

The City of Detroit Department of Neighborhoods needs your help!

We are looking for dedicated citizens to serve on the **Detroit Volunteer Snow Team** and help clear snow from front walkways/ sidewalks and from driveways at the homes of seniors and residents with disabilities. Volunteers are paired with seniors in their area and will receive personal protective equipment (PPE).

If you are available to help during the winter months, please email Volunteer Coordinator **Tonie Stovall** at **tonie.stovall@detroitmi.gov** to join the team. Please note: To participate you may be asked to bring a shovel or other supplies, and provide your own transportation.

Thank you in advance for helping to keep Detroit's seniors and those with disabilities safe this winter!
