Subject: Support for Proposed Project at 2108 Burns

Dear HDC Detroit,

I am writing this letter to express my complete support for the proposed home improvement project by my friend, Gary Brownell, of 2108 Burns Ave. It is very important to me that all historic homes preserves its historic nature, and after looking over the proposal, the level of thought and care that they have taken to ensure that their project will be both beautiful and respectful of the historic aspects of their home, is admirable.

As a resident of Detroit, I believe that the proposed home improvement project will benefit not only their home but the entire community as well. This demonstrates the sincere commitment of Gary Brownell to the

preservation and improvement of our community.

Best Regards,
