Date: Tuesday, May 10, 2022 3:47:50 PM

Dear HDC Commissioners and Staff,

Wood windows and doors that match the dimensions and mimic those that were originally built with the house will be a vast improvement to the glass block windows and metal double doors that are currently in place at 647 Arden Park. Vinyl replacement windows however do not restore the character of this historic house that stands out so prominently at the eastern entrance to the Arden Park East Boston Historic District. The application for installation of vinyl windows should be denied.

Stephanie Miller
