Subject: Support for Proposed Project at 2108 Burns St.

Dear HDC Detroit,

This letter is in regards to the proposed home improvement project my friend and neighbor, Gary Brownell of 2108 Burns Ave, is seeking. I would like to convey my full support to the plans as submitted. I believe they respectfully sit with and add to the historic nature of the property and neighborhood.

I hold deep beliefs in keeping the historic preservation of the neighborhood intact, while allowing homes to change under the guidance of the HDC when projects are proposed. I have firsthand seen how the plans consider the individual property and surrounding area and believe the care and thought that have been developed would be a great addition architecturally.

I am a resident of the Indian Village neighborhood and applaud the consideration and diligence the HDC gives to all of Detroit's historic properties. I deeply believe the proposed project will respectfully add to the architectural historic character and charm of the neighborhood while furthering Gary Brownell's commitment to preservation and improvement in our community.

Yours sincerely,
