COME JOIN US!

East Jefferson is central to the neighborhoods it serves including Jefferson Chalmers. The City of Detroit is planning improvements to support businesses, increase the safety and vibrancy of the street, enhance public transit, and repair underground utilities.

Improvements will include new sidewalks, trees, bus shelters, and more. Join us to learn more and provide your feedback on East Jefferson's streetscape. This will be a focused conversation on East Jefferson, centered around the intersection of Chalmers.

With advance notice of seven calendar days, the City of Detroit will provide interpreter services at public meetings, including language translation and signage for the hearing impaired. Please contact the Planning and Development Department at (313) 224-1339 to schedule these services.
