Subject: Support for Proposed Project at 2108 Burns

To the Historic District Commission of Detroit

We are residents and small business owners in Detroit. We live at 2250 Fischer right around the corner from Gary and we have a business, Two Birds, at 8130 Kercheval right down the street. We are writing in support of the home project at 2108 Burns Ave. We believe that the proposed design will not only improve our community but will not detract one bit from the historic environment that we know and love.

From both perspectives, as close neighbors and nearby business owners, we are in full support of this project and urge you to approve the design. For any further questions or support, please do not hesitate to reach out.

Thank you so much,

Kyle + Lea Hunt
