Description & Documents

Traditional Steel Panel garage doors feature a design that works with every home without sacrificing style for strength, durability and comfort. This Best construction garage door includes 1-3/8" thick Intellicore insulation with R-Value 12.9. Why is Intellicore the Best? Simply said Intellicore is Warmer, Quieter and Stronger. At the heart of an Intellicore door is a continuous layer of polyurethane insulation sandwiched between two layers of steel. The three-layer construction provides strength, dent resistance, insulation and security, as well as quiet operation and a beautiful appearance inside and out.

Dimensions: 16 ft. wide x 7 ft. high

Brand Name: **Ideal Door**
