Subject: Improvements at 2108 Burns, Indian Village, Detroit

Dear HDC Detroit,

As a longterm resident of Indian Village and as a current Trustee and Treasurer of the Indian Village Historical Collections, I write to convey my support to the proposed home improvement project at 2108 Burns, Detroit.

After reviewing the plans that its owner Mr. Gary Brownell has submitted, it is my view that significant care and thought has been put into this project. I believe those plans are well-adapted to the historic requirements of Indian Village, and that the project will contribute to an appropriate evolution of our historic district.

I urge HDC Detroit to give full approval to this project, and thank you in advance for your consideration of public and neighborhood input.

Yours sincerely,
Christopher Stommel
