To the Historic District Commission and Staff,

I am a resident of Detroit and reside in Indian Village at 791 Seminole Street. I am also an elected board member of the Indian Village Association.

I have reviewed the application for 2108 Burns and support it. Additionally, I believe it to be materially similar to the previously approved 2021 HDC application. This proposal further strengthens and provides additional cohesion to the overall site plan.

This plan replaces multiple non-contributing elements of the site that are beyond their useful life and returns the main house to historical appropriateness. The project will enhance a key gateway of the neighborhood and I urge you to approve it.

Sincerely,

Alexander Grabowski
