Subject: [EXTERNAL] Concerning 1225/1227 Hubbard St.

Dear Ms. Dye,

This note is written to indicate -- as a 29-year homeowner in the neighborhood -- my approval of the work currently being done to the house at 1225/1227 Hubbard St., 48209. Both the wooden fence and the reconstructed front porch are, to my taste, both appropriate and attractive. So I want to voice my hope that the work being done there will meet with your approval as well.

Best wishes,
Jon Miller
