Dear Historic District Commission of Detroit,

I am writing in support of a home project being proposed by our neighbor Gary Brownell from 2108 Burns Ave. in Historic Indian Village. As a member of this community, I would like to express my support for this project, which will only help to further advance the wonderful neighborhood we are all part of.

We have known Gary for years now, and I've seen him painstakingly revive his beautiful home and garden over the past five years. The project as proposed will not detract from our neighborhood in any way, but will rather build on the charming character of the Historic Indian Village. The proposed plans will see the property upgraded and beautified, which can only be a positive for our community.

Yours sincerely,
Emily Siegel
