Subject: [EXTERNAL] Re: Esterling House

Good Morning Garrick

I saw that the Esterling House on Wabash was being presented tonight for the addition they want to add to the original house.

As the owner of the vacant land from 2001-2041 Wabash and as an professional architect, I would like to convey to the commission my support of the addition as designed. This is a really well done and sympathetic addition to one of the real "star" homes that make up west Corktown.
