Subject: Support for Proposed Projects at 2108 Burns

Dear HDC Detroit,

I am a resident of Detroit and live at 1427 Burns Street (aka, Ave.) in the Indian Village Historic District. I am writing this letter to express my support for the proposed home improvement project(s) by my neighbor, Gary Brownell, at 2108 Burns Street (aka, Ave).

It is important to me that the Indian Village neighborhood preserve its historic nature. After reviewing all of the HDC documents in this matter, it is clear that Gary has put a great deal of effort, thought, and care into the project to ensure it will be both beautiful and respectful of the historic aspects of his home and the community. All of this has been reviewed by HDC staff. The proposed plans will see the property upgraded and beautified in a historically correct way that is in keeping with the historical nature of the neighborhood. Bravo!

As a long-time resident of two historic districts (the Indian Village neighborhood and Hubbard Farms in Southwest Detroit), I strongly believe that the proposed home improvement projects will benefit not only Gary's home but the entire community as well and demonstrates the sincere commitment of Gary Brownell to the preservation and improvement of our community.

Yours Sincerely,

Douglas G. Wahl
