Subject: Support for Proposed Project at 2108 Burns

To the Historic District Commission of Detroit,

I am a resident of Detroit's Indian Village and a Professor of Architecture at University of Michigan. I live at 1500 Seminole Street. I am writing in support of the submitted project at 2108 Burns Ave. I believe that the proposed design is appropriate for this neighborhood, will not detract from the historic district, and if anything, will build upon its character. Additionally I believe the project will assist in the beautification of the Kercheval corridor of Indian Village.

I would be very excited to see this project built and urge you to approve the design. For any further questions please do not hesitate to contact me.

Sincerely,
