Subject: Historic Windows Repair estimate

Repair items:

- Remove the window sashes and the casings
- Repair or replace the damaged or broken ropes and balances
- Repair the interior jambs, casing and stops. Remove existing Lead-based paint and repaint
- Take the windows sashes offsite for repair and Lead-based paint stripping. Re-paint window sashes.
- Re-glazed the exterior window to make sure there's no air filtration
- Re-install windows sashes with functional ropes and balances
- Remove and reinstall storm windows

\$975 for each window repaired – 23 windows -- \$22,425

Additional site work (storm windows, ropes and balances, jambs, casing and stops) -- \$6775

Total: 29,200

Thank you
