Police Community Relations Council

President Don Johnson | Vice President Ken Scott |
Corresponding Secretary Marcia Seaborn-Carr | Financial
Secretary Faye Wafer | Treasurer Nancy Walker

Meetings

- Our meetings are held:
 - First Thursday at 6 PM at the 12th Precinct
1441 W 7 Mile, Detroit, MI, 48203
- Currently on winter break for January and February.

Community Focus

- #1 Goal:

To be Community Oriented

- Our meetings draw a crowd, and we urge all neighbors to get involved!
- We support our police, fire and EMS because our support makes our community safer and stronger!

WORKING TOGETHER DOES WORK!

- Residents and businesses joined to help get the berms moved from middle of Livernois.
 - Fire truck could not turn out the station
 - Love the new sidewalk cafes
 - Lots of community activities, including tons of fun in Palmer Park

Call for Community Action

- Lobby at state and federal funds to pay to increase the number of all First Responders: Police, Fire, and EMS
 - Increasing the number means police officers:
 - do not have to work long periods of overtime
 - have opportunity to relax from stressful jobs
- Key goal is to work to help restore medical and other benefits given up by police during the Detroit Bankruptcy.
 - Appreciate new contract that provides better pay and goal is for better benefits too!

Thank You!
