layoffs and 120 fire fighter layoffs — levels that would severely impact the safety of every resident and visitor in our city.

As your Mayor, I cannot let this happen.

I cannot, and I will not agree to a budget that would jeopardize the public safety of the citizens of this city in a manner that is unacceptable, irresponsible, and irrational.

More than 90% of the City Council's proposed budget cuts severely impact public safety, therefore, I must veto the entire proposed budget presented by the Detroit City Council.

I cannot in good conscience negotiate any proposal that would force the layoffs of over 600 sworn officers and over 100 firefighters. And just so we are clear, these layoffs would take effect in 30 days on July 1st.

The public safety of the citizens of Detroit is not a bargaining chip.

That is particularly true when the budget I presented included cuts in both the Police and Fire budgets. Both departments already have committed to taking their fair share of the cuts. In Police, I presented a \$37 million dollar budget cut, which included not filling 500 vacant positions, and left the current level of officers on the street intact.

The additional \$70 million dollar cut proposed by Council, brings the total cuts in the Police department to \$107 million dollars.

In Fire, I presented a budget plan that includes reductions and layoffs, and keeps fire stations open. Council proposed an additional \$21 million dollars in cuts to the Fire Department, which would clearly mean layoffs, 120 layoffs, thereby closing fire stations.

It is important to state, that the additional 10% salary cuts in Days With Out Pay (DOWOP's) that council proposed for Police and Fire legally cannot be implemented. The only alternative is to lay off an additional 182 Police officers and an additional 73 firefighters. Totalling 794 Police officer layoffs and 193 Fire fighter layoffs.

These additional cuts would be particularly devastating at a time when we are making tremendous progress in our fight against crime. Major crimes have been reduced to the lowest level since 1963. Homicides are down 24 percent this year.

And the homicide closure rate has been increased dramatically to 61 percent this year, compared to 44 percent last year.

We simply cannot turn our backs on this progress.

Just last week, our Fire department responded to three homes burning in 4

minutes from the time the 911 call was received. Since 2003, EMS has cut its response time by 10 minutes and the numbers continue to improve. Again, we cannot turn our backs on progress.

During the 2003 Black Out, Detroit received national recognition for our preparedness and response. Investments in equipment and smarter technology have built stronger, more efficient police and fire forces, thus increasing public safety.

These departments, working with Deputy Mayor Anthony Adams and under the leadership of Chief Ella Bully-Cummings and Commissioner Tyrone Scott, continue to work with the Administration and Council to do their part in sharing in the fiscal sacrifices that plague our city, state and nation. In doing so, they continue to improve public safety for all of Detroit.

Homeland security is not what it used to be 10 years ago or 3 years ago! Public Safety in our country has taken on new meaning and an increased level of intensity since 9-11 making public safety a local, national and international threat. As a border city, where the entry point for millions of dollars of goods and services flow into the United States, it is important that we maintain a safe and secure border.

The Council's budget proposes to eliminate Homeland Security and Emergency Management, which will make this city more vulnerable, return a direct flow of \$20 million dollars in federal funds to the county to manage and operate, and erase the hard work of this department to make Detroit's Homeland Security department a national model for other cities.

Council's unwillingness to restore the drastic cuts they have made in Public Safety, especially in Police and Fire is not in the best interest of the citizens of this City. That is even more true at a time when Detroit is preparing to host national events such as the Major League Baseball All Star Game and the Super Bowl beginning in a few months, not to mention the city's local and annual events, the upcoming Fireworks, summer festivals and parades is not rational.

I have acknowledged the efforts of the members of council to tackle the budget and I commend them in their unity and hard work. However, the reason that we began work on this budget on October 6, months before the formal address is delivered, is because the budget process is complex and its consequences are great.

Detroit is the 10th largest metro economy in the United States. And the 37th largest metro-economy in the world. You cannot develop a budget for a city of this size in two weeks, focusing only on numbers without meeting with and listening to the people that perform the services and the people who use them.

People, functions, services, safety —

this is the heart of city government. this is what makes a budget a living document. Council stated in its' budget that they made cuts to "functions" not personnel in the Police and Fire departments. They said that any decision to layoff police officers would be the decision of the Mayor, not Council.

There is not way you can make the size of cuts that they have made in this budget without massive layoffs in police and fire. That is the only place cuts of that size can be made.

Council further stated that it was their goal to **"reduce spending for non-essential services and allocate money to truly vital services"**.

Police officers patrolling our streets, regular grass cutting in our parks, and Fire fighters keeping us safe from fires and tragedy are essential services.

Council proposed cutting by 50% the funding for non-public safety departments such as the Detroit Economic Growth Corporation (DEGC), a department that is responsible for creating annually, \$300 million in investment and economic growth for jobs, housing and new business in Detroit.

Council has proposed eliminating the Strategic Management Center (SMC) that has raised, in 18 months for the city and the Citizens, \$40 million in funding for human services, senior citizen programs and youth programs.

Yet, Council proposed restoring funding to departments that did not request it. For example, Council funded \$2.5 million dollars for the City Airport, a department that did not request funding.

If Council would have allowed the budget hearings to continue, and not stopped communication, then Council would have learned the plans for this department that did not require additional funding from the City.

Other proposals by Council violate federal laws and charter mandates. For example, eliminating funding for the Board of Ethics violates the Detroit City Charter. Council's proposed use of Drug Forfeiture Funds is in violation of the strict state and federal guidelines.

We need to do more with less. We need to maintain vital, core services. We need to reform the structure and processes of government, so that Detroit can be financially healthy and prosper in the future. To do this, requires a plan.

Taking away money from services that protect our citizens, taking away money from services and departments that generate revenue, jobs and opportunities, while, giving money to services that do not ask for it, is not indicative of a plan, but resembles random, shortsighted reactions.

During these tough economic times, we must make sacrifices, but we must make

wise decisions that will continue to Grow Detroit.

I strongly veto council's proposed budget.

As I said on April 12 and I say today, this budget is not about politics; it's about the future of the City of Detroit.

Sincerely,

KWAME M. KILPATRICK

Mayor

36th District Court

The Closing Resolution for City Council's proposed Amended Budget includes an increase appropriation of \$4,170,000.00 for the 36th District Court. I am vetoing this action for the reason that, due to the creation of the Department of Administrative Hearings, the 36th District Court no longer prosecutes municipal civil infractions, including violations of Chapter 9, Article I, of the City Code, the Detroit Property Maintenance Code, Chapter 22 of the City Code, Solid Waste and Illegal Dumping, and Chapter 61 of the City Code, the Detroit Zoning Ordinance. All such violations are now being written as "blight violations" and are being processed by the Department of Administrative Hearings. Due to a change in state and local law, the entire docket of one 36th district court judge is now being processed by the Department of Administrative Hearings. The cost for the Department of Administrative hearings is reflected in the commensurate decrease in funding for the 36th District Court.

For these reasons, I veto the proposed amendment pertaining to the 36th District Court.

Board of Ethics

The Closing Resolution for City Council's proposed Amended Budget includes no funding for the Board of Ethics. I am increasing the appropriation by \$233,862, thereby reinstating the funding for the Board. I am taking this action for the reason that,

Council's action to provide no funding is in direct contravention to Section 2-106(2) of the 1997 Detroit City Charter, which provides, in part, "Funds sufficient to enable [Board of Ethics] to perform its duties shall be appropriated annually" (emphasis added), and to Section 2-6-94(a) of the City Code, which provides "A sufficient annual appropriation shall be provided to enable the Board of Ethics to perform its duties as set forth in the 1997 Detroit City Charter and this article, including hiring adequate staff." The Board requires sufficient funding to perform its Charter and ordinance functions, including, as indicated above, hiring adequate staff, responding to requests for advisory opinions, disposing of complaints, conducting investigations, holding

hearings, appointing independent counsel where necessary, and reimbursing reasonable attorney fees where the Board determines that a public servant 1) acted in the good faith performance of his or her duties, and 2) did not violate the City Ethics Ordinance. Since its creation, the Board of Ethics has mostly received opinion requests and complaints regarding City elected officials. Failure to fund the Board of Ethics sends a message that Detroit elected officials are stifling necessary inquiries and lends an appearance of impropriety.

For these reasons, I veto the proposed amendment pertaining to the Board of Ethics.

Use of Forfeiture Funds

The Closing Resolution for City Council's proposed Amended Budget includes a claim that \$1.8 million from the Drug Forfeiture Fund is available for targeted programs. Council then proceeds to "direct" the placement of the \$1.8 million in appropriations for Drug Prevention/Leadership Development for vulnerable youth in the 10th Precinct (\$700,000), the partnership for a Drug-Free Detroit (\$300,000), the Drug Court (\$150,000), and the Fresh Start Program (\$50,000).

Council's proposal ignores the fact that drug forfeiture funds come from state and federal sources, and ignores the corresponding legal restrictions on the use of such funds. Under MCL 333.7524, the use of funds forfeited under state law is restricted to the enhancement of law enforcement efforts to enforce controlled substance laws, and does not extend to programs of the type that Council has targeted.

On the other hand, while there is somewhat more flexibility with respect to federal forfeiture funds, there are still restrictions that vitiate Council's proposal. First, existing federal forfeiture funds have already been designated to be used for law enforcement purposes, and cannot now be converted to use for community-based programs, however laudable. Further, even looking to the future, use of federal forfeiture funds for community-based programs would be restricted to no more than 15% of the total federal funds received, and would require approval from the Asset Forfeiture Office, Criminal Division, of the United State Department of Justice. Thus, there would be far fewer dollars even potentially available, and federal approval would be required before they could be used in any way similar to the uses proposed by Council. By way of illustration, based on current figures, 15% of federal forfeiture funds would total approximately \$600,000.

For these reasons, I veto the proposed amendment pertaining to use of drug forfeiture funds.

STATEMENT BY COUNCIL MEMBER
ALBERTA TINSLEY-TALABI
REGARDING THE DETROIT CITY
COUNCIL VOTE TO OVERRIDE THE
2005-06 BUDGET VETO

I voted to override the mayoral veto of City Council changes to the FY 2005-06 Budget because I believe that the budget adopted by the Detroit City Council is a better, more responsible budget for the City of Detroit. Given the City's current fiscal crisis, I wanted to adopt a budget with clear reductions in spending that are not predicated on future events.

Since April 12th, the Detroit City Council has discussed a number of major shortcomings in the mayor's proposed FY 2005-06 Budget. As an example, the Mayor proposed to not fully fund the Airport, Historical Museum, and Civic Center due to agreements that would provide management or funding from other sources. However, no detailed information was provided to Council to support these recommendations. As a result, Council took a more prudent approach to fund these agencies or risk increasing the city's deficit by January, 2006. The Mayor cut the city subsidy to D-DOT citing that a regional authority would assumed transportation, again without providing supporting documents. The Mayor proposed \$12.5 million in questionable revenue from a new fast food tax and a property transfer tax. Both taxes required approval by the state legislature and Detroit resi-

dents. Approval of these two taxes are highly unlikely and consequently Council had no choice but to eliminate this revenue from the budget. For these reasons, the City Council had to make major changes to the FY 2005-06 Budget to prevent the real possibility of state receivership.

However, I remain willing to amend the FY 2005-06 budget to address any impacts on the Police and Fire Departments that would result in additional lay-offs of police officers and firefighters. The City Council has been open to review any budgetary change submitted by the Mayor but, to date, none have come forth. I remain hopeful that the City Council will receive a communication from the Mayor outlining a budget amendment designed to minimize lay-offs in our public safety departments.

Council Member Watson moved to reconsider the vote by which all 2005-2006 Budget items vetoed by the Mayor were adopted in **Schedule B**, which motion prevailed as follows:

Yeas — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Collins, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 8.

Nays — None.

By Council Member Watson:

Be It Resolved, That the Detroit City Council does hereby override the veto of the Mayor as listed in Schedule B, and be it further

Resolved, That the Fiscal Year 2005-2006 City of Detroit Budget, be adopted, including the items referenced in the attached Schedule B but not including the veto by the Mayor, and be it further

Resolved, That the Budget Director be and is hereby authorized to amend the 2005-2006 City of Detroit Budget in accordance with this resolution.

Adopted as follows:

Yeas — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Collins, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 8.

Nays — None.

There being a quorum present, the City Council was declared to be in session.

Invocation

Ezekiel 22:30

And I sought for a man among them, that should make up the hedge, and stand in the gap before ME for the land, that I should not destroy it: But I found none.

Lord, I thank You that you are mindful of this city and you are yet looking for someone to pray a redemptive prayer and build up the walls of this city by standing in the gap before you, for the peace, prosperity and the wellbeing of the citizens of Detroit.

We are grateful for the people that are praying daily for this city including myself. This prayer we offer in the awesome name of Jesus Christ.

AMEN!

March 23, 2005

Honorable City Council:

Re: Jerry Jones vs. City of Detroit Department of Transportation. WCCC Case No.03-334486 CD.

During a court ordered settlement conference, the parties negotiated a settlement in the amount of \$300,000.00 in this matter.

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in the memorandum. It is our considered opinion that settlement in the amount of \$300,000.00 is fair and reasonable and in the best interest of the City of Detroit.

We, therefore, request you to authorize settlement and to direct the Finance Director to issue his draft in the amount of Three Hundred Thousand Dollars (\$300,000.00) payable to Jerry Jones and his attorneys, Morgan & Meyers, PLC, to be delivered upon receipt of properly executed Releases and Order of Dismissal.

Re: Ronald Vance vs. City of Detroit and Darryl Edwin Bates. Case No.: 03-312763 NI. File No.: 001959 (BLM).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of One Million Three Hundred Thousand Dollars and No Cents (\$1,300,000.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of One Million Three Hundred Thousand Dollars and No Cents (\$1,300,000.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Law Offices of Samuel I. Bernstein, attorneys, and Ronald Vance, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 03-312763 NI, approved by the Law Department.

Honorable City Council:

Re: Address: 7607 Dobel. Name: John Clouse. Date ordered removed: October 2, 2002 (J.C.C. p. 3019).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on May 10, 2005 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of April 6, 2005.

The proposed use of the property is rehabilitation and sale.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will

obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. A permit for rehabilitation work shall be obtained within 30 days.
2. The building shall be maintained securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:
 - Certificate of Acceptance related to building permits
 - Certificate of Approval as a result of a Housing Inspection
 - Certificate of Inspection, required for all residential rental properties

3. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

4. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

The City of Detroit acquired as tax reverted property through City Foreclosure, 12501, 12507, 12511, and 12519 E. Seven Mile, located on the North side of Seven Mile, between Hamburg and Barlow. This property consists of a single story commercial building structure located on an area of land measuring approximately 750 square feet and zoned B-4 (General Business District).

The purchaser proposes to rehabilitate the property for use as Hair Salon and Clothing Store. This use is permitted as a matter of right in a B-4 zone.

We request your Honorable Body's approval to accept the Offer to Purchase from Norma Webster, for the sales price of \$25,400.00 on a cash basis plus an \$18.00 deed recording fee.

Respectfully submitted,
O'NEAL EDWARDS
Executive Manager

Re: Property For Sale By Development Agreement. Development: Parcel 342; bounded by Wadsworth, Steel, Plymouth and Sorrento.

We are in receipt of an offer from Third New Hope Baptist Church, a Michigan Ecclesiastical Corporation, to purchase the above-captioned property for the amount of \$41,731 and to develop such property. This property contains approximately 69,324 square feet and is zoned R-1 (Single-Family Residential District) and B-4 (General Business District).

The Offeror proposes to construct a 64,000 square foot community center containing a lecture hall, classrooms, offices, restrooms, kitchen, banquet hall and an approximately three hundred four (304) space off-street paved surface parking lot for the storage of licensed operable vehicles. Any area not paved will be appropriately landscaped to enhance the overall site. This use was granted by the Building & Safety Engineering (B&SE) Department on May 13, 2005.

We, therefore, request that your Honorable Body adopt the sale and authorize the Planning and Development Department Director of Development Activities to execute an agreement to pur-

chase and develop this property with Third New Hope Baptist Church, a Michigan Ecclesiastical Corporation, together with a deed to the property and such other documents as may be necessary to effect the sale.

Honorable City Council:

Re: Public Hearing on the Establishment of the Du Charme Place Neighborhood Enterprise Zone as Requested by the Du Charme Place LLC in Accordance with Public Act 147 of 1992.

The Planning & Development Department and the Finance Department have reviewed the Master Plan and the neighborhood preservation and development goals of the City, and find that establishment of the Du Charme Place Neighborhood Enterprise Zone would be consistent with the neighborhood preservation and development goals and with the Master Plan.

Public Act 147 of 1992, commonly referred to as the Neighborhood Enterprise Zone (NEZ) Act, in Section 3(1) states "the governing body of a local governmental unit by resolution may designate one (1) or more neighborhood enterprise zones". Prior to acting upon the resolution establishing an NEZ, a public hearing must be held, and the City Clerk must provide written notice of the public hearing to the assessor and to the governing body of each taxing unit that levies an ad valorem tax within the proposed NEZ, said notice to be made not less than 60 days prior to your Honorable Body's passage of a resolution designating an NEZ.

The boundaries of the proposed NEZ are described in Exhibit A (legal description) and illustrated in the map also attached. The developer proposes to construct 66 new housing units at a cost of \$13 million.

We request that a Public Hearing be scheduled on the issue of establishing this NEZ, as required by the NEZ Act. Attached for your consideration, please find a resolution establishing a date and time for the public hearing, together with the aforesaid map and legal description of the proposed NEZ.

Respectfully submitted,
HENRY B. HAGOOD

Director of Development Activities
Planning & Development Department

By Council Member S. Cockrel:

Whereas, Pursuant to Public Act of 147 of the Public Acts of 1992 ("the Act") this City Council has the authority to establish "Neighborhood Enterprise Zones (NEZs)" within the boundaries of the City of Detroit; and

Whereas, The Du Charme Place, LLC has requested establishment of the "Du Charme Place" NEZ whose boundaries are particularly described in Exhibit A

(legal description) and illustrated in the map attached hereto; and

Whereas, The Act requires that, prior to establishing an NEZ, the City Council shall provide an opportunity for a Public Hearing on such establishment, at which Public Hearing representatives of any taxing authority levying *ad valorem* taxes within the City, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter.

Now Therefore Be It

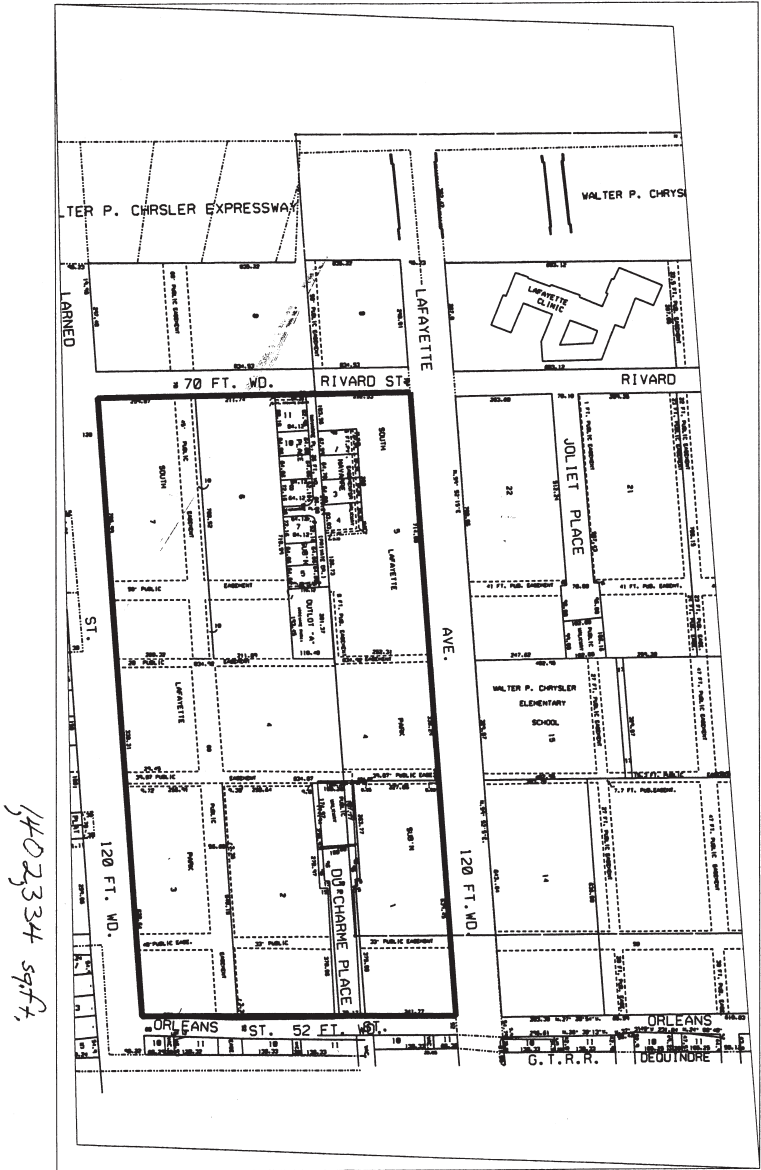

Resolved, That on the JULY 7, 2005 AT 11:30 A.M. in the City Council Committee Room, 13th Floor, Coleman A. Young Municipal Center, a Public Hearing be held on the above described application for establishment of an NEZ within the boundaries described in Exhibit A (legal description) as illustrated in the map attached hereto; and be it finally

Resolved, That the City Clerk shall give notice of the Public Hearing to the general public and shall give written notice of the Public Hearing by certified mail to all taxing authorities levying an *ad valorem* tax within the City of Detroit, such notices to be provided no earlier than sixty (60) days prior to the public hearing.

 Re: Application from Art & Development, Inc., for an Obsolete Property Rehabilitation Exemption Certificate

at 2940 Woodward (Petition No. 1000).

Representatives of the Planning & Development and Finance Departments have reviewed the above referenced application, and, based on such review and based on discussions with representatives of the developer, recommend to your Honorable Body that you give approval to that entity's application for an Obsolete Property Rehabilitation Exemption Certificate.

The developer is investing \$500,000 in the above-referenced property. The rehabilitated property is providing a mixed-use retail/residential building.

The Act requires that, prior to your Honorable Body's approval of an application for an Obsolete Property Rehabilitation Certificate, a public hearing must first be conducted. We ask that you establish a date and time for such public hearing, in accordance with the attached resolution and legal description, in order that approval of the application may be considered.

Respectfully submitted,
HENRY B. HAGOOD

Planning & Development Department
By Council Member Tinsley-Talabi:

Whereas, Pursuant to Public Act No. 146 of the Public Acts of 2000 ("the Act") this City Council has the authority to approve "Obsolete Property Rehabilitation Exemption Certificates" within the boundaries of the City of Detroit; and

Whereas, Art & Development, Inc., has applied to this City Council for approval of an Obsolete Property Rehabilitation Exemption Certificate in the City of Detroit Obsolete Property Rehabilitation District No. 19 (the "District"), in the area of 2940 Woodward, in Detroit, the District being more particularly described in Exhibit A attached hereto; and

Whereas, The Act requires that, prior to approving an Application for an Obsolete Property Rehabilitation Exemption Certificate, the City Council shall provide an opportunity for a Public Hearing on the Application, at which Public Hearing representatives of any taxing authority levying ad valorem taxes within the City, or any owner of real property within the District, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter;

Now Therefore Be It

Resolved, That on the 21ST day of JULY, 2005, at 10:30 a.m. in the City Council Committee Room, 13th floor, Coleman A. Young Municipal Center, a Public Hearing be held on the Application for an Obsolete Property Rehabilitation Exemption Certificate within the District referred to above, the District being more fully described in Exhibit A attached hereto; and be it finally

Resolved, That, prior to the Public Hearing, the City Clerk shall give notice of the Public Hearing to the general public by publication and shall give written notice by certified mail to the taxing authorities and to the owners of all real property within Obsolete Property Rehabilitation District No. 19.

Honorable City Council:

Re: Jefferson-Chalmers Rehabilitation Project Development: Parcel 156-A; located south of East Jefferson and bounded by Dickerson, Freud and the alley west of Emerson.

On October 24, 2003, your Honorable Body authorized the sale of parcel 156-A to JCT Properties, LLC, a Michigan Limited Liability Company, for the purpose of constructing eight (8) multi-family town-house buildings with landscaping. This land is zoned R-2 (Two-Family Residential District) and contains approximately 209,088 square feet.

It has come to our attention that the Developer now desires to modify their original proposed development to include property at 725 thru 869 Emerson and construct thirty-eight (38) brick and vinyl clad single-family homes with attached garages. Each unit will range in size from 1,800 to 2,731 square feet. Accordingly, the size of the property has been adjusted from 209,088 square feet to 251,088 square feet and the sales price has been adjusted from \$78,040 to \$93,790. This use is permitted as a matter of right in a R-2 zone. This revised proposal was presented to the Jefferson-Chalmers Citizens' District Council and approved by that body on April 28, 2005.

We, therefore, request that your Honorable Body adopt the attached resolution, authorizing and approving an amendment to the sales resolution to reflect a modification of the Agreement to Purchase and Develop Land between JCT Properties, LLC, a Michigan Limited Liability Company and the City of Detroit, a Michigan Public Body Corporate.

We, also, request that your Honorable Body adopt the attached resolution and authorize an amendment to the sales resolution to reflect an adjustment in the size of the property from 209,088 square feet to 251,088 square feet and the sales price from \$78,040 to \$93,790.

Respectfully submitted,
HENRY B. HAGOOD

**RESOLUTION REGARDING THE
CLOSING OF GUYTON ELEMENTARY
SCHOOL**

By ALL COUNCIL MEMBERS:

WHEREAS, Guyton Elementary School, a high achieving Detroit Public School, has been slated for closure effective June, 2005; and

WHEREAS, Guyton is one of the few DPS schools that consistently meet or exceed its Annual Yearly Progress (AYP) targets under the No Child Left Behind Act. Guyton's 2005 MEAP scores exceeded DPS averages by a wide margin and surpasses every other nearby schools, including charter schools, in virtually all measures; and

WHEREAS, The Community Partners to Revitalize Guyton (CPR Guyton), a partnership of community leaders, organizations, parents, staff and children, believes that closing Guyton Elementary School will have a negative impact on economic development in the area; and

WHEREAS, The Jefferson Chalmers Citizens District Council neighborhood, which includes Guyton Elementary, is perhaps the fastest growing area for families in the City of Detroit. Guyton is one of only four census tracts in the city that actually grew in population from 1990 to 2000. Over 560 housing units have been built in the neighborhood since the mid 1990's and approximately \$30-\$40 million in housing development is planned over the next five years; and

WHEREAS, A high achieving elementary school would certainly support and further encourage economic development in the Jefferson Chalmers Citizens District Council area; and

WHEREAS, CPR Guyton is further concerned that DPS plans to sell the Guyton School building to a for profit charter school or to a real estate developer; and

WHEREAS, The Chair of the DPS School Board supports Guyton Elementary and the State Board of Education Treasurer has called Guyton a model school that should be supported as a benchmark quality school. Even though CPR Guyton has presented compelling information to prevent the closing of Guyton, public school officials have only recently met with CPR Guyton to further discuss the closing of the school. NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council supports Guyton Elementary School and urges DPS to re-evaluate their decision to close the school in June, 2005; BE IT FURTHER

RESOLVED, That the Detroit City Council strongly encourages DPS to meet with CPR Guyton and the community to have a full discussion on the merits of keeping Guyton Elementary School open for the upcoming academic year; AND BE IT FINALLY

RESOLVED, That a copy of this resolution be forwarded to Dr. Kenneth Burnley, CEO of Detroit Public Schools, Incoming CEO William Coleman, DPS Board Chair Bill Brooks, Detroit School Board, State Board of Education Treasurer Marianne McGuire, Mayor Kwame Kilpatrick, the Detroit Delegation in the Michigan State Legislature and CPR Guyton.

**RESOLUTION
IN SUPPORT OF
CHOKWE LUMUMBA**

By COUNCIL MEMBER WATSON.

Joined By ALL COUNCIL MEMBERS:

WHEREAS, Chokwe Lumumba is a highly respected progressive attorney — born, raised and educated in the City of Detroit — who now practices law in Mississippi; and

WHEREAS, Chokwe Lumumba has spent his professional career fighting for the oppressed, the disenfranchised, and the impoverished and has thus become known as "The People's Lawyer"; and

WHEREAS, Every lawyer has an ethical duty to vigorously defend his/her client to the best of his/her ability within the spirit and intent of the law; and

WHEREAS, In his zealous, heartfelt defense of his clients, Mr. Lumumba occasionally uses a style that may be considered unorthodox by some; and

WHEREAS, The Mississippi Bar Association has seized upon a courtroom encounter involving Mr. Lumumba to impose a six month suspension from the practice of law, and require that Mr. Lumumba retake and pass the ethics portion of the Mississippi Bar exam, while the Mississippi Supreme Court has simultaneously imposed a \$1,000.00 fine on Mr. Lumumba; and

WHEREAS, These actions appear to be a blatant attempt to chill the voice of a front-line activist who has demonstrated

not only the capacity to speak out effectively against oppression, but also exceptional trial advocacy skills, which requires persons of good will across the country and around the world to speak loudly against the attacks that have been visited upon Mr. Lumumba at this time; NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council stands firmly and emphatically behind Chokwe Lumumba and condemns the Mississippi Bar Association for its unwarranted attack; and BE IT FINALLY

RESOLVED, That the Detroit City Clerk send copies of this resolution to the Mississippi Bar Association and the Mississippi Supreme Court.

Adopted as follows:

Yeas — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Collins, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 8.

Nays — None.

RESOLUTION CALLING FOR FEDERAL INTERVENTION TO RESCUE AUTOMOBILE INDUSTRY AND SAVE JOBS

By JOANN WATSON, Joined By ALL COUNCIL MEMBERS:

WHEREAS, The Detroit City Council is concerned that a growing number of experts are warning that the decline of the U.S. based automobile manufacture poses the danger of a severe overall economic depression for the nation, with tens of thousands of job lost in auto, machine, steel and other related industries; and

WHEREAS, Detroit, a world working class city, is adapting to the changes over the last fifty years which have scattered the points of the automobile production from the city to the suburbs, from the North to the South, and from the shores of the U.S. abroad; yet we, the metropolitan area which was once the source of every other car built in the world must rise to demand that Congress not permit the utter dissolution of the Arsenal of Democracy and the City that put the world on wheels; and

WHEREAS, Certain stop-gap measures should be adopted and implemented by Congress to forestall the presently threatened, irreparable damage to our nation's physical economy, which is typified by the presently accelerating crisis in the U.S. automobile industry; and

WHEREAS, The U.S. automobile industry is billions of dollars in debt and recently has had its bond ratings lowered drastically, unbelievably posing the threat of bankruptcies; and

WHEREAS, It is conceivable that the automobile industry's leading manufacturers could close most, if not all of their factories in the United States, and

WHEREAS, The closing down on even some of the automobile factories, includ-

ing the shutdown of machine tool production, would mean both the end of the United States as a leading physical economic power and cause chain reaction damage to the other economies, especially in Detroit, and

WHEREAS, Congress has the capability and duty to avert national economic disaster by intervening on behalf of the automobile industry to ensure that the continued employment of that industry's labor force remain functioning in each and every present locality of employment; Congress must intervene on behalf of national and related interests and security, to ensure that the productive potential of the automobile industry, with its featured high technology and machine tool capability, be maintained and

WHEREAS, The impact of Congressional intervention may be to create thousands of new jobs repairing infrastructure, maintenance of automobile production jobs, restoration of the tax base and ultimately an increase in the standard of living in Detroit and elsewhere, and

WHEREAS, This Council has initiated a series of hearing on Detroit's economy in conjunction with the National Negro Labor Council, and

WHEREAS, This resolution constitutes an emergency measure for the immediate preservation of public peace, property, health, welfare and safety, now THEREFORE BE IT

RESOLVED, That the Detroit City Council joins the Wayne County Commission, Cleveland City Council and other government bodies, and urges the Congress and federal government to take every action necessary to promote and preserve the automotive and machine tool sectors of our national economy, and BE IT FURTHER

RESOLVED, That a copy of this be sent to Senator Carl Levin, Senator Debbie Stabenow, Congressman John Conyers and Congresswoman Carolyn Cheeks-Kilpatrick, the entire Michigan Congressional delegation and President George W. Bush, and BE IT FINALLY

RESOLVED, That this Council will hold hearings in conjunction with the NNLC on threats to Detroit's social and economic prosperity from the decline of the automobile industry.

Adopted as follows:

Yeas — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Collins, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 8.

Re: Surplus Property Sale — Vacant Land — 3931 Third.

We are in receipt of an offer from Mary E. Coats to purchase the above captioned property, which consists of vacant land measuring 40 x 100 feet and located on the West side of Third between Alexandrine and Selden.

Ms. Coats purchased this property in good faith from Luana Jean Maikowski and received a warranty deed. The property was purchased for the purpose of developing residential housing on the site. During the interim of this transaction the City of Detroit inadvertently received this property by way of a foreclosure judgment. Ms. Coats has requested, upon City Council approval, that this property be transferred to her in order to restore the chain of title.

We, therefore, request that your Honorable Body authorize the Planning and Development Department Director of Development Activities or his authorized designee to issue a Quit Claim Deed to Mary E. Coats for the amount of \$1.00.

Honorable City Council:

Re: Rescheduling of Public Hearing on the Establishment of the Morgan Waterfront Estates Neighborhood Enterprise Zone as Requested by the Morgan Development, LLC in Accordance with Public Act 147 of 1992.

The Planning & Development Department and the Finance Department have reviewed the Master Plan and the neighborhood preservation and development

goals of the City, and find that establishment of the Morgan Waterfront Estates Neighborhood Enterprise Zone would be consistent with the neighborhood preservation and development goals and with the Master Plan.

Public Act 147 of 1992, commonly referred to as the Neighborhood Enterprise Zone (NEZ) Act, in Section 3(1) states "the governing body of a local governmental unit by resolution may designate one (1) or more neighborhood enterprise zones." Prior to acting upon the resolution establishing an NEZ, a public hearing must be held, and the City Clerk must provide written notice of the public hearing to the assessor and to the governing body of each taxing unit that levies an ad valorem tax within the proposed NEZ, said notice to be made not less than 60 days prior to your Honorable Body's passage of a resolution designating an NEZ.

The boundaries of the proposed NEZ are described in Exhibit A (legal description) and illustrated in the map also attached. The developer proposes to construct 333 new housing units at a cost of \$75 million.

We request that a Public Hearing be scheduled on the issue of establishing this NEZ, as required by the NEZ Act. Attached for your consideration, please find a resolution establishing a date and time for the public hearing, together with the aforesaid map and legal description of the proposed NEZ.

Respectfully submitted,

HENRY B. HAGOOD

Director of Development Activities

By Council Member S. Cockrel:

Whereas, Pursuant to Public Act No. 147 of the Public Acts of 1992 ("the Act") this City Council has the authority to establish "Neighborhood Enterprise Zones (NEZs)" within the boundaries of the City of Detroit; and

Whereas, The Morgan Development, LLC has requested establishment of the "Morgan Waterfront Estates" NEZ whose boundaries are particularly described in Exhibit A (legal description) and illustrated in the map attached hereto; and

Whereas, The Act requires that, prior to establishing an NEZ, the City Council shall provide an opportunity for a Public Hearing on such establishment, at which Public Hearing representatives of any taxing authority levying *ad valorem* taxes within the City, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter;

Now Therefore Be It

Resolved, That the Public Hearing has been rescheduled to the 20th day of June, 2005 @ 11:00 a.m. in the City Council Committee Room, 13th floor, Coleman A. Young Municipal Center, a Public Hearing be held on the above described applica-

tion for establishment of an NEZ within the boundaries described in Exhibit A (legal description) as illustrated in the map attached hereto; and be it finally

Resolved, That the City Clerk shall give notice of the Public Hearing to the general public and shall give written notice of the Public Hearing by certified mail to all taxing authorities levying an *ad valorem* tax within the City of Detroit, such notices to be provided no earlier than sixty (60) days prior to the public hearing.

 June 14, 2005

Honorable City Council:
 Re: License Agreement with DaimlerChrysler Corporation — DWSD #05-03. For Use of Property Located near Central Services Facility (CSF).

DWSD has utilized the DaimlerChrysler property as a parking lot for DWSD employees since the opening of the Central Services Facility (CSF) in 1987. The lot is adjacent to the CSF Facility. An informal agreement has existed between the two parties, which has allowed DWSD to operate the lot and make improvements as needed.

DaimlerChrysler has now requested that DWSD formalize this agreement by entering into a five-year License Agreement at a cost not to exceed \$1.00. This agreement will allow DWSD to make additional security improvements to the site, which will consist of installation of card readers, intercoms, vehicle knife gate and a new concrete drive entrance to the parking lot, jersey barriers, etc.

At its meeting of May 25, 2005, the Board of Water commissioners approved entering into this Agreement. It is respectfully requested that your Honorable Body adopt the attached resolution accepting the License Agreement as agreed to by the Board of Water Commissioners and DaimlerChrysler Corporation.

Respectfully submitted,
VICTOR M. MERCADO
 Director

By Council Member S. Cockrel:
 Resolved, That the Detroit Water and Sewerage Department is authorized to execute License Agreement DWSD No. 05-03 with DaimlerChrysler Corporation in the amount of \$1.00 for a period of five (5) years to continue to use DaimlerChrysler's premises as a parking lot for the Central Services Facility.

RESOLUTION
SUPPORTING HOUSE BILL 4737

By ALL COUNCIL MEMBERS:
 WHEREAS, The Michigan House of Representatives is considering legislation — **House Bill 4737** — to amend the City Utility Users Tax Act (*Public Act 100 of 1990*).

WHEREAS, The City Utility Users Tax Act affects just the City of Detroit — the only Michigan municipality with a population of 750,000 or more.

WHEREAS, The City Utility Users Tax Act allows the City of Detroit to "levy, assess and collect from users in (Detroit) a utility users tax . . . that shall not exceed 5%" and earmarks all of the revenue generated by the levy for hiring and retaining "police officers, investigators and police sergeants."

WHEREAS, The City of Detroit's 5% utility users tax raises roughly \$55 million a year for the City of Detroit Police Department.

WHEREAS, The City Utility Users Tax Act, as currently written, compels the City of Detroit to roll back the 5% tax to a rate that permits it to collect no more than \$45 million a year, if the number of police officers employed by the municipality falls below the November 1, 1984, level of deployment: 3,537 officers.

WHEREAS, Federal and state budget cuts, coupled with a recession that continues to cripple Michigan's economy, have contributed to the structural deficit facing the City of Detroit and precipitated layoffs throughout the municipality, including the Detroit Police Department.

WHEREAS, Reductions in the Detroit Police Department reflect a statewide trend; indeed, Michigan law enforcement agencies, collectively, employ 1,109 fewer police officers today than they did in 2001 — a 5 percent decrease, according to the Michigan Commission on Law Enforcement Standards (MCOLES).

WHEREAS, The City of Detroit, for the first time since the inception of the City Utility Users Tax Act, will see its number of police officers fall below the November 1, 1984, level of deployment.

WHEREAS, The City of Detroit stands to lose \$10 million for hiring and retaining

police officers, if the Michigan Legislature does not amend the City Utility Users Tax Act to allow it to maintain a 5 percent tax rate, despite the number of police officers, investigators and police sergeants falling below the November 1, 1984, level of deployment.

WHEREAS, The prospective loss of funding for the Detroit Police Department would prompt steep cuts in police personnel at a time when the City of Detroit is preparing to host several world-class events, including the 2005 Major League Baseball All-Star Game and the 2006 Super Bowl.

WHEREAS, House Bill 4737 **does not increase the rate of taxation on Detroit utility users**, but rather, maintains the status quo in safeguarding funding for the Detroit Police Department. NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council urges the Michigan Legislature to support House Bill 4737, which seeks to safeguard funding for the Detroit Police Department; AND BE IT FINALLY

RESOLVED, That a copy of this Resolution be sent to Mayor Kwame M. Kilpatrick, Governor Jennifer Granholm, City of Detroit Lansing Lobbyist Marge Malarney, all Michigan state legislators, the Michigan Municipal League and the Detroit Police Officers Association.

TESTIMONIAL RESOLUTION IN MEMORIAM

FOR

JARAMOGI ABEBE AGYEMAN

By ALL COUNCIL MEMBERS:

WHEREAS, Jaramogi Abebe Agyeman, the Founder and First Holy Patriarch of the Shrines of the Black Madonna of the Pan African Orthodox Christian Church (PAOCC), was born Albert Buford Cleage, Jr., at Indianapolis, Indiana, on June 13, 1911, the son of a prominent physician. He graduated from Wayne State University, where he studied sociology, and the Oberlin Graduate School of Theology; and

WHEREAS, Before entering the seminary, he was a social case-worker with the Detroit Department of Public Welfare and was active in youth work at Plymouth Congregational Church under his mentor, the Reverend Horace White; and

WHEREAS, In his distinctly socially-conscious style, he served pastorates at Lexington, Kentucky; San Francisco, California; and, Springfield, Massachusetts, before founding, in March 1953, what became known as Central United Church of Christ; and

WHEREAS, During the civil rights and "black power" movements in the 1960s, the then-Reverend Cleage was Detroit's most eloquent and uncompromising advocate and activist for African American freedom, rights and dignity; and

WHEREAS, He led campaigns for quality education and black economic empowerment and spearheaded opposition to job discrimination, police brutality and the forced removal of blacks from the central city. He was also a pioneer in independent black politics and ran for governor in 1964 on the all-black, short-lived Michigan Freedom Now Party ticket; and

WHEREAS, Later, he co-founded The

Black Slate, a not-for-profit public relations and advertising group that selects and supports candidates for public office, which helped to elect the Honorable Coleman Alexander Young as Detroit's first African American mayor; and

NEW MOVEMENT, ANCIENT ROOTS

WHEREAS, On Easter Sunday in 1967, he launched the Black Christian Nationalist Movement (BCM) and unveiled a striking, 19-foot chancel mural of a Black Madonna and child by Detroit artist Glanton Dowdell, calling upon black people to "resurrect the historic Black Messiah and stop worshipping a white Jesus who never existed."

WHEREAS, In 1970, Central United Church became the Shrine of the Black Madonna and the Reverend Cleage was rechristened Jaramogi Abebe Agyeman. At this point, he focused his considerable energies inward, toward building institutions and developing a theology and program that would enable black people to become independent and self-determining, believing that "Nothing is more sacred than the liberation of Black people;" and

WHEREAS, He wrote two books, The Black Messiah (1968), a collection of sermons, and Black Christian Nationalism: New Directions for the Black Church (1972), which distilled his theology and set forth his program for black liberation; and

WHEREAS, In 1978, he founded the PAOCC as a new black denomination, with branches in Atlanta, Ga., Houston Texas, and, most recently, Calhoun Falls, South Carolina, where the church established Beulah Land, which is believed to be the largest black-owned farm in the United States; and

WHEREAS, He passed away at Beulah Land on Feb. 20, 2000, but his legacy lives on in the lives he changed, the lessons he taught and the institutions he created. NOW, THEREFORE BE IT

RESOLVED, That Jaramogi Abebe Agyeman, a man with a vision far beyond his times, be awarded this Testimonial Resolution in Memoriam from the Detroit City Council, office of Council Member Barbara-Rose Collins, for imparting his knowledge to help black people become the powerful people who once ruled the world, and for his love and perseverance to make that transition possible.

Invocation

Prayer For the Detroit City Council

To the All Wise God, I beseech Thee this day to Guide this Council. We under-

stand that You order man's steps. We're asking that You will guide us in the right path. That we may make wise decisions according to Your wisdom. We're asking blessings upon this Council. Give them peace and joy. As we understand that You Lord, we live and move and have our being. Give us the spirit of togetherness. Give us more love for one another, and we will praise Your Name forever. We do realize that all things must be done decently and in order. Give us a mind to think soberly, and we will give You the praise, in the Name of Jesus, Forever and ever. Amen.

Honorable City Council:

Re: Franklin Wright Settlements, Inc. vs. City of Detroit. Case No.: 04-427046 CK. File No.: A30000.000066 (JDN).

On May 25, 2005, a case evaluation panel evaluated the above-captioned lawsuit and awarded Seventy-Five Thousand Dollars (\$75,000.00) in favor of Plaintiff. The parties have until June 22, 2005, to either accept or reject the case evaluation. Failure to file a written acceptance or rejection within this period constitutes a rejection.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that acceptance of the case evaluation award is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize acceptance of the case evaluation award; and, in the event that Plaintiff accepts the award, to deem such acceptance as a settlement and to direct the Finance Director to issue a draft in the amount of Seventy-Five Thousand Dollars (\$75,000.00) payable to Litigation Associates PLLC, attorneys, and Franklin Wright Settlements, Inc., to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 04-427046 CK, approved by the Law Department.

(9) Public and private property is included to the extent that private owners may wish to be licensed and/or permitted for the activities described in Section 30.5-3-2 of this Chapter.

Temporary Certificates of Occupancy means Limited Duration Certificates of Occupancy, which may be issued by the Buildings and Safety Engineering Department for the use of vacant storefronts as venues for activities that are permitted or licensed to occur during the MLB and NFL Activity Periods for the MLB and the NFL Entertainment Zones or the Overlay Zone.

Theme Areas means those areas of the City identified as the MLB and NFL Entertainment Zone and the Clean Zones in this Chapter where activities will occur during the National Sporting Events identified in this Chapter.

Sec. 30.5-1-2. Purpose of this Chapter.

This Chapter is intended to authorize the issuance of Limited Duration Permits,

Limited Duration Licenses, and Limited Duration Permits with Temporary Certificates of Occupancy for certain commercial activities within the Activity Zones that would not ordinarily be permitted or licensed due to land use or other Code restrictions. The activities that will be permitted or licensed will be limited to those activities identified in this Chapter. This Chapter empowers certain agencies within the City of Detroit to enforce provisions of this Chapter, to prescribe penalties for violations, and to ensure a safe, clean, nuisance-free environment within the City of Detroit during the Activity Periods.

Sec. 30.5-1-3. Period of Applicability.

The definitions, procedures, regulations, and enforcement provision of this Chapter apply to Limited Duration Permits, Limited Duration Licenses and Limited Duration Permits within Temporary Certificates of Occupancy related to the 2005 Major League Baseball All-Star Game Activity Period, identified as Tuesday, July 5, 2005 to Sunday, July 17, 2005, and the National Football League Super Bowl XL activity period, identified as Monday, January 2, 2006 through Friday, February 10, 2006.

Sec. 30.5-1-4 — 30.5-1-10. Reserved.

ARTICLE II. VIOLATIONS AND ENFORCEMENT

Sec. 30.5-2-1. General Prohibitions.

The following uses, activities, and conveyances shall not be eligible for Limited Duration Permits, Limited Duration Licenses, and Limited Duration Permits with Temporary Certificates of Occupancy during the Activity Periods and within the Activity Zones:

(1) No Mobile Advertising signs or devices are permitted within the MLB or NFL Entertainment Zones, the Clean Zone or the Overlay Zone during either the MLB or the NFL Activity Periods;

(2) No adult entertainments as identified in Chapter 5, Articles II and III, of this Code, will be permitted in any of the Activity Zones during the MLB or the NFL Activity Periods; and

(3) No jitneys, rickshaws, bicycles or other non-motor-driven devices, which are used for the transport of persons, advertising or signs, or for merchandise sales will be permitted in any of the Activity Zones during th MLB and the NFL Activity Periods.

Sec. 30.5-2-2. Authority to Enforce.

(a) The City, through the Buildings and Safety Engineering Department, is authorized to administer and enforce the provisions of this Chapter that relate to the issuance of Limited Duration Permits for temporary structures, Limited Duration Permits with Temporary Certificates of Occupancy, and any provisions related to the Michigan Building Code, the 2000 Michigan Plumbing Code, the 1999

Michigan Electrical Code and any other related provisions of the Michigan Construction Code. The Director of the Buildings and Safety Engineering Department, as the Building Official, shall have the authority to designate technical officers and inspectors who are authorized to enforce and to ensure compliance with the provisions of this Chapter.

(b) The Consumer Affairs Department Business License Center shall have the authority to administer and enforce the provisions of this Chapter that relate to the issuance of Limited Duration Licenses.

(c) The Department of Health and Wellness Promotion shall have the authority to enforce provisions of this Code relative to the approval of Limited Duration Licenses for vendors of food.

(d) The Detroit Police Department shall have concurrent authority with the Buildings and Safety Engineering Department, Consumer Affairs Department Business License Center and the Department of Health and Wellness Promotion to enforce the provisions of this Chapter and this Code.

Sec. 30.5-2-3. Violations under this Chapter.

(a) It shall be unlawful for any person, group, or corporation to operate or perform any of the following during the Activity Periods of the MLB All-Star Game or the NFL Super Bowl XL within any of the approved Activity Zones, without first obtaining either a Limited Duration Permit from the Buildings and Safety Engineering Department or a Limited Duration License from the Consumer Affairs Department Business License Center unless the person, group, or corporation is currently under a legal permit or license, and is operating in accordance with the law:

(1) Any vending of food or beverages;

(2) Any vending of merchandise;

(3) Any activity in or on a temporary structure;

(4) Any operation in any previously vacant structure; or

(5) Erection or placement of any flag, inflatable, projection of images, sign, or structure.

(b) It shall be unlawful for any person who, or group or corporation which, has obtained a Limited Duration Permit or a Limited Duration License to operate or engage in any activity listed in Section 30.5-2-3(a) of this Code for the Activity Periods of the MLB 2005 All-Star Game or the NFL Super Bowl XL in violation of the terms and conditions of the Limited Duration Permit or the Limited Duration License issued by the City.

(c) It shall be unlawful for any person, group, or agency to engage in any activity for profit in the Activity Zones during the Activity Periods without a Limited

Duration License, Limited Duration Permit, or Limited Duration Permit with a Temporary Certificate of Occupancy.

(d) It shall be unlawful for any person, group, or agency to engage in any nuisance activity as defined in the 1984 Detroit City Code at any time including the Activity Periods and in the Activity Zones. **Sec. 30.5-2-4. Nature of violation; penalties; seizure of goods; removal of signs.**

(a) Violations of this Chapter are deemed misdemeanors in accordance with Section 1-1-9(a) of this Code.

(b) Upon conviction for any violation of this Chapter, the punishment shall be by a fine not exceeding five hundred dollars (\$500.00) or by imprisonment not to exceed ninety (90) days, or by both fine and imprisonment in the discretion of the court, for each such offense. The court, in its discretion, may order the payment of costs incurred as a result of the violation.

(c) Each day that any violation of any provision of this Code, or any rule or regulation promulgated pursuant thereto, continues shall constitute a separate offense.

(d) In addition to the penalties provided for in this section, the City may abate certain conditions which constitute a violation of a vendor's Limited Duration Permit or Limited Duration License to the extent the activity may pose an imminent danger to the public health, safety or welfare, constitutes a nuisance, or is outside the parameters of the Limited Duration Permit or Limited Duration License. Abatement shall consist of correction of the condition, which is a violation of this Chapter, including removal of signs or merchandise.

(e) The Detroit Police Department is authorized to assist in the abatement of the violation including, but not limited to, seizure of any items or merchandise being offered for sale or consumption without a legally issued Limited Duration Permit or Limited Duration License.

(f) Vendors operating without a legally issued Limited Duration Permit or Limited Duration License or Limited Duration Permit with Temporary Certificates of Occupancy may be shut down and issued a misdemeanor violation in accordance with this Chapter.

(g) Abatement of a violation of this Chapter may include the removal of any signs, or the seizure of any handbills illegally posted or being distributed, and charging the violator for the costs incurred in doing so.

(h) To the extent that such a permittee or licensee has misrepresented the activity for which a Limited Duration Permit, Limited Duration License, or Limited Duration Permit with a Temporary Certificate of Occupancy, was sought and obtained, the permittee or licensee may

be issued a misdemeanor violation and the operation shut down.

Sec. 30.5-2-5 — 30.5-2-10. Reserved.

ARTICLE III. 2005 MAJOR LEAGUE BASEBALL ALL-STAR GAME AND THE NATIONAL FOOTBALL LEAGUE SUPER BOWL XL LIMITED DURATION PERMITS AND LIMITED DURATION LICENSES

Sec. 30.5-3-1. Current license holders.

Limited Duration Licenses shall not be required for vendors already licensed in the Overlay Zones, MLB or NFL Entertainment Zones, or Clean Zones for the MLB Activity Periods, provided, that such uses and activities were licensed prior to the July 13, 2004 MLB All-Star Game. Licenses currently in place which are subject to annual renewal may be renewed on the yearly anniversary without violating this article. Limited Duration Licenses shall not be required for uses and activities already licensed in the Overlay, MLB or NFL Entertainment Zones, or Clean Zones for the NFL Activity Periods, provided, that such uses and activities were licensed prior to the February 6, 2005 Super Bowl XXXIX. All existing licensees shall continue to meet all requirements of this Code.

Sec. 30.5-3-2. Permits and Licenses of Limited Duration; identification of activities to be permitted; areas of operation.

Notwithstanding the restrictions contained in this Code with regard to advertising, signs, temporary structures, vendors and zoning, the Buildings and Safety Engineering Department may issue Limited Duration Permits, and Limited Duration Permits with Temporary Certificates of Occupancy, and the Consumer Affairs Department Business License Center may issue Limited Duration Licenses, for the MLB and the NFL Activity Periods for certain activities within the areas specified and as authorized by this Chapter:

(1) *Merchandise vendors.* Vendors on foot and stationary vendors of merchandise may be recommended by the MLB or the NFL to the Consumer Affairs Department Business License Center for Limited Duration Licenses within the MLB or the NFL Clean Zones and the MLB or the NFL Entertainment Zones. No merchandise vendors who have not been reviewed and recommended by the MLB or the NFL and approved by the Consumer Affairs Department Business License Center shall be issued Limited Duration Licenses for the MLB or the NFL Entertainment Zones or the Clean Zone. The MLB and the NFL have committed to give preference to local Detroit-based businesses in recommending vendors for Limited Duration Permits, Limited Duration Licenses and Limited Duration

Permits with Temporary Certificates of Occupancy in the Entertainment Zone. Merchandise vendors who apply to sell merchandise within the Overlay Zone may be issued Limited Duration Licenses by the Consumer Affairs Department Business License Center and are not to be subject to MLB or NFL recommendation.

(2) *Food and beverage vendors.* Stationary vendors of food and beverages may be recommended for Limited Duration Licenses within the Clean and the MLB or the NFL Entertainment Zones by the MLB or the NFL to the Consumer Affairs Department Business License Center. These same types of vendors may be issued Limited Duration Licenses by the Consumer Affairs Department Business License Center for the Overlay Zone. The MLB and NFL have committed to give preference to local Detroit-based businesses in recommending vendors for Limited Duration Permits, Limited Duration Licenses and Limited Duration Permits with Temporary Certificates of Occupancy in the Entertainment Zone. Vendors of food and beverages in all zones must be approved by the Department of Health and Wellness Promotion.

(3) *Alcohol sales and service vendors.* On-premises alcohol sales and service vendors shall have a National Sporting Event License in accordance with Section 517a of the Michigan Liquor Control Code, being MCL 436.1517a, for operation in the Clean Zone and the MLB or the NFL Entertainment Zones during the Activity Periods of either the MLB or the NFL. The MLB and the NFL have committed to give preference to local Detroit-based businesses in recommending vendors for the National Sporting Event Licenses in the Entertainment Zone. Vendors seeking temporary or special liquor licenses to operate in the Overlay Zone must follow the standard process as identified in the Michigan Liquor Control Code. No special or temporary alcohol sales and service vendors licenses other than the National Sporting Event Licenses shall be issued for the Clean and the MLB or NFL Entertainment Zones. In addition, all alcohol sales and service vendors in all zones must have obtained a Limited Duration License from the Consumer Affairs Department Business License Center.

(4) *Signs.* Limited Duration Permits for National Sporting Event Signs including, but not limited to, flags, inflatables, projections of images, and temporary way-finding signs, related to the National Sporting Event theme, the All-Star Game, or promoting the MLB may be issued by the Buildings and Safety Engineering Department for the Central Business District, the MLB Entertainment and the

Clean Zones during the MLB Activity Periods only. Limited Duration Permits for National Sporting Event Signs, including but not limited to, flags, inflatables, projections, and temporary way-finding signs related to the National Sporting Event theme, the Super Bowl, or promoting the NFL may be issued by the Buildings and Safety Engineering Department for the Central Business District, the NFL Entertainment Zone and the Clean Zones during the NFL Activity Periods only. All National Sporting Event Signs must comply with the following:

a. Signs shall be limited to an area which does not exceed ten percent (10%) of the area of the ground floor facade(s), which abut(s) any public street;

b. Signs which are attached or suspended from a building, and which are constructed of cloth or other combustible material, shall be constructed in an approved manner and shall be securely supported;

c. MLB related signs shall be removed within twenty-four (24) hours after the last day of the MLB activity period which ends on Sunday, July 17, 2005. No residue of the sign or its attachment devices shall remain;

d. NFL related signs shall be removed within twenty-four (24) hours after the last day of the NFL activity period which ends on February 10, 2006. No residue of the sign or its attachment devices shall remain;

e. Projection-type signs must be directed away from all residential buildings;

f. At least ninety percent (90%) of any sign permitted under this Chapter must be devoted to the MLB or the NFL National Sporting Event. The remaining ten percent (10%) may contain other information including, but not limited to, advertising or sponsorship of the National Sporting Event; and

g. Signs that are not removed may be subject to removal by the City of Detroit. All costs associated with removal and clean-up will be charged to the party who has been issued the permit for the erection or placement of the sign.

(5) *Wireless facilities.* Set-ups for wireless communication may be permitted for the Activity Periods of the MLB and the NFL in areas designated and under conditions identified by the Wireless Telecommunications Site Review Committee, which is authorized to act in accordance with Chapter 61 of this Code.

(6) *Temporary structures.* Limited Duration Permits may be issued by the Buildings and Safety Engineering Department for structures including, but not limited to, scaffolds stages, and tents for the MLB or the NFL Activity Periods within the MLB or the NFL Entertainment Zones, the Overlay Zones, and the Clean

Zones. All structures shall be subject to conditions established by the Buildings and Safety Engineering Department. The NFL and the MLB have committed to give preference to local Detroit-based businesses in recommending vendors for the Limited Duration Permits for temporary structures in the Entertainment Zone. The Buildings and Safety Department and the Fire Department shall inspect all such structures to ensure compliance with the Michigan Building Code and the Detroit Fire Prevention Code, being Chapter 19, Article I, of this Code. All tents proposed for Limited Duration Permits shall meet the following minimum requirements:

a. Tents shall be white, however, corporate logos in color are permitted in accordance with Subsection (d) of this section;

b. Tents shall be frame, self-supporting style tents which shall comply with the applicable portions of the Michigan Building Code and the Detroit Fire Prevention Code, being Chapter 19, Article I, of this Code;

c. Tents used for commercial purposes where food, beverages including alcohol, or merchandise are offered for sale shall cover no less than four hundred (400) square feet in area;

d. The size of the exterior signs on tents within the MLB and the NFL Entertainment Zones and Clean Zones for both the MLB and the NFL shall be determined by the MLB and the NFL. Exterior signs and corporate logos are not permitted on tents within the Overlay Zone outside the MLB and the NFL Entertainment Zones and Clean Zones. Such tents will be required to be white and subject to the other requirements in this section.

(7) *Permits with Temporary Certificates of Occupancy.* Permits with Temporary Certificates of Occupancy may be issued by the Buildings and Safety Engineering Department for the vacant storefronts within the MLB and the NFL Entertainment Zones, and the Overlay Zones for the MLB and the NFL Activity Periods. The MLB and the NFL have committed to giving preference to local Detroit-based businesses in recommending vendors for Limited Duration Permits with Temporary Certificates of Occupancy. The MLB and the NFL shall make recommendations to the Buildings and Safety Engineering Department for such Temporary Certificates of Occupancy. These vacant storefronts may be used as temporary sites where activities such as entertainment programming, the sale and service of food and beverages, including alcohol, and the sale of merchandise may occur. All such sites must comply with applicable building, fire, health, and safety codes and will be inspected by the Buildings and Safety

Engineering Department, the Fire Department and the Department of Health and Wellness Promotion, to ensure compliance with said Codes prior to the start of the Activity Periods of the two National Sporting Events. Temporary Certificates of Occupancy may be issued by the Buildings and Safety Engineering Department for vacant storefronts within the Overlay Zone based on applications submitted to Buildings and Safety Engineering Department and reviewed by the MLB or NFL in accordance with the requirements of this Chapter.

Applicants seeking Limited Duration Permits or Limited Duration Permits with Temporary Certificates of Occupancy for the MLB Entertainment Zone and the Clean Zone, for the MLB Activity Period for any of the uses allowed by this Chapter with the exception of sales and service of alcohol, shall obtain and file their application with the Buildings and Safety Engineering Department no less than ten (10) days prior to the Activity Period of the 2005 All-Star Game. The Consumer Affairs Department Business License Center or the Buildings and Safety Engineering Department must review and forward applications to the MLB by the earliest practicable date. The MLB will review and provide comments

and recommendations to the Buildings and Safety Engineering Department or the Consumer Affairs Department Business License Center, as required, within sufficient time to enable the timely issuance of the Limited Duration Permits and Limited Duration Licenses.

(2) Applicants for Limited Duration Permits, Limited Duration Licenses and Limited Duration Permits with Temporary Certificates of Occupancy for the Overlay Zone for all uses and activities allowed under this Chapter, with the exception of sales and service of alcohol, during the MLB Activity Period must be submitted for review to the Buildings and Safety Engineering Department or the Consumer Affairs Department Business License Center no less than ten (10) days prior to the activity period of the 2005 All-Star Game. The MLB review shall be sufficiently timely to allow the Buildings and Safety Engineering Department and/or the Consumer Affairs Department Business License Center to review applications and make determinations by the earliest practicable date.

(3) Applicants seeking Limited Duration Permits and Limited Duration Permits with Temporary Certificates of Occupancy for the NFL Entertainment Zone and the Clean Zone for the NFL Activity Period for any of the uses allowed under this Chapter, with the exception of sales and service of alcohol, shall obtain and file their applications with the Buildings and Safety Engineering Department no less than sixty (60) days prior to the Activity Period of the 2006 Super Bowl XL. Applicants seeking Limited Duration Licenses for the NFL Entertainment Zone and the Clean Zone for the NFL Activity Period for all uses allowed under this Chapter, with the exception of sales and service of alcohol, shall obtain and file their applications with the Consumer Affairs Department Business License Center no less than sixty (60) days prior to the Activity Period of the 2006 Super Bowl XL. The Buildings and Safety Engineering Department or the Consumer Affairs Department Business License Center must review applications and forward to the NFL by the earliest practicable date. The NFL must review and provide recommendations to the Buildings and Safety Engineering Department or the Consumer Affairs Department Business License Center in a timely manner in order to enable the departments to issue the Limited Duration Permits, Limited Duration Licenses, or Limited Duration Permits with Temporary Certificates of Occupancy in a timely manner.

(4) Applicants seeking Limited Duration Permits, Limited Duration Licenses and Limited Duration Permits with Temporary Certificates of Occupancy

for the Overlay Zone for all uses and activities allowed under this Chapter, with the exception of sales and service of alcohol, for the NFL Activity Period must be submitted for review and approval of either the Buildings and Safety Engineering Department or the Consumer Affairs Department Business License Center no less than sixty (60) days prior to the Activity Period of the 2006 Super Bowl XL. The Buildings and Safety Engineering Department or the Consumer Affairs Department Business License Center must review applications at the earliest practicable date and forward to the NFL for its comments and recommendations. The NFL review must be conducted in a sufficiently timely manner in order to provide for the timely issuance by the Buildings and Safety Engineering Department and/or the Consumer Affairs Department Business License Center of Limited Duration Permits, Limited Duration Licenses, and Limited Duration Permits with Temporary Certificates of Occupancy.

(5) Applicants for Limited Duration Permits, Limited Duration Licenses, or Limited Duration Permits with Temporary Certificates of Occupancy for all Activity Zones and all activities provided for in this Chapter for the MLB and the NFL Activity Periods are not subject to any of the public notice and public hearing requirements normally required for permits, licenses, or permits with certificates of occupancy issued for the above described activities.

(6) Where determined that the application for a Limited Duration Permit or Limited Duration Permit with a Temporary Certificate of Occupancy is not complete or timely notice shall be provided by the Buildings and Safety Engineering Department to the applicant advising of the deficiencies. Where the applicant does not timely correct the deficiencies, the Buildings and Safety Engineering Department may deem the application abandoned. Timely correction means the correction of deficiencies in a time frame that will allow the Buildings and Safety Engineering Department sufficient time to review the corrections and issue the Limited Duration Permits or Limited Duration Permits with Temporary Certificates of Occupancy prior to the beginning of the Activity Periods.

(7) Where determined the application for a Limited Duration License is not complete, timely notice shall be provided by the Consumer Affairs Department Business License Center to the applicant advising of the deficiencies. Where the applicant does not correct the deficiencies in a timely manner, the Consumer Affairs Department Business License Center may deem the application abandoned. Timely correction means the correction of deficiencies means correction

in a time frame that will allow the Consumer Affairs Department Business License Center sufficient time to review the corrections and issue the Limited Duration License prior to the beginning of the Activity Periods.

(e) *Applications for the special alcohol sales and service licenses.*

(1) The National Sporting Event Licenses for the 2005 All-Star Game as provided for in Section 517a of the 1998 Michigan Liquor Code, being MCL 436.1517a, for the MLB and the NFL Entertainment Zones and Clean Zones, must first submit their applications to the Detroit Police Department Liquor License Unit (DPD/LLU) at least ten (10) days prior to the beginning of the MLB activity period. The DPD/LLU will forward the application to the Buildings and Safety Engineering Department at the earliest practicable date after the receipt of a complete application. The Buildings and Safety Engineering Department will review and forward the list of completed applications to the MLB for their review, recommendations, and comments at the earliest practicable date. The applicant shall be required to obtain City Council and Michigan Liquor Control Commission approval. In addition, applicants are required to apply for and obtain a Limited Duration License from the Consumer Affairs Department Business License Center. Approval of the application for the National Sporting Event License by the DPD/LLU, the Buildings and Safety Engineering Department, the City Council, and the Michigan Liquor Control Commission are required for the issuance of a valid National Sporting Event Liquor License.

(2) The process for applying for a National Sporting Event Liquor License for the Clean Zone and NFL Entertainment Zone during the NFL activity period requires applicants to apply to the DPD/LLU no less than sixty (60) days prior to the NFL activity period. The DPD/LLU will forward to the Buildings and Safety Engineering Department at the earliest practicable date after review and investigation of the completed application. The Buildings and Safety Engineering Department shall review the application at the earliest practicable date and forward to the NFL for comments and recommendations. The applicant shall obtain the approval of the City Council and the Michigan Liquor Control Commission. In addition, applicants must apply for and obtain a Limited Duration License from the Consumer Affairs Department Business License Center. Approval of the Buildings and Safety Engineering Department, the DPD/LLU, the City Council, and the Michigan Liquor Control Commission are required for the issuance of a valid National Sporting Event Liquor License.

(f) *General Criteria and Specific Criteria.* Except as otherwise provided in this Chapter, applications for a Limited Duration Permit, Limited Duration License, or Limited Duration Permit with a Temporary Certificate of Occupancy shall be evaluated by the appropriate departments based on the following criteria:

(1) *Consistent with this Chapter.* Whether the use is one for which a Limited Duration Permit, Limited Duration License, or Limited Duration Permit with a Temporary Certificate of Occupancy is one authorized by this Chapter;

(2) *Ingress and egress.* Whether the ingress and egress to the property and structure and uses thereon, are adequate, with particular reference to pedestrian safety and convenience, traffic flow and control, and emergency access;

(3) *Refuse and service areas.* Whether the location, scale, design and screening of refuse and service areas, the manner in which refuse is to be stored, and the manner of refuse collection, deliveries, shipments or other service activities in relation to the location and nature of uses on adjoining properties are adequate.

(4) *Lighting.* Whether the number, size, character, location and orientation of the proposed lighting for premises is sufficient, with particular reference to traffic safety, glare, and the compatibility and harmony with adjoining and nearby property and the character of the area;

(5) *Utilities.* The availability and capacity of the utilities required, with particular reference to the location of connections, and potentially adverse appearance on other adjoining and nearby property and the character of the area;

(6) *Drainage.* The adequacy of the drainage on the site, with particular reference to the effect on adjoining and nearby properties and on general drainage systems in the area, and the health and safety of the public;

(7) *Sanitary Service Facilities.* The sufficiency of the number of facilities required for the size of the crowd expected and the number of accessible facilities required under the Americans with Disabilities Act Accessibility Guidelines. In addition, due consideration shall be given to the placement of the sanitary service facilities relative to the other services being provided in the immediate area with special care given to the health and safety of the public. Generally, food tents shall be a distance of one-hundred-fifty (150) feet from the sanitary facility; and

(8) *General.* Due consideration shall be given to the potentially adverse effects generally on adjoining and nearby properties, the area, the neighborhood considering the particular class or kind of Limited Duration Permit, Limited Duration License or Limited Duration Permit with Temporary Certificate of Occupancy. Where such

potentially adverse effects are found, consideration shall be given to special remedial measures appropriate in the particular circumstances of the case, including screening or buffering, hours of operation, alteration of proposed layout, or other such measures as are required to assure that such potentially adverse effects are compatible and harmonious with other development in the area.

(g) Conditions and safeguards.

(1) The Buildings and Safety Engineering Department and the Consumer Affairs Department Business License Center shall have the discretion to attach such conditions and safeguards as may be necessary for the purposes of this Chapter to the issuance of a Limited Duration Permit, Limited Duration License or Limited Duration Permit with Temporary Certificate of Occupancy.

(2) Such conditions and safeguards shall be based upon and consistent with the criteria set forth in this section. Any such conditions or safeguards shall be supported and no condition or safeguard shall establish special limitations or requirements beyond those reasonably necessary for the accomplishment of the intended purpose.

(h) Vendor Rules and Regulations.

(1) The term "vendor" applies not only to the individual or business named in the Limited Duration License, but also to any-one working with or for the vendor at the vendor's site.

(2) The Limited Duration License, Limited Duration Permit, and Limited Duration Permit with a Temporary Certificate shall be current and displayed at all times during the operation of the licensed or permitted activity. The activity granted a Limited Duration Permit or Limited Duration License shall operate on the site for which the vending permit or license was issued.

(3) The Limited Duration Permit or Limited Duration License site shall be a minimum of fifteen (15) feet from any building entrance or exit.

(4) The Limited Duration Permit or Limited Duration License site shall not obstruct any view of traffic or signs.

(5) The Limited Duration Permit or Limited Duration License site shall be a minimum of one hundred (100) feet from the center of any customer entrance of any establishment vending like goods.

(6) Any signs associated with the Limited Duration Permit or License site shall be located in or on the vendor site.

Sec. 30.5-3-4. Parades and similar activities.

Applicants for parade permits during the MLB and the NFL Activity Periods, and within the general area of the Activity Zones, must follow the procedures outlined in Sections 50-9-1 through 50-9-23 of this Code.

Sec. 30.5-3-5. Conflict with other provisions in this Code.

All provisions of this Code, which are in conflict with this Chapter, are superseded by this Chapter for the limited time frame of the MLB and NFL Activity Periods and within the zones described in this Chapter for the MLB and the NFL Activity Periods. Those activities or businesses already in possession of a legally issued permit or license shall continue to operate as if this Chapter were not in effect as long as they are in compliance with this Code and the conditions in their permits or licenses.

Sec. 30.5-3-6. Severability.

Where any section, paragraph, sentence, clause, phrase or word of this ordinance be declared invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality shall not affect any of the remaining words, phrases, clauses, sentences, paragraphs or sections of this Chapter, since the same would have been enacted by the City without the incorporations in this ordinance of any invalid or unconstitutional word, phrase, clause, sentence, paragraph or section.

Secs. 30.5-3-7 — 30.5-3-10. Reserved.

Section 2. This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the People of the City.

Section 3. In the event that this ordinance is passed by a two-thirds (2/3) majority of the City Council Members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-116 of the 1997 Detroit City Charter. Where this ordinance is passed by less than two-thirds (2/3) majority of the City Council Members serving, it shall become effective no later than thirty (30) days after enactmen, or the first business day thereafter in accordance with Section 4-115 of the 1997 Detroit City Charter.

Honorable City Council:

Re: Petition Number 3326 — Request for City Council Approval for the Issuance of a New Michigan Liquor Control Commission Dance Permit to Glow Dance and Entertainment, Inc. for a Group 'A' Cabaret at 1557 East Lafayette Boulevard.

Section 916(6) of the Michigan Liquor Control Code of 1998, being MCL 436.1916(6), requires that prior to the issuance of a Michigan Liquor Control Commission ("MLCC") dance or entertainment permit, or a dance-entertainment permit, a location licensed by the MLCC for the sale of alcoholic beverages on the premises shall obtain the approval of (1) the chief law enforcement officer, and (2) the legislative body of the municipality within which the premises are located.

Pursuant to this requirement, the MLCC has forwarded a Local Approval Notice Request ID number 273308, to the Detroit City Council for your review and consideration. The Local Approval Notice requests City Council approval or disapproval of a request from Glow Dance & Entertainment, Inc. for the issuance of a new dance permit in conjunction with the transfer of a Class "C" liquor license in escrow at 7119 Puritan to 1557 East Lafayette Boulevard.

Building and Safety Engineering Department ("B&SE") records indicate that 1301 Orleans, a/k/a 1557 East Lafayette Boulevard, is located on property zoned B-3 (Shopping district) that has

been approved for a standard restaurant with a Class "C" bar and nightclub per B&SE Case No. 124-04, effective October 28, 2004. A Certificate of Occupancy, dated May 20, 2005, in accord with permit number 81129, has been issued for the bar/nightclub at 1557 East Lafayette Boulevard. Further B&SE reports that the continued use of the property for a limited standard restaurant, bar, and nightclub is permitted pursuant to the Detroit Zoning Ordinance, subject to compliance with all grant conditions, relevant codes, and ordinances.

Pursuant to Section 5-7-1 of the 1984 Detroit City Code, a Group 'A' cabaret business license is required for an establishment open to the public which sells or serves alcoholic beverages with or without food, and either allows dancing with or without live entertainment, or provides three (3) or more live entertainers at one time with or without dancing. The records of the Consumer Affairs Business License Center indicate that Glow Dance & Entertainment, Inc. has applied for a Group 'A' cabaret license and has met the requirements of the applicable provisions of the 1984 Detroit City Code for the issuance of the requested business license. Therefore, upon this Body's approval of the request for the issuance of a new dance permit and the issuance of a Group 'A' cabaret license by Consumer Affairs Business License Center, the location will be approved for dancing by customers only. Further, Section 5-7-13 of the 1984 Detroit City Code prohibits adult entertainment in an establishment licensed as a Group 'A' cabaret.

Due to the fact that Glow Dance & Entertainment, Inc. is reestablishing a bar at the subject location, there have not been any MLCC violations filed against the premises, nor any serious crimes within the premises, in the preceding twelve months. Further, there are no reported violations or reported serious crimes in the preceding twelve months for the bar at 7119 Puritan, which is the location where the liquor license is being transferred from. The Department Police Department ("DPD"), Liquor License Unit, on behalf of the Chief of Police, has recommended approval of the transfer of the Class "C" liquor license to 1557 East Lafayette Boulevard and the issuance of a new dance permit to Glow Dance & Entertainment, Inc. for the location.

The Law Department recommends that this matter be placed on the City Council's agenda for the approval or disapproval of the requested new dance permit in accordance with this Body's August 1, 2003 and Jul 7, 2004 resolutions on the procedures and criteria for the approval or disapproval of the issuance of dance-entertainment, and topless activity permits. Attached is a proposed resolution

approving the issuance of the new dance permit to Glow Dance & Entertainment, Inc.

If there are any questions or concerns, please do not hesitate to contact our office.

Respectfully submitted,
BRENDA E. BRACEFUL
Deputy Corporation Counsel

By Council Member McPhail:

Whereas, Section 916(6)(b) of the Michigan Liquor Control Code of 1998, being MCL 436.1916(6)(b), requires that prior to the issuance of a Michigan Liquor Control Commission ("MLCC") dance permit, a location licensed by the MLCC for the sale of alcoholic beverages on the premises shall obtain the approval of (1) the chief law enforcement officer, and (2) the legislative body of the municipality within which the premises are located;

Whereas, The MLCC has forwarded Local Approval Notice Request ID number 273308, to the Detroit City Council, which requests approval or disapproval of a request from Glow Dance & Entertainment, Inc. for the issuance of a new dance permit in conjunction with the transfer of a Class "C" liquor license from 7119 Puritan to 1557 East Lafayette Boulevard.

Whereas, Building and Safety Engineering Department ("B&SE") records indicate that 1301 Orleans, a/k/a 1557 East Lafayette Boulevard, is located on property zoned B-3 (Shopping district) that has been approved for a standard restaurant with a Class "C" bar and nightclub per B&SE Case No. 124-04, effective October 28, 2004;

Whereas, B&SE reports that pursuant to permit number 81120, a Certificate of Occupancy, dated May 20, 2005, has been issued for the location and that the continued use of the property for a limited standard restaurant, bar, and nightclub is permitted pursuant to the Detroit Zoning Ordinance, subject to compliance with all grant conditions, relevant codes, and ordinances, and;

Whereas, The Consumer Affairs Business License Center records indicate that Glow Dance & Entertainment, Inc. has applied for a Group 'A' license for 1557 East Lafayette Boulevard and has met the requirements of the applicable provision of the 1994 Detroit City Code for the issuance of the requested business license to allow for dancing by customers only at the location;

Whereas, upon this Body's approval of the request for the issuance of a new dance permit and the issuance of a Group 'A' cabaret license by Consumer Affairs Business License Center to Glow Dance & Entertainment, Inc., the location will be approved for dancing by customers only on the premises;

Whereas, Section 5-7-13 of the 1984

Detroit City Code prohibits adult entertainment in an establishment licensed as a Group 'A' cabaret;

Whereas, Due to the fact that Glow Dance & Entertainment, Inc. is reestablishing a bar at the subject location, there have not been any MLCC violations filed against the premises, nor any serious crimes within the premises, in the preceding twelve months;

Whereas, The City Council has considered the MLCC Local Approval Notice requesting the approval or disapproval of the issuance of a new dance permit to Glow Dance & Entertainment, Inc., for 1557 East Lafayette Boulevard in accordance with this Body's procedures and the August 1, 2003 and July 7, 2004 resolutions on the procedures and criteria for the approval or disapproval of the issuance of dance, dance-entertainment, and topless activity permits.

Now Therefore It Is Resolved, Pursuant to Section 916(6)(b) of the Michigan Liquor Control Code, being MCL 436.1916(6)(b), that the Detroit City Council, approves the issuance of a new dance permit to Glow Dance & Entertainment, Inc., for 1557 East Lafayette Boulevard; and

It Is Further Resolved, That copies of this Resolution, and the City Clerk's certification of this approval of MLCC request ID number 273308, be forwarded to the Michigan Department of Consumer and Industry Services, Liquor Control Commission, 7150 Harris Drive, P.O. Box 30005, Lansing, MI 48909-7575, the Detroit Police Department, Liquor License Unit, 1300 Park Street, and the Consumer Affairs Business License Center, 105 Coleman A. Young Municipal Center.

Honorable City Council:
Re: Request for Closed Session of Detroit City Council to Discuss *Colony Arms Ltd v HUD*.

The Law Department hereby requests

the opportunity to meet with your Honorable Body in closed session to discuss litigation/appellate strategy and options for resolving *Colony Arms Ltd v HUD*. This matter is pending in the 6th Circuit Court of Appeals.

Act 267 of the Public Acts of 1976, commonly referred to as the *Michigan Open Meetings Act*, allows a public body, upon two-thirds roll call vote of its members to:

To consult with its attorney regarding trial or settlement strategy in connection with specific pending litigation, but only if an open meeting would have a detrimental financial effect on the litigating or settlement position of the public body. MCL 15.268(e)

It is the opinion of the Law Department that an open meeting would have a detrimental financial effect on the City of Detroit in the on-going litigation referenced above.

The attorneys of record from the Law Department are available to meet at a date and time acceptable to your Honorable Body. A proposed resolution setting the closed session is attached for your approval.

Honorable City Council:

Re: MDOT Contract No. 2005-0213.
Federal Project No. B-26-0027-3004.
Economic Impact Study.

The Airport Department has received a block grant from the Federal Aviation Administration (FAA) through the Michigan Department of Transportation (MDOT) for airport development projects. The grant contract provides the City of Detroit with eligible funds to conduct an economic impact study at the Coleman A. Young International Airport.

The estimated project cost is \$184,250.00 of which \$147,400.00 is federal share and \$32,244.00 is the state share. The remaining cost of \$4,606.00 will be the sole responsibility of the City.

We request that your Honorable Body adopt the attached resolution to accept

and execute the above referenced grant. We also request permission to authorize the Finance Director to pay the local share from appropriation #10279 organization #100250 fund #3601 and honor vouchers when presented in accordance with the foregoing communication.

Approval of your Honorable Body will allow the Department to proceed with this project for continuing development at Coleman A. Young International Airport.

Re: 4381 Central. February 10, 2003 (J.C.C. p. 473).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection conducted on May 10, 2005 revealed that the property did not meet the requirements of the application to defer. The property continues to be open to trespass and not maintained.

Therefore, we respectfully recommend that the request for a deferral be denied. We will proceed to have the building demolished as originally ordered with the cost of demolition assessed against the property.

Respectfully submitted,
AMRU MEAH

Honorable City Council:

Re: 966 Adeline. Emergency Demolition.

The building at the above location was recently found to be extensively fire damaged and structurally unsafe.

Our records indicate that this is the initial complaint for this location.

It is our opinion that there is an actual and immediate danger affecting the health, safety and welfare of the public. Therefore, under the authority of Ordinance 290-H, we are taking emer-

gency measures to have this building or portions thereof removed with the cost assessed against the property.

By copy of this letter, we will notify all utility companies to immediately start utility disconnects.

Respectfully submitted,

Honorable City Council:
Re: Address: 18030 Waltham. Name:

Michael Baumhall. Date ordered removed: February 9, 2005 (J.C.C. p. 534).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on May 19, 2005 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of May 18, 2005.

The proposed use of the property is

rehabilitation and rental.

Therefore, it is recommended that the demolition order be deferred for a period of three months subject to the following conditions:

1. A permit for rehabilitation work shall be obtained within 30 days.

2. The building shall be maintained securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection.
- Certificate of Inspection, required for all residential rental properties.

3. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

4. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Respectfully submitted,

Re: Neighborhood Enterprise Zone (NEZ) Certificate Applications for 1664 Leverette in the Corktown NEZ (Recommend Approval).

The City Clerk's Office forwarded to our office an application for a Neighborhood Enterprise Zone (NEZ) certificate for 1664 Leverette. City Planning Commission (CPC) staff's research indicates that the above property is within the boundaries of the Corktown NEZ, which was approved by City Council in October 1994.

The certificate is for rehabilitation of an owner-occupied single-family house. The owner is proposing about \$73,000 in major renovations, including a new roof, windows, and kitchen.

The property has an estimated true cash value of \$35,013, which is below the \$80,000 per unit maximum required by the NEZ Act.

Based on the above analysis, CPC staff

recommends approval of the subject NEZ certificate.

(NEZ) Certificate Application for 5441 Belvidere in the Gratiot Woods NEZ (Recommend Approval).

The City Clerk's Office forwarded to this office an application for a Neighborhood Enterprise Zone (NEZ) certificate for 5441 Belvidere, within the Gratiot Woods NEZ.

The Gratiot Woods NEZ was approved by City Council on February 18, 2004. The petitioner is proposing to construct a single-family home.

The subject property is confirmed as being within the boundaries of the NEZ and should be eligible for a NEZ certificate under State Act 147 of 1992 as currently written. It appears that the request for a certificate has been filed prior to construction, as the State Act requires.

The City Planning Commission staff, therefore, recommends approval of the requested certificate in the Gratiot Woods NEZ. Please contact Mr. Gregory Moots of my staff at 224-2110 with any questions.

The City Clerk's Office forwarded to our office applications from 5766 Trumbull, LLC for Neighborhood Enterprise Zone (NEZ) certificates for 38 housing units with the Research Lofts (on Trumbull) Neighborhood Enterprise Zone, which was approved by the Detroit City Council in April 2005.

The addresses for these units are all 5766 Trumbull Ave. with the following unit numbers: Unit 101, Unit 102, Unit 103, Unit 104, Unit 105, Unit 106, Unit 107, Unit 108, Unit 109, Unit 110, Unit 111, Unit 112, Unit 113, Unit 114, Unit 115, Unit 116, Unit 117, Unit 118, Unit 201, Unit 202, Unit 203, Unit 204, Unit 205, Unit 206, Unit 207, Unit 208, Unit 209, Unit 210, Unit 211, Unit 212, Unit 213, Unit 214, Unit 215, Unit 216, Unit 217, Unit 218, Unit 219, Unit 220.

The building at 5766 Trumbull, which was originally developed as a manufacturing facility, will be redeveloped with 38 units with each unit selling for either \$112,000 or \$148,000.

The properties involved are confirmed as being within the boundaries of the NEZ and should be eligible for a NEZ certificate under State legislation as currently written. Based on the above analysis, CPC staff recommends approval of the subject certificates.

Re: Contract 83406 with Bert Dearing.

Contract Number 83406 with Bert Dearing is being submitted to the City Council for your approval. The contract is for the services of Mr. Dearing as the appointee of Council Member Bates to the Board of Review. This memo is to clar-

ify the status of this contract and the necessity for its approval.

The City Council approved a resolution on June 1, 2005 to terminate the contract with Bert Dearing effective immediately. Council Member Bates has nominated Mr. Robert Shannon, Sr. to replace Mr. Dearing. The members of the Board of Review are appointed for a term of one (1) year beginning February 1st. Contracts are prepared with each Board of Review member to pay them for their services at a rate of \$200 for each day of service, not to exceed a total of \$9,400.

Mr. Dearing's contract was submitted immediately after his appointment, however the contract has been significantly delayed as it moved through the administrative process. It is our understanding that Mr. Dearing has fulfilled his obligations as a member of the Board of Review and is entitled to be paid for the services provided through May 31, 2005. It is important that this contract be approved forthwith. The resolution adopted by the City Council on June 1, 2005 does terminate this contract on June 1, 2005.

Attached is the resolution authorizing Contract 83406 with Bert Dearing. Please contact the Research and Analysis Division if there are questions or concerns with the attached contract.

Honorable City Council:

Re: Proposal to amend the Detroit Master Plan of Policies for the McDougall-Hunt Rehabilitation area to make the proposed land use and zoning concept maps consistent with the 2nd Modified Development Plan for the McDougall-Hunt Rehabilitation Project (RECOMMEND APPROVAL).

Background

The 2nd Modified McDougall-Hunt Rehabilitation Plan was approved by City Council on November 19, 2003. On October 27, 2004, City Council approved the rezoning of various properties within McDougall-Hunt to make the zoning consistent with the proposed zoning recommended in the 2nd Modified Development Plan.

On December 2, 2004, the City Planning Commission (CPC), held a public hearing to consider the Planning and Development Department's (P&DD) proposal to amend the Detroit Master Plan of Policies in order to make the proposed land use and rezoning concept maps for the McDougall-Hunt area consistent with the recently adopted 2nd Modified McDougall-Hunt Development Plan and rezonings.

The McDougall-Hunt area is bounded by Gratiot Avenue on the north, the alley first east of Mt. Elliott on the east, East Vernor Highway on the south, and St. Aubin Avenue on the west.

Purpose of Proposed Changes

The purpose of the proposed changes for the McDougall-Hunt area in the Master Plan is to enhance the marketability for potential new residential and commercial development in the area, while maintaining consistency with the McDougall-Hunt 2nd Modified Development Plan. The area contains a significant number of deteriorated vacant homes and lots, and the overall area has experienced property value decline that has resulted in housing values that are significantly lower than adjacent neighborhoods.

Despite these problems, the McDougall-Hunt community has received renewed interest for commercial and residential reinvestment, largely due to its proximity to downtown and regional employment centers. Within the past two years, City Council has approved the Silvercup Brownfield Redevelopment Plan and the Gratiot-McDougall Homes Brownfield Redevelopment Plan to assist developers in building new housing within the McDougall-Hunt community.

Summary of Proposed Changes

The proposed amendment involves changes to:

East Central Sector, Lower East Central Subsector Future Land Use Map

The amendment reflects changes to the proposed land use map for various areas that are currently designated for low and low-medium density residential land uses. Those areas will now be reflected as SRC (Special Residential Commercial), RLC (Residential Local Commercial), or RM (Medium Density Residential).

East Sector, Kettering Subsector Proposed Land Use Map

The amendment reflects changes to the proposed land use map for various areas that are currently designated for light industrial. Those areas will now be reflected as RM (Medium Density Residential), SRC (Special Residential Commercial), and RLC (Residential Local Commercial).

East Sector, Butzel Subsector Proposed Land Use Map

The amendment reflects changes to the proposed land use map for various

areas that are currently designated for light industrial. Those areas will now be reflected as RM (Medium Density Residential), and RLC (Residential Local Commercial).

East Central Sector Generalized Rezoning Concept Map

The amendment reflects changes to the generalized rezoning concept map for various areas that are currently shown as PD (Planned Development District), SD2 (Special Development District), R2/R3 (Two-Family Residential District and Low Density Residential District). The generalized rezoning concept map will now reflect R3, SD1, B2 (Local Business and Residential District), and R4 (Thoroughfare Residential District).

East Sector, Generalized Rezoning Concept Map

The amendment reflects changes to the generalized rezoning concept map for various areas that are currently shown as M4 (Intensive Industrial District), M2 (Restricted Industrial District), and B4 (General Business District). The generalized rezoning concept map will now reflect R4 (Thoroughfare Residential District) and B2 (Local Business and Residential District).

The proposed changes to the Master Plan Land Use Maps and Generalized Concept Maps to specific areas are listed in greater detail on the Public Hearing notice, which has been attached for your reference. A working map illustrating all proposed land use changes has also been attached.

Public Hearing Results

At the City Planning Commission's December 2, 2004 public hearing, several residents raised questions tangentially related to the Master Plan Amendment. May of the questions raised were centered around individual property uses and concerns, which were sparked by confusion over the maps, language, and terminology of the land use and zoning cate-

gories printed in the public hearing notice. Other residents were interested in finding out if any new developments were coming to their specific area. As a result, the City Planning Commission recommended that staff hold a community meeting to address the individual concerns of the residents who spoke at the public hearing. The community meeting was held at the Franklin Wright Settlement on Monday, December 20, 2004. CPC and P&DD staff were present to answer individual questions.

Response from Adjacent Communities

The Royal Oak Planning Commission submitted a letter of support for the amendment, and a planning consultant submitted a letter of support on behalf of George Paron, Chairman of the Dearborn Heights City Planning Commission, acknowledging the City of Detroit's efforts to rejuvenate the City.

Review and Recommendation

The City Planning Commission believes that the overall proposed changes to the land use and zoning concepts maps are appropriate and representative of the McDougall-Hunt Development Plan. Resident and community concerns were adequately addressed during the public hearing and community meeting. As a result, on January 6, 2005 the City Planning Commission took action to recommend approval of the proposed amendment to the Detroit Master Plan of Policies for the McDougall-Hunt area to make the proposed land use and zoning maps consistent with the development plan. The Planning and Development Department has already submitted the appropriate resolution for City Council consideration.

Re: Public Hearing on the Establishment of the Triad Development Company Neighborhood Enterprise Zone as Requested by the Triad Development Company in Accordance with Public Act 147 of 1992.

The Planning & Development Department and the Finance Department have reviewed the Master Plan and the neighborhood preservation and development goals of the City, and find that establishment of the Vinton Building Lofts Neighborhood Enterprise Zone would be consistent with the neighborhood preservation and development goals and with the Master Plan.

Public Act 147 of 1992, commonly referred to as the Neighborhood Enterprise Zone (NEZ) Act, in Section 3(1) states "the governing body of a local governmental unit by resolution may designate one (1) or more neighborhood enterprise zones". Prior to acting upon the resolution establishing an NEZ, a public hearing must be held, and the City Clerk must provide written notice of the public hearing to the assessor and to the governing body of each taxing unit that levies an ad valorem tax within the proposed

NEZ, said notice to be made not less than 60 days prior to your Honorable Body's passage of a resolution designating an NEZ.

The boundaries of the proposed NEZ are described in Exhibit A (legal description) and illustrated in the map also attached. The developer proposes to construct 104 single family and duplex units at a cost of \$13.5 million.

We request that a Public Hearing be scheduled on the issue of establishing this NEZ, as required by the NEZ Act. Attached for your consideration, please find a resolution establishing a date and time for the public hearing, together with the aforesaid map and legal description of the proposed NEZ.

Respectfully submitted,

HENRY B. HAGOOD

Director of Development Activities
Planning & Development Department
By Council Member Collins:

Whereas, Pursuant to Public Act No. 147 of the Public Acts of 1992 ("the Act") this City Council has the authority to establish "Neighborhood Enterprise Zones (NEZs)" within the boundaries of the City of Detroit; and

Whereas, The Triad Development Company has requested establishment of the "Triad Development" NEZ whose boundaries are particularly described in Exhibit A (legal description) and illustrated in the map attached hereto; and

Whereas, The Act requires that, prior to establishing an NEZ, the City Council shall provide an opportunity for a Public Hearing on such establishment, at which Public Hearing representatives of any taxing authority levying *ad valorem* taxes within the City, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter.

Now Therefore Be It

Resolved, That on FRIDAY, JULY 29, 2005 AT 11:00 A.M. in the City Council Committee Room, 13th floor, Coleman A.  Re: Departmental Recommendation on Residential Alley Vacation for Petition Numbers: 317, 1924, 2147, 2385, 2630, 2868, 3010, 3127, 3424 and 3603.
 The above-referenced ten (10) petitions

were presented by the Planning and Development Department (P&DD) for consideration at a public hearing before your Honorable Body on June 3, 2005. Eleven (11) petitions were presented at this public hearing. Following public comments, one (1) (Petition No. 2094) was put on hold for a report from P&DD, on an issue related to increased property tax if alley is vacated. Your Honorable Body, also suggested that subject petition be re-circulated to ensure that all abutting property owners are given the opportunity to carefully consider what is best for the overall betterment of their neighborhood. The balance of ten (10) petitions are

those referenced above for which the City Council supports the recommendation of the Planning and Development. Attached herewith, is the resolution that will enable the City Council to take formal action causing the vacation of the ten referenced petitions.

The above-referenced petitions have been processed in compliance with the Detroit Code, Article VI, Section 50-6-1. Our investigation of each of these petitions discloses the following:

1. The public utilities located in the alley can be properly served if this alley is converted into an easement.
2. These alleys are not used for municipal trash collection.
3. No objections to this alley vacation have been received from outside Utility Companies or City Departments involved.

Therefore, it is the recommendation of the Planning and Development Department that the attached resolution be approved.

Respectfully submitted,

Honorable City Council:
 Re: Amendment to Sales Resolution.
 Development: 20200-20210, 20216, 20220 & 20224 Schoolcraft.

On June 11, 2001, (Detroit Legal News, Page 10), your Honorable Body authorized the sale of the above-captioned property via a Development Agreement to Joy Temple Church of God in Christ, Inc., a Michigan Non-Profit Corporation, for the purpose of constructing a paved surface parking lot.

It has come to our attention that the sales resolution was issued in error.

We, therefore, request that your Honorable Body adopt the attached resolution and authorize an amendment to the sales resolution to reflect that the Planning and Development Department Director of Development Activities be authorized to issue a quit claim deed to the property and such other documents as may be necessary to effect the sale, for the amount of \$11,500.

Respectfully submitted,
 HENRY B. HAGOOD
 Director of Development Activities
 By Council Member McPhail:

Resolved, That in accordance with the foregoing communication, the authority to execute an agreement to purchase and develop the property known as 20200-20210, 20216, 20220 & 20224 Schoolcraft to Joy Temple Church of God In Christ, Inc., a Michigan Non-Profit Corporation;

Be amended to reflect that the Planning and Development Department Director of Development Activities be authorized to issue a quit claim deed for the property more particularly described in the attached Exhibit A, and such other documents as may be necessary to effect the sale, to Joy Temple Church of God In Christ, Inc., a Michigan Non-Profit Corporation, for the amount of \$11,500.

Exhibit A

Land in the City of Detroit, County of Wayne, and State of Michigan being a parcel northerly of Schoolcraft Ave. described as the North 90 feet of the South 143 feet of the East 68 feet Lying Westerly of and adjoining Heyden Ave. of the SE 1/4 Sec. 22., T. 1 S., R. 10 E. Honorable City Council:

Re: Grand River (Hwy. M-5) Milling and resurfacing Grand River from West City Limits (5 Point Road) to River Rouge State Agreement #03-5199 CPO #2617752.

On August 27, 2003, your Honorable Body approved Contract Purchase Order #2617752 with the Michigan Department of Transportation which provided for an estimated amount of \$98,250 for the City's share for the project described below:

PART A (Job #47069)

Milling and resurfacing work on Hwy. M-5 (Grand River Ave.) from the W. City limit (5 Point Road) to the River Rouge; together with necessary related work located within the corporate limits of the City; and

PART B (Job #51494)

Bridge replacement of structure B) of 82121 which carries eastbound Highway M-5 (Grand River Ave.) over the River Rouge; together with necessary related work, located within the corporate limits of the City; and

PART C (Job #56632)

Bridge replacement of structure B) of 82121 which carries westbound Highway M-5 (Grand River Ave.) over the River Rouge; together with necessary related work, located within the corporate limits of the City.

On November 22, 2004, your Honorable Body authorized the Finance Director to increase the amount for City Purchase Order No. 2617752 from \$98,250 to \$135,430 for the City's share for the above project.

Based on the bid price and best available information from the Michigan Department of Transportation, the project is anticipated to cost \$5,276,933 including preliminary engineering and construction engineering. The estimated City's share of the revised cost would now be \$172,170, an increase of \$36,740 from the revised estimated City's share of \$135,430.

We therefore recommend adoption of the attached resolution, which authorizes the Finance Director to increase the amount of Contract Purchase Order #2617752 from \$135,430 to \$172,172. The increase will come from Appropriation No. 4189, Major Street Fund — Traffic Control Improvement — State.

Respectfully submitted,

JAMES A. JACKSON

Street Administrator

Approved:
PAMELA SCALES

Re: Van Dyke (Hwy. M-53) Reconstruction Work on Hwy. M-53 between Hwy. M-3 (Gratiot Ave.) and Harper Ave. State Agreement #03-5636.

On June 9, 2004 your Honorable Body approved City Contract Purchase Order No. 2641147 with the Michigan Department of Transportation which provided for an estimated amount of \$993,360 for the City's share for the project described below:

PART A — JOB #52804: FEDERAL, STATE AND LOCAL — DPW PARTICIPATION

Reconstruction work on Hwy. M-53 between Hwy. M-3 (Gratiot Ave.) and Harper Avenue; together with necessary related work, located within the corporate Limits of the City; and

PART B — 52804: 100% LOCAL — DWSD PARTICIPATION

Replacement of 8-inch, 12-inch and 16-inch diameter watermain along Hwy. M-53; between Gratiot Avenue and Curt Avenue; together with related work, located within the corporate limits of the City; and

PART C — JOB #52805: FEDERAL, STATE AND LOCAL — DPW PARTICIPATION

Milling and bituminous resurfacing work on Hwy. M-53 between Harper Ave. and Hwy. M-102 (Eight Mile Road); together with necessary related work, located within the corporate Limits of the City; and

PART D — 52805: 100% LOCAL — DWSD PARTICIPATION

Sidewalk and driveway replacement required for watermain replacement between Harper Avenue and Curt

Avenue; together with related work, located within the corporate limits of the City.

Based on the bid price and best available information from the Michigan Department of Transportation, the project is anticipated to cost \$8,214,485 including preliminary Engineering and Construction Engineering. The estimated City's share of revised cost is as follows:

**RESOLUTION
IN SUPPORT OF LEAP DETROIT
GRANT APPLICATION FOR THE HUD
OPERATION LEAD ELIMINATION
ACTION PROGRAM (LEAP) FOR
FISCAL YEAR 2005 FUNDING**

By COUNCIL PRESIDENT MAHAFFEY
Joined By COUNCIL MEMBER S. COCKREL:

WHEREAS, According to the Centers for Disease Control, Detroit is ranked sixth in the nation for childhood lead poisoning and as of 2004, over 5,000 children were estimated to be lead poisoned in Detroit, of which, potentially 3,624 children have not yet been identified; and despite the risk of lead poisoning, only 35% (32,973) of Detroit children under six were tested in 2004, and

WHEREAS, Despite a recent increase in publicity around childhood lead poisoning, there remains a great need to continue educating families and property owners about its dangers, how it can be prevented, and resources that are available to help, particularly for those children and properties identified to be at-risk for lead and living in zip codes with the highest incidences of elevated blood lead levels, and

WHEREAS, Under the initial HUD grant award, LEAP Detroit raised over \$600,000 and leveraged an additional \$1 million in loan dollars beyond the initial funding from HUD, and with those funds, has abated lead in 60 homes, performed 60 risk assessments, created a Lead Addressed Home Registry on the Internet to help families find lead safe housing in

Detroit, and brought together over 50 institutional, corporate, and community partners to work towards elimination of lead hazards in the City of Detroit, and

WHEREAS, The Detroit City Council has made the control and prevention of lead poisoning a priority and for the past four years and has allocated funds for home repair of households with lead poisoned children citywide during the period of 2001-2005. They have also allocated nearly \$6 million over that time to address other lead hazard control activities and services in Detroit. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council strongly supports the proposal submitted to HUD by LEAP Detroit for the LEAP II project to provide financial incentives for property owners to reduce lead hazards in Detroit's housing, expand the Lead Addressed Homes Registry so that families can successfully identify lead safe housing, train property owners, tenants, and contractors in lead safe work practices so that lead hazards are minimized during property renovation, work with the Wayne County Prosecutor, Federal Lead Disclosure Enforcement efforts, and City building and health code enforcement activities to assure that property owners move towards lead compliance, and, finally, to provide outreach and education to families and property owners living in the zip codes with the highest incidences of elevated blood lead levels in the City of Detroit.

City Planning Commission

May 16, 2005

Honorable City Council:

Re: Request of Central Brush Park, LLC for approval of plans in an existing PD (Planned Development District) generally bounded by John R, Brush, the alley north of Watson, and the alley south of Edmund Place to allow for the construction of approximately 140 units of infill housing (Recommend Approval with Condition).

Central Brush Park, LLC is proposing to construct infill housing in a variety of housing types and styles, with approximately 145 units proposed. The project site is within the Brush Park Rehabilitation Project area and is zoned PD (Planned Development District). John R, Brush, the alley north of Watson, and the alley south of Edmund Place generally bound the subject area, containing approximately 6.3 acres. This is immediately north of the Crosswinds Communities' development, Woodward Place at Brush Park. Central Brush Park, LLC was chosen by the Planning and Development Department (P&DD) as the developer of this area after the issuance of a Request for Proposal (RFP). The Historic District Commission has reviewed and approved the proposed site plan and design.

The proposed residential lofts at the southeast corner of Edmund Place and John R and the northwest and southwest corners of Edmund Place and Brush would have 25 units each (for a total of 75 units) and would be 5 stories in height (with an additional possible mezzanine floor). Unit sizes would range from 1,100-4,100 square feet. Parking would be on the first floor, as would be two live-work lofts. The facades would be primarily brick, with a contrasting masonry base.

Clustered rowhouses are proposed along Watson and Edmund Place and would contain 2, 4, or 5 units, depending on the size of the available land. The exteriors would be brick, with masonry highlights. There would be three-story units containing 2,160 square feet as well as two-story units containing 2,200 square feet. Parking would be in the rear of the first floor of all the buildings, and access to the garages would be from the alley. A

total of 35 units would be in these style buildings.

The custom carriage house shown on the south side of Watson between Brush and John R is a combination garage and loft building. It would actually be composed of two buildings separated by a breezeway. The first floors of the buildings would contain a total of 16 single-car garages and are tall enough to allow the use of vehicle lofts in the future to double the capacity. The second stories in each building would contain 2 lofts of 1,400 square feet each. The exteriors would be brick, with masonry highlights. The entrances to the garages would be from the sides, and each garage would have a separate door.

The live-work lofts proposed at the northwest and southwest corners of Watson and Brush, the northeast corner of Watson and John R, and the southwest corner of John R and Edmund Place would have one-story attached garages with live-work spaces on the first and second floors. The residential units would range in size from 1,300-2,400 square feet. Retail uses on the first floor are contemplated in the future, though there are no off-street parking spaces provided for retail at this time. The facades would be primarily brick, with a contrasting masonry base. A total of 16 units are proposed in this style structure.

Carriage houses are proposed along the alleys in the project. These would be two stories in height, with a first floor garage and a deck above the garage. These units would contain 1,300 square feet and two bedrooms. A total of 15 units are proposed in the five buildings of this style. Access would be from the alleys. The exteriors would be brick, with masonry highlights. The number of units in the structures varies, depending on the lot configuration.

SURROUNDING LAND USES AND ZONING

To the north: Residential, both occupied and vacant, PD-H

To the south: Residential, both occupied and vacant, PD-H

To the east: Senior housing, PD-H

To the west: Residential, both occupied and vacant, R3-H

MASTER PLAN AND DEVELOPMENT PLAN CONFORMANCE

The Master Plan designation for this area is RM — Medium Density Residential, which is defined as having an overall density of 21 to 30 dwelling units per net residential acre. This project is consistent with this designation, having approximately 23 units/acre. The Modified Development Plan for Brush Park shows Medium Density Residential as the proposed land use for the subject area. The proposed uses, heights, parking requirements, and density meet the require-

ments of that designation. The developer has committed to meet the goal stated in the Plan that 20% of the units be affordable to persons of moderate income, as defined by the Department of Housing and Urban Development.

PUBLIC HEARING RESULTS

At the April 7, 2005 City Planning Commission public hearing, 8 members of the public spoke, 5 of whom were in favor of the project and 3 who had questions but did not express support or opposition. The Commission office received four letters in support of the proposed project.

Many issues were raised by members of the public and Commissioners. Following is a summary of those issues and responses.

Affordability and available funding

Commissioners and members of the public questioned whether current and former residents of Brush Park could afford to purchase one of the proposed units. As mentioned earlier, the developer has committed to making 20% of the units available to those of moderate income, as defined by HUD. This is defined as, for example, a family of three earning up to \$50,350. For the price of the units to be lower, some sort of subsidy would be required. The City did not request that the units be affordable to those earning less than HUD's definition of moderate. Unfortunately, there are no HOME funds available to subsidize the cost of units to bridge the gap between the cost of construction and a more "affordable" sale price.

Question were also raised about the facade easement grant administered by the Brush Park Development Corporation under contract to the Planning and Development Department (P&DD). A \$60,000 match is required of the person requesting the grant. That \$60,000 can be a combination of money invested over a period of 5 years after receiving the grant and improvements already made to the property. Sixteen (16) properties have received funding so far. According to P&DD, there is also a grant program available for low/moderate income households in Brush Park that has been open for a number of years; however, some residents have chosen, for various reasons, not to apply.

Questions were also raised about the existence of non-City programs to assist existing Brush Park property owners. While there are several such programs, none of the assistance amounts offered are large enough to make a significant contribution to one of the historic homes in the area, because of their tremendous upkeep needs. They, however, could be of assistance to a person seeking to purchase one of the "affordable" units in the proposed development.

Construction Impacts

Another resident said that she had experienced considerable problems from the reconstruction of streets and alleys in the area and the replacement of utilities. Since the construction manager for the infrastructure work in the area is the Detroit Economic Growth Corporation (DEGC), we would encourage residents to contact the DEGC with concerns. Staff will also encourage the DEGC to notify residents when it is likely that their services will be affected by construction.

Resident Concern

Rev. Gause, the owner of a building in the area, stated at the hearing that she has been without water since 1989. CPC staff contacted the Water and Sewerage Department (DWSD) about this matter, and they stated that they had disconnected the water in 2003. DWSD sent out a field engineer to investigate the situation on April 15 who found that there is a water meter in place; however, it is inaccessible. Once access can be made to the meter and any outstanding water bill on the property is paid, plus \$40 to restore service. DWSD said that water should be turned on.

Appearance

One resident expressed concern that the appearance of the proposed buildings (which the Historic District Commission has approved) does not fit into the historic district. That person would also like only single-family homes to be built in the area and is opposed to the multi-story loft buildings proposed.

Parking and Tailgating

There were complaints from members of the public that persons attending events at the stadia are parking on vacant lots in Brush Park and filling up all available on-street parking spaces. Since the hearing, the Brush Park Development Corporation has requested from the Traffic Engineering Division of the Department of Public Works a copy of the petition form to have some or all of Brush Park designated as a Resident Permit Parking area. The Police Department was also asked to clarify the Department's policy on the non-commercial parking of cars on vacant lots. CPC staff will provide the Police Department with maps showing property owned by Crosswinds, the City, and this proposed developer and letters from those entities stating that parking is not allowed on property owned by them. The Consumer Affairs Department reports that 25 tickets were issued on the Tigers' opening day to persons illegally operating parking lots, many of those in Brush Park.

CITIZENS' DISTRICT COUNCIL MEETING RESULTS

This proposal was presented at the April 12, 2005 Brush Park Citizens' District Council (CDC) meeting. After

comments from the members of the public present, the CDC voted "no" on the proposal. (It does not appear that a quorum was present for that vote: 6 of the 17 CDC members were present.) A lack of the proper documentation called for in Public Act 344 was cited as a reason for the vote.

RECOMMENDATION

On April 21, 2005, the City Planning Commission took action to recommend that the plan proposed by Central Brush Park, LLC be approved, with the condition that final site plans, landscaping, and elevations be approved by City Planning Commission staff prior to the issuance of building permits. A resolution for approval is attached for your consideration.

By Council Member Watson:

Whereas, Central Brush Park, LLC is requesting approval of plans for development of approximately 145 infill multi-family residential units of various styles (3 types of lofts, rowhouses, and carriage houses) on various parcels in the area generally bounded by John R, Brush, the alley north of Watson, and the alley south of Edmund Place and also including lot number 10 of J. N. Flowers Subdivision, as recorded in liber 14 of plats, page 31 plats, Wayne County Records (also known as 115 Edmund Place); and

Whereas, The project is sited on land within the Brush Park Rehabilitation Project area and is zoned PD (Planned Development District); and

Whereas, Sections 110.0102 and 110.0200 of the Official Zoning Ordinance of the City of Detroit requires City Council approval of site plans and development proposals for projects in PD districts in urban renewal areas after review of such by the Planning and Development Department and the City Planning Commission for, among other things, consistency with development plan restrictions; and

Whereas, The project proposed by Central Brush Park, LLC has been reviewed by the Planning and Development Department and the City Planning Commission who find the plans and development proposal to be consistent with the restrictions of the Modified Development Plan for Brush Park and who recommend approval of the plans and development proposals;

Now, Therefore, Be It Resolved, That the Detroit City Council approves the site plans, elevations, and development proposal for the Central Brush Park project as depicted in the drawings prepared by

Hamilton Anderson Associates and dated March 15, 2005, with the condition that the developer submit final site plans, elevations, and landscaping plans to the City Planning Commission staff for approval prior to the issuance of applicable required permits; and

Be It Further Resolved, That the City Clerk forward a copy of this resolution and the foregoing report of the City Planning Commission to the Buildings and Safety Engineering Department.

Honorable City Council:

Re: Reprogramming: Jefferson Chalmers.

The Planning and Development Department hereby respectfully requests the City Council to act on the attached resolution authorizing the reprogramming of \$400,000 in bond funds from Jefferson Chalmers/Victory Park Soft Second Mortgage to Jefferson Chalmers Bonds and \$124,495.62 in Urban Renewal Unallocated Block Grant funds to Urban Renewal Jefferson Chalmers. These funds will be used for infrastructure and environmental-related activities for the Grayhaven-Lenox project in the Jefferson Chalmers Rehabilitation Area.

The Grayhaven-Lenox project shall consist of two (2) phases. Phase I will consist of infrastructure, environmental, and utility related improvements while Phase II shall consist of the construction of upscale, single-family, market rate housing that is comparable in density, scale, lot size and architectural design to the adjacent Shore Pointe residential housing project. The proposal was presented to the Jefferson Chalmers Citizen's District Council on July 7, 2004 and was received favorable by that body.

We respectfully request the authorization of your Honorable Body for this change and to amend the Consolidated Plan for the stated purpose.

June 2, 2005

Honorable City Council:

Re: Property For Sale By Development. Development: 19177 Charleston; 19206, 19216 & 19222 Blake.

We are in receipt of an offer from the Board of Education of the School District of the City of Detroit, a Michigan Statutory Body Corporate, to purchase the above-captioned property for the amount of \$6,600 and to develop such property. This property contains approximately 12,000 square feet and is zoned R-2 (Two-Family Residential District).

The Detroit Public Schools (DPS) will use this property for the expansion of Greenfield Union Elementary School located on East Seven Mile Road between Charleston and Blake. DPS is proposing to expand the existing school and provide new outdoor recreational facilities.

We, therefore, request that your Honorable Body adopt the sale and authorize the Planning and Development Department Director of Development Activities to issue a quit claim deed to the property and such other documents as may be necessary to effect the sale.

Respectfully submitted,
HENRY B. HAGOOD

Director of Development Activities

By Council Member Watson:

Resolved, That in accordance with the Offer to Purchase and the foregoing communication, the Planning and Development Department Director of Development Activities be and is hereby authorized to issue a quit claim deed for the the property as described in the attached Exhibit A, and such other documents as may be necessary to effect the sale, the the Board of Education of the School District of the City of Detroit, a Michigan Statutory Body Corporate, for the amount of \$6,600.00.

Detroit Police Department

June 6, 2005

Honorable City Council:

Subject: Resolution authorizing the acceptance of a grant entitled "Encourage Arrest Policies and Enforcement of Personal Protection Orders Program," in the amount of \$750,000, from the United States Department of Justice.

This correspondence is in reply to your March 21, 2005, council meeting for a written report relative to the above captioned matter, a \$750,000.00 grant awarded to the Domestic Violence Unit:

Question #1: *The Revised Judicature Act of 1961 Sections 600.2950 & 600.2950a prescribes the enforcement and reporting of Personal Protection Orders for all police. Including the use of the statewide Law Enforcement Intelligence Network (LEIN) to conduct real time inquiries, enter violations and to verify the status of Personal Protection Orders.*

Do all of the current Police Mobile Data Terminals in Detroit Police Patrol Vehicles have the capabilities to access Personal Protection Order (PPO) information from the LEIN network? If yes, how effective has this access been sorting out domestic violence runs involving PPO(s) and will this grant assist making access better for officers on the scene? If no, why hasn't the access to it been implemented and when will PPO access be operational?

The Detroit Police Department Vehicle Mobile Data Terminals are capable of accessing Personal Protection Order (PPO) information from the Law Enforcement Informational Network (LEIN). Yes, access of PPO(s) information through the Police Mobile Data Terminal is

highly effective for domestic violence runs involving PPO(s). It allows an officer responding to a domestic violence run to immediately determine whether a PPO has been issued and served and to make an arrest if a PPO violation has occurred, based on the information disseminated via the Mobile Data Terminal.

However, this grant specifically targets two (2) socially and economically diverse communities within the City of Detroit, the Third and Eighth Precincts. The grant provides two (2) Domestic Violence Arrest Teams working alternate shifts in the project area. Officers working under this grant will have multiple responsibilities, which includes actually serving PPO(s) in the project area, making arrest for PPO violations and participating in community out-reach programs dealing with domestic violence issues. This grant will provide a domestic violence prosecutor, a legal advocate, and a social worker to assist in the successful prosecution of domestic violence crimes and facilitate the PPO process.

Question #2: *How will this grant assist the department in its enforcement Detroit Police Department Manual Section 201.3-11.5 Prior notice to individuals enjoined or restrained Section 201.3-11.6 No prior notice to individuals enjoined or restrained in Domestic Violence situations?*

This grant program implements two (2) Domestic Violence Arrest Teams in the Third and Eighth Precincts that will assist the Department in its enforcement of Detroit Police Department Manual, Section 201.3-11.5 and 201.3-11.6. The arrest teams are also responsible for enforcing and serving PPO(s), giving notice to individuals enjoined or restrained, and arresting PPO violators (those individual enjoined or restrained with prior notice in a Domestic Violence situation).

Question #3: *Specifically, Under Section 201.1-11.4 Arrest for violations of Personal Protection Orders (P.P.O.s) how long does it take for officers in the field to learn of a PPO through the LEIN to verify the "specific prohibited activity and if applicable, verify that notice has been served" on an individual before arrest?*

Officers in the field are able to use the LEIN, through the Police Mobile Data Terminals to immediately verify whether a PPO has been issued and served. The officers are also apprised of what activities are prohibited and whether the subject is prohibited from purchasing or possessing a weapon.

Question #4: *How will the success of the grant program be measured? i.e. by arrests, less assaults and homicides etc.*

The grant program will measure its effectiveness or success by the increase in arrests of persons wanted on outstanding domestic violence warrants, reduction

in domestic violence assaults, homicides, and the police officers increased knowledge of legal and social aspects of domestic violence cases.

Question #5: *Is there any department analysis, or reports correlating the number of assaults, and homicides on domestic violence victims having Personal Protection Orders?*

There are department analysis and reports that correlate the number of assaults and homicides on domestic violence victims having Personal Protection Orders.

RESOLUTION

By COUNCIL PRESIDENT MAHAFFEY:

Joined By ALL COUNCIL MEMBERS:

WHEREAS, Nida Donar has spent a lifetime serving the most fragile members of our society. With a degree in Social Work from Wayne State University, her personal and professional career choices have been significantly impacted by her life long passion of advocacy for disenfranchised people, and

WHEREAS, Nida Donar was drawn to community service in the 1960's by the call of President John F. Kennedy. The mother of three small children, she organized a bi-racial committee of citizens to respond to racial unrest in Highland Park after Dr. Martin Luther King, Jr. was killed in 1968, and

WHEREAS, Disturbed by the lack of sensitivity to issues of poverty in her Bloomfield Township community in 1970, Nida joined the Welfare Reform Coalition to lobby for legislation to increase welfare benefits. She was an active member of the Oakland County Friends of Welfare Rights

and assisted in organizing welfare rights chapters including the office in Pontiac, which is still in operation today, and

WHEREAS, With her children in tow, Nida participated in numerous demonstrations. She included them in a children's march to Washington D.C. to demand the release of child nutrition program funds and lobbied legislators in Lansing on welfare issues. In 1976, Nida became the federal food law specialist at Michigan Legal Services where she helped develop a coalition that succeeded in bringing mandatory school lunch programs to Michigan schools. She has worked with others to organize the Southeastern Michigan Food Coalition (SEMFCO), Michigan Fair Federal Budget Coalition and the National Anti-Hunger Coalition, and

WHEREAS, In 1999, after organizing a successful legislative campaign to expand mandatory school breakfast programs in Michigan public schools, Nida became Program Director then Executive Director of Citizens for Better Care. As she retires, Nida will continue as a part-time professor in the Community Practice Track at the Wayne State University School of Social Work and support community efforts, which advocate for a just society. NOW, THEREFORE, BE IT

RESOLVED, That the Detroit City Council hereby honor and congratulate Nida Donar for her immeasurable contribution to the community, and for upholding the dignity of each individual no matter what their circumstances in life may be. We recognize you as a woman of wisdom, substance and commitment who will continue to passionately advocate for the least among us.

Assistant Corporation Counsel

**CITY OF DETROIT
CONCESSION AGREEMENT**

THIS CONTRACT, is entered into as of this ___ day of _____, 2005, hereinafter called the "Agreement", by and between CJC Catering, L.L.C., a Michigan Corporation with a principal address of 3621 West Jefferson, P.O. Box C, Grand Ledge, Michigan 48837, hereinafter called the "Contractor", and the City of Detroit, a municipal corporation of the State of Michigan (herein called the "City") acting by and through its Civic Center Department, (herein called the "Department").

WITNESSETH:

WHEREAS, The City is the owner of Hart Plaza (herein called the "Property") as well as such presently existing or improved docking facilities on the Property which are to be maintained by the Contractor (herein called the "Premises") and are more particularly described in Exhibit A, attached hereto and made a part hereof; and

WHEREAS, In order to add to the welfare, accommodation, convenience, and enjoyment received by the general public, the City desires the Contractor to provide cruise operations, including food, beverage and retail sales aboard the "Detroit Princess" vessel, USCG Doc. No. 997773, (herein called the vessel) and to maintain the docking facilities and premises (herein collectively called the "Concession Services") as presently existing or subsequently improved, and as more particularly described in Exhibit B, attached hereto and made a part hereof; and

WHEREAS, The Contractor desires to provide the Concession Services in accordance with the terms and conditions of this Agreement; and

WHEREAS, The Contractor represents that it is authorized and able to provide personnel that are qualified and capable of providing the Concession Services;

NOW, THEREFORE, In consideration of the premises, the mutual conditions, and covenants to accrue to the parties and to the public, it is agreed by the parties hereto as follows:

1. GRANT OF CONCESSION RIGHT

1.01 The City hereby grants to the Contractor the Concession Right (as hereinafter defined) to provide the Concession Services set forth in Exhibit B, attached hereto and made a part hereof, and the Contractor hereby agrees to provide, develop, and maintain the Concession Services at the Premises in accordance with the terms and conditions contained in this Agreement.

1.02 This Concession Right does not include the use of any space or facility in the surrounding park area or elsewhere in the City of Detroit which is not specifically designated as the Premises in Exhibit A, unless specifically approved in writing by all required City agencies, in accordance with the Detroit City Charter and the Detroit City Code.

1.03 The Contractor hereby expressly agrees not to abandon or otherwise fail to operate any of the concession facilities constituting the Premises without obtaining the express written approval of the City.

2. SCOPE OF CONCESSION SERVICES

2.01 The Contractor shall perform in a satisfactory and proper manner, as determined within the sole and reasonable discretion of the City, the Concession Services as described in Exhibit B. In the event that there shall be any dispute between the parties with regard to the extent and character of the Concession Services to be performed, or the quality of performance required, the interpretation and determination of the City shall govern.

2.02 Except with the prior written approval of the City, the Contractor shall

not conduct any activities not stated in the scope of services.

2.03 The offering of items for sale or rent, or engaging in activities outside the scope of the Concession Services while in the performance of the Concession Services within are deemed "Inappropriate" by the City are strictly prohibited. The determination of whether an item is "Inappropriate" for sale or rent, or an activity is "Inappropriate" lies in the sole discretion of the City. In the application of appropriateness, the City may use as a standard as to price, quality, or quantity of the Concession Services to be provided, the practice in other public and/or private facilities providing similar Concession Services. Any prior approval of an item or activity shall not limit the City's right to later prohibit the sale or rent of such item or such activity.

2.04 The Concession Services shall be performed only at the Premises.

3. INDEPENDENT CONTRACTOR

3.01 The relationship of the Contractor to the City of Detroit is and shall continue to be that of an independent contractor.

(a) No liability or benefits, such as worker's compensation, pension rights or liabilities, insurance rights or liabilities, or other provisions or liabilities arising out of or related to a contract for hire or employer/employee relationship, shall arise or accrue to either party or either party's agent or employee with respect to the City of Detroit as a result of the performance of this Contract.

(b) The City shall not be responsible for the wages or salaries of any employee or representative of the Contractor, nor for any debts, liabilities or other obligations of the Contractor.

(c) The Contractor will require from persons employed by it in connection with its activities hereunder a written statement, and will deliver such written statement to the City to the effect that such person recognizes and admits that he (she) is an employee of the Contractor and not of the City of Detroit and that he (she) is not entitled to any of the rights or the privileges afforded an employee of the City under any law, ordinance or regulation. Failure, however, on the part of the Contractor to secure such statement will not make or constitute the employee in question an employee of the City.

4. AGREEMENT TERM

4.01 The Contractor shall commence performance of this Agreement and the rendering of the Concession Services required hereunder on approval of this contract by the City Council (herein called the "Commencement Date"). This Agreement shall be for a period of three (3) years beginning on the Commencement Date.

4.02 The Contractor will have no

authority to start work or operations of any kind on the Premises prior to the award of this Contract by resolution of the City Council and execution of this instrument by the Purchasing Director.

5. FINANCIAL REPORTS AND RECORDS

5.01 The Contractor shall keep within the City true and complete records and accounts of all gross receipts and business transacted, including daily bank deposits, and on or before December 15 of each year, furnish a true and accurate statement for the current calendar year of all such receipts and business transactions during such current year (showing the authorized deductions or exclusions in computing the amount of such gross receipts and business transactions), which statement shall be certified by the Contractor to be correct. In addition, the Contractor shall complete and submit to the Department by the 15th of each month in a form as approved by the Department, a report showing the gross receipts of the previous month.

5.02 The Contractor agrees to establish and maintain a system of bookkeeping satisfactory to the City's Finance Director and to give the City access during reasonable hours to such books and records without notice and at any time. The Contractor agrees that it will keep and preserve for at least three years all sales slips, cash register tapes, sales books, bank books, or duplicate deposits slips, and other evidence of gross receipts and business transacted for such period. The Finance Director and the Department Head and their respective authorized representatives shall have the right at any time and from time to time to audit all of the books of account, bank statements, documents, records, returns, papers, and files of the Contractor relating to gross receipts and business transacted and the Contractor on request by either shall make all such manners available for such examination at the Premises. If the City shall make or have such an audit made for any year and the gross receipts and business transacted shown by the Contractor's statement for such year should be found to be understated by more than one percent (1%), the Contractor shall pay to the City the cost of such audit. The City's right to have such an audit made with respect to any year shall expire three years after the Contractor's statement for any year shall have been delivered to the City.

6. CONSIDERATION

6.01 Payment for the Concession Right by the Contractor shall be made in accordance with Exhibit C, "Fee Schedule".

6.02 All payments shall be directed to the Department.

7. UTILITIES AND RELATED CHANGES

7.01 The Contractor shall repair or maintain at its expense all utilities, and shall pay utility taxes and all other charges incurred or assessed. Utility service facilities or outlets provided by the City are limited to those presently existing on the Premises. Should the Contractor decide to replace, update, or add utility service, and such addition or modification is agreeable to the City, the Contractor shall bear the cost of such modification or addition. All connections to utility lines must be made in compliance with the pertinent provisions of the applicable building codes. No expenditures shall be made at any time by the Contractor without the City's prior written approval.

7.02 In all areas wherein the Contractor is the sole occupant, all utilities used by the Contractor shall be at the expense of the Contractor; in all other areas where, in the opinion of the Department, the utilities can be divided, those used by the Contractor may be at the expense of the Contractor as determined by the Department.

7.03 The Contractor, at its own expense, shall make any and all alterations and/or additions necessary to the Premises that may be required by the nature of the Contractor's operation and by Federal and State law, City ordinance or regulations. All such alterations and/or additions must be approved in writing in advance by the Department, and must be made to the satisfaction of the Department. In connection with any and all alterations and/or additions undertaken, Contractor, at its own expense, shall provide the City with payment and performance bonds, or other surety acceptable to the City, equal to one hundred (100%) percent of the estimated value of the proposed alterations and/or additions prior to initiating any work.

8. INSURANCE

8.01 The Contractor shall assume all risks of operation and maintain at its expense during the term of the contract the following insurance:

(a) **Workers Compensation for Shoreside Employees** which meets Michigan's statutory requirements, and Employer's Liability insurance with minimum limits of \$500,000.00 each accident, \$500,000.00 each disease, and \$500,000.00 each person, as well as an endorsement for U.S. Longshoreman & Harbor Workers coverage and the Jones act for employees aboard the vessel. The Contractor agrees that it will obtain a similar covenant with respect to workers compensation from each subcontractor retained by it to render any of the Concession Services.

(b) **Comprehensive General Liability Insurance** including Products Liability,

with minimum limits of \$2,000,000 each occurrence, and \$2,000,000 aggregate. The City of Detroit shall be named additional insured.

(c) **Automobile Liability Insurance with Michigan No Fault** benefits to cover owned, non-owned and hired vehicles, including residual liability insurance with a minimum \$1,000,000.00 combined single limit for bodily injury and property damage.

(d) **Liquor Liability Insurance** with a minimum limit of \$2,000,000.00. The Liquor Liability Insurance policy shall name the "City of Detroit" as an additional insured.

8.02 Certificates of Insurance shall be furnished to the City as evidence of such coverage before the Contractor commences performance of the Contract. The Contractor shall furthermore hold the City harmless against any and all loss, damage or injury arising out of or in the course of the Contractor's business activities; including but not limited to, any deductible on the aforementioned insurance policies. The City shall be additional named insured on all certificates.

8.03 If during the contract term, changed conditions or other pertinent factors, should in the reasonable judgement of the City, render inadequate the insurance limits stated above, the Contractor shall furnish on demand such additional coverage as may reasonably be required under the circumstances. All such additional insurance shall be effected at the Contractor's expense, under valid and enforceable policies issued by insurers of recognized responsibility which are well-rated by national rating organizations and are acceptable to the City.

8.04 Said policies shall name the Contractor as the insured and the City as additional insured and shall be accompanied by a commitment from the insurer that such policies shall not be cancelled or reduced without at least thirty (30) days prior to notice to the City. Certificates of Insurance evidencing such coverage shall be submitted to the Finance Department, Accounts Payable Division, 642 Coleman A. Young Municipal Center prior to the commencement of performance under this Contract.

9. INDEMNITY

9.01 The Contractor agrees at its own expense to defend, indemnify, save and hold harmless the City, its officers, employees and agents against and from any and all liabilities, obligations, damages, penalties, claims, costs, charges, and expenses (including without limitation, fees and expenses of attorneys, expert witnesses and other consultants) which may be imposed upon, incurred by or asserted against the City by reason of any of the following occurring during the Agreement Term:

(a) Any negligent or tortious act, error, or omission of the Contractor, or any of its personnel, employees, consultants, or subcontractors, agents or any entities associated, affiliated or subsidiary to the Contractor now existing or hereafter created, their agents and employees (herein collectively called "Associates") for whose acts any of them might be liable, regardless of whether or not it is caused in whole or in part by a person indemnified hereunder.

(b) Any failure by the Contractor or any of its personnel, employees, consultants, or subcontractors to perform its obligations under this Contract.

(c) Any use or occupancy of the Premises by the Contractor, its agents, subcontractors, licensees, or invitees.

(d) As a result of the operations or other activities of the Contractor, its subcontractors, employees, licensees or other persons, regardless of whether said operations or other activities are on or off the Premises.

(e) Any loss or injuries to or deaths of persons, or damages to the Premises or other property sustained about the Premises or those portions thereof or appurtenances thereto used by the Contractor, its agents, subcontractor or employees, or persons present at the facility constituting the Premises by reason of the use thereof by the Contractor.

9.02 The Contractor undertakes and assumes all risk of dangerous conditions, if any, in and about any City Premises and agrees to make an examination of all places where it will be performing the Services, in order to determine whether such places are safe for the performance of the Services. The Contractor also agrees to waive and release any claim of liability against the City for personal injury or property damage sustained by it or its Associates while performing under this Contract on Premises which are not owned by the City.

9.03 In the event any action or proceeding shall be brought against the City by reason of any claim covered hereunder, the Contractor, upon notice from the City, will at its sole cost and expense, resist and defend the same.

9.04 The Contractor agrees that it is its responsibility and not the responsibility of the City to safeguard the property and materials that it or any of its Associates use or have in their possession while performing under this Contract. Further the Contractor agrees to hold the City harmless for any loss of such property and materials used by any such persons pursuant to the Contractor's performance under this Contract or which is in their possession.

9.05 The indemnification obligation under this Article shall not be limited in any way by any limitation on the amount

or type of damages, compensation or benefits payable by or for the Contractor under workers' compensation acts or other employee benefit acts.

10. DEFAULT, TERMINATION, AND REMEDIES

10.01 A non-defaulting party shall serve written notice of any default hereunder on the defaulting party. The defaulting party shall have thirty (30) days after the date of delivery of such notice within which to cure such default, or, in the case of non-monetary defaults, to have commenced to cure such default and be continuously and diligently proceeding to cure same where a cure is not possible within such 30-day period. In the event the defaulting party immediately commences to cure, correct or remedy such default, and proceeds with such cure, correction or remedy with reasonable diligence, then such defaulting party shall not be subject to the default remedies hereunder. A cure hereunder may include substitute performance, if the same is acceptable upon written approval by the non-defaulting party.

10.02 The following are deemed to be "Events of Default" by the Contractor:

(a) Failure to fulfill in a timely and proper manner its obligations under this Agreement; or

(b) Violations of any material covenants, agreements, or stipulations of this Contract as determined by the City; or

(c) Abandonment or vacating any of the facilities defined as the Premises herein as determined by the City; or

(d) Failure to honor any existing contracts with current City Vendors or subcontractors at the Premises; or

(e) A cessation in provision of Concession Services which is not permitted by the City; or

(f) If the Premises or any part thereof become unusable in whole or in part through damage or destruction by fire or other hazards not occasioned by the negligence of the City.

Should the non-defaulting party terminate this Agreement for cause pursuant to this Section, the provisions of Section 10.04 shall apply. In addition, the defaulting party shall be liable to the non-defaulting party for reasonable damages it sustains by virtue of the breach. The non-defaulting party may recover any reasonable costs that it may incur in enforcing or attempting to enforce this Agreement.

In addition, the City shall have the right to enter and obtain possession of the entire Premises and their contents, to remove and exclude any and all persons from the Premises.

10.03 The City shall be found in default in the event that it fails to fulfill, in a timely and proper manner, its obligations under this Agreement.

10.04 Should either party terminate this Agreement for cause prior to the expiration of the Agreement Term, the following procedure shall apply:

(a) The Contractor shall immediately surrender and deliver possession of the Premises to the City including all Improvements thereto and all equipment developed under the terms of this contract or furnished by the City in good order and condition, (reasonable wear and tear excepted).

(b) The Contractor shall not remove nor attempt to remove any City equipment from the Premises or any City improvements thereon.

(c) The Contractor shall pay the City all compensation due and owing under the terms of this Agreement in accordance with the fee schedule set forth in Exhibit C "Fee Schedule".

10.05 Upon the expiration of the Agreement including all extensions thereof (herein called the "Expiration"), the following procedure shall apply:

(a) The Contractor shall have no further claim, right, or interest in the Premises.

(b) Section 10.04 ("a" through "c") shall apply.

10.06 In the event that the operations become economically unviable, the Contractor may terminate this Agreement at the conclusion of the operating season by giving written notice to the City prior to October 30. Should the Contractor terminate this Agreement pursuant to this section, the provisions of Section 10.05 shall apply.

10.07 In the absence of an Event of Default, the City shall have the right to terminate this Agreement at any time without cause by giving the Contractor five (5) business days written Notice of Termination. Should the City terminate this Agreement pursuant to this section, the provisions of Section 10.05 shall apply.

11. Fair Employment Practices

11.01 In accordance with the United States Constitution and all federal legislation and regulations governing fair employment practices and equal employment opportunity, including but not limited to Title VII of the Civil Rights Act of 1964 (42 USC 2000(e) *et seq.*), and in accordance with The Michigan Constitution, including but not limited to the Michigan Civil Rights Act (P.A. 1976 No. 453) and the Michigan Handicappers Civil Rights Act (P.A. 1976 No. 220), the Contractor agrees that it will not discriminate against an employee, or applicant for employment with respect to hire, tenure, terms, conditions or privileges of employment because of religion, race, color, national origin, age, sex, height, weight, marital status, or handicap that is unrelated to the individual's ability to perform the duties of

a particular assignment or position. The Contractor recognizes the right of the United States and the State of Michigan to seek judicial enforcement of the foregoing covenants against discrimination connected directly or indirectly with the performance of this Contract.

11.02 The Contractor shall not discriminate against any employee or applicant for employment, training, education, or apprenticeship connected directly or indirectly with the performance of this Agreement, with respect to his (her) hire, promotion, job assignment, tenure, terms, conditions, or privileges of employment because of race, color, creed, national origin, age, marital status, handicap, public benefit status, sex or sexual orientation.

The Contractor further agrees to take affirmative action to achieve reasonable representation of minority groups and women on its work force. Such affirmative action shall include, but not be limited to the following: employment, promotion, demotion or transfer, recruiting or recruitment, advertising, layoff or termination, rates of pay or other forms of compensation and selection for training or education, including apprenticeships. The Contractor shall promptly furnish any information required by the City or the Human Rights Department pursuant to this Section 11.02.

11.03 In the event the Contractor fails to comply with the provisions of Section 11.02 above, or with any rules, regulations or orders issued by the Human Rights Department, the City or the Human Rights Department may impose such Contract sanctions as it may deem appropriate, including but not limited to:

(a) Cancellation, termination or suspension of this Agreement in whole or in part;

(b) Such other remedies, as may be provided by law.

11.04 The Contractor agrees that it will notify any subcontractor of its obligations relative to nondiscrimination and affirmative action under this Agreement when soliciting same and will include the provisions of this Article II in any subcontract, as well as provide the City a copy of any subcontract upon request. The Contractor further agrees to take such action with respect to any subcontractor as the City may direct as a means of enforcing such provisions including the aforementioned sanctions for noncompliance.

12. REPORTS

12.01 Prior to the beginning of the operating season, the Contractor shall provide the Department with a schedule which details the days, hours, and prices associated with the excursion cruises. Further, the Contractor shall provide the Department written notice of each charter cruise at least one week prior to the charter.

12.02 The Contractor shall annually submit by December 15 to the Department during the Agreement Term a certified statement (herein called the "Report") certifying the cruise ticket sales and/or charter fees for the preceding operating season. The Report shall state the status of the operations at the Premises and highlight any problem area or goal achievements.

13. NOTICES

13.01 Except as otherwise specified herein, all notices, consents, approvals, requests and other communications (herein collectively called "Notices") required or permitted under this Agreement shall be given in writing and mailed by certified or registered firstclass mail, return receipt requested, addressed as follows:

If to the City:

City of Detroit
Civic Center Department
One Washington Boulevard
Detroit, Michigan 48226
ATTN: Glenn Blanton, Director

If to the Contractor:

CJC Catering, LLC
P.O. Box C
Grand Ledge, Michigan 48837
ATTN: Teresa Kalinka

13.02 All notices shall be deemed given on the day of mailing. Either party to this Agreement may change its address for the receipt of Notices at any time by giving notice thereof to the other as provided in Section 13.01. Any Notice given by a party hereunder must be signed by an authorized representative of such party, and an authorized signature list must be submitted by each party to the other.

14. Assignment and Subcontracting

14.01 The Contractor shall not sublet, the whole or any part of the Premises, nor assign any interest whatsoever in the Premises or in this Agreement, and shall not transfer any interest or rights in the same (whether by assignment or novation), without the prior written consent of all required City agencies. Any such consent given in any one instance shall not relieve the Contractor of its obligation to obtain the prior written consent of the City to any further assignment.

14.02 None of the Services covered by this Agreement shall be subcontracted without the prior written approval of the City. Such covenant shall not constitute a basis for privity between the City and the subcontractor, and the Contractor agrees to indemnify and hold the City harmless from any such claims initiated pursuant to any subcontracts it entered into in performance of this Agreement.

14.03 The Contractor further agrees that it shall not enter into any agreement or subcontract of any nature, formal or informal, concerning the Premises with

any individual, partnership or corporation without prior approval of the City, it being understood that the only activity that the Contractor may conduct directly or indirectly, alone or through others, on, upon or from the Premises and facilities located thereon, is as authorized under the terms of this Agreement.

In the event of the issuance of this Concession Right or privilege to more than one individual or other legal entity (or to any combination thereof), then and in that event, each and every obligation or undertaking herein stated to be fulfilled or performed by the Contractor shall be the joint and several obligation of each individual or other legal entity.

14.04 If the contractor is a corporate entity, any change in control outside the Corporate Family of said entity during the Agreement Term hereof shall be deemed a transfer for the purpose of this Agreement, subject to the foregoing provisions. In the event the Contractor fails to secure express approval of said assignment, or transfer, as provided herein, the City may, at its option, after having given the Contractor a five (5) day notice, determine and declare such change as breach of this Agreement and take immediate possession of the Premises; however, said option may not be exercised unreasonably by the City nor without good and sufficient cause. It is understood and agreed by and between the City and Contractor that nothing contained in this Agreement is intended or shall be construed as in any way creating or establishing or maintaining the relationship of agency, co-partnership or joint venture between the parties hereto or as constituting the Contractor as the agent or representative of the City for any purpose or in any manner whatsoever.

14.05 All of the terms, covenants, and conditions of this Agreement shall inure to the benefit of and be binding upon the successors and assigns of the parties hereto. The provisions of this paragraph shall not be deemed a waiver of any of the conditions against assignment hereinbefore set forth. Any breach of these provisions shall cause this Contract to terminate immediately at the option of the City.

15. AMENDMENTS

15.01 The City may from time to time consider it in its best interest to change, modify or extend a term, condition or covenant of this Contract or require changes in the scope of the Services to be performed by the Contractor, or require the Contractor to perform Additional Services. Any such change, addition, deletion, extension or modification, which is mutually agreed upon by and between the City and the Contractor shall be incorporated in written amendments (herein called "Amendments") to this Contract. Such Amendments shall not invalidate

this Contract nor relieve or release the Contractor of any of its obligations under this Contract unless stated therein.

15.02 No Amendment to this Contract shall be effective and binding upon the parties unless it expressly makes reference to this Contract, is in writing, and is signed and acknowledged by duly authorized representatives of both parties and approved by the Detroit City Council.

16. MISCELLANEOUS

16.01 The City reserves the right at all times to exercise, in the interest of the public, full control over the Premises which are the subject of this Contract in respect to all matters connected with the exercise of this privilege herein granted.

The Contractor agrees to conduct its operation in accordance with such specifications, directions and regulations as may from time to time be in or be put into effect by the City. The Contractor further agrees that in its use, occupancy and improvement of the Premises, it will obtain all required permits, and will observe and obey all rules, laws, ordinances or regulations of any governmental authority, including those of the City of Detroit, which are applicable to the Contractor's use occupancy and improvement of the Premises.

16.02 No failure by the City to insist upon the strict performance of any covenant, agreement, term or condition of this Contract or to exercise any right, term or remedy consequent upon a breach thereof shall constitute a waiver of any such breach or such covenant, agreement, term and condition. No waiver of any breach shall affect or alter this Contract, but each and every covenant, agreement, term and condition of this Contract shall continue in full force and effect with respect to any other then existing or subsequent breach thereof.

16.03 If any provision of this Contract or the application thereof to any person or circumstance shall to any extent be invalid or unenforceable, the remainder of this Contract, or the application of such provision to persons or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby and each provision of this Contract shall be valid and enforceable to the fullest extent permitted by law.

16.04 No option, right, power, remedy or privilege of the City shall be construed as being exhausted by the exercise thereof in one or more instances. The rights, powers, options and remedies given to the City by this Contract shall be cumulative.

16.05 The paragraph headings contained herein are for convenience in reference and are not intended to define or limit the scope of any provision of this Agreement.

16.06 This instrument, including

Exhibits A through C attached hereto which are made a part of this Contract, contains the entire Agreement between the parties and all prior negotiations and agreements are merged herein. Neither the City nor the City's agents have made any representations except those expressly set forth herein, and no rights or remedies are or shall be acquired by the Contractor by implication or otherwise unless expressly set forth herein.

16.07 The City and the City's agents make no guarantees, warranties, or representations of any kind relating to the success or profitability of Contractor's proposed venture, nor any representations or warranties with respect to the premises. The City shall not be liable to the Contractor for any loss of profits or income. No rights or remedies shall be acquired by implication or otherwise unless expressly set forth herein.

16.08 Unless the context otherwise expressly requires, the words "herein", and "hereunder" and other words of similar import refer to this Contract as a whole and not to any particular Article, Section, or other subdivision.

16.09 The rights and remedies set forth herein are not exclusive and are in addition to any of the rights and remedies provided by law or equity. All actions arising under this Contract shall be governed by, subject to, and construed according to the laws of the State of Michigan. The Contractor agrees, consents, and submits to the personal jurisdiction of any competent court in Detroit, Wayne County, Michigan, for any action brought against it arising out of this Contract. The Contractor agrees that service of process at the address and in the manner specified in Article 13 will be sufficient to put the Contractor on notice. The Contractor also agrees that it will not commence any action against the City because of any matter whatsoever arising out of or relating to the validity, construction, interpretation and enforcement of this Contract, in any courts other than those in the County of Wayne, State of Michigan.

16.10 If any Affiliate of the Contractor shall take any action which, if done by a party, would constitute a breach of this Contract, the same shall be deemed a breach by the Contractor with right legal effect. "Affiliate" shall mean a "parent", subsidiary or other company controlling, controlled by, or in common control with the Contractor.

16.11 Neither party shall be responsible for force majeure events. In the event of a dispute between the parties with regard to what constitutes a force majeure event, the City's determination shall be controlling, except decisions regarding the operation of the vessel, which remains in the sole discretion of the vessel captain.

16.12 The Contractor warrants that all of the prices, terms, warranties and benefits granted by the Contractor herein are comparable to or better than the equivalent terms being offered by the Contractor to any present customer.

16.13 The words "Contract" and "Agreement" are used interchangeably herein and shall be interpreted to have the same definition. The words "City" and "Department" are used interchangeably herein and shall be interpreted to have the same definition.

16.14 For purposes of the hold harmless and indemnity provisions contained in this Contract, the term "City" shall be deemed to include the City of Detroit, and all other associated, affiliated, allied or subsidiary entities or commissions, now existing or hereafter created, and their officers, agents, employees and representatives.

16.15 The Contractor covenants that it is not, and will not become in arrears to the City upon any contract, debt, or other obligations to the City, including real property, personal property, and income taxes.

16.16 This Contract may be executed in any number of counterparts and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Promptly after the execution thereof, the City shall submit to the Contractor a confirmed copy of this Contract.

16.17 As used herein, the singular shall include the plural, and the plural the singular, and the use of any gender shall be applicable to all genders.

16.18 No alcoholic beverages may be sold or consumed on City premises away from the vessel. Alcoholic beverages may only be sold and consumed aboard the vessel.

17. FAIR DEALING AND CONFLICT OF INTEREST

17.01 The Contractor covenants and warrants that the persons or firms interested in this Contract are named herein: That no other person or firm than herein mentioned has any interest in this Contract and that this Contract is entered into by Contractor without collusion on its part with any other person or firm.

17.02 The Contractor covenants that it presently has no interest and shall not acquire any interest direct or indirect, which would conflict in any manner or degree with the performance of the Services under this Contract. The Contractor further covenants that in the performance of this Contract no person having any such interest shall be employed.

17.03 The Contractor also hereby warrants that it will not and has not employed any person to solicit or secure this Contract upon any agreement or arrangement for payment of a commission, per-

centage, brokerage, or contingent fee, either directly or indirectly, and that if this warranty is breached the City may, at its option, terminate this Contract without penalty, liability or obligation, or may at its election, deduct from any amounts owed to the Contractor hereunder any amounts of such commission, percentage, brokerage, or contingent fee plus interest.

17.04 The Contractor covenants and agrees that, upon the signing of this Contract, it will disclose in writing to the City whether any representative, officer or employee of the City has or hereafter acquires any direct, indirect, legal or beneficial interest in the Contract or in any concession on the Premises. This Contract may be cancelled at the option of the City if the City determines, in its sole discretion, that such ownership or acquisition of the interest hereinabove described has placed such representatives, officer or employee of the City in a position which may conflict with the duties of obligations owing by such person to the City.

18. NO TENANT

18.01 The Contractor shall not by virtue of the Contract hereof be deemed to have become the tenant of the City or the Premises herein referred to, nor to have been given or accorded as against the City possession of the Premises. Upon any termination of this Contract, the City shall have the right through such means as it sees fit to remove and exclude therefrom the Contractor and any of the Contractor's employees, without being deemed guilty of any unlawful entry, trespass or injury of any sort whatever.

19. SITE RESPONSIBILITIES, ADMINISTRATION, & PERSONNEL

19.01 The Premises and presently installed equipment of the City are accepted by the Contractor "AS IS" and in its existing condition, and the City does not obligate itself to undertake the cost of any improvements to the Premises or furnishing of any equipment not already provided.

The Contractor shall make no Improvements in or to the Premises or any part thereof, without the City's prior written consent, and shall not demolish, destroy or alter the whole or any part of the Premises without conforming to the following:

(a) Prior to the making of Improvements, Contractor shall have furnished the City with a written description thereof, including but not limited to design and decor in such reasonable detail as the City shall require, and all applicable plans and specifications therefor, and all required City agencies shall have given consent thereto;

(b) The making of Improvements shall be accomplished in a good and workmanlike manner (which means that the quality of workmanship and materials will be at

least equal to that as existing in the Premises without damage to the Premises or any part thereof) and in compliance with all applicable laws and regulations of governmental authorities having jurisdiction including, without limitation, the obtaining of all required permits, licenses and authorization of such governmental authorities at the Contractor's expense;

(c) The making of Improvements shall be paid or caused to be paid by Contractor so that the Premises shall at all times be free from any lien, mortgage, conditional sales agreement, security interest or title retention agreement or any charge for labor, services, or material supplied or claim to have been supplied to the Premises as a result of the installation of equipment or the making of Alterations;

(d) Title to all Improvements and installed equipment shall at once be and become the property of the City and shall be deemed to be part of the Premises and subject to all the terms and provisions of this Agreement as though included in the Premises as of the commencement of the Agreement Term.

(e) All the terms and provisions of this Contract shall be in force and effect during the installation and removal of the defective equipment and the making of Improvements.

(f) Any consent given to the Contractor for the installation of any equipment and/or the making of Alterations will not relieve the Contractor of its obligation to obtain the prior consent of the City to the installation of any other equipment and/or the making of any other Improvements.

(g) The installation of equipment and/or the making of Improvements shall be performed so as not to interfere with the construction or alteration of any improvements undertaken by the City and so as not to interfere with the normal use and enjoyment of the Premises and surrounding areas by the general public.

19.02 To insure proper performance of the Concession Services, the Contractor warrants that all Contractor personnel assigned to perform the Concession Services (herein called the "Employees") or any Additional Services (as defined in the Agreement) are fully qualified and authorized to perform such Services under the federal, state and local laws and if, applicable, governing professional association rules.

(a) The Contractor shall be responsible for the hiring and remuneration of all Employees necessary to operate its vessel and perform the Concession Services in a safe and efficient manner.

(b) The Contractor shall not hold the City liable for any personal injury incurred by an employee, its agents, consultants, subcontractors or invitees while on the Premises or while performing the

Concession Services, which is not held in a court of competent jurisdiction to be directly attributable to the gross negligence of the City or any employee of the City acting within the scope of their employment and hereby agrees to hold the City harmless from any such claim.

19.03 The Contractor shall keep the Premises in clean, sanitary and orderly condition at all times and conduct the Concession Services strictly in accordance with the requirements of the City.

(a) The Contractor shall permit no nuisance to accompany its operations in connection with this Contract and shall promptly abate the same upon notification thereof.

(b) The City shall keep and maintain the structural aspects of the Premises in good order and repair, unless such repair is necessitated by the acts or omissions of the Contractor, its Employees, agents or servants. The City shall not be required to make any non-structural repairs, any alterations, additions or betterments to the Premises or any part thereof, the Contractor hereby assuming the full and sole responsibility therefor and for the conditions and maintenance hereof during the Agreement Term.

(c) In the event that the whole or any portion of the Premises or any equipment installed therein shall be damaged in the course of the operation of the Contractor's vessel(s) or other casualty, directly or indirectly caused by or resulting from the negligent act(s) or omission(s) of the Contractor, its Employees, agents or servants, the Contractor shall within sixty (60) days proceed to repair such damage. If the Contractor shall fail to commence repair of such damage, or, having commenced the same shall fail to proceed with such repair in a timely manner, the City may make such repair and add the cost thereof to the next ensuing revenue payments, or demand payment immediately.

19.04 The Contractor, its employees, suppliers, vendors, or subcontractors and those doing business with it shall conduct its operation and business in an orderly and businesslike manner so as not to annoy, disturb or be offensive to others at the Premises in which it may be located. Solicitation of business shall be conducted only from the Premises designated in this Contract and by means of signs only as have been authorized and approved by the City.

The Contractor shall perform the Concession Services on the Premises in a firstclass manner, in accordance with the highest standard for this type of operation. The Concession Services shall be performed in a manner which is prompt, clean, courteous and efficient. The Contractor agrees to furnish the Concession Services on a fair, equal and, non-discriminatory basis, and to charge

reasonable, fair, non-discriminatory prices for the Concession Services. Merchandise shall be dispensed in compliance with all applicable federal, state and local laws, ordinances and regulations.

19.05 The Contractor shall not erect, display, or distribute any sign, poster, advertisement, placard, notice or handbill (herein collectively called "Advertisement") on the Premises without the prior written consent of all required City agencies. Any costs related to such approved advertisements shall be the sole responsibility of the Contractor, and the City shall have no liability therefor.

19.06 The Contractor shall perform the Concession Services during such hours as are approved and designated by the City. The City and Contractor shall mutually agree on hours of delivery of merchandise and supplies, and the routes of ingress and egress for same.

19.07 Contractor, its Employees, invitees, guests, patrons and those doing business with the Contractor, shall have no right under the Agreement to park vehicles upon the Premises other than in those places designated by the City, subject to the terms and conditions (if any) promulgated by the City concerning such parking. The Contractor shall instruct each Employee to park his/her vehicle only in areas designated for employee parking and to use only the employee entrances and exits to City property.

19.08 The City shall have the right to enter upon the Premises at all reasonable hours, for the purpose of examining and inspecting said Premises, for purposes necessary, incidental to or connected with the performance of its obligations hereunder, or in the exercise of its governmental functions, or for any other reasonable purpose.

19.09 Within ten (10) days of the date of receipt, the Contractor shall respond in writing to complaints registered by the City or the Consumer in the course of the Contractor's business, setting forth such action as has been taken or is immediately contemplated to remedy said complaints. Copies of the complaint and responses to Consumer Complaints should be forwarded to the City within ten(10) days after receipt of the original complaint.

19.10 A copy of the report of each damage claim, theft, and/or injury claim, or incident whether submitted as an insurance claim or not, arising from the operations covered by this Agreement are to be submitted to the City within five business days following discovery thereof by the Contractor. Reports of a critical nature are to be reported verbally and promptly to the offices of the Civic Center Department Director in addition to submitting the written report.

19.11 In the event of a conflict

between Contractor and any other contractor, lessee or concessionaire as to the items or merchandise to be sold by the respective contractors, concessionaires or lessees, the Contractor agrees to be bound by the City's decision as to what items of merchandise may exclusively be sold by the Contractor, and which items of merchandise are not the subject of this Agreement.

20. RESTRICTIONS

20.01 It is understood that this Agreement is subject to the City of Detroit's exercise of its police powers, including but not limited to the right to block, restrict, divert or reroute traffic or limit access to the premises as the City deems appropriate, and that the City's exercise of such powers shall not constitute a breach of this Agreement, or otherwise give rise to any liability or cause of action against the City.

20.02 The City hereby reserves its right to restrict access to Hart Plaza for reasons of public safety, for special events, or to comply with pre-existing contractual obligations; and it is understood and agreed that the City's exercise of this right shall not constitute a breach of this Agreement, or otherwise give rise to any liability or cause of action against the City.

20.03 The Contractor shall use the Premises only for the operations specified herein. The Contractor shall not permit any unlawful occupation, activity, business or trade to be conducted on the Premises or any part thereof. Contractor shall procure, at its sole expense, any governmental license or permit required for the proper and lawful conduct of the Contractor's business or other activity.

20.04 The Contractor shall not use, handle, generate, treat, store or dispose of, or permit the handling, generation, treatment, storage or disposal of any Hazardous Materials in, on, under, around or above the Premises. Any and all claims, costs, expenses, fines and losses of any kind (including, but not limited to those arising from injury to or death of any person, damage or loss of use or value of real or personal property, and costs of investigation, cleanup, and attorney and consultant fees) which arise by or through the acts omissions, or failure to act, of Contractor, its agents, employees, subcontractors, servants and invitees, and arising out of or are related to Contractor's use of the Premises shall be the sole responsibility of the Contractor. All environmental response and remediation of hazardous materials shall be the sole responsibility of the Contractor.

21. PUBLIC CENTER ZONING DISTRICT

21.01 Notwithstanding anything in the Agreement to the contrary, this Agreement is subject to all applicable rules, regulations, and requirements of

the Detroit Zoning Ordinance, including but not limited to, Article III, Division 6, Special District Review; and Article XI, Division 4, Public Center District.

EXHIBIT A PREMISES

The Contractor shall be entitled to the use of approximately two hundred fifty

(250) feet of docking area along the Detroit River below Hart Plaza, at Civic Center Drive and Atwater Street, more specifically described as the Detroit Princess Riverboat Mooring Easement, 201 Civic Center Drive, West of the foot of Woodward.

The docking area is indicated on the reference diagrams attached hereto, and is more specifically described as:

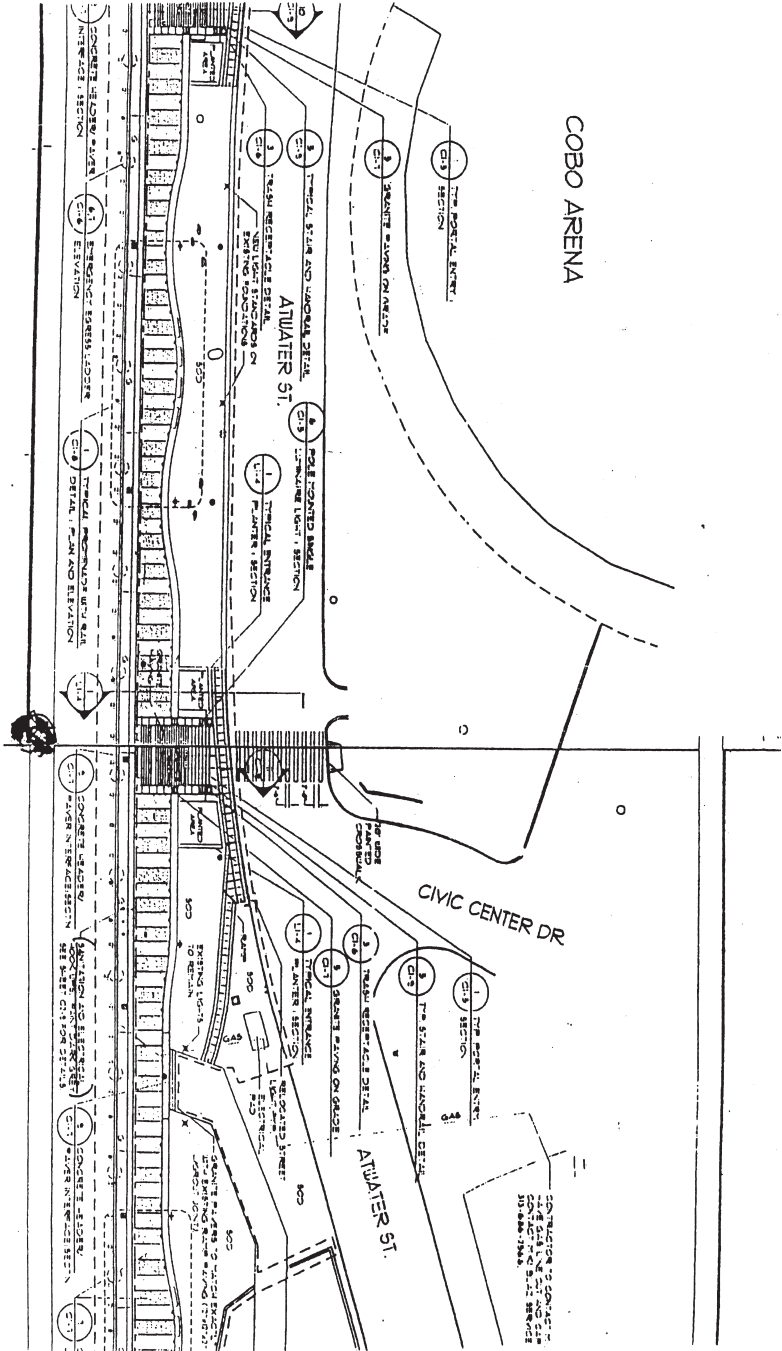

Land in the City of Detroit, Wayne County, Michigan, commencing at the intersection of the easterly line of Woodward Avenue, 120 feet wide, as platted in Section 3 of the Governor and Judge's Plan, and the U.S. Harbor Line, Detroit River, as approved by the Secretary of the Army on April 13, 1953; thence westerly along the said U.S. Harbor Line, 895 feet to the point of beginning of the mooring easement;

thence westerly along said U.S. Harbor Line 315 feet to the place of ending for the said mooring easement.

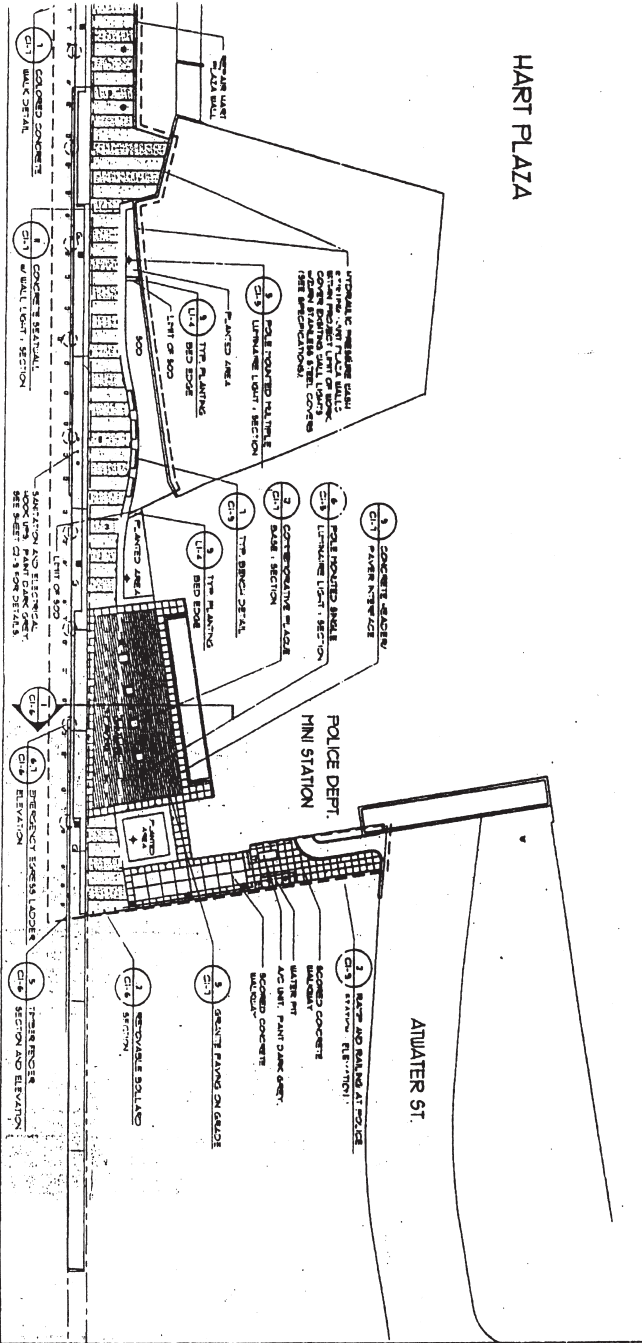

The Contractor will be entitled to install and maintain, at its sole cost, fender systems and mooring cleats that are necessary to its operations. Such modifications to the Premises will be done only with the written approval of all required City agencies.

The Contractor will also be entitled to install and maintain, at its sole cost, water, sewerage, and electrical facilities. Such modifications to the Premises will be done only with the written approval of all required City agencies. The Contractor shall be responsible for the removal of trash and debris from the Premises.

The definition of "Premises" may be extended or adjusted by the written mutual consent of the parties, and with the consent of all required City agencies.

EXHIBIT B
SCOPE OF OPERATIONS AND
CONCESSION SERVICES

The Contractor shall have permission to operate its vessel, the Detroit Princess, to pick up passengers for regularly scheduled excursion tour cruises as well as Charter Cruises from the designated docking area below Hart Plaza.

As used in this session, 'Excursion Cruises' shall be defined as those cruises which are offered several times a day, several days a week, and for which individuals can purchase tickets at an established price. The Contractor will submit to the Department the Excursion Cruise schedule (including destinations) and ticket prices for its review and approval prior to the onset of the cruise season.

"Charter Cruises" will be defined as

those cruises for which a group or groups command exclusive use of the vessel for its members. The nature of the Charter Cruise can vary according to the specifications of the host group(s).

The Contractor's concession services shall include the sale of food and beverages aboard its Detroit Princess vessel, and the provision of entertainment, such as music, dancing, and dinner theatre performances.

With the written consent of all required City agencies, the Contractor can be authorized to expand the scope of its excursion operations to include docking at other properties that are within the jurisdiction of the Civic Center Department.

City Planning Commission

June 16, 2005

Honorable City Council:

Re: Petition #2597 — Request for CJC Catering to operate the Detroit Princess River Boat from the dockside location of 201 Civic Center Drive, just west of Hart Plaza, which is located in a PC (Public Center District) zoning classification (Recommend Approval).

The staff of the City Planning Commission (CPC) has recieved a request of CJC Catering to operate the Detroit Princess River Boat from the dockside location of 201 Civic Center Drive, which is just west of Hart Plaza. This address is located within a PC (Public Center District) zoning classification.

The proposed use is permitted by right

as a passenger boat terminal under Sec. 61-16-68(2) of the Zoning Ordinance. However, the Buildings and Safety Engineering Department cannot issue such a permit without approval by your Honorable Body of any applicable alterations to the PC premises as provided for in Sec. 61-3-187 of the Zoning Ordinance. Said approval must be preceded by review and recommendation of both the Planning and Development Department (P&DD) and CPC as provided for in Sec. 61-11-76. Below is the CPC staff report on the matter, and attached a set drawings diagramming the proposed alterations to the premises. You will also find attached a prospectus from the Detroit Princess.

This request is being made concurrent with a request to approve a concession agreement, providing the terms under which the vessel would operate for three years. There is also a request to approve a Michigan Liquor Control Commission (MLCC) dance-entertainment permit in conjunction with a watercraft liquor license for the vessel as well. The Law Department has prepared a resolution pertaining to the MLCC petition.

REVIEW

Operations

The Detroit Princess River Boat proposes to provide dining and entertainment while cruising the Detroit River. The vessel would be docked along the Civic Center Promenade south of Cobo Center and Hart Plaza. The vessel can carry 1900 passengers of which about 300 would be employees. In order to board the river boat for regularly scheduled cruising, tickets will have to be purchased in advance. Walkup sales are not encouraged, but will be accommodated on a limited basis. As the landside operation of this venture is fully developed, ticketing and boarding will be more conveniently staged. Activities would be staged on the five decks of the ship, each of which has the capacity to support entertainers. In addition to the regularly scheduled cruises, rooms, decks or even the entire boat may be rented for private cruises.

As a cruising vessel the proposed onboard bar, restaurant, and cabaret activities fall outside the purview of the Zoning Ordinance. The requested boat terminal will allow for an onshore point of dockage for the vessel and access for passengers. However, should the vessel desire to discontinue cruising and provide dining, drinking, and entertainment while dockside, this would require a permit to change the use. The vessel would become an extension of the PC-zoned land, functioning like any other bar, restaurant, and cabaret and would be subject to zoning and would have to be permitted as a restaurant, bar, and cabaret. Restaurants, bars, and cabarets

are prohibited in the PC district as a principal use of the land. Sec. 61-11-66(5) of the Zoning Ordinance allows such uses only where they are "clearly incidental and accessory to uses permitted in the PC district and where located on the same zoning lot."

The Detroit Princess River Boat operators have expressed the desire to operate year round. During the fall and winter, conditions may not permit the vessel to cruise. This would result in the need to operate the vessel dockside. Should weather conditions, homeland security, or other events outside of the river boat operators' control result in dockside operation, the same should be allowed and not seen as a discontinuation of cruising and thereby require a change of use, but as an interruption or temporary alteration to the normal means of operating and rendering service.

The Site

Access. Access to the vessel is to be achieved from along the Civic Center Promenade. In accordance with the US Coast Guard, which has jurisdiction over the entire waterside operation of the vessel and the point of dockage, a secure area has been established adjacent to the vessel. A five feet wide path running 260 feet along the promenade railing has been reserved and defined with movable barricades borrowed from the Police Department. The River Boat operator is to select and purchase a replacement barricade that would complement the existing stainless steel rail of the promenade. This area provides the secure zone for the boarding and disembarking of passengers and loading and other defining components of the secure zone would remain in place as along as the vessel is operated from this point of dockage.

Drop-off and loading. Passenger drop-off and loading are to be staged along the south curb of Civic Center Drive. A 90 foot long segment of the curbside will be so designated beginning at a point near the stairway access to the promenade and running west. There is also a ramp in this area, providing handicapped access and convenience of movement for large loads. Deliveries and refuse collection are to be conducted overnight. Only liquor deliveries will be made during daytime operating hours, as a requirement of the Michigan Liquor Control Commission. No storage of refuse is to take place along the shore. It is to be taken directly from the boat to a refuse collection vehicle.

Signage. This area will be complemented with small-scale identification, directional and informational signage. Attached, you will find the temporary versions of the proposed signage. The River Boat will work with CPC and P&DD staff on the final versions of these and any other signs that are deemed necessary

and appropriate for the operation of the River Boat.

Utilities. Existing utility connections at the site are available with some limitation. The sewerage connection is viable and will serve the vessel's needs. However, the water connection is broken and in need of repair. The River Boat operator has expressed the willingness to repair the connection for near future use. In the interim, a fire hydrant can be used with a portable meter in order to fill the boat's 20,000-gallon tank. CPC staff understand that both the Detroit Water and Sewerage Department and the Fire Department have agreed to this temporary measure.

CONCESSION AGREEMENT ISSUES

When CPC staff initially reviewed the concession agreement for this project we raised a number of concerns. These concerns centered around the failure of certain provisions to adequately recognize zoning provisions, procedures and requirements for approval by your Honorable Body. We also noted the need to better reference the place where these activities are to take place with an address and a description of the involved land. These matters were addressed in subsequent documentation that we received on Wednesday, June 15, 2005.

However, some new concerns have been raised since then. There is a question as to whether or not the contract includes all pertinent parties to this venture. The contract is with CJC Catering, LLC, but that corporation does not appear to own the vessel. There was also a question raised, which was also raised by your Honorable Body, as to the City's liability. CPC staff noted that the level of indemnification was not equal to what we have seen in other agreements and requested the rationale for not doing so in this instance.

RECOMMENDATION

CPC staff, working in conjunction with the Planning and Development Department, has completed its review of the proposed operation of the Detroit Princess River Boat at 201 Civic Center Drive. Staff finds that the proposed use and corresponding improvements as described above are consistent with the spirit and intent of the PC zoning district and recommends approval. Please find attached the appropriate resolution to effectuate your approval.

Whereas, CJC Catering, LLC is seeking a permit from the Buildings and Safety Engineering Department for a passenger

boat terminal for the premises known as 201 Civic Center Drive; and

Whereas, 201 Civic Center Drive is further described as land in the City of Detroit, Wayne County, Michigan, commencing at the intersection of the easterly line of Woodward Avenue, 120 feet wide, as platted in Section 3 of the Governor and Judge's Plan, and the U.S. Harbor Line, Detroit River, as approved by the Secretary of the Army on April 13, 1953; thence westerly along the said U.S. Harbor Line, 895 feet to the point of beginning of the mooring easement; thence westerly along said U.S. Harbor Line 315 feet to the point of ending for the said mooring easement; and

Whereas, The premises identified as 201 Civic Center Drive are located in a PC (Public Center District) zoning classification as indicated on Zoning District Map No. 1 of Article XVII of Chapter 61 of the 1984 Detroit City Code; and

Whereas, These same premises have been occupied in the past by the former railroad ferry, Landsdowne, which operated as a restaurant, bar, and entertainment center; and

Whereas, These premises will provide access to the Motor Vessel Detroit Princess, have the U.S. Coast Guard vessel identification number, 997773; and

Whereas, The Motor Vessel Detroit Princess intends to include a restaurant, bar, and cabaret; and

Whereas, The U.S. Coast Guard Certificate of Inspection will authorize the Motor Vessel Detroit Princess to carry passengers on cruises of the Detroit River; and

Whereas, The U.S. Coast Guard Certificate of Inspection will not authorize the Motor Vessel Detroit Princess to operate as an attraction vessel, which would serve the public without carrying passengers on river cruises; and

Whereas, CJC Catering, LLC has applied to the Michigan Liquor Control Commission for a waterfront liquor license with associated dance-entertainment permits; and

Whereas, None of the bar, restaurant, or cabaret activities normally permitted under a Michigan Liquor Control Commission watercraft license with associated dance-entertainment permits will occur on the premises identified as 201 Civic Center Drive, but will be restricted to the Motor Vessel Detroit Princess only; and

Whereas, It is the stated intension of CJC Catering, LLC that the Motor Vessel Detroit Princess will operate as a cruising vessel offering restaurant, bar, and cabaret facilities for passengers and not as a stationary vessel attraction; and

Whereas, The restaurant, bar, and cabaret facilities on the Motor Vessel Detroit Princess shall be licensed by the

City of Detroit Consumer Affair Department, Business License Center as a Cabaret A, and that such a cabaret is prohibited from providing any adult entertainment as would be associated with a Group D Cabaret license, as provided in Chapter 5 of the 1984 Detroit City Code; and

Whereas, Notwithstanding the expectation that the Motor Vessel Detroit Princess will maintain a regular cruising schedule, it is recognized that in conditions of extreme weather or ice in the river, such cruising may be restricted or prohibited; and

Whereas, The operation of a restaurant, bar, and cabaret on a stationary vessel attraction moored at the premises identified as 201 Civic Center Drive would require the issuance of permits from the Buildings and Safety Engineering Department for restaurant, bar, and cabaret; and

Whereas, Restaurants, bars, and cabarets are prohibited as principal uses in the PC zoning district; and

Whereas, Section 61-11-68(2) of Chapter 61 of the 1984 Detroit City Code, Zoning, lists "passenger boat terminal" as a by-right use on land zoned PC (Public Center District); and

Whereas, Article III, Division 6 of Chapter 61 of the 1984 Detroit City Code, Zoning, requires "Special District Review" by the City Planning Commission and the Planning and Development Department for such a use; and

Whereas, On June 15, 2005, staff of the City Planning Commission and the Planning and Development Department reviewed the petitioner-drawn plans, dated June 14, 2005, for the proposed on-shore activities and installations of the proposed passenger boat terminal; and

Whereas, The staff of the City Planning Commission and the Planning and Development Department have found the exterior appearance and function of the premises known as 201 Civic Center Drive to be compatible with and complementary to the Public Center and consistent with the spirit, intent, and purpose of the Zoning Ordinance; and

Whereas, The special district review of the staff of the City Planning Commission and the Planning and Development Department finds that the premises will not provide any space for off-street parking or facilities for valet parking; and

Whereas, The premises known as 201 Civic Center Drive are located within the Central Business District, as defined in Section 61-16-51 of the Detroit Zoning Ordinance; and

Whereas, Section 61-14-7(1) of the Detroit Zoning Ordinance exempts uses on land within the Central Business District from providing off-street parking; and

Whereas, The special district review of the staff of the City Planning Commission and the Planning and Development Department finds that no additional, permanent fencing will be installed on the premises and that the proposed crowd control fencing to be provided to satisfy the security requirements of the U.S. Coast Guard to delineate the five (5) foot wide secure passage adjacent to the permanent stainless steel fence leading to the gangway, to be compatible in appearance to the permanent stainless steel fence and other appurtenances along the RiverWalk; and

Whereas, The special district review of the staff of the City Planning Commission and the Planning and Development Department finds that no refuse storage area will be maintained on the premises as part of the passenger boat terminal and CJC Catering, LLC has indicated that the Motor Vessel Detroit Princess will off-load refuse directly to disposal vehicles during nighttime hours when the public is not aboard the vessel; and

Whereas, The special district review of the staff of the City Planning Commission and the Planning and Development Department finds that a ninety (90) foot long passenger drop-off area and delivery/loading area is indicated along the southern curb of Civic Center Drive and that the Department of Public Works, Traffic Engineering Division has confirmed that the area will be so designated by appropriate signage; and

Whereas, The special district review of the staff of the City Planning Commission and the Planning and Development Department finds that no permanent signage will be affixed to the premises known as 201 Civic Center Drive and that the way-finding and informational signage and the signage required by the U.S. Coast Guard to identify the five (5) foot wide restricted area adjacent to the permanent stainless steel fencing adjacent to the vessel will be temporary signage attached to the crowd control fencing; and

Whereas, Any future on-premises signage will be subject to the provisions of Chapter 3 of the 1984 Detroit City Code, Advertising and Signs, as well as the applicable provisions of Chapter 61, Zoning, subject to review by the City Planning Commission and the Planning and Development Department and approval by City Council; and

Whereas, The proposed passenger boat terminal area on the premises known as 201 Civic Center Drive includes electrical and sewerage connections to be used by the Motor Vessel Detroit Princess; and

Whereas, The passenger boat terminal on the premises known as 201 Civic Center Drive includes water connections to be reestablishment by CJC Catering, LLC;

Now, Therefore, Be It Resolved, That Detroit City Council authorizes the Buildings and Safety Engineering Department to issue a permit for a passenger boat terminal for the premises known as 201 Civic Center Drive on land zoned PC, consistent with the petitioner-drawn plans, dated June 14, 2005; and

Be It Further Resolved, That this approval in no way authorizes the use of the premises known as 201 Civic Center Drive as a restaurant, bar, and/or cabaret or as a facility in conjunction with a stationary vessel attraction; and

Be It Further Resolved, That any modification of the plans for the proposed passenger boat terminal on the premises known as 201 Civic Center Drive is subject to review by the City Planning and the Planning and Development Department and subject to approval by City Council, as provided in Section 61-11-76 of the Detroit Zoning Ordinance; and

Be It Further Resolved, That the Motor Vessel Detroit Princess, which is to be served by the passenger boat terminal, shall operate its restaurant, bar, and cabaret services for cruise passengers only; and

Be It Finally Resolved, That this approval in no way authorizes the closure of the RiverWalk to pedestrian traffic.

Law Department

June 16, 2005

Honorable City Council:

Re: Petition Number 2597 — Request from CJC Catering, LLC, for Approval of the Issuance of a New Dance-Entertainment Permit in Conjunction with an Application for a MLCC Watercraft Liquor License for the Detroit Princess River Boat (Group 'A' Cabaret).

Section 916(6) of the Michigan Liquor Control Code of 1998, being MCL 436.1916(6), requires that prior to the issuance of a Michigan Liquor Control Commission ("MLCC") dance or entertainment permit, or a combination dance-entertainment permit, a location licensed by the MLCC for the sale of alcoholic beverages on the premises shall obtain the approval of (1) the MLCC, (2) the Chief of Police, and (3) the local legislative body of the municipality within which the premises are located.

Pursuant to this requirement, the MLCC has forwarded a Local Approval Notice (Req. ID: 263225), dated May 11, 2004, to the Detroit City Council concerning the request of CJC Catering, LLC

("CJC Catering") for a new dance-entertainment permit in conjunction with its application for a watercraft liquor license for the Detroit Princess river boat, USCG No. 997773 (the license premises). This request for City Council approval of the issuance of a dance-entertainment permit has been designated by the City Clerk as Petition Number 2597.

The Detroit Princess river boat will be operated and docked on the Detroit River adjacent to City property west of Hart Plaza in accordance with a concession agreement between CJC Catering and the City. The Local Approval Notice indicates that the licensed location will be 20 Atwater. However, by letter dated May 12, 2005, CJC Catering informed the MLCC that the docking location for the Detroit Princess will be near Hart Plaza adjacent to the intersection of Atwater and Civic Center Drive. Accordingly, the City has granted a mooring easement for the Detroit Princess river boat described as 201 Civic Center Drive, west of the foot of Woodward. Pursuant to the Detroit Zoning Ordinance, the use of property in the Public Center Zoning District for a passenger boat terminal is subject to review and recommendation by the Planning and Development Department and the City Planning Commission and approved by City Council.

MLCC rules require that an applicant for a watercraft liquor license have a current certification of inspection (COI) issued by either the Michigan State Waterways Commission of the Department of Natural Resources or the United States Coast Guard. The Detroit Princess river boat has been inspected by the United States Coast Guard and a COI for the boarding of passengers at the site is pending. As such, the operators of the river boat will be required to meet and maintain all applicable federal certifications as required by the United States Coast Guard prior to operating and transporting passengers on the Detroit River and adjacent waters. In addition, it is the understanding of the Law Department that the Coast Guard has approved the vessel and facility plans for the operation of the river boat at 201 Civic Center Drive.

Pursuant to Section 5-7-1 of the 1984 Detroit City Code, a premises open to the public which sells or serves alcoholic beverages with or without food, and either allows dancing with or without live entertainment, or provides three (3) or more live entertainers at one time with or without dancing must have a "Group A" cabaret business license. CJC Catering has applied for a Group 'A' cabaret business license for the Detroit Princess river boat since it will be offering facilities for dancing by customers, only, and live entertainment on several levels of the vessel.

The concession agreement between CJC Catering and the City will provide that alcoholic beverages may only be sold and consumed on board the river boat, and accordingly, CJC Catering will not be allowed to use any portion of the adjacent dock area for the sale of alcoholic beverage, patron dancing, or entertainment. Further, the Michigan Liquor Code and Section 5-7-13 of the 1984 Detroit City Code prohibit adult entertainment in a premises licensed as a Group 'A' cabaret.

The principal owners of CJC Catering do not currently operate any MLCC licensed establishments in the City. On behalf of the Chief of Police, the Detroit Police Department, Liquor License Unit, has inspected the Detroit Princess river boat and has approved the issuance of a dance-entertainment permit to CJC Catering in conjunction with the watercraft liquor license.

Pursuant to this Body's August 1, 2003 and July 7, 2004 resolutions on the procedures and criteria for the approval or disapproval of the issuance of MLCC dance-entertainment permits, the Law Department recommends that this matter be placed on City Council's agenda for approval or disapproval of the issuance of a dance-entertainment permit in conjunction CJC Catering's application for a watercraft liquor license for the Detroit Princess river boat. Attached is a proposed resolution approving the issuance of the dance-entertainment permit to CJC Catering, LLC.

BRENDA E. BRACEFUL
Deputy Corporation Counsel

By Council Member Bates:

Whereas, Section 916(6)(b) of the Michigan Liquor Control Code of 1998, being MCL 436.1916(6)(b), requires that prior to the issuance of a Michigan Liquor Control Commission ("MLCC") dance or entertainment permit, an establishment licensed by the MLCC for the sale of alcoholic beverages on the premises shall obtain the approval of the local legislative body of the municipality within which the premises are located;

Whereas, The MLCC has forwarded a Local Approval Notice (Req. ID: 263225) dated May 11, 2004, to the Detroit City Council concerning the request of CJC Catering, LLC ("CJC Catering") for a new dance-entertainment permit in conjunction with its application for a watercraft liquor license for the Detroit Princess river boat (the licensed premises);

RESOLUTION OPPOSING PROPOSED FY 2005-06 REDUCTIONS IN THE HUD BUDGET

By COUNCIL MEMBER TINSLEY-TALABI:

WHEREAS, Housing provides communities with an opportunity to build better lives, such that with a place to call home children perform better in schools, seniors and people with disabilities live with greater dignity and independence, and families realize and grow their dreams; and

WHEREAS, The National Low Income Housing Coalition 2004 "Out or Reach" analysis for the Detroit PMSA indicates that extremely low income households (earning 30% of the area Median Income or \$20,040) can afford monthly rents of no more than \$501, while the Fair Market Rent for a two bedroom unit is \$805; that a minimum wage earner in Detroit (at \$5.15 per hour) can afford monthly rents of no more than \$268; that an SSI recipient (receiving \$564 monthly) can afford monthly rents of no more than \$169, while

the Fair Market Rents for a one-bedroom unit are \$670; and that a minimum wage earner in Detroit must work 120 hours per week in order to afford a two bedroom unit at the area's fair market rents; and

WHEREAS, Detroit's 2005 HUD Consolidated Plan reports that 24% of Detroit households struggle to survive below the federal poverty level; and

WHEREAS, The U.S. 2000 census for Detroit indicates that there is a shortage of 30,335 affordable rental units for extremely low-income households (at 30% of AMI or less) and that 40,012 households pay more than 50% of their incomes for housing; and

WHEREAS, The Detroit HUD Consolidated Plan for 2005-2010, reports that there are 21,319 households on the Detroit Housing Commission's combined waiting list for Section 8 and Public Housing; and

WHEREAS, The same ConPlan reports that Detroit's point-in-time homelessness survey revealed there were 16,807 homeless persons on a single day in January, 2004 in Detroit; and

WHEREAS, The FY 2005-06 Federal Budget proposals submitted by the White House and the U.S. Congress would make significant cuts to housing related programs including Community Development Block Grant, HOME, Section 8 Housing Choice Vouchers, and Public Housing that provide housing affordable to our most economically vulnerable community members; and

WHEREAS, The Community Development Block Grants, funded this year at nearly \$5 billion, could be cut by as much as 50 percent and moved from the U.S. Department of Housing and Urban Development to the U.S. Department of Commerce; and

WHEREAS, The White House and the U.S. Department of Housing and Urban Development have submitted legislation entitled the State and Local Housing Flexibility Act of 2005 that will drastically change how affordable housing programs operate such that the number of families and individuals below 30% of Median Family Income who benefit from public housing will be significantly reduced; and

WHEREAS, The State and Local Housing Flexibility Act of 2005 would change the current requirements that at least 75% of Section 8 Housing Choice Vouchers must go to households with incomes below 30% AMI to a policy that would allow up to 90% of Section 8 Housing Choice Vouchers to go to households with incomes up to 60% of Median Family Income; and

WHEREAS, Reductions in federal housing funds combined with the pro-

posed policies in the State and Local Housing Flexibility Act of 2005, will likely result in changes in admission and occupancy policies for Detroit Housing Commission units which would reduce the number of housing units available for extremely low-income households, increasing homelessness in Detroit; and

WHEREAS, Detroit is currently engaged in a planning process to eliminate homelessness in 10 years and this proposed legislation would take the City in the opposite direction; and

WHEREAS, The City of Detroit, its residents and community based organizations depend heavily upon Community Development Block Grant, HOME, Section 8 Housing Choice Vouchers, and Public Housing programs;

NOW THEREFORE BE IT RESOLVED, That the City of Detroit opposes the reductions to federal funding for housing as proposed by the White House and U.S. Congress, and housing assistance program policy changes in the State and Local Housing Flexibility Act of 2005.

Invocation

"Our Father which art in heaven, Hallowed be Thy Name. Thy Kingdom come. They will be done on earth..."

(Matthew 6:9b-10b)

especially in the City of Detroit, Michigan and at the Formal Session of the Detroit City Council.

We pray for the Mayor of our great city, Kwame Kilpatrick, and for the President of our City Council, Maryann Mahaffey, and for each City Council Member.

Father, in the past, there have been major disagreements, and, with disagreements very little has been accomplished; but we pray that henceforth we agree to disagree without being disagreeable. Also, we pray that our decisions will be blessed with what is good and what is honorable and what is best for the well-being of Detroit.

We pray that anything that is negative will remain in the past and that we will march forward together to the same drumbeat. After all, "how can two walk together except they be in agreement?"

Father, please help us remember that Detroit is our primary focus and is the jewel we are polishing that it may shine bright.

In the name of the Father, and of the Son, and of the Holy Spirit we beseech Your blessings. Amen.

Honorable City Council:

Re: Address: 2269 Edsel. Name: Charles Hahn/Trott & Trott. Date ordered removed: September 26, 2001 (J.C.C. p. 2666).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on May 31, 2005 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of May 24, 2005.

The proposed use of the property is rehabilitation and sale.

Therefore, it is recommended that the demolition order be deferred for a period

of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties.

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Honorable City Council:

Re: Address: 19301 Conley. Name: Jesse Brown. Date ordered removed: June 11, 2003 (J.C.C. p. 1699).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on May 13, 2005 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of May 6, 2005.

The proposed use of the property is rehabilitation and rental.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties.

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Respectfully submitted,

City Planning Commission

Honorable City Council:

Re: Technical Corrections to the 2005-06 CDBG Budget as Amended by City Council.

In the process of summarizing the City Council action on the Community Development Block (CDBG) Grant Budget with the Budget Department and Planning and Development Department, we have discovered the need for some corrections to appropriation numbers and revenues in the CDBG budget (Schedule A). These corrections reflect Council's intent to fund the listed organizations.

In four cases (Cornerstone Faith Carpentry Services, Holcomb Fisher Neighborhood Block Club, NSO — Youth Initiatives, and Original United Citizens of Southwest Detroit), the appropriation numbers were the aggregate activity appropriation numbers used last year instead of numbers specifically assigned to the individual recipient organizations. The appropriation numbers for Cass Corridor Youth Advocates, Legal Aid and Defenders Association, and Community Resource & Assistance are corrections. In most instances both the incorrect number and the correct number were published in the Legal News. The requested action is simply to clarify City Council's intent.

The correction including appropriation #6623 is simply clarifying that the name of this appropriation is Community Development Planning (as previous) rather than the project names listed. The Letter of Credit adjustment is to accurately reflect the Mayor's revenue amount.

We apologize for any inconvenience and can respond to any questions relating to these corrections you may have.

**Economic Development Corporation
of the City of Detroit**

June 17, 2005

Honorable City Council:

Re: EDC Project — Amended and Restated Project Plan for the Waterfront Reclamation and Casino Development Project to be renamed the Waterfront East Development Project.

The Waterfront Reclamation and Casino Development Project to be renamed the Waterfront East Development Project (the "Project") is being undertaken by the Economic Development Corporation of the City of Detroit (the "EDC") and is summarized as follows:

Pursuant to Act 338, Public Acts of Michigan, 1974, as amended ("Act 338"), the EDC Board of Directors adopted Resolution EDC 98-04-32-02 on April 9, 1998 recommending City Council establish the Project Area and Project District Area for the Waterfront Reclamation and Casino Development Project, and subsequently adopted Resolution EDC 98-11-32-15 on November 24, 1998 expanding the Project Area to the current size and configuration for the Waterfront Reclamation and Casino Development Project (the "Project") and requesting the Mayor to appoint and the City Council to confirm the appointment of two additional Directors to the EDC Board. On April 23, 1998, the City Council adopted a resolution designating the Project Area and Project District Area and confirming the Mayor's appointments of two additional Directors to the EDC Board, and on December 2, 1998 adopted a resolution approving the expanded Project Area.

The Project Area is primarily located in the southwestern region of the Project District Area and includes a north-south corridor running from Jefferson to Gratiot along St. Aubin/Orleans. The Project Area is generally bounded by Rivard and Riopelle on the west, Chene on the east, the Detroit River Harbor Line on the south and East Jefferson Avenue on the north while the north-south corridor is bounded by Orleans on the west, Gratiot on the north, St. Aubin on the east and East Jefferson on the south.

With a favorable recommendation from the 27-member Citizens District Council (CDC), originally established by City Council resolution on June 1, 1998, the Modified Project Plan for the Waterfront Reclamation and Casino Development Project (the "Original Plan") was approved by the City Council on January 29, 1999. The Original Plan was developed to primarily support the development of the three permanent Detroit casinos.

As the revised development agreements among the City, the EDC and the Casino Developers allow the building of

the permanent casinos in locations other than the riverfront, the Original Plan ought to be amended to reflect the current activities towards the redevelopment of the east riverfront.

Consequently, pursuant to Act 338, EDC staff has prepared an Amended and Restated Project Plan for the Waterfront Reclamation and Casino Development Project to be renamed the Waterfront East Development Project (the "Project Plan") setting forth the requisite information, including but not limited to, the location of the proposed Project, the description of the existing and proposed site improvements, the estimated time of completion, and the proposed method of financing. With the favorable recommendation (Exhibit B) from the City Council re-established Citizens District Council, the Project Plan (Exhibit A) was approved by the EDC Board of Directors on June 8, 2005 and is hereby submitted to your Honorable Body for review and consideration and EDC respectfully requests the following subsequent actions:

Honorable City Council:

Re: Springwells Industrial Park Project — Adoption to Project Plan.

The Springwells Industrial Park Project (the "Project") is being proposed by the Economic Development Corporation of the City of Detroit (the "EDC"). The project is being proposed by the EDC as a result of the EDC's obligation to relocate businesses from the east riverfront area designated as the Waterfront Reclamation and Casino Development Project Area. To address this obligation, the EDC has acquired approximately 83 acres of prop-

erty and replatted the property as an industrial park.

Pursuant to Act 338, Public Acts of Michigan, 1974, as amended ("Act 338"), the EDC Board of Directors adopted Resolution EDC 04-10-69-02 on October 26, 2004, recommending that the City Council designate the Project Area and Project District Area for the Project and the Mayor appoint and the City Council confirm the appointment of two additional Directors to the EDC Board for the duration of the Project. Susequently, on February 9, 2005 the City Council adopted and on February 15, 2005 the Mayor approved a resolution designating the Project Area and Project District Area and confirming the Mayor's appointment of two additional Directors to the EDC Board.

The Project Area is located in the city's west riverfront, south of Jefferson Avenue, west of Fort Wayne, north of the Detroit River Harbor Line, and east of the Rouge River and west of right-of-way line for Zug Island Road. The EDC has become involved in the Project at the request of the City Law Department, pursuant to Act 338, Public Acts of Michigan, 1974, as amended ("Act 338").

Further pursuant to Act 338, EDC staff has prepared a Project Plan for the Project consistent with Section 8 of Act 338, including but not limited to the location of the Project, the description of the existing and proposed site improvements, the estimated time of completion, and the proposed method of financing. This Project Plan was approved by the EDC Board of Directors at a special meeting on June 8, 2005 and is hereby submitted to your Honorable Body for review and consideration. The EDC respectfully requests the following subsequent actions on the part of your Honorable Body:

June 20, 2005

Line item on the City Council's calendar indicating the EDC's request that the City Council adopt a resolution setting a public hearing for July 11, 2005 at 10:45 A.M. regarding the Project Plan for the Springwells Industrial Park Project.

Re: Mt. Elliott-Wight Development Project — Adoption of Project Plan.

The Mt. Elliott-Wight Development Project (the "Project") is being proposed by the Economic Development Corporation of the City of Detroit (the "EDC"). The project will involve the installation of a portion of the Detroit Riverwalk to be coordinated with the Detroit Riverfront Conservancy, as well as related public infrastructure improvements in portions of the Project lying south of Wight Street between the Uniroyal site and Harbortown.

Pursuant to Act 338, Public Acts of Michigan, 1974, as amended ("Act 338"), the EDC Board of Directors adopted Resolution EDC 05-01-68-02 on January 25, 2005, recommending that the City Council designate the Project Area and Project District Area for the Project and the Mayor appoint and the City Council confirm the appointment of two additional Directors to the EDC Board for the duration of the Project. Subsequently, on February 9, 2005 the City Council adopted and on February 15, 2005 the Mayor approved a resolution designating the Project Area and Project District Area and confirming the Mayor's appointment of two additional Directors to the EDC Board.

The Project Area is located in the city's East Riverfront District, specifically the area located generally south of Wight Street, west of the Uniroyal property, north of the Detroit River Harbor Line, and east of the Harbortown residential development. Within the Project Area the City is requesting the assistance of the EDC to enhance existing and planned commercial and residential developments at Harbortown, the Uniroyal property, and in the area between Jefferson Avenue and Wight Street by developing public improvements, including the Detroit RiverWalk and streetscape improvements. For funding the public improvements, the City has received approval of a grant from the Michigan Department of Transportation and a pledge of supplemental funding from the Detroit Riverfront Conservancy.

Pursuant to Act 338, EDC staff has prepared a Project Plan for the Project consistent with Section 8 of Act 338, including but not limited to the location of the Project, the description of the existing and proposed site improvements, the estimated time of completion, and the proposed method of financing. This Project Plan (Exhibit A on File in the City Clerk's Office) was approved by the EDC Board of Directors at a special meeting on June 8, 2005 and is hereby submitted to your

Honorable Body for review and consideration. The EDC respectfully requests the following subsequent actions on the part of your Honorable Body.

**CITY COUNCIL RESOLUTION
SETTING HEARING DATE FOR THE
MT. ELLIOTT-WIGHT DEVELOPMENT
PROJECT PLAN OF THE ECONOMIC
DEVELOPMENT CORPORATION OF
THE CITY OF DETROIT**

By Council Member Bates:

WHEREAS, This City Council, in conformity with Act 338 of Public Acts of 1974, as amended ("Act 338"), has previously approved a Project Area and Project District Area with respect to the Mt. Elliott-Wight Development Project of the Economic Development Corporation of the City of Detroit; and

WHEREAS, This City Council has received a Project Plan for said Project and wishes to set a date for public hearing on said Project Plan.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DETROIT, AS FOLLOWS:

1. A public hearing on the Project Plan for said Project shall be held at 11:00 o'clock A.M. local time, on the 11TH DAY OF JULY, 2005, or such other date to which the public hearing may be adjourned in the City Council Chambers, in the Coleman A. Young Municipal Center, in the City of Detroit, County of Wayne, Michigan. At such hearing, the City Council of the City of Detroit shall provide an opportunity for interested persons to be heard and shall receive and consider communications in writing with

reference to the hearing and the proposed Plan. The hearing shall provide the fullest opportunity for the expression of opinion, for arguments on the merits, for introduction of documentary evidence pertinent to the proposed Project Plan and the location and nature of the proposed Project to be financed. This City Council shall make and preserve a record of the public hearing, including all data presented at the public hearing.

2. The staff of the EDC is hereby requested to publish, post and mail notice of such hearing.

3. The City Clerk is hereby directed to provide five (5) certified copies of this Resolution to the Secretary of the Board of Directors of the Economic Development Corporation of the City of Detroit.

4. All resolutions or parts thereof in conflict with this Resolution are hereby repealed, but only to the extent of such conflict.

Adopted as follows:

Yeas — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Collins, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 8.

Nays — None.

Planning & Development Department

June 7, 2005

Honorable City Council:

Re: Public Hearing on the Establishment of the Sacred Heart/St. Elizabeth Neighborhood Enterprise Zone as Requested by the Sacred Heart/St. Elizabeth Community Development Corporation in Accordance with Public Act 147 of 1992.

The Planning & Development Department and the Finance Department have reviewed the Master Plan and the neighborhood preservation and development goals of the City, and find that establishment of the Sacred Heart/St. Elizabeth Neighborhood Enterprise Zone would be consistent with the neighborhood preservation and development goals and with the Master Plan.

Public Act 147 of 1992, commonly referred to as the Neighborhood Enterprise Zone (NEZ) Act, in Section 3(1) states "the governing body of a local governmental unit by resolution may designate one (1) or more neighborhood enterprise zones." Prior to acting upon the resolution establishing an NEZ, a public hearing must be held, and the City Clerk must provide written notice of the public hearing to the assessor and to the governing body of each taxing unit that levies an ad valorem tax within the proposed NEZ, said notice to be made not less than 60 days prior to your Honorable Body's passage of a resolution designating an NEZ.

The boundaries of the proposed NEZ

are described in Exhibit A (legal description) and illustrated in the map also attached. The developer proposes to construct 30 new and rehabilitate 2 single-family homes in the proposed NEZ at a cost of \$5 million.

We request that a Public Hearing be scheduled on the issue of establishing this NEZ, as required by the NEZ Act. Attached for your consideration, please find a resolution establishing a date and time for the public hearing, together with the aforesaid map and legal description of the proposed NEZ.

Respectfully submitted,

HENRY B. HAGOOD

Director of Development Activities

By Council Member Bates:

Whereas, Pursuant to Public Act No. 147 of the Public Acts of 1992 ("the Act") this City Council has the authority to establish "Neighborhood Enterprise Zones (NEZs)" within the boundaries of the City of Detroit; and

Whereas, The Sacred Heart/St. Elizabeth Community Development Corporation has requested establishment of the "Sacred Heart/St. Elizabeth" NEZ whose boundaries are particularly described in

Exhibit A (legal description) and illustrated in the map attached hereto; and

Whereas, The Act requires that, prior to establishing an NEZ, the City Council shall provide an opportunity for a Public Hearing on such establishment, at which Public Hearing representatives of any taxing authority levying *ad valorem* taxes within the City, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter;

Now Therefore Be It

Resolved, That on the 6th day of July, 2005 @ 10:00 a.m. in the City Council Committee Room, 13th floor, Coleman A. Young Municipal Center, a Public Hearing be held on the above described application for establishment of an NEZ within the boundaries described in Exhibit A (legal description) and illustrated in the map attached hereto; and be it finally

Resolved, That the City Clerk shall give notice of the Public Hearing to the general public and shall give written notice of the Public Hearing by certified mail to all the taxing authorities levying an *ad valorem* tax within the City of Detroit, such notices to be provided no earlier than forty five (45) days prior to the public hearing.
