

A photograph of a basement. On the left, there is a vertical metal structure, possibly a door or a large pipe, with a wooden post leaning against it. The floor is concrete. On the right, there is a brick wall. The background shows a rough, unfinished area with exposed brick and some debris. The word "BASEMENT" is written in red cursive at the bottom of the image.

FIRST FLOOR FRONT

The image shows the interior of a wooden structure, possibly a barn or a workshop. The ceiling is made of dark, weathered wooden planks. Below the ceiling, there are several horizontal wooden beams. A section of the wall is made of red bricks with grey mortar, showing signs of wear and cracking. The floor is made of wooden planks. The text "FIRST FLOOR FRONT" is written in red, handwritten letters across the bottom of the image.

Third Floor Front

A photograph of a cluttered attic space. The ceiling consists of wooden planks and beams. A large, intricate spider web is visible in the center, spanning across several beams. To the right, there is a large, crumpled piece of silver insulation or plastic. The overall lighting is dim, with some highlights on the wooden surfaces and the insulation.
