Subject: [EXTERNAL] Letter of Support: 2108 Burns

HDC,

As a current resident of Indian Village and a former board member of the HIVA, I am writing in support of the project at 2108 Burns. I've reviewed the scope of work on your website and believe it will be great for our historic neighborhood. I look forward to the homeowner being able to break ground on the project soonest.

David A. Hutton
1411 Burns
