Historic District Commission,

It is my understanding the proposed multi-family development at the Northeast corner of Porter and West Grand Boulevard, is up for review by this body.

I've been a resident and homeowner for the past decade on the 400 block of West Grand Boulevard, and an active member of the Historic Hubbard Farms community. I **fully support** this project as it has been presented to the neighborhood. The developers and architects have been respectful of the historic aesthetic of the community as well as being responsive to the feedback from neighbors.

I'm very excited to see this project move forward.

Thanks,
Sean Mann
401 W. Grand Boulevard
