**Subject:** [EXTERNAL] Proposal to use concrete to replace historic stone curbs  
**Date:** Thursday, April 8, 2021 6:21:48 AM

---

I urge the Historic District Commission to deny permission to DTE to replace historic stone curbs disturbed by their utility work with a concrete reproduction. I hope the Commission learned from the results of allowing this in Boston-Edison. The concrete (of course) did not last 5 years in some places. The stone has been there for a century. Please don't make the same mistake with Indian Village and other historic neighborhoods.

Thank you.
