Environmental Health Inspections

Please read this before proceeding any further

You must use the enclosed Environmental Health Inspection Request (BCAL-1787) to arrange this inspection through your local health authority.

In order to determine which health inspection agency you will need to send the Environmental Health Inspection Request (BCAL-1787) to, please go to www.michigan.gov/mdch > Providers (on left) > Local Health departments (right under Quick Links) and click on the county in which your center is located. Fill in section 6 on the Environmental Health Inspection Request (BCAL-1787) with the name and address of the health inspection agency.

Complete Section 13 - 25 on the Environmental Health Inspection Request (BCAL-1787). If these sections are not filled out, the form may be returned to you.

This inspection will be at your expense. Contact your local health authority to verify the cost of the inspection.

If you have additional questions about the need to request a health inspection, please contact your local health department or call 1-866-685-0006.

Plan Reviews for a Child Care Center:

A child care center applicant/licensee considering new construction, renovation or structural modification of the kitchen, bathroom or food preparation or food storage area must contact the local environmental authority using the BCAL-1787 to assure compliance with all local regulations. If the local environmental health authority will not do a plan review, the applicant/licensee must provide documentation to BCAL.

Plan Reviews for a Child Caring Institution:

A facility applicant/licensee considering new construction, renovation or structural modification of the facility must contact the local environmental authority using the BCAL-1787 to assure compliance with all local regulations. If the local environmental health authority will not do a plan review, the applicant/licensee must provide documentation to BCAL.
