**RE: Application Number 21-7577; 2011 Longfellow; Boston-Edison Park Historic District**

Dear Mr. Mongini:

At the regular meeting that was held on November 10, 2021, the Detroit Historic District (“Commission”) reviewed the above-referenced application for building permit. Pursuant to Section 21-2-80 of the 2019 Detroit City Code, the Commission hereby issues a **Notice of Denial for the below outlined items** which is effective as of November 16, 2021. Specifically, the Commission reviewed the permit for **the below-described work**, and determined that it *does not* qualify for a Certificate of Appropriateness because it does not meet the Secretary of the Interior Standards for Rehabilitation, Standards:

- 2) The historic character of a property shall be retained and preserved. The removal of historic materials or alteration of features and spaces that characterize a property shall be avoided.*
- 5) Distinctive features, finishes, and construction techniques or examples of craftsmanship that characterize a property shall be preserved.*
- 6) Deteriorated historic features shall be repaired rather than replaced. Where the severity of deterioration requires replacement of a distinctive feature, the new feature shall match the old in design, color, texture, and other visual qualities and, where possible, materials. Replacement of missing features shall be substantiated by documentary, physical, or pictorial evidence.*

- The replacement of the original windows with fiberglass sash
