#### Introduction

This Detroit Supply Schedule Program establishes a list of pre-qualified vendors to provide **Electrical, Civil, Mechanical, Structural, Architectural, Geological and Environmental Engineering, for Design, Construction Management and Program Management Services**. The purpose of this Request for Qualifications (RFQQ) Application is to enable the City of Detroit to meet demands for engineering work order tasks for various City departments through multiple potential Service providers.

This is an **open (available to all)** RFQQ application. **All potential businesses are eligible to participate.**

Firms deemed to be qualified to provide the Services specified in this Request for Qualifications (RFQQ) will be placed on a list of pre-approved suppliers which will be submitted to the Detroit City Council for approval. From the list of approved suppliers, the City shall solicit bids on a project-by-project basis to provide **Electrical, Civil, Mechanical, Structural, Architectural, Geological and Environmental Engineering, for Design, Construction Management and Program Management Services** for various departments within the City of Detroit.

Pre-Qualifications are valid until **December 31, 2029**. Receipt of applications will end 90 days prior to the expiration date of **December 31, 2029** via the City of Detroit Oracle Supplier Portal system; however, suppliers are encouraged to submit applications immediately as new projects will be forthcoming in first quarter 2025.
