Dear Commissioners,

I am a resident of Historic Indian Village. I want to express my opposition to DTE's request to replace historic stone curbs on Seminole with concrete. Indian Village is a historic district and as home owners we are held to uphold the historic elements of our properties. DTE should not be allowed to cheapen our neighborhoods and lower our property values with insufficient replacements that do not stand the test of time or keep to historic aesthetics. Please deny their request for concrete replacement curbs and require them to restore the stone curbs disturbed by their utility work.

Thank you,

Andi Mahoney
