Description & Documents

When it comes to affordable reliability, Chamberlain® has homeowners covered with the B353 Smart Garage Opener. Built to be long lasting, the B353 comes with a quiet belt drive system, so you don't have to hear the door from another room when it opens and closes. It also has built-in WiFi®, allowing you to connect the opener to the myQ® App to open, close and monitor the status of your garage door from anywhere. The durable design features half-horsepower lifting capacity, manufactured for your safety and convenience.

Shipping Dimensions: 26.80 H x 13.40 W x 8.10 D

Shipping Weight: 35.375 lbs

Brand Name: **Chamberlain**

Features

- Powerful: With lifting force equivalent to 1/2 HP.
- Quiet: Keep living spaces quiet with the ultra-strong belt drive system.
- Complete connectivity: The opener has built-in WiFi. You can close your garage door from anywhere, open it for anyone, and get alerts with the myQ® App.
- Safe and secure: The highest level of encryption and monitoring paired with your home's ISP and Wi-Fi® router firewalls guard against hacking.
- Perfect fit: Compatible with garage doors up to seven feet high.
- Additional assurance: Five-year (belt) and six-year (motor) warranties.
- Box includes: 3-button remote, safety sensors and push button door control.
- This item is not for sale to these states: CA
