Subject: [EXTERNAL] 2108 Burns: Letter of Support

To whom it may concern,

As a long-time resident of 2233 Iroquois St in the Indian Village community, I would like to express my enthusiastic support for the proposed design by Gary Brownell for 2108 Burns. I believe that this design will enhance the beauty and value of our neighborhood, while also preserving its historic charm.

As a united community, we should wholeheartedly embrace any and all initiatives put forth by our neighbors to enhance the beauty and function of our city blocks. Let us work together to make these improvements easily achievable and accessible to all.

Please do not hesitate to contact me if you have any questions or concerns.

Best regards,
