- **Fitness Center – 57%**
- **Gymnasium – 51%**
- **Computer Lab / Internet Access – 51%**
- Community Meeting Spaces – 46%
- Cooking & Health Classes – 33%
- Dance & Aerobics – 30%
- STEM Classroom – 25%
- Reading Room – 16%
- Arts & Crafts – 16%
- Concessions – 10%
- Barber / Beauty Salon – 10%
- Laundry Facility – 7%

# What we've been working on

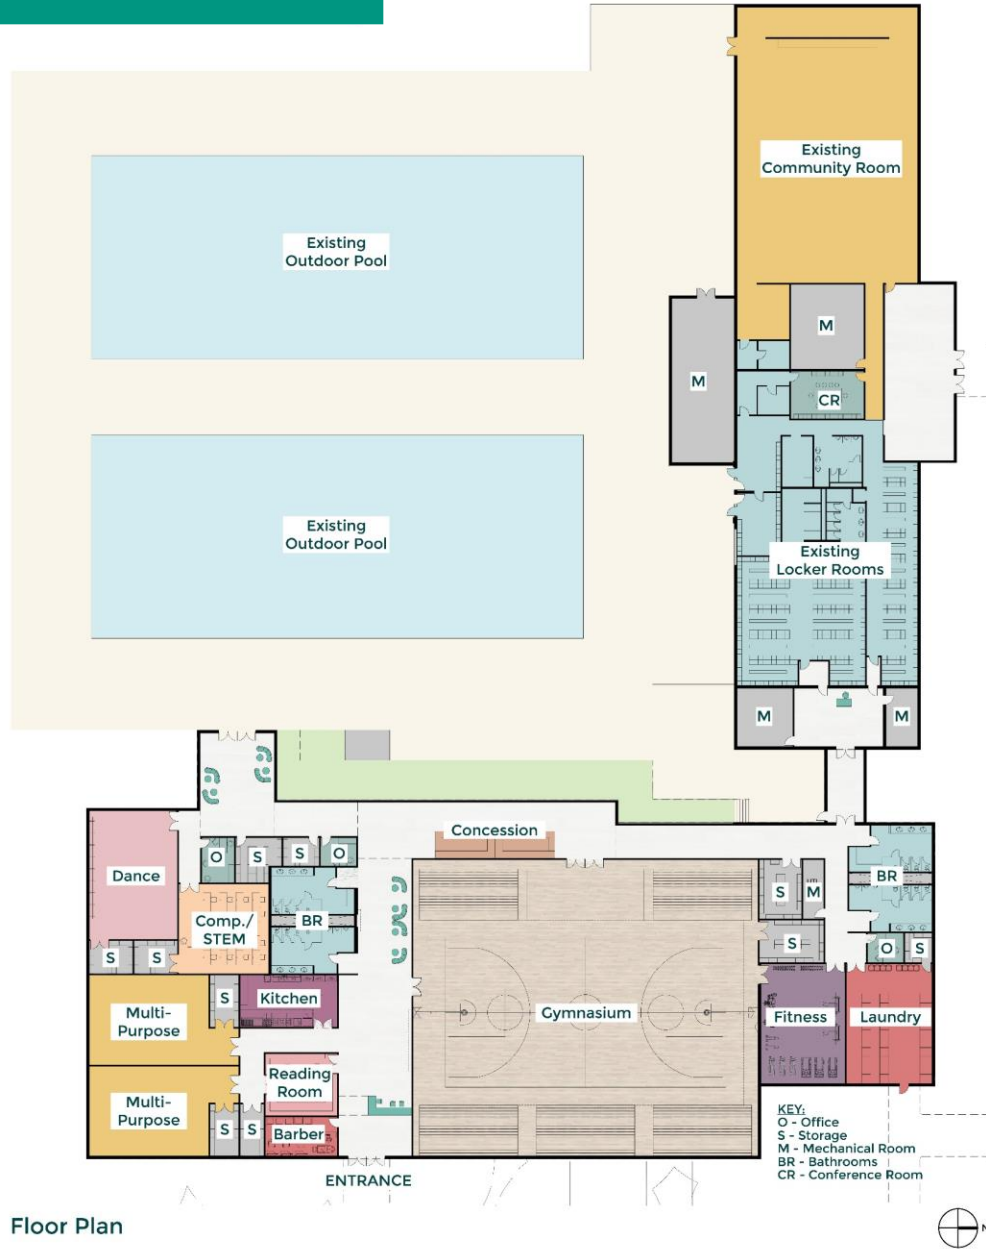

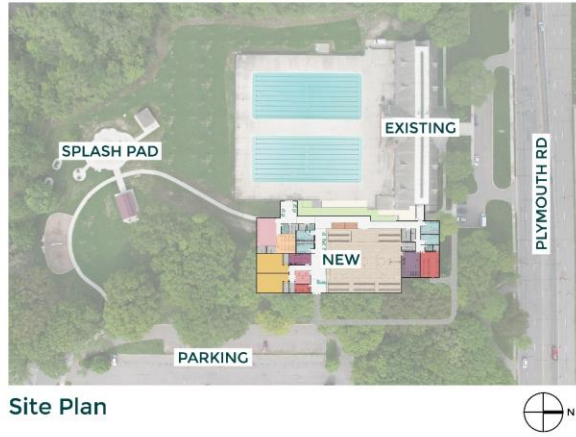

**Conceptual layout to fit ALL wanted amenities, looking for feedback on the rooms, sizes, and layout.**

## **FOOD FOR THOUGHT:**

- Combining some compatible uses into multipurpose spaces (ie computer lab & classroom)
- Providing flexible space to adapt to future uses/wants
- Improving access from the parking lot to the building & existing pools

**COVERING THE POOL:** there were many write-ins and comments about covering one of the pools for year-round swimming, and this is something we continue to explore and revisit following phase 1 of the project.

# Conceptual Layout

# Conceptual Rendering

# Conceptual Rendering

# Discussion – Report back in ~40 minutes

**Thank you!**
