EXTERIOR OF KLINE'S WOMEN'S FASHIONS, 1958. Kline's was founded by Eugene B. Kline in 1911 at 1225 Woodward Avenue. With a streamlined entrance and display windows under a gleaming marquee, it was called the most modern store in the country in 1940. Merchandise was housed on eight floors. In 1958, Kline's was acquired by City Specialty Stores, operators of Franklin Simon Stores. Many shoppers found outstanding bargains during Downtown Detroit Days in the famous Franklin Simon Attic on the sixth floor. The store closed in 1977 and was succeeded by Pam's Fashions and later a beauty supply store. (Courtesy Central Business District Foundation.)
