Making connections through opportunities

EDITION 09

The word for this edition is 'business'

We are hearing a lot about the need for more businesses in the area a lot. Businesses that provide the necessary amenities for a healthy and thriving community.

QUESTIONS FOR THE COMMUNITY

1. What kind of business would you like to see?
2. What city resources do you need to start a new business
3. What are the challenges you come up against when accessing city resources?
4. What is the most convenient way for you to access resources? Is it online or in person?

Photo of the Blue Bird Inn: It is being rehabilitated by the Detroit Sound Conservancy.

“The Bird’s significance to African American history and culture is both sonic and social. Sonically, The Bird was an epicenter of creative expression and schoolhouse of the Detroit sound. Socially, The Bird was a hearth of the Black community.”
