Re: Community Benefits Ordinance Biannual Report for Michigan Central Station

The Civil Rights, Inclusion, and Opportunity (CRIO) Department has been given the responsibility of monitoring the Community Benefits Ordinance. The report details the developer's compliance with each Community Benefits Provision (CBP) commitment.

The **Michigan Central Station** project currently has **1** of their commitments considered "**Off Track**"

Below, you will find a key to reference when reviewing "Status Update" and the total number of CBP commitments in each specific status.

Status Update	Explanation	Commitments
On Track	Actions taken towards satisfying commitment	23
Off Track	Commitment not fulfilled	1
Off Track-Compliance Plan Submitted		0
Not Started	No action taken	4
Additional information requested		0
Completed	Commitment fulfilled	15
Total Commitments		43

Respectfully,

Kimberly Rustem
Director
Civil Rights, Inclusion and Opportunity Department

Approved as to form:

Chuck Raini
Interim Corporation Counsel
City of Detroit Law Department

Biannual Community Benefits Report

Project Name/Location: Michigan Central Station 2405 W Vernor Hwy Detroit, MI 48216

Agreement Approval Date: October 17, 2018

Developer Name/Address: Ford Motor Company/ 1 American Rd. Dearborn, MI 48126

	Commitment	Findings	Status	City Department
<p>1. Create and Protect Affordable Housing in the Impact Area to Help Existing Residents</p>	<p>Developer will invest a total of \$2.5M dollars in the Affordable Housing Leverage Fund (AHLF), which, to the extent possible, may be invested by the AHLF or its fiduciaries or intermediaries in projects that preserve affordable housing in the Impact Area</p>	<p>As of December 2020, \$2.5 Million has been received from Ford and invested in the Affordable Housing Leverage Fund (AHLF) (Detroit Housing for the Future Fund)</p>	<p>Completed</p>	<p>Housing and Revitalization Department</p>

2. Support Neighborhood Development			
<p>Developer will invest \$2.5M dollars to the Strategic Neighborhood Fund (SNF) or such other comparable fund as mutually agreed by the Parties that is administered by Invest Detroit with direction from the City (SNF) and that benefits neighborhood development, which, to the extent possible, may be invested by SNF or its fiduciaries or intermediaries in the following targeted activities:</p> <p>2-A(1): Funding the rehabilitation of City parks in the Impact Area, 2-A(2): 0% Home Repair loans and grants, 2-A(3): A neighborhood improvement fund, initially capitalized with \$750,000 of Developer's investment to be invested with its interest income deployed annually and allocated by a community panel through a "pitch" competition including participatory budgeting or community-driven budget process.</p> <p>2-E: Developer's investment to SNF could support streetscape and mobility improvements, including traffic engineering studies, pedestrian and cyclist</p>	<p>Developer has invested \$1M to the Strategic Neighborhood Fund (SNF). This initial investment has funded the Home Repair Grant program in the Impact Area. This launched in early 2021 and administered by the City of Detroit Bridging Neighborhoods Program. Ford's future payout schedule is to invest \$1 Million in the third quarter of 2021 and \$500,000 in 2022, completing this commitment. The neighborhood improvement fund will be launched following the receipt of Ford's investment in third quarter 2021 as indicated above.</p> <p>2-A (1) Park improvements were identified through a planning study. The Planning study completed in November 2020 and Roosevelt Park identified as a priority project for some of these funds.</p> <p>The planning department presented a handful of implementation items to move forward, which would include leveraging the \$1m committed by Ford as part of the CBO process.</p> <p>2-A (2) The 0% Home Loan Program is currently available to homeowners in the Impact Area visit http://www.detroithome loans.org/</p> <p>For details. \$750,000 of the initial SNF investment from Ford has funded the Home Repair Grant program in the Impact Area launched in early 2021</p>		<p>Housing and Revitalization Department</p> <p>Department of Public Works</p>

Commitment	Findings	Status	City Department
<p>improvements and other changes to be determined through a neighborhood planning process to mitigate or address the specific impacts raised by the NAC.</p> <p>2-B: Developer is committed to participating in the City's Greater Corktown planning process.</p> <p>2-C: In addition, Developer will work with Michigan Department of Transportation ("MDOT") and the City to try to secure Michigan Ave. improvements, including more pedestrian crossings and improved signals.</p> <p>2-D: Work to develop a traffic control plan (during and post construction) that will be made available to the public.</p>	<p>and administered by the City of Detroit Bridging Neighborhoods Program. (Application program closed in spring 2021, all participants selected, homes walked. Confirmed nearly all of home repairs. 5 contracts to start work, repairs expected to start in October/November. Repairs scheduled to be completed by spring 2022.)</p> <p>2-A (3) The neighborhood improvement fund will be launched following the receipt of Ford's investment in third quarter 2021 as indicated above.</p> <p>2-E: Planning study completed in November 2020. City as submitted and won a \$30M HUD Choice Neighborhoods Grant. Developer investment will go towards final projects identified in the planning study and the Choice application, as they are finalized.</p> <p>2-B: Developer has attended the majority of all community meetings for planning study and has been committed to the planning process overall. Staff still communicates weekly with Ford, and Ford served as an anchor institution and made significant commitments to the Choice neighborhoods grant application. Ongoing communication and coordination continues, through bi-weekly project update meetings. Further, City is working on executing an MOU with Ford around long-term Corktown/MI Central development planning and implementation.</p>

<p>Commitment</p>	<p>2-C: The City has initiated meetings between MDOT and Ford. Meetings between the City, MDOT and Ford are ongoing. MDOT committed funding to improvements along Michigan Avenue and has begun community engagement.</p> <p>2-D: The development of a traffic control plan during and after construction is in process.</p>		<p>City Department</p>
<p>3. Ensure Impact Area Residents Have Increased Access to Training and Job Opportunities Through a Funding Commitment Totaling \$5M and to be Dedicated in Accordance with the Following</p>			
<p>A. Developer will contribute \$1M to the Golightly Career Technical Education Center to train both adult and youth for emerging technology jobs</p>	<p>Ford contributed \$1,000,000 in August 2021.</p> <p>Ford has not yet confirmed a space to establish a local hiring hall. Recruiting events limited due to capacity and other pandemic restraints.</p> <p>However, Ford has developed the Fast Track Program. The Fast Track Program is a joint initiative aimed at providing a pathway from existing training and on-boarding programs to skilled city workers for future construction projects.</p>	Completed	<p>Detroit at Work</p>
<p>B. Developer will create local hiring hall to serve an established entry point for Detroit residents to enable Impact Area residents to apply for Ford job openings and to be referred to job training resources as needed.</p>	<p>Fast Track is a four-month experience that offers candidates the opportunity to work on-site at Ford's Michigan Central development, including the restoration of Detroit's iconic Michigan Central Station. Participants transition to a 40-hour work</p>		<p>Detroit at Work</p>

B.	Developer commits that all retail and service amenities in Developer-owned buildings within the Projects will be accessible to the public. Developer will take into account a retail gap analysis to balance expected future Developer and community retail needs.	According to Ford, the Bagley Hub will open with amenities to the public in late 2Q 2022: which will include public parking & mobility solutions available along with greenway access, restroom facilities, shaded seating, wi-fi, retail amenities.		City Department Planning and Development Department Detroit Economic Growth Corporation
C.	Developer will patronize local businesses during construction of its own developments within the Corktown area, will utilize local service sector businesses where available and commercially reasonable to do so, and will encourage employees to patronize local businesses following completion of the projects.	Ford stated that it continues to use local businesses to support events, meetings, lunch, and dinner orders. Ford also encourages workers to patronize local businesses.		Department of Neighborhoods
5. Continue Community Engagement for as long as Developer is in the Neighborhood				
A.	Developer will continue to participate in a community engagement process for as long as the Developer operates a Project. Developer will facilitate language translation for community engagement efforts when requested.	Ford launched Creating Together newsletter in 2020 (published in Spanish and English). Newsletters are published quarterly. CoUrbanize, a website for engagement launched in 1Q 2021. Please see the link below for the engagement page: https://courbanize.com/projects/michigancentral/information
