To Whom It May Concern,

My name is Daisuke Hughes, resident of 1806 Leverette. My house shares an alley with the proposed project at 1815 Church St.

I am writing to express my support for this project to move forward. Investment in our own neighborhoods, and the City at large, is integral to building a strong community textile. I am in support of both the historic reveal beneath the siding of the house as well as the thoughtful new construction backing up to the alley. The design seems both simple and elegant and will be a welcome addition to the neighborhood.

Thank you for taking the time to read this message,

Daisuke Hughes
