Subject: Support for Proposed Project at 2108 Burns

Dear HDC Detroit,

I am writing this letter to express my full support for the proposed home improvement project by my neighbor and friend, Gary Brownell, of 2108 Burns Ave.

It is very important to me that the Indian Village neighborhood preserves its historic nature, and after looking over the designs, I can attest to the level of thought and care that they have taken to ensure that their project will be both beautiful and respectful of the historic aspects of their home and the community.

As a resident of the Indian Village neighborhood, I strongly believe that the proposed home improvement project will benefit not only their home but the entire community as well.

This demonstrates the sincere commitment of Gary Brownell to the preservation and improvement of our community.

Sincerely,

Page Kimber, Indian Village Resident
