JOIN BY PHONE: (312) 626-6799

MEETING ID: 897 9864 9859

As part of the Grand River Northwest Neighborhood Framework Plan, the former Rogell Golf Course was identified to be developed as a new park. The Old Redford Link is a combination of parks, open space and streetscape improvements to connect residents to this new 90 Acre park and the existing commercial corridor at Grand River and Lahser. Learn more about the design and how you can get involved!
