Subject: Support for Proposed Project at 2108 Burns

Dear HDC Detroit,

I am writing this letter to express my full support for the proposed home improvement project by my neighbor and friend, Gary Brownell, of 2108 Burns Ave.

It is important to me that the Indian Village neighborhood preserves its historic nature, while being able to make improvements for livability for today. After looking over the designs, the level of thought and care taken is really outstanding for this neighborhood and the city. The commitment Gary has through his thoughtful investment of time and resources into this home and the city is clear. He has taken many steps to ensure this project will be both beautiful and respectful of the historic aspects of his home and community.

As a resident of the Indian Village neighborhood, I strongly believe that the proposed home improvement project will benefit not only his home but our entire community.

This demonstrates the sincere commitment of Gary Brownell to the preservation and improvement of our community.

Sincerely,

Bobby Curtis
